**Securities registered pursuant to Section 12(b) of the Act:**

Title of Each Class	Trading Symbol(s)	Name of Each Exchange on Which Registered
6.5% Notes Due 2056	CTBB	New York Stock Exchange
6.75% Notes Due 2057	CTDD	New York Stock Exchange

THE REGISTRANT, A WHOLLY OWNED INDIRECT SUBSIDIARY OF LUMEN TECHNOLOGIES, INC. MEETS THE CONDITIONS SET FORTH IN GENERAL INSTRUCTIONS H(1) (a) AND (b) OF FORM 10-Q AND IS THEREFORE FILING THIS FORM WITH REDUCED DISCLOSURE FORMAT PURSUANT TO GENERAL INSTRUCTION H(2).

Indicate by check mark whether the registrant: (1) has filed all reports required to be filed by Section 13 or 15(d) of the Securities Exchange Act of 1934 during the preceding 12 months (or for such shorter period that the registrant was required to file such reports), and (2) has been subject to such filing requirements for the past 90 days. Yes ☒ No ☐

Indicate by check mark whether the registrant has submitted electronically every Interactive Data File required to be submitted pursuant to Rule 405 of Regulation S-T (§232.405 of this chapter) during the preceding 12 months (or for such shorter period that the registrant was required to submit such files). Yes ☒ No ☐

Indicate by check mark whether the registrant is a large accelerated filer, an accelerated filer, a non-accelerated filer, a smaller reporting company or an emerging growth company. See the definitions of "large accelerated filer," "accelerated filer," "smaller reporting company," and "emerging growth company" in Rule 12b-2 of the Exchange Act.

Large accelerated filer ☐ Accelerated filer ☐ Non-accelerated filer ☒ Smaller reporting company ☐  
Emerging growth company ☐

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act. ☐

Indicate by check mark whether the registrant is a shell company (as defined in Rule 12b-2 of the Exchange Act). Yes ☐ No ☒

On August 4, 2022, there was one share of common stock outstanding.

## Special Note Regarding Forward-Looking Statements

This report and other documents filed by us under the federal securities law include, and future oral or written statements or press releases by us and our management may include, forward-looking statements about our business, financial condition, operating results or prospects. These "forward-looking" statements are defined by, and are subject to the "safe harbor" protections under, the federal securities laws. These statements include, among others:

- forecasts of our anticipated future results of operations, cash flows or financial position;
- statements concerning the anticipated impact of our transactions, investments, product development, participation in government programs, Quantum Fiber buildout plans, and other initiatives, including synergies or costs associated with these initiatives;
- statements about our liquidity, profitability, profit margins, tax position, tax assets, tax rates, asset values, contingent liabilities, growth opportunities, growth rates, acquisition and divestiture opportunities, business prospects, regulatory and competitive outlook, market share, product capabilities, investment and expenditure plans, business strategies, debt leverage, capital allocation plans, financing alternatives and sources, and pricing plans;
- statements regarding how the health and economic challenges raised by the COVID-19 pandemic may impact our business, financial position, operating results or prospects; and
- other similar statements of our expectations, beliefs, future plans and strategies, anticipated developments and other matters that are not historical facts, many of which are highlighted by words such as "may," "will," "would," "could," "should," "plans," "believes," "expects," "anticipates," "estimates," "forecasts," "projects," "proposes," "targets," "intends," "likely," "seeks," "hopes," or variations or similar expressions with respect to the future.

These forward-looking statements are based upon our judgment and assumptions as of the date such statements are made concerning future developments and events, many of which are beyond our control. These forward-looking statements, and the assumptions upon which they are based, (i) are not guarantees of future results, (ii) are inherently speculative and (iii) are subject to a number of risks and uncertainties. Actual events and results may differ materially from those anticipated, estimated, projected or implied by us in those statements if one or more of these risks or uncertainties materialize, or if our underlying assumptions prove incorrect. All of our forward-looking statements are qualified in their entirety by reference below to factors that could cause our actual results to differ materially from those anticipated, estimated, projected or implied by us in those forward-looking statements. These factors include but are not limited to:

- the effects of competition from a wide variety of competitive providers, including decreased demand for our more mature service offerings and increased pricing pressures;
- the effects of new, emerging or competing technologies, including those that could make our products less desirable or obsolete;
- our ability to successfully and timely attain our key operating imperatives, including simplifying and consolidating our network, simplifying and automating our service support systems, attaining our Quantum Fiber buildout plans, strengthening our relationships with customers and attaining projected cost savings;
- our ability to safeguard our network, and to avoid the adverse impact of possible cyber-attacks, security breaches, service outages, system failures, or similar events impacting our network or the availability and quality of our services;
- the effects of ongoing changes in the regulation of the communications industry, including the outcome of legislative, regulatory or judicial proceedings relating to content liability standards, intercarrier compensation, universal service, service standards, broadband deployment, data protection, privacy and net neutrality;

- our ability to effectively retain and hire key personnel and to successfully negotiate collective bargaining agreements on reasonable terms without work stoppages.
- changes in customer demand for our products and services, including increased demand for high-speed data transmission services;
- our ability to successfully maintain the quality and profitability of our existing product and service offerings and to introduce profitable new offerings on a timely and cost-effective basis;
- our ability to generate cash flows sufficient to fund our financial commitments and objectives, including our capital expenditures, operating costs, debt repayments, dividends, pension contributions and other benefits payments;
- our ability to successfully and timely implement our corporate strategies, including our deleveraging strategy;
- changes in our operating plans, corporate strategies or capital allocation plans, whether based upon, changes in our cash flows, cash requirements, financial performance, financial position, market or regulatory conditions, or otherwise;
- the negative impact of increases in the costs of Lumen's pension, healthcare, post-employment or other benefits, including those caused by changes in markets, interest rates, mortality rates, demographics, regulations;
- the potential negative impact of customer complaints, government investigations, security breaches or service outages impacting us or our industry;
- adverse changes in our access to credit markets on favorable terms, whether caused by changes in our financial position, lower debt credit ratings, unstable markets or otherwise;
- our ability to meet the terms and conditions of our debt obligations and covenants, including our ability to make transfers of cash in compliance therewith;
- our ability to maintain favorable relations with our security holders, key business partners, suppliers, vendors, landlords and financial institutions;
- Lumen's ability to meet evolving environmental, social and governance ("ESG") expectations and benchmarks, and effectively communicate and implement its ESG strategies;
- our ability to collect our receivables from, or continue to do business with, financially troubled customers;
- our ability to continue to use or renew intellectual property used to conduct our operations;
- any adverse developments in legal or regulatory proceedings involving us or our affiliates, including Lumen Technologies;
- changes in tax, communications, pension, healthcare or other laws or regulations, in governmental support programs, or in general government funding levels, including those arising from recently-enacted federal legislation promoting broadband spending;
- the effects of changes in accounting policies, practices or assumptions, including changes that could potentially require additional future impairment charges;
- continuing uncertainties regarding the impact that COVID-19 disruptions could have on our business, operations, cash flows and corporate initiatives;

- the effects of adverse weather, terrorism, epidemics, pandemics, rioting, societal unrest, or other natural or man-made disasters or disturbances;
- the potential adverse effects if our internal controls over financial reporting have weaknesses or deficiencies, or otherwise fail to operate as intended;
- the effects of changes in interest rates and inflation;
- the effects of more general factors such as changes in exchange rates, in operating costs, in public policy, in the views of financial analysts, or in general market, labor, economic or geopolitical conditions; and
- other risks referenced in the "Risk Factors" section of this report or other portions of this report or other of our filings with the U.S. Securities and Exchange Commission (the "SEC").

Additional factors or risks that we currently deem immaterial, that are not presently known to us or that arise in the future could also cause our actual results to differ materially from our expected results. Given these uncertainties, investors are cautioned not to unduly rely upon our forward-looking statements, which speak only as of the date made. We undertake no obligation to publicly update or revise any forward-looking statements for any reason, whether as a result of new information, future events or developments, changed circumstances, or otherwise. Furthermore, any information about our intentions contained in any of our forward-looking statements reflects our intentions as of the date of such forward-looking statement, and is based upon, among other things, existing regulatory, technological, industry, competitive, economic and market conditions, and our assumptions as of such date. We may change our intentions, strategies or plans (including our capital allocation plans) at any time and without notice, based upon any changes in such factors, in our assumptions or otherwise.

**QWEST CORPORATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
(UNAUDITED)**

*Unless the context requires otherwise, references in this report to "QC" refer to Qwest Corporation, references to "Qwest," "we," "us," and "our" refer to Qwest Corporation and its consolidated subsidiaries, references to "QSC" refer to our direct parent company, Qwest Services Corporation and its consolidated subsidiaries, and references to "Lumen Technologies" or "Lumen" refer to our ultimate parent company, Lumen Technologies, Inc. and its consolidated subsidiaries including Level 3 Parent, LLC, referred to as "Level 3".*

**(1) Background**

**General**

We are an integrated communications company engaged primarily in providing a broad array of communications services to our mass markets and business customers. Our specific products and services are detailed in Note 3—Revenue Recognition of this report.

