Walmart Inc., a Delaware corporation (the “Company”), and Barclays Capital Inc., BofA Securities, Inc., Citigroup Global Markets Inc., HSBC Securities (USA) Inc., J.P. Morgan Securities LLC and Wells Fargo Securities, LLC, acting for themselves and as representatives of the other several underwriters named in Schedule I to the Pricing Agreement (as defined below) (collectively, the “Underwriters”), have entered into a Pricing Agreement, dated September 19, 2019 (the “Pricing Agreement”), pursuant to which, subject to the satisfaction of the conditions set forth therein, the Company has agreed to sell to the Underwriters, and the Underwriters have agreed to purchase from the Company, \$500,000,000 aggregate principal amount of the Company’s 2.375% Notes Due 2029 (the “2029 Notes”) and \$1,000,000,000 aggregate principal amount of the Company’s 2.950% Notes Due 2049 (the “2049 Notes” and, together with the 2029 Notes, the “Notes”). The Pricing Agreement incorporates by reference the terms and conditions of an Underwriting Agreement, dated September 19, 2019 (the “Underwriting Agreement”), between the Company and the Underwriters. The Company and the Underwriters expect to consummate the sale and purchase of the Notes pursuant to the Pricing Agreement on September 24, 2019.

The 2029 Notes will be sold to the public at a price equal to 99.894% of the aggregate principal amount of the 2029 Notes (\$499,470,000 of proceeds before the underwriting discount and transaction expenses). The net proceeds to the Company from the sale of the 2029 Notes, after the underwriting discount, but before transaction expenses allocable to the sale of the 2029 Notes, will be \$497,220,000.

The 2049 Notes will be sold to the public at a price equal to 98.528% of the aggregate principal amount of the 2049 Notes (\$985,280,000 of proceeds before the underwriting discount and transaction expenses). The net proceeds to the Company from the sale of the 2049 Notes, after the underwriting discount, but before transaction expenses allocable to the sale of the 2049 Notes, will be \$976,530,000.

The Notes will be sold to the public at an aggregate price of \$1,484,750,000 before the underwriting discounts and transaction expenses. The aggregate net proceeds to the Company from the sale of the Notes, after the underwriting discounts, but before transaction expenses allocable to the sale of the Notes, will be \$1,473,750,000.

The 2029 Notes will constitute part of the Company’s newly created series of 2.375% Notes Due 2029 (the “2029 Series”) and the 2049 Notes will constitute part of the Company’s newly created series of 2.950% Notes Due 2049 (the “2049 Series” and, together with the 2029 Series, the “New Series”). The Notes of each of the New Series will be senior, unsecured debt securities of the Company, and the Notes of each New Series will rank equally with each other and with all of the other senior, unsecured debt obligations of the Company. The New Series were created and established, and the terms and conditions of each New Series were established, by action of the Company and an authorized officer of the Company pursuant to, and in accordance with, the terms of the Indenture, dated as of July 19, 2005, as amended and supplemented (the “Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A., as successor trustee (the “Trustee”), and the Indenture and the related series terms certificates pursuant to the Indenture will govern the Notes of each New Series. The respective terms of the 2029 Notes and the 2049 Notes are as set forth in the Indenture and in the forms of the Global Notes (referred to below) that will represent the Notes of each New Series to be sold pursuant to the Pricing Agreement.

The material terms of the Notes are described in the Company’s prospectus supplement dated September 19, 2019, which relates to the offer and sale of the Notes (the “Prospectus Supplement”), and the Company’s prospectus dated December 7, 2017, which relates to the offer and sale from time to time of an indeterminate amount of the Company’s debt securities, including the Notes (the “Prospectus”). The Prospectus Supplement, together with the Prospectus, was filed by the Company with the Securities and Exchange Commission (the “Commission”) on September 20, 2019 pursuant to Rule 424(b) (2) under the Securities Act of 1933, as amended (the “Securities Act”), in connection with the offer and sale of the Notes. A Final Term Sheet, dated September 19, 2019, relating to, and setting forth certain terms of, the Notes was filed with and accepted by the Commission pursuant to Rule 433 under the Securities Act on September 19, 2019.

The Notes of each New Series will be initially issued and delivered in book-entry form only and will be represented by one or more global notes, which will be in definitive, fully registered form without interest coupons. The 2029 Notes will be represented by one global note, which will be in the principal amount of \$500,000,000 (the “2029 Global Note”). The 2049 Notes will be represented by two global notes, each of which will be in the

principal amount of \$500,000,000 (the “2049 Global Notes” and, together with the 2029 Global Note, the “Global Notes”). Each Global Note will be payable to Cede & Co., a New York corporation, as nominee of The Depository Trust Company. In the case of the 2029 Notes, March 9 and September 9 of each year; and

In the case of the 2049 Notes, March 9 and September 9 of each year.

Walmart may redeem the 2029 Notes at any time prior to June 24, 2029 and the 2049 Notes at any time prior to March 24, 2049, in each case, at Walmart's option, as a whole or in part, at a redemption price equal to the greater of:

- 100% of the principal amount of the Designated Securities to be redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date, and
- the sum of the present values of the Remaining Scheduled Payments, plus any accrued and unpaid interest to, but excluding, the redemption date.

In determining the present value of the Remaining Scheduled Payments, Walmart will discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Applicable Treasury Rate plus, in the case of the 2029 Notes, 10 basis points, and, in the case of the 2049 Notes, 15 basis points.

The term "Applicable Treasury Rate" means with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue. In determining this rate, Walmart will assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The term “Comparable Treasury Issue” means the United States Treasury security selected by the Independent Investment Banker as having a maturity comparable to the remaining term of the Designated Securities of a series of the Designated Securities to be redeemed (assuming the Designated Securities of such series matured on the Par Call Date (as defined below) for the Designated Securities of such series) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing a new issue of corporate debt securities of comparable maturity to the remaining term of the Designated Securities of such series of the Designated Securities.

The term “Independent Investment Banker” means one of the Reference Treasury Dealers that Walmart appoints to act as the Independent Investment Banker from time to time.

The term “Comparable Treasury Price” means, with respect to any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the Reference Treasury Dealer Quotations for such redemption date.

