Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Securities may be amended without prior notice to any Holder but with the written consent of the Holders of at least a majority (or, with respect to certain covenants, the written consent of at least two-thirds) in aggregate principal amount of the Outstanding Securities and (ii) any default or noncompliance with any provision may be waived with the written consent of the Holders of at least a majority in principal amount of the Outstanding Securities. Subject to certain exceptions set forth in the Indenture, the Issuer, the Guarantors, the Trustee and the Collateral Agent may, at any time and from time to time, without notice to or consent of any Holders of Securities, (a) enter into one or more supplemental indentures and/or (b) amend, supplement or otherwise modify the Indenture or the Securities: (i) to evidence the succession of another person to the Issuer, Level 3 Parent or any other Guarantor and the assumption by such successor of the covenants of the Issuer, Level 3 Parent or such other Guarantor, respectively, in the Indenture, in the Securities, in the applicable Note Guarantee and in the applicable Collateral Documents, as applicable; (ii) to add to the covenants of Level 3 Parent, the Issuer or any of their respective Subsidiaries, for the benefit of the Holders, or to surrender any right or power conferred upon Level 3 Parent, the Issuer or any other Guarantor by the Indenture; (iii) to add any additional Events of Default; (iv) to provide for uncertificated Securities in addition to or in place of certificated Securities; (v) to evidence and provide for the acceptance of appointment under the Indenture of a successor Trustee or a successor Collateral Agent in each case pursuant to the requirements of the Indenture; (vi) to secure the Securities; (vii) to comply with the Securities Act (including Regulation S promulgated thereunder); (viii) to add Note Guarantees or to release any Guarantors from Note Guarantees as provided by the terms of the Indenture; (ix) to (a) cure any ambiguity, mistake, omission, defect, inconsistency, or obvious error in the Indenture, or (b) correct or supplement any provision in the Indenture which may be inconsistent with any other provision therein, or to add any other provision with respect to matters or questions arising under the Indenture; *provided* that, with respect to the foregoing clause (ix)(b), such actions shall not adversely affect the interests of the Holders in any material respect; (x) to add additional assets as Collateral or to release any Collateral from the liens securing the Securities, in each case pursuant to the terms of the Indenture, the Collateral Documents and the Intercreditor Agreements, as and when permitted or required by the Indenture, the Collateral Documents or the Intercreditor Agreements; or (xi) to effect any provision of the Indenture or to make changes to the Indenture to provide for the issuance of Additional Securities. The intercreditor provisions of the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement may be amended, waived or otherwise modified from time to time with the consent of the parties thereto. In addition, the Issuer may, without the consent of any other party thereto, amend the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement to designate Indebtedness as "**Second-Priority Obligations**", or as any other Indebtedness subject to the terms and provisions of such agreement.

14. *Defaults and Remedies*

Subject to certain exceptions set forth in the Indenture, if an Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the Securities then outstanding, subject to certain limitations, may declare all the Securities to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Securities being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Securities may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Securities unless it receives indemnity or security satisfactory to it in its sole discretion. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Securities then outstanding may direct the Trustee in its exercise of any trust or power under the Indenture. Before a judgment or decree for payment of the money due has been obtained by the Trustee as provided in the Indenture, the Holders of a majority in aggregate principal amount of the Securities then outstanding, by written notice to the Issuer and the Trustee, may rescind any declaration of acceleration and its consequences if all existing Events of Default have been cured or waived except nonpayment of principal or premium (if any) that has become due solely because of the acceleration.

15. *Trustee Dealings with the Issuer*

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Issuer or its Affiliates and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee. However, the Trustee must comply with Section 6.08 of the Indenture.

16. *No Recourse Against Others*

A director, officer, employee, incorporator or stockholder, as such, of the Issuer or any Guarantor shall not have any liability for any obligations of the Issuer or any Guarantor under the Securities or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation, solely by reason of its status as a director, officer, employee, incorporator or stockholder of such person. By accepting a Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

17. *Authentication*

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

18. *Abbreviations*

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. *Governing Law*

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

20. *CUSIP Numbers*

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Securities and has directed the Trustee to use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

21. *Indenture Controls*

The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture for a statement of such terms and provisions. If and to the extent that any provision of the Securities limits, qualifies or conflicts with a provision of the Indenture, such provision of the Indenture shall control.

The Issuer will furnish to any Holder upon written request and without charge to the Holder a copy of the Indenture and Holders may request the Indenture at the following:

Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a *pro forma basis* shall be computed based upon the average daily balance of such Indebtedness during the applicable period, except to the extent the outstanding amounts thereunder are reasonably expected to increase as a result of any transactions described in clause (a) of the first paragraph of this definition of "Pro Forma Basis" which occurred during the respective period or thereafter and on or prior to the date of determination. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of or irregularities in regular mail service or by reason of any other cause, it shall be impracticable to mail notice of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice for every purpose hereunder.

Section 1.07. *Effect of Headings and Table of Contents.* The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 1.08. *Successors and Assigns.* All covenants and agreements in this Indenture by the Issuer and Level 3 Parent shall bind its successors and assigns, whether so expressed or not.

Section 1.09. *Entire Agreement*. This Indenture and the exhibits hereto set forth the entire agreement and understanding of the parties related to this transaction and supersedes all prior agreements and understandings, oral or written.

Section 1.10. *Separability Clause.* In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Notwithstanding any other provision of the Note Documents, if a court of competent jurisdiction – in a final and unstayed order – determines that the Level 3 Senior Unsecured Notes Transaction (as defined in the Transaction Support Agreement) is invalid for any reason, the Liens securing the Securities shall be deemed not to have been granted ab initio, and all other terms hereof shall remain unchanged; provided, that the Issuer and the Guarantors shall use reasonable best efforts to contest any challenge to the Level 3 Senior Unsecured Notes Transaction; provided, further, that any finding that any aspect of the Level 3 Senior Unsecured Notes Transaction is invalid shall not (directly or indirectly) constitute a default or breach of the Note Documents.

Section 1.11. *Benefits of Indenture.* Nothing in this Indenture or in the Securities, express or implied, shall give to any person, other than the parties hereto, any Paying Agent, any Security Registrar and their successors hereunder and the Holders any legal or equitable right, remedy or claim under this Indenture.

Section 1.12. *Governing Law.* **THIS INDENTURE AND THE SECURITIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY**.

Section 1.13. *Trust Indenture Act*. For the avoidance of doubt, the Trust Indenture Act is not applicable to this Indenture.

Section 1.14. *Legal Holidays.* In any case where any Interest Payment Date, Redemption Date, or Stated Maturity or Maturity of any Security shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of the Securities) payment of principal (or premium, if any) or interest need not be made on such date, but shall be made on the next succeeding Business Day with the same force and effect as if made on the Interest Payment Date or Redemption Date or at the Stated Maturity or Maturity; *provided* that no interest shall accrue in respect of such payment for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity to the next Business Day, as the case may be.

Section 1.15. *No Personal Liability of Directors, Officers, Employees and Stockholders.* No director, officer, employee, incorporator or stockholder of the Issuer or any Guarantor, as such, shall have any liability for any obligations of the Issuer or any Guarantor under the Securities or this Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation, solely by reason of its status as a director, officer, employee, incorporator or stockholder of the Issuer or a Guarantor. By accepting a Security, each Holder waives and releases all such liability (but only such liability). The waiver and release are part of the consideration for issuance of the Securities.

Section 1.16. *Independence of Covenants.* All covenants and agreements in this Indenture shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default if such action is taken or condition exists.

Section 1.17. *Exhibits.* All exhibits attached hereto are by this reference made a part hereof with the same effect as if herein set forth in full.

Section 1.18. *Counterparts.* This Indenture may be executed in any number of counterparts, each of which shall be an original; but such counterparts shall together constitute but one and the same instrument.

Section 1.19. *Duplicate Originals.* The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

Section 1.20. *Waiver of Jury Trial.* **EACH OF LEVEL 3 PARENT, EACH HOLDER BY ACCEPTANCE OF THE SECURITIES, THE ISSUER, THE TRUSTEE AND THE COLLATERAL AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTIONS CONTEMPLATED HEREBY**.

Section 1.21. *Force Majeure.* In no event shall the Trustee or Collateral Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, any act or provision of any present or future law or regulation or governmental authority, strikes, riots, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, sabotage, pandemics or epidemics, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 1.22. *FATCA.* In order to assist the Trustee with its compliance with Sections 1471 through 1474 of the Code and the rules and regulations thereunder (as in effect from time to time, collectively, the "**Applicable Law**") the Issuer agrees (i) to provide to the Trustee reasonably available information collected and stored in the Issuer's ordinary course of business regarding Holders of Securities (solely in their capacity as such) and which is necessary for the Trustee's determination of whether it has tax related obligations under Applicable Law and (ii) that the Trustee shall be entitled to make any withholding or deduction from payments under this Indenture to the extent necessary to comply with Applicable Law. Nothing in the immediately preceding sentence shall be construed as obligating the Issuer to make any "gross up" payment or similar reimbursement in connection with a payment in respect of which amounts are so withheld or deducted.

Section 1.23. *Submission to Jurisdiction.* The parties and each Holder (by acceptance of the Securities) irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, City of New York, over any suit, action or proceeding arising out of or relating to this Indenture. To the fullest extent permitted by applicable law, the parties irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

Section 1.24. *[Reserved].*

Section 1.25. *Electronic Signature*s. For the avoidance of doubt, for all purposes of this Indenture and any document to be signed or delivered in connection with or pursuant to this Indenture (except where a manual signature is expressly required by the terms of this Indenture), the words "execution," "execute," "signed," "signature," "delivery," and words of like import used in or related to any document signed in connection with this Indenture, any Security or any of the transactions contemplated hereby (including amendments, waivers, consents and other modifications) shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, as the case may be, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery or the use of a paper-based recordkeeping system, as the case may be, to the fullest extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, and any other similar state laws based on the Uniform Electronic Transactions Act and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means, provided that, notwithstanding anything herein to the contrary, the Trustee is not under any obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Trustee pursuant to procedures approved by the Trustee. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmissions shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

Section 1.26. *USA Patriot Act*. The parties hereto acknowledge that in accordance with Section 326 of the USA Patriot Act the Trustee and the Collateral Agent, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this agreement agree that they shall provide the Trustee and Collateral Agent with such information as they may request in order to satisfy the requirements of the USA Patriot Act.

ARTICLE 2
SECURITY FORMS

Section 2.01. *Form and Dating.* The Issuer shall be permitted to issue Definitive Securities from time to time. Provisions relating to the Securities are set forth in Appendix A, which is hereby incorporated in and expressly made a part of this Indenture. The Securities and the Trustee's certificate of authentication shall be substantially in the form of Exhibit 1 to Appendix A which is hereby incorporated in and expressly made a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuer is subject, if any, or usage, *provided* that any such notation, legend or endorsement is in a form reasonably acceptable to the Issuer. Each Security shall be dated the date of its authentication. The terms of the Securities set forth in Exhibit 1 to Appendix A are part of the terms of this Indenture.

The Definitive Securities shall be printed, lithographed or engraved on steel-engraved borders or may be produced in any other manner permitted by the rules of any securities exchange or system on which the Securities may be listed or eligible for trading, all as determined by the officers of the Issuer executing such Securities, as evidenced by their execution of such Securities.

ARTICLE 3
THE SECURITIES

Section 3.01. *Amount of Securities*. Subject to Section 3.02, the Trustee shall authenticate Securities for original issue on the Issue Date in the aggregate principal amount of $711,902,000 (the "**Original Securities**").

The Issuer shall be entitled, subject to its compliance with the covenants set forth in this Indenture, including Section 9.08, to issue Additional Securities under this Indenture which shall have identical terms as the Original Securities, other than with respect to the date of issuance, the issue price and, if applicable, the payment of interest accruing prior to the issue date of such Additional Securities and the first payment of interest following the issue date of such Additional Securities (and such changes as are customary to permit escrow arrangements, if any, in connection with the issuance of such Additional Securities); provided that a separate CUSIP or ISIN shall be issued for any Additional Securities if the Additional Securities are not fungible for U.S. federal income tax purposes with the Original Securities. The Original Securities and any Additional Securities issued in exchange therefor shall be treated as a single class for all purposes under this Indenture.

With respect to the Additional Securities, the Issuer shall set forth in a Board Resolution and an Officers' Certificate, a copy of each of which shall be delivered to the Trustee, the following information:

(a) the aggregate principal amount of such Additional Securities to be authenticated and delivered pursuant to this Indenture;

(b) the issue price, the issue date and the CUSIP number of such Additional Securities;

(c) whether such Additional Securities shall be Transfer Restricted Securities and issued in the form of Securities as set forth in Appendix A to this Indenture.

For each issuance of Additional Securities, the Issuer shall lend to Level 3 Communications an amount equal to the principal amount of the Additional Securities so issued, and the principal amount of the Loan Proceeds Note shall be increased by such amount; provided that such calculation or the correctness of the amount of the Loan Proceeds Note or any increase in the amount thereof shall not be a duty or obligation of the Trustee.

Section 3.02. *Execution and Authentication*. Two officers shall sign the Securities for the Issuer by manual, electronic or facsimile signature.

If an officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Securities, an Officers' Certificate and an Opinion of Counsel and the Trustee in accordance with such written order of the Issuer shall authenticate and deliver such Securities.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Issuer to authenticate the Securities. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Security Registrar, Paying Agent or agent for service of notices and demands.

Section 3.03. *Security Registrar and Paying Agent*. The Issuer shall maintain an office or agency where Securities may be presented for registration of transfer or for exchange (the "**Security Registrar**") and an office or agency in the United States where Securities may be presented for payment to the Paying Agent. The Security Registrar shall keep a register of the

Securities and of their transfer and exchange (the register maintained in the office of the Security Registrar and in any other office or agency designated pursuant to Section 9.02 being herein sometimes referred to as the "**Security Register**"). The Issuer may have one or more co-registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agent.

The Issuer shall enter into an appropriate agency agreement with any Security Registrar, Paying Agent or co-registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Security Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 6.07.

The Issuer initially appoints the Trustee as Security Registrar and Paying Agent in connection with the Securities.

Section 3.04. *Paying Agent to Hold Money in Trust*. Prior to each due date of the principal and interest on any Security, the Issuer shall deposit with the Paying Agent a sum sufficient to pay such principal and interest when so becoming due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of or interest on the Securities and shall notify the Trustee of any default by the Issuer in making any such payment. If the Issuer or a Wholly-Owned Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section, the Paying Agent shall have no further liability for the money delivered to the Trustee.

Section 3.05. *Holders Lists*. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Security Registrar, upon a written request by the Trustee, the Issuer shall furnish to the Trustee, in writing at least five Business Days before each Interest Payment Date and at such other times as the Trustee may reasonably request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

Section 3.06. *Replacement Securities*. If a mutilated Security is surrendered to the Security Registrar or if the Holder of a Security claims that such Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the UCC are met and the Holder satisfies any other reasonable requirements of the Trustee. Such Holder shall furnish an indemnity bond sufficient in the judgment of the Issuer to protect the Issuer and in the judgement of the Trustee to protect the Trustee, the Paying Agent, the Security Registrar and any co-registrar from any loss which any of them may suffer if a Security is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Security.

Every replacement Security is an additional obligation of the Issuer.

Section 3.07. *Temporary Securities*. Until Definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Securities and deliver them in exchange for temporary Securities.

Section 3.08. *Cancellation*. The Issuer at any time may deliver Securities to the Trustee for cancellation. The Security Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel and dispose of in accordance with its customary procedures (subject to the record retention requirements of the Exchange Act) all Securities surrendered for registration of transfer, exchange, payment or cancellation. The Issuer may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation.

Section 3.09. *Defaulted Amounts*. If the Issuer defaults in a payment of interest on the Securities, the Issuer shall pay the defaulted interest (plus interest on such defaulted interest to the extent lawful) in any lawful manner at the rate provided in Section 9.01 hereof. The Issuer may pay the defaulted interest to the persons who are Holders on a subsequent special record date. The Issuer shall notify the Trustee of any defaulted interest payment and fix or cause to be fixed any such special record date for the payment to the reasonable satisfaction of the Trustee and shall deliver to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

Section 3.10. *CUSIP Numbers*. The Issuer in issuing the Securities may use "**CUSIP**" numbers (if then generally in use) and, if so, the Trustee shall use "**CUSIP**" numbers in notices of redemption as a convenience to Holders; *provided*, *however*, that neither the Issuer nor the Trustee shall have any responsibility for any defect in the "**CUSIP**" number that appears on any Security, check, advice of payment or redemption notice, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "**CUSIP**" number(s).

ARTICLE 4
SATISFACTION AND DISCHARGE

Section 4.01. *Satisfaction and Discharge of Indenture*. This Indenture shall cease to be of further effect (subject to Section 11.06 and except as to surviving rights of registration of transfer, transfer, exchange and replacement of Securities expressly provided for herein or pursuant hereto), the Liens, if any, on the Collateral securing the Securities and the Note Guarantees shall be released and the Trustee, at the request and expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture and release of such Liens, in each case, when

(a) either

(i) all Outstanding Securities have been delivered to the Trustee for cancellation; or

(ii) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable within one year, or

(C) are to be called for redemption within one year under irrevocable arrangements satisfactory to the Trustee in its reasonable discretion for the giving of notice of redemption by the Trustee in the name and at the expense of the Issuer, and the Issuer, in the case of (A), (B) or (C) above, has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Securities not theretofore delivered to the Trustee for cancellation, for principal of (and premium, if any, on), and interest on, the Securities to Maturity or the Redemption Date, as the case may be;

(b) the Issuer has paid or caused to be paid all other sums payable by the Issuer hereunder; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations under Sections 6.07 and 6.09 and, if money shall have been deposited with the Trustee pursuant to clause (a)(ii) of this Section 4.01, the obligations of the Trustee under Section 4.02 and the last paragraph of Section 9.03 shall survive such satisfaction and discharge.

Section 4.02. *Application of Trust Money.* Subject to the provisions of the last paragraph of Section 9.03, all money deposited with the Trustee pursuant to Section 4.01 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

ARTICLE 5
REMEDIES

Section 5.01. *Events of Default*. "**Event of Default**" wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) failure to pay principal of (or premium, if any, on) any Security when due; or

(b) failure to pay any interest on any Security when due, continued for 30 days; or

(c) default in the payment of principal of (and premium, if any) and interest on Securities required to be purchased pursuant to an Offer to Purchase pursuant to Section 9.07 when due and payable; or

(d) failure to perform or comply with the provisions of Article 7; or

(e) failure to perform any covenant or agreement of Level 3 Parent, the Issuer or any Subsidiary in this Indenture or in any Security (other than a covenant a default in whose performance is elsewhere in this Section specifically dealt with) continued for 90 days after written notice to the Issuer by the Trustee or Holders of at least 30% in aggregate principal amount of the Outstanding Securities, which notice shall specify the default and state that such notice is a "**Notice of Default**" hereunder; or

(f) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or failing to be paid at its scheduled maturity; provided, that this clause (f) shall not apply to any secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness if (x) such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness and (y) repayments are made as required by the terms of the respective Indebtedness; or

(g) the failure by Level 3 Parent, the Issuer or any Significant Subsidiary to pay one or more final judgments aggregating in excess of $75,000,000, which judgments are not discharged or effectively waived or stayed for a period of 45 consecutive days, or any action shall be legally taken by a judgment creditor to attach or levy upon assets or properties of Level 3 Parent, the Issuer or any Significant Subsidiary to enforce any such judgment; or

(h) any Note Guarantee of Level 3 Parent, Level 3 Communications or any other Guarantor that is a Significant Subsidiary, ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee) or Level 3 Parent, Level 3 Communications or any other Guarantor that is a Significant Subsidiary denies or disaffirms in writing its obligations under its Note Guarantee; or

(i) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of Level 3 Parent, the Issuer or any of the Significant Subsidiaries, or of a substantial part of the property or assets of Level 3 Parent, the Issuer or any Significant Subsidiary, under the Bankruptcy Code, or any other federal, state or foreign bankruptcy, insolvency, receivership or any other Debtor Relief Law, (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner, liquidator or similar official for Level 3 Parent, the Issuer or any of the Significant Subsidiaries or for a substantial part of the property or assets of Level 3 Parent, the Issuer or any of the Significant Subsidiaries or (iii) the winding-up, liquidation, reorganization, dissolution, compromise, arrangement or other relief of Level 3 Parent, the Issuer or any Significant Subsidiary (except in a transaction permitted hereunder); and such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered; or

(j) Level 3 Parent, the Issuer or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking relief under the Bankruptcy Code, as now constituted or hereafter amended, or any other federal, state or foreign bankruptcy, insolvency, receivership or any other Debtor Relief Law, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in clause (i) above, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner, liquidator or similar official for Level 3 Parent, the Issuer or any of the Significant Subsidiaries or for a substantial part of the property or assets of Level 3 Parent, the Issuer or any Significant Subsidiary, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) become unable or fail generally to pay its debts as they become due; or

(k) any security interest purported to be created by any Collateral Document and to extend to assets that constitute a material portion of the Collateral shall cease to be, or shall be asserted in writing by the Issuer or any Guarantor not to be, a valid and perfected security interest (perfected as or having the priority required by this Indenture or the relevant Collateral Document and subject to such limitations and restrictions as are set forth herein and therein) in the securities, assets or properties covered thereby, except to the extent that any such loss of perfection or priority results from the limitations of foreign laws, rules and regulations as they apply to pledges of Equity Interests in Foreign Subsidiaries or the application thereof, or from failure of the Collateral Agent (or any agent acting as gratuitous bailee thereof) to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Agreement (so long as such failure does not result from the breach or non-compliance with the Note Documents by the Issuer or any Guarantor).

Any notice of default, notice of acceleration or instruction to the Trustee to provide a notice of default, notice of acceleration or take any other action (a "**Noteholder Direction**") provided by any one or more holders of the Securities (each a "**Directing Holder**") shall be accompanied by a written representation from each such holder delivered to the Issuer and the Trustee that such holder is not (or, in the case such holder is the Depository or its nominee, that such holder is being instructed solely by beneficial owners that have represented to such holder that they are not) Net Short (a "**Position Representation**"), which representation, in the case of a Noteholder Direction relating to the delivery of a notice of default shall be deemed a continuing representation until the resulting Event of Default is cured or otherwise ceases to exist or the Securities are accelerated. In addition, each Directing Holder shall be deemed, at the time of providing a Noteholder Direction, to covenant to provide the Issuer with such other information as the Issuer may reasonably request from time to time in order to verify the accuracy of such noteholder's Position Representation within five (5) Business Days of request therefor (a "**Verification Covenant**"). In any case in which the holder is the Depository or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Securities in lieu of the Depository or its nominee and the Depository shall be entitled to conclusively rely on such Position Representation and Verification Covenant

in delivering its direction to the Trustee. In no event shall the Trustee have any liability or obligation to ascertain, monitor or inquire as to whether any holder is Net Short and/or whether such holder has delivered any Position Representation, Verification Covenant, Noteholder Direction, or any related certifications under this Indenture or in connection with the Securities or if any such Position Representation, Verification Covenant, Noteholder Direction, or any related certifications comply with this Indenture, the Securities, or any other document. It is understood and agreed that the Issuer and the Trustee shall be entitled to conclusively rely on each representation, deemed representation and certification made by, and covenant of, each beneficial owner provided for in this paragraph. Notwithstanding any other provision of this Indenture, the Securities or any other document, the provisions of this paragraph shall apply and survive with respect to each beneficial owner notwithstanding that any such person may have ceased to be a beneficial owner, this Indenture may have been terminated or the Securities may have been redeemed in full.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Securities, the Issuer determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee an Officers' Certificate stating that the Issuer has initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any default, Event of Default or acceleration (or notice thereof) that resulted from the applicable Noteholder Direction, the cure period with respect to such default shall be automatically stayed and the cure period with respect to such default or Event of Default shall be automatically reinstituted and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter if, without the participation of such holder, the percentage of Securities held by the remaining holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Securities, the Issuer provides to the Trustee an Officers' Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such default or Event of Default shall be automatically stayed and the cure period with respect to any default or Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstituted and any remedy stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such holder's participation in such Noteholder Direction being disregarded; and, if, without the participation of such holder, the percentage of Securities held by the remaining holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio (other than any indemnity such Directing Holder may have offered the Trustee), with the effect that such default or Event of Default shall be deemed never to have occurred, acceleration voided and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such default or Event of Default.

Notwithstanding anything in the preceding two paragraphs to the contrary, any Noteholder Direction delivered to the Trustee during the pendency of an Event of Default as the result of a bankruptcy or similar proceeding shall not require compliance with the foregoing paragraphs (except for any rights or protections of the Trustee).

For the avoidance of doubt, the Trustee shall be entitled to conclusively rely on any Noteholder Direction, Position Representation, Verification Covenant or Officers' Certificate delivered to it in accordance with this Indenture, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, Noteholder Direction, Verification Covenant or Officers' Certificate, enforce compliance with any Verification Covenant, verify any statements in any Officers' Certificate, Position Representation, Noteholder Director or Verification Covenant delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise. The Trustee shall have no liability to the Issuer, any holder or any other person in connection with any Noteholder Direction (or items delivered in connection with any Noteholder Direction) or to determine whether or not any holder has delivered any Position Representation, Verification Covenant, Noteholder Direction, or any related certification or that such Position Representation, Verification Covenant, Noteholder Direction, or any related certification is accurate or conforms with this Indenture or any other agreement.

The term "**Bankruptcy Law**" means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term "**Custodian**" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

Section 5.02. *Acceleration of Maturity; Rescission and Annulment.* If an Event of Default (other than an Event of Default specified in Section 5.01(i) or 5.01(j) with respect to Level 3 Parent or the Issuer) shall occur and be continuing, either the Trustee or the Holders of not less than 30% in aggregate principal amount of the Outstanding Securities may declare the principal amount of all the Securities to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount shall become immediately due and payable; *provided*, *further*, that a notice of default may not be given with respect to any action taken, and reported publicly or to holders and the Trustee, more than two years prior to such notice of default. At any time after a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article 5, the Holders of a majority in aggregate principal amount of the Outstanding Securities, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(a) the Issuer has paid or deposited with the Trustee a sum sufficient to pay

(i) all overdue interest on all Outstanding Securities,

(ii) all unpaid principal of (and premium, if any, on) any Outstanding Securities which has become due otherwise than by such declaration of acceleration, and interest on such unpaid principal at the rate borne by the Securities,

(iii) to the extent that payment of such interest is lawful, interest on overdue interest at the rate borne by the Securities, and

(iv) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(b) all Events of Default, other than the nonpayment of amounts of principal of (or premium, if any, on) Securities which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 5.03. *Collection of Indebtedness and Suits for Enforcement by Trustee.* The Issuer covenants that if:

(a) Default is made in the payment of any interest on any Security when due, continued for 30 days, or

(b) Default is made in the payment of the principal of (or premium, if any, on) any Security when due, the Issuer will, upon demand of the Trustee, pay to the Trustee for the benefit of the Holders of such Securities the whole amount then due and payable on such Securities for principal (and premium, if any) and interest, and interest on any overdue principal (and premium, if any) and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installment of interest, at the rate borne by the Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem necessary to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 5.04. *Trustee May File Proofs of Claim.* In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer or any other obligor upon the Securities (including Level 3 Parent and any other Guarantor) or the property of the Issuer or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal, premium, if any, or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(a) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee or Collateral Agent and their respective agents and counsel) and of the Holders allowed in such judicial proceeding, and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator or sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee or Collateral Agent and their respective agents and counsel, and any other amounts due the Trustee or Collateral Agent hereunder.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to, or accept or adopt on behalf of, any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 5.05. *Trustee May Enforce Claims Without Possession of Securities.* All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

Section 5.06. *Application of Money Collected.* Subject to the terms of the Multi-Lien Intercreditor Agreement, the Second Lien/Second Lien Intercreditor Agreement and the Collateral Agreement, any money collected by the Trustee pursuant to this Article 5 shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee (acting in any capacity hereunder) and/or the Collateral Agent (acting in any capacity hereunder);

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: The balance, if any, to the Issuer or as a court of competent jurisdiction may direct.

Section 5.07. *Limitation on Suits.* No Holder of any Securities shall have any right to institute any proceeding with respect to this Indenture or for any other remedy hereunder, unless

(a) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;

(b) the Holders of not less than 30% in aggregate principal amount of the Outstanding Securities shall have made written request and offered indemnity satisfactory to the Trustee in its sole discretion to institute such proceeding and the Trustee shall have failed to institute such proceeding within 60 days; and

(c) the Trustee shall not have received from the Holders of a majority in aggregate principal amount of the Outstanding Securities a direction inconsistent with such request;

it being understood and intended that no one or more Holders shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders.

Section 5.08. *Unconditional Right of Holders to Receive Principal, Premium and Interest.* Notwithstanding any other provision in this Indenture, including Section 5.07, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment as provided herein (including, if applicable, Article 11) and in such Security of the principal of (and premium, if any) and interest on such Security on the respective Stated Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 5.09. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 5.10. *Rights and Remedies Cumulative.* Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee, Collateral Agent or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11. *Delay or Omission Not Waiver.* Except as otherwise provided in the proviso of the first paragraph of Section 5.02, no delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 5 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.12. *Control by Holders.* The Holders of a majority in aggregate principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee; *provided* that

(a) such direction shall not be in conflict with any rule of law or with this Indenture, any Intercreditor Agreement or the Collateral Agreement,

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction, and

(c) the Trustee need not take any action which might involve it in personal liability or be unjustly prejudicial to the Holders not consenting.

Section 5.13. *Waiver of Past Defaults.* The Holders of not less than a majority in principal amount of the Outstanding Securities may, on behalf of the Holders of all the Securities, waive any past Default hereunder and its consequences, except a Default

(a) in the payment of the principal of (or premium, if any) or interest on any Security, or

(b) in respect of a covenant or provision hereof which under Article 8 cannot be modified or amended without the consent of the Holder of each Outstanding Security affected, or

(c) in respect of the covenant contained in Section 9.15, which under Article 8 cannot be modified or amended without the consent of the Holders of two-thirds in principal amount of the Outstanding Securities.

The Issuer and Level 3 Parent shall deliver to the Trustee an Officers' Certificate stating that the requisite Holders of a majority in principal amount of the Outstanding Securities have consented to such waiver and attaching such consents upon which, subject to Section 1.04, the Trustee may conclusively rely. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

Section 5.14. *Waiver of Stay or Extension Laws.* The Issuer and each Guarantor covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the

covenants or the performance of this Indenture; and the Issuer and each Guarantor (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.15. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorney's fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 5.15 does not apply to a suit by the Trustee or a suit by Holders of more than 10% in principal amount of the then Outstanding Securities.

ARTICLE 6
THE TRUSTEE

Section 6.01. *Certain Duties and Responsibilities*. (a) Except during the continuance of an Event of Default,

(i) the Trustee undertakes to perform such duties and only such duties as are specifically and expressly set forth in this Indenture and the Trustee shall not be liable except for the performance of such duties, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).

(b) In case an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has actual knowledge, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that

(i) this paragraph (c) shall not be construed to limit the effect of paragraph (a) of this Section 6.01;

(ii) the Trustee shall not be liable for any action taken, or errors of judgment made, in good faith by it or any of its officers, employees or agents, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it in its sole discretion against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.01.

Section 6.02. *Notice of Default.* If a Default occurs and is continuing, the Trustee shall transmit, electronically or by first class mail to each Holder at the address set forth in the Security Register, notice of such Default within 90 days after written notice of it is received by a Responsible Officer of the Trustee; *provided*, *however*, that, except in the case of a Default in the payment of the principal of (or premium, if any) or interest on any Security, the Trustee shall be protected in withholding such notice if and so long as a trust committee of directors or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the Holders.

The Trustee is not required to take notice or deemed to have notice of any Default or Event of Default with respect to the Securities unless a Responsible Officer of the Trustee has actual knowledge of the Default or Event of Default or a Responsible Officer shall have received written notice at its Corporate Trust Office (which notice shall reference the Securities, the Issuer and this Indenture) of such Default or Event of Default from the Issuer or any Holder.

Section 6.03. *Certain Rights of Trustee.* Subject to Section 6.01:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties, not only as to due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained therein;

(b) any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee may require and rely upon an Officers' Certificate or an Opinion of Counsel or both and the Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel;

(d) the Trustee may consult with counsel or other professionals of its selection and the advice of such counsel or other professionals retained or consulted by the Trustee or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee may act through counsel, agents, custodians and nominees and shall not be responsible for the acts or omissions of or the misconduct or negligence of any such person appointed with due care and in good faith;

(f) the permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable for other than its gross negligence or willful misconduct;

(g) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it in its sole discretion against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(h) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the expense of the Issuer and shall incur no liability of any kind by reason of such inquiry or investigation;

(i) the Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(j) the rights, privileges, protections, indemnities, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other person employed to act hereunder, including without limitation, the Collateral Agent;

(k) the Trustee may request that Level 3 Parent or the Issuer deliver an Officers' Certificate in substantially the form of Exhibit A hereto setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded;

(l) in no event shall the Trustee be responsible or liable for special, punitive, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action; and

(m) the Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has received written notice of any event which is in fact such a default at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

Section 6.04. *Trustee Not Responsible for Recitals or Issuance of Securities.* The recitals contained herein and in the Securities, except for the Trustee's certificates of authentication, shall be taken as the statements of Level 3 Parent or the Issuer, as applicable, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Securities and perform its obligations hereunder. The Trustee shall not be accountable for the use or application by the Issuer of Securities or the proceeds thereof.

Section 6.05. *May Hold Securities.* The Trustee, any Paying Agent, any Security Registrar or any other agent of Level 3 Parent, the Issuer or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities, and may otherwise deal with Level 3 Parent and the Issuer with the same rights it would have if it were not any Trustee, Paying Agent, Security Registrar or such other agent. However, the Trustee must comply with Section 6.08.

Section 6.06. *Money Held in Trust.* Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Issuer.

Section 6.07. *Compensation and Reimbursement.* The Issuer agrees:

(a) to pay to the Trustee (in any capacity hereunder) and the Collateral Agent from time to time such compensation as shall be agreed in writing between the Issuer and the Trustee and/or the Collateral Agent for all services rendered by each of the Trustee and Collateral Agent hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, to reimburse the Trustee or Collateral Agent upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee or Collateral Agent in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of their respective agents and counsel for each), except any such expense, disbursement or advance as shall be determined to have been caused by the Trustee or Collateral Agent's own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, non-appealable order); and

(c) to fully indemnify each of the Trustee (in any capacity hereunder) and Collateral Agent and any predecessor trustee and their respective directors, officers, employees and agents for, and to hold them harmless against, any and all loss, liability, damage, claim or expense including Taxes (other than Taxes based on the income of the Trustee) incurred without gross negligence or willful misconduct on the part of any of them, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself or themselves against any claim (whether asserted by the Issuer, a Guarantor, a Holder or any other person) or liability in connection with the exercise or performance of any of its or their powers or duties hereunder, including the enforcement of any of its rights hereunder.

The obligations of the Issuer hereunder to compensate the Trustee and Collateral Agent, to pay or reimburse the Trustee and Collateral Agent for expenses, disbursements and advances and to indemnify and hold harmless the Trustee and Collateral Agent shall constitute additional indebtedness hereunder. As security for the performance of such obligations of the Issuer, the Trustee and Collateral Agent shall have a claim prior to the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of principal of (and premium, if any, on) or interest on particular Securities.

When the Trustee and Collateral Agent incur expenses or render services in connection with an Event of Default specified in Section 5.01(i) or 5.01(j), the expenses (including the reasonable charges and expenses of their agents and counsel) of and the compensation for such services are intended to constitute expenses of administration under any applicable federal, state or foreign bankruptcy, insolvency or other similar law.

The provisions of this Article 6 shall survive the termination of this Indenture or the earlier resignation or removal of the Trustee.

Section 6.08. *Corporate Trustee Required; Eligibility; Conflicting Interests*. (a) There shall be at all times a Trustee hereunder which shall have a combined capital and surplus of at least $50,000,000. If such person publishes reports of condition at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then, for the purposes of this Section 6.08, the combined capital and surplus of such person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time a Responsible Officer of the Trustee shall have actual knowledge that the Trustee ceases to be eligible in accordance with the provisions of this Section 6.08, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

(b) The Trustee shall be permitted to engage in transactions with Level 3 Parent or its Subsidiaries; *provided*, *however*, that if the Trustee acquires any conflicting interest, the Trustee must (i) eliminate such conflict within 90 days of acquiring such conflicting interest, (ii) apply to the Commission for permission to continue acting as Trustee or (iii) resign.

Section 6.09. *Resignation and Removal; Appointment of Successor*. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article 6 shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 6.10 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by Act of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities, delivered to the Trustee and to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 6.10 shall not have been delivered to the Trustee within 30 days after the giving of such notice of removal, the Trustee designated for removal may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.08 and shall fail to resign after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(ii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (i) the Issuer, by a Board Resolution (or by a resolution of a duly authorized committee of the Board of Directors of the Issuer), may remove the Trustee or (ii) the Holders of at least 10% in aggregate principal amount of the then Outstanding Securities who have been bona fide Holders of a Security for at least six months may, on behalf of themselves and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Issuer, by a Board Resolution, shall promptly appoint a successor Trustee. If the Issuer does not promptly appoint a successor Trustee after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in aggregate principal amount of the Outstanding Securities delivered to the Issuer and the retiring Trustee. In either case, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner hereinafter provided, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to the Holders of Securities in the manner provided for in Section 1.06. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

(g) The retiring Trustee shall not be liable for any of the acts or omissions of any successor Trustee appointed hereunder.

Section 6.10. *Acceptance of Appointment by Successor.* Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Issuer or the successor Trustee, such retiring Trustee shall, upon payment of its charges hereunder, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article 6.

Section 6.11. *Merger, Conversion, Consolidation or Succession to Business.* Any person into which the Trustee may be merged or converted or with which it may be consolidated, or any person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any person succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; *provided* that such person shall be otherwise qualified and eligible under this Article 6, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion, consolidation or transfer of assets to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities. In case at that time any of the Securities shall not have been authenticated, any successor Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor Trustee. In all such cases such certificates shall have the full force and effect which this Indenture provides that the certificate of authentication of the Trustee shall have; *provided*, *however*, that the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Securities in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion, consolidation or transfer of assets.

ARTICLE 7
CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

Section 7.01. *Level 3 Parent May Consolidate, etc., Only on Certain Terms*. (a) Level 3 Parent shall not, in a single transaction or a series of related transactions, (i) consolidate with or merge into any other person or persons or permit any other person to consolidate with or merge into Level 3 Parent or (ii) directly or indirectly, transfer, sell, lease, convey or otherwise dispose of all or substantially all its assets to any other person or persons unless:

Section 8.01. *Supplemental Indentures Without Consent of Holders.* The Issuer, the Guarantors, the Trustee and the Collateral Agent may, at any time and from time to time, without notice to or consent of any Holders of Securities, (a) enter into one or more indentures supplemental hereto and/or (b) amend, supplement or otherwise modify any other Note Document, in each case:

(i) to evidence the succession of another person to the Issuer, Level 3 Parent or any other Guarantor and the assumption by such successor of the covenants of the Issuer, Level 3 Parent or such other Guarantor, respectively, herein, in the Securities, in the applicable Note Guarantee and in the applicable Collateral Documents, as applicable; or

(ii) to add to the covenants of Level 3 Parent, the Issuer or any of their respective Subsidiaries, for the benefit of the Holders, or to surrender any right or power conferred upon Level 3 Parent, the Issuer or any other Guarantor hereby; or

(iii) to add any additional Events of Default; or

(iv) to provide for uncertificated Securities in addition to or in place of certificated Securities; or

(v) to evidence and provide for the acceptance of appointment hereunder of a successor Trustee pursuant to the requirements of Section 6.10 or a successor Collateral Agent pursuant to the requirements of this Indenture; or

(vi) to secure the Securities; or

(vii) to comply with the Securities Act (including Regulation S promulgated thereunder); or

(viii) to add Note Guarantees or to release any Guarantors from Note Guarantees as provided by the terms of this Indenture; or

(ix) to (A) cure any ambiguity, mistake, omission, defect, inconsistency, or obvious error in the Note Documents, or (B) correct or supplement any provision herein which may be inconsistent with any other provision herein, or to add any other provision with respect to matters or questions arising under this Indenture; *provided* that, with respect to the foregoing clause (ix)(B), such actions shall not adversely affect the interests of the Holders in any material respect, or (C) to amend the legends on any Security to comply with U.S. federal income tax regulations; or

(x) to add additional assets as Collateral or to release any Collateral from the liens securing the Securities, in each case pursuant to the terms of this Indenture, the Collateral Documents and the Intercreditor Agreements, as and when permitted or required by this Indenture, the Collateral Documents or the Intercreditor Agreements; or

(xi) to effect any provision of this Indenture or to make changes to this Indenture to provide for the issuance of Additional Securities.

The intercreditor provisions of the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement may be amended, waived or otherwise modified from time to time with the consent of the parties thereto. In addition, the Issuer may, without the consent of any other party thereto, amend the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement to designate Indebtedness as "Second-Priority Obligations", or as any other Indebtedness subject to the terms and provisions of such agreement.

Section 8.02. *Supplemental Indentures With Consent of Holders.* With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities, by Act of such Holders delivered to the Issuer and the Trustee, the Issuer, the Guarantors and the Trustee may (a) enter into one or more indentures supplemental hereto and/or (b) amend, supplement or otherwise modify any other Note Document, in each case, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or such other Note Document or waiving or otherwise modifying in any manner the rights of the Holders hereunder or thereunder, including the waiver of certain past defaults under this Indenture pursuant to Section 5.13; *provided*, *however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security (or, in the case of clauses (iv) and (x) below, two-thirds in principal amount of the Outstanding Securities) affected thereby:

(i) change the Stated Maturity of the principal of, or any installment of interest on, any Security, or reduce the principal amount thereof or the interest thereon (including by amending any of the definitions relevant to the determination of the interest rate applicable to the Securities) that would be due and payable upon the Stated Maturity thereof, or change the place of payment where, or the coin or currency in which, any Security or any premium or interest thereon is payable, or impair the contractual right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof; or

(ii) reduce the percentage in principal amount of the Outstanding Securities, the consent of whose Holders is necessary for any such supplemental indenture or required for any waiver of compliance with Section 5.08 or Section 5.13; or

(iii) subordinate in right of payment the Securities or any Note Guarantee to any other Indebtedness; or

(iv) amend, modify or waive any term or provision of any Note Document to permit the issuance or incurrence of any Indebtedness (including any exchange of existing Indebtedness that results in another class of Indebtedness for borrowed money, but excluding, for the avoidance of doubt, any "debtor-in-possession" facility pursuant to Section 364 of the Bankruptcy Code (or similar financing under applicable law)) with respect to which the Liens on the Collateral securing the Obligations would be subordinated (any such other Indebtedness to which such Liens securing any of the Obligations are subordinated, "Senior Indebtedness"), unless each adversely affected Holder has been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the principal amount of Obligations that are adversely affected thereby held by each Holder) of the Senior Indebtedness on the same terms (other than bona fide backstop fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction; such fees and expenses, "Ancillary Fees") as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely affected Holder decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness; or

(v) [reserved]; or

(vi) reduce the premium payable upon the redemption of any Security or change the time at which any Security may be redeemed, as described in Appendix A or Exhibit 1 thereto; or

(vii) reduce the premium payable upon a Change of Control Triggering Event or, at any time after a Change of Control Triggering Event has occurred, change the time at which the Offer to Purchase relating thereto must be made or at which the Securities must be repurchased pursuant to such Offer to Purchase; or

(viii) make any change in any Note Guarantee of a Guarantor that is either a Significant Subsidiary or is a guarantor of any Other Notes then Outstanding that would adversely affect the interests of the Holders of the Securities in a manner inconsistent with any changes made in respect of the guarantee of the Other Notes;

(ix) modify any provision of this Section 8.02 (except to increase any percentage set forth herein); or

(x) (A) modify or amend Section 9.15 or the definition of "Unrestricted Subsidiary", (B) make any change (whether by amendment, supplement or waiver) to any Collateral Document, any Intercreditor Agreement or the provisions in this Indenture dealing with the Collateral, the Collateral Documents or the Intercreditor Agreements that would, in each case, release all or substantially all of the Collateral from the Liens of the Collateral Documents (except as otherwise permitted by the terms of this Indenture, the Collateral Documents and the Intercreditor Agreements) or (C) make any change in any Note Guarantee of a Guarantor that is a Significant Subsidiary that would adversely affect the interests of the Holders of the Securities in any material respect.

It shall not be necessary for any Act of Holders under this Section 8.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Section 8.03. *Execution of Supplemental Indentures.* In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article 8 or the modifications thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent to the execution of such supplemental indenture have been fulfilled. The Trustee may, but shall not be obligated to, enter into any supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 8.04. *Effect of Supplemental Indentures.* Upon the execution of any supplemental indenture under this Article 8, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.05. *Reference in Securities to Supplemental Indentures.* Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article 8 may bear a notation in form approved by the Trustee and the Issuer as to any matter provided for in such supplemental indenture. If the Issuer and the Trustee shall so determine, new Securities so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

Section 8.06. *Notice of Supplemental Indentures.* Promptly after the execution by the Issuer, the Guarantors and the Trustee of any supplemental indenture pursuant to this Article 8, the Issuer shall give notice thereof to the Holders of each Outstanding Security affected, in the manner provided for in Section 1.06, setting forth in general terms the substance of such supplemental indenture.

ARTICLE 9
COVENANTS

Section 9.01. *Payment of Principal, Premium, if Any, and Interest*. The Issuer covenants and agrees for the benefit of the Holders that it shall duly and punctually pay the principal of (and premium, if any) and interest on the Securities in accordance with the terms of the Securities and this Indenture. An installment of principal of or interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds as of 11:00 A.M. New York City time money sufficient to pay all principal and interest then due and the Trustee or Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 9.02. *Maintenance of Office or Agency.* The Issuer shall maintain in the United States an office or agency where Securities may be presented or surrendered for payment, where Securities may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Issuer in respect of the Securities and this Indenture may be served, which shall not constitute service of process. An office of the Trustee, Wilmington Trust, National Association at 1100 North Market Street, Wilmington, Delaware 19890, shall be such office or agency of the Issuer, unless the Issuer shall designate and maintain some other office or agency for one or more of such purposes. The Issuer shall give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at such affiliate's office, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind any such designation; *provided*, *however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in the United States for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such other office or agency.

Section 9.03. *Money for Security Payments to Be Held in Trust*. If the Issuer shall at any time act as its own Paying Agent, it shall, on or before each due date of the principal of (or premium, if any) or interest on any of the Securities, segregate and hold in trust for the benefit of the persons entitled thereto a sum sufficient to pay the principal of (or premium, if any) or interest so becoming due until such sums shall be paid to such persons or otherwise disposed of as herein provided and shall promptly notify the Trustee of its action or failure so to act.

Whenever the Issuer shall have one or more Paying Agents for the Securities, it shall, on or before each due date of the principal of (or premium, if any) or interest on any Securities, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of such action or any failure so to act.

The Issuer shall cause each Paying Agent (other than the Trustee) to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 9.03, that such Paying Agent shall:

(a) hold all sums held by it for the payment of the principal of, premium, if any, or interest on Securities in trust for the benefit of the persons entitled thereto until such sums shall be paid to such persons or otherwise disposed of as herein provided;

(b) give the Trustee notice of any default by the Issuer (or any other obligor upon the Securities) in the making of any payment of principal, premium, if any, or interest;

(c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent; and

(d) indemnify the Trustee and its officers, directors, employees and agents against any loss, cost or liability caused by, or incurred as a result of, such Paying Agent's acts or omissions.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such sums.

Subject to any abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Security and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Issuer on Issuer Request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease; *provided*, *however*, that the Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense of the Issuer cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, the City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 9.04. *Existence.* Subject to Article 7, Level 3 Parent and the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect the existence, rights (charter and statutory) and franchises of Level 3 Parent, the Issuer and each Subsidiary; *provided*, *however*, that Level 3 Parent and the Issuer shall not be required to preserve, with respect to Level 3 Parent or the Issuer, respectively, any such right or franchise or, with respect to any such Subsidiary (subject to all the other covenants in this Indenture), any such existence, right or franchise, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of Level 3 Parent and its Subsidiaries taken as a whole or the Issuer and its Subsidiaries taken as a whole, respectively.

Section 9.05. *Reports.* So long as any Securities are outstanding (unless defeased in a legal defeasance), Level 3 Parent shall have its annual financial statements audited, and its interim financial statements reviewed, by a nationally recognized firm of independent accountants and shall furnish to the Trustee and the Holders of Securities, all quarterly and annual financial statements prepared in accordance with generally accepted accounting principles that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if Level 3 Parent was required to file those Forms (but in no event any other items required in such Forms), together with a corresponding "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by Level 3 Parent's certified independent accountant. Notwithstanding the foregoing, (a) such reports shall not be required to comply with any segment reporting requirements (whether pursuant to generally accepted accounting principles or Regulation S-X) in greater detail than is customarily provided in an offering memorandum prepared in connection with a Rule 144A offering, (b) such reports shall not be required to present beneficial ownership information and (c) such reports shall not be required to provide guarantor/non-guarantor financial data. Reports relating to delivery of annual financial statements shall be provided within 120 days after the end of each fiscal year, and reports relating to interim quarterly financial statements shall be provided within 60 days after the end of each of the first three fiscal quarters of each fiscal year. To the extent that Level 3 Parent does not file such information with the Commission, Level 3 Parent shall distribute such information and such reports (as well as the details regarding the conference call described below) electronically to the Trustee and by posting such information on a password-protected website (which may be non-public, require a confidentiality acknowledgment and be maintained by Level 3 Parent or its designee) to which access will be given to (i) any Holder of the Securities, (ii) to any beneficial owner of the Securities, who provides its e-mail address to Level 3 Parent or its designee and certifies that it is a beneficial owner of Securities, (iii) to any prospective investor who provides its e-mail address to Level 3 Parent or its designee and certifies that it is a QIB, or (iv) any securities analyst providing an analysis of investment in the Securities who provides its email address to Level 3 Parent and other information reasonably requested by Level 3 Parent and represents to the reasonable satisfaction of Level 3 Parent that (1) it is a bona fide securities analyst providing an analysis of investment in the Securities, (2) it will not use the information in violation of applicable securities laws or regulations, (3) it will keep such provided information confidential and will not communicate the information to any person, (4) it will not use such information in any manner intended to compete with the business of Level 3 Parent or the Lumen Credit Group and (5) neither it nor its Affiliates is a person that is principally engaged in a similar business or derives a significant portion of its revenues from operating or owning a similar business to that of Level 3 Parent or the Lumen Credit Group. Unless Level 3 Parent or Lumen is subject to the reporting requirements of the Exchange Act, Level 3 Parent shall also hold a quarterly conference call for the Holders of the Securities to review such financial information (which, for the avoidance of doubt, access may be limited to those who have access to the password-protected website and have provided a confidentiality acknowledgement). The conference call will not be later than five Business Days from the time that Level 3 Parent distributes the financial information as set forth above.

For so long as any of the Securities remain outstanding, Level 3 Parent shall furnish to the Holders of the Securities and to any prospective investor that certifies that it is a QIB, upon written request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

In the event that any direct or indirect parent of Level 3 Parent becomes a Guarantor or co-obligor of the Securities, Level 3 Parent may satisfy its obligations under this Section 9.05 with respect to financial information relating to Level 3 Parent by furnishing financial information relating to such parent; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent and any of its Subsidiaries other than Level 3 Parent and its Subsidiaries, on the one hand, and the information relating to Level 3 Parent and its Subsidiaries, on the other hand.

Notwithstanding the foregoing, Level 3 Parent shall be deemed to have furnished such financial statements and reports referred to above to the Trustee and the Holders if Level 3 Parent or any direct or indirect parent of Level 3 Parent has filed such reports with the Commission via the EDGAR filing system (or any successor thereto) and such reports are publicly available.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice or knowledge of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Trustee shall have no liability or responsibility for the filing, timeliness or content of such reports.

Section 9.06. *Statement by Officers as to Default*. (a) The Issuer shall deliver to the Trustee, on the date of delivery of each annual report to be delivered pursuant to Section 9.05 commencing with the annual report for the fiscal year ended December 31, 2024, a brief certificate from the principal executive officer, principal financial officer or principal accounting officer as to his or her knowledge of the Issuer's compliance during the period covered by such report with all conditions and covenants under this Indenture. If the signer has knowledge of any noncompliance that occurred during such period, the certificate shall describe its status and what action the Issuer has taken or is taking or proposes to take with respect thereto. For purposes of this Section 9.06(a), such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

(b) When (to the knowledge of the Issuer or any Subsidiary) any Default has occurred and is continuing under this Indenture, or if the trustee for or the holder of any other evidence of Indebtedness of the Issuer or any Subsidiary gives any notice or takes any other action with respect to a claimed default (other than with respect to Indebtedness in the principal amount of less than $275,000,000 or its foreign currency equivalent at the time), the Issuer shall, within 30 days of such occurrence, notice or other action, deliver to the Trustee electronically, by registered or certified mail or by facsimile transmission an Officers' Certificate specifying such event, notice or other action, its status and what action the Issuer is taking or proposes to take with respect thereto.

Section 9.07. *Change of Control Triggering Event*. (a) Upon the occurrence of a Change of Control Triggering Event, each Holder shall have the right to require that the Issuer repurchase such Holder's Securities in whole or in part in integral multiples of $1.00, in accordance with the procedures set forth in this Section 9.07 and this Indenture.

(b) Within 30 days following the occurrence of both a Change of Control and a Rating Decline with respect to the Securities within 30 days of each other (a "**Change of Control Triggering Event**"), the Issuer will be required to make an Offer to Purchase all Outstanding Securities at a price in cash equal to 101% of the principal amount of the Securities on the Purchase Date, plus accrued and unpaid interest (if any) to, but excluding, such Purchase Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date).

(c) The Issuer, the Trustee and/or any designated Paying Agent shall perform their respective obligations for the Offer to Purchase as specified in the Offer or as required hereunder. Prior to the Purchase Date, the Issuer shall (i) accept for payment Securities or portions thereof tendered pursuant to the Offer, (ii) irrevocably deposit with the applicable Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 9.03) money sufficient to pay the Purchase Price of all Securities or portions thereof so accepted (*provided* that such deposit may be made no later than 11:00 A.M. New York City time on the Purchase Date if the Issuer elects) and (iii) deliver or cause to be delivered to the Trustee all Securities so accepted together with an Officers' Certificate stating the Securities or portions thereof accepted for payment by the Issuer. The applicable Paying Agent shall promptly mail or deliver to Holders of Securities so accepted payment in an amount equal to the Purchase Price, and the Trustee shall authenticate and mail or deliver to such Holders a new Security or Securities equal in principal amount to any unpurchased portion of the Security surrendered as requested by the Holder. Any Security not accepted for payment shall be promptly mailed or delivered by the Issuer to the Holder thereof. In the event that the aggregate Purchase Price is less than the amount delivered by the Issuer to the applicable Paying Agent, the Paying Agent, shall deliver the excess to the Issuer immediately after the Purchase Date.

(d) A "**Change of Control**" means the occurrence of any of the following events:

(i) if any "**person**" or "**group**" (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act or any successor provisions to either of the foregoing), including any group acting for the purpose of acquiring, holding, voting or disposing of securities within the meaning of Rule 13d-5(b)(1) under the Exchange Act becomes the "**beneficial owner**" (as defined in Rule 13d-3 under the Exchange Act, except that a person will be deemed to have "**beneficial ownership**" of all shares that any such person has the right to acquire, whether such right is exercisable immediately or only after the passage of time), but excluding Lumen or any Wholly-Owned Subsidiary of Lumen, directly or indirectly, of 50% or more of the total voting power of the Voting Stock of Level 3 Parent; or

(ii) the sale, transfer, assignment, lease, conveyance or other disposition, directly or indirectly, of all or substantially all of the assets of Level 3 Parent and its Subsidiaries considered as a whole shall have occurred; or

(iii) the shareholders of Level 3 Parent or the Issuer shall have approved any plan of liquidation or dissolution of Level 3 Parent or the Issuer, respectively.