We generate the majority of our total consolidated operating revenue from services provided in the 14-state region of Arizona, Colorado, Idaho, Iowa, Minnesota, Montana, Nebraska, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington and Wyoming. We refer to this region as our local service area.

**Basis of Presentation**

Our consolidated balance sheet as of December 31, 2021, which was derived from our audited consolidated financial statements, and our unaudited interim consolidated financial statements provided herein have been prepared in accordance with the instructions for Form 10-Q. Certain information and note disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") have been condensed or omitted pursuant to rules and regulations of the U.S. Securities and Exchange Commission ("SEC"). However, in our opinion, the disclosures made therein are adequate to make the information presented not misleading. We believe these consolidated financial statements include all normal recurring adjustments necessary to fairly present the results for the interim periods. The consolidated results of operations and cash flows for the first six months of the year are not necessarily indicative of the consolidated results of operations and cash flows that might be expected for the entire year. These consolidated financial statements and the accompanying notes should be read in conjunction with the audited consolidated financial statements and the notes thereto included in our Annual Report on Form 10-K for the year ended December 31, 2021.

The accompanying consolidated financial statements include our accounts and the accounts of our subsidiaries. Intercompany amounts and transactions with our consolidated subsidiaries have been eliminated. Transactions with our non-consolidated affiliates (referred to herein as affiliates) have not been eliminated.

Operating lease assets are included in Other, net under goodwill and other assets on our consolidated balance sheets. Current operating lease liabilities are included in Other under accrued expenses and other liabilities on our consolidated balance sheets. Noncurrent operating lease liabilities are included in Other under deferred credits and other liabilities on our consolidated balance sheets.

**Segments**

Our operations are integrated into and reported as part of Lumen Technologies. Lumen's chief operating decision maker ("CODM") is our CODM but reviews our financial information on an aggregate basis only in connection with our quarterly and annual reports that we file with the SEC. Consequently, we do not provide our discrete financial information to the CODM on a regular basis. As such, we have one reportable segment.

## **Summary of Significant Accounting Policies**

Refer to the significant accounting policies described in Note 1—Background and Summary of Significant Accounting Policies to the consolidated financial statements and accompanying notes in Part II Item 8 of our Annual Report on Form 10-K for the year ended December 31, 2021.

## **Recently Adopted Accounting Pronouncements**

### **Government Assistance**

On January 1, 2022, we adopted Accounting Standards Update ("ASU") 2021-10, "*Government Assistance (Topic 832): Disclosures by Business Entities about Government Assistance*" ("ASU 2020-10"). This ASU increases transparency in financial reporting by requiring business entities to disclose information about certain types of government assistance they receive. The ASU only impacts annual financial statement note disclosures. Therefore, the adoption of ASU 2021-10 did not have a material impact to our consolidated financial statements.

### **Leases**

On January 1, 2022, we adopted ASU 2021-05, "*Leases (Topic 842): Lessors—Certain Leases with Variable Lease Payments*" ("ASU 2021-05"). This ASU (i) amends the lease classification requirements for lessors to align them with practice under ASC Topic 840, (ii) provides criteria for lessors to classify and account for a lease with variable lease payments that do not depend on a reference index or a rate as an operating lease; and (iii) provides guidance with respect to net investments by lessors under operating leases and other related topics. The adoption of ASU 2021-05 did not have a material impact to our consolidated financial statements.

### **Debt**

On January 1, 2021, we adopted ASU 2020-09, "*Debt (Topic 470) Amendments to SEC Paragraphs Pursuant to SEC Release No. 33-10762*" ("ASU 2020-09"). This ASU amends and supersedes various SEC guidance to reflect SEC Release No. 33-10762, which includes amendments to the financial disclosure requirements applicable to registered debt offerings that include credit enhancements, such as subsidiary guarantees. The adoption of ASU 2020-09 did not have a material impact to our consolidated financial statements.

### **Investments**

On January 1, 2021, we adopted ASU 2020-01, "*Investments—Equity Securities (Topic 321), Investments—Equity Method and Joint Ventures (Topic 323), and Derivatives and Hedging (Topic 815)*" ("ASU 2020-01"). This ASU, among other things, clarifies that a company should consider observable transactions that require a company to either apply or discontinue the equity method of accounting under Topic 323, *Investments - Equity Method and Joint Ventures*, for the purposes of applying the measurement alternative in accordance with Topic 321 immediately before applying or upon discontinuing the equity method. As of June 30, 2022, we determined there was no application or discontinuation of the equity method during the reporting periods covered by this report. The adoption of ASU 2020-01 did not have an impact to our consolidated financial statements.

### **Income Taxes**

On January 1, 2021, we adopted ASU 2019-12, "*Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes*" ("ASU 2019-12"). This ASU removes certain exceptions for investments, intra-period allocations and interim calculations, and adds guidance to reduce complexity in accounting for income taxes. The adoption of ASU 2019-12 did not have a material impact to our consolidated financial statements.

## Recently Issued Accounting Pronouncements

In March 2022, the Financial Accounting Standards Board ("FASB") issued ASU 2022-02, "*Financial Instruments-Credit Losses (Topic 326): Troubled Debt Restructurings ("TDR") and Vintage Disclosures*" ("ASU 2022-02"). These amendments eliminate the TDR recognition and measurement guidance, enhance existing disclosure requirements and introduce new requirements related to certain modifications of receivables made to borrowers experiencing financial difficulty. ASU 2020-02 will become effective for us in the first quarter of fiscal 2023 and early adoption is permitted. As of June 30, 2022, we do not expect ASU 2022-02 to have an impact to our consolidated financial statements.

In March 2022, the FASB issued ASU 2022-01, "*Derivatives and Hedging (Topic 815): Fair Value Hedging-Portfolio Layer Method*" (ASU 2022-01). The ASU expands the current single-layer method to allow multiple hedged layers of a single closed portfolio under the method. ASU 2020-01 will become effective for us in the first quarter of fiscal 2023 and early adoption is permitted. As of June 30, 2022, we do not expect ASU 2022-01 to have an impact to our consolidated financial statements.

In October 2021, the FASB issued ASU 2021-08, "*Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers*" ("ASU 2021-08"), which requires entities to apply Topic 606 to recognize and measure contract assets and contract liabilities in a business combination. ASU 2021-08 will become effective for us in the first quarter of fiscal 2023 and early adoption is permitted. As of June 30, 2022, we do not expect ASU 2021-08 to have an impact to our consolidated financial statements.

In January 2021, the FASB issued ASU 2021-01, "*Reference Rate Reform (Topic 848): Scope*" ("ASU 2021-01"), which clarifies that certain optional expedients and exceptions in Topic 848 for contract modifications and hedge accounting apply to derivatives that are affected by the discounting transition. ASU 2021-01 also amends the expedients and exceptions in Topic 848 to capture the incremental consequences of the scope clarification and to tailor the existing guidance to derivative instruments affected by the discounting transition. These amendments may be applied prospectively to contract modifications made and hedging relationships entered into or evaluated on or before December 31, 2022. ASU 2021-01 provides option guidance for a limited time to ease the potential burden in accounting for reference rate reform. Based on our review of our key material contracts through June 30, 2022, we do not expect ASU 2021-01 to have a material impact to our consolidated financial statements.

## (2) Goodwill, Customer Relationships and Other Intangible Assets

Goodwill, customer relationships and other intangible assets consisted of the following:

	June 30, 2022	December 31, 2021
	(Dollars in millions)	
Goodwill	\$ 9,360	9,360
Customer relationships, less accumulated amortization of \$— and \$5,699 <sup>(1)</sup>	\$ —	—
Other intangible assets, less accumulated amortization of \$1,892 and \$1,876	170	199
Total other intangible assets, net	\$ 170	199

<sup>(1)</sup> Customer relationships with a gross carrying value of \$5.7 billion became fully amortized during 2021 and were retired during the first quarter of 2022.

Substantially all of our goodwill was derived from Lumen's acquisition of us where the purchase price exceeded the fair value of the net assets acquired.

We assess our goodwill for impairment annually, or under certain circumstances, more frequently, such as when events or changes in circumstances indicate there may be impairment. We are required to write down the value of goodwill only when our assessment determines the carrying value of equity of our reporting unit exceeds its fair value. Our annual impairment assessment date for goodwill is October 31, at which date we assess goodwill at our reporting unit. In reviewing the criteria for reporting units, we have determined that we are one reporting unit.

As of June 30, 2022, the gross carrying amount of goodwill, customer relationships and other intangible assets was \$11.4 billion. The amortization expense for finite-lived intangible assets for the three months ended June 30, 2022 and 2021 totaled \$20 million and \$22 million, respectively. The amortization expense for finite-lived intangible assets for the six months ended June 30, 2022 and 2021 totaled \$39 million and \$132 million, respectively.

