(xi) In the event that all or any portion of the Tranche B-III 2019 Term Loans, Tranche B 2020 Term Loans or Tranche B-II 2022 Term Loans are prepaid from the incurrence by the Borrower of bank Indebtedness or repriced (or effectively refinanced) through any amendment of this Agreement such that the Weighted Average Yield on such Class of Loans is less than the Weighted Average Yield applicable to such Class of Loans on the Eleventh Amendment Effective Date, any such prepayment, repricing or refinancing that occurs on or after the CenturyLink Acquisition Date and prior to the six month anniversary of the CenturyLink Acquisition Date shall be accompanied by a prepayment fee equal to 1.00% of the aggregate principal amount of such prepayment or the aggregate principal amount subject to such repricing or refinancing.

(b) [Reserved].

(c) [Reserved].

(d) [Reserved].

(e) [Reserved].

(b) When the aggregate amount of Excess Proceeds exceeds $200,000,000, the Borrower shall within 15 days notify the Administrative Agent thereof and prepay the Loans in the amount of such Excess Proceeds without premium (but subject to Section 2.10) (as reduced by any portion thereof which has been rejected by Declining Lenders pursuant to clause (c) below and specified in a notice delivered by the Administrative Agent to the Borrower). To the extent there are any remaining Excess Proceeds following the completion of the prepayment required hereunder as a result of Lender elections not to accept such prepayment, the Borrower shall apply such Excess Proceeds to the repayment of other Indebtedness of the Borrower or any Restricted Subsidiary that is a Subsidiary of the Borrower, to the extent permitted or required under the terms thereof. Any other remaining Excess Proceeds may be applied to any use as determined by Level 3 which is not otherwise prohibited by this Agreement, and the amount of Excess Proceeds shall be reset to zero. Notwithstanding the foregoing, any Excess Proceeds required to be applied to the Loans pursuant to this Section 2.05(b) shall be applied ratably among the Loans and, to the extent required by the terms of any Permitted First Lien Indebtedness or Permitted First Lien Refinancing Indebtedness, the principal amount of such Permitted First Lien Indebtedness and Permitted First Lien Refinancing Indebtedness then outstanding, and the prepayment of the Loans required pursuant to this Section 2.05(b) shall be reduced accordingly.

(c) Not fewer than 30 days prior to any payment or prepayment of any principal amount of the Loan Proceeds Note, the Borrower shall notify the Administrative Agent thereof and shall, on the date of such payment or prepayment, subject to paragraph (c) below, prepay the Loans at a price equal to the principal amount of the Loans without premium (but subject to Section 2.10); provided, however that (i) on the date of such payment or prepayment of the Loan Proceeds Note, the Administrative Agent shall notify the Borrower of the required amount of such prepayment (as reduced by any portion thereof which has been rejected by Declining Lenders pursuant to clause (c) below) and (ii) the Borrower shall immediately prepay the Loans in such amount in accordance with clause (c) below; provided, further, that, subject to Section 6.11(i), if at any time the principal amount of the Loan Proceeds Note is greater than the aggregate principal amount of the Loans, any Permitted First Lien Indebtedness and any Permitted First Lien Refinancing Indebtedness outstanding at such time, Level 3 LLC (or any successor obligor under the Loan Proceeds Note) may repay or forgive or waive an amount of the Loan Proceeds Note equal to such excess without complying with this Section 2.05(c). Notwithstanding the foregoing, any amount required to be applied to the Loans pursuant to this Section 2.05(c) shall be applied ratably among the Loans, and, to the extent required by the terms of any Permitted First Lien Indebtedness or Permitted First Lien Refinancing Indebtedness, the principal amount of such Permitted First Lien Indebtedness and Permitted First Lien Refinancing Indebtedness then outstanding, and the prepayment of the Loans required pursuant to this Section 2.05(c) shall be reduced accordingly.

(d) Upon the occurrence of a Change of Control Triggering Event, the Borrower shall within 30 days of such occurrence notify the Administrative Agent thereof and prepay the Loans not later than 30 Business Days following such notification; provided, however that (i) at the expiration of such 30 Business Day period, the Administrative Agent shall notify the Borrower of the required amount of such prepayment (as reduced by any portion thereof which has been rejected by Declining Lenders pursuant to clause (c) below) and the Borrower shall immediately prepay the Loans in such amount in accordance with clause (c) below and (ii) the Borrower shall also pay, on the date of such prepayment, to each Lender receiving such prepayment a fee equal to 1.00% of the principal amount of the Loans prepaid to such Lender.

~~(c) With respect to any proposed mandatory prepayment of the Loans pursuant to clause (b), (c) or (d) above, any Lender may, at its option, elect not to accept such prepayment (any Lender making such election being a "Declining Lender") as follows: each Declining Lender shall give written notice thereof to the Administrative Agent not later than 10:00 a.m. New York City time on the date which is two Business Days prior to the date on which the Administrative Agent is required to notify the Borrower of the amount of the applicable prepayment pursuant to clause (b), (c) or (d) above. On the date of prepayment, an amount equal to that portion of the Loan then to be prepaid (less the amount thereof that would otherwise be payable to Declining Lenders) shall be paid to the Lenders that are not Declining Lenders in accordance with subsection (f) below. In the event that the Administrative Agent has not, with respect to any mandatory prepayment, received a notice from a Lender in accordance with this clause (c), such Lender shall be deemed to have waived its rights under this clause (c) to decline receipt thereof.~~

(f) The Borrower (or Level 3 on its behalf) shall notify the Administrative Agent by telephone (confirmed by telecopy) of any prepayment hereunder not later than 1:00 p.m., New York City time, two Business Days before the date of prepayment or such lesser period as may be acceptable to the Administrative Agent. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment and, in the case of a prepayment pursuant to clause (a) of this Section, the Class or Classes to which such prepayment shall be applied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.07. If any prepayment pursuant to this Section is made by the Borrower other than on the last day of the Interest Period applicable to any prepaid Eurodollar Loans, the Borrower shall also pay to each Lender (other than any Declining Lender) on the date of such prepayment any amount owing to such Lender pursuant to Section 2.10. Prepayments of Loans (x) pursuant to paragraph (a) of this Section shall be applied between the Classes of Loans as directed by the Borrower (and, (1) in the case of a prepayment of Tranche B 2016 Term Loans, shall be applied to reduce the subsequent scheduled repayments of Tranche B 2016 Term Loans to be made pursuant to Section 2.04(a) as directed by the Borrower and (2) in the case of a prepayment of any Term A Term Loans, shall be applied to reduce the subsequent scheduled repayments of Term A Term Loans to be made pursuant to Section 2.04(a) as directed by the Borrower) and (y) pursuant to paragraph (b), (c) or (d) of this Section shall be applied ratably between the Classes of Loans (and, (1) in the case of a prepayment of Tranche B 2016 Term Loans, shall be applied to reduce the subsequent scheduled repayments of Tranche B 2016 Term Loans to be made pursuant to Section 2.04(a) on a pro rata basis (in accordance with the principal amounts of such scheduled repayments) and (2) in the case of a prepayment of any Term A Term Loans, shall be applied to reduce the subsequent scheduled repayments of Term A Term Loans to be made pursuant to Section 2.04(a) on a pro rata basis (in accordance with the principal amounts of such scheduled repayments)) (it being understood that, with respect to any Subsidiary Loan Party that has not guaranteed or granted Liens on, security interests in or pledges of its assets to secure the Tranche B Term Obligations, the Tranche B II Term Obligations, the Tranche B III Term Obligations, the Tranche B 2019 Term Obligations, the Tranche B 2016 Term Obligations, the Tranche B-II 2019 Term Obligations, the Tranche B-III

2019 Term Obligations, the Tranche B 2020 Term Obligations, the Tranche B 2022 Term Obligations, the Tranche B-II 2022 Term Obligations, the Tranche B 2024 Term Obligations, the Tranche B 2027 Term Obligations or the Obligations in respect of any other Class of Loans, nothing herein shall prohibit or limit the application of proceeds realized from the exercise of remedies under any Security Document in respect of such Subsidiary Loan Party solely to the Obligations in respect of the Tranche A Term Loans owed to the Tranche A Term Lenders and the Obligations in respect of any other Class of Loans owed to the Lenders of such Class to the extent such Class of Loans is guaranteed by, or secured by Liens on, security interests in or pledges of the applicable assets of, such Subsidiary Loan Party pursuant to the applicable Security Document).

Section 2.06 Fees. Level 3 and the Borrower agree to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon by the Borrower and the Administrative Agent.

Section 2.07 Interest.

(a) ~~(a)~~ The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin. The Loans comprising each Eurodollar Borrowing shall bear interest at the LIBO Rate for the Interest Period for such Borrowing plus the Applicable Margin.

(b) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in paragraph (a) of this Section or (ii) in the case of any other amount, 2.00% per annum plus the rate that would at the time be applicable to an ABR Loan as provided in paragraph (a) of this Section.

(c) Accrued interest on the Loans shall be payable in arrears on each Interest Payment Date; provided that (i) interest accrued pursuant to paragraph (b) of this Section shall be payable on demand and (ii) in the event of any repayment or prepayment of the Loans, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment.

(d) All interest hereunder shall be computed on the basis of the actual number of days elapsed in a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable LIBO Rate or Alternate Base Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.08 Alternate Rate of Interest.

(a) ~~(a)~~ If, prior to the commencement of any Interest Period for a Eurodollar Borrowing, the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) dollar deposits are not offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period for any Eurodollar Loan or (ii)

(A) adequate and reasonable means do not exist for ascertaining the LIBO Rate for such Interest Period (or in connection with an existing or proposed ABR Loan) and (B) the circumstances described in Section 2.08(b)(i) do not apply, then the Administrative Agent shall give notice thereof to Level 3 and the Lenders by telephone or telecopy as promptly as practicable thereafter, whereupon (x) each Eurodollar Loan shall automatically, on the last day of the current Interest Period for such Eurodollar Loan, convert into an ABR Loan and the obligations of the Lenders to make Eurodollar Loans shall be suspended and (y) in the event of a determination described in the foregoing with respect to the LIBO Rate component of the Alternate Base Rate, the utilization of the LIBO Rate component in determining the Alternate Base Rate shall be suspended, in each case, until the Administrative Agent notifies Level 3 and the Lenders that the circumstances giving rise to such notice no longer exist. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Loans (to the extent of the affected Eurodollar Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for an ABR Borrowing (subject to the foregoing clause (y)) in the amount specified therein.

(b) Notwithstanding anything to the contrary in this Agreement (including, without limitation, Article VIII) or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to Borrower) that the Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining the LIBO Rate for any requested Interest Period, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will continue to provide the LIBO Rate after such specific date (such specific date, the "Scheduled Unavailability Date"); or

(iii) syndicated loans currently being executed, or that include language similar to that contained in this Section, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace the LIBO Rate,

then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Borrower may amend this Agreement solely for the purpose of replacing the LIBO Rate in accordance with this Section with (x) one or more SOFR-Based Rates or (y) another alternate benchmark rate giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit

facilities for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion and may be periodically updated (the "Adjustment;" and (any such proposed rate, a "LIBOR Successor Rate"), and any such amendment shall become effective at 5:00 p.m. (New York time) on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Lenders (A) in the case of an amendment to replace the LIBO Rate with a rate described in clause (x), object to the Adjustment; or (B) in the case of an amendment to replace the LIBO Rate with a rate described in clause (y), object to such amendment; provided that for the avoidance of doubt, in the case of clause (A), the Required Lenders shall not be entitled to object to any SOFR-Based Rate contained in any such amendment. Such LIBOR Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, such LIBOR Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent.

If no LIBOR Successor Rate has been determined and the circumstances under clause (i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Loans shall be suspended, (to the extent of the affected Eurodollar Loans or Interest Periods), and (y) the LIBO Rate component shall no longer be utilized in determining the Alternate Base Rate. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Loans (to the extent of the affected Eurodollar Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for an ABR Borrowing (subject to the foregoing clause (y)) in the amount specified therein.

Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement.

In connection with the implementation of a LIBOR Successor Rate, the Administrative Agent will have the right to make LIBOR Successor Rate Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such LIBOR Successor Rate Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such LIBOR Successor Conforming Changes to the Lenders reasonably promptly after such amendment becomes effective.

Section 2.09 Increased Costs; Illegality.

(a) ~~(a)~~ If any Lender shall notify the Administrative Agent and Level 3 at any time that Eurocurrency Reserve Requirements are, or are scheduled to become, effective and that such Lender is or will be generally subject to such Eurocurrency Reserve Requirements and will, as a result, incur additional costs, then such Lender shall, for each day from the later of the date

of such notice and the date on which such Eurocurrency Reserve Requirements become effective, be entitled to additional interest on each Eurodollar Loan made by it at a rate per annum determined for such day (rounded upward to the nearest 100th of 1%) equal to the remainder obtained by subtracting (i) the LIBO Rate for such Eurodollar Loan from (ii) the rate obtained by dividing such LIBO Rate by a percentage equal to 100% minus the Eurocurrency Reserve Requirements then-applicable to such Lender. Such additional interest will be payable in arrears to the Administrative Agent, for the account of such Lender, on each Interest Payment Date relating to such Eurodollar Loan and on any other date when interest is required to be paid hereunder with respect to such Loan. Any Lender giving a notice under this paragraph (a) shall promptly withdraw such notice (by written notice of withdrawal given to the Administrative Agent and Level 3) in the event Eurocurrency Reserve Requirements cease to apply to it or the circumstances giving rise to such notice otherwise cease to exist.

(b) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of or credit extended by any Lender (except any Eurocurrency Reserve Requirement);

(ii) subject the Administrative Agent or any Lender to any Taxes (other than Taxes on payments made under the Loan Documents, which are governed by Section 2.11, or Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition affecting this Agreement or Eurodollar Loans of such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan or to reduce the amount of any sum received by such Lender, then Level 3 and the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(c) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time Level 3 and the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(d) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (b) or (c) of this Section shall be delivered to Level 3 and shall be conclusive absent manifest error. Level 3 and the Borrower, as the case may be, shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(e) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that Level 3 and the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies Level 3 of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(f) The provisions of Section 2.09(a) and (c) shall only be available to Lenders regulated by Federal banking authorities.

(g) If any Lender determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender to perform any of its obligations hereunder or make, maintain or fund or charge interest with respect to any Loan or to determine or charge interest rates based upon the LIBO Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, dollars in the London interbank market, then, on notice thereof by such Lender to Level 3 and the Borrower through the Administrative Agent, (i) any obligation of such Lender to make, maintain, fund or charge interest with respect to any such Loan or continue Eurodollar Loans or to convert ABR Loans to Eurodollar Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the LIBO Rate component of the Alternate Base Rate, the interest rate on ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the LIBO Rate component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent, Level 3 and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Loans of such Lender to ABR Loans (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the LIBO Rate component of the Alternate Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the LIBO Rate, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the LIBO Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the LIBO Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 2.10 Break Funding Payments. In the event of (a) any payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the failure to borrow or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto, or (c) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by Level 3 pursuant to Section 2.13, then, in any such event, Level 3 and the Borrower, as applicable, shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed not to include any lost profit (including loss of Applicable Margin) and shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred at the LIBO Rate that is or would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to Level 3 and shall be conclusive absent manifest error. Level 3 or the Borrower, as applicable, shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.11 Taxes.

(a) ~~(a)~~ Any and all payments by or on account of the obligations of the Borrower hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Taxes; provided that if any Loan Party shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) the applicable withholding agent shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The Loan Parties shall indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower hereunder or under any other Loan Document (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Level 3 or the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent reasonably satisfactory evidence of such payment and the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment; provided however in no case shall such Loan Party be required to deliver documentation not normally issued by such Governmental Authority.

(e) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower and Level 3 (with a copy to the Administrative Agent), at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Borrower and Level 3 as will permit such payments to be made without withholding or at a reduced rate; provided that the completion, execution and submission of such documentation (other than the documentation set forth in Section 2.11(e)(ii)(A), (B) or (D)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding Tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under this Agreement or any other Loan Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and

(y) with respect to any other applicable payments under this Agreement or any other Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit L-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-2 or Exhibit L-3, IRS Form W-9 and/or another certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-4 on behalf of each such direct or indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from, or a reduction in, U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine withholding or deduction required to be made; and

(D) if a payment made to a Lender under this Agreement or any other Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such

documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents.

(g) For purposes of this Section 2.11, the term "applicable law" includes FATCA.

Section 2.12 Payments Generally; Pro Rata Treatment; Sharing of Set-offs. (c) The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest or fees, or of amounts payable under Section 2.09, 2.10 or 2.11, or otherwise) prior to 1:00 p.m., New York City time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 100 West 33rd Street, New York, New York 10001, except that payments pursuant to Sections 2.09, 2.10, 2.11 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in dollars.

(a) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties (but subject to Section 4.02 of the Collateral Agreement), and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties (but subject to Section 4.02 of the Collateral Agreement).

(b) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of the other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans (it being understood that, with respect to any Subsidiary Loan Party that has not guaranteed or granted Liens on, security interests in or pledges of its assets to secure the Tranche B Term Obligations, the Tranche B II Term Obligations, the Tranche B III Term Obligations, the Tranche B 2019 Term Obligations, the Tranche B 2016 Term Obligations, the Tranche B-II 2019 Term Obligations, the Tranche B-III 2019 Term Obligations, the Tranche B 2020 Term Obligations, the Tranche B 2022 Term Obligations, the Tranche B-II 2022 Term Obligations, the Tranche B 2024 Term Obligations, the Tranche B 2027 Term Obligations or the Obligations in respect of any other Class of Loans, nothing herein shall prohibit or limit, or require the purchase of participations under this paragraph as a result of, the application of proceeds realized from the exercise of remedies under any Security Document in respect of such Subsidiary Loan Party solely to the Obligations in respect of the Tranche A Term Loans owed to the Tranche A Term Lenders and the Obligations in respect of any other Class of Loans owed to the Lenders of such Class to the extent such Class of Loans is guaranteed by, or secured by Liens on, security interests in or pledges of the applicable assets of, such Subsidiary Loan Party pursuant to the applicable Security Document); provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to Level 3 or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply); provided, further that notwithstanding the foregoing, upon the effectiveness of Section 9.04(h), the provisions of this paragraph shall not apply to any payment obtained by a Lender as consideration for the assignment of any of its Loans to the Borrower pursuant to and in accordance with the provisions of Section 9.04(h). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation in an obligation owed by it pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(c) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(d) If any Lender shall fail to make any payment required to be made by it hereunder, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations until all such unsatisfied obligations are fully paid.

Section 2.13 Mitigation Obligations; Replacement of Lenders. (d) If any Lender requests compensation under Section 2.09, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.11, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.09 or 2.11, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Level 3 and the Borrower hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(a) If any Lender requests compensation under Section 2.09 (other than paragraph (a) of such Section), if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.11, if any Lender defaults in its obligation to fund Loans hereunder or if any Lender has failed to consent to a proposed amendment, waiver, discharge or termination as contemplated by Section 9.02(c), Level 3 may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) Level 3 shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or Level 3 or the Borrower (in the case of all other amounts), (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.09 or payments required to be made pursuant to Section 2.11, such assignment will result in a reduction in such compensation or payments or (iv) in the case of any such assignment and delegation resulting from the failure to provide a consent, the assignee shall have given such consent and, as a result of such assignment and delegation and any contemporaneous assignments and delegations and consents, the applicable amendment, waiver, discharge or termination can be effected. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling Level 3 to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment and delegation required pursuant to this paragraph may be effected pursuant to an Assignment and

Assumption executed by the Administrative Agent and the assignee and, solely to the extent the consent thereof is required by Section 9.04 for such assignment and delegation, the Borrower and that the Lender required to make such assignment and delegation shall thereupon be deemed to have executed and delivered an appropriately completed Assignment and Assumption to effect such substitution.

Section 2.14 Extension Offers.

(a) ~~(a)~~ The Borrower may on one or more occasions, by written notice to the Administrative Agent, make one or more offers (each, an "Extension Offer") to all the Lenders of one or more Classes (each Class subject to such an Extension Offer, an "Extension Request Class") to make one or more Extension Permitted Amendments pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower. Such notice shall set forth (i) the terms and conditions of the requested Extension Permitted Amendment and (ii) the date on which such Extension Permitted Amendment is requested to become effective (which shall not be less than 10 Business Days nor more than 30 Business Days after the date of such notice, unless otherwise agreed to by the Administrative Agent). Extension Permitted Amendments shall become effective only with respect to the Loans and Commitments of the Lenders of the Extension Request Class that accept the applicable Extension Offer (such Lenders, the "Extending Lenders") and, in the case of any Extending Lender, only with respect to such Lender's Loans and Commitments of such Extension Request Class as to which such Lender's acceptance has been made.

(b) An Extension Permitted Amendment shall be effected pursuant to an Extension Agreement executed and delivered by Level 3, the Borrower, each applicable Extending Lender and the Administrative Agent; provided that no Extension Permitted Amendment shall become effective unless (i) no Default or Event of Default shall have occurred and be continuing on the date of effectiveness thereof, (ii) on the date of effectiveness thereof, the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct in all material respects on and as of such date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date, and (iii) Level 3 and the Borrower shall have delivered to the Administrative Agent such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents as shall reasonably be requested by the Administrative Agent in connection therewith. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension Agreement. Each Extension Agreement may, without the consent of any Lender other than the applicable Extending Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section, including any amendments necessary to treat the applicable Loans and/or Commitments of the Extending Lenders as a new "Class" of loans and/or commitments hereunder.

(c) Notwithstanding anything to the contrary in this Agreement: (1) this Section 2.14 is for the benefit of the Borrower and shall be applicable to a transaction only at the Borrower's express election (provided the requirements of this Section 2.14 are otherwise met); and (2) the Transaction Support Agreement Transactions were not implemented pursuant to this Section 2.14 and this Section 2.14 does not and will not apply to the Transaction Support Agreement Transactions.

Section 2.15 Incremental Term A Term Loans.

(a) Notwithstanding anything to the contrary in this Agreement and the other Loan Documents, the Borrower may, by written notice to the Administrative Agent, request the establishment of one or more classes of Term A Term Loans in the form of Term A Loans by an agreement in writing entered into by Level 3, the Borrower, the Administrative Agent, the Collateral Agent and each person (including any Lender) that shall agree to make a Term A Term Loan so established (but without the consent of any other Lender), and each such person that shall not already be a Lender shall, at the time such agreement becomes effective, become a Lender with the same effect as if it had originally been a Lender under this Agreement with the term loans set forth in such agreement. Each Term A Term Lender, if not already a Lender hereunder, shall be subject to the approval of the Administrative Agent to the extent such approval would otherwise be required pursuant to Section 9.04 in respect of an assignment and each Term A Term Lender shall execute all such documentation as the Administrative Agent shall reasonably specify to evidence its Term A Term Commitment and/or its status as a Term A Term Lender hereunder. No Lender shall be obligated to provide any Term A Term Loans, unless it so agrees.

(b) The Term A Term Commitments shall be effected pursuant to one or more agreements executed and delivered by Level 3, the Borrower, each Lender providing such Term A Term Commitments and the Administrative Agent (each such agreement, a "Term A Term Loan Assumption Agreement"); provided that no Term A Term Commitments shall become effective unless (i) on the date of effectiveness thereof, immediately after giving effect to such Term A Term Commitments, no Default shall have occurred and be continuing, (ii) on the date of effectiveness thereof and after giving effect to the making of Term A Term Loans thereunder to be made on such date, the representations and warranties of each Loan Party set forth in the Loan Documents and the applicable Term A Term Loan Assumption Agreement shall be true and correct in all material respects, in each case on and as of such date, except in the case of any such representation and warranty that expressly relates to a prior date, in which case such representation and warranty shall be true and correct in all material respects with respect to such prior date and (iii) after giving effect to the applicable Term A Term Loans and the application of the proceeds therefrom (and assuming that the full amount of such Term A Term Loans shall have been funded as Loans on such date), the aggregate outstanding principal amount of the term loans of all classes established pursuant to this section and Section 9.02(d) shall at no time exceed the maximum principal amount of the Indebtedness permitted to be incurred at such time under Section 6.01(b)(ii) and 6.02(b)(ii). The terms and conditions of any Class of Term A Term Loans shall be as set forth in this Agreement and the applicable Term A Term Loan Assumption Agreement.

(c) Any such Term A Term Loan Assumption Agreement shall be deemed to supplement the provisions of this Agreement and the other Loan Documents to set forth the terms of the class of Term A Term Loans established thereby (including the amount and final maturity thereof, any provisions relating to amortization or mandatory prepayments or offers to prepay, the interest to accrue and be payable thereon and any fees to be payable in respect

thereof) and to effect such other changes (including changes to the provisions of this Section and changes to provide for a note of Level 3 LLC evidencing the advance of the proceeds of any loans) as Level 3, the Borrower and the Administrative Agent shall deem necessary or advisable in connection with the establishment of any such class of Term A Term Loans; provided that no such agreement shall effect any change described in any of clauses (i), (ii), (iii), (vi) or (vii) of Section 9.02(b) without the consent of each person required to consent to such change under such clause (it being agreed, however, that the establishment of any class of Term A Term Loans will not, of itself, be deemed to effect any of the changes described in clauses (vi) or (vii) of such Section 9.02(b)), (ii) the weighted average life to maturity of any Term A Term Loans shall be no shorter than the remaining weighted average life to maturity of any then existing Class of Term A Term Loans and (iii) no Term A Term Maturity Date shall be earlier than (x) the latest Maturity Date of any Class of Term A Term Loans in effect at the time of incurrence of such Term A Term Loans or (y) if all of the net proceeds of such Term A Term Loans are applied to refinance a Class of Term A Term Loans outstanding hereunder with a Maturity Date earlier than the latest Maturity Date then in effect, the Maturity Date of such Loans being refinanced; provided, however, that any Class of Term A Term Loan may include financial maintenance covenants that are solely for the benefit of the Lenders holding such Class of Term A Term Loans and that Lenders constituting a Majority in Interest of such Class of Term A Term Loans may alone amend such financial maintenance covenants. Any such financial covenants (together with any related definitions) may be set forth in the applicable Term A Term Loan Assumption Agreement and shall have the same force and effect as if set forth in this Agreement.

(d) The Term A Term Loans established pursuant to this section and any Term A Term Loan Assumption Agreement shall, to the extent provided in the Term A Term Loan Assumption Agreement entered into in connection therewith, be entitled to all the benefits afforded by this Agreement and the other Loan Documents, and shall benefit equally and ratably (except as provided in the next preceding sentence) from the Guarantees created by the Guarantee Agreement and security interests created by the Collateral Agreement and the other Security Documents. Level 3 and the Borrower shall take any actions reasonably required by the Administrative Agent to ensure and/or demonstrate that the Guarantee and Collateral Requirement continues to be satisfied after the establishment of any such class of Term A Term Loans. Notwithstanding the foregoing provisions of this Section 2.15, no Regulated Grantor Subsidiary shall pledge any assets as collateral in support of any loans of any class established pursuant to this section, nor shall any Regulated Guarantor Subsidiary Guarantee any such loans, unless it has obtained all material (as determined in good faith by the General Counsel of Level 3) authorizations and consents of Federal and State Governmental Authorities required in order for such loans and all other loans outstanding hereunder to be secured by such assets and guaranteed by such Regulated Guarantor Subsidiary.

(e) Notwithstanding anything to the contrary in this Agreement: (1) this Section 2.15 is for the benefit of the Borrower and shall be applicable to a transaction only at the Borrower's express election (provided the requirements of this Section 2.15 are otherwise met); and (2) the Transaction Support Agreement Transactions were not implemented pursuant to this Section 2.15 and this Section 2.15 does not and will not apply to the Transaction Support Agreement Transactions.

Section 2.16 Terms Applicable to Term SOFR Loans. From and after the LIBOR Transition Amendment Effective Date:

(a) Impacted Currencies. (i) Dollars shall not be considered a currency for which there is a published LIBO Rate and (ii) any request for a new Eurocurrency Rate Loan, or to continue an existing Eurocurrency Rate Loan, shall be deemed to be a request for a new Loan bearing interest at Term SOFR; provided, that, to the extent any Loan bearing interest at the Eurocurrency Rate is outstanding on the LIBOR Transition Amendment Effective Date, such Loan shall continue to bear interest at the Eurocurrency Rate until the end of the current Interest Period or payment period applicable to such Loan.

(b) References to Eurocurrency Rate and Eurocurrency Rate Loans in the Credit Agreement and Loan Documents.

(i) References to the Eurocurrency Rate and Eurocurrency Rate Loans in provisions of the Credit Agreement and the other Loan Documents that are not specifically addressed herein (other than the definitions of Eurocurrency Rate and Eurocurrency Rate Loan) shall be deemed to include Term SOFR and Term SOFR Loans, as applicable. In addition, references to the Eurocurrency Rate in the definition of Alternate Base Rate in the Credit Agreement shall be deemed to refer to Term SOFR.

(ii) For purposes of any requirement for the Borrower to compensate Lenders for losses in the Credit Agreement resulting from any continuation, conversion, payment or prepayment of any Loan on a day other than the last day of any Interest Period (as defined in the Credit Agreement), references to the Interest Period (as defined in the Credit Agreement) shall be deemed to include any relevant interest payment date or payment period for a Term SOFR Loan.

(c) Interest Rates. The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to any reference rate referred to herein or with respect to any rate (including, for the avoidance of doubt, the selection of such rate and any related spread or other adjustment) that is an alternative or replacement for or successor to any such rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing) or the effect of any of the foregoing, or of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions or other activities that affect any reference rate referred to herein, or any alternative, successor or replacement rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing) or any related spread or other adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any reference rate referred to herein or any alternative, successor or replacement rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing), in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or other action or omission related to or affecting the selection, determination, or calculation of any rate (or component thereof) provided by any such information source or service.