Notwithstanding the preceding or any provision of Rule 13d-3 or 13d-5 under the Exchange Act, (i) a person or group shall not be deemed to beneficially own Voting Stock (x) subject to a stock or asset purchase agreement, merger agreement, option agreement, warrant agreement or similar agreement (or voting or option or similar agreement related thereto) until the consummation of the acquisition of the Voting Stock in connection with the transactions contemplated by such agreement or (y) as a result of veto or approval rights in any joint venture agreement, shareholder agreement or other similar agreement and (ii) a person or group shall not be deemed to beneficially own the Voting Stock of another person as a result of its ownership of Voting Stock or other securities of such other person's parent entity (or related contractual rights) unless it owns more than 50% of the total voting power of the Voting Stock entitled to vote for the election of directors of such parent.

(e) The Issuer shall not be required to make an Offer to Purchase upon a Change of Control Triggering Event if a third party makes the Offer to Purchase in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to an Offer to Purchase made by the Issuer and purchases all Securities validly tendered and not withdrawn under such Offer to Purchase.

(f) In the event that the Issuer makes an Offer to Purchase the Securities, the Issuer shall comply with any applicable securities laws and regulations, including any applicable requirements of Section 14(e) of, and Rule 14e-1 under, the Exchange Act. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 9.07 by virtue thereof.

(g) Notwithstanding anything to the contrary herein, so long as (i) any of the Other Notes are outstanding, if a Change of Control Triggering Event (as defined in the applicable indenture) has occurred under any of the indentures governing such Other Notes or (ii) if any loans or commitments are outstanding under the Credit Agreements, if a Change of Control Triggering Event (as defined in each Credit Agreement, to the extent applicable) has occurred, a Change of Control Triggering Event with respect to the Securities shall also be deemed to have occurred.

Further, for purposes of determining compliance with this Section 9.08:

(a) Indebtedness need not be permitted solely by reference to one category of permitted Indebtedness (or any portion thereof) described in Sections 9.08(b)(i) through (xxxiv) but may be permitted in part under any relevant combination thereof (and subject to compliance, where relevant, with Section 9.10);

(b) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of permitted Indebtedness (or any portion thereof) described in 9.08(b)(i) through (xxxiv), the Issuer may, in its sole discretion, classify or divide such item of Indebtedness (or any portion thereof) in any manner that complies with this Section 9.08 (including, in the case of Indebtedness incurred on the same day, electing the order in which such Indebtedness shall be deemed incurred for purposes of computing the available amount under any category) and will be entitled to only include the amount and type of such item of Indebtedness (or any portion thereof) in one of the above clauses (or any portion thereof) and such item of Indebtedness (or any portion thereof) shall be treated as having been incurred or existing pursuant to only such clause or clauses (or any portion thereof); provided, that (A) all Indebtedness outstanding under the New Credit Agreement shall at all times be deemed to have been incurred pursuant to Section 9.08(b)(ii) and (B) all Indebtedness outstanding under the LVLT Limited Guarantees shall at all times be deemed to have been incurred pursuant to Section 9.08 (b)(xxxi);

(c) at the option of the Issuer, any Indebtedness and/or Lien incurred to finance a Limited Condition Transaction shall be deemed to have been incurred on the date of execution of the acquisition agreement, the declaration of the dividend by the Board of Directors of the Issuer or the applicable Subsidiary or the giving of the irrevocable notice of repayment or redemption, as

applicable, related to such Limited Condition Transaction (and not at the time such Limited Condition Transaction is consummated) and the First Lien Leverage Ratio, Total Leverage Ratio, Priority Leverage Ratio and/or compliance with Pro Forma LTM EBITDA in respect of Permitted Consolidated Cash Flow Debt shall be tested (x) in connection with such incurrence, as of the date of execution of the acquisition agreement, the declaration of the dividend by the Board of Directors of the Issuer or the applicable Subsidiary or the giving of the irrevocable notice of repayment or redemption, as applicable related to such Limited Condition Transaction was entered into, giving pro forma effect to such Limited Condition Transaction, to any such Indebtedness or Lien, and to all transactions in connection therewith and (y) in connection with any other incurrence after the date definitive acquisition agreement was entered into, the date of declaration of the dividend by the Board of Directors of the Issuer or the applicable Subsidiary or the date of giving of the irrevocable notice of repayment or redemption, as applicable related to such Limited Condition Transaction and prior to the earlier of the consummation of such Limited Condition Transaction or the termination of such definitive agreement or abandonment of such dividend, repayment or redemption prior to the incurrence, both (i) on the basis set forth in clause (x) above and (ii) without giving effect to such Limited Condition Transaction or the incurrence of any such Indebtedness or Liens or the other transactions in connection therewith.

In addition, with respect to any Indebtedness that was permitted to be incurred hereunder on the date of such incurrence, any Increased Amount of such Indebtedness shall also be permitted hereunder after the date of such incurrence.

This Indenture does not treat (x) unsecured Indebtedness as subordinated or junior in right of payment to secured Indebtedness merely because it is unsecured or (y) senior Indebtedness as subordinated or junior in right of payment to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral.

Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP will not be deemed to be an incurrence of Indebtedness for purposes of this Section 9.08 (or, for the avoidance of doubt, the incurrence of a Lien for purposes of Section 9.10).

For the avoidance of doubt, Permitted Refinancing Indebtedness (and all subsequent refinancings thereof with Permitted Refinancing Indebtedness) shall not increase the amount of Indebtedness that is permitted to be incurred pursuant to any provision of this Section 9.08 other than, in each case, as permitted by the definitions of Permitted Refinancing Indebtedness with respect to each such incurrence of Permitted Refinancing Indebtedness.

(c) Notwithstanding anything to the contrary herein or in any Note Document:

(i) any Indebtedness (including all intercompany loans and Guarantees of Indebtedness but excluding the Loan Proceeds Note and any Guarantees in respect thereof) incurred after the Issue Date owed by the Issuer or a Subsidiary to the Issuer or a Subsidiary shall be subordinated in right of payment to the Securities pursuant to the Subordinated Intercompany Note or other customary payment subordination provisions;

(ii) a LVLT/Lumen Qualified Digital Products Facility shall only be permitted under this Section 9.08 to the extent (w) a LVLT Subsidiary owns a percentage of the Equity Interests of the applicable LVLT/Lumen Digital Products Subsidiary that corresponds to the SPE Relevant Assets Percentage with respect to such LVLT/Lumen Qualified Digital Products Facility, (x) such LVLT Subsidiary receives a portion of the proceeds of such LVLT/Lumen Qualified Digital Products Facility equal to or greater than the SPE Relevant Assets Percentage with respect to such LVLT/Lumen Qualified Digital Products Facility and (y) all distributions by the applicable LVLT/Lumen Digital Products Subsidiary are made ratably based on the percentage of Equity Interests of the applicable LVLT/Lumen Digital Products Subsidiary owned by LVLT Subsidiary and the Non-LVLT Entity;

(iii) a LVLT/Lumen Qualified Securitization Facility shall only be permitted under this Section 9.08 to the extent (w) a LVLT Subsidiary owns a percentage of the Equity Interests of the applicable LVLT/Lumen Securitization Subsidiary that corresponds to the SPE Relevant Assets Percentage with respect to such LVLT/Lumen Qualified Securitization Facility, (x) such LVLT Subsidiary receives a portion of the proceeds of such LVLT/Lumen Qualified Securitization Facility equal to or greater than the SPE Relevant Assets Percentage with respect to such LVLT/Lumen Qualified Securitization Facility and (y) all distributions by the applicable LVLT/Lumen Securitization Subsidiary are made ratably based on the percentage of Equity Interests of the applicable LVLT/Lumen Securitization Subsidiary owned by LVLT Subsidiary and the Non-LVLT Entity.

Section 10.02. *Applicability of Article.* This Article 10 shall govern any redemption of the Securities pursuant to Section 10.01.

Section 10.03. *Election to Redeem; Notice to Trustee.* The election of the Issuer to redeem any Securities pursuant to Section 10.01 shall be evidenced by a Board Resolution of the Issuer delivered to the Trustee. The Issuer shall notify the Trustee of such Redemption Date and of the principal amount of Securities to be redeemed no less than 10 days (unless a shorter notice shall be satisfactory to the Trustee) prior to the delivery to the Holders of a notice of such redemption and shall deliver to the Trustee such documentation and records as shall enable the Trustee to select the Securities to be redeemed pursuant to Section 10.04. Such notice shall be accompanied by an Officers' Certificate and an Opinion of Counsel from the Issuer to the effect that such redemption will comply with the conditions herein.

Section 10.04. *Selection by Trustee of Securities to Be Redeemed.* If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Securities not previously called for redemption, on a pro rata basis, by lot or by such other method as the Trustee shall deem appropriate and which may provide for the selection for redemption of portions of the principal of Securities and, in the case of Securities represented by a Global Security held by the Depository, in accordance with Depository procedures; *provided*, *however*, that no such partial redemption shall reduce the portion of the principal amount of a Security not redeemed to less than the minimum denomination of $1.00.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Security which has been or is to be redeemed.

Section 10.05. *Notice of Redemption.* Notice of redemption shall be given in the manner provided for in Section 1.06 not less than 10 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed; *provided* that in the case of Securities held through the Depository by Depository participants, such notice will be submitted via the Depository's electronic messaging system.

Each notice of redemption shall identify the Securities (including "**CUSIP**" number(s) and the statement from Section 3.10) to be redeemed and shall state:

(a) the Redemption Date,

(b) the Redemption Price and the amount of accrued interest to, but not including, the Redemption Date payable as provided in Section 10.07, if any,

(c) if relevant, any conditions to such redemption and the information required with respect thereto pursuant to Section 5 on the reverse of the form of Security,

(d) if less than all Outstanding Securities are to be redeemed, the identification (and, in the case of a partial redemption, the principal amounts) of the particular Securities to be redeemed,

(e) in case any Security is to be redeemed in part only, that on and after the Redemption Date, upon surrender of such Security, the Holder will receive, without charge, a new Security or Securities of authorized denominations for the principal amount thereof remaining unredeemed,

(f) that on the Redemption Date the Redemption Price (and unpaid and accrued interest, if any, to, but not including, the Redemption Date payable as provided in Section 10.07) will become due and payable upon each such Security, or the portion thereof, to be redeemed, and that, unless the Issuer defaults in making such redemption payment or the Trustee or the Paying Agent is prohibited from making such payment, interest thereon will cease to accrue on and after said date, and

(g) the place or places where such Securities are to be presented and surrendered for payment of the Redemption Price and accrued interest, if any.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer; *provided*, *however*, in the latter case the Issuer shall give the Trustee at least 10 days prior notice (or such shorter notice as the Trustee may permit) of the date of the giving of the notice.

Section 10.06. *Deposit of Redemption Price.* On or prior to any Redemption Date (and if on any Redemption Date, before 11:00 A.M. New York City time, on such date), the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 9.03) an amount of money sufficient to pay the Redemption Price of, and unpaid and accrued interest (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date) on, all the Securities which are to be redeemed on that date.

Section 10.07. *Securities Payable on Redemption Date.* Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified (together with unpaid and accrued interest, if any, to, but not including, the Redemption Date), and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest or the Trustee or the Paying Agent shall be prohibited from making such payment) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with unpaid and accrued interest, if any, to, but not including, the Redemption Date; *provided*, *however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant record dates according to their terms.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Securities.

If the Issuer has given notice of redemption as provided in this Indenture and made available funds for the redemption of the Securities (or any portion thereof) called for redemption on or prior to the Redemption Date referred to in such notice, those Securities will cease to bear interest on or after that Redemption Date and the only right of the Holders of those Securities will be to receive payment of the Redemption Price, together with any accrued and unpaid interest.

Section 10.08. *Securities Redeemed in Part.* Any Security held in physical form which is to be redeemed only in part shall be surrendered at the office or agency of the Issuer maintained for such purpose pursuant to Section 9.02 (with, if the Issuer and the Trustee so require, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new physical Security or Securities, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

ARTICLE 11
DEFEASANCE AND COVENANT DEFEASANCE

Section 11.01. *Issuer's Option to Effect Defeasance or Covenant Defeasance.* The Issuer may, at its option by Board Resolution of the Issuer, at any time, with respect to the Securities, elect to have either Section 11.02 or Section 11.03 be applied to all Outstanding Securities upon compliance with the conditions set forth below in this Article 11.

Section 11.02. *Defeasance and Discharge.* Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.02, the Issuer and the Guarantors shall be deemed to have been discharged from their obligations with respect to all Outstanding Securities on the date the conditions set forth in Section 11.04 are satisfied (hereinafter, "**defeasance**"). For this purpose, such defeasance means that the Issuer shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities, which shall thereafter be deemed to be "Outstanding" only for the purposes of Section 11.05 and the other Sections of this Indenture referred to in clauses (a) and (b) below, and to have satisfied all their other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the Issuer's obligations with respect to such Securities under Section 2.3 of Appendix A and Sections 3.03, 3.06, 3.07, 9.02 and 9.03 and the Issuer's rights under Section 10.01, (b) rights of Holders to receive payment of principal of, premium, if any, and interest on such Securities (but not the Purchase Price referred to under Section 9.07) and any rights of the Holders with respect to such amounts, (c) the rights, obligations and immunities of the Trustee under this Indenture and (d) this Article 11. Subject to compliance with this Article 11, the Issuer may exercise its option under this Section 11.02 notwithstanding the prior exercise of its option under Section 11.03 with respect to the Securities. If the Issuer exercises its option under this Section 11.02, (v) each Guarantor, if any, shall be released from all its obligations under its Note Guarantee, (w) the Loan Proceeds Note may be prepaid in whole or in part, (x) no entity shall be obligated to guarantee the Loan Proceeds Note, (y) the Loan Proceeds Note may be canceled and (z) all obligations to provide Loan Proceeds Note Guarantees shall terminate and all references in this Indenture to Loan Proceeds Note Guarantees and Loan Proceeds Note Guarantees shall be disregarded and not be deemed to be requirements to take or omit to take any action by Level 3 Parent or any Subsidiary. Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.02, all Liens on the Collateral securing the Indebtedness evidenced by the Securities shall be released and the Collateral Documents shall cease to be of further effect.

Section 11.03. *Covenant Defeasance.* Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.03, the Issuer and each Guarantor shall be released from their obligations under any covenant contained in Sections 7.01(a)(ii), 7.03(a)(ii)(B)(3), (4) and (5), in Sections 7.04, 7.06, 9.05 and 9.18, Sections 9.07 through 9.22 and Section 12.01 and from the operation of Sections 5.01(f), (g), (h), (i), (j) and (k) (but, in the case of Sections 5.01(i) and (j), with respect only to Significant Subsidiaries) and from Section 9.22, with respect to the Outstanding Securities on and after the date the conditions set forth below are satisfied (hereinafter, "**covenant defeasance**"), and the Securities shall thereafter be deemed not to be "Outstanding" for the purposes of any direction, waiver, consent, declaration or other Act of Holders (and the consequences of any thereof) in connection with such provisions, but shall continue to be deemed "Outstanding" for all other purposes hereunder. For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such provision, whether directly or indirectly, by reason of any reference elsewhere herein to any such provision or by reason of any reference in any such provision to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 5.01(c), (d), (e), (f), (g), (h), (i), (j) or (k) (but, in the case of Section 5.01(i) or (j), with respect only to Significant

Subsidiaries) but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby. If the Issuer exercises its option under this Section 11.03, (v) each Guarantor shall be released from all its obligations under its Note Guarantee, (w) the Loan Proceeds Note may be prepaid in whole or in part, (x) no entity shall be obligated to guarantee the Loan Proceeds Note, (y) the Loan Proceeds Note may be canceled and (z) all obligations to provide Loan Proceeds Note Guarantees shall terminate and all references in this Indenture to Loan Proceeds Note Guarantees and Loan Proceeds Note Guarantees shall be disregarded and not be deemed to be requirements to take or omit to take any action by Level 3 Parent or any Subsidiary. Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.03, all Liens on the Collateral securing the Indebtedness evidenced by the Securities shall be released and the Collateral Documents shall cease to be of further effect.

Section 11.04. *Conditions to Defeasance or Covenant Defeasance.* The following shall be the conditions to application of either Section 11.02 or Section 11.03 to the Outstanding Securities:

(a) The Issuer shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 6.08 who shall agree to comply with the provisions of this Article 11 applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Securities, at any time prior to the Stated Maturity of the Securities: (i) money in an amount, or (ii) Government Securities which through the payment of interest and principal will provide, not later than one day before the due date of payment in respect of the Securities, money in an amount, or (iii) a combination thereof, sufficient, in the opinion of a certified public accountant (selected by the Issuer or Level 3 Parent in its sole discretion) expressed in a written certification delivered to the Trustee, to pay and discharge the principal of (and premium, if any, on) and interest on, the Outstanding Securities on the Stated Maturity (or Redemption Date, if applicable) of such principal (and premium, if any) or installment of interest; *provided* that the Trustee (or such other trustee) shall have been irrevocably instructed in writing to apply such money or the proceeds of such Government Securities to said payments with respect to the Securities. Before such a deposit, the Issuer may give to the Trustee, in accordance with Section 10.03, a notice of their election to redeem all of the Outstanding Securities at a future date in accordance with Article 10, which notice shall be irrevocable. Such irrevocable redemption notice, if given, shall be given effect in applying the foregoing.

(b) No Default or Event of Default with respect to the Securities shall have occurred and be continuing on the date of such deposit or, insofar as Section 5.01(i) and Section 5.01(j) are concerned with respect to Level 3 Parent and the Issuer, at any time during the period ending on the 123rd day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period).

(c) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Issuer or any Guarantor is a party or by which it is bound.

(d) In the case of an election under Section 11.02, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the Holders of the Outstanding Securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such defeasance and will be subject to U.S. federal income Tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred.

(e) In the case of an election under Section 11.03, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of the Outstanding Securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. federal income Tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred.

(f) The Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to either the defeasance under Section 11.02 or the covenant defeasance under Section 11.03 (as the case may be) have been complied with.

Section 11.05. *Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.* Subject to the provisions of the last paragraph of Section 9.03 and any governing law, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 11.05, the "**Trustee**") pursuant to Section 11.04 in respect of the Outstanding Securities shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law or to the extent the Issuer or Level 3 Parent acts as the Issuer's Paying Agent.

The Issuer shall pay and indemnify the Trustee and (if applicable) its officers, directors, employees and agents against any Tax, fee or other charge imposed on or assessed against the Government Securities deposited pursuant to Section 11.04 or the principal and interest received in respect thereof other than any such Tax, fee or other charge which by law is for the account of the Holders of the Outstanding Securities.

Anything in this Article 11 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the Issuer's Request any money or Government Securities held by it as provided in Section 11.04 which, in the opinion of a certified public accountant (selected by the Issuer or Level 3 Parent in its sole discretion) expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent defeasance or covenant defeasance, as applicable, in accordance with this Article 11.

Section 11.06. *Reinstatement.* If the Trustee or any Paying Agent is unable to apply any money in accordance with Section 4.01 or 11.05 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and each Guarantor's obligations under the Note Documents shall be revived and reinstated as though no deposit had occurred pursuant to Section 4.01, 11.02 or 11.03, as the case may be, until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance therewith; *provided*, *however*, that if the Issuer or any Guarantor makes any payment of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Issuer or such Guarantor shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 12
NOTE GUARANTEES

Section 12.01. *Guarantees*. Each Guarantor hereby unconditionally guarantees, jointly and severally, to each Holder and to the Trustee and Collateral Agent and its successors and assigns (a) the full and punctual payment of principal of (and premium, if any) and interest on the Securities when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, and all other monetary obligations of the Issuer under the Note Documents and (b) the full and punctual performance within applicable grace periods of all other obligations of the Issuer under the Note Documents (all the foregoing being hereinafter collectively called the "**Obligations**"). Each Guarantor further agrees that the Obligations may be extended or renewed, in whole or in part, without notice or further assent from such Guarantor, and that such Guarantor will remain bound under this Article 12 notwithstanding any extension or renewal of any Obligation.

Each Guarantor waives presentation to, demand of, payment from and protest to the Issuer of any of the Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Securities or the Obligations. The obligations of each Guarantor hereunder shall not be affected by (a) the failure of any Holder or the Trustee and Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuer or any other person under this Indenture, the Securities or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (d) the release of any security held by any Holder or the Trustee and Collateral Agent for the Obligations of any of them; (e) the failure of any Holder or the Trustee and Collateral Agent to exercise any right or remedy against any other guarantor of the Obligations; or (f) any change in the ownership of such Guarantor.

Each Guarantor further agrees that its Note Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee and Collateral Agent to any security held for payment of the Obligations.

Except as expressly set forth in Sections 7.05, 7.06, 9.14, 11.02, 11.03, 12.03 and 12.08, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantee of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any terms thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of such Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Each Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of (or premium, if any) or interest on any Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of (or premium, if any) or interest on any Obligation when and as the same shall become due, whether at Stated Maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Obligation, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid amount of such Obligations, (ii) accrued and unpaid interest on such Obligations (but only to the extent not prohibited by law) and (iii) all other monetary Obligations of the Issuer to the Holders and the Trustee.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in respect of any Obligations guaranteed hereby until payment in full in cash of all Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 5 for the purposes of such Guarantor's Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Obligations as provided in Article 5, such Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 12.01.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee and Collateral Agent or any Holder in enforcing any rights under this Section 12.01.

The Issuer shall cause each of its direct or indirect Subsidiaries that is not an Excluded Subsidiary and that guarantees or becomes a borrower under any First Lien Obligations to execute and deliver to the Trustee, within 30 days of such event (which such period will be automatically extended in 30 day increments so long as the Issuer uses commercially reasonable efforts), a supplemental indenture substantially in the form of Exhibit B hereto pursuant to which such Subsidiary will guarantee the Obligations. For the avoidance of doubt, no Excluded Subsidiary shall be required to guarantee the Obligations, become a party to the Collateral Agreement or any other Collateral Document or create Liens on its assets to secure the Obligations.

Notwithstanding anything to the contrary contained herein (but subject to the following paragraph), if a person is required to become a Guarantor pursuant to this Indenture, none of the Issuer or any Subsidiary shall be required to submit any application or filing or otherwise take any action to obtain any authorization or consent of any federal or state Governmental Authority required in order to cause such person to become a Guarantor (and the requirement to provide such a Guarantee shall be tolled), in each case, to the extent an authorization or consent of such federal or state Governmental Authority is determined by Lumen, Level 3 Parent or the Issuer to be sought in respect of any Material Transaction or any financing relating thereto and has not yet been obtained; *provided* that (i) such person is not submitting any application or filing or otherwise taking any action to obtain any authorization or consent of any federal or state Governmental Authority required in order to cause such person to Guarantee any First Lien Obligation, any Second Lien Obligation (other than the Securities) or any Junior Lien Obligations and (ii) at the time such federal or state Governmental Authority has approved such Material Transaction, the application, filing or other action to obtain any such authorization or consent of any federal or state Governmental Authority required in order to cause any person to become a Guarantor shall promptly be made.

Section 12.02. *Contribution*. Each of the Issuer and any Guarantor (a "**Contributing Party**") agrees that, in the event a payment shall be made by any other Guarantor under any Note Guarantee (the "**Claiming Guarantor**"), the Contributing Party shall indemnify the Claiming Guarantor in an amount equal to the amount of such payment multiplied by a fraction, the numerator of which shall be the net worth of the Contributing Party on the Issue Date and the denominator of which shall be the aggregate net worth of the Issuer and all the Guarantors on the Issue Date (or, in the case of any Guarantor becoming a party hereto pursuant to Section 8.01, the date of the supplemental indenture executed and delivered by such Guarantor).

Section 12.03. *Release of Guarantees*. The Note Guarantee of a Guarantor that is a Subsidiary shall be automatically and unconditionally released:

(a) upon consummation of any transaction permitted hereunder if (x) resulting in such Guarantor ceasing to constitute a Subsidiary (including because such Subsidiary is designated an "Unrestricted Subsidiary") or (y) in the case of any Guarantor that would not be required to be a Guarantor because it is, or has become, an Excluded Subsidiary as a result of a transaction following which it has become (or remains) a Subsidiary of the Issuer or a Guarantor, and upon notice to the Trustee (which failure to deliver such notice shall not effect the release without delivery of any instrument or any action by any party); *provided* that, any release pursuant to preceding clause (y) shall only be effective if:

(A) no Event of Default under Section 5.01(a), (b), (i) or (j) has occurred and is continuing or would result therefrom,

(B) at the time of such release (and after giving effect thereto), all outstanding Indebtedness of such Subsidiary would then be permitted to be made in accordance with the relevant provisions of Section 9.08 (for this purpose, with the Issuer being required to reclassify any such items made in reliance upon the respective Subsidiary being a Guarantor on another basis as would be permitted by such applicable Section) (and all items described above in this clause (B) shall thereafter be deemed recharacterized as provided above in this clause (B)),

(C) such Subsidiary shall not be (or shall be simultaneously released as) a guarantor (if applicable) with respect to the any First Lien Notes, Other First Lien Debt, Second Lien Notes, Other Second Lien Debt, Permitted Consolidated Cash Flow Debt, Existing Unsecured Notes, Subordinated Indebtedness, any other Indebtedness secured by a Second Lien or by a Junior Lien or any Permitted Refinancing Indebtedness (and successive Permitted Refinancing Indebtedness) with respect to the foregoing; and

(D) the transaction resulting in such release is a legitimate business transaction and not for a "liability management transaction" as reasonably determined by the Issuer;

(b) [reserved],

(c) [reserved],

(d) if such Guarantor is (or immediately after being released from its Note Guarantee of the Securities will be) released from its Guarantee of all First Lien Obligations, Second Lien Obligations and Junior Lien Obligations except any such release by or as a result of payment of such Guarantee and such Guarantor is not a guarantor under any of the Other Notes and is not otherwise required to Guarantee the Securities under this Indenture in accordance with Section 12.01,

(e) if the Issuer exercises the legal defeasance option or covenant defeasance option or effects a satisfaction and discharge of this Indenture, in each case in accordance with Article 11, or

(f) if such Guarantee was originally Incurred to permit such Guarantor to Incur or guarantee Indebtedness not otherwise permitted pursuant to Section 9.08 or Section 9.10 and the Indebtedness so Incurred or guaranteed (and any permitted refinancing Indebtedness thereof) has been repaid or discharged (*provided* that, after giving effect to such release, such Guarantor does not have any outstanding Indebtedness or guarantee that would violate Section 9.08 or Section 9.10 if such outstanding Indebtedness or guarantee would have been Incurred following the release of such Note Guarantee and such Guarantor is not a guarantor under any First Lien Obligation or Second Lien Obligation (other than the Securities)).

Upon any occurrence giving rise to a release of a Guarantee as specified above, the Trustee, upon receipt of an Officers' Certificate from the Issuer and an Opinion of Counsel each stating that all conditions precedent to such release have been satisfied, shall execute any documents reasonably required by the Issuer in order to evidence or effect such release, discharge and termination in respect of such Guarantee. None of the Issuer, any Guarantor or the Trustee will be required to make a notation on the Securities to reflect any Guarantee or any such release, termination or discharge.

Section 12.04. *Successors and Assigns***.** This Article 12 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and Collateral Agent and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee and Collateral Agent, the rights and privileges conferred upon that party in this Indenture and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 12.05. *No Waiver*. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 12 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and Collateral Agent and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 12 at law, in equity, by statute or otherwise.

Section 12.06. *Modification*. No modification, amendment or waiver of any provision of this Article 12, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee and Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 12.07. *Execution of Supplemental Indenture for Future Guarantors*.

(a) Each Subsidiary which is required to become a Guarantor pursuant to any Section of this Indenture shall promptly execute and deliver to the Trustee a supplemental indenture in the form of Exhibit B hereto pursuant to which such Subsidiary shall become a Guarantor under this Article 12 and shall guarantee the Obligations. Concurrently with the execution and delivery of any such supplemental indenture by Level 3 Communications, Level 3 Communications shall deliver to the Trustee an Opinion of Counsel to the effect that such supplemental indenture has been duly authorized, executed and delivered by Level 3 Communications and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Note Guarantee of Level 3 Communications is a legal, valid and binding obligation of Level 3 Communications, enforceable against Level 3 Communications in accordance with its terms. Each person then a Guarantor authorizes the Issuer to enter into such a supplemental indenture on its behalf.

Section 12.08. *Limitation on Guarantor Liability*. Each Guarantor and, by its acceptance of a Security, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to its Note Guarantee. 2. *The Securities*.

2.1. *Form and Dating*.

The Securities will be offered and sold by the Issuer, from time to time. The Securities will be resold initially only to QIBs in reliance on Rule 144A under the Securities Act ("**Rule 144A**"), in reliance on Regulation S under the Securities Act ("**Regulation S**") and to certain IAIs. The Securities may thereafter be transferred to, among others, QIBs and purchasers in reliance on Regulation S.

(a) *Global Securities*. Securities initially resold pursuant to Rule 144A shall be issued initially in the form of one or more permanent global Securities in definitive, fully registered form (collectively, the "**Rule 144A Global Security**"), Securities initially resold pursuant to Regulation S shall be issued initially in the form of one or more global securities (collectively, the "**Regulation S Global Security**") and securities initially resold to accommodate transfers of beneficial interests in the Securities to IAIs shall be issued initially in the form of one or more global securities (collectively, the "**IAI Global Security**"), in each case without interest coupons and with the global securities legend and restricted securities legend set forth in Exhibit 1 hereto, which shall be deposited on behalf of the purchasers of the Securities represented thereby with the Securities Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Issuer and authenticated by the Trustee as provided in the Indenture. The Rule 144A Global Security, Regulation S Global Security and IAI Global Security are collectively referred to herein as "**Global Securities**". The aggregate principal amount of the Global Securities may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee as hereinafter provided.

(b) *Book-Entry Provisions*. This Section 2.1(b) shall apply only to a Global Security deposited with or on behalf of the Depository.

The Issuer shall execute and the Trustee shall, in accordance with this Section 2.1(b) and pursuant to an order of the Issuer, authenticate and deliver initially one or more Global Securities that (a) shall be registered in the name of the Depository for such Global Security or Global Securities or the nominee of such Depository and (b) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions or held by the Trustee as Securities Custodian.

Members of, or participants in, the Depository ("**Agent Members**") shall have no rights under the Indenture with respect to any Global Security held on their behalf by the Depository or by the Trustee as Securities Custodian or under such Global Security, and the Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Security.

(c) *Definitive Securities*. Except as provided in Section 2.3 or 2.4, owners of beneficial interests in Global Securities will not be entitled to receive physical delivery of Definitive Securities.

2.2. *Authentication*. The Trustee shall authenticate and deliver: (a) Original Securities, and (b) any Additional Securities upon a written order of the Issuer signed by two officers or by an officer and either an Assistant Treasurer or an Assistant Secretary of the Issuer. Such order shall specify the amount of the Securities to be authenticated and the date on which the original issue of Securities is to be authenticated.

2.3. Transfer and Exchange. (a) Transfer and Exchange of Definitive Securities. When Definitive Securities are presented to the Security Registrar or a co-registrar with a request:

(x) to register the transfer of such Definitive Securities; or

(y) to exchange such Definitive Securities for an equal principal amount of Definitive Securities of other authorized denominations, the Security Registrar or co-registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided*, *however*, that the Definitive Securities surrendered for transfer or exchange:

(i) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Issuer and the Security Registrar or co-registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(ii) are being transferred or exchanged pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Securities are being delivered to the Security Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Securities are being transferred to the Issuer, a certification to that effect; or

(C) if such Definitive Securities are being transferred pursuant to an exemption from registration in accordance with Rule 144 under the Securities Act, (i) a certification to that effect and (ii) if the Issuer so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(c)(i).

(b) *Transfer and Exchange of Global Securities*. (i) The transfer and exchange of Global Securities or beneficial interests therein shall be effected through the Depository, in accordance with the Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Security shall deliver a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Security and such account shall be credited in accordance with such instructions with a beneficial interest in the Global Security and the account of the person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Security being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Security to a beneficial interest in another Global Security, the Security Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Security to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Security Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Security from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.4), a Global Security may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(iv) In the event that a Global Security is exchanged for Definitive Securities pursuant to Section 2.4, such Securities may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse of the Securities intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Issuer.

(v) In the case of a transfer of a beneficial interest in a Regulation S Global Security or a Rule 144A Global Security for an interest in an IAI Global Security, the transferee must furnish a signed letter substantially in the form of Exhibit 2 to the Trustee.

(c) Legend.

At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for Definitive Securities, redeemed, repurchased or canceled, the principal amount of Securities represented by such Global Security shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Security) with respect to such Global Security, by the Trustee or the Securities Custodian, to reflect such reduction.

(e) *Obligations with Respect to Transfers and Exchanges of Securities*.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Definitive Securities and Global Securities at the Security Registrar's or co-registrar's request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer Tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer Taxes, assessments or similar governmental charge payable upon exchange or transfer pursuant to Section 10.08 of the Indenture).

(iii) The Security Registrar or co-registrar shall not be required to register the transfer of or exchange of any Security for a period beginning 15 days before the delivery of a notice of redemption or an offer to repurchase Securities or 15 days before an Interest Payment Date.

(iv) Prior to the due presentation for registration of transfer of any Security, the Issuer, the Trustee, the Paying Agent, the Security Registrar or any co-registrar may deem and treat the person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuer, the Trustee, the Paying Agent, the Security Registrar or any co-registrar shall be affected by notice to the contrary.

(v) All Securities issued upon any transfer or exchange pursuant to the terms of the Indenture shall evidence the same debt and shall be entitled to the same benefits under the Indenture as the Securities surrendered upon such transfer or exchange.

All notices and communications to be given to the Holders and all payments to be made to Holders under the Securities shall be given or made only to the registered Holders (which shall be the Depository or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee may conclusively rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

2.4. *Definitive Securities*. (a) A Global Security deposited with the Depository or with the Trustee as Securities Custodian pursuant to Section 2.1 shall be transferred to the beneficial owners thereof in the form of Definitive Securities in an aggregate principal amount equal to the principal amount of such Global Security, in exchange for such Global Security, only if such transfer complies with Section 2.3 and (i) the Depository notifies the Issuer that it is unwilling or unable to continue as a Depository for such Global Security or if at any time the Depository ceases to be a "**clearing agency**" registered under the Exchange Act, and a successor Depository is not appointed by the Issuer within 90 days of such notice, or (ii) a Default or an Event of Default has occurred and is continuing or (iii) the Issuer, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of Definitive Securities under the Indenture.

(b) Any Global Security that is transferable to the beneficial owners thereof pursuant to this Section 2.4 shall be surrendered by the Depository to the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate principal amount of Definitive Securities of authorized denominations. Definitive Securities issued in exchange for any portion of a Global Security transferred pursuant to this Section shall be executed, authenticated and delivered only in denominations of $1.00 and any integral multiple thereof and registered in such names as the Depository shall direct. 4.500% Second Lien Notes due 2030

Capitalized terms used and not otherwise defined herein shall have the meanings assigned to such terms in the Indenture referred to below.

1. *Interest*

LEVEL 3 FINANCING, INC., a Delaware corporation (such corporation, and its successors and assigns under the Indenture hereinafter referred to, being herein called the "**Issuer**"), promises to pay interest on the principal amount of this Security at the rate per annum shown above. The Issuer will pay interest semiannually on January 1 and July 1 of each year, commencing July 1, 2024, and on the maturity date. Interest on the Security will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from March 22, 2024. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. *Method of Payment*

The Issuer will pay interest on the Securities (except defaulted interest) to the persons who are registered Holders of Securities at the close of business on the December 15 or June 15 next preceding the Interest Payment Date even if Securities are canceled after the record date and on or before the Interest Payment Date. The Issuer will pay interest on the Securities on the maturity date to the persons entitled to the principal of the Securities. Holders must surrender Securities to a Paying Agent to collect principal payments. The Issuer will pay principal and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Securities represented by a Global Security (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company. The Issuer will make all payments in respect of a Definitive Security (including principal, premium and interest), by mailing a check to the registered address of each Holder thereof; *provided*, *however*, that, at the option of the Issuer, payments on the Securities may also be made, in the case of a Holder of at least $1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder requests payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. *Paying Agent and Security Registrar*

Initially, WILMINGTON TRUST, NATIONAL ASSOCIATION, a national banking association (the "**Trustee**"), will act as Paying Agent and Security Registrar. The Issuer may appoint and change any Paying Agent, Security Registrar or co-registrar without notice.

4. *Indenture*

The Issuer issued the Securities under an Indenture dated as of March 22, 2024 (as amended, modified or supplemented from time to time, the "**Indenture**") among the Issuer, Level 3 Parent, the other Guarantors party thereto, the Trustee and the Collateral Agent. The terms of the Securities include those stated in the Indenture. The Securities are subject to all such terms, and Holders are referred to the Indenture for a statement of those terms.

The Securities are unsubordinated secured obligations of the Issuer. [This Security is one of the Original Securities referred to in the Indenture issued in an aggregate principal amount of $711,902,000. The Securities include the Original Securities and any Additional Securities]. [This Security is one of the Additional Securities issued in addition to the Original Securities in an aggregate principal amount of $711,902,000 previously issued under the Indenture. The Original Securities and the Additional Securities are treated as a single class of securities under the Indenture.] The Indenture imposes certain limitations on the ability of Level 3 Parent, the Issuer and their respective Subsidiaries to, among other things, incur Indebtedness and create and incur Liens. The Indenture also imposes limitations on the ability of Level 3 Parent, the Issuer and their respective Subsidiaries to consolidate or merge with or into any other person or sell, transfer, assign, lease, convey or otherwise dispose of all or substantially all of the property of such entities.

To guarantee the due and punctual payment of the principal and interest on the Securities and all other amounts payable by the Issuer under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, Level 3 Parent has unconditionally guaranteed the Securities on an unsubordinated basis pursuant to the terms of the Indenture.

5. *Optional Redemption*

At any time prior to March 22, 2025, the Securities may be redeemed, in whole or from time to time in part, at a Redemption Price equal to the sum of (A) 100.0% of the principal amount of the Securities redeemed, plus (B) the Make-Whole Premium as of the date of the redemption, plus (C) accrued and unpaid interest, if any thereon, to, but excluding, the date of the redemption (subject to the right of Holders of Record on the relevant record date to receive interest due on the relevant Interest Payment Date).

At any time on or after March 22, 2025, the Securities may be redeemed, in whole or from time to time in part, at the Redemption Prices (expressed as percentages of principal amount of the Securities to be redeemed) set forth in the table below, plus accrued and unpaid interest, if any, thereon to, but excluding, the Redemption Date (subject to the right of Holders of Record on the relevant record date to receive interest due on the relevant Interest Payment Date), during the twelve-month period beginning on March 22 of each of the years indicated below:

Year	Percentage
2025	102.125%
2026	101.063%
2027	100.000%

Any redemption described above or notice thereof may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. If any redemption is so subject to the satisfaction of one or more conditions precedent, the notice thereof shall describe each such condition and, if applicable, shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and any notice with respect to such redemption may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed or such notice or offer may be rescinded at any time in the Issuer's discretion if the Issuer reasonably believes that any or all of such conditions will not be satisfied or waived.

Notwithstanding the foregoing, in connection with any tender offer for the Securities, including any offer to purchase Securities pursuant to Section 9.07 of the Indenture, if Holders of not less than 90% in aggregate principal amount of the outstanding Securities validly tender and do not withdraw such Securities in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all of the Securities validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 60 days following such purchase date, to redeem (with respect to the Issuer) or repurchase (with respect to a third-party) all Securities that remain outstanding following such purchase at a Redemption Price equal to the greater of (i) the highest price offered to any other Holder in such tender offer or other offer to purchase (which may be less than par and shall exclude any early tender premium or similar premium and any accrued and unpaid interest paid to any holder in such tender offer payment) and (ii) par, plus accrued and unpaid interest (if any) thereon, to, but excluding the date of redemption or Redemption Date, subject to the right of Holders of record of the Securities on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the date of redemption or Redemption Date.

6. *Sinking Fund*

The Securities are not subject to any sinking fund.

7. *Notice of Redemption*

Notice of redemption shall be given in the manner provided for in Section 1.06 of the Indenture not less than 10 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed; *provided* that in the case of Securities held through the Depository by Depository participants, such notice will be submitted via the Depository's electronic messaging system.

8. *Repurchase of Securities at the Option of Holders upon Change of Control Triggering Event*

Upon a Change of Control Triggering Event, any Holder of Securities will have the right, subject to certain exceptions and conditions specified in the Indenture, to require the Issuer to repurchase all or any part of the Securities of such Holder at a purchase price in cash equal to 101% of the principal amount of the Securities to be repurchased on the Purchase Date plus accrued and unpaid interest (if any) to, but excluding, such Purchase Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date) as provided in, and subject to the terms of, the Indenture.

9. *Denominations; Transfer; Exchange*

The Securities are in registered form without coupons in denominations of $1.00 and whole multiples of $1.00. A Holder may transfer or exchange Securities in accordance with the Indenture. Upon any transfer or exchange, the Security Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any Taxes and fees required by law or permitted by the Indenture. The Security Registrar or co-registrar need not register the transfer of or exchange of any Security for a period beginning 15 days before the delivery of a notice of redemption or an offer to repurchase Securities or 15 days before an Interest Payment Date.

10. *Persons Deemed Owners*

The registered Holder of this Security may be treated as the owner of it for all purposes.

11. *Unclaimed Money*

If money for the payment of principal, premium (if any), or interest remains unclaimed for two years, the Trustee or Paying Agent shall notify the Issuer and pay the money back to the Issuer at its written request after following specified procedures. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment.

12. *Discharge and Defeasance*

Subject to certain conditions, the Issuer at any time may terminate some of or all its obligations under the Securities and the Indenture if the Issuer deposits with the Trustee money and/or Government Securities for the payment of principal, premium (if any) and interest on the Securities to redemption or maturity, as the case may be.

13. *Amendment, Waiver*

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Securities may be amended without prior notice to any Holder but with the written consent of the Holders of at least a majority (or, with respect to certain covenants, the written consent of at least two-thirds) in aggregate principal amount of the Outstanding Securities and (ii) any default or noncompliance with any provision may be waived with the written consent of the Holders of at least a majority in principal amount of the Outstanding Securities. Subject to certain exceptions set forth in the Indenture, the Issuer, the Guarantors, the Trustee and the Collateral Agent may, at any time and from time to time, without notice to or consent of any Holders of Securities, (a) enter into one or more supplemental indentures and/or (b) amend, supplement or otherwise modify the Indenture or the Securities: (i) to evidence the succession of another person to the Issuer, Level 3 Parent or any other Guarantor and the assumption by such successor of the covenants of the Issuer, Level 3 Parent or such other Guarantor, respectively, in the Indenture, in the Securities, in the applicable Note Guarantee and in the applicable Collateral Documents, as applicable; (ii) to add to the covenants of Level 3 Parent, the Issuer or any of their respective Subsidiaries, for the benefit of the Holders, or to surrender any right or power conferred upon Level 3 Parent, the Issuer or any other Guarantor by the Indenture; (iii) to add any additional Events of Default; (iv) to provide for uncertificated Securities in addition to or in place of certificated Securities; (v) to evidence and provide for the acceptance of appointment under the Indenture of a successor Trustee or a successor Collateral Agent in each case pursuant to the requirements of the Indenture; (vi) to secure the Securities; (vii) to comply with the Securities Act (including Regulation S promulgated thereunder); (viii) to add Note Guarantees or to release any Guarantors from Note Guarantees as provided by the terms of the Indenture; (ix) to (a) cure any ambiguity, mistake, omission, defect, inconsistency, or obvious error in the Indenture, or (b) correct or supplement any provision in the Indenture which may be inconsistent with any other provision therein, or to add any other provision with respect to matters or questions arising under the Indenture; *provided* that, with respect to the foregoing clause (ix)(b), such actions shall not adversely affect the interests of the Holders in any material respect; (x) to add additional assets as Collateral or to release any Collateral from the liens securing the Securities, in each case pursuant to the terms of the Indenture, the Collateral Documents and the Intercreditor Agreements, as and when permitted or required by the Indenture, the Collateral Documents or the Intercreditor Agreements; or (xi) to effect any provision of the Indenture or to make changes to the Indenture to provide for the issuance of Additional Securities. The intercreditor provisions of the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement may be amended, waived or otherwise modified from time to time with the consent of the parties thereto. In addition, the Issuer may, without the consent of any other party thereto, amend the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement to designate Indebtedness as "**Second-Priority Obligations**", or as any other Indebtedness subject to the terms and provisions of such agreement.

14. *Defaults and Remedies*

Subject to certain exceptions set forth in the Indenture, if an Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the Securities then outstanding, subject to certain limitations, may declare all the Securities to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Securities being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Securities may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Securities unless it receives indemnity or security satisfactory to it in its sole discretion. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Securities then outstanding may direct the Trustee in its exercise of any trust or power under the Indenture. Before a judgment or decree for payment of the money due has been obtained by the Trustee as provided in the Indenture, the Holders of a majority in aggregate principal amount of the Securities then outstanding, by written notice to the Issuer and the Trustee, may rescind any declaration of acceleration and its consequences if all existing Events of Default have been cured or waived except nonpayment of principal or premium (if any) that has become due solely because of the acceleration.

15. *Trustee Dealings with the Issuer*

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Issuer or its Affiliates and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee. However, the Trustee must comply with Section 6.08 of the Indenture.

16. *No Recourse Against Others*

A director, officer, employee, incorporator or stockholder, as such, of the Issuer or any Guarantor shall not have any liability for any obligations of the Issuer or any Guarantor under the Securities or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation, solely by reason of its status as a director, officer, employee, incorporator or stockholder of such person. By accepting a Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

17. *Authentication*

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

18. *Abbreviations*

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. *Governing Law*

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

20. *CUSIP Numbers*

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Securities and has directed the Trustee to use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

21. *Indenture Controls*

The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture for a statement of such terms and provisions. If and to the extent that any provision of the Securities limits, qualifies or conflicts with a provision of the Indenture, such provision of the Indenture shall control.

The Issuer will furnish to any Holder upon written request and without charge to the Holder a copy of the Indenture and Holders may request the Indenture at the following:

Any such certificate or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Issuer or any Guarantor, respectively, stating that the information with respect to such factual matters is in the possession of the Issuer or any Guarantor, respectively, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated (with proper identification of each matter covered therein) and form one instrument.

Section 1.04. *Acts of Holders.* (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agents duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "**Act**" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.01) conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section.

(b) The fact and date of the execution by any person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of authority. The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The principal amount and serial numbers of Securities held by any person, and the date of holding the same, shall be proved by the Security Register.

(d) If the Issuer shall solicit from the Holders of Securities any request, demand, authorization, direction, notice, consent, waiver or other Act, the Issuer may, at its option, by or pursuant to a Board Resolution, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Issuer shall have no obligation to do so. Such record date shall be the record date specified in or pursuant to such Board Resolution, which shall be a date not earlier than the date 30 days prior to the first solicitation of Holders generally in connection therewith and not later than the date such solicitation is completed. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of Outstanding Securities have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the Outstanding Securities shall be computed as of such record date; *provided* that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than six months after the record date.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Security. However, any such Holder or future Holder may revoke the request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date such Act becomes effective.

Section 1.05. *Notices, etc., to Trustee and the Issuer.* Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(a) the Trustee by any Holder or by the Issuer shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Trustee at its Corporate Trust Office, Attention: Corporate Trust Administration, or

(b) the Collateral Agent by any Holder or by the Issuer shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Collateral Agent c/o the Trustee as described in clause (a) above, or

(c) the Issuer or any Guarantor by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, or electronically to the Issuer or such Guarantor addressed to it (in the case of a Guarantor, in care of the Issuer) at the address of the Issuer's principal office specified in the first paragraph of this Indenture and to 1025 Eldorado Boulevard, Broomfield, CO 80021, Attention: Treasury department, or at any other address previously furnished in writing to the Trustee by the Issuer.

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, pdf, facsimile transmission or other similar unsecured electronic methods, *provided*, *however*, that the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Issuer elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method), the Trustee's understanding of such instructions shall be deemed controlling. Except to the extent relating to matters arising out of the Trustee's gross negligence or willful misconduct, the Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding that such instructions conflict or are inconsistent with a subsequent written instruction. The Issuer agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk or interception and misuse by third parties.

Section 1.06. *Notice to Holders; Waiver.* Where this Indenture provides for notice or communication of any event to Holders by the Issuer or the Trustee, such notice shall be given (unless otherwise herein expressly provided) either (i) in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Security Register or (ii) in the case of Securities held through the Depository, to Depository participants via the Depository's electronic messaging system, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail or electronic delivery, neither the failure to electronically deliver or mail such notice, nor any defect in any notice so mailed or electronically delivered, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Notices shall be effective only upon receipt. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of or irregularities in regular mail service or by reason of any other cause, it shall be impracticable to mail notice of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice for every purpose hereunder.

Section 1.07. *Effect of Headings and Table of Contents.* The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 1.08. *Successors and Assigns.* All covenants and agreements in this Indenture by the Issuer and Level 3 Parent shall bind its successors and assigns, whether so expressed or not.

Section 1.09. *Entire Agreement*. This Indenture and the exhibits hereto set forth the entire agreement and understanding of the parties related to this transaction and supersedes all prior agreements and understandings, oral or written.

Section 1.10. *Separability Clause.* In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Notwithstanding any other provision of the Note Documents, if a court of competent jurisdiction – in a final and unstayed order – determines that the Level 3 Senior Unsecured Notes Transaction (as defined in the Transaction Support Agreement) is invalid for any reason, the Liens securing the Securities shall be deemed not to have been granted ab initio, and all other terms hereof shall remain unchanged; provided, that the Issuer and the Guarantors shall use reasonable best efforts to contest any challenge to the Level 3 Senior Unsecured Notes Transaction; provided, further, that any finding that any aspect of the Level 3 Senior Unsecured Notes Transaction is invalid shall not (directly or indirectly) constitute a default or breach of the Note Documents.

Section 1.11. *Benefits of Indenture.* Nothing in this Indenture or in the Securities, express or implied, shall give to any person, other than the parties hereto, any Paying Agent, any Security Registrar and their successors hereunder and the Holders any legal or equitable right, remedy or claim under this Indenture.

Section 1.12. *Governing Law.* **THIS INDENTURE AND THE SECURITIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY**.

Section 1.13. *Trust Indenture Act*. For the avoidance of doubt, the Trust Indenture Act is not applicable to this Indenture.

Section 1.14. *Legal Holidays.* In any case where any Interest Payment Date, Redemption Date, or Stated Maturity or Maturity of any Security shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of the Securities) payment of principal (or premium, if any) or interest need not be made on such date, but shall be made on the next succeeding Business Day with the same force and effect as if made on the Interest Payment Date or Redemption Date or at the Stated Maturity or Maturity; *provided* that no interest shall accrue in respect of such payment for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity to the next Business Day, as the case may be.

Section 1.15. *No Personal Liability of Directors, Officers, Employees and Stockholders.* No director, officer, employee, incorporator or stockholder of the Issuer or any Guarantor, as such, shall have any liability for any obligations of the Issuer or any Guarantor under the Securities or this Indenture or for any claim based on, in respect of, or by reason of, such

obligations or their creation, solely by reason of its status as a director, officer, employee, incorporator or stockholder of the Issuer or a Guarantor. By accepting a Security, each Holder waives and releases all such liability (but only such liability). The waiver and release are part of the consideration for issuance of the Securities.

Section 1.16. *Independence of Covenants.* All covenants and agreements in this Indenture shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default if such action is taken or condition exists.

Section 1.17. *Exhibits.* All exhibits attached hereto are by this reference made a part hereof with the same effect as if herein set forth in full.

Section 1.18. *Counterparts.* This Indenture may be executed in any number of counterparts, each of which shall be an original; but such counterparts shall together constitute but one and the same instrument.

Section 1.19. *Duplicate Originals.* The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

Section 1.20. *Waiver of Jury Trial.* **EACH OF LEVEL 3 PARENT, EACH HOLDER BY ACCEPTANCE OF THE SECURITIES, THE ISSUER, THE TRUSTEE AND THE COLLATERAL AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTIONS CONTEMPLATED HEREBY**.

Section 1.21. *Force Majeure.* In no event shall the Trustee or Collateral Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, any act or provision of any present or future law or regulation or governmental authority, strikes, riots, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, sabotage, pandemics or epidemics, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 1.22. *FATCA.* In order to assist the Trustee with its compliance with Sections 1471 through 1474 of the Code and the rules and regulations thereunder (as in effect from time to time, collectively, the "**Applicable Law**") the Issuer agrees (i) to provide to the Trustee reasonably available information collected and stored in the Issuer's ordinary course of business regarding Holders of Securities (solely in their capacity as such) and which is necessary for the

Trustee's determination of whether it has tax related obligations under Applicable Law and (ii) that the Trustee shall be entitled to make any withholding or deduction from payments under this Indenture to the extent necessary to comply with Applicable Law. Nothing in the immediately preceding sentence shall be construed as obligating the Issuer to make any "gross up" payment or similar reimbursement in connection with a payment in respect of which amounts are so withheld or deducted.

Section 1.23. *Submission to Jurisdiction.* The parties and each Holder (by acceptance of the Securities) irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, City of New York, over any suit, action or proceeding arising out of or relating to this Indenture. To the fullest extent permitted by applicable law, the parties irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

Section 1.24. *[Reserved].*

Section 1.25. *Electronic Signature*s. For the avoidance of doubt, for all purposes of this Indenture and any document to be signed or delivered in connection with or pursuant to this Indenture (except where a manual signature is expressly required by the terms of this Indenture), the words "execution," "execute," "signed," "signature," "delivery," and words of like import used in or related to any document signed in connection with this Indenture, any Security or any of the transactions contemplated hereby (including amendments, waivers, consents and other modifications) shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, as the case may be, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery or the use of a paper-based recordkeeping system, as the case may be, to the fullest extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, and any other similar state laws based on the Uniform Electronic Transactions Act and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means, provided that, notwithstanding anything herein to the contrary, the Trustee is not under any obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Trustee pursuant to procedures approved by the Trustee. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmissions shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

Section 1.26. *USA Patriot Act*. The parties hereto acknowledge that in accordance with Section 326 of the USA Patriot Act the Trustee and the Collateral Agent, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this agreement agree that they shall provide the Trustee and Collateral Agent with such information as they may request in order to satisfy the requirements of the USA Patriot Act.

ARTICLE 2
SECURITY FORMS

Section 2.01. *Form and Dating.* The Issuer shall be permitted to issue Definitive Securities from time to time. Provisions relating to the Securities are set forth in Appendix A, which is hereby incorporated in and expressly made a part of this Indenture. The Securities and the Trustee's certificate of authentication shall be substantially in the form of Exhibit 1 to Appendix A which is hereby incorporated in and expressly made a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuer is subject, if any, or usage, *provided* that any such notation, legend or endorsement is in a form reasonably acceptable to the Issuer. Each Security shall be dated the date of its authentication. The terms of the Securities set forth in Exhibit 1 to Appendix A are part of the terms of this Indenture.

The Definitive Securities shall be printed, lithographed or engraved on steel-engraved borders or may be produced in any other manner permitted by the rules of any securities exchange or system on which the Securities may be listed or eligible for trading, all as determined by the officers of the Issuer executing such Securities, as evidenced by their execution of such Securities.

ARTICLE 3
THE SECURITIES

Section 3.01. *Amount of Securities*. Subject to Section 3.02, the Trustee shall authenticate Securities for original issue on the Issue Date in the aggregate principal amount of $458,214,000 (the "**Original Securities**").

The Issuer shall be entitled, subject to its compliance with the covenants set forth in this Indenture, including Section 9.08, to issue Additional Securities under this Indenture which shall have identical terms as the Original Securities, other than with respect to the date of issuance, the issue price and, if applicable, the payment of interest accruing prior to the issue date of such Additional Securities and the first payment of interest following the issue date of such Additional Securities (and such changes as are customary to permit escrow arrangements, if any, in connection with the issuance of such Additional Securities); provided that a separate CUSIP or ISIN shall be issued for any Additional Securities if the Additional Securities are not fungible for U.S. federal income tax purposes with the Original Securities. The Original Securities and any Additional Securities issued in exchange therefor shall be treated as a single class for all purposes under this Indenture.

