Item 1.01 Entry into a Material Definitive Agreement.

As previously announced, on October 31, 2023, Lumen Technologies, Inc. (the “Company” or “Lumen”) entered into a Transaction Support Agreement (the “Original Transaction Support Agreement”) with (i) Level 3 Financing, Inc. (“Level 3”), (ii) Qwest Corporation (“Qwest”, together with the Company and Level 3, the “Company Parties”), and (iii) certain holders of the debt of the Company and Level 3 (the “Original TSA Parties”). On January 22, 2024, the Company, Level 3, Qwest, the Original TSA Parties and certain other holders of the debt of the Company and Level 3 (such holders, together with the Original TSA Parties, the “Consenting Parties” and the Consenting Parties, together with the Company Parties, the “Parties”) entered into an Amended and Restated Transaction Support Agreement (together with all exhibits, annexes and schedules thereto, the “A&R Transaction Support Agreement”).

The A&R Transaction Support Agreement, which amends and restates in its entirety the Original Transaction Support Agreement, defines the Parties’ commitments to effect a series of transactions (the “TSA Transactions”) set forth in the term sheet attached thereto (the “Term Sheet”), which transactions will provide the Company and Level 3 with comprehensive maturity extensions while allowing them to maintain sufficient operating liquidity and financial flexibility. Among other things and subject to the terms and conditions set forth therein, the A&R Transaction Support Agreement, including the Term Sheet, contemplates:

- the incurrence by Level 3 of \$1.325 billion in new money long term senior secured first lien indebtedness, which indebtedness will be backstopped by certain of the Consenting Parties;
- a new revolving credit facility at Lumen in an amount expected to be approximately \$1 billion;
- the extension of maturities, covenant modifications and rate increases of certain secured and unsecured indebtedness at the Company and Level 3 through a series of exchanges and other debt transactions with certain Consenting Parties as set forth in the Term Sheet; and
- the repayment of certain indebtedness at the Company and Qwest.

In addition, the A&R Transaction Support Agreement makes certain modifications to the TSA Transactions set forth in the Term Sheet and extends the outside date for completion of the TSA Transactions to February 29, 2024, which the Company may unilaterally extend at its discretion to March 31, 2024. The Company expects to consummate the TSA Transactions in the first quarter of 2024, subject to the satisfaction of limited remaining closing conditions.

The Company plans to make certain term loan transactions available to all holders in connection with the consummation of such transactions. The transactions related to certain notes of the Company and Level 3 will be executed on a privately negotiated basis under Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”). The Company does not plan to make such transactions available to all holders in connection with the consummation of such transactions. Following consummation of the TSA Transactions, the Company may assess potential follow-on transactions with respect to non-participating debt.

The A&R Transaction Support Agreement also contains certain representations, warranties and other agreements by the Parties. The representations, warranties and covenants of each Party set forth in the A&R Transaction Support Agreement have been made only for purposes of, and were and are solely for the benefit of, the Parties and may be subject to limitations agreed upon by the Parties. In addition, certain representations and warranties were made only as of the date of the A&R Transaction Support Agreement or such other date as is specified therein. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the A&R Transaction Support Agreement, which subsequent information may or may not be fully reflected in the Company’s public disclosures. Accordingly, the A&R Transaction Support Agreement has been included with this filing only to provide investors with information regarding the terms of the A&R Transaction Support Agreement, and not to provide investors with any other factual information regarding the Parties, their respective affiliates or their respective businesses.

The foregoing description of the A&R Transaction Support Agreement is not complete and is qualified in its entirety by reference to the A&R Transaction Support Agreement, a copy of which is attached to this Current Report on Form 8-K as Exhibit 10.1 and incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

In connection with entering into the A&R Transaction Support Agreement, the Company issued a press release on January 25, 2024, a copy of which is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated into this Item 7.01 by reference.

The information in this Current Report on Form 8-K, including the exhibits hereto, shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section.

(v) if requested by the Company, facilitating the replacement of the Existing Trustees, as applicable, in connection with the consummation of the Transactions (with replacement trustees reasonably acceptable to the Company and the Majority Consenting Parties and any replacement trustee for the Existing Lumen Tech Senior Secured Notes reasonably acceptable to the Majority Specified Lumen Tech Consenting Parties);

(f) not to incur or suffer to exist any lien, charge, encumbrance, participation, security interest, adverse claim or any other restriction that would prevent such Consenting Party's performance of its obligations contained in this Agreement at the time such obligations are required to be performed;

(i) any event or circumstance that such Consenting Party has actual knowledge of that has occurred, or that is reasonably likely to occur (and if it did so occur), that would permit any Consenting Party to terminate, or could reasonably be expected to result in the termination of, this Agreement and/or any Company Termination Event;

(ii) any material representation or statement made or deemed to be made by such Consenting Party under this Agreement which is or proves to have been incorrect or misleading in any material respect when made or deemed to be made, to the extent actually known by such Consenting Party; and

COMMITMENTS

6. New Money Commitment; Backstop Commitment.

(a) Each Consenting Party shall have a right, but not the obligation (the “New Money Subscription Right”), subject to the terms and conditions of this Agreement, to fund in cash on the Closing Date a portion of the aggregate principal amount of notes to be issued under the New Money First Lien Indenture.

(b) Each such Consenting Party that exercises its New Money Subscription Right to subscribe to purchase (or to have any of its Affiliates subscribe to purchase) notes to be issued under the New Money First Lien Indenture, in a principal amount not to exceed \$250 million at any time on or prior to the Agreement Effective Date (the “Election Date”) shall provide a duly executed written notice to the Company and the Ad Hoc Group Advisors in the form of Exhibit D to the Original Transaction Support Agreement (each, a “Subscription Notice” and each Consenting Party delivering such notice, a “Subscribing Party”). The Subscribing Parties and the amounts subscribed thereby are set forth on Schedule 2 hereto. By delivering a Subscription

Notice, the Subscribing Party is committing to purchase on the Closing Date, subject to the terms and conditions of this Agreement, up to the aggregate principal amount of notes to be issued under the New Money First Lien Indenture set forth in such Subscription Notice. In the event that any such Consenting Party fails to provide such written notice in accordance with this Section 6(b), such Consenting Party shall be deemed to have irrevocably waived its right to provide any portion of the aggregate principal amount of the New Money First Lien Indenture.

(c) In the event that Subscription Notices are received by the Company and the Ad Hoc Group Advisors at or prior to the Agreement Effective Date in excess of the aggregate principal amount of the notes to be issued under the New Money First Lien Indenture, then the amounts allocated to the Consenting Parties who duly submitted Subscription Notices shall be reduced ratably by first giving priority to the amounts set forth in the Subscription Notices submitted by Consenting Parties based on holdings of Existing Level 3 Debt and, second, giving priority to the amounts set forth in the Subscription Notices submitted by other Consenting Parties based on holdings of Existing Debt other than Existing Level 3 Debt.

(d) On the terms, subject to the conditions and limitations, and in reliance on the representations and warranties set forth in this Agreement and the Term Sheet, each of the Backstop Parties, severally and not jointly, hereby commits to purchase in cash on the Closing Date its Backstop Commitment of the notes issued under the New Money First Lien Indenture (with respect to each Backstop Party, the amount that it is required to purchase pursuant to this Section 6(d) is referred to herein as its “Backstop Commitment Amount”), which Backstop Commitment Percentage is set forth on Schedule 3 hereto. The commitments of the Backstop Parties are several, not joint, obligations of the Backstop Parties, such that no Backstop Party shall be liable or otherwise responsible for the Backstop Commitment Amount of any other Backstop Party.

