"Much was accomplished in 2022, with Ford increasing its share of the industry by 0.7 percentage points. Delivering on our strategy, share expansion came from broad-based growth from our SUV lineup and our all-new EVs growing at twice the rate of the overall EV segment. F-Series was America's best-selling truck for the 46th consecutive year, outselling our second-place competitor by over 140,000 trucks, and the Bronco family of vehicles increased 51.3 percent. With a strong retail order bank, Ford is well positioned heading into 2023."

– Andrew Frick, vice president, Sales, Distribution & Trucks, Ford Blue

## MUST-HAVE PRODUCTS

Ford Trucks

Strong Super Duty orders and the best F-Series December sales of the year, up 20.1 percent over a year ago – provides strength moving into the new year.