(d) Borrowings, Conversions, Continuations and Prepayments of Term SOFR Loans. In addition to any other borrowing or prepayment requirements set forth in the Credit Agreement:

(i) Term SOFR Loans. Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of Term SOFR Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may be given by (A) telephone or (B) a Committed Loan Notice; provided that any telephonic notice must be confirmed immediately by delivery to the Administrative Agent of a Committed Loan Notice. Each such Committed Loan Notice must be received by the Administrative Agent not later than 11:00 a.m. (Eastern time) (1) two Business Days prior to the requested date of any Borrowing of, conversion to or continuation of Term SOFR Loans or of any conversion of Term SOFR Loans to Base Rate Loans. Each Borrowing of, conversion to or continuation of Term SOFR Loans shall be in a principal amount of $5,000,000 or a whole multiple of $1,000,000 in excess thereof. Each Committed Loan Notice shall specify (i) whether the Borrower is requesting a Borrowing, a conversion of Loans from one Type to the other, or a continuation of Term SOFR Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Loans are to be converted, and (v) if applicable, the duration of the Interest Period with respect thereto. If the Borrower fails to specify a Type of Loan in a Committed Loan Notice or if the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Term SOFR Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Term SOFR Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

(ii) Conforming Changes. With respect to SOFR or Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective.

(iii) Committed Loan Notice. For purposes of a Borrowing of Term SOFR Loans, or a continuation of a Term SOFR Loan, the Borrower shall use the Committed Loan Notice attached to the LIBOR Transition Amendment as Exhibit A.

(iv) Voluntary Prepayments of Term SOFR Loans. The Borrower may, upon notice to the Administrative Agent pursuant to delivery to the Administrative Agent of a notice of loan prepayment, at any time or from time to time voluntarily prepay the Term SOFR Loans in whole or in part without premium or penalty (except as otherwise specified in the Credit Agreement); provided that such notice must be received by the Administrative Agent not later than 11:00 a.m. (Eastern time) two Business Days prior to any date of prepayment of Term SOFR Loans.

(e) Interest.

(i) Subject to the provisions of the Credit Agreement with respect to default interest, each Term SOFR Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the sum of Term SOFR plus the Applicable ~~Rate~~Margin.

(ii) Interest on each Term SOFR Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified in the Credit Agreement; provided, that any prepayment of any Term SOFR Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 2.10. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any debtor relief law.

(f) Computations. All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to Term SOFR) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest with respect to Term SOFR Loans shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to the provisions in the Credit Agreement addressing payments generally, bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(g) Successor Rates. The provisions in the Credit Agreement addressing the replacement of a current Successor Rate shall be deemed to apply to Term SOFR Loans and Term SOFR, as applicable, and the related defined terms shall be deemed to include Term SOFR.

ARTICLE III

Representations and Warranties

~~On and as of the Effective Date, each of Level 3 and the Borrower represents and warrants to the Lenders that:~~

Without limiting the foregoing, Level 3 and the Borrower will, and will cause each Subsidiary of Level 3 to, execute any and all documents, financing statements, agreements and instruments, and take all other actions (including the filing of financing statements and other documents), which shall be required under any applicable United States law, or which the Collateral Agent may reasonably request, to effectuate the transactions contemplated by the Loan Documents or to grant, preserve, protect or perfect the Liens created or intended to be created by the Loan Documents or the validity or priority of any such Lien, all at the expense of the Loan Parties. Level 3 and the Borrower also agree to provide to the Collateral Agent, from time to time upon request, evidence reasonably satisfactory to the Collateral Agent as to the perfection of the Liens created or intended to be created by the Loan Documents. In the event that Global Crossing (or any Global Crossing Successor Entity) shall become a Subsidiary of a Restricted Subsidiary that is a Foreign Subsidiary, or shall, directly or indirectly, transfer, sell, lease, convey or otherwise dispose of all or substantially all its assets to, or consolidate, amalgamate, merge or enter into any similar transaction with, any Restricted Subsidiary of Level 3 or shall otherwise be converted to a Domestic Subsidiary of Level 3 (any such Restricted Subsidiary or other surviving entity of any such consolidation, amalgamation, merger, similar transaction or conversion, a "Global Crossing Successor Entity"), Level 3 and the Borrower will (i) if such Global Crossing Successor Entity is a Domestic Subsidiary, cause the Guarantee and Collateral Requirement to be satisfied with respect to such Global Crossing Successor Entity, (ii) if such Global Crossing Successor Entity is a Foreign Subsidiary held directly by Level 3, the Borrower or a Designated Grantor Subsidiary, cause the Guarantee and Collateral Requirement to be satisfied with respect to the pledge of 65% of the voting Equity Interests in such Global Crossing Successor Entity and (iii) if such Global Crossing Successor Entity is a Foreign Subsidiary held directly by another Foreign Subsidiary, cause the Guarantee and Collateral Requirement to be satisfied with respect to the pledge of 65% of the voting Equity Interests in each Global Crossing Parent Entity of such Global Crossing Successor Entity, subject in each case to the last paragraph of the definition of Guarantee and Collateral Requirement; provided that, upon satisfaction of the Guarantee and Collateral Requirement with respect to the Equity Interests in such Global Crossing Successor Entity or each Global Crossing Parent Entity, as applicable, any Lien on the Equity Interests in Global Crossing (or any other Person the Equity Interests of which were required to be pledged pursuant to clause (ii) or (iii) of this sentence prior to giving effect to the subject transaction (other than, in the case of any Global Crossing Parent Entity, any such Person that remains a Global Crossing Parent Entity after giving effect to the subject transaction)) shall be automatically released, and Collateral Agent shall execute and deliver all such releases, termination statements or other instruments, and take all such further actions, as shall be necessary to effectuate or confirm any release of Collateral required by this sentence.

Section 5.13 Guarantee Permit Condition, Collateral Permit Condition and Global Crossing Pledge Permit Condition. (a) Each of Level 3 and the Borrower will endeavor, and cause each Regulated Grantor Subsidiary and each Regulated Guarantor Subsidiary to endeavor, in good faith using commercially reasonable efforts to (i) (A) cause the Collateral Permit Condition to be satisfied with respect to such Regulated Grantor Subsidiary and (B) cause the Guarantee Permit Condition to be satisfied with respect to such Regulated Guarantor Subsidiary, in each case at the earliest practicable date and (ii) obtain the material (as determined in good faith by the General Counsel of Level 3) authorizations and consents of Federal and State Authorities required to cause any Restricted Subsidiary to become a Guarantor as required by Sections 6.01(d) and 6.02(d). For purposes of this Section, the requirement that Level 3, the Borrower or any Subsidiary of Level 3 use "commercially reasonable efforts" shall not be deemed to require it to make material payments in excess of normal fees and costs to or at the direction of Governmental Authorities or to change the manner in which it conducts its business in any respect that the management of Level 3 shall determine in good faith to be adverse or materially burdensome. Upon the reasonable request of Level 3 or the Borrower, the Administrative Agent and the Lenders will cooperate with Level 3 and the Borrower as necessary to enable them to comply with their obligations under this Section. Solely with respect to the Tranche B Term Loans, the obligations set forth in this Section shall be subject to Section 2 of the First Amendment Agreement. Solely with respect to the Tranche B II Term Loans, the obligations set forth in this Section shall be subject to Section 2 of the Second Amendment Agreement. Solely with respect to the Tranche B III Term Loans, the obligations set forth in this Section shall be subject to Section 2 of the Third Amendment Agreement. Solely with respect to the Tranche B 2027 Term Loans, the obligations set forth in this Section shall be subject to Section 2 of the Thirteenth Amendment Agreement.

(b) If Level 3 shall determine that Level 3 LLC is able, consistent with applicable law, to create Liens on any Collateral owned by it and located in any jurisdiction located in the United States to secure the Loan Proceeds Note prior to the satisfaction by it of the Collateral Permit Condition, it will cause Level 3 LLC promptly to create and perfect such Liens on terms and under documentation reasonably satisfactory to Level 3 and the Collateral Agent.

provided, however, that Level 3 or a Restricted Subsidiary may, without regard to the limitations in clause (3) but subject to clauses (1) and (2), make (A) Restricted Payments in an aggregate amount not to exceed the sum of $500,000,000 and the aggregate net cash proceeds received after the Measurement Date (i) as capital contributions to Level 3, from the issuance (other than to a Subsidiary or an employee stock ownership plan or trust established by Level 3 or any such Subsidiary for the benefit of their employees) of Capital Stock (other than Disqualified Stock) of Level 3, and (ii) from the issuance or sale of Indebtedness of Level 3 or any Restricted Subsidiary (other than to a Subsidiary, Level 3 or an employee stock ownership plan or trust established by Level 3 or any such Subsidiary for the benefit of their employees) that after the Measurement Date has been converted into or exchanged for Capital Stock (other than

(ix) Liens to secure Indebtedness Incurred pursuant to clause (viii) of paragraph (b) of Section 6.02;

(x) Liens to secure amounts deposited into an escrow account for the benefit of holders of any of the Borrower's senior unsecured notes representing Indebtedness Incurred by the Borrower in accordance with Section 6.02(a), in connection with redemptions of such notes and the prepayment by Level 3 LLC, in accordance with Section 6.03, of any intercompany note issued by Level 3 LLC to the Borrower in respect of the proceeds of an offering of the Borrower's senior notes representing Indebtedness Incurred by the Borrower in accordance with Section 6.02(a), respectively.

(xi) Liens on the Property of a Foreign Restricted Subsidiary and its Subsidiaries Incurred on or after the Fourth Amendment Effective Date securing Indebtedness of such Foreign Restricted Subsidiary Incurred pursuant to clause (ix) of paragraph (b) of Section 6.02; and

Section 6.06 ~~Limitation on Sale and Leaseback Transactions~~[Reserved] ~~. Level 3 shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, enter into, assume, Guarantee or otherwise become liable with respect to any Sale and Leaseback Transaction, unless (i) Level 3 or such Restricted Subsidiary would be entitled to Incur (a) Indebtedness in an amount equal to the Attributable Value of the Sale and Leaseback Transaction pursuant to Section 6.01 or Section 6.02 and (b) a Lien pursuant to Section 6.05, equal in amount to the Attributable Value of the Sale and Leaseback Transaction, and (ii) the Sale and Leaseback Transaction is treated as an Asset Disposition and all of the conditions of Section 6.07 (including the provisions concerning the application of Net Available Proceeds) are satisfied with respect to such Sale and Leaseback Transaction, treating all of the consideration received in such Sale and Leaseback Transaction as Net Available Proceeds for purposes of such Section 6.07.~~.

Section 6.07 ~~Limitation on Asset Dispositions~~[Reserved].

~~. (a) Level 3 shall not, and shall not permit any Restricted Subsidiary to, make any Asset Disposition unless: (i) Level 3 or the Restricted Subsidiary, as the case may be, receives consideration for such disposition at least equal to the Fair Market Value for the Property sold or disposed of as determined by the Board of Directors of Level 3 in good faith and evidenced by a Board Resolution of Level 3; and (ii) at least 75% of the consideration for such disposition consists of cash or Cash Equivalents or the assumption of Indebtedness of the Borrower or any Borrower Restricted Subsidiary (other than Indebtedness of the Borrower that is subordinated to the Obligations or Indebtedness of any Borrower Restricted Subsidiary that is subordinated to the Obligations of such Borrower Restricted Subsidiary) and release of the Borrower and all Borrower Restricted Subsidiaries from all liability on the Indebtedness assumed (or if less than 75%, the remainder of such consideration consists of Telecommunications/IS Assets); provided, however, that for purposes of this clause (ii), (A) any Designated Non-Cash Consideration received by Level 3 or its Restricted Subsidiaries in respect of such Asset Disposition, having an aggregate Fair Market Value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (A) that is at that time outstanding, not in excess of the greater of (x) $500,000,000 and (y) 7.5% of Level 3's Consolidated Tangible Assets measured based on the most recent financial statements that have been delivered pursuant to Section 5.01 or 5.02, as applicable (with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value), in each case, shall be deemed to be cash and (B) to the extent such disposition involves Special Assets, all or any portion of the consideration may, at Level 3's election, consist of Property other than cash, Cash Equivalents or the assumption of Indebtedness or Telecommunications/IS Assets.~~

~~(b) If the Net Available Proceeds from any Asset Disposition (or any series of related Asset Dispositions) consisting of Property that is Collateral or Property that would be required to become Collateral following the satisfaction of the Guarantee Permit Condition and the Collateral Permit Condition exceed $1,000,000,000, the Borrower shall deposit an amount in cash or cash equivalents equal to such Net Available Proceeds into a deposit account in which the Collateral Agent has a perfected security interest in favor of the Lenders. Prior to the time a Notice of Default shall have been delivered to the Borrower pursuant to Article VII, the Borrower may withdraw such Net Available Proceeds, and the Collateral Agent, at the Request of the Borrower, shall take all actions necessary, at the expense of the Borrower, to promptly~~

release the security interest in such Net Available Proceeds (i) to permit Level 3 or a Restricted Subsidiary to reinvest such Net Available Proceeds in Telecommunications/IS Assets, (ii) to permit the Borrower to repay the Loans in accordance with Section 2.05(b) or (iii) following any prepayment of the Loans as required by Section 2.05(b), with respect to any such Net Available Proceeds that have been rejected by Declining Lenders pursuant to Section 2.05(c), to Level 3 or any Restricted Subsidiary for any purpose.

(c) The Net Available Proceeds (or any portion thereof) from Asset Dispositions may be applied by Level 3 or a Restricted Subsidiary, to the extent Level 3 or such Restricted Subsidiary elects: (1) to permanently prepay Borrowings in accordance with Section 2.05(b) or (c) or (2) to reinvest in Telecommunications/IS Assets (including by means of an Investment in Telecommunications/IS Assets by a Restricted Subsidiary with Net Available Proceeds received by Level 3 or another Restricted Subsidiary). Level 3 shall not, and shall not permit any Restricted Subsidiary, to acquire any Telecommunications/IS Assets with the Net Available Proceeds of any Asset Disposition consisting of Collateral or Property that would be required to become Collateral following the satisfaction of the Guarantee Permit Condition and the Collateral Permit Condition unless such Telecommunications/IS Assets are Collateral or Property that would be required to become Collateral following the satisfaction of the Guarantee Permit Condition and the Collateral Permit Condition. Any Net Available Proceeds from an Asset Disposition (or series of related Asset Dispositions) not applied in accordance with paragraph (b) or (c) within 540 days (or, if Level 3 or any of its Restricted Subsidiaries has committed to reinvest such Net Available Proceeds in accordance with paragraph (b) or (c) during such 540-day period, within 365 days after the expiration of such 540-day period) from the date of the receipt of such Net Available Proceeds shall constitute "Excess Proceeds." The Borrower shall apply such Excess Proceeds to the extent and in the manner required by Section 2.05.

(d) (1) The Borrower shall not, and shall not permit any Borrower Restricted Subsidiary, to sell, transfer, lease or otherwise dispose of any Property that is Collateral or that would be required to become Collateral following the satisfaction of the Collateral Permit Condition to a Subsidiary of Level 3 (other than a Subsidiary that is a Guarantor and a Grantor or that will become a Guarantor and a Grantor following satisfaction of the Guarantee Permit Condition and the Collateral Permit Condition), and (2) Level 3 shall not designate as an Unrestricted Subsidiary any Borrower Restricted Subsidiary that owns, directly or indirectly, any Property that is Collateral or that would be required to become Collateral following the satisfaction of the Collateral Permit Condition unless either:

(A) (1) in the case of a sale, transfer, lease or other disposition, the Borrower or such Borrower Restricted Subsidiary receives consideration for such sale, transfer, lease or other disposition at least equal to the Fair Market Value of such Property (which, in the case of the Offering Proceeds Notes, any other intercompany Indebtedness or the Loan Proceeds Note, is the principal amount of such Offering Proceeds Note, such Indebtedness or the Loan Proceeds Note, as applicable, and any accrued and unpaid interest thereon), and

(2) in the case of a sale, transfer, lease or other disposition, the consideration consists of 100% in cash or Cash Equivalents, or

(B) such transaction:

(1) is desirable in the conduct of the business of Level 3 and its Subsidiaries taken as a whole (as conclusively determined by the Board of Directors of Level 3), and

(2) (i) in the case of a sale, transfer, lease or other disposition in which the consideration does not consist of 100% cash or Cash Equivalents, the Fair Market Value of the Property that is Collateral so sold, transferred, leased or disposed of (net of any cash or Cash Equivalents received by the Borrower or such Borrower Restricted Subsidiary in respect of such Collateral), or (ii) in the case of a designation of a Borrower Restricted Subsidiary as an Unrestricted Subsidiary, the Fair Market Value of all Property that is Collateral owned, directly or indirectly, by such Borrower Restricted Subsidiary at the time it is designated an Unrestricted Subsidiary, when taken together with the Collateral Release Amount (determined prior to such sale, lease, transfer or other disposition or designation as an Unrestricted Subsidiary), does not exceed 5.0% of Consolidated Tangible Assets as determined at the time of such sale, lease, transfer or other disposition or designation as an Unrestricted Subsidiary, on the basis of the most recent consolidated balance sheet available to Level 3 (as conclusively determined in good faith by the Chief Financial Officer of Level 3).

For purposes of this Section 6.07(d), "Collateral Release Amount" means an amount equal to:

(1) the sum of (x) the Fair Market Value of any Property that constituted Collateral previously sold, transferred, leased or otherwise disposed of pursuant to this Section 6.07(d) for consideration not consisting of 100% cash or Cash Equivalents (net of any cash or Cash Equivalents received by the transferor in consideration for such sale, transfer, lease or other disposition) plus (y) the Fair Market Value of all Property that constituted Collateral held directly or indirectly by each Borrower Restricted Subsidiary previously designated as an Unrestricted Subsidiary pursuant to this Section 6.07(d), minus

(2) the sum of, without duplication, (x) the amount of any cash or Cash Equivalents received by the Borrower or a Borrower Restricted Subsidiary in repayment of principal or as a return of capital from an Investment made pursuant to clause (B) of this Section 6.07(d) plus (y) the amount of any cash or Cash Equivalents received by the Borrower or a Borrower Restricted Subsidiary from a Borrower Restricted Subsidiary designated as an Unrestricted Subsidiary pursuant to this Section 6.07(d) representing a return of capital, in the case of clauses (x) and (y), to the extent such cash or Cash Equivalents were treated as Net Available Proceeds from an Asset Disposition, plus (z) the Fair Market Value (determined at the time that such Property again becomes Collateral in accordance with the Security Documents) of any Property which had ceased to be Collateral pursuant to this Section 6.07(d) and thereafter became Collateral in accordance with the terms of the Security Documents.

In the event of (a) a transfer of Property that constitutes Collateral made in accordance with this Section 6.07(d), such Property shall be released from any Lien to which it is subject pursuant to the Security Documents in accordance with the procedures in Section 9.14 or (b) the designation of a Restricted Subsidiary as an Unrestricted Subsidiary in compliance with this Section 6.07(d), such Restricted Subsidiary shall, by delivery of documentation providing for such release in form satisfactory to the Administrative Agent, be released from any Guarantee (in the case of a Guarantor) and its obligations under the Collateral Agreement (in the case of a Grantor) previously made by such Subsidiary.

(e) The Borrower shall not, and shall not permit any Borrower Restricted Subsidiary to, sell, transfer, lease or otherwise dispose of any Property that does not constitute Collateral to Level 3 or any Sister Restricted Subsidiary unless (i) the Borrower or such Borrower Restricted Subsidiary receives consideration for such sale, transfer, lease or other disposition at least equal to the Fair Market Value of such Property and (ii) the consideration consists of either (A) 100% in cash or Cash Equivalents or (B) Indebtedness of Level 3 or the Restricted Subsidiary to which Property was transferred that is secured by a Lien on such transferred Property. Level 3 or the Restricted Subsidiary to which Property was transferred for consideration consisting of Indebtedness that is secured by a Lien on such Property in accordance with clause (ii)(B) of the prior sentence may substitute the Lien on such Property with a Lien on other Property (including any Property owned by the Borrower or a Borrower Restricted Subsidiary) that, as determined by the Board of Directors of Level 3 in good faith and evidenced by a Board Resolution of Level 3 filed with the Agent upon request of the Agent, has a Fair Market Value of no less than the Fair Market Value of the Property for which the substitution is made at the time of the substitution. The provisions of this paragraph do not apply to (a) dividends and distributions, (b) loans or advances and (c) purchases of services or goods.

Section 6.08 Limitation on Issuance and Sales of Capital Stock of Restricted Subsidiaries[Reserved] . Level 3 shall at all times own all the issued and outstanding Capital Stock of the Borrower. The Borrower shall at all times own all the issued and outstanding Capital Stock of Level 3 LLC. Level 3 shall not, and shall not permit any Restricted Subsidiary to, issue, transfer, convey, sell or otherwise dispose of any shares of Capital Stock of a Restricted Subsidiary or securities convertible or exchangeable into, or options, warrants, rights or any other interest with respect to, Capital Stock of a Restricted Subsidiary to any Person other than Level 3 or a Restricted Subsidiary except (i) a sale of all of the Capital Stock of such Restricted Subsidiary owned by Level 3 and any Restricted Subsidiary that complies with the provisions of Section 6.07 to the extent such provisions apply, (ii) in a transaction that results in such Restricted Subsidiary becoming a Joint Venture, provided (x) such transaction complies with the provisions of Section 6.07 to the extent such provisions apply and (y) the remaining interest of Level 3 or any other Restricted Subsidiary in such Joint Venture would have been permitted as a new Restricted Payment or Permitted Investment under the provisions of Section 6.03, (iii) the issuance, transfer, conveyance, sale or other disposition of shares of such Restricted Subsidiary so long as after giving effect to such transaction such Restricted Subsidiary remains a Restricted

Subsidiary and such transaction complies with the provisions of Section 6.07 to the extent such provisions apply, (iv) the transfer, conveyance, sale or other disposition of shares required by applicable law or regulation, (v) if required, the issuance, transfer, conveyance, sale or other disposition of directors' qualifying shares, (vi) Disqualified Stock issued in exchange for, or upon conversion of, or the proceeds of the issuance of which are used to refinance, shares of Disqualified Stock of such Restricted Subsidiary, provided that the amounts of the redemption obligations of such Disqualified Stock shall not exceed the amounts of the redemption obligations of, and such Disqualified Stock shall have redemption obligations no earlier than those required by, the Disqualified Stock being exchanged, converted or refinanced, (vii) in a transaction where Level 3 or a Restricted Subsidiary acquires at the same time not less than its Proportionate Interest in such issuance of Capital Stock, (viii) Capital Stock issued and outstanding on the Measurement Date, (ix) Capital Stock of a Restricted Subsidiary issued and outstanding prior to the time that such Person becomes a Restricted Subsidiary so long as such Capital Stock was not issued in contemplation of such Person's becoming a Restricted Subsidiary or otherwise being acquired by Level 3 and (x) an issuance of Preferred Stock of a Restricted Subsidiary (other than Preferred Stock convertible or exchangeable into Common Stock of any Restricted Subsidiary) otherwise permitted by this Agreement. In the event of (a) the consummation of a transaction referred to in any of the foregoing clauses that results in a Restricted Subsidiary that is a Guarantor or a Grantor (or both) no longer being a Restricted Subsidiary and (b) the execution and delivery of documentation providing for such release in form satisfactory to the Administrative Agent, any such Guarantor or Grantor (or Guarantor and Grantor) shall be released from all its obligations under its Guarantee (in the case of a Guarantor) and its obligations under the Collateral Agreement (in the case of a Grantor).

Section 6.09 [Reserved].

Section 6.10 Limitation on Designations of Unrestricted Subsidiaries[Reserved]. Level 3 shall not designate (1) the Borrower or Level 3 LLC as an Unrestricted Subsidiary or (2) any other Subsidiary (other than a newly created Subsidiary in which no Investment has previously been made) as an "Unrestricted Subsidiary" under this Agreement (a "Designation") unless in the case of this clause (2):

(a) no Default or Event of Default shall have occurred and be continuing at the time of or after giving effect to such Designation;

(b) immediately after giving effect to such Designation, Level 3 would be able to Incur $1.00 of Indebtedness under paragraph (a) of Section 6.01; and

(c) Level 3 would not be prohibited under any provision of this Agreement from making an Investment at the time of Designation (assuming the effectiveness of such Designation) in an amount (the "Designation Amount") equal to the portion (proportionate to Level 3's equity interest in such Restricted Subsidiary) of the Fair Market Value of the net assets of such Restricted Subsidiary on such date.

In the event of any such Designation, Level 3 shall be deemed to have made an Investment constituting a Restricted Payment pursuant to Section 6.03 for all purposes of this Agreement in the Designation Amount, provided, however, that, upon a Revocation of any such Designation of a Subsidiary, Level 3 shall be deemed to continue to have a permanent "Investment" in an Unrestricted Subsidiary of an amount (if positive) equal to (i) Level 3's "Investment" in such Subsidiary at the time of such Revocation less (ii) the portion (proportionate to Level 3's equity interest in such Subsidiary) of the Fair Market Value of the net assets of such Subsidiary at the time of such Revocation. At the time of any Designation of any Subsidiary as an Unrestricted Subsidiary, such Subsidiary shall not own any Capital Stock of Level 3 or any Restricted Subsidiary. In addition, neither Level 3 nor any Restricted Subsidiary shall at any time (x) provide credit support for, or a Guarantee of, any Indebtedness of any Unrestricted Subsidiary (including any undertaking, agreement or instrument evidencing such Indebtedness); provided, however, that Level 3 or a Restricted Subsidiary may pledge Capital Stock or Indebtedness of any Unrestricted Subsidiary on a nonrecourse basis such that the pledgee has no claim whatsoever against Level 3 other than to obtain such pledged Capital Stock or Indebtedness, (y) be directly or indirectly liable for any Indebtedness of any Unrestricted Subsidiary or (z) be directly or indirectly liable for any Indebtedness which provides that the holder thereof may (upon notice, lapse of time or both) declare a default thereon or cause the payment thereof to be accelerated or payable prior to its final scheduled maturity upon the occurrence of a default with respect to any Indebtedness, Lien or other obligation of any Unrestricted Subsidiary (including any right to take enforcement action against such Unrestricted Subsidiary), except in the case of clause (x) or (y) to the extent permitted under Section 6.03.

Unless Designated as an Unrestricted Subsidiary, any Person that becomes a Subsidiary of Level 3 will be classified as a Restricted Subsidiary; provided, however, that such Subsidiary shall not be designated as a Restricted Subsidiary and shall be automatically classified as an Unrestricted Subsidiary if either of the requirements set forth in clauses (a) and (b) of the immediately following paragraph will not be satisfied immediately following such classification. Except as provided in the first sentence of this Section 6.10, no Restricted Subsidiary may be redesignated as an Unrestricted Subsidiary.

A Designation may be revoked (a "Revocation") by a Board Resolution of Level 3 delivered to the Administrative Agent, provided that Level 3 will not make any Revocation unless:

(a) no Default or Event of Default shall have occurred and be continuing at the time of and after giving effect to such Revocation; and

(b) all Liens and Indebtedness of such Unrestricted Subsidiary outstanding immediately following such Revocation would, if Incurred at such time, have been permitted to be Incurred at such time for all purposes of this Agreement.

All Designations and Revocations must be evidenced by Board Resolutions of Level 3 delivered to the Administrative Agent (i) certifying compliance with the foregoing provisions and (ii) giving the effective date of such Designation or Revocation. Upon Designation of a Restricted Subsidiary as an Unrestricted Subsidiary in compliance with this Section 6.10, such Restricted Subsidiary shall, by delivery of documentation providing for such release in form satisfactory to the Administrative Agent, be released from any Guarantee (in the case of a Guarantor) and its obligations under the Collateral Agreement (in the case of a Grantor) previously made by such Subsidiary.

Section 6.11 ~~Limitation on Actions with respect to Existing Intercompany Obligations~~[Reserved]. ~~Without the consent of the holders of at least two-thirds of the outstanding principal amount of the Loans:~~

~~(a) the Borrower shall not forgive or waive or fail to enforce any of its rights under any Offering Proceeds Note, the Loan Proceeds Note, any Financing Inc. Notes Supplemental Indenture, the Omnibus Offering Proceeds Note Subordination Agreement or any other agreement with Level 3 or any Restricted Subsidiary to subordinate a payment obligation on any Indebtedness to the prior payment in full in cash of all obligations with respect to the Loan Proceeds Note, a Loan Proceeds Note Guarantee, any Offering Proceeds Note or any Offering Proceeds Note Guarantee, and the Borrower and Level 3 LLC may not amend the Loan Proceeds Note, a Loan Proceeds Note Guarantee, any Offering Proceeds Note or any Offering Proceeds Note Guarantee, in a manner adverse to the Lenders; provided, however, that that in the event of an Event of Default of Level 3 LLC as described in clause (i) or (j) of Article VII, the principal then outstanding together with accrued interest thereon on the Loan Proceeds Note, each Offering Proceeds Note, the Loan Proceeds Note Guarantee and each Offering Proceeds Note Guarantee shall automatically become due and payable without presentment, demand, protest or other notice of any kind;~~

~~(b) in the event Level 3 LLC (or any successor obligor under the Loan Proceeds Note) repays all or a portion of the Loan Proceeds Note, the Borrower must prepay the Loans in a principal amount equal to the principal amount of the Loan Proceeds Note then repaid in accordance with, and if at such time permitted by, this Agreement; provided that, notwithstanding the foregoing, any amount required to be applied to prepay the Loans pursuant to this paragraph (b) shall be applied ratably among the Loans, and, to the extent required by the terms of any Permitted First Lien Indebtedness or Permitted First Lien Refinancing Indebtedness, the principal amount of such Permitted First Lien Indebtedness and Permitted First Lien Refinancing Indebtedness then outstanding, and the prepayment of the Loans required pursuant to this paragraph (b) shall be reduced accordingly; provided, further, that, subject to paragraph (i) of this Section, if at any time the principal amount of the Loan Proceeds Note is greater than the aggregate principal amount of the Loans, any Permitted First Lien Indebtedness and any Permitted First Lien Refinancing Indebtedness outstanding at such time, Level 3 LLC (or any successor obligor under the Loan Proceeds Note) or the Borrower, as applicable, may repay or forgive or waive an amount of the Loan Proceeds Note equal to such excess without complying with this paragraph (b);~~

~~(c) Level 3 shall not, and shall not permit any Restricted Subsidiary to, provide any Lien on its Property for the benefit of, or any Guarantee (other than a similarly subordinated Guarantee) or other form of credit enhancement in respect of, (i) the Parent Intercompany Note or (ii) any other intercompany note required by clause (vi) of paragraph (b) of Section 6.01 or~~

clause (iv) of paragraph (b) of Section 6.02 to be subordinated to the prior payment in full in cash of all obligations with respect to the Loan Proceeds Note or a Loan Proceeds Note Guarantee, or take any other action with the purpose or effect of making the Parent Intercompany Note senior to or equal in right of payment with any Offering Proceeds Note or the Loan Proceeds Note;

(d) Level 3 shall not, and shall not permit any Restricted Subsidiary to, provide any Lien on its Property for the benefit of, or any Guarantee (other than a similarly subordinated Guarantee) or other form of credit enhancement in respect of, (i) any Offering Proceeds Note or (ii) any other intercompany note required by clause (vi) of paragraph (b) of Section 6.01 or clause (iv) of paragraph (b) of Section 6.02 to be subordinated to the prior payment in full in cash of all obligations with respect to the Loan Proceeds Note or a Loan Proceeds Note Guarantee, or take any other action with the purpose or effect of making any Offering Proceeds Note senior to or equal in right of payment with the Loan Proceeds Note;

(e) Level 3 and Level 3 LLC shall not amend the terms of the Parent Intercompany Note or any Offering Proceeds Note in a manner adverse to the Lenders, the determination of which shall be made by the Board of Directors of Level 3 acting in good faith;

(f) Level 3, the Borrower and Level 3 LLC shall not amend any of the Financing Inc. Notes Supplemental Indentures or the Omnibus Offering Proceeds Note Subordination Agreement in a manner adverse to the Lenders and Level 3 or any Restricted Subsidiary and the Borrower shall not amend any other agreement between Level 3 or any Restricted Subsidiary and the Borrower to subordinate a payment obligation on any Indebtedness of Level 3 or any Restricted Subsidiary to the prior payment in full in cash of all obligations with respect to the Loan Proceeds Note, in each case, the determination of which shall be made by the Board of Directors of Level 3 acting in good faith and shall be evidenced by a Board Resolution of Level 3;

(g) unless an Event of Default has occurred and is continuing, Level 3 shall neither cause nor permit the Borrower to demand repayment of any Offering Proceeds Note prior to the satisfaction of the Guarantee Permit Condition and the Collateral Permit Condition;

(h) Level 3 and the Borrower shall cause any Indebtedness of Level 3 LLC to Level 3 to be evidenced by either the Parent Intercompany Note or another duly executed promissory note that is pledged and delivered to the Collateral Agent within 3 Business Days of the Incurrence of such Indebtedness; and

(i) notwithstanding anything to the contrary contained herein, neither the Borrower nor Level 3 LLC (nor any successor obligor under the Loan Proceeds Note) shall cause or permit the principal amount of the Loan Proceeds Note at any time to be less than the aggregate principal amount of Loans, Permitted First Lien Indebtedness and Permitted First Lien Refinancing Indebtedness outstanding at such time (after giving effect to any substantially concurrent repayment or prepayment of the Loans or such other Indebtedness at the time of any reduction in the principal amount of the Loan Proceeds Note).