(e) [reserved]

(f) Notwithstanding the foregoing or anything to the contrary herein, in the event any Subscribing Party (other than a Backstop Party) fails to fund all or any portion of its New Money Commitment on the Closing Date, the Backstop Parties shall, subject to the terms and conditions of this Agreement, in addition to funding their respective New Money Commitment Amount fund such defaulting Subscribing Party’s New Money Commitment Amount on the Closing Date ratably based on their respective Backstop Commitment Percentage.

(g) As consideration for the commitments and agreements of the Backstop Parties hereunder, the Company Parties shall pay or cause to be paid to the Backstop Parties the Backstop Commitment Premium as set forth in the Term Sheet, which Backstop Commitment Premium shall be due and payable on, and subject to the occurrence of, the Closing Date and the funding of the New Money First Lien Indenture and the consummation of the Transactions. For the avoidance of doubt, subject to the prior sentence, the Backstop Commitment Premium will be deemed fully earned and payable regardless of the amount of the Uncommitted First Lien Amount (if any) actually funded by the Backstop Parties.

(h) The Consenting Parties reserve the right to designate one or more Affiliates (including, without limitation, funds, entities, accounts and clients managed or advised by such

Consenting Party) to exercise all or a portion of their New Money Subscription Right or provide all or a portion of their Backstop Commitment Amount; provided, the foregoing shall not release any Consenting Party of its commitments or obligations hereunder and any failure of an Affiliate of a Consenting Party to fund (or cause to be funded) the applicable portion of the New Money First Lien Indenture on the Closing Date shall be deemed a breach of this Section 6 by such Consenting Party; provided, further, the Backstop Parties reserve the right to transfer all or a portion of their respective Backstop Commitment Premium or their respective Backstop Commitment, as applicable, to designated Affiliates in accordance with this paragraph.

(i) Notwithstanding anything to the contrary in this Agreement, each Backstop Party may transfer all or any portion of its Backstop Commitment to any Related Fund of such Backstop Party (each, a “Related Purchaser”), or to another existing Backstop Party (or any of its Related Funds, collectively, “Existing Backstop Party Purchasers”), provided that such Backstop Party shall deliver to the Company, Wachtell Lipton, and Davis Polk a joinder to this Agreement, substantially in the form attached hereto as Exhibit E, executed by such transferee and the Company (to the extent such transferee is not already a party to this Agreement). A transfer of a Backstop Commitment made pursuant to this provision shall relieve such transferring Backstop Party from its obligations under this Agreement with respect to such Backstop Commitment.

(j) Notwithstanding anything to the contrary in this Agreement, each Backstop Party shall have the right to transfer all or any portion of its Backstop Commitment to any Person that is not a Related Purchaser or an Existing Backstop Party Purchaser, (each of the Persons to whom such a transfer is made, a “New Purchaser”, and each such transfer, an “Outside Transfer”), provided that other than Outside Transfers for the purpose of complying with applicable tax or regulatory requirements that may preclude or prohibit a Backstop Party from fulfilling their Backstop Commitments hereunder, in whole or in part (any such Outside Transfer, a “Permitted Outside Transfer”), such Outside Transfer shall be subject to the prior written consent of Company (such consent not to be unreasonably withheld and shall be deemed to have been given if Company does not affirmatively object to a proposed Outside Transfer by such Backstop Party within five (5) Business Days following notification in writing to counsel to Wachtell Lipton, and the Davis Polk of such proposed Outside Transfer); provided, further, that such Backstop Party shall deliver to the Company, and Davis Polk a joinder to this Agreement, substantially in the form attached hereto as Exhibit E, executed by such transferee and the Company. A transfer of New Money Commitment made pursuant to this provision shall relieve such transferring Backstop Party from its obligations under this Agreement with respect to such Backstop Commitment.

(k) Each Consenting Party agrees that this Section 6 is a binding and enforceable agreement with respect to its New Money Commitments and Backstop Commitments.

(l) On the terms, subject to the conditions and limitations, and in reliance on the representations and warranties set forth in this Agreement and the Term Sheet, each of the Parties set forth on Schedule 2 hereto, severally and not jointly, hereby commits to purchase in cash on the Closing Date an amount of notes issued under the New Money First Lien Indenture as set forth on Schedule 2. The commitments of the Parties set forth in this Section 6(l) are several, not joint, obligations, such that no Party shall be liable or otherwise responsible for the commitment set forth in this Section 6(l) of any other Party.

TERMINATION

7. Termination.

(a) Termination by the Consenting Parties. This Agreement may be terminated by either the Majority Consenting Parties, the Majority Consenting Lumen Tech Revolving Lenders or the Majority Specified Lumen Tech Consenting Parties, in their respective sole and absolute discretion, upon three (3) days' prior written notice thereof to all of the Parties, upon the occurrence of any of the following events (each, an "Consenting Parties Termination Event"):

(i) a material breach by any Company Party of any of its representations, warranties, covenants, or obligations set forth in this Agreement or any other agreement to be entered into in connection with the Transactions that (if susceptible to cure) remains uncured for a period of five (5) Business Days after the receipt by the Ad Hoc Group Advisors and the Existing Lumen Tech Revolving Lender Advisors of written notice of such breach; provided that nothing in this Section 7(a)(i) shall impair the Consenting Parties' ability to terminate this Agreement pursuant to the remaining provisions in this Section 7(a); provided, further, that the notice and cure period contained in this Section 7(a)(i) shall run concurrently with the notice period contained in Section 7(a) hereof;

(ii) any Definitive Document does not comply with Section 2 of this Agreement;

(iii) any Company Party (x) (1) publicly announces its intention to pursue, or (2) consummates, or enters into a binding agreement to consummate, in each case, an Alternative Transaction or (y) publicly announces its intention to not pursue the Transactions;

(iv) solely in the event that both (x) the Company duly exercises its option to extend the date set forth in Section 7(d)(i) to a date after February 29, 2024 and (y) as a result thereof, closing occurs on or after March 1, 2024, there shall have occurred any event or condition that has had or would be reasonably expected to have, either individually or in the aggregate, a Material Adverse Effect as compared to the date hereof.

(v) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction of, any ruling or order making illegal or otherwise enjoining, preventing, or prohibiting the consummation of a material portion of the Transactions, which legal action, ruling or order has not been withdrawn or discharged after thirty (30) days; or

(vi) the termination of this Agreement in accordance with its terms by the Company.