We estimate that total amortization expense for intangible assets for the years ending December 31, 2022 through 2026 will be as follows:

	(Dollars in millions)
2022 (remaining six months)	\$ 38
2023	60
2024	32
2025	14
2026	8

### (3) Revenue Recognition

We categorize our products, services and revenue among the following categories:

- *Voice and Other*, which include primarily local voice services, private line and other legacy services. This category also includes federal and state support payments. These support payments are government subsidies designed to compensate us for providing certain broadband and communications services in high-cost areas or at discounts to low-income, educational, and healthcare customers. This revenue included the FCC's Connect America Fund Phase II ("CAF II") support payments, which we received through December 31, 2021, when the program ended.
- *Fiber Infrastructure Services*, which include high speed, fiber-based and lower speed DSL-based broadband services to residential and small business customers, and optical network services;
- *IP and Data Services*, which consist primarily of Ethernet services; and
- *Affiliate Services*, which are communications services that we also provide to external customers. In addition, we provide to our affiliates application development and support services, network support and technical services.

#### Reconciliation of Total Revenue to Revenue from Contracts with Customers

The following table provides our total revenue by product and service category as well as the amount of revenue that is not subject to ASC 606, "Revenue from Contracts with Customers" ("ASC 606"), but is instead governed by other accounting standards:

	Three Months Ended June 30, 2022			Three Months Ended June 30, 2021		
	Total Revenue	Adjustments for Non-ASC 606 Revenue <sup>(1)</sup>	Total Revenue from Contracts with Customers	Total Revenue	Adjustments for Non-ASC 606 Revenue <sup>(1)</sup>	Total Revenue from Contracts with Customers
	(Dollars in millions)					
Fiber Infrastructure	\$ 496	(33)	463	501	(29)	472
Voice and Other	442	(47)	395	530	(83)	447
IP and Data Services	111	—	111	116	—	116
Affiliate Services	583	(12)	571	577	(6)	571
Total Revenue	\$ 1,632	(92)	1,540	1,724	(118)	1,606

	Six Months Ended June 30, 2022			Six Months Ended June 30, 2021		
	Total Revenue	Adjustments for Non-ASC 606 Revenue <sup>(1)</sup>	Total Revenue from Contracts with Customers	Total Revenue	Adjustments for Non-ASC 606 Revenue <sup>(1)</sup>	Total Revenue from Contracts with Customers
	(Dollars in millions)					
Fiber Infrastructure	\$ 994	(67)	927	1,005	(60)	945
Voice and Other	902	(106)	796	1,073	(168)	905
IP and Data Services	228	—	228	239	—	239
Affiliate Services	1,164	(23)	1,141	1,199	(9)	1,190
Total revenue	\$ 3,288	(196)	3,092	3,516	(237)	3,279

<sup>(1)</sup> Includes regulatory revenue and lease revenue not within the scope of ASC 606.

### Operating Lease Revenue

Qwest leases various data transmission capacity, office facilities, switching facilities and other network sites to third parties under operating leases. Lease and sublease revenue are included in operating revenue in our consolidated statements of operations.

For the three months ended June 30, 2022 and 2021, our gross rental income was \$88 million and \$78 million, respectively, which represents approximately 5% of our operating revenue for both periods. For the six months ended June 30, 2022 and 2021, our gross rental income was \$176 million and \$157 million, which represents approximately 5% and 4%, respectively, our operating revenue for six months ended June 30, 2022 and 2021.

### Customer Receivables and Contract Balances

The following table provides balances of customer receivables, contract assets and contract liabilities as of June 30, 2022 and December 31, 2021:

	June 30, 2022	December 31, 2021
	(Dollars in millions)	
Customer receivables <sup>(1)</sup>	\$ 287	298
Contract assets	10	10
Contract liabilities	333	317

<sup>(1)</sup> Reflects gross customer receivables, including gross affiliate receivables, of \$310 million and \$328 million, net of allowance for credit losses of \$23 million and \$30 million, at June 30, 2022 and December 31, 2021, respectively.

Contract liabilities consist of consideration we have received from our customers or billed in advance of providing goods or services promised in the future. We defer recognizing this consideration as revenue until we have satisfied the related performance obligation to the customer. Contract liabilities include recurring services billed one month in advance and installation and maintenance charges that are deferred and recognized over the actual or expected contract term, which ranges from one to five years depending on the service. Contract liabilities are included within deferred revenue in our consolidated balance sheets. During the three and six months ended June 30, 2022, we recognized \$14 million and \$164 million, respectively, of revenue that was included in contract liabilities of \$317 million as of January 1, 2022. During the three and six months ended June 30, 2021, we recognized \$12 million and \$175 million, respectively, of revenue that was included in contract liabilities of \$300 million as of January 1, 2021.

### Performance Obligations

As of June 30, 2022, we expect to recognize approximately \$209 million of revenue in the future related to performance obligations associated with existing customer contracts that are partially or wholly unsatisfied. We expect to recognize approximately 93% of this revenue through 2024.

These amounts exclude (i) the value of unsatisfied performance obligations for contracts for which we recognize revenue at the amount to which we have the right to invoice for services performed (for example, uncommitted usage or non-recurring charges associated with professional or technical services to be completed), and (ii) contracts that are classified as leasing arrangements that are not subject to ASC 606.

### Contract Costs

The following tables provide changes in our contract acquisition costs and fulfillment costs:

	Three Months Ended June 30, 2022		Three Months Ended June 30, 2021	
	Acquisition Costs	Fulfillment Costs	Acquisition Costs	Fulfillment Costs
	(Dollars in millions)			
Beginning of period balance	\$ 63	47	69	52
Costs incurred	12	10	13	6
Amortization	(13)	(10)	(14)	(9)
End of period balance	<u>\$ 62</u>	<u>47</u>	<u>68</u>	<u>49</u>

  

	Six Months Ended June 30, 2022		Six Months Ended June 30, 2021	
	Acquisition Costs	Fulfillment Costs	Acquisition Costs	Fulfillment Costs
	(Dollars in millions)			
Beginning Balance	\$ 64	\$ 47	73	\$ 54
Cost Incurred	25	19	24	12
Amortization	(27)	(19)	(29)	(17)
Ending Balances	<u>\$ 62</u>	<u>47</u>	<u>68</u>	<u>49</u>

Acquisition costs include commission fees paid to employees as a result of obtaining contracts. Fulfillment costs include third party and internal costs associated with the provision, installation and activation of communications services to customers, including labor and materials consumed for these activities.

Deferred acquisition and fulfillment costs are amortized based on the transfer of services on a straight-line basis over the average contract life of 32 months for mass markets customers and average contract life of 30 months for business customers. Amortized fulfillment costs are included in cost of services and products and amortized acquisition costs are included in selling, general and administrative expenses in our consolidated statements of operations. The amount of these deferred costs that are anticipated to be amortized in the next 12 months are included in other current assets on our consolidated balance sheets. The amount of deferred costs expected to be amortized beyond the next 12 months is included in other non-current assets on our consolidated balance sheets. Deferred acquisition and fulfillment costs are assessed for impairment on an annual basis.

#### (4) Credit Losses on Financial Instruments

In accordance with ASC 326, "*Financial Instruments - Credit Losses*," we aggregate financial assets with similar risk characteristics to align our expected credit losses with the credit quality or deterioration over the life of such assets. We periodically monitor certain risk characteristics within our aggregated financial assets and revise their composition accordingly, to the extent internal and external risk factors change. We separately evaluate financial assets that do not share risk characteristics with other financial assets. Our financial assets measured at amortized cost primarily consist of accounts receivable.

We use a loss rate method to estimate our allowance for credit losses. Our determination of the current expected credit loss rate begins with our review of historical loss experience as a percentage of accounts receivable. We measure our historical loss period based on the average days to recognize accounts receivable as credit losses. When asset specific characteristics and current conditions change from those in the historical period, due to changes in our credit and collections strategy, certain classes of aged balances, or credit loss and recovery policies, we perform a qualitative and quantitative assessment to adjust our historical loss rate. We use regression analysis to develop an expected loss rate using historical experience and economic data over a forecast period. We measure our forecast period based on the average days to collect payment on billed accounts receivable. To determine our current allowance for credit losses, we combine the historical and expected credit loss rates and apply them to our period end accounts receivable.

If there is an unexpected deterioration of a customer's financial condition or an unexpected change in economic conditions, including macroeconomic events, we assess the need to adjust the allowance for credit losses. Any such resulting adjustments would affect earnings in the period that adjustments are made.

The assessment of the correlation between historical observed default rates, current conditions and forecasted economic conditions requires judgment. Alternative interpretations of these factors could have resulted in different conclusions regarding the allowance for credit losses. The amount of credit loss is sensitive to changes in circumstances and forecasted economic conditions. Our historical credit loss experience, current conditions and forecast of economic conditions may also not be representative of the customers' actual default experience in the future, and we may use methodologies that differ from those used by other companies.