With respect to the Additional Securities, the Issuer shall set forth in a Board Resolution and an Officers' Certificate, a copy of each of which shall be delivered to the Trustee, the following information:

(a) the aggregate principal amount of such Additional Securities to be authenticated and delivered pursuant to this Indenture;

(b) the issue price, the issue date and the CUSIP number of such Additional Securities;

(c) whether such Additional Securities shall be Transfer Restricted Securities and issued in the form of Securities as set forth in Appendix A to this Indenture.

For each issuance of Additional Securities, the Issuer shall lend to Level 3 Communications an amount equal to the principal amount of the Additional Securities so issued, and the principal amount of the Loan Proceeds Note shall be increased by such amount; provided that such calculation or the correctness of the amount of the Loan Proceeds Note or any increase in the amount thereof shall not be a duty or obligation of the Trustee.

Section 3.02. *Execution and Authentication*. Two officers shall sign the Securities for the Issuer by manual, electronic or facsimile signature.

If an officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Securities, an Officers' Certificate and an Opinion of Counsel and the Trustee in accordance with such written order of the Issuer shall authenticate and deliver such Securities.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Issuer to authenticate the Securities. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Security Registrar, Paying Agent or agent for service of notices and demands.

Section 3.03. *Security Registrar and Paying Agent*. The Issuer shall maintain an office or agency where Securities may be presented for registration of transfer or for exchange (the "**Security Registrar**") and an office or agency in the United States where Securities may be presented for payment to the Paying Agent. The Security Registrar shall keep a register of the Securities and of their transfer and exchange (the register maintained in the office of the Security Registrar and in any other office or agency designated pursuant to Section 9.02 being herein sometimes referred to as the "**Security Register**"). The Issuer may have one or more co-registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agent.

The Issuer shall enter into an appropriate agency agreement with any Security Registrar, Paying Agent or co-registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Security Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 6.07.

The Issuer initially appoints the Trustee as Security Registrar and Paying Agent in connection with the Securities.

Section 3.04. *Paying Agent to Hold Money in Trust*. Prior to each due date of the principal and interest on any Security, the Issuer shall deposit with the Paying Agent a sum sufficient to pay such principal and interest when so becoming due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of or interest on the Securities and shall notify the Trustee of any default by the Issuer in making any such payment. If the Issuer or a Wholly-Owned Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section, the Paying Agent shall have no further liability for the money delivered to the Trustee.

Section 3.05. *Holders Lists*. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Security Registrar, upon a written request by the Trustee, the Issuer shall furnish to the Trustee, in writing at least five Business Days before each Interest Payment Date and at such other times as the Trustee may reasonably request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

Section 3.06. *Replacement Securities*. If a mutilated Security is surrendered to the Security Registrar or if the Holder of a Security claims that such Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the UCC are met and the Holder satisfies any other reasonable requirements of the Trustee. Such Holder shall furnish an indemnity bond sufficient in the judgment of the Issuer to protect the Issuer and in the judgement of the Trustee to protect the Trustee, the Paying Agent, the Security Registrar and any co-registrar from any loss which any of them may suffer if a Security is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Security.

Every replacement Security is an additional obligation of the Issuer.

Section 3.07. *Temporary Securities*. Until Definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Securities and deliver them in exchange for temporary Securities.

Section 3.08. *Cancellation*. The Issuer at any time may deliver Securities to the Trustee for cancellation. The Security Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel and dispose of in accordance with its customary procedures (subject to the record retention requirements of the Exchange Act) all Securities surrendered for registration of transfer, exchange, payment or cancellation. The Issuer may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation.

Section 3.09. *Defaulted Amounts*. If the Issuer defaults in a payment of interest on the Securities, the Issuer shall pay the defaulted interest (plus interest on such defaulted interest to the extent lawful) in any lawful manner at the rate provided in Section 9.01 hereof. The Issuer may pay the defaulted interest to the persons who are Holders on a subsequent special record date. The Issuer shall notify the Trustee of any defaulted interest payment and fix or cause to be fixed any such special record date for the payment to the reasonable satisfaction of the Trustee and shall deliver to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

Section 3.10. *CUSIP Numbers*. The Issuer in issuing the Securities may use "**CUSIP**" numbers (if then generally in use) and, if so, the Trustee shall use "**CUSIP**" numbers in notices of redemption as a convenience to Holders; *provided*, *however*, that neither the Issuer nor the Trustee shall have any responsibility for any defect in the "**CUSIP**" number that appears on any Security, check, advice of payment or redemption notice, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "**CUSIP**" number(s).

ARTICLE 4
SATISFACTION AND DISCHARGE

Section 4.01. *Satisfaction and Discharge of Indenture*. This Indenture shall cease to be of further effect (subject to Section 11.06 and except as to surviving rights of registration of transfer, transfer, exchange and replacement of Securities expressly provided for herein or pursuant hereto), the Liens, if any, on the Collateral securing the Securities and the Note Guarantees shall be released and the Trustee, at the request and expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture and release of such Liens, in each case, when

(a) either

(i) all Outstanding Securities have been delivered to the Trustee for cancellation; or

(ii) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable within one year, or

(C) are to be called for redemption within one year under irrevocable arrangements satisfactory to the Trustee in its reasonable discretion for the giving of notice of redemption by the Trustee in the name and at the expense of the Issuer, and the Issuer, in the case of (A), (B) or (C) above, has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Securities not theretofore delivered to the Trustee for cancellation, for principal of (and premium, if any, on), and interest on, the Securities to Maturity or the Redemption Date, as the case may be;

(b) the Issuer has paid or caused to be paid all other sums payable by the Issuer hereunder; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations under Sections 6.07 and 6.09 and, if money shall have been deposited with the Trustee pursuant to clause (a)(ii) of this Section 4.01, the obligations of the Trustee under Section 4.02 and the last paragraph of Section 9.03 shall survive such satisfaction and discharge.

Section 4.02. *Application of Trust Money.* Subject to the provisions of the last paragraph of Section 9.03, all money deposited with the Trustee pursuant to Section 4.01 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

ARTICLE 5
REMEDIES

Section 5.01. *Events of Default*. "**Event of Default**" wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) failure to pay principal of (or premium, if any, on) any Security when due; or

(b) failure to pay any interest on any Security when due, continued for 30 days; or

(c) default in the payment of principal of (and premium, if any) and interest on Securities required to be purchased pursuant to an Offer to Purchase pursuant to Section 9.07 when due and payable; or

(d) failure to perform or comply with the provisions of Article 7; or

(e) failure to perform any covenant or agreement of Level 3 Parent, the Issuer or any Subsidiary in this Indenture or in any Security (other than a covenant a default in whose performance is elsewhere in this Section specifically dealt with) continued for 90 days after written notice to the Issuer by the Trustee or Holders of at least 30% in aggregate principal amount of the Outstanding Securities, which notice shall specify the default and state that such notice is a "**Notice of Default**" hereunder; or

(f) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or failing to be paid at its scheduled maturity; provided, that this clause (f) shall not apply to any secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness if (x) such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness and (y) repayments are made as required by the terms of the respective Indebtedness; or

(g) the failure by Level 3 Parent, the Issuer or any Significant Subsidiary to pay one or more final judgments aggregating in excess of $75,000,000, which judgments are not discharged or effectively waived or stayed for a period of 45 consecutive days, or any action shall be legally taken by a judgment creditor to attach or levy upon assets or properties of Level 3 Parent, the Issuer or any Significant Subsidiary to enforce any such judgment; or

(h) any Note Guarantee of Level 3 Parent, Level 3 Communications or any other Guarantor that is a Significant Subsidiary, ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee) or Level 3 Parent, Level 3 Communications or any other Guarantor that is a Significant Subsidiary denies or disaffirms in writing its obligations under its Note Guarantee; or

(i) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of Level 3 Parent, the Issuer or any of the Significant Subsidiaries, or of a substantial part of the property or assets of Level 3 Parent, the Issuer or any Significant Subsidiary, under the Bankruptcy Code, or any other federal, state or foreign bankruptcy, insolvency, receivership or any other Debtor Relief Law, (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner, liquidator or similar official for Level 3 Parent, the Issuer or any of the Significant Subsidiaries or for a substantial part of the property or assets of Level 3 Parent, the Issuer or any of the Significant Subsidiaries or (iii) the winding-up, liquidation, reorganization, dissolution, compromise, arrangement or other relief of Level 3 Parent, the Issuer or any Significant Subsidiary (except in a transaction permitted hereunder); and such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered; or

(j) Level 3 Parent, the Issuer or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking relief under the Bankruptcy Code, as now constituted or hereafter amended, or any other federal, state or foreign bankruptcy, insolvency, receivership or any other Debtor Relief Law, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in clause (i) above, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner, liquidator or similar official for Level 3 Parent, the Issuer or any of the Significant Subsidiaries or for a substantial part of the property or assets of Level 3 Parent, the Issuer or any Significant Subsidiary, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) become unable or fail generally to pay its debts as they become due; or

(k) any security interest purported to be created by any Collateral Document and to extend to assets that constitute a material portion of the Collateral shall cease to be, or shall be asserted in writing by the Issuer or any Guarantor not to be, a valid and perfected security interest (perfected as or having the priority required by this Indenture or the relevant Collateral Document and subject to such limitations and restrictions as are set forth herein and therein) in the securities, assets or properties covered thereby, except to the extent that any such loss of perfection or priority results from the limitations of foreign laws, rules and regulations as they apply to pledges of Equity Interests in Foreign Subsidiaries or the application thereof, or from failure of the Collateral Agent (or any agent acting as gratuitous bailee thereof) to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Agreement (so long as such failure does not result from the breach or non-compliance with the Note Documents by the Issuer or any Guarantor).

Any notice of default, notice of acceleration or instruction to the Trustee to provide a notice of default, notice of acceleration or take any other action (a "**Noteholder Direction**") provided by any one or more holders of the Securities (each a "**Directing Holder**") shall be accompanied by a written representation from each such holder delivered to the Issuer and the Trustee that such holder is not (or, in the case such holder is the Depository or its nominee, that such holder is being instructed solely by beneficial owners that have represented to such holder that they are not) Net Short (a "**Position Representation**"), which representation, in the case of a Noteholder Direction relating to the delivery of a notice of default shall be deemed a continuing representation until the resulting Event of Default is cured or otherwise ceases to exist or the Securities are accelerated. In addition, each Directing Holder shall be deemed, at the time of providing a Noteholder Direction, to covenant to provide the Issuer with such other information as the Issuer may reasonably request from time to time in order to verify the accuracy of such noteholder's Position Representation within five (5) Business Days of request therefor (a "**Verification Covenant**"). In any case in which the holder is the Depository or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Securities in lieu of the Depository or its nominee and the Depository shall be entitled to conclusively rely on such Position Representation and Verification Covenant in delivering its direction to the Trustee. In no event shall the Trustee have any liability or obligation to ascertain, monitor or inquire as to whether any holder is Net Short and/or whether such holder has delivered any Position Representation, Verification Covenant, Noteholder Direction, or any related certifications under this Indenture or in connection with the Securities or if any such Position Representation, Verification Covenant, Noteholder Direction, or any related certifications comply with this Indenture, the Securities, or any other document. It is

understood and agreed that the Issuer and the Trustee shall be entitled to conclusively rely on each representation, deemed representation and certification made by, and covenant of, each beneficial owner provided for in this paragraph. Notwithstanding any other provision of this Indenture, the Securities or any other document, the provisions of this paragraph shall apply and survive with respect to each beneficial owner notwithstanding that any such person may have ceased to be a beneficial owner, this Indenture may have been terminated or the Securities may have been redeemed in full.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Securities, the Issuer determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee an Officers' Certificate stating that the Issuer has initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any default, Event of Default or acceleration (or notice thereof) that resulted from the applicable Noteholder Direction, the cure period with respect to such default shall be automatically stayed and the cure period with respect to such default or Event of Default shall be automatically reinstituted and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter if, without the participation of such holder, the percentage of Securities held by the remaining holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Securities, the Issuer provides to the Trustee an Officers' Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such default or Event of Default shall be automatically stayed and the cure period with respect to any default or Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstituted and any remedy stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such holder's participation in such Noteholder Direction being disregarded; and, if, without the participation of such holder, the percentage of Securities held by the remaining holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio (other than any indemnity such Directing Holder may have offered the Trustee), with the effect that such default or Event of Default shall be deemed never to have occurred, acceleration voided and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such default or Event of Default.

Notwithstanding anything in the preceding two paragraphs to the contrary, any Noteholder Direction delivered to the Trustee during the pendency of an Event of Default as the result of a bankruptcy or similar proceeding shall not require compliance with the foregoing paragraphs (except for any rights or protections of the Trustee).

For the avoidance of doubt, the Trustee shall be entitled to conclusively rely on any Noteholder Direction, Position Representation, Verification Covenant or Officers' Certificate delivered to it in accordance with this Indenture, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, Noteholder Direction, Verification Covenant or Officers' Certificate, enforce compliance with any Verification Covenant, verify any statements in any Officers' Certificate, Position Representation, Noteholder Director or Verification

Covenant delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise. The Trustee shall have no liability to the Issuer, any holder or any other person in connection with any Noteholder Direction (or items delivered in connection with any Noteholder Direction) or to determine whether or not any holder has delivered any Position Representation, Verification Covenant, Noteholder Direction, or any related certification or that such Position Representation, Verification Covenant, Noteholder Direction, or any related certification is accurate or conforms with this Indenture or any other agreement.

The term "**Bankruptcy Law**" means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term "**Custodian**" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

Section 5.02. *Acceleration of Maturity; Rescission and Annulment.* If an Event of Default (other than an Event of Default specified in Section 5.01(i) or 5.01(j) with respect to Level 3 Parent or the Issuer) shall occur and be continuing, either the Trustee or the Holders of not less than 30% in aggregate principal amount of the Outstanding Securities may declare the principal amount of all the Securities to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount shall become immediately due and payable; *provided*, *further*, that a notice of default may not be given with respect to any action taken, and reported publicly or to holders and the Trustee, more than two years prior to such notice of default. At any time after a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article 5, the Holders of a majority in aggregate principal amount of the Outstanding Securities, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(a) the Issuer has paid or deposited with the Trustee a sum sufficient to pay

(i) all overdue interest on all Outstanding Securities,

(ii) all unpaid principal of (and premium, if any, on) any Outstanding Securities which has become due otherwise than by such declaration of acceleration, and interest on such unpaid principal at the rate borne by the Securities,

(iii) to the extent that payment of such interest is lawful, interest on overdue interest at the rate borne by the Securities, and

(iv) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(b) all Events of Default, other than the nonpayment of amounts of principal of (or premium, if any, on) Securities which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 5.03. *Collection of Indebtedness and Suits for Enforcement by Trustee.* The Issuer covenants that if:

(a) Default is made in the payment of any interest on any Security when due, continued for 30 days, or

(b) Default is made in the payment of the principal of (or premium, if any, on) any Security when due, the Issuer will, upon demand of the Trustee, pay to the Trustee for the benefit of the Holders of such Securities the whole amount then due and payable on such Securities for principal (and premium, if any) and interest, and interest on any overdue principal (and premium, if any) and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installment of interest, at the rate borne by the Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem necessary to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 5.04. *Trustee May File Proofs of Claim.* In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer or any other obligor upon the Securities (including Level 3 Parent and any other Guarantor) or the property of the Issuer or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal, premium, if any, or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(a) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee or Collateral Agent and their respective agents and counsel) and of the Holders allowed in such judicial proceeding, and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator or sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee or Collateral Agent and their respective agents and counsel, and any other amounts due the Trustee or Collateral Agent hereunder.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to, or accept or adopt on behalf of, any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 5.05. *Trustee May Enforce Claims Without Possession of Securities.* All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

Section 5.06. *Application of Money Collected.* Subject to the terms of the Multi-Lien Intercreditor Agreement, the Second Lien/Second Lien Intercreditor Agreement and the Collateral Agreement, any money collected by the Trustee pursuant to this Article 5 shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee (acting in any capacity hereunder) and/or the Collateral Agent (acting in any capacity hereunder);

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: The balance, if any, to the Issuer or as a court of competent jurisdiction may direct.

Section 5.07. *Limitation on Suits.* No Holder of any Securities shall have any right to institute any proceeding with respect to this Indenture or for any other remedy hereunder, unless

(a) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;

(b) the Holders of not less than 30% in aggregate principal amount of the Outstanding Securities shall have made written request and offered indemnity satisfactory to the Trustee in its sole discretion to institute such proceeding and the Trustee shall have failed to institute such proceeding within 60 days; and

(c) the Trustee shall not have received from the Holders of a majority in aggregate principal amount of the Outstanding Securities a direction inconsistent with such request;

it being understood and intended that no one or more Holders shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders.

Section 5.08. *Unconditional Right of Holders to Receive Principal, Premium and Interest.* Notwithstanding any other provision in this Indenture, including Section 5.07, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment as provided herein (including, if applicable, Article 11) and in such Security of the principal of (and premium, if any) and interest on such Security on the respective Stated Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 5.09. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 5.10. *Rights and Remedies Cumulative.* Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee, Collateral Agent or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11. *Delay or Omission Not Waiver.* Except as otherwise provided in the proviso of the first paragraph of Section 5.02, no delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 5 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.12. *Control by Holders.* The Holders of a majority in aggregate principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee; *provided* that

(a) such direction shall not be in conflict with any rule of law or with this Indenture, any Intercreditor Agreement or the Collateral Agreement,

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction, and

(c) the Trustee need not take any action which might involve it in personal liability or be unjustly prejudicial to the Holders not consenting.

Section 5.13. *Waiver of Past Defaults.* The Holders of not less than a majority in principal amount of the Outstanding Securities may, on behalf of the Holders of all the Securities, waive any past Default hereunder and its consequences, except a Default

(a) in the payment of the principal of (or premium, if any) or interest on any Security, or

(b) in respect of a covenant or provision hereof which under Article 8 cannot be modified or amended without the consent of the Holder of each Outstanding Security affected, or

(c) in respect of the covenant contained in Section 9.15, which under Article 8 cannot be modified or amended without the consent of the Holders of two-thirds in principal amount of the Outstanding Securities.

The Issuer and Level 3 Parent shall deliver to the Trustee an Officers' Certificate stating that the requisite Holders of a majority in principal amount of the Outstanding Securities have consented to such waiver and attaching such consents upon which, subject to Section 1.04, the Trustee may conclusively rely. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

Section 5.14. *Waiver of Stay or Extension Laws.* The Issuer and each Guarantor covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer and each Guarantor (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.15. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorney's fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 5.15 does not apply to a suit by the Trustee or a suit by Holders of more than 10% in principal amount of the then Outstanding Securities.

ARTICLE 6
THE TRUSTEE

Section 6.01. *Certain Duties and Responsibilities*. (a) Except during the continuance of an Event of Default,

(i) the Trustee undertakes to perform such duties and only such duties as are specifically and expressly set forth in this Indenture and the Trustee shall not be liable except for the performance of such duties, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).

(b) In case an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has actual knowledge, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that

(i) this paragraph (c) shall not be construed to limit the effect of paragraph (a) of this Section 6.01;

(ii) the Trustee shall not be liable for any action taken, or errors of judgment made, in good faith by it or any of its officers, employees or agents, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it in its sole discretion against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.01.

Section 6.02. *Notice of Default.* If a Default occurs and is continuing, the Trustee shall transmit, electronically or by first class mail to each Holder at the address set forth in the Security Register, notice of such Default within 90 days after written notice of it is received by a Responsible Officer of the Trustee; *provided*, *however*, that, except in the case of a Default in the payment of the principal of (or premium, if any) or interest on any Security, the Trustee shall be protected in withholding such notice if and so long as a trust committee of directors or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the Holders.

The Trustee is not required to take notice or deemed to have notice of any Default or Event of Default with respect to the Securities unless a Responsible Officer of the Trustee has actual knowledge of the Default or Event of Default or a Responsible Officer shall have received written notice at its Corporate Trust Office (which notice shall reference the Securities, the Issuer and this Indenture) of such Default or Event of Default from the Issuer or any Holder.

Section 6.03. *Certain Rights of Trustee.* Subject to Section 6.01:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties, not only as to due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained therein;

(b) any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee may require and rely upon an Officers' Certificate or an Opinion of Counsel or both and the Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel;

(d) the Trustee may consult with counsel or other professionals of its selection and the advice of such counsel or other professionals retained or consulted by the Trustee or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee may act through counsel, agents, custodians and nominees and shall not be responsible for the acts or omissions of or the misconduct or negligence of any such person appointed with due care and in good faith;

(f) the permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable for other than its gross negligence or willful misconduct;

(g) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it in its sole discretion against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(h) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the expense of the Issuer and shall incur no liability of any kind by reason of such inquiry or investigation;

(i) the Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(j) the rights, privileges, protections, indemnities, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other person employed to act hereunder, including without limitation, the Collateral Agent;

(k) the Trustee may request that Level 3 Parent or the Issuer deliver an Officers' Certificate in substantially the form of Exhibit A hereto setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded;

(l) in no event shall the Trustee be responsible or liable for special, punitive, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action; and

(m) the Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has received written notice of any event which is in fact such a default at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

Section 6.04. *Trustee Not Responsible for Recitals or Issuance of Securities.* The recitals contained herein and in the Securities, except for the Trustee's certificates of authentication, shall be taken as the statements of Level 3 Parent or the Issuer, as applicable, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Securities and perform its obligations hereunder. The Trustee shall not be accountable for the use or application by the Issuer of Securities or the proceeds thereof.

Section 6.05. *May Hold Securities.* The Trustee, any Paying Agent, any Security Registrar or any other agent of Level 3 Parent, the Issuer or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities, and may otherwise deal with Level 3 Parent and the Issuer with the same rights it would have if it were not any Trustee, Paying Agent, Security Registrar or such other agent. However, the Trustee must comply with Section 6.08.

Section 6.06. *Money Held in Trust.* Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Issuer.

Section 6.07. *Compensation and Reimbursement.* The Issuer agrees:

(a) to pay to the Trustee (in any capacity hereunder) and the Collateral Agent from time to time such compensation as shall be agreed in writing between the Issuer and the Trustee and/or the Collateral Agent for all services rendered by each of the Trustee and Collateral Agent hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, to reimburse the Trustee or Collateral Agent upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee or Collateral Agent in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of their respective agents and counsel for each), except any such expense, disbursement or advance as shall be determined to have been caused by the Trustee or Collateral Agent's own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, non-appealable order); and

(c) to fully indemnify each of the Trustee (in any capacity hereunder) and Collateral Agent and any predecessor trustee and their respective directors, officers, employees and agents for, and to hold them harmless against, any and all loss, liability, damage, claim or expense including Taxes (other than Taxes based on the income of the Trustee) incurred without gross negligence or willful misconduct on the part of any of them, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself or themselves against any claim (whether asserted by the Issuer, a Guarantor, a Holder or any other person) or liability in connection with the exercise or performance of any of its or their powers or duties hereunder, including the enforcement of any of its rights hereunder.

The obligations of the Issuer hereunder to compensate the Trustee and Collateral Agent, to pay or reimburse the Trustee and Collateral Agent for expenses, disbursements and advances and to indemnify and hold harmless the Trustee and Collateral Agent shall constitute additional indebtedness hereunder. As security for the performance of such obligations of the Issuer, the Trustee and Collateral Agent shall have a claim prior to the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of principal of (and premium, if any, on) or interest on particular Securities.

When the Trustee and Collateral Agent incur expenses or render services in connection with an Event of Default specified in Section 5.01(i) or 5.01(j), the expenses (including the reasonable charges and expenses of their agents and counsel) of and the compensation for such services are intended to constitute expenses of administration under any applicable federal, state or foreign bankruptcy, insolvency or other similar law.

The provisions of this Article 6 shall survive the termination of this Indenture or the earlier resignation or removal of the Trustee.

Section 6.08. *Corporate Trustee Required; Eligibility; Conflicting Interests*. (a) There shall be at all times a Trustee hereunder which shall have a combined capital and surplus of at least $50,000,000. If such person publishes reports of condition at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then, for the purposes of this Section 6.08, the combined capital and surplus of such person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time a Responsible Officer of the Trustee shall have actual knowledge that the Trustee ceases to be eligible in accordance with the provisions of this Section 6.08, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

(b) The Trustee shall be permitted to engage in transactions with Level 3 Parent or its Subsidiaries; *provided*, *however*, that if the Trustee acquires any conflicting interest, the Trustee must (i) eliminate such conflict within 90 days of acquiring such conflicting interest, (ii) apply to the Commission for permission to continue acting as Trustee or (iii) resign.

Section 6.09. *Resignation and Removal; Appointment of Successor*. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article 6 shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 6.10 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by Act of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities, delivered to the Trustee and to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 6.10 shall not have been delivered to the Trustee within 30 days after the giving of such notice of removal, the Trustee designated for removal may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.08 and shall fail to resign after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(ii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (i) the Issuer, by a Board Resolution (or by a resolution of a duly authorized committee of the Board of Directors of the Issuer), may remove the Trustee or (ii) the Holders of at least 10% in aggregate principal amount of the then Outstanding Securities who have been bona fide Holders of a Security for at least six months may, on behalf of themselves and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Issuer, by a Board Resolution, shall promptly appoint a successor Trustee. If the Issuer does not promptly appoint a successor Trustee after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in aggregate principal amount of the Outstanding Securities delivered to the Issuer and the retiring Trustee. In either case, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner hereinafter provided, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to the Holders of Securities in the manner provided for in Section 1.06. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

(g) The retiring Trustee shall not be liable for any of the acts or omissions of any successor Trustee appointed hereunder.

Section 6.10. *Acceptance of Appointment by Successor.* Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Issuer or the successor Trustee, such retiring Trustee shall, upon payment of its charges hereunder, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article 6.

Section 6.11. *Merger, Conversion, Consolidation or Succession to Business.* Any person into which the Trustee may be merged or converted or with which it may be consolidated, or any person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any person succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; *provided* that such person shall be otherwise qualified and eligible under this Article 6, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion, consolidation or transfer of assets to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities. In case at that time any of the Securities shall not have been authenticated, any successor Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor Trustee. In all such cases such certificates shall have the full force and effect which this Indenture provides that the certificate of authentication of the Trustee shall have; *provided*, *however*, that the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Securities in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion, consolidation or transfer of assets.

(i) to evidence the succession of another person to the Issuer, Level 3 Parent or any other Guarantor and the assumption by such successor of the covenants of the Issuer, Level 3 Parent or such other Guarantor, respectively, herein, in the Securities, in the applicable Note Guarantee and in the applicable Collateral Documents, as applicable; or

(ii) to add to the covenants of Level 3 Parent, the Issuer or any of their respective Subsidiaries, for the benefit of the Holders, or to surrender any right or power conferred upon Level 3 Parent, the Issuer or any other Guarantor hereby; or

(iii) to add any additional Events of Default; or

(iv) to provide for uncertificated Securities in addition to or in place of certificated Securities; or

(v) to evidence and provide for the acceptance of appointment hereunder of a successor Trustee pursuant to the requirements of Section 6.10 or a successor Collateral Agent pursuant to the requirements of this Indenture; or

(vi) to secure the Securities; or

(vii) to comply with the Securities Act (including Regulation S promulgated thereunder); or

(viii) to add Note Guarantees or to release any Guarantors from Note Guarantees as provided by the terms of this Indenture; or

(ix) to (A) cure any ambiguity, mistake, omission, defect, inconsistency, or obvious error in the Note Documents, or (B) correct or supplement any provision herein which may be inconsistent with any other provision herein, or to add any other provision with respect to matters or questions arising under this Indenture; *provided* that, with respect to the foregoing clause (ix)(B), such actions shall not adversely affect the interests of the Holders in any material respect, or (C) to amend the legends on any Security to comply with U.S. federal income tax regulations; or

(x) to add additional assets as Collateral or to release any Collateral from the liens securing the Securities, in each case pursuant to the terms of this Indenture, the Collateral Documents and the Intercreditor Agreements, as and when permitted or required by this Indenture, the Collateral Documents or the Intercreditor Agreements; or

(xi) to effect any provision of this Indenture or to make changes to this Indenture to provide for the issuance of Additional Securities.

The intercreditor provisions of the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement may be amended, waived or otherwise modified from time to time with the consent of the parties thereto. In addition, the Issuer may, without the consent of any other party thereto, amend the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement to designate Indebtedness as "Second-Priority Obligations", or as any other Indebtedness subject to the terms and provisions of such agreement.

Section 8.02. *Supplemental Indentures With Consent of Holders.* With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities, by Act of such Holders delivered to the Issuer and the Trustee, the Issuer, the Guarantors and the Trustee may (a) enter into one or more indentures supplemental hereto and/or (b) amend, supplement or otherwise modify any other Note Document, in each case, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or such other Note Document or waiving or otherwise modifying in any manner the rights of the Holders hereunder or thereunder, including the waiver of certain past defaults under this Indenture pursuant to Section 5.13; *provided*, *however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security (or, in the case of clauses (iv) and (x) below, two-thirds in principal amount of the Outstanding Securities) affected thereby:

(i) change the Stated Maturity of the principal of, or any installment of interest on, any Security, or reduce the principal amount thereof or the interest thereon (including by amending any of the definitions relevant to the determination of the interest rate applicable to the Securities) that would be due and payable upon the Stated Maturity thereof, or change the place of payment where, or the coin or currency in which, any Security or any premium or interest thereon is payable, or impair the contractual right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof; or

(ii) reduce the percentage in principal amount of the Outstanding Securities, the consent of whose Holders is necessary for any such supplemental indenture or required for any waiver of compliance with Section 5.08 or Section 5.13; or

(iii) subordinate in right of payment the Securities or any Note Guarantee to any other Indebtedness; or

(iv) amend, modify or waive any term or provision of any Note Document to permit the issuance or incurrence of any Indebtedness (including any exchange of existing Indebtedness that results in another class of Indebtedness for borrowed money, but excluding, for the avoidance of doubt, any "debtor-in-possession" facility pursuant to Section 364 of the Bankruptcy Code (or similar financing under applicable law)) with respect to which the Liens on the Collateral securing the Obligations would be subordinated (any such other Indebtedness to which such Liens securing any of the Obligations are subordinated, "Senior Indebtedness"), unless each adversely affected Holder has been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the principal amount of Obligations that are adversely affected thereby held by each Holder) of the Senior Indebtedness on the same terms (other than bona fide backstop fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction; such fees and expenses, "Ancillary Fees") as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely affected Holder decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness; or

(v) [reserved]; or

(vi) reduce the premium payable upon the redemption of any Security or change the time at which any Security may be redeemed, as described in Appendix A or Exhibit 1 thereto; or

(vii) reduce the premium payable upon a Change of Control Triggering Event or, at any time after a Change of Control Triggering Event has occurred, change the time at which the Offer to Purchase relating thereto must be made or at which the Securities must be repurchased pursuant to such Offer to Purchase; or

(viii) make any change in any Note Guarantee of a Guarantor that is either a Significant Subsidiary or is a guarantor of any Other Notes then Outstanding that would adversely affect the interests of the Holders of the Securities in a manner inconsistent with any changes made in respect of the guarantee of the Other Notes;

(ix) modify any provision of this Section 8.02 (except to increase any percentage set forth herein); or

(x) (A) modify or amend Section 9.15 or the definition of "Unrestricted Subsidiary", (B) make any change (whether by amendment, supplement or waiver) to any Collateral Document, any Intercreditor Agreement or the provisions in this Indenture dealing with the Collateral, the Collateral Documents or the Intercreditor Agreements that would, in each case, release all or substantially all of the Collateral from the Liens of the Collateral Documents (except as otherwise permitted by the terms of this Indenture, the Collateral Documents and the Intercreditor Agreements) or (C) make any change in any Note Guarantee of a Guarantor that is a Significant Subsidiary that would adversely affect the interests of the Holders of the Securities in any material respect.

It shall not be necessary for any Act of Holders under this Section 8.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Section 8.03. *Execution of Supplemental Indentures.* In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article 8 or the modifications thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent to the execution of such supplemental indenture have been fulfilled. The Trustee may, but shall not be obligated to, enter into any supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 8.04. *Effect of Supplemental Indentures.* Upon the execution of any supplemental indenture under this Article 8, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.05. *Reference in Securities to Supplemental Indentures.* Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article 8 may bear a notation in form approved by the Trustee and the Issuer as to any matter provided for in such supplemental indenture. If the Issuer and the Trustee shall so determine, new Securities so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

Section 8.06. *Notice of Supplemental Indentures.* Promptly after the execution by the Issuer, the Guarantors and the Trustee of any supplemental indenture pursuant to this Article 8, the Issuer shall give notice thereof to the Holders of each Outstanding Security affected, in the manner provided for in Section 1.06, setting forth in general terms the substance of such supplemental indenture.

ARTICLE 9

Section 9.01. *Payment of Principal, Premium, if Any, and Interest*. The Issuer covenants and agrees for the benefit of the Holders that it shall duly and punctually pay the principal of (and premium, if any) and interest on the Securities in accordance with the terms of the Securities and this Indenture. An installment of principal of or interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds as of 11:00 A.M. New York City time money sufficient to pay all principal and interest then due and the Trustee or Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 9.02. *Maintenance of Office or Agency.* The Issuer shall maintain in the United States an office or agency where Securities may be presented or surrendered for payment, where Securities may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Issuer in respect of the Securities and this Indenture may be served, which shall not constitute service of process. An office of the Trustee, Wilmington Trust, National Association at 1100 North Market Street, Wilmington, Delaware 19890, shall be such office or agency of the Issuer, unless the Issuer shall designate and maintain some other office or agency for one or more of such purposes. The Issuer shall give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at such affiliate's office, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind any such designation; *provided*, *however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in the United States for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such other office or agency.

Section 9.03. *Money for Security Payments to Be Held in Trust*. If the Issuer shall at any time act as its own Paying Agent, it shall, on or before each due date of the principal of (or premium, if any) or interest on any of the Securities, segregate and hold in trust for the benefit of the persons entitled thereto a sum sufficient to pay the principal of (or premium, if any) or interest so becoming due until such sums shall be paid to such persons or otherwise disposed of as herein provided and shall promptly notify the Trustee of its action or failure so to act.

Whenever the Issuer shall have one or more Paying Agents for the Securities, it shall, on or before each due date of the principal of (or premium, if any) or interest on any Securities, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of such action or any failure so to act.

The Issuer shall cause each Paying Agent (other than the Trustee) to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 9.03, that such Paying Agent shall:

(a) hold all sums held by it for the payment of the principal of, premium, if any, or interest on Securities in trust for the benefit of the persons entitled thereto until such sums shall be paid to such persons or otherwise disposed of as herein provided;

(b) give the Trustee notice of any default by the Issuer (or any other obligor upon the Securities) in the making of any payment of principal, premium, if any, or interest;

(c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent; and

(d) indemnify the Trustee and its officers, directors, employees and agents against any loss, cost or liability caused by, or incurred as a result of, such Paying Agent's acts or omissions.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such sums.

Subject to any abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Security and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Issuer on Issuer Request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease; *provided*, *however*, that the Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense of the Issuer cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, the City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 9.04. *Existence.* Subject to Article 7, Level 3 Parent and the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect the existence, rights (charter and statutory) and franchises of Level 3 Parent, the Issuer and each Subsidiary; *provided*, *however*, that Level 3 Parent and the Issuer shall not be required to preserve, with respect to Level 3 Parent or the Issuer, respectively, any such right or franchise or, with respect to any such Subsidiary (subject to all the other covenants in this Indenture), any such existence, right or franchise, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of Level 3 Parent and its Subsidiaries taken as a whole or the Issuer and its Subsidiaries taken as a whole, respectively.

Section 9.05. *Reports.* So long as any Securities are outstanding (unless defeased in a legal defeasance), Level 3 Parent shall have its annual financial statements audited, and its interim financial statements reviewed, by a nationally recognized firm of independent accountants and shall furnish to the Trustee and the Holders of Securities, all quarterly and annual financial statements prepared in accordance with generally accepted accounting principles that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if Level 3 Parent was required to file those Forms (but in no event any other items required in such Forms), together with a corresponding "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by Level 3 Parent's certified independent accountant. Notwithstanding the foregoing, (a) such reports shall not be required to comply with any segment reporting requirements (whether pursuant to generally accepted accounting principles or

Regulation S-X) in greater detail than is customarily provided in an offering memorandum prepared in connection with a Rule 144A offering, (b) such reports shall not be required to present beneficial ownership information and (c) such reports shall not be required to provide guarantor/non-guarantor financial data. Reports relating to delivery of annual financial statements shall be provided within 120 days after the end of each fiscal year, and reports relating to interim quarterly financial statements shall be provided within 60 days after the end of each of the first three fiscal quarters of each fiscal year. To the extent that Level 3 Parent does not file such information with the Commission, Level 3 Parent shall distribute such information and such reports (as well as the details regarding the conference call described below) electronically to the Trustee and by posting such information on a password-protected website (which may be non-public, require a confidentiality acknowledgment and be maintained by Level 3 Parent or its designee) to which access will be given to (i) any Holder of the Securities, (ii) to any beneficial owner of the Securities, who provides its e-mail address to Level 3 Parent or its designee and certifies that it is a beneficial owner of Securities, (iii) to any prospective investor who provides its e-mail address to Level 3 Parent or its designee and certifies that it is a QIB, or (iv) any securities analyst providing an analysis of investment in the Securities who provides its email address to Level 3 Parent and other information reasonably requested by Level 3 Parent and represents to the reasonable satisfaction of Level 3 Parent that (1) it is a bona fide securities analyst providing an analysis of investment in the Securities, (2) it will not use the information in violation of applicable securities laws or regulations, (3) it will keep such provided information confidential and will not communicate the information to any person, (4) it will not use such information in any manner intended to compete with the business of Level 3 Parent or the Lumen Credit Group and (5) neither it nor its Affiliates is a person that is principally engaged in a similar business or derives a significant portion of its revenues from operating or owning a similar business to that of Level 3 Parent or the Lumen Credit Group. Unless Level 3 Parent or Lumen is subject to the reporting requirements of the Exchange Act, Level 3 Parent shall also hold a quarterly conference call for the Holders of the Securities to review such financial information (which, for the avoidance of doubt, access may be limited to those who have access to the password-protected website and have provided a confidentiality acknowledgement). The conference call will not be later than five Business Days from the time that Level 3 Parent distributes the financial information as set forth above.

For so long as any of the Securities remain outstanding, Level 3 Parent shall furnish to the Holders of the Securities and to any prospective investor that certifies that it is a QIB, upon written request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

In the event that any direct or indirect parent of Level 3 Parent becomes a Guarantor or co-obligor of the Securities, Level 3 Parent may satisfy its obligations under this Section 9.05 with respect to financial information relating to Level 3 Parent by furnishing financial information relating to such parent; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent and any of its Subsidiaries other than Level 3 Parent and its Subsidiaries, on the one hand, and the information relating to Level 3 Parent and its Subsidiaries, on the other hand.

Notwithstanding the foregoing, Level 3 Parent shall be deemed to have furnished such financial statements and reports referred to above to the Trustee and the Holders if Level 3 Parent or any direct or indirect parent of Level 3 Parent has filed such reports with the Commission via the EDGAR filing system (or any successor thereto) and such reports are publicly available.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice or knowledge of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Trustee shall have no liability or responsibility for the filing, timeliness or content of such reports.

Section 9.06. *Statement by Officers as to Default*. (a) The Issuer shall deliver to the Trustee, on the date of delivery of each annual report to be delivered pursuant to Section 9.05 commencing with the annual report for the fiscal year ended December 31, 2024, a brief certificate from the principal executive officer, principal financial officer or principal accounting officer as to his or her knowledge of the Issuer's compliance during the period covered by such report with all conditions and covenants under this Indenture. If the signer has knowledge of any noncompliance that occurred during such period, the certificate shall describe its status and what action the Issuer has taken or is taking or proposes to take with respect thereto. For purposes of this Section 9.06(a), such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

(b) When (to the knowledge of the Issuer or any Subsidiary) any Default has occurred and is continuing under this Indenture, or if the trustee for or the holder of any other evidence of Indebtedness of the Issuer or any Subsidiary gives any notice or takes any other action with respect to a claimed default (other than with respect to Indebtedness in the principal amount of less than $275,000,000 or its foreign currency equivalent at the time), the Issuer shall, within 30 days of such occurrence, notice or other action, deliver to the Trustee electronically, by registered or certified mail or by facsimile transmission an Officers' Certificate specifying such event, notice or other action, its status and what action the Issuer is taking or proposes to take with respect thereto.

Section 9.07. *Change of Control Triggering Event*. (a) Upon the occurrence of a Change of Control Triggering Event, each Holder shall have the right to require that the Issuer repurchase such Holder's Securities in whole or in part in integral multiples of $1.00, in accordance with the procedures set forth in this Section 9.07 and this Indenture.

(b) Within 30 days following the occurrence of both a Change of Control and a Rating Decline with respect to the Securities within 30 days of each other (a "**Change of Control Triggering Event**"), the Issuer will be required to make an Offer to Purchase all Outstanding Securities at a price in cash equal to 101% of the principal amount of the Securities on the Purchase Date, plus accrued and unpaid interest (if any) to, but excluding, such Purchase Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date).

(c) The Issuer, the Trustee and/or any designated Paying Agent shall perform their respective obligations for the Offer to Purchase as specified in the Offer or as required hereunder. Prior to the Purchase Date, the Issuer shall (i) accept for payment Securities or portions thereof tendered pursuant to the Offer, (ii) irrevocably deposit with the applicable Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 9.03) money sufficient to pay the Purchase Price of all Securities or portions thereof so accepted (*provided* that such deposit may be made no later than 11:00 A.M. New York City time on the Purchase Date if the Issuer elects) and (iii) deliver or cause to be delivered to the Trustee all Securities so accepted together with an Officers' Certificate stating the Securities or portions thereof accepted for payment by the Issuer. The applicable Paying Agent shall promptly mail or deliver to Holders of Securities so accepted payment in an amount equal to the Purchase Price, and the Trustee shall authenticate and mail or deliver to such Holders a new Security or Securities equal in principal amount to any unpurchased portion of the Security surrendered as requested by the Holder. Any Security not accepted for payment shall be promptly mailed or delivered by the Issuer to the Holder thereof. In the event that the aggregate Purchase Price is less than the amount delivered by the Issuer to the applicable Paying Agent, the Paying Agent, shall deliver the excess to the Issuer immediately after the Purchase Date.

(d) A "**Change of Control**" means the occurrence of any of the following events:

(i) if any "**person**" or "**group**" (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act or any successor provisions to either of the foregoing), including any group acting for the purpose of acquiring, holding, voting or disposing of securities within the meaning of Rule 13d-5(b)(1) under the Exchange Act becomes the "**beneficial owner**" (as defined in Rule 13d-3 under the Exchange Act, except that a person will be deemed to have "**beneficial ownership**" of all shares that any such person has the right to acquire, whether such right is exercisable immediately or only after the passage of time), but excluding Lumen or any Wholly-Owned Subsidiary of Lumen, directly or indirectly, of 50% or more of the total voting power of the Voting Stock of Level 3 Parent; or

(ii) the sale, transfer, assignment, lease, conveyance or other disposition, directly or indirectly, of all or substantially all of the assets of Level 3 Parent and its Subsidiaries considered as a whole shall have occurred; or

(iii) the shareholders of Level 3 Parent or the Issuer shall have approved any plan of liquidation or dissolution of Level 3 Parent or the Issuer, respectively.

Notwithstanding the preceding or any provision of Rule 13d-3 or 13d-5 under the Exchange Act, (i) a person or group shall not be deemed to beneficially own Voting Stock (x) subject to a stock or asset purchase agreement, merger agreement, option agreement, warrant agreement or similar agreement (or voting or option or similar agreement related thereto) until the consummation of the acquisition of the Voting Stock in connection with the transactions contemplated by such agreement or (y) as a result of veto or approval rights in any joint venture agreement, shareholder agreement or other similar agreement and (ii) a person or group shall not be deemed to beneficially own the Voting Stock of another person as a result of its ownership of Voting Stock or other securities of such other person's parent entity (or related contractual rights) unless it owns more than 50% of the total voting power of the Voting Stock entitled to vote for the election of directors of such parent.

(e) The Issuer shall not be required to make an Offer to Purchase upon a Change of Control Triggering Event if a third party makes the Offer to Purchase in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to an Offer to Purchase made by the Issuer and purchases all Securities validly tendered and not withdrawn under such Offer to Purchase.

(f) In the event that the Issuer makes an Offer to Purchase the Securities, the Issuer shall comply with any applicable securities laws and regulations, including any applicable requirements of Section 14(e) of, and Rule 14e-1 under, the Exchange Act. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 9.07 by virtue thereof.

(g) Notwithstanding anything to the contrary herein, so long as (i) any of the Other Notes are outstanding, if a Change of Control Triggering Event (as defined in the applicable indenture) has occurred under any of the indentures governing such Other Notes or (ii) if any loans or commitments are outstanding under the Credit Agreements, if a Change of Control Triggering Event (as defined in each Credit Agreement, to the extent applicable) has occurred, a Change of Control Triggering Event with respect to the Securities shall also be deemed to have occurred.

Section 9.08. *Limitation on Indebtedness.* (a) The Issuer and Level 3 Parent will not, and will not permit any Subsidiary to, directly or indirectly, Incur any Indebtedness; *provided*, *however*, that (i) Permitted Consolidated Cash Flow Debt may be Incurred in an aggregate principal amount not to exceed 7.15 times Pro Forma LTM EBITDA; *provided*, that, if the Issuer's long-term secured debt rating is at the time rated either "B2" or less from Moody's or "B" or less from S&P, then Permitted Consolidated Cash Flow Debt shall not exceed an aggregate principal amount of 6.25 times Pro Forma LTM EBITDA and (ii) any Permitted Refinancing Indebtedness in respect thereof may be Incurred.

For purposes of determining compliance with this Section 9.08 or Section 9.10, the amount of any Indebtedness denominated in any currency other than Dollars shall be calculated based on currency exchange rates in effect, in the case of such Indebtedness incurred (in respect of term Indebtedness) or committed (in respect of revolving Indebtedness) on or prior to the Issue Date, on the Issue Date and, in the case of such Indebtedness incurred (in respect of term Indebtedness) or committed (in respect of revolving Indebtedness) after the Issue Date, on the date on which such Indebtedness was incurred (in respect of term Indebtedness) or committed (in respect of revolving Indebtedness); *provided*, that if such Indebtedness is incurred to refinance other Indebtedness denominated in a currency other than Dollars (or in a different currency from the Indebtedness being refinanced), and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in

effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (i) the outstanding or committed principal amount, as applicable, of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums (including tender premiums), defeasance costs and other costs and expenses incurred in connection with such refinancing.

Further, for purposes of determining compliance with this Section 9.08:

(a) Indebtedness need not be permitted solely by reference to one category of permitted Indebtedness (or any portion thereof) described in Sections 9.08(b)(i) through (xxxiv) but may be permitted in part under any relevant combination thereof (and subject to compliance, where relevant, with Section 9.10);

(b) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of permitted Indebtedness (or any portion thereof) described in 9.08(b)(i) through (xxxiv), the Issuer may, in its sole discretion, classify or divide such item of Indebtedness (or any portion thereof) in any manner that complies with this Section 9.08 (including, in the case of Indebtedness incurred on the same day, electing the order in which such Indebtedness shall be deemed incurred for purposes of computing the available amount under any category) and will be entitled to only include the amount and type of such item of Indebtedness (or any portion thereof) in one of the above clauses (or any portion thereof) and such item of Indebtedness (or any portion thereof) shall be treated as having been incurred or existing pursuant to only such clause or clauses (or any portion thereof); provided, that (A) all Indebtedness outstanding under the New Credit Agreement shall at all times be deemed to have been incurred pursuant to Section 9.08(b)(ii) and (B) all Indebtedness outstanding under the LVLT Limited Guarantees shall at all times be deemed to have been incurred pursuant to Section 9.08 (b)(xxxi);

(c) at the option of the Issuer, any Indebtedness and/or Lien incurred to finance a Limited Condition Transaction shall be deemed to have been incurred on the date of execution of the acquisition agreement, the declaration of the dividend by the Board of Directors of the Issuer or the applicable Subsidiary or the giving of the irrevocable notice of repayment or redemption, as applicable, related to such Limited Condition Transaction (and not at the time such Limited Condition Transaction is consummated) and the First Lien Leverage Ratio, Total Leverage Ratio, Priority Leverage Ratio and/or compliance with Pro Forma LTM EBITDA in respect of Permitted Consolidated Cash Flow Debt shall be tested (x) in connection with such incurrence, as of the date of execution of the acquisition agreement, the declaration of the dividend by the Board of Directors of the Issuer or the applicable Subsidiary or the giving of the irrevocable notice of repayment or redemption, as applicable related to such Limited Condition Transaction was entered into, giving pro forma effect to such Limited Condition Transaction, to any such Indebtedness or Lien, and to all transactions in connection therewith and (y) in connection with any other incurrence after the date definitive acquisition agreement was entered into, the date of declaration of the dividend by the Board of Directors of the Issuer or the applicable Subsidiary or the date of giving of the irrevocable notice of repayment or redemption, as applicable related to such Limited Condition Transaction and prior to the earlier of the consummation of such Limited Condition Transaction or the termination of such definitive agreement or abandonment of such dividend, repayment or redemption prior to the incurrence, both (i) on the basis set forth in clause (x) above and (ii) without giving effect to such Limited Condition Transaction or the incurrence of any such Indebtedness or Liens or the other transactions in connection therewith.

In addition, with respect to any Indebtedness that was permitted to be incurred hereunder on the date of such incurrence, any Increased Amount of such Indebtedness shall also be permitted hereunder after the date of such incurrence.

This Indenture does not treat (x) unsecured Indebtedness as subordinated or junior in right of payment to secured Indebtedness merely because it is unsecured or (y) senior Indebtedness as subordinated or junior in right of payment to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral.

Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP will not be deemed to be an incurrence of Indebtedness for purposes of this Section 9.08 (or, for the avoidance of doubt, the incurrence of a Lien for purposes of Section 9.10).

For the avoidance of doubt, Permitted Refinancing Indebtedness (and all subsequent refinancings thereof with Permitted Refinancing Indebtedness) shall not increase the amount of Indebtedness that is permitted to be incurred pursuant to any provision of this Section 9.08 other than, in each case, as permitted by the definitions of Permitted Refinancing Indebtedness with respect to each such incurrence of Permitted Refinancing Indebtedness.

(c) Notwithstanding anything to the contrary herein or in any Note Document:

(i) any Indebtedness (including all intercompany loans and Guarantees of Indebtedness but excluding the Loan Proceeds Note and any Guarantees in respect thereof) incurred after the Issue Date owed by the Issuer or a Subsidiary to the Issuer or a Subsidiary shall be subordinated in right of payment to the Securities pursuant to the Subordinated Intercompany Note or other customary payment subordination provisions;

(iii) a LVLT/Lumen Qualified Securitization Facility shall only be permitted under this Section 9.08 to the extent (w) a LVLT Subsidiary owns a percentage of the Equity Interests of the applicable LVLT/Lumen Securitization Subsidiary that corresponds to the SPE Relevant Assets Percentage with respect to such LVLT/Lumen Qualified Securitization Facility, (x) such LVLT Subsidiary receives a portion of the proceeds of such LVLT/Lumen Qualified Securitization Facility equal to or greater than the SPE Relevant Assets Percentage with respect to such LVLT/Lumen Qualified Securitization Facility and (y) all distributions by the applicable LVLT/Lumen Securitization Subsidiary are made ratably based on the percentage of Equity Interests of the applicable LVLT/Lumen Securitization Subsidiary owned by LVLT Subsidiary and the Non-LVLT Entity.

Upon the reasonable request of Level 3 Parent or the Issuer, the Trustee will use reasonable efforts to cooperate with Level 3 Parent, the Issuer and any Subsidiary as necessary to enable them to comply with their obligations under this paragraph (c).

(g) unless an Event of Default has occurred and is continuing, Level 3 Parent shall neither cause nor permit the Issuer to demand repayment of any Offering Proceeds Note prior to the satisfaction of the Guarantee Permit Condition and the Collateral Permit Condition;

(h) Level 3 Parent and the Issuer shall cause any Indebtedness of Level 3 Communications to Level 3 Parent to be evidenced by either the Parent Intercompany Note or another duly executed promissory note that is pledged and delivered to the Collateral Agent within thirty (30) days of the Incurrence of such Indebtedness; and

(i) Notwithstanding anything to the contrary contained herein, neither the Issuer nor Level 3 Communications (nor any successor obligor under the Loan Proceeds Note) shall cause or permit the principal amount of the Loan Proceeds Note at any time to be less than the aggregate principal amount of the term loans outstanding under the New Credit Agreement, the First Lien Notes and the Second Lien Notes outstanding at such time (after giving effect to any substantially concurrent repayment or prepayment of such term loans, such First Lien Notes or Second Lien Notes at the time of any reduction in the principal amount of the Loan Proceeds Note).

Section 9.16. *[Reserved*].

Section 9.17. *[Reserved]*.

Section 9.18. *Authorizations and Consents of Governmental Authorities.* Each of Level 3 Parent and the Issuer will endeavor, and cause each Regulated Grantor Subsidiary and each Regulated Guarantor Subsidiary to endeavor, in good faith using commercially reasonable efforts to (i) (A) cause the Collateral Permit Condition to be satisfied with respect to such Regulated Grantor Subsidiary and (B) cause the Guarantee Permit Condition to be satisfied with respect to such Regulated Guarantor Subsidiary, in each case at the earliest practicable date and (ii) obtain the material (as determined in good faith by the Issuer) authorizations and consents of federal and state Governmental Authorities required to cause any Subsidiary to become a Guarantor and a Collateral Guarantor as required by this Section 9.18 and the Collateral and Guarantee Requirement. For purposes of this covenant, the requirement that Level 3 Parent or the Issuer use "**commercially reasonable efforts**" shall not be deemed to require it to make material payments in excess of normal fees and costs to or at the direction of Governmental Authorities or to change the manner in which they conduct their business in any respect that the management of the Issuer shall determine in good faith to be adverse or materially burdensome. Upon the reasonable request of Level 3 Parent or the Issuer, the Trustee will use reasonable efforts to cooperate with Level 3 Parent, the Issuer and any Subsidiary as necessary to enable them to comply with their obligations under this paragraph.

Notwithstanding anything to the contrary contained herein (but subject to the following paragraph), if a person is required to become a Guarantor pursuant to this Indenture, none of the Issuer or any Subsidiary shall be required to submit any application or filing or otherwise take any action to obtain any authorization or consent of any federal or state Governmental Authority required in order to cause such person to become a Guarantor (and the requirement to provide such a Guarantee shall be tolled), in each case, to the extent an authorization or consent of such federal or state Governmental Authority is determined by Lumen, Level 3 Parent or the Issuer to be sought in respect of any Material Transaction or any financing relating thereto and has not yet been obtained; *provided* that (i) such person is not submitting any application or filing or otherwise taking any action to obtain any authorization or consent of any federal or state Governmental Authority required in order to cause such person to Guarantee any First Lien Obligation, Second Lien Obligation or Junior Lien Obligation and (ii) at the time such federal or state Governmental Authority has approved such Material Transaction, the application, filing or other action to obtain any such authorization or consent of any federal or state Governmental Authority required in order to cause any person to become a Guarantor shall promptly be made.

Section 9.19. *[Reserved]*.

Section 9.20. *[Reserved]*.

Section 9.21. *[Reserved]*.

Section 9.22. *After-Acquired Property*.

(a) Subject to the terms of the Collateral Agreement and the Intercreditor Agreements, upon the acquisition by the Issuer or any Collateral Guarantor of any After-Acquired Property, the Issuer or such Collateral Guarantor shall execute, deliver, record and file such security instruments and financing statements as are required under this Indenture or any Collateral Document to create a perfected second-priority security interest (subject to Permitted Liens) in such After-Acquired Property and to have such After-Acquired Property (but subject to the limitations as described in Section 5.12, Article 8, the Collateral Documents, the Multi-Lien Intercreditor Agreement and the Second Lien/Second Lien Intercreditor Agreement) added to the Collateral, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such After-Acquired Property to the same extent and with the same force and effect.