The term “Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer by 5:00 p.m., New York City time, on the third business day preceding such redemption date.

The term “Reference Treasury Dealer” means each of Barclays Capital Inc., BofA Securities, Inc. and Citigroup Global Markets Inc. or one of their respective affiliates or successors; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer (a “Primary Treasury Dealer”), Walmart will substitute another Primary Treasury Dealer for such entity.

The term “Remaining Scheduled Payments” means, with respect to any Designated Security of a series of the Designated Securities, the remaining scheduled payments of the principal thereof to be redeemed and interest thereon that would be due after the related redemption date but for such redemption (assuming the Designated Securities of such series matured on the Par Call Date for the Designated Securities of such series); provided, however, that, if such redemption date is not an interest payment date with respect to the Designated Securities of such series of the Designated Securities, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such redemption date.

The 2029 Notes will also be redeemable, as a whole or in part, at the option of the Company at any time on or after June 24, 2029, at a redemption price equal to 100% of the principal amount of the 2029 Notes being redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

The 2049 Notes will also be redeemable, as a whole or in part, at the option of the Company at any time on or after March 24, 2049, at a redemption price equal to 100% of the principal amount of the 2049 Notes being redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

The term “Par Call Date” means June 24, 2029 with respect to the 2029 Notes and March 24, 2049 with respect to the 2049 Notes.

Any notice of optional redemption must be mailed to each registered holder of the Designated Securities being redeemed not less than 10 days but not more than 60 days prior to the redemption date.

entitled to the benefits provided by the Indenture; the Indenture has been duly authorized, executed and delivered, and duly qualified under the Trust Indenture Act and constitutes a valid and legally binding instrument of the Company, enforceable against the Company in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles; and the Indenture conforms, and the Designated Securities will conform, to the descriptions thereof contained in the Pricing Prospectus (taken together with the Final Term Sheet) and the Prospectus;

(m) This Agreement has been duly authorized, executed and delivered, and the Pricing Agreement will be duly authorized, executed and delivered on the date thereof, by the Company;

(n) The issue and sale of the Designated Securities and the compliance by the Company with all of the provisions of the Designated Securities, the Indenture, this Agreement and the Pricing Agreement, and the consummation of the transactions herein and therein contemplated will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which (i) the Company is a party or by which the Company is bound or to which any of the property or assets of the Company is subject or (ii) any of the Company's Subsidiaries is a party or by which any of its Subsidiaries is bound or to which any of the property or assets of any of its Subsidiaries is subject, which conflict, breach, violation or default, in the case of this clause (ii) (but not clause (i)), would materially and adversely affect the general affairs, management, financial position, shareholders' equity, results of operations or internal control over financial reporting of the Company and its Subsidiaries considered as one enterprise, nor will such action result in any violation of the provisions of the Restated Certificate of Incorporation or Amended and Restated Bylaws of the Company, each as amended to date, or any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its Subsidiaries or any of their properties; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Designated Securities or the consummation by the Company of the transactions contemplated by this Agreement or the Pricing Agreement or the Indenture, except (i) such as have been, or will have been prior to the Time of Delivery, obtained under the Securities Act and the Trust Indenture Act, (ii) such, if any, as have been, or will have been prior to the Time of Delivery, obtained under securities laws and regulations of the European Union or any foreign country to which the Company is, has or will become subject due to actions taken, or omitted, by the Company or by the Underwriters with the knowledge of the Company and (iii) such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or "Blue Sky" laws in connection with the purchase and distribution of the Designated Securities by the Underwriters;

(o) Other than as set forth in the Pricing Prospectus and the Prospectus, there are no legal or governmental proceedings pending to which the Company or any of its Subsidiaries is a party or of which any property of the Company or any of its Subsidiaries is the subject that, if determined adversely to the Company or any of its Subsidiaries, would, individually or in the aggregate, have a material adverse effect on the general affairs, management, financial position, shareholders' equity, results of operations or internal control over financial reporting of the Company and its Subsidiaries considered as one enterprise; and, other than as set forth in the Pricing Prospectus and the Prospectus, to the best of the Company's knowledge, no such proceedings are threatened or contemplated by governmental authorities or others; and

(p) Ernst & Young LLP, which has audited and reported on certain financial statements of the Company and its Subsidiaries and the Company's internal control over financial reporting, is an independent registered public accounting firm with respect to the Company and its Subsidiaries as required by the Securities Act and the Exchange Act and the rules and regulations of the Commission and the Public Company Accounting Oversight Board.

For purposes of this Section 2 as well as for Section 8 hereof, references to "the Pricing Prospectus and the Prospectus" are to each of such prospectuses as a separate or stand-alone document (and not the two such prospectuses taken together), so that representations, warranties, agreements, conditions and legal opinions will be made, given or measured independently in respect of each of the Pricing Prospectus and the Prospectus.

3. Offer and Sale of Designated Securities. Upon the execution of the Pricing Agreement applicable to the Designated Securities and authorization by the Representatives of the release of such Designated Securities, the several Underwriters propose to offer such Designated Securities for sale upon the terms and conditions set forth in the Prospectus.

4. Payment and Settlement for Designated Securities. Designated Securities to be purchased by each Underwriter pursuant to the Pricing Agreement, in definitive form to the extent practicable, and in such authorized denominations and registered in such name or names as the Representatives may request upon at least twenty-four hours' prior notice to the Company, shall be delivered by or on behalf of the Company to the Representatives, against payment by such Underwriter or on its behalf of the purchase price therefor by one or more wire transfers in immediately available funds (or such other funds as specified in the Pricing Agreement), payable to the order of the Company, all at the place and time and date specified in the Pricing Agreement or at such other place and time and date as the Representatives and the Company may agree upon in writing, such time and date being herein called the "Time of Delivery" for such Designated Securities.

