(a) Execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements and other documents), that the Collateral Agent may reasonably request (including, without limitation, those required by applicable law), to satisfy the Collateral and Guarantee Requirement and to cause the Collateral and Guarantee Requirement to be and remain satisfied, all at the expense of the Loan Parties and provide to the Collateral Agent, from time to time upon reasonable request, evidence reasonably satisfactory to the Collateral Agent as to the perfection and priority of the Liens created or intended to be created by the Security Documents.

(b) If any asset is acquired by any Collateral Guarantor after the Restatement Effective Date or owned by an entity at the time it becomes a Collateral Guarantor (in each case other than (x) assets constituting Collateral under a Security Document that automatically become subject to the Lien of such Security Document upon acquisition thereof, (y) assets constituting Excluded Property and (z) assets of any Collateral Guarantor organized outside the United States), such Collateral Guarantor will, (i) notify the Collateral Agent of such acquisition or ownership and (ii) cause such asset to be subjected to a Lien (subject to any Permitted Liens) securing the Obligations by, and take, and cause the Collateral Guarantors to take, such actions as shall be reasonably requested by the Collateral Agent to satisfy the Collateral and Guarantee Requirement to be satisfied with respect to such asset, including actions described in clause (a) of this Section 5.10, all at the expense of the Loan Parties, subject to the penultimate and last paragraphs of this Section 5.10 and the definition of "Excluded Property."

(c) If any additional Foreign Subsidiary of the Borrower is formed or acquired after the Restatement Effective Date (with any Subsidiary Redesignation resulting in an Unrestricted Subsidiary becoming a Subsidiary being deemed to constitute the acquisition of a Subsidiary) and if such Subsidiary is a "first tier" Foreign Subsidiary of a Collateral Guarantor, within thirty (30) days after the date such Foreign Subsidiary is formed or acquired (or such longer period as the Collateral Agent may agree in its reasonable discretion), notify the Collateral Agent thereof and, within sixty (60) days after the date such Foreign Subsidiary is formed or acquired or such longer period as the Collateral Agent may agree in its reasonable discretion, cause the Collateral and Guarantee Requirement to be satisfied with respect to any Equity Interest in such Foreign Subsidiary owned by or on behalf of any Loan Party, subject to the penultimate and last paragraphs of this Section 5.10 and the definition of "Excluded Property."

Notwithstanding anything to the contrary in this Agreement or in the other Loan Documents, the Collateral and Guarantee Requirement and the other provisions of this Section 5.10 and the other Loan Documents with respect to Collateral need not be satisfied with respect to any of the following (collectively, the "Excluded Property"): (i) any interest in Real Property; (ii) motor vehicles and other assets subject to certificates of title (other than to the extent that a security interest therein can be perfected by the filing of a financing statement under the Uniform Commercial Code); (iii) letter of credit rights (other than to the extent that a security interest therein can be perfected by the filing of a financing statement under the Uniform Commercial Code); (iv) commercial tort claims (as defined in the Uniform Commercial Code) with a value of less than $25,000,000; (vi) leases, licenses, permits and other agreements to the extent, and so long as, the pledge thereof as Collateral would violate the terms thereof or create a right of termination in favor of any other party thereto (other than the Borrower or a Guarantor), but only to the extent, and for so long as, such prohibition is not terminated or rendered unenforceable or otherwise deemed ineffective by the Uniform Commercial Code, the Bankruptcy Code or other Requirement of Law; (vii) other assets to the extent the pledge thereof or the security interest therein is prohibited by applicable law, rule or regulation (other than to the extent such prohibition is not terminated or rendered unenforceable or otherwise deemed ineffective by the Uniform Commercial Code, Bankruptcy Code or any other Requirement of Law) or which could require governmental (including regulatory) consent, approval, license or authorization to be pledged (unless such consent, approval, license or authorization has been received); (viii) those assets as to which the Administrative Agent and the Borrower shall reasonably agree that the costs or other adverse consequences (including, without limitations, Tax consequences) of obtaining such security interest are excessive in relation to the value of the security to be afforded thereby; (ix) "intent-to-use" trademark applications prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent that the grant of a security interest therein would impair the validity or enforceability of, or render void or voidable or result in the cancellation of the applicable grantor's right, title or interest therein or in any trademark issued as a result of such application under applicable law; (x) any governmental licenses, permits or state or local franchises, charters and authorizations, to the extent Liens and security interests therein are prohibited or restricted thereby, (xi) any asset owned by a Regulated Subsidiary to the extent prohibited by any Requirement of Law or that would if pledged, in the good faith judgment of the Borrower, result in adverse regulatory consequences or impair the conduct of the business of the Borrower and the Subsidiaries (provided, in the case of this clause (xi), the Borrower shall promptly notify the Administrative Agent thereof and, if requested by the Administrative Agent, shall use commercially reasonable efforts to obtain any necessary approvals or authorizations to permit such assets to be pledged), but only to the extent, and for so long as, such prohibition is not terminated

or rendered unenforceable or otherwise deemed ineffective by the Uniform Commercial Code or any such adverse consequence or impairment is not eliminated; (xii) Excluded Securities; (xiii) for the avoidance of doubt, any assets of any person other than a Collateral Guarantor and (xiv) Receivables subject to (or otherwise sold, contributed, pledged, factored, transferred or otherwise disposed in connection with) any Qualified Receivable Facility pursuant to Section 6.01(aa); provided, that the Borrower may in its sole discretion elect to exclude any property from the definition of Excluded Property by expressly notifying the Agent of it decision to do so with reference to this proviso.

In addition, in no event shall (1) control agreements or control, lockbox or similar agreements or arrangements be required with respect to deposit accounts, securities accounts or commodities accounts, (2) landlord, mortgagee and bailee waivers or subordination agreements (other than any subordination agreement expressly contemplated by Sections 6.01(a), (e), or (m) of this Agreement) be required, (3) notices be required to be sent to account debtors or other contractual third parties unless an Event of Default has occurred and is continuing and (4) foreign-law governed security documents or perfection under foreign law be required.

Notwithstanding anything herein to the contrary herein, (A) the Collateral Agent may grant extensions of time or waiver or modification of requirement for the creation or perfection of security interests in or the obtaining of insurance with respect to particular assets (including extensions beyond the Restatement Effective Date for the perfection of security interests in the assets of the Collateral Guarantors on such date) where it reasonably determines, in consultation with the Borrower, that perfection or obtaining of such items cannot reasonably be accomplished without undue effort or expense or is otherwise impracticable by the time or times at and/or in the form or manner in which it would otherwise be required by this Agreement or the other Loan Documents and (B) Liens required to be granted from time to time pursuant to, or any other requirements of, the Collateral and Guarantee Requirement and the Security Documents shall be subject to exceptions and limitations set forth in the Security Documents.

Section 5.11 Ratings. Use commercially reasonable efforts to obtain and to maintain (a) public ratings from Moody's and S&P for the Term Loans and (b) public corporate credit ratings and corporate family ratings from Moody's and S&P in respect of the Borrower; provided, however, in each case, that the Borrower and its subsidiaries shall not be required to obtain or maintain any specific rating.

Section 5.12 Restricted and Unrestricted Subsidiaries. Designate any Subsidiary as an Unrestricted Subsidiary only in accordance with the definition of "Unrestricted Subsidiary" contained herein.

Section 5.13 Post-Closing. Take all necessary actions to satisfy the items described on Schedule 5.13 to the Restatement Effective Date Certificate within the applicable period of time specified in such Schedule (or such longer period as the Administrative Agent may agree in its sole discretion).

~~Section 5.14 Farm Credit Equity and Security.~~

~~(a) So long as a Farm Credit Lender is a Lender hereunder, the Borrower will acquire, directly or through one or more of its Subsidiaries (and such Farm Credit Lender will make available to the Borrower or its applicable Subsidiaries for purchase) equity in such Farm Credit Lender in such amounts and at such times as such Farm Credit Lender may require in accordance with such Farm Credit Lender's Bylaws and Capital Plan (or their equivalent) (as each may be amended from time to time), except that the maximum amount of equity that the Borrower shall be required pursuant to this sentence to purchase, directly or through its applicable Subsidiaries, in such Farm Credit Lender in connection with the Loans made by such Farm Credit Lender shall not exceed the maximum amount required by the Bylaws and the Capital Plan (or the equivalent) on the Restatement Effective Date. The Borrower acknowledges receipt of documents from each Farm Credit Lender that describe the nature of the Borrower's stock and other equities in such Farm Credit Lender acquired in connection with its patronage loan from such Farm Credit Lender (the "Farm Credit Equities") as well as capitalization requirements, and agrees to be bound by the terms thereof.~~

~~(b) Each party hereto acknowledges that each Farm Credit Lender's Bylaws and Capital Plan (or their equivalent) (as each may be amended from time to time) shall govern (x) the rights and obligations of the parties with respect to the Farm Credit Equities and any patronage refunds or other distributions made on account thereof or on account of the Borrower's patronage with such Farm Credit Lender, (y) the Borrower's eligibility for patronage distributions from such Farm Credit Lender (in the form of Farm Credit Equities and cash) and (z) patronage distributions, if any, in the event of a sale of a participation interest. Each Farm Credit Lender reserves the right to assign or sell participations in all or any part of its Commitments or outstanding Loans hereunder on a non-patronage basis.~~

~~(c) Each party hereto acknowledges that each Farm Credit Lender has a statutory first lien pursuant to the Farm Credit Act of 1971 (as amended from time to time) on all Farm Credit Equities that the Borrower may now own or hereafter acquire, which statutory lien shall be for such Farm Credit Lender's sole and exclusive benefit. The Farm Credit Equities shall not constitute security for the Obligations due to any other Secured Party. To the extent that any of the Loan Documents create a Lien on the Farm Credit Equities or on patronage accrued by such Farm Credit Lender for the account of the Borrower (including, in each case, proceeds thereof), such Lien shall be for such Farm Credit Lender's sole and exclusive benefit and shall not be subject to pro rata sharing hereunder. Neither the Farm Credit Equities nor any accrued patronage shall be offset against the Obligations except that, in the event of an Event of Default, a Farm Credit Lender may elect, solely at its discretion, to apply the cash portion of any patronage distribution or retirement of equity to amounts due under this Agreement. The Borrower acknowledges that any corresponding tax liability associated with such application is the sole responsibility of the Borrower. CoBank, ACB shall have no obligation to retire the Farm Credit Equities upon any Event of Default, Default or any other default by the Borrower or any other Loan Party, or at any other time, either for application to the Obligations or otherwise.~~

(in respect of term Indebtedness) or committed (in respect of revolving Indebtedness) after the Restatement Effective Date, on the date on which such Indebtedness was incurred (in respect of term Indebtedness) or committed (in respect of revolving Indebtedness); provided, that if such Indebtedness is incurred to refinance other Indebtedness denominated in a currency other than Dollars (or in a different currency from the Indebtedness being refinanced), and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (i) the outstanding or committed principal amount, as applicable, of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums (including tender premiums), defeasance costs and other costs and expenses incurred in connection with such refinancing.

Notwithstanding the foregoing, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements shall be excluded from the application described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. Each Cash Management Bank or Hedge Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent as its agent pursuant to the terms of Article VIII hereof for itself and its Affiliates as if it were a "Lender" party hereto.

ARTICLE VIII

The Agents

Section 8.01 Appointment.

(a) Each Lender (in its capacities as a Lender and the Swingline Lender (if applicable) and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, including as the Collateral Agent for such Lender and the other Secured Parties under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. The provisions of this Article (other than the final paragraph of Section 8.12 hereof) are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and neither the Borrower nor any other Loan Party shall have any rights as a third-party beneficiary of any such provisions.

(b) In furtherance of the foregoing, each Lender (in its capacities as a Lender and the Swingline Lender (if applicable) and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements or Secured Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

Section 8.02 Delegation of Duties. The Administrative Agent and the Collateral Agent may execute any of their respective duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any such agents, employees or attorneys-in-fact selected by it with reasonable care. Each Agent may also from time to time, when it deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a "Subagent") with respect to all or any part of the Collateral; provided, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent or the Collateral Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by an Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by such Agent. If any Subagent, or successor thereto, shall become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent or the Collateral Agent until the appointment of a new Subagent. No Agent shall be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects with reasonable care.

Section 8.03 Exculpatory Provisions. None of the Agents, or their respective Affiliates or any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such ~~person~~**person** 's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by any Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, (b) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the respective Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided, that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Laws or that may affect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Laws and (c) no Agent shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall be liable for the failure to disclose, any information relating to the Borrower or any of its Subsidiaries or any of their respective Affiliates that is communicated to or obtained by such Agent or any of its Affiliates in any capacity. The Agents shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to the Administrative Agent in accordance with Section 8.05. No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v)

the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans and/or Commitments, or disclosure of confidential information, to any Disqualified Lender.

Section 8.04 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to any Credit Event, that by its terms must be fulfilled to the satisfaction of a Lender or any Issuing Bank, each Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless such Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to such Credit Event. Each Agent may consult with legal counsel (including counsel to the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Each Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent in accordance with Section 9.04. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Section 8.05 Notice of Default. Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "Notice of Default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06 Non-Reliance on Agents and Other Lenders. Each Lender and Issuing Bank expressly acknowledges that the Agents, any of their respective Related Parties and the Arrangers have not made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender and Issuing Bank represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender or any of their respective Related Parties, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into the business, operations, property, financial and other condition and creditworthiness of, the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender or any of their respective Related Parties, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its Related Parties. Each Lender and each Issuing Bank represents and warrants, as of the date each such Lender or Issuing Bank becomes a Lender or an Issuing Bank, that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender or Issuing Bank for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender or Issuing Bank, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing. Each Lender and each Issuing Bank represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such Issuing Bank, and either it, or the person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

Section 8.07 Indemnification. The Lenders agree to indemnify each Agent and the Revolving Facility Lenders agree to indemnify each Issuing Bank and Swingline Lender, in each case in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), in the amount of its *pro rata* share (based on its aggregate Revolving Facility Credit Exposure and, in the case of the indemnification of each Agent, outstanding Term Loans and unused Commitments hereunder; provided, that the aggregate principal amount of Swingline Loans owing to the Swingline Lender and of any disbursement under any Letter of Credit owing to any Issuing Bank shall be considered to be owed to the Revolving Facility Lenders ratably in accordance with their respective Revolving Facility Credit Exposure) (determined at the time such indemnity is sought or, if the respective Obligations have been repaid in full, as determined immediately prior to such repayment in full), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent or such Issuing Bank or Swingline Lender in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent, Issuing Bank or Swingline Lender under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from such Agent's, Issuing Bank's or Swingline Lender's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent, Issuing Bank or Swingline Lender, as the case may be, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent, Issuing Bank or Swingline Lender, as the case may be, as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent or such Issuing Bank, as the case may be, for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent, Issuing Bank or Swingline Lender, as the case may be, for such other Lender's ratable share of such amount. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Section 9.05 to be paid by it to the Administrative Agent (or any sub-agent thereof), any Issuing Bank, the Swingline Lender or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), such Issuing Bank, the Swingline Lender or such Related Party, as the case may be, such Lender's pro rata share

(determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) based on each Lender's share of the aggregate principal amount of Term Loans and Revolving Facility Commitments in effect at such time (or, if the Revolving Facility Commitments have terminated, Revolving Facility Credit Exposure at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), such payment to be made severally among them based on such Lenders' Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought), provided, further that, the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), such Issuing Bank or the Swingline Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such ~~sub-agent~~**subagent**), the Issuing Bank or the Swingline Lender in connection with such capacity.

The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

Section 8.08 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued, or Letter of Credit or Swingline Loan participated in, by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

Section 8.09 Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent and Collateral Agent under this Agreement and the other Loan Documents upon 30 days' notice to the Lenders and the Borrower. Any such resignation by the Administrative Agent hereunder shall also constitute its resignation as an Issuing Bank and the Swingline Lender, as applicable, in which case the resigning Administrative Agent (x) shall not be required to issue any further Letters of Credit or make any additional Swingline Loans hereunder and (y) shall maintain all of its rights as Issuing Bank or Swingline Lender, as the case may be, with respect to any Letters of Credit issued by it, or Swingline Loans made by it, prior to the date of such resignation. Upon any such resignation, then the Required Lenders shall have the right, subject to the reasonable consent of the Borrower (so long as no Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing), to appoint a successor which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent and Collateral Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and

duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 30 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective (except in the case of the Collateral Agent holding collateral security on behalf of such Secured Parties, the retiring Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed), and the Lenders shall assume and perform all of the duties of the Administrative Agent and Collateral Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article VIII and Section 9.05 shall inure to its benefit as to any actions taken or omitted to be taken by it, its Subagents and their respective Related Parties while it was Administrative Agent under this Agreement and the other Loan Documents.

Section 8.10 Arrangers, Etc. Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each of the persons named on the cover page hereof as Joint Bookrunner, Joint Lead Arranger, Arranger, syndication agent, documentation agent or co-manager is named as such for recognition purposes only, and in its capacity as such shall have no rights, duties, responsibilities or liabilities with respect to this Agreement or any other Loan Document, except that each such person and its Affiliates shall be entitled to the rights expressly stated to be applicable to them in Sections 9.05 and 9.17 (subject to the applicable obligations and limitations as set forth therein).

Section 8.11 Security Documents and Collateral Agent.

(a) The Lenders and the other Secured Parties authorize the Collateral Agent to release any Collateral or Guarantors in accordance with Section 9.18 or if approved, authorized or ratified in accordance with Section 9.08.

(b) The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Collateral Agent to, without any further consent of any Lender or any other Secured Party, and in the case of the following clause (1) upon the request of the Borrower the Collateral Agent shall, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify the First Lien Intercreditor Agreement, any Permitted Junior Intercreditor Agreement, and any other intercreditor or subordination agreement (in form satisfactory to the Collateral Agent and deemed appropriate by it) with the collateral agent or other representative of holders of Indebtedness secured (and permitted to be secured) by a Lien on assets constituting a portion of the Collateral under (1) any of Sections 6.02(c), (i), (j), (v), (z) and/or (gg) (and in accordance with the relevant requirements thereof) and (2) any other provision of Section 6.02 (it being acknowledged and agreed that the Collateral Agent shall be under no obligation to execute any Intercreditor Agreement pursuant to this clause (2), and may elect to do so, or not do so, in its sole and absolute discretion) (any of the foregoing, an "Intercreditor Agreement").

(c) The Lenders and the other Secured Parties irrevocably agree that (x) the Collateral Agent may rely exclusively on a certificate of a Responsible Officer of the Borrower as to whether any such other Liens are permitted hereunder and as to the respective assets constituting Collateral that secure (and are permitted to secure) such Indebtedness hereunder and (y) any Intercreditor Agreement entered into by the Collateral Agent shall be binding on the Secured Parties, and each Lender and the other Secured Parties hereby agrees that it will take no actions contrary to the provisions of, if entered into and if applicable, any Intercreditor Agreement. Furthermore, the Lenders and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) to the holder of any Lien on such property that is ~~permitted by clauses (c), (i), (j), (v) or (z) of Section 6.02~~**not prohibited by this Agreement (as in effect immediately prior to the Amendment Agreement Effective Date)** in each case to the extent the contract or agreement pursuant to which such Lien is granted prohibits any other Liens on such property or (ii) that is or becomes Excluded Property; and the Administrative Agent and the Collateral Agent shall do so upon request of the Borrower~~; provided, that prior to any such request, the Borrower shall have in each case delivered to the Administrative Agent a certificate of a Responsible Officer of the Borrower certifying (x) that such Lien is permitted under this Agreement, (y) in the case of a request pursuant to clause (i) of this sentence, that the contract or agreement pursuant to which such Lien is granted prohibits any other Lien on such property and (z) in the case of a request pursuant to clause (ii) of this sentence, that (A) such property is or has become Excluded Property and (B) if such property has become Excluded Property as a result of a contractual restriction, such restriction does not violate Section 6.09~~.

Section 8.12 Right to Realize on Collateral, Enforce Guarantees, and Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Laws or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, ~~sequestrator~~**sequestrator** or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to

the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (a) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee set forth in any Loan Document, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent; provided that, notwithstanding the foregoing, the Lenders may exercise the set-off rights contained in Section 9.06 in the manner set forth therein, and (b) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other Disposition.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions to which a Loan Party is subject or (b) at any other sale or foreclosure or acceptance of Collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving

contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized (x) to form one or more acquisition vehicles to make a bid, (y) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (i) through (vii) of Section 9.08(b) of this Agreement, and (z) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (ii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 8.13 Withholding Tax. To the extent required by any applicable Requirement of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Loan Party and without limiting the obligation of any applicable Loan Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, fines, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 8.13.