Section 6.12 Covenant Suspension[Reserved]. During any period of time (a "Suspension Period") that (i) the corporate family rating (or equivalent) (which, for all purposes of this Section, may include a prospective corporate family rating (or equivalent) reflecting the pro forma effect of a proposed transaction or series of related and substantially concurrent transactions) assigned to Level 3 or the Borrower (or, if neither Level 3 nor the Borrower shall have been assigned a corporate family rating (or equivalent) from a Rating Agency, the corporate family rating (or equivalent) assigned to any direct or indirect parent of Level 3 from such Rating Agency) from two or more Rating Agencies are Investment Grade Ratings and (ii) no Default or Event of Default has occurred and is continuing, Level 3 and the Restricted Subsidiaries will not be subject to the covenants set forth in Sections 6.01, 6.02, 6.03, 6.04, 6.06(i)(a), 6.07, 6.08 (other than the first two sentences thereof), 6.13(a)(2) and (4), 6.13(c)(2) and (4) and clause (b) of the first sentence of Section 6.10 (collectively, the "Suspended Covenants"). In the event that Level 3 and the Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the preceding sentence and, on any subsequent date (the "Reversion Date"), one or more Rating Agencies withdraws its corporate family ratings (or equivalent) or downgrades the corporate family ratings (or equivalent) below the required Investment Grade Ratings, and as a result two or more Rating Agencies do not have in effect the required Investment Grade Ratings specified in clause (i), or a Default or Event of Default occurs and is continuing, then Level 3 and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants and calculations of the amount available to be made as Restricted Payments under Section 6.03 will be made as though Section 6.03 had been in effect during the entire period of time from the Measurement Date. On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be classified to have been Incurred pursuant to paragraph (a) of Section 6.01 or one of the clauses set forth in paragraph (b) of Section 6.01 or paragraph (a) of Section 6.02 or one of the clauses set forth in paragraph (b) of Section 6.02 (in each case to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness would not be permitted to be Incurred pursuant to paragraph (a) of Section 6.01 or one of the clauses set forth in paragraph (b) of Section 6.01 or paragraph (a) of Section 6.02 or one of the clauses set forth in paragraph (b) of Section 6.02, such Indebtedness will be deemed to have been outstanding on the Measurement Date, so that it is classified as permitted under Section 6.01(b)(v) or Section 6.02(b)(iii). If the Incurrence of any Indebtedness by a Restricted Subsidiary during the Suspension Period would have been prohibited or conditioned upon such Restricted Subsidiary entering into a Guarantee of the Obligations and a Loan Proceeds Note Guarantee had Section 6.01 and Section 6.02 been in effect at the time of such Incurrence, such Restricted Subsidiary shall enter into a Guarantee of the Obligations and a Loan Proceeds Note Guarantee that are senior to or *pari passu* with such Indebtedness within ten days after the Reversion Date. For purposes of determining compliance with Section 6.07 on the Reversion Date, the Net Available Proceeds from all Asset Dispositions not applied in accordance with the covenant will be deemed to be reset to zero. Notwithstanding the foregoing, neither (a) the continued existence, after the date of such withdrawal or downgrade, of facts and circumstances or obligations that were Incurred or otherwise came into existence during a Suspension Period nor (b) the performance of any such obligations, shall constitute a breach of any covenant set forth in the Agreement or cause a Default or Event of Default thereunder; provided, however, that (1) Level 3 and its Restricted Subsidiaries did not Incur or otherwise cause such facts and circumstances or obligations to exist

in anticipation of a withdrawal or downgrade below investment grade, (2) Level 3 reasonably believed that such Incurrence or actions would not result in such a withdrawal or downgrade and (3) if so required each Restricted Subsidiary shall have entered into a Guarantee of the Obligations and a Loan Proceeds Note Guarantee within the specified time period. For purposes of clauses (1) and (2) in the preceding sentence, anticipation and reasonable belief may be determined by Level 3 and shall be conclusively evidenced by a board resolution to such effect adopted in good faith by the Board of Directors of Level 3. In reaching their determination, the Board of Directors of Level 3 may, but need not, consult with the Rating Agencies.

Section 6.13 Consolidation, Merger, Conveyance, Transfer or Lease[Reserved].

Section 6.14 [Reserved].

. (a) Level 3 May Consolidate, etc., Only on Certain Terms. Level 3 shall not, in a single transaction or a series of related transactions, (i) consolidate with or merge into any other Person or Persons or permit any other Person to consolidate with or merge into Level 3 or (ii) directly or indirectly, transfer, sell, lease, convey or otherwise dispose of all or substantially all its assets to any other Person or Persons unless:

(1) in a transaction in which Level 3 is not the surviving Person or in which Level 3 transfers, sells, leases, conveys or otherwise disposes of all or substantially all of its assets to any other Person, the resulting surviving or transferee Person (the "successor entity") is organized under the laws of the United States of America or any State thereof or the District of Columbia and shall expressly assume all of Level 3's Obligations under the Loan Documents in a form satisfactory to the Administrative Agent;

(2) immediately before and after giving effect to such transaction and treating any Indebtedness which becomes an obligation of Level 3 (or the successor entity) or a Restricted Subsidiary as a result of such transaction as having been Incurred by Level 3 or such Restricted Subsidiary at the time of the transaction, no Default or Event of Default shall have occurred and be continuing;

(3) immediately after giving effect to such transaction and treating any Indebtedness which becomes an obligation of Level 3 (or the successor entity) or a Restricted Subsidiary as a result of such transaction as having been Incurred by Level 3 or such Restricted Subsidiary at the time of the transaction, Level 3 (or the successor entity) could Incur at least $1.00 of additional Indebtedness pursuant to paragraph (a) of Section 6.01;

(4) in the case of a transfer, sale, lease, conveyance or other disposition of all or substantially all of the assets of Level 3, such assets shall have been transferred as an entirety or virtually as an entirety to one Person and such Person shall have complied with all the provisions of this paragraph; and

(5) Level 3 and the Borrower have delivered to the Administrative Agent an Officers' Certificate and Opinion of Counsel, each in form and substance reasonably satisfactory to the Administrative Agent, stating that such consolidation, merger, transfer, sale, lease, conveyance or other disposition and the assumption by such Person of the Obligations under the Loan Documents, complies with this Section and that all conditions precedent herein have been complied with.

(b) Successor Level 3 Substituted. ARTICLE VIII

The Agent

Each of the Lenders hereby irrevocably appoints the Agent as its agent and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to the Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto.

In the event the institution serving as the Agent hereunder shall also be a Lender, it shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent, and such institution and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with Level 3, the Borrower or any Subsidiary or Affiliate thereof as if it were not the Agent hereunder.

The Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the Agent is required to exercise in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02), and shall not have any duty to take any action or exercise any powers that would result in the incurrence by it of costs or expenses unless arrangements satisfactory to it to ensure the prompt payment of all such costs or expenses shall have been made by the Lenders, and (c) the Agent shall not have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, to any Lender, any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliates, that is communicated to, obtained by or in the possession of, the Agent, any Joint Lead Arranger, any Joint Bookrunning Manager, any Co-Manager or any of their Related Parties in any capacity, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Agent herein. The Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct. The Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Agent by Level 3, the Borrower or a Lender, and the Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Agent. As to any matters not expressly provided for by this Agreement and the other Loan Documents (including enforcement or collection), the Administrative Agent and the Collateral Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Requisite Lenders, and such instructions shall be binding upon all Lenders, provided, however, that the Administrative Agent and the Collateral Agent shall not be required to take any action that (i) the Administrative Agent or the Collateral Agent in good faith believes exposes it to personal liability unless it receives an indemnification satisfactory to it from the Lenders with respect to such action or (ii) is contrary to this Agreement or applicable law.

The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Agent may consult with legal counsel (who may be counsel for Level 3 or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Agent. The Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

The Agent may at any time give notice of its resignation by notifying the Lenders and Level 3. Upon receipt of any such notice of resignation, except as otherwise provided in the immediately succeeding paragraph, the Required Lenders shall have the right, with~~, so long as no Default or Event of Default shall have occurred and be continuing,~~ the consent of Level 3 ~~(which consent shall not be unreasonably withheld or delayed)~~ to appoint a successor. If no successor shall have been so appointed by the Required Lenders (or shall otherwise have been appointed in accordance with the immediately succeeding paragraph) and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent which shall be a Lender or a bank with an office in New York, New York, or an Affiliate of such Lender or any such bank. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date. With effect from the Resignation Effective Date, (a) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by the Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such Collateral until such time as a successor Agent is appointed) and (b) except for any indemnity payments or other amounts then owed to the retiring Agent, all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Agent as provided above. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Agent (other than any rights to indemnity payments or other amounts owed to the retiring Agent as of the Resignation Effective Date), and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The fees payable by Level 3 to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between Level 3 and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring Agent, its subagents and their respective Related Parties in

respect of any actions taken or omitted to be taken by any of them (i) while the retiring Agent was acting as Agent and (ii) after such resignation or removal for as long as any of them continues to act in any capacity hereunder or under the other Loan Documents, including (a) holding any Collateral on behalf of any of the Lenders and (b) in respect of any actions taken in connection with transferring the agency to any successor Agent.

Notwithstanding the foregoing or anything to the contrary contained in this Agreement or in any other Loan Document, in the event of the resignation (solely at the election and in the discretion of Merrill Lynch Capital Corporation) by Merrill Lynch Capital Corporation as Agent under this Agreement and the other Loan Documents at any time after the Thirteenth Amendment Effective Date in connection with an assignment by Merrill Lynch Capital Corporation of the role of Agent to Bank of America, N.A. (or any of its Affiliates that has been consented to by Level 3 in accordance with the immediately preceding paragraph), each of the parties hereto hereby agrees that (a) such assignment by Merrill Lynch Capital Corporation of the role of Agent to Bank of America, N.A. or such Affiliate, applicable, and the appointment of Bank of America, N.A. or such Affiliate, as applicable, as successor Agent shall be permitted under this Agreement and the other Loan Documents without the consent of any Lender, and each Lender from time to time party to this Agreement is hereby deemed to have consented to the appointment of and appointed, for all purposes of the Loan Documents, including this Article VIII, Bank of America, N.A. or such Affiliate, as applicable, as successor Agent for all purposes of the Loan Documents, including this Article VIII, in each case, subject to only the written acceptance of such appointment by Bank of America, N.A. or such Affiliate, as applicable, (b) the minimum 30-day notice period contemplated by the immediately preceding paragraph shall not apply in respect of the resignation of Merrill Lynch Capital Corporation as Agent and the appointment of Bank of America, N.A. or such Affiliate, as applicable, as successor Agent as contemplated by clause (a) of this paragraph and (c) the resignation of Merrill Lynch Capital Corporation as Agent and the appointment of Bank of America, N.A. or such Affiliate, as applicable, as successor Agent shall become effective immediately upon written notice thereof to the Lenders by Merrill Lynch Capital Corporation.

Each Lender expressly acknowledges that none of the Administrative Agent, any Joint Lead Arranger, any Joint Bookrunning Manager or any Co-Manager has made any representation or warranty to it, and that no act by the Administrative Agent, any Joint Lead Arranger, any Joint Bookrunning Manager or any Co-Manager hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Loan Party of any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative Agent, any Joint Lead Arranger, any Joint Bookrunning Manager or any Co-Manager to any Lender as to any matter, including whether the Administrative Agent, any Joint Lead Arranger, any Joint Bookrunning Manager or any Co-Manager have disclosed material information in their (or their Related Parties') possession. Each Lender represents to the Administrative Agent, each Joint Lead Arranger, each Joint Bookrunning Manager and each Co-Manager that it has, independently and without reliance upon the Administrative Agent, any Joint Lead Arranger, any Joint Bookrunning Manager, any Co-Manager, any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis of, appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions

contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower hereunder. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Joint Lead Arranger, any Joint Bookrunning Manager, any Co-Manager, any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Each Lender represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender agrees not to assert a claim in contravention of the foregoing. Each Lender represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

Notwithstanding anything to the contrary herein, the Joint Lead Arrangers, Joint Bookrunning Managers and Co-Managers shall not have any right, power, obligation, liability, responsibility or duty under this Agreement or any other Loan Document, except in their respective capacities as the Agent or a Lender hereunder, as applicable.

(c) if to any other Lender, to it at its address (or telecopy number) set forth in its Administrative Questionnaire.

Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

Section 9.02 Waivers; Amendments; Addition of Term or Revolving Tranches.

(a) ~~(a)~~ No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default at the time.

(b) Except as provided in paragraph (d) or (f) of this Section, none of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Level 3, the Borrower and the Required Lenders or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of or impose additional obligations on any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or reduce the rate of interest thereon without the written consent of each Lender affected thereby, (iii) postpone the scheduled date of payment of the principal amount of any Loan or any interest thereon, or reduce the amount of, waive or excuse any such payment, without the written consent of each Lender affected thereby, (iv) change Section 2.12(b) or (c) in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender (except as provided in paragraph (d) of this Section), (v) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be), except as provided in paragraph (d) of this Section, (vi) release Level 3 or all or a substantial portion of the value of the Guarantees of the Obligations under the Guarantee Agreement (except as expressly provided in Sections 6.07, 6.08, 6.10 or 9.14 or in any Permitted First Lien Intercreditor Agreement that is effective or

the Guarantee Agreement), or limit the applicable Guarantor's liability in respect of any such Guarantee, without the written consent of each Lender, (vii) release all or any substantial part of the Collateral from the Liens of the Security Documents (except as expressly provided in Sections 6.07, 6.08, 6.10 or 9.14 or in any Permitted First Lien Intercreditor Agreement that is effective or the Collateral Agreement), or subordinate such Liens, without the written consent of each Lender, (viii) except to the extent necessary to comply with applicable law, amend or modify Section 9.04 in a manner that would by the terms of such amendment or waiver, as applicable, restrict the ability of the Lenders to make assignments, without the written consent of each Lender or (ix) change any provision of any Loan Document in a manner that by its terms directly adversely affects the rights of Lenders holding Commitments or Loans of any Class differently than those holding Commitments or Loans of any other Class, without the written consent of Lenders holding a majority in interest of the unused Commitments and outstanding Loans of the adversely affected Class, provided further that (i) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, without the prior written consent of the Administrative Agent and (ii) any waiver, amendment or modification of this Agreement that by its terms directly affects the rights or duties under this Agreement of one or more Classes of Lenders (but not the other Class or Classes of Lenders) may be effected by an agreement or agreements in writing entered into by Level 3, the Borrower and requisite percentage in interest of the affected Class or Classes of Lenders that would be required to consent thereto under this Section if such Class or Classes of Lenders were the only Class or Classes of Lenders hereunder at the time.

(c) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement referred to in any of clauses (i) through (vii) of the first proviso in paragraph (b) of this Section, the consent of the Required Lenders shall be obtained but the consent of one or more other Lenders whose consent is sought shall not be obtained, then the Borrower shall have the right, so long as all non-consenting Lenders whose individual consents are sought are treated as described in either clauses (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more replacement Lenders in accordance with the provisions of Section 2.13(b) so long as, at the time of such replacement, each such replacement Lender consents to the proposed change, waiver, discharge or termination or (B) repay the outstanding Loans of each such non-consenting Lender in accordance with Sections 2.05(a) and 2.10; provided that, unless the Loans that are repaid pursuant to preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of the outstanding Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) each Lender (determined after giving effect to the proposed action) shall specifically consent thereto.

(d) Notwithstanding anything in paragraph (b) of this Section to the contrary, this Agreement and the other Loan Documents may be amended at any time and from time to time to establish revolving credit commitments or one or more additional classes of term loans by an agreement in writing entered into by Level 3, the Borrower, the Administrative Agent, the Collateral Agent and each person (including any Lender) that shall agree to provide such a revolving credit commitment or make a term loan of any class so established (but without the consent of any other Lender), and each such person that shall not already be a Lender shall, at the time such agreement becomes effective, become a Lender with the same effect as if it had originally been a Lender under this Agreement with the revolving credit commitment and/or

term loans set forth in such agreement; provided that the aggregate outstanding principal amount of the revolving credit commitments and term loans of all classes established pursuant to this paragraph shall at no time exceed the maximum principal amount of the Indebtedness permitted to be incurred at such time under Section 6.01(b)(ii) and 6.02(b)(ii)). Any such agreement shall amend the provisions of this Agreement and the other Loan Documents to set forth the terms of the revolving credit commitments or class of term loans established thereby (including the amount and final maturity thereof (which, in the case of any class of term loans, shall not be earlier than (x) the latest Maturity Date in effect at the time of incurrence of such term loans or (y) if all of the net proceeds of such term loans are applied to refinance a Class of Loans outstanding hereunder with a Maturity Date earlier than the latest Maturity Date then in effect, the Maturity Date of such Loans being refinanced), any provisions relating to amortization or mandatory prepayments or offers to prepay (it being agreed that not more than 1% of the aggregate principal amount of the term loans of any class shall amortize during any calendar year prior to the latest Maturity Date in effect at the time of incurrence of such term loans and that provisions for mandatory prepayments of and offers to prepay the term loans of any class may require such term loans to be prepaid or offered the right to be prepaid ratably with the Loans but shall not include any additional mandatory prepayment rights), the interest to accrue and be payable thereon and any fees to be payable in respect thereof) and to effect such other changes (including changes to the provisions of this Section, Section 2.12 and the definition of "Required Lenders" and changes to provide for a note of Level 3 LLC evidencing the advance of the proceeds of any loans) as Level 3, the Borrower and the Administrative Agent shall deem necessary or advisable in connection with the establishment of any such revolving credit commitments or class of term loans; provided that no such agreement shall (i) effect any change described in any of clauses (i), (ii), (iii), (vi) or (vii) of paragraph (b) of this Section without the consent of each person required to consent to such change under such clause (it being agreed, however, that the establishment of any revolving commitment or class of term loans will not, of itself, be deemed to effect any of the changes described in clauses (vi) or (vii) of such paragraph (b)), or (ii) amend Article V, VI or VII to establish any affirmative or negative covenant, Event of Default or remedy that by its terms benefits any such revolving credit commitments or class of term loans but not the Loans without the prior written consent of Lenders holding a majority in interest of the Loans. Without limiting the foregoing, a Qualified Receivable Facility permitted by Sections 6.01 and 6.02 may be established pursuant to and in accordance with the provisions of this paragraph and may have a first priority Lien on Collateral consisting of Receivables, collections thereof and accounts established solely for the collection of such Receivables, and the Agent is authorized and directed to enter into all such amendments to the Loan Documents as it shall deem necessary or advisable to establish such first priority Lien and to subordinate to such Lien on customary terms (as determined by the Agent and Level 3) the Liens on such Receivables securing the other Obligations. The loans of any class established pursuant to this paragraph shall, to the extent provided in the amendment entered into in connection therewith, be entitled to all the benefits afforded by this Agreement and the other Loan Documents, and shall benefit equally and ratably (except as provided in the next preceding sentence) from the Guarantees created by the Guarantee Agreement and security interests created by the Collateral Agreement and the other Security Documents. Level 3 and the Borrower shall take any actions reasonably required by the Administrative Agent to ensure and/or demonstrate that the Guarantee and Collateral Requirement continues to be satisfied after the establishment of any such revolving credit commitments or class of term loans. Notwithstanding the foregoing provisions

of this paragraph (d), no Regulated Grantor Subsidiary shall pledge any assets as collateral in support of any loans of any class established pursuant to this paragraph, nor shall any Regulated Guarantor Subsidiary Guarantee any such loans, unless it has obtained all material (as determined in good faith by the General Counsel of Level 3) authorizations and consents of Federal and State Governmental Authorities required in order for such loans and all other loans outstanding hereunder to be secured by such assets and guaranteed by such Regulated Guarantor Subsidiary. Notwithstanding anything to the contrary in this Agreement: (1) this Section 9.02(d) is for the benefit of the Borrower and shall be applicable to a transaction only at the Borrower's express election (provided the requirements of this Section 9.02(d) are otherwise met); and (2) the Transaction Support Agreement Transactions were not implemented pursuant to this Section 9.02(d) and this Section 9.02(d) does not and will not apply to the Transaction Support Agreement Transactions.

(e) For each borrowing under an Additional Tranche, the Borrower shall use the net proceeds of each such issuance and additional funds as necessary to lend to Level 3 LLC an amount equal to the principal amount of the Additional Tranche so issued, and the principal amount of the Loan Proceeds Note shall be increased by such amount.

(f) Notwithstanding anything in paragraph (b) of this Section to the contrary, this Agreement and the other Loan Documents may be amended (i) as provided in Section 2.08(b) and (ii) at any time and from time to time pursuant to an agreement or agreements in writing entered into by the Borrower and the Administrative Agent to cure any jointly identified ambiguity, mistake, omission, defect, inconsistency, or obvious error, or to effect any necessary and desirable technical change, without the requirement to obtain the input or consent of the Required Lenders or any Lender if the same is not objected to in writing by the Required Lenders to the Administrative Agent within five Business Days following receipt of notice thereof.

Section 9.03 Expenses; Indemnity; Damage Waiver.

(a) ~~(a)~~ Level 3 and the Borrower shall pay, on a joint and several basis, (i) all reasonable out-of-pocket expenses incurred by the Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Agent, in connection with all ministerial activities in the administration of the Loan Documents and any amendments, modifications or waivers of the provisions thereof and (ii) all reasonable out-of-pocket expenses incurred by the Agent and its Affiliates and each Lender in connection with the enforcement of the Loan Documents, including rights under this Section, or in connection with the Loans, but Level 3 and the Borrower shall only be liable for the fees and expenses of counsel for the Agent and one other counsel for all such other Persons (as well as separate local and regulatory counsel). The Borrower also shall pay all Lien search, filing, recording and similar fees incurred by the Collateral Agent in connection with the creation and perfection of the security interests contemplated by the Loan Documents (other than the filing fees in connection with any local fixture filings and the expenses in connection with obtaining real estate descriptions for fixture filings).

(b) Level 3 and the Borrower shall indemnify, on a joint and several basis, the Agent, each Joint Lead Arranger, each Joint Bookrunning Manager, each Co-Manager, each Lender and each Related Party of the foregoing (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated hereby or thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby, or the Collateral, (ii) any Loan or the use of the proceeds thereof, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by Level 3, the Borrower or any of the Subsidiaries of Level 3, or any Environmental Liability related in any way to Level 3, the Borrower or any of the Subsidiaries of Level 3, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. It is agreed that the expenses for which Level 3 and the Borrower agree to indemnify the Agent, each Joint Lead Arranger, each Joint Bookrunning Manager and each Co-Manager under this paragraph shall not include expenses associated with (i) the arrangement and syndication of the Loans, (ii) the preparation, execution and delivery of the Loan Documents, (iii) the enforcement of the Loan Documents or (iv) the filing fees in connection with any local fixture filings and the expenses in connection with obtaining real estate descriptions for fixture filings; provided, that nothing in this sentence shall have the effect of reducing any rights of the Agent or its Affiliates pursuant to paragraph (a) of this Section or of reducing the Borrower's responsibility for expenses related to claims, litigation, investigations or proceedings referred to in clause (iv) of the immediately preceding sentence.

(c) To the extent that Level 3 and the Borrower fail to pay any amount required to be paid by them to the Agent or any Related Party of the Agent under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Agent such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought), based on the amount of its Commitment or outstanding Loans or, if no Loans shall be outstanding, on the amount of its Loans on the most recent date on which Loans were outstanding, of such unpaid amount; provided that (i) the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Agent in its capacity as such and (ii) such indemnity shall not, as to the Agent or any Related Party, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of the Agent or such Related Party, as the case may be.

(d) To the extent permitted by applicable law, neither Level 3 nor the Borrower shall assert, and each hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

Section 9.04 Successors and Assigns.

(a) ~~(a)~~ The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto, the Indemnitees and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, Indemnitees, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of the Agent) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may assign to one or more assignees all or a portion of its rights under this Agreement (including all or a portion of the Loans at the time owing to it) to an Eligible Transferee; provided, that (i) except in the case of an assignment to a Lender, the amount of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall be an integral multiple of $1,000,000 (or the entire remaining amount of the assigning Lender's Loans, if less than $1,000,000) unless the Administrative Agent shall otherwise consent, provided that (A) in the event of concurrent assignments to two or more assignees that are Affiliates of one another, or to two or more Approved Funds managed by the same investment advisor or by affiliated investment advisors, all such concurrent assignments shall be aggregated in determining compliance with this subsection and (B) in the event of concurrent assignments to or by two or more assignors that are Affiliates of one another, or to or by two or more Approved Funds managed by the same investment advisor or by affiliated investment advisors, all such concurrent assignments shall be aggregated in determining compliance with this subsection; (ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; (iii) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500 (except that in the event of (A) concurrent assignments to two or more assignees that are Affiliates of one another, or to two or more Approved Funds managed by the same investment advisor or by affiliated investment advisors or (B) concurrent assignments by two or more assignees that are Affiliates of one another, or by two or more Approved Funds managed by the same investment advisor or by affiliated investment advisors, only one such fee shall be payable); and (iv) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(c) Subject to acceptance and recording thereof pursuant to paragraph (d) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender of the applicable Class under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.09, 2.10, 2.11 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (f) of this Section. Each assignment hereunder shall be deemed to be an assignment of the related rights under the Security Documents.

(d) The Administrative Agent shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans owing to, each Lender, and the applicable Class thereof, pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice. Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder) and the processing and recordation fee referred to in paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(e) By executing and delivering an Assignment and Assumption, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Commitment and the outstanding balances of its Loans, in each case without giving effect to assignments thereof that have not become effective, are as set forth in such Assignment and Assumption; (ii) except as set forth in clause (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or any other instrument or document furnished pursuant hereto or thereto, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of any of the foregoing, or the financial condition of the Loan Parties or the performance or observance by the Loan Parties of any of their obligations under this Agreement or under any other Loan Document or any other instrument or document furnished pursuant hereto or thereto; (iii) each of the assignee and the assignor represents and warrants that it is legally authorized to enter into such Assignment and Assumption; (iv) such assignee confirms that it has received a copy of this Agreement, together with copies of any amendments or consents entered into prior to the date of such Assignment and Assumption and copies of the most recent financial statements delivered pursuant to Section 5.01 and such other documents and information as it has deemed appropriate

to make its own credit analysis and decision to enter into such Assignment and Assumption; (v) such assignee will independently and without reliance upon the Agents, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) such assignee appoints and authorizes the Agents to take such action as agents on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to them by the terms hereof and thereof, together with such powers as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all the obligations that by the terms of this Agreement are required to be performed by it as a Lender.

(f) (i) Any Lender may, without the consent of the Borrower, or the Administrative Agent, sell participations to one or more other Persons (each a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that affects such Participant and that, under Section 9.02(b), would require the consent of each affected Lender. Subject to paragraph (f)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.09, 2.10 and 2.11 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.12(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement or any other Loan Document (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) ~~(~~A Participant shall not be entitled to receive any greater payment under Section 2.09, 2.10 or 2.11 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant unless the sale of the participation to such Participant is made with the Borrower's prior written consent, which consent shall specifically refer to this exception. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.11 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.11(e) as though it were a Lender.