5. Further Agreements of the Company. The Company agrees with each of the Underwriters of any Designated Securities:

(a) (i) To prepare the Prospectus in relation to the Designated Securities in a form approved by the Representatives and to file the Prospectus pursuant to Rule 424(b) under the Securities Act not later than the Commission's close of business on the second business day following the execution and delivery of the Pricing Agreement or, if applicable, such earlier time as may be required by Rule 424(b) under the Securities Act; (ii) to make no further amendment or any supplement to the Registration Statement or the

Prospectus after the date of the Pricing Agreement relating to the Designated Securities and prior to the Time of Delivery for the Designated Securities that shall be disapproved by the Representatives promptly after reasonable notice thereof (*provided, however*, this clause (ii) shall, in the case of any periodic or current report or proxy statement that the Company is required to file pursuant to Section 13(a), 13(c), 14 or Section 15(d) under the Exchange Act prior to or at the Time of Delivery, apply to the extent practicable in the light of the circumstances); (iii) to advise the Representatives promptly of any such amendment or supplement after such Time of Delivery and for so long thereafter as the delivery of a prospectus is required in connection with the offering or sale of such Designated Securities (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act), and to furnish the Representatives with copies thereof; (iv) to prepare a final term sheet (the "Final Term Sheet"), containing solely a description of the Designated Securities in the form agreed between the Company and the Representatives and to file the Final Term Sheet pursuant to Rule 433(d) under the Securities Act within the time period prescribed by such Rule; (v) to file within the time period prescribed by Rule 433(d) under the Securities Act, all other material required to be filed by the Company with the Commission pursuant to Rule 433(d) under the Securities Act; (vi) to file by the filing deadlines prescribed by the Exchange Act and the rules thereunder, all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act for so long as the delivery of a prospectus is required in connection with the offering or sale of such Designated Securities, and during such period to advise the Representatives promptly after it files any post-effective amendment to the Registration Statement of the time when such post-effective amendment to the Registration Statement has been filed and becomes effective or promptly after it files any amendment or supplement to the Prospectus or any amended Prospectus, of the time when it files such amendment or supplement to the Prospectus or any amended Prospectus with the Commission, of the issuance by the Commission of any stop order or of any order preventing or suspending the use of any prospectus relating to the Designated Securities, of the suspension of the qualification of the Designated Securities for offering or sale in any jurisdiction, of the initiation or threatening of any proceeding for any such purpose, of the receipt from the Commission of any notice of objection to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act for the registration of the offer and sale of the Designated Securities, or of any request by the Commission for the amending or supplementing of the Registration Statement or Prospectus or for additional information relating to the Registration Statement, the Prospectus or any amendment or supplement thereto or the offer and sale of the Designated Securities; and (vii) in the event of the issuance of any such stop order or any such order preventing or suspending the use of any prospectus relating to the Designated Securities or suspending any such qualification, or of any such notice of objection, to use promptly its reasonable best efforts to obtain its withdrawal;

(b) Promptly from time to time to take such action as the Representatives may reasonably request to qualify the Designated Securities for offering and sale under the securities laws of such jurisdictions as the Representatives may request and to comply with such laws so as to permit the continuance of sales and dealings therein in such

jurisdictions for as long as may be necessary to complete the distribution of such Designated Securities, *provided* that in connection therewith the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction (it being recognized that, solely for purposes of this Section 5(b), the Company shall not be required by the Representatives, without its consent, to subject itself to any securities laws or regulations of the European Union, or of any foreign country, to which the Company was not subject immediately prior to the offering and sale of such Designated Securities);

(c) To furnish the Underwriters with copies of the Prospectus in such quantities as the Representatives may from time to time reasonably request, and, if the delivery of a prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is required at any time in connection with the offering or sale of the Designated Securities and if at such time any event shall have occurred as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Prospectus or to file under the Exchange Act any document incorporated by reference in the Prospectus in order to comply with the Securities Act, the Exchange Act or the Trust Indenture Act, to notify the Representatives and, upon their request, to file such document and to prepare and furnish without charge to each Underwriter and to any dealer in securities as many copies as the Representatives may from time to time reasonably request of an amended Prospectus or a supplement to the Prospectus that will correct such statement or omission or effect such compliance;

(d) To make generally available to its security holders as soon as practicable, but in any event not later than eighteen months after the effective date of the Registration Statement (as defined in Rule 158(c) under the Securities Act), an earnings statement of the Company and its Subsidiaries (which need not be audited) complying with Section 11(a) of the Securities Act and the rules and regulations of the Commission thereunder (including, at the option of the Company, Rule 158 under the Securities Act);

(e) During the period beginning from the date of the Pricing Agreement and continuing to and including the Time of Delivery for the Designated Securities, not to offer, sell, contract to sell or otherwise dispose of any debt securities of the Company that mature more than one year after such Time of Delivery and that are substantially similar to such Designated Securities, without the prior written consent of the Representatives;

(f) To furnish to the holders of the Designated Securities, upon such holders' request, as soon as practicable after the end of each fiscal year, an annual report (including a balance sheet and statements of income, shareholders' equity and cash flows of the Company and its consolidated Subsidiaries certified by an independent registered public accounting firm) and, as soon as practicable after the end of each of the first three quarters of each fiscal year (beginning with the fiscal quarter ending after the effective date of the Registration Statement), consolidated summary financial information of the Company and its Subsidiaries for such quarter in reasonable detail;

(g) During a period of five years from the effective date of the Registration Statement, to furnish to the Representatives copies of all periodic or current reports or other communications (financial or other) of the Company furnished to its shareholders, and deliver to the Representatives (i) as soon as they are available, copies of any periodic or current reports and financial statements furnished to or filed with the Commission or any national securities exchange on which the Designated Securities or any class of securities of the Company is listed (*provided, however*, that the Company shall be deemed to have furnished and delivered such documents if and when such documents are available through the Commission's EDGAR System on the Commission's website); and (ii) such additional information concerning the business and financial condition of the Company as the Representatives may from time to time reasonably request (such financial information and statements to be on a consolidated basis in reports furnished to its shareholders generally or to the Commission);

(h) To pay the required Commission registration fees relating to the Designated Securities within the time period required by Rule 456(b)(1) under the Securities Act without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) under the Securities Act;

(i) If required by Rule 430B(h) under the Securities Act, to prepare a prospectus in a form approved by the Representatives and to file such prospectus pursuant to Rule 424(b) under the Securities Act not later than is required by such Rule; and to make no further amendment or supplement to such prospectus that shall be disapproved by the Representatives promptly after reasonable notice thereof; and

(j) To use the net proceeds received by it from the sale of the Designated Securities pursuant to this Agreement and the Pricing Agreement in the manner specified in the Prospectus, including in any supplement thereto, relating to the offer and sale of such Designated Securities.