(b) Termination by the Company. This Agreement may be terminated by the Company, in its sole and absolute discretion, on behalf of each of the Company Parties, as to all Parties, except with respect to clause (vii) below upon three (3) days' prior written notice thereof

to all of the Parties, upon the occurrence of any of the following events (each, a “Company Termination Event”):

(i) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction of, or the initiation or threatened initiation of any legal action by any governmental authority seeking, any ruling or order making illegal or otherwise enjoining, preventing, or prohibiting the consummation of a material portion of the Transactions, which legal action, threatened initiation of a legal action, ruling or order has not been withdrawn or discharged after thirty (30) days;

(ii) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction of, any ruling or order making illegal or otherwise enjoining, preventing, or prohibiting a Company Party or any affiliate of a Company Party from making any transfer or distribution, which legal action, ruling or order has not been withdrawn or discharged after thirty (30) days;

(iii) the full amount of the New Money First Lien Indenture is not funded when required on the Closing Date;

(iv) if as a result of the failure by the Consenting Parties to comply with Section 8 hereof the Consenting Parties do not, for a period of three (3) Business Days, hold Existing Debt in amounts that satisfy the Required Threshold under any tranche;

(v) after the good faith attempt by the Parties, pursuant to Section 2(c), to structure and modify the terms of the Transactions to ensure that such Transactions do not cause a “significant modification” (within the meaning of Treasury Regulations Section 1.1001-3), a determination by the Company Parties that the Transactions would cause a “significant modification” (within the meaning of Treasury Regulations Section 1.1001-3) for U.S. federal income tax purposes of any of the (i) Existing Lumen Tech Term B Loans, (ii) Existing Lumen Tech Senior Secured Notes or (iii) Existing Level 3 Senior Unsecured Notes;

(vi) with respect to any particular Consenting Party (but not as to all of the other Parties) upon three (3) days’ prior written notice thereof upon the occurrence of a breach by such Consenting Party of any of the representations, warranties, covenants or obligations with respect to such Consenting Party set forth in this Agreement that (if susceptible to cure) remains uncured for a period of five (5) Business Days after the receipt by all of the Consenting Parties of written notice of such breach (which notice periods shall run concurrently); provided that nothing in this Section 7(b)(vi) shall impair the Company’s ability to terminate this Agreement pursuant to the remaining provisions of this Section 7(b); provided, further, that the notice and cure period contained in this Section 7(b)(vi) shall run concurrently with the notice period contacted in Section 7(b) hereof; or

(vii) at any time prior to the date on which the condition set forth in Section 3(b)(xiii) is satisfied in full and each of the Existing Lumen Tech Revolving Lenders has become a party to this Agreement.

(c) Mutual Termination. This Agreement may be terminated as to all Parties at any time by mutual written consent of the Company Parties, the Majority Consenting Parties, the Majority Consenting Lumen Tech Revolving Lenders and the Majority Specified Lumen Tech Consenting Parties (such consent, a “Mutual Termination Event”).

(d) Automatic Termination. This Agreement will automatically terminate as to all Parties upon (the occurrence of any such event, an “Automatic Termination Event”):

(i) 5:00 p.m., New York City time, on February 29, 2024 if the Closing Date has not occurred before such date, as such date may be extended from time to time by the Company at its election in its sole discretion upon two (2) Business Days’ prior notice to a date after February 29, 2024 but not later than March 31, 2024;

(ii) any Company Party or any of its respective material subsidiaries commencing insolvency proceedings, including (A) voluntarily commencing any case or filing any petition seeking bankruptcy, winding up, dissolution, liquidation, administration, moratorium, reorganization or other relief under any federal, state or foreign bankruptcy, insolvency, administrative receivership or similar law now or hereafter in effect, (B) consenting to the institution of, or failing to contest in a timely and appropriate manner, any involuntary proceeding or petition described above, (C) filing an answer admitting the material allegations of a petition filed against it in any such proceeding, (D) applying for or consenting to the appointment of a receiver, administrator, administrative receiver, trustee, custodian, sequestrator, conservator or similar official for a Company Party for a substantial part of its assets or (E) making a general assignment or arrangement for the benefit of creditors;

(iii) the entry of an order, judgment or decree adjudicating the Company Parties or any of their respective material subsidiaries bankrupt or insolvent, including the entry of any order for relief with respect to any of the Company Parties or any of their respective subsidiaries under the Bankruptcy Code;

(iv) the taking of any binding corporate action by any of the Company Parties or any of their respective subsidiaries in furtherance of any action described in the foregoing clauses (ii) - (iii); or

(v) the funding of the New Money First Lien Indenture in full, the extension of the new Lumen Tech Superpriority Revolving Facility and the consummation of the other Transactions on the Closing Date.

(e) Termination Date and Survival. The date on which this Agreement is terminated in accordance with this Section 7 with respect to a Party shall be referred to as the “Termination Date” with respect to such Party and the provisions of this Agreement shall terminate on the Termination Date; provided that Sections 1, 4(e) (with respect to the fees, costs and out of pocket expenses incurred prior to the Termination Date), 7(e), 7(f), 10, 11, 12, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25 and 26 hereof shall survive the Termination Date.

(f) Effect of Termination.

(i) Upon the Termination Date, this Agreement shall forthwith become null and void and have no further force or effect, each Party hereto shall be released from its commitments, undertakings and agreements under or related to this Agreement and there shall be no liability or obligation hereunder on the part of any Party hereto; provided that in no event shall any such termination relieve a Party hereto from (i) liability for its breach or non-performance of its obligations hereunder prior to such Termination Date, notwithstanding any termination of this Agreement by any other Party, and (ii) obligations under this Agreement which expressly survive any such termination pursuant to Section 7(e). Upon any Termination Event, unless the Closing Date has occurred, any and all consents, tenders, waivers, forbearances and votes delivered by a Consenting Party in connection with the Transactions automatically shall be deemed, for all purposes, to be null and void *ab initio*. Notwithstanding the foregoing or anything herein to the contrary, no Party may exercise any of its respective termination rights as set forth in this Section 7 if such Party has failed to perform or comply in all material respects with the terms and conditions of this Agreement unless such failure to perform or comply arises as a result of another Party's actions or inactions or would not otherwise give rise to a Termination Event in favor of the other Party.

TRANSFERS

8. Transfer of Claims and Interests.

(a) Subject to the terms and conditions of this Agreement, each Consenting Party agrees, solely with respect to itself, as expressly identified and limited on its signature page, and not in any other manner with respect to any Affiliates, not to (i) sell, transfer, assign, hypothecate, pledge, grant a participation interest in, or otherwise dispose of, directly or indirectly, its right, title, or interest with respect to any of such Consenting Party's Existing Debt that is subject to this Agreement (the "Applicable Existing Debt"), in whole or in part, or (ii) deposit any of such Consenting Party's Applicable Existing Debt into a voting trust, or grant any proxies, or enter into a voting agreement with respect to any such Applicable Existing Debt (any of the actions described in clauses (i) and (ii) of this Section 8(a) is referred to herein as a "Transfer"; "Transferred" shall have a meaning correlative thereto; and the Consenting Party making such Transfer is referred to herein as the "Transferor"), unless the Transfer is to another Consenting Party, which shall include, for the avoidance of doubt, any Transfer to any fund, account or client managed, advised or sub-advised by an investment manager of a Consenting Party or any other entity consented to in writing by the Company (such consent in the case of Existing Debt in the form of loans or commitments not to be unreasonably withheld or delayed) that agrees in writing to be bound by the terms of this Agreement by executing and delivering to Wachtell Lipton and Davis Polk a joinder agreement in the form attached hereto as Exhibit E prior to the effectiveness of the relevant Transfer (any such transferee, a "Permitted Transferee"); provided that notwithstanding anything to the contrary, and except as otherwise permitted by the Company, only holdings of Existing Debt held by Consenting Parties as of the Original Agreement Effective Date (or (i) as to Existing Lumen Tech Senior Secured Notes, in the case of the Specified Lumen Tech Consenting Parties, as of the Agreement Effective Date and (ii) as to any note holdings of Consenting Lumen Tech Revolving Lenders Trading Desks as contemplated by the definition thereof, in the case of the Consenting Lumen Tech Revolving Lenders Trading Desks, as of the Agreement Effective Date) shall be permitted to exchange or transfer notes held thereby in the Transactions. Any Transfer in violation of this Section 8 shall be void *ab initio*. Notwithstanding anything to the

contrary herein, the restrictions set forth on Transfers set forth in this Section 8(a) shall not apply to (i) Transfers made pursuant to Section 8(g) and (ii) the grant of any liens or encumbrances on Applicable Existing Debt in favor of a bank or broker-dealer holding custody of such Applicable Existing Debt in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such Applicable Existing Debt.