ARTICLE 10
REDEMPTION OF SECURITIES

Section 10.01. *Right of Redemption.*

(a) The Securities will be subject to redemption at the option of the Issuer, in whole or in part, at any time or from time to time, upon not less than 10 nor more than 60 days' prior notice to each Holder of Securities.

(b) *Optional Redemption*. At any time prior to March 22, 2025, the Securities may be redeemed, in whole or from time to time in part, at a Redemption Price equal to the sum of (A) 100.0% of the principal amount of the Securities redeemed, plus (B) the Make-Whole Premium as of the date of the redemption, plus (C) accrued and unpaid interest, if any thereon, to, but excluding, the date of the redemption (subject to the right of Holders of Record on the relevant record date to receive interest due on the relevant Interest Payment Date).

At any time on or after March 22, 2025, the Securities may be redeemed, in whole or from time to time in part, at the Redemption Prices (expressed as percentages of principal amount of the Securities to be redeemed) set forth in the table below, plus accrued and unpaid interest, if any, thereon to, but excluding, the Redemption Date (subject to the right of Holders of Record on the relevant record date to receive interest due on the relevant Interest Payment Date), during the twelve-month period beginning on March 22 of each of the years indicated below:

Year	Percentage
2025	101.813%
2026	100.906%
2027	100.000%

Any redemption described above or notice thereof may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. If any redemption is so subject to the satisfaction of one or more conditions precedent, the notice thereof shall describe each such condition and, if applicable, shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and any notice with respect to such redemption may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed or such notice or offer may be rescinded at any time in the Issuer's discretion if the Issuer reasonably believes that any or all of such conditions will not be satisfied or waived.

Section 10.02. *Applicability of Article.* This Article 10 shall govern any redemption of the Securities pursuant to Section 10.01.

Section 10.03. *Election to Redeem; Notice to Trustee.* The election of the Issuer to redeem any Securities pursuant to Section 10.01 shall be evidenced by a Board Resolution of the Issuer delivered to the Trustee. The Issuer shall notify the Trustee of such Redemption Date and of the principal amount of Securities to be redeemed no less than 10 days (unless a shorter notice shall be satisfactory to the Trustee) prior to the delivery to the Holders of a notice of such redemption and shall deliver to the Trustee such documentation and records as shall enable the Trustee to select the Securities to be redeemed pursuant to Section 10.04. Such notice shall be accompanied by an Officers' Certificate and an Opinion of Counsel from the Issuer to the effect that such redemption will comply with the conditions herein.

Section 10.04. *Selection by Trustee of Securities to Be Redeemed.* If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Securities not previously called for redemption, on a pro rata basis, by lot or by such other method as the Trustee shall deem appropriate and which may provide for the selection for redemption of portions of the principal of Securities and, in the case of Securities represented by a Global Security held by the Depository, in accordance with Depository procedures; *provided*, *however*, that no such partial redemption shall reduce the portion of the principal amount of a Security not redeemed to less than the minimum denomination of $1.00.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Security which has been or is to be redeemed.

Section 10.05. *Notice of Redemption.* Notice of redemption shall be given in the manner provided for in Section 1.06 not less than 10 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed; *provided* that in the case of Securities held through the Depository by Depository participants, such notice will be submitted via the Depository's electronic messaging system.

Each notice of redemption shall identify the Securities (including "**CUSIP**" number(s) and the statement from Section 3.10) to be redeemed and shall state:

(a) the Redemption Date,

(b) the Redemption Price and the amount of accrued interest to, but not including, the Redemption Date payable as provided in Section 10.07, if any,

(c) if relevant, any conditions to such redemption and the information required with respect thereto pursuant to Section 5 on the reverse of the form of Security,

(d) if less than all Outstanding Securities are to be redeemed, the identification (and, in the case of a partial redemption, the principal amounts) of the particular Securities to be redeemed,

(e) in case any Security is to be redeemed in part only, that on and after the Redemption Date, upon surrender of such Security, the Holder will receive, without charge, a new Security or Securities of authorized denominations for the principal amount thereof remaining unredeemed,

(f) that on the Redemption Date the Redemption Price (and unpaid and accrued interest, if any, to, but not including, the Redemption Date payable as provided in Section 10.07) will become due and payable upon each such Security, or the portion thereof, to be redeemed, and that, unless the Issuer defaults in making such redemption payment or the Trustee or the Paying Agent is prohibited from making such payment, interest thereon will cease to accrue on and after said date, and

(g) the place or places where such Securities are to be presented and surrendered for payment of the Redemption Price and accrued interest, if any.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer; *provided*, *however*, in the latter case the Issuer shall give the Trustee at least 10 days prior notice (or such shorter notice as the Trustee may permit) of the date of the giving of the notice.

Section 10.06. *Deposit of Redemption Price.* On or prior to any Redemption Date (and if on any Redemption Date, before 11:00 A.M. New York City time, on such date), the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 9.03) an amount of money sufficient to pay the Redemption Price of, and unpaid and accrued interest (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date) on, all the Securities which are to be redeemed on that date.

Section 10.07. *Securities Payable on Redemption Date.* Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified (together with unpaid and accrued interest, if any, to, but not including, the Redemption Date), and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest or the Trustee or the Paying Agent shall be prohibited from making such payment) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with unpaid and accrued interest, if any, to, but not including, the Redemption Date; *provided*, *however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant record dates according to their terms.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Securities.

If the Issuer has given notice of redemption as provided in this Indenture and made available funds for the redemption of the Securities (or any portion thereof) called for redemption on or prior to the Redemption Date referred to in such notice, those Securities will cease to bear interest on or after that Redemption Date and the only right of the Holders of those Securities will be to receive payment of the Redemption Price, together with any accrued and unpaid interest.

Section 10.08. *Securities Redeemed in Part.* Any Security held in physical form which is to be redeemed only in part shall be surrendered at the office or agency of the Issuer maintained for such purpose pursuant to Section 9.02 (with, if the Issuer and the Trustee so require, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new physical Security or Securities, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

ARTICLE 11
DEFEASANCE AND COVENANT DEFEASANCE

Section 11.01. *Issuer's Option to Effect Defeasance or Covenant Defeasance.* The Issuer may, at its option by Board Resolution of the Issuer, at any time, with respect to the Securities, elect to have either Section 11.02 or Section 11.03 be applied to all Outstanding Securities upon compliance with the conditions set forth below in this Article 11.

Section 11.02. *Defeasance and Discharge.* Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.02, the Issuer and the Guarantors shall be deemed to have been discharged from their obligations with respect to all Outstanding Securities on the date the conditions set forth in Section 11.04 are satisfied (hereinafter, "**defeasance**"). For this purpose, such defeasance means that the Issuer shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities, which shall thereafter be deemed to be "Outstanding" only for the purposes of Section 11.05 and the other Sections of this Indenture referred to in clauses (a) and (b) below, and to have satisfied all their other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the Issuer's obligations with respect to such Securities under Section 2.3 of Appendix A and Sections 3.03, 3.06, 3.07, 9.02 and 9.03 and the Issuer's rights under Section 10.01, (b) rights of Holders to receive payment of principal of, premium, if any, and interest on such Securities (but

not the Purchase Price referred to under Section 9.07) and any rights of the Holders with respect to such amounts, (c) the rights, obligations and immunities of the Trustee under this Indenture and (d) this Article 11. Subject to compliance with this Article 11, the Issuer may exercise its option under this Section 11.02 notwithstanding the prior exercise of its option under Section 11.03 with respect to the Securities. If the Issuer exercises its option under this Section 11.02, (v) each Guarantor, if any, shall be released from all its obligations under its Note Guarantee, (w) the Loan Proceeds Note may be prepaid in whole or in part, (x) no entity shall be obligated to guarantee the Loan Proceeds Note, (y) the Loan Proceeds Note may be canceled and (z) all obligations to provide Loan Proceeds Note Guarantees shall terminate and all references in this Indenture to Loan Proceeds Note Guarantees and Loan Proceeds Note Guarantees shall be disregarded and not be deemed to be requirements to take or omit to take any action by Level 3 Parent or any Subsidiary. Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.02, all Liens on the Collateral securing the Indebtedness evidenced by the Securities shall be released and the Collateral Documents shall cease to be of further effect.

Section 11.03. *Covenant Defeasance.* Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.03, the Issuer and each Guarantor shall be released from their obligations under any covenant contained in Sections 7.01(a)(ii), 7.03(a)(ii)(B)(3), (4) and (5), in Sections 7.04, 7.06, 9.05 and 9.18, Sections 9.07 through 9.22 and Section 12.01 and from the operation of Sections 5.01(f), (g), (h), (i), (j) and (k) (but, in the case of Sections 5.01(i) and (j), with respect only to Significant Subsidiaries) and from Section 9.22, with respect to the Outstanding Securities on and after the date the conditions set forth below are satisfied (hereinafter, "**covenant defeasance**"), and the Securities shall thereafter be deemed not to be "Outstanding" for the purposes of any direction, waiver, consent, declaration or other Act of Holders (and the consequences of any thereof) in connection with such provisions, but shall continue to be deemed "Outstanding" for all other purposes hereunder. For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such provision, whether directly or indirectly, by reason of any reference elsewhere herein to any such provision or by reason of any reference in any such provision to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 5.01(c), (d), (e), (f), (g), (h), (i), (j) or (k) (but, in the case of Section 5.01(i) or (j), with respect only to Significant Subsidiaries) but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby. If the Issuer exercises its option under this Section 11.03, (v) each Guarantor shall be released from all its obligations under its Note Guarantee, (w) the Loan Proceeds Note may be prepaid in whole or in part, (x) no entity shall be obligated to guarantee the Loan Proceeds Note, (y) the Loan Proceeds Note may be canceled and (z) all obligations to provide Loan Proceeds Note Guarantees shall terminate and all references in this Indenture to Loan Proceeds Note Guarantees and Loan Proceeds Note Guarantees shall be disregarded and not be deemed to be requirements to take or omit to take any action by Level 3 Parent or any Subsidiary. Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.03, all Liens on the Collateral securing the Indebtedness evidenced by the Securities shall be released and the Collateral Documents shall cease to be of further effect.

Section 11.04. *Conditions to Defeasance or Covenant Defeasance.* The following shall be the conditions to application of either Section 11.02 or Section 11.03 to the Outstanding Securities:

(a) The Issuer shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 6.08 who shall agree to comply with the provisions of this Article 11 applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Securities, at any time prior to the Stated Maturity of the Securities: (i) money in an amount, or (ii) Government Securities which through the payment of interest and principal will provide, not later than one day before the due date of payment in respect of the Securities, money in an amount, or (iii) a combination thereof, sufficient, in the opinion of a certified public accountant (selected by the Issuer or Level 3 Parent in its sole discretion) expressed in a written certification delivered to the Trustee, to pay and discharge the principal of (and premium, if any, on) and interest on, the Outstanding Securities on the Stated Maturity (or Redemption Date, if applicable) of such principal (and premium, if any) or installment of interest; *provided* that the Trustee (or such other trustee) shall have been irrevocably instructed in writing to apply such money or the proceeds of such Government Securities to said payments with respect to the Securities. Before such a deposit, the Issuer may give to the Trustee, in accordance with Section 10.03, a notice of their election to redeem all of the Outstanding Securities at a future date in accordance with Article 10, which notice shall be irrevocable. Such irrevocable redemption notice, if given, shall be given effect in applying the foregoing.

(b) No Default or Event of Default with respect to the Securities shall have occurred and be continuing on the date of such deposit or, insofar as Section 5.01(i) and Section 5.01(j) are concerned with respect to Level 3 Parent and the Issuer, at any time during the period ending on the 123rd day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period).

(c) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Issuer or any Guarantor is a party or by which it is bound.

(d) In the case of an election under Section 11.02, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the Holders of the Outstanding Securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such defeasance and will be subject to U.S. federal income Tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred.

(e) In the case of an election under Section 11.03, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of the Outstanding Securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. federal income Tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred.

(f) The Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to either the defeasance under Section 11.02 or the covenant defeasance under Section 11.03 (as the case may be) have been complied with.

Section 11.05. *Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.* Subject to the provisions of the last paragraph of Section 9.03 and any governing law, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 11.05, the "**Trustee**") pursuant to Section 11.04 in respect of the Outstanding Securities shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law or to the extent the Issuer or Level 3 Parent acts as the Issuer's Paying Agent.

The Issuer shall pay and indemnify the Trustee and (if applicable) its officers, directors, employees and agents against any Tax, fee or other charge imposed on or assessed against the Government Securities deposited pursuant to Section 11.04 or the principal and interest received in respect thereof other than any such Tax, fee or other charge which by law is for the account of the Holders of the Outstanding Securities.

Anything in this Article 11 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the Issuer's Request any money or Government Securities held by it as provided in Section 11.04 which, in the opinion of a certified public accountant (selected by the Issuer or Level 3 Parent in its sole discretion) expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent defeasance or covenant defeasance, as applicable, in accordance with this Article 11.

Section 11.06. *Reinstatement.* If the Trustee or any Paying Agent is unable to apply any money in accordance with Section 4.01 or 11.05 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and each Guarantor's obligations under the Note Documents shall be revived and reinstated as though no deposit had occurred pursuant to Section 4.01, 11.02 or 11.03, as the case may be, until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance therewith; *provided*, *however*, that if the Issuer or any Guarantor makes any payment of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Issuer or such Guarantor shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 12
NOTE GUARANTEES

Section 12.01. *Guarantees*. Each Guarantor hereby unconditionally guarantees, jointly and severally, to each Holder and to the Trustee and Collateral Agent and its successors and assigns (a) the full and punctual payment of principal of (and premium, if any) and interest on the Securities when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, and all other monetary obligations of the Issuer under the Note Documents and (b) the full and punctual performance within applicable grace periods of all other obligations of the Issuer under the Note Documents (all the foregoing being hereinafter collectively called the "**Obligations**"). Each Guarantor further agrees that the Obligations may be extended or renewed, in whole or in part, without notice or further assent from such Guarantor, and that such Guarantor will remain bound under this Article 12 notwithstanding any extension or renewal of any Obligation.

Each Guarantor waives presentation to, demand of, payment from and protest to the Issuer of any of the Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Securities or the Obligations. The obligations of each Guarantor hereunder shall not be affected by (a) the failure of any Holder or the Trustee and Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuer or any other person under this Indenture, the Securities or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (d) the release of any security held by any Holder or the Trustee and Collateral Agent for the Obligations of any of them; (e) the failure of any Holder or the Trustee and Collateral Agent to exercise any right or remedy against any other guarantor of the Obligations; or (f) any change in the ownership of such Guarantor.

Each Guarantor further agrees that its Note Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee and Collateral Agent to any security held for payment of the Obligations.

Except as expressly set forth in Sections 7.05, 7.06, 9.14, 11.02, 11.03, 12.03 and 12.08, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantee of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any terms thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of such Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Each Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of (or premium, if any) or interest on any Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of (or premium, if any) or interest on any Obligation when and as the same shall become due, whether at Stated Maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Obligation, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid amount of such Obligations, (ii) accrued and unpaid interest on such Obligations (but only to the extent not prohibited by law) and (iii) all other monetary Obligations of the Issuer to the Holders and the Trustee.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in respect of any Obligations guaranteed hereby until payment in full in cash of all Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 5 for the purposes of such Guarantor's Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Obligations as provided in Article 5, such Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 12.01.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee and Collateral Agent or any Holder in enforcing any rights under this Section 12.01.

The Issuer shall cause each of its direct or indirect Subsidiaries that is not an Excluded Subsidiary and that guarantees or becomes a borrower under any First Lien Obligations to execute and deliver to the Trustee, within 30 days of such event (which such period will be automatically extended in 30 day increments so long as the Issuer uses commercially reasonable efforts), a supplemental indenture substantially in the form of Exhibit B hereto pursuant to which such Subsidiary will guarantee the Obligations. For the avoidance of doubt, no Excluded Subsidiary shall be required to guarantee the Obligations, become a party to the Collateral Agreement or any other Collateral Document or create Liens on its assets to secure the Obligations.

Notwithstanding anything to the contrary contained herein (but subject to the following paragraph), if a person is required to become a Guarantor pursuant to this Indenture, none of the Issuer or any Subsidiary shall be required to submit any application or filing or otherwise take any action to obtain any authorization or consent of any federal or state Governmental Authority required in order to cause such person to become a Guarantor (and the requirement to provide

such a Guarantee shall be tolled), in each case, to the extent an authorization or consent of such federal or state Governmental Authority is determined by Lumen, Level 3 Parent or the Issuer to be sought in respect of any Material Transaction or any financing relating thereto and has not yet been obtained; *provided* that (i) such person is not submitting any application or filing or otherwise taking any action to obtain any authorization or consent of any federal or state Governmental Authority required in order to cause such person to Guarantee any First Lien Obligation, any Second Lien Obligation (other than the Securities) or any Junior Lien Obligations and (ii) at the time such federal or state Governmental Authority has approved such Material Transaction, the application, filing or other action to obtain any such authorization or consent of any federal or state Governmental Authority required in order to cause any person to become a Guarantor shall promptly be made.

Section 12.02. *Contribution*. Upon the receipt of an Officers' Certificate and Opinion of Counsel from the Issuer, as described in Section 13.04(b) below, and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Collateral Agent is hereby authorized to, instructed to and shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture, the Collateral Documents, the Second Lien/Second Lien Intercreditor Agreement or the Multi-Lien Intercreditor Agreement. In the event any Lien or Guarantor is released hereunder and the Issuer is not required to deliver an Officers' Certificate and/or Opinion of Counsel to the Collateral Agent and Trustee, the Collateral Agent and Trustee shall receive notice of such release.

Subject to the Intercreditor Agreements, the Holders and the other Secured Parties hereby irrevocably authorize and instruct the Trustee and the Collateral Agent to, upon receipt of an Officers' Certificate and Opinion of Counsel, without any further consent of any Holder or any other Secured Party, and, upon the request of the Issuer, the Collateral Agent shall, (a) enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify any of the Intercreditor Agreements with the collateral agent or other representative of holders of Indebtedness secured (and permitted to be secured) by a Lien on assets constituting a portion of the Collateral under any of Section 9.10(a)(i), (ii), (xxvi), (xxvii), (xxxiii), (xxxvii) or (xli) (and solely in accordance with the relevant requirements thereof and not in lieu of the requirements thereof) and (b) release any Lien securing the obligations on any property granted to or held by the Collateral Agent under any Note Document to the holder of any Lien on such property that is permitted by Section 9.10(a)(iii), (ix) or (xxii) in each case to the extent the contract or agreement pursuant to which such Lien is granted prohibits any other Liens on such property.

(b) Notwithstanding anything herein to the contrary, in connection with any release of Collateral, the Collateral Agent shall not be required to execute, deliver or acknowledge any instruments of termination, satisfaction or release unless, in each case, an Officers' Certificate and Opinion of Counsel certifying that all conditions precedent, including, without limitation, this Section 13.04, have been met and stating under which of the circumstances set forth in Section 13.04(a) above the Collateral is being released have been delivered to the Collateral Agent.

(c) Notwithstanding anything herein to the contrary, at any time when a Default or Event of Default has occurred and is continuing and the maturity of the Securities has been accelerated (whether by declaration or otherwise) and the Trustee has delivered a notice of acceleration to the Collateral Agent, no release of Collateral pursuant to the provisions of this Indenture or the Collateral Documents will be effective as against the Holders, except as otherwise provided in the Multi Lien Intercreditor Agreement and the Second Lien/Second Lien Intercreditor Agreement.

Section 13.05. *Authorization of Actions to be Taken by the Trustee and the Collateral Agent Under the Collateral Documents*. (a) Subject to the provisions of the Collateral Documents and the Intercreditor Agreements, the Trustee may direct, on behalf of Holders, the Collateral Agent to take action permitted to be taken by it under the Collateral Documents.

(b) Upon the occurrence and during the continuation of an Event of Default and subject to the provisions of the Collateral Documents and Sections 6.01 and 6.03, the Trustee may but is not obligated to, in its sole discretion and without the consent of the Holders, direct, on behalf of the Holders, the Collateral Agent to, take all actions it deems necessary or appropriate in order to:

(i) enforce any of the terms of the Collateral Documents; and

(ii) collect and receive any and all amounts payable in respect of the Obligations of the Issuer and the Guarantors hereunder.

(c) Subject to the provisions of the Collateral Documents and the Intercreditor Agreement, the Trustee and the Collateral Agent will have power to institute and maintain such suits and proceedings, at the expense of the Issuer, as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Collateral Documents or this Indenture, and such suits and proceedings as the Trustee or the Collateral Agent may deem expedient to preserve or protect its interests and the interests of the Holders in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders or of the Trustee or the Collateral Agent). Nothing in this Section 13.05 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Collateral Agent.

Section 13.06. *Designations. Authorization of Receipt of Funds by the Collateral Agent Under the Collateral Documents*. Subject to the provisions of the Collateral Documents and the Intercreditor Agreement, the Collateral Agent is authorized to receive any funds for the benefit of the Holders distributed under the Collateral Documents, and to make further distributions of such funds to the Trustee for further distribution to the Holders according to the provisions of this Indenture.

Section 13.07. *Powers Exercisable by Receiver or Trustee.* In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 13 upon the Issuer or a Guarantor with respect to the release, sale or other disposition of such property or assets may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or a Guarantor or of any officer or officers thereof required by the provisions of this Article 13; and if the Trustee, Collateral Agent or a nominee of the Trustee or Collateral Agent shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee, Collateral Agent or a nominee of the Trustee or Collateral Agent.

Section 13.08. *Purchaser Protected*. In no event shall any purchaser or other transferee in good faith of any property or assets purported to be released hereunder be bound to ascertain the authority of the Collateral Agent or the Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or assets be under any obligation to ascertain or inquire into the authority of the Issuer or the applicable Guarantor to make any such sale or other transfer.

Section 13.09. *FCC and State PUC Compliance.* Notwithstanding anything to the contrary contained in any of the Note Documents, none of the Trustee, the Collateral Agent or the Holders, nor any of their agents, will take any action pursuant any Note Document that would constitute or result in an assignment or transfer of control of any FCC License or State PUC License held by Level 3 Parent, the Issuer or any Guarantor if such assignment or transfer of control would require, under existing Telecommunications Laws, the prior application to, approval of, or notice to, the FCC or any State PUC, without first filing such application, obtaining such approval and/or providing such required notice to the FCC and/or State PUC.

Section 13.10. *Regulated Subsidiaries*. Notwithstanding any provision of this Indenture, any other Note Document or otherwise to the contrary:

(a) (x) any Regulated Guarantor Subsidiary that the Issuer intends to cause to become a Designated Guarantor Subsidiary shall be treated as a Collateral Guarantor for purposes of Article 9 so long as the Issuer is using commercially reasonable efforts to satisfy the Guarantee Permit Condition (or, solely with respect to (x) investments with respect to the payment of intercompany expenses or other investments, in each case in the ordinary course of business and (y) investments with respect to the payment of capital expenditures with respect to any such Regulated Guarantor Subsidiary, has been unable to satisfy the Guarantee Permit Condition as to such Subsidiary in spite of such efforts) and (y) no Regulated Guarantor Subsidiary shall be required to provide any guarantee hereunder until such time as it has satisfied the Guarantee Permit Condition;

(b) (x) any Regulated Grantor Subsidiary that the Issuer intends to cause to become a Designated Grantor Subsidiary shall be treated as a Collateral Guarantor for purposes of Article 9 so long as the Issuer is using commercially reasonable efforts to satisfy the Collateral Permit Condition (or, solely with respect to (x) investments with respect to the payment of intercompany expenses or other investments, in each case in the ordinary course of business and (y) investments with respect to the payment of capital expenditures with respect to any such Regulated Grantor Subsidiary, has been unable to satisfy the Collateral Permit Condition as to such Subsidiary in spite of such efforts) and (y) no Regulated Grantor Subsidiary shall be required to grant a lien on any of its Collateral, become a party to the Collateral Agreement or have its Equity Interests pledged as Collateral until such time as it has satisfied the Collateral Permit Condition; and

(c) to the extent that (x) any Regulated Guarantor Subsidiary or Regulated Grantor Subsidiary is unable to satisfy the Guarantee Permit Condition or Collateral Permit Condition (using commercially reasonable efforts) to guarantee the Obligations or grant a lien on any of its Collateral to secure the Obligations, as applicable and (y) such entity is authorized to guarantee any First Lien Obligations or any other Second Lien Obligation or grant a lien on any of its Collateral to secure the foregoing, the provision of such guarantee or the grant of such lien shall not be a breach of the terms of this Indenture or be a Default or Event of Default hereunder.

2. *The Securities*.

2.1. *Form and Dating*.

The Securities will be offered and sold by the Issuer, from time to time. The Securities will be resold initially only to QIBs in reliance on Rule 144A under the Securities Act ("**Rule 144A**"), in reliance on Regulation S under the Securities Act ("**Regulation S**") and to certain IAIs. The Securities may thereafter be transferred to, among others, QIBs and purchasers in reliance on Regulation S.

(a) *Global Securities*. Securities initially resold pursuant to Rule 144A shall be issued initially in the form of one or more permanent global Securities in definitive, fully registered form (collectively, the "**Rule 144A Global Security**"), Securities initially resold pursuant to Regulation S shall be issued initially in the form of one or more global securities (collectively, the "**Regulation S Global Security**") and securities initially resold to accommodate transfers of beneficial interests in the Securities to IAIs shall be issued initially in the form of one or more global securities (collectively, the "**IAI Global Security**"), in each case without interest coupons and with the global securities legend and restricted securities legend set forth in Exhibit 1 hereto, which shall be deposited on behalf of the purchasers of the Securities represented thereby with the Securities Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Issuer and authenticated by the Trustee as provided in the Indenture. The Rule 144A Global Security, Regulation S Global Security and IAI Global Security are collectively referred to herein as "**Global Securities**". The aggregate principal amount of the Global Securities may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee as hereinafter provided.

(b) *Book-Entry Provisions*. This Section 2.1(b) shall apply only to a Global Security deposited with or on behalf of the Depository.

The Issuer shall execute and the Trustee shall, in accordance with this Section 2.1(b) and pursuant to an order of the Issuer, authenticate and deliver initially one or more Global Securities that (a) shall be registered in the name of the Depository for such Global Security or Global Securities or the nominee of such Depository and (b) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions or held by the Trustee as Securities Custodian.

Members of, or participants in, the Depository ("**Agent Members**") shall have no rights under the Indenture with respect to any Global Security held on their behalf by the Depository or by the Trustee as Securities Custodian or under such Global Security, and the Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Security.

(c) *Definitive Securities*. Except as provided in Section 2.3 or 2.4, owners of beneficial interests in Global Securities will not be entitled to receive physical delivery of Definitive Securities.

2.2. *Authentication*. The Trustee shall authenticate and deliver: (a) Original Securities, and (b) any Additional Securities upon a written order of the Issuer signed by two officers or by an officer and either an Assistant Treasurer or an Assistant Secretary of the Issuer. Such order shall specify the amount of the Securities to be authenticated and the date on which the original issue of Securities is to be authenticated.

2.3. Transfer and Exchange. (a) Transfer and Exchange of Definitive Securities. When Definitive Securities are presented to the Security Registrar or a co-registrar with a request:

(x) to register the transfer of such Definitive Securities; or

(y) to exchange such Definitive Securities for an equal principal amount of Definitive Securities of other authorized denominations, the Security Registrar or co-registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided*, *however*, that the Definitive Securities surrendered for transfer or exchange:

(i) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Issuer and the Security Registrar or co-registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(ii) are being transferred or exchanged pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Securities are being delivered to the Security Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Securities are being transferred to the Issuer, a certification to that effect; or

(C) if such Definitive Securities are being transferred pursuant to an exemption from registration in accordance with Rule 144 under the Securities Act, (i) a certification to that effect and (ii) if the Issuer so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(c)(i).

(b) *Transfer and Exchange of Global Securities*. (i) The transfer and exchange of Global Securities or beneficial interests therein shall be effected through the Depository, in accordance with the Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Security shall deliver a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Security and such account shall be credited in accordance with such instructions with a beneficial interest in the Global Security and the account of the person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Security being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Security to a beneficial interest in another Global Security, the Security Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Security to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Security Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Security from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.4), a Global Security may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(iv) In the event that a Global Security is exchanged for Definitive Securities pursuant to Section 2.4, such Securities may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse of the Securities intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Issuer.

(v) In the case of a transfer of a beneficial interest in a Regulation S Global Security or a Rule 144A Global Security for an interest in an IAI Global Security, the transferee must furnish a signed letter substantially in the form of Exhibit 2 to the Trustee.

(c) Legend.

(d) *Cancellation or Adjustment of Global Security*. At such time as all beneficial interests in a Global Security have been exchanged for Definitive Securities, redeemed, repurchased or canceled, such Global Security shall be returned by the Depository to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for Definitive Securities, redeemed, repurchased or canceled, the principal amount of Securities represented by such Global Security shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Security) with respect to such Global Security, by the Trustee or the Securities Custodian, to reflect such reduction.

(e) *Obligations with Respect to Transfers and Exchanges of Securities*.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Definitive Securities and Global Securities at the Security Registrar's or co-registrar's request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer Tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer Taxes, assessments or similar governmental charge payable upon exchange or transfer pursuant to Section 10.08 of the Indenture).

(iii) The Security Registrar or co-registrar shall not be required to register the transfer of or exchange of any Security for a period beginning 15 days before the delivery of a notice of redemption or an offer to repurchase Securities or 15 days before an Interest Payment Date.

(iv) Prior to the due presentation for registration of transfer of any Security, the Issuer, the Trustee, the Paying Agent, the Security Registrar or any co-registrar may deem and treat the person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuer, the Trustee, the Paying Agent, the Security Registrar or any co-registrar shall be affected by notice to the contrary.

The rights of beneficial owners in any Global Security shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. (a) A Global Security deposited with the Depository or with the Trustee as Securities Custodian pursuant to Section 2.1 shall be transferred to the beneficial owners thereof in the form of Definitive Securities in an aggregate principal amount equal to the principal amount of such Global Security, in exchange for such Global Security, only if such transfer complies with Section 2.3 and (i) the Depository notifies the Issuer that it is unwilling or unable to continue as a Depository for such Global Security or if at any time the Depository ceases to be a "**clearing agency**" registered under the Exchange Act, and a successor Depository is not appointed by the Issuer within 90 days of such notice, or (ii) a Default or an Event of Default has occurred and is continuing or (iii) the Issuer, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of Definitive Securities under the Indenture.

(b) Any Global Security that is transferable to the beneficial owners thereof pursuant to this Section 2.4 shall be surrendered by the Depository to the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate principal amount of Definitive Securities of authorized denominations. [FORM OF REVERSE SIDE OF SECURITY]

3.875% Second Lien Notes due 2030

Capitalized terms used and not otherwise defined herein shall have the meanings assigned to such terms in the Indenture referred to below.

1. *Interest*

LEVEL 3 FINANCING, INC., a Delaware corporation (such corporation, and its successors and assigns under the Indenture hereinafter referred to, being herein called the "**Issuer**"), promises to pay interest on the principal amount of this Security at the rate per annum shown above. The Issuer will pay interest semiannually on June 15 and December 15 of each year, commencing June 15, 2024, and on the maturity date. Interest on the Security will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from March 22, 2024. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. *Method of Payment*

The Issuer will pay interest on the Securities (except defaulted interest) to the persons who are registered Holders of Securities at the close of business on the June 1 or December 1 next preceding the Interest Payment Date even if Securities are canceled after the record date and on or before the Interest Payment Date. The Issuer will pay interest on the Securities on the maturity date to the persons entitled to the principal of the Securities. Holders must surrender Securities to a Paying Agent to collect principal payments. The Issuer will pay principal and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Securities represented by a Global Security (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company. The Issuer will make all payments in respect of a Definitive Security (including principal, premium and interest), by mailing a check to the registered address of each Holder thereof; *provided*, *however*, that, at the option of the Issuer, payments on the Securities may also be made, in the case of a Holder of at least $1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder requests payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. *Paying Agent and Security Registrar*

Initially, WILMINGTON TRUST, NATIONAL ASSOCIATION, a national banking association (the "**Trustee**"), will act as Paying Agent and Security Registrar. The Issuer may appoint and change any Paying Agent, Security Registrar or co-registrar without notice.

4. *Indenture*

The Issuer issued the Securities under an Indenture dated as of March 22, 2024 (as amended, modified or supplemented from time to time, the "**Indenture**") among the Issuer, Level 3 Parent, the other Guarantors party thereto, the Trustee and the Collateral Agent. The terms of the Securities include those stated in the Indenture. The Securities are subject to all such terms, and Holders are referred to the Indenture for a statement of those terms.

The Securities are unsubordinated secured obligations of the Issuer. [This Security is one of the Original Securities referred to in the Indenture issued in an aggregate principal amount of $458,214,000. The Securities include the Original Securities and any Additional Securities]. [This Security is one of the Additional Securities issued in addition to the Original Securities in an aggregate principal amount of $458,214,000 previously issued under the Indenture. The Original Securities and the Additional Securities are treated as a single class of securities under the Indenture.] The Indenture imposes certain limitations on the ability of Level 3 Parent, the Issuer and their respective Subsidiaries to, among other things, incur Indebtedness and create and incur Liens. The Indenture also imposes limitations on the ability of Level 3 Parent, the Issuer and their respective Subsidiaries to consolidate or merge with or into any other person or sell, transfer, assign, lease, convey or otherwise dispose of all or substantially all of the property of such entities.

To guarantee the due and punctual payment of the principal and interest on the Securities and all other amounts payable by the Issuer under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, Level 3 Parent has unconditionally guaranteed the Securities on an unsubordinated basis pursuant to the terms of the Indenture.

5. *Optional Redemption*

At any time prior to March 22, 2025, the Securities may be redeemed, in whole or from time to time in part, at a Redemption Price equal to the sum of (A) 100.0% of the principal amount of the Securities redeemed, plus (B) the Make-Whole Premium as of the date of the redemption, plus (C) accrued and unpaid interest, if any thereon, to, but excluding, the date of the redemption (subject to the right of Holders of Record on the relevant record date to receive interest due on the relevant Interest Payment Date).

At any time on or after March 22, 2025, the Securities may be redeemed, in whole or from time to time in part, at the Redemption Prices (expressed as percentages of principal amount of the Securities to be redeemed) set forth in the table below, plus accrued and unpaid interest, if any, thereon to, but excluding, the Redemption Date (subject to the right of Holders of Record on the relevant record date to receive interest due on the relevant Interest Payment Date), during the twelve-month period beginning on March 22 of each of the years indicated below:

Year	Percentage
2025	101.813%
2026	100.906%
2027	100.000%

Any redemption described above or notice thereof may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. If any redemption is so subject to the satisfaction of one or more conditions precedent, the notice thereof shall describe each such condition and, if applicable, shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and any notice with respect to such redemption may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed or such notice or offer may be rescinded at any time in the Issuer's discretion if the Issuer reasonably believes that any or all of such conditions will not be satisfied or waived.

Notwithstanding the foregoing, in connection with any tender offer for the Securities, including any offer to purchase Securities pursuant to Section 9.07 of the Indenture, if Holders of not less than 90% in aggregate principal amount of the outstanding Securities validly tender and do not withdraw such Securities in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all of the Securities validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 60 days following such purchase date, to redeem (with respect to the Issuer) or repurchase (with respect to a third-party) all Securities that remain outstanding following such purchase at a Redemption Price equal to the greater of (i) the highest price offered to any other Holder in such tender offer or other offer to purchase (which may be less than par and shall exclude any early tender premium or similar premium and any accrued and unpaid interest paid to any holder in such tender offer payment) and (ii) par, plus accrued and unpaid interest (if any) thereon, to, but excluding the date of redemption or Redemption Date, subject to the right of Holders of record of the Securities on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the date of redemption or Redemption Date.

6. *Sinking Fund*

The Securities are not subject to any sinking fund.

7. *Notice of Redemption*

Notice of redemption shall be given in the manner provided for in Section 1.06 of the Indenture not less than 10 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed; *provided* that in the case of Securities held through the Depository by Depository participants, such notice will be submitted via the Depository's electronic messaging system.

8. *Repurchase of Securities at the Option of Holders upon Change of Control Triggering Event*

Upon a Change of Control Triggering Event, any Holder of Securities will have the right, subject to certain exceptions and conditions specified in the Indenture, to require the Issuer to repurchase all or any part of the Securities of such Holder at a purchase price in cash equal to 101% of the principal amount of the Securities to be repurchased on the Purchase Date plus accrued and unpaid interest (if any) to, but excluding, such Purchase Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date) as provided in, and subject to the terms of, the Indenture.

9. *Denominations; Transfer; Exchange*

The Securities are in registered form without coupons in denominations of $1.00 and whole multiples of $1.00. A Holder may transfer or exchange Securities in accordance with the Indenture. Upon any transfer or exchange, the Security Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any Taxes and fees required by law or permitted by the Indenture. The Security Registrar or co-registrar need not register the transfer of or exchange of any Security for a period beginning 15 days before the delivery of a notice of redemption or an offer to repurchase Securities or 15 days before an Interest Payment Date.

10. *Persons Deemed Owners*

The registered Holder of this Security may be treated as the owner of it for all purposes.

11. *Unclaimed Money*

If money for the payment of principal, premium (if any), or interest remains unclaimed for two years, the Trustee or Paying Agent shall notify the Issuer and pay the money back to the Issuer at its written request after following specified procedures. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment.

12. *Discharge and Defeasance*

Subject to certain conditions, the Issuer at any time may terminate some of or all its obligations under the Securities and the Indenture if the Issuer deposits with the Trustee money and/or Government Securities for the payment of principal, premium (if any) and interest on the Securities to redemption or maturity, as the case may be.

13. *Amendment, Waiver*

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Securities may be amended without prior notice to any Holder but with the written consent of the Holders of at least a majority (or, with respect to certain covenants, the written consent of at least two-thirds) in aggregate principal amount of the Outstanding Securities and (ii) any default or noncompliance with any provision may be waived with the written consent of the Holders of at least a majority in principal amount of the Outstanding Securities. Subject to certain exceptions set forth in the Indenture, the Issuer, the Guarantors, the Trustee and the Collateral Agent may, at any time and from time to time, without notice to or consent of any Holders of Securities, (a) enter into one or more supplemental indentures and/or (b) amend, supplement or otherwise modify the Indenture or the Securities: (i) to evidence the succession of another person to the Issuer, Level 3 Parent or any other Guarantor and the assumption by such successor of the covenants of the Issuer, Level 3 Parent or such other Guarantor, respectively, in the Indenture, in the Securities, in the applicable Note Guarantee and in the applicable Collateral Documents, as applicable; (ii) to add to the covenants of Level 3 Parent, the Issuer or any of their respective Subsidiaries, for the benefit of the Holders, or to surrender any right or power conferred upon Level 3 Parent, the Issuer or any other Guarantor by the Indenture; (iii) to add any additional Events of Default; (iv) to provide for uncertificated Securities in addition to or in place of certificated Securities; (v) to evidence and provide for the acceptance of appointment under the Indenture of a successor Trustee or a successor Collateral Agent in each case pursuant to the requirements of the Indenture; (vi) to secure the Securities; (vii) to comply with the Securities Act (including Regulation S promulgated thereunder); (viii) to add Note Guarantees or to release any Guarantors from Note Guarantees as provided by the terms of the Indenture; (ix) to (a) cure any ambiguity, mistake, omission, defect, inconsistency, or obvious error in the Indenture, or (b) correct or supplement any provision in the Indenture which may be inconsistent with any other provision therein, or to add any other provision with respect to matters or questions arising under the Indenture; *provided* that, with respect to the foregoing clause (ix)(b), such actions shall not adversely affect the interests of the Holders in any material respect; (x) to add additional assets as Collateral or to release any Collateral from the liens securing the Securities, in each case pursuant to the terms of the Indenture, the Collateral Documents and the Intercreditor Agreements, as and when permitted or required by the Indenture, the Collateral Documents or the Intercreditor Agreements; or (xi) to effect any provision of the Indenture or to make changes to the Indenture to provide for the issuance of Additional Securities. The intercreditor provisions of the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement may be amended, waived or otherwise modified from time to time with the consent of the parties thereto. In addition, the Issuer may, without the consent of any other party thereto, amend the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement to designate Indebtedness as "**Second-Priority Obligations**", or as any other Indebtedness subject to the terms and provisions of such agreement.

14. *Defaults and Remedies*

Subject to certain exceptions set forth in the Indenture, if an Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the Securities then outstanding, subject to certain limitations, may declare all the Securities to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Securities being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Securities may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Securities unless it receives indemnity or security satisfactory to it in its sole discretion. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Securities then outstanding may direct the Trustee in its exercise of any trust or power under the Indenture. Before a judgment or decree for payment of the money due has been obtained by the Trustee as provided in the Indenture, the Holders of a majority in aggregate principal amount of the Securities then outstanding, by written notice to the Issuer and the Trustee, may rescind any declaration of acceleration and its consequences if all existing Events of Default have been cured or waived except nonpayment of principal or premium (if any) that has become due solely because of the acceleration.

15. *Trustee Dealings with the Issuer*

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Issuer or its Affiliates and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee. However, the Trustee must comply with Section 6.08 of the Indenture.

16. *No Recourse Against Others*

A director, officer, employee, incorporator or stockholder, as such, of the Issuer or any Guarantor shall not have any liability for any obligations of the Issuer or any Guarantor under the Securities or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation, solely by reason of its status as a director, officer, employee, incorporator or stockholder of such person. By accepting a Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

17. *Authentication*

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

18. *Abbreviations*

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. *Governing Law*

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

20. *CUSIP Numbers*

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Securities and has directed the Trustee to use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

21. *Indenture Controls*

The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture for a statement of such terms and provisions. If and to the extent that any provision of the Securities limits, qualifies or conflicts with a provision of the Indenture, such provision of the Indenture shall control.

The Issuer will furnish to any Holder upon written request and without charge to the Holder a copy of the Indenture and Holders may request the Indenture at the following:

The undersigned represents and warrants to you that:

1. We are an institutional "**accredited investor**" (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act of 1933, as amended (the "**Securities Act**")), purchasing for our own account or for the account of such an institutional "**accredited investor**" at least $250,000 principal amount of the Securities, and we are acquiring the Securities, for investment purposes and not with a view to, or for offer or sale in connection with, any distribution in violation of the Securities Act. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "**Act**" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.01) conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section.

(b) The fact and date of the execution by any person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Such record date shall be the record date specified in or pursuant to such Board Resolution, which shall be a date not earlier than the date 30 days prior to the first solicitation of Holders generally in connection therewith and not later than the date such solicitation is completed. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of Outstanding Securities have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the Outstanding Securities shall be computed as of such record date; *provided* that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than six months after the record date.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Security. However, any such Holder or future Holder may revoke the request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date such Act becomes effective.

Section 1.05. *Notices, etc., to Trustee and the Issuer.* Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(c) the Issuer or any Guarantor by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, or electronically to the Issuer or such Guarantor addressed to it (in the case of a Guarantor, in care of the Issuer) at the address of the Issuer's principal office specified in the first paragraph of this Indenture and to 1025 Eldorado Boulevard, Broomfield, CO 80021, Attention: Treasury department, or at any other address previously furnished in writing to the Trustee by the Issuer.

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, pdf, facsimile transmission or other similar unsecured electronic methods, *provided*, *however*, that the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Issuer elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method), the Trustee's understanding of such instructions shall be deemed controlling. Except to the extent relating to matters arising out of the Trustee's gross negligence or willful misconduct, the Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding that such instructions conflict or are inconsistent with a subsequent written instruction. The Issuer agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk or interception and misuse by third parties.

Section 1.06. *Notice to Holders; Waiver.* Where this Indenture provides for notice or communication of any event to Holders by the Issuer or the Trustee, such notice shall be given (unless otherwise herein expressly provided) either (i) in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Security Register or (ii) in the case of Securities held through the Depository, to Depository participants via the Depository's electronic messaging system, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail or electronic delivery, neither the failure to electronically deliver or mail such notice, nor any defect in any notice so mailed or electronically delivered, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Notices shall be effective only upon receipt. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of or irregularities in regular mail service or by reason of any other cause, it shall be impracticable to mail notice of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice for every purpose hereunder.

Section 1.07. *Effect of Headings and Table of Contents.* The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 1.08. *Successors and Assigns.* All covenants and agreements in this Indenture by the Issuer and Level 3 Parent shall bind its successors and assigns, whether so expressed or not.

Notwithstanding any other provision of the Note Documents, if a court of competent jurisdiction – in a final and unstayed order – determines that the Level 3 Senior Unsecured Notes Transaction (as defined in the Transaction Support Agreement) is invalid for any reason, the Liens securing the Securities shall be deemed not to have been granted ab initio, and all other terms hereof shall remain unchanged; provided, that the Issuer and the Guarantors shall use reasonable best efforts to contest any challenge to the Level 3 Senior Unsecured Notes Transaction; provided, further, that any finding that any aspect of the Level 3 Senior Unsecured Notes Transaction is invalid shall not (directly or indirectly) constitute a default or breach of the Note Documents.

Section 1.11. *Benefits of Indenture.* Nothing in this Indenture or in the Securities, express or implied, shall give to any person, other than the parties hereto, any Paying Agent, any Security Registrar and their successors hereunder and the Holders any legal or equitable right, remedy or claim under this Indenture.

Section 1.12. *Governing Law.* **THIS INDENTURE AND THE SECURITIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY**.

Section 1.13. *Trust Indenture Act*. For the avoidance of doubt, the Trust Indenture Act is not applicable to this Indenture.

Section 1.14. *Legal Holidays.* In any case where any Interest Payment Date, Redemption Date, or Stated Maturity or Maturity of any Security shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of the Securities) payment of principal (or premium, if any) or interest need not be made on such date, but shall be made on the next succeeding Business Day with the same force and effect as if made on the Interest Payment Date or Redemption Date or at the Stated Maturity or Maturity; *provided* that no interest shall accrue in respect of such payment for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity to the next Business Day, as the case may be.

Section 1.15. *No Personal Liability of Directors, Officers, Employees and Stockholders.* No director, officer, employee, incorporator or stockholder of the Issuer or any Guarantor, as such, shall have any liability for any obligations of the Issuer or any Guarantor under the Securities or this Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation, solely by reason of its status as a director, officer, employee, incorporator or stockholder of the Issuer or a Guarantor. By accepting a Security, each Holder waives and releases all such liability (but only such liability). The waiver and release are part of the consideration for issuance of the Securities.

Section 1.16. *Independence of Covenants.* All covenants and agreements in this Indenture shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default if such action is taken or condition exists.

Section 1.17. *Exhibits.* All exhibits attached hereto are by this reference made a part hereof with the same effect as if herein set forth in full.

Section 1.18. *Counterparts.* This Indenture may be executed in any number of counterparts, each of which shall be an original; but such counterparts shall together constitute but one and the same instrument.

Section 1.21. *Force Majeure.* In no event shall the Trustee or Collateral Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, any act or provision of any present or future law or regulation or governmental authority, strikes, riots, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, sabotage, pandemics or epidemics, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 1.22. *FATCA.* In order to assist the Trustee with its compliance with Sections 1471 through 1474 of the Code and the rules and regulations thereunder (as in effect from time to time, collectively, the "**Applicable Law**") the Issuer agrees (i) to provide to the Trustee reasonably available information collected and stored in the Issuer's ordinary course of business regarding Holders of Securities (solely in their capacity as such) and which is necessary for the Trustee's determination of whether it has tax related obligations under Applicable Law and (ii) that the Trustee shall be entitled to make any withholding or deduction from payments under this Indenture to the extent necessary to comply with Applicable Law. Nothing in the immediately preceding sentence shall be construed as obligating the Issuer to make any "gross up" payment or similar reimbursement in connection with a payment in respect of which amounts are so withheld or deducted.

Section 1.23. *Submission to Jurisdiction.* The parties and each Holder (by acceptance of the Securities) irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, City of New York, over any suit, action or proceeding arising out of or relating to this Indenture. To the fullest extent permitted by applicable law, the parties irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

Section 1.24. *[Reserved].*

Section 1.25. *Electronic Signature*s. For the avoidance of doubt, for all purposes of this Indenture and any document to be signed or delivered in connection with or pursuant to this Indenture (except where a manual signature is expressly required by the terms of this Indenture), the words "execution," "execute," "signed," "signature," "delivery," and words of like import used in or related to any document signed in connection with this Indenture, any Security or any of the transactions contemplated hereby (including amendments, waivers, consents and other modifications) shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, as the case may be, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery or the use of a paper-based recordkeeping system, as the case may be, to the fullest extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, and any other similar state laws based on the Uniform Electronic Transactions Act and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means, provided that, notwithstanding anything herein to the contrary, the Trustee is not under any obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Trustee pursuant to procedures approved by the Trustee. Section 1.26. *USA Patriot Act*. The parties to this agreement agree that they shall provide the Trustee and Collateral Agent with such information as they may request in order to satisfy the requirements of the USA Patriot Act.

SECURITY FORMS

Section 2.01. *Form and Dating.* The Issuer shall be permitted to issue Definitive Securities from time to time. Provisions relating to the Securities are set forth in Appendix A, which is hereby incorporated in and expressly made a part of this Indenture. The Securities and the Trustee's certificate of authentication shall be substantially in the form of Exhibit 1 to Appendix A which is hereby incorporated in and expressly made a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuer is subject, if any, or usage, *provided* that any such notation, legend or endorsement is in a form reasonably acceptable to the Issuer. Each Security shall be dated the date of its authentication. The terms of the Securities set forth in Exhibit 1 to Appendix A are part of the terms of this Indenture.

The Definitive Securities shall be printed, lithographed or engraved on steel-engraved borders or may be produced in any other manner permitted by the rules of any securities exchange or system on which the Securities may be listed or eligible for trading, all as determined by the officers of the Issuer executing such Securities, as evidenced by their execution of such Securities.

ARTICLE 3
THE SECURITIES

Section 3.01. *Amount of Securities*. Subject to Section 3.02, the Trustee shall authenticate Securities for original issue on the Issue Date in the aggregate principal amount of $452,500,000 (the "**Original Securities**").

The Issuer shall be entitled, subject to its compliance with the covenants set forth in this Indenture, including Section 9.08, to issue Additional Securities under this Indenture which shall have identical terms as the Original Securities, other than with respect to the date of issuance, the issue price and, if applicable, the payment of interest accruing prior to the issue date of such Additional Securities and the first payment of interest following the issue date of such Additional Securities (and such changes as are customary to permit escrow arrangements, if any, in connection with the issuance of such Additional Securities); provided that a separate CUSIP or ISIN shall be issued for any Additional Securities if the Additional Securities are not fungible for U.S. federal income tax purposes with the Original Securities. The Original Securities and any Additional Securities issued in exchange therefor shall be treated as a single class for all purposes under this Indenture.

With respect to the Additional Securities, the Issuer shall set forth in a Board Resolution and an Officers' Certificate, a copy of each of which shall be delivered to the Trustee, the following information:

(a) the aggregate principal amount of such Additional Securities to be authenticated and delivered pursuant to this Indenture;

(b) the issue price, the issue date and the CUSIP number of such Additional Securities;

(c) whether such Additional Securities shall be Transfer Restricted Securities and issued in the form of Securities as set forth in Appendix A to this Indenture.

For each issuance of Additional Securities, the Issuer shall lend to Level 3 Communications an amount equal to the principal amount of the Additional Securities so issued, and the principal amount of the Loan Proceeds Note shall be increased by such amount; provided that such calculation or the correctness of the amount of the Loan Proceeds Note or any increase in the amount thereof shall not be a duty or obligation of the Trustee.

Section 3.02. *Execution and Authentication*. Two officers shall sign the Securities for the Issuer by manual, electronic or facsimile signature.

If an officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Securities, an Officers' Certificate and an Opinion of Counsel and the Trustee in accordance with such written order of the Issuer shall authenticate and deliver such Securities.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Issuer to authenticate the Securities. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Security Registrar, Paying Agent or agent for service of notices and demands.

Section 3.03. *Security Registrar and Paying Agent*. Securities and of their transfer and exchange (the register maintained in the office of the Security Registrar and in any other office or agency designated pursuant to Section 9.02 being herein sometimes referred to as the "**Security Register**"). The Issuer may have one or more co-registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agent.

The Issuer shall enter into an appropriate agency agreement with any Security Registrar, Paying Agent or co-registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Security Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 6.07.

The Issuer initially appoints the Trustee as Security Registrar and Paying Agent in connection with the Securities.

Section 3.04. *Paying Agent to Hold Money in Trust*. Prior to each due date of the principal and interest on any Security, the Issuer shall deposit with the Paying Agent a sum sufficient to pay such principal and interest when so becoming due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of or interest on the Securities and shall notify the Trustee of any default by the Issuer in making any such payment. If the Issuer or a Wholly-Owned Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section, the Paying Agent shall have no further liability for the money delivered to the Trustee.

Section 3.05. *Holders Lists*. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Security Registrar, upon a written request by the Trustee, the Issuer shall furnish to the Trustee, in writing at least five Business Days before each Interest Payment Date and at such other times as the Trustee may reasonably request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

Section 3.06. *Replacement Securities*. If a mutilated Security is surrendered to the Security Registrar or if the Holder of a Security claims that such Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the UCC are met and the Holder satisfies any other reasonable requirements of the Trustee. Such Holder shall furnish an indemnity bond sufficient in the judgment of the Issuer to protect the Issuer and in the judgement of the Trustee to protect the Trustee, the Paying Agent, the Security Registrar and any co-registrar from any loss which any of them may suffer if a Security is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Security.

Every replacement Security is an additional obligation of the Issuer.

Section 3.07. *Temporary Securities*. Until Definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Securities and deliver them in exchange for temporary Securities.

Section 3.08. *Cancellation*. The Issuer at any time may deliver Securities to the Trustee for cancellation. The Security Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel and dispose of in accordance with its customary procedures (subject to the record retention requirements of the Exchange Act) all Securities surrendered for registration of transfer, exchange, payment or cancellation. The Issuer may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation.

Section 3.09. *Defaulted Amounts*. If the Issuer defaults in a payment of interest on the Securities, the Issuer shall pay the defaulted interest (plus interest on such defaulted interest to the extent lawful) in any lawful manner at the rate provided in Section 9.01 hereof. The Issuer may pay the defaulted interest to the persons who are Holders on a subsequent special record date. The Issuer shall notify the Trustee of any defaulted interest payment and fix or cause to be fixed any such special record date for the payment to the reasonable satisfaction of the Trustee and shall deliver to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

Section 3.10. *CUSIP Numbers*. The Issuer in issuing the Securities may use "**CUSIP**" numbers (if then generally in use) and, if so, the Trustee shall use "**CUSIP**" numbers in notices of redemption as a convenience to Holders; *provided*, *however*, that neither the Issuer nor the Trustee shall have any responsibility for any defect in the "**CUSIP**" number that appears on any Security, check, advice of payment or redemption notice, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "**CUSIP**" number(s).

ARTICLE 4
SATISFACTION AND DISCHARGE

Section 4.01. *Satisfaction and Discharge of Indenture*. This Indenture shall cease to be of further effect (subject to Section 11.06 and except as to surviving rights of registration of transfer, transfer, exchange and replacement of Securities expressly provided for herein or pursuant hereto), the Liens, if any, on the Collateral securing the Securities and the Note Guarantees shall be released and the Trustee, at the request and expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture and release of such Liens, in each case, when

(a) either

(i) all Outstanding Securities have been delivered to the Trustee for cancellation; or

(ii) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable within one year, or

(C) are to be called for redemption within one year under irrevocable arrangements satisfactory to the Trustee in its reasonable discretion for the giving of notice of redemption by the Trustee in the name and at the expense of the Issuer, and the Issuer, in the case of (A), (B) or (C) above, has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Securities not theretofore delivered to the Trustee for cancellation, for principal of (and premium, if any, on), and interest on, the Securities to Maturity or the Redemption Date, as the case may be;

(b) the Issuer has paid or caused to be paid all other sums payable by the Issuer hereunder; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations under Sections 6.07 and 6.09 and, if money shall have been deposited with the Trustee pursuant to clause (a)(ii) of this Section 4.01, the obligations of the Trustee under Section 4.02 and the last paragraph of Section 9.03 shall survive such satisfaction and discharge.