6. Representations, Warranties and Agreements of the Underwriters. Each Underwriter represents and warrants to, and agrees with, the Company and each other Underwriter that:

(a) Such Underwriter has not made, and will not make (other than as permitted by Section 6(b) hereof), any offer relating to the Designated Securities that would constitute a "free writing prospectus" (as defined in Rule 405 under the Securities Act), without the prior consent of the Company and the Representatives;

(b) Such Underwriter has not used, and will not use, any free writing prospectus that contains the final terms of the Designated Securities unless such terms have previously been included in a free writing prospectus filed with the Commission in accordance with Rule 433 under the Securities Act, without the prior consent of the Company and the Representatives; *provided, however*, that each of the Underwriters may use a term sheet relating to the Designated Securities containing customary information not inconsistent with the Final Term Sheet prepared and filed pursuant to Section 5(a) hereof without the prior consent of the Company or the Representatives; and

(c) Such Underwriter is not subject to any pending proceeding under Section 8A of the Securities Act with respect to the offering of the Designated Securities and will promptly notify the Company if any such proceeding against it with respect to any offering of the Designated Securities is initiated during such period in which, in the opinion of counsel for the Underwriters, a prospectus relating to the Designated Securities is required by law to be delivered (or required to be delivered but for Rule 172 under the Securities Act) in connection with sale of the Designated Securities by any Underwriter or any dealer.

7. Payment of Expenses. The Company covenants and agrees with the several Underwriters that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Securities under the Securities Act and all other expenses in connection with the preparation, printing and filing of the Registration Statement, the Base Prospectus, any Preliminary Prospectus, the Pricing Prospectus, the Prospectus and amendments and supplements thereto, and any Issuer Free Writing Prospectus, and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) the cost of printing or producing any Agreement among Underwriters, this Agreement, the Pricing Agreement, the Indenture, any "Blue Sky" and Legal Investment Memoranda and any other documents in connection with the offering, purchase, sale and delivery of the Securities; (iii) all expenses in connection with the qualification of the Securities for offering and sale under state securities laws as provided in Section 5(b) hereof (including the fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the "Blue Sky" and legal investment surveys); (iv) any fees charged by securities rating services for rating the Securities; (v) the cost of preparing the Securities; (vi) the fees and expenses of any indenture trustee and any agent of any Trustee and the fees and disbursements of counsel for any indenture trustee in connection with the Indenture and the Securities; and (vii) all other costs and expenses incident to the performance of its obligations hereunder that are not otherwise specifically provided for in this Section 7. It is understood, however, that, except as provided in this Section 7, Section 9 and Section 12 hereof, the Underwriters will pay all of their own costs and expenses including the fees of their counsel, transfer taxes on resale of any of the Securities by them and any advertising expenses connected with any offers they may make.

8. Conditions of the Underwriters' Obligations. The obligations of the Underwriters of Designated Securities under the Pricing Agreement shall be subject, in the discretion of the Representatives, to the condition that all representations and warranties and other statements of the Company in or incorporated by reference in the Pricing Agreement are, at and as of the Time of Delivery for such Designated Securities, true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(f) On or after the date of the Pricing Agreement, (i) no downgrading shall have occurred in the rating accorded the Company’s debt securities (including, without limitation, any guaranteed debt securities) by any “nationally recognized statistical rating organization,” as that term is defined in Section 3(a)(62) of the Securities Exchange Act of 1934, as amended and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company’s debt securities;

(g) On or after the date of the Pricing Agreement, there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange; (ii) a suspension or material limitation in trading in the Company’s securities on the New York Stock Exchange; (iii) a general moratorium on commercial banking activities in New York declared by either U.S. federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; or (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war if the effect of any such event specified in this clause (iv), in the judgment of the Representatives, makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the Prospectus; and

(h) The Company shall have furnished or caused to be furnished to the Representatives at the Time of Delivery for the Designated Securities a certificate or certificates of officers of the Company satisfactory to the Representatives as to the accuracy of the representations and warranties of the Company herein at and as of such Time of Delivery, as to the performance by the Company of all of its obligations hereunder to be performed at, or prior to, such Time of Delivery, as to the matters set forth in Sections 8(a) and 8(e) and as to such other matters as the Representatives may reasonably request.

9. Indemnification and Contribution. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement, of a material fact contained in the Registration Statement, the Base Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, any amendment or supplement to any thereof, or any Issuer Free Writing Prospectus, any “issuer information” filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any “road show” (as defined in Rule 433 under the Securities Act) that does not otherwise constitute an Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Base Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, any amendment or supplement to any thereof, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of any Designated Securities through the Representatives expressly for use in any thereof.

(b) Each Underwriter will, severally and not jointly, indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Securities Act or otherwise insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Base Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, any amendment or supplement to any thereof, or any Issuer Free Writing Prospectus, arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Base Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, any amendment or supplement to any thereof, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with information furnished in writing to the Company by such Underwriter of Designated Securities through the Representatives expressly for use therein, and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under Section 9(a) or Section 9(b) of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such Section 9(a) or 9(b), notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability that it may have to any indemnified party otherwise than under such Section 9(a) or 9(b). In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under Section 9(a) or 9(b), as the case may be, for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation.

(d) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under Section 9(a) or Section 9(b) in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters of the Designated Securities on the other from the offering of the Designated Securities to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under Section 9(c), then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters of the Designated Securities on the other in connection with the statement or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and such Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering of the Designated Securities (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by such Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or such Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 9(d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the

equitable considerations referred to above in this Section 9(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this Section 9(d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 9(d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the applicable Designated Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Underwriters of Designated Securities in this Section 9(d) to contribute are several in proportion to their respective underwriting obligations with respect to such Designated Securities and are not joint.