Section 8.14 Secured Cash Management Agreements and Secured Hedge Agreements. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 7.03, any Guarantee or any Collateral by virtue of the provisions hereof or of the Subsidiary Guarantee Agreement or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article VIII to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Secured Obligations, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) ~~(i)~~ such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(iv) ~~(iv)~~ such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) ~~(b)~~ In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(b) Notices and other communications to the Lenders and the Issuing Bank hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided, that the foregoing shall not apply to notices to any Lender or Issuing Bank pursuant to Article II if such Lender or Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by them, provided, that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in Section 9.01(b) above shall be effective as provided in such Section 9.01(b).

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

~~(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrower shall notify the Administrative Agent (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.~~

Section 9.02 Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect until the Termination Date. Without prejudice to the survival of any other agreements contained herein, the provisions of Sections 2.15, 2.16, 2.17, 9.05 and 9.22 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the occurrence of the Termination Date or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

Section 9.03 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the Borrower, the Administrative Agent, each Issuing Bank, each Swingline Lender, and each Lender and their respective permitted successors and assigns.

Section 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its respective rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in clause (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (1) Subject to the conditions set forth in subclause (ii) below, any Lender may assign to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld, delayed or conditioned), which consent, with respect to the assignment of a Term Loan, will be deemed to have been given if the Borrower has not responded within ten (10) Business Days after the delivery of any request for such consent; provided, that no consent of the Borrower shall be required (x) for an assignment of a Term Loan to a Lender, an Affiliate of a Lender, an Approved Fund (as defined below), or for an assignment of a Revolving Facility Commitment or Revolving Facility Loan to a Revolving Facility Lender, an Affiliate of a Revolving Facility Lender or Approved Fund with respect to a Revolving Facility Lender or (y) if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, for an assignment to any person;

(B) the Administrative Agent (such consent not to be unreasonably withheld or delayed); provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to (x) a Lender, an Affiliate of a Lender, or an Approved Fund, or (y) the Borrower or an Affiliate of the Borrower made in accordance with Section 2.25; and

(C) the Issuing Bank and the Swingline Lender (such consent, in each case, not to be unreasonably withheld or delayed); provided, that no consent of the Issuing Bank and the Swingline Lender shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments (other than pursuant to Section 2.25) shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the applicable Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than (x) $1,000,000 or an integral multiple of $1,000,000 in excess thereof in the case of Term Loans and (y) $5,000,000 or an integral multiple of $1,000,000 in excess thereof in the case of Revolving Facility Loans or Revolving Facility Commitments, unless each of the Borrower and the Administrative Agent otherwise consent; provided, that no such consent of the Borrower shall be required if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing; provided, further, that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds being treated as one assignment), if any;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided, that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Acceptance and any form required to be delivered pursuant to Section 2.17 via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(D) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws; and

(E) the Assignee shall not be (i) the Borrower or any of the Borrower's Affiliates or Subsidiaries except with respect to assignments to the Borrower in accordance with Section 2.25, (ii) any Disqualified Lender subject to Section 9.04(i)), (iii) a natural person or (iv) a Defaulting Lender.

For the purposes of this Section 9.04, "Approved Fund" means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

Notwithstanding the foregoing or anything to the contrary herein, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement (I)(A) with respect to the Initial Term B Loans, prior to the funding of the Initial Term B Loans on the Restatement Effective Date, (B) with respect to the Initial Term A Loan Commitments, Initial Term A-1 Loan Commitments, Initial Term A-1 Loans and Initial Term A Loans, prior to the funding of the Initial Term A Loans and the Initial Term A-1 Loans on the Restatement Effective Date and (C) with respect to the Revolving Facility Commitments, prior to the funding of all Revolving Facility Loans requested by the Borrower on the Restatement Effective Date, in each case, to any person, unless consented to by the Borrower. Any assigning Lender shall, in connection with any potential assignment, provide to the Borrower a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not a Default or an Event of Default has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to subclause (v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05 (subject to the limitations and requirements of those Sections, including, without limitation, the requirements of Sections 2.17(d) and 2.17(f))). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04 (except to the extent such participation is not permitted by such clause (c) of this Section 9.04, in which case such assignment or transfer shall be null and void).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and interest amounts of the Loans and Revolving L/C Exposure owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Bank, the Swingline Lender and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Bank, the Swingline Lender and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b)(ii)(C) of this Section 9.04, if applicable, and any written consent to such assignment required by clause (b) of this Section 9.04, the Administrative Agent shall accept such Assignment and Acceptance and promptly record the information contained therein in the Register; provided, that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.04(c), 2.05(d) or (e), 2.06(b), 2.18(d) or 8.07, the Administrative Agent shall have no obligation to accept such Assignment and Acceptance and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this subclause (v).

(c) ~~(i)~~**(1)** Any Lender may, without the consent of the Borrower or the Administrative Agent, the Issuing Bank or the Swingline Lender, sell participations in Loans and Commitments to one or more banks or other entities other than any person that, at the time of such participation, is (I) a natural person, (II) the Borrower or any of its Subsidiaries or any of their respective Affiliates or (III) a Disqualified Lender subject to Section 9.04(i) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that both (1) requires the consent of each Lender directly affected thereby pursuant to the first proviso to Section 9.08(b) and (2) directly affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default) and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to clause (c)(iii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections and Section 2.19, including, without limitation, the

requirements of Sections 2.17(d) and 2.17(f) (it being understood that the documentation required under Section 2.17(d) and 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender; provided, that such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(i) ~~(ii)~~ Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. Without limitation of the requirements of this Section 9.04(c), no Lender shall have any obligation to disclose all or any portion of a Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other Loan Obligations under any Loan Document), except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other Loan Obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) ~~(iii)~~ A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld or delayed), which consent shall state that it is being given pursuant to this Section 9.04(c)(iii); provided, that each potential Participant shall provide such information as is reasonably requested by the Borrower in order for the Borrower to determine whether to provide its consent.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in clause (d) above.

(f) [Reserved].

(g) Each purchase of Term Loans pursuant to Section 2.25 shall, for purposes of this Agreement, be deemed to be an automatic and immediate cancellation and extinguishment of such Term Loans and the Borrower shall, upon consummation of any such purchase, notify the Administrative Agent that the Register should be updated to record such event as if it were a prepayment of such Loans.

(h) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, each Issuing Bank, each Swingline Lender or any other Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Revolving Facility Percentage; provided, that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(i) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Lenders provided by the Borrower and any updates thereto from time to time (collectively, the "DQ List") on the Platform, including that portion of the Platform that is designated for "public side" Lenders or (B) provide the DQ List to each Lender requesting the same. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders; provided, further, without limiting the generality of the foregoing clause, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of

confidential information, to any Disqualified Lender. With respect to any Lender or Participant that becomes a Disqualified Lender after the applicable assignment or participation, (x) such Assignee shall not retroactively be disqualified from becoming a Lender or Participant and (y) the execution by the Borrower of an Assignment and Acceptance with respect to such assignee will not by itself result in such Assignee no longer being considered a Disqualified Lender. Any assignment in violation of this clause (i) shall not be void, but the Borrower shall have the right to (A) in the case of any outstanding Revolving Facility Commitments, terminate any Revolving Facility Commitment of such Disqualified Lender and repay all obligations of the Borrower owing to such Disqualified Lender in connection with such Revolving Facility Commitment, (B) in the case of outstanding Term Loans held by Disqualified Lenders, prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and under the other Loan Documents and/or (C) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 9.04), all of its interest, rights and obligations under this Agreement and related Loan Documents to an Assignee in accordance with this Section 9.04 that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and the other Loan Documents; provided that (i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 9.04(b)(ii), (ii) such assignment does not conflict with applicable laws and (iii) in the case of clause (B), the Borrower shall not use the proceeds from any Loans to prepay Term Loans held by Disqualified Lenders.

(j) Voting Participants. Notwithstanding anything in this Section 9.04 to the contrary, any Farm Credit Lender that (i) has purchased a participation from any Lender that is a Farm Credit Lender in the minimum amount of $5,000,000 on or after the Restatement Effective Date, (ii) is, by written notice to the Borrower and the Administrative Agent (a "Voting Participant Notification"), designated by the selling Lender as being entitled to be accorded the rights of a voting participant hereunder (any Farm Credit Lender so designated being called a "Voting Participant") and (iii) receives the prior written consent of the Borrower and the Administrative Agent to become a Voting Participant, shall be entitled to vote (and the voting rights of the selling Lender shall be correspondingly reduced), on a dollar for dollar basis, as if such Voting Participant were a Lender, on any matter requiring or allowing a Lender to provide or withhold its consent, or to otherwise vote on any proposed action, in each case, in lieu of the vote of the selling Lender; provided, however, that if such Voting Participant has at any time failed to fund any portion of its participation when required to do so and notice of such failure has been delivered by the selling Lender to the Administrative Agent, then until such time as all amounts of its participation required to have been funded have been

funded and notice of such funding has been delivered by the selling Lender to the Administrative Agent, such Voting Participant shall not be entitled to exercise its voting rights pursuant to the terms of this clause (j), and the voting rights of the selling Lender shall not be correspondingly reduced by the amount of such Voting Participant's participation. Notwithstanding the foregoing, each Farm Credit Lender designated as a Voting Participant on Schedule 9.04(j) hereto on the Restatement Effective Date shall be a Voting Participant without delivery of a Voting Participant Notification and without the prior written consent of the Borrower and the Administrative Agent. To be effective, each Voting Participant Notification shall, with respect to any Voting Participant, (A) state the full name of such Voting Participant, as well as all contact information required of an assignee as set forth in Exhibit A, (B) state the dollar amount of the participation purchased and (C) include such other information as may be required by the Administrative Agent. The selling Lender and the Voting Participant shall notify the Administrative Agent and the Borrower within three Business Days of any termination of, or reduction or increase in the amount of, such participation and shall promptly upon request of the Administrative Agent update or confirm there has been no change in the information set forth in Schedule 9.04(j) hereto on the Restatement Effective Date or delivered in connection with any Voting Participant Notification. The Borrower and the Administrative Agent shall be entitled to conclusively rely on information provided by a Lender identifying itself or its participant as a Farm Credit Lender without verification thereof and may also conclusively rely on the information set forth in Schedule 9.04(j) hereto on the Restatement Effective Date, delivered in connection with any Voting Participant Notification or otherwise furnished pursuant to this clause (j) and, unless and until notified thereof in writing by the selling Lender, may assume that there have been no changes in the identity of Voting Participants, the dollar amount of participations, the contact information of the participants or any other information furnished to the Borrower or the Administrative Agent pursuant to this clause (j). The voting rights hereunder are solely for the benefit of the Voting Participants and shall not inure to any assignee or participant of a Voting Participant.

Section 9.05 Expenses; Indemnity.

(a) The Borrower hereby agrees to pay (i) all reasonable and documented out-of-pocket expenses (including, subject to Section 9.05(c), Other Taxes) incurred by the Administrative Agent or the Collateral Agent, the Arrangers and their respective Affiliates in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facilities provided for herein, the preparation and administration of the Original Credit Agreement, this Agreement and the other Loan Documents, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), including the reasonable fees, charges and disbursements of one primary counsel for the Administrative Agent, the Collateral Agent and the Arrangers, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, (ii) all

reasonable and documented out-of-pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all out-of-pocket expenses (including Other Taxes) incurred by the Agents, any Issuing Bank or any Lender in connection with the enforcement of their rights in connection with the Original Credit Agreement, this Agreement and any other Loan Document, in connection with the Loans made or the Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit and including the fees, charges and disbursements of a single counsel for all such persons, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction and (if appropriate) a single regulatory counsel for all such persons, taken as a whole (and, in the case of an actual or perceived conflict of interest where such person affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of such for such affected person).

(b) The Borrower agrees to indemnify the Administrative Agent, the Collateral Agent, the Arrangers, each Issuing Bank, each Lender, each of their respective Affiliates, successors and assignors, and each of their respective Related Parties, (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (excluding the allocated costs of in house counsel and limited to not more than one counsel for all such Indemnitees, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction and (if appropriate) a single regulatory counsel for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of the Original Credit Agreement, this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the transactions contemplated hereby, (ii) the use of the proceeds of the Loans or the use of any Letter of Credit (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any violation of or liability under Environmental Laws by the Borrower or any Subsidiary, (iv) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on, from or to any property owned, leased or operated by the Borrower or any Subsidiary or (v) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by the Borrower or any of their subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a final, non-appealable judgment of a

court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties or (y) arose from any claim, actions, suits, inquiries, litigation, investigation or proceeding that does not involve an act or omission of the Borrower or any of its Affiliates and is brought by an Indemnitee against another Indemnitee (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding against any Agent or an Arranger in its capacity as such). None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Borrower or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the occurrence of the Termination Date, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Issuing Bank or any Lender. All amounts due under this Section 9.05 shall be payable within 15 days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to any Taxes (other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), which shall be governed exclusively by Section 2.17 and, to the extent set forth therein, Section 2.15.

(d) To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems (including the internet) in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the Collateral Agent or any Issuing Bank, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations, the occurrence of the Termination Date and the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

Section 9.06 Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender, each Issuing Bank and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final and in whatever currency denominated) at any time held and other obligations at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower or any Subsidiary against any of and all the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured; provided, that any recovery by any Lender or any Affiliate pursuant to its setoff rights under this Section 9.06 is subject to the provisions of Section 2.18(c); provided, further, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.24 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and each Issuing Bank under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender or such Issuing Bank may have.

Section 9.07 Applicable Law. **THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.**

Section 9.08 Waivers; Amendment.

(a) No failure or delay of the Administrative Agent, the Collateral Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b)

below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, the Collateral Agent, any Lender or the Issuing Bank may have had notice or knowledge of such Default or Event of Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in Section 2.21, 2.22 or 2.23, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders (except that any waiver, amendment or modification ~~of the Pro Rata Only Covenants or~~ of any defined term (or component defined term) but only to the extent as used therein (or any Default or Event of Default or exercise of remedies by the Required Pro Rata Lenders in respect or as a result thereof) shall require the Required Pro Rata Lenders voting as a single Class rather than the Required Lenders) and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each Loan Party party thereto and the Administrative Agent and consented to by the Required Lenders; provided, however, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan or any reimbursement obligation with respect to any disbursement under any Letter of Credit, or extend the stated expiration of any Letter of Credit beyond the applicable Revolving Facility Maturity Date, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification); provided, that (x) any amendment to the financial definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (i) even if the effect of such amendment would be to reduce the rate of interest on any Loan or any reimbursement obligation with respect to any disbursement under any Letter of Credit or to reduce any fee payable hereunder and (y) only the consent of the Required Lenders shall be necessary to reduce or waive any obligation of the Borrower to pay interest or Fees at the applicable default rate set forth in Section 2.13(c);

(ii) increase or extend the Commitment of any Lender, or decrease the Commitment Fees, L/C Participation Fees or any other Fees of any Lender without the prior written consent of such Lender (which, notwithstanding the foregoing, with respect to any such extension or decrease, such consent of such Lender shall be the only consent required hereunder to make such modification); provided, that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or mandatory prepayments shall not constitute an increase or extension of the Commitments of any Lender for purposes of this clause (ii);

(iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date, extend or waive any Revolving Facility Maturity Date or reduce the amount due on any Revolving Facility Maturity Date or extend any date on which payment of interest (other than interest payable at the applicable default rate of interest set forth in Section 2.13(c)) on any Loan or any disbursement under any Letter of Credit or any Fees is due, without the prior written consent of each Lender directly adversely affected thereby;

(iv) amend the provisions of Section 2.18(c) or Section 7.03 in a manner that would by its terms alter the pro rata sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby;

(v) amend or modify the provisions of this Section 9.08 or the definition of the terms "Required Lenders," "Majority Lenders," "Required Revolving Facility Lenders," "Required Pro Rata Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Restatement Effective Date);

(vi) except as provided in Section 9.18 release all or substantially all of the Collateral or all or substantially all of the Guarantors from their respective Guarantees without the prior written consent of each Lender;

(vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lenders participating in another Facility, without the consent of the Majority Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

(viii) amend the provisions of this Agreement expressly relating to any Outside LC Facility in a manner that would adversely affect the rights of the applicable Outside LC Facility Issuers in a manner that is different and adverse to such Outside LC Facility Issuer as compared to the manner such amendment would affect Lenders generally without the consent of each adversely affected Outside LC Facility Issuer;

(ix) amend the provisions of Section 9.04 to reduce the number or percentage of Lenders required to permit the Borrower to assign or otherwise transfer its rights or obligations under this Agreement without the prior written consent of each Lender;

(x) amend the provisions of Section 9.04 in a manner that would further restrict assignments of any Loans under this Agreement without the prior written consent of each Lender directly adversely affected thereby; or

(xi) effect any waiver of the provisions of Section 4.03 with respect to the funding of Revolving Facility Loans pursuant to Section 2.01(d) without the prior consent of the Required Revolving Facility Lenders.

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Collateral Agent, the Swingline Lenders or the Issuing Banks hereunder without the prior written consent of the Administrative Agent, the Collateral Agent, each Swingline Lender or each Issuing Bank affected thereby, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any Assignee of such Lender.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have the right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be affected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(c) Without the consent of any Lender or Issuing Bank, the Loan Parties and the Administrative Agent and the Collateral Agent may (in their respective sole discretion, or shall, to the extent required or contemplated by any Loan Document) enter into any amendment, modification, supplement or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, to include holders of Other First Liens or (to the extent necessary or advisable under applicable local law) Junior Liens in the benefit of the Security Documents in connection with the incurrence of any Other First Lien Debt or Indebtedness permitted to be secured by Junior Liens and to give effect to any Intercreditor Agreement associated therewith, or as required by local law to give effect to, or protect, any security interest for the benefit of the Secured Parties in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, the Borrower (i) to permit additional extensions of credit to be outstanding hereunder from time to time and the accrued interest and fees and other obligations in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Facility Loans and the accrued interest and fees and other obligations in respect thereof and (ii) to include appropriately the holders of such extensions of credit in any determination of the requisite lenders required hereunder, including Required Lenders and the Required Revolving Facility Lenders, and for purposes of the relevant provisions of Section 2.18(b). In addition, notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Borrower and the Administrative Agent (but without the consent of any Lender or Issuing Bank) to include any additional financial maintenance covenant (or any financial maintenance covenant that is already included in this Agreement but with covenant levels and component definitions that are more restrictive to the Borrower) for the benefit of the Lenders of all of the Facilities (but not fewer than all of the Facilities) then existing.

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent (but without the consent of any Lender) to the extent necessary (A) to integrate any Other Term Loan Commitments, Other Revolving Facility Commitments, Other Term Loans and Other Revolving Loans in a manner consistent with Sections 2.21, 2.22 and 2.23 as may be necessary to establish such Other Term Loan Commitments, Other Revolving Facility Commitment, Other Term Loans or Other Revolving Loans as a separate Class or tranche from the existing Term Facility Commitments, Revolving Facility Commitments, Term Loans or Revolving Facility Loans, as applicable, and, in the case of Extended Term Loans, to reduce the amortization schedule of the related existing Class of Term Loans proportionately, (B) to integrate any Other First Lien Debt or (C) to cure any ambiguity, omission, error, defect or inconsistency.

(f) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be necessary to ensure that all Term Loans established pursuant to Section 2.21 after the Restatement Effective Date that will be included in an existing Class of Term Loans outstanding on such date (an "Applicable Date"), when originally made, are included in each Borrowing of outstanding Term Loans of such Class (the "Existing Class Loans"), on a pro rata basis, and/or to ensure

that, immediately after giving effect to such new Term Loans (the "New Class Loans" and, together with the Existing Class Loans, the "Class Loans"), each Lender holding Class Loans will be deemed to hold its Pro Rata Share of each Class Loan on the Applicable Date (but without changing the amount of any such Lender's Term Loans), and each such Lender shall be deemed to have effectuated such assignments as shall be required to ensure the foregoing. The "Pro Rata Share" of any Lender on the Applicable Date is the ratio of (1) the sum of such Lender's Existing Class Loans immediately prior to the Applicable Date plus the amount of New Class Loans made by such Lender on the Applicable Date over (2) the aggregate principal amount of all Class Loans on the Applicable Date.

