Apple reports first quarter results

All-time records for total company revenue and EPS

iPhone and Services revenue reach new all-time highs

CUPERTINO, CALIFORNIA — Apple® today announced financial results for its fiscal 2026 first quarter ended December 27, 2025. The Company posted quarterly revenue of \$143.8 billion, up 16 percent year over year. Diluted earnings per share was \$2.84, up 19 percent year over year.

“Today, Apple is proud to report a remarkable, record-breaking quarter, with revenue of \$143.8 billion, up 16 percent from a year ago and well above our expectations,” said Tim Cook, Apple’s CEO. “iPhone had its best-ever quarter driven by unprecedented demand, with all-time records across every geographic segment, and Services also achieved an all-time revenue record, up 14 percent from a year ago. We are also excited to announce that our installed base now has more than 2.5 billion active devices, which is a testament to incredible customer satisfaction for the very best products and services in the world.”

“During the December quarter, our record business performance and strong margins led to EPS growth of 19 percent, setting a new all-time EPS record,” said Kevan Parekh, Apple’s CFO. “These exceptionally strong results generated nearly \$54 billion in operating cash flow, allowing us to return almost \$32 billion to shareholders.”

Apple’s board of directors has declared a cash dividend of \$0.26 per share of the Company’s common stock. The dividend is payable on February 12, 2026, to shareholders of record as of the close of business on February 9, 2026.

Apple will provide live streaming of its Q1 2026 financial results conference call beginning at 2:00 p.m. PT on January 29, 2026, at apple.com/investor/earnings-call. The webcast will be available for replay for approximately two weeks thereafter.

Apple periodically provides information for investors on its corporate website, apple.com, and its investor relations website, investor.apple.com. This includes press releases and other information about financial performance, reports filed or furnished with the SEC, information on corporate governance, and details related to its annual meeting of shareholders.

This press release contains forward-looking statements, within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include without limitation those about payment of the Company's quarterly dividend and future business plans. These statements involve risks and uncertainties, and actual results may differ materially from any future results expressed or implied by the forward-looking statements. Risks and uncertainties include without limitation: effects of global and regional economic conditions, including as a result of government policies, trade and other international disputes, geopolitical tensions, conflict, terrorism, natural disasters, and public health issues; risks relating to the design, manufacture, introduction, and transition of products and services in highly competitive and rapidly changing markets, including from reliance on third parties for components, technology, manufacturing, applications, services, support, and content; risks relating to information technology system failures, network disruptions, and failure to protect, loss of, or unauthorized access to, or release of, data; and effects of unfavorable legal proceedings, government investigations, and complex and changing laws and regulations. More information on these risks and other potential factors that could affect the Company's business, reputation, results of operations, financial condition, and stock price is included in the Company's filings with the SEC, including in the "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections of the Company's most recently filed periodic reports on Form 10-K and Form 10-Q and subsequent filings. The Company assumes no obligation to update any forward-looking statements, which speak only as of the date they are made.

Apple revolutionized personal technology with the introduction of the Macintosh in 1984. Today, Apple leads the world in innovation with iPhone, iPad, Mac, AirPods, Apple Watch, and Apple Vision Pro. Apple's six software platforms — iOS, iPadOS, macOS, watchOS, visionOS, and tvOS — provide seamless experiences across all Apple devices and empower people with breakthrough services including the App Store, Apple Music, Apple Pay, iCloud, and Apple TV. Apple's more than 150,000 employees are dedicated to making the best products on earth and to leaving the world better than we found it.