(g) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained in this Section 9.04 or any other provision of this Agreement, ~~so long as no Default or Event of Default shall have occurred and be continuing or would result therefrom,~~ any Lender may at any time sell, assign or transfer all or a portion of the Loans at the time owing to it to the Borrower on a non-pro rata basis, including pursuant to one or more modified Dutch auctions conducted by the Borrower, (each, an "Auction"), (provided, however, that each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Loan), subject to the following limitations:

(i) In the case of any Auction, notice of the Auction shall be made to all Lenders and the Auction shall be conducted pursuant to such procedures as the Auction Manager may establish which are consistent with this Section 9.04(h) and the Auction Procedures set forth on Exhibit J and are otherwise reasonably acceptable to Borrower, the Auction Manager and the Administrative Agent;

(ii) ~~(A) the Borrower shall deliver to the Administrative Agent or, in the case repurchases pursuant to an Auction, the Auction Manager, an Officers' Certificate stating that (1) no Default or Event of Default shall have occurred and be continuing or would result from such repurchase and (2) in the case of repurchases pursuant to an Auction, as of the launch date of such Auction and the effective date of any Borrower Assignment Agreement, it is not in possession of any information regarding Level 3, the Borrower or any other of its Subsidiaries or its Affiliates, or their assets, the Borrower's ability to perform its Obligations or any other matter that may be material to a decision by any Lender to participate in any Auction or enter into any Borrower Assignment Agreement or any of the transactions contemplated thereby that has not previously been disclosed to the Auction Manager, the Administrative Agent and the Non-Public Lenders and (B)~~ the assigning Lender and Borrower shall execute and deliver to the Administrative Agent or, in the case of repurchases pursuant to an Auction, the Auction Manager, a Borrower Assignment Agreement; and

(iii) Following repurchases by the Borrower pursuant to this Section 9.04(h), the Loans so repurchased shall, without further action by any Person, be deemed cancelled for all purposes and no longer outstanding (and may not be resold by the Borrower), for all purposes of this Agreement and all other Loan Documents, including, but not limited to (A) the making of, or the application of, any payments to the Lenders under this Agreement or any other Loan Document, (B) the making of any request, demand, authorization, direction, notice, consent or waiver under this Agreement or any other Loan Document or (C) the determination of Required Lenders, or for any similar or related purpose, under this Agreement or any other Loan Document. In connection with any Loans repurchased and cancelled pursuant to this Section 9.04(h), the Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation.

Section 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 2.09, 2.10, 2.11 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans or the termination of this Agreement or any provision hereof.

Section 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective as provided in Section 4.01.

Section 9.07 Severability.

(a) Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

(b) In the event any one or more of the provisions contained in this Agreement, any other Loan Document or any waiver, amendment or modification to this Agreement or other Loan Document (or purported waiver, amendment, or modification) including pursuant to the Fourteenth Amendment Agreement, should be held invalid, illegal, unenforceable or to be unauthorized under the terms of Section 9.02, then:

(i) (A) such provisions, waivers, amendments or modifications (or purported waivers, amendments or modifications) shall be construed or deemed modified so as to be valid, legal, enforceable and authorized under the terms of Section 9.02, as applicable, with an economic effect as close as possible to that of the invalid, illegal, unenforceable or unauthorized provisions, waivers, amendments or modifications, as applicable, and (B) once construed or modified by clause (A), such provisions, waivers, amendments or modifications (or attempted waivers, amendments, or modifications) shall be deemed to have been operative *ab initio*,

(ii) any such provision, waiver, amendment or modification (or purported waiver, amendment or modification) not capable of being modified or construed in accordance with the foregoing clause (i) shall automatically be considered without effect, and such provision, waiver, amendment or modification shall for all purposes be deemed to have never been implemented or occurred, as applicable, and

(iii) after giving effect to each of the foregoing clauses (i) and (ii), the validity, legality and enforceability of the remaining provisions or waivers, amendments or modifications, as applicable, contained herein and therein shall not in any way be affected or impaired thereby.

(c) Notwithstanding any other provision of this Agreement, if a court of competent jurisdiction – in a final and unstayed order – determines that any aspect of the Level 3 Senior Unsecured Notes Transaction (as defined in the Transaction Support Agreement) is invalid for any reason, such determination shall not (directly or indirectly) constitute a default or breach of this Agreement or any other Loan Document.

Section 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing and the Loans shall have become due and payable pursuant to Article VII, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

Section 9.09 Governing Law; Jurisdiction; Consent to Service of Process. (a) This Agreement and the other Loan Documents, and any claim, controversy or dispute (whether in tort, in contract, at law or in equity or otherwise) based upon, arising out of or related to this Agreement and the other Loan Documents, shall be construed in accordance with and governed by the law of the State of New York.

(b) Each of Level 3 and the Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against Level 3, the Borrower or its properties in the courts of any jurisdiction.

(c) Each of Level 3 and the Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.12 Confidentiality. The Administrative Agent and each Lender agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to any pledgee referred to in Section 9.04(g) or to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (g) with the consent of the Borrower, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section, (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than Level 3 or the Borrower, (i) to any direct or indirect contractual counterparty in swap agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section or (j) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender. For the purposes of this Section, "Information" means all information received from Level 3 or the Borrower relating to Level 3 or the Borrower or its business (including information obtained through the exercise of a Lender's rights under Sections 5.01) other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by Level 3 or the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 9.14 Release of Subsidiary Loan Parties and Collateral. (a) Notwithstanding any contrary provision herein or in any other Loan Document, if Level 3 shall request the release under any Security Document of (i) any of its Subsidiaries ~~(other than the Borrower or Level 3 LLC)~~ or any Collateral to be sold or otherwise disposed of (including through the sale or disposition of any Subsidiary ~~(other than the Borrower or Level 3 LLC)~~ owning any such Subsidiary or Collateral) to a Person other than Level 3, the Borrower or a Subsidiary of the Borrower in a transaction ~~permitted under~~not prohibited by the terms of this Agreement ~~(including to the extent permitted by Section 6.07, 6.08 or 6.10)~~, (ii) any Receivables, collections thereof and accounts established solely for the collection of such Receivables to secure the Incurrence of Indebtedness pursuant to a Qualified Receivable Facility ~~as permitted by Section 6.01(b)(ii) or 6.02(b)(ii)~~ not prohibited by the terms of this Agreement, or any Securitization Assets transferred to a Securitization Subsidiary in connection with a Qualified Securitization Facility, or (iii) any Property that is to become subject to any Lien ~~permitted~~not prohibited to be Incurred ~~under Section 6.05(ii)(3) or (4), and shall deliver to the Collateral Agent a certificate to the effect that such sale or other disposition and the application of the proceeds thereof will comply with~~by the terms of this Agreement ~~and that no Event of Default shall have occurred and be continuing~~, the Collateral Agent~~, if satisfied that the applicable certificate is correct, and if satisfied with any arrangements for the receipt and deposit of proceeds of such transaction to the extent required under Section 6.07(b), shall, unless an Event of Default has occurred and is continuing,~~ shall execute and deliver all such instruments, releases, financing statements or other agreements, and take all such further actions, as shall be necessary to effectuate the release of such Subsidiary or such Collateral substantially simultaneously with or at any time after the completion of such sale or other disposition; provided that if the Collateral to be sold or otherwise disposed of is sold or otherwise disposed of by a Grantor in a transaction ~~permitted by the Credit~~not prohibited by this Agreement to a Person other than Level 3 or a Subsidiary of Level 3, then such Collateral shall be automatically released from any Lien created by this Agreement or any other Loan Document upon the effectiveness of such sale or disposition. The Collateral Agent shall execute and deliver all such releases, termination statements or other instruments, and take all such further actions, including without limitation the filing of any Uniform Commercial Code equivalent lien release filings in respect thereof, as shall be necessary to effectuate or confirm any release of Collateral required by this paragraph. ~~Notwithstanding the foregoing or any other provision of this Agreement or any other Loan Document, no Restricted Subsidiary that is or becomes a Grantor or Guarantor on or after the Thirteenth Amendment Effective Date shall be released from its Obligations, and no Liens created this Agreement and the other Loan Documents on the Collateral owned by such Restricted Subsidiary shall be released, solely in connection with such Restricted Subsidiary becoming a Sister Restricted Subsidiary on or after the Thirteenth Amendment Effective Date.~~

(c) Without limiting the provisions of Section 9.03, Level 3 and the Borrower shall reimburse the Collateral Agent for all reasonable out-of-pocket costs and expenses, including the reasonable fees, charges and disbursements of counsel, incurred by it in connection with any action contemplated by this Section.

(d) No such termination or cessation shall release, reduce or otherwise adversely affect the obligations of any other Loan Party under this Agreement or any other Loan Document, all of which obligations continue to remain in full force and effect.

Section 9.15 ~~Senior Debt Status~~[Reserved] ~~. In the event that any Loan Party shall at any time issue or have outstanding any Indebtedness that by its terms is subordinated to any other Indebtedness of such Loan Party, Level 3 shall take or cause such other Loan Party to take all such actions as shall be necessary to cause the Obligations to constitute senior indebtedness (however denominated) in respect of such subordinated Indebtedness and to enable the Lenders to have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such subordinated Indebtedness. The Administrative Agent shall not be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Agreement or any other Loan Document as a result of the unavailability of any benchmark interest rate, including as a result of any inability, delay, error or inaccuracy on the part of any other party, including without limitation any lenders or the Borrower, in providing any direction, instruction, notice or information required or contemplated by the terms of this Agreement or the other Loan Documents and reasonably required for the performance of such duties. The Administrative Agent and its affiliates or other related entities may engage in transactions or other activities that affect any reference rate referred to herein, or any alternative, successor or replacement rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing) or any related spread or other adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any reference rate referred to herein or any alternative, successor or replacement rate (including, without limitation, any Successor Rate) **(**or any component of any of the foregoing), in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any delay, error or other action or omission related to or affecting the selection, determination, or calculation of any rate (or component thereof) provided by any such information source or service.

Section 1.07. *Divisions*. Any reference herein to a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability company (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, consolidation,

assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate person. Any division of a limited liability company shall constitute a separate person hereunder (and each division of any limited liability company that is a Subsidiary, joint venture or any other like term shall also constitute such a person or entity).

Section 1.08. *Effectuation of Transactions*. Each of the representations and warranties with respect to Holdings, the Borrower and any of the Subsidiaries contained in this Agreement (and all corresponding definitions) are made solely after giving pro forma effect to the Transactions, unless the context otherwise requires.

ARTICLE II

THE CREDITS

Section 2.01. *Commitments*. Subject to the terms and conditions set forth herein:

(a) On the Closing Date, subject to the terms and conditions set forth herein, each Lender shall be deemed to have made (i) Term B-1 Loans in Dollars to the Borrower in an aggregate principal amount of its Term B-1 Commitment on the Closing Date and (ii) Term B-2 Loans in Dollars to the Borrower in an aggregate principal amount of its Term B-2 Commitment on the Closing Date.

(b) Each Lender having an Incremental Term Loan Commitment agrees, severally and not jointly, subject to the terms and conditions set forth in the applicable Incremental Assumption Agreement, to make an Other Incremental Term Loan to the Borrower, in an aggregate principal amount not to exceed its Incremental Term Loan Commitment.

(c) Notwithstanding anything to the contrary herein, on or before the date that is 90 days after the Closing Date (or, if any Existing 2027 Term Loan is subject to an Open Trade (as defined in the Transaction Support Agreement) on the date that is 90 days after the Closing Date, the date of settlement of such Open Trade), the Borrower and any Qualified Existing 2027 Term Lender may agree to exchange and fully discharge the Existing 2027 Term Loans of such Qualified Existing 2027 Term Lender through Borrowings of additional Term B Loans in the form of an equal amount of Qualified Joining Lender Term B-1 Loans and Qualified Joining Lender Term B-2 Loans, in each case, deemed made by cashless roll by such Qualified Existing 2027 Term Lender as a Lender under this Agreement (a "**Qualified Joining Lender**") on the date of the applicable cashless rolls (the "**Qualified Joining Term B Loan Exchange**"). A Qualified Existing 2027 Term Lender shall become a Qualified Joining Lender hereunder after the Closing Date by (x) its execution and delivery to the Administrative Agent, the Collateral Agent and the Borrower of a joinder substantially in the form of Exhibit K hereto (a "**Qualified Joinder**") and (y) the Borrower paying all accrued and unpaid interest owing to such Qualified Existing 2027 Term Lender at such time in accordance with the terms of the Existing Credit Agreement in respect of the Existing 2027 Term Loans that are exchanged

directly into Qualified Joining Lender Term B Loans to such Qualified Existing 2027 Term Lender in cash on the date of the applicable cashless rolls; *provided*, that the Qualified Joining Term B Loan Exchange shall occur on the date on which each of the foregoing conditions in (x) and (y) is satisfied (it being understood that the Administrative Agent may assume that the condition in (y) has been satisfied on the same date as the condition in (x) has been satisfied, unless the Administrative Agent is otherwise notified in writing by the Borrower or the Qualified Existing 2027 Term Lender) ("**Qualified Joining Exchange Date**"); *provided*, *further*, that if the Qualified Joining Term B Loan Exchange shall occur on a date that is five or less Business Days prior to any Interest Payment Date, the Qualified Joining Exchange Date for such Qualified Joining Term B Loan Exchange shall be the Business Day immediately after such Interest Payment Date. Notwithstanding anything to the contrary herein:

(i) commencing on the Qualified Joining Exchange Date, the Qualified Joining Lender Term B Loans shall be deemed for all purposes hereunder to be: (x) in the case of the Qualified Joining Lender Term B-1 Loans, Term B-1 Loans and (y) in the case of the Qualified Joining Lender Term B-2 Loans, Term B-2 Loans and shall, for the avoidance of doubt, accrue interest at the same rate as, be the same Type of Loan as, have the same stated maturity as and have an Interest Period that is coterminous with, (x) in the case of the Qualified Joining Lender Term B-1 Loans, the Term B-1 Loans deemed made on the Closing Date and (y) in the case of the Qualified Joining Lender Term B-2 Loans, the Term B-2 Loans deemed made on the Closing Date and

(ii) each Qualified Joining Lender automatically irrevocably confirms that all "Obligations" (as defined in the Existing Credit Agreement) in respect of the Existing 2027 Term Loans so exchanged and discharged pursuant to this Section 2.01(c) shall be permanently terminated and released on and from the Qualified Joining Exchange Date.

(d) Term Loans that are repaid or prepaid may not be reborrowed.

Section 2.02. *Loans and Borrowings*.

(a) Each Term Loan shall be made as part of a Borrowing consisting of Term Loans of the same Class and of the same Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Term Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; *provided*, that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or Term SOFR Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any ABR Loan or Term SOFR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.15, 2.16 and 2.17 shall apply to such Affiliate

to the same extent as to such Lender); *provided*, that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement and such Lender shall be otherwise treated as the Lender for all purposes under this Agreement and the other Loan Documents, but shall not be entitled to any amounts payable under Section 2.15 or 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.

(c) Borrowings of more than one Type and Class may be outstanding at the same time; *provided*, that the Borrower shall not be entitled to request any Borrowing or conversion that, if made, and after giving effect to all Borrowings, all conversions of Loans from one Type to another, and all continuations of Loans of the same Type, would result in more than 4 (four) Term SOFR Borrowings outstanding under all Facilities at any time. Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing of any Class if the Interest Period requested with respect thereto would end after the Maturity Date of the Facility under which such Borrowing was made.

Section 2.03. *Requests for Borrowings*.

(a) To request a Term Borrowing, the Borrower shall notify the Administrative Agent by delivering a Borrowing Request (x) in the case of a Term SOFR Borrowing, not later than 11:00 a.m., Local Time, (i) in the case of any Borrowing on the Closing Date, one Business Day before such proposed Borrowing or (ii) in all other cases, two Business Days before the date of the proposed Borrowing or (y) in the case of an ABR Borrowing not later than 12:00 p.m., Local Time, one Business Day before the date of the proposed Borrowing (or such earlier time as the Administrative Agent may agree); *provided*, that if the Borrower wishes to request Term SOFR Loans having an Interest Period other than one, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 12:00 p.m., Local Time, four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the applicable Lenders of such request and the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not all of the applicable Lenders have provided their consent to the requested Interest Period no later than 12:00 p.m., Local Time, two Business Days before the requested date of such Borrowing. Each such Borrowing Request shall be irrevocable. Each Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) whether such Borrowing is to be a Borrowing of Term B-1 Loans, Term B-2 Loans or Other Term Loans of a particular Class, as applicable;

(ii) the aggregate amount of the requested Borrowing;

(iii) the date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing or a Term SOFR Borrowing;

(v) in the case of a Term SOFR Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(vi) the location and number of the Borrower's account to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Term SOFR Borrowing then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04. *[Reserved]*.

Section 2.05. *[Reserved]*.

Section 2.06. *[Reserved]*.

Section 2.07. *Interest Elections*.

(a) Each Borrowing initially shall be of the Type, and under the applicable Class, specified in the applicable Borrowing Request and, in the case of a Term SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Term SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding any other provision of this Section 2.07, the Borrower shall not be permitted to change the Class of any Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall deliver an Interest Election Request to the Administrative Agent by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type and Class resulting from such election to be made on the effective date of such election. Notwithstanding any contrary provision herein, this Section 2.07 shall not be construed to permit the Borrower to (i) elect an Interest Period for Term SOFR Loans that does not comply with Section 2.02(d) or (ii) convert any Borrowing to a Borrowing of a Type not available under the Class of Commitments or Loans pursuant to which such Borrowing was made.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Term SOFR Borrowing; and

(iv) if the resulting Borrowing is a Term SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Term SOFR Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. If less than all the outstanding principal amount of any Borrowing shall be converted or continued, then each resulting Borrowing shall be in an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum and satisfy the limitations specified in Section 2.02(c) regarding the maximum number of Borrowings of the relevant Type.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Term SOFR Borrowing prior to the end of the Interest Period applicable thereto or with respect to the Term B Loans prior to the Closing Date, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, then, at the election of the Administrative Agent (acting at the direction of the Required Lenders) (i) no outstanding Borrowing may be converted to or continued as a Term SOFR Borrowing and (ii) unless repaid, each Term SOFR Borrowing shall be converted to an ABR Borrowing at the end of the then-current Interest Period thereof.

Section 2.08. *[Reserved]*.

Section 2.09. *Repayment of Loans; Evidence of Debt*.

(a) The Borrower hereby unconditionally promise to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Facility, Class and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to clause (b) or (c) of this Section shall be *prima facie* evidence of the existence and amounts of the obligations recorded therein; *provided*, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent pursuant to paragraph (c) of this Section shall control.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "**Note**"). In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in the form attached hereto as Exhibit H, or in another form approved by such Lender and the Borrower in their sole discretion. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

Section 2.10. *Repayment of Term Loans and Prepayment Procedures*.

(a) Subject to the other clauses of this Section 2.10 and to Section 9.08(f),

(i) the Borrower shall repay principal of outstanding Term B-1 Loans on the Term B-1 Maturity Date in an aggregate principal amount equal to the then unpaid principal amount of such Term B-1 Loans outstanding;

(ii) the Borrower shall repay principal of outstanding Term B-2 Loans on the Term B-2 Maturity Date in an aggregate principal amount equal to the then unpaid principal amount of such Term B-2 Loans outstanding;

(iii) in the event that any Other Term Loans are made, the Borrower shall repay such Other Term Loans on the dates and in the amounts set forth in the related Incremental Assumption Agreement, Extension Amendment or Refinancing Amendment (each such date being referred to as an "**Other Term Loan Installment Date**"); and

(iv) to the extent not previously paid, all outstanding Term Loans shall be due and payable on the applicable Term Facility Maturity Date.

(b) [Reserved].

(c) Notwithstanding anything herein to the contrary:

(i) any mandatory prepayment of Term Loans pursuant to Section 2.11 shall be applied so that the aggregate amount of such prepayment is allocated among all Classes of outstanding Term Loans *pro rata* based on the aggregate principal amount of each Class of outstanding Term Loans, if any, to reduce amounts due on the succeeding Term Loan Installment Dates, if any, for such Classes and/or to repay the principal amount thereof if no such Term Loan Installment Dates exist for the applicable Class or to the extent such amounts are reduced to zero pursuant to prepayments applied pursuant to this sentence; *provided*, that, subject to the *pro rata* application to Term Loans outstanding within any respective Class of Term Loans, with respect to mandatory prepayments of Term Loans pursuant to Section 2.11, any Class of Other Term Loans may receive less than its *pro rata* share thereof (as a result of any Declined Prepayment Amount or to the extent the respective Class receiving less than its *pro rata* share has consented thereto) so long as the amount by which its *pro rata* share exceeds the amount actually applied to such Class is applied to repay (on a *pro rata* basis) the outstanding Term B Loans and any other Classes of then outstanding Other Term Loans; and

(ii) any mandatory prepayment of Term Loans pursuant to Section 2.11(b) shall be applied by the Borrower so that the aggregate amount of such prepayment is allocated among (x) the Term Loans and (y) any Other First Lien Debt (or any Permitted Refinancing Indebtedness in respect thereof that is secured on a *pari passu* basis with the Obligations) that requires mandatory prepayment or repurchase from any Net Proceeds, in the case of clauses (x) and (y), *pro rata* based on the aggregate principal amount of the Term Loans and such Other First Lien

Debt outstanding (or, in the discretion of the Borrower, on a basis that results in a greater than *pro rata* paydown for the Term Loans) (*provided*, that in respect of the Net Proceeds of the kind described in clauses (d), (e), (f) and (g) of the definition thereof, to the extent the holders of Other First Lien Debt decline to have such Indebtedness repurchased, repaid or prepaid with the amount of any such Net Proceeds, the declined amount of such Net Proceeds shall promptly (and, in any event, within five (5) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof (to the extent such amount of such Net Proceeds would otherwise have been required to be applied if such Other First Lien Debt was not then outstanding)).

Any optional prepayments of the Term Loans pursuant to Section 2.11(a) shall be applied to the remaining installments of the Term Loans under the applicable Class or Classes as the Borrower may in each case direct.

Prior to any prepayment of any Loan under any Facility hereunder, the Borrower shall select the Borrowing or Borrowings under the applicable Facility to be prepaid and shall notify the Administrative Agent of such selection not later than (i) 11:00 a.m., Local Time, in the case of an ABR Borrowing, on at least one Business Day before the scheduled date of such prepayment and (ii) 2:00 p.m., Local Time, in the case of a Term SOFR Borrowing, at least three Business Days before the scheduled date of such prepayment (or, in each case, such shorter period acceptable to the Administrative Agent). Each such notice shall be irrevocable; *provided*, that a notice of prepayment may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. All repayments of Loans shall be accompanied by (A) accrued interest on the amount repaid to the extent required by Section 2.13(d) and (B) break funding payments pursuant to Section 2.16.

(d) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to Section 2.11(b), 2.11(d) or 2.11(e) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Term Lender of the contents of any such prepayment notice and of such Term Lender's ratable portion of such prepayment (based on such Lender's *pro rata* share of each relevant Class of the Term Loans). Any Term Lender (a "**Declining Term Lender**") may elect, by delivering written notice to the Administrative Agent and the Borrower no later than 5:00 p.m. one (1) Business Day after the date of such Term Lender's receipt of notice from the Administrative Agent regarding such prepayment, that the full amount of any mandatory prepayment otherwise required to be made with respect to the Term Loans held by such Term Lender pursuant to Section 2.11(b), 2.11(d) or 2.11(e) not be made (the aggregate amount of such prepayments declined by the Declining Term Lenders, the "**Declined Prepayment Amount**"). If a Term Lender fails to deliver notice

setting forth such rejection of a prepayment to the Administrative Agent within the time frame specified above or such notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Prepayment Amount which would otherwise have been applied to such Term Loans of the Declining Term Lenders shall instead be retained by the Borrower.

Section 2.11. *Prepayment of Loans*.

(a) The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (other than the Applicable Premium and subject to Section 2.16 and prior notice in accordance with the provisions of Section 2.10(c)), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, subject to prior notice in accordance with the first sentence of Section 2.10(d). All prepayments of Term B Loans pursuant to this clause (a), Section 2.11(b)(ii) (but solely in respect of clause (c) of the definition of Net Proceeds) or Section 2.11(e) shall be accompanied by a prepayment fee equal to the Applicable Premium.

(b) The Borrower shall apply

(i) all Net Proceeds (other than Net Proceeds of the kind described in the following clause (ii)) within five (5) Business Days (or, in the case of Other First Lien Debt that requires mandatory prepayment or repurchase from any Net Proceeds, within the period set forth in the documentation governing such Other First Lien Debt) after receipt thereof to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10; *provided*, that Net Proceeds of the kind described in clauses (d), (e), (f) and (g) of the definition thereof that are required to prepay the Term Loans and (if applicable) Other First Lien Debt shall be reduced dollar-for-dollar by the amount of Net Proceeds applied to prepay, repurchase, redeem or otherwise discharge the Second Lien Notes and other Indebtedness for borrowed money secured by a Junior Lien in accordance with the following proviso; *provided*, *further*, that the Borrower may deliver a certificate of a Responsible Officer of the Borrower to the Administrative Agent promptly following receipt of any such Net Proceeds setting forth the Borrower's intention to apply an amount equal to all or any portion of such Net Proceeds to prepay, repurchase, redeem or otherwise discharge the Second Lien Notes or other Indebtedness for borrowed money secured by a Junior Lien and shall have 90 days to apply such amount in such manner; *provided*, *further*, that if all or a portion of such amount is not so applied by such 90th day or is no longer intended to be or cannot be so applied in such manner at any time after delivery of such certificate, all or such portion of such amount shall be applied in accordance with clauses (c) and (d) of Section 2.10 within five (5) Business Days after such 90th day or the Borrower reasonably determining that such Net Proceeds are no longer intended to be or cannot be so applied, as applicable, and

(ii) all Net Proceeds from any issuance or incurrence of Refinancing Notes and Refinancing Term Loans (other than solely by means of extending or renewing then-existing Refinancing Notes or Refinancing Term Loans without resulting in any Net Proceeds) no later than three (3) Business Days after the date on which such Refinancing Notes and Refinancing Term Loans are issued or incurred, to prepay Term Loans in accordance with Section 2.23 and the definition of "Refinancing Notes" (as applicable).

Notwithstanding anything to the contrary in this Section 2.11(b) or elsewhere in this Agreement, to the extent that (A) any or all of the Net Proceeds of any Asset Sale or Recovery Event by a Foreign Subsidiary are prohibited by any Requirement of Law from being loaned, distributed or otherwise transferred to the Borrower or any Domestic Subsidiary or materially adverse consequences to (including any material Tax incurred by) the Borrower or any of its Affiliates would result therefrom or (B) any or all of the Net Proceeds of any Asset Sale or Recovery Event by a Foreign Subsidiary are prohibited from being transferred to the Borrower for application in accordance with this Section 2.11(b) by any applicable organizational documents, joint venture agreement, shareholder agreement, or similar agreement or any other contractual obligation with an unaffiliated third party (including any agreement governing Indebtedness) that was not created in contemplation of such Asset Sale or Recovery Event, then in each case an amount equal to the portion of such Net Proceeds so affected will not be required to be applied as provided in this Section 2.11(b) so long as, but only so long as, such materially adverse consequences or prohibitions exist and once such materially adverse consequences or prohibitions are no longer applicable, an amount equal to such Net Proceeds will be promptly applied to the repayment of the Term Loans pursuant this Section 2.11(b) (the Borrower hereby agreeing to cause the applicable Subsidiary to promptly use commercially reasonable efforts to take all actions within the reasonable control of the Borrower that are reasonably required to eliminate or mitigate such materially adverse consequences or prohibitions, as the case may be).

(c) [Reserved].

(d) Upon the occurrence of a Change of Control Triggering Event, the Borrower shall within thirty (30) days of such occurrence notify the Administrative Agent thereof and prepay the Term Loans not later than thirty (30) Business Days following such notification; *provided*, that (i) at the expiration of such thirty (30) Business Day period, the Administrative Agent shall notify the Borrower of the required amount of such prepayment (as reduced by any portion thereof which has been rejected by Declining Term Lenders pursuant to Section 2.10(d)) and the Borrower shall immediately prepay the Term Loans in such amount in accordance with clause (f) below and (ii) the Borrower shall also pay, on the date of such prepayment, to each Lender receiving such prepayment a fee equal to 1.00% of the principal amount of the Term Loans prepaid to such Lender.

(e) Not fewer than thirty (30) days prior to any payment or prepayment of any principal amount of the Loan Proceeds Note, the Borrower shall notify the Administrative Agent thereof and shall, on the date of such payment or prepayment, subject to Section 2.10(d), prepay the Term Loans at a price equal to the principal amount of the Term Loans together with accrued and unpaid interest and the Applicable Premium; *provided*, that (i) on the date of such payment or prepayment of the Loan Proceeds Note, the Administrative Agent shall notify the Borrower of the required amount of such prepayment (as reduced by any portion thereof which has been rejected by Declining Term Lenders pursuant to Section 2.10(d)) and (ii) the Borrower shall immediately prepay the Term Loans in such amount in accordance with clause (f) below; *provided*, *further*, that, if at any time the principal amount of the Loan Proceeds Note is greater than the aggregate principal amount of the Term Loans, Holdings (or any successor obligor under the Loan Proceeds Note) may repay or forgive or waive an amount of the Loan Proceeds Note equal to such excess without complying with this Section 2.11(e). Notwithstanding the foregoing, any amount required to be applied to the Loans pursuant to this Section 2.11(e) shall be applied ratably among the Term Loans, and, to the extent required by the terms of any Other First Lien Debt, the principal amount of such Other First Lien Debt then outstanding, and the prepayment of the Term Loans required pursuant to this Section 2.11(e) shall be reduced accordingly.

(f) Prepayments pursuant to this Section 2.11 shall be in accordance with the procedures specified in clauses (c) and (d) of Section 2.10 (including, for the avoidance of doubt, that Term Lenders may decline such prepayments and the Borrower may retain any Declined Prepayment Amount).

Section 2.12. *Fees*.

(a) The Borrower agrees to pay to the Administrative Agent, for the account of the Administrative Agent, the fees and other amounts as set forth in the Administrative Agent Fee Letter, in the amounts and, at the times specified therein until the Facilities under this Agreement have been terminated in full (the "**Administrative Agent Fees**").

(b) The Borrower agrees to pay to the Collateral Agent, for the account of the Collateral Agent, the fees and other amounts as set forth in the Collateral Agent Fee Letter, in the amounts and, at the times specified therein until the Facilities under this Agreement have been terminated in full (the "**Collateral Agent Fees**").

(c) All fees payable under any Loan Document to the Lenders shall be paid on the dates due, in Dollars and immediately available funds, directly to the Administrative Agent or the Collateral Agent or any other Person to which such fees are due. Once paid, no fees shall be refundable under any circumstances.

