### CENTURYLINK ANNOUNCES PRICING OF PRIVATE OFFERING OF SENIOR NOTES

**MONROE, La. . . . CenturyLink, Inc. (NYSE: CTL)** announced today that it has agreed to sell \$500 million of newly-issued unsecured ten-year senior notes pursuant to the private offering announced earlier today. The senior notes due 2025 were priced at par with a coupon rate of 5.625%. The offering of the notes is expected to close on March 19, 2015, subject to the satisfaction of customary closing conditions.

CenturyLink plans to use these net proceeds to repay a portion of the indebtedness outstanding under its revolving credit facility, a portion of which CenturyLink incurred to repay its senior notes that matured in mid-February 2015.

The senior notes will be offered and sold within the United States only to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and outside the United States to non-U.S. persons under Regulation S of the Securities Act. The senior notes have not been registered under the Securities Act or applicable state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.

This announcement shall not constitute an offer to sell or a solicitation of an offer to buy any securities, nor shall there be any sale of the senior notes in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.