Section 9.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender or any Issuing Bank, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender or Issuing Bank in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender or such Issuing Bank, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender or such Issuing Bank on subsequent payment dates to the extent not exceeding the legal limitation. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 9.10 Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto (and the Indemnitees, the Cash Management Banks under any Secured Cash Management Agreement and the Hedge Banks under any Secured Hedge Agreement) rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 9.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Severability.

(a) In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect in any jurisdiction, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby as to such jurisdiction, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

(b) In the event any one or more of the provisions contained in this Agreement, any other Loan Document or any waiver, amendment or modification to this Agreement or other Loan Document (or purported waiver, amendment, or modification) including pursuant to the Amendment Agreement, should be held invalid, illegal, unenforceable or to be unauthorized under the terms of Section 9.08, then:

(i) (A) such provisions, waivers, amendments or modifications (or purported waivers, amendments or modifications) shall be construed or deemed modified so as to be valid, legal, enforceable and authorized under the terms of Section 9.08, as applicable, with an economic effect as close as possible to that of the invalid, illegal, unenforceable or unauthorized provisions, waivers, amendments or modifications, as applicable, and (B) once construed or modified by clause (A), such provisions, waivers, amendments or modifications (or attempted waivers, amendments, or modifications) shall be deemed to have been operative *ab initio*,

(ii) any such provision, waiver, amendment or modification (or purported waiver, amendment or modification) not capable of being modified or construed in accordance with the foregoing clause (i) shall automatically be considered without effect, and such provision, waiver, amendment or modification shall for all purposes be deemed to have never been implemented or occurred, as applicable, and

(iii) after giving effect to each of the foregoing clauses (i) and (ii), the validity, legality and enforceability of the remaining provisions or waivers, amendments or modifications, as applicable, contained herein and therein shall not in any way be affected or impaired thereby.

(c) Notwithstanding any other provision of this Agreement, if a court of competent jurisdiction – in a final and unstayed order – determines that any aspect of the Level 3 Senior Unsecured Notes Transaction (as defined in the Transaction Support Agreement) is invalid for any reason, such determination shall not (directly or indirectly) constitute a default or breach of this Agreement or any other Loan Document.

Section 9.13 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

Section 9.14 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15 Jurisdiction; Consent to Service of Process.

(a) The Borrower and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, the Collateral Agent, any Lender, any Arranger or any Affiliate of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, Borough of Manhattan, and of the United States District Court of the Southern District of New York, sitting in New York County, Borough of Manhattan, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or any other Loan Party or its properties in the courts of any jurisdiction.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any court referred to in paragraph (a) of this Section 9.15. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement or any other Loan Document to serve process in any other manner permitted by law.

Section 9.16 Confidentiality. Each of the Lenders, each Issuing Bank and each of the Agents agrees that it shall maintain in confidence any information relating to the Borrower and any Subsidiary or their respective businesses furnished to it by or on behalf of the Borrower or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party in breach of this Section 9.16, (b) has been independently developed by such Lender, such Issuing Bank or such Agent without violating this Section 9.16 or (c) was available to such Lender, such Issuing Bank or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to the Borrower or any other Loan Party) and shall not reveal the same other than to its Related Parties and any numbering, administration or settlement service providers or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except: (A) to the extent necessary to comply with applicable laws or any legal process or the requirements of any Governmental Authority purporting to have jurisdiction over such person or its Related Parties, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the Financial Industry Regulatory Authority, Inc., (C) to its parent companies, Affiliates and their Related Parties including auditors, accountants, legal counsel and other advisors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), (D) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other

Section 9.17 Platform; Borrower Materials. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE ADMINISTRATIVE AGENT, ITS RELATED PARTIES AND THE ARRANGERS DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE ADMINISTRATIVE AGENT, ANY OR ITS RELATED PARTIES OR ANY ARRANGER IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM.

Section 9.18 Release of Liens and Guarantees.

(a) The Lenders, the Issuing Banks, the Swingline Lenders, and the other Secured Parties hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall (1) be automatically released: (i) in full upon the occurrence of the Termination Date as set forth in Section 9.18(d) below; (ii) upon the Disposition (other than any lease or license) of such Collateral by any Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction permitted by this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent that such Collateral comprises property leased to a Loan Party, upon termination or expiration of such lease (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.08), (v) to the

extent that the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee in accordance with the Subsidiary Guarantee Agreement or clause (b) below (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), or (vi) as required by the Collateral Agent to effect any Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents and (2) be released in the circumstances, and subject to the terms and conditions, provided in Section 8.11 (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without any further inquiry). Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any Disposition, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents.

(b) In addition, the Lenders, the Issuing Banks and the other Secured Parties hereby irrevocably agree that the respective Guarantor shall be released from its respective Guarantee (i) upon consummation of any transaction permitted hereunder (x) resulting in such Subsidiary ceasing to constitute a Subsidiary (including because such Subsidiary is designated an "Unrestricted Subsidiary") or (y) in the case of any Guarantor which would not be required to be a Guarantor because it is or has become an Excluded Subsidiary as a result of a transaction following which it has become (or remains) a Subsidiary of a Guarantor, in each case following a written request by the Borrower to the Administrative Agent requesting that such person no longer constitute a Guarantor and certifying its entitlement to the requested release (and the Collateral Agent may rely conclusively on a certificate to the foregoing effect without further inquiry)~~; provided, that any such release pursuant to preceding clause (y) shall only be effective if (A) no Default or Event of Default has occurred and is continuing or would result therefrom, (B) at the time of such release (and after giving effect thereto), all outstanding Indebtedness of such Subsidiary would then be permitted to be made in accordance with the relevant provisions of Sections 6.01 and 6.04 (for this purpose, with the Borrower being required to reclassify any such items made in reliance upon the respective Subsidiary being a Guarantor on another basis as would be permitted by such applicable Section), and any previous Dispositions thereto pursuant to Section 6.05 shall be re-characterized and would then be permitted as if same were made to a Subsidiary that was not a Guarantor (and all items described above in this clause (B) shall thereafter be deemed recharacterized as provided above in this clause (B)) and (C) such Subsidiary shall not be (or shall be simultaneously be released as) a guarantor (if applicable) with respect to any Permitted Unsecured Debt, Refinancing Notes, Incremental Equivalent Debt or any Permitted Refinancing Indebtedness with respect to the foregoing~~, or (ii) if the release of such Guarantor is approved, authorized or ratified by the Required Lenders (or such other percentage of Lenders whose consent is required in accordance with Section 9.08).

(c) The Lenders, the Issuing Banks and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this Section 9.18, **including without limitation the filing of any Uniform Commercial Code or equivalent lien release filings in respect thereof,** all without the further consent or joinder of any Lender or any other Secured Party. Upon the effectiveness of any such release, any representation, warranty or covenant contained in any Loan Document relating to any such Collateral or Guarantor shall no longer be deemed to be made. In connection with any release hereunder, the Administrative Agent and the Collateral Agent shall promptly (and the Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Borrower and at the Borrower's expense in connection with the release of any Liens created by any Loan Document in respect of such Subsidiary, property or asset; provided, that (i) the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower containing such certifications as the Administrative Agent shall reasonably request, (ii) the Administrative Agent or the Collateral Agent shall not be required to execute any such document on terms which, in the applicable Agent's reasonable opinion, would expose such Agent to liability or create any obligation or entail any consequence other than the release of such Liens without recourse or warranty, and (iii) such release shall not in any manner discharge, affect or impair the Obligations or any Liens upon (or obligations of the Borrower or any Subsidiary in respect of) all interests retained by the Borrower or any Subsidiary, including (without limitation) the proceeds of the sale, all of which shall continue to constitute part of the Collateral. Any execution and delivery of documents pursuant to this Section 9.18(c) shall be without recourse to or warranty by the Administrative Agent or Collateral Agent.

(d) Notwithstanding anything to the contrary contained herein or any other Loan Document, on the Termination Date, upon request of the Borrower, the Administrative Agent and/or the Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any (i) obligations in respect of any Secured Hedge Agreements or any Secured Cash Management Agreements and (ii) any contingent indemnification obligations or expense reimbursement claims not then due; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower containing such certifications as the Administrative Agent shall reasonably request. Any such release of obligations shall be deemed subject to the provision that such obligations shall be reinstated if after such release any portion of any payment in respect of the obligations guaranteed thereby shall be rescinded, avoided or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver,

intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made. The Borrower agrees to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or the Collateral Agent (and their respective representatives) in connection with taking such actions to release security interests in all Collateral and all obligations under the Loan Documents as contemplated by this Section 9.18(d).

(e) Obligations of the Borrower or any of its Subsidiaries under any Secured Cash Management Agreement or Secured Hedge Agreement (after giving effect to all netting arrangements relating to such Secured Hedge Agreements) shall be secured and guaranteed pursuant to the Security Documents only to the extent that, and for so long as, the other Obligations are so secured and guaranteed. No person shall have any voting rights under any Loan Document solely as a result of the existence of obligations owed to it under any such Secured Hedge Agreement or Secured Cash Management Agreement. For the avoidance of doubt, no release of Collateral or Guarantors affected in the manner permitted by this Agreement shall require the consent of any holder of obligations under Secured Hedge Agreements or any Secured Cash Management Agreements.

Section 9.19 USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. Each Loan Party shall use commercially reasonable efforts to, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act and the Beneficial Ownership Regulation.

Section 9.20 Agency of the Borrower for the Loan Parties. Each of the other Loan Parties hereby appoints the Borrower as its agent for all purposes relevant to this Agreement and the other Loan Documents, including the giving and receipt of notices and the execution and delivery of all documents, instruments and certificates contemplated herein and therein and all modifications hereto and thereto.

Section 9.21 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arrangers and the

Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent, the Arrangers and the Lenders, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Administrative Agent, the Arrangers and the Lenders is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, any of its Affiliates or any other person and (B) neither the Administrative Agent, the any Arranger nor any Lender has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Arrangers, the Lenders, and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent, any Arranger nor any Lender has any obligation to disclose any of such interests to the Borrower or its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent, the Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 9.22 Payments Set Aside. (a) To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent, any Issuing Bank or any Lender, or the Administrative Agent, any Issuing Bank or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, such Issuing Bank or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and each Issuing Bank severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the Issuing Banks under clause (b) of the preceding sentence shall survive the payment in full of the Loan Obligations and the termination of this Agreement.

Section 9.23 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or Issuing Bank that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

Section 9.24 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including, without limitation, Assignment and Acceptances, amendments or other Borrowing Requests, Swingline Borrowing Requests, Letter of Credit Requests, Interest Election Requests, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 9.25 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Hedging Agreement or any other agreement or instrument that is a QFC (such support, "QFC Credit Support", and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.25, the following terms have the following meanings:

Section 9.26 **Intercreditor Agreements.**

(a) Each Lender hereunder (i) acknowledges that it has received a copy of each of the First Lien Intercreditor Agreement, the Multi-Lien Intercreditor Agreement and the Subordination Agreement, (ii) authorizes and instructs each Agent as Agent and on behalf of such Lender to enter into the Multi-Lien Intercreditor Agreement, the Subordination Agreement and, upon request of the Borrower, any other intercreditor agreement or subordination agreement in connection with any Incurrence of Indebtedness or Liens not prohibited by the terms of this Agreement (collectively the "Lumen Intercreditor Agreements" and, each a "Lumen Intercreditor Agreement"), (iii) agrees that it will be bound by and will take no actions contrary to the provisions of any Lumen Intercreditor Agreement and (iv) hereby consents to the terms set forth in any Lumen Intercreditor Agreement.

(i) such Subsidiary and its subsidiaries (A) are not after giving effect to such designation and any designation under other agreements of the Borrower or its Subsidiaries (and at all times thereafter shall not be) obligors in respect of any Indebtedness where the creditors in respect of such Indebtedness also have recourse to any of the assets of the Borrower or any of its Subsidiaries other than other Subsidiaries designated as Unrestricted Subsidiaries (other than as a result of Permitted Liens described in Section 6.02(x)(ii)), and (B) do not at the time of designation or after giving effect to such designation and any designation under other agreements of the Borrower or its Subsidiaries (and at all times thereafter) own Equity Interests or Indebtedness of, or have Liens over any assets of, the Borrower or any Subsidiary (other than subsidiaries of the Subsidiary to be so designated);

(iv) such Subsidiary that is designated as an Unrestricted Subsidiary does not at the time of designation own or control any Material Asset (including, with respect to Intellectual Property included in the Material Assets, any exclusive license or other exclusive right to such Intellectual Property);

The designation of any Unrestricted Subsidiary as a Subsidiary after the Closing Date shall constitute (x) the incurrence at the time of designation of any Investment, Indebtedness or Liens of such Subsidiary existing at such time and (y) a return on any Investment by the applicable Loan Party (or its relevant Subsidiaries) in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the Fair Market Value at the date of such designation of such Loan Party's (or its relevant Subsidiaries') Investment in such Subsidiary.

Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation." Except as otherwise expressly provided herein, any reference in this Agreement to any Loan Document shall mean such document as amended, restated, amended and restated, supplemented or otherwise modified from time to time.

Except as otherwise expressly provided herein (including, for the avoidance of doubt, the proviso in the definition of "Capitalized Lease Obligations"), all terms of an accounting or financial nature shall be construed and determined in accordance with GAAP, as in effect from time to time; *provided*, that if at any time, any change in GAAP would affect the computation of any financial ratio or requirement in the Loan Documents and the Borrower notifies the Administrative Agent that the Borrower requests an amendment (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment), the Administrative Agent, the Lenders and the Borrower shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Lenders), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such financial ratio or requirement shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such provision is amended in accordance herewith.

Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made:

(a) without giving effect to any election under Accounting Standards Codification 825-10-25 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of the Borrower or any Subsidiary at "fair value," as defined therein,

(b) without giving effect to any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof and

(c) for the avoidance of doubt, except as provided in the definition of "Consolidated Net Income," without giving effect to the financial condition, results and performance of the Unrestricted Subsidiaries.

Any reference herein to a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability company (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate person. Any division of a limited liability company shall constitute a separate person hereunder (and each division of any limited liability company that is a Subsidiary, joint venture or any other like term shall also constitute such a person or entity).

Section 1.03. *Timing of Payment or Performance*. Except as otherwise expressly provided herein, when the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment or performance shall extend to the immediately succeeding Business Day.

Section 1.04. *Times of Day*. Unless otherwise specified herein, all references herein to times of day shall be references to Local Time.

Section 1.05. *Classification of Loans and Borrowings*. For purposes of this Agreement, Loans may be classified and referred to by Class (*e.g.*, a "**Term A Loan**") or by Type (*e.g.*, a "**Term SOFR Loan**") or by Class and Type (*e.g.*, a "**Term SOFR Term A Loan**"). Borrowings also may be classified and referred to by Class (*e.g.*, a "**Term A Borrowing**") or by Type (*e.g.*, a "**Term SOFR Borrowing**") or by Class and Type (*e.g.*, a "**Term SOFR Term A Borrowing**").

Section 1.06. *Interest Rates*. The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to any reference rate referred to herein or with respect to any rate (including, for the avoidance of doubt, the selection of such rate and any related spread or other adjustment) that is an alternative or replacement for or successor to any such rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing) or the effect of any of the foregoing, or of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions or other activities that affect any reference rate referred to herein, or any alternative, successor or replacement rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing) or any related spread or other adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any reference rate referred to herein or any alternative, successor or replacement rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing), in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind,

including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or other action or omission related to or affecting the selection, determination, or calculation of any rate (or component thereof) provided by any such information source or service.

Section 1.07. *Divisions*. Any reference herein to a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability company (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate person. Any division of a limited liability company shall constitute a separate person hereunder (and each division of any limited liability company that is a Subsidiary, joint venture or any other like term shall also constitute such a person or entity).

Section 1.08. *Letter of Credit Amounts*. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the stated amount of such Letter of Credit in effect at such time; *provided*, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

Section 1.09. *Effectuation of Transactions*. Each of the representations and warranties with respect to the Borrower and any of the Subsidiaries contained in this Agreement (and all corresponding definitions) are made solely after giving pro forma effect to the Transactions, unless the context otherwise requires.

ARTICLE II

THE CREDITS

Section 2.01. *Commitments*. Subject to the terms and conditions set forth herein:

(a) On the Closing Date, each Term A Lender with a Term A Commitment shall be deemed to have made Term A Loans in Dollars to the Borrower in an aggregate principal amount not to exceed its Term A Commitment on the Closing Date. Term Loans that are repaid or prepaid may not be reborrowed.

(b) Each Lender having an Incremental Commitment agrees, severally and not jointly, subject to the terms and conditions set forth in the applicable Incremental Assumption Agreement, to make an Incremental Loan to the Borrower, in an aggregate principal amount not to exceed its Incremental Commitment.

(c) Each Series A Revolving Facility Lender agrees, severally and not jointly, to make Series A Revolving Facility Loans in Dollars to the Borrower from time to time during the Availability Period in an aggregate principal amount that will not result in (i) such Lender's Series A Revolving Facility Credit Exposure exceeding such Lender's Series A Revolving Facility Commitment or (ii) the Series A Revolving Facility Credit Exposure exceeding the total Series A Revolving Facility Commitments. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Series A Revolving Facility Loans.

(d) Each Series B Revolving Facility Lender agrees, severally and not jointly, to make Series B Revolving Facility Loans in Dollars to the Borrower from time to time during the Availability Period in an aggregate principal amount that will not result in (i) such Lender's Series B Revolving Facility Credit Exposure exceeding such Lender's Series B Revolving Facility Commitment or (ii) the Series B Revolving Facility Credit Exposure exceeding the total Series B Revolving Facility Commitments. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Series B Revolving Facility Loans.

Section 2.02. *Loans and Borrowings*.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and of the same Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; *provided*, that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or Term SOFR Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any ABR Loan or Term SOFR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender); *provided*, that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement and such Lender shall not be entitled to any amounts payable under Section 2.15 or 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.

(c) At the commencement of each Interest Period for any Term SOFR Revolving Facility Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. At the time that each ABR Revolving Facility Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; *provided*, that an ABR Revolving Facility Borrowing may be in an aggregate amount that is equal to the entire unused available balance of the Revolving Facility Commitments or contemplated by Section 2.05(c). Borrowings of more than one Type and Class may be outstanding at the same time; *provided*, that the Borrower

shall not be entitled to request any Borrowing or conversion that, if made, and after giving effect to all Borrowings, all conversions of Loans from one Type to another, and all continuations of Loans of the same Type, would result in more than (i) 8 (eight) Term SOFR Borrowings outstanding under the Revolving Facilities at any time and (ii) 4 (four) Term SOFR Borrowings outstanding under all other Facilities at any time. Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to (x) request, or to elect to convert or continue, any Borrowing of any Class if the Interest Period requested with respect thereto would end after the Maturity Date of the Facility under which such Borrowing was made or (y) request any Borrowing and/or issuance of Letters of Credit under the Series B Revolving Facility unless and until the Series A Revolving Facility Credit Exposure exceeds (or would exceed after giving effect to such Borrowing) the total Series A Revolving Facility Commitments. If, subsequent to the date that any Loans are made, or any Letters of Credit are issued, under the Series B Revolving Facility, the Series A Revolving Facility Credit Exposure no longer exceeds the Series A Revolving Facility Commitments, such Loans under the Series B Revolving Facility and/or Letters of Credit issued under the Series B Revolving Facility shall be deemed to be made and/or issued, as applicable, under the Series A Revolving Facility, as determined by the Administrative Agent, in the maximum amount possible such that the Series A Revolving Facility Credit Exposure does not exceed the Series A Revolving Facility Commitments.

Section 2.03. *Requests for Borrowings*.