Section 4.02. *Application of Trust Money.* Subject to the provisions of the last paragraph of Section 9.03, all money deposited with the Trustee pursuant to Section 4.01 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

ARTICLE 5
REMEDIES

Section 5.01. *Events of Default*. "**Event of Default**" wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) failure to pay principal of (or premium, if any, on) any Security when due; or

(b) failure to pay any interest on any Security when due, continued for 30 days; or

(c) default in the payment of principal of (and premium, if any) and interest on Securities required to be purchased pursuant to an Offer to Purchase pursuant to Section 9.07 when due and payable; or

(d) failure to perform or comply with the provisions of Article 7; or

(e) failure to perform any covenant or agreement of Level 3 Parent, the Issuer or any Subsidiary in this Indenture or in any Security (other than a covenant a default in whose performance is elsewhere in this Section specifically dealt with) continued for 90 days after written notice to the Issuer by the Trustee or Holders of at least 30% in aggregate principal amount of the Outstanding Securities, which notice shall specify the default and state that such notice is a "**Notice of Default**" hereunder; or

(f) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or failing to be paid at its scheduled maturity; provided, that this clause (f) shall not apply to any secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness if (x) such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness and (y) repayments are made as required by the terms of the respective Indebtedness; or

(g) the failure by Level 3 Parent, the Issuer or any Significant Subsidiary to pay one or more final judgments aggregating in excess of $75,000,000, which judgments are not discharged or effectively waived or stayed for a period of 45 consecutive days, or any action shall be legally taken by a judgment creditor to attach or levy upon assets or properties of Level 3 Parent, the Issuer or any Significant Subsidiary to enforce any such judgment; or

(h) any Note Guarantee of Level 3 Parent, Level 3 Communications or any other Guarantor that is a Significant Subsidiary, ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee) or Level 3 Parent, Level 3 Communications or any other Guarantor that is a Significant Subsidiary denies or disaffirms in writing its obligations under its Note Guarantee; or

(i) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of Level 3 Parent, the Issuer or any of the Significant Subsidiaries, or of a substantial part of the property or assets of Level 3 Parent, the Issuer or any Significant Subsidiary, under the Bankruptcy Code, or any other federal, state or foreign bankruptcy, insolvency, receivership or any other Debtor Relief Law, (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner, liquidator or similar official for Level 3 Parent, the Issuer or any of the Significant Subsidiaries or for a substantial part of the property or assets of Level 3 Parent, the Issuer or any of the Significant Subsidiaries or (iii) the winding-up, liquidation, reorganization, dissolution, compromise, arrangement or other relief of Level 3 Parent, the Issuer or any Significant Subsidiary (except in a transaction permitted hereunder); and such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered; or

(j) Level 3 Parent, the Issuer or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking relief under the Bankruptcy Code, as now constituted or hereafter amended, or any other federal, state or foreign bankruptcy, insolvency, receivership or any other Debtor Relief Law, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in clause (i) above, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner, liquidator or similar official for Level 3 Parent, the Issuer or any of the Significant Subsidiaries or for a substantial part of the property or assets of Level 3 Parent, the Issuer or any Significant Subsidiary, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) become unable or fail generally to pay its debts as they become due; or

(k) any security interest purported to be created by any Collateral Document and to extend to assets that constitute a material portion of the Collateral shall cease to be, or shall be asserted in writing by the Issuer or any Guarantor not to be, a valid and perfected security interest (perfected as or having the priority required by this Indenture or the relevant Collateral Document and subject to such limitations and restrictions as are set forth herein and therein) in the securities, assets or properties covered thereby, except to the extent that any such loss of perfection or priority results from the limitations of foreign laws, rules and regulations as they apply to pledges of Equity Interests in Foreign Subsidiaries or the application thereof, or from failure of the Collateral Agent (or any agent acting as gratuitous bailee thereof) to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Agreement (so long as such failure does not result from the breach or non-compliance with the Note Documents by the Issuer or any Guarantor).

Any notice of default, notice of acceleration or instruction to the Trustee to provide a notice of default, notice of acceleration or take any other action (a "**Noteholder Direction**") provided by any one or more holders of the Securities (each a "**Directing Holder**") shall be accompanied by a written representation from each such holder delivered to the Issuer and the Trustee that such holder is not (or, in the case such holder is the Depository or its nominee, that such holder is being instructed solely by beneficial owners that have represented to such holder that they are not) Net Short (a "**Position Representation**"), which representation, in the case of a Noteholder Direction relating to the delivery of a notice of default shall be deemed a continuing representation until the resulting Event of Default is cured or otherwise ceases to exist or the Securities are accelerated. In addition, each Directing Holder shall be deemed, at the time of providing a Noteholder Direction, to covenant to provide the Issuer with such other information as the Issuer may reasonably request from time to time in order to verify the accuracy of such noteholder's Position Representation within five (5) Business Days of request therefor (a "**Verification Covenant**"). In any case in which the holder is the Depository or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Securities in lieu of the Depository or its nominee and the Depository shall be entitled to conclusively rely on such Position Representation and Verification Covenant

in delivering its direction to the Trustee. In no event shall the Trustee have any liability or obligation to ascertain, monitor or inquire as to whether any holder is Net Short and/or whether such holder has delivered any Position Representation, Verification Covenant, Noteholder Direction, or any related certifications under this Indenture or in connection with the Securities or if any such Position Representation, Verification Covenant, Noteholder Direction, or any related certifications comply with this Indenture, the Securities, or any other document. It is understood and agreed that the Issuer and the Trustee shall be entitled to conclusively rely on each representation, deemed representation and certification made by, and covenant of, each beneficial owner provided for in this paragraph. Notwithstanding any other provision of this Indenture, the Securities or any other document, the provisions of this paragraph shall apply and survive with respect to each beneficial owner notwithstanding that any such person may have ceased to be a beneficial owner, this Indenture may have been terminated or the Securities may have been redeemed in full.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Securities, the Issuer determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee an Officers' Certificate stating that the Issuer has initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any default, Event of Default or acceleration (or notice thereof) that resulted from the applicable Noteholder Direction, the cure period with respect to such default shall be automatically stayed and the cure period with respect to such default or Event of Default shall be automatically reinstituted and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter if, without the participation of such holder, the percentage of Securities held by the remaining holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Securities, the Issuer provides to the Trustee an Officers' Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such default or Event of Default shall be automatically stayed and the cure period with respect to any default or Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstituted and any remedy stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such holder's participation in such Noteholder Direction being disregarded; and, if, without the participation of such holder, the percentage of Securities held by the remaining holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio (other than any indemnity such Directing Holder may have offered the Trustee), with the effect that such default or Event of Default shall be deemed never to have occurred, acceleration voided and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such default or Event of Default.

Notwithstanding anything in the preceding two paragraphs to the contrary, any Noteholder Direction delivered to the Trustee during the pendency of an Event of Default as the result of a bankruptcy or similar proceeding shall not require compliance with the foregoing paragraphs (except for any rights or protections of the Trustee).

For the avoidance of doubt, the Trustee shall be entitled to conclusively rely on any Noteholder Direction, Position Representation, Verification Covenant or Officers' Certificate delivered to it in accordance with this Indenture, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, Noteholder Direction, Verification Covenant or Officers' Certificate, enforce compliance with any Verification Covenant, verify any statements in any Officers' Certificate, Position Representation, Noteholder Director or Verification Covenant delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise. The Trustee shall have no liability to the Issuer, any holder or any other person in connection with any Noteholder Direction (or items delivered in connection with any Noteholder Direction) or to determine whether or not any holder has delivered any Position Representation, Verification Covenant, Noteholder Direction, or any related certification or that such Position Representation, Verification Covenant, Noteholder Direction, or any related certification is accurate or conforms with this Indenture or any other agreement.

The term "**Bankruptcy Law**" means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term "**Custodian**" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

Section 5.02. *Acceleration of Maturity; Rescission and Annulment.* If an Event of Default (other than an Event of Default specified in Section 5.01(i) or 5.01(j) with respect to Level 3 Parent or the Issuer) shall occur and be continuing, either the Trustee or the Holders of not less than 30% in aggregate principal amount of the Outstanding Securities may declare the principal amount of all the Securities to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders), and upon any such declaration such principal amount shall become immediately due and payable; *provided*, *further*, that a notice of default may not be given with respect to any action taken, and reported publicly or to holders and the Trustee, more than two years prior to such notice of default. At any time after a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article 5, the Holders of a majority in aggregate principal amount of the Outstanding Securities, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(a) the Issuer has paid or deposited with the Trustee a sum sufficient to pay

(i) all overdue interest on all Outstanding Securities,

(ii) all unpaid principal of (and premium, if any, on) any Outstanding Securities which has become due otherwise than by such declaration of acceleration, and interest on such unpaid principal at the rate borne by the Securities,

(iii) to the extent that payment of such interest is lawful, interest on overdue interest at the rate borne by the Securities, and

(iv) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(b) all Events of Default, other than the nonpayment of amounts of principal of (or premium, if any, on) Securities which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 5.03. *Collection of Indebtedness and Suits for Enforcement by Trustee.* The Issuer covenants that if:

(a) Default is made in the payment of any interest on any Security when due, continued for 30 days, or

(b) Default is made in the payment of the principal of (or premium, if any, on) any Security when due, the Issuer will, upon demand of the Trustee, pay to the Trustee for the benefit of the Holders of such Securities the whole amount then due and payable on such Securities for principal (and premium, if any) and interest, and interest on any overdue principal (and premium, if any) and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installment of interest, at the rate borne by the Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem necessary to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 5.04. *Trustee May File Proofs of Claim.* In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer or any other obligor upon the Securities (including Level 3 Parent and any other Guarantor) or the property of the Issuer or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal, premium, if any, or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(a) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee or Collateral Agent and their respective agents and counsel) and of the Holders allowed in such judicial proceeding, and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator or sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee or Collateral Agent and their respective agents and counsel, and any other amounts due the Trustee or Collateral Agent hereunder.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to, or accept or adopt on behalf of, any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 5.05. *Trustee May Enforce Claims Without Possession of Securities.* All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

Section 5.06. *Application of Money Collected.* Subject to the terms of the Multi-Lien Intercreditor Agreement, the Second Lien/Second Lien Intercreditor Agreement and the Collateral Agreement, any money collected by the Trustee pursuant to this Article 5 shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee (acting in any capacity hereunder) and/or the Collateral Agent (acting in any capacity hereunder);

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal (and premium, if any) and interest, respectively; and

THIRD: The balance, if any, to the Issuer or as a court of competent jurisdiction may direct.

Section 5.07. *Limitation on Suits.* No Holder of any Securities shall have any right to institute any proceeding with respect to this Indenture or for any other remedy hereunder, unless

(a) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;

(b) the Holders of not less than 30% in aggregate principal amount of the Outstanding Securities shall have made written request and offered indemnity satisfactory to the Trustee in its sole discretion to institute such proceeding and the Trustee shall have failed to institute such proceeding within 60 days; and

(c) the Trustee shall not have received from the Holders of a majority in aggregate principal amount of the Outstanding Securities a direction inconsistent with such request;

it being understood and intended that no one or more Holders shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders.

Section 5.08. *Unconditional Right of Holders to Receive Principal, Premium and Interest.* Notwithstanding any other provision in this Indenture, including Section 5.07, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment as provided herein (including, if applicable, Article 11) and in such Security of the principal of (and premium, if any) and interest on such Security on the respective Stated Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 5.09. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 5.10. *Rights and Remedies Cumulative.* Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee, Collateral Agent or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11. *Delay or Omission Not Waiver.* Except as otherwise provided in the proviso of the first paragraph of Section 5.02, no delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 5 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.12. *Control by Holders.* The Holders of a majority in aggregate principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee; *provided* that

(a) such direction shall not be in conflict with any rule of law or with this Indenture, any Intercreditor Agreement or the Collateral Agreement,

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction, and

(c) the Trustee need not take any action which might involve it in personal liability or be unjustly prejudicial to the Holders not consenting.

Section 5.13. *Waiver of Past Defaults.* The Holders of not less than a majority in principal amount of the Outstanding Securities may, on behalf of the Holders of all the Securities, waive any past Default hereunder and its consequences, except a Default

(a) in the payment of the principal of (or premium, if any) or interest on any Security, or

(b) in respect of a covenant or provision hereof which under Article 8 cannot be modified or amended without the consent of the Holder of each Outstanding Security affected, or

(c) in respect of the covenant contained in Section 9.15, which under Article 8 cannot be modified or amended without the consent of the Holders of two-thirds in principal amount of the Outstanding Securities.

The Issuer and Level 3 Parent shall deliver to the Trustee an Officers' Certificate stating that the requisite Holders of a majority in principal amount of the Outstanding Securities have consented to such waiver and attaching such consents upon which, subject to Section 1.04, the Trustee may conclusively rely. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

Section 5.14. *Waiver of Stay or Extension Laws.* The Issuer and each Guarantor covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer and each Guarantor (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.15. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorney's fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 5.15 does not apply to a suit by the Trustee or a suit by Holders of more than 10% in principal amount of the then Outstanding Securities.

ARTICLE 6
THE TRUSTEE

Section 6.01. *Certain Duties and Responsibilities*. (a) Except during the continuance of an Event of Default,

(i) the Trustee undertakes to perform such duties and only such duties as are specifically and expressly set forth in this Indenture and the Trustee shall not be liable except for the performance of such duties, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).

(b) In case an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has actual knowledge, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that

(i) this paragraph (c) shall not be construed to limit the effect of paragraph (a) of this Section 6.01;

(ii) the Trustee shall not be liable for any action taken, or errors of judgment made, in good faith by it or any of its officers, employees or agents, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it in its sole discretion against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.01.

Section 6.02. *Notice of Default.* If a Default occurs and is continuing, the Trustee shall transmit, electronically or by first class mail to each Holder at the address set forth in the Security Register, notice of such Default within 90 days after written notice of it is received by a Responsible Officer of the Trustee; *provided*, *however*, that, except in the case of a Default in the payment of the principal of (or premium, if any) or interest on any Security, the Trustee shall be protected in withholding such notice if and so long as a trust committee of directors or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the Holders.

The Trustee is not required to take notice or deemed to have notice of any Default or Event of Default with respect to the Securities unless a Responsible Officer of the Trustee has actual knowledge of the Default or Event of Default or a Responsible Officer shall have received written notice at its Corporate Trust Office (which notice shall reference the Securities, the Issuer and this Indenture) of such Default or Event of Default from the Issuer or any Holder.

Section 6.03. *Certain Rights of Trustee.* Subject to Section 6.01:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties, not only as to due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained therein;

(b) any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee may require and rely upon an Officers' Certificate or an Opinion of Counsel or both and the Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel;

(d) the Trustee may consult with counsel or other professionals of its selection and the advice of such counsel or other professionals retained or consulted by the Trustee or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee may act through counsel, agents, custodians and nominees and shall not be responsible for the acts or omissions of or the misconduct or negligence of any such person appointed with due care and in good faith;

(f) the permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable for other than its gross negligence or willful misconduct;

(g) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it in its sole discretion against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(h) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the expense of the Issuer and shall incur no liability of any kind by reason of such inquiry or investigation;

(i) the Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(j) the rights, privileges, protections, indemnities, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other person employed to act hereunder, including without limitation, the Collateral Agent;

(k) the Trustee may request that Level 3 Parent or the Issuer deliver an Officers' Certificate in substantially the form of Exhibit A hereto setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded;

(l) in no event shall the Trustee be responsible or liable for special, punitive, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action; and

(m) the Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has received written notice of any event which is in fact such a default at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

Section 6.04. *Trustee Not Responsible for Recitals or Issuance of Securities.* The recitals contained herein and in the Securities, except for the Trustee's certificates of authentication, shall be taken as the statements of Level 3 Parent or the Issuer, as applicable, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Securities and perform its obligations hereunder. The Trustee shall not be accountable for the use or application by the Issuer of Securities or the proceeds thereof.

Section 6.05. *May Hold Securities.* The Trustee, any Paying Agent, any Security Registrar or any other agent of Level 3 Parent, the Issuer or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities, and may otherwise deal with Level 3 Parent and the Issuer with the same rights it would have if it were not any Trustee, Paying Agent, Security Registrar or such other agent. However, the Trustee must comply with Section 6.08.

Section 6.06. *Money Held in Trust.* Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Issuer.

Section 6.07. *Compensation and Reimbursement.* The Issuer agrees:

(a) to pay to the Trustee (in any capacity hereunder) and the Collateral Agent from time to time such compensation as shall be agreed in writing between the Issuer and the Trustee and/or the Collateral Agent for all services rendered by each of the Trustee and Collateral Agent hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, to reimburse the Trustee or Collateral Agent upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee or Collateral Agent in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of their respective agents and counsel for each), except any such expense, disbursement or advance as shall be determined to have been caused by the Trustee or Collateral Agent's own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, non-appealable order); and

(c) to fully indemnify each of the Trustee (in any capacity hereunder) and Collateral Agent and any predecessor trustee and their respective directors, officers, employees and agents for, and to hold them harmless against, any and all loss, liability, damage, claim or expense including Taxes (other than Taxes based on the income of the Trustee) incurred without gross negligence or willful misconduct on the part of any of them, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself or themselves against any claim (whether asserted by the Issuer, a Guarantor, a Holder or any other person) or liability in connection with the exercise or performance of any of its or their powers or duties hereunder, including the enforcement of any of its rights hereunder.

The obligations of the Issuer hereunder to compensate the Trustee and Collateral Agent, to pay or reimburse the Trustee and Collateral Agent for expenses, disbursements and advances and to indemnify and hold harmless the Trustee and Collateral Agent shall constitute additional indebtedness hereunder. As security for the performance of such obligations of the Issuer, the Trustee and Collateral Agent shall have a claim prior to the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of principal of (and premium, if any, on) or interest on particular Securities.

When the Trustee and Collateral Agent incur expenses or render services in connection with an Event of Default specified in Section 5.01(i) or 5.01(j), the expenses (including the reasonable charges and expenses of their agents and counsel) of and the compensation for such services are intended to constitute expenses of administration under any applicable federal, state or foreign bankruptcy, insolvency or other similar law.

The provisions of this Article 6 shall survive the termination of this Indenture or the earlier resignation or removal of the Trustee.

Section 6.08. *Corporate Trustee Required; Eligibility; Conflicting Interests*. (a) There shall be at all times a Trustee hereunder which shall have a combined capital and surplus of at least $50,000,000. If such person publishes reports of condition at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then, for the purposes of this Section 6.08, the combined capital and surplus of such person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time a Responsible Officer of the Trustee shall have actual knowledge that the Trustee ceases to be eligible in accordance with the provisions of this Section 6.08, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

(b) The Trustee shall be permitted to engage in transactions with Level 3 Parent or its Subsidiaries; *provided*, *however*, that if the Trustee acquires any conflicting interest, the Trustee must (i) eliminate such conflict within 90 days of acquiring such conflicting interest, (ii) apply to the Commission for permission to continue acting as Trustee or (iii) resign.

Section 6.09. *Resignation and Removal; Appointment of Successor*. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article 6 shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 6.10 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by Act of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities, delivered to the Trustee and to the Issuer. If the instrument of acceptance by a successor Trustee required by Section 6.10 shall not have been delivered to the Trustee within 30 days after the giving of such notice of removal, the Trustee designated for removal may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.08 and shall fail to resign after written request therefor by the Issuer or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(ii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (i) the Issuer, by a Board Resolution (or by a resolution of a duly authorized committee of the Board of Directors of the Issuer), may remove the Trustee or (ii) the Holders of at least 10% in aggregate principal amount of the then Outstanding Securities who have been bona fide Holders of a Security for at least six months may, on behalf of themselves and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Issuer, by a Board Resolution, shall promptly appoint a successor Trustee. If the Issuer does not promptly appoint a successor Trustee after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in aggregate principal amount of the Outstanding Securities delivered to the Issuer and the retiring Trustee. In either case, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner hereinafter provided, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to the Holders of Securities in the manner provided for in Section 1.06. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

(g) The retiring Trustee shall not be liable for any of the acts or omissions of any successor Trustee appointed hereunder.

Section 6.10. *Acceptance of Appointment by Successor.* Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Issuer or the successor Trustee, such retiring Trustee shall, upon payment of its charges hereunder, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article 6.

Section 6.11. *Merger, Conversion, Consolidation or Succession to Business.* Any person into which the Trustee may be merged or converted or with which it may be consolidated, or any person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any person succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; *provided* that such person shall be otherwise qualified and eligible under this Article 6, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion, consolidation or transfer of assets to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities. In case at that time any of the Securities shall not have been authenticated, any successor Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor Trustee. In all such cases such certificates shall have the full force and effect which this Indenture provides that the certificate of authentication of the Trustee shall have; *provided*, *however*, that the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Securities in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion, consolidation or transfer of assets.

(ii) to add to the covenants of Level 3 Parent, the Issuer or any of their respective Subsidiaries, for the benefit of the Holders, or to surrender any right or power conferred upon Level 3 Parent, the Issuer or any other Guarantor hereby; or

(iii) to add any additional Events of Default; or

(iv) to provide for uncertificated Securities in addition to or in place of certificated Securities; or

(v) to evidence and provide for the acceptance of appointment hereunder of a successor Trustee pursuant to the requirements of Section 6.10 or a successor Collateral Agent pursuant to the requirements of this Indenture; or

(vi) to secure the Securities; or

(vii) to comply with the Securities Act (including Regulation S promulgated thereunder); or

(viii) to add Note Guarantees or to release any Guarantors from Note Guarantees as provided by the terms of this Indenture; or

(ix) to (A) cure any ambiguity, mistake, omission, defect, inconsistency, or obvious error in the Note Documents, or (B) correct or supplement any provision herein which may be inconsistent with any other provision herein, or to add any other provision with respect to matters or questions arising under this Indenture; *provided* that, with respect to the foregoing clause (ix)(B), such actions shall not adversely affect the interests of the Holders in any material respect, or (C) to amend the legends on any Security to comply with U.S. federal income tax regulations; or

(x) to add additional assets as Collateral or to release any Collateral from the liens securing the Securities, in each case pursuant to the terms of this Indenture, the Collateral Documents and the Intercreditor Agreements, as and when permitted or required by this Indenture, the Collateral Documents or the Intercreditor Agreements; or

(xi) to effect any provision of this Indenture or to make changes to this Indenture to provide for the issuance of Additional Securities.

The intercreditor provisions of the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement may be amended, waived or otherwise modified from time to time with the consent of the parties thereto. In addition, the Issuer may, without the consent of any other party thereto, amend the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement to designate Indebtedness as "Second-Priority Obligations", or as any other Indebtedness subject to the terms and provisions of such agreement.

Section 8.02. *Supplemental Indentures With Consent of Holders.* With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities, by Act of such Holders delivered to the Issuer and the Trustee, the Issuer, the Guarantors and the Trustee may (a) enter into one or more indentures supplemental hereto and/or (b) amend, supplement or otherwise modify any other Note Document, in each case, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or such other Note Document or waiving or otherwise modifying in any manner the rights of the Holders hereunder or thereunder, including the waiver of certain past defaults under this Indenture pursuant to Section 5.13; *provided*, *however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security (or, in the case of clauses (iv) and (x) below, two-thirds in principal amount of the Outstanding Securities) affected thereby:

(i) change the Stated Maturity of the principal of, or any installment of interest on, any Security, or reduce the principal amount thereof or the interest thereon (including by amending any of the definitions relevant to the determination of the interest rate applicable to the Securities) that would be due and payable upon the Stated Maturity thereof, or change the place of payment where, or the coin or currency in which, any Security or any premium or interest thereon is payable, or impair the contractual right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof; or

(ii) reduce the percentage in principal amount of the Outstanding Securities, the consent of whose Holders is necessary for any such supplemental indenture or required for any waiver of compliance with Section 5.08 or Section 5.13; or

(iii) subordinate in right of payment the Securities or any Note Guarantee to any other Indebtedness; or

(iv) amend, modify or waive any term or provision of any Note Document to permit the issuance or incurrence of any Indebtedness (including any exchange of existing Indebtedness that results in another class of Indebtedness for borrowed money, but excluding, for the avoidance of doubt, any "debtor-in-possession" facility pursuant to Section 364 of the Bankruptcy Code (or similar financing under applicable law)) with respect to which the Liens on the Collateral securing the Obligations would be subordinated (any such other Indebtedness to which such Liens securing any of the Obligations are subordinated, "Senior Indebtedness"), unless each adversely affected Holder has been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the principal amount of Obligations that are adversely affected thereby held by each Holder) of the Senior Indebtedness on the same terms (other than bona fide backstop fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction; such fees and expenses, "Ancillary Fees") as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely affected Holder decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness; or

(v) [reserved]; or

(vi) reduce the premium payable upon the redemption of any Security or change the time at which any Security may be redeemed, as described in Appendix A or Exhibit 1 thereto; or

(vii) reduce the premium payable upon a Change of Control Triggering Event or, at any time after a Change of Control Triggering Event has occurred, change the time at which the Offer to Purchase relating thereto must be made or at which the Securities must be repurchased pursuant to such Offer to Purchase; or

(viii) make any change in any Note Guarantee of a Guarantor that is either a Significant Subsidiary or is a guarantor of any Other Notes then Outstanding that would adversely affect the interests of the Holders of the Securities in a manner inconsistent with any changes made in respect of the guarantee of the Other Notes; or

(ix) modify any provision of this Section 8.02 (except to increase any percentage set forth herein); or

(x) (A) modify or amend Section 9.15 or the definition of "Unrestricted Subsidiary", (B) make any change (whether by amendment, supplement or waiver) to any Collateral Document, any Intercreditor Agreement or the provisions in this Indenture dealing with the Collateral, the Collateral Documents or the Intercreditor Agreements that would, in each case, release all or substantially all of the Collateral from the Liens of the Collateral Documents (except as otherwise permitted by the terms of this Indenture, the Collateral Documents and the Intercreditor Agreements) or (C) make any change in any Note Guarantee of a Guarantor that is a Significant Subsidiary that would adversely affect the interests of the Holders of the Securities in any material respect.

It shall not be necessary for any Act of Holders under this Section 8.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Section 8.03. *Execution of Supplemental Indentures.* In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article 8 or the modifications thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent to the execution of such supplemental indenture have been fulfilled. The Trustee may, but shall not be obligated to, enter into any supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 8.04. *Effect of Supplemental Indentures.* Upon the execution of any supplemental indenture under this Article 8, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.05. *Reference in Securities to Supplemental Indentures.* Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article 8 may bear a notation in form approved by the Trustee and the Issuer as to any matter provided for in such supplemental indenture. If the Issuer and the Trustee shall so determine, new Securities so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

Section 8.06. *Notice of Supplemental Indentures.* Promptly after the execution by the Issuer, the Guarantors and the Trustee of any supplemental indenture pursuant to this Article 8, the Issuer shall give notice thereof to the Holders of each Outstanding Security affected, in the manner provided for in Section 1.06, setting forth in general terms the substance of such supplemental indenture.

ARTICLE 9
COVENANTS

Section 9.01. *Payment of Principal, Premium, if Any, and Interest*. The Issuer covenants and agrees for the benefit of the Holders that it shall duly and punctually pay the principal of (and premium, if any) and interest on the Securities in accordance with the terms of the Securities and this Indenture. An installment of principal of or interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds as of 11:00 A.M. New York City time money sufficient to pay all principal and interest then due and the Trustee or Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 9.02. *Maintenance of Office or Agency.* The Issuer shall maintain in the United States an office or agency where Securities may be presented or surrendered for payment, where Securities may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Issuer in respect of the Securities and this Indenture may be served, which shall not constitute service of process. An office of the Trustee, Wilmington Trust, National Association at 1100 North Market Street, Wilmington, Delaware 19890, shall be such office or agency of the Issuer, unless the Issuer shall designate and maintain some other office or agency for one or more of such purposes. The Issuer shall give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at such affiliate's office, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind any such designation; *provided*, *however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in the United States for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such other office or agency.

Section 9.03. *Money for Security Payments to Be Held in Trust*. If the Issuer shall at any time act as its own Paying Agent, it shall, on or before each due date of the principal of (or premium, if any) or interest on any of the Securities, segregate and hold in trust for the benefit of the persons entitled thereto a sum sufficient to pay the principal of (or premium, if any) or interest so becoming due until such sums shall be paid to such persons or otherwise disposed of as herein provided and shall promptly notify the Trustee of its action or failure so to act.

Whenever the Issuer shall have one or more Paying Agents for the Securities, it shall, on or before each due date of the principal of (or premium, if any) or interest on any Securities, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of such action or any failure so to act.

The Issuer shall cause each Paying Agent (other than the Trustee) to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 9.03, that such Paying Agent shall:

(a) hold all sums held by it for the payment of the principal of, premium, if any, or interest on Securities in trust for the benefit of the persons entitled thereto until such sums shall be paid to such persons or otherwise disposed of as herein provided;

(b) give the Trustee notice of any default by the Issuer (or any other obligor upon the Securities) in the making of any payment of principal, premium, if any, or interest;

(c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent; and

(d) indemnify the Trustee and its officers, directors, employees and agents against any loss, cost or liability caused by, or incurred as a result of, such Paying Agent's acts or omissions.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such sums.

Subject to any abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Security and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Issuer on Issuer Request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease; *provided*, *however*, that the Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense of the Issuer cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, the City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 9.04. *Existence.* Subject to Article 7, Level 3 Parent and the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect the existence, rights (charter and statutory) and franchises of Level 3 Parent, the Issuer and each Subsidiary; *provided*, *however*, that Level 3 Parent and the Issuer shall not be required to preserve, with respect to Level 3 Parent or the Issuer, respectively, any such right or franchise or, with respect to any such Subsidiary (subject to all the other covenants in this Indenture), any such existence, right or franchise, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of Level 3 Parent and its Subsidiaries taken as a whole or the Issuer and its Subsidiaries taken as a whole, respectively.

Section 9.05. *Reports.* So long as any Securities are outstanding (unless defeased in a legal defeasance), Level 3 Parent shall have its annual financial statements audited, and its interim financial statements reviewed, by a nationally recognized firm of independent accountants and shall furnish to the Trustee and the Holders of Securities, all quarterly and annual financial statements prepared in accordance with generally accepted accounting principles that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if Level 3 Parent was required to file those Forms (but in no event any other items required in such Forms), together with a corresponding "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by Level 3 Parent's certified independent accountant. Notwithstanding the foregoing, (a) such reports shall not be required to comply with any segment reporting requirements (whether pursuant to generally accepted accounting principles or Regulation S-X) in greater detail than is customarily provided in an offering memorandum prepared in connection with a Rule 144A offering, (b) such reports shall not be required to present beneficial ownership information and (c) such reports shall not be required to provide guarantor/non-guarantor financial data. Reports relating to delivery of annual financial statements shall be provided within 120 days after the end of each fiscal year, and reports relating to interim quarterly financial statements shall be provided within 60 days after the end of each of the first three fiscal quarters of each fiscal year. To the extent that Level 3 Parent does not file such information with the Commission, Level 3 Parent shall distribute such information and such reports (as well as the details regarding the conference call described below) electronically to the Trustee and by posting such information on a password-protected website (which may be non-public, require a confidentiality acknowledgment and be maintained by Level 3 Parent or its designee) to which access will be given to (i) any Holder of the Securities, (ii) to any beneficial owner of the Securities, who provides its e-mail address to Level 3 Parent or its designee and certifies that it is a beneficial owner of Securities, (iii) to any prospective investor who provides its e-mail address to Level 3 Parent or its designee and certifies that it is a QIB, or (iv) any securities analyst providing an analysis of investment in the Securities who provides its email address to Level 3 Parent and other information reasonably requested by Level 3 Parent and represents to the reasonable satisfaction of Level 3 Parent that (1) it is a bona fide securities analyst providing an analysis of investment in the Securities, (2) it will not use the information in violation of applicable securities laws or regulations, (3) it will keep such provided information confidential and will not communicate the information to any person, (4) it will not use such information in any manner intended to compete with the business of Level 3 Parent or the Lumen Credit Group and (5) neither it nor its Affiliates is a person that is principally engaged in a similar business or derives a significant portion of its revenues from operating or owning a similar business to that of Level 3 Parent or the Lumen Credit Group. Unless Level 3 Parent or Lumen is subject to the reporting requirements of the Exchange Act, Level 3 Parent shall also hold a quarterly conference call for the Holders of the Securities to review such financial information (which, for the avoidance of doubt, access may be limited to those who have access to the password-protected website and have provided a confidentiality acknowledgement). The conference call will not be later than five Business Days from the time that Level 3 Parent distributes the financial information as set forth above.

For so long as any of the Securities remain outstanding, Level 3 Parent shall furnish to the Holders of the Securities and to any prospective investor that certifies that it is a QIB, upon written request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

In the event that any direct or indirect parent of Level 3 Parent becomes a Guarantor or co-obligor of the Securities, Level 3 Parent may satisfy its obligations under this Section 9.05 with respect to financial information relating to Level 3 Parent by furnishing financial information relating to such parent; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent and any of its Subsidiaries other than Level 3 Parent and its Subsidiaries, on the one hand, and the information relating to Level 3 Parent and its Subsidiaries, on the other hand.

Notwithstanding the foregoing, Level 3 Parent shall be deemed to have furnished such financial statements and reports referred to above to the Trustee and the Holders if Level 3 Parent or any direct or indirect parent of Level 3 Parent has filed such reports with the Commission via the EDGAR filing system (or any successor thereto) and such reports are publicly available.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice or knowledge of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Trustee shall have no liability or responsibility for the filing, timeliness or content of such reports.

Section 9.06. *Statement by Officers as to Default*. (a) The Issuer shall deliver to the Trustee, on the date of delivery of each annual report to be delivered pursuant to Section 9.05 commencing with the annual report for the fiscal year ended December 31, 2024, a brief certificate from the principal executive officer, principal financial officer or principal accounting officer as to his or her knowledge of the Issuer's compliance during the period covered by such report with all conditions and covenants under this Indenture. If the signer has knowledge of any noncompliance that occurred during such period, the certificate shall describe its status and what action the Issuer has taken or is taking or proposes to take with respect thereto. For purposes of this Section 9.06(a), such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

(b) When (to the knowledge of the Issuer or any Subsidiary) any Default has occurred and is continuing under this Indenture, or if the trustee for or the holder of any other evidence of Indebtedness of the Issuer or any Subsidiary gives any notice or takes any other action with respect to a claimed default (other than with respect to Indebtedness in the principal amount of less than $275,000,000 or its foreign currency equivalent at the time), the Issuer shall, within 30 days of such occurrence, notice or other action, deliver to the Trustee electronically, by registered or certified mail or by facsimile transmission an Officers' Certificate specifying such event, notice or other action, its status and what action the Issuer is taking or proposes to take with respect thereto.

Section 9.07. *Change of Control Triggering Event*. (a) Upon the occurrence of a Change of Control Triggering Event, each Holder shall have the right to require that the Issuer repurchase such Holder's Securities in whole or in part in integral multiples of $1.00, in accordance with the procedures set forth in this Section 9.07 and this Indenture.

(b) Within 30 days following the occurrence of both a Change of Control and a Rating Decline with respect to the Securities within 30 days of each other (a "**Change of Control Triggering Event**"), the Issuer will be required to make an Offer to Purchase all Outstanding Securities at a price in cash equal to 101% of the principal amount of the Securities on the Purchase Date, plus accrued and unpaid interest (if any) to, but excluding, such Purchase Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date).

(c) The Issuer, the Trustee and/or any designated Paying Agent shall perform their respective obligations for the Offer to Purchase as specified in the Offer or as required hereunder. Prior to the Purchase Date, the Issuer shall (i) accept for payment Securities or portions thereof tendered pursuant to the Offer, (ii) irrevocably deposit with the applicable Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 9.03) money sufficient to pay the Purchase Price of all Securities or portions thereof so accepted (*provided* that such deposit may be made no later than 11:00 A.M. New York City time on the Purchase Date if the Issuer elects) and (iii) deliver or cause to be delivered to the Trustee all Securities so accepted together with an Officers' Certificate stating the Securities or portions thereof accepted for payment by the Issuer. The applicable Paying Agent shall promptly mail or deliver to Holders of Securities so accepted payment in an amount equal to the Purchase Price, and the Trustee shall authenticate and mail or deliver to such Holders a new Security or Securities equal in principal amount to any unpurchased portion of the Security surrendered as requested by the Holder. Any Security not accepted for payment shall be promptly mailed or delivered by the Issuer to the Holder thereof. In the event that the aggregate Purchase Price is less than the amount delivered by the Issuer to the applicable Paying Agent, the Paying Agent, shall deliver the excess to the Issuer immediately after the Purchase Date.

(d) A "**Change of Control**" means the occurrence of any of the following events:

(i) if any "**person**" or "**group**" (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act or any successor provisions to either of the foregoing), including any group acting for the purpose of acquiring, holding, voting or disposing of securities within the meaning of Rule 13d-5(b)(1) under the Exchange Act becomes the "**beneficial owner**" (as defined in Rule 13d-3 under the Exchange Act, except that a person will be deemed to have "**beneficial ownership**" of all shares that any such person has the right to acquire, whether such right is exercisable immediately or only after the passage of time), but excluding Lumen or any Wholly-Owned Subsidiary of Lumen, directly or indirectly, of 50% or more of the total voting power of the Voting Stock of Level 3 Parent; or

(ii) the sale, transfer, assignment, lease, conveyance or other disposition, directly or indirectly, of all or substantially all of the assets of Level 3 Parent and its Subsidiaries considered as a whole shall have occurred; or

(iii) the shareholders of Level 3 Parent or the Issuer shall have approved any plan of liquidation or dissolution of Level 3 Parent or the Issuer, respectively.

Notwithstanding the preceding or any provision of Rule 13d-3 or 13d-5 under the Exchange Act, (i) a person or group shall not be deemed to beneficially own Voting Stock (x) subject to a stock or asset purchase agreement, merger agreement, option agreement, warrant agreement or similar agreement (or voting or option or similar agreement related thereto) until the consummation of the acquisition of the Voting Stock in connection with the transactions contemplated by such agreement or (y) as a result of veto or approval rights in any joint venture agreement, shareholder agreement or other similar agreement and (ii) a person or group shall not be deemed to beneficially own the Voting Stock of another person as a result of its ownership of Voting Stock or other securities of such other person's parent entity (or related contractual rights) unless it owns more than 50% of the total voting power of the Voting Stock entitled to vote for the election of directors of such parent.

(e) The Issuer shall not be required to make an Offer to Purchase upon a Change of Control Triggering Event if a third party makes the Offer to Purchase in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to an Offer to Purchase made by the Issuer and purchases all Securities validly tendered and not withdrawn under such Offer to Purchase.

(f) In the event that the Issuer makes an Offer to Purchase the Securities, the Issuer shall comply with any applicable securities laws and regulations, including any applicable requirements of Section 14(e) of, and Rule 14e-1 under, the Exchange Act. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 9.07 by virtue thereof.

(g) Notwithstanding anything to the contrary herein, so long as (i) any of the Other Notes are outstanding, if a Change of Control Triggering Event (as defined in the applicable indenture) has occurred under any of the indentures governing such Other Notes or (ii) if any loans or commitments are outstanding under the Credit Agreements, if a Change of Control Triggering Event (as defined in each Credit Agreement, to the extent applicable) has occurred, a Change of Control Triggering Event with respect to the Securities shall also be deemed to have occurred.

Section 9.08. *Limitation on Indebtedness.* (a) The Issuer and Level 3 Parent will not, and will not permit any Subsidiary to, directly or indirectly, Incur any Indebtedness; *provided*, *however*, that (i) Permitted Consolidated Cash Flow Debt may be Incurred in an aggregate principal amount not to exceed 7.15 times Pro Forma LTM EBITDA; *provided*, that, if the Issuer's long-term secured debt rating is at the time rated either "B2" or less from Moody's or "B" or less from S&P, then Permitted Consolidated Cash Flow Debt shall not exceed an aggregate principal amount of 6.25 times Pro Forma LTM EBITDA and (ii) any Permitted Refinancing Indebtedness in respect thereof may be Incurred.

(b) Notwithstanding the foregoing limitation, the Issuer, Level 3 Parent or any Subsidiary may Incur any and all of the following (each of which shall be given independent effect):

(i) (x) Indebtedness, including Capitalized Lease Obligations (other than Indebtedness described in Section 9.08(b)(ii), (xii), (xx), (xxi), (xxix) and (xxxi) below) existing or committed on the Issue Date and (y) any Permitted Refinancing Indebtedness incurred to Refinance such Indebtedness;

(ii) (x) (A) Indebtedness existing pursuant to the New Credit Agreement on the Issue Date, plus (B) an aggregate principal amount of Indebtedness at any time outstanding not to exceed (I) $2,176,500,000 less (II) the sum of the aggregate outstanding principal amount of the 11.000% First Lien Notes due 2029 and all successive refinancings in respect thereof at such time, plus (C) other Indebtedness so long as immediately after giving effect to the incurrence thereof and the use of proceeds of the Indebtedness thereunder, the First Lien Leverage Ratio is not greater than (1) until and as of June 30, 2025, 4.000 to 1.000 and (2) at any time thereafter, 4.375 to 1.000, in each case tested on a Pro Forma Basis and assuming all such amounts are secured by a Lien on the Collateral on a first-priority basis (which, for the avoidance of doubt, will give effect to any Permitted Business Acquisition consummated concurrently therewith); provided that, unless the Issuer determines otherwise, Indebtedness shall be deemed to be incurred in reliance on clause (ii)(x)(C) to the maximum extent permitted hereunder prior to any incurrence in reliance on the foregoing clause (ii)(x)(B) and (y) any Permitted Refinancing Indebtedness incurred to Refinance such Indebtedness;

(iii) Indebtedness of the Issuer or any Subsidiary pursuant to Hedging Agreements entered into for non-speculative purposes;

(iv) Indebtedness owed to (including obligations in respect of letters of credit or bank guarantees or similar instruments for the benefit of) any person providing workers' compensation, health, disability or other employee benefits or property, casualty or liability insurance to the Issuer or any Subsidiary, pursuant to reimbursement or indemnification obligations to such person, in each case in the ordinary course of business or consistent with past practice or industry practices;

(v) subject to Section 9.20, Indebtedness of the Issuer to any Subsidiary and of any Subsidiary to the Issuer or any other Subsidiary (including any Loan Proceeds Note or Offering Proceeds Note); *provided*, that

(B) Indebtedness owed by the Issuer or any Guarantor to any Subsidiary that is not a Guarantor and Indebtedness of any Guarantor owing to the Issuer incurred pursuant to this clause (v) shall be subordinated in right of payment to the Obligations pursuant to the Subordinated Intercompany Note; and

(C) prior to the satisfaction of the Guarantee Permit Condition and the Collateral Permit Condition, any Indebtedness owed by Level 3 Communications or any Loan Proceeds Note Guarantor to any Subsidiary that is not a Guarantor shall be subordinated to the obligations in respect of the Loan Proceeds Note pursuant to the Subordinated Intercompany Note;

(vi) Indebtedness in respect of performance bonds, bid bonds, appeal bonds, surety bonds and completion guarantees and similar obligations, in each case provided in the ordinary course of business or consistent with past practice or industry practices, including those incurred to secure health, safety and environmental obligations in the ordinary course of business or consistent with past practice or industry practices;

(vii) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business or other cash management services, in each case incurred in the ordinary course of business;

(viii) (A) Indebtedness of a Subsidiary acquired after the Issue Date or a person merged or consolidated with the Issuer or any Subsidiary after the Issue Date and Indebtedness otherwise assumed by the Issuer or any Guarantor in connection with the acquisition of assets or Equity Interests (including a Permitted Business Acquisition), where such acquisition, merger, amalgamation or consolidation is not prohibited by this Indenture; provided, that

(1) Indebtedness acquired or assumed pursuant to this subclause (viii)(1) shall be in existence prior to the respective merger or acquisition of assets or Equity Interests (including a Permitted Business Acquisition) and shall not have been created in contemplation thereof or in connection therewith; and

(2) after giving effect to the acquisition or assumption of such Indebtedness, the Total Leverage Ratio shall not be greater than either (A) 6.375 to 1.000 or (B) the Total Leverage Ratio in effect immediately prior to the acquisition or assumption of such Indebtedness, in each case calculated on a Pro Forma Basis for the then most recently ended Test Period; and

This Indenture does not treat (x) unsecured Indebtedness as subordinated or junior in right of payment to secured Indebtedness merely because it is unsecured or (y) senior Indebtedness as subordinated or junior in right of payment to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral.

If the foregoing obligation to grant a Lien on any property or assets to secure the Securities or a Note Guarantee arises due to the grant of a Lien (an "**Initial Lien**") on such property or assets to secure First Lien Obligations, Second Lien Obligations or Junior Lien Obligations, then the Lien on such property or assets to secure the Securities or a Note Guarantee shall be automatically released and discharged upon the release and discharge of the Initial Lien at such time as the Initial Lien is released, which release and discharge in the case of any sale of any such property or asset shall not affect any Lien that the Trustee or the Collateral Agent may have on the proceeds from such sale.

(c) Notwithstanding the foregoing, the Issuer and the Guarantors shall not be deemed to have failed to comply with paragraph (b) of this Section 9.10 if, on the applicable date, Level 3 Parent and each Subsidiary that has granted any Lien on any property or assets to secure the Credit Agreement Obligations and may grant a Lien on such property or assets as security for the Securities or the applicable Note Guarantee without regulatory approval, grants a Second Lien upon such property or assets as security for the Securities or the applicable Note Guarantee such that the property or assets subject to such Lien becomes Collateral subject to the Second Lien and, thereafter, until such date as the Collateral subject to the Second Lien includes all property and assets in respect of which a Lien has been granted to secure the Credit Agreement, Level 3 Parent, the Issuer and any applicable Subsidiary (i) endeavor in good faith using commercially reasonable efforts to obtain all material (as determined in good faith by the General Counsel of Level 3 Parent) authorizations and consents of federal and state Governmental Authorities required in order for any such property or assets to secure the Securities at the earliest practicable date after the Issue Date and, following receipt of such authorizations and consents (together with any required authorizations and consents required for the Subsidiary owning such Collateral to provide a Note Guarantee), grants a Second Lien upon such property or assets as security for the Securities or the applicable Note Guarantee such that the property or assets subject to such Lien becomes Collateral subject to the Second Lien promptly thereafter and (ii) comply with paragraph (b) of this Section 9.10 with respect to any Lien attaching to property or assets

subsequent to such date. For purposes of this paragraph (c), the requirement that Level 3 Parent, the Issuer or any Subsidiary use "commercially reasonable efforts" shall not be deemed to require it to make material payments in excess of normal fees and costs to or at the direction of Governmental Authorities or to change the manner in which it conducts its business in any respect that the management of Level 3 Parent shall determine in good faith to be adverse or materially burdensome. Upon the reasonable request of Level 3 Parent or the Issuer, the Trustee will use reasonable efforts to cooperate with Level 3 Parent, the Issuer and any Subsidiary as necessary to enable them to comply with their obligations under this paragraph (c).

(d) For purposes of determining compliance with this Section 9.10, (x) a Lien securing an item of Indebtedness need not be permitted solely by reference to one category of permitted Liens (or any portion thereof) described in Section 9.10(a)(i) through (xli) but may be permitted in part under any combination thereof and (y) in the event that a Lien securing an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of permitted Liens (or any portion thereof) described in Section 9.10(a)(i) through (xli), the Issuer may, in its sole discretion, classify or divide such Lien securing such item of Indebtedness (or any portion thereof) in any manner that complies with this Section 9.10 (including, in the case of Lien incurred on the same day, electing the order in which such Lien shall be deemed incurred for purposes of computing the available amount under any category) and will be entitled to only include the amount and type of such Lien or such item of Indebtedness secured by such Lien (or any portion thereof) in one of the above clauses and such Lien securing such item of Indebtedness (or portion thereof) will be treated as being incurred or existing pursuant to only such clause or clauses (or any portion thereof).

ARTICLE 10
REDEMPTION OF SECURITIES

Section 10.01. *Right of Redemption.*

(a) The Securities will be subject to redemption at the option of the Issuer, in whole or in part, at any time or from time to time, upon not less than 10 nor more than 60 days' prior notice to each Holder of Securities.

(b) *Optional Redemption*. At any time prior to March 22, 2025, the Securities may be redeemed, in whole or from time to time in part, at a Redemption Price equal to the sum of (A) 100.0% of the principal amount of the Securities redeemed, plus (B) the Make-Whole Premium as of the date of the redemption, plus (C) accrued and unpaid interest, if any thereon, to, but excluding, the date of the redemption (subject to the right of Holders of Record on the relevant record date to receive interest due on the relevant Interest Payment Date).

At any time on or after March 22, 2025, the Securities may be redeemed, in whole or from time to time in part, at the Redemption Prices (expressed as percentages of principal amount of the Securities to be redeemed) set forth in the table below, plus accrued and unpaid interest, if any, thereon to, but excluding, the Redemption Date (subject to the right of Holders of Record on the relevant record date to receive interest due on the relevant Interest Payment Date), during the twelve-month period beginning on March 22 of each of the years indicated below:

Year	Percentage
2025	101.875%
2026	100.938%
2027	100.000%

Any redemption described above or notice thereof may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. If any redemption is so subject to the satisfaction of one or more conditions precedent, the notice thereof shall describe each such condition and, if applicable, shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and any notice with respect to such redemption may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed or such notice or offer may be rescinded at any time in the Issuer's discretion if the Issuer reasonably believes that any or all of such conditions will not be satisfied or waived.

Section 10.02. *Applicability of Article.* This Article 10 shall govern any redemption of the Securities pursuant to Section 10.01.

Section 10.03. *Election to Redeem; Notice to Trustee.* The election of the Issuer to redeem any Securities pursuant to Section 10.01 shall be evidenced by a Board Resolution of the Issuer delivered to the Trustee. The Issuer shall notify the Trustee of such Redemption Date and of the principal amount of Securities to be redeemed no less than 10 days (unless a shorter notice shall be satisfactory to the Trustee) prior to the delivery to the Holders of a notice of such redemption and shall deliver to the Trustee such documentation and records as shall enable the Trustee to select the Securities to be redeemed pursuant to Section 10.04. Such notice shall be accompanied by an Officers' Certificate and an Opinion of Counsel from the Issuer to the effect that such redemption will comply with the conditions herein.

Section 10.04. *Selection by Trustee of Securities to Be Redeemed.* If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Securities not previously called for redemption, on a pro rata basis, by lot or by such other method as the Trustee shall deem appropriate and which may provide for the selection for redemption of portions of the principal of Securities and, in the case of Securities represented by a Global Security held by the Depository, in accordance with Depository procedures; *provided*, *however*, that no such partial redemption shall reduce the portion of the principal amount of a Security not redeemed to less than the minimum denomination of $1.00.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Security which has been or is to be redeemed.

Section 10.05. *Notice of Redemption.* Notice of redemption shall be given in the manner provided for in Section 1.06 not less than 10 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed; *provided* that in the case of Securities held through the Depository by Depository participants, such notice will be submitted via the Depository's electronic messaging system.

Each notice of redemption shall identify the Securities (including "**CUSIP**" number(s) and the statement from Section 3.10) to be redeemed and shall state:

(a) the Redemption Date,

(b) the Redemption Price and the amount of accrued interest to, but not including, the Redemption Date payable as provided in Section 10.07, if any,

(c) if relevant, any conditions to such redemption and the information required with respect thereto pursuant to Section 5 on the reverse of the form of Security,

(d) if less than all Outstanding Securities are to be redeemed, the identification (and, in the case of a partial redemption, the principal amounts) of the particular Securities to be redeemed,

(e) in case any Security is to be redeemed in part only, that on and after the Redemption Date, upon surrender of such Security, the Holder will receive, without charge, a new Security or Securities of authorized denominations for the principal amount thereof remaining unredeemed,

(f) that on the Redemption Date the Redemption Price (and unpaid and accrued interest, if any, to, but not including, the Redemption Date payable as provided in Section 10.07) will become due and payable upon each such Security, or the portion thereof, to be redeemed, and that, unless the Issuer defaults in making such redemption payment or the Trustee or the Paying Agent is prohibited from making such payment, interest thereon will cease to accrue on and after said date, and

(g) the place or places where such Securities are to be presented and surrendered for payment of the Redemption Price and accrued interest, if any.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer; *provided*, *however*, in the latter case the Issuer shall give the Trustee at least 10 days prior notice (or such shorter notice as the Trustee may permit) of the date of the giving of the notice.

Section 10.06. *Deposit of Redemption Price.* On or prior to any Redemption Date (and if on any Redemption Date, before 11:00 A.M. New York City time, on such date), the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 9.03) an amount of money sufficient to pay the Redemption Price of, and unpaid and accrued interest (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date) on, all the Securities which are to be redeemed on that date.

Section 10.07. *Securities Payable on Redemption Date.* Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified (together with unpaid and accrued interest, if any, to, but not including, the Redemption Date), and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest or the Trustee or the Paying Agent shall be prohibited from making such payment) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer at the Redemption Price, together with unpaid and accrued interest, if any, to, but not including, the Redemption Date; *provided*, *however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant record dates according to their terms.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Securities.

If the Issuer has given notice of redemption as provided in this Indenture and made available funds for the redemption of the Securities (or any portion thereof) called for redemption on or prior to the Redemption Date referred to in such notice, those Securities will cease to bear interest on or after that Redemption Date and the only right of the Holders of those Securities will be to receive payment of the Redemption Price, together with any accrued and unpaid interest.

Section 10.08. *Securities Redeemed in Part.* Any Security held in physical form which is to be redeemed only in part shall be surrendered at the office or agency of the Issuer maintained for such purpose pursuant to Section 9.02 (with, if the Issuer and the Trustee so require, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new physical Security or Securities, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

ARTICLE 11
DEFEASANCE AND COVENANT DEFEASANCE

Section 11.01. *Issuer's Option to Effect Defeasance or Covenant Defeasance.* The Issuer may, at its option by Board Resolution of the Issuer, at any time, with respect to the Securities, elect to have either Section 11.02 or Section 11.03 be applied to all Outstanding Securities upon compliance with the conditions set forth below in this Article 11.

Section 11.02. *Defeasance and Discharge.* Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.02, the Issuer and the Guarantors shall be deemed to have been discharged from their obligations with respect to all Outstanding Securities on the date the conditions set forth in Section 11.04 are satisfied (hereinafter, "**defeasance**"). For this purpose, such defeasance means that the Issuer shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities, which shall thereafter be deemed to be "Outstanding" only for the purposes of Section 11.05 and the other Sections of this Indenture referred to in clauses (a) and (b) below, and to have satisfied all their other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the Issuer's obligations with respect to such Securities under Section 2.3 of Appendix A and Sections 3.03, 3.06, 3.07, 9.02 and 9.03 and the Issuer's rights under Section 10.01, (b) rights of Holders to receive payment of principal of, premium, if any, and interest on such Securities (but not the Purchase Price referred to under Section 9.07) and any rights of the Holders with respect to such amounts, (c) the rights, obligations and immunities of the Trustee under this Indenture and (d) this Article 11. Subject to compliance with this Article 11, the Issuer may exercise its option under this Section 11.02 notwithstanding the prior exercise of its option under Section 11.03 with respect to the Securities. If the Issuer exercises its option under this Section 11.02, (v) each Guarantor, if any, shall be released from all its obligations under its Note Guarantee, (w) the Loan Proceeds Note may be prepaid in whole or in part, (x) no entity shall be obligated to guarantee the Loan Proceeds Note, (y) the Loan Proceeds Note may be canceled and (z) all obligations to provide Loan Proceeds Note Guarantees shall terminate and all references in this Indenture to Loan Proceeds Note Guarantees and Loan Proceeds Note Guarantees shall be disregarded and not be deemed to be requirements to take or omit to take any action by Level 3 Parent or any Subsidiary. Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.02, all Liens on the Collateral securing the Indebtedness evidenced by the Securities shall be released and the Collateral Documents shall cease to be of further effect.

