Apple reports third quarter results

June quarter records for total company revenue and EPS

iPhone, Mac and Services revenue set new June quarter records

CUPERTINO, CALIFORNIA — Apple® today announced financial results for its fiscal 2026 third quarter ended June 27, 2026. The Company posted quarterly revenue of \$109.4 billion, up 16 percent year over year. Company gross margin was 50.1 percent, including a favorable impact of approximately 2 percentage points from tariff refunds. Diluted earnings per share was \$2.02, up 29 percent year over year, and included a favorable impact of \$0.11 from tariff refunds.

“Today, Apple is proud to report our strongest June quarter ever, with double-digit revenue growth across iPhone, Mac and Services, and in every geographic segment,” said Tim Cook, Apple’s CEO. “At WWDC26, we were thrilled to introduce the all-new Siri AI, alongside all of Apple’s latest software innovations and important new child safety features.”

“We are very pleased with our record business performance during the quarter, which set new June quarter records for both EPS and operating cash flow,” said Kevan Parekh, Apple’s CFO. “Our installed base of active devices also reached a new all-time high across all major product categories and geographic segments.”

Apple’s board of directors has declared a cash dividend of \$0.27 per share of the Company’s common stock. The dividend is payable on August 13, 2026, to shareholders of record as of the close of business on August 10, 2026.

Apple will provide live streaming of its Q3 2026 financial results conference call beginning at 2:00 p.m. PT on July 30, 2026, at apple.com/investor/earnings-call. The webcast will be available for replay for approximately two weeks thereafter.

Apple periodically provides information for investors on its corporate website, apple.com, and its investor relations website, investor.apple.com. This includes press releases and other information about financial performance, reports filed or furnished with the SEC, information on corporate governance, and details related to its annual meeting of shareholders.

This press release contains forward-looking statements, within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include without limitation those about payment of the Company's quarterly dividend and future business plans. These statements involve risks and uncertainties, and actual results may differ materially from any future results expressed or implied by the forward-looking statements. Risks and uncertainties include without limitation: effects of global and regional economic conditions, including as a result of government policies, trade and other international disputes, geopolitical tensions, conflict, terrorism, natural disasters, and public health issues; risks relating to the design, manufacture, introduction, and transition of products and services in highly competitive and rapidly changing markets, including from reliance on third parties for components, technology, manufacturing, applications, services, support, and content; risks relating to information technology system failures, network disruptions, and failure to protect, loss of, or unauthorized access to, or release of, data; and effects of unfavorable legal proceedings, government investigations, and complex and changing laws and regulations. More information on these risks and other potential factors that could affect the Company's business, reputation, results of operations, financial condition, and stock price is included in the Company's filings with the SEC, including in the "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections of the Company's most recently filed periodic reports on Form 10-K and Form 10-Q and subsequent filings. The Company assumes no obligation to update any forward-looking statements, which speak only as of the date they are made.

Apple revolutionized personal technology with the introduction of the Macintosh in 1984. Today, Apple leads the world in innovation with iPhone, iPad, Mac, AirPods, Apple Watch, and Apple Vision Pro. Apple's six software platforms — iOS, iPadOS, macOS, watchOS, visionOS, and tvOS — provide seamless experiences across all Apple devices and empower people with breakthrough services including the App Store, Apple Music, Apple Pay, iCloud, and Apple TV. Apple's more than 150,000 employees are dedicated to making the best products on earth and to leaving the world better than we found it.