(a) To request a Revolving Facility Borrowing and/or a Term Borrowing, the Borrower shall notify the Administrative Agent of such request (x) in the case of a Term SOFR Borrowing, not later than 11:00 a.m., Local Time, (i) in the case of any Borrowing on the Closing Date, one Business Day before such proposed Borrowing or (ii) in all other cases, two Business Days before the date of the proposed Borrowing or (y) in the case of an ABR Borrowing, by telephone, not later than 12:00 p.m., noon, Local Time, on the Business Day of the proposed Borrowing; *provided*, that (A) if the Borrower wishes to request Term SOFR Loans having an Interest Period other than one, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 12:00 p.m., noon, Local Time four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the applicable Lenders of such request and determine whether the requested Interest Period is acceptable to all of them and not later than 12:00 p.m., noon, Local Time, three Business Days before the requested date of such Borrowing, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the applicable Lenders and (B) any such notice of an ABR Revolving Facility Borrowing as contemplated by Section 2.05(c) may be given no later than 12:00 p.m., noon, Local Time, on the date of the proposed Borrowing. Each such Borrowing Request shall be irrevocable and (in the case of telephonic requests) shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Borrowing Request signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) whether such Borrowing is to be a Borrowing of Term A Loans or Other Term Loans or Revolving Facility Loans of a particular Class, as applicable;

(ii) the aggregate amount of the requested Borrowing;

(iii) the date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing or a Term SOFR Borrowing;

(v) in the case of a Term SOFR Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(vi) the location and number of the Borrower's account to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Term SOFR Borrowing then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04. *[Reserved]*.

Section 2.05. *Letters of Credit*.

(a) The Letter of Credit Commitment. (i) Subject to the terms and conditions set forth herein, (A) each Issuing Bank agrees, in reliance upon the agreements of the Revolving Facility Lenders set forth in this Section 2.05, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date for the applicable Revolving Facility, to issue Letters of Credit for the account of the Borrower or any of its Subsidiaries under the applicable Revolving Facility (it being understood and agreed that (x) Letters of Credit will be issued under the Series A Revolving Facility up to the Series A Letter of Credit Sublimit before any Letters of Credit are issued under the Series B Revolving Facility and (y) in no event shall the aggregate amount of Letters of Credit issued under the Series A Letter of Credit Sublimit and the Series B Letter of Credit Sublimit exceed $500,000,000), and to amend or extend Letters of Credit previously issued by it, in accordance with Section 2.05(b), and (2) to honor drawings under the Letters of Credit; and (B) the Revolving Facility Lenders under each Revolving Facility severally agree to participate in Letters of Credit under such Revolving Facility issued for the account of the Borrower or any of its Subsidiaries under such Revolving Facility and any drawings thereunder; *provided* that after giving effect to any L/C Credit

Extension with respect to any Letter of Credit, (w) the Revolving Facility Credit Exposure under the applicable Revolving Facility shall not exceed the Revolving Facility Commitments thereunder, (x) the Revolving Facility Credit Exposure of any Lender under the applicable Revolving Facility shall not exceed such Lender's Revolving Facility Commitment thereunder, (y) the outstanding amount of the L/C Obligations under the applicable Revolving Facility shall not exceed the applicable Letter of Credit Sublimit and (z) unless otherwise agreed by such Issuing Bank in its sole discretion, the outstanding amount of the L/C Obligations in respect of Letters of Credit issued by such Issuing Bank under the applicable Revolving Facility shall not exceed such Issuing Bank's Letter of Credit Commitment under the applicable Revolving Facility. Each request by the Borrower for the issuance or amendment of a Letter of Credit shall be deemed to be a representation by the Borrower that the L/C Credit Extension so requested complies with the conditions set forth in the proviso to the preceding sentence. No Letters of Credit shall be issued under the Series B Revolving Facility until the amount of Series A Letters of Credit outstanding equals the Series A Letter of Credit Sublimit. If (x) the Series A Revolving Facility is fully utilized, (y) the amount of Series A Letters of Credit outstanding is less than the Series A Letter of Credit Sublimit, and (z) the Borrower or its Subsidiary desires to obtain additional Letters of Credit, the Borrower shall prepay Series A Revolving Facility Loans in accordance with Section 2.11(a) in an amount equal to the lesser of (1) the maximum amount permitted before the outstanding Series A Letters of Credit exceeds the Series A Letter of Credit Sublimit and (2) the amount of such additional Letters of Credit. For the avoidance of doubt, no Series B Letters of Credit shall be issued until the amount of outstanding Series A Letters of Credit equals the Series A Letter of Credit Sublimit. To the extent Series B Letters of Credit are outstanding and the amount of Series A Letters of Credit outstanding subsequently is less than the Series A Letter of Credit Sublimit, the Borrower and its Subsidiaries shall promptly cause such Series B Letters of Credit to be cancelled and replaced with Series A Letters of Credit in a manner such that there are no Series B Letters of Credit outstanding until the amount of Series A Letters of Credit outstanding equals the Series A Letters of Credit Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's and its Subsidiaries' ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower and its Subsidiaries may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. Any letter of credit issued by a person that is or becomes an Issuing Bank hereunder but which letter of credit was not originally a Letter of Credit but the terms of which then comply with the requirements applicable to Letters of Credit hereunder may, if agreed in writing by the Borrower, such Issuing Bank and the Administrative Agent be designated as a Letter of Credit hereunder (any such letter of credit subject to the foregoing, an "**Existing Letter of Credit**"), in which event, such Existing Letter of Credit shall, subject to the satisfaction of the applicable conditions set forth in Article IV, be deemed to be a Letter of Credit under this Agreement as of the date that is on or after the Closing Date that is specified in such written agreement. Each Letter of Credit outstanding under the Existing Credit Agreement immediately prior to the Closing Date and listed on Schedule 2.05 shall be deemed to be issued under the Series A Revolving Facility pursuant to this Section 2.05(a) on the Closing Date.

(ii) No Issuing Bank shall issue any Letter of Credit under any Revolving Facility if:

(A) subject to Section 2.05(b)(iii), the expiry date of the requested Letter of Credit would occur more than twelve months after the date of issuance or last extension, unless the Required Revolving Facility Lenders under such Revolving Facility have approved such expiry date; or

(B) the expiry date of the requested Letter of Credit would occur after the Letter of Credit Expiration Date for such Revolving Facility, unless (x) all the Revolving Facility Lenders under such Revolving Facility and such Issuing Bank have approved such expiry date or (y) such Letter of Credit is Cash Collateralized on terms and pursuant to arrangements satisfactory to the applicable Issuing Bank.

(iii) No Issuing Bank shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any Requirement of Law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such Issuing Bank in good faith deems material to it;

(B) the issuance of the Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and such Issuing Bank, the Letter of Credit is in an initial stated amount of less than $25,000;

(D) such Letter of Credit is to be denominated in a currency other than Dollars;

(E) any Revolving Facility Lender under the applicable Revolving Facility is at that time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including for the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank's actual or reasonably determined potential Fronting Exposure (after giving effect to Section 2.24(a)(iv) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such Issuing Bank has actual or reasonably determined potential Fronting Exposure, as it may elect in its sole discretion); or

(F) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder.

(iv) No Issuing Bank shall amend any Letter of Credit if such Issuing Bank would not have been permitted at such time to issue the Letter of Credit in its amended form under the terms of this Section 2.05(a).

(v) No Issuing Bank shall be under any obligation to amend any Letter of Credit if (A) such Issuing Bank would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit.

(vi) Subject to the provisions of Section 2.05(f), each Issuing Bank shall act on behalf of the Revolving Facility Lenders under the applicable Revolving Facility with respect to any Letters of Credit issued by it under such Revolving Facility and the documents associated therewith, and each Issuing Bank shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by such Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article VIII included such Issuing Bank with respect to such acts or omissions, and (B) as additionally provided herein with respect to the Issuing Banks.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to the applicable Issuing Bank (with a copy to the Administrative Agent) in the form of a Letter of Credit Request, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Request may be sent by facsimile, by United States mail, by overnight courier, by electronic transmission using the system provided by the applicable Issuing Bank, by personal delivery or by any other means acceptable to such Issuing Bank. Such Letter of Credit Request must be received by the applicable Issuing Bank and the Administrative Agent not later than 12:00 noon at least two Business Days (or such later date and time as the Administrative Agent and such Issuing Bank may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of

Credit Request shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the purpose and nature of the requested Letter of Credit; (H) if more than one Revolving Facility is then in effect, the Revolving Facility under which such Letter of Credit is to be issued (subject to the requirements of Section 2.05(a)(i)); and (I) such other matters as the applicable Issuing Bank may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Request shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the applicable Issuing Bank may reasonably request. Additionally, the Borrower shall furnish to the applicable Issuing Bank and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as such Issuing Bank or the Administrative Agent may reasonably request pursuant to its policies of general applicability to other account parties for whom such Issuing Bank issues letters of credit.

(ii) Promptly after receipt of any Letter of Credit Request, the applicable Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Request from the Borrower and, if not, such Issuing Bank will provide the Administrative Agent with a copy thereof. Unless the applicable Issuing Bank has received written notice from the Required Revolving Facility Lenders under the applicable Revolving Facility, the Administrative Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article IV shall not then be satisfied, then, subject to the terms and conditions hereof, such Issuing Bank shall, on the requested date, issue a Letter of Credit for the account of the Borrower (or the applicable Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with such Issuing Bank's usual and customary business practices. Immediately upon the issuance of each Letter of Credit under a Revolving Facility, each Revolving Facility Lender under such Revolving Facility shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable Issuing Bank a risk participation in such Letter of Credit in an amount equal to the product of such Revolving Facility Lender's Revolving Facility Percentage of such Revolving Facility times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Request, an Issuing Bank may, in its discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); *provided*, that any such Auto-Extension Letter of Credit must permit such Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable Issuing Bank, the Borrower shall not be required to make a specific request to such Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Revolving Facility Lenders shall be deemed to have authorized (but may not require) such Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date of the applicable Revolving Facility; *provided*, that no Issuing Bank shall permit any such extension if (A) such Issuing Bank has determined that it would not be permitted at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.05(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Revolving Facility Lenders under the applicable Revolving Facility have elected not to permit such extension or (2) from the Administrative Agent or the Borrower that one or more of the applicable conditions specified in Article IV is not then satisfied, and in each such case directing such Issuing Bank not to permit such extension.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, each Issuing Bank will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Bank shall notify the Borrower and the Administrative Agent thereof. Not later than 11:00 a.m. one Business Day after the date of notice of any payment by an Issuing Bank under a Letter of Credit or, if the Borrower shall have received such notice from such Issuing Bank later than 11:00 a.m. on any Business Day, not later than 4:00 p.m. on the next Business Day (each such date of payment by an Issuing Bank, an "**Honor Date**"), the Borrower shall reimburse such Issuing Bank through the Administrative Agent in an amount equal to the amount of such drawing. If the Borrower fails to so reimburse the applicable Issuing Bank by such time, the Administrative Agent shall promptly notify each Revolving Facility Lender under the applicable Revolving Facility of the Honor Date, the amount of the unreimbursed drawing (the "**Unreimbursed Amount**"), and the amount of such Revolving Facility Lender's Revolving Facility Percentage thereof. In such event, the Borrower shall be deemed to have requested a Borrowing of ABR Revolving Facility Loans under the applicable Revolving Facility to be disbursed on such date in an amount equal to the Unreimbursed Amount, without regard to the minimum

and multiples specified in Section 2.02 for the principal amount of ABR Loans, but subject to the amount of the unutilized portion of the Revolving Facility Commitments under Section 4.03 and the conditions set forth in Section 4.03 (other than the delivery of a Borrowing Request). Any notice given by an Issuing Bank or the Administrative Agent pursuant to this Section 2.05(c)(i) may be given by telephone if immediately confirmed in writing; *provided*, that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Facility Lender under the applicable Revolving Facility shall upon any notice pursuant to Section 2.05(c)(i) make funds available (and the Administrative Agent may apply Cash Collateral provided for this purpose) for the account of the applicable Issuing Bank to Administrative Agent in an amount equal to its applicable Revolving Facility Percentage of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.05(c)(iii), each Revolving Facility Lender that so makes funds available shall be deemed to have made an ABR Revolving Facility Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the applicable Issuing Bank.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Facility Borrowing of ABR Loans because the conditions set forth in Section 4.03 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the applicable Issuing Bank an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the rate applicable to ABR Revolving Facility Loans of the applicable Class. In such event, each Revolving Facility Lender's payment to the Administrative Agent for the account of the applicable Issuing Bank pursuant to Section 2.05(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.05; *provided*, that the amount of any drawing that is not reimbursed on the Honor Date shall bear interest at the rate applicable to ABR Revolving Facility Loans from and including the date of drawing to but excluding the date such amount becomes an Unreimbursed Amount.

(iv) Until each Revolving Facility Lender under the applicable Revolving Facility funds its Revolving Facility Loan or L/C Advance pursuant to this Section 2.05(c) to reimburse an Issuing Bank for any amount drawn under any Letter of Credit, interest in respect of such Lender's Revolving Facility Percentage of such amount shall be solely for the account of such Issuing Bank.

(v) Each Revolving Facility Lender's obligation to make Revolving Facility Loans or L/C Advances to reimburse the Issuing Banks for amounts drawn under Letters of Credit, as contemplated by this Section 2.05(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against any Issuing Bank, the Borrower or any other person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided*, that each Revolving Facility Lender's obligation to make Revolving Facility Loans pursuant to this Section 2.05(c) is subject to the conditions set forth in Section 4.03 (other than delivery by the Borrower of a Borrowing Request). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse any Issuing Bank for the amount of any payment made by such Issuing Bank under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Facility Lender fails to make available to the Administrative Agent for the account of an Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.05(c) by the time specified in Section 2.05(c)(ii), then, without limiting the other provisions of this Agreement, such Issuing Bank shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by such Issuing Bank in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by such Issuing Bank in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid (minus the foregoing interest and fees) shall constitute such Lender's Revolving Facility Loan included in the relevant Revolving Facility Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of an Issuing Bank submitted to any Revolving Facility Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.05(c)(vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after an Issuing Bank has made a payment under any Letter of Credit and has received from any Revolving Facility Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.05(c), if the Administrative Agent receives for the account of such Issuing Bank any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Revolving Facility Percentage thereof in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an Issuing Bank pursuant to Section 2.05(c)(i) is required to be returned under any of the circumstances described in Section 9.22 (including pursuant to any settlement entered into by such Issuing Bank in its discretion), each Revolving Facility Lender shall pay to the Administrative Agent for the account of such Issuing Bank its Revolving Facility Percentage thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of the Borrower to reimburse the relevant Issuing Bank for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any person for whom any such beneficiary or any such transferee may be acting), such Issuing Bank or any other person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) waiver by such Issuing Bank of any requirement that exists for such Issuing Bank's protection and not the protection of the Borrower or any waiver by such Issuing Bank which does not in fact materially prejudice the Borrower;

(v) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(vi) any payment made by such Issuing Bank in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC or the ISP, as applicable;

(vii) any payment by such Issuing Bank under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by such Issuing Bank under such Letter of Credit to any person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

(viii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any of its Subsidiaries.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will promptly notify the relevant Issuing Bank. The Borrower shall be conclusively deemed to have waived any such claim against the relevant Issuing Bank and its correspondents unless such notice is given as aforesaid.

(f) Role of Issuing Banks. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, other than in respect of any sight draft, certificates and documents expressly required by the Letter of Credit, no Issuing Bank shall have any responsibility to obtain any document or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the person executing or delivering any such document. None of the Issuing Banks, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the Issuing Banks shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Facility Lenders or the Required Revolving Facility Lenders, as applicable, under the applicable Revolving Facility; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided*, that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any Issuing Bank shall be liable or responsible for any of the matters described in clauses (i) through (v) of Section 2.05(e); *provided*, that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an Issuing Bank, and such Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such Issuing Bank's willful misconduct or gross negligence, or such Issuing Bank's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each Issuing Bank may accept documents that appear on their face to be in compliance with the terms of the Letter of

Credit, without responsibility for further investigation, regardless of any notice or information to the contrary, and no Issuing Bank shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. Any Issuing Bank may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication ("**SWIFT**") message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

(g) Applicability of ISP. Unless otherwise expressly agreed by the relevant Issuing Bank and the Borrower when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each Letter of Credit. Notwithstanding the foregoing, no Issuing Bank shall be responsible to the Borrower for, and no Issuing Bank's rights and remedies against the Borrower shall be impaired by, any action or inaction of such Issuing Bank required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including any Requirements of Law or any order of a jurisdiction where such Issuing Bank or the beneficiary is located, the practice stated in the ISP or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade – International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(h) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(i) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower shall be obligated to reimburse the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

(j) Cash Collateralization Following Certain Events. If and when the Borrower is required to Cash Collateralize any Revolving L/C Exposure relating to any outstanding Letters of Credit pursuant to any of Section 2.11(d), 2.11(e), 2.24(a)(v) or 7.01, the Borrower shall deposit in an account with or at the direction of the Collateral Agent, in the name of the Collateral Agent and for the benefit of the Revolving Facility Lenders under each Revolving Facility, an amount in cash equal to 102% of the Revolving L/C Exposure under such Revolving Facility as of such date *plus* any accrued but unpaid interest thereon (or, in the case of Sections 2.11(d), 2.11(e) and 2.24(a)(v), the portion thereof required by such sections). Each deposit of Cash Collateral (x) made pursuant to this paragraph or (y) made by the Administrative Agent pursuant to Section 2.24(a)(ii), in each case, shall be held by the Collateral Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Collateral Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such

account and the Borrower hereby grants the Collateral Agent, for the benefit of the Secured Parties, a security interest in such account. Such deposits shall not bear interest. Moneys in such account shall be applied by the Collateral Agent to reimburse each Issuing Bank for any disbursements under any Letter of Credit for which such Issuing Bank has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the Revolving L/C Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with Revolving L/C Exposure representing greater than 50% of the total Revolving L/C Exposure), be applied to satisfy other Loan Obligations. If the Borrower is required to provide an amount of Cash Collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender or the occurrence of a limit under Section 2.11(d) or (e) being exceeded, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived or the termination of the Defaulting Lender status or the limits under Sections 2.11(d) and (e) no longer being exceeded, as applicable.

(k) Additional Issuing Banks. From time to time, the Borrower may by notice to the Administrative Agent designate any Revolving Facility Lender (in addition to the initial Issuing Banks) which agrees (in its sole discretion) to act in such capacity and is reasonably satisfactory to the Administrative Agent as an Issuing Bank. Each such additional Issuing Bank shall execute a counterpart of this Agreement upon the approval of the Administrative Agent (which approval shall not be unreasonably withheld) and shall thereafter be an Issuing Bank hereunder for all purposes.

(l) Reporting. Unless otherwise requested by the Administrative Agent, each Issuing Bank (other than the Administrative Agent or its Affiliates) shall (i) provide to the Administrative Agent copies of any notice received from the Borrower pursuant to Section 2.05(b) no later than the next Business Day after receipt thereof (or, if earlier, the time specified thereon) and (ii) report in writing to the Administrative Agent (A) on or prior to each Business Day on which such Issuing Bank expects to issue, amend or extend any Letter of Credit, the date of such issuance, amendment or extension, and the aggregate face amount of the Letters of Credit to be issued, amended or extended by it and outstanding after giving effect to such issuance, amendment or extension occurred (and whether the amount thereof changed), and the applicable Issuing Bank shall be permitted to issue, amend or extend such Letter of Credit if the Administrative Agent shall not have advised such Issuing Bank that such issuance, amendment or extension would not be in conformity with the requirements of this Agreement, (B) on each Business Day on which such Issuing Bank makes any disbursement under any Letter of Credit, the date of such disbursement and the amount of such disbursement and (C) on any other Business Day, such other information with respect to the outstanding Letters of Credit issued by such Issuing Bank as the Administrative Agent shall reasonably request.

Section 2.06. *Funding of Borrowings*.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, Local Time (or, in the case of ABR Borrowings, 2:00 p.m. Local Time), to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower as specified in the applicable Borrowing Request; *provided*, that Borrowings made to finance the reimbursement of any disbursement under any Letter of Credit and reimbursements as provided in Section 2.05(c) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Term SOFR Loans (or, in the case of any Borrowing of ABR Loans, prior to 11:00 a.m., Local Time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with clause (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of (A) the Federal Funds Rate and (B) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of a payment to be made by the Borrower, the interest rate then applicable to ABR Loans of the applicable Class. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. The foregoing shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.07. *Interest Elections*.