The following table presents the activity of our allowance for credit losses by accounts receivable portfolio for the six months ended June 30, 2022:

	Business	Mass Markets	Total
	(Dollars in millions)		
As of December 31, 2021	\$ 19	19	38
Provision for expected losses	7	9	16
Write-offs charged against the allowance	(8)	(16)	(24)
Recoveries collected	1	—	1
Ending balance at June 30, 2022	\$ 19	12	31

## (5) Long-Term Debt and Note Payable - Affiliate

The following chart reflects (i) the consolidated long-term debt of Qwest Corporation and its subsidiaries, including finance lease and other obligations, unamortized premiums, net, unamortized debt issuance costs and (ii) note payable - affiliate:

	Interest Rates <sup>(1)</sup>	Maturities <sup>(1)</sup>	June 30, 2022	December 31, 2021
(Dollars in millions)				
Senior notes	6.500% - 7.750%	2025 - 2057	\$ 1,986	1,986
Term loan <sup>(2)</sup>	LIBOR + 2.00%	2027	215	215
Finance lease and other obligations	Various	Various	2	2
Unamortized premiums, net			5	6
Unamortized debt issuance costs			(53)	(53)
Total long-term debt			\$ 2,155	2,156
Note payable - affiliate	4.436%	2027	\$ 1,215	1,187

<sup>(1)</sup> As of June 30, 2022.

<sup>(2)</sup> Qwest Corporation's Term Loan had interest rates of 3.670% and 2.110% as of June 30, 2022 and December 31, 2021, respectively.

### Long-Term Debt Maturities

Set forth below is the aggregate principal amount of our long-term debt as of June 30, 2022 (excluding unamortized premiums, net, unamortized debt issuance costs and note payable-affiliate) maturing during the following years:

	(Dollars in millions)
2022 (remaining six months)	\$ —
2023	—
2024	—
2025	250
2026	—
2027 and thereafter	1,953
Total long-term debt	\$ 2,203

### **Note Payable - Affiliate**

On June 30, 2022, Qwest Corporation entered into an amended and restated revolving promissory note ("Intercompany Note") with an affiliate of our ultimate parent company, Lumen Technologies, Inc. ("Lender"), that replaces the previous revolving promissory agreement that was scheduled to mature on June 30, 2022 ("Prior Intercompany Note"). The Intercompany Note, as amended, provides Qwest Corporation with a funding commitment of up to \$2.0 billion, of which \$1.2 billion is outstanding as of June 30, 2022. The outstanding balance includes \$965 million of the original principal amount of the Prior Intercompany Note plus the total capitalized unpaid interest since inception of the Prior Intercompany Note. The outstanding principal balance owed by Qwest Corporation under the Intercompany Note and the accrued interest thereon is due and payable on demand, but if no demand is made, then on the maturity date. The Intercompany Note has an initial maturity date of June 30, 2027, but will automatically renew for an unlimited number of successive 12-month periods unless the Lender provides notice of its intent not to renew at least 30 days prior to the initial maturity date or each subsequent maturity date. As of June 30, 2022 and December 31, 2021, the Intercompany Note is reflected on our consolidated balance sheets as a current liability under "Note payable - affiliate".

In accordance with the terms of the amended Intercompany Note, interest shall be assessed every six months ending on June 30th and December 31st (an "Interest Period") and shall be paid within 30 days of the end of the respective Interest Period. Interest is accrued on the outstanding principal balance during the respective Interest Period using a weighted average per annum interest rate on the consolidated outstanding debt of Lumen Technologies, Inc. and its subsidiaries. As of June 30, 2022, \$28 million of accrued interest is reflected in other current liabilities on our consolidated balance sheet.

### **Compliance**

As of June 30, 2022, we believe we were in compliance with the financial covenants contained in our material debt agreements in all material respects.

### **Other**

For additional information on our long-term debt and credit facilities, see Note 6—Long-Term Debt and Note Payable - Affiliate to our consolidated financial statements in Item 8 of Part II of our Annual Report on Form 10-K for the year ended December 31, 2021.

## (6) Fair Value Disclosure

Our financial instruments consist of cash and cash equivalents, restricted cash, accounts receivable, advances to and from affiliates, accounts payable, note payable-affiliate and long-term debt, excluding finance lease and other obligations. Due to their short-term nature, the carrying amounts of our cash and cash equivalents, restricted cash, accounts receivable, advances to and from affiliates, accounts payable and note payable-affiliate approximate their fair values.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between independent and knowledgeable parties who are willing and able to transact for an asset or liability at the measurement date. We use valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs when determining fair value and then we rank the estimated values based on the reliability of the inputs used following the fair value hierarchy.

We determined the fair values of our long-term debt, including the current portion, based on quoted market prices where available or, if not available, based on discounted future cash flows using current market interest rates.

The three input levels in the hierarchy of fair value measurements are defined by the FASB generally as follows:

Input Level	Description of Input
Level 1	Observable inputs such as quoted market prices in active markets.
Level 2	Inputs other than quoted prices in active markets that are either directly or indirectly observable.
Level 3	Unobservable inputs in which little or no market data exists.

The following table presents the carrying amounts and estimated fair values of our financial liabilities as of June 30, 2022 and December 31, 2021, as well as the input level used to determine the fair values indicated below:

		June 30, 2022		December 31, 2021	
	Input Level	Carrying Amount	Fair Value	Carrying Amount	Fair Value
(Dollars in millions)					
Liabilities—Long-term debt (excluding finance lease and other obligations)	2	\$ 2,153	2,109	2,154	2,298

## (7) Commitments, Contingencies and Other Items

We are subject to various claims, legal proceedings and other contingent liabilities, including the matters described below, which individually or in the aggregate could materially affect our financial condition, future results of operations or cash flows. As a matter of course, we are prepared to both litigate these matters to judgment as needed, as well as to evaluate and consider reasonable settlement opportunities.

Irrespective of its merits, litigation may be both lengthy and disruptive to our operations and could cause significant expenditure and diversion of management attention. We review our litigation accrual liabilities on a quarterly basis, but in accordance with applicable accounting guidelines only establish accrual liabilities when losses are deemed probable and reasonably estimable and only revise previously-established accrual liabilities when warranted by changes in circumstances, in each case based on then-available information. As such, as of any given date we could have exposure to losses under proceedings as to which no liability has been accrued or as to which the accrued liability is inadequate. Amounts accrued for our litigation and non-income tax contingencies at June 30, 2022 aggregated to approximately \$16 million and are included in “Other” current liabilities and “Other Liabilities” in our consolidated balance sheet as of such date. The establishment of an accrual does not mean that actual funds have been set aside to satisfy a given contingency. Thus, the resolution of a particular contingency for the amount accrued could have no effect on our results of operations but nonetheless could have an adverse effect on our cash flows.

### ***Billing Practices Suits***

In June 2017, a former employee of a Lumen Technologies subsidiary filed an employment lawsuit against Lumen Technologies (at the time named CenturyLink, Inc.) claiming that she was wrongfully terminated for alleging that Lumen charged some of its retail customers for products and services they did not authorize. Thereafter, based in part on the allegations made by the former employee, several legal proceedings were filed, including consumer class actions in federal and state courts, a series of securities investor class actions in federal courts, and several shareholder derivative actions in federal and Louisiana state courts. The derivative cases were brought on behalf of CenturyLink, Inc. against certain current and former officers and directors of the Company and seek damages for alleged breaches of fiduciary duties.

The consumer class actions, the securities investor class actions, and the federal derivative actions were transferred to the U.S. District Court for the District of Minnesota for coordinated and consolidated pretrial proceedings as In Re: CenturyLink Sales Practices and Securities Litigation. Lumen Technologies has settled the consumer and securities investor class actions. Those settlements are final. The derivative actions remain pending.

Lumen has engaged in discussions regarding related claims with a number of state attorneys general, and has entered into agreements settling certain of the consumer practices claims asserted by state attorneys general. While Lumen Technologies does not agree with allegations raised in these matters, it has been willing to consider reasonable settlements where appropriate.

### ***Other Proceedings, Disputes and Contingencies***

From time to time, we are involved in other proceedings incidental to our business, including patent infringement allegations, regulatory hearings relating primarily to our rates or services, actions relating to employee claims, various tax issues, environmental law issues, grievance hearings before labor regulatory agencies and miscellaneous third-party tort actions or commercial disputes.

We are currently defending several patent infringement lawsuits asserted against us by non-practicing entities, many of which are seeking substantial recoveries. These cases have progressed to various stages and one or more may go to trial within the next twelve months if they are not otherwise resolved. Where applicable, we are seeking full or partial indemnification from our vendors and suppliers. As with all litigation, we are vigorously defending these actions and, as a matter of course, are prepared to litigate these matters to judgment, as well as to evaluate and consider all reasonable settlement opportunities.