Section 11.03. *Covenant Defeasance.* Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.03, the Issuer and each Guarantor shall be released from their obligations under any covenant contained in Sections 7.01(a)(ii), 7.03(a)(ii)(B)(3), (4) and (5), in Sections 7.04, 7.06, 9.05 and 9.18, Sections 9.07 through 9.22 and Section 12.01 and from the operation of Sections 5.01(f), (g), (h), (i), (j) and (k) (but, in the case of Sections 5.01(i) and (j), with respect only to Significant Subsidiaries) and from Section 9.22, with respect to the Outstanding Securities on and after the date the conditions set forth below are satisfied (hereinafter, "**covenant defeasance**"), and the Securities shall thereafter be deemed not to be "Outstanding" for the purposes of any direction, waiver, consent, declaration or other Act of Holders (and the consequences of any thereof) in connection with such provisions, but shall

continue to be deemed "Outstanding" for all other purposes hereunder. For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such provision, whether directly or indirectly, by reason of any reference elsewhere herein to any such provision or by reason of any reference in any such provision to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 5.01(c), (d), (e), (f), (g), (h), (i), (j) or (k) (but, in the case of Section 5.01(i) or (j), with respect only to Significant Subsidiaries) but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby. If the Issuer exercises its option under this Section 11.03, (v) each Guarantor shall be released from all its obligations under its Note Guarantee, (w) the Loan Proceeds Note may be prepaid in whole or in part, (x) no entity shall be obligated to guarantee the Loan Proceeds Note, (y) the Loan Proceeds Note may be canceled and (z) all obligations to provide Loan Proceeds Note Guarantees shall terminate and all references in this Indenture to Loan Proceeds Note Guarantees and Loan Proceeds Note Guarantees shall be disregarded and not be deemed to be requirements to take or omit to take any action by Level 3 Parent or any Subsidiary. Upon the Issuer's exercise under Section 11.01 of the option applicable to this Section 11.03, all Liens on the Collateral securing the Indebtedness evidenced by the Securities shall be released and the Collateral Documents shall cease to be of further effect.

Section 11.04. *Conditions to Defeasance or Covenant Defeasance.* The following shall be the conditions to application of either Section 11.02 or Section 11.03 to the Outstanding Securities:

(a) The Issuer shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 6.08 who shall agree to comply with the provisions of this Article 11 applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Securities, at any time prior to the Stated Maturity of the Securities: (i) money in an amount, or (ii) Government Securities which through the payment of interest and principal will provide, not later than one day before the due date of payment in respect of the Securities, money in an amount, or (iii) a combination thereof, sufficient, in the opinion of a certified public accountant (selected by the Issuer or Level 3 Parent in its sole discretion) expressed in a written certification delivered to the Trustee, to pay and discharge the principal of (and premium, if any, on) and interest on, the Outstanding Securities on the Stated Maturity (or Redemption Date, if applicable) of such principal (and premium, if any) or installment of interest; *provided* that the Trustee (or such other trustee) shall have been irrevocably instructed in writing to apply such money or the proceeds of such Government Securities to said payments with respect to the Securities. Before such a deposit, the Issuer may give to the Trustee, in accordance with Section 10.03, a notice of their election to redeem all of the Outstanding Securities at a future date in accordance with Article 10, which notice shall be irrevocable. Such irrevocable redemption notice, if given, shall be given effect in applying the foregoing.

(b) No Default or Event of Default with respect to the Securities shall have occurred and be continuing on the date of such deposit or, insofar as Section 5.01(i) and Section 5.01(j) are concerned with respect to Level 3 Parent and the Issuer, at any time during the period ending on the 123rd day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period).

(c) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Issuer or any Guarantor is a party or by which it is bound.

(d) In the case of an election under Section 11.02, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the Holders of the Outstanding Securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such defeasance and will be subject to U.S. federal income Tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred.

(e) In the case of an election under Section 11.03, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of the Outstanding Securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. federal income Tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred.

(f) The Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to either the defeasance under Section 11.02 or the covenant defeasance under Section 11.03 (as the case may be) have been complied with.

Section 11.05. *Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.* Subject to the provisions of the last paragraph of Section 9.03 and any governing law, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 11.05, the "**Trustee**") pursuant to Section 11.04 in respect of the Outstanding Securities shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law or to the extent the Issuer or Level 3 Parent acts as the Issuer's Paying Agent.

The Issuer shall pay and indemnify the Trustee and (if applicable) its officers, directors, employees and agents against any Tax, fee or other charge imposed on or assessed against the Government Securities deposited pursuant to Section 11.04 or the principal and interest received in respect thereof other than any such Tax, fee or other charge which by law is for the account of the Holders of the Outstanding Securities.

Anything in this Article 11 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the Issuer's Request any money or Government Securities held by it as provided in Section 11.04 which, in the opinion of a certified public accountant (selected by the Issuer or Level 3 Parent in its sole discretion) expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent defeasance or covenant defeasance, as applicable, in accordance with this Article 11.

Section 11.06. *Reinstatement.* If the Trustee or any Paying Agent is unable to apply any money in accordance with Section 4.01 or 11.05 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and each Guarantor's obligations under the Note Documents shall be revived and reinstated as though no deposit had occurred pursuant to Section 4.01, 11.02 or 11.03, as the case may be, until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance therewith; *provided*, *however*, that if the Issuer or any Guarantor makes any payment of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Issuer or such Guarantor shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 12
NOTE GUARANTEES

Section 12.01. *Guarantees*. Each Guarantor hereby unconditionally guarantees, jointly and severally, to each Holder and to the Trustee and Collateral Agent and its successors and assigns (a) the full and punctual payment of principal of (and premium, if any) and interest on the Securities when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, and all other monetary obligations of the Issuer under the Note Documents and (b) the full and punctual performance within applicable grace periods of all other obligations of the Issuer under the Note Documents (all the foregoing being hereinafter collectively called the "**Obligations**"). Each Guarantor further agrees that the Obligations may be extended or renewed, in whole or in part, without notice or further assent from such Guarantor, and that such Guarantor will remain bound under this Article 12 notwithstanding any extension or renewal of any Obligation.

Each Guarantor waives presentation to, demand of, payment from and protest to the Issuer of any of the Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Securities or the Obligations. The obligations of each Guarantor hereunder shall not be affected by (a) the failure of any Holder or the Trustee and Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuer or any other person under this Indenture, the Securities or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (d) the release of any security held by any Holder or the Trustee and Collateral Agent for the Obligations of any of them; (e) the failure of any Holder or the Trustee and Collateral Agent to exercise any right or remedy against any other guarantor of the Obligations; or (f) any change in the ownership of such Guarantor.

Each Guarantor further agrees that its Note Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee and Collateral Agent to any security held for payment of the Obligations.

Except as expressly set forth in Sections 7.05, 7.06, 9.14, 11.02, 11.03, 12.03 and 12.08, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantee of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any terms thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of such Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Each Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of (or premium, if any) or interest on any Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of (or premium, if any) or interest on any Obligation when and as the same shall become due, whether at Stated Maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Obligation, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid amount of such Obligations, (ii) accrued and unpaid interest on such Obligations (but only to the extent not prohibited by law) and (iii) all other monetary Obligations of the Issuer to the Holders and the Trustee.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in respect of any Obligations guaranteed hereby until payment in full in cash of all Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 5 for the purposes of such Guarantor's Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Obligations as provided in Article 5, such Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 12.01.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee and Collateral Agent or any Holder in enforcing any rights under this Section 12.01.

The Issuer shall cause each of its direct or indirect Subsidiaries that is not an Excluded Subsidiary and that guarantees or becomes a borrower under any First Lien Obligations to execute and deliver to the Trustee, within 30 days of such event (which such period will be automatically extended in 30 day increments so long as the Issuer uses commercially reasonable efforts), a supplemental indenture substantially in the form of Exhibit B hereto pursuant to which such Subsidiary will guarantee the Obligations. For the avoidance of doubt, no Excluded Subsidiary shall be required to guarantee the Obligations, become a party to the Collateral Agreement or any other Collateral Document or create Liens on its assets to secure the Obligations.

Notwithstanding anything to the contrary contained herein (but subject to the following paragraph), if a person is required to become a Guarantor pursuant to this Indenture, none of the Issuer or any Subsidiary shall be required to submit any application or filing or otherwise take any action to obtain any authorization or consent of any federal or state Governmental Authority required in order to cause such person to become a Guarantor (and the requirement to provide such a Guarantee shall be tolled), in each case, to the extent an authorization or consent of such federal or state Governmental Authority is determined by Lumen, Level 3 Parent or the Issuer to be sought in respect of any Material Transaction or any financing relating thereto and has not yet been obtained; *provided* that (i) such person is not submitting any application or filing or otherwise taking any action to obtain any authorization or consent of any federal or state Governmental Authority required in order to cause such person to Guarantee any First Lien Obligation, any Second Lien Obligation (other than the Securities) or any Junior Lien Obligations and (ii) at the time such federal or state Governmental Authority has approved such Material Transaction, the application, filing or other action to obtain any such authorization or consent of any federal or state Governmental Authority required in order to cause any person to become a Guarantor shall promptly be made.

Section 12.02. *Contribution*. Each of the Issuer and any Guarantor (a "**Contributing Party**") agrees that, in the event a payment shall be made by any other Guarantor under any Note Guarantee (the "**Claiming Guarantor**"), the Contributing Party shall indemnify the Claiming Guarantor in an amount equal to the amount of such payment multiplied by a fraction, the numerator of which shall be the net worth of the Contributing Party on the Issue Date and the denominator of which shall be the aggregate net worth of the Issuer and all the Guarantors on the Issue Date (or, in the case of any Guarantor becoming a party hereto pursuant to Section 8.01, the date of the supplemental indenture executed and delivered by such Guarantor).

Section 12.03. *Release of Guarantees*. The Note Guarantee of a Guarantor that is a Subsidiary shall be automatically and unconditionally released:

(a) upon consummation of any transaction permitted hereunder if (x) resulting in such Guarantor ceasing to constitute a Subsidiary (including because such Subsidiary is designated an "Unrestricted Subsidiary") or (y) in the case of any Guarantor that would not be required to be a Guarantor because it is, or has become, an Excluded Subsidiary as a result of a transaction

following which it has become (or remains) a Subsidiary of the Issuer or a Guarantor, and upon notice to the Trustee (which failure to deliver such notice shall not effect the release without delivery of any instrument or any action by any party); *provided* that, any release pursuant to preceding clause (y) shall only be effective if:

(A) no Event of Default under Section 5.01(a), (b), (i) or (j) has occurred and is continuing or would result therefrom,

(B) at the time of such release (and after giving effect thereto), all outstanding Indebtedness of such Subsidiary would then be permitted to be made in accordance with the relevant provisions of Section 9.08 (for this purpose, with the Issuer being required to reclassify any such items made in reliance upon the respective Subsidiary being a Guarantor on another basis as would be permitted by such applicable Section) (and all items described above in this clause (B) shall thereafter be deemed recharacterized as provided above in this clause (B)),

(C) such Subsidiary shall not be (or shall be simultaneously released as) a guarantor (if applicable) with respect to the any First Lien Notes, Other First Lien Debt, Second Lien Notes, Other Second Lien Debt, Permitted Consolidated Cash Flow Debt, Existing Unsecured Notes, Subordinated Indebtedness, any other Indebtedness secured by a Second Lien or by a Junior Lien or any Permitted Refinancing Indebtedness (and successive Permitted Refinancing Indebtedness) with respect to the foregoing; and

(D) the transaction resulting in such release is a legitimate business transaction and not for a "liability management transaction" as reasonably determined by the Issuer;

(b) [reserved],

(c) [reserved],

(d) if such Guarantor is (or immediately after being released from its Note Guarantee of the Securities will be) released from its Guarantee of all First Lien Obligations, Second Lien Obligations and Junior Lien Obligations except any such release by or as a result of payment of such Guarantee and such Guarantor is not a guarantor under any of the Other Notes and is not otherwise required to Guarantee the Securities under this Indenture in accordance with Section 12.01,

(e) if the Issuer exercises the legal defeasance option or covenant defeasance option or effects a satisfaction and discharge of this Indenture, in each case in accordance with Article 11, or

(f) if such Guarantee was originally Incurred to permit such Guarantor to Incur or guarantee Indebtedness not otherwise permitted pursuant to Section 9.08 or Section 9.10 and the Indebtedness so Incurred or guaranteed (and any permitted refinancing Indebtedness thereof) has been repaid or discharged (*provided* that, after giving effect to such release, such Guarantor does not have any outstanding Indebtedness or guarantee that would violate Section 9.08 or Section 9.10 if such outstanding Indebtedness or guarantee would have been Incurred following the release of such Note Guarantee and such Guarantor is not a guarantor under any First Lien Obligation or Second Lien Obligation (other than the Securities)).

Upon any occurrence giving rise to a release of a Guarantee as specified above, the Trustee, upon receipt of an Officers' Certificate from the Issuer and an Opinion of Counsel each stating that all conditions precedent to such release have been satisfied, shall execute any documents reasonably required by the Issuer in order to evidence or effect such release, discharge and termination in respect of such Guarantee. None of the Issuer, any Guarantor or the Trustee will be required to make a notation on the Securities to reflect any Guarantee or any such release, termination or discharge.

Section 12.04. *Successors and Assigns***.** This Article 12 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and Collateral Agent and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee and Collateral Agent, the rights and privileges conferred upon that party in this Indenture and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 12.05. *No Waiver*. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 12 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and Collateral Agent and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 12 at law, in equity, by statute or otherwise.

Section 12.06. *Modification*. No modification, amendment or waiver of any provision of this Article 12, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee and Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 12.07. *Execution of Supplemental Indenture for Future Guarantors*.

(a) Each Subsidiary which is required to become a Guarantor pursuant to any Section of this Indenture shall promptly execute and deliver to the Trustee a supplemental indenture in the form of Exhibit B hereto pursuant to which such Subsidiary shall become a Guarantor under this Article 12 and shall guarantee the Obligations. Concurrently with the execution and delivery of any such supplemental indenture by Level 3 Communications, Level 3 Communications shall deliver to the Trustee an Opinion of Counsel to the effect that such supplemental indenture has been duly authorized, executed and delivered by Level 3 Communications and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Note Guarantee of Level 3 Communications is a legal, valid and binding obligation of Level 3 Communications, enforceable against Level 3 Communications in accordance with its terms. Each person then a Guarantor authorizes the Issuer to enter into such a supplemental indenture on its behalf.

Section 12.08. *Limitation on Guarantor Liability*. Each Guarantor and, by its acceptance of a Security, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to its Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 12, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

ARTICLE 13
COLLATERAL AND SECURITY

Section 13.01. *Collateral*. (a) The due and punctual payment of the Obligations, including payment of the principal of, premium on, if any, and interest on, the Securities when and as the same shall be due and payable, whether on an Interest Payment Date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest on the Securities, according to the terms hereunder or thereunder, and all other obligations of the Collateral Guarantors to the Holders or the Trustee or the Collateral Agent under the Note Documents are secured as provided in the Collateral Documents which the Collateral Guarantors have entered into simultaneously with the execution of this Indenture and will be secured as provided by the Collateral Documents hereafter delivered as required by this Indenture, which define the terms of the Liens that secure the Obligations, subject to the terms of the Intercreditor Agreements. The Trustee and the Issuer hereby acknowledge and agree that the Collateral Agent has a security interest in the Collateral for the benefit of the Holders, the Trustee and itself, in each case pursuant and subject to the terms of the Collateral Documents. The Issuer and the Guarantors shall make all filings (including filings of continuation statements and amendments to Uniform Commercial Code financing statements that may be necessary to continue the effectiveness of such Uniform Commercial Code financing statements and filings with the United States Patent and Trademark Office and the United States Copyright Office of notices of grant of security interest in Intellectual Property) and take all other actions, in each case as are required by the Collateral Documents, to create, maintain, perfect, record, continue, enforce or protect (at the sole cost and expense of the Issuer and the Guarantors) the security interests created by the Collateral Documents in the Collateral (subject to the terms of the Intercreditor Agreements and the Collateral Documents) as a perfected security interest and within the time frames set forth therein subject to permitted Liens and the priority required by the Intercreditor Agreement and the other Collateral Documents.

(b) Each Holder, by its acceptance of a Securities, (i) consents and agrees to the terms of each Collateral Document (including, without limitation, the provisions providing for possession, use, release and foreclosure of Collateral), the Second Lien/ Second Lien Intercreditor Agreement, the Multi-Lien Intercreditor Agreement, any Permitted Junior Intercreditor Agreement and any other Intercreditor Agreement as originally in effect and as amended, supplemented or replaced from time to time in accordance with its terms or the terms of this Indenture and agrees that it will not contest or support any other person in contesting, in any proceeding (including any insolvency or liquidation proceeding), the perfection, priority, validity or enforceability of a Lien held by or on behalf of any other holder of Second Lien Obligations in all or any part of the Collateral, (ii) authorizes the Collateral Agent to act on its behalf as "collateral agent" under this Indenture and the Collateral Documents, (iii) authorizes the Issuer to appoint the Collateral Agent to act on behalf of the Secured Parties as the Collateral Agent under this Indenture and the Collateral Documents, (iv) authorizes and directs the Collateral Agent to enter into the Collateral Documents to which it is or becomes a party, the Second Lien/Second Lien Intercreditor Agreement, the Multi-Lien Intercreditor Agreement, any Permitted Junior Intercreditor Agreement and any other Intercreditor Agreement and to perform its obligations and exercise its rights and powers thereunder in accordance therewith, (v) authorizes and empowers the Collateral Agent to bind the Holders and other holders of Second Lien Obligations and Junior Lien Obligations as set forth in the Collateral Documents to which the Collateral Agent is a party and (vi) authorizes the Trustee to authorize the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms of the Collateral Documents and the Intercreditor Agreements, including for purposes of acquiring, holding, enforcing and foreclosing on any and all Liens on Collateral granted by any grantor thereunder to secure any of the Second Lien Obligations, together with such powers and discretion as are reasonably incidental thereto. Notwithstanding the foregoing, no such consent shall be deemed or construed to represent an amendment or waiver, in whole or in part, of any provision of this Indenture or the Securities. The foregoing will not limit the right of the Issuer or any Subsidiary to amend, waive or otherwise modify the Collateral Documents in accordance with their terms.

(c) Neither the Issuer nor any Guarantor will take or omit to take any action which would materially adversely affect or impair the validity or enforceability of the Liens in favor of the Collateral Agent on behalf of the Secured Parties with respect to the Collateral; *provided*, *however*, that the foregoing shall not be deemed to prohibit any action or inaction that is otherwise permitted by this Indenture or required by law.

(d) Subject to Article 6, neither the Trustee nor the Collateral Agent nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral, for the legality, validity, enforceability, effectiveness or sufficiency of the Collateral Documents, for the creation, perfection, priority, sufficiency or protection of any Lien securing Second Lien Obligations, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens securing Second Lien Obligations or the Collateral Documents or any delay in doing so.

(e) The Holders agree that the Collateral Agent shall be entitled to the rights, privileges, protections, immunities, indemnities and benefits provided to the Collateral Agent by this Indenture, the Intercreditor Agreements and the Collateral Documents. Furthermore, each Holder, by accepting a Security, consents to the terms of and authorizes and directs the Trustee (in each of its capacities) and the Collateral Agent to enter into and perform each of the Second Lien/Second Lien Intercreditor Agreement, the Multi-Lien Intercreditor Agreement, any Permitted Junior Intercreditor Agreement and any other Intercreditor Agreement and the Collateral Documents in each of its capacities thereunder.

(f) If the Issuer (i) Incurs Other Second Lien Debt Obligations at any time when no intercreditor agreement is in effect or at any time when Second Lien Obligations (other than the Securities) entitled to the benefit of the Second Lien/Second Lien Intercreditor Agreement are concurrently retired, and (ii) delivers to the Collateral Agent an Officers' Certificate so stating and requesting the Collateral Agent to enter into an intercreditor agreement (on substantially the same terms as the Second Lien/Second Lien Intercreditor Agreement) in favor of a designated agent or representative for the holders of the Other Second Lien Debt so Incurred, the Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement, bind the holders on the terms set forth therein and perform and observe its obligations thereunder.

(g) If the Issuer (i) Incurs Junior Lien Obligations at any time when no applicable intercreditor agreement is in effect or at any time when Indebtedness constituting Junior Lien Obligations entitled to the benefit of a Permitted Junior Intercreditor Agreement is concurrently retired, and (ii) delivers to the Collateral Agent and/or the Trustee, as applicable, an Officers' Certificate so stating and requesting the Collateral Agent and/or the Trustee, as applicable, to enter into a Permitted Junior Intercreditor Agreement in favor of a designated agent or representative for the holders of the Indebtedness constituting Junior Lien Obligations so Incurred, the Collateral Agent and/or the Trustee, as applicable, shall (and each is hereby authorized and directed to) enter into such intercreditor agreement bind the holders on the terms set forth therein and perform and observe its obligations thereunder.

(h) At all times when the Trustee is not itself the Collateral Agent, the Issuer will, upon request, deliver to the Trustee copies of all Collateral Documents delivered to the Collateral Agent and copies of all documents delivered to the Collateral Agent pursuant to this Indenture and the Collateral Documents.

Section 13.02. *New Collateral Guarantors*. (a) [reserved].

(b) Substantially concurrently with any Subsidiary becoming a Guarantor pursuant to Section 12.01, the Issuer shall cause all of such Subsidiary's assets (other than Excluded Property) to be subjected to a Lien securing the Obligations for the benefit of the Collateral Agent and thereafter shall take, or cause such Subsidiary to take, such actions as shall be necessary or reasonably requested by the Collateral Agent to grant and perfect or record such Lien, in each case to the extent contemplated by the Collateral Documents, all at the Issuer's expense; *provided* that the Collateral in any event shall exclude Excluded Property. Notwithstanding anything to the contrary herein, no Regulated Subsidiary shall guarantee the Securities or pledge Collateral to secure such Guarantee prior to the satisfaction of the Guarantee Permit Condition or Collateral Permit Condition, as applicable.

(c) Subject to the limitations set forth in the Collateral Documents and the Intercreditor Agreements, the Issuer and the Guarantors shall, at their expense, execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents, and take all such actions as the Collateral Agent may from time to time reasonably request, to assure, preserve, protect and perfect (and to maintain the perfection of) the security interest and the priority thereof in the Collateral for the benefit of the Holders and the Collateral Agent (including the payment of any fees and Taxes required in connection with the execution and delivery of the Collateral Documents, the granting of such security interests and the filing of any financing statements or other documents in connection therewith), in each case to the extent required by the Collateral Documents.

(d) Notwithstanding anything to the contrary in this Indenture or the Collateral Documents, and for the avoidance of doubt, neither the Issuer nor any Guarantor shall be obligated to grant a security interest in any asset that is not required to also be collateral securing any First Lien Obligations or Second Lien Obligations and, if so required, they shall not be required to perfect any such security interest unless and until they are required to do so in respect of such First Lien Obligations or Second Lien Obligations.

Section 13.03. *Collateral Agent*. (a) The Issuer hereby appoints Wilmington Trust, National Association, to act on behalf of the Secured Parties as the Collateral Agent under this Indenture and each of the Collateral Documents and Intercreditor Agreements and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Indenture and the Collateral Documents, and Wilmington Trust, National Association agrees to act as such. The provisions of this Section 13.03 are solely for the benefit of the Collateral Agent and neither the Trustee nor any of the Holders shall have any rights as a third party beneficiary of any of the provisions contained herein. Each Holder agrees that any action taken by the Collateral Agent in accordance with the provisions of this Indenture, the Intercreditor Agreement and the Collateral Documents, and the exercise by the Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture or the Collateral Documents, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth in this Indenture, the Collateral Documents to which it is party and in the Intercreditor Agreements. The Collateral Agent shall not be liable for any action taken or not taken by it in the absence of its own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, non-appealable order). The Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper person. The Collateral Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. The Collateral Agent may consult with legal counsel (who may be counsel for the Trustee), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

(b) Subject to the provisions of the Intercreditor Agreements and the Collateral Documents, the Trustee and the Collateral Agent are authorized and empowered to receive for the benefit of the Holders any funds collected or distributed under the Collateral Documents and Intercreditor Agreements to which the Collateral Agent or Trustee is a party and to make further distributions of such funds to Holders according to the provisions of this Indenture.

(c) Each Holder and other Secured Party hereby agrees that (A) it will be bound by and will take no actions contrary to the provisions of any such intercreditor agreement or other agreements or documents, (B) agrees that the Liens on the Collateral securing the Obligations shall be subject in all respects to the provisions thereof and (C) agrees that the Trustee and the Collateral Agent are authorized to take or refrain from taking any actions in accordance with the terms of an Intercreditor Agreement.

Without limiting the generality of the foregoing and subject to the Collateral Documents, the Collateral Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Collateral Documents or Intercreditor Agreement that the Collateral Agent is required to exercise;

(iii) shall not, except as expressly set forth in the Collateral Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Issuer or any of its Affiliates that is communicated to or obtained by the person serving as the Collateral Agent or any of its Affiliates in any capacity;

(iv) shall not be liable for any action taken or not taken by it (A) with the consent or at the request of the Trustee, (B) in the absence of its own gross negligence or willful misconduct or (C) in reliance on a certificate of an authorized officer of the Issuer stating that such action is permitted by the terms of the Intercreditor Agreement or any other Collateral Document. The Collateral Agent shall be deemed not to have actual knowledge of any Event of Default unless and until written notice describing such Event of Default is given by the Trustee or the Issuer and received by a Responsible Officer of the Collateral Agent;

(v) shall not be responsible for or have any duty to ascertain or inquire into (A) any statement, warranty or representation made in or in connection with any Collateral Document, (B) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (C) the performance or observance of any of the covenants, agreements or other terms or conditions set forth therein or the occurrence of any Event of Default, (D) the validity, enforceability, effectiveness or genuineness of any Collateral Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (E) the value or the sufficiency of any Collateral, or (F) the satisfaction of any condition set forth in any Collateral Document, other than to confirm receipt of items expressly required to be delivered to the Collateral Agent; and

(vi) shall not be responsible or liable for creating, preserving, perfecting or validating the security interest granted to the Collateral Agent for the benefit of the Secured Parties pursuant to the Collateral Documents or any lien and/or any filing, or recording or otherwise creating, perfecting, continuing or maintaining any lien or the perfection thereof.

By accepting the Securities, each Holder will be deemed to have irrevocably agreed to the foregoing provisions of the prior paragraph and shall be bound by those agreements to the fullest extent permitted by law.

(d) Subject to the provisions of the applicable Collateral Document, each Holder, by its acceptance of the Securities, agrees that the Collateral Agent shall execute and deliver the Collateral Documents to which it is a party and all agreements, power of attorney, documents and instruments incidental thereto, and act in accordance with the terms thereof. The Collateral Agent shall hold (directly or through any agent) and is directed by each Holder to so hold, and shall be entitled to enforce on behalf of the Holders on the Collateral for their benefit, subject to the provisions of the Intercreditor Agreement. Holders may not, individually or collectively, take any direct action to enforce any rights in their favor under the Collateral Documents. The Holders may only act by written instruction to the Trustee, subject to the terms hereof, which shall instruct the Collateral Agent.

(e) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article 5, the Trustee shall promptly turn the same over to the Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Collateral Agent such proceeds to be applied by the Collateral Agent pursuant to the terms of this Indenture and the Intercreditor Agreement.

Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Security.

(d) *Cancellation or Adjustment of Global Security*. At such time as all beneficial interests in a Global Security have been exchanged for Definitive Securities, redeemed, repurchased or canceled, such Global Security shall be returned by the Depository to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for Definitive Securities, redeemed, repurchased or canceled, the principal amount of Securities represented by such Global Security shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Security) with respect to such Global Security, by the Trustee or the Securities Custodian, to reflect such reduction.

(e) *Obligations with Respect to Transfers and Exchanges of Securities*.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Definitive Securities and Global Securities at the Security Registrar's or co-registrar's request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer Tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer Taxes, assessments or similar governmental charge payable upon exchange or transfer pursuant to Section 10.08 of the Indenture).

(iii) The Security Registrar or co-registrar shall not be required to register the transfer of or exchange of any Security for a period beginning 15 days before the delivery of a notice of redemption or an offer to repurchase Securities or 15 days before an Interest Payment Date.

(iv) Prior to the due presentation for registration of transfer of any Security, the Issuer, the Trustee, the Paying Agent, the Security Registrar or any co-registrar may deem and treat the person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuer, the Trustee, the Paying Agent, the Security Registrar or any co-registrar shall be affected by notice to the contrary.

(v) All Securities issued upon any transfer or exchange pursuant to the terms of the Indenture shall evidence the same debt and shall be entitled to the same benefits under the Indenture as the Securities surrendered upon such transfer or exchange.

(f) *No Obligation of the Trustee*.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Security, a member of, or a participant in the Depository or any other person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery to any participant, member, beneficial owner or other person (other than the Depository) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Securities. All notices and communications to be given to the Holders and all payments to be made to Holders under the Securities shall be given or made only to the registered Holders (which shall be the Depository or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee may conclusively rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under the Indenture or under applicable law with respect to any transfer of any interest in any Security (including any transfers between or among Depository participants, members or beneficial owners in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

2.4. *Definitive Securities*. (a) A Global Security deposited with the Depository or with the Trustee as Securities Custodian pursuant to Section 2.1 shall be transferred to the beneficial owners thereof in the form of Definitive Securities in an aggregate principal amount equal to the principal amount of such Global Security, in exchange for such Global Security, only if such transfer complies with Section 2.3 and (i) the Depository notifies the Issuer that it is unwilling or unable to continue as a Depository for such Global Security or if at any time the Depository ceases to be a "**clearing agency**" registered under the Exchange Act, and a successor Depository is not appointed by the Issuer within 90 days of such notice, or (ii) a Default or an Event of Default has occurred and is continuing or (iii) the Issuer, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of Definitive Securities under the Indenture.

(b) Any Global Security that is transferable to the beneficial owners thereof pursuant to this Section 2.4 shall be surrendered by the Depository to the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate principal amount of Definitive Securities of authorized denominations. Definitive Securities issued in exchange for any portion of a Global Security transferred pursuant to this Section shall be executed, authenticated and delivered only in denominations of $1.00 and any integral multiple thereof and registered in such names as the Depository shall direct. Any Definitive Security delivered in exchange for an interest in the Global Security shall, except as otherwise provided by Section 2.3(c), bear the restricted securities legend set forth in Exhibit 1 hereto.

(c) The registered Holder of a Global Security may grant proxies and otherwise authorize any person, including Agent Members and persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under the Indenture or the Securities.

(d) In the event of the occurrence of any of the events specified in Section 2.4(a)(i), (ii) or (iii), the Issuer will promptly make available to the Trustee a reasonable supply of Definitive Securities in definitive, fully registered form without interest coupons.

[FORM OF REVERSE SIDE OF SECURITY]

4.000% Second Lien Notes due 2031

Capitalized terms used and not otherwise defined herein shall have the meanings assigned to such terms in the Indenture referred to below.

1. *Interest*

LEVEL 3 FINANCING, INC., a Delaware corporation (such corporation, and its successors and assigns under the Indenture hereinafter referred to, being herein called the "**Issuer**"), promises to pay interest on the principal amount of this Security at the rate per annum shown above. The Issuer will pay interest semiannually on January 15 and July 15 of each year, commencing July 15, 2024, and on the maturity date. Interest on the Security will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from March 22, 2024. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. *Method of Payment*

The Issuer will pay interest on the Securities (except defaulted interest) to the persons who are registered Holders of Securities at the close of business on the January 1 or July 1 next preceding the Interest Payment Date even if Securities are canceled after the record date and on or before the Interest Payment Date. The Issuer will pay interest on the Securities on the maturity date to the persons entitled to the principal of the Securities. Holders must surrender Securities to a Paying Agent to collect principal payments. The Issuer will pay principal and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Securities represented by a Global Security (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company. The Issuer will make all payments in respect of a Definitive Security (including principal, premium and interest), by mailing a check to the registered address of each Holder thereof; *provided*, *however*, that, at the option of the Issuer, payments on the Securities may also be made, in the case of a Holder of at least $1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder requests payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. *Paying Agent and Security Registrar*

Initially, WILMINGTON TRUST, NATIONAL ASSOCIATION, a national banking association (the "**Trustee**"), will act as Paying Agent and Security Registrar. The Issuer may appoint and change any Paying Agent, Security Registrar or co-registrar without notice.

4. *Indenture*

The Issuer issued the Securities under an Indenture dated as of March 22, 2024 (as amended, modified or supplemented from time to time, the "**Indenture**") among the Issuer, Level 3 Parent, the other Guarantors party thereto, the Trustee and the Collateral Agent. The terms of the Securities include those stated in the Indenture. The Securities are subject to all such terms, and Holders are referred to the Indenture for a statement of those terms.

The Securities are unsubordinated secured obligations of the Issuer. [This Security is one of the Original Securities referred to in the Indenture issued in an aggregate principal amount of $452,500,000. The Securities include the Original Securities and any Additional Securities]. [This Security is one of the Additional Securities issued in addition to the Original Securities in an aggregate principal amount of $452,500,000 previously issued under the Indenture. The Original Securities and the Additional Securities are treated as a single class of securities under the Indenture.] The Indenture imposes certain limitations on the ability of Level 3 Parent, the Issuer and their respective Subsidiaries to, among other things, incur Indebtedness and create and incur Liens. The Indenture also imposes limitations on the ability of Level 3 Parent, the Issuer and their respective Subsidiaries to consolidate or merge with or into any other person or sell, transfer, assign, lease, convey or otherwise dispose of all or substantially all of the property of such entities.

To guarantee the due and punctual payment of the principal and interest on the Securities and all other amounts payable by the Issuer under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, Level 3 Parent has unconditionally guaranteed the Securities on an unsubordinated basis pursuant to the terms of the Indenture.

5. *Optional Redemption*

At any time prior to March 22, 2025, the Securities may be redeemed, in whole or from time to time in part, at a Redemption Price equal to the sum of (A) 100.0% of the principal amount of the Securities redeemed, plus (B) the Make-Whole Premium as of the date of the redemption, plus (C) accrued and unpaid interest, if any thereon, to, but excluding, the date of the redemption (subject to the right of Holders of Record on the relevant record date to receive interest due on the relevant Interest Payment Date).

At any time on or after March 22, 2025, the Securities may be redeemed, in whole or from time to time in part, at the Redemption Prices (expressed as percentages of principal amount of the Securities to be redeemed) set forth in the table below, plus accrued and unpaid interest, if any, thereon to, but excluding, the Redemption Date (subject to the right of Holders of Record on the relevant record date to receive interest due on the relevant Interest Payment Date), during the twelve-month period beginning on March 22 of each of the years indicated below:

Year	Percentage
2025	101.875%
2026	100.938%
2027	100.000%

Any redemption described above or notice thereof may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. If any redemption is so subject to the satisfaction of one or more conditions precedent, the notice thereof shall describe each such condition and, if applicable, shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and any notice with respect to such redemption may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed or such notice or offer may be rescinded at any time in the Issuer's discretion if the Issuer reasonably believes that any or all of such conditions will not be satisfied or waived.

Notwithstanding the foregoing, in connection with any tender offer for the Securities, including any offer to purchase Securities pursuant to Section 9.07 of the Indenture, if Holders of not less than 90% in aggregate principal amount of the outstanding Securities validly tender and do not withdraw such Securities in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all of the Securities validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 60 days following such purchase date, to redeem (with respect to the Issuer) or repurchase (with respect to a third-party) all Securities that remain outstanding following such purchase at a Redemption Price equal to the greater of (i) the highest price offered to any other Holder in such tender offer or other offer to purchase (which may be less than par and shall exclude any early tender premium or similar premium and any accrued and unpaid interest paid to any holder in such tender offer payment) and (ii) par, plus accrued and unpaid interest (if any) thereon, to, but excluding the date of redemption or Redemption Date, subject to the right of Holders of record of the Securities on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the date of redemption or Redemption Date.

6. *Sinking Fund*

The Securities are not subject to any sinking fund.

7. *Notice of Redemption*

Notice of redemption shall be given in the manner provided for in Section 1.06 of the Indenture not less than 10 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed; *provided* that in the case of Securities held through the Depository by Depository participants, such notice will be submitted via the Depository's electronic messaging system.

8. *Repurchase of Securities at the Option of Holders upon Change of Control Triggering Event*

Upon a Change of Control Triggering Event, any Holder of Securities will have the right, subject to certain exceptions and conditions specified in the Indenture, to require the Issuer to repurchase all or any part of the Securities of such Holder at a purchase price in cash equal to 101% of the principal amount of the Securities to be repurchased on the Purchase Date plus accrued and unpaid interest (if any) to, but excluding, such Purchase Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date) as provided in, and subject to the terms of, the Indenture.

9. *Denominations; Transfer; Exchange*

The Securities are in registered form without coupons in denominations of $1.00 and whole multiples of $1.00. A Holder may transfer or exchange Securities in accordance with the Indenture. Upon any transfer or exchange, the Security Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any Taxes and fees required by law or permitted by the Indenture. The Security Registrar or co-registrar need not register the transfer of or exchange of any Security for a period beginning 15 days before the delivery of a notice of redemption or an offer to repurchase Securities or 15 days before an Interest Payment Date.

10. *Persons Deemed Owners*

The registered Holder of this Security may be treated as the owner of it for all purposes.

11. *Unclaimed Money*

If money for the payment of principal, premium (if any), or interest remains unclaimed for two years, the Trustee or Paying Agent shall notify the Issuer and pay the money back to the Issuer at its written request after following specified procedures. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment.

12. *Discharge and Defeasance*

Subject to certain conditions, the Issuer at any time may terminate some of or all its obligations under the Securities and the Indenture if the Issuer deposits with the Trustee money and/or Government Securities for the payment of principal, premium (if any) and interest on the Securities to redemption or maturity, as the case may be.

13. *Amendment, Waiver*

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Securities may be amended without prior notice to any Holder but with the written consent of the Holders of at least a majority (or, with respect to certain covenants, the written consent of at least two-thirds) in aggregate principal amount of the Outstanding Securities and (ii) any default or noncompliance with any provision may be waived with the written consent of the Holders of at least a majority in principal amount of the Outstanding Securities. Subject to certain exceptions set forth in the Indenture, the Issuer, the Guarantors, the Trustee and the Collateral Agent may, at any time and from time to time, without notice to or consent of any Holders of Securities, (a) enter into one or more supplemental indentures and/or (b) amend, supplement or otherwise modify the Indenture or the Securities: (i) to evidence the succession of another person to the Issuer, Level 3 Parent or any other Guarantor and the assumption by such successor of the covenants of the Issuer, Level 3 Parent or such other Guarantor, respectively, in the Indenture, in the Securities, in the applicable Note Guarantee and in the applicable Collateral Documents, as applicable; (ii) to add to the covenants of Level 3 Parent, the Issuer or any of their respective Subsidiaries, for the benefit of the Holders, or to surrender any right or power conferred upon Level 3 Parent, the Issuer or any other Guarantor by the Indenture; (iii) to add any additional Events of Default; (iv) to provide for uncertificated Securities in addition to or in place of certificated Securities; (v) to evidence and provide for the acceptance of appointment under the Indenture of a successor Trustee or a successor Collateral Agent in each case pursuant to the requirements of the Indenture; (vi) to secure the Securities; (vii) to comply with the Securities Act (including Regulation S promulgated thereunder); (viii) to add Note Guarantees or to release any Guarantors from Note Guarantees as provided by the terms of the Indenture; (ix) to (a) cure any ambiguity, mistake, omission, defect, inconsistency, or obvious error in the Indenture, or (b) correct or supplement any provision in the Indenture which may be inconsistent with any other provision therein, or to add any other provision with respect to matters or questions arising under the Indenture; *provided* that, with respect to the foregoing clause (ix)(b), such actions shall not adversely affect the interests of the Holders in any material respect; (x) to add additional assets as Collateral or to release any Collateral from the liens securing the Securities, in each case pursuant to the terms of the Indenture, the Collateral Documents and the Intercreditor Agreements, as and when permitted or required by the Indenture, the Collateral Documents or the Intercreditor Agreements; or (xi) to effect any provision of the Indenture or to make changes to the Indenture to provide for the issuance of Additional Securities. The intercreditor provisions of the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement may be amended, waived or otherwise modified from time to time with the consent of the parties thereto. In addition, the Issuer may, without the consent of any other party thereto, amend the Collateral Documents, the Intercreditor Agreements and any other applicable intercreditor agreement to designate Indebtedness as "**Second-Priority Obligations**", or as any other Indebtedness subject to the terms and provisions of such agreement.

14. *Defaults and Remedies*

Subject to certain exceptions set forth in the Indenture, if an Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the Securities then outstanding, subject to certain limitations, may declare all the Securities to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Securities being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Securities may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Securities unless it receives indemnity or security satisfactory to it in its sole discretion. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Securities then outstanding may direct the Trustee in its exercise of any trust or power under the Indenture. Before a judgment or decree for payment of the money due has been obtained by the Trustee as provided in the Indenture, the Holders of a majority in aggregate principal amount of the Securities then outstanding, by written notice to the Issuer and the Trustee, may rescind any declaration of acceleration and its consequences if all existing Events of Default have been cured or waived except nonpayment of principal or premium (if any) that has become due solely because of the acceleration.

15. *Trustee Dealings with the Issuer*

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Issuer or its Affiliates and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee. However, the Trustee must comply with Section 6.08 of the Indenture.

16. *No Recourse Against Others*

A director, officer, employee, incorporator or stockholder, as such, of the Issuer or any Guarantor shall not have any liability for any obligations of the Issuer or any Guarantor under the Securities or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation, solely by reason of its status as a director, officer, employee, incorporator or stockholder of such person. By accepting a Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

17. *Authentication*

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

18. *Abbreviations*

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. *Governing Law*

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

20. *CUSIP Numbers*

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Securities and has directed the Trustee to use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

21. *Indenture Controls*

The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture for a statement of such terms and provisions. If and to the extent that any provision of the Securities limits, qualifies or conflicts with a provision of the Indenture, such provision of the Indenture shall control.

The Issuer will furnish to any Holder upon written request and without charge to the Holder a copy of the Indenture and Holders may request the Indenture at the following:

(B) consents and agrees that, immediately after the occurrence of the Amendment Agreement Effective Time and subject to the terms and conditions set forth herein and in the Superpriority Revolving/Term A Credit Agreement, such Consenting Party shall become a party to the Superpriority Revolving/Term A Credit Agreement as a "Revolving Facility Lender", a "Series A Revolving Facility Lender", a "Series B Revolving Facility Lender" and a "Lender" with respect to Series A Revolving Facility Commitments and Series B Revolving Facility Commitments under the Superpriority Revolving/Term A Credit Agreement in the amounts set forth on Schedule 2.01 to the Superpriority Revolving/Term A Credit Agreement attached hereto as Annex C;

(C) solely to the extent it is listed as having a Letter of Credit Commitment on Schedule 2.01 to the Superpriority Revolving/Term A Credit Agreement attached hereto as Annex C, consents and agrees that, immediately after the occurrence of the Amendment Agreement Effective Time and subject to the terms and conditions set forth in the Superpriority Revolving/Term A Credit Agreement, such Consenting Party shall become a party to the Superpriority Revolving/Term A Credit Agreement as an "Issuing Bank" with respect to the Letter of Credit Commitment under the Superpriority Revolving/Term A Credit Agreement in the amount set forth on Schedule 2.01 to the Superpriority Revolving/Term A Credit Agreement attached hereto as Annex C;

(D) solely to the extent it is currently an Issuing Bank under the Existing Credit Agreement, consents and agrees that, immediately after the occurrence of the Amendment Agreement Effective Time and subject to the terms and conditions set forth in the Superpriority Revolving/Term A Credit Agreement, each Letter of Credit (as defined in the Existing Credit Agreement) issued by such Consenting Party and which is outstanding under the Existing Credit Agreement immediately prior to the Amendment Agreement Effective Time shall be deemed to be, and designated as, a "Letter of Credit" and "Existing Letter of Credit" for all purposes under the Superpriority Revolving/Term A Credit Agreement;

(E) agrees that its executed signature page hereto will be appended to the Superpriority Revolving/Term A Credit Agreement and serve as its signature page thereto for all purposes under the Superpriority Revolving/Term A Credit Agreement; and

(F) consents and agrees that Bank of America, N.A., as administrative agent and collateral agent for the Superpriority Revolving/Term A Credit Agreement, is hereby authorized and directed to enter into the Superpriority Revolving/Term A Credit Agreement and any documents or agreements related or giving effect to the Superpriority Revolving/Term A Credit Agreement, including the First Lien/First Lien Intercreditor Agreement, the Multi-Lien Intercreditor Agreement and any other Loan Document (each of the foregoing as defined in the Superpriority Revolving/Term A Credit Agreement), and to take such further actions as are described in or contemplated by the Superpriority Revolving/Term A Credit Agreement.

(b) Treatment of Term A and Term A-1 Loans.

(i) Each Consenting Party that is a lender of Term A Loans and/or Term A-1 Loans under the Existing Credit Agreement immediately prior to the Amendment Agreement Effective Time (such Term A Loans and Term A-1 Loans of the Consenting Parties, the "Existing Term A Loans"), by delivering an executed signature page to this Amendment Agreement, hereby:

(A) consents and agrees to the Amendment Agreement and the transactions contemplated hereby;

(B) consents and agrees that, immediately after the occurrence of the Amendment Agreement Effective Time and subject to the terms and conditions set forth herein and in the Superpriority Revolving/Term A Credit Agreement, such Consenting Party's Existing Term A Loans shall be deemed to be repaid in full and such Consenting Party shall (x) receive an amount in cash equal to 66.7% of the aggregate principal amount of such Consenting Party's Existing Term A Loans, (y) receive an amount in cash equal to all accrued and unpaid interest and fees with respect to such Consenting Party's Existing Term A Loans and (z) become a party to the Superpriority Revolving/Term A Credit Agreement as a "Term A Lender" and a "Lender" with respect to Term A Loans under the Superpriority Revolving/Term A Credit Agreement in an aggregate principal amount equal to 33.3% of the aggregate principal amount of such Consenting Party's Existing Term A Loans;

(C) agrees that its executed signature page hereto will be appended to the Superpriority Revolving/Term A Credit Agreement and serve as its signature page thereto for all purposes under the Superpriority Revolving/Term A Credit Agreement; and

(D) consents and agrees that Bank of America, N.A., as administrative agent and collateral agent for the Superpriority Revolving/Term A Credit Agreement, is hereby authorized and directed to enter into the Superpriority Revolving/Term A Credit Agreement and any documents or agreements related or giving effect to the Superpriority Revolving/Term A Credit Agreement, including the First Lien/First Lien Intercreditor Agreement, the Multi-Lien Intercreditor Agreement and any other Loan Document (each of the foregoing as defined in the Superpriority Revolving/Term A Credit Agreement), and to take such further actions as are described in or contemplated by the Superpriority Revolving/Term A Credit Agreement.

(c) Term B Loans Transaction. Notwithstanding anything to the contrary in this Amendment Agreement, the Existing Credit Agreement or any other Loan Document, each of the Consenting Parties hereby acknowledges and agrees that the Borrower may consummate any transaction (the "Term B Loans Transaction") with respect to the Term B Loans outstanding under the Existing Credit Agreement that is not prohibited by the Existing Credit Agreement and that any such transaction will be consummated immediately after the Amendment Agreement Effective Time.

(d) Term B Loans Transaction Tax Treatment. The Loan Parties and the Consenting Parties (to the extent they are holders of Term B Loans under the Existing Credit Agreement) intend to treat, for U.S. federal income tax purposes, the Term B Loans Transaction as not causing a "significant modification" (within the meaning of Treasury Regulations Section 1.1001-3) for U.S. federal income tax purposes of any of the Term B Loans outstanding under the Existing Credit Agreement. The Loan Parties and the Consenting Parties (to the extent they are holders of Term B Loans under the Existing Credit Agreement) shall file all tax returns consistent with, and take no position inconsistent with, such treatment (whether in audits, tax returns or otherwise) except to the extent required pursuant to a "determination" within the meaning of Section 1313(a) of the Code.

(e) Superpriority Revolving/Term A Credit Agreement. Each Consenting Party hereby acknowledges and consents to the borrowing and/or incurrence of the loans and the establishment of the commitments under the Superpriority Revolving/Term A Credit Agreement and the other transactions contemplated by or occurring pursuant to the Superpriority Revolving/Term A Credit Agreement and the Loan Documents under and as defined in the Superpriority Revolving/Term A Credit Agreement (and any action or intermediate step necessary to effectuate the Superpriority Revolving/Term A Credit Agreement and such other transactions), whether consummated prior to, on or after the Amendment Agreement Effective Date, but which the Borrower intends to consummate immediately after the Amendment Agreement Effective Time.

(f) Superpriority Term B Credit Agreement. Each Consenting Party hereby acknowledges and consents to the borrowing and/or incurrence of the loans under the Superpriority Term B Credit Agreement and the other transactions contemplated by or occurring pursuant to the Superpriority Term B Credit Agreement and the Loan Documents under and as defined in the Superpriority Term B Credit Agreement (and any action or intermediate step necessary to effectuate the Superpriority Term B Credit Agreement and such other transactions), whether consummated prior to, on or after the Amendment Agreement Effective Date, but which the Borrower intends to consummate immediately after the Amendment Agreement Effective Time.

(g) Transactions. Notwithstanding anything to the contrary in this Amendment Agreement, the Existing Credit Agreement or any other Loan Document, each Consenting Party hereby acknowledges, ratifies and consents to the Transactions and such acknowledgement, ratification and consent is valid and in addition to, and not in limitation of, the other provisions of this Amendment Agreement and the amendments contemplated herein.

SECTION 6. [Reserved].

SECTION 7. Effectiveness. This Amendment Agreement shall become effective on the date (such date of such effectiveness being referred to herein as the "Amendment Agreement Effective Date"; such time of such effectiveness being referred to herein as the "Amendment Agreement Effective Time") on which each of the following conditions precedent have been satisfied (or waived by the Consenting Parties):

(a) Execution and Delivery of this Amendment Agreement. The Existing Agent shall have received counterparts of this Amendment Agreement duly executed by the Consenting Parties which constitute the Required Lenders and each Loan Party.

(b) Fees. The Loan Parties shall have paid all reasonable and documented out-of-pocket fees and expenses (x) required to be paid on the Amendment Agreement Effective Date under the Transaction Support Agreement and (y) of the Existing Agent in connection with the Amendment Agreement Transactions or otherwise under the Existing Credit Agreement and the Transaction Support Agreement.

SECTION 8. Conditions Subsequent.

(a) Immediately following the Amendment Agreement Effective Time (including the consents set forth in Section 5 of this Amendment Agreement):

(i) the Transactions shall be consummated and completed, and all accrued and unpaid interest and fees required to be paid pursuant thereto (including, but not limited to, the interest and fees described in Section 5 and the fees described in the Transaction Support Agreement) shall have been paid in full in cash;

(ii) the effective date of each of the Superpriority Credit Agreements shall occur;

(iii) the New Revolving/Term A Agent, the New Term B Agent, the Existing Agent, the Borrower and each other Loan Party and the other parties required to be a party thereto shall enter into the Multi-Lien Intercreditor Agreement;

(iv) the New Revolving/Term A Agent, the New Term B Agent, the Borrower and each other Loan Party and the other parties required to be a party thereto shall enter into the First Lien/First Lien Intercreditor Agreement; and

(v) the New Revolving/Term A Agent, the New Term B Agent, the Borrower and the other parties required to be a party thereto shall enter into the Subordination Agreement (as defined in the Superpriority Revolving/Term A Credit Agreement).

SECTION 9. Reference To And Effect Upon The Amended Credit Agreement and Loan Documents. From and after the Amendment Agreement Effective Date, the term "Loan Documents" in the Amended Credit Agreement and the other Loan Documents shall include, without limitation, this Amendment Agreement (including, without limitation, the Annexes hereto) and any agreements, instruments and other documents executed and/or delivered in connection herewith.

SECTION 10. [Reserved].

SECTION 11. GOVERNING LAW; SUBMISSION TO JURISDICTION. THIS AMENDMENT AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT, TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AMENDMENT AGREEMENT OR ANY OTHER AMENDMENT AGREEMENT TRANSACTION DOCUMENT OR ANY AMENDMENT AGREEMENT TRANSACTION (OTHER THAN AS EXPRESSLY SET FORTH IN ANY OTHER AMENDMENT AGREEMENT TRANSACTION DOCUMENT) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THAT WOULD REQUIRE THE APPLICATION OF ANY OTHER LAW. SECTIONS 9.11 AND 9.15 OF THE EXISTING CREDIT AGREEMENT ARE INCORPORATED HEREIN, *MUTATIS MUTANDIS*, AS IF A PART HEREOF.

SECTION 12. Direction to Existing Agent. Each Consenting Party (collectively constituting the Required Lenders) hereby (i) authorizes and instructs the Existing Agent to (A) promptly, pursuant to Section 9.08 and Article VIII of the Existing Credit Agreement (which Article VIII is hereby ratified and reaffirmed by each Consenting Party with the modifications expressly set forth herein), as applicable, execute this Amendment Agreement and, on behalf of the Lenders, the Multi-Lien Intercreditor Agreement and (B) terminate the Existing Intercreditor Agreement and (ii) acknowledges and agrees that (A) the Existing Agent has executed this Amendment Agreement and will execute and deliver the Multi-Lien Intercreditor Agreement in reliance on the direction set forth in clause (i) of this Section 12, (B) the Existing Agent will not have any responsibility or liability for executing such documents, (C) Section 8.07 of the Existing Credit Agreement is incorporated herein, mutatis mutandis, as a part hereof and (D) the Existing Agent will

conclusively rely on the documents provided to it hereunder or otherwise provided by the Loan Parties with respect thereto. In addition, each Consenting Party hereby authorizes and instructs the Existing Agent and the Collateral Agent to deliver all Pledged Collateral in its possession (including, for the avoidance of doubt, all Pledged Collateral (as defined in the Collateral Agreement)) to Bank of America, N.A., as the collateral agent under the Superpriority Credit Agreements and the First-Priority Collateral Agent under and as defined in the Multi-Lien Intercreditor Agreement.

SECTION 13. Counterparts. This Amendment Agreement may, if agreed by the Administrative Agent, be in the form of an Electronic Record and may be executed using Electronic Signatures (including, without limitation, facsimile and .pdf) and shall be considered an original, and shall have the same legal effect, validity and enforceability as a paper record. This Amendment Agreement may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Amendment Agreement. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Administrative Agent of a manually signed paper document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each a "Communication") which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. Notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent shall be entitled to rely on any such Electronic Signature without further verification and (b) upon the request of the Administrative Agent any Electronic Signature shall be promptly followed by a manually executed, original counterpart. For purposes hereof, "Electronic Record" and "Electronic Signature" shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

SECTION 14. Expenses; Indemnity. Section 9.05 of the Existing Credit Agreement is incorporated herein, *mutatis mutandis*, as a part hereof.

SECTION 15. Further Assurances. Each of the parties hereto agrees to take all further actions and execute all further documents as the Borrower, the Existing Agent or the Consenting Parties may from time to time reasonably request to carry out the transactions contemplated by this Amendment Agreement and all other agreements executed and delivered in connection herewith.

SECTION 16. Section Headings. Section headings in this Amendment Agreement are included herein for convenience of reference only, are not part of this Amendment Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Amendment Agreement.

SECTION 17. Notices. All notices, requests, and demands to or upon the respective parties hereto shall be given in accordance with Section 9.01 of the Amended Credit Agreement.

SECTION 18. Final Agreement, Etc. This Amendment Agreement, the Existing Credit Agreement, the other Loan Documents, and the other written agreements, instruments, and documents entered into in connection therewith set forth in full the terms of agreement between the parties hereto and thereto with respect to the subject matter thereof and are intended as the full, complete, and exclusive contracts governing the relationship between such parties with respect to the subject matter thereof, superseding all other discussions, promises, representations, warranties, agreements, and understandings between the parties with respect thereto. Any waiver of any condition in, or breach of, any of the foregoing in a particular instance shall not operate as a waiver of other or subsequent conditions or breaches of the same or a different kind. The Borrower's, the Existing Agent's, or any Lender's exercise or failure to exercise any rights or remedies under any of the foregoing in a particular instance shall not operate as a waiver of its right to exercise the same or different rights and remedies in any other instances. There are no oral agreements among the parties hereto.

SECTION 19. Amendments; Severability.

(a) This Amendment Agreement may not be amended, and no provision hereof may be waived, except in accordance with Section 9.08 of the Amended Credit Agreement.