(b) Upon the consummation of a Transfer in accordance herewith, such Permitted Transferee shall be deemed to make all of the representations, warranties and covenants of a Consenting Party, as applicable, as set forth in this Agreement, and shall be deemed to be a Party and a Consenting Party for all purposes under this Agreement.

(c) A Consenting Party that Transfers Applicable Existing Debt to a Permitted Transferee in accordance with the terms of this Section 8 shall (i) be deemed to relinquish its rights and be released from its obligations under this Agreement solely to the extent of such Transferred Applicable Existing Debt, (ii) not be liable to any Party to this Agreement for the failure of the Permitted Transferee to comply with the terms and conditions of this Agreement, provided that in no event shall any such Transfer relieve (x) a Consenting Party hereto from liability for its breach or non-performance of its obligations hereunder prior to the date of such Transfer or (y) an Initial Consenting Party or an Other Consenting Party from its obligations pursuant to Section 6 herein, and (iii) within two (2) Business Days of such Transfer, deliver written notice of the Transfer to the Wachtell Lipton and Davis Polk, which notice may be provided through counsel and shall include the amount and type of Applicable Existing Debt that was acquired.

(d) This Agreement shall not limit, restrict, or otherwise affect in any way any right, authority, or power of any Consenting Party to acquire additional Existing Debt after the Original Agreement Effective Date. Any such acquired Existing Debt (including pursuant to an Open Trade) shall automatically and immediately upon acquisition by the Consenting Party be deemed to be subject to the terms of this Agreement; provided that notwithstanding anything to the contrary, but except as provided in Section 8(e) below, only holdings of Existing Debt held by Consenting Parties as of the Original Agreement Effective Date (or (i) as to Existing Lumen Tech Senior Secured Notes, in the case of the Specified Lumen Tech Consenting Parties, as of the Agreement Effective Date and (ii) as to any note holdings of Consenting Lumen Tech Revolving Lenders Trading Desks as contemplated by the definition thereof, in the case of the Consenting Lumen Tech Revolving Lenders Trading Desks, as of the Agreement Effective Date) shall be permitted to exchange or transfer notes held thereby in the Transactions without the Company Parties' express prior written consent. Within two (2) Business Days of any acquisition (calculated based on the settled trade debt) of Existing Debt by a Consenting Party from a person that, to the acquiring party's actual knowledge, is not a Consenting Party (including any Qualified Marketmaker (as defined below) that is not a Consenting Party), such Consenting Party shall deliver written notice of the acquisition to Wachtell Lipton and Davis Polk, which notice may be provided through counsel and shall include the amount and type of Existing Debt that was acquired.

(e) Notwithstanding anything to the contrary herein, Applicable Existing Debt that is Transferred to or by a Consenting Party pursuant to an Open Trade, or as part of a short transaction, entered into by such Consenting Party prior to, and pending as of the date of, the Original Agreement Effective Date (or (i) as to Existing Lumen Tech Senior Secured Notes, in the case of the Specified Lumen Tech Consenting Parties, as of the Agreement Effective Date and (ii) as to any note holdings of Consenting Lumen Tech Revolving Lenders Trading Desks as contemplated by the definition thereof, in the case of the Consenting Lumen Tech Revolving Lenders Trading Desks, as of the Agreement Effective Date) shall be permitted to participate in the Transactions, shall be subject to the terms of this Agreement, as provided in Section 8(d), and shall be permitted to participate in the Transactions so long as such trade closes or Applicable Existing Debt is transferred prior to the consummation of the Transactions.

(f) The Parties understand that the Consenting Parties may be engaged in a wide range of financial services and businesses, and, in furtherance of the foregoing, the Parties acknowledge and agree that, to the extent a Consenting Party expressly indicates on its respective signature page hereto that it is executing this Agreement solely on behalf of a specific trading desk(s) and/or business group(s) of the Consenting Party, the obligations set forth in this Agreement shall apply only to such trading desk(s) and/or business group(s) and shall not apply to any other trading desk, business group or Affiliate of the Consenting Party unless they separately become a party hereto.

(g) Notwithstanding anything to the contrary herein, a (i) a Qualified Marketmaker² that acquires any Existing Debt subject to this Agreement held by a Consenting Party with the purpose and intent of acting as a Qualified Marketmaker for such Existing Debt, shall not be required to become a party to this Agreement as a Consenting Party, if such Qualified Marketmaker transfers such Existing Debt (by purchase, sale, assignment, or other similar means) to a Permitted Transferee; provided that a Qualified Marketmaker's failure to comply with this Section 8(g) shall result in the Transfer of such Existing Debt to such Qualified Marketmaker being deemed void *ab initio*, and (ii) to the extent any Consenting Party is acting solely in its capacity as a Qualified Marketmaker, it may acquire any ownership interests in Existing Debt from a holder of such Existing Debt that is not a Consenting Party and may transfer such Existing Debt to a transferee that is not a Consenting Party at the time of such transfer, in each case without the requirement that the transferee be a Permitted Transferee.

(iii) as of the Agreement Effective Date (or such later date that it delivers its signature page hereto to the other Parties), such Party has no actual knowledge of any event that, due to any fiduciary or similar duty to any other Person or entity, would prevent it from taking any action required of it under this Agreement; and

(iv) this Agreement is a legally valid and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium, or other similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability.

(ii) other than pursuant to this Agreement, the Existing Debt with respect to which it is the beneficial or record owner or has sole investment or voting discretion set forth on its respective signature page is free and clear of any lien, charge, encumbrance, participation, security interest, adverse claim or any other similar restriction, or any equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition of any kind that could reasonably be expected to adversely affect in any way such Consenting Party's performance of its obligations contained in this Agreement at the time such obligations are required to be performed; and

(iii) it has reviewed, or has had the opportunity to review, with the assistance of professional and legal advisors of its choosing, all information it deems necessary and appropriate for such Consenting Party to evaluate the financial and other risks inherent in the Transactions and has such knowledge and experience in financial and business matters of this type that it is capable of evaluating the merits and risks of entering

into this Agreement and the Transactions and of making an informed investment decision in connection therewith, and its decision to execute this Agreement and participate in any of the Transactions contemplated hereby has been based upon such of its own independent review and analysis of the business and affairs of the Company Parties (and their respective subsidiaries) and the Transactions that it considers sufficient and reasonable for purposes of entering into this Agreement and the Transactions, and such decision is not in reliance upon any representations or warranties of any other Party (or any such other Party's financial, legal or other professional advisors), other than such express representations and warranties of the Parties contained herein.