(e) The obligations of the Company under this Section 9 shall be in addition to any liability that the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Securities Act; and the obligations of the Underwriters under this Section 9 shall be in addition to any liability that the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each director and officer of the Company and to each person, if any, who controls the Company within the meaning of the Securities Act.

10. Defaulting Underwriters. (a) If any Underwriter shall default in its obligation to purchase the Designated Securities that it has agreed to purchase under the Pricing Agreement, the Representatives may in their discretion arrange for themselves or another party or other parties to purchase such Designated Securities on the terms contained herein and therein. In the event that, within thirty-six hours after such default by any Underwriter, the Representatives do not arrange for the purchase of such Designated Securities, then the Company shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Designated Securities on such terms. In the event that, within the respective prescribed period, the Representatives notify the Company that they have so arranged for the purchase of such Designated Securities, or the Company notifies the Representatives that it has so arranged for the purchase of such Designated Securities, the Representatives or the Company shall have the right to postpone the Time of Delivery for such Designated Securities for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus as amended or supplemented, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statement or the Prospectus that in the opinion of the Representatives may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section 10 with like effect as if such person had originally been a party to the Pricing Agreement.

(b) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in Section 10(a), the aggregate principal amount of such Designated Securities that remains unpurchased does not exceed one-eleventh of the aggregate principal amount of the Designated Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Designated Securities that such Underwriter agreed to purchase under the Pricing Agreement and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Designated Securities that such Underwriter agreed to purchase under the Pricing Agreement) of the Designated Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in Section 10(a), the aggregate principal amount of Designated Securities that remains unpurchased exceeds one-eleventh of the aggregate principal amount of the Designated Securities, as referred to in Section 10(b), or if the Company shall not exercise the right described in Section 10(b) to require non-defaulting Underwriters to purchase Designated Securities of a defaulting Underwriter or Underwriters, then the Pricing Agreement shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 6 hereof and the indemnity and contribution agreements in Section 9 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

11. Survival. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company or any director or officer or controlling person of the Company, and shall survive delivery of and payment for the Designated Securities with respect to which such indemnities, agreements, representations, warranties and other statements are made or given.

12. Termination. If the Pricing Agreement shall be terminated pursuant to Section 10 hereof, the Company shall not then be under any liability to any Underwriter with respect to the Designated Securities covered by the Pricing Agreement except as provided in Section 7 and Section 9 hereof; but, if for any other reason the Designated Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters through the Representatives for all out-of-pocket expenses approved in writing by the Representatives, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of such Designated Securities, but the Company shall then be under no further liability to any Underwriter with respect to such Designated Securities except as provided in Section 7 and Section 9 hereof.

13. Authority of Representatives. In all dealings hereunder, the Representatives of the Underwriters of the Designated Securities shall act on behalf of each of such Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by such Representatives jointly or by such of the Representatives, if any, as may be designated for such purpose in the Pricing Agreement.

14. Nature of Underwriters' Obligations. The Company acknowledges and agrees that (i) the purchase and sale of the Designated Securities pursuant to this Agreement and the Pricing Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Company, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement and the Pricing Agreement and (iv) the Company has consulted its own legal and financial advisors to the extent it has deemed appropriate. The Company agrees that it shall not claim that the Underwriters, or any of them, have rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company, in connection with the offering of the Designated Securities contemplated hereby or the process leading thereto.

15. Notices. All statements, requests, notices and agreements hereunder shall be in writing, and if to the Company, shall be delivered or sent by mail, air courier or facsimile transmission (which shall be effective upon confirmation by telephone) to the address of the Company set forth in the Registration Statement, Attention: Chief Executive Officer, with a copy to the General Counsel of the Company; and, if to the Underwriters, shall be delivered or sent by mail, air courier or facsimile transmission (which shall be effective upon confirmation by telephone) to the address or addresses of the Representative or Representatives, as the case may be, as set forth in the Pricing Agreement; *provided, however*, that any notice to an Underwriter pursuant to Section 9(c) hereof shall be delivered or sent by mail, air courier, telex or facsimile transmission (which shall be effective upon confirmation by telephone) to such Underwriter at its address which, if not set forth in the Pricing Agreement, will be supplied to the Company by the Representatives upon request. Any such statements, requests, notices or agreements shall take effect upon the addressee's receipt thereof.

16. Persons Entitled to the Benefit of Agreement. This Agreement and the Pricing Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Section 9 and Section 11 hereof, the directors and officers of the Company and each person who controls the Company or any Underwriter, and their respective successors and assigns (including, in the case of natural persons, their respective heirs, executors and administrators), and no other person shall acquire or have any right under or by virtue of this Agreement or the Pricing Agreement. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

17. Time of Essence. Time shall be of the essence of the Pricing Agreement. As used herein, "business day" shall mean any day when the Commission's office in Washington, D.C. is open for business.

18. Definitive Agreement. This Agreement and the Pricing Agreement supersede all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof and thereof.

19. GOVERNING LAW. THIS AGREEMENT AND THE PRICING AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

20. WAIVER OF JURY TRIAL. THE COMPANY AND EACH OF THE UNDERWRITERS HEREBY IRREVOCABLY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE PRICING AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

21. Counterparts. This Agreement and the Pricing Agreement may be executed by any one or more of the parties hereto and thereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

If the foregoing is in accordance with your understanding, please sign and return to us counterparts hereof.

Very truly yours,

**Series Terms Certificate
Pursuant to the Indenture
Relating to 2.375% Notes Due 2029**

September 19, 2019

Pursuant to Section 3.01 of the Indenture, dated as of July 19, 2005, as amended and supplemented by the First Supplemental Indenture, dated as of December 1, 2006, the Second Supplemental Indenture, dated as of December 19, 2014, and the Third Supplemental Indenture, dated as of June 26, 2018 (as so amended and supplemented, the “Indenture”), in each case, by and between Walmart Inc., a Delaware corporation (the “Company”), and The Bank of New York Mellon Trust Company, N.A., as successor trustee (the “Trustee”), Matthew Allen, Vice President—Finance & Assistant Treasurer of the Company (the “Certifying Authorized Officer”), hereby certifies as follows, and Gordon Y. Allison, Senior Vice President, Office of the Corporate Secretary, Chief Counsel for Finance and Governance and Assistant Secretary of the Company, attests to the following certification. Any capitalized term used herein shall have the definition ascribed to that term as set forth in the Indenture unless otherwise defined herein.