We are subject to various federal, state and local environmental protection and health and safety laws. From time to time, we are subject to judicial and administrative proceedings brought by various governmental authorities under these laws. Several such proceedings are currently pending, but none is reasonably expected to exceed \$300,000 in fines and penalties.

The outcome of these other proceedings described under this heading is not predictable. However, based on current circumstances, we do not believe that the ultimate resolution of these other proceedings, after considering available defenses and any insurance coverage or indemnification rights, will have a material adverse effect on us.

The matters listed in this Note do not reflect all of our contingencies. For additional information on our contingencies, see Note 14—Commitments, Contingencies and Other Items to the financial statements included in Item 8 of Part II of our Annual Report on Form 10-K for the year ended December 31, 2021. The ultimate outcome of the above-described matters may differ materially from the outcomes anticipated, estimated, projected or implied by us in certain of our statements appearing above in this Note, and proceedings currently viewed as immaterial by us may ultimately materially impact us.

## (8) Dividends

From time to time we may declare and pay dividends to our direct parent company, QSC, sometimes in excess of our earnings to the extent permitted by applicable law. Our debt covenants do not currently limit the amount of dividends we can pay to QSC.

During the six months ended June 30, 2022, we declared and paid no dividends to QSC. During the six months ended June 30, 2021, we declared and paid dividends of \$570 million to QSC. Dividends paid are reflected on our consolidated statements of cash flows as financing activities.

## (9) Other Financial Information

### **Other Current Assets**

The following table presents details of other current assets in our consolidated balance sheets:

	June 30, 2022	December 31, 2021
	(Dollars in millions)	
Prepaid expenses	\$ 57	50
Contract acquisition costs	40	43
Contract fulfillment costs	31	31
Receivable for sale of land	—	56
Other	6	7
Total other current assets	\$ 134	187

### **Other Noncurrent Liabilities**

The following table presents details of other noncurrent liabilities in our consolidated balance sheets:

	June 30, 2022	December 31, 2021
	(Dollars in millions)	
Unrecognized tax benefits	\$ 443	435
Deferred revenue	90	111
Noncurrent operating lease liability	57	63
Other	66	61
Total other noncurrent liabilities	\$ 656	670

## (10) Labor Union Contracts

As of June 30, 2022, approximately 45% of our employees were represented by the Communication Workers of America ("CWA") or the International Brotherhood of Electrical Workers ("IBEW"). Approximately 1% of our represented employees are subject to collective bargaining agreements that are scheduled to expire within the 12 month period ending June 30, 2023. We believe relations with our employees continue to be generally good.

## ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

*Unless the context requires otherwise, references in this report to "QC" refer to Qwest Corporation, references to "Qwest," "we," "us" and "our" refer to Qwest Corporation and its consolidated subsidiaries, and references to "QSC" refer to Qwest Services Corporation.*

*All references to "Notes" in this Item 2 of Part I refer to the Notes to Consolidated Financial Statements included in Item 1 of Part I of this report.*

*Certain statements in this report constitute forward-looking statements. See "Special Note Regarding Forward-Looking Statements" appearing at the beginning of this report and "Risk Factors" referenced in Item 1A of Part II of this report or other of our filings with the SEC for a discussion of certain factors that could cause our actual results to differ from our anticipated results or otherwise impact our business, financial condition, results of operations, liquidity or prospects.*

## Overview

Management's Discussion and Analysis of Financial Condition and Results of Operations ("MD&A") included herein should be read in conjunction with MD&A and the other information included in our Annual Report on Form 10-K for the year ended December 31, 2021, and with the consolidated financial statements and related notes in Item 1 of Part I of this report. The results of operations for the first six months of the year are not necessarily indicative of the results of operations that might be expected for the entire year.

We are an integrated facilities-based communications company engaged primarily in providing an array of communications products and services to our business and mass markets customers. Our specific products and services are detailed in Note 3—Revenue Recognition in Item 1 of Part I of this report and below under the heading "Products, Services and Revenue".

Our ultimate parent company, Lumen Technologies, Inc., has cash management arrangements or loan arrangements with a majority of its subsidiaries that include lines of credit, affiliate obligations, capital contributions and dividends. As part of these cash management or loan arrangements, affiliates provide lines of credit to certain other affiliates. Amounts outstanding under these lines of credit and intercompany obligations vary from time to time. Under these arrangements, the majority of our cash balance is advanced on a daily basis for centralized management by Lumen's service company affiliate. From time to time we may declare and pay dividends to QSC, our direct parent, using cash owed to us under these advances, which has the net effect of reducing the amount of these advances. We report the balance of these transfers on our consolidated balance sheet as advances to affiliates.

At June 30, 2022, we served approximately 2.6 million broadband subscribers. Our methodology for counting broadband subscribers may not be comparable to those of other companies.

## Impact of COVID-19 Pandemic

As previously described in greater detail in Item 7 of Part II of our Annual Report on Form 10-K for the year ended December 31, 2021, in response to the safety and economic challenges arising out of the COVID-19 pandemic and in a continued attempt to mitigate the negative impact on our stakeholders, we have taken a variety of steps to ensure the availability of our network infrastructure, to promote the safety of our employees and customers, to enable us to continue to adapt and provide our products and services worldwide to our customers, and to strengthen our communities. We expect to continue revising our responses to the pandemic or take additional steps necessary to adjust to changed circumstances.

Social distancing, business and school closures, travel restrictions, and other actions taken in response to the pandemic have impacted us, our customers and our business since March 2020. Additionally, as discussed in further detail in our prior reports, the pandemic resulted in (i) increases in certain revenue streams and decreases in others, (ii) increases in overtime expenses, (iii) operational challenges resulting from shortages of certain components and other supplies that we use in our business, and (iv) delays in our cost transformation initiatives. We also experienced delayed decision-making by certain of our customers during 2021. Thus far, these changes have not materially impacted our financial performance or financial position. However, we continue to monitor global disruptions and work with our vendors to mitigate supply chain risks.

We reopened our offices in April 2022 under a "hybrid" working environment, which will permit some of our employees the flexibility to work remotely at least some of the time for the foreseeable future.

## Products, Services and Revenue

We categorize our products, services and revenue among the following categories:

- *Voice and Other*, which include primarily local voice services, private line, and other legacy services. This category also includes federal and state support payments. These support payments are government subsidies designed to compensate us for providing certain broadband and communications services in high-cost areas or at discounts to low-income, educational, and healthcare customers. This revenue included the FCC's Connect America Fund Phase II ("CAF II") support payments, which we received through December 31, 2021, when the program ended.
- *Fiber Infrastructure Services*, which include high speed, fiber-based and lower speed DSL-based broadband services to residential and small business customers, and optical network services;
- *IP and Data Services*, which consist primarily of Ethernet services; and
- *Affiliate Services*, which are communications services that we also provide to external customers. In addition, we provide to our affiliates application development and support services, network support and technical services.

From time to time, we may change the categorization of our products and services.

The following analysis is organized to provide the information we believe will be useful for understanding material trends affecting our business.

## Results of Operations

The following table summarizes the results of our consolidated operations for the three and six months ended June 30, 2022 and 2021:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2022	2021	2022	2021
	(Dollars in millions)			
Operating revenue	\$ 1,632	1,724	3,288	3,516
Operating expenses	925	967	1,828	2,024
Operating income	707	757	1,460	1,492
Total other expense, net	(46)	(76)	(92)	(161)
Income before income taxes	661	681	1,368	1,331
Income tax expense	169	172	348	340
Net income	\$ 492	509	1,020	991

For a discussion of certain trends that impact our business, see the MD&A discussion of trends impacting Lumen's business included in Lumen's reports filed with the SEC, including most recently its Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2022.

## Operating Revenue

The following table summarizes our consolidated operating revenue recorded under our revenue categories:

	Three Months Ended June 30,		% Change
	2022	2021	
	(Dollars in millions)		
Fiber Infrastructure	\$ 496	501	(1)%
Voice and Other	442	530	(17)%
IP and Data Services	111	116	(4)%
Affiliate Services	583	577	1 %
Total operating revenue	<u>\$ 1,632</u>	<u>1,724</u>	<u>(5)%</u>

	Six Months Ended June 30,		% Change
	2022	2021	
	(Dollars in millions)		
Fiber Infrastructure	\$ 994	1,005	(1)%
Voice and Other	902	1,073	(16)%
IP and Data Services	228	239	(5)%
Affiliate Services	1,164	1,199	(3)%
Total operating revenue	<u>\$ 3,288</u>	<u>3,516</u>	<u>(6)%</u>

Total operating revenue decreased by \$92 million and \$228 million, respectively, for the three and six months ended June 30, 2022 as compared to the three and six months ended June 30, 2021. The decreases were primarily due to (i) decreases in our voice, traditional broadband and ethernet services in both periods, (ii) a \$37 million reduction in CAF II revenue for the three months ended June 30, 2022 compared to the same period in 2021 due to the conclusion of the CAF II program on December 31, 2021, and (iii) a \$60 million reduction in CAF II revenue, net of a non-cash revenue release related to CAF II support payments received through the end of 2021 based on our final buildout and filing submissions, for the six months ended June 30, 2022 as compared to the same period in 2021. Affiliate services revenue also decreased for the six months ended June 30, 2022 due to a reduction in the number of employees providing services to our affiliates.