(c) Each Consenting Party represents to each other Party that (A) it is (i) a "qualified institutional buyer" within the meaning of Rule 144A of the Securities Act, (ii) an institutional "accredited investor" within the meaning of Rule 501(a)(1), (a)(2), (a)(3) or (a)(7) of Regulation D under the Securities Act, or (iii) not a "U.S. person" as defined in Rule 902 under the Securities Act; (B) it understands that the securities contemplated by this Agreement and the Transactions have not been, and are not contemplated to be, registered under the Securities Act and may not be resold without registration under the Securities Act except pursuant to a specific exemption from the registration provisions of the Securities Act; (C) it is acquiring any securities of the Company in connection with the Transactions for investment and not with a view to distribution or resale in violation of the Securities Act; and (D) is not acquiring the securities contemplated by this Agreement and the Transactions as a result of any advertisement, article, notice or other communication regarding such securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement.

(d) Each Party that is a managed account (or portion thereof) (severally and not jointly) represents and warrants that the manager or investment adviser executing this Agreement on behalf of such Party has the authority to execute, on behalf of such Party, this Agreement and any transactions that this Agreement requires such Party to execute, and each Party that has entered into this Agreement in its capacity as a trustee represents and warrants that it has the authority in such capacity to execute and perform this Agreement and any transactions that this Agreement requires such Party to execute.

RELEASES

10. Releases.

(a) Subject to the occurrence of, and effective from and after, the Closing Date, in exchange for the cooperation with, participation in, and entering into the Transactions by the Consenting Parties and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company Parties (on behalf of themselves and each of their respective predecessors, successors, assigns, agents, subsidiaries, Affiliates, and representatives) hereby finally and forever release and discharge the Other Released Parties and their respective property, to the fullest extent permitted under applicable law, from any and all causes of action and any other claims, debts, obligations, duties, rights, suits, damages, actions, derivative claims, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, in law, at equity, or otherwise, sounding in tort, contract, or based on any other legal or equitable principle,

including, without limitation, violation of any securities law (federal, state or foreign), misrepresentation (whether intended or negligent), breach of duty (including any duty of candor), or any domestic or foreign law similar to the foregoing, based in whole or in part upon any act or omission, transaction, or other occurrence or circumstance existing immediately prior to the occurrence of or before the Closing Date arising from, relating to, or in connection with the Existing Debt, the Existing Documents, the Transactions, or the negotiation, formulation, or preparation of this Agreement, the Definitive Documents or any related guarantees, security documents, agreements, amendments, instruments, or other documents, including those that the Company Parties and their respective subsidiaries or any holder of a claim against or interest in the Company Parties or any other entity could have been legally entitled to assert derivatively or on behalf of any other entity (collectively, the “Company Released Claims”). Further, subject to the occurrence of, and effective from and after, the Closing Date, the Company Parties (on behalf of themselves and each of their subsidiaries) hereby covenant and agree not to, directly or indirectly, bring, maintain, or encourage any cause of action or other claim or proceeding against an Other Released Party relating to or arising out of any Company Released Claim. The Company Parties (on behalf of themselves and each of their subsidiaries) further stipulate and agree with respect to all Claims, that, subject to the occurrence of, and effective from and after, the Closing Date, they hereby waive to the fullest extent permitted by applicable law, any and all provisions, rights, and benefits conferred by any applicable U.S. federal or state law, any foreign law, or any principle of common law, that would otherwise limit a release or discharge of any unknown Claims pursuant to this Section 10(a).

(b) Subject to the occurrence of, and effective from and after, the Closing Date, in exchange for the cooperation with, participation in, and entering into the Transactions by the Company Parties and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Consenting Parties (on behalf of themselves and each of their respective predecessors, successors, assigns, agents, and representatives) hereby finally and forever release and discharge the Company Released Parties, the Other Released Parties and each of the foregoing’s property, to the fullest extent permitted under applicable law, from any and all causes of action and any other claims, debts, obligations, duties, rights, suits, damages, actions, derivative claims, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, in law, at equity, or otherwise, sounding in tort, contract, or based on any other legal or equitable principle, including, without limitation, violation of any securities law (federal, state or foreign), misrepresentation (whether intended or negligent), breach of duty (including any duty of candor), or any domestic or foreign law similar to the foregoing, based in whole or in part upon any act or omission, transaction, or other occurrence or circumstance existing immediately prior to the occurrence of or before the Closing Date arising from, relating to, or in connection with the Existing Debt (including any claims based upon alleged defaults or Event of Defaults in connection with such Existing Debt), the Existing Documents, the Transactions, or the negotiation, formulation, or preparation of this Agreement, the Definitive Documents or any related guarantees, security documents, agreements, amendments, instruments, or other documents, including those that a Consenting Party or any holder of a claim against or interest in the Consenting Party or any other entity could have been legally entitled to assert derivatively or on behalf of any other entity (collectively, the “Consenting Party Released Claims”). For the avoidance of doubt, the Consenting Parties understand and agree that the Consenting Party Released Claims encompass and include any and all claims or causes of action relating to or challenging the Transactions themselves (other than claims or causes of action to enforce the Definitive Documents), including

any and all claims or causes of action alleging or contending that any aspect of the Transactions violates any Existing Document or other agreement, or that cooperation with, participation in, or entering into the Transactions violates any statute or other law, it being understood that the Consenting Parties are ratifying and approving all such Transactions to the maximum extent possible under applicable law. In addition, for the avoidance of doubt, the releases and discharges granted hereunder by the Consenting Parties are not limited to the loans, securities or other interests or positions that they hold as of Agreement Effective Date or as to which Consenting Parties vote in favor of or otherwise consent to the Transactions, but are granted by the Consenting Parties to the Company Released Parties and the Other Released Parties and with respect to all Existing Debt held or acquired at any time prior to the Closing Date; provided, however, nothing in this Agreement is intended to or shall be deemed to release any Company Released Party or Other Released Party from its obligations under any Secured Hedge Agreement or Secured Cash Management Agreement (each as defined in the Existing Lumen Tech Credit Agreement). Further, subject to the occurrence of, and effective from and after, the Closing Date, each Consenting Party hereby covenants and agrees not to, directly or indirectly, bring, maintain, or encourage any cause of action or other claim or proceeding against any Company Released Party relating to or arising out of any Consenting Party Released Claim. Each Consenting Party further stipulates and agrees with respect to all Claims, that subject to the occurrence of, and effective from and after, the Closing Date, it hereby waives, to the fullest extent permitted by applicable law, any and all provisions, rights, and benefits conferred by any applicable U.S. federal or state law, any foreign law, or any principle of common law, that would otherwise limit a release or discharge of any unknown Claims pursuant to this Section 10(b).

(c) Each Consenting Party and each Company Party acknowledges that it is aware that it or its attorneys may hereafter discover claims or facts in addition to or different from those which they now know or believe to exist with respect to either the subject matter of this Agreement or any party hereto, but hereto further acknowledges that it is the intention of the Company Parties and each Consenting Party to hereby fully, finally, and forever settle and release all claims among them to the extent provided in this Agreement, whether known or unknown, suspected or unsuspected, which now exist, may now exist, or heretofore have existed.