(b) To the extent permitted by applicable law, any provision of this Amendment Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

(c) In the event any one or more of the provisions contained in this Amendment Agreement or in any other Amendment Agreement Transaction Document or any waiver, amendment or modification to this Amendment Agreement or other Loan Document (or purported waiver, amendment, or modification) including pursuant to this Amendment Agreement, should be held invalid, illegal, unenforceable or to be unauthorized under the terms of Section 9.08 of the Existing Credit Agreement, then: (x) (i) such provisions, waivers, amendments or modifications (or purported waivers, amendments or modifications) shall be construed or deemed modified so as to be valid, legal, enforceable and authorized under the terms of Section 9.08 of the Existing Credit Agreement, as applicable, with an economic effect as close as possible to that of the invalid, illegal, unenforceable or unauthorized provisions, waivers, amendments or modifications, as applicable, and (ii) once construed or modified by clause (i), such provisions, waivers, amendments or modifications (or attempted waivers, amendments, or modifications) shall be deemed to have been operative *ab initio*, (y) any such provision, waiver, amendment or modification (or purported waiver, amendment or modification) not capable of being modified or construed in accordance with the foregoing clause (x) shall automatically be considered without effect, and such provision, waiver, amendment or modification shall for all purposes be deemed to have never been implemented or occurred, as applicable, and (z) after giving effect to each of the foregoing clauses (x) and (y), the validity, legality and enforceability of the remaining provisions or waivers, amendments or modifications, as applicable, contained herein and therein shall not in any way be affected or impaired thereby.

(d) Notwithstanding any other provision of this Amendment Agreement, if a court of competent jurisdiction – in a final and unstayed order – determines that any aspect of the Level 3 Senior Unsecured Notes Transaction (as defined in the Transaction Support Agreement) is invalid for any reason, such determination shall not (directly or indirectly) constitute a default or breach of this Amendment Agreement, the Existing Credit Agreement or any other Loan Document.

SECTION 20. Waiver, Release and Disclaimer.

(a) Subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date and the consummation of the Amendment Agreement Transactions, in exchange for the cooperation with, participation in, and entering into the Amendment Agreement Transactions by the Consenting Parties and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Loan Party (on behalf of itself and each of its respective predecessors, successors, assigns, agents, subsidiaries, Affiliates, and representatives (including, for the avoidance of doubt, Level 3 Financing, Inc.)) hereby finally and forever releases and discharges the Other Released Parties and their respective property, to the fullest extent permitted under applicable law, from any and all causes of action and any other claims, debts, obligations, duties, rights, suits, damages, actions, derivative claims, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, in law, at equity, or otherwise, sounding in tort, contract, or based on any other legal or equitable principle, including, without limitation, violation of any securities law (federal, state or foreign), misrepresentation (whether intended or negligent), breach of duty (including any duty of candor), or any domestic or foreign law similar to the foregoing, based in whole or in part upon any act or omission, transaction, or other occurrence or circumstance taking place, being omitted, existing or otherwise arising on or prior to the Amendment Agreement Effective Date arising from, relating to, or in connection with the Loans under, and as defined in the Existing Credit Agreement and each of the Loan Documents, the Amendment Agreement Transactions, the negotiation, formulation, or preparation of this Amendment Agreement, the Amendment Agreement Transaction Documents or the related guarantees, security documents, agreements, amendments, instruments, or other documents, including those that the Loan Parties, their respective subsidiaries or any holder of a claim against or interest in the Loan Parties or any other entity could have been legally entitled to assert derivatively or on behalf of any other entity (collectively, the "Company Released Claims"). Further, subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date and the consummation of the Amendment Agreement Transactions, each Loan Party (on behalf of itself and each of its subsidiaries and Affiliates (including, for the avoidance of doubt, Level 3 Financing, Inc.)) hereby covenants and agrees not to, directly or indirectly, bring, maintain, or encourage any cause of action or other claim or proceeding against an Other Released Party relating to or arising out of any Company Released Claim. Each Loan Party (on behalf of itself and each of its subsidiaries and Affiliates (including, for the avoidance of doubt, Level 3 Financing, Inc.)) further stipulates and agrees with respect to all Claims, that, subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date and the consummation of the Amendment Agreement Transactions, it hereby waives, to the fullest extent permitted by applicable law, any and all provisions, rights, and benefits conferred by any applicable U.S. federal or state law, any foreign law, or any principle of common law, that would otherwise limit a release or discharge of any unknown Claims pursuant to this Section 20(a).

(b) Subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date and the consummation of the Amendment Agreement Transactions, in exchange for the cooperation with, participation in, and entering into the Amendment Agreement Transactions by the applicable Loan Parties and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Consenting Party (on behalf of itself and each of its predecessors, successors, assigns, agents, subsidiaries (except in the case of any Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender that is a bona fide commercial bank), Affiliates (except in the case of any Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender that is a bona fide commercial bank), and representatives) and the Existing Agent, on behalf of the Lenders (at the direction of the Consenting Parties, who constitute Required Lenders under the Existing Credit Agreement, to the maximum extent permitted by the Existing Credit Agreement) hereby finally and forever releases and discharges (i) the Company Released Parties and their respective property and (ii) the Other Released Parties and their respective property, in each case to the fullest extent permitted under applicable law, from any and all causes of action and any other claims, debts, obligations, duties, rights, suits, damages, actions, derivative claims, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, in law, at equity, or otherwise, sounding in tort, contract, or based on any other legal or equitable principle, including, without limitation, violation of any securities law (federal, state or foreign), misrepresentation (whether intended or negligent), breach of duty (including any duty of candor), or any domestic or foreign law similar to the foregoing, based in whole or in part upon any act or omission, transaction, or other occurrence or circumstance taking place, being omitted, existing or otherwise arising on or prior to the Amendment Agreement Effective Date arising from, relating to, or in connection with any indebtedness of the Borrower or its subsidiaries outstanding as of the Amendment Agreement Effective Date (including, without limitation, all Existing Debt (as defined in the Transaction Support Agreement)), the Loans under, and as defined in, the Existing Credit Agreement and each of the Loan Documents, the Amendment Agreement Transactions, the negotiation, formulation, or preparation of this Amendment Agreement, the Amendment Agreement Transaction Documents or the related guarantees, security documents, agreements, amendments, instruments, or other documents, including those that a Consenting Party or any holder of a claim against or interest in the Consenting Party or any other entity could have been legally entitled to assert derivatively or on behalf of any other entity, and including, without limitation, any claim based upon or alleging a breach, default, Event of Default, or failure to comply with any such agreement or document (collectively, the "Consenting Party Released Claims" and, together with the Company Released Claims, the "Released Claims"). For the avoidance of doubt, the Consenting Parties understand and agree that the Consenting Party Released Claims encompass and include any and all claims or causes of action relating to or challenging the Transactions themselves, including any and all claims or causes of action alleging or contending that any aspect of the Transactions violates any Existing Document or other agreement, or that cooperation with, participation in, or entering into the Transactions violates any statute or other law, it being understood that the Consenting Parties are ratifying and approving all such Transactions to the maximum extent possible under applicable law. In addition, for the avoidance of doubt, the releases and discharges granted hereunder by each of the Consenting Parties are not limited to the loans, securities or other interests or positions that they hold as of the Amendment Agreement Effective Date or the loans under the Existing Credit Agreement, but are granted by the Consenting Parties in all capacities (except as otherwise provided in Section 21 of this Amendment

Agreement) and with respect to all loans, securities or other interests held or acquired at any time that relate to the Borrower, the Loan Parties or any of their respective Affiliates; provided, however, nothing in this Amendment Agreement is intended to or shall be deemed to release any Company Released Party or Other Released Party from its obligations under any Secured Hedge Agreement or Secured Cash Management Agreement (each as defined in the Existing Lumen Tech Credit Agreement). Further, subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date, each Consenting Party hereby covenants and agrees not to, directly or indirectly, bring, maintain, or encourage any cause of action or other claim or proceeding against any Company Released Party or any other Consenting Party relating to or arising out of any Consenting Party Released Claim. Each Consenting Party further stipulates and agrees with respect to all Claims, that subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date and the consummation of the Amendment Agreement Transactions, it hereby waives, to the fullest extent permitted by applicable law, any and all provisions, rights, and benefits conferred by any applicable U.S. federal or state law, any foreign law, or any principle of common law, that would otherwise limit a release or discharge of any unknown Claims pursuant to this Section 20(b).

(c) EXCEPT AS OTHERWISE PROVIDED HEREIN, EACH PARTY HEREBY EXPRESSLY AGREES THAT THE RELEASED CLAIMS SHALL INCLUDE, WITHOUT LIMITATION, SUCH RELEASED CLAIMS ARISING PRIOR TO THE AMENDMENT AGREEMENT EFFECTIVE DATE AS A DIRECT OR INDIRECT RESULT OF THE GROSS NEGLIGENCE AND/OR WILLFUL MISCONDUCT OF ANY COMPANY RELEASED PARTY OR OTHER RELEASED PARTY. EACH PARTY AGREES THAT THE COMPANY RELEASED PARTIES AND OTHER RELEASED PARTIES ARE EXPRESSLY INTENDED AS THIRD-PARTY BENEFICIARIES OF THIS SECTION 20.

(d) Each Consenting Party and each Loan Party acknowledges that it is aware that it or its attorneys may hereafter discover claims or facts in addition to or different from those which they now know or believe to exist with respect to either the subject matter of this Amendment Agreement and the Amendment Agreement Transactions or any party hereto, but hereto further acknowledges that it is the intention of each Loan Party and each Consenting Party to hereby fully, finally, and forever settle and release all claims among them to the extent provided in this Amendment Agreement, whether known or unknown, suspected or unsuspected, which now exist, may exist, or heretofore have existed.

(e) Notwithstanding the foregoing Sections 20(a), 20(b), 20(c) and 20(d), nothing in this Amendment Agreement is intended to, and shall not, (i) release any Party's rights and obligations under this Amendment Agreement or any of the Amendment Agreement Transaction Documents, (ii) bar any Party from seeking to enforce or effectuate this Amendment Agreement or any of the Amendment Agreement Transaction Documents or (iii) release any payment obligation of any Loan Party (or their subsidiaries) under the Loan Documents (as defined in the Amended Credit Agreement and each of the Superpriority Credit Agreements).

SECTION 21. Bona Fide Commercial Banks.

(a) With respect to any Consenting Party that is a bona fide commercial bank, any Affiliates (as defined in the Transaction Support Agreement) or related parties of such Consenting Party shall not, as a result of being Affiliates or related parties, be deemed to be Consenting Parties themselves.

(b) Notwithstanding anything herein to the contrary:

(i) each Consenting Lumen Tech Revolving Lender and each Consenting Lumen Tech Term A/A-1 Lender that is a bona fide commercial bank and signs this Amendment Agreement is only signing in its capacity as such (and not in any other capacity and not in respect of any other Existing Debt);

(ii) no Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender that is a bona fide commercial bank is signing this Amendment Agreement with respect to any Existing Debt that such Consenting Party holds or acquires in its capacity as a Qualified Marketmaker; and

(iii) any Affiliates or related parties of any Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender that is a bona fide commercial bank (including any separate branch of any such Consenting Lumen Tech Revolving Lender or a Consenting Lumen Tech Term A/A-1 Lender) shall not be deemed to be a Consenting Lumen Tech Revolving Lender or a Consenting Lumen Tech Term A/A-1 Lender itself, unless such Affiliate or related party has itself signed this Amendment Agreement.

(c) The parties hereto understand that each Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender that is a bona fide commercial bank is engaged in a wide range of financial services and businesses. In furtherance of the foregoing, and notwithstanding anything herein to the contrary, the parties hereto acknowledge and agree that, to the extent a Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender who is a bona fide bank or Affiliate thereof expressly indicates on its signature page hereto that it is executing this Amendment Agreement on behalf of specific trading desk(s), fund(s), and/or business group(s) of such Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender, as applicable, the obligations set forth in this Amendment Agreement shall only apply to such trading desk(s), fund(s), and/or business group(s) and shall not apply to any other trading desk, fund, or business group of such Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender so long as they are not acting at the direction or for the benefit of such Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender in connection with such Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender's investment in the Company Parties; provided, that the foregoing shall not diminish or otherwise affect the obligations and liability therefor of any legal entity that (i) executes this Amendment Agreement or (ii) on whose behalf this Amendment Agreement is executed by a Consenting Lumen Tech Revolving Lender or a Consenting Lumen Tech Term A/A-1 Lender.

(a) Subject to the terms and conditions hereof, each Lender with an Initial Term A Loan Commitment agrees to make to the Borrower a loan in Dollars (each a "Term A Loan") on the Restatement Effective Date in an amount equal to its Initial Term A Loan Commitment; provided that each Lender with an Initial Term A Loan Commitment and an existing Original Term A Loan on the Restatement Effective Date shall apply an amount of the proceeds of its Term A Loan to repay at par a like aggregate principal amount of such Original Term A Loan of such Lender (but not any accrued interest thereon) on the Restatement Effective Date prior to making any proceeds of its Term A Loans available to the Administrative Agent for the account of the Borrower as provided in Section 2.02 below.

(b) Subject to the terms and conditions hereof, each Lender with an Initial Term A-1 Loan Commitment agrees to make to the Borrower a loan in Dollars (each a "Term A-1 Loan") on the Restatement Effective Date in an amount equal to its Initial Term A-1 Loan Commitment; provided that each Lender with an Initial Term A-1 Loan Commitment and an existing Original Term A-1 Loan on the Restatement Effective Date shall apply an amount of the proceeds of its Term A-1 Loan to repay at par a like aggregate principal amount of such Original Term A-1 Loan of such Lender (but not any accrued interest thereon) on the Restatement Effective Date prior to making any proceeds of its Term A-1 Loans available to the Administrative Agent for the account of the Borrower as provided in Section 2.02 below.

(c) (i) The Additional Term B Lender agrees to make a loan in Dollars (a "Term B Loan"; which term shall include each loan converted from a Converted Original Term B Loan pursuant to subclause (ii) below) on the Restatement Effective Date in an amount equal to the Additional Term B Commitment and (ii) each Converted Original Term B Loan of each Lender shall be converted into a Term B Loan of such Lender in the same principal amount as such Converted Original Term B Loan on the Restatement Effective Date.

(d) Each Revolving Facility Lender agrees, severally and not jointly, to make Revolving Facility Loans of a Class in Dollars to the Borrower from time to time during the Availability Period in an aggregate principal amount that will not result in (i) such Lender's Revolving Facility Credit Exposure of such Class exceeding such Lender's Revolving Facility Commitment of such Class, or (ii) the Revolving Facility Credit Exposure of such Class exceeding the total Revolving Facility Commitments of such Class. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Facility Loans.

(e) ~~Each Lender having an Incremental Commitment agrees, severally and not jointly, subject to the terms and conditions set forth in the applicable Incremental Assumption Agreement, to make an Incremental Loan to the Borrower, in an aggregate principal amount not to exceed its Incremental Commitment.~~**[Reserved].**

(f) The full amount of the Term A Loans pursuant to the Initial Term A Loan Commitments must be drawn in a single drawing on the Restatement Effective Date. The full amount of the Term A~~-~~-1 Loans pursuant to the Initial Term A~~-~~-1 Loan Commitments must be drawn in a single drawing on the Restatement Effective Date. The full amount of the Term B Loans pursuant to the Additional Term B Commitment must be drawn in a single drawing on the Restatement Effective Date. Term Loans that are repaid or prepaid may not be reborrowed.

Section 2.02 Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and of the same Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class (or, in the case of Swingline Loans, in accordance with the Swingline Commitment). The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided, that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, each Borrowing (other than a Swingline Borrowing) shall be comprised entirely of ABR Loans or ~~Eurodollar~~**Term SOFR** Loans as the Borrower may request in accordance herewith. Each Swingline Borrowing shall be an ABR Borrowing. Each Lender at its option may make any ABR Loan or ~~Eurodollar~~**Term SOFR** Loan by causing any domestic or foreign branch or Affiliate of

such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender); provided, that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement and such Lender shall not be entitled to any amounts payable under Section 2.15 or 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.

(c) At the commencement of each Interest Period for any ~~Eurodollar~~**Term SOFR Borrowing under the** Revolving Facility ~~Borrowing~~, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. At the time that each ABR Revolving Facility Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided, that an ABR Revolving Facility Borrowing may be in an aggregate amount that is equal to the entire unused available balance of the Revolving Facility Commitments or contemplated by Section 2.04(c) or Section 2.05(c). Each Swingline Borrowing shall be in an amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type and Class may be outstanding at the same time; provided, however, that the Borrower shall not be entitled to request any Borrowing that, if made, and after giving effect to all Borrowings, all conversions of Loans from one type to another, and all continuations of Loans of the same type, would result in more than (i) 10 (ten) ~~Eurodollar~~**Term SOFR** Borrowings outstanding under the Revolving Facility at any time and (ii) 4 (four) ~~Eurodollar~~**Term SOFR** Borrowings outstanding under each other Facility. Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing of any Class if the Interest Period requested with respect thereto would end after the Maturity Date for such Class.

Section 2.03 Requests for Borrowings.

(a) To request a Revolving Facility Borrowing and/or a Term Borrowing, the Borrower shall notify the Administrative Agent of such request (a) in the case of a ~~Eurodollar~~**Term SOFR** Borrowing, not later than 11:00 a.m., Local Time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, by telephone, not later than 12:00 p.m., noon, Local Time, on the Business Day of the proposed Borrowing; provided, that (i) if the Borrower wishes to request ~~Eurodollar~~**Term SOFR** Loans having an Interest Period other than one~~, two~~, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 12:00, noon, Local Time four Business Days prior to the requested date of such Borrowing, conversion or continuation,

whereupon the Administrative Agent shall give prompt notice to the applicable Lenders of such request and determine whether the requested Interest Period is acceptable to all of them and not later than 12:00, noon, Local Time, three Business Days before the requested date of such Borrowing, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the applicable Lenders and (ii) any such notice of an ABR Revolving Facility Borrowing as contemplated by Section 2.04(c) or Section 2.05(c) may be given no later than 12:00 p.m., noon, Local Time, on the date of the proposed Borrowing. Each such Borrowing Request shall be irrevocable and (in the case of telephonic requests) shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Borrowing Request signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) whether such Borrowing is to be a Borrowing of Term A Loans, Term A~~-~~ -1 Loans, Term B Loans, Other Term Loans or Revolving Facility Loans of a particular Class, as applicable;

(ii) the aggregate amount of the requested Borrowing;

(iii) the date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing or a ~~Eurodollar~~**Term SOFR** Borrowing;

(v) in the case of a ~~Eurodollar~~**Term SOFR** Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(vi) the location and number of the Borrower's account to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested ~~Eurodollar~~**Term SOFR** Borrowing then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04 Swingline Loans.

(a) Subject to the terms and conditions set forth herein, the Swingline Lender hereby agrees to make Swingline Loans under any Revolving Facility in Dollars to the Borrower from time to time during the Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding the Swingline Lender's Swingline Commitment or (ii) the Revolving Facility Credit Exposure of the applicable Class exceeding the total Revolving Facility Commitments of such Class; provided, that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Borrowing and the Swingline Lender shall not be under any obligation to make any Swingline Loan if it shall determine (which determination shall be conclusive and binding absent manifest error) that it has, or by the making of such Swingline Loan may have, Fronting Exposure. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Borrowing, the Borrower shall notify the Administrative Agent and the Swingline Lender of such request by telephone (confirmed by a Swingline Borrowing Request), not later than 2:00 p.m., Local Time, on the day of a proposed Swingline Borrowing. Each such notice and Swingline Borrowing Request shall be irrevocable and shall specify (i) the requested date of such Swingline Borrowing (which shall be a Business Day) and (ii) the amount of the requested Swingline Borrowing. The Swingline Lender shall consult with the Administrative Agent as to whether the making of the Swingline Loan is in accordance with the terms of this Agreement prior to the Swingline Lender funding such Swingline Loan. The Swingline Lender shall make each Swingline Loan on the proposed date thereof by wire transfer of immediately available funds by 4:00 p.m., Local Time, to the account of the Borrower.

(c) The Swingline Lender may, by written notice given to the Administrative Agent not later than 12:00 noon, Local Time, on any Business Day, require the Revolving Facility Lenders under the applicable Revolving Facility to acquire participations on such Business Day in all or a portion of the outstanding Swingline Loans made by it under such Revolving Facility. Such notice shall specify the aggregate amount of such Swingline Loans in which the Revolving Facility Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each such Lender, specifying in such notice such Revolving Facility Lender's applicable Revolving Facility Percentage of such Swingline Loan or Loans. Each Revolving Facility Lender hereby absolutely and unconditionally agrees, promptly upon receipt of notice as provided above (and in any event, if such notice is received by 12:00 noon, Local Time, on a Business Day no later than 2:00 p.m. Local Time on such Business Day and if received after 12:00 noon, Local Time, on a Business Day, no later than 12:00, noon, Local Time on the immediately succeeding Business Day), to pay to the Administrative Agent for the account of the Swingline Lender, such Revolving Facility Lender's applicable Revolving Facility Percentage of such Swingline Loan or Loans. Each Revolving Facility Lender acknowledges and agrees that its respective obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or Event of Default or reduction or

termination of any Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Facility Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Revolving Facility Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Facility Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph (c), and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by such Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Facility Lenders that shall have made their payments pursuant to this paragraph and to such Swingline Lender, as their interests may appear; provided, that any such payment so remitted shall be repaid to such Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

Section 2.05 Letters of Credit.

(a) The Letter of Credit Commitment. **(1)** Subject to the terms and conditions set forth herein, (A) each Issuing Bank agrees, in reliance upon the agreements of the Revolving Facility Lenders set forth in this Section 2.05, (1) from time to time on any Business Day during the period from the Restatement Effective Date until the Letter of Credit Expiration Date for the applicable Revolving Facility, to issue Letters of Credit for the account of the Borrower or any of its Subsidiaries under any Revolving Facility, and to amend or extend Letters of Credit previously issued by it, in accordance with Section 2.05(b), and (2) to honor drawings under the Letters of Credit; and (B) the Revolving Facility Lenders under each Revolving Facility severally agree to participate in Letters of Credit issued for the account of the Borrower or any of its Subsidiaries under such Revolving Facility and any drawings thereunder; provided that after giving effect to any L/C Credit Extension with respect to any Letter of Credit, (w) the Revolving Facility Credit Exposure under the applicable Revolving Facility shall not exceed the Revolving Facility Commitments thereunder, (x) the Revolving Facility Credit Exposure of any Lender under the applicable Revolving Facility shall not exceed such Lender's Revolving Facility Commitment thereunder, (y) the outstanding amount of the L/C Obligations under all Revolving Facilities shall not exceed the Letter of Credit Sublimit and (z) unless otherwise agreed by such Issuing Bank in its sole discretion, the outstanding amount of the L/C Obligations in respect of Letters of Credit issued by any Issuing Bank shall not exceed such Issuing Bank's Letter of Credit Commitment. Each request by the Borrower

for the issuance or amendment of a Letter of Credit shall be deemed to be a representation by the Borrower that the L/C Credit Extension so requested complies with the conditions set forth in the proviso to the preceding sentence. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's and its Subsidiaries' ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower and its Subsidiaries may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. Any letter of credit issued by a person that is or becomes an Issuing Bank hereunder but which letter of credit was not originally a Letter of Credit but the terms of which then comply with the requirements applicable to Letters of Credit hereunder may, if agreed in writing by the Borrower, such Issuing Bank and the Administrative Agent be designated as a Letter of Credit hereunder (any such letter of credit subject to the foregoing, an "Existing Letter of Credit"), in which event, such Existing Letter of Credit shall, subject to the satisfaction of the applicable conditions set forth in Article IV, be deemed to be a Letter of Credit under this Agreement as of the date that is on or after the Restatement Effective Date that is specified in such written agreement. Each Letter of Credit outstanding under the Original Credit Agreement immediately prior to the Restatement Effective Date shall be deemed to be issued pursuant to this Section 2.05(a) on the Restatement Effective Date.

(i) No Issuing Bank shall issue any Letter of Credit under any Revolving Facility if:

(A) subject to Section 2.05(b)(iii), the expiry date of the requested Letter of Credit would occur more than twelve months after the date of issuance or last extension, unless the Required Revolving Facility Lenders under such Revolving Facility have approved such expiry date; or

(B) the expiry date of the requested Letter of Credit would occur after the Letter of Credit Expiration Date for such Revolving Facility, unless (x) all the Revolving Facility Lenders under such Revolving Facility and such Issuing Bank have approved such expiry date or (y) such Letter of Credit is Cash Collateralized on terms and pursuant to arrangements satisfactory to the applicable Issuing Bank.

(ii) No Issuing Bank shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any Requirement of Law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or the

Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Restatement Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Restatement Effective Date and which such Issuing Bank in good faith deems material to it;

(B) the issuance of the Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and such Issuing Bank, the Letter of Credit is in an initial stated amount of less than $25,000;

(D) such Letter of Credit is to be denominated in a currency other than Dollars;

(E) any Revolving Facility Lender under the applicable Revolving Facility is at that time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including for the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank's actual or reasonably determined potential Fronting Exposure (after giving effect to Section 2.24(a)(iv) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such Issuing Bank has actual or reasonably determined potential Fronting Exposure, as it may elect in its sole discretion); or

(F) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder.

(iii) No Issuing Bank shall amend any Letter of Credit if such Issuing Bank would not have been permitted at such time to issue the Letter of Credit in its amended form under the terms of this Section 2.05(a).

(iv) No Issuing Bank shall be under any obligation to amend any Letter of Credit if (A) such Issuing Bank would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit.

(v) Subject to the provisions of Section 2.05(f), each Issuing Bank shall act on behalf of the Revolving Facility Lenders under the applicable Revolving Facility with respect to any Letters of Credit issued by it under such Revolving Facility and the documents associated therewith, and each Issuing Bank shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by such Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article VIII included such Issuing Bank with respect to such acts or omissions, and (B) as additionally provided herein with respect to the Issuing Banks.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to the applicable Issuing Bank (with a copy to the Administrative Agent) in the form of a Letter of Credit Request, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Request may be sent by facsimile, by United States mail, by overnight courier, by electronic transmission using the system provided by the applicable Issuing Bank, by personal delivery or by any other means acceptable to such Issuing Bank. Such Letter of Credit Request must be received by the applicable Issuing Bank and the Administrative Agent not later than 12:00 noon at least two Business Days (or such later date and time as the Administrative Agent and such Issuing Bank may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Request shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the purpose and nature of the requested Letter of Credit; (H) if more than one Revolving Facility is then in effect, the Revolving Facility under which such Letter of Credit is to be issued; and (I) such other matters as the applicable Issuing Bank may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Request shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the applicable Issuing Bank may reasonably request. Additionally, the Borrower shall furnish to the applicable Issuing Bank and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as such Issuing Bank or the Administrative Agent may reasonably request pursuant to its policies of general applicability to other account parties for whom such Issuing Bank issues letters of credit.

(ii) Promptly after receipt of any Letter of Credit Request, the applicable Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Request from the Borrower and, if not, such Issuing Bank will provide the Administrative Agent with a copy thereof. Unless the applicable Issuing Bank has received written notice from the Required Revolving Facility Lenders, the Administrative Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article IV shall not then be satisfied, then, subject to the terms and conditions hereof, such Issuing Bank shall, on the requested date, issue a Letter of Credit for the account of the Borrower (or the applicable Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with such Issuing Bank's usual and customary business practices. Immediately upon the issuance of each Letter of Credit under a Revolving Facility, each Revolving Facility Lender under such Revolving Facility shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable Issuing Bank a risk participation in such Letter of Credit in an amount equal to the product of such Revolving Facility Lender's Revolving Facility Percentage of such Revolving Facility times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Request, an Issuing Bank may, in its discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit such Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable Issuing Bank, the Borrower shall not be required to make a specific request to such Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Revolving Facility Lenders shall be deemed to have authorized (but may not require) such Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date of the applicable Revolving Facility; provided, however, that no Issuing Bank shall permit any such extension if (A) such Issuing Bank has determined that it would not be permitted at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.05(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Revolving Facility Lenders under the applicable Revolving Facility have elected not to permit such extension or (2) from the Administrative Agent or the Borrower that one or more of the applicable conditions specified in Article IV is not then satisfied, and in each such case directing such Issuing Bank not to permit such extension.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, each Issuing Bank will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Bank shall notify the Borrower and the Administrative Agent thereof. Not later than 11:00 a.m. one Business Day after the date of notice of any payment by an Issuing Bank under a Letter of Credit or, if the Borrower shall have received such notice from the Issuing Bank later than 11:00 a.m. on any Business Day, not later than 4:00 p.m. on the next Business Day (each such date of payment by an Issuing Bank, an "Honor Date"), the Borrower shall reimburse such Issuing Bank through the Administrative Agent in an amount equal to the amount of such drawing. If the Borrower fails to so reimburse the applicable Issuing Bank by such time, the Administrative Agent shall promptly notify each Revolving Facility Lender under the applicable Revolving Facility of the Honor Date, the amount of the unreimbursed drawing (the "Unreimbursed Amount"), and the amount of such Revolving Facility Lender's Revolving Facility Percentage thereof. In such event, the Borrower shall be deemed to have requested a Borrowing of ABR Revolving Facility Loans under the applicable Revolving Facility to be disbursed on such date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of ABR Loans, but subject to the amount of the unutilized portion of the Revolving Facility Commitments under Section 4.03 and the conditions set forth in Section 4.03 (other than the delivery of a Borrowing Request). Any notice given by an Issuing Bank or the Administrative Agent pursuant to this Section 2.05(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Facility Lender under the applicable Revolving Facility shall upon any notice pursuant to Section 2.05(c)(i) make funds available (and the Administrative Agent may apply Cash Collateral provided for this purpose) for the account of the applicable Issuing Bank to Administrative Agent in an amount equal to its applicable Revolving Facility Percentage of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.05(c)(iii), each Revolving Facility Lender that so makes funds available shall be deemed to have made an ABR Revolving Facility Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the applicable Issuing Bank.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Facility Borrowing of ABR Loans because the conditions set forth in Section 4.03 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the applicable Issuing Bank an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the rate applicable to ABR Revolving Facility Loans of the applicable Class. In such event, each Revolving Facility Lender's payment to the Administrative Agent for the account of the applicable Issuing Bank pursuant to Section 2.05(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.05; provided that the amount of any drawing that is not reimbursed on the Honor Date shall bear interest at the rate applicable to ABR Revolving Facility Loans from and including the date of drawing to but excluding the date such amount becomes an Unreimbursed Amount.

(iv) Until each Revolving Facility Lender under the applicable Revolving Facility funds its Revolving Facility Loan or L/C Advance pursuant to this Section 2.05(c) to reimburse an Issuing Bank for any amount drawn under any Letter of Credit, interest in respect of such Lender's Revolving Facility Percentage of such amount shall be solely for the account of such Issuing Bank.

(v) Each Revolving Facility Lender's obligation to make Revolving Facility Loans or L/C Advances to reimburse the Issuing Banks for amounts drawn under Letters of Credit, as contemplated by this Section 2.05(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against any Issuing Bank, the Borrower or any other person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Revolving Facility Lender's obligation to make Revolving Facility Loans pursuant to this Section 2.05(c) is subject to the conditions set forth in Section 4.03 (other than delivery by the Borrower of a Borrowing Request). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse any Issuing Bank for the amount of any payment made by such Issuing Bank under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Facility Lender fails to make available to the Administrative Agent for the account of an Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.05(c) by the time specified in Section 2.05(c)(ii), then, without limiting the other provisions of this Agreement, such Issuing Bank shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is

immediately available to such Issuing Bank at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by such Issuing Bank in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by such Issuing Bank in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid (minus the foregoing interest and fees) shall constitute such Lender's Revolving Facility Loan included in the relevant Revolving Facility Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of an Issuing Bank submitted to any Revolving Facility Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.05(c)(vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after an Issuing Bank has made a payment under any Letter of Credit and has received from any Revolving Facility Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.05(c), if the Administrative Agent receives for the account of such Issuing Bank any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Revolving Facility Percentage thereof in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an Issuing Bank pursuant to Section 2.05(c)(i) is required to be returned under any of the circumstances described in Section 9.22 (including pursuant to any settlement entered into by such Issuing Bank in its discretion), each Revolving Facility Lender shall pay to the Administrative Agent for the account of such Issuing Bank its Revolving Facility Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of the Borrower to reimburse the relevant Issuing Bank for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any person for whom any such beneficiary or any such transferee may be acting), such Issuing Bank or any other person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) waiver by such Issuing Bank of any requirement that exists for such Issuing Bank's protection and not the protection of the Borrower or any waiver by such Issuing Bank which does not in fact materially prejudice the Borrower;

(v) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(vi) any payment made by such Issuing Bank in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC or the ISP, as applicable;

(vii) any payment by such Issuing Bank under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by such Issuing Bank under such Letter of Credit to any person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

(viii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any of its Subsidiaries.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will promptly notify the relevant Issuing Bank. The Borrower shall be conclusively deemed to have waived any such claim against the relevant Issuing Bank and its correspondents unless such notice is given as aforesaid.

(f) Role of Issuing Banks. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, other than in respect of any sight draft, certificates and documents expressly required by the Letter of Credit, no Issuing Bank shall have any responsibility to obtain any document or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the person executing or delivering any such document. None of the Issuing Banks, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the Issuing Banks shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Facility Lenders or the Required Revolving Facility Lenders, as applicable, under the applicable Revolving Facility; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any Issuing Bank shall be liable or responsible for any of the matters described in clauses (i) through (v) of Section 2.05(e); provided, however, that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an Issuing Bank, and such Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such Issuing Bank's willful misconduct or gross negligence, or such Issuing Bank's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each Issuing Bank may accept documents that appear on their face to be in compliance with the terms of the Letter of Credit, without responsibility for further investigation, regardless of any notice or information to the contrary, and no Issuing Bank shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. Any Issuing Bank may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication ("SWIFT") message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

(g) Applicability of ISP. Unless otherwise expressly agreed by the relevant Issuing Bank and the Borrower when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each Letter of Credit. Notwithstanding the foregoing, no Issuing Bank shall be responsible to the Borrower for, and no Issuing Bank's rights and remedies against the Borrower shall be impaired by, any action or inaction of such Issuing Bank required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including any Requirements of Law or any order of a jurisdiction where such Issuing Bank or the beneficiary is located, the practice stated in the ISP or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade – International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(h) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(i) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower shall be obligated to reimburse the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

(j) Cash Collateralization Following Certain Events. If and when the Borrower is required to Cash Collateralize any Revolving L/C Exposure relating to any outstanding Letters of Credit pursuant to any of Section 2.11(d), 2.11(e), 2.24(a)(v) or 7.01, the Borrower shall deposit in an account with or at the direction of the Collateral Agent, in the name of the Collateral Agent and for the benefit of the Revolving Facility Lenders under each Revolving Facility, an amount in cash equal to 102% of the Revolving L/C Exposure under such Revolving Facility as of such date plus any accrued but unpaid interest thereon (or, in the case of Sections 2.11(d), 2.11(e) and 2.24(a)(v), the portion thereof required by such sections). Each deposit of Cash Collateral (x) made pursuant to this paragraph or (y) made by the Administrative Agent pursuant to Section 2.24(a)(ii), in each case, shall be held by the Collateral Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Collateral Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account and the Borrower hereby grants the Collateral Agent, for the benefit of the Secured Parties, a security interest in such account. Such deposits shall not bear interest. Moneys in such account shall be applied by the Collateral Agent to reimburse each Issuing Bank for any disbursements under any Letter of Credit for which such Issuing Bank has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the Revolving L/C Exposure at such time or, if the maturity of the Loans has been accelerated (but

subject to the consent of Lenders with Revolving L/C Exposure representing greater than 50% of the total Revolving L/C Exposure), be applied to satisfy other Loan Obligations. If the Borrower is required to provide an amount of Cash Collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender or the occurrence of a limit under Section 2.11(d) or (e) being exceeded, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived or the termination of the Defaulting Lender status or the limits under Sections 2.11(d) and (e) no longer being exceeded, as applicable.

(k) Additional Issuing Banks. From time to time, the Borrower may by notice to the Administrative Agent designate any Revolving Facility Lender (in addition to the initial Issuing Banks) which agrees (in its sole discretion) to act in such capacity and is reasonably satisfactory to the Administrative Agent as an Issuing Bank. Each such additional Issuing Bank shall execute a counterpart of this Agreement upon the approval of the Administrative Agent (which approval shall not be unreasonably withheld) and shall thereafter be an Issuing Bank hereunder for all purposes.

(l) Reporting. Unless otherwise requested by the Administrative Agent, each Issuing Bank (other than the Administrative Agent or its Affiliates) shall (i) provide to the Administrative Agent copies of any notice received from the Borrower pursuant to Section 2.05(b) no later than the next Business Day after receipt thereof (or, if earlier, the time specified thereon) and (ii) report in writing to the Administrative Agent (A) on or prior to each Business Day on which such Issuing Bank expects to issue, amend or extend any Letter of Credit, the date of such issuance, amendment or extension, and the aggregate face amount of the Letters of Credit to be issued, amended or extended by it and outstanding after giving effect to such issuance, amendment or extension occurred (and whether the amount thereof changed), and the Issuing Bank shall be permitted to issue, amend or extend such Letter of Credit if the Administrative Agent shall not have advised the Issuing Bank that such issuance, amendment or extension would not be in conformity with the requirements of this Agreement, (B) on each Business Day on which such Issuing Bank makes any disbursement under any Letter of Credit, the date of such disbursement and the amount of such disbursement and (C) on any other Business Day, such other information with respect to the outstanding Letters of Credit issued by such Issuing Bank as the Administrative Agent shall reasonably request.

Section 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, Local Time (or, in the case of ABR Borrowings, 2:00 p.m. Local Time), to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided, that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower as specified in the applicable Borrowing Request; provided, that Borrowings made to finance the reimbursement of any disbursement under any Letter of Credit and reimbursements as provided in Section 2.05(c) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of ~~Eurodollar~~**Term SOFR** Loans (or, in the case of any Borrowing of ABR Loans, prior to 11:00 a.m., Local Time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with clause (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of (A) the Federal Funds Rate and (B) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of a payment to be made by the Borrower, the interest rate then applicable to ABR Loans of the applicable Class. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. The foregoing shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.07 Interest Elections.

(a) Each Borrowing initially shall be of the Type, and under the applicable Class, specified in the applicable Borrowing Request and, in the case of a ~~Eurodollar~~**Term SOFR** Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a ~~Eurodollar~~**Term SOFR** Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section 2.07 shall not apply to Swingline Loans, which may not be converted or continued. Notwithstanding any other provision of this Section 2.07, the Borrower shall not be permitted to change the Class of any Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election (by telephone or irrevocable written notice), by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type and Class resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Interest Election Request signed by the Borrower. Notwithstanding any contrary provision herein, this Section 2.07 shall not be construed to permit the Borrower to (i) elect an Interest Period for ~~Eurodollar~~**Term SOFR** Loans that does not comply with Section 2.02(d) or (ii) convert any Borrowing to a Borrowing of a Type not available under the Class of Commitments or Loans pursuant to which such Borrowing was made.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a ~~Eurodollar~~**Term SOFR** Borrowing; and

(iv) if the resulting Borrowing is a ~~Eurodollar~~**Term SOFR** Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a ~~Eurodollar~~**Term SOFR** Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. If less than all the outstanding principal amount of any Borrowing shall be converted or continued, then each resulting Borrowing shall be in an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum and satisfy the limitations specified in Section 2.02(d) regarding the maximum number of Borrowings of the relevant Type.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a ~~Eurodollar~~**Term SOFR** Borrowing prior to the end of the Interest Period applicable thereto or with respect to the Term B Loans prior to the Restatement Effective Date, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a ~~Eurodollar~~**Term SOFR** Borrowing and (ii) unless repaid, each ~~Eurodollar~~**Term SOFR** Borrowing shall be converted to an ABR Borrowing at the end of the then current Interest Period.

Section 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated, the Revolving Facility Commitments of each Class shall automatically and permanently terminate on the applicable Revolving Facility Maturity Date for such Class. On the Restatement Effective Date (after giving effect to the funding of the Initial Term B Loans on such date), the Additional Term B Commitment of the Additional Term B Lender as of the Restatement Effective Date will automatically and permanently terminate. On the Restatement Effective Date (after giving effect to the funding of the Term A Loans to be made on such date), the Initial Term A Loan Commitments of each Term Lender with an Initial Term A Loan Commitment as of the Restatement Effective Date will automatically and permanently terminate. On the Restatement Effective Date (after giving effect to the funding of the Term A~~-~~**-**1 Loans to be made on such date), the Initial Term A~~-~~**-**1 Loan Commitments of each Term Lender with an Initial Term A~~-~~**-**1 Loan Commitment as of the Restatement Effective Date will automatically and permanently terminate. ~~On the Restatement Effective Date (concurrently with the effectiveness of the Revolving Facility Commitments under this Agreement on such date), the Revolving Facility Commitments (as defined in the Original Credit Agreement) under the Original Credit Agreement will automatically and permanently terminate; provided, that for the avoidance of doubt, after giving effect to the foregoing, the outstanding Revolving Facility Commitments on the Restatement Effective Date totaled $2,200,000,000.~~

(b) The Borrower may at any time terminate, or from time to time reduce, the Revolving Facility Commitments of any Class; provided, that (i) each reduction of the Revolving Facility Commitments of any Class shall be in an amount that is an integral multiple of $1,000,000 and not less than $1,000,000 (or, if less, the remaining amount of the Revolving Facility Commitments of such Class) and (ii) the Borrower shall not terminate or reduce the Revolving Facility Commitments of any Class if, after giving effect to any concurrent prepayment of the Revolving Facility Loans in accordance with Section 2.11 and any Cash Collateralization of Letters of Credit in accordance with Section 2.05(j), as applicable, the Revolving Facility Credit Exposure of such Class (excluding any **Letters of Credit that are** Cash Collateralized ~~Letter of Credit~~, to the extent so Cash Collateralized) would exceed the total Revolving Facility Commitments of such Class.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Revolving Facility Commitments of any Class under clause (b) of this Section 2.08 at least three (3) Business Days prior to the effective date of such termination or reduction (or such shorter period acceptable to the Administrative Agent), specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.08 shall be irrevocable; provided, that a notice of termination or reduction of the Revolving Facility Commitments of any Class delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

Section 2.09 Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promise to pay (i) to the Administrative Agent for the account of each Revolving Facility Lender the then unpaid principal amount of each Revolving Facility Loan on the Revolving Facility Maturity Date applicable to such Revolving Facility Loans, (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10 and (iii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan made under any Revolving Facility on the Revolving Facility Maturity Date for such Revolving Facility; provided, that on each date that a Revolving Facility Borrowing is made by the Borrower, the Borrower shall repay all Swingline Loans then outstanding.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Facility, Class and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender’s share thereof.

(d) The entries made in the accounts maintained pursuant to clause (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "Note"). In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in the form attached hereto as Exhibit H, or in another form approved by such Lender, the Administrative Agent and the Borrower in their sole discretion. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

Section 2.10 Repayment of Term Loans and Revolving Facility Loans and Prepayment Procedures.

(a) Subject to the other clauses of this Section 2.10 and to Section 9.08(e),

(i) the Borrower shall repay principal of outstanding Term A Loans on the last Business Day of each March, June, September and December of each year (commencing on the last Business Day of the first fiscal quarter of the Borrower commencing after the Restatement Effective Date) and on the Term A Maturity Date (each such date being referred to as a "Term A Loan Installment Date"), in an aggregate principal amount of Term A Loans equal to (i) for each Term A Loan Installment Date prior to the Term A Maturity Date, 1.25% of the aggregate principal amount of the Term A Loans incurred on the Restatement Effective Date and (ii) in the case of such payment due on the Term A Maturity Date, an amount equal to the then unpaid principal amount of such Term A Loans outstanding;

(ii) the Borrower shall repay principal of outstanding Term A-1 Loans on the last Business Day of each March, June, September and December of each year (commencing on the last Business Day of the first fiscal quarter of the Borrower commencing after the Restatement Effective Date) and on the Term A-1 Maturity Date (each such date being referred to as a "Term A-1 Loan Installment Date"), in an aggregate principal amount of Term A-1 Loans equal to (i) for each Term A-1 Loan Installment Date prior to the Term A-1 Maturity Date, 1.25% of the aggregate principal amount of the Term A-1 Loans incurred on the Restatement Effective Date and (ii) in the case of such payment due on the Term A-1 Maturity Date, an amount equal to the then unpaid principal amount of such Term A-1 Loans outstanding;

(iii) the Borrower shall repay principal of outstanding Term B Loans on the last Business Day of each March, June, September and December of each year (commencing on the last Business Day of the first fiscal quarter of the Borrower commencing after the Restatement Effective Date) and on the Term B Maturity Date (each such date being referred to as a "Term B Loan Installment Date"), in an aggregate principal amount of such Term B Loans equal to (A) for each such Term B Loan Installment Date prior to the Term B Maturity Date, an amount equal to 0.25% of the aggregate principal amount of the Term B Loans incurred on the Restatement Effective Date, and (B) in the case of such payment due on the Term B Maturity Date, an amount equal to the then unpaid principal amount of such Term B Loans outstanding;

(iv) in the event that any Other Term Loans are made, the Borrower shall repay such Other Term Loans on the dates and in the amounts set forth in the related Incremental Assumption Agreement, Extension Amendment or Refinancing Amendment (each such date being referred to as an "Other Term Loan Installment Date");

(v) to the extent not previously paid, all outstanding Term Loans shall be due and payable on the applicable Term Facility Maturity Date; and

(vi) the Borrower shall repay all Original Term Loans (other than Converted Original Term B Loans) and all borrowings under the Revolving Facility (as defined in the Original Credit Agreement) on the Restatement Effective Date, together with all accrued interest and unpaid commitment and Letter of Credit fees under the Original Credit Agreement to but excluding the Restatement Effective Date.

(b) To the extent not previously paid, all outstanding Revolving Facility Loans and Swingline Loans shall be due and payable on the applicable Revolving Facility Maturity Date.

(c) Any mandatory prepayment of Term Loans ~~pursuant to Section 2.11(b) or Section 2.11(c)~~ shall be applied so that the aggregate amount of such prepayment is allocated among the Term A Loans, the Term A-1 Loans, the Term B Loans and the Other Term Loans, if any, pro rata based on the aggregate principal amount of outstanding Term A Loans, Term A-1 Loans, Term B Loans and Other Term Loans, if any, to reduce amounts due on the succeeding Term Loan Installment Dates for such Classes; provided, that, subject to the pro rata application to Loans outstanding within any respective Class of Loans, (x) with respect to mandatory prepayments of Term Loans ~~pursuant to Section 2.11(b)(1) and 2.11(c)~~, any Class of Other Term Loans may receive less than its pro rata share thereof (so long as the amount by which its pro rata share exceeds

the amount actually applied to such Class is applied to repay (on a pro rata basis) the outstanding Term A Loans, Term A- -1 Loans, Term B Loans and any other Classes of then outstanding Other Term Loans, in each case to the extent the respective Class receiving less than its pro rata share has consented thereto) and (y) the Borrower shall allocate any repayments ~~pursuant to Section 2.11(b)(2)~~ to repay the respective Class or Classes or, in the case of Refinancing Term Loans incurred to refinance Indebtedness of LVLT, QC, QCF, Embarq or any of their respective Subsidiaries that is included in "Consolidated Priority Debt" (and, in the case of revolving Indebtedness to correspondingly reduce Commitments), the relevant Indebtedness, being refinanced~~, as provided in Section 2.11(b)(2)~~. Any optional prepayments of the Term Loans pursuant to Section 2.11(a) shall be applied to the remaining installments of the Term Loans under the applicable Class or Classes as the Borrower may in each case direct.

Prior to any prepayment of any Loan under any Facility hereunder, the Borrower shall select the Borrowing or Borrowings under the applicable Facility to be prepaid and shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (confirmed by electronic means) of such selection not later than (i) 11:00 a.m., Local Time, in the case of an ABR Borrowing or any Swingline Loan, on the scheduled date of such prepayment and (ii) 2:00 p.m., Local Time, in the case of a ~~Eurodollar~~**Term SOFR** Borrowing, at least three Business Days before the scheduled date of such prepayment (or, in each case, such shorter period acceptable to the Administrative Agent (and Swingline Lender, if applicable)). Each such notice shall be irrevocable; provided, that a notice of prepayment may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent (and Swingline Lender, if applicable) on or prior to the specified effective date) if such condition is not satisfied. Each repayment of a Borrowing (x) in the case of the Revolving Facility of any Class, shall be applied to the Revolving Facility Loans included in the repaid Borrowing such that each Revolving Facility Lender receives its ratable share of such repayment (based upon its respective Revolving Facility Percentage of such Class at the time of such repayment) and (y) in all other cases, shall be applied ratably to the Loans included in the repaid Borrowing. All repayments of Loans shall be accompanied by (1) accrued interest on the amount repaid to the extent required by Section 2.13(d) and (2) break funding payments pursuant to Section 2.16. In connection with any prepayment of any Loan of any Lender hereunder that would otherwise occur from the proceeds of new Loans being funded hereunder on the date of such prepayment, if agreed to by the Borrower and such Lender in a writing provided to the Administrative Agent, the portion of the existing Loan of such Lender that would otherwise be prepaid on such date may instead be converted on a "cashless roll" basis into a like principal amount of the new Loans being funded on such date.

(d) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made ~~pursuant to Section 2.11(b)(1) or 2.11(c)~~ at least four (4) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Term Lender of the contents of any such prepayment notice and of such Term Lender's ratable portion of such prepayment (based on such Lender's pro rata share of each relevant Class of the Term Loans). Any Term Lender (a "Declining Term Lender") may elect, by delivering written notice to the Administrative Agent and the Borrower no later than 5:00 p.m. one (1) Business Day after the date of such Term Lender's receipt of notice from the Administrative Agent regarding such prepayment, that the full amount of any mandatory prepayment otherwise required to be made with respect to the Term Loans held by such Term Lender ~~pursuant to Section 2.11(b)(1) or 2.11(c)~~ not be made (the aggregate amount of such prepayments declined by the Declining Term Lenders, the "Declined Prepayment Amount"). If a Term Lender fails to deliver notice setting forth such rejection of a prepayment to the Administrative Agent within the time frame specified above or such notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Prepayment Amount which would otherwise have been applied to such Term Loans of the Declining Term Lenders shall instead be retained by the Borrower. For the avoidance of doubt, the Borrower may, at its option, apply any amounts retained in accordance with the immediately preceding sentence to prepay loans in accordance with Section 2.11(a) below.

Section 2.11 Prepayment of Loans.

(a) The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (but subject to Section 2.12(d), Section 2.12(e) and Section 2.16 and subject to prior notice in accordance with the provisions of Section 2.10(c)), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, subject to prior notice in accordance with the first sentence of Section 2.10(d).

(b) ~~Beginning on the Restatement Effective Date, the Borrower shall apply (1) all Net Proceeds (other than Net Proceeds of the kind described in the following clause (2)) within five (5) Business Days after receipt thereof to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10 and (2) all Net Proceeds from any issuance or incurrence of Refinancing Notes, Refinancing Term Loans (other than Refinancing Term Loans incurred to refinance Indebtedness of LVLT, QC, Embarq or any of their respective Subsidiaries that is included in "Consolidated Priority Debt" (and, in the case of revolving Indebtedness to correspondingly reduce Commitments)) and Replacement Revolving Facility Commitments (other than solely by means of extending or renewing then existing Refinancing Notes, Refinancing Term Loans and Replacement Revolving Facility Commitments without resulting in any Net Proceeds) no later than three (3) Business Days after the date on which such Refinancing Notes, Refinancing Term Loans and Replacement Revolving Facility Commitments are issued or incurred, to prepay Term Loans and/or Revolving Facility Commitments in accordance with Section 2.23 and the definition~~

of "Refinancing Notes" (as applicable). Notwithstanding anything to the contrary in this Section 2.11(b) or elsewhere in this Agreement, to the extent that (A) any or all of the Net Proceeds of any Asset Sale by a Foreign Subsidiary are prohibited by any Requirement of Law from being loaned, distributed or otherwise transferred to Borrower or any Domestic Subsidiary or materially adverse consequences (including any material Tax) would result therefrom or (B) any or all of the Net Proceeds of any Asset Sale or Recovery Event by a Subsidiary other than a Guarantor are prohibited from being transferred to the Borrower for application in accordance with this Section 2.11(b) by any applicable organizational documents, joint venture agreement, shareholder agreement, or similar agreement or any other contractual obligation with an unaffiliated third party (including any agreement governing Indebtedness) that was not created in contemplation of such Asset Sale or Recovery Event, then in each case the portion of such Net Proceeds so affected will not be required to be applied at the times provided in this Section 2.11(b) but may be retained by the applicable Subsidiary or applied in any other manner not prohibited by this Agreement.**[Reserved].**

(c) Not later than five (5) Business Days after the date on which the annual financial statements are, or are required to be, delivered under Section 5.04(a) with respect to each Excess Cash Flow Period, the Borrower shall calculate Excess Cash Flow for such Excess Cash Flow Period and, if and to the extent the amount of such Excess Cash Flow exceeds $0, the Borrower shall apply an amount to prepay Term Loans equal to (i) the Required Percentage of such Excess Cash Flow minus (ii) to the extent not financed using the proceeds of funded Indebtedness, the sum of (a) the amount of any voluntary payments of Term Loans and amounts used to repurchase outstanding principal of Term Loans during such Excess Cash Flow Period pursuant to Sections 2.11(a) and Section 2.25 (it being understood that the amount of any such payments pursuant to Section 2.25 shall be calculated to equal the amount of cash used to repay principal and not the principal amount deemed prepaid therewith), (b) the amount of any voluntary payments of Revolving Facility Loans to the extent that Revolving Facility Commitments are terminated or reduced pursuant to Section 2.08 by the amount of such payments and (c) the amount used to fund any voluntary prepayments, voluntary repurchases or voluntary redemptions of any other Indebtedness of LVLT, QC, Embarq or any of their respective Subsidiaries that is included in "Consolidated Priority Debt" (other than Indebtedness under any revolving credit facility except to the extent there is a corresponding reduction in the commitments thereunder), plus, in each case, without duplication of any amounts previously deducted under this clause (ii), the amount of any such voluntary payments, voluntary repurchases or voluntary redemptions of such Indebtedness after the end of such Excess Cash Flow Period but before the date of prepayment under this clause (c). Such calculation will be set forth in a certificate signed by a Financial Officer of the Borrower delivered to the Administrative Agent setting forth the amount, if any, of Excess Cash Flow for such fiscal year, the amount of any required prepayment in respect thereof and the calculation thereof in reasonable detail. Notwithstanding anything to the contrary in this Section 2.11(c) or elsewhere in this Agreement, to the extent that any or all of Excess Cash Flow that is attributable to a Foreign Subsidiary is prohibited by any Requirement of Law from being loaned, distributed or otherwise transferred to Borrower or any Domestic Subsidiary or materially adverse consequences (including any material Tax) would result therefrom then the portion of such Excess Cash Flow so affected will not be required to be applied at the times provided in this Section 2.11(c) but may be retained by the applicable Subsidiary or applied in any other manner not prohibited by this Agreement.**[Reserved].**

(d) In the event that the aggregate amount of Revolving Facility Credit Exposure of any Class exceeds the total Revolving Facility Commitments of such Class, the Borrower shall prepay Revolving Facility Borrowings and/or Swingline Borrowings of such Class (or, if no such Borrowings are outstanding, provide Cash Collateral in respect of outstanding Letters of Credit pursuant to Section 2.05(j)) in an aggregate amount equal to such excess.

(e) Prepayments pursuant to this Section 2.11 shall be in accordance with the procedures specified in clauses (c) and (d) of Section 2.10 (including, for the avoidance of doubt, that Term Lenders may decline such prepayments and the Borrower may retain any Declined Prepayment Amount).

Section 2.12 Fees.