(a) Each Borrowing initially shall be of the Type, and under the applicable Class, specified in the applicable Borrowing Request and, in the case of a Term SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Term SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding any other provision of this Section 2.07, the Borrower shall not be permitted to change the Class of any Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election (by telephone or irrevocable written notice), by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type and Class resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Interest Election Request signed by the Borrower. Notwithstanding any contrary provision herein, this Section 2.07 shall not be construed to permit the Borrower to (i) elect an Interest Period for Term SOFR Loans that does not comply with Section 2.02(d) or (ii) convert any Borrowing to a Borrowing of a Type not available under the Class of Commitments or Loans pursuant to which such Borrowing was made.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Term SOFR Borrowing; and

(iv) if the resulting Borrowing is a Term SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Term SOFR Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. If less than all the outstanding principal amount of any Borrowing shall be converted or continued, then each resulting Borrowing shall be in an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum and satisfy the limitations specified in Section 2.02(c) regarding the maximum number of Borrowings of the relevant Type.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Term SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, then, at the election of the Administrative Agent (acting at the direction of the Required Lenders under the applicable Facility) (i) no outstanding Borrowing may be converted to or continued as a Term SOFR Borrowing and (ii) unless repaid, each Term SOFR Borrowing shall be converted to an ABR Borrowing at the end of the then-current Interest Period thereof.

Section 2.08. *Termination and Reduction of Commitments*.

(a) Unless previously terminated, the Revolving Facility Commitments of each Class shall automatically and permanently terminate on the applicable Revolving Facility Maturity Date for such Class. On the Closing Date (after giving effect to the deemed funding of the Term A Loans), the Term A Commitments shall automatically and permanently terminate.

(b) The Borrower may at any time terminate, or from time to time reduce, the Revolving Facility Commitments of any Class; *provided*, that (i) each reduction of the Revolving Facility Commitments of any Class shall be in an amount that is an integral multiple of $1,000,000 and not less than $1,000,000 (or, if less, the remaining amount of the Revolving Facility Commitments of such Class) and (ii) the Borrower shall not terminate or reduce the Revolving Facility Commitments of any Class if, after giving effect to any concurrent prepayment of the Revolving Facility Loans in accordance with Section 2.11 and any Cash Collateralization of Letters of Credit in accordance with Section 2.05(j), as applicable, the Revolving Facility Credit Exposure of such Class (excluding any Cash Collateralized Letter of Credit, to the extent so Cash Collateralized) would exceed the total Revolving Facility Commitments of such Class; *provided*, *further*, that the Borrower shall be required to terminate the Series B Revolving Facility Commitments in full before it can terminate or reduce any Series A Revolving Facility Commitments.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Revolving Facility Commitments of any Class under clause (b) of this Section 2.08 at least three (3) Business Days prior to the effective date of such termination or reduction (or such shorter period acceptable to the Administrative Agent), specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.08 shall be irrevocable; *provided* that a notice of termination or reduction of the Revolving Facility Commitments of any Class delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Other than with respect to a reduction of the Series A Specified Revolving Facility Commitments and/or Series B Specified Revolving Facility Commitments in connection with the replacement of the Specified Revolving Facility Lender with a Series A Specified Incremental Revolving Facility Lender and/or a Series B Specified Incremental Revolving Facility Lender, as applicable, in accordance with Section 2.21(b), each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

Section 2.09. *Repayment of Loans; Evidence of Debt*.

(a) The Borrower hereby unconditionally promise to pay (i) to the Administrative Agent for the account of each Revolving Facility Lender the then unpaid principal amount of each Revolving Facility Loan on the Revolving Facility Maturity Date applicable to such Revolving Facility Loans and (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Facility, Class and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to clause (b) or (c) of this Section shall be *prima facie* evidence of the existence and amounts of the obligations recorded therein; *provided*, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent pursuant to paragraph (c) of this Section shall control.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "**Note**"). In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in the form attached hereto as Exhibit H, or in another form approved by such Lender, the Administrative Agent and the Borrower in their sole discretion. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

Section 2.10. *Repayment of Term Loans and Revolving Facility Loans and Prepayment and Termination Procedures*.

(a) Subject to the other clauses of this Section 2.10, Section 9.08(e) and to Section 9.08(f),

(i) [reserved];

(ii) the Borrower shall repay principal of outstanding Term A Loans on the last Business Day of each March, June, September and December of each year (commencing on the last Business Day of the first fiscal quarter of the Borrower commencing after the Closing Date) and on the Term A Maturity Date (each such date being referred to as a "**Term A Loan Installment Date**"), in an aggregate principal amount of such Term A Loans equal to (A) for each such Term A Loan Installment Date prior to the Term A Maturity Date, 1.25% of the aggregate principal amount of the Term A Loans incurred on the Closing Date and (B) in the case of such payment due on the Term A Maturity Date, an amount equal to the then unpaid principal amount of such Term A Loans outstanding;

(iii) [reserved];

(iv) [reserved];

(v) in the event that any Other Term Loans are made, the Borrower shall repay such Other Term Loans on the dates and in the amounts set forth in the related Incremental Assumption Agreement, Extension Amendment or Refinancing Amendment (each such date being referred to as an "**Other Term Loan Installment Date**"); and

(vi) to the extent not previously paid, all outstanding Term Loans shall be due and payable on the applicable Term Facility Maturity Date.

(b) To the extent not previously paid, all outstanding Revolving Facility Loans shall be due and payable on the applicable Revolving Facility Maturity Date.

(c) Notwithstanding anything herein to the contrary,

(i) any mandatory prepayment of Term Loans pursuant to Section 2.11(c) may be applied by the Borrower so that the aggregate amount of such prepayment is allocated among all Classes of outstanding Term Loans *pro rata* based on the aggregate principal amount of each Class of outstanding Term Loans, if any, to reduce amounts due on the succeeding Term Loan Installment Dates, if any, for such Classes and/or to repay the principal amount thereof if no such Term Loan Installment Dates exist for the applicable Class or to the extent such amounts are reduced to zero pursuant to prepayments applied pursuant to this sentence; *provided* that, subject to the pro rata application to Term Loans outstanding within any respective Class of Term Loans, with respect to mandatory prepayments of Term Loans pursuant to Section 2.11(c), any Class of Other Term Loans may receive less than its *pro rata* share thereof (as a result of any Declined Prepayment Amount or to the extent the respective Class receiving less than its *pro rata* share has consented thereto) so long as the amount by which its *pro rata* share exceeds the amount actually applied to such Class is applied to repay (on a *pro rata* basis) the outstanding Term A Loans and any other Classes of then outstanding Other Term Loans; and

(ii) any mandatory prepayment of Term Loans and mandatory permanent reduction of Series B Revolving Facility Commitments (with a corresponding repayment of any excess Series B Revolving Facility Loans and Cash Collateralization of excess Series B Revolving L/C Exposure in connection therewith),

in each case, pursuant to Section 2.11(b) shall be applied by the Borrower so that the aggregate amount of such prepayment and commitment reduction is allocated among:

(A) the Series B Revolving Facility Commitments (with a corresponding repayment of any excess Series B Revolving Facility Loans in connection therewith),

(B) the Term A Loans and

(C) any Other First Lien Debt (or any Permitted Refinancing Indebtedness in respect thereof that is secured on a *pari passu* basis with the Obligations) that requires mandatory prepayment or repurchase from any Net Proceeds,

in each case of clauses (A), (B) and (C), *pro rata* based on the aggregate principal amount of Series B Revolving Facility Commitments, outstanding Term A Loans and such Other First Lien Debt outstanding to: (x) permanently reduce Series B Revolving Facility Commitments (with a corresponding repayment of any excess Series B Revolving Facility Loans and Cash Collateralization of excess Series B Revolving L/C Exposure in connection therewith), (y) in the case of Term A Loans, prepay amounts due on the succeeding Term Loan Installment Date, if any, or repay the principal amount thereof if no such Term Loan Installment Date exists for the Term A Loans and (z) in the case of Other First Lien Debt, repay, repurchase or redeem the principal amount thereof;

provided that

(A) the amounts allocated to the Series B Revolving Facility shall result in the permanent reduction of Series B Revolving Facility Commitments thereunder (with a corresponding repayment of any excess Series B Revolving Facility Loans and Cash Collateralization of excess Series B Revolving L/C Exposure in connection therewith) and

(B) to the extent there are no Series B Revolving Facility Loans and there is no Series B Revolving L/C Exposure outstanding or the pro rata amount of such Net Proceeds allocated to the Series B Revolving Facility Commitments exceeds the amount of Series B Revolving Facility Loans outstanding on the applicable prepayment date (including after giving effect to any repayment of Series B Revolving Facility Loans and the amount of Series B Revolving L/C Exposure outstanding on such date), the Borrower may retain such Net Proceeds equal to the amount of the permanent reduction of commitments under the Series B Revolving Facility (it being understood and agreed for the avoidance of doubt that any such reduction of commitments will qualify as prepayments of debt that reduce the Borrower's obligations hereunder on a dollar-for-dollar basis);

provided, *further*, that in respect of the Net Proceeds of the kind described in clauses (d), (e), (f) and (g) of the definition thereof, to the extent the holders of Other First Lien Debt decline to have such Indebtedness repurchased, repaid or prepaid with the amount of any such Net Proceeds, the declined amount of such Net Proceeds shall promptly (and, in any event, within five (5) Business Days after the date of such rejection) be applied to, subject to clause (B) of the immediately preceding proviso, permanently reduce Series B Revolving Facility Commitments (with a corresponding repayment of any excess Series B Revolving Facility Loans and Cash Collateralization of excess Series B Revolving L/C Exposure in connection therewith) and prepay the Term A Loans in accordance with the terms hereof (to the extent such amount of such Net Proceeds would otherwise have been required to be applied if such Other First Lien Debt was not then outstanding).

Any optional prepayments of the Term Loans pursuant to Section 2.11(a) shall be applied to the remaining installments of the Term Loans under the applicable Class or Classes as the Borrower may in each case direct.

Prior to any prepayment of any Loan under any Facility hereunder, the Borrower shall select the Borrowing or Borrowings under the applicable Facility to be prepaid and shall notify the Administrative Agent by telephone (confirmed by electronic means) of such selection not later than (i) 11:00 a.m., Local Time, in the case of an ABR Borrowing, on the scheduled date of such prepayment and (ii) 2:00 p.m., Local Time, in the case of a Term SOFR Borrowing, at least two Business Days before the scheduled date of such prepayment (or, in each case, such shorter period acceptable to the Administrative Agent). Each such notice shall be irrevocable; *provided* that a notice of prepayment may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Each repayment of a Borrowing (x) in the case of the Revolving Facility of any Class, shall be applied to the Revolving Facility Loans included in the repaid Borrowing such that each Revolving Facility Lender receives its ratable share of such repayment (based upon its respective Revolving Facility Percentage of such Class at the time of such repayment) and (y) in all other cases, shall be applied ratably to the Loans included in the repaid Borrowing. All repayments of Loans shall be accompanied by (A) accrued interest on the amount repaid to the extent required by Section 2.13(d) and (B) break funding payments pursuant to Section 2.16. In connection with any prepayment of any Loan of any Lender hereunder that would otherwise occur from the proceeds of new Loans being funded hereunder on the date of such prepayment, if agreed to by the Borrower and such Lender in a writing provided to the Administrative Agent, the portion of the existing Loan of such Lender that would otherwise be prepaid on such date may instead be converted on a “cashless roll” basis into a like principal amount of the new Loans being funded on such date.

(d) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to Section 2.11(b) or 2.11(c) at least four (4) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Term Lender of the contents of any such prepayment notice and of such Term Lender's ratable portion of such prepayment (based on such Lender's *pro rata* share of each relevant Class of the Term Loans). Any Term Lender (a "**Declining Term Lender**") may elect, by delivering written notice to the Administrative Agent and the Borrower no later than 5:00 p.m. one (1) Business Day after the date of such Term Lender's receipt of notice from the Administrative Agent regarding such prepayment, that the full amount of any mandatory prepayment otherwise required to be made with respect to the Term Loans held by such Term Lender pursuant to Section 2.11(b) or 2.11(c) not be made (the aggregate amount of such prepayments declined by the Declining Term Lenders, the "**Declined Prepayment Amount**"). If a Term Lender fails to deliver notice setting forth such rejection of a prepayment to the Administrative Agent within the time frame specified above or such notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Prepayment Amount which would otherwise have been applied to such Term Loans of the Declining Term Lenders shall instead be retained by the Borrower.

Section 2.11. *Prepayment of Loans and Termination of Commitments*.

(a) The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (but subject to Section 2.12(e) and Section 2.16 and subject to prior notice in accordance with the provisions of Section 2.10(c) and subject to the immediately succeeding sentence), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, subject to prior notice in accordance with the first sentence of Section 2.10(d). Prior to the occurrence and continuation of an Event of Default, the Borrower shall not be permitted to prepay any Loans under the Series A Revolving Facility unless and until there are no Loans outstanding under the Series B Revolving Facility.

(b) The Borrower shall apply:

(i) all Net Proceeds (other than Net Proceeds of the kind described in the following clause (ii)) within five (5) Business Days (or, in the case of Other First Lien Debt that requires mandatory prepayment or repurchase from any Net Proceeds, within the period set forth in the documentation governing such Other First Lien Debt) after receipt thereof to permanently reduce Series B Revolving Facility Commitments (with a corresponding repayment of any excess Series B Revolving Facility Loans and Cash Collateralization of excess Series B Revolving L/C Exposure in connection therewith) and prepay, repurchase or redeem or otherwise discharge Term A Loans and Other First Lien Debt in accordance with clauses (c) and (d) of Section 2.10; and

(ii) all Net Proceeds from any issuance or incurrence of Refinancing Notes, Refinancing Term Loans and Replacement Revolving Facility Commitments (other than solely by means of extending or renewing then-existing Refinancing Notes, Refinancing Term Loans and Replacement Revolving Facility Commitments without resulting in any Net Proceeds) no later than three (3) Business Days after the date on which such Refinancing Notes, Refinancing Term Loans and Replacement Revolving Facility Commitments are issued or incurred, to prepay Term Loans and/or permanently reduce Revolving Facility Commitments (with a corresponding repayment of Revolving Facility Loans) in accordance with Section 2.23 and the definition of "Refinancing Notes" (as applicable); *provided* that, in no event shall any reduction of commitments and repayment of excess outstanding extensions cause any such mandatory prepayment amount to exceed the Series B Revolving Facility's pro rata share of such mandatory prepayment.

Notwithstanding anything to the contrary in this Section 2.11(b) or elsewhere in this Agreement, to the extent that (A) any or all of the Net Proceeds of any Asset Sale or Recovery Event by a Foreign Subsidiary are prohibited by any Requirement of Law from being loaned, distributed or otherwise transferred to the Borrower or any Domestic Subsidiary or materially adverse consequences to (including any material Tax incurred by) the Borrower or any of its Affiliates would result therefrom or (B) any or all of the Net Proceeds of any Asset Sale or Recovery Event by a Foreign Subsidiary are prohibited from being transferred to the Borrower for application in accordance with this Section 2.11(b) by any applicable organizational documents, joint venture agreement, shareholder agreement, or similar agreement or any other contractual obligation with an unaffiliated third party (including any agreement governing Indebtedness) that was not created in contemplation of such Asset Sale or Recovery Event, then in each case an amount equal to the portion of such Net Proceeds so affected will not be required to be applied as provided in this Section 2.11(b) so long as, but only so long as, such materially adverse consequences or prohibitions exist and once such materially adverse consequences or prohibitions are no longer applicable, an amount equal to such Net Proceeds will be promptly applied to the repayment of the Term Loans and permanent reduction of Series B Revolving Facility Commitments (with a corresponding repayment of any excess Series B Revolving Facility Loans in connection therewith) pursuant this Section 2.11(b) (the Borrower hereby agreeing to cause the applicable Subsidiary to promptly use commercially reasonable efforts to take all actions within the reasonable control of the Borrower that are reasonably required to eliminate or mitigate such materially adverse consequences or prohibitions, as the case may be).

(c) Not later than five (5) Business Days after the date on which the annual financial statements are, or are required to be, delivered under Section 5.04(a) with respect to each Excess Cash Flow Period, the Borrower shall calculate Excess Cash Flow for such Excess Cash Flow Period and, if and to the extent the amount of such Excess Cash Flow exceeds $0, the Borrower shall apply an amount to prepay Term Loans equal to

(i) the Required Percentage of such Excess Cash Flow *minus*

(ii) to the extent not financed using the proceeds of funded Indebtedness, the sum of

(A) the amount of any voluntary payments of Term Loans and amounts used to repurchase outstanding principal of Term Loans during such Excess Cash Flow Period pursuant to Sections 2.11(a) and Section 2.25 (it being understood that the amount of any such payments pursuant to Section 2.25 shall be calculated to equal the amount of cash used to repay principal and not the principal amount deemed prepaid therewith),

(B) the amount of any voluntary payments of Revolving Facility Loans to the extent that Revolving Facility Commitments are terminated or permanently reduced pursuant to Section 2.08 by the amount of such payments and

(C) the amount used to fund any voluntary prepayments, voluntary repurchases or voluntary redemptions of any other Indebtedness of LVLT or QC or any of their respective Subsidiaries that is included in "Consolidated Priority Debt" (other than Indebtedness under any revolving credit facility except to the extent there is a corresponding reduction in the commitments thereunder), *plus*,

in each case, without duplication of any amounts previously deducted under this clause (ii), the amount of any such voluntary payments, voluntary repurchases or voluntary redemptions of such Indebtedness after the end of such Excess Cash Flow Period but before the date of prepayment under this clause (c).

Such calculation will be set forth in a certificate signed by a Financial Officer of the Borrower delivered to the Administrative Agent setting forth the amount, if any, of Excess Cash Flow for such fiscal year, the amount of any required prepayment in respect thereof and the calculation thereof in reasonable detail.

Notwithstanding anything to the contrary in this Section 2.11(c) or elsewhere in this Agreement, to the extent that any or all of Excess Cash Flow that is attributable to a Foreign Subsidiary is prohibited by any Requirement of Law from being loaned, distributed or otherwise transferred to the Borrower or any Domestic Subsidiary or materially adverse consequences to (including any material Tax incurred by) the Borrower would result therefrom then an amount equal to the portion of such Excess Cash Flow so affected will not be required to be applied as provided in this Section 2.11(c) so long as, but only so long as, such materially adverse consequences or prohibitions exist and once such materially adverse consequences or prohibitions are no longer applicable, an amount equal to such Excess Cash Flow will be promptly applied to the repayment of the Term Loans pursuant this Section 2.11(c) (the Borrower hereby agreeing to cause the applicable Subsidiary to promptly use commercially reasonable efforts to take all actions within the reasonable control of the Borrower that are reasonably required to eliminate or mitigate such materially adverse consequences or prohibitions, as the case may be).

(d) In the event that the aggregate amount of Revolving Facility Credit Exposure of any Class exceeds the total Revolving Facility Commitments of such Class, the Borrower shall prepay Revolving Facility Borrowings of such Class (or, if no such Borrowings are outstanding, provide Cash Collateral in respect of outstanding Letters of Credit pursuant to Section 2.05(j)) in an aggregate amount equal to such excess.

(e) Prepayments pursuant to this Section 2.11 shall be in accordance with the procedures specified in clauses (c) and (d) of Section 2.10 (including, for the avoidance of doubt, that Term Lenders may decline such prepayments and the Borrower may retain any Declined Prepayment Amount).

Section 2.12. *Fees*.

(a) The Borrower agrees to pay to the Administrative Agent for the account of each Lender, on the first Business Day following the end of each March, June, September and December (commencing on the first such Business Day that is at least three months after the Closing Date) and on the date on which the Revolving Facility Commitments of any Class of all the Lenders shall be terminated as provided herein, a commitment fee (a "**Commitment Fee**") in Dollars on the daily amount of the applicable Available Unused Commitment of such Lender during the preceding quarter (or other period commencing with the Closing Date or ending with the date on which the last of the Revolving Facility Commitments of such Lender shall be terminated) at a rate equal to the Applicable Commitment Fee. All Commitment Fees shall be computed on the basis of the actual number of days elapsed (including the first day but excluding the last) in a year of 360 days. The Commitment Fee due to each Lender shall commence to accrue on the Closing Date and shall cease to accrue on the date on which the last of the Revolving Facility Commitments of such Lender shall be terminated as provided herein.