(d) Notwithstanding the foregoing Sections 10(a), 10(b) and 10(c), nothing in this Agreement is intended to, and shall not, (i) release any Party's rights and obligations under this Agreement or any of the Definitive Documents (including, but not limited to, the indemnification contained in Section 11), (ii) bar any Party from seeking to enforce or effectuate this Agreement or any of the Definitive Documents, (iii) release any payment obligation of any Company Party (or its subsidiaries) under the Existing Documents or (iv) release any causes of action and any other claims, debts, obligations, duties, rights, suits, damages, actions, derivative claims, remedies, or liabilities arising out of or resulting from any act or omission of a Party occurring after the Agreement Effective Date that constitutes intentional common-law fraud, willful misconduct or gross negligence, each solely to the extent as determined by a final order of a court of competent jurisdiction; provided that (i) following the Closing Date, no Consenting Party shall bring any claim or cause of action against any Company Released Party or Other Released Party based on any theory to challenge or seek to invalidate or avoid any of the Transactions (or any component or aspect thereof); and (ii) following the Agreement Effective Date, unless and until the Termination Date has occurred, no Consenting Party shall bring any claim or cause of action against any Company Released Party of Other Released Party based on any theory to challenge or seek to invalidate or avoid any transfer or distribution of the proceeds of the EMEA Sale.

(c) Each Consenting Party agrees to waive and release any default claims relating to the use of proceeds from the LatAm Sale under the Existing Level 3 Credit Agreement, Existing Level 3 Senior Secured Notes Indentures and Existing Level 3 Senior Unsecured Notes Indentures (or other agreements) upon the earlier of (x) the Closing Date or (y) the occurrence of a Specified Default. For the avoidance of doubt, no Specified Default shall occur due to a dispute regarding an open point in the Definitive Documents that causes a Consenting Party to refrain from taking any action it would otherwise be required to take under this Agreement. The Company shall be obligated to provide a Consenting Party with written notice of a Specified Default, and such Consenting Party shall have the right to cure such Specified Default within five (5) Business Days' notice thereof. For the avoidance of doubt, the releases set forth in this Section 10(c) are in addition to, and shall not be construed to limit, the releases set forth in Sections 10(a)-10(c) hereof.

MISCELLANEOUS

11. Indemnification.

(a) Without limiting any Company Party's obligations under the Existing Documents, the Definitive Documents or any related guarantees, security documents, agreements, amendments, instruments or other relevant documents, each Company Party hereby agrees to indemnify, pay and hold harmless each current or former Consenting Party and Existing Agent and each of their respective Affiliates and all of their respective officers, directors, members, managers, partners, employees, shareholders, advisors, agents, and other representatives of each of the foregoing and their respective successors and permitted assigns (each, an "Indemnified Party") from and against any and all actual losses, claims, damages, actions, judgments, suits, costs, expenses, disbursements and liabilities, joint or several, of any kind or nature whatsoever (including the reasonable and documented out-of-pocket fees and disbursements of counsel for any Indemnified Party, and including any out-of-pocket costs associated with any discovery or other information requests), whether direct, indirect, special or consequential and whether based on any federal, state or foreign laws, statutes, rules or regulations (including securities and commercial laws, statutes, rules or regulations) on common law or equitable cause or on contract or otherwise, that may be imposed on, incurred by, or asserted against any Indemnified Party, in any manner relating to or arising out of, in connection with, or as a result of (i) this Agreement, the Transactions, the Definitive Documents or any related guarantees, security documents, agreements, instruments or other documents, (ii) the negotiation, formulation, preparation, execution, delivery or performance of the foregoing, or (iii) any actual claim, litigation, investigation or proceeding relating to the foregoing, regardless of whether any Indemnified Party is a party thereto and whether or not the transactions contemplated hereby are consummated (but limited, in the case of legal fees and expenses, to (x) those of (I) Davis Polk, Gibson, Cahill and Freshfields or (II) if Davis Polk, Gibson, Cahill and Freshfields do not represent any party due to an actual or potential conflict of interest, another law firm selected by the Majority Consenting Parties or the Majority Consenting Lumen Tech Revolving Lenders, as applicable, in each case as counsel to the Consenting Parties and the Existing Agents incurred in connection with any such claim, litigation, investigation or proceeding, and one local counsel in any relevant material jurisdiction, and (y) in the case of an actual or perceived conflict of interest where the Indemnified

Parties affected by such conflict inform the Company of such conflict and thereafter retain their own counsel with the Company's prior written consent (not to be unreasonably withheld), additional counsel to such affected Indemnified Parties (and, if necessary, solely in the case of any such actual or perceived conflict of interest, additional local counsel to such affected Indemnified Parties, in each such relevant material jurisdiction)) (such foregoing amounts, "Losses" and such Company Party obligation, the "Indemnification Obligations"). The Company Parties shall reimburse each Indemnified Party reasonably promptly, but in no event later than 30 days following written demand therefor (together with reasonable backup documentation supporting such reimbursement request) for their reasonable and documented out-of-pocket costs and expenses (but limited, in the case of legal fees and expenses, to (x) those of Davis Polk, Gibson, Cahill and Freshfields and local counsel and (y) any conflicts counsel or local counsel retained by an Indemnified Party in accordance with the preceding sentence). No Indemnified Party shall be entitled to indemnity hereunder in respect of any Losses to the extent that it is found by a final, non-appealable judgment of a court of competent jurisdiction that such Losses arise from (i) the fraud, gross negligence or willful misconduct by such Indemnified Party (or any of its Related Parties), (ii) the willful and material breach of this Agreement by such Indemnified Party (or any of its Related Parties) or (iii) any disputes solely among Indemnified Parties and not arising out of or related to any act or omission of any of the Company Parties.

(b) Notwithstanding anything to the contrary contained in this Agreement, the Indemnification Obligations set forth herein (i) shall survive the expiration or termination of this Agreement, (ii) shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Consenting Parties, the Existing Agents or any other Indemnified Party and (iii) shall be binding on any successor or assign of the Company Parties and the successors or assigns to any substantial portion of its business and assets.

12. Tax Treatment. The Parties agree to treat, for U.S. federal income tax purposes, the Backstop Commitment Premium as a "put premium" paid to the Backstop Parties. Each Party shall file all tax returns consistent with, and take no position inconsistent with, such treatment (whether in audits, tax returns or otherwise) unless required to do so pursuant to a "determination" within the meaning of Section 1313(a) of the Code.

13. Entire Agreement; Prior Negotiations. This Agreement, including all of the exhibits attached hereto, constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement, and supersedes all other prior negotiations, agreements and understandings, whether written, oral, or implied, among the Parties with respect to the subject matter of this Agreement; provided, however, that any confidentiality agreement or non-disclosure agreement executed by any Party shall survive this Agreement and shall continue in full force and effect, subject to the terms thereof, irrespective of the terms hereof.