## Operating Expenses

The following table summarizes our consolidated operating expenses:

	Three Months Ended June 30,		
	2022	2021	% Change
	(Dollars in millions)		
Cost of services and products (exclusive of depreciation and amortization)	\$ 414	440	(6)%
Selling, general and administrative	114	106	8 %
Operating expenses - affiliates	184	190	(3)%
Depreciation and amortization	213	231	(8)%
Total operating expenses	<u>\$ 925</u>	<u>967</u>	<u>(4)%</u>

	Six Months Ended June 30,		
	2022	2021	% Change
	(Dollars in millions)		
Cost of services and products (exclusive of depreciation and amortization)	\$ 822	879	(6)%
Selling, general and administrative	223	213	5 %
Operating expenses - affiliates	360	384	(6)%
Depreciation and amortization	423	548	(23)%
Total operating expenses	<u>\$ 1,828</u>	<u>2,024</u>	<u>(10)%</u>

### Cost of Services and Products (exclusive of depreciation and amortization)

Cost of services and products (exclusive of depreciation and amortization) decreased \$26 million and \$57 million, respectively, for the three and six months ended June 30, 2022, as compared to the three and six months ended June 30, 2021. The decrease for both periods was primarily due to reductions in salaries and wages and employee-related expenses resulting from lower headcount.

### Selling, General and Administrative

Selling, general and administrative expenses increased by \$8 million and \$10 million, respectively, for the three and six months ended June 30, 2022, as compared to the three and six months ended June 30, 2021. The increase for both periods was primarily due to an increase in bad debt expense. For the six months ended June 30, 2022, the additional increase is due primarily to a gain on the sale of assets in 2021, partially offset by lower property taxes.

## Operating Expenses - Affiliates

Operating expenses - affiliates decreased by \$6 million and \$24 million, respectively, for the three and six months ended June 30, 2022, as compared to the three and six months ended June 30, 2021. The decrease in both periods was primarily due to a decrease in the level of services provided to us by our affiliates.

## Depreciation and Amortization

The following tables provide details of our depreciation and amortization expense:

	Three Months Ended June 30,		% Change
	2022	2021	
	(Dollars in millions)		
Depreciation	\$ 193	209	(8)%
Amortization	20	22	(9)%
Total depreciation and amortization	<u>\$ 213</u>	<u>231</u>	<u>(8)%</u>

	Six Months Ended June 30,		% Change
	2022	2021	
	(Dollars in millions)		
Depreciation	\$ 384	416	(8)%
Amortization	39	132	(70)%
Total depreciation and amortization	<u>\$ 423</u>	<u>548</u>	<u>(23)%</u>

Depreciation expense decreased by \$16 million and \$32 million, respectively, for the three and six months ended June 30, 2022 as compared to the three and six months ended June 30, 2021 primarily due to a decrease of \$22 million and \$45 million, respectively, resulting from the early retirement of certain copper-based infrastructure during the fourth quarter of 2021. The decreases for the three and six month periods were offset by an increase of \$5 million and \$10 million, respectively, due to net growth in depreciable assets, and an increase of \$1 million and \$3 million, respectively, from the impact of annual rate depreciable life changes.

Amortization expense decreased by \$2 million for the three months ended June 30, 2022 as compared to the three months ended June 30, 2021 due primarily to the impact of annual rate depreciable life changes. Amortization expense decreased by \$93 million for the six months ended June 30, 2022 as compared to the six months ended June 30, 2021 due primarily to a decrease of \$88 million resulting from customer relationships becoming fully amortized at the end of the first quarter of 2021 and a decrease of \$5 million due to the impact of annual rate depreciable life changes.

## Other Consolidated Results

The following tables summarize our total other expense, net and income tax expense:

	Three Months Ended June 30,		% Change
	2022	2021	
	(Dollars in millions)		
Interest expense	\$ (29)	(47)	(38)%
Interest expense - affiliate, net	(17)	(31)	(45)%
Other income, net	—	2	nm
Total other expense, net	\$ (46)	(76)	(39)%
Income tax expense	\$ 169	172	(2)%

	Six Months Ended June 30,		% Change
	2022	2021	
	(Dollars in millions)		
Interest expense	\$ (56)	(95)	(41)%
Interest expense - affiliate	(41)	(62)	(34)%
Other income (expense), net	5	(4)	nm
Total other expense, net	\$ (92)	(161)	(43)%
Income tax expense	\$ 348	340	2 %

nm Percentages greater than 200% and comparisons between positive and negative values or to/from zero values are considered not meaningful.

## Interest Expense

Interest expense decreased by \$18 million and \$39 million, respectively, for the three and six months ended June 30, 2022 as compared to the three and six months ended June 30, 2021. The decrease in interest expense was primarily due to (i) a decrease in average long-term debt from \$3.1 billion to \$2.2 billion and the decrease in our average interest rate from 6.42% to 6.37% for the three months ended June 30, 2021 compared to the three months ended June 30, 2022, and (ii) a decrease in average long-term debt from \$3.2 billion to \$2.2 billion and the decrease in our average interest rate from 6.44% to 6.35% for the six months ended June 30, 2021 compared to the six months ended June 30, 2022.

## Interest Expense - Affiliate, Net

Interest expense - Affiliate, net decreased by \$14 million and \$21 million for the three and six months ended June 30, 2022 as compared to the three and six months ended June 30, 2021. The decrease in interest expense - affiliates, net for both periods was due primarily to decreases in the average outstanding advances from our affiliates, which incur interest at the same rate as the note payable to our affiliate. See Note 5—Long-Term Debt and Note Payable - Affiliate.

## Other Income (Expense), Net

The following tables summarize our total other income (expense), net:

	Three Months Ended June 30,		% Change
	2022	2021	
	(Dollars in millions)		
Other income	\$ —	2	nm
Total other income, net	\$ —	\$ 2	nm

	Six Months Ended June 30,		% Change
	2022	2021	
	(Dollars in millions)		
Loss on extinguishment of debt	\$ —	(8)	nm
Other income, net	5	4	25 %
Total other income (expense), net	\$ 5	(4)	nm

nm Percentages greater than 200% and comparisons between positive and negative values or to/from zero values are considered not meaningful.

## Income Tax Expense

For the three and six months ended June 30, 2022 our effective tax rates were 25.6% and 25.4%, respectively. For the three and six months ended June 30, 2021 our effective tax rates were 25.3% and 25.5%, respectively.

## **Liquidity and Capital Resources**

### ***Overview of Sources and Uses of Cash***

We are an indirectly wholly-owned subsidiary of Lumen Technologies, Inc. As such, factors relating to, or affecting, Lumen's liquidity and capital resources could have material impacts on us, including impacts on our credit ratings, our access to capital markets and changes in the financial market's perception of us.

Our ultimate parent company, Lumen Technologies, Inc., has cash management arrangements or loan arrangements with a majority of its subsidiaries that include lines of credit, affiliate obligations, capital contributions and dividends. As part of these cash management or loan arrangements, affiliates provide lines of credit to certain other affiliates. Amounts outstanding under these lines of credit and intercompany obligations vary from time to time. Under these arrangements, the majority of our cash balance is advanced on a daily basis for centralized management by Lumen's service company affiliate. From time to time we may declare and pay dividends to QSC, our direct parent, sometimes in excess of our earnings to the extent permitted by applicable law, using cash owed to us under these advances, which has the net effect of reducing the amount of these advances. Our debt covenants do not currently limit the amount of dividends we can pay to QSC. Given our cash management arrangement with our ultimate parent, Lumen Technologies, Inc., and the resulting amounts due to us from Lumen Technologies, Inc., a significant component of our liquidity is dependent upon Lumen's ability to repay its obligation to us.

We anticipate that our future liquidity needs will be met through (i) our cash provided by our operating activities, (ii) amounts due to us from Lumen Technologies, (iii) our ability to refinance QC's debt securities at maturity and (iv) capital contributions, advances or loans from Lumen Technologies or its affiliates if and to the extent they have available funds or access to available funds that they are willing and able to contribute, advance or loan.

### ***Capital Expenditures***

We incur capital expenditures on an ongoing basis in order to enhance and modernize our networks, compete effectively in our markets and expand and improve our service offerings. Lumen Technologies evaluates capital expenditure projects based on a variety of factors, including expected strategic impacts (such as forecasted impact on revenue growth, productivity, expenses, service levels and customer retention) and the expected return on investment. The amount of Lumen's consolidated capital investment, and our portion thereof, is influenced by, among other things, demand for Lumen's services and products, cash flow generated by operating activities, cash required for other purposes and regulatory considerations (such as Lumen's CAF Phase II or RDOF infrastructure buildout requirements). For more information on Lumen's total capital expenditures, please see its annual and quarterly reports filed with the SEC.