A. This certificate is a Series Terms Certificate contemplated by Section 3.01 of the Indenture and is being executed to evidence the establishment and approval of the terms and conditions of a Series that was established pursuant to Section 3.01 of the Indenture by means of a Unanimous Written Consent of the Executive Committee of the Board of Directors of the Company, effective as of September 16, 2019 (the “Series Consent”), which Series is designated as the “2.375% Notes Due 2029” (the “2029 Series”) by the Certifying Authorized Officer pursuant to the grant of authority under the terms of the Series Consent.

B. Each of the undersigned has read the Indenture, including the provisions of Sections 1.02 and 3.01 and the definitions relating thereto, and the resolutions adopted in the Series Consent. In the opinion of the undersigned, the undersigned have made such examination or investigation as is necessary to enable the undersigned to express an informed opinion as to whether or not all conditions precedent provided for in the Indenture relating to the creation, establishment and approval of the title, the form and the terms of a Series under the Indenture, and to the authentication and delivery by the Trustee of promissory notes of a Series, have been complied with. In the opinion of the undersigned, (i) all such conditions precedent have been complied with and (ii) there are no Events of Default, or events which, with the passage of time, would become an Event of Default under the Indenture that have occurred and are continuing at the date of this certificate.

C. Pursuant to the Series Consent, the Company is authorized to issue initially promissory notes of the 2029 Series and the other promissory notes of the other series of notes established by the Series Consent having an aggregate principal amount in United States dollars not to exceed \$2,000,000,000. A copy of the Series Consent is attached hereto as Annex A. Any promissory notes that the Company issues that are a part of the 2029 Series (the “2029 Notes”) shall be issued in registered book-entry form, shall be substantially in the form attached hereto as Annex B (the “Form of 2029 Note”) and shall initially be represented by a global security. Acting pursuant to authority delegated to the Certifying Authorized Officer pursuant to the Series Consent, the Certifying Authorized Officer has approved and set the aggregate principal amount of the 2029 Notes initially to be issued (the “Initial 2029 Notes”) to be \$500,000,000.

D. Pursuant to Section 3.01 of the Indenture, the terms and conditions of the 2029 Series and the 2029 Notes are established and approved to be the following:

1. Designation:

The Series established by the Series Consent is designated as the “2.375% Notes Due 2029”.

2. Aggregate Principal Amount:

The 2029 Series is not limited as to the aggregate principal amount of all the promissory notes of the 2029 Series that the Company may issue; *provided, however*, that any additional promissory notes of the 2029 Series that are not fungible with any then outstanding 2029 Notes for United States federal income tax purposes will be issued under CUSIP and ISIN numbers separate from the CUSIP and ISIN numbers of such outstanding 2029 Notes; and *provided, further*, that no additional 2029 Notes may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder. The Company is issuing the Initial 2029 Notes in an aggregate original principal amount of \$500,000,000.

3. Maturity:

Final maturity of the 2029 Notes shall be September 24, 2029.

4. Interest:

a. Rate

The 2029 Notes shall bear interest at the rate of 2.375% per annum, which interest shall commence accruing from and including September 24, 2019.

b. Payment Dates

Interest on the 2029 Notes shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

5. Currency of Payment:

The principal and interest payable with respect to the 2029 Notes shall be payable in United States dollars.

6. Payment Places:

All payments of principal of, and interest on, the 2029 Notes shall be made as set forth in Section 5 of the Form of 2029 Note.

7. Optional Redemption Features:

The Company may redeem the 2029 Notes, at its option, as a whole or in part, as, and at such times as, set forth in Section 4 of the Form of 2029 Note.

There shall be no sinking fund with respect to the 2029 Notes.

10. Principal Repayment:

11. Registrar and Paying Agent:

The Bank of New York Mellon Trust Company, N.A. shall be the registrar and paying agent for the 2029 Notes.

12. Payment of Additional Amounts:

None.

13. Book-Entry Procedures:

The 2029 Notes shall be initially issued in the form of global notes registered in the name of Cede & Co., as nominee for The Depository Trust Company, and shall be issued in certificated form only in limited circumstances, in each case, as set forth under Sections 11 and 12 of the Form of 2029 Note. The 2029 Notes shall be initially issued in the form of a total of one global note, which global note shall each be in the principal amount of \$500,000,000.

14. Other Terms:

2.375% NOTES DUE 2029

1. *Indenture; Notes.* This Note is one of a duly authorized Series of Securities of the Company designated as the “2.375% Notes Due 2029” (the “Notes”), initially issued in an aggregate principal amount of \$500,000,000 on September 24, 2019. Such Series of Securities has been established pursuant to, and is one of an indefinite number of Series of debt securities of the Company, issued or issuable under and pursuant to, the Indenture, dated as of July 19, 2005, by and between the Company, as Issuer, and The Bank of New York Mellon Trust Company, N.A., as Trustee (the “Trustee”), as supplemented and amended by the First Supplemental Indenture, dated as of December 1, 2006, the Second Supplemental Indenture, dated as of December 19, 2014, and the Third Supplemental Indenture, dated as of June 26, 2018, in each case, by and between the Company, as Issuer, and the Trustee (as so amended and supplemented, the “Indenture”), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Notes and of the terms upon which this Note is, and is to be, authenticated and delivered. The terms, conditions and provisions of the Notes are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, and those set forth in this Note. To the extent that the terms, conditions and other provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern.

All capitalized terms which are used but not defined in this Note shall have the meanings assigned to them in the Indenture.

The Company may, without the consent of the Holders, create and issue additional Securities ranking equally with the Notes and otherwise identical in all respects (except for the public offering price, initial interest accrual date, initial Interest Payment Date, and the issue date) so that such additional Securities shall be consolidated and form a single Series with the Notes; *provided, however*, that any additional Securities that are not fungible with any then outstanding Notes for United States federal income tax purposes will be issued under CUSIP and ISIN numbers separate from the CUSIP and ISIN numbers of such outstanding Notes; and *provided, further*, that no additional Securities of any existing or new Series may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder.