Section 2.13. *Interest*.

(a) The Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each Term SOFR Borrowing shall bear interest at Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrower hereunder or under any other Loan Document is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding clauses of this Section 2.13 or (ii) in the case of any other overdue amount, 2% plus the rate applicable to ABR Loans as provided in clause (a) of this Section; *provided*, that this clause (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, (ii) [reserved] and (iii) in the case of the Term Loans, on the applicable Term Facility Maturity Date; *provided*, that (A) interest accrued pursuant to clause (c) of this Section 2.13 shall be payable on demand, (B) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, (C) in the event of any conversion of any Term SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion and (D) any Loan that is repaid on the same day on which it is made shall bear interest for one day.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). ABR and Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.14. *Alternate Rate of Interest*.

(a) Inability to Determine Rates. If in connection with any request for a Term SOFR Loan or a conversion of ABR Loans to Term SOFR Loans or a continuation of any of such Loans, as applicable, the Borrower or the Administrative Agent (in respect of clause (B) below) or the Required Lenders (in respect of clause (C) below) reasonably determine in good faith based on the prevailing industry standard at the time of any such determination that (A) no Successor Rate has been determined in accordance with Section 2.14(b), and the circumstances under clause (i) of Section 2.14(b) or the Scheduled Unavailability Date has occurred, (B) adequate and reasonable means do not otherwise exist for determining Term SOFR for any requested Interest Period with respect to a proposed Term SOFR Loan or in connection with an existing or proposed ABR Loan, or (C) that Term SOFR for any requested Interest Period with respect to a proposed Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify each Lender.

Thereafter, (x) the obligation of the Lenders to make or maintain Term SOFR Loans, or to convert ABR Loans to Term SOFR Loans, shall be suspended (to the extent of the affected Term SOFR Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Term SOFR component of ABR, the utilization of the Term SOFR component in determining ABR shall be suspended, in each case until the Administrative Agent (upon instruction of the Required Lenders) revokes such notice.

Upon receipt of such notice, (x) the Borrower may revoke any pending request for a Borrowing of, or conversion to, or continuation of Term SOFR Loans (to the extent of the affected Term SOFR Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of ABR Loans in the amount specified therein and (y) any outstanding Term SOFR Loans shall be deemed to have been converted to ABR Loans immediately at the end of their respective applicable Interest Period.

(b) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines in good faith (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined in good faith, that:

(i) adequate and reasonable means do not exist for ascertaining one month, three month and six month interest periods of Term SOFR, including, without limitation, because the Term SOFR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) CME or any successor administrator of the Term SOFR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent or such administrator with respect to its publication of Term SOFR, in each case acting in such capacity, has made a public statement identifying a specific date after which one month, three month and six month interest periods of Term SOFR or the Term SOFR Screen Rate shall or will no longer be representative or made available, or permitted to be used for determining the interest rate of Dollar denominated syndicated loans, or shall or will otherwise cease, provided that, at the time of such statement, there is no successor administrator that is widely acceptable by the marketplace as reasonably determined by the Borrower in good faith, that will continue to provide such representative interest periods of Term SOFR after such specific date (the latest date on which one month, three month and six-month interest periods of Term SOFR or the Term SOFR Screen Rate are no longer representative or available permanently or indefinitely, the "**Scheduled Unavailability Date**");

then, on a date and time reasonably determined by the Borrower in good faith (any such date, the "**Term SOFR Replacement Date**"), which date shall be at the end of an Interest Period or on the relevant interest payment date, as applicable, for interest calculated and, solely with respect to clause (ii) above, no later than the Scheduled Unavailability Date, Term SOFR will be replaced hereunder and under any Loan Document with Daily Simple SOFR for any payment period for interest calculated that can be determined by the Administrative Agent (to the extent administratively feasible to the Administrative Agent), in each case, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (the "**Successor Rate**").

If the Successor Rate is Daily Simple SOFR, all interest payments will be payable on a monthly basis.

Notwithstanding anything to the contrary herein, (x) if the Borrower or the Administrative Agent reasonably determines in good faith that Daily Simple SOFR is not available on or prior to the Term SOFR Replacement Date or the Administrative Agent determines that Daily Simple SOFR is not administratively feasible to the Administrative Agent, or (y) if the events or circumstances of the type described in Section 2.14(b)(i) or (ii) have occurred with respect to the Successor Rate then in effect, then in each case, the Borrower may amend this Agreement solely for the purpose of replacing Term SOFR or any then-current Successor Rate in accordance with this Section 2.14 at the end of any Interest Period, relevant interest payment date or payment period for interest calculated, as applicable, with an alternative benchmark rate giving due consideration to any evolving or then existing convention for similar Dollar denominated credit facilities syndicated and agented in the United States for such alternative benchmark and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar Dollar denominated credit facilities syndicated and agented in the United States for such benchmark, which adjustment or method of calculating such adjustment shall be published on an information service as reasonably selected by the Borrower in good faith from time to time in its reasonable discretion and may be periodically updated; *provided*, that such rate, and the related amendments, are administratively feasible to the Administrative Agent. For the avoidance of doubt, any such proposed rate and adjustments, shall constitute a "Successor Rate". Any such amendment shall become effective at 5:00 p.m. New York time on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

In determining or implementing any Successor Rate, the Borrower will in good faith give due consideration to industry practice, whether any proposed determination or implementation would reasonably be expected to have a material adverse effect on the Lenders and whether any proposed determination or implementation would cause a "significant modification" of any Loan within the meaning of Treasury Regulations Section 1.1001-3(b).

The Administrative Agent will promptly (in one or more notices) notify the Borrower and each Lender of the implementation of any Successor Rate.

Any Successor Rate shall be applied in a manner consistent with market practice; *provided*, that to the extent such market practice is not administratively feasible for the Administrative Agent, such Successor Rate shall be applied in a manner as otherwise reasonably determined by the Required Lenders and administratively feasible to the Administrative Agent.

Notwithstanding anything else herein, if at any time any Successor Rate as so determined would otherwise be less than 2.00%, the Successor Rate will be deemed to be 2.00% for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation of a Successor Rate, the Borrower will have the right to make reasonable Conforming Changes in good faith from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement; *provided* that, with respect to any such amendment effected, such amendment shall become effective at 5:00 p.m. New York time on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

(c) For purposes of this Section 2.14, those Lenders that either have not made, or do not have an obligation under this Agreement to make, the relevant Loans in Dollars shall be excluded from any determination of Required Lenders.

Section 2.15. *Increased Costs*.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender; or

(ii) subject the Administrative Agent or any Lender to any Tax (other than (A) Indemnified Taxes and Other Taxes indemnifiable under Section 2.17 or (B) Excluded Taxes); or

(iii) impose on any Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or Term SOFR Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan or of maintaining its obligation to make any such Loan or to reduce the amount of any sum received or receivable by such Lender hereunder, whether of principal, interest or otherwise, then the applicable Borrower will pay to the Administrative Agent or such Lender, as applicable, such additional amount or amounts as will compensate the Administrative Agent or such Lender, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans or Commitments made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower shall pay to such Lender, as applicable, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in clause (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error; *provided*, that any such certificate claiming amounts described in clause (x) or (y) of the definition of "Change in Law" shall, in addition, state the basis upon which such amount has been calculated and certify that such Lender's demand for payment of such costs hereunder, and such method of allocation is not inconsistent with its treatment of other borrowers, which as a credit matter, are similarly situated to the Borrower and which are subject to similar provisions. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender shall notify the Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; *provided*, that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; *provided*, *further*, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16. *Break Funding Payments*. In the event of (a) the payment of any principal of any Term SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.10 or 2.11), (b) the conversion of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term SOFR Loan on the date specified in any notice delivered pursuant hereto (whether or not such notice may be revoked under Section 2.10(c)) or (d) the assignment of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then,

in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at Term SOFR that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at Term SOFR at the commencement of such period with a tenor of at least as long as such period. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.17. *Taxes*.

(a) Any and all payments made by or on behalf of a Loan Party under this Agreement or any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; *provided*, that if a Loan Party, the Administrative Agent or any other withholding agent shall be required by applicable Requirement of Law to deduct or withhold any Taxes with respect to such payments, then (i) the applicable withholding agent shall make such deductions or withholdings as are reasonably determined by the applicable withholding agent to be required by any applicable Requirement of Law, (ii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with applicable Requirements of Law, and (iii) to the extent withholding or deduction is required to be made on account of Indemnified Taxes or Other Taxes, the sum payable by the Loan Party shall be increased as necessary so that after all required deductions and withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 2.17) each Lender (or, in the case of payments made to the Administrative Agent for its own account, the Administrative Agent), receives an amount equal to the sum it would have received had no such deductions or withholdings been made. After any payment of Taxes by any Loan Party to a Governmental Authority as provided in this Section 2.17, as promptly as possible thereafter, the Borrower shall deliver to the Administrative Agent a copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by applicable Requirements of Law to report such payment or other evidence of such payment reasonably satisfactory to the Borrower.

(b) The Borrower shall timely pay any Other Taxes imposed on or incurred by the Administrative Agent or any Lender to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(c) The Borrower shall, without duplication of any additional amounts paid pursuant to Section 2.17(a)(iii) or any amounts paid pursuant to Section 2.17(b), indemnify and hold harmless the Administrative Agent and each Lender within fifteen (15) Business Days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes imposed on the Administrative Agent or such Lender, as applicable, as the case may be (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent (as applicable) shall be conclusive absent manifest error.

(d) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time(s) and in the manner(s) reasonably requested by the Borrower or the Administrative Agent such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding sentence, the completion, execution and submission of such documentation shall only be required to the extent the relevant Lender is legally eligible to do so.

Each person that shall become a Participant pursuant to Section 9.04 or a Lender pursuant to Section 9.04 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 2.17(d) and Section 2.17(f); *provided*, that a Participant shall furnish all such required forms and statements to the participating Lender.

(i) Without limiting the foregoing, each Lender and Administrative Agent that is a U.S. Person, shall deliver on or prior to the date such Lender or Administrative Agent becomes party to this Agreement and at the time(s) reasonably requested by the Borrower or the Administrative Agent, to the Borrower and the Administrative Agent (as applicable) two properly completed and duly executed copies of United States Internal Revenue Form W-9 or any successor form, certifying that such person is exempt from United States federal backup withholding Tax on payments made hereunder.

(ii) Without limiting the foregoing:

(A) any Foreign Lender shall, to the extent it is legally eligible to do so, deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two of whichever of the following is applicable:

(1) in the case of a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, the person treated as its owner for U.S. federal income tax purposes) eligible for the benefits of an income tax treaty to which the United States is a party, properly completed and duly executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to such Tax treaty;

(2) properly completed and duly executed copies of IRS Form W-8ECI with respect to such Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, with respect to the person treated as its owner for U.S. federal income tax purposes);

(3) in the case of a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, the person treated as its owner for U.S. federal income tax purposes) entitled to the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and that no payments under any Loan Document are effectively connected with the Foreign Lender's conduct of a trade or business in the United States (a "**U.S. Tax Compliance Certificate**") and (y) properly completed and duly executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable; or

(4) to the extent a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, the person treated as its owner for U.S. federal income tax purposes) is not the beneficial owner of such payments (for example, where such Foreign Lender is a partnership or a participating Lender), properly completed and duly executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is

applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-3 or Exhibit J-4, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided*, that if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 on behalf of such direct and indirect partner(s).

(iii) Each Lender (A) shall promptly notify the Borrower and the Administrative Agent of any change in circumstance which would modify or render invalid any claimed exemption or reduction, and (B) agrees that if any documentation it previously delivered pursuant to this Section 2.17 expires or becomes inaccurate in any respect, it shall promptly (x) update such documentation or (y) notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(e) If any Lender or the Administrative Agent, as applicable, determines in good faith that it has received a refund of an Indemnified Tax or Other Tax for which it has been indemnified by a Loan Party pursuant to this Section 2.17 (or for which any Loan Party has paid additional amounts pursuant to this Section 2.17), then the Lender or the Administrative Agent, as the case may be, shall reimburse the Loan Party for such amount (net of all reasonable out-of-pocket expenses of such Lender or the Administrative Agent, as the case may be, and without interest other than any interest received thereon from the relevant Governmental Authority with respect to such refund) as the Lender or Administrative Agent, as the case may be, determines in good faith to the be the portion of the refund as will leave it, after such reimbursement, in no better or worse position (taking into account expenses or any Taxes imposed on the refund) than it would have been in if the Indemnified Tax or Other Tax giving rise to such refund had not been imposed in the first instance; *provided*, that the Loan Party, upon the request of the Lender or the Administrative Agent shall repay the amount paid over to the Loan Party (plus any penalties, interest (solely with respect to the time period during which the Loan Party actually held such funds, except to the extent that the refund was initially claimed at the written request of such Loan Party) or other charges imposed by the relevant Governmental Authority) to the Lender or the Administrative Agent in the event the Lender or the Administrative Agent is required to repay such refund to such Governmental Authority. In such event, such Lender or the Administrative Agent, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (*provided*, that such Lender or the Administrative Agent may delete any information therein that it deems confidential). A Lender or the Administrative Agent shall claim any refund that it determines is available to it, unless it concludes in its reasonable discretion that it would be adversely affected by making such a claim. No Lender nor the Administrative Agent shall be obliged to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party in connection with this clause (e) or any other provision of this Section 2.17.

(f) If a payment made to any Lender or any Agent under this Agreement or any other Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender or such Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender or such Agent shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.17(f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(g) The agreements in this Section 2.17 shall survive the termination of this Agreement, the resignation or replacement of the Administrative Agent, any assignment of rights by or the replacement of a lender, and the payment, satisfaction, or discharge of the Loans and all other amounts payable under any Loan Document.

For purposes of this Section 2.17, the term "Requirements of Law" includes FATCA.

Section 2.18. *Payments Generally; Pro Rata Treatment; Sharing of Set-offs*.

(a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or of amounts payable under Sections 2.15, 2.16 or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. Except as otherwise expressly provided herein, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments made under the Loan Documents shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) With respect to any ABR Loans and any SOFR Loans, the Administrative Agent shall not be obligated to distribute funds received by the Administrative Agent from the Borrower for any payment to any Lender on any Interest Payment Date or any other date of payment until such time as the Administrative Agent has been able to onboard such Lender into its loan system. The Administrative Agent agrees to use commercially reasonable efforts to onboard all Lenders into its loan system as promptly as practicable after the Closing Date and agrees to distribute any such amounts received by it from the Borrower in respect of any payments as promptly as practicable after a Lender has been so onboarded. Each Lender hereby acknowledges and agrees that such amounts received by the Administrative Agent may be distributed after an Interest Payment Date or any other date on which such payment is due in accordance with the foregoing, and hereby waives any claims against the Administrative Agent for any use of funds or delays related to such payments.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of, or interest on, any of its Term Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Term Loans of such Class of such other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders ratably in accordance with the principal amount of each such Lender's respective Term Loans and accrued interest thereon; *provided*, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this clause (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the relevant Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may (without obligation), in reliance upon such assumption, distribute to the relevant Lenders the amount due. In such event, if the

Borrower has not in fact made such payment, then each of the relevant Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) Subject to Section 2.24, if any Lender shall fail to make any payment required to be made by it pursuant to Section 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section 2.18; in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

Section 2.19. *Mitigation Obligations; Replacement of Lenders*.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or mitigate the applicability of Section 2.20 or any event that gives rise to the operation of Section 2.20, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15 (in excess of that being charged by other Lenders under the applicable Facility) or gives notice under Section 2.20, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or (iii) any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require any such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under the Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided*, that

(A) [reserved],

(B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts),

(C) in the case of any such assignment resulting from a claim for compensation under Section 2.15, payments required to be made pursuant to Section 2.17 or a notice given under Section 2.20, such assignment will result in a reduction in such compensation or payments and

(D) such assignment does not conflict with any applicable Requirement of Law.

A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender. No action by or consent of the removed Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, such removed Lender and the replacement Lender shall otherwise comply with Section 9.04, *provided*, that if such removed Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 (but only on the part of the removed Lender) shall not be required to effect such assignment.

(c) If any Lender (such Lender, a "**Non-Consenting Lender**") has failed to consent to a proposed amendment, waiver or consent which pursuant to the terms of Section 9.08 requires the consent of all Lenders or all of the Lenders adversely affected and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) at its sole expense (including with respect to the processing and recordation fee referred to in Section 9.04(b)(ii)(C)) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to (and any such Non-Consenting Lender agrees that it shall, upon the Borrower's request) assign its Loans and its Commitments (or, at the Borrower's option, the Loans and Commitments under the Facility that is the subject of the proposed amendment, waiver or consent) hereunder to one or more assignees; *provided*, that:

(i) all Loan Obligations of the Borrower owing to such Non-Consenting Lender being replaced in respect of the assigned interest shall be paid in full in same day funds to such Non-Consenting Lender concurrently with such assignment,

(ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon and the Borrower shall pay any amount required by Section 2.16, if applicable, and

(iii) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver or consent.

No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; *provided*, that if such Non-Consenting Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 (but only on the part of the Non-Consenting Lender) shall not be required to effect such assignment.

Section 2.20. *Illegality*. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund any Term SOFR Loans, or to determine or charge interest rates based upon Term SOFR, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (a) any obligations of such Lender to make or continue Term SOFR Loans or to convert ABR Borrowings to Term SOFR Borrowings shall be suspended and (b) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Term SOFR component of the ABR, the interest rate on which ABR Loans of such Lender shall be determined by the Administrative Agent without reference to the Term SOFR component of the ABR, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent), convert all Term SOFR Borrowings of such Lender to ABR Borrowings (the interest rate on such ABR Loans of such Lender shall be determined by the Administrative Agent without reference to the Term SOFR component of the ABR), either on the last day of the Interest Period therefor, if the Administrative Agent is advised in writing by such Lender that it may lawfully continue to maintain such Term SOFR Borrowings to such day, or immediately, if the Administrative Agent is advised in writing by such Lender that it may not lawfully continue to maintain such Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon Term SOFR, the Administrative Agent shall during the period of such suspension compute the ABR applicable to such Lender without reference to the Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Term SOFR. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 2.21. *Incremental Commitments*.

(a) After the Closing Date has occurred, the Borrower may, following written notice to the Administrative Agent, incur Incremental Term Loan Commitments, in each case, in an amount not to exceed the Incremental Amount available at the time such Incremental Term Loan Commitments are established (except as set forth in clause (iii) of the third paragraph under Section 6.01) from one or more Incremental Term Lenders (which, in each case, may include any existing Lender, but shall be required to be persons which would qualify as assignees of a Lender in accordance with Section 9.04) willing to provide such Incremental Term Loans, as the case may be, in their sole discretion. Upon the incurrence of such Incremental Term Loan Commitments, the Borrower shall provide notice to the Administrative Agent, which notice shall set forth:

(i) the amount of the Incremental Term Loan Commitments obtained,

(ii) the date on which such Incremental Term Loan Commitments are to become effective, and

(iii) whether such Incremental Term Loan Commitments, subject to Section 2.21(d), are to be (x) commitments to make additional term loans with terms identical to (and which shall together with any then outstanding Term B-2 Loans, form a single Class of) Term B-2 Loans or (y) commitments to make term loans with pricing, maturity, amortization, participation in mandatory prepayments and/or other terms different from the Term B-2 Loans (this clause (y), "**Other Incremental Term Loans**").

(b) The Borrower and each Incremental Term Lender shall execute and deliver to the Administrative Agent and Collateral Agent an Incremental Assumption Agreement (and the Administrative Agent and Collateral Agent shall, at the direction of the Borrower, enter into any applicable Intercreditor Agreement in accordance with Section 8.11(b)) and such other documentation as the Incremental Term Lenders shall reasonably request to evidence the Incremental Term Loan Commitment of such Incremental Term Lender; *provided*, that any such documentation shall not be a condition to the effectiveness of such Incremental Assumption Agreement. Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans; *provided*, that:

(i) any commitments to make additional Term B-2 Loans shall have the same terms as the Term B-2 Loans and shall form part of the same Class as the Term B-2 Loans,

(ii) the Other Incremental Term Loans incurred pursuant to this Section 2.21 shall rank equally and ratably in right of security and payment with the Term B Loans,

(iii) (x) the final maturity date of any such Other Incremental Term Loans shall be no earlier than the Latest Maturity Date in effect at the date of incurrence of such Other Incremental Term Loans, and (y) subject to clause (i) above, except as to pricing, amortization, final maturity date and participation in mandatory prepayments (which shall, subject to the other clauses of this proviso, be determined by the Borrower and the Incremental Term Lenders in their sole discretion), the Other Incremental Term Loans shall have terms that (as determined by the Borrower in good faith) are no more restrictive, taken as a whole, to the Borrower and its Subsidiaries, than the Term B Loans,

(iv) the Weighted Average Life to Maturity of any such Other Incremental Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term B-2 Loans,

(v) [reserved],

(vi) such Other Incremental Term Loans may require participation on a *pro rata* basis or a less than *pro rata* basis (but not a greater than *pro rata* basis) with the Term B Loans in any mandatory prepayment hereunder,

(vii) there shall be no borrower (other than the Borrower) or guarantor (other than the Guarantors) in respect of any Incremental Term Loan Commitments, and

(viii) Other Incremental Term Loans shall not be secured by any asset of other than the Collateral.

Each party hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments evidenced thereby as provided for in Section 9.08(e). The Administrative Agent and the Collateral Agent shall execute, and shall have no liability for executing, upon request by the Borrower (which request shall be deemed certification that all conditions precedent to the execution of any requested amendment and of any Incremental Assumption Agreement have been satisfied and such execution is authorized and permitted under the Loan Documents) any amendment to this Agreement or any other Loan Document to effect the provisions of this Section 2.21 and any such collateral and other documentation shall be deemed "Loan Documents" hereunder and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Term Loan Commitment shall become effective under this Section 2.21 unless:

(i) no Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing;

(ii) the representations and warranties of Holdings and the Borrower set forth in this Agreement shall be true and correct in all material respects (other than to the extent qualified by materiality or "Material Adverse Effect," in which case, such representations and warranties shall be true and correct); *provided*, that in the event that the tranche of Incremental Term Loans is used to finance a Limited Condition Transaction and to the extent the Incremental Term Lenders participating in such tranche of Incremental Term Loans agree, the foregoing clause (ii) shall be limited to the Specified Representations (with the representation in Section 3.18 made on the date of funding of such Incremental Term Loans and after giving effect to such Limited Condition Transaction and other transactions on such date in connection therewith) and those representations of the seller or the target company (as applicable) included in the acquisition agreement related to the person or business to be acquired that are material to the interests of the Lenders and only to the extent that the Borrower or its applicable Subsidiary has the right to terminate its obligations under such acquisition agreement as a result of a failure of such representations to be accurate; *provided*, *further*, that in the discretion of the Borrower and the Incremental Term Lenders, such representations shall be only for the benefit of such Incremental Term Lenders and the Incremental Term Lenders may elect to agree to not require any such representations be made in their discretion; and

(iii) the Incremental Term Lenders shall have received documents and legal opinions consistent with those delivered on the Closing Date as to such matters as are reasonably requested by Incremental Term Lenders; *provided*, that any such documentation shall not be a condition to the effectiveness of such Incremental Assumption Agreement.

The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Assumption Agreement.

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that all Incremental Term Loans (other than Other Incremental Term Loans), when originally made, are included in each Borrowing of the outstanding applicable Class of Term Loans on a *pro rata* basis. The Borrower agrees that Section 2.16 shall apply to any conversion of Term SOFR Loans to ABR Loans to effect the foregoing.

(e) Notwithstanding anything to the contrary in this Agreement, holders of Incremental Term Loans and Incremental Term Loan Commitments shall be disregarded for purposes of any consent (or decision not to consent) to any amendment, modification, or waiver or other action with respect to any of the terms of any Loan Document if such Incremental Term Loans and Incremental Term Loan Commitments are incurred substantially concurrently with any such consent (or decision not to consent) for the primary purpose of achieving such consent (or decision not to consent).

(f) Notwithstanding anything to the contrary in this Agreement, any issuance of Qualified Joining Lender Term B Loans or Incremental Term Loans shall be treated as a separate Class of Term B Loans (and shall have a separate CUSIP from any existing Class of Term B Loans) to the extent such Qualified Joining Lender Term B Loans or Incremental Term Loans are incurred as Term B Loans and are not fungible with any existing Class of Term B Loans for U.S. federal income tax purposes.

Section 2.22. *Extensions of Loans and Commitments*.

(a) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to this Section 2.22), pursuant to one or more offers made from time to time by the Borrower to all Lenders of any Class of Term Loans on a *pro rata* basis (based, in the case of an offer to the Lenders under any Class of Term Loans, on the aggregate outstanding Term Loans of such Class), and on the same terms to each such Lender ("**Pro Rata Extension Offers**"), the Borrower is hereby permitted to consummate transactions with individual Lenders that agree to such transactions from time to time to extend the maturity date of such Lender's Loans of such Class and to otherwise modify the terms of such Lender's Loans of such Class pursuant to the terms of the relevant Pro Rata Extension Offer (including, without limitation, increasing the interest rate or fees payable in respect of such Lender's Loans and/or modifying the amortization schedule in respect of such Lender's Loans). For the avoidance of doubt, the reference to "on the same terms" in the preceding sentence shall mean, in the case of an offer to the Lenders under any Class of Term Loans, that all of the Term Loans of such Class are offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same. Any such extension (an "**Extension**") agreed to between the Borrower and any such Lender (an "**Extending Lender**") will be established under this Agreement by implementing an Other Term Loan for such Lender if such Lender is extending an existing Term Loan (such extended Term Loan, an "**Extended Term Loan**"). Each Pro Rata Extension Offer shall specify the date on which the Borrower proposes that the Extended Term Loan shall be made, which shall be a date not earlier than five (5) Business Days after the date on which notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion).

(b) The Borrower and each Extending Lender shall execute and deliver to the Administrative Agent an amendment to this Agreement (an "**Extension Amendment**") and such other documentation as the Administrative Agent or the Extending Lenders shall reasonably specify to evidence the Extended Term Loans of such Extending Lender. Each Extension Amendment shall specify the terms of the applicable Extended Term Loans; *provided*, that:

(i) except as to interest rates, fees and any other pricing terms, and amortization, final maturity date and participation in prepayments and commitment reductions (which shall, subject to clauses (ii), (iii) and (v) of this proviso, be determined by the Borrower and set forth in the Pro Rata Extension Offer), the Extended Term Loans shall have the same terms as the existing Class of Term Loans from which they are extended except for any terms which shall not apply until after the then Latest Maturity Date,

(ii) the final maturity date of any Extended Term Loans shall be no earlier than the Term Facility Maturity Date of the Class of Term Loans subject to such Pro Rata Extension Offer,

(iii) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Class of Term Loans to which such offer relates,

(iv) [reserved], and

(v) any Extended Term Loans may require participation on a *pro rata* basis or a less than *pro rata* basis (but not a greater than *pro rata* basis) than the Term B Loans in any mandatory prepayment hereunder.

Upon the effectiveness of any Extension Amendment, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Extended Term Loans evidenced thereby as provided for in Section 9.08(e). The Administrative Agent and the Collateral Agent shall execute, and shall have no liability for executing, upon request by the Borrower (which request shall be deemed certification that all conditions precedent to the execution of any requested amendment and of any Extension Amendment have been satisfied and such execution is authorized and permitted under the Loan Documents) any amendment to this Agreement or any other Loan Document to effect the provisions of this Section 2.22.

(c) Upon the effectiveness of any such Extension, the applicable Extending Lender's Term Loan will be automatically designated an Extended Term Loan. For purposes of this Agreement and the other Loan Documents, if such Extending Lender is extending a Term Loan, such Extending Lender will be deemed to have an Other Term Loan having the terms of such Extended Term Loan.

(d) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including, without limitation, this Section 2.22),

(i) no Extended Term Loan is required to be in any minimum amount or any minimum increment,

(ii) any Extending Lender may extend all or any portion of its Term Loans pursuant to one or more Pro Rata Extension Offers (subject to applicable proration in the case of over participation) (including the extension of any Extended Term Loan),

(iii) there shall be no condition to any Extension of any Loan at any time or from time to time other than notice to the Administrative Agent of such Extension and the terms of the Extended Term Loan implemented thereby and those conditions set forth in clause (a) and (b) above,

(iv) all Extended Term Loans and all obligations in respect thereof shall be Loan Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents that rank equally and ratably in right of security with all other Obligations of the Class being extended (and all other Obligations secured by Other First Liens),

(v) Extended Term Loans shall not be secured by any asset other than the Collateral, and

(vi) there shall be no borrower (other than the Borrower) and no guarantors (other than the Guarantors) in respect of any such Extended Term Loans.

(e) Each Extension shall be consummated pursuant to procedures set forth in the associated Pro Rata Extension Offer; *provided*, that the Borrower shall cooperate with the Administrative Agent prior to making any Pro Rata Extension Offer to establish reasonable procedures with respect to mechanical provisions relating to such Extension, including, without limitation, timing, rounding and other adjustments.

Section 2.23. *Refinancing Amendments*.