(b) The Borrower agrees to pay from time to time (i) to the Administrative Agent for the account of each Revolving Facility Lender of each Class, on the first Business Day following the end of each March, June, September and December (commencing on the first such Business Day that is at least three months after the Closing Date) and on the date on which the Revolving Facility Commitments of all the Lenders in such Class shall be terminated as provided herein, a fee (an "**L/C Participation Fee**") on such Lender's Revolving Facility Percentage of the daily Revolving L/C Exposure (excluding the portion thereof attributable to unreimbursed disbursements under any Letter of Credit) of such Class, during the preceding quarter (or other period commencing with the Closing Date or ending with the Revolving Facility Maturity Date or the date on which the Revolving Facility Commitments of such Class shall be terminated; *provided*, that any such fees accruing after the date on which such Revolving Facility Commitments terminate shall be payable on demand) at the rate per annum equal to the Applicable Margin for Term SOFR Revolving Facility Borrowings of such Class effective for each day in such period, and (ii) to each Issuing Bank, for its own account (x) on the last Business Day of each March, June, September and December (commencing on the last Business Day of the first fiscal quarter commencing after the Closing Date) and on the date on which the Revolving Facility Commitments of all the Lenders shall be terminated, a fronting fee in Dollars in respect of each Letter of Credit issued by such Issuing Bank for the period from and including the

date of issuance of such Letter of Credit to and including the termination of such Letter of Credit, computed at a rate equal to 0.125% per annum of the daily stated amount of such Letter of Credit (or such lesser amount as may be acceptable to the applicable Issuing Bank in its sole discretion, or with respect to any additional Issuing Bank designated in accordance with Section 2.05(k) after the Closing Date, such greater amount as may be agreed with the Borrower), *plus* (y) in connection with the issuance, amendment, cancellation, negotiation, presentment, renewal, extension or transfer of any such Letter of Credit or any disbursement thereunder, such Issuing Bank's customary documentary and processing fees and charges (collectively, "**Issuing Bank Fees**"). All L/C Participation Fees and Issuing Bank Fees that are payable on a per annum basis shall be computed on the basis of the actual number of days elapsed (including the first day but excluding the last) in a year of 360 days.

(c) The Borrower agrees to pay to the Administrative Agent, for the account of the Administrative Agent, the fees as set forth in the Administrative Agent Fee Letter, in the amounts and, at the times specified therein until the Facilities under this Agreement have been terminated in full (the "**Administrative Agent Fees**").

(d) All fees payable under any Loan Document shall be paid on the dates due, in Dollars and immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that Issuing Bank Fees shall be paid directly to the applicable Issuing Banks. Once paid, none of the Fees or other fees shall be refundable under any circumstances.

Section 2.13. *Interest*.

(a) The Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each Term SOFR Borrowing shall bear interest at Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrower hereunder or under any other Loan Document is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding clauses of this Section 2.13 or (ii) in the case of any other overdue amount, 2% plus the rate applicable to ABR Loans as provided in clause (a) of this Section; *provided*, that this clause (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, (ii) in the case of Revolving Facility Loans, upon termination of the applicable Revolving Facility Commitments and (iii) in the case of the Term Loans, on the applicable Term Facility Maturity Date; *provided*, that (A) interest accrued pursuant to clause (c) of this Section 2.13 shall be payable on demand, (B) in the event of any repayment or prepayment of any Loan (other than a prepayment of a Revolving Facility Loan that is an ABR Loan that is not made in conjunction with a permanent commitment reduction), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, (C) in the event of any conversion of any Term SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion and (D) any Loan that is repaid on the same day on which it is made shall bear interest for one day.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). ABR and Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.14. *Alternate Rate of Interest*.

(a) Inability to Determine Rates. If in connection with any request for a Term SOFR Loan or a conversion of ABR Loans to Term SOFR Loans or a continuation of any of such Loans, as applicable, (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (A) no Successor Rate has been determined in accordance with Section 2.14(b), and the circumstances under clause (i) of Section 2.14(b) or the Scheduled Unavailability Date has occurred, or (B) adequate and reasonable means do not otherwise exist for determining Term SOFR for any requested Interest Period with respect to a proposed Term SOFR Loan or in connection with an existing or proposed ABR Loan, or (ii) the Administrative Agent or the Required Lenders determine that for any reason that Term SOFR for any requested Interest Period with respect to a proposed Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender.

Thereafter, (x) the obligation of the Lenders to make or maintain Term SOFR Loans, or to convert ABR Loans to Term SOFR Loans, shall be suspended (to the extent of the affected Term SOFR Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Term SOFR component of ABR, the utilization of the Term SOFR component in determining ABR shall be suspended, in each case until the Administrative Agent (or, in the case of a determination by the Required Lenders described in clause (ii) of this Section 2.14(a), until the Administrative Agent upon instruction of the Required Lenders) revokes such notice.

Upon receipt of such notice, (x) the Borrower may revoke any pending request for a Borrowing of, or conversion to, or continuation of Term SOFR Loans (to the extent of the affected Term SOFR Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of ABR Loans in the amount specified therein and (y) any outstanding Term SOFR Loans shall be deemed to have been converted to ABR Loans immediately at the end of their respective applicable Interest Period.

(b) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines in good faith (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined in good faith, that:

(i) adequate and reasonable means do not exist for ascertaining one month, three month and six-month interest periods of Term SOFR, including, without limitation, because the Term SOFR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) CME or any successor administrator of the Term SOFR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent or such administrator with respect to its publication of Term SOFR, in each case acting in such capacity, has made a public statement identifying a specific date after which one month, three month and six month interest periods of Term SOFR or the Term SOFR Screen Rate shall or will no longer be representative or made available, or permitted to be used for determining the interest rate of Dollar denominated syndicated loans, or shall or will otherwise cease; *provided*, that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will continue to provide such representative interest periods of Term SOFR after such specific date (the latest date on which one month, three month and six-month interest periods of Term SOFR or the Term SOFR Screen Rate are no longer representative or available permanently or indefinitely, the "**Scheduled Unavailability Date**");

then, on a date and time determined by the Administrative Agent (any such date, the "**Term SOFR Replacement Date**"), which date shall be at the end of an Interest Period or on the relevant interest payment date, as applicable, for interest calculated and, solely with respect to clause (ii) above, no later than the Scheduled Unavailability Date, Term SOFR will be replaced hereunder and under any Loan Document with Daily Simple SOFR for any payment period for interest calculated that can be determined by the Administrative Agent, in each case, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (the "**Successor Rate**").

If the Successor Rate is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

Notwithstanding anything to the contrary herein, (x) if the Administrative Agent determines that Daily Simple SOFR is not available on or prior to the Term SOFR Replacement Date, or (y) if the events or circumstances of the type described in Section 2.14(b)(i) or (ii) have occurred with respect to the Successor Rate then in effect, then in each case, the Administrative Agent and the Borrower may amend this Agreement solely for the purpose of replacing Term SOFR or any then-current Successor Rate in accordance with this Section 2.14 at the end of any Interest Period, relevant interest payment date or

payment period for interest calculated, as applicable, with an alternative benchmark rate giving due consideration to any evolving or then existing convention for similar Dollar denominated credit facilities syndicated and agented in the United States for such alternative benchmark and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar Dollar denominated credit facilities syndicated and agented in the United States for such benchmark. For the avoidance of doubt, any such proposed rate and adjustments, shall constitute a "Successor Rate". Any such amendment shall become effective at 5:00 p.m. New York time on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

In determining or implementing any Successor Rate, the Administrative Agent will consider in good faith any proposal reasonably requested by the Borrower that would not reasonably be expected to have a material adverse effect on the Lenders and that is intended to prevent the use of the Successor Rate from causing a "significant modification" of any Loan within the meaning of Treasury Regulations Section 1.1001-3(b).

The Administrative Agent will promptly (in one or more notices) notify the Borrower and each Lender of the implementation of any Successor Rate.

Any Successor Rate shall be applied in a manner consistent with market practice; *provided*, that to the extent such market practice is not administratively feasible for the Administrative Agent, such Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent.

Notwithstanding anything else herein, if at any time any Successor Rate as so determined would otherwise be less than 2.00%, the Successor Rate will be deemed to be 2.00% for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation of a Successor Rate, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement; *provided*, that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective.

(c) For purposes of this Section 2.14, those Lenders that either have not made, or do not have an obligation under this Agreement to make, the relevant Loans in Dollars shall be excluded from any determination of Required Lenders.

Section 2.15. *Increased Costs*.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or Issuing Bank; or

(ii) subject the Administrative Agent, any Lender or any Issuing Bank to any Tax (other than (A) Indemnified Taxes and Other Taxes indemnifiable under Section 2.17 or (B) Excluded Taxes); or

(iii) impose on any Lender or Issuing Bank any other condition, cost or expense (other than Taxes) affecting this Agreement or Term SOFR Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan or of maintaining its obligation to make any such Loan or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder, whether of principal, interest or otherwise, then the applicable Borrower will pay to the Administrative Agent, such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate the Administrative Agent, such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans or Commitments made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower shall pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company, as applicable, as specified in clause (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error; *provided*, that any such certificate claiming amounts described in clause (x) or (y) of the definition of "Change in Law" shall, in addition, state the basis upon which such amount has been calculated and certify that such Lender's or Issuing Bank's demand for payment of such costs hereunder, and such method of allocation is not inconsistent with its treatment of other borrowers, which as a credit matter, are similarly situated to the Borrower and which are subject to similar provisions. The Borrower shall pay such Lender or Issuing Bank, as applicable, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender or Issuing Bank has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender or Issuing Bank shall notify the Borrower thereof. Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; *provided*, that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; *provided*, *further*, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16. *Break Funding Payments*. In the event of (a) the payment of any principal of any Term SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.10 or Section 2.11), (b) the conversion of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term SOFR Loan on the date specified in any notice delivered pursuant hereto (whether or not such notice may be revoked under Section 2.10(c)) or (d) the assignment of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at Term SOFR that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at Term SOFR at the commencement of such period with a tenor of at least as long as such period. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.17. *Taxes*.

(a) Any and all payments made by or on behalf of a Loan Party under this Agreement or any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; *provided*, that if a Loan Party, the Administrative Agent or any other withholding agent shall be required by applicable Requirement of Law to deduct or withhold any Taxes with respect to such payments, then (i) the applicable withholding agent shall make such deductions or withholdings as are reasonably determined by the applicable withholding agent to be required by any applicable Requirement of Law, (ii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with applicable Requirements of Law, and (iii) to the extent withholding or deduction is required to be made on account of Indemnified Taxes or Other Taxes, the sum payable by the Loan Party shall be increased as necessary so that after all required deductions and withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 2.17) each Lender (or, in the case of payments made to the Administrative Agent for its own account, the Administrative Agent), receives an amount equal to the sum it would have received had no such deductions or withholdings been made. After any payment of Taxes by any Loan Party or the Administrative Agent to a Governmental Authority as provided in this Section 2.17, as promptly as possible thereafter, the Borrower shall deliver to the Administrative Agent or the Administrative Agent shall deliver to the Borrower, as the case may be, a copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by applicable Requirements of Law to report such payment or other evidence of such payment reasonably satisfactory to the Borrower or the Administrative Agent, as the case may be.

(b) The Borrower shall timely pay any Other Taxes imposed on or incurred by the Administrative Agent or any Lender to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(c) The Borrower shall, without duplication of any additional amounts paid pursuant to Section 2.17(a)(iii) or any amounts paid pursuant to Section 2.17(b), indemnify and hold harmless the Administrative Agent and each Lender within fifteen (15) Business Days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes imposed on the Administrative Agent or such Lender, as applicable, as the case may be (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent (as applicable) on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time(s) and in the manner(s) reasonably requested by the Borrower or the Administrative Agent such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate. In addition, any Lender, if reasonably

requested by the Borrower or the Administrative Agent, shall deliver such other documentation as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding sentence, the completion, execution and submission of such documentation shall only be required to the extent the relevant Lender is legally eligible to do so.

Each person that shall become a Participant pursuant to Section 9.04 or a Lender pursuant to Section 9.04 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 2.17(d) and Section 2.17(f); *provided*, that a Participant shall furnish all such required forms and statements to the participating Lender.

(i) Without limiting the foregoing, each Lender and Administrative Agent that is a U.S. Person, shall deliver on or prior to the date such Lender or Administrative Agent becomes party to this Agreement and at the time(s) reasonably requested by the Borrower or the Administrative Agent, to the Borrower and the Administrative Agent (as applicable) two properly completed and duly executed copies of United States Internal Revenue Form W-9 or any successor form, certifying that such person is exempt from United States federal backup withholding Tax on payments made hereunder.

(ii) Without limiting the foregoing:

(A) any Foreign Lender shall, to the extent it is legally eligible to do so, deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two of whichever of the following is applicable:

(1) in the case of a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, the person treated as its owner for U.S. federal income tax purposes) eligible for the benefits of an income tax treaty to which the United States is a party, properly completed and duly executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to such Tax treaty;

(2) properly completed and duly executed copies of IRS Form W-8ECI with respect to such Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, with respect to the person treated as its owner for U.S. federal income tax purposes);

(3) in the case of a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, the person treated as its owner for U.S. federal income tax purposes) entitled to the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and that no payments under any Loan Document are effectively connected with the Foreign Lender's conduct of a trade or business in the United States (a "**U.S. Tax Compliance Certificate**") and (y) properly completed and duly executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable; or

(4) to the extent a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, the person treated as its owner for U.S. federal income tax purposes) is not the beneficial owner of such payments (for example, where such Foreign Lender is a partnership or a participating Lender), properly completed and duly executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-3 or Exhibit J-4, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided*, that if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 on behalf of such direct and indirect partner(s).

(iii) Each Lender (A) shall promptly notify the Borrower and the Administrative Agent of any change in circumstance which would modify or render invalid any claimed exemption or reduction, and (B) agrees that if any documentation it previously delivered pursuant to this Section 2.17 expires or becomes inaccurate in any respect, it shall promptly (x) update such documentation or (y) notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(e) If any Lender or the Administrative Agent, as applicable, determines in good faith that it has received a refund of an Indemnified Tax or Other Tax for which it has been indemnified by a Loan Party pursuant to this Section 2.17 (or for which any Loan Party has paid additional amounts pursuant to this Section 2.17), then the Lender or the Administrative Agent, as the case may be, shall reimburse the Loan Party for such amount (net of all reasonable out-of-pocket expenses of such Lender or the Administrative Agent, as the case may be, and without interest other than any interest received thereon from the relevant Governmental Authority with respect to such refund) as the Lender or Administrative Agent, as the case may be, determines in good faith to the be the portion of the refund as will leave it, after such reimbursement, in no better or worse position (taking into account expenses or any Taxes imposed on the refund) than it would have been in if the Indemnified Tax or Other Tax giving rise to such refund had not been imposed in the first instance; *provided*, that the Loan Party, upon the request of the Lender or the Administrative Agent shall repay the amount paid over to the Loan Party (plus any penalties, interest (solely with respect to the time period during which the Loan Party actually held such funds, except to the extent that the refund was initially claimed at the written request of such Loan Party) or other charges imposed by the relevant Governmental Authority) to the Lender or the Administrative Agent in the event the Lender or the Administrative Agent is required to repay such refund to such Governmental Authority. In such event, such Lender or the Administrative Agent, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (*provided*, that such Lender or the Administrative Agent may delete any information therein that it deems confidential). A Lender or the Administrative Agent shall claim any refund that it determines is available to it, unless it concludes in its reasonable discretion that it would be adversely affected by making such a claim. No Lender nor the Administrative Agent shall be obliged to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party in connection with this clause (e) or any other provision of this Section 2.17.

(f) If a payment made to any Lender or any Agent under this Agreement or any other Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender or such Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender or such Agent shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.17(f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(g) The agreements in this Section 2.17 shall survive the termination of this Agreement, the resignation or replacement of the Administrative Agent, any assignment of rights by or the replacement of a lender, and the payment, satisfaction, or discharge of the Loans and all other amounts payable under any Loan Document.

For purposes of this Section 2.17, the term "Lender" includes any Issuing Bank and the term "Requirements of Law" includes FATCA.

Section 2.18. *Payments Generally; Pro Rata Treatment; Sharing of Set-offs*.

(a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of any disbursement under any Letter of Credit, or of amounts payable under Sections 2.15, 2.16 or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except payments to be made directly to the applicable Issuing Bank as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. Except as otherwise expressly provided herein, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments made under the Loan Documents shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) [Reserved].

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of, or interest on, its Term Loans, Revolving Facility Loans or participations in any disbursement under any Letter of Credit, in each case, under an applicable Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans, Revolving Facility Loans and participations in any disbursement under any Letter of Credit and accrued interest thereon, in each case under the applicable Class, than the proportion received by any other Lender under the applicable Class, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Term Loans, Revolving Facility Loans and participations in any disbursement under any Letter of Credit of such Class of such other Lenders under the applicable Class to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders under the applicable Class ratably in accordance with the principal amount of each such Lender's respective Term Loans, Revolving Facility Loans and participations in any disbursement under any Letter of Credit and accrued interest thereon, in each case, under the applicable Class; *provided*, that (i) if any such participations are purchased and all or any portion of the payment giving rise

thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this clause (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect on the Closing Date. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the relevant Lenders or the applicable Issuing Bank hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the relevant Lenders or the applicable Issuing Bank, as applicable, the amount due.

With respect to any payment that the Administrative Agent makes for the account of the Lenders or any Issuing Bank hereunder as to which the Administrative Agent determines (which determination shall be conclusive absent manifest error) that any of the following applies (such payment referred to as the "Rescindable Amount") : (1) the Borrower has not in fact made such payment; (2) the Administrative Agent has made a payment in excess of the amount so paid by the Borrower (whether or not then owed); or (3) the Administrative agent has for any reason otherwise erroneously made such payment; then each of the Lenders or the applicable Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount so distributed to such Lender or such Issuing Bank, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this clause (d) shall be conclusive, absent manifest error.

(e) Subject to Section 2.24, if any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(d) or (e), 2.06 or 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section 2.18; in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

Section 2.19. *Mitigation Obligations; Replacement of Lenders*.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or mitigate the applicability of Section 2.20 or any event that gives rise to the operation of Section 2.20, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15 (in excess of that being charged by other Lenders under the applicable Facility) or gives notice under Section 2.20, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or (iii) any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require any such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under the Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided*, that (A) the Borrower shall have received the prior written consent of the Administrative Agent (and, if in respect of any Revolving Facility Commitment and each Issuing Bank), to the extent consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable, which consent, in each case, shall not unreasonably be withheld, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in any disbursement under any Letter of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (C) in the case of any such assignment resulting from a claim for compensation under Section 2.15, payments required to be made pursuant to Section 2.17 or a notice given under Section 2.20, such assignment will result in a reduction in such compensation or payments and (D) such assignment does not conflict with any applicable Requirement of Law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender. No action by or consent of the removed Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such removed Lender and the replacement Lender shall otherwise comply with Section 9.04, *provided*, that if such removed Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 (but only on the part of the removed Lender) shall not be required to effect such assignment.

(c) If any Lender (such Lender, a "**Non-Consenting Lender**") has failed to consent to a proposed amendment, waiver or consent which pursuant to the terms of Section 9.08 requires the consent of all Lenders or all of the Lenders adversely affected and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) at its sole expense (including with respect to the processing and recordation fee referred to in Section 9.04(b)(ii)(C)) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to (and any such Non-Consenting Lender agrees that it shall, upon the Borrower's request) assign its Loans and its Commitments (or, at the Borrower's option, the Loans and Commitments under the Facility that is the subject of the proposed amendment, waiver or consent) hereunder to one or more assignees reasonably acceptable to (i) the Administrative Agent (unless, in the case of a Term Loan, such assignee is a Lender, an Affiliate of a Lender or an Approved Fund) and (ii) if in respect of any Revolving Facility Commitment and the Issuing Bank; *provided*, that: (i) all Loan Obligations of the Borrower owing to such Non-Consenting Lender being replaced in respect of the assigned interest shall be paid in full in same day funds to such Non-Consenting Lender concurrently with such assignment, (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon and the Borrower shall pay any amount required by Section 2.16, if applicable, and (iii) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver or consent. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; *provided*, that if such Non-Consenting Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 (but only on the part of the Non-Consenting Lender) shall not be required to effect such assignment.