2. *Ranking.* The Notes shall constitute the senior unsecured debt obligations of the Company and shall rank equally in right of payment among themselves and with all other existing and future senior unsecured debt obligations of the Company.

3. *Payment of Overdue Amounts.* The Company shall pay interest on overdue principal and overdue installments of interest, if any, from time to time, calculated on the basis of a 360-day year consisting of twelve 30-day months, giving effect to the actual payment date for such overdue principal and overdue installments of interest, on demand at the interest rate borne by the Notes to the extent lawful.

4. *Redemption.*

(a) *Make-Whole Redemption.* At any time prior to June 24, 2029, the Notes shall be redeemable, as a whole or in part, at the option of the Company, at a redemption price equal to the greater of:

- 100% of the principal amount of the Notes to be redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date; and
- the sum of the present values of the Remaining Scheduled Payments (as defined below), plus any accrued and unpaid interest to, but excluding, the redemption date.

In determining the present value of the Remaining Scheduled Payments, the Company shall discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Applicable Treasury Rate plus ten (10) basis points (i.e., 0.100%).

“Applicable Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue. In determining this rate, the Company shall assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by the Independent Investment Banker as having a maturity comparable to the remaining term of the Notes to be redeemed (assuming the Notes of such series matured on the Par Call Date (as defined below) for the Notes of such series) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing a new issue of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the Reference Treasury Dealer Quotations for such redemption date.

“Independent Investment Banker” means one of the Reference Treasury Dealers that the Company appoints to act as the Independent Investment Banker from time to time.

“Reference Treasury Dealer” means each of Barclays Capital Inc., BofA Securities, Inc. and Citigroup Global Markets Inc. or one of their respective affiliates or successors; *provided, however*, that if any of the foregoing firms shall cease to be a primary U.S. Government securities dealer (a “Primary Treasury Dealer”), the Company shall substitute therefor another Primary Treasury Dealer for such entity.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer by 5:00 p.m., New York City time, on the third business day preceding such redemption date.

“Remaining Scheduled Payments” means, with respect to the Notes, the remaining scheduled payments of the principal thereof to be redeemed and interest thereon that would be due after the related redemption date but for such redemption (assuming the Notes of such series matured on the Par Call Date for the Notes of such series); *provided, however*, that, if such redemption date is not an interest payment date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such redemption date.

“Par Call Date” means June 24, 2029.

(b) *Par-Call Redemption.* At any time on or after the Par Call Date, the Notes shall be redeemable, as a whole or in part, at the option of the Company at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus any accrued and unpaid interest to, but excluding, the redemption date.

(c) *Redemption Procedures.* Any Notes to be redeemed by the Company shall be redeemed in accordance with the provisions of Article Four of the Indenture, including, without limitation, the requirement that any notice of redemption must be mailed to each registered holder of the Notes being redeemed at least 10 days but not more than 60 days prior to the redemption date. Notwithstanding the foregoing, the calculation of the redemption price for any Notes pursuant to Section 4(a) above and any accrued and unpaid interest payable upon the redemption of such Notes shall be made by the Company or on behalf of the Company by a Person designated by the Company. Such calculation shall not be the duty or obligation of the Trustee unless otherwise agreed by the Company and the Trustee.

5. *Place and Method of Payment.* The Company shall pay principal of and interest on the Notes at the office or agency of the Paying Agent (as defined in Section 14 hereof) in the Borough of Manhattan, The City of New York; *provided, however*, that at the option of the Company, the Company may pay interest by check mailed to the person entitled thereto at such person’s address as it appears on the Registry for the Notes.

6. *Defeasance of the Notes.* Sections 11.02, 11.03 and 11.04 of the Indenture shall apply to the Notes.

7. *No Sinking Fund.* The Notes are not subject to a sinking fund.

8. *Amendment and Modification.* Article Nine of the Indenture contains provisions for the amendment or modification of the Indenture and the Notes without the consent of the Holders in certain circumstances and requiring the consent of Holders of not less than a majority in aggregate principal amount of the Notes and Securities of other Series that would be affected in certain other circumstances. However, the Indenture requires the consent of each Holder of the Notes and Securities of other Series that would be affected for certain specified amendments or modifications of the Indenture and the Notes. These provisions of the Indenture, which provide for, among other things, the execution of supplemental indentures, are applicable to the Notes.

9. *Event of Default; Acceleration of Maturity; Rescission and Annulment.* If an Event of Default with respect to the Notes shall occur and be continuing, then the aggregate principal amount of the Notes of this Series may be declared by either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes of this Series then Outstanding to be, and, in certain cases, may automatically become, immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture provides that, in the event of such an acceleration of the maturity of the Notes, the Holders of a majority in aggregate principal amount of all of the Notes of this Series then Outstanding, voting as a separate class, in accordance with the provisions of, and in the circumstances provided by, the Indenture, may rescind and annul such acceleration and its consequences with respect to all of the Notes.

10. *Absolute Obligation.* No reference herein to the Indenture and no provisions of the Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the time and in the coin or currency herein prescribed.

11. *Form and Denominations; Global Note; Definitive Notes.* The Notes are being issued in registered form without interest coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes are initially being issued in the form of one or more global notes (each, a “Global Note”), evidencing all or any portion of the Notes and registered in the name of The Depository Trust Company (the “Depository”) or its nominee (including their respective successors) as Depository under the Indenture. The Notes shall be issued in certificated form (each, a “Definitive Note”) only in the following limited circumstances: (a) the Depository is at any time unwilling or unable to continue as Depository or ceases to be a clearing agency registered under applicable law, and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility; (b) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable for Definitive Notes; or (c) an Event of Default has occurred and is continuing with respect to the Notes, in each such case this Note shall be exchangeable for Definitive Notes in an equal aggregate principal amount. Such Definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

12. *Registration, Transfer and Exchange.* As provided in the Indenture and subject to certain limitations therein set forth, the Company shall provide for the registration of the Notes and the transfer and exchange of the Notes, whether in global or definitive form. At the option of the Holders, at the offices of the Registrar (as defined in Section 14 hereof), or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose pursuant to the provisions of the Indenture, and in the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, except for any transfer tax or other governmental charges imposed in connection therewith, the Notes may be transferred or exchanged for an equal aggregate principal amount of the Notes of like tenor and of other authorized denominations upon surrender and cancellation of the Notes upon any such transfer.