14. Reservation of Rights. If the Transactions contemplated herein are not consummated, or if this Agreement is terminated in accordance with its terms (except as a result of the occurrence of the Closing Date), nothing shall be construed herein as a waiver by any Party of any or all of such Party's rights, remedies or defenses and the Parties expressly reserve any and all of their respective rights, remedies or defenses. Except as provided in Section 10(c), (i) no Consenting Party hereby waives any default or event of default with respect to the Existing Debt and no provision of Section 5 shall require any Consenting Party to waive any default or event of

default with respect to the Existing Debt, except as set forth in the Term Sheet or Definitive Documents after or simultaneous with the consummation of the Transaction and (ii) no Existing Lumen Tech Revolving Lender shall be required to fund any Revolving Facility Loans (as defined in the Existing Lumen Tech Credit Agreement) or issue, amend, extend or renew any Letters of Credit (as defined in the Existing Lumen Tech Credit Agreement) other than in accordance with the provisions of the Existing Lumen Tech Credit Agreement.

15. FRE 408. To the extent provided in Federal Rule of Evidence 408 and any other applicable rules of evidence in any applicable jurisdiction, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms.

16. Counterparts; Execution; Capacity. This Agreement may be executed in one or more counterparts, each of which, when so executed, shall constitute one and the same instrument, and the counterparts may be delivered by facsimile transmission or by electronic mail in portable document format (PDF) or by DocuSign. This Agreement may be executed on behalf of one or more Consenting Parties by such Consenting Party's investment manager or advisor, which is a signatory hereto solely in its capacity as the investment manager or advisor of such Consenting Party.

Notwithstanding anything herein to the contrary, (i) each Existing Lumen Tech Revolving Lender and each Existing Lumen Tech Term A/A-1 Lender that signs this Agreement is only signing in its capacity as such (and not in any other capacity and not in respect of any other Existing Debt), (ii) for the avoidance of doubt, no Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender is signing this Agreement with respect to any Existing Debt that such Consenting Party holds or acquires in its capacity as a Qualified Marketmaker, and (iii) any Affiliates or related parties of any Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender (including any separate branch of a Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender) shall not be deemed to be Consenting Lumen Tech Revolving Lenders or Consenting Lumen Tech Term A/A-1 Lenders themselves, unless such Affiliate or related party has itself signed this Agreement; provided that clause (iii) shall only apply to bona fide banks or affiliates thereof.

In addition, the Parties understand that the Consenting Lumen Tech Revolving Lenders or Consenting Lumen Tech Term A/A-1 Lenders are engaged in a wide range of financial services and businesses. In furtherance of the foregoing, and notwithstanding anything herein to the contrary, the Parties acknowledge and agree that, to the extent a Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender who is a bona fide bank or affiliate thereof expressly indicates on its signature page hereto that it is executing this Agreement on behalf of specific trading desk(s), funds, and/or business group(s) of the Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender, as applicable, the obligations set forth in this Agreement shall only apply to such trading desk(s), fund(s), and/or business group(s) and shall not apply to any other trading desk, fund, or business group of the Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender so long as they are not acting at the direction or for the benefit of such Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender or such Consenting Lumen Tech Revolving Lender's or Consenting Lumen Tech Term A/A-1 Lender's investment in the

Company Parties; *provided*, that the foregoing shall not diminish or otherwise affect the obligations and liability therefor of any legal entity that (i) executes this Agreement or (ii) on whose behalf this Agreement is executed by a Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender.

17. Amendments and Waivers.

(a) Except as otherwise provided herein, including, without limitation, the requirements set forth in Section 17(b) hereof, this Agreement may not be modified, amended, or supplemented, and no provision of this Agreement may be waived, without the prior written consent of the Company Parties and the Majority Consenting Parties;

provided that any modification or amendment to the definition of “Majority Consenting Parties” shall require the consent of each Consenting Party;

provided, further, that any modification or amendment to the Backstop Commitment Premium, including Section 6(d) and related definitions, and any modification or amendment to the definition of “Backstop Parties” or Schedule 3 hereto shall require the consent of each Backstop Party;

provided, further, that any modification or amendment to this Section 17(a), Section 17(b) or Section 7(d)(i) shall require the consent of the Company Parties and all Consenting Parties; provided, further, that to the extent such modification, amendment or supplement has a material, disproportionate and adverse effect, taken as a whole, on the Consenting Parties who hold a tranche of Existing Debt, in their capacity as holders of such tranche of Existing Debt, then the consent of Consenting Parties holding 66.7% of such tranche of Existing Debt held by all Consenting Parties shall also be required;

provided, further, that to the extent such modification, amendment or supplement has a material, disproportionate and adverse effect on a single Consenting Party, and such Consenting Party does not consent, such Consenting Party shall have the right to terminate this Agreement as to it. Prior to any funding of the New Money First Lien Indenture, (a) except as otherwise set forth in Section 6(d) hereto, any change, modification, or amendment to Schedule 2 hereto that affects the New Money Commitment Amount or commitment amount pursuant to Section 6(l) hereof of any Consenting Party shall require the consent of such Consenting Party and (b) any change, modification, or amendment of the maturity, interest rate, call protection or fees set forth in the Term Sheet with respect to the New Money First Lien Indenture shall require the consent of each Consenting Party and, if such consent is withheld, the commitment of any Consenting Party to provide its portion of the New Money First Lien Indenture may be terminated by such Consenting Party;

provided that to the extent such Consenting Party terminates its commitment portion of the New Money First Lien Indenture, the Company shall be free to solicit commitments to provide such New Money First Lien Indenture from any Person;

provided, however, that notwithstanding the foregoing or anything herein to the contrary, including in Section 17(b) below, amendments, modification or supplements to the terms of the Lumen Tech Superpriority Revolving Facility shall solely require the consent of (1) the Company

and (2) the Majority Consenting Lumen Tech Revolving Lenders or each affected Consenting Lumen Tech Revolving Lenders as applicable otherwise required hereby, and shall not require the consent of any other Consenting Party, unless such amendment, modification or supplement would (x) increase the amount of the First-Out Superiority RCF or (y) provide for additional guarantees or collateral not contemplated by this Agreement as in effect on the date hereof.

(b) In addition to the requirements set forth in Section 17(a) hereof, this Agreement may not be modified, amended, or supplemented, and no provision of this Agreement may be waived, without the prior written consent of the Majority Consenting Lumen Tech Revolving Lenders and the Majority Specified Lumen Tech Consenting Parties; provided that any modification or amendment to the definition of “Majority Consenting Lumen Tech Revolving Lenders” shall require the consent of each Consenting Lumen Tech Revolving Lender; and provided, further, that any modification or amendment to the definition of “Majority Specified Lumen Tech Consenting Parties” shall require the consent of each Specified Lumen Tech Consenting Party.

(c) Prior to the extension of the Lumen Tech Superpriority Revolving Facility, any change, modification, or amendment of the aggregate or individual commitments or the priority of payments or collateral for the extension of credit thereunder, maturity, interest rate, commitment fees, participation fees, any other fees or amounts guaranteed by Level 3 and its subsidiaries set forth in the Term Sheet with respect to the Lumen Tech Superpriority Revolving Facility or the requirement that the Lumen Tech Superpriority Revolving Facility be subject to documentation separate from the documentation governing the Existing Lumen Tech Term B Loans (as defined in the Term Sheet) or the indebtedness exchanged for the Existing Lumen Tech Term B Loans shall require the consent of each Consenting Lumen Tech Revolving Lender and, if such consent is withheld, the obligation hereunder of any Consenting Lumen Tech Revolving Lender to provide its *pro rata* portion of the Lumen Tech Superpriority Revolving Facility may be terminated by such Consenting Lumen Tech Revolving Lender; provided that to the extent such Consenting Lumen Tech Revolving Lender terminates its obligation hereunder to provide its *pro rata* portion of the Lumen Tech Superpriority Revolving Facility, the Company shall be free to solicit commitments to provide such Lumen Tech Superpriority Revolving Facility from any Person that would be a permitted assignee of the Existing Lumen Tech Revolving Facility under Section 9.04 of the Existing Lumen Tech Credit Agreement.