(a) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to this Section 2.23), the Borrower may by written notice to the Administrative Agent at any time after the Closing Date establish one or more additional tranches of term loans under this Agreement (such loans, "**Refinancing Term Loans**"), all Net Proceeds of which are used to Refinance in whole or in part any Class of Term Loans pursuant to Section 2.11(b)(ii). Each such notice shall specify the date (each, a "**Refinancing Effective Date**") on which the Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not earlier than five (5) Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its sole discretion); *provided*, that:

(i) after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date, no Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing and the representations and warranties of the Borrower and each other Loan Party contained in Article III or any other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Event; *provided,* that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided*, *further*, that any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates;

(ii) the final maturity date of the Refinancing Term Loans shall be no earlier than the earlier of (x) the final maturity date of the refinanced Indebtedness and (y) the 91st day following the Latest Maturity Date in effect at the time of incurrence thereof;

(iii) the Weighted Average Life to Maturity of such Refinancing Term Loans shall be no shorter than the lesser of (x) the then-remaining Weighted Average Life to Maturity of the refinanced Indebtedness and (y) 91 days after the Weighted Average Life to Maturity of the Class of Term Loans then outstanding with the greatest remaining Weighted Average Life to Maturity;

(iv) the aggregate principal amount of the Refinancing Term Loans shall not exceed the outstanding principal amount of the refinanced Indebtedness plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith;

(v) all other terms applicable to such Refinancing Term Loans (other than provisions relating to original issue discount, upfront fees, interest rates and any other pricing terms, which shall be as agreed between the Borrower and the Lenders providing such Refinancing Term Loans) shall be substantially similar to, or (as determined by the Borrower in good faith) no more restrictive, taken as a whole, to the Borrower and its Subsidiaries than the terms applicable to the Term B Loans or, if applicable, the Term Loans being refinanced (except, in each case, to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date);

(vi) there shall be no borrower (other than the Borrower) and no guarantors (other than the Guarantors) in respect of such Refinancing Term Loans;

(vii) Refinancing Term Loans shall not be secured by any asset other than the Collateral;

(viii) Refinancing Term Loans may participate on a *pro rata* basis or on a less than *pro rata* basis (but not on a greater than *pro rata* basis) in any mandatory prepayments (other than as provided otherwise in the case of such prepayments pursuant to Section 2.11(b)(ii)) hereunder, as specified in the applicable Refinancing Amendment; and

(ix) if the applicable Term Loans being refinanced by the Refinancing Term Loans were subordinated to any Obligations, such Refinancing Term Loans shall be subordinated to such Obligations on terms in the aggregate not materially less favorable to the Lenders as those contained in the documentation governing the Term Loans being refinanced (as determined by the Borrower in good faith), and if any of the Guarantees with respect to the Term Loans being replaced by such Refinancing Term Loans were subordinated to any Obligations, the Guarantees of the Refinancing Term Loans shall be subordinated to the Obligations on terms in the aggregate not materially less favorable to the Lenders as those contained in the documentation governing the Term Loans being refinanced (as determined by the Borrower in good faith).

(b) The Borrower may approach any Lender or any other person that would be a permitted Assignee pursuant to Section 9.04 to provide all or a portion of the Refinancing Term Loans; *provided*, that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated an additional Class of Term Loans for all purposes of this Agreement; *provided*, *further*, that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Amendment governing such Refinancing Term Loans, be designated as an increase in any previously established Class of Term Loans made to the Borrower.

(c) [Reserved].

(d) [Reserved].

(e) The Borrower and each Lender providing the applicable Refinancing Term Loans shall execute and deliver to the Administrative Agent an amendment to this Agreement (a "**Refinancing Amendment**") and such other documentation as the Administrative Agent or the Lenders providing the Refinancing Term Loans shall reasonably specify to evidence such Refinancing Term Loans. For purposes of this Agreement and the other Loan Documents, if a Lender is providing a Refinancing Term Loan, such Lender will be deemed to have an Other Term Loan having the terms of such Refinancing Term Loan. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.23), (i) no Refinancing Term Loan is required to be in any minimum amount or any minimum increment, (ii) this Agreement shall impose no condition to any incurrence of any Refinancing Term Loan at any time or from time to time other than those set forth in clause (a) above, as applicable, and (iii) all Refinancing Term Loans and all obligations in respect thereof shall be Loan Obligations under this Agreement and the other Loan Documents that rank equally and ratably in right of security and payment with the Term B Loans and other Loan Obligations.

Section 2.24. *Defaulting Lenders*.

(a) *Defaulting Lender Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) *Waivers and Amendments*. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Majority Lenders" or "Required Lenders," as applicable, and Section 9.08.

(ii) *Defaulting Lender Waterfall*. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, following an Event of Default or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.06 shall be applied at such time or times as may be determined by the Administrative Agent as follows:

(A) *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent and the Collateral Agent hereunder,

(B) *second*, [reserved],

(C) *third*, [reserved],

(D) *fourth*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Borrower,

(E) *fifth*, if so determined by the Borrower, to be held in a deposit account and released *pro rata* in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement,

(F) *sixth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement,

(G) *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement and

(H) *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.24 shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents to such redirection.

Section 2.25. *Loan Repurchases*.

(a) Subject to the terms and conditions set forth or referred to below, the Borrower may from time to time, at its discretion (and without, for the avoidance of doubt, limiting any of its other rights hereunder to otherwise acquire Loans), conduct modified Dutch auctions in order to purchase Term Loans of one or more Classes (as determined by the Borrower) (each, a "**Purchase Offer**"), each such Purchase Offer to be managed exclusively by a financial institution chosen by the Borrower) (which financial institution may be the entity serving as the Administrative Agent, it being understood that the Administrative Agent shall not be required to act as Auction Manager unless it, in its sole and absolute discretion, agrees to act pursuant to a separate written agreement) (in such capacity, the "**Auction Manager**"), so long as the following conditions are satisfied:

(i) each Purchase Offer shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.25 and the Auction Procedures or as are otherwise reasonably acceptable to the Borrower (in consultation with the Auction Manager);

(ii) no Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing on the date of the delivery of each notice of an auction and at the time of (and immediately after giving effect to) the purchase of any Term Loans in connection with any Purchase Offer;

(iii) the principal amount (calculated on the face amount thereof) of each and all Classes of Term Loans that the Borrower offers to purchase in any such Purchase Offer shall be no less than $5,000,000 (across all such Classes);

(iv) the principal amount of all Term Loans of the applicable Class or Classes so purchased by the Borrower shall automatically be cancelled and retired by the Borrower on the settlement date of the relevant purchase (and may not be resold) (without any increase to EBITDA as a result of any gains associated with cancellation of debt), and in no event shall the Borrower be entitled to any vote hereunder in connection with such Term Loans;

(v) no more than one Purchase Offer with respect to any Class may be ongoing at any one time;

(vi) the Borrower represents and warrants that no Loan Party shall have any material non-public information with respect to the Loan Parties or their Subsidiaries, or with respect to the Loans or the securities of any such person, that (A) has not been previously disclosed in writing to the Administrative Agent and the Lenders (other than because such Lender does not wish to receive such material non-public information) prior to such time and (B) could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to participate in the Purchase Offer;

(vii) at the time of each purchase of Term Loans through a Purchase Offer, the Borrower shall have delivered to the Auction Manager an officer's certificate of a Responsible Officer certifying as to compliance with the preceding clause (vi);

(viii) any Purchase Offer with respect to any Class shall be offered to all Term Lenders holding Term Loans of such Class on a *pro rata* basis; and

(ix) no purchase of any Term Loans shall be made from the proceeds of any revolving loans.

(b) The Borrower must terminate any Purchase Offer if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Purchase Offer. If the Borrower commences any Purchase Offer (and all relevant requirements set forth above which are required to be satisfied at the time of the commencement of such Purchase Offer have in fact been satisfied), and if at such time of commencement the Borrower reasonably believes that all required conditions set forth above which are required to be satisfied at the time of the consummation of such Purchase Offer will be satisfied, then the Borrower shall have no liability to any Term Lender for any termination of such Purchase Offer as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of consummation of such Purchase Offer, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans of any Class or Classes made by the Borrower pursuant to this Section 2.25, (x) the Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans of the applicable Class or Classes up to the settlement date of such purchase and (y) such purchases (and the payments made by the Borrower and the cancellation of the purchased Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.11 hereof.

(c) The Administrative Agent and the Lenders hereby consent to the Purchase Offers and the other transactions effected pursuant to and in accordance with the terms of this Section 2.25; *provided*, that notwithstanding anything to the contrary contained herein, no Lender shall have an obligation to participate in any such Purchase Offer. For the avoidance of doubt, it is understood and agreed that the provisions of Sections 2.16, 2.18 and 9.04 will not apply to the purchases of Term Loans pursuant to Purchase Offers made pursuant to and in accordance with the provisions of this Section 2.25. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Article VIII and Section 9.05 to the same extent as if each reference therein to the "Agents" were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Purchase Offer. Upon the consummation of the Purchase Offers, the Administrative Agent shall update the Register as directed by the Borrower to reflect the sale of any Term Loans by a Lender to the Borrower and, if applicable, the cancellation of such Loans by the Borrower.

(d) This Section 2.25 shall supersede any provisions in Section 2.18 or 9.06 to the contrary.

ARTICLE III

REPRESENTATIONS AND WARRANTIES

On the Closing Date and the date of each subsequent Credit Event, Holdings (where applicable) and the Borrower represent and warrant to the Lenders and the Agents that:

Section 3.01. *Organization; Powers*. Holdings, the Borrower and each of the Subsidiaries which is a Loan Party or a Significant Subsidiary (a) is a partnership, limited liability company, corporation or other entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization (to the extent that each such concept exists in such jurisdiction), (b) has all requisite power and authority to own its property and assets and to carry on its business as now conducted, (c) is qualified to do business in each jurisdiction where such qualification is required, except in the case of clause (a) (other than with respect to the Borrower and Holdings), clause (b) (other than with respect to the Borrower) and clause (c), where the failure so to be or have, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect, and (d) has the power and authority to execute, deliver and perform its obligations under each of the Loan Documents and each other agreement or instrument contemplated thereby to which it is or will be a party and, in the case of the Borrower, to borrow and otherwise obtain credit hereunder.

Section 3.02. *Authorization*. (s) activities substantially consistent with the activities of Holdings as of the date hereof; and

(t) any activities incidental to the foregoing.

For the avoidance of doubt, notwithstanding anything herein to the contrary, nothing in this Section 6.12, shall prohibit any Subsidiary of Holdings (other than the Borrower or any of its Subsidiaries unless the Borrower or such Subsidiary of the Borrower is otherwise so permitted by Section 6.05) from merging, amalgamating or consolidating with or into Holdings or any Subsidiary of Holdings or Disposing of all or substantially all of its assets (upon voluntary liquidation or otherwise) to Holdings or any Subsidiary of Holdings.

Section 6.13. *Limitation on Actions with respect to Existing Intercompany Obligations*.

(a) The Borrower shall not forgive or waive or fail to enforce any of its rights under any Offering Proceeds Note, the Loan Proceeds Note, the Omnibus Offering Proceeds Note Subordination Agreement or any other agreement with Holdings or any Subsidiary to subordinate a payment obligation on any Indebtedness to the prior payment in full in cash of all obligations with respect to the Loan Proceeds Note, a Loan Proceeds Note Guarantee, any Offering Proceeds Note or any Offering Proceeds Note Guarantee, and the Borrower and Level 3 Communications may not amend the Loan Proceeds Note, a Loan Proceeds Note Guarantee, any Offering Proceeds Note or any Offering Proceeds Note Guarantee in a manner adverse to the Lenders; *provided*, that in the event of an Event of Default of Level 3 Communications as described in Section 7.01(h) or Section 7.01(i), the principal then outstanding together with accrued interest thereon on the Loan Proceeds Note, each Offering Proceeds Note, any Loan Proceeds Note Guarantee and each Offering Proceeds Note Guarantee shall automatically become due and payable without presentment, demand, protest or other notice of any kind;

(b) in the event Level 3 Communications (or any successor obligor under the Loan Proceeds Note) repays all or a portion of the Loan Proceeds Note, the Borrower must prepay the Term Loans in a principal amount equal to the principal amount of the Loan Proceeds Note then repaid in accordance with (together with all accrued and unpaid interest and the Applicable Premium (if any)), and if at such time permitted by, this Agreement; *provided*, that notwithstanding the foregoing, any amount required to be applied to prepay the Term Loans pursuant to this clause (b) shall be applied ratably among the Term Loans, and, to the extent required by the terms of the First Lien Notes and the Second Lien Notes, the principal amount of the First Lien Notes and the Second Lien Notes then outstanding, and the prepayment of the Term Loans required pursuant to this clause (b) shall be reduced accordingly; *provided*, *further*, that, subject to clause (i) of this Section 6.13, if at any time the principal amount of the Loan Proceeds Note is greater than the aggregate principal amount of the Term Loans, the First Lien Notes and the Second Lien Notes outstanding at such time, Level 3 Communications (or any successor obligor under the Loan Proceeds Note) or the Borrower, as applicable, may repay or forgive or waive an amount of the Loan Proceeds Note equal to such excess without complying with this clause (b);

(c) Holdings shall not, and shall not permit any Subsidiary to, provide any Lien on its property for the benefit of, or any Guarantee (other than a similarly subordinated Guarantee) or other form of credit enhancement in respect of, (i) the Parent Intercompany Note or (ii) any intercompany note required by Section 6.01(e) to be subordinated to the prior payment in full in cash of all obligations with respect to the Loan Proceeds Note or any Loan Proceeds Note Guarantee, or take any other action with the purpose or effect of making the Parent Intercompany Note senior to or equal in right of payment with any Offering Proceeds Note or the Loan Proceeds Note;

(d) Holdings shall not, and shall not permit any Subsidiary to, provide any Lien on its property for the benefit of, or any Guarantee (other than a similarly subordinated Guarantee) or other form of credit enhancement in respect of, (i) any Offering Proceeds Note or (ii) any other intercompany note required by Section 6.01(e) to be subordinated to the prior payment in full in cash of all obligations with respect to the Loan Proceeds Note or a Loan Proceeds Note Guarantee, or take any other action with the purpose or effect of making any Offering Proceeds Note senior to or equal in right of payment with the Loan Proceeds Note;

(e) Holdings and Level 3 Communications shall not amend the terms of the Parent Intercompany Note in a manner adverse to the Lenders, the determination of which shall be made by Holdings acting in good faith;

(f) Holdings, the Borrower and Level 3 Communications shall not amend the Omnibus Offering Proceeds Note Subordination Agreement in a manner adverse to the Lenders and Holdings or any Subsidiary, and the Borrower shall not amend any other agreement between Holdings or any Subsidiary, on the one hand, and the Borrower, on the other hand, to subordinate a payment obligation on any Indebtedness of Holdings or any Subsidiary to the prior payment in full in cash of all obligations with respect to the Loan Proceeds Note in a manner adverse to the Lenders, in each case, the determination of which shall be made by Holdings acting in good faith;

(g) unless an Event of Default has occurred and is continuing, Holdings shall neither cause nor permit the Borrower to demand repayment of any Offering Proceeds Note prior to the satisfaction of the Guarantee Permit Condition and the Collateral Permit Condition;

(h) Holdings and the Borrower shall cause any Indebtedness of Level 3 Communications to Holdings to be evidenced by either the Parent Intercompany Note or another duly executed promissory note that is pledged and delivered to the Collateral Agent within thirty (30) days of the Incurrence of such Indebtedness; and

(i) Notwithstanding anything to the contrary contained herein, neither the Borrower nor Level 3 Communications (nor any successor obligor under the Loan Proceeds Note) shall cause or permit the principal amount of the Loan Proceeds Note at any time to be less than the aggregate principal amount of the Term Loans, the First Lien Notes and the Second Lien Notes outstanding at such time (after giving effect to any substantially concurrent repayment or prepayment of the Term Loans or such First Lien Notes or Second Lien Notes at the time of any reduction in the principal amount of the Loan Proceeds Note).

ARTICLE VII

EVENTS OF DEFAULT

Section 7.01. *Events of Default*. In case of the happening of any of the following events (each, an "**Event of Default**"):

(a) any representation or warranty made or deemed made by the Borrower or any Guarantor herein or in any other Loan Document or any certificate or document delivered pursuant hereto or thereto shall prove to have been false or misleading in any material respect (if not already qualified by materiality or "Material Adverse Effect," in which case, such representation or warranty shall prove to have been false or misleading in any respect) when so made or deemed made; *provided*, that with respect to representations and warranties made or deemed made on the Closing Date by the Borrower or any Guarantor, no Event of Default shall occur pursuant to this clause (a) unless a Specified Representation is proven to have been false or misleading in any material respect when so made or deemed made (if not already qualified by materiality or "Material Adverse Effect," in which case, such representation or warranty shall prove to have been false or misleading in any respect);

(b) default shall be made in the payment of any principal of any Term Loan when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or by acceleration thereof or otherwise;

(c) default shall be made in the payment of any interest on any Term Loan or in the payment of the Applicable Premium or any fee or any other amount (other than an amount referred to in clause (b) above) due under any Loan Document, when and as the same shall become due and payable, and such default shall continue unremedied for a period of five (5) Business Days;

(d) default shall be made in the due observance or performance by Holdings, the Borrower or any other Loan Party of any covenant, condition or agreement contained in Section 5.01(a) (solely with respect to the Borrower), 5.05(a), 5.08 or Article VI;

(e) default shall be made in the due observance or performance by Holdings, the Borrower or any other Loan Party of any covenant, condition or agreement contained in any Loan Document (other than those specified in clauses (b), (c) and (d) above) and such default shall continue unremedied for a period of 30 days after notice thereof from the Administrative Agent to the Borrower, which notice shall specify the default and state that such notice is a "Notice of Default" hereunder;

(f) any event or condition occurs that (i) results in any Material Indebtedness becoming due prior to its scheduled maturity or failing to be paid at its scheduled maturity or (ii) enables or permits (with all applicable grace periods having expired) the holder or holders of any Material Indebtedness (in the case of any Hedging Agreement, other than as a result of termination events or equivalent events pursuant to the terms of the applicable

Hedging Agreements and which are not as a result of any default thereunder by any Loan Party or any Subsidiary) or any trustee or agent on its or their behalf to cause any such Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity, in each case without such Material Indebtedness having been discharged, or such event of or condition having been cured promptly; *provided*, that this clause (f) shall not apply to any secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness if (x) such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness and (y) repayments are made as required by the terms of the respective Indebtedness;

(g) [reserved];

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of Holdings, the Borrower or any of the Significant Subsidiaries, or of a substantial part of the property or assets of Holdings, the Borrower or any Significant Subsidiary, under the Bankruptcy Code, or any other federal, state or foreign bankruptcy, insolvency, receivership or any other Debtor Relief Law, (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner, liquidator or similar official for Holdings, the Borrower or any of the Significant Subsidiaries or for a substantial part of the property or assets of Holdings, the Borrower or any of the Significant Subsidiaries or (iii) the winding-up, liquidation, reorganization, dissolution, compromise, arrangement or other relief of Holdings, the Borrower or any Significant Subsidiary (except in a transaction permitted hereunder); and such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(i) Holdings, the Borrower or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking relief under the Bankruptcy Code, as now constituted or hereafter amended, or any other federal, state or foreign bankruptcy, insolvency, receivership or any other Debtor Relief Law, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in clause (h) above, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner, liquidator or similar official for Holdings, the Borrower or any of the Significant Subsidiaries or for a substantial part of the property or assets of Holdings, the Borrower or any Significant Subsidiary, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) become unable or fail generally to pay its debts as they become due;

(j) the failure by Holdings, the Borrower or any Significant Subsidiary to pay one or more final judgments aggregating in excess of $75,000,000, which judgments are not discharged or effectively waived or stayed for a period of 45 consecutive days, or any action shall be legally taken by a judgment creditor to attach or levy upon assets or properties of Holdings, the Borrower or any Significant Subsidiary to enforce any such judgment;

(k) (i) an ERISA Event shall have occurred, (ii) the PBGC shall institute proceedings (including giving notice of intent thereof) to terminate any Plan or Plans, (iii) Holdings, the Borrower or any Subsidiary of Holdings or any ERISA Affiliate shall have been notified by the sponsor of a Multiemployer Plan that such Multiemployer Plan is in reorganization or is being terminated, within the meaning of Title IV of ERISA; and in each case in clauses (i) through (iii) above, such event or condition, together with all other such events or conditions, if any, would reasonably be expected to have a Material Adverse Effect; or

(l) (i) any Loan Document shall for any reason be asserted in writing by the Borrower or any other Loan Party not to be a legal, valid and binding obligation of any party thereto, (ii) any security interest purported to be created by any Security Document and to extend to assets that constitute a material portion of the Collateral shall cease to be, or shall be asserted in writing by the Borrower or any other Loan Party not to be, a valid and perfected security interest (perfected as or having the priority required by this Agreement or the relevant Security Document and subject to such limitations and restrictions as are set forth herein and therein) in the securities, assets or properties covered thereby, except to the extent that any such loss of perfection or priority results from the limitations of foreign laws, rules and regulations as they apply to pledges of Equity Interests in Foreign Subsidiaries or the application thereof, or from failure of the Collateral Agent (or any agent acting as gratuitous bailee thereof) to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Agreement (so long as such failure does not result from the breach or non-compliance with the Loan Documents by any Loan Party), or (iii) a material portion of the Guarantees pursuant to the Loan Documents by the Guarantors guaranteeing the Obligations, shall cease to be in full force and effect (other than in accordance with the terms thereof), or shall be asserted in writing by the Borrower or any other Loan Party not to be in effect or not to be legal, valid and binding obligations (other than in accordance with the terms thereof),

then, and in every such event (other than an event described in clause (h) or (i) above), and at any time thereafter during the continuance of such event, the Administrative Agent, at the direction of the Required Lenders, shall declare an Event of Default in connection therewith and, by notice to the Borrower, take any or all of the following actions, at the same or different times:

(i) terminate forthwith the Commitments;

(ii) declare the Term Loans then outstanding to be forthwith due and payable in whole or in part (in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), whereupon the principal of the Term Loans so declared to be due and payable, together with accrued interest thereon, the Applicable Premium and any unpaid accrued fees payable under any Loan Document and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding; and/or

(iii) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable law, subject to the terms of the Intercreditor Agreements;

provided that in any event described in clause (h) or (i) above, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon, the Applicable Premium and any unpaid accrued fees payable under any Loan Document and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall automatically become due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Without limiting the generality of the foregoing in this Section 7.01, it is understood and agreed that if the Term B Loans are accelerated as a result of an Event of Default, (including, but not limited to Section 7.01(h), Section 7.01(i) or upon the occurrence or commencement of any bankruptcy or insolvency proceeding or other event pursuant to any applicable Debtor Relief Laws (including the acceleration of claims by operation of law)), the Term B Loans that become due and payable shall include the Applicable Premium determined as of such date if such Term Loans were voluntarily prepaid pursuant to Section 2.11(a) on such date, which shall become immediately due and payable by the Loan Parties and shall constitute part of the Loan Obligations as if the Term B Loans were being voluntarily prepaid or repaid as of such date, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a good faith reasonable estimate and calculation of each Term Lender's lost profits and/or actual damages as a result thereof. The Applicable Premium shall also be automatically and immediately due and payable if the Term B Loans are satisfied or released by foreclosure (whether by power of judicial proceeding or otherwise), deed in lieu of foreclosure or by any other means in connection with an Event of Default described in the preceding sentence, including without limitation, under a plan of reorganization or similar manner in any bankruptcy, insolvency or similar proceeding. The Applicable Premium payable pursuant to this Agreement shall be presumed to be the liquidated damages sustained by each Lender as the result of the early repayment or prepayment of the Term B Loans (and not unmatured interest or a penalty) and the Borrower and the other Loan Parties agree that it is reasonable under the circumstances currently existing. If the Applicable Premium becomes due and payable pursuant to this Agreement, the Applicable Premium shall be deemed to be principal of the Term B Loans and Loan Obligations under this Agreement and interest shall accrue on the full principal amount of the Term B Loans (including the Applicable Premium). In the event the Applicable Premium is determined not to be due and payable by order of any court of competent jurisdiction, including, without limitation, by operation of the Bankruptcy Code, the Applicable Premium shall nonetheless constitute Obligations under this Agreement for all purposes hereunder. THE BORROWER AND THE OTHER LOAN PARTIES EXPRESSLY WAIVE (TO THE

FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE APPLICABLE PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. The Borrower and the other Loan Parties expressly acknowledge and agree (to the fullest extent they may lawfully do so) that:

(i) the Applicable Premium is reasonable and the product of an arm's length transaction between sophisticated business people, ably represented by counsel;

(ii) the Applicable Premium shall each be payable under the circumstances described herein notwithstanding the then prevailing market rates at the time payment or redemption is made;

(iii) there has been a course of conduct between the Lenders, the Borrower and the other Loan Parties giving specific consideration in this transaction for such agreement to pay the Applicable Premium under the circumstances described herein;

(iv) the Applicable Premium shall not constitute unmatured interest, whether under section 502(b) of the Bankruptcy Code or otherwise;

(v) the Applicable Premium does not constitute a penalty or an otherwise unenforceable or invalid obligation;

(vi) any such Loan Party shall not challenge or question, or support any other person in challenging or questioning, the validity or enforceability of the Applicable Premium or any similar or comparable prepayment fee under the circumstances described herein, and such Loan Party shall be estopped from raising or relying on any judicial decision or ruling questioning the validity or enforceability of any prepayment fee similar or comparable to the Applicable Premium; and

(vii) the Borrower and the other Loan Parties shall be estopped hereafter from claiming differently than as agreed to in this paragraph.

The Borrower and the other Loan Parties expressly acknowledge that its agreement to pay or guarantee the payment of the Applicable Premium to the Lenders as herein described are individually and collectively a material inducement to the Lenders to make available (or be deemed to make available) the Term B Loans and the Commitments hereunder. Any reference to "par" will include any Applicable Premium or accrued and unpaid interest that is added to principal theretofore so added. The parties acknowledge that the Applicable Premium provided for under this Agreement is believed to represent a genuine estimate of the losses that would be suffered by the Lenders as a result of the Borrower's and the other Loan Parties' breach of its obligations under this Agreement. The Borrower and the other Loan Parties waive, the fullest extent permitted by law, the benefit of any statute affecting its liability hereunder or the enforcement hereof. Nothing in this paragraph is intended to limit, restrict, or condition any of the Borrower's or the other Loan Parties' obligations, rights or remedies hereunder.

Section 7.02. *[Reserved]*.

Section 7.03. *Application of Funds*. Any proceeds of Collateral received by the Agents or otherwise on account of the Obligations (whether as a result of any realization on the Collateral, any setoff rights, any distribution in connection with any proceedings or other action of any Loan Party in respect of Debtor Relief Laws or otherwise and whether received in cash or otherwise) (a) not constituting (i) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied on a *pro rata* basis among the relevant Lenders under the Class of Loans in accordance with this Agreement or otherwise shall be applied to the payment of amounts owing to any Secured Party in accordance with this Agreement or the other Loan Documents) or (ii) a mandatory prepayment (which shall be applied in accordance with Section 2.11) or (b) after an Event of Default has occurred and is continuing shall be applied (unless the Required Lenders otherwise so direct with respect to whether such proceeds are applied after an Event of Default), subject to the provisions of any applicable Intercreditor Agreement, ratably:

(i) *first*, to pay any fees, indemnities, or expense reimbursements hereunder and under the Loan Documents then due to the Administrative Agent and the Collateral Agent from the Borrower,

(ii) *second*, to pay any fees, indemnities or expense reimbursements then due hereunder to the other Secured Parties (all in their respective capacities as such) from the Borrower,

(iii) *third*, to pay interest (including post-petition interest, whether or not an allowed claim or allowable as a claim in any claim or proceeding under any Debtor Relief Laws) then due and payable on the Loans and on obligations arising under each Secured Cash Management Agreement and Secured Hedge Agreement ratably,

(iv) *fourth*, to repay principal on the Loans and to pay any other amounts owing with respect to Secured Cash Management Agreements and Secured Hedge Agreements ratably, and

(v) *fifth*, to the payment of any other Obligation due to any Secured Party by the Borrower.

Notwithstanding the foregoing but subject to Section 8.14, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements shall be excluded from the application described above if the Administrative Agent has not received written notice thereof, together with supporting documentation (including administrative details

and applicable tax forms) as the Administrative Agent may reasonably request from the applicable Cash Management Bank or Hedge Bank, as the case may be, or such documentation and information as required pursuant to Section 8.14. Each Cash Management Bank or Hedge Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent as its agent pursuant to the terms of Article VIII hereof for itself and its Affiliates as if it were a "Lender" party hereto.

ARTICLE VIII

THE AGENTS

Section 8.01. *Appointment*.

(a) Each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby irrevocably designates and appoints the Administrative Agent and the Collateral Agent as the administrative agent and the collateral agent, respectively, of such Lender under this Agreement and the other Loan Documents and the other Secured Parties under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent and the Collateral Agent, in each such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent and the Collateral Agent, respectively, by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement or any Loan Document, neither the Administrative Agent nor the Collateral Agent shall have any duties or responsibilities, except those expressly set forth herein or therein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent or the Collateral Agent. The provisions of this Article (other than Section 8.06 and the Section 8.12(c) hereof) are solely for the benefit of the Administrative Agent, the Collateral Agent and the Lenders, and neither the Borrower nor any other Loan Party shall have any rights as a third-party beneficiary of any such provisions.

(b) In furtherance of the foregoing, each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements or Secured Hedge Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any

Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

Section 8.02. *Delegation of Duties*. The Administrative Agent and the Collateral Agent may execute any of their respective duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any such agents, employees or attorneys-in-fact selected by it without gross negligence or willful misconduct, as determined by a final and non-appealable decision of a court of competent jurisdiction. Each Agent may also from time to time, when it deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a "**Subagent**") with respect to all or any part of the Collateral; *provided*, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Collateral Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by an Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by such Agent and such Subagent shall be protected in withholding any action to be taken or not taken until such time as Borrower or such Loan Party shall have provided to Subagent such instruments. If any Subagent, or successor thereto, shall become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the applicable Agent until the appointment of a new Subagent. No Agent shall be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects without gross negligence or willful misconduct (as determined by a final non-appealable judgment of a court of competent jurisdiction).

Section 8.03. *Exculpatory Provisions*. None of the Agents, or their respective Affiliates or any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (x) liable for any action taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful misconduct; *provided*, that no action taken or not taken by any Agent at the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) or the Borrower shall be considered gross negligence or willful misconduct of such Agent or (y) responsible in any manner to any of the Lenders for any recitals, statements, representations or

warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, instrument, notice, direction, consent, approval, statement or other document referred to or provided for in, or received by any Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance, satisfaction or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents.

Notwithstanding anything contained herein to the contrary, the permissive rights of each Agent to do things enumerated in this Agreement or any other Loan Document shall not be construed as a duty. Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the respective Agent is required to exercise (i) as directed by the Required Lenders in writing (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) or (ii) as directed by the Borrower in writing. In no event shall any Agent be liable hereunder or under any Loan Document for acting in accordance with a direction from the Required Lenders or the Borrower (regardless of whether the Required Lenders subsequently direct such Agent otherwise).

No Agent shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, nor shall any Agent be liable for the failure to disclose, any information relating to the Borrower or any of its Subsidiaries or any of their respective Affiliates that is communicated to or obtained by such Agent or any of its Affiliates in any capacity.