Section 2.20. *Illegality*. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund any Term SOFR Loans, or to determine or charge interest rates based upon Term SOFR, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (a) any obligations of such Lender to make or continue Term SOFR Loans or to convert ABR Borrowings to Term SOFR Borrowings shall be suspended and (b) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Term SOFR component of the ABR, the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the ABR, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall upon demand from such Lender

(with a copy to the Administrative Agent), convert all Term SOFR Borrowings of such Lender to ABR Borrowings (the interest rate on such ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the ABR), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Term SOFR Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon Term SOFR, the Administrative Agent shall during the period of such suspension compute the ABR applicable to such Lender without reference to the Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Term SOFR. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 2.21. *Incremental Commitments*.

(a) After the Closing Date has occurred, the Borrower may, following written notice to the Administrative Agent, incur (1) Incremental Term Loan Commitments and/or (2) subject to the approval of the Required Revolving Facility Lenders under the Series A Revolving Facility and the Required Revolving Facility Lenders under the Series B Revolving Facility, Incremental Revolving Facility Commitments, as applicable, in each case in an amount not to exceed the Incremental Amount available at the time such Incremental Term Loan Commitments or Incremental Revolving Facility Commitments are established (except as set forth in clause (iii) of the third paragraph under Section 6.01) from one or more Incremental Term Lenders and/or Incremental Revolving Facility Lenders (which, in each case, may include any existing Lender, but shall be required to be persons which would qualify as assignees of a Lender in accordance with Section 9.04) willing to provide such Incremental Term Loans and/or Incremental Revolving Facility Commitments, as the case may be, in their sole discretion; *provided*, that:

(v) the aggregate principal amount of Incremental Revolving Facility Commitments established after the Closing Date shall not exceed $750,000,000,

(w) Incremental Revolving Facility Commitments shall only be permitted in the form of an increase to the Series B Revolving Facility,

(x) except as set forth in Section 2.21(b) with respect to the Series A Specified Incremental Revolving Facility Commitments, Series A Revolving Facility Commitments are not permitted to be increased pursuant to this Section 2.21 or any other provisions in this Agreement,

(y) each Incremental Revolving Facility Lender providing a commitment to make Incremental Revolving Loans in the form of Series B Revolving Facility Loans shall be subject to the approval of the Administrative Agent and, to the extent the same would be required for an assignment under Section 9.04, the Issuing Banks (which approvals shall not be unreasonably withheld, conditioned or delayed) and

(z) for the avoidance of doubt, no Incremental Loans and/or Incremental Commitments are permitted to be Priority Payment Obligations (other than the Series A Specified Incremental Revolving Facility Commitments) or rank senior to any Obligations in right of payment or with respect to lien priority.

Prior to the incurrence of such Incremental Commitments, the Borrower shall provide notice to the Administrative Agent, which notice shall set forth:

(i) the amount of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments (which shall (other than (w) in the case of Incremental Term Loan Commitments obtained to refinance Non-Participating Specified Existing Debt, (x) Series A Specified Incremental Revolving Facility Commitments, (y) Series B Specified Incremental Revolving Facility Commitments or (z) any other debt for debt exchange, for which there shall be no minimum increment or amount) be in minimum increments of $500,000 and a minimum amount of $1,000,000, or equal to the remaining Incremental Amount or, in each case, such lesser amount approved by the Administrative Agent),

(ii) the date on which such Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments are to become effective, which shall be a date not earlier than (x) with respect to any Incremental Term Loan Commitments, five (5) Business Days and (y) with respect to any Incremental Revolving Facility Commitments, ten (10) Business Days, in each case after the date on which notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion), and

(iii) in the case of Incremental Term Loan Commitments, whether such Incremental Term Loan Commitments are to be (x) commitments to make term loans with terms identical to (and which shall together with any then outstanding Term A Loans, form a single Class of) Term A Loans or (y) commitments to make term loans with pricing, maturity, amortization, participation in mandatory prepayments and/or other terms different from the Term A Loans (this clause (y), "**Other Incremental Term Loans**").

(b) After the Closing Date has occurred and prior to any reduction of commitments under any Revolving Facility, the Borrower may, by written notice to the Administrative Agent, on a one-time basis incur (1) Series A Specified Incremental Revolving Facility Commitments not to exceed the Series A Specified Incremental Available Amount and/or (2) Series B Specified Incremental Revolving Facility Commitments not to exceed the Series B Specified Incremental Available Amount from one or more Series A Specified Incremental Revolving Lenders and/or Series B Specified Incremental Revolving Facility Lenders (which, in each case, may include any existing Lender, but shall be required to be persons which would qualify as assignees of a Lender in accordance with Section 9.04), as applicable, willing to provide such Series A Specified Incremental Revolving Facility Commitments and/or Series B Specified Incremental Revolving Facility Commitments, as the case may be, in their sole discretion; *provided*, that:

(s) if the Borrower obtains any Series A Specified Incremental Revolving Facility Commitments and/or Series B Specified Incremental Revolving Facility Commitments, the Series A Specified Incremental Available Amount and the Series B Specified Incremental Available Amount shall be automatically reduced to zero,

(t) the aggregate principal amount of Series A Specified Incremental Revolving Facility Commitments established after the Closing Date shall not exceed the Series A Specified Incremental Available Amount,

(u) the aggregate principal amount of Series B Specified Incremental Revolving Facility Commitments established after the Closing Date shall not exceed the Series B Specified Incremental Available Amount,

(v) Series A Specified Incremental Revolving Facility Commitments shall only be permitted in the form of an increase to the Series A Revolving Facility,

(w) Series B Specified Incremental Revolving Facility Commitments shall only be permitted in the form of an increase to the Series B Revolving Facility,

(x) each Series A Specified Incremental Revolving Facility Lender providing a commitment to make Series A Specified Incremental Revolving Loans in the form of Series A Revolving Facility Loans shall be subject to the approval of the Administrative Agent and, to the extent the same would be required for an assignment under Section 9.04, the Issuing Banks (which approvals shall not be unreasonably withheld, conditioned or delayed),

(y) each Series B Specified Incremental Revolving Facility Lender providing a commitment to make Series B Specified Incremental Revolving Loans in the form of Series B Revolving Facility Loans shall be subject to the approval of the Administrative Agent and, to the extent the same would be required for an assignment under Section 9.04, the Issuing Banks (which approvals shall not be unreasonably withheld, conditioned or delayed), and

(z) for the avoidance of doubt, no Series B Specified Incremental Revolving Loans and/or Series B Specified Incremental Revolving Facility Commitments are permitted to be Priority Payment Obligations.

Such notice shall set forth:

(i) the amount of the Series A Specified Incremental Revolving Facility Commitments and/or Series B Specified Incremental Revolving Facility Commitments, and

(ii) the date on which such Series A Specified Incremental Revolving Facility Commitments and/or Series B Specified Incremental Revolving Facility Commitments are requested to become effective (such date, the "**Specified Incremental Revolving Facility Commitments Effective Date**").

For the avoidance of doubt, there shall only be one Specified Incremental Revolving Facility Commitments Effective Date and this Section 2.21(b) (and the related definitions) shall cease to be applicable following any reduction of commitments under any Revolving Facility.

(c) The Borrower and each Incremental Term Lender, Series A Specified Incremental Revolving Facility Lender, Series B Specified Incremental Revolving Facility Lender and/or Incremental Revolving Facility Lender shall execute and deliver to the Administrative Agent, the LVLT Collateral Agent and the Collateral Agent an Incremental Assumption Agreement (and the Administrative Agent, the LVLT Collateral Agent and the Collateral Agent shall, at the direction of the Borrower, enter into any applicable Intercreditor Agreement in accordance with Section 8.11(b)) and such other documentation as the Administrative Agent shall reasonably request to evidence the Incremental Term Loan Commitment of such Incremental Term Lender, Series A Specified Incremental Revolving Facility Commitment of such Series A Specified Incremental Revolving Facility Lender, Series B Specified Incremental Revolving Facility Commitment of such Series B Specified Incremental Revolving Facility Lender and/or Incremental Revolving Facility Commitment of such Incremental Revolving Facility Lender; *provided*, that any such documentation shall not be a condition to the effectiveness of such Incremental Assumption Agreement.

Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans, Series A Specified Incremental Revolving Facility Commitments, Series B Specified Incremental Revolving Facility Commitments and/or Incremental Revolving Facility Commitments; *provided*, that:

(i) any (x) Series A Specified Incremental Revolving Facility Commitments shall have the same terms as the Series A Revolving Facility Commitments and shall form part of the same Class as the Series A revolving Facility Commitments, (y) Series B Specified Incremental Revolving Facility Commitments shall have the same terms as the Series B Revolving Facility Commitments and shall form part of the same Class as the Series B revolving Facility Commitments and (z) Incremental Revolving Facility Commitments shall have the same terms as the Series B Revolving Facility Commitments and shall form part of the same Class as the Series B Revolving Facility Commitments,

(ii) the Other Incremental Term Loans incurred pursuant to this Section 2.21 shall rank equally and ratably in right of security with the Term A Loans,

(iii) (x) the final maturity date of any such Other Incremental Term Loans shall be no earlier than the Latest Maturity Date in effect at the date of incurrence of such Other Incremental Term Loans and (y) subject to clause (i) above, except as to pricing, amortization, final maturity date and participation in mandatory prepayments (which shall, subject to the other clauses of this proviso, be determined by the Borrower and the Incremental Term Lenders in their sole discretion), the Other Incremental Term Loans shall have terms that are as determined by the Borrower and no more restrictive, taken as a whole, to the Borrower and its Subsidiaries than the Term A Loans,

(iv) the Weighted Average Life to Maturity of any such Other Incremental Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term A Loans,

(v) [reserved],

(vi) such Other Incremental Term Loans may require participation on a *pro rata* basis or a less than *pro rata* basis (but not a greater than *pro rata* basis) with the Term A Loans in any mandatory prepayment hereunder,

(vii) there shall be no borrower (other than the Borrower) or guarantor (other than the Lumen Guarantors and the QC Guarantors) in respect of any Other Incremental Term Loans,

(viii) Other Incremental Term Loans shall not be secured by any asset of the Borrower or its Subsidiaries other than the Lumen Collateral,

(ix) the Borrower shall be in compliance with the Financial Covenants at the time of the incurrence of such Incremental Term Loan Commitments, Incremental Term Loans, Series A Specified Incremental Revolving Facility Commitments, Series B Specified Incremental Revolving Facility Commitments and/or Incremental Revolving Facility Commitments on a Pro Forma Basis for the then most recently ended Test Period; and

(x) the Borrower (and its Subsidiaries) shall not be permitted to utilize any Incremental Loans or Incremental Commitments to finance any acquisition or investment by any Exempted Subsidiary or QC or any of its Subsidiaries.

Each party hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments, Series A Specified Incremental Revolving Facility Commitments, Series B Specified Incremental Revolving Facility Commitments and/or Incremental Revolving Facility Commitments evidenced thereby as provided for in Section 9.08(e). The Administrative Agent and the Collateral Agent shall execute, and shall have no liability for executing, upon request by the Borrower any amendment to this Agreement or any other Loan Document that is necessary to effect the provisions of this Section 2.21 and any such collateral and other documentation shall be deemed "Loan Documents" hereunder.

(d) Notwithstanding the foregoing, no Incremental Term Loan Commitment, Series A Specified Incremental Revolving Facility Commitments, Series B Specified Incremental Revolving Facility Commitments or Incremental Revolving Facility Commitment shall become effective under this Section 2.21 unless:

(i) no Event of Default pursuant to clause (b), (c), (h) or (i) of Section 7.01 shall exist; provided that in the event that any tranche of Incremental Term Loans is used to finance a Limited Condition Transaction, to the extent the Incremental Term Lenders participating in such tranche of Incremental Term Loans agree, the foregoing clause (i) and clause (ix) of the preceding paragraph (c) shall be tested at the time of the execution of the acquisition agreement, the declaration of the dividend by the Board of Directors of the Borrower or the applicable Subsidiary or the giving of the irrevocable notice of repayment or redemption, as applicable related to such Limited Condition Transaction (provided, that such Incremental Term Lenders shall not be permitted to waive any Default or Event of Default then existing or existing after giving effect to such tranche of Incremental Term Loans);

(ii) the representations and warranties of the Borrower set forth in this Agreement shall be true and correct in all material respects (other than to the extent qualified by materiality or "Material Adverse Effect," in which case, such representations and warranties shall be true and correct); *provided*, that in the event that the tranche of Incremental Term Loans is used to finance a Limited Condition Transaction and to the extent the Incremental Term Lenders participating in such tranche of Incremental Term Loans agree, the foregoing clause (ii) shall be limited to the Specified Representations (with the representation in Section 3.18 made on the date of funding of such Incremental Term Loans and after giving effect to such Limited Condition Transaction and other transactions on such date in connection therewith) and those representations of the seller or the target company (as applicable) included in the acquisition agreement related to the person or business to be acquired that are material to the interests of the Lenders and only to the extent that the Borrower or its applicable Subsidiary has the right to terminate its obligations under such acquisition agreement as a result of a failure of such representations to be accurate; *provided*, *further*, that in the discretion of the Borrower, the Incremental Revolving Facility Lenders, the Series A Specified Incremental Revolving Facility Lenders, the Series B Specified Incremental Revolving Facility Lenders and the Incremental Term Lenders, as applicable, such representations shall be only for the benefit of such Incremental Revolving Facility Lenders, the Series A Specified Incremental Revolving Facility Lenders, the Series B Specified Incremental Revolving Facility Lenders or Incremental Term Lenders, as applicable, and such Lenders may elect to agree to not require any such representations be made in their discretion; and

(iii) the Administrative Agent, the Incremental Revolving Facility Lenders, the Series A Specified Incremental Revolving Facility Lenders, the Series B Specified Incremental Revolving Facility Lenders and the Incremental Term Lenders, as applicable, shall have received documents and legal opinions consistent with those delivered on the Closing Date as to such matters as are reasonably requested by the Incremental Term Lenders; *provided* that any such documentation shall not be a condition to the effectiveness of such Incremental Assumption Agreement.

The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Assumption Agreement.

(e) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that (i) all Incremental Term Loans (other than Other Incremental Term Loans), when originally made, are included in each Borrowing of the outstanding applicable Class of Term Loans on a *pro rata* basis, and (ii) all Revolving Facility Loans in respect of Series A Specified Incremental Revolving Facility Commitments, Series B Specified Incremental Revolving Facility Commitments or Incremental Revolving Facility Commitments, as applicable, when originally made, are included in each Borrowing of the applicable Class of outstanding Revolving Facility Loans on a *pro rata* basis. The Borrower agrees that Section 2.16 shall apply to any conversion of Term SOFR Loans to ABR Loans reasonably required by the Administrative Agent to effect the foregoing.

(f) Notwithstanding anything to the contrary in this Agreement, any issuance of Incremental Term Loans shall be treated as a separate Class of Term A Loans (and shall have a separate CUSIP from any existing Class of Term A Loans) to the extent such Incremental Term Loans are incurred as Term A Loans and are not fungible with any existing Class of Term A Loans for U.S. federal income tax purposes.

Section 2.22. *Extensions of Loans and Commitments*.

(a) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to this Section 2.22), pursuant to one or more offers made from time to time by the Borrower to all Lenders of any Class of Term Loans and/or Revolving Facility Commitments on a *pro rata* basis (based, in the case of an offer to the Lenders under any Class of Term Loans, on the aggregate outstanding Term Loans of such Class and, in the case of an offer to the Lenders under any Revolving Facility, on the aggregate outstanding Revolving Facility Commitments under such Revolving Facility, as applicable), and on the same terms to each such Lender ("**Pro Rata Extension Offers**"), the Borrower is hereby permitted to consummate transactions with individual Lenders that agree to such transactions from time to time to extend the maturity date of such Lender's Loans and/or Commitments of such Class and to otherwise modify the terms of such Lender's Loans and/or Commitments of such Class pursuant to the terms of the relevant Pro Rata Extension Offer (including, without limitation, increasing the interest rate or fees payable in respect of such Lender's Loans and/or Commitments and/or modifying the amortization schedule in respect of such Lender's Loans). For the avoidance of doubt, the reference to "on the same terms" in the preceding sentence shall mean, (i) in the case of an offer to the Lenders under any Class of Term Loans, that all of the Term Loans of such Class are offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same and (ii) in the case of an offer to the Lenders under any Revolving Facility, that all of the Revolving Facility Commitments of such Facility are offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same. Any such extension (an "**Extension**") agreed to between the Borrower and any such Lender (an "**Extending Lender**") will be established under this Agreement by

implementing an Other Term Loan for such Lender if such Lender is extending an existing Term Loan (such extended Term Loan, an "**Extended Term Loan**") or an Other Revolving Facility Commitment for such Lender if such Lender is extending an existing Revolving Facility Commitment (such extended Revolving Facility Commitment, an "**Extended Revolving Facility Commitment**", and any Revolving Facility Loan made pursuant to such Extended Revolving Facility Commitment, an "**Extended Revolving Loan**"). Each Pro Rata Extension Offer shall specify the date on which the Borrower proposes that the Extended Term Loan shall be made or the proposed Extended Revolving Facility Commitment shall become effective, which shall be a date not earlier than five (5) Business Days after the date on which notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion).

(b) The Borrower and each Extending Lender shall execute and deliver to the Administrative Agent an amendment to this Agreement (an "**Extension Amendment**") and such other documentation as the Administrative Agent shall reasonably specify to evidence the Extended Term Loans and/or Extended Revolving Facility Commitments of such Extending Lender. Each Extension Amendment shall specify the terms of the applicable Extended Term Loans and/or Extended Revolving Facility Commitments; *provided*, that:

(i) except as to interest rates, fees and any other pricing terms, and amortization, final maturity date and participation in prepayments and commitment reductions (which shall, subject to clauses (ii) and (iii) of this proviso, be determined by the Borrower and set forth in the Pro Rata Extension Offer), the Extended Term Loans shall have the same terms as the existing Class of Term Loans from which they are extended except for any terms which shall not apply until after the then Latest Maturity Date,

(ii) (x) the final maturity date of any Extended Term Loans shall be no earlier than the Term Facility Maturity Date of the Class of Term Loans subject to such Pro Rata Extension Offer and (y) the final maturity date of any Extended Revolving Facility Commitment shall be no earlier than the Revolving Facility Maturity Date of the Class of Revolving Facility Commitments subject to such Pro Rata Extension Offer,

(iii) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Class of Term Loans to which such offer relates,

(iv) except as to interest rates, fees, any other pricing terms and final maturity (which shall be determined by the Borrower and set forth in the Pro Rata Extension Offer), any Extended Revolving Facility Commitment shall have the same terms as the existing Class of Revolving Facility Commitments from which they are extended except for any terms which shall not apply until after the then Latest Maturity Date and, in respect of any other terms that would affect the rights or duties of any Issuing Bank, such terms as shall be reasonably satisfactory to such Issuing Bank,

(v) for the avoidance of doubt, no Extended Term Loan or Extended Revolving Facility Commitment shall (i) have any borrower which is different than the borrower (or its permitted successors) of the Class of Term Loans or the Class of Revolving Facility Commitments, as applicable, subject to such Pro Rata Extension Offer or (ii) have guarantors that are not (or would not have been required to become) guarantors with respect to the Class of Term Loans or the Class of Revolving Facility Commitments, as applicable, subject to such Pro Rata Extension Offer,

(vi) for the avoidance of doubt, no Extended Term Loan or Extended Revolving Facility Commitment shall be secured by any asset of the Borrower and its subsidiaries other than the Collateral securing the Class of Term Loans or the Class of Revolving Facility Commitments, as applicable, subject to such Pro Rata Extension Offer,

(vii) any Extended Term Loans and Extended Revolving Facility Commitments shall be subject to the Subordination Agreement,

(viii) if the Term Loans and Revolving Facility Commitments being extended were subordinated to any Obligations, such Extended Term Loans and Extended Revolving Facility Commitments, as applicable, shall be subordinated to such Obligations on terms in the aggregate not materially less favorable to the Lenders as those contained in the documentation governing the Term Loans or Revolving Facility Commitments, as applicable, being extended (as determined by the Borrower in good faith), and if any of the Guarantees with respect to the Term Loans or Revolving Facility Commitments, as applicable, being extended were subordinated to any Obligations, the Guarantees of the Extended Term Loans or Extended Revolving Facility Commitments, as applicable, shall be subordinated to the Obligations on terms in the aggregate not materially less favorable to the Lenders as those contained in the documentation governing the Term Loans or Revolving Facility Commitments, as applicable, being extended (as determined by the Borrower in good faith),

(ix) for the avoidance of doubt, no Extended Revolving Facility Commitments that are Priority Payment Obligations shall rank senior to any Priority Payment Obligations in right of payment or with respect to lien priority,

(x) for the avoidance of doubt, no Extended Term Loans and/or Extended Revolving Facility Commitments (other than Extended Revolving Facility Commitments that are Priority Payment Obligations) shall rank senior to any Obligations in right of payment or with respect to lien priority,

(xi) any Extended Term Loans may require participation on a *pro rata* basis or a less than *pro rata* basis (but not a greater than *pro rata* basis) than the Term A Loans in any mandatory prepayment hereunder, and

(xii) after giving effect to the establishment of the Extended Revolving Facility Commitments, the Priority Payment Obligations arising under clauses (i) and (ii) of the definition of "Priority Payment Obligations" shall not exceed the Priority Payment Obligations Cap.