(d) No waiver of any of the provisions of this Agreement shall be deemed to constitute a waiver of any other provision of this Agreement, whether or not such provisions are similar, nor shall any waiver of a provision of this Agreement be deemed a continuing waiver of such provision.

18. Headings. The headings of the sections, paragraphs, and subsections of this Agreement are included for convenience only and shall not affect the interpretation of the provisions contained herein.

19. Acknowledgments; Obligations Several. Notwithstanding that this Agreement is being executed by multiple Consenting Parties, the obligations of the Consenting Parties under this Agreement are several and neither joint nor joint and several. No Consenting Party shall be responsible in any way for the performance of the obligations or any breach of any other

Consenting Party under this Agreement, and nothing contained herein, and no action taken by any Consenting Party pursuant hereto shall be deemed to constitute the Consenting Party as a partnership, an association or joint venture of any kind, or create a presumption that the Consenting Parties are in any way acting other than in their individual capacities. None of the Consenting Parties shall have any fiduciary duty or other duties or responsibilities in any kind or form to each other, the Company Parties or any of the Company's other lenders, noteholders or stakeholders as a result of this Agreement or the transactions contemplated hereby. Each Consenting Party acknowledges that no other Consenting Party will be acting as agent of such Consenting Party in connection with monitoring such Consenting Party's investment or enforcing its rights under this Agreement, the Definitive Documents, or any other documents to be entered into in connection with the consummation of the Transactions. Each Consenting Party acknowledges to each other Consenting Party that: (a) the Transactions described herein are arm's-length commercial transactions between the Company and the Company's Affiliates and each Consenting Party, (b) it has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, (c) it is capable of evaluating, and understands and accepts, the terms, risks and conditions of the Transactions contemplated hereby, and (d) the Consenting Parties and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from the other Consenting Parties, the Company's and those of the Company's Affiliates or the Affiliates of other Consenting Parties, and the Consenting Parties have no obligation to disclose any of such interests to any other Consenting Party or the Affiliates of other Consenting Parties. Each Consenting Party acknowledges that it has, independently and without reliance upon any other Consenting Party and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and that it has not relied on the credit analysis and decision or due diligence investigation of any other Consenting Party. The Consenting Parties have no agreement, arrangement, or understanding with respect to acting together for the purpose of acquiring, holding, voting, or disposing of any shares of common stock or other capital stock of the Company and are not intended to be, and shall not be deemed to be, a "Group" for purposes of Section 13(d) of the Exchange Act.

20. Consenting Party Enforcement. A Consenting Party may only enforce this Agreement against the Company Parties and not against another Consenting Party.

21. Specific Performance; Damages. It is understood and agreed by the Parties that money damages may be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to seek specific performance and injunctive or other equitable relief as a remedy for any such breach of this Agreement, including, without limitation, a court of competent jurisdiction requiring any Party to comply promptly with any of its obligations in this Agreement. Notwithstanding anything to the contrary in this Agreement, in no event shall any Party or their representatives be liable to any other Party hereunder for any punitive, incidental, consequential, special or indirect damages, including the loss of future revenue or income or opportunity, relating to the breach or alleged breach of this Agreement.

22. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without regard to any choice of law provision that would require the application of the laws of another jurisdiction. By the execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably and unconditionally agrees for itself that any legal action, suit, or proceeding against it with respect to any matter arising

under or out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit, or proceeding may be brought in either a state or federal court of competent jurisdiction in the State and County of New York, Borough of Manhattan. By the execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably accepts and submits itself to the exclusive jurisdiction of each such court, generally and unconditionally, with respect to any such action, suit, or proceeding. By executing and delivering this Agreement, each of the Parties hereto irrevocably and unconditionally submits to the personal jurisdiction of each such court described in this Section 22, solely for purposes of any action, suit, or proceeding arising out of or relating to this Agreement or for the recognition or enforcement of any judgment rendered or order entered in any such action, suit, or proceeding. EACH PARTY HERETO UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING REFERRED TO ABOVE. Each Party (a) certifies that no representative, agent, or attorney of any other Party has represented, expressly or otherwise, that such other Party would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it and the other Parties have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 22. Each Party hereto agrees that service of any process, summons, notice or document by registered mail addressed to such person shall be effective service of process against such person for any suit, action or proceeding arising out of or relating to this Agreement brought in any such court.

23. Notices. All notices (including, without limitation, any notice of termination as provided for herein) and other communications from any Party given or made pursuant to this Agreement shall be in writing and shall be deemed to have been duly given upon the earliest of the following: (a) upon personal delivery to the Party to be notified; (b) when sent by confirmed electronic mail if sent during the normal business hours of the recipient, and if not so confirmed, on the next Business Day; (c) three (3) Business Days after having been sent by registered or certified mail, return receipt requested, postage prepaid; and (d) one (1) Business Day after deposit with a nationally recognized overnight courier, specifying next-day delivery (with an email upon sending to the Party to be notified), with written verification of receipt. Lumen Bolsters Runway to Execute Transformation*New Agreement with Creditors to Provide Company with Significant Financial Flexibility*

DENVER, January 25, 2024 — Lumen Technologies, Inc. (NYSE: LUMN) (“Lumen” or the “Company”) today announced that it has entered into an amended and restated transaction support agreement (the “TSA”) with a broadened group of creditors who now represent, in the aggregate, over \$12.5 billion of the outstanding indebtedness and commitments of the Company and its subsidiaries and represent over 70% in the aggregate of Lumen and Level 3 debt maturing through 2027. The amended TSA announced today is supported by a significantly larger group of creditors across more of Lumen’s capital structure than the agreement previously announced on October 31, 2023. The TSA will, among other things, extend debt maturities to primarily 2029 and beyond, provide \$1.325 billion of financing to the Company through new long-term debt and provide access to a new revolving credit facility in an amount expected to be approximately \$1 billion. Lumen expects to complete the transactions contemplated by the TSA in the first quarter of 2024, subject to the satisfaction of limited remaining closing conditions. The broad support across the Company’s capital structure demonstrates creditors’ and stakeholders’ conviction in Lumen’s turnaround plan and growth strategy.

“This agreement represents another positive step forward in the Lumen turnaround story and creates substantial runway for the Company to achieve its financial and capital structure goals. The TSA transactions, when completed, will provide Lumen significant flexibility as we continue to execute on our transformation journey of disrupting telecom,” commented Kate Johnson, President and Chief Executive Officer of Lumen.

Lumen plans to make certain term loan transactions available to all holders in connection with the consummation of such transactions. The transactions related to certain notes of the Company and Level 3 will be executed on a privately negotiated basis under Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”). The Company does not plan to make such transactions available to all holders in connection with the consummation of such transactions. Following consummation of the TSA transactions, Lumen may assess potential follow-on transactions with respect to non-participating debt.

Additional information can be found in the Company’s Current Report on Form 8-K filed with the SEC today and available on Lumen’s investor relations website at <https://ir.lumen.com>.