No Agent shall be deemed to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to such Agent in accordance with Section 8.05.

No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance, satisfaction or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default (and the Administrative Agent may assume performance by all other parties to the Loan Documents of their respective obligations), (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement,

instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral or consideration or (vi) insurance on (including any flood insurance policies or for determining whether any flood insurance policies are or should be obtained in respect of the Collateral, which each Lender shall be solely responsible for), or for the payment of taxes with respect to, any of the Collateral.

Neither Agent shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality of the foregoing, neither Agent shall (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans and/or Commitments, or disclosure of confidential information, to any Disqualified Lender.

No provision of this Agreement or any other Loan Document shall require any Agent to expend or risk its own funds or otherwise incur any liability, financial or otherwise, in the performance of any of its duties under this Agreement or under any Loan Document or in the exercise of any of its rights or powers, if it shall have grounds to believe that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

In no event shall any Agent be liable for any failure or delay in the performance of its obligations under this Agreement or any other Loan Document because of circumstances beyond its control, including, but not limited to, a failure, termination, or suspension of a clearing house, securities depositary, settlement system or central payment system in any applicable part of the world or acts of God, flood, war (whether declared or undeclared), civil or military disturbances or hostilities, nuclear or natural catastrophes, political unrest, explosion, earthquake, terrorism, fire, riot, labor disturbances, strikes or work stoppages for any reason, embargo, epidemics or pandemics or other health crises, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of the services contemplated by this Agreement or the other Loan Documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, or any other causes beyond such Agent's control whether or not of the same class or kind as specified above.

Neither Agent shall be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document other than such Loan Documents to which it is directly a party, whether or not an original or a copy of such agreement has been provided to such Agent.

No Agent shall have any liability for any action taken, or errors in judgment made, in good faith by it or any of its officers, directors, employees or agents, unless it shall have been grossly negligent in ascertaining the pertinent facts.

No Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may (a) expose the Administrative Agent to liability or that is contrary to any Loan Document or requirements of law, including, for the avoidance of doubt any action that may be in violation of the automatic stay under any debtor relief law; (b) would subject such Agent to a tax in any jurisdiction where it is not then subject to a tax or (c) would require such Agent to qualify to do business in any jurisdiction where it is not then so qualified.

If at any time an Agent is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process (including orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of any Collateral), such Agent is authorized to comply therewith in any manner as it or its legal counsel of its own choosing deems appropriate, and if such Agent complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, such Agent shall not be liable to any of the parties hereto or to any other Person even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

The rights, privileges, protections, immunities and benefits given to the each Agent, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable: (i) by such Agent in each Loan Document and any other document related hereto or thereto to which it is a party and (ii) the entity serving as Administrative Agent or Collateral Agent, as applicable, in each of its capacities hereunder and in each of its capacities under any of the Loan Documents whether or not specifically set forth therein and each agent, custodian and other Person employed to act hereunder and under any Loan Document or related document, as the case may be.

No Agent shall be liable for any indirect, special, punitive or consequential damages (including, without limitation, lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

No Agent shall be liable for any failure, inability or unwillingness on the part of any Lender or Loan Party to provide accurate and complete information on a timely basis to such Agent or otherwise on the part of any such party to comply with the terms of this Agreement or any other Loan Document, and shall not be liable for any inaccuracy or error in the performance or observance on such Agent's part of any of its duties hereunder that caused by or results from any such inaccurate, incomplete or untimely information received by it, or other failure on the part of any such other party to comply with the terms hereof.

Section 8.04. *Reliance by Agents*.

(a) Each Agent shall be entitled to conclusively rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person, not only as to the due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained therein, and shall not incur any liability for relying thereon. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person.

(b) In determining compliance with any condition hereunder to any Credit Event that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received notice to the contrary from such Lender prior to such Credit Event.

(c) Each Agent may consult with legal counsel (including counsel to the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

(d) Each Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent in accordance with Section 9.04.

(e) Subject to any provisions that expressly require an Agent to act at the direction of the Borrower, each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such direction of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate and it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Such request or direction and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

(f) The exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder by the Administrative Agent or Collateral Agent, as applicable, shall be subject to receiving written direction from the Required Lenders (or such other number or percentage of Lenders as shall be expressly required under this Agreement or any Loan Document).

(g) With respect to any document that requires a signature by the Collateral Agent to perfect a Lien on the Collateral, the Collateral Agent shall sign such document at the request of the Borrower and may rely on a certificate from a Responsible Officer of the Borrower certifying that such action is not prohibited by this Agreement or any Loan

Document in connection therewith. If the perfection of a Lien on the Collateral hereunder requires the Collateral Agent to sign any document in connection therewith and the Collateral Agent refuses to provide such signature, notwithstanding anything to the contrary in any this Agreement or any other Loan Document, the Borrower shall not have breached, or be in default under, any this Agreement or any other Loan Document so long as the Borrower has used commercially reasonable efforts to perfect the Lien on such Collateral.

Section 8.05. *Notice of Default*. Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless a Responsible Officer of such Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "Notice of Default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); *provided*, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default in its sole discretion.

Section 8.06. *Non-Reliance on Agents and Other Lenders*. Each Lender expressly acknowledges that no Agent nor any of their respective Related Parties and the Loan Parties' financial or other professional advisors have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents that it has, independently and without reliance upon any Agent or any other Lender or any of their respective Related Parties or any of the Loan Parties' financial or other professional advisors, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender or any of their respective Related Parties, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of either Agent or any of its

Related Parties. Each Lender represents and warrants, as of the date each such Lender becomes a Lender, that (a) the Loan Documents set forth the terms of a commercial lending facility and (b) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender agrees not to assert a claim in contravention of the foregoing. Each Lender represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

Section 8.07. *Indemnification*. The Lenders agree to indemnify each Agent, in each case in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), in the amount of its *pro rata* share (based on its aggregate outstanding Term Loans) (determined at the time such indemnity is sought or, if the respective Obligations have been repaid in full, as determined immediately prior to such repayment in full), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents, the performance by the parties thereto of any of their respective obligations thereunder, or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing (including any action taken at the direction of the Borrower in accordance with this Agreement) or any claim, litigation, investigation or proceeding relating to any of the foregoing; *provided*, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent promptly upon demand for such Lender's ratable share of any amount required to be paid by the Lenders to such Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent for such other Lender's ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent for such other Lender's ratable share of such amount. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Section 9.05 to be paid by it to any Agent (or any sub-agent thereof) or any Related Party thereof, each Lender severally agrees to pay to such Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) based on each Lender's share of the aggregate principal amount of Term Loans in effect at such time (or, if the

respective Obligations have been repaid in full, as determined immediately prior to such repayment in full) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), *provided*, *further* that, the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Agent (or any such sub-agent) or against any Related Party thereof acting for such Agent (or any such sub-agent) in connection with such capacity.

The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder, the termination of this Agreement and the resignation or removal of any Agent.

Section 8.08. *Agent in Its Individual Capacity*. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

Section 8.09. *Successor Administrative Agent*. Either Agent may resign as Administrative Agent or Collateral Agent, as applicable, under this Agreement and the other Loan Documents upon 30 days' notice to the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right, subject to the reasonable consent of the Borrower (so long as no Event of Default shall have occurred and be continuing), to appoint a successor which shall be either (a) a third-party entity in the business of providing the services of such Agent, or (b) a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, whereupon such successor agent shall succeed to the rights, powers and duties of such Agent, and the term "Administrative Agent" or "Collateral Agent" as the circumstances require shall mean such successor agent effective upon such appointment and approval, and the former Agent's rights, powers and duties as Administrative Agent or Collateral Agent, as applicable, shall be terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent or Collateral Agent, as applicable, by the date that is 30 days following a retiring of such Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent or Collateral Agent, as applicable, hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Agent's resignation as Administrative Agent or Collateral Agent, as applicable, the provisions of this Article VIII and Section 9.05 shall inure to its benefit as to any actions taken or omitted to be taken by it, its Subagents and their respective Related Parties while it was Administrative Agent or Collateral Agent, as applicable, under this Agreement and the other Loan Documents.

Any corporation or association into which an Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all of substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversation, sale merger, consolidation or transfer to which such Agent is a party, will become the successor Administrative Agent or Collateral Agent, as applicable, under this Agreement and will have and accede to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

Section 8.10. *[Reserved]*.

Section 8.11. *Security Documents and Collateral Agent*.

(a) The Lenders and the other Secured Parties authorize each Agent to release any Collateral or Guarantors in accordance with Section 9.18 or if approved, authorized or ratified in accordance with Section 9.08.

(b) The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Administrative Agent and the Collateral Agent to, without any further consent of any Lender or any other Secured Party, and, upon the request of the Borrower, the Administrative Agent and/or the Collateral Agent shall, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify the First Lien/First Lien Intercreditor Agreement or any Permitted Junior Intercreditor Agreement with the collateral agent or other representative of holders of Indebtedness secured (and permitted to be secured) by a Lien on assets constituting a portion of the Collateral under any of Section 6.02(z), (gg), (kk) or (nn) (and solely in accordance with the relevant requirements thereof and not in lieu of the requirements thereof) (any of the foregoing, an "**Intercreditor Agreement**").

The Lenders and the other Secured Parties irrevocably agree that (x) the Administrative Agent and Collateral Agent may rely exclusively on a certificate of a Responsible Officer of the Borrower as to whether any such other Liens are permitted hereunder and as to the respective assets constituting Collateral that secure (and are permitted to secure) such Indebtedness hereunder (provided that the delivery of any such certificate shall not be a condition to the effectiveness of any Intercreditor Agreement) and (y) any Intercreditor Agreement entered into by the Administrative Agent and Collateral Agent shall be binding on the Secured Parties, and each Lender and each other Secured Party hereby agrees that it will take no actions contrary to the provisions of, if entered into and if applicable, any Intercreditor Agreement. Each Lender and other Secured Party hereby agrees that (A) it will be bound by and will take no actions contrary to the provisions of any such intercreditor agreement or other agreements or documents; (B) agrees that the Liens on the Collateral securing the Obligations shall be subject in all respects to the provisions thereof and (C) agrees that the Administrative Agent and the Collateral Agent are authorized to take or refrain from taking any actions in accordance with the terms of an Intercreditor Agreement. The foregoing provisions are intended as an inducement to any provider of Indebtedness not prohibited by Section 6.01 hereof to extend credit to the Loan Parties and

such persons are intended third-party beneficiaries of such provisions. In addition, the protections and indemnities afforded the Administrative Agent and the Collateral Agent hereunder (including those under Articles VIII and IX) shall apply to any such Intercreditor Agreement as if such Intercreditor Agreement were a Loan Document.

(c) Furthermore, the Lenders and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to release any Lien securing the Obligations on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) to the holder of any Lien on such property that is permitted by Section 6.02(c), (i) or (v), in each case to the extent the contract or agreement pursuant to which such Lien is granted prohibits any other Liens on such property or (ii) that is or becomes Excluded Property; and the Administrative Agent and the Collateral Agent shall do so upon request of the Borrower. Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary (but without impacting the automatic nature of any release), in no event shall any Agent be required to authorize or execute and deliver any instrument or document evidencing any release unless the Borrower shall have provided such Agent with a Collateral Matters Certificate. Each Agent may conclusively rely, without independent investigation, on such certificate and shall incur no liability for acting in reliance thereon.

Section 8.12. *Right to Realize on Collateral, Enforce Guarantees, and Credit Bidding*.

(a) In case of the pendency of any proceeding under any Debtor Relief Laws or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

(b) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee set forth in any Loan Document, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Agents, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent; *provided* that, notwithstanding the foregoing, the Lenders may exercise the set-off rights contained in Section 9.06 in the manner set forth therein and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations (other than Obligations owing to the Agents) as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other Disposition.

(c) The Secured Parties hereby irrevocably authorize each Agent (either directly or through one or more acquisition vehicles), at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (other than amounts owing to the Agents) (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (i) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject or (ii) at any other sale or foreclosure or acceptance of Collateral in lieu of debt conducted by (or with the consent or at the direction of) the Collateral Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (A) the Collateral Agent and the Administrative Agent shall be authorized (x) to form one or more acquisition vehicles to make a bid, (y) to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the applicable Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly,

by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (i) through (vii) of Section 9.08(b) of this Agreement) and (z) the Collateral Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action and (B) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 8.13. *Withholding Tax*. To the extent required by any applicable Requirement of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Loan Party and without limiting the obligation of any applicable Loan Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, fines, additions to Tax and interest, together with all reasonable out of pocket expenses. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or any other source against any amount due to the Administrative Agent under this Section 8.13.

Section 8.14. *Secured Cash Management Agreements and Secured Hedge Agreements*. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 7.03, any Guarantee or any Collateral by virtue of the provisions hereof or of the Guarantee Agreement or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral or any action taken in connection with any default, Event of Default or enforcement of remedies) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Each counterparty to a Hedging Agreement or Cash Management Agreement agrees that it shall not provide, nor shall it be

entitled to provide, any direction or instruction to any Agent, and neither Agent shall be responsible or liable for failing to comply with any such direction or instruction. Notwithstanding any other provision of this Article VIII to the contrary, neither Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements and the Administrative Agent or the Collateral Agent may conclusively rely upon any written notice of such Obligations from the applicable Cash Management Bank or Hedge Bank, as the case may be. For the avoidance of doubt and notwithstanding anything contained herein to the contrary, in the event that any Secured Cash Management Agreement or Secured Hedge Agreement has been terminated, such Cash Management Bank or Hedge Bank shall provide written notice to the Administrative Agent and the Borrower thereof and thereafter such Cash Management Bank or Hedge Bank shall have no rights under this Agreement and the Loan Documents, and in no event shall the Agents be responsible or liable to such counterparty for any act or omission or potential liabilities occurring during any such time.

Notwithstanding anything herein to the contrary, by its acceptance of the benefits hereunder, each Cash Management Bank and Hedge Bank agrees that (i) the rights, protections, immunities and indemnities afforded to the Agents in this Article VIII with respect to the Lenders shall also be applicable to each Cash Management Bank or Hedge Bank as if such Person were specifically set forth in this Article VIII, (ii) the Administrative Agent and the Collateral Agent shall be entitled to conclusively presume that no Cash Management Bank or Hedge Bank exists unless and until it receives written notice from such Cash Management Bank or Hedge Bank of its existence, and (iii) it shall provide each Agent with a completed administrative questionnaire and applicable tax forms upon request from either Agent.

Each applicable Cash Management Bank or Hedge Bank, by its acceptance of the benefits hereunder, is deemed to appoint each of the Administrative Agent and the Collateral Agent, as applicable, as its agent, and each of the Administrative Agent and the Collateral Agent, as applicable, hereby agrees to act as Administrative Agent or Collateral Agent for such Person; it being understood and agreed that the rights and benefits of each such Person under this Agreement and the Loan Documents consist exclusively of such Person's being a beneficiary of the liens and security interests (and, if applicable, guarantees) granted to the applicable Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In connection with any action taken by either Agent, including, without limitation, with respect to any distribution of payments and collections, such Agent shall be entitled to assume (and shall have no liability for so assuming) no amounts are owing to any such Person (and no Obligations are held by any such Person) unless such Person has provided written notification to each Agent of the amount that is owing to it (on which each Agent may conclusively rely) and such notification is received by each Agent within a reasonable period of time prior to the making of such distribution, which in any event shall be at least five (5) Business Days prior to such distribution.

Section 8.15. *Certain ERISA Matters*.

(a) Each Lender (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (i) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (ii) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 8.16. *Erroneous Payments*.

(a) Each Lender hereby agrees that (i) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from either Agent or any of their respective Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Lender (whether or not known to such Lender) (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, an "**Erroneous Payment**") and demands the return of such Erroneous Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect and (ii) to the extent permitted by applicable law, such Lender shall not assert any right or claim to the Erroneous Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the applicable Agent for the return of any Erroneous Payments received, including, without limitation, waiver of any defense based on "discharge for value" or any similar theory or doctrine. A notice of the Administrative Agent to any Lender under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting the immediately preceding clause (a), each Lender hereby further agrees that if it receives a payment from either Agent (or any of their respective Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent, (y) that was not preceded or accompanied by notice of payment, or (z) that such Lender otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each case, if an error has been made each such Lender is deemed to have knowledge of such error at the time of receipt of such Erroneous Payment, and to the extent permitted by applicable law, such Lender shall not assert any right or claim to the Erroneous Payment and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the applicable Agent for the return of any Erroneous Payments received, including without limitation waiver of any defense based on "discharge for value" or any similar theory or doctrine. Each Lender agrees that, in each such case, it shall promptly (and, in all events, within three Business Days, upon demand from the Administrative Agent, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day

funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect

(c) The Borrower and each other Loan Party hereby agrees that (x) in the event of an Erroneous Payment (or portion thereof) is not recovered from any Lender that has received such Erroneous Payment (or portion thereof) for any reason (and without limiting the Agents' rights and remedies under this Article VIII), the applicable Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owned by the Borrower or any other Loan Party.

(d) In addition to any rights and remedies of the Agents provided by law, the Agents shall have the right, without prior notice to any Lender, any such notice being expressly waived by such Lender to the extent permitted by applicable law, with respect to any Erroneous Payment for which demand has been made in accordance with this Section 8.16 and which has not been returned to the Administrative Agent, to set off and appropriate and apply against such amounts any and all deposits (general or special, time or demand, provisional or final but excluding trust accounts) in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by the applicable Agent or any of its Affiliates to or for the credit or the account of such Lender. The Administrative Agent agrees to promptly notify the Lender after any such setoff and application made by the either Agent; *provided*, that, the failure to give such notice shall not affect the validity of such setoff and application.

(e) Each party's obligations under this Section 8.16 shall survive the resignation or removal of each Agent, the termination of the Commitments and the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

ARTICLE IX

The Administrative Agent or the Borrower may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by them, *provided*, that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in Section 9.01(b) above shall be effective as provided in such Section 9.01(b).

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

Except for such certificates required by

Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

Section 9.02. *Survival of Agreement*. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect until the Termination Date. Without prejudice to the survival of any other agreements contained herein, the provisions of Sections 2.15, 2.16, 2.17, 9.05, 9.22 and 9.26 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the occurrence of the Termination Date or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

Section 9.03. *Binding Effect*. This Agreement shall become effective when it shall have been executed by the Borrower, the Collateral Agent and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the Borrower, the Collateral Agent, the Administrative Agent and each Lender and their respective permitted successors and assigns.

Section 9.04. *Successors and Assigns*.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its respective rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in clause (d) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Lenders and the Indemnified Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in subclause (ii) below, any Lender may assign to one or more assignees (each, an "**Assignee**") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld, delayed or conditioned), which consent, with respect to the assignment of a Term Loan, will be deemed to have been given if the Borrower has not responded within ten (10) Business Days after the delivery of any request for such consent; *provided*, that no consent of the Borrower shall be required (x) for an assignment of a Term Loan to a Lender, an Affiliate of a Lender, or an Approved Fund (as defined below) or (y) if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, for an assignment to any person; and

(B) the Administrative Agent (such consent not to be unreasonably withheld or delayed); *provided*, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to (x) a Lender, an Affiliate of a Lender, or an Approved Fund, or (y) the Borrower or an Affiliate of the Borrower.

(ii) Assignments (other than pursuant to Section 2.25 or clause (c) below) shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the applicable Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000 or an integral multiple of $1,000,000 in excess thereof, unless each of the Borrower and the Administrative Agent otherwise consent; *provided*, that no such consent of the Borrower shall be required if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing; *provided*, *further*, that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds being treated as one assignment), if any;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; *provided*, that this clause (B) shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Acceptance and any form required to be delivered pursuant to Section 2.17 via an electronic settlement system administratively feasible to Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent); *provided*, that contemporaneous assignments by or to any Assignee, its Affiliates and its Approved Funds to one or more of such Assignee's Affiliates or Approved Funds that close together shall be deemed to be one assignment for purposes of this clause (C);

(D) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent its applicable tax forms, an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws; and

(E) the Assignee shall not be (1) the Borrower or any of the Borrower's Affiliates or Subsidiaries except with respect to assignments to the Borrower in accordance with Section 2.25 or clause (c) below, (2) any Disqualified Lender subject to Section 9.04(j), (3) a natural person or (4) a Defaulting Lender.

For the purposes of this Section 9.04, "**Approved Fund**" shall mean any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered, advised or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers, advises or manages a Lender.

Any assigning Lender shall, in connection with any potential assignment, provide to the Borrower a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not a Default or an Event of Default has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to subclause (v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an

Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05 (subject to the limitations and requirements of those Sections, including, without limitation, the requirements of Sections 2.17(d) and 2.17(f))). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04 (except to the extent such participation is not permitted by such clause (c) of this Section 9.04, in which case such assignment or transfer shall be null and void).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and interest amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Collateral Agent, the Administrative Agent and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent and any Lender (with respect to any entry relating to such Lender's Loans and Commitments), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b)(ii)(C) of this Section 9.04, if applicable, and any written consent to such assignment required by clause (b) of this Section 9.04, the Administrative Agent shall accept such Assignment and Acceptance and promptly record the information contained therein in the Register; *provided*, that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.18(d) or 8.07, the Administrative Agent shall have no obligation to accept such Assignment and Acceptance and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this subclause (v).

(c) Notwithstanding anything to the contrary herein, including Sections 2.18 and 8.04, so long as no Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, any Lender may assign all or any portion of its Loans hereunder to Holdings, the Borrower or any of the Subsidiaries on a non-*pro rata* basis, whether pursuant to an open market purchase, dutch auction, exchange or otherwise; *provided* that no purchase of any Term Loans shall be made from the proceeds of any revolving loans. Any such Term Loans shall be automatically and permanently cancelled immediately upon acquisition thereof by Holdings, the Borrower or any of the Subsidiaries.

In connection with any assignment pursuant to this Section 9.04(c), each Lender acknowledges and agrees that, in connection therewith:

(i) Holdings and/or any of its Subsidiaries may have, and later may come into possession of, information regarding either Holdings, any of its Subsidiaries and/or any of their respective Affiliates not known to such Lender and that may be material to a decision by such Lender to participate in such assignment (including material non-public information) ("**Excluded Information**"),

(ii) such Lender, independently and, without reliance on Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates, has made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information, and

(iii) none of Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information.

(d) *Participations*.

(i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations in Term Loans and Commitments to one or more banks or other entities other than any person that, at the time of such participation, is (A) a natural person, (B) Holdings, the Borrower or any of its Subsidiaries or any of their respective Affiliates or (C) a Disqualified Lender subject to Section 9.04(j) (a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it);

provided, that (1) such Lender's obligations under this Agreement shall remain unchanged, (2) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (3) the Borrower, the Administrative Agent, the Collateral Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents;

provided, *further*, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that both (1) requires the consent of each Lender directly affected thereby pursuant to the first proviso to Section 9.08(b) and (2) directly affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default) and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to clause (d)(iii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections and Section 2.19, including, without limitation, the requirements of Sections 2.17(d) and 2.17(f) (it being understood that the documentation required under Section 2.17(d) and 2.17(f) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 9.04.

To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender; *provided*, that such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. Without limitation of the requirements of this Section 9.04(d), no Lender shall have any obligation to disclose all or any portion of a Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other Loan Obligations under any Loan Document), except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other Loan Obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld or delayed), which consent shall state that it is being given pursuant to this Section 9.04(d)(iii); *provided*, that each potential Participant shall provide such information as is reasonably requested by the Borrower in order for the Borrower to determine whether to provide its consent.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; *provided*, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(f) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in clause (e) above.

(g) Upon the terms and subject to the conditions set forth in this Agreement, and in reliance upon the representations, warranties and covenants of the Loan Parties contained herein and the other Loan Documents, effective as of the Closing Date, each person that becomes a Lender after the Closing Date (each, a "**Subject Lender**"), on behalf of itself and its predecessors, successors, assigns, agents, subsidiaries (except in the case of any Lender that is a bona fide commercial bank), Affiliates (except in the case of any Lender that is a bona fide commercial bank) and representatives, hereby irrevocably and forever waives, on the terms and conditions set forth herein, any actual, if any, and alleged defaults, Defaults or Events of Default (each as defined in the applicable Existing Debt Document), or any other claims of breach under any Existing Debt Document that have arisen under the Existing Debt Documents prior to the Closing Date and that can be waived as of the Closing Date, together with any and all related consequences thereof, including without limitation any actual or purported acceleration of any Existing Debt (the "**Waiver**"). Other than as specifically set forth herein, the Waiver shall not constitute a modification or alteration of the terms, conditions or covenants of this Agreement or the Existing Debt Documents. Notwithstanding the foregoing, (i) the Waiver of each Subject Lender that is a bona fide commercial bank is only applicable with respect to such Subject Lender in its capacity as a lender or holder under the Existing Debt Documents to which it is a party (and not in any other capacity and not in respect of any Existing Debt Document to which it is not a party), (ii) for the avoidance of doubt, no Subject Lender that is a bona fide commercial bank is agreeing to the Waiver with respect to any Existing Debt that such Subject Lender holds or acquires solely in its capacity as a Qualified Marketmaker (as defined in the Transaction Support Agreement), and (iii) with respect to any such Subject Lender that is a bona fide commercial bank, any Affiliates or related parties of such Subject Lender (including any separate branch of a Subject Lender) shall not be deemed to be a Subject Lender themselves, unless such Affiliate or related party has itself signed this Agreement. For the avoidance of doubt, any Affiliates or related parties of any such Subject Lender shall not, as a result of being Affiliates or related parties, be deemed to be Subject Lenders themselves.

(h) Each purchase or assignment of Term Loans pursuant to Section 2.25 or clause (c) of this Section 9.04 shall, for purposes of this Agreement, be deemed to be an automatic and immediate cancellation and extinguishment of such Term Loans and the Borrower shall, upon consummation of any such purchase, notify the Administrative Agent that the Register should be updated to record such event as if it were a prepayment of such Loans.

(i) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable *pro rata* share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent) to pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent and any other Lender hereunder (and interest accrued thereon); *provided*, that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(j) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (i) post the list of Disqualified Lenders provided by the Borrower and any updates thereto from time to time (collectively, the "**DQ List**") on the Platform, including that portion of the Platform that is designated for "public side" Lenders and (ii) provide the DQ List to each Lender requesting the same. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders; *provided*, that without limiting the generality of the foregoing clause, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender. With respect to any Lender or Participant that becomes a Disqualified Lender after the applicable assignment or participation, (1) such Assignee shall not retroactively be disqualified from becoming a Lender or Participant and (2) the execution by the Borrower of an Assignment and Acceptance with respect to such assignee will not by itself result in such Assignee no longer being considered a Disqualified Lender. Any assignment in violation of this clause (j) shall not be void, but the Borrower shall have the

right to (A) [reserved], (B) in the case of outstanding Term Loans held by Disqualified Lenders, prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans, in each case plus accrued interest, accrued fees, the Applicable Premium and all other amounts (other than principal amounts) payable to it hereunder and under the other Loan Documents and/or (C) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 9.04), all of its interest, rights and obligations under this Agreement and related Loan Documents to an Assignee in accordance with this Section 9.04 that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and the other Loan Documents; *provided* that (1) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 9.04(b)(ii)(C), (2) such assignment does not conflict with applicable laws and (3) in the case of clause (B), the Borrower shall not use the proceeds from any Loans to prepay Term Loans held by Disqualified Lenders.

Section 9.05. *Expenses; Indemnity*.

(a) The Borrower hereby agrees to pay

(i) all reasonable and documented out-of-pocket expenses (including, subject to Section 9.05(c), Other Taxes) incurred by the Administrative Agent or the Collateral Agent and their respective Affiliates in connection with the preparation and administration of this Agreement and the other Loan Documents, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), including the reasonable and documented fees, charges and disbursements of one counsel for each of the Administrative Agent and the Collateral Agent and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction for each of the Administrative Agent and the Collateral Agent (or a single local counsel if the Administrative Agent and the Collateral Agent are the same entity),

(ii) all reasonable and documented fees and disbursements (including fees and disbursements incurred following the Closing Date in connection with the Borrower's Obligations under Sections 5.10 and 5.13) of Davis Polk & Wardwell LLP as primary counsel to the Ad Hoc Group (as defined in the Transaction Support Agreement) in connection with the Transactions in each case subject to and in accordance with the fee or engagement letters entered into with the Borrower, and

(iii) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Agents or any Lender in connection with the enforcement of their rights in connection with this Agreement and any other Loan Document, in connection with the Loans made hereunder, including all reasonable

and documented out-of-pocket expenses incurred or invoiced during any workout, restructuring or negotiations in respect of such Loans, and including the fees, charges and disbursements of (A) (i) a separate single counsel for the Administrative Agent, (ii) a separate, single counsel for the Collateral Agent and (iii) a separate, single counsel for all other Secured Parties, taken as a whole, and, (B) if necessary, (i) a separate, single local counsel in each appropriate jurisdiction for the Administrative Agent, (ii) a separate, single local counsel in each appropriate jurisdiction for the Collateral Agent (*provided*, that for purposes of clauses (i) and (ii), if the Administrative Agent and the Collateral Agent are the same entity, the Agent shall be entitled to one local counsel) and (iii) a separate, single local counsel in each appropriate jurisdiction for the other Secured Parties, taken as a whole and (C) (if appropriate) (i) a separate, single regulatory counsel for the Administrative Agent and (ii) a separate, single regulatory counsel for the Collateral Agent (*provided*, that for purposes of clauses (i) and (ii), if the Administrative Agent and the Collateral Agent are the same entity, the Agent shall be entitled to one regulatory counsel) and (iii) a separate, single regulatory counsel for all other Secured Parties, taken as a whole (and, in each case, in the case of an actual or perceived conflict of interest where such person affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of such for such affected person.