For more information on our capital spending, see "Cash Flow Activities" below and Item 1A of Part I of our Annual Report on Form 10-K for the year ended December 31, 2021.

### ***Debt and Other Financing Arrangements***

As of June 30, 2022, we had a face amount of approximately \$2.2 billion aggregate outstanding indebtedness (excluding finance leases, unamortized premiums, net, unamortized debt issuance costs, and note payable-affiliate). None of our outstanding debt is due in the next 12 months (excluding finance lease obligations).

Subject to market conditions, and to the extent feasible, Qwest Corporation may issue debt securities, from time to time in the future primarily to refinance a portion of our maturing debt. The availability, interest rate and other terms of any new borrowings will depend on the ratings assigned to Qwest Corporation by credit rating agencies, among other factors.

As of the date of this report, the credit ratings for Qwest Corporation's senior unsecured debt were as follows:

Agency	Credit Ratings
Standard & Poor's	BBB-
Moody's Investors Service, Inc.	Ba2
Fitch Ratings	BB

Lumen's and Qwest Corporation's credit ratings are reviewed and adjusted from time to time by the rating agencies. For additional information regarding Lumen's and Qwest Corporation's funding arrangements, see Risk Factors—Financial Risks in Item 1A of Part I of our Annual Report on Form 10-K for the year ended December 31, 2021.

#### **Note Payable - Affiliate**

The Intercompany Note (as defined in Note 5—Long-Term Debt and Note Payable - Affiliate) between Qwest Corporation and an affiliate of our ultimate parent company, Lumen Technologies, Inc., was amended and restated on June 30, 2022. The Intercompany Note, as amended, provides Qwest Corporation with a funding commitment of up to \$2.0 billion, of which \$1.2 billion is outstanding as of June 30, 2022. The outstanding principal balance owed by us under the Intercompany Note and the accrued interest thereon is due and payable on demand, but if no demand is made, then on the maturity date. The Intercompany Note has an initial maturity date of June 30, 2027, but will automatically renew for an unlimited number of successive 12-month periods unless the Lender provides notice of its intent not to renew at least 30 days prior to the initial maturity date or each subsequent maturity date. As of June 30, 2022 and December 31, 2021, the Intercompany Note is reflected on our consolidated balance sheets as a current liability under note payable - affiliate.

Interest on the Intercompany Note is accrued on the outstanding balance during an interest period using a weighted average per annum interest rate on the consolidated outstanding debt of Lumen Technologies, Inc. and its subsidiaries. As of June 30, 2022, the weighted average interest rate was 4.436% and \$28 million of accrued interest is reflected in other current liabilities on our consolidated balance sheets.

For additional information about our indebtedness, see Note 5—Long-Term Debt and Note Payable - Affiliate.

#### **Dividends**

We periodically pay dividends to QSC, our direct parent company, which reduce our capital resources for debt repayments and other purposes. For additional information, see (i) our consolidated statements of cash flows and stockholder's equity, (ii) Note 8—Dividends and (iii) the discussion above under the heading "Overview".

#### **Pension and Post-retirement Benefit Obligations**

Lumen Technologies is subject to material obligations under its existing defined benefit pension plans and post-retirement benefit plans. At December 31, 2021, the accounting unfunded status of Lumen's qualified defined benefit pension plan and qualified post-retirement benefit plans was approximately \$1.1 billion and approximately \$2.8 billion, respectively. For additional information about Lumen's pension and post-retirement benefit arrangements, see "Critical Accounting Policies and Estimates—Pension and Post-Retirement Benefit Obligations" in Item 7 of Lumen's Annual Report on Form 10-K for the year ended December 31, 2021 and see Note 11—Employee Benefits to the consolidated financial statements in Item 8 of Part II of the same report.

A substantial portion of our active and retired employees participate in Lumen's qualified pension plan and post-retirement benefit plans. On December 31, 2014, the Qwest Communications International Inc. ("QCII") pension plan and a pension plan of an affiliate were merged into the CenturyLink Retirement Plan, which is now named the Lumen Combined Pension Plan. Our contributions are not segregated or restricted to pay amounts due to our employees and may be used to provide benefits to other employees of our affiliates. Prior to the pension plan merger, the above-noted employees participated in the QCII pension plan.

Benefits paid by Lumen's qualified pension plan are paid through a trust that holds all of the plan's assets. Based on current laws and circumstances, Lumen Technologies does not expect any contributions to be required for their qualified pension plan during 2022. The amount of required contributions to Lumen's qualified pension plan in 2022 and beyond will depend on a variety of factors, most of which are beyond their control, including earnings on plan investments, prevailing interest rates, demographic experience, changes in plan benefits and changes in funding laws and regulations. Lumen Technologies occasionally makes voluntary contributions in addition to required contributions and reserves the right to do so in the future. Lumen Technologies has advised that it does not expect to make a voluntary contribution to the trust of the qualified pension plan in 2022.

Substantially all of Lumen's post-retirement health care and life insurance benefits plans are unfunded and are paid by Lumen Technologies with available cash.

The affiliate obligations, net in current and noncurrent liabilities on our consolidated balance sheets primarily represents the cumulative allocation of expenses, net of payments, associated with QCII's pension plans and post-retirement benefits plans prior to the plan mergers. In 2015, we agreed to a plan to settle the outstanding pension and post-retirement affiliate obligations, net balance with QCII over a 30 year term. Under the plan, payments are scheduled to be made on a monthly basis. For the six months ended June 30, 2022, we made net settlement payments of \$31 million to QCII in accordance with the plan. Changes in the affiliate obligations, net are reflected in operating activities on our consolidated statements of cash flows. For the year ended 2022, we expect to make aggregate settlement payments of \$61 million to QCII under the plan.

For 2022, Lumen's expected annual long-term rate of return on pension plan assets is 5.5%. However, actual returns could be substantially different.

For additional information, see "Risk Factors—Financial Risks" in Item 1A of Part I of our Annual Report on Form 10-K for the year ended December 31, 2021.

#### ***Future Contractual Obligations***

For information regarding our estimated future contractual obligations, see the MD&A discussion included in Item 7 of Part II of our Annual Report on Form 10-K for the year ended December 31, 2021.

### ***Connect America Fund & Rural Digital Opportunity Fund***

Between 2015 and 2021, Lumen received approximately \$500 million annually through CAF Phase II, a program that ended on December 31, 2021. Our share of this CAF Phase II funding was approximately \$145 million annually. In connection with the CAF II funding, we were required to meet certain specified infrastructure buildout requirements in 13 states by the end of 2021, which required substantial capital expenditures. In the first quarter of 2022, we recognized \$13 million of previously deferred revenue related to the conclusion of the CAF program based upon our final buildout and filing submissions. The government has the right to audit our compliance with the CAF program and the ultimate outcome of any remaining examinations is unknown, but could result in a liability to us in excess of our reserve accruals established for these matters.

In early 2020, the FCC created the Rural Digital Opportunity Fund ( the "RDOF"), which is a new federal support program designed to replace the CAF Phase II program. On December 7, 2020, the FCC allocated in its RDOF Phase I auction \$9.2 billion in support payments over 10 years to deploy high speed broadband to over 5.2 million unserved locations. Lumen Technologies won bids for RDOF Phase I support payments of \$26 million annually. Lumen's support payments under the RDOF Phase I program commenced during the second quarter of 2022, our share of which is not material. Assuming Lumen timely completes its pending divestiture of its incumbent local exchange ("ILEC") business, it is expected a portion of these payments will accrue to the purchaser of that business. See "Note 2—Recently Completed Divestiture of the Latin American Business and Planned Divestiture of ILEC Business" in Item 1 of Part I of Lumen's Quarterly Report on Form 10-Q for the period ended June 30, 2022.

For additional information on these programs, see (i) "Business—Regulation of Our Business—Universal Service" in Item 1 of Part I of our Annual Report on Form 10-K for the year ended December 31, 2021 and (ii) "Risk Factors—Legal and Regulatory Risks" in Item 1A of Part I of our Annual Report on Form 10-K for the year ended December 31, 2021.

Federal officials have proposed changes to current programs and laws that could impact us, including proposals designed to increase broadband access, increase competition among broadband providers, lower broadband costs and re-adopt "net neutrality" rules similar to those adopted under the Obama Administration. In November 2021, the U.S. Congress enacted legislation that appropriated \$65 billion to improve broadband affordability and access, primarily through federally funded state grants. As of the date of this report, various state and federal agencies are continuing to take steps in anticipation of making grants to eligible applicants, so it is premature to speculate on the potential impact of this legislation on us.