(a) The Borrower agrees to pay to the Administrative Agent for the account of each Lender, on the first Business Day following the end of each March, June, September and December (commencing on the first such Business Day that is at least three months after the Restatement Effective Date) and on the date on which the Revolving Facility Commitments of any Class of all the Lenders shall be terminated as provided herein, a commitment fee (a "Commitment Fee") in Dollars on the daily amount of the applicable Available Unused Commitment of such Lender during the preceding quarter (or other period commencing with the Restatement Effective Date or ending with the date on which the last of the Revolving Facility Commitments of such Lender shall be terminated) at a rate equal to the Applicable Commitment Fee. All Commitment Fees shall be computed on the basis of the actual number of days elapsed (including the first day but excluding the last) in a year of 360 days. The Commitment Fee due to each Lender shall commence to accrue on the Restatement Effective Date and shall cease to accrue on the date on which the last of the Revolving Facility Commitments of such Lender shall be terminated as provided herein.

(b) The Borrower agrees to pay from time to time (i) to the Administrative Agent for the account of each Revolving Facility Lender of each Class, on the first Business Day following the end of each March, June, September and December (commencing on the first such Business Day that is at least three months after the Restatement Effective Date) and on the date on which the Revolving Facility Commitments of all the Lenders in such Class shall be terminated as provided herein, a fee (an "L/C Participation Fee") on such Lender's Revolving Facility Percentage of the daily Revolving L/C Exposure (excluding the portion thereof attributable to unreimbursed disbursements under any Letter of Credit) of such Class, during the preceding quarter (or other period commencing with the Restatement Effective Date or ending with the Revolving Facility Maturity Date or the date on which the Revolving Facility Commitments of such Class shall be terminated; provided, that any such fees accruing after the date on which such Revolving Facility Commitments terminate shall be payable on demand) at the rate per annum equal to the Applicable Margin for

~~Eurodollar~~ **Term SOFR Borrowings under the** Revolving Facility ~~Borrowings~~ of such Class effective for each day in such period, and (ii) to each Issuing Bank, for its own account (x) on the last Business Day of each March, June, September and December (commencing on the last Business Day of the first fiscal quarter commencing after the Restatement Effective Date) and on the date on which the Revolving Facility Commitments of all the Lenders shall be terminated, a fronting fee in Dollars in respect of each Letter of Credit issued by such Issuing Bank for the period from and including the date of issuance of such Letter of Credit to and including the termination of such Letter of Credit, computed at a rate equal to 0.125% per annum of the daily stated amount of such Letter of Credit (or such lesser amount as may be acceptable to the Issuing Bank in its sole discretion, or with respect to any additional Issuing Bank designated in accordance with Section 2.05(k) after the Restatement Effective Date, such greater amount as may be agreed with the Borrower), plus (y) in connection with the issuance, amendment, cancellation, negotiation, presentment, renewal, extension or transfer of any such Letter of Credit or any disbursement thereunder, such Issuing Bank's customary documentary and processing fees and charges (collectively, "Issuing Bank Fees"). All L/C Participation Fees and Issuing Bank Fees that are payable on a per annum basis shall be computed on the basis of the actual number of days elapsed (including the first day but excluding the last) in a year of 360 days.

(c) The Borrower agrees to pay to the Administrative Agent, for the account of the Administrative Agent, the "Senior Administration Fee" as set forth in the Fee Letter, in the amounts and, at the times specified therein until the Facilities under this Agreement have been terminated in full (the "Administrative Agent Fees").

(d) If any Repricing Event occurs after the Restatement Effective Date and prior to the date occurring six months after the Restatement Effective Date, the Borrower agrees to pay to the Administrative Agent, for the ratable account of each Term Lender with Term B Loans that are subject to such Repricing Event (including any Term Lender which is replaced pursuant to Section 2.19(c) as a result of its refusal to consent to an amendment giving rise to such Repricing Event), a fee in an amount equal to 1.00% of the aggregate principal amount of the Term B Loans subject to such Repricing Event. Such fees shall be earned, due and payable upon the date of the occurrence of the respective Repricing Event.

(e) All Fees shall be paid on the dates due, in Dollars and immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that Issuing Bank Fees shall be paid directly to the applicable Issuing Banks. Once paid, none of the Fees shall be refundable under any circumstances.

Section 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each ~~Eurodollar~~**Term SOFR** Borrowing shall bear interest at ~~the Eurodollar Rate~~**Term SOFR** for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding clauses of this Section 2.13 or (ii) in the case of any other overdue amount, 2% plus the rate applicable to ABR Loans as provided in clause (a) of this Section; provided, that this clause (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, (ii) in the case of Revolving Facility Loans, upon termination of the applicable Revolving Facility Commitments and (iii) in the case of the Term Loans, on the applicable Term Facility Maturity Date; provided, that (A) interest accrued pursuant to clause (c) of this Section 2.13 shall be payable on demand, (B) in the event of any repayment or prepayment of any Loan (other than a prepayment of a Revolving Facility Loan that is an ABR Loan that is not made in conjunction with a permanent commitment reduction), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, (C) in the event of any conversion of any ~~Eurodollar~~**Term SOFR** Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion and (D) any Loan that is repaid on the same day on which it is made shall bear interest for one day.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). ~~The applicable~~ ABR or ~~Eurodollar Rate~~**Term SOFR** shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.14 Alternate Rate of Interest.

(a) If prior to the commencement of any Interest Period for a ~~Eurodollar~~**Term SOFR** Borrowing under any Facility:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining ~~the Eurodollar Rate~~**Term SOFR** for such Interest Period and the circumstances set forth in Section 2.14(b) do not apply; or

(ii) the Administrative Agent is advised by the Majority Lenders under such Facility that ~~the Eurodollar Rate~~**Term SOFR** for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the applicable Lenders by telephone or electronic means as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the applicable Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request under such Facility that requests (or any deemed request for) the conversion of any Borrowing to, or continuation of any Borrowing as, a ~~Eurodollar~~**Term SOFR** Borrowing shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, and (ii) if any Borrowing Request under such Facility requests a ~~Eurodollar~~**Term SOFR** Borrowing, such Borrowing shall be made as an ABR Borrowing; provided, that if the circumstances giving rise to such notice affect only one Type of Borrowings for a particular Facility or Class, then that Type of Borrowings for each other Facility and Class shall be permitted.

(b) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining ~~LIBOR~~**Term SOFR** for any requested Interest Period, including, without limitation, because ~~the LIBOR Screen Rate~~**Term SOFR** is not available or published on a current basis, and such circumstances are unlikely to be temporary; or

(ii) the administrator of the ~~LIBOR~~**Term SOFR** Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which ~~LIBOR~~**Term SOFR** or the ~~LIBOR~~**Term SOFR** Screen Rate shall no longer be made available, or used for determining the interest rate of loans, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will continue to provide ~~LIBOR~~**Term SOFR** after such specific date (such specific date, the "Scheduled Unavailability Date"); or

(iii) syndicated loans currently being executed, or that include language similar to that contained in this Section 2.14, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace ~~LIBOR~~**Term SOFR**,

then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Borrower may amend this Agreement solely for the purpose of replacing ~~LIBOR~~**Term SOFR** in accordance with this Section 2.14 with ~~(x) one or more SOFR-Based Rates or (y) another~~**an** alternate benchmark rate giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion and may be periodically updated (the "Adjustment"; and any such proposed rate, a "~~LIBOR~~ Successor Rate"), and any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders ~~(A) in the case of an amendment to replace LIBOR with a rate described in clause (x), object to the Adjustment; or (B) in the case of an amendment to replace LIBOR with a rate described in clause (y),~~ object to such amendment~~; *provided* that for the avoidance of doubt, in the case of clause (A), the Required Lenders shall not be entitled to object to any SOFR-Based Rate contained in any such amendment.~~ **.** Such ~~LIBOR~~ Successor Rate shall be applied in a manner consistent with market practice; *provided* that to the extent such market practice is not administratively feasible for the Administrative Agent, such ~~LIBOR~~ Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent.

If no ~~LIBOR~~ Successor Rate has been determined and the circumstances under clause (i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain ~~Eurodollar Rate~~**Term SOFR** Loans shall be suspended, (to the extent of the affected ~~Eurodollar Rate~~**Term SOFR** Loans or Interest Periods), and (y) the ~~Eurodollar Rate~~**Term SOFR** component shall no longer be utilized in determining ABR. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of ~~Eurodollar Rate~~**Term SOFR** Loans (to the extent of the affected ~~Eurodollar Rate~~**Term SOFR** Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of ABR Loans (subject to the foregoing clause (y)) in the amount specified therein.

Notwithstanding anything else herein, any definition of ~~LIBOR~~ Successor Rate shall provide that in no event shall such ~~LIBOR~~ Successor Rate be less than zero for purposes of this Agreement.

In connection with the implementation of a ~~LIBOR~~ Successor Rate, the Administrative Agent will have the right to make ~~LIBOR Successor Rate~~ Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such ~~LIBOR Successor Rate~~ Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such ~~LIBOR Successor Rate~~ Conforming Changes to the Lenders reasonably promptly after such amendment becomes effective

Section 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or Issuing Bank; or

(ii) subject the Administrative Agent, any Lender or the Issuing Bank to any Tax with respect to any Loan Document (other than (i) Indemnified Taxes and Other Taxes indemnifiable under Section 2.17 or (ii) Excluded Taxes); or

(iii) impose on any Lender or Issuing Bank ~~or the London or other relevant interbank market~~ any other condition affecting this Agreement or ~~Eurodollar~~**Term SOFR** Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any ~~Eurodollar~~ Loan or of maintaining its obligation to make any such Loan or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder, whether of principal, interest or otherwise, then the applicable Borrower will pay to the Administrative Agent, such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate the Administrative Agent such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans or Commitments made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such

Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower shall pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company, as applicable, as specified in clause (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error; provided, that any such certificate claiming amounts described in clause (x) or (y) of the definition of "Change in Law" shall, in addition, state the basis upon which such amount has been calculated and certify that such Lender's or Issuing Bank's demand for payment of such costs hereunder, and such method of allocation is not inconsistent with its treatment of other borrowers, which as a credit matter, are similarly situated to the Borrower and which are subject to similar provisions. The Borrower shall pay such Lender or Issuing Bank, as applicable, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender or Issuing Bank has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender or Issuing Bank shall notify the Borrower thereof. Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided, that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any ~~Eurodollar~~**Term SOFR** Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.10 or 2.11), (b) the conversion of any ~~Eurodollar~~**Term SOFR** Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any ~~Eurodollar~~**Term SOFR** Loan on the date specified in any notice delivered pursuant hereto (whether or not such notice may be revoked under Section 2.10(c)) or (d) the assignment of any ~~Eurodollar~~**Term SOFR** Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall

compensate each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at ~~the Eurodollar Rate~~**Term SOFR** that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at ~~the interest rate which such Lender would bid were it to bid~~**Term SOFR**, at the commencement of such period~~, for deposits in Dollars of a comparable amount and period from other banks in the Eurodollar market~~ **with a tenor of at least as long as such period**. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.17 Taxes.

(a) Any and all payments made by or on behalf of a Loan Party under this Agreement or any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; provided, that if a Loan Party, the Administrative Agent or any other applicable withholding agent shall be required by applicable Requirement of Law to deduct or withhold any Taxes from such payments, then (i) the applicable withholding agent shall make such deductions or withholdings as are reasonably determined by the applicable withholding agent to be required by any applicable Requirement of Law, (ii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with applicable Requirement of Law, and (iii) to the extent withholding or deduction is required to be made on account of Indemnified Taxes or Other Taxes, the sum payable by the Loan Party shall be increased as necessary so that after all required deductions and withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 2.17) the Administrative Agent or any Lender, as applicable, receives an amount equal to the sum it would have received had no such deductions or withholdings been made. Whenever any Indemnified Taxes or Other Taxes are payable by a Loan Party, as promptly as possible thereafter, such Loan Party shall send to the Administrative Agent for its own account or for the account of a Lender, as the case may be, a copy of an official receipt (or other evidence acceptable to the Administrative Agent or such Lender, acting reasonably) received by the Loan Party showing payment thereof. Without duplication, after any payment of Taxes by any Loan Party or the Administrative Agent to a Governmental Authority as provided in this Section 2.17, the Borrower shall deliver to the Administrative Agent or the Administrative Agent shall deliver to the Borrower, as the case may be, a copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by applicable Requirements of Law to report such payment or other evidence of such payment reasonably satisfactory to the Borrower or the Administrative Agent, as the case may be.

(b) The Borrower shall timely pay any Other Taxes imposed on or incurred by the Administrative Agent or any Lender to the relevant Governmental Authority in accordance with applicable law.

(c) The Borrower shall, without duplication of any additional amounts paid pursuant to Section 2.17(a)(iii) or any amounts paid pursuant to Section 2.17(b), indemnify and hold harmless the Administrative Agent and each Lender within fifteen (15) Business Days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes imposed on the Administrative Agent or such Lender, as applicable, as the case may be (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent (as applicable) on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) Any Lender that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time(s) and in the manner(s) prescribed by applicable law or reasonably requested by the Borrower such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate. Notwithstanding anything to the contrary in the preceding sentence, the completion, execution and submission of such documentation shall only be required to the extent the relevant Lender is legally eligible to do so.

Each person that shall become a Participant pursuant to Section 9.04 or a Lender pursuant to Section 9.04 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 2.17(d) and Section 2.17(f); provided, that a Participant shall furnish all such required forms and statements to the participating Lender.

(i) Each Lender and Administrative Agent that is a U.S. Person (other than persons that are corporations or otherwise exempt from United States backup withholding Tax), shall deliver at the time(s) and in the manner(s) prescribed by applicable law or reasonably requested by the Borrower, to the Borrower and the Administrative Agent (as applicable), a properly completed and duly executed United States Internal Revenue Form W-9 or any successor form, certifying that such person is exempt from United States backup withholding Tax on payments made hereunder.

(ii) Without limiting the foregoing:

(A) any Foreign Lender shall, to the extent it is legally eligible to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. Federal Tax purposes, the person treated as its owner for U.S. Federal Tax purposes) eligible for the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, duly completed and executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such Tax treaty and (y) with respect to any other applicable payments under any Loan Document, duly completed and executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such Tax treaty;

(2) duly completed and executed originals of IRS Form W-8ECI with respect to such Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. Federal Tax purposes, with respect to the person treated as its owner for U.S. Federal Tax purposes);

(3) in the case of a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. Federal Tax purposes, the person treated as its owner for Federal Tax purposes) entitled to the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) duly completed and executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable; or

(4) to the extent a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. Federal Tax purposes, the person treated as its owner for U.S. Federal Tax purposes) is not the beneficial owner of such payments, duly completed and executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-1 or Exhibit J-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided, that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-4 on behalf of each such direct and indirect partner.

(iii) Each Lender (A) shall promptly notify the Borrower and the Administrative Agent of any change in circumstance which would modify or render invalid any claimed exemption or reduction, and (B) agrees that if any form or certification it previously delivered pursuant to this Section 2.17 expires or becomes inaccurate in any respect, it shall promptly (x) update such form or certification or (y) notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(e) If any Lender or the Administrative Agent, as applicable, determines in good faith that it has received a refund of an Indemnified Tax or Other Tax for which a payment has been made by a Loan Party pursuant to this Agreement or any other Loan Document, which refund in the good faith judgment of such Lender or the Administrative Agent, as the case may be, is attributable to such payment made by such Loan Party, then the Lender or the Administrative Agent, as the case may be, shall reimburse the Loan Party for such amount (net of all reasonable out-of-pocket expenses of such Lender or the Administrative Agent, as the case may be, and without interest other than any interest received thereon from the relevant Governmental Authority with respect to such refund) as the Lender or Administrative Agent, as the case may be, determines in good faith to the be the portion of the refund as will leave it, after such reimbursement, in no better or worse position (taking into account expenses or any Taxes imposed on the refund) than it would have been in if the Indemnified Tax or Other Tax giving rise to such refund had not been imposed in the first instance; provided, that the Loan Party, upon the request of

the Lender or the Administrative Agent agrees to repay the amount paid over to the Loan Party (plus any penalties, interest (solely with respect to the time period during which the Loan Party actually held such funds, except to the extent that the refund was initially claimed at the written request of such Loan Party) or other charges imposed by the relevant Governmental Authority) to the Lender or the Administrative Agent in the event the Lender or the Administrative Agent is required to repay such refund to such Governmental Authority. In such event, such Lender or the Administrative Agent, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided, that such Lender or the Administrative Agent may delete any information therein that it deems confidential). A Lender or the Administrative Agent shall claim any refund that it determines is available to it, unless it concludes in its reasonable discretion that it would be adversely affected by making such a claim. No Lender nor the Administrative Agent shall be obliged to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party in connection with this clause (e) or any other provision of this Section 2.17.

(f) If a payment made to any Lender or any Agent under this Agreement or any other Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender or such Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender or such Agent shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.17(f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(g) The agreements in this Section 2.17 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable under any Loan Document.

For purposes of this Section 2.17, the term "Lender" includes any Issuing Bank and the term "applicable Requirement of Law" includes FATCA.

Section 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of any disbursement under any Letter of Credit, or of amounts payable under Sections 2.15, 2.16 or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except payments to be made directly to the applicable Issuing Bank or the Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. Except as otherwise expressly provided herein, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments made under the Loan Documents shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) [Reserved].

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of, or interest on, any of its Term Loans, Revolving Facility Loans or participations in any disbursement under any Letter of Credit or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans, Revolving Facility Loans and participations in any disbursement under any Letter of Credit and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Term Loans, Revolving Facility Loans and participations in any disbursement under any Letter of Credit and Swingline Loans of such Class of such other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders ratably in accordance with the principal amount of each such Lender's respective Term Loans, Revolving Facility Loans and participations in any disbursement under any Letter of Credit and Swingline Loans and accrued interest thereon; provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this clause (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment

obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in any disbursement under any Letter of Credit to any assignee or participant. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the relevant Lenders or the applicable Issuing Bank hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the relevant Lenders or the applicable Issuing Bank, as applicable, the amount due.

(e) In such event, if the Borrower has not in fact made such payment, then each of the relevant Lenders or the applicable Issuing Bank, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(f) ~~(c)~~ Subject to Section 2.24, if any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(b), 2.05(d) or (e), 2.06, or 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section 2.18; in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

Section 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or mitigate the applicability of Section 2.20 or any event that gives rise to the operation of Section 2.20, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15 (in excess of that being charged by other Lenders under the applicable Facility) or gives notice under Section 2.20, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 (in a material amount in excess of that being charged by other Lenders), or (iii) any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require any such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under the Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided, that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and, if in respect of any Revolving Facility Commitment, the Swingline Lender and each Issuing Bank), to the extent consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable, which consent, in each case, shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in any disbursement under any Letter of Credit and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15, payments required to be made pursuant to Section 2.17 or a notice given under Section 2.20, such assignment will result in a reduction in such compensation or payments and (iv) such assignment does not conflict with any applicable Requirement of Law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender. No action by or consent of the removed Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such removed Lender and the replacement Lender shall otherwise comply with Section 9.04, provided, that if such removed Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 (but only on the part of the removed Lender) shall not be required to effect such assignment.

(c) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver or consent which pursuant to the terms of Section 9.08 requires the consent of all Lenders or all of the Lenders adversely affected and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) at its sole expense (including with respect to the processing and recordation fee referred to in Section 9.04(b)(ii)(C)) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to (and any such Non-Consenting Lender agrees that it shall, upon the Borrower's request) assign its Loans and its Commitments (or, at the Borrower's option, the Loans and Commitments under the Facility that is the subject of the proposed amendment, waiver or consent) hereunder to one or more assignees reasonably acceptable to (i) the Administrative Agent (unless, in the case of a Term Loan, such assignee is a Lender, an Affiliate of a Lender or an Approved Fund) and (ii) if in respect of any Revolving Facility Commitment, the Swingline Lender and the Issuing Bank; provided, that: (i) all Loan Obligations of the Borrower owing to such Non-Consenting Lender being replaced in respect of the assigned interest shall be paid in full in same day funds to such Non-Consenting Lender concurrently with such assignment, (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon and the Borrower shall pay any amount required by Section 2.12(d), if applicable, and (iii) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver or consent. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such Non-Consenting Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 (but only on the part of the Non-Consenting Lender) shall not be required to effect such assignment.

Section 2.20 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Restatement Effective Date that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund any ~~Eurodollar~~**Term SOFR** Loans, or to determine or charge interest rates based upon ~~the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market~~**Term SOFR,** then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligations of such Lender to make or continue ~~Eurodollar~~**Term SOFR** Loans or to convert ABR Borrowings to ~~Eurodollar~~**Term SOFR** Borrowings shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the ~~Eurodollar Rate~~**Term SOFR** component of the ABR, the interest rate on which ABR Loans of such Lender shall, if necessary to

avoid such illegality, be determined by the Administrative Agent without reference to the ~~Eurodollar Rate~~**Term SOFR** component of the ABR, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent), convert all ~~Eurodollar~~**Term SOFR** Borrowings of such Lender to ABR Borrowings (the interest rate on such ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the ~~Eurodollar Rate~~**Term SOFR** component of the ABR), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such ~~Eurodollar~~**Term SOFR** Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon ~~the Eurodollar Rate~~**Term SOFR**, the Administrative Agent shall during the period of such suspension compute the ABR applicable to such Lender without reference to the ~~Eurodollar Rate~~**Term SOFR** component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon ~~the Eurodollar Rate~~**Term SOFR**. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 2.21 Incremental Commitments.

(a) After the Restatement Effective Date has occurred, the Borrower may, by written notice to the Administrative Agent from time to time, request Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments, as applicable, in an amount not to exceed the Incremental Amount available at the time such Incremental Term Loans are funded or Incremental Revolving Facility Commitments are established (except as set forth in clause (C) of the third paragraph under Section 6.01 **of this Agreement as in effect immediately prior to the Amendment Agreement Effective Date**) from one or more Incremental Term Lenders and/or Incremental Revolving Facility Lenders (which, in each case, may include any existing Lender, but shall be required to be persons which would qualify as assignees of a Lender in accordance with Section 9.04) willing to provide such Incremental Term Loans and/or Incremental Revolving Facility Commitments, as the case may be, in their sole discretion; provided, that each Incremental Revolving Facility Lender providing a commitment to make revolving loans shall be subject to the approval of the Administrative Agent and, to the extent the same would be required for an assignment under Section 9.04, the Issuing Bank and the Swingline Lender (which approvals shall not be unreasonably withheld, conditioned or delayed). Such notice shall set forth (i) the amount of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments being requested (which shall be in minimum increments of $5,000,000 and a minimum amount of $10,000,000, or equal to the remaining Incremental Amount or, in each case, such lesser amount approved by the Administrative Agent), (ii) the date on which such Incremental Term Loan Commitments and/or

Incremental Revolving Facility Commitments are requested to become effective, (iii) in the case of Incremental Term Loan Commitments, whether such Incremental Term Loan Commitments are to be (x) commitments to make term loans with terms identical to (and which shall together with any then outstanding Term A Loans, Term A-1 Loans or Term B Loans, as applicable, form a single Class of) Term A Loans, Term A-1 Loans or Term B Loans or (y) commitments to make term loans with pricing, maturity, amortization, participation in mandatory prepayments and/or other terms different from the Term A Loans, Term A-1 Loans and Term B Loans ("Other Incremental Term Loans").

(b) The Borrower and each Incremental Term Lender and/or Incremental Revolving Facility Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of such Incremental Term Lender and/or Incremental Revolving Facility Commitment of such Incremental Revolving Facility Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans and/or Incremental Revolving Facility Commitments; provided, that:

(i) any (x)(A) commitments to make additional Term B Loans shall have the same terms as the Term B Loans, and shall form part of the same Class as the Term B Loans, (B) commitments to make additional Term A Loans shall have the same terms as the Term A Loans, and shall form part of the same Class as the Term A Loans (and shall only be permitted to the extent they are primarily syndicated to regulated banks in the primary syndication thereof) and (C) commitments to make additional Term A-1 Loans shall have the same terms as the Term A-1 Loans, and shall form part of the same Class as the Term A-1 Loans (and shall only be permitted to the extent they are primarily syndicated to regulated banks in the primary syndication thereof) and (y) Incremental Revolving Facility Commitments shall have the same terms as the then outstanding Class of Revolving Facility Commitments (or, if more than one Class of Revolving Facility Commitments is then outstanding, the Revolving Facility Commitments with the then latest Revolving Facility Maturity Date) and shall require no scheduled amortization or mandatory commitment reduction prior to the Maturity Date of all then outstanding Revolving Facility Commitments,

(ii) the Other Incremental Term Loans incurred pursuant to this Section 2.21 shall rank equally and ratably in right of security with the Term A Loans and Term B Loans,

(iii) (x)(1) other than with respect to Permitted Earlier Maturity Debt, the final maturity date of any Incremental Term A Loans shall be no earlier than the Term A Maturity Date in effect at the date of incurrence of such Incremental Term A Loans and (2) subject to clause (i) above, except as to pricing, amortization, final maturity date and participation in mandatory prepayments (which shall, subject to the other clauses of this proviso, be determined by the Borrower and the Incremental Term Lenders in their sole discretion), shall have terms that (as determined by the Borrower in good faith) are no more restrictive, taken as a whole, to the Borrower and its Subsidiaries, than the Term A Loans or such other terms as shall be reasonably satisfactory to the Administrative Agent and (y)(1) other than with respect to Permitted Earlier Maturity Debt, the final maturity date of any Incremental Term Loans that are not additional Term A Loans, additional Term A-1 Loans, additional Term B Loans or Incremental Term A Loans shall be no earlier than the Term B Maturity Date in effect at the date of incurrence of such Incremental Term Loans and (2) except as to pricing, amortization, final maturity date and participation in mandatory prepayments (which shall, subject to the other clauses of this proviso, be determined by the Borrower and the Incremental Term Lenders in their sole discretion), shall have the terms that (as determined by the Borrower in good faith) are no more restrictive, taken as a whole, to the Borrower and its Subsidiaries, than the Term B Loans or such other terms as shall be reasonably satisfactory to the Administrative Agent,

(iv) other than Permitted Earlier Maturity Debt, (x) the Weighted Average Life to Maturity of any Incremental Term A Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term A Loans and (y) the Weighted Average Life to Maturity of any Incremental Term Loans that are not additional Term A Loans, additional Term B Loans or Incremental Term A Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term B Loans,

(v) with respect to any Other Incremental Term Loan incurred prior to the date that is 12 months after the Restatement Effective Date, the All-in Yield shall be as agreed by the respective Incremental Term Lenders and the Borrower, except that the All-in Yield in respect of any such Other Incremental Term Loan may exceed the All-in Yield in respect of the Term B Loans by no more than 0.50%, or if it does so exceed such All-in Yield (such difference, the "Term Yield Differential") then the Applicable Margin (or the "LIBOR floor" as provided in the following proviso) applicable to such Term B Loans shall be increased such that after giving effect to such increase, the Term Yield Differential shall not exceed 0.50%; provided, that to the extent any portion of the Term Yield Differential is attributable to a higher "LIBOR floor" being applicable to such Other Incremental Term Loans, such floor shall only be included in the calculation of the Term Yield Differential to the extent such floor is greater than the Eurodollar Rate in effect for an Interest Period of three months' duration at such time, and, with respect to such excess, the "LIBOR floor" applicable to the outstanding Term B Loans shall be increased to an amount not to exceed the "LIBOR floor" applicable to such Other Incremental Term Loans prior to any increase in the Applicable Margin applicable to such Term B Loans then outstanding (this clause (v), the "MFN Provision"),

(vi) such Other Incremental Term Loans may require participation on a pro rata basis or a less than pro rata basis (but not a greater than pro rata basis) with the Term A Loans, Term A-1 Loans and Term B Loans in any mandatory prepayment hereunder,

(vii) there shall be no borrower (other than the Borrower) or guarantor (other than the Guarantors) in respect of any Incremental Term Loan Commitments or Incremental Revolving Facility Commitments,

(viii) Other Incremental Term Loans and Incremental Revolving Facility Commitments shall not be secured by any asset of the Borrower or its Subsidiaries other than the Collateral, and

(ix) the Borrower shall be in compliance with the Financial Covenants (if applicable) at the time of the incurrence of such Incremental Term Loans and/or Incremental Revolving Facility Commitments on a Pro Forma Basis for the then most recently ended Test Period.

Each party hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments evidenced thereby as provided for in Section 9.08(e). Any amendment to this Agreement or any other Loan Document that is necessary to effect the provisions of this Section 2.21 and any such collateral and other documentation shall be deemed "Loan Documents" hereunder and may be memorialized in writing by the Administrative Agent with the Borrower's consent (not to be unreasonably withheld) and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Term Loan Commitment or Incremental Revolving Facility Commitment shall become effective under this Section 2.21 unless (i) no Default or Event of Default shall exist; provided, that in the event that any tranche of Incremental Term Loans is used to finance a Limited Condition Transaction, (A) to the extent the Incremental Term Lenders participating in such tranche of Incremental Term Loans agree, the foregoing clause (i) and clause (ix) of the preceding paragraph (b) shall be tested at the time of the execution of the acquisition agreement, the declaration of the dividend by the Board of Directors of the Borrower or the applicable Subsidiary or the giving of the irrevocable notice of repayment or redemption, as applicable related to such Limited Condition Transaction (provided, that such Incremental Term Lenders shall not be permitted to waive any Default or Event of Default then existing or existing after giving effect to such tranche of Incremental Term Loans) and (B) no Event of Default shall exist under Section 7.01(a) or, with respect to the Borrower only, under Sections 7.01(h) or 7.01(i) at the time such Incremental Term

Loans are incurred; (ii) the representations and warranties of the Borrower set forth in this Agreement shall be true and correct in all material respects (other than to the extent qualified by materiality or "Material Adverse Effect," in which case, such representations and warranties shall be true and correct); provided, that in the event that the tranche of Incremental Term Loans is used to finance a Limited Condition Transaction and to the extent the Incremental Term Lenders participating in such tranche of Incremental Term Loans agree, the foregoing clause (ii) shall be limited to the Specified Representations (with the representation in Section 3.18 made on the date of funding of such Incremental Term Loans and after giving effect to such Limited Condition Transaction and other transactions on such date in connection therewith) and those representations of the seller or the target company (as applicable) included in the acquisition agreement related to the person or business to be acquired that are material to the interests of the Lenders and only to the extent that the Borrower or its applicable Subsidiary has the right to terminate its obligations under such acquisition agreement as a result of a failure of such representations to be accurate; and (iii) the Administrative Agent shall have received documents and legal opinions consistent with those delivered on the Restatement Effective Date as to such matters as are reasonably requested by the Administrative Agent. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Assumption Agreement.

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that (i) all Incremental Term Loans (other than Other Incremental Term Loans), when originally made, are included in each Borrowing of the outstanding applicable Class of Term Loans on a pro rata basis, and (ii) all Revolving Facility Loans in respect of Incremental Revolving Facility Commitments, when originally made, are included in each Borrowing of the applicable Class of outstanding Revolving Facility Loans on a pro rata basis. The Borrower agrees that Section 2.16 shall apply to any conversion of ~~Eurodollar~~**Term SOFR** Loans to ABR Loans reasonably required by the Administrative Agent to effect the foregoing.

(e) Notwithstanding anything to the contrary in this Agreement: (1) this Section 2.21 is for the benefit of the Borrower and shall be applicable to a transaction only at the Borrower's express election (provided the requirements of this Section 2.21 are otherwise met); and (2) the Transaction Support Agreement Transactions were not implemented pursuant to this Section 2.21 and this Section 2.21 does not and will not apply to the Transaction Support Agreement Transactions.

Section 2.22 Extensions of Loans and Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to this Section 2.22), pursuant to one or more offers made from time to time by the Borrower to all Lenders of any Class of Term Loans and/or Revolving Facility Commitments on a pro rata basis (based, in the case of an offer to the Lenders under any Class of Term Loans, on the aggregate outstanding Term Loans of such Class and, in the case of an offer to the Lenders under any Revolving Facility, on the aggregate outstanding Revolving Facility Commitments under such Revolving Facility, as applicable), and on the same terms to each such Lender ("Pro Rata Extension Offers"), the Borrower is hereby permitted to consummate transactions with individual Lenders that agree to such transactions from time to time to extend the maturity date of such Lender's Loans and/or Commitments of such Class and to otherwise modify the terms of such Lender's Loans and/or Commitments of such Class pursuant to the terms of the relevant Pro Rata Extension Offer (including, without limitation, increasing the interest rate or fees payable in respect of such Lender's Loans and/or Commitments and/or modifying the amortization schedule in respect of such Lender's Loans). For the avoidance of doubt, the reference to "on the same terms" in the preceding sentence shall mean, (i) in the case of an offer to the Lenders under any Class of Term Loans, that all of the Term Loans of such Class are offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same and (ii) in the case of an offer to the Lenders under any Revolving Facility, that all of the Revolving Facility Commitments of such Facility are offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same. Any such extension (an "Extension") agreed to between the Borrower and any such Lender (an "Extending Lender") will be established under this Agreement by implementing an Other Term Loan for such Lender if such Lender is extending an existing Term Loan (such extended Term Loan, an "Extended Term Loan") or an Other Revolving Facility Commitment for such Lender if such Lender is extending an existing Revolving Facility Commitment (such extended Revolving Facility Commitment, an "Extended Revolving Facility Commitment," and any Revolving Facility Loan made pursuant to such Extended Revolving Facility Commitment, an "Extended Revolving Loan"). Each Pro Rata Extension Offer shall specify the date on which the Borrower proposes that the Extended Term Loan shall be made or the proposed Extended Revolving Facility Commitment shall become effective, which shall be a date not earlier than five (5) Business Days after the date on which notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion).

(b) The Borrower and each Extending Lender shall execute and deliver to the Administrative Agent an amendment to this Agreement (an "Extension Amendment") and such other documentation as the Administrative Agent shall reasonably specify to evidence the Extended Term Loans and/or Extended Revolving Facility Commitments of such Extending Lender. Each Extension Amendment shall specify the terms of the applicable Extended Term Loans and/or Extended Revolving Facility Commitments; provided, that (i) except as to interest rates, fees and any other pricing terms, and amortization, final maturity date and participation in prepayments and commitment reductions (which shall, subject to clauses (ii) and (iii) of this proviso, be determined by the Borrower and set forth in the Pro Rata Extension Offer), the Extended Term Loans shall

have the same terms as the existing Class of Term Loans from which they are extended except for any terms which shall not apply until after the then Latest Maturity Date, (ii) the final maturity date of any Extended Term Loans shall be no earlier than the Term Facility Maturity Date of the Class of Term Loans subject to such Pro Rata Extension Offer, (iii) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Class of Term Loans to which such offer relates, (iv) except as to interest rates, fees, any other pricing terms and final maturity (which shall be determined by the Borrower and set forth in the Pro Rata Extension Offer), any Extended Revolving Facility Commitment shall have the same terms as the existing Class of Revolving Facility Commitments from which they are extended except for any terms which shall not apply until after the then Latest Maturity Date and, in respect of any other terms that would affect the rights or duties of any Issuing Bank or Swingline Lender, such terms as shall be reasonably satisfactory to such Issuing Bank or Swingline Lender, and (v) any Extended Term Loans may require participation on a pro rata basis or a less than pro rata basis (but not a greater than pro rata basis) than the Term A Loans, Term A-1 Loans and Term B Loans in any mandatory prepayment hereunder. Upon the effectiveness of any Extension Amendment, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Extended Term Loans and/or Extended Revolving Facility Commitments evidenced thereby as provided for in Section 9.08(e). Any such deemed amendment may be memorialized in writing by the Administrative Agent with the Borrower's consent (not to be unreasonably withheld) and furnished to the other parties hereto. If provided in any Extension Amendment with respect to any Extended Revolving Facility Commitments, and with the consent of the Swingline Lender and each Issuing Bank, participations in Swingline Loans and Letters of Credit shall be reallocated to lenders holding such Extended Revolving Facility Commitments in the manner specified in such Extension Amendment, including upon effectiveness of such Extended Revolving Facility Commitment or upon or prior to the maturity date for any Class of Revolving Facility Commitments.

(c) Upon the effectiveness of any such Extension, the applicable Extending Lender's Term Loan will be automatically designated an Extended Term Loan and/or such Extending Lender's Revolving Facility Commitment will be automatically designated an Extended Revolving Facility Commitment. For purposes of this Agreement and the other Loan Documents, (i) if such Extending Lender is extending a Term Loan, such Extending Lender will be deemed to have an Other Term Loan having the terms of such Extended Term Loan and (ii) if such Extending Lender is extending a Revolving Facility Commitment, such Extending Lender will be deemed to have an Other Revolving Facility Commitment having the terms of such Extended Revolving Facility Commitment.

(d) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.22), (i) no Extended Term Loan or Extended Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (ii) any Extending Lender may extend all or any portion of its Term Loans and/or Revolving Facility Commitment pursuant to one or more Pro Rata Extension Offers (subject to applicable proration in the case of over participation) (including the extension of any Extended Term Loan and/or Extended Revolving Facility Commitment), (iii) there shall be no condition to any Extension of any Loan or Commitment at any time or from time to time other than notice to the Administrative Agent of such Extension and the terms of the Extended Term Loan or Extended Revolving Facility Commitment implemented thereby, (iv) all Extended Term Loans, Extended Revolving Facility Commitments and all obligations in respect thereof shall be Loan Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents that rank equally and ratably in right of security with all other Obligations of the Class being extended (and all other Obligations secured by Other First Liens), (v) no Issuing Bank or Swingline Lender shall be obligated to provide Swingline Loans or issue Letters of Credit under such Extended Revolving Facility Commitments unless it shall have consented thereto and (vi) there shall be no borrower (other than the Borrower) and no guarantors (other than the Guarantors) in respect of any such Extended Term Loans or Extended Revolving Facility Commitments.

(e) Each Extension shall be consummated pursuant to procedures set forth in the associated Pro Rata Extension Offer; provided, that the Borrower shall cooperate with the Administrative Agent prior to making any Pro Rata Extension Offer to establish reasonable procedures with respect to mechanical provisions relating to such Extension, including, without limitation, timing, rounding and other adjustments.

(f) Notwithstanding anything to the contrary in this Agreement: (1) this Section 2.22 is for the benefit of the Borrower and shall be applicable to a transaction only at the Borrower's express election (provided the requirements of this Section 2.22 are otherwise met); and (2) the Transaction Support Agreement Transactions were not implemented pursuant to this Section 2.22 and this Section 2.22 does not and will not apply to the Transaction Support Agreement Transactions.

Section 2.23 Refinancing Amendments.

(a) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to this Section 2.23), the Borrower may by written notice to the Administrative Agent at any time after the Restatement Effective Date establish one or more additional tranches of term loans under this Agreement (such loans, "Refinancing Term Loans"), all Net Proceeds of which are used to Refinance in whole or in part any Class of Term Loans ~~pursuant to Section 2.11(b)(2)~~ or any Indebtedness of LVLT, QC, Embarq or any of their respective Subsidiaries that is included in "Consolidated Priority Debt" (and, in the case of revolving Indebtedness, to correspondingly reduce commitments). Each such notice shall specify the date (each, a "Refinancing Effective Date") on which the Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not earlier than five (5) Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its sole discretion); provided, that:

(i) after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date each of the conditions set forth in Section 4.03 shall be satisfied;

(ii) other than Permitted Earlier Maturity Debt, the final maturity date of the Refinancing Term Loans shall be no earlier than the earlier of (x) the final maturity date of the refinanced Indebtedness and (y) the 91st day following the Latest Maturity Date in effect at the time of incurrence thereof;

(iii) other than Permitted Earlier Maturity Debt, the Weighted Average Life to Maturity of such Refinancing Term Loans shall be no shorter than the lesser of (x) the then-remaining Weighted Average Life to Maturity of the refinanced Indebtedness and (y) 91 days after the Weighted Average Life to Maturity of the Class of Term Loans then outstanding with the greatest remaining Weighted Average Life to Maturity;

(iv) the aggregate principal amount of the Refinancing Term Loans shall not exceed the outstanding principal amount of the refinanced Indebtedness plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith;

(v) all other terms applicable to such Refinancing Term Loans (other than provisions relating to original issue discount, upfront fees, interest rates and any other pricing terms and optional prepayment or mandatory prepayment terms, which shall be as agreed between the Borrower and the Lenders providing such Refinancing Term Loans) shall be substantially similar to, or (as determined by the Borrower in good faith) no more restrictive, taken as a whole, to the Borrower and its Subsidiaries than the terms applicable to the Term B Loans or, if applicable, the Term Loans being refinanced or, with respect to any such Refinancing Term Loans with amortization in excess of 1.0% per year that are being primarily syndicated to regulated banks in the primary syndication thereof and that are used to Refinance in whole or in part any Indebtedness of LVLT, QC, Embarq or their respective Subsidiaries, the Term A Loans (except, in each case, to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date or are otherwise reasonably acceptable to the Administrative Agent);

(vi) there shall be no borrower (other than the Borrower) and no guarantors (other than the Guarantors) in respect of such Refinancing Term Loans;

(vii) Refinancing Term Loans shall not be secured by any asset of the Borrower and its subsidiaries other than the Collateral; and

(viii) Refinancing Term Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis) in any mandatory prepayments ~~(other than as provided otherwise in the case of such prepayments pursuant to Section 2.11(b)(2))~~ hereunder, as specified in the applicable Refinancing Amendment.

(b) The Borrower may approach any Lender or any other person that would be a permitted Assignee pursuant to Section 9.04 to provide all or a portion of the Refinancing Term Loans; provided, that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated an additional Class of Term Loans for all purposes of this Agreement; provided, further, that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Amendment governing such Refinancing Term Loans, be designated as an increase in any previously established Class of Term Loans made to the Borrower.

(c) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to this Section 2.23), the Borrower may by written notice to the Administrative Agent at any time after the Restatement Effective Date establish one or more additional Facilities (each, a "Replacement Revolving Facility") providing for revolving commitments ("Replacement Revolving Facility Commitments" and the revolving loans thereunder, "Replacement Revolving Loans"), which replace in whole or in part any Class of Revolving Facility Commitments under this Agreement. Each such notice shall specify the date (each, a "Replacement Revolving Facility Effective Date") on which the Borrower proposes that the Replacement Revolving Facility Commitments shall become effective, which shall be a date not less than five (5) Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion); provided, that: (i) after giving effect to the establishment of such Replacement Revolving Facility Commitments on the Replacement Revolving Facility Effective Date, each of the conditions set forth in Section 4.03 shall be satisfied; (ii) after giving effect to the establishment of any Replacement Revolving Facility Commitments and any concurrent reduction in the aggregate amount of any other Revolving Facility Commitments, the aggregate amount of Revolving Facility Commitments shall not exceed the aggregate amount of the Revolving Facility Commitments outstanding immediately prior to the applicable Replacement Revolving Facility Effective Date plus amounts used to pay fees, premiums, costs and expenses (including upfront fees) and accrued interest associated therewith; (iii) other than Permitted Earlier Maturity Debt, no Replacement Revolving Facility Commitments shall have a final maturity date (or require commitment reductions or

amortizations) prior to the Revolving Facility Maturity Date for the Revolving Facility Commitments being replaced; (iv) all other terms applicable to such Replacement Revolving Facility (other than provisions relating to (x) fees, interest rates and other pricing terms and prepayment and commitment reduction and optional redemption terms which shall be as agreed between the Borrower and the Lenders providing such Replacement Revolving Facility Commitments and (y) the amount of any letter of credit sublimit and swingline commitment under such Replacement Revolving Facility, which shall be as agreed between the Borrower, the Lenders providing such Replacement Revolving Facility Commitments, the Administrative Agent and the replacement issuing bank and replacement swingline lender, if any, under such Replacement Revolving Facility Commitments) shall be substantially similar to, or (as determined by the Borrower in good faith) no more restrictive, taken as a whole, to the Borrower and its Subsidiaries than, those applicable to the Revolving Facility Commitments so replaced (except to the extent such covenants and other terms apply solely to any period after the latest Revolving Facility Maturity Date in effect at the time of incurrence or are otherwise reasonably acceptable to the Administrative Agent); (v) there shall be no borrower (other than the Borrower) and no guarantors (other than the Guarantors) in respect of such Replacement Revolving Facility; and (vi) Replacement Revolving Facility Commitments and extensions of credit thereunder shall not be secured by any asset of the Borrower and its subsidiaries other than the Collateral. In addition, the Borrower may establish Replacement Revolving Facility Commitments to refinance and/or replace all or any portion of a Term Loan hereunder (regardless of whether such Term Loan is repaid with the proceeds of Replacement Revolving Loans or otherwise), so long as the aggregate amount of such Replacement Revolving Facility Commitments does not exceed the aggregate amount of Term Loans repaid at the time of establishment thereof plus amounts used to pay fees, premiums, costs and expenses (including upfront fees) and accrued interest associated therewith (it being understood that such Replacement Revolving Facility Commitment may be provided by the Lenders holding the Term Loans being repaid and/or by any other person that would be a permitted Assignee hereunder) so long as (i) after giving effect to the establishment such Replacement Revolving Facility Commitments on the Replacement Revolving Facility Effective Date each of the conditions set forth in Section 4.03 shall be satisfied to the extent required by the relevant agreement governing such Replacement Revolving Facility Commitments, (ii) other than Permitted Earlier Maturity Debt, the remaining life to termination of such Replacement Revolving Facility Commitments shall be no shorter than the Weighted Average Life to Maturity then applicable to the refinanced Term Loans, (iii) other than Permitted Earlier Maturity Debt, the final termination date of the Replacement Revolving Facility Commitments shall be no earlier than the Term Facility Maturity Date of the refinanced Term Loans, (iv) such Replacement Revolving Loans shall be secured by Liens on Collateral that rank pari passu in right of security to the other Loans, (v) there shall be no borrower (other than the Borrower) and no guarantors (other than the Guarantors) in respect of such Replacement Revolving Facility; and (vi) all other terms applicable to such Replacement Revolving Facility (other than provisions relating to (x) fees, interest rates and other pricing terms and prepayment and commitment reduction

and optional redemption terms which shall be as agreed between the Borrower and the Lenders providing such Replacement Revolving Facility Commitments and (y) the amount of any letter of credit sublimit and swingline commitment under such Replacement Revolving Facility, which shall be as agreed between the Borrower, the Lenders providing such Replacement Revolving Facility Commitments, the Administrative Agent and the replacement issuing bank and replacement swingline lender, if any, under such Replacement Revolving Facility Commitments) shall be substantially similar to, or (as determined by the Borrower in good faith) no more restrictive, taken as a whole, to the Borrower and its Subsidiaries than those applicable to the then effective Revolving Facilities (except to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date or are otherwise reasonably acceptable to the Administrative Agent). Solely to the extent that an Issuing Bank or Swingline Lender is not a replacement issuing bank or replacement swingline lender, as the case may be, under a Replacement Revolving Facility, it is understood and agreed that such Issuing Bank or Swingline Lender shall not be required to issue any letters of credit or swingline loan under such Replacement Revolving Facility and, to the extent it is necessary for such Issuing Bank or Swingline Lender to withdraw as an Issuing Bank or Swingline Lender, as the case may be, at the time of the establishment of such Replacement Revolving Facility, such withdrawal shall be on terms and conditions reasonably satisfactory to such Issuing Bank or Swingline Lender, as the case may be, in its sole discretion. The Borrower agrees to reimburse each Issuing Bank or Swingline Lender, as the case may be, in full upon demand, for any reasonable and documented out-of-pocket cost or expense attributable to such withdrawal.

(d) The Borrower may approach any Lender or any other person that would be a permitted Assignee of a Revolving Facility Commitment pursuant to Section 9.04 to provide all or a portion of the Replacement Revolving Facility Commitments (subject to receipt of any consents that would be required for an assignment of Revolving Facility Commitments to such person pursuant to Section 9.04); provided, that any Lender offered or approached to provide all or a portion of the Replacement Revolving Facility Commitments may elect or decline, in its sole discretion, to provide a Replacement Revolving Facility Commitment. Any Replacement Revolving Facility Commitment made on any Replacement Revolving Facility Effective Date shall be designated an additional Class of Revolving Facility Commitments for all purposes of this Agreement; provided, that any Replacement Revolving Facility Commitments may, to the extent provided in the applicable Refinancing Amendment, be designated as an increase in any previously established Class of Revolving Facility Commitments.

(e) The Borrower and each Lender providing the applicable Refinancing Term Loans and/or Replacement Revolving Facility Commitments (as applicable) shall execute and deliver to the Administrative Agent an amendment to this Agreement (a "Refinancing Amendment") and such other documentation as the Administrative Agent shall reasonably specify to evidence such Refinancing Term Loans and/or Replacement Revolving Facility Commitments (as applicable). For purposes of this Agreement and

the other Loan Documents, (A) if a Lender is providing a Refinancing Term Loan, such Lender will be deemed to have an Other Term Loan having the terms of such Refinancing Term Loan and (B) if a Lender is providing a Replacement Revolving Facility Commitment, such Lender will be deemed to have an Other Revolving Facility Commitment having the terms of such Replacement Revolving Facility Commitment. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.23), (i) no Refinancing Term Loan or Replacement Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (ii) this Agreement shall impose no condition to any incurrence of any Refinancing Term Loan or Replacement Revolving Facility Commitment at any time or from time to time other than those set forth in clauses (a) or (c) above, as applicable, and (iii) all Refinancing Term Loans, Replacement Revolving Facility Commitments and all obligations in respect thereof shall be Loan Obligations under this Agreement and the other Loan Documents that rank equally and ratably in right of security with the Term A Loans, Term A-1 Loans, Term B Loans and other Loan Obligations.

(f) Notwithstanding anything to the contrary in this Agreement: (1) this Section 2.23 is for the benefit of the Borrower and shall be applicable to a transaction only at the Borrower's express election (provided the requirements of this Section 2.23 are otherwise met); and (2) the Transaction Support Agreement Transactions were not implemented pursuant to this Section 2.23 and this Section 2.23 does not and will not apply to the Transaction Support Agreement Transactions.

Section 2.24 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Majority Lenders," "Required Lenders," "Required Pro Rata Lenders" or "Required Revolving Facility Lenders," as applicable, and Section 9.08.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, following an Event of Default or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.06 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative

Agent hereunder, second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank or the Swingline Lender hereunder, third, to Cash Collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.05(j), fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Banks' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.05(j), sixth, to the payment of any amounts owing to the Lenders, the Issuing Banks or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, Issuing Bank or Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.24 shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender (and, except as provided in clause (C) below, the Borrower shall not be required to pay any such fee that otherwise would have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive L/C Participation Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its pro rata share of the stated amount of Letters of Credit for which it has provided Cash Collateral.

(C) With respect to any Commitment Fee or L/C Participation Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit or Swingline Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Bank and the Swingline Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's or the Swingline Lender's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit and Swingline Loans under any Revolving Facility shall be reallocated among the Non-Defaulting Lenders in accordance with their respective pro rata Commitments under such Revolving Facility (calculated without regard to such Defaulting Lender's Commitment) such reallocation does not cause the aggregate Revolving Facility Credit Exposure of any Non-Defaulting Lender under such Revolving Facility to exceed such Non-Defaulting Lender's Revolving Facility Commitment under such Revolving Facility. Subject to Section 9.23, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral, Repayment of Swingline Loans. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, within three (3) Business Days following the written request of the (i) Administrative Agent or (ii) the Swingline Lender or any Issuing Bank, as applicable (with a copy to the Administrative Agent), (x) first, prepay Swingline Loans in an amount equal to the Swingline Lender's Fronting Exposure and (y) second, Cash Collateralize the Issuing Banks' Fronting Exposure in accordance with the procedures set forth in Section 2.05(j).

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and the Swingline Lender and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par (together with any break funding costs incurred by the Non-Defaulting Lenders as a result of such purchase) that portion of outstanding Revolving Facility Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded

and unfunded participations in Letters of Credit and Swingline Loans to be held pro rata by the Lenders in accordance with their Revolving Facility Commitments (without giving effect to Section 2.24(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided, that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Swingline Loans/Letters of Credit. So long as any Lender is a Defaulting Lender, (i) the Swingline Lender shall not be required to fund any Swingline Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swingline Loan and (ii) the Issuing Banks shall not be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

Section 2.25 Loan Repurchases.

(a) Subject to the terms and conditions set forth or referred to below, the Borrower may from time to time, at its discretion, conduct modified Dutch auctions in order to purchase Term Loans of one or more Classes (as determined by the Borrower but excluding the Term A Loans and the Term A-1 Loans) (each, a "Purchase Offer"), each such Purchase Offer to be managed exclusively by the Administrative Agent (or such other financial institution chosen by the Borrower and reasonably acceptable to the Administrative Agent) (in such capacity, the "Auction Manager"), so long as the following conditions are satisfied:

(i) each Purchase Offer shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.25 and the Auction Procedures;

(ii) ~~no Default or Event of Default shall have occurred and be continuing on the date of the delivery of each notice of an auction and at the time of (and immediately after giving effect to) the purchase of any Term Loans in connection with any Purchase Offer;~~**[reserved];**

(iii) the principal amount (calculated on the face amount thereof) of each and all Classes of Term Loans that the Borrower offers to purchase in any such Purchase Offer shall be no less than $25,000,000 (unless another amount is agreed to by the Administrative Agent) (across all such Classes);

(iv) the principal amount of all Term Loans of the applicable Class or Classes so purchased by the Borrower shall automatically be cancelled and retired by the Borrower on the settlement date of the relevant purchase (and may not be resold) (without any increase to EBITDA as a result of any gains associated with cancellation of debt), and in no event shall the Borrower be entitled to any vote hereunder in connection with such Term Loans;

(v) ~~no more than one Purchase Offer with respect to any Class may be ongoing at any one time;~~**[reserved];**

(vi) ~~the Borrower represents and warrants that no Loan Party shall have any material non-public information with respect to the Loan Parties or their Subsidiaries, or with respect to the Loans or the securities of any such person, that (A) has not been previously disclosed in writing to the Administrative Agent and the Lenders (other than because such Lender does not wish to receive such material non-public information) prior to such time and (B) could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to participate in the Purchase Offer;~~**[reserved];**

(vii) ~~at the time of each purchase of Term Loans through a Purchase Offer, the Borrower shall have delivered to the Auction Manager an officer's certificate of a Responsible Officer certifying as to compliance with the preceding clause (vi);~~**[reserved];**

(viii) any Purchase Offer with respect to any Class shall be offered to all Term Lenders holding Term Loans of such Class on a pro rata basis; and

(ix) ~~no purchase of any Term Loans shall be made from the proceeds of any Revolving Facility Loan or Swingline Loan.~~**[reserved].**

(b) The Borrower must terminate any Purchase Offer if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Purchase Offer. If the Borrower commences any Purchase Offer (and all relevant requirements set forth above which are required to be satisfied at the time of the commencement of such Purchase Offer have in fact been satisfied), and if at such time of commencement the Borrower reasonably believes that all required conditions set forth above which are required to be satisfied at the time of the consummation of such Purchase Offer shall be satisfied, then the Borrower shall have no liability to any Term Lender for any termination of such Purchase Offer as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of consummation of such Purchase Offer, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans of any Class or Classes made by the Borrower pursuant to this Section 2.25, (x) the Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans of the applicable Class or Classes up to the settlement date of such purchase and (y) such purchases (and the payments made by the Borrower and the cancellation of the purchased Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.11 hereof.

(c) The Administrative Agent and the Lenders hereby consent to the Purchase Offers and the other transactions effected pursuant to and in accordance with the terms of this Section 2.25; provided, that notwithstanding anything to the contrary contained herein, no Lender shall have an obligation to participate in any such Purchase Offer. For the avoidance of doubt, it is understood and agreed that the provisions of Sections 2.16, 2.18 and 9.04 will not apply to the purchases of Term Loans pursuant to Purchase Offers made pursuant to and in accordance with the provisions of this Section 2.25. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Article VIII and Section 9.05 to the same extent as if each reference therein to the "Agents" were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Purchase Offer.

(d) This Section 2.25 shall supersede any provisions in Section 2.18 or 9.06 to the contrary.

(e) Notwithstanding anything herein to the contrary or otherwise, the Borrower may from time to time, at its discretion and in a manner of its choosing, make any offer to purchase Term Loans of one or more Classes (as determined by the Borrower, but excluding the Term A Loans and the Term A-1 Loans); *provided*, *however*, that such offer must be made available to all holders of such Term Loans on the same express terms and on a *pro rata* basis. For the avoidance of doubt, such offer may include cash or other consideration, may be conducted by way of assignment or otherwise, may be made for up to and including the full outstanding principal amount of such Term Loans and any accrued but unpaid interest thereon and may be referred to as a modified Dutch auction or otherwise.