(b) The Borrower agrees to indemnify the Administrative Agent, the Collateral Agent, each Lender, each of their respective Affiliates, successors and assignors, and each of their respective Related Parties (each such person being called an "**Indemnitee**") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (excluding the allocated costs of in house counsel but including costs and fees of (A)(i) a separate, single counsel for the Administrative Agent, (ii) a separate, single counsel for the Collateral Agent and (iii) a separate, single primary counsel for all other Indemnitees, taken as a whole, and, (B) if necessary, (i) a separate, single local counsel in each appropriate jurisdiction for Administrative Agent, (ii) a separate, single local counsel for the Collateral Agent (*provided*, that for purposes of clause (i) and (ii), if the Administrative Agent and the Collateral Agent are the same entity, the Agent shall be entitled to one local counsel) and (iii) a separate, single local counsel in each appropriate jurisdiction for the other Indemnitees, taken as a whole and (C) (if appropriate) (i) a separate, single regulatory counsel for the Administrative Agent, (ii) a separate, single regulatory counsel for the Collateral Agent (*provided*, that for purposes of clause (i) and (ii), if the Administrative Agent and the Collateral Agent are the same entity, the Agent shall be entitled to one regulatory counsel) and (iii) a separate, single regulatory counsel for all other Indemnitees, taken as a whole (and, in each case, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the

parties hereto and thereto of their respective obligations thereunder or the consummation of the transactions contemplated hereby, (ii) the use of the proceeds of the Loans, (iii) any violation of or liability under Environmental Laws by Holdings, the Borrower or any Subsidiary, (iv) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on, from or to any property owned, leased or operated by Holdings, the Borrower or any Subsidiary or (v) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by the Borrower or any of their subsidiaries or Affiliates; *provided*, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties or (y) arose from any claim, actions, suits, inquiries, litigation, investigation or proceeding that does not involve an act or omission of the Borrower or any of its Affiliates and is brought by an Indemnitee against another Indemnitee (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding by or against any Agent in its capacity as such). None of the parties hereto (or any of their respective affiliates) shall be responsible or liable to any other party or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the occurrence of the Termination Date, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any Lender. All amounts due under this Section 9.05 shall be payable within 15 days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to any Taxes (other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), which shall be governed exclusively by Section 2.17 and, to the extent set forth therein, Section 2.15.

(d) To the fullest extent permitted by applicable law, each of Holdings and the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems (including the internet) in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation or removal of the Administrative Agent or the Collateral Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations, the occurrence of the Termination Date and the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

Section 9.06. *Right of Set-off*. If an Event of Default shall have occurred and be continuing, each Lender and any of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final and in whatever currency denominated) at any time held and other obligations at any time owing by such Lender to or for the credit or the account of Holdings, the Borrower or any Subsidiary against any of and all the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the Obligations may be unmatured; *provided*, that any recovery by any Lender or any Affiliate pursuant to its setoff rights under this Section 9.06 is subject to the provisions of Section 2.18(c); *provided*, *further*, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.24 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

Section 9.07. *Applicable Law*. THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

Section 9.08. *Waivers; Amendment*.

(a) No failure or delay of the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power.

The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Holdings, the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, the Collateral Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in Section 2.21, 2.22 or 2.23, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders and (z) in the case of any other Loan Document, subject to the terms of such Loan Document, pursuant to an agreement or agreements in writing entered into by each Loan Party thereto and the Administrative Agent or the Collateral Agent, as applicable, and consented to by the Required Lenders; *provided*, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, or decrease any amount payable with respect to any Term Loan, or change the amount of interest, principal or Applicable Premium payable in cash in respect of, any Term Loan, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification); *provided*, that only the consent of the Required Lenders shall be necessary to reduce or waive any obligation of the Borrower to pay interest or fees at the applicable default rate set forth in Section 2.13(c);

(ii) increase or extend the Commitment of any Lender, or decrease the fees of any Lender without the prior written consent of such Lender (which, notwithstanding the foregoing, with respect to any such extension or decrease, such consent of such Lender shall be the only consent required hereunder to make such modification); *provided*, that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or mandatory prepayments shall not constitute an increase or extension of the Commitments of any Lender for purposes of this clause (ii);

(iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date, or extend any date on which payment of interest (other than interest payable at the applicable default rate of interest set forth in Section 2.13(c)) on any Term Loan or any fees or Applicable Premium is due, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification);

(iv) amend the provisions of Section 2.18(c) or Section 7.03 of this Agreement or Section 4.2 of the Collateral Agreement or any other provision hereof in a manner that would by its terms alter the *pro rata* sharing or the order of applicable payments required thereby without the prior written consent of each Lender directly adversely affected thereby;

(v) amend or modify the provisions of this Section 9.08 or the definition of the terms "Required Lenders," "Majority Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender directly adversely affected thereby;

(vi) except as provided in Section 9.18, release all or substantially all of the Collateral or the Liens thereon or all or substantially all of the Guarantors from their respective Guarantees without the prior written consent of each Lender;

(vii) subject to any more restrictive provision in this Section 9.08(b), effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lenders participating in another Facility, without the prior written consent of the Majority Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

(viii) amend, modify or waive any term or provision of any Loan Document to permit the issuance or incurrence of any Indebtedness (including any exchange of existing Indebtedness that results in another class of Indebtedness for borrowed money, but excluding, for the avoidance of doubt, any "debtor-in-possession" facility pursuant to Section 364 of the Bankruptcy Code (or similar financing under applicable law)) with respect to which (x) the Liens on the Collateral securing the Obligations of any tranche would be subordinated or (y) all or any portion of the Obligations of any tranche would be subordinated in right of payment (any such other Indebtedness to which such Liens securing any of the Obligations or such Obligations, as applicable, are subordinated, "**Senior Indebtedness**"), in each case without the written consent of each Lender of such tranche directly and adversely affected thereby, unless each adversely affected Lender has been offered a bona fide opportunity to fund or otherwise provide its

pro rata share (based on the amount of Obligations that are adversely affected thereby held by each Lender) of the Senior Indebtedness on the same terms (other than bona fide backstop fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction; such fees and expenses, "**Ancillary Fees**") as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely affected Lender decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness;

(ix) amend the provisions of Section 9.04 to reduce the number or percentage of Lenders required to permit the Borrower to assign or otherwise transfer its rights or obligations under this Agreement without the prior written consent of each Lender;

(x)

(A) amend, modify or waive the definition of "Unrestricted Subsidiary" or "Material Asset",

(B) amend, modify or waive any provision of this Agreement that would, except as set forth in the definition of "Unrestricted Subsidiary," permit (I) the creation or existence of Unrestricted Subsidiaries, or any Subsidiary that would be "unrestricted" or otherwise generally excluded from the requirements, taken as a whole, applicable to Subsidiaries pursuant to the Loan Documents (including the covenants set forth in Article VI) (it being acknowledged that no Subsidiary is an Unrestricted Subsidiary as of the Closing Date), (II) the Borrower or any Subsidiary to transfer to, or hold assets in, an Unrestricted Subsidiary or (III) the release of any guarantee of the Obligations and any Lien on the Collateral to secure any such guaranty as a result of the designation of any Person as an Unrestricted Subsidiary,

(C) amend or modify any provision of this Agreement to permit additional Investments (including Guarantees of Indebtedness of) in, Restricted Payments to or Dispositions to any Unrestricted Subsidiary not permitted by the terms of this Agreement without giving effect thereto,

(D) amend or modify the requirements of Section 6.08, or

(E) amend, modify or waive the Double-Dip Provision,

in each case of clauses (A) through (E), without the prior written consent of each Lender;

(xi) amend the provisions of Section 9.04 in a manner that would further restrict assignments of any Loans under this Agreement without the prior written consent of each Lender directly adversely affected thereby;

(xii) amend, modify or waive the provisions of Section 2.21(e) with respect to the right of holders of Incremental Term Loan Commitments and Incremental Term Loans, to consent to any amendment, modification, waiver, consent or other action without the prior written consent of each Lender directly adversely affected thereby; or

(xiii) amend the provisions of Section 9.18(b) or the definition of "Excluded Subsidiary" without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification);

provided, *further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder without the prior written consent of the Administrative Agent or the Collateral Agent affected thereby, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any Assignee of such Lender.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have the right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be affected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of each such Defaulting Lender.

(c) Without the consent of any Lender, the Loan Parties, the Administrative Agent and the Collateral Agent shall (to the extent required or contemplated by any Loan Document) enter into any amendment, modification, supplement or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, to include holders of Other First Liens or (to the extent necessary or advisable under applicable local law) Junior Liens in the benefit of the Security Documents in connection with the incurrence of any Other First Lien Debt or Indebtedness permitted to be secured by Junior Liens and to give effect to any Intercreditor Agreement associated therewith, or as required by local law to give effect to, or protect, any security interest for the benefit of the Secured Parties in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the prior written consent of the Required Lenders, the Administrative Agent, and the Loan Parties (i) to permit additional extensions of credit to be outstanding hereunder from time to time and the accrued interest and fees and other obligations in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees and other obligations in respect thereof and (ii) to include appropriately the holders of such extensions of credit in any determination of the requisite lenders required hereunder, including Required Lenders and Majority Lenders. In addition, notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Borrower and the Administrative Agent (but without the consent of any Lender) to include any additional financial maintenance covenant (or any financial maintenance covenant that is already included in this Agreement but with covenant levels and component definitions that are more restrictive to the Borrower) for the benefit of the Lenders of all of the Facilities (but not fewer than all of the Facilities) then existing.

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent (but without the consent of any Lender) to the extent necessary (i) to integrate any Other Term Loan Commitments and Other Term Loans in a manner consistent with Sections 2.21, 2.22 and 2.23 as may be necessary to establish such Other Term Loan Commitments or Other Term Loans as a separate Class or tranche from the existing Term Facility Commitments or Term Loans, as applicable, and, in the case of Extended Term Loans, to reduce the amortization schedule of the related existing Class of Term Loans proportionately, (ii) to integrate any Other First Lien Debt or (iii) to cure any ambiguity, omission, error, defect or inconsistency.

(f) Each of the parties hereto hereby agrees that the Administrative Agent may (but shall not be obligated to) take any and all action as may be necessary to ensure that all Term Loans established pursuant to Section 2.21 after the Closing Date that will be included in an existing Class of Term Loans outstanding on such date (an "**Applicable Date**"), when originally made, are included in each Borrowing of outstanding Term Loans of such Class (the "**Existing Class Loans**"), on a *pro rata* basis, and/or to ensure that, immediately after giving effect to such new Term Loans (the "**New Class Loans**" and, together with the Existing Class Loans, the "**Class Loans**"), each Lender holding Class Loans will be deemed to hold its Pro Rata Share of each Class Loan on the Applicable Date (but without changing the amount of any such Lender's Term Loans), and each such Lender shall be deemed to have effectuated such assignments as shall be required to ensure the foregoing. The "**Pro Rata Share**" of any Lender on the Applicable Date is the ratio of (i) the sum of such Lender's Existing Class Loans immediately prior to the Applicable Date plus the amount of New Class Loans made by such Lender on the Applicable Date over (ii) the aggregate principal amount of all Class Loans on the Applicable Date.

Section 9.09. *Interest Rate Limitation*. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "**Charges**"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the "**Maximum Rate**") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate; *provided*, that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 9.10. *Entire Agreement*. This Agreement, the other Loan Documents and the agreements regarding certain fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, each Fee Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto (and the Indemnitees, the Indemnified Parties, the Cash Management Banks under any Secured Cash Management Agreement and the Hedge Banks under any Secured Hedge Agreement and, to the extent expressly set forth herein, Related Parties of the parties hereto and the Indemnitees) rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 9.11. *WAIVER OF JURY TRIAL*. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12. *Severability*. To the extent permitted by applicable law, any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document (or purported waiver, amendment, or modification) including pursuant to this Agreement, should be held invalid, illegal, unenforceable or to be unauthorized under the terms of Section 9.08, then:

(x) (i) such provisions, waivers, amendments or modifications (or purported waivers, amendments or modifications) shall be construed or deemed modified so as to be valid, legal, enforceable and authorized under the terms of Section 9.08, as applicable, with an economic effect as close as possible to that of the invalid, illegal, unenforceable or unauthorized provisions, waivers, amendments or modifications, as applicable, and (ii) once construed or modified by clause (i), such provisions, waivers, amendments or modifications (or attempted waivers, amendments, or modifications) shall be deemed to have been operative *ab initio*,

(y) any such provision, waiver, amendment or modification (or purported waiver, amendment or modification) not capable of being modified or construed in accordance with the foregoing clause (x) shall automatically be considered without effect, and such provision, waiver, amendment or modification shall for all purposes be deemed to have never been implemented or occurred, as applicable, and

(z) after giving effect to each of the foregoing clauses (x) and (y), the validity, legality and enforceability of the remaining provisions or waivers, amendments or modifications, as applicable, contained herein and therein shall not in any way be affected or impaired thereby.

Notwithstanding any other provision of this Agreement, if a court of competent jurisdiction – in a final and unstayed order – determines that any aspect of the Level 3 Senior Unsecured Notes Transaction (as defined in the Transaction Support Agreement) is invalid for any reason, such determination shall not (directly or indirectly) constitute a default or breach of this Agreement or any other Loan Document.

Section 9.13. *Counterparts*. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission or other electronic transmission shall be as effective as delivery of a manually signed original.

Section 9.14. *Headings*. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15. *Jurisdiction; Consent to Service of Process*.

(a) The Borrower and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, the Collateral Agent, any Lender or any Affiliate of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, Borough of Manhattan, and of the United States District Court of the Southern District of New York, sitting in New York County, Borough of Manhattan, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against Holdings, the Borrower or any other Loan Party or its properties in the courts of any jurisdiction.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any court referred to in paragraph (a) of this Section 9.15. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement or any other Loan Document to serve process in any other manner permitted by law.

Section 9.16. *Confidentiality*. Each of the Lenders and each of the Agents agrees that it shall maintain in confidence any information relating to Holdings and any of its Subsidiaries or their respective businesses furnished to it by or on behalf of Holdings or any of its Subsidiaries (other than information that (x) has become generally available to the public other than as a result of a disclosure by such party in breach of this Section 9.16, (y) has been independently developed by such Lender or such Agent without violating this Section 9.16 or (z) was available to such Lender or such Agent from a third party having,

to such person's knowledge, no obligations of confidentiality to the Borrower or any other Loan Party) and shall not reveal the same other than to its Related Parties and any numbering, administration or settlement service providers or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except:

(a) to the extent necessary to comply with applicable Requirements of Law or any legal process or the requirements of any Governmental Authority purporting to have jurisdiction over such person or its Related Parties, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded,

(b) as part of reporting or review procedures to, or examinations by, Governmental Authorities, rating agencies or self-regulatory authorities, including the National Association of Insurance Commissioners or the Financial Industry Regulatory Authority, Inc.,

(c) to its parent companies, Affiliates and their Related Parties including auditors, accountants, legal counsel and other advisors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16),

(d) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder,

(e) to any pledgee under Section 9.04(e) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16),

(f) to any direct or indirect contractual counterparty (or its Related Parties) in Hedging Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16),

(g) on a confidential basis to (i) any rating agency in connection with rating Holdings, the Borrower or its Subsidiaries or the facilities evidenced by this Agreement or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the facilities evidenced by this Agreement,

(h) with the prior written consent of the Borrower, and

(i) to any other party to this Agreement.

Section 9.17. *Platform; Borrower Materials*. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE ADMINISTRATIVE AGENT AND ITS RELATED PARTIES DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM.

Section 9.18. *Release of Liens and Guarantees*.

(a) The Lenders and the other Secured Parties hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall:

(i) be automatically released (and following such automatic release the Administrative Agent or Collateral Agent shall execute any appropriate release documentation (prepared by the Loan Parties and without representation, warranty or recourse) to document or evidence such release at the Borrower's reasonable request and sole expense):

(A) in full upon the occurrence of the Termination Date as set forth in Section 9.18(e) below;

(B) upon the Disposition (other than any lease or license) of such Collateral by any Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction permitted by this Agreement,

(C) to the extent that such Collateral comprises property leased to a Loan Party, upon termination or expiration of such lease,

(D) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.08),

(E) to the extent that the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee in accordance with the Guarantee Agreement or clause (b) below,

(F) as required by the Collateral Agent to effect any Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents, or

(G) pursuant to the terms of any applicable Intercreditor Agreement, and

(ii) be released (which release shall be automatic to the extent permitted by Section 9.18(a)(i)) in the circumstances, and subject to the terms and conditions, provided in Section 8.11.

Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any Disposition, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents and the Collateral Agent shall have received notice of any such release hereunder.

(b) In addition, the Lenders and the other Secured Parties hereby irrevocably agree that the respective Guarantor shall be automatically released from its respective Guarantee (and following such automatic release the Administrative Agent or Collateral Agent shall execute any appropriate documentation (prepared by the Loan Parties and without representation, warranty or recourse) to document or evidence such release at the Borrower's reasonable request and sole expense):

(i) upon consummation of any transaction permitted hereunder if (x) resulting in such Guarantor ceasing to constitute a Subsidiary (including because such Subsidiary is designated an "Unrestricted Subsidiary") or (y) in the case of any Guarantor that would not be required to be a Guarantor because it is, or has become, an Excluded Subsidiary as a result of a transaction following which it has become (or remains) a Subsidiary of the Borrower or a Guarantor, in each case following a written request by the Borrower to the Administrative Agent requesting that such person no longer constitute a Guarantor and certifying its entitlement to the requested release (and the Administrative Agent may rely conclusively on a certificate to the foregoing effect without further inquiry); *provided* that any such release pursuant to preceding clause (y) shall only be effective if:

(A) no Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing or would result therefrom,

(B) at the time of such release (and after giving effect thereto), all outstanding Indebtedness of, and Investments in, such Subsidiary would then be permitted to be made in accordance with the relevant provisions of Sections 6.01 and 6.04 (for this purpose, with the Borrower being required to reclassify any such items made in reliance upon the respective Subsidiary being a Guarantor on another basis as would be permitted by such applicable Section) (and all items described above in this clause (B) shall thereafter be deemed recharacterized as provided above in this clause (B)),

(C) such Subsidiary shall not be (or shall be simultaneously released as) a guarantor (if applicable) with respect to the any First Lien Notes, Other First Lien Debt, Second Lien Notes, Incremental Equivalent Debt, Permitted Consolidated Cash Flow Debt, Existing Unsecured Notes, Subordinated Indebtedness, any other Indebtedness secured by a Junior Lien or any Permitted Refinancing Indebtedness (and successive Permitted Refinancing Indebtedness) with respect to the foregoing; and

(D) the transaction resulting in such release is a legitimate business transaction and not for a "liability management transaction" as reasonably determined by the Borrower; or

(ii) if the release of such Guarantor is approved, authorized or ratified by the Required Lenders (or such other percentage of Lenders whose consent is required in accordance with Section 9.08).

(c) The Lenders and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to, and such Agent shall execute and deliver any instruments, documents, and agreements (prepared by the Loan Parties and without representation, warranty or recourse) necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this Section 9.18, including without limitation the filing of any Uniform Commercial Code or equivalent lien release filings in respect thereof, all without the further consent or joinder of any Lender or any other Secured Party. Upon the effectiveness of any such release, any representation, warranty or covenant contained in any Loan Document relating to any such Collateral or Guarantor shall no longer be deemed to be made.

(d) In connection with any release hereunder or under any Loan Document, the Administrative Agent and the Collateral Agent shall promptly (and the Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents (prepared by the Loan Parties and without representation, warranty or recourse) as may be reasonably requested by the Borrower and at the Borrower's expense in connection with the release of any Liens created by any Loan Document in respect of such Guarantor, property or asset; *provided*, that notwithstanding anything contained in this Agreement or any other Loan Document to the contrary (but without effecting the automatic nature of any release or subordination pursuant to this Section 9.18) in no event shall any Agent be required to execute and deliver any instrument or document evidencing any release unless the Borrower shall have provided such Agent with a certificate of a Responsible Officer of the Borrower certifying that any such transaction has been consummated in compliance with this Agreement and the other Loan Documents and that the execution and delivery of such release is authorized and permitted by this Agreement and the other Loan Documents (a "**Collateral Matters Certificate**"). Any execution and delivery of documents pursuant to this Section 9.18(d) shall be without recourse to or warranty by the Administrative Agent or Collateral Agent.

(e) Notwithstanding anything to the contrary contained herein or any other Loan Document, on the Termination Date, upon request of the Borrower, the Administrative Agent and/or the Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be reasonably requested by the Borrower and is required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any (i) obligations in respect of any Secured Cash Management Agreements or Secured Hedge Agreements and (ii) contingent indemnification obligations or expense reimbursement claims not then due; *provided*, that the applicable Agent shall have received a certificate of a Responsible Officer of the Borrower certifying that such release has been consummated in compliance with this Agreement and the other Loan Documents and that such release is authorized or permitted by this Agreement and the other Loan Documents (but without effecting the automatic nature of any release or subordination pursuant to this Section 9.18). Any such release of obligations shall be deemed subject to the provision that such obligations shall be reinstated if after such release any portion of any payment in respect of the obligations guaranteed thereby shall be rescinded, avoided or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made. The Borrower agrees to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or the Collateral Agent (and their respective representatives) in connection with taking such actions to release security interests in all Collateral and all obligations under the Loan Documents as contemplated by this Section 9.18(e).

(f) Obligations of the Borrower or any of its Subsidiaries under any Secured Cash Management Agreement or Secured Hedge Agreement (after giving effect to all netting arrangements relating to such Secured Hedge Agreements) shall be secured and guaranteed pursuant to the Security Documents only to the extent that, and for so long as, the other Obligations are so secured and guaranteed. No person shall have any voting rights under any Loan Document solely as a result of the existence of obligations owed to it under any such Secured Cash Management Agreement or Secured Hedge Agreement. For the avoidance of doubt, no release of Collateral or Guarantors affected in the manner permitted by this Agreement shall require the consent of any holder of obligations under any Secured Cash Management Agreement or Secured Hedge Agreement.

(g) Upon reasonable request of the Borrower, the Collateral Agent shall return possessory Collateral held by it that is released from the security interests created by the Security Documents pursuant to this Section 9.18. In the event that the Collateral Agent loses or misplaces any possessory collateral delivered to the Collateral Agent by any Loan Party, upon reasonable request of the Borrower the Collateral Agent shall provide a loss affidavit to the Borrower, in the form customarily provided by the Collateral Agent in such circumstances.

Section 9.19. *USA PATRIOT Act Notice; Beneficial Ownership Regulation Notice*. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. Each Loan Party shall use commercially reasonable efforts to, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act and the Beneficial Ownership Regulation.

Section 9.20. *Agency of the Borrower for the Loan Parties*. Each of the other Loan Parties hereby appoints the Borrower as its agent for all purposes relevant to this Agreement and the other Loan Documents, including the giving and receipt of notices and the execution and delivery of all documents, instruments and certificates contemplated herein and therein and all modifications hereto and thereto.

Section 9.21. *No Advisory or Fiduciary Responsibility*. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees that:

(a) (i) the arranging and other services regarding this Agreement provided by each Agent and the Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and each Agent and the Lenders, on the other hand, (ii) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents;

(b) (i) each Agent and the Lenders is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, any of its Affiliates or any other person and (ii) neither the Administrative Agent, the Collateral Agent nor any Lender has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and

(c) each Agent, the Lenders, and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent, the Collateral Agent nor any Lender has any obligation to disclose any of such interests to the Borrower or its Affiliates.

To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Agents and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 9.22. *Payments Set Aside*. To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, *plus* interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 9.23. *Acknowledgement and Consent to Bail-In of Affected Financial Institutions*. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 9.24. *Electronic Execution of Assignments and Certain Other Documents*. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including, without limitation, Assignment and Acceptances, Borrowing Requests, Interest Election Requests, amendments, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 9.25. *Acknowledgement Regarding Any Supported QFCs*. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Hedging Agreement or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**", and each such QFC, a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.25, the following terms have the following meanings:

"**BHC Act Affiliate**" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"**Covered Entity**" means any of the following: (a) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (b) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (c) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"**Default Right**" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"**QFC**" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

Section 9.26. *Indemnification of Consenting Parties and Ad Hoc Group Advisors*. As between the Loan Parties and the Consenting Parties (as defined in the Transaction Support Agreement) only:

(a) Without limiting the obligations of the Loan Parties under the Existing Documents (as defined in the Transaction Support Agreement), the Definitive Documents (as defined in the Transaction Support Agreement) or any related guarantees, security documents, agreements, amendments, instruments or other relevant documents, each Loan Party hereby agrees to indemnify, pay and hold harmless each current or former Consenting Party and each of its Affiliates and all of their respective officers, directors, members, managers, partners, employees, shareholders, advisors, agents, and other representatives of each of the foregoing and their respective successors and permitted assigns (each, an "**Indemnified Party**") from and against any and all actual losses, claims, damages, actions, judgments, suits, costs, expenses, disbursements and liabilities, joint or several, of any kind or nature whatsoever (including, subject to the remainder of this sentence, the reasonable and documented out-of-pocket fees and disbursements of counsel for any Indemnified Party, and including any out-of-pocket costs associated with any discovery or other information requests, but, for the avoidance of doubt, not including Taxes, indemnification with respect to which shall be governed by Section 2.15(a)(ii) and Section 2.17, other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim) but in each case, only to the extent of such Indemnified Party's actual out-of-pocket amounts, whether direct, indirect, special or consequential and whether based on any federal, state or foreign laws, statutes, rules or regulations (including

securities and commercial laws, statutes, rules or regulations) on common law or equitable cause or on contract or otherwise, that may be imposed on, incurred by, or asserted against any Indemnified Party, in any manner relating to or arising out of, in connection with, or as a result of (i) this Agreement, the other Loan Documents, the Definitive Documents (as defined in the Transaction Support Agreement), the Transaction Support Agreement, the Transactions or any related guarantees, security documents, agreements, instruments or other documents, (ii) the negotiation, formulation, preparation, execution, delivery or performance of the foregoing or (iii) any actual claim, litigation, investigation or proceeding relating to the foregoing, regardless of whether any Indemnified Party is a party thereto and whether or not the transactions contemplated hereby are consummated (but limited, in the case of legal fees and expenses, to (x) those of (I) Davis Polk & Wardwell LLP or (II) if Davis Polk & Wardwell LLP does not represent the group due to an actual or potential conflict of interest, another law firm selected by the Majority Consenting Parties (as defined in the Transaction Support Agreement), in each case, as counsel to the Consenting Parties (as defined in the Transaction Support Agreement) incurred in connection with any such claim, litigation, investigation or proceeding, and one local counsel in any relevant material jurisdiction and (y) in the case of an actual or perceived conflict of interest where the Indemnified Parties affected by such conflict inform the Borrower of such conflict and thereafter retain their own counsel with the Borrower's prior written consent (not to be unreasonably withheld), additional counsel to such affected Indemnified Parties (and, if necessary, solely in the case of any such actual or perceived conflict of interest, additional local counsel to such affected Indemnified Parties, in each such relevant material jurisdiction)) (such foregoing amounts, "**Losses**" and such Loan Party obligation, the "**Indemnification Obligations**"). The Loan Parties shall reimburse each Indemnified Party reasonably promptly, but in no event later than 30 days following written demand therefor (together with reasonable backup documentation supporting such reimbursement request) for their reasonable and documented out-of-pocket costs and expenses (but limited, in the case of legal fees and expenses, to (x) those of Davis Polk & Wardwell LLP and local counsel and (y) any conflicts counsel or local counsel retained by an Indemnified Party in accordance with the preceding sentence). No Indemnified Party shall be entitled to indemnity hereunder in respect of any Losses to the extent that it is found by a final, non-appealable judgment of a court of competent jurisdiction that such Losses arise from (i) the bad faith, gross negligence or willful misconduct by such Indemnified Party (or any of its Related Parties), (ii) the willful and material breach of this Agreement by such Indemnified Party (or any of its Related Parties) or (iii) any disputes solely among Indemnified Parties and not arising out of or related to any act or omission of any of the Loan Parties.

(b) Notwithstanding anything to the contrary contained in this Agreement, the Indemnification Obligations set forth herein (i) shall survive the expiration or termination of this Agreement, (ii) shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Consenting Parties or any other Indemnified Party and (iii) shall be binding on any successor or assign of the Loan Parties and the successors or assigns to any substantial portion of its business and assets.

(c) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, neither Agent shall have any duties or obligations pursuant to, or in connection with, this Section 9.26, or be responsible for any payments pursuant to this Section 9.26 (all of which shall be made directly by the Loan Parties to the applicable Consenting Party).

Section 9.27. *FCC and State PUC Compliance*. Notwithstanding anything to the contrary contained in any of the Loan Documents, none of the Administrative Agent, the Collateral Agent or the Lenders, nor any of their agents, will take any action pursuant any Loan Document that would constitute or result in an assignment or transfer of control of any FCC License or State PUC License held by a Loan Party or any Subsidiary of a Loan Party if such assignment or transfer of control would require, under existing Telecommunications Laws, the prior application to, approval of, or notice to, the FCC or any State PUC, without first filing such application, obtaining such approval and/or providing such required notice to the FCC and/or State PUC.

Section 9.28. *Regulated Subsidiaries*. Notwithstanding any provision of this Agreement, any other Loan Document or otherwise to the contrary:

(a) (x) any Regulated Guarantor Subsidiary that the Borrower intends to cause to become a Designated Guarantor Subsidiary shall be treated as a Collateral Guarantor for purposes of Article VI so long as the Borrower is using commercially reasonable efforts to satisfy the Guarantee Permit Condition (or, solely with respect to (x) investments with respect to the payment of intercompany expenses or other investments, in each case in the ordinary course of business and (y) investments with respect to the payment of capital expenditures with respect to any such Regulated Guarantor Subsidiary, has been unable to satisfy the Guarantee Permit Condition as to such Subsidiary in spite of such efforts) and (y) no Regulated Guarantor Subsidiary shall be required to provide any guarantee or become a party to the Guarantee Agreement until such time as it has satisfied the Guarantee Permit Condition; and

(b) (x) any Regulated Grantor Subsidiary that the Borrower intends to cause to become a Designated Grantor Subsidiary shall be treated as a Collateral Guarantor for purposes of Article VI so long as the Borrower is using commercially reasonable efforts to satisfy the Collateral Permit Condition (or, solely with respect to (x) investments with respect to the payment of intercompany expenses or other investments, in each case in the ordinary course of business and (y) investments with respect to the payment of capital expenditures with respect to any such Regulated Grantor Subsidiary, has been unable to satisfy the Collateral Permit Condition as to such Subsidiary in spite of such efforts) and (y) no Regulated Grantor Subsidiary shall be required to grant a lien on any of its Collateral, become a party to the Collateral Agreement or have its Equity Interests pledged as Collateral until such time as it has satisfied the Collateral Permit Condition.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first written above.