**Cash Flow Activities**

The following table summarizes our consolidated cash flow activities:

	Six Months Ended June 30,		\$ Change
	2022	2021	
	(Dollars in millions)		
Net cash provided by operating activities	\$ 1,358	1,550	(192)
Net cash used in investing activities	\$ (1,301)	(363)	938
Net cash used in financing activities	\$ (55)	(1,194)	(1,139)

**Operating Activities**

Net cash provided by operating activities decreased by \$192 million for the six months ended June 30, 2022 as compared to the six months ended June 30, 2021 primarily due to lower net income adjusted for non-cash items, decreased collections of accounts receivable and other changes in net working capital. Cash provided by operating activities is subject to variability period over period as a result of timing differences, including with respect to the collection of receivables and payments of interest expense, accounts payable and bonuses.

**Investing Activities**

Net cash used in investing activities increased by \$938 million for the six months ended June 30, 2022 as compared to the six months ended June 30, 2021 primarily due to an increase in advances to affiliates.

**Financing Activities**

Net cash used in financing activities decreased by \$1.1 billion for the six months ended June 30, 2022 as compared to the six months ended June 30, 2021 primarily due to a decrease in dividends paid to our parent and decreases in repayments of long-term debt and advances from affiliates.

See Note 5—Long-Term Debt and Note Payable - Affiliate, for additional information on our outstanding debt securities and financing activities.

**Other Matters**

We are subject to various legal proceedings and other contingent liabilities that individually or in the aggregate could materially affect our financial condition, future results of operations or cash flows. See Note 7—Commitments, Contingencies and Other Items for additional information.

Lumen Technologies is involved in several legal proceedings to which we are not a party that, if resolved against it, could have a material adverse effect on its business and financial condition. As a wholly owned subsidiary of Lumen Technologies, our business and financial condition could be similarly affected. You can find descriptions of these legal proceedings in Lumen's quarterly and annual reports filed with the SEC. Because we are not a party to any of the matters, we have not accrued any liabilities for these matters as of June 30, 2022.

## Market Risk

As of June 30, 2022, we were exposed to market risk from changes in interest rates on our variable rate long-term debt obligations, amended and restated revolving promissory note and fluctuations in certain foreign currencies.

Management periodically reviews our exposure to interest rate fluctuations and periodically implements strategies to manage the exposure. From time to time, we have used derivative instruments to (i) swap our exposure to changing or variable interest rates for fixed interest rates or (ii) to swap obligations to pay fixed interest rates for variable interest rates. As of June 30, 2022, we had no such instruments outstanding. We have established policies and procedures for risk assessment and the approval, reporting and monitoring of derivative instrument activities. As of June 30, 2022, we did not hold or issue derivative financial instruments for trading or speculative purposes.

At June 30, 2022, we had approximately \$2.0 billion (excluding finance lease and other obligations) of long-term debt outstanding which bears interest at fixed rates and is therefore not exposed to interest rate risk. At June 30, 2022, we had \$215 million floating rate debt exposed to changes in the London InterBank Offered Rate (LIBOR). A hypothetical increase of 100 basis points in LIBOR relative to this debt would decrease our annual pre-tax earnings by \$2 million. At June 30, 2022, we had approximately \$1.2 billion in debt, which was owed to an affiliate of our ultimate parent, Lumen Technologies, Inc. The note payable-affiliate bears interest at a variable rate, which is based on a weighted average per annum interest rate of Lumen's outstanding borrowings for the interest period and therefore is exposed to potential interest rate risk.

Certain shortcomings are inherent in the method of analysis in evaluating our market risks. Actual values may differ materially from those disclosed by us from time to time if market conditions vary from the assumptions used in the analyses performed. Our analyses only incorporate the risk exposures that existed at June 30, 2022.

## Other Information

Lumen's and our website is [www.lumen.com](http://www.lumen.com). We routinely post important investor information in the "Investor Relations" section of our website at [ir.lumen.com](http://ir.lumen.com). The information contained on, or that may be accessed through, our website is not part of this quarterly report. You may obtain free electronic copies of annual reports on Form 10-K, quarterly reports on Form 10-Q, and current reports on Form 8-K filed by us or our ultimate controlling stockholder Lumens Technologies, Inc., and all amendments to those reports, in the "Investor Relations" section of our website ([ir.lumen.com](http://ir.lumen.com)) under the heading "SEC Filings." These reports are available on our website as soon as reasonably practicable after they are electronically filed with the SEC.

### **ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK**

Omitted pursuant to General Instruction H(2).

### **ITEM 4. CONTROLS AND PROCEDURES**

#### **Disclosure Controls and Procedures**

We maintain disclosure controls and procedures (as defined in Rule 13a-15(e) promulgated under the Securities Exchange Act of 1934 (the "Exchange Act")) designed to provide reasonable assurance that the information required to be disclosed by us in the reports we file or furnish under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in the SEC's rules and forms. These include controls and procedures designed to ensure this information is accumulated and communicated to our senior management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure. Management, with the participation of our Chief Executive Officer, Jeff K. Storey, and our Executive Vice President and Chief Financial Officer, Chris Stansbury, evaluated the effectiveness of our disclosure controls and procedures as of June 30, 2022. Based on this evaluation, our Chief Executive Officer and Chief Financial Officer concluded our disclosure controls and procedures were effective, as of June 30, 2022, in providing reasonable assurance the information required to be disclosed by us in this report was accumulated and communicated in the manner provided above.

#### **Changes in Internal Control Over Financial Reporting**

There have been no changes in our internal control over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) that occurred during the second quarter of 2022 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

#### **Inherent Limitations of Internal Controls**

The effectiveness of our or any system of disclosure controls and procedures is subject to certain limitations, including the exercise of judgment in designing, implementing and evaluating the controls and procedures, the assumptions used in identifying the likelihood of future events and the inability to eliminate misconduct completely. As a result, there can be no assurance that our disclosure controls and procedures will detect all errors or fraud. By their nature, our or any system of disclosure controls and procedures can provide only reasonable assurance regarding management's control objectives.

## **PART II—OTHER INFORMATION**

### **ITEM 1. LEGAL PROCEEDINGS**

The information contained in Note 7—Commitments, Contingencies and Other Items included in Item 1 of Part I of this report is incorporated herein by reference. The ultimate outcome of the matters described in Note 7 may differ materially from the outcomes anticipated, estimated, projected or implied by us in certain of our statements appearing in such Note, and proceedings currently viewed as immaterial by us may ultimately materially impact us. For more information, see “Risk Factors—Legal and Regulatory Risks” in Item 1A of Part I of our Annual Report on Form 10-K for the year ended December 31, 2021.

### **ITEM 1A. RISK FACTORS**

Our operations and financial results are subject to various risks and uncertainties, which could adversely affect our business, financial condition or future results. We urge you to carefully consider (i) the other information set forth in this report and (ii) the risk factors discussed in Part I, Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2021.

**ITEM 6. EXHIBITS**

Exhibits identified in parentheses below are on file with the SEC and are incorporated herein by reference. All other exhibits are provided as part of this electronic submission.

**SIGNATURE**

Pursuant to the requirements of Section 13 or 15(d) of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized on August 4, 2022.

**QWEST CORPORATION**

By: /s/ Andrea Genschaw  
**Andrea Genschaw**  
**Senior Vice President, Controller**  
*(Principal Accounting Officer)*

**CERTIFICATION OF CHIEF EXECUTIVE OFFICER**

I, Jeff K. Storey, Chief Executive Officer, certify that:

1. I have reviewed this quarterly report on Form 10-Q of Qwest Corporation;
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;
4. The registrant's other certifying officer and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the registrant and have:
  - a) designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
  - b) designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
  - c) evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
  - d) disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and
5. The registrant's other certifying officer and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's Board of Directors:
  - a) all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and
  - b) any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.

**CERTIFICATION OF CHIEF FINANCIAL OFFICER**

I, Chris Stansbury, Chief Financial Officer, certify that:

1. I have reviewed this quarterly report on Form 10-Q of Qwest Corporation;
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;
4. The registrant's other certifying officer and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the registrant and have:
  - a) designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
  - b) designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
  - c) evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
  - d) disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and
5. The registrant's other certifying officer and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's Board of Directors:
  - a) all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and
  - b) any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.

Chris Stansbury  
Executive Vice President and Chief Financial Officer

**Certification Pursuant to  
18 U.S.C. Section 1350,  
as Adopted Pursuant to  
Section 906 of the Sarbanes-Oxley Act of 2002**

I, Jeff K. Storey, Chief Executive Officer of Qwest Corporation ("Qwest"), certify that, to my knowledge, the Quarterly Report on Form 10-Q for the quarter ended June 30, 2022 of Qwest fully complies with the requirements of Section 13(a) of the Securities Exchange Act of 1934 and that the information contained in the Form 10-Q fairly presents, in all material respects, the financial condition and results of operations of Qwest as of the dates and for the periods covered by such report.

A signed original of this statement has been provided to Qwest and will be retained by Qwest and furnished to the Securities and Exchange Commission or its staff upon request.