The Company, the Trustee and any agent of the Company or of the Trustee may deem and treat the Holder as the absolute owner of this Note (whether or not the Notes shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payments hereon, or on account hereof, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments made to or upon the order of such Holder shall, to the extent of the amount or amounts paid, effectually satisfy and discharge liability for moneys payable on this Note.

Notwithstanding the preceding paragraphs of this Section 12, any registration of transfer or exchange of a Global Note shall be subject to the terms of the legend appearing on the initial page thereof.

13. *No Recourse Against Others.* No recourse under or upon any obligation, covenant or agreement of the Company arising under or set forth in the Notes or under the Indenture, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

14. *Appointment of Agents.* The Bank of New York Mellon Trust Company, N. A. is hereby appointed (a) the registrar (the “Registrar”) for the purpose of registering the Notes and of effecting transfers and exchanges of the Notes pursuant to the Indenture and this Note and (b) the Paying Agent pursuant to Section 3.04 of the Indenture (the “Paying Agent”).

15. *Notices.* If the Company is required to give notice to the Holders of the Notes pursuant to the terms of the Indenture, then it shall do so by the means and in the manner set forth in Section 1.06 of the Indenture.

16. *Separability.* In case any provision of the Indenture or the Notes shall, for any reason, be held to be invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions thereof and hereof shall not in any way be affected or impaired thereby.

17. *GOVERNING LAW.* THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

In all such examinations, we have assumed the authenticity and completeness of all documents submitted to us as originals and the conformity to authentic and complete originals of all documents submitted to us as photostatic, conformed, notarized or certified copies.

In rendering the opinion expressed herein, we have assumed, without independent investigation or verification, that: (i) each natural person signing any document reviewed by us had the legal capacity to do so; (ii) each person signing in a representative capacity (other than on behalf of the Company) had the authority to sign in such capacity; (iii) the Agreement has been duly authorized and validly executed and delivered by the parties thereto other than the Company; (iv) at or prior to the time of delivery of the Global Notes, the authorization of the Notes and of each series of notes of which the Notes are a part, including the Series Terms Certificates, will not have been modified or rescinded and there will not have occurred any change in law affecting the validity or enforceability of the Notes; (v) the Global Notes executed and delivered by the Company as contemplated herein will be identical in form to the forms of the Global Notes examined by us as described herein; and (vi) (A) the Indenture is and, at the time of delivery of the Notes, will be the legal, valid and binding agreement of the Trustee, enforceable against the Trustee in accordance with its terms, (B) at the time of delivery of the Notes, the Indenture will continue to be the legal, valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, and (C) the Indenture has been and will continue to be at all pertinent times qualified pursuant to the Trust Indenture Act of 1939, as amended.

As to certain facts material to our opinion, we have made no independent investigation or verification of such facts and have relied, to the extent that we deem such reliance proper, upon certificates of public officials, the Company and officers or other representatives of the Company and the representations of the Company in the Agreement.

Based on the foregoing and subject to the qualifications set forth below, we are of the opinion that, upon the execution of the Global Notes, the authentication of the Global Notes in accordance with the terms of the Indenture and the delivery of the Global Notes against payment therefor in accordance with the Agreement, the Notes will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, and will be entitled to the benefits of the Indenture.

The foregoing opinions are qualified to the extent that the enforceability of the Indenture, the Notes or any related document or instrument may be limited by or subject to the effects of bankruptcy, insolvency, moratorium, reorganization, liquidation, rearrangement, probate, conservatorship, fraudulent conveyance, fraudulent transfer or other similar laws (including court decisions) now or hereafter in effect relating to or affecting creditors' rights and remedies generally or providing for the relief of debtors, general principles of equity (regardless of whether such remedies are sought in a proceeding in equity or at law) or public policy.

We note that the enforceability of specific provisions of the Indenture and the Notes may be subject to (i) standards of reasonableness and "good faith" limitations and obligations such as those provided in the New York Uniform Commercial Code and similar applicable principles of common law and judicial decisions and (ii) the course of dealings between the parties, the usage of trade and similar provisions of common law and judicial decisions.

We express no opinion as to the enforceability of the severability clauses in Section 1.11 of the Original Indenture, Section 5 of the First Supplemental Indenture, Section 5 of the Second Supplemental Indenture, Section 5 of the Third Supplemental Indenture or Section 16 of the Global Notes or any provision of the Indenture or the Global Notes that purports to waive or not give effect to rights to notice, defenses, subrogation or other rights or benefits that cannot be effectively waived under applicable law, including Section 1.15 and Section 12.01 of the Original Indenture and Section 13 of each of the Global Notes. We express no opinion with respect to the enforceability of (i) the parenthetical clause in Section 8.07(i) of the Original Indenture relating to the limitations on the compensation of trustees or (ii) Section 12.01 of the Original Indenture and Section 13 of each of the Global Notes to the extent that either of those provisions purport to waive liability for violation of securities laws. We express no opinion as to any provision of the Indenture that purports to confer subject matter jurisdiction in respect of bringing suits, enforcement of judgments or otherwise on any federal court, to the extent such court does not otherwise have such jurisdiction.

The foregoing opinion is limited in all respects to matters under and governed by the federal laws of the United States of America, the laws of the State of New York and the General Corporation Law of the State of Delaware, as each is in force and effect as of the date of this opinion. We do not express any opinion as to the laws of any other jurisdiction.

We consent to the filing by you of this opinion letter as an exhibit to the Company's Current Report on Form 8-K to be filed with the Commission on the date hereof and the incorporation by reference of this opinion letter into the Registration Statement, and we further consent to the use of our name under the caption "Legal Matters" in the Prospectus Supplement. In giving this consent, we do not admit that we are included in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission promulgated thereunder. This opinion is expressed as of the date hereof, and we disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or any subsequent changes in law.

Very truly yours,