Upon the effectiveness of any Extension Amendment, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Extended Term Loans and/or Extended Revolving Facility Commitments evidenced thereby as provided for in Section 9.08(e). Any such deemed amendment shall be memorialized in writing by the Administrative Agent with the Borrower's consent (not to be unreasonably withheld) and furnished to the other parties hereto. The Administrative Agent and the Collateral Agent shall execute, and shall have no liability for executing, upon request by the Borrower any amendment to this Agreement or other Loan Document to effect the provisions of this Section 2.22. If provided in any Extension Amendment with respect to any Extended Revolving Facility Commitments, and with the consent of each Issuing Bank, participations in Letters of Credit shall be reallocated to lenders holding such Extended Revolving Facility Commitments in the manner specified in such Extension Amendment, including upon effectiveness of such Extended Revolving Facility Commitment or upon or prior to the maturity date for any Class of Revolving Facility Commitments.

(c) Upon the effectiveness of any such Extension, the applicable Extending Lender's Term Loan will be automatically designated an Extended Term Loan and/or such Extending Lender's Revolving Facility Commitment will be automatically designated an Extended Revolving Facility Commitment. For purposes of this Agreement and the other Loan Documents, (i) if such Extending Lender is extending a Term Loan, such Extending Lender will be deemed to have an Other Term Loan having the terms of such Extended Term Loan and (ii) if such Extending Lender is extending a Revolving Facility Commitment, such Extending Lender will be deemed to have an Other Revolving Facility Commitment having the terms of such Extended Revolving Facility Commitment.

(d) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including, without limitation, this Section 2.22),

(i) no Extended Term Loan or Extended Revolving Facility Commitment is required to be in any minimum amount or any minimum increment,

(ii) any Extending Lender may extend all or any portion of its Term Loans and/or Revolving Facility Commitment pursuant to one or more Pro Rata Extension Offers (subject to applicable proration in the case of over participation) (including the extension of any Extended Term Loan and/or Extended Revolving Facility Commitment),

(iii) there shall be no condition to any Extension of any Loan or Commitment at any time or from time to time other than notice to the Administrative Agent of such Extension and the terms of the Extended Term Loan or Extended Revolving Facility Commitment implemented thereby,

(iv) all Extended Term Loans, Extended Revolving Facility Commitments and all obligations in respect thereof shall be Loan Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents that rank equally and ratably in right of security with all other Obligations of the Class being extended (and all other Obligations secured by Other First Liens),

(v) no Issuing Bank shall be obligated to issue Letters of Credit under such Extended Revolving Facility Commitments unless it shall have consented thereto,

(vi) there shall be no borrower (other than the Borrower) in respect of any such Extended Term Loans and any such Extended Revolving Facility Commitments, no guarantors (other than the Lumen Guarantors and the QC Guarantors) in respect of any such Extended Term Loans and no guarantors (other than the Guarantors) in respect of any such Extended Revolving Facility Commitments,

(vii) Extended Revolving Facility Commitments shall not be secured by any asset of the Borrower and its subsidiaries other than the Collateral securing the Revolving Facility being extended and

(viii) Extended Term Loans shall not be secured by any asset of the Borrower and its subsidiaries other than the Lumen Collateral.

(e) Each Extension shall be consummated pursuant to procedures set forth in the associated Pro Rata Extension Offer; *provided*, that the Borrower shall cooperate with the Administrative Agent prior to making any Pro Rata Extension Offer to establish reasonable procedures with respect to mechanical provisions relating to such Extension, including, without limitation, timing, rounding and other adjustments.

Section 2.23. *Refinancing Amendments*.

(a) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to this Section 2.23), the Borrower may by written notice to the Administrative Agent at any time after the Closing Date establish one or more additional tranches of term loans under this Agreement (such loans, "**Refinancing Term Loans**"), all Net Proceeds of which are used to Refinance in whole or in part any Class of Term Loans pursuant to Section 2.11(b)(ii). Each such notice shall specify the date (each, a "**Refinancing Effective Date**") on which the Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not earlier than five (5) Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its sole discretion); *provided*, that:

(i) after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date, no Event of Default pursuant to clause (b), (c), (h) or (i) of Section 7.01 shall have occurred and be continuing and the representations and warranties of the Borrower and each other Loan Party contained in Article III or any other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Event; *provided* that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided*, *further*, that any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates;

(ii) the final maturity date of the Refinancing Term Loans shall be no earlier than the earlier of (x) the final maturity date of the refinanced Indebtedness and (y) the 91st day following the Latest Maturity Date in effect at the time of incurrence thereof;

(iii) the Weighted Average Life to Maturity of such Refinancing Term Loans shall be no shorter than the lesser of (x) the then-remaining Weighted Average Life to Maturity of the refinanced Indebtedness and (y) 91 days after the Weighted Average Life to Maturity of the Class of Term Loans then outstanding with the greatest remaining Weighted Average Life to Maturity;

(iv) the aggregate principal amount of the Refinancing Term Loans shall not exceed the outstanding principal amount of the refinanced Indebtedness plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith;

(v) all other terms applicable to such Refinancing Term Loans (other than provisions relating to original issue discount, upfront fees, interest rates and any other pricing terms and optional prepayment or mandatory prepayment terms, which shall be as agreed between the Borrower and the Lenders providing such Refinancing Term Loans) shall be substantially similar to, or (as determined by the Borrower in good faith) no more restrictive, taken as a whole, to the Borrower and its Subsidiaries than the terms applicable to the Term A Loans, as applicable, or, if applicable, the Term Loans being refinanced (except, in each case, to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date or are otherwise reasonably acceptable to the Administrative Agent);

(vi) there shall be no borrower (other than the Borrower) and no guarantors (other than the Lumen Guarantors and the QC Guarantors) in respect of such Refinancing Term Loans;

(vii) Refinancing Term Loans shall not be secured by any asset of the Borrower and its subsidiaries other than the Lumen Collateral;

(viii) Refinancing Term Loans may participate on a *pro rata* basis or on a less than *pro rata* basis (but not on a greater than *pro rata* basis) in any mandatory prepayments (other than as provided otherwise in the case of such prepayments pursuant to Section 2.11(b)(ii)) hereunder, as specified in the applicable Refinancing Amendment;

(ix) Refinancing Term Loans shall be subject to the Subordination Agreement,

(x) if the applicable Term Loans being refinanced by the Refinancing Term Loans were subordinated to any Obligations, such Refinancing Term Loans shall be subordinated to such Obligations on terms in the aggregate not materially less favorable to the Lenders as those contained in the documentation governing the Term Loans being refinanced (as determined by the Borrower in good faith), and if any of the Guarantees with respect to the Term Loans being replaced by such Refinancing Term Loans were subordinated to any Obligations, the Guarantees of the Refinancing Term Loans shall be subordinated to the Obligations on terms in the aggregate not materially less favorable to the Lenders as those contained in the documentation governing the Term Loans being refinanced (as determined by the Borrower in good faith), and

(xi) for the avoidance of doubt, no Refinancing Term Loans shall rank senior to any Obligations in right of payment or with respect to lien priority.

(b) The Borrower may approach any Lender or any other person that would be a permitted Assignee pursuant to Section 9.04 to provide all or a portion of the Refinancing Term Loans; *provided*, that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated an additional Class of Term Loans for all purposes of this Agreement; *provided*, *further*, that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Amendment governing such Refinancing Term Loans, be designated as an increase in any previously established Class of Term Loans made to the Borrower.

(c) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to this Section 2.23), the Borrower may by written notice to the Administrative Agent at any time after the Closing Date establish one or more additional Facilities (each, a "**Replacement Revolving Facility**") providing for revolving commitments ("**Replacement Revolving Facility Commitments**" and the revolving loans thereunder, "**Replacement Revolving Loans**"), which replace in whole or in part any Class of Revolving Facility Commitments under this Agreement. Each such notice shall specify the date (each, a "**Replacement Revolving Facility Effective Date**") on which the Borrower proposes that the Replacement Revolving Facility Commitments shall become effective, which shall be a date not less than ten (10) Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion); *provided* that:

(i) after giving effect to the establishment of such Replacement Revolving Facility Commitments on the Replacement Revolving Facility Effective Date, no Event of Default pursuant to clause (b), (c), (h) or (i) of Section 7.01 shall have occurred and be continuing and the representations and warranties of the Borrower and each other Loan Party contained in Article III or any other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Event; *provided* that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided*, *further*, that any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates;

(ii) after giving effect to the establishment of any Replacement Revolving Facility Commitments and any concurrent reduction in the aggregate amount of any other Revolving Facility Commitments, the aggregate amount of Revolving Facility Commitments shall not exceed the aggregate amount of the Revolving Facility Commitments outstanding immediately prior to the applicable Replacement Revolving Facility Effective Date plus amounts used to pay fees, premiums, costs and expenses (including upfront fees) and accrued interest associated therewith;

(iii) no Replacement Revolving Facility Commitments shall have a final maturity date (or require commitment reductions or amortizations) prior to the Revolving Facility Maturity Date for the Revolving Facility Commitments being replaced;

(iv) all other terms applicable to such Replacement Revolving Facility (other than provisions relating to (x) fees, interest rates and other pricing terms and prepayment and commitment reduction and optional redemption terms which shall be as agreed between the Borrower and the Lenders providing such Replacement Revolving Facility Commitments and (y) the amount of any letter of credit sublimit under such Replacement Revolving Facility, which shall be as agreed between the Borrower, the Lenders providing such Replacement Revolving Facility Commitments, the Administrative Agent and the replacement issuing bank, if any, under such Replacement Revolving Facility Commitments) shall be substantially similar to, or (as determined by the Borrower in good faith) no more restrictive, taken as a whole, to the Borrower and its Subsidiaries than, those applicable to the Revolving Facility Commitments so replaced (except to the extent such covenants and other terms apply solely to any period after the latest Revolving Facility Maturity Date in effect at the time of incurrence or are otherwise reasonably acceptable to the Administrative Agent);

(v) there shall be no borrower (other than the Borrower) and no guarantors (other than the Guarantors that Guarantee the Class of Revolving Facility Commitments being replaced) in respect of such Replacement Revolving Facility;

(vi) Replacement Revolving Facility Commitments and extensions of credit thereunder shall not be secured by any asset of the Borrower and its subsidiaries other than the Collateral securing the Revolving Facility Commitments being replaced;

(vii) [reserved],

(viii) after giving effect to the establishment of the Replacement Revolving Facility Commitments, the Priority Payment Obligations arising under clauses (i) and (ii) of the definition of "Priority Payment Obligations" shall not exceed the Priority Payment Obligations Cap,

(ix) (x) any Replacement Revolving Facility Commitments shall be subject to the Subordination Agreement, (y) if the applicable Revolving Facility Commitments being replaced by the Replacement Revolving Facility Commitments were subordinated to any Obligations, such Replacement Revolving Facility Commitments shall be subordinated to such Obligations on terms in the aggregate not materially less favorable to the Lenders as those contained in the documentation governing the Revolving Facility Commitments being replaced (as determined by the Borrower in good faith), and (z) if any of the Guarantees with respect to the Revolving Facility Commitments being replaced by such Replacement Revolving Facility Commitments were subordinated to the Obligations, the Guarantees of the Replacement Revolving Facility Commitments shall be subordinated to the Obligations on terms in the aggregate not materially less favorable to the Lenders as those contained in the documentation governing the Revolving Facility Commitments being replaced (as determined by the Borrower in good faith),

(x) for the avoidance of doubt, no Replacement Revolving Facility Commitments that are Priority Payment Obligations shall rank senior to any Priority Payment Obligations in right of payment or with respect to lien priority, and

(xi) for the avoidance of doubt, no Replacement Revolving Facility Commitments (other than Replacement Revolving Facility Commitments that are Priority Payment Obligations) shall rank senior to any Obligations in right of payment or with respect to lien priority.

(d) [Reserved].

(e) Solely to the extent that an Issuing Bank is not a replacement issuing bank, as the case may be, under a Replacement Revolving Facility, it is understood and agreed that such Issuing Bank shall not be required to issue any letters of credit under such Replacement Revolving Facility and, to the extent it is necessary for such Issuing Bank to withdraw as an Issuing Bank, at the time of the establishment of such Replacement Revolving Facility, such withdrawal shall be on terms and conditions reasonably satisfactory to such Issuing Bank, in its sole discretion. The Borrower agrees to reimburse each Issuing Bank in full upon demand, for any reasonable and documented out-of-pocket cost or expense attributable to such withdrawal.

(f) The Borrower may approach any Lender or any other person that would be a permitted Assignee of a Revolving Facility Commitment pursuant to Section 9.04 to provide all or a portion of the Replacement Revolving Facility Commitments (subject to receipt of any consents that would be required for an assignment of Revolving Facility Commitments to such person pursuant to Section 9.04); *provided*, that any Lender offered or approached to provide all or a portion of the Replacement Revolving Facility Commitments may elect or decline, in its sole discretion, to provide a Replacement Revolving Facility Commitment. Any Replacement Revolving Facility Commitment made on any Replacement Revolving Facility Effective Date shall be designated an additional Class of Revolving Facility Commitments for all purposes of this Agreement; *provided*, that any Replacement Revolving Facility Commitments may, to the extent provided in the applicable Refinancing Amendment, be designated as an increase in any previously established Class of Revolving Facility Commitments.

(g) The Borrower and each Lender providing the applicable Refinancing Term Loans and/or Replacement Revolving Facility Commitments (as applicable) shall execute and deliver to the Administrative Agent an amendment to this Agreement (a "**Refinancing Amendment**") and such other documentation as the Administrative Agent shall reasonably specify to evidence such Refinancing Term Loans and/or Replacement Revolving Facility Commitments (as applicable). For purposes of this Agreement and the other Loan Documents, (A) if a Lender is providing a Refinancing Term Loan, such Lender will be deemed to have an Other Term Loan having the terms of such Refinancing Term Loan and (B) if a Lender is providing a Replacement Revolving Facility Commitment, such Lender will be deemed to have an Other Revolving Facility Commitment having the terms of such Replacement Revolving Facility Commitment. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.23), (i) no Refinancing Term Loan or Replacement Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (ii) this Agreement shall impose no condition to any incurrence of any Refinancing Term Loan or Replacement Revolving Facility Commitment at any time or from time to time other than those set forth in clauses (a) or (c) above, as applicable, and (iii) all Refinancing Term Loans, Replacement Revolving Facility Commitments and all obligations in respect thereof shall be Loan Obligations under this Agreement and the other Loan Documents that rank equally and ratably in right of security with the Term A Loans and the other Loan Obligations.

Section 2.24. *Defaulting Lenders*.

(a) *Defaulting Lender Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) *Waivers and Amendments*. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Majority Lenders", "Required Lenders" or "Required Revolving Facility Lenders", as applicable, and Section 9.08.

(ii) *Defaulting Lender Waterfall*. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, following an Event of Default or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.06 shall be applied at such time or times as may be determined by the Administrative Agent as follows:

(A) *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder,

(B) *second*, to the payment on a *pro rata* basis of any amounts owing by such Defaulting Lender to any Issuing Bank hereunder,

(C) *third*, to Cash Collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.05(j),

(D) *fourth*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent,

(E) *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released *pro rata* in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Banks' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.05(j),

(F) *sixth*, to the payment of any amounts owing to the Lenders, the Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender, Issuing Bank against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement,

(G) *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement and

(H) *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.24 shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents to such redirection.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender (and, except as provided in clause (C) below, the Borrower shall not be required to pay any such fee that otherwise would have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive L/C Participation Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its *pro rata* share of the stated amount of Letters of Credit for which it has provided Cash Collateral.

(C) With respect to any Commitment Fee or L/C Participation Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's Fronting Exposure to such Defaulting Lender and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit under any Revolving Facility shall be reallocated among the Non-Defaulting Lenders in accordance with their respective *pro rata* Commitments under such Revolving Facility (calculated without regard to such Defaulting Lender's Commitment) such reallocation does not cause the aggregate Revolving Facility Credit Exposure of any Non-Defaulting Lender under such Revolving Facility to exceed such Non-Defaulting Lender's Revolving Facility Commitment under such Revolving Facility. Subject to Section 9.23, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, within three (3) Business Days following the written request of the (i) Administrative Agent or (ii) any Issuing Bank, as applicable (with a copy to the Administrative Agent), Cash Collateralize the Issuing Banks' Fronting Exposure in accordance with the procedures set forth in Section 2.05(j).

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par (together with any break funding costs incurred by the Non-Defaulting Lenders as a result of such purchase) that portion of outstanding Revolving Facility Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit to be held *pro rata* by the Lenders in accordance with their Revolving Facility Commitments (without giving effect to Section 2.24(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; *provided*, that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided*, *further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Letters of Credit. So long as any Lender is a Defaulting Lender, the Issuing Banks shall not be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

Section 2.25. *Loan Repurchases*.

(a) Subject to the terms and conditions set forth or referred to below, the Borrower may from time to time, at its discretion (and without, for the avoidance of doubt, limiting any of its other express rights hereunder to otherwise acquire Loans), conduct modified Dutch auctions in order to purchase Term Loans of one or more Classes (as determined by the Borrower) (each, a "**Purchase Offer**"), each such Purchase Offer to be managed exclusively by the Administrative Agent (or such other financial institution chosen by the Borrower and reasonably acceptable to the Administrative Agent) (in such capacity, the "**Auction Manager**"), so long as the following conditions are satisfied:

(i) each Purchase Offer shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.25 and the Auction Procedures or as are otherwise reasonably acceptable to the Borrower, the Auction Manager and the Administrative Agent;

(ii) no Financial Covenant Event of Default or Event of Default pursuant to clause (b), (c), (h) or (i) of Section 7.01 shall have occurred and be continuing on the date of the delivery of each notice of an auction and at the time of (and immediately after giving effect to) the purchase of any Term Loans in connection with any Purchase Offer;

(iii) the principal amount (calculated on the face amount thereof) of each and all Classes of Term Loans that the Borrower offers to purchase in any such Purchase Offer shall be no less than $5,000,000 (unless another amount is agreed to by the Administrative Agent) (across all such Classes);

(iv) the principal amount of all Term Loans of the applicable Class or Classes so purchased by the Borrower shall automatically be cancelled and retired by the Borrower on the settlement date of the relevant purchase (and may not be resold) (without any increase to EBITDA as a result of any gains associated with cancellation of debt), and in no event shall the Borrower be entitled to any vote hereunder in connection with such Term Loans;

(v) no more than one Purchase Offer with respect to any Class may be ongoing at any one time;

(vi) the Borrower represents and warrants that no Loan Party shall have any material non-public information with respect to the Loan Parties or their Subsidiaries, or with respect to the Loans or the securities of any such person, that (A) has not been previously disclosed in writing to the Administrative Agent and the Lenders (other than because such Lender does not wish to receive such material non-public information) prior to such time and (B) could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to participate in the Purchase Offer;

(vii) at the time of each purchase of Term Loans through a Purchase Offer, the Borrower shall have delivered to the Auction Manager an officer's certificate of a Responsible Officer certifying as to compliance with the preceding clause (vi);

(viii) any Purchase Offer with respect to any Class shall be offered to all Term Lenders holding Term Loans of such Class on a pro rata basis; and

(ix) no purchase of any Term Loans shall be made from the proceeds of Revolving Facility Loans.

(b) The Borrower must terminate any Purchase Offer if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Purchase Offer. If the Borrower commences any Purchase Offer (and all relevant requirements set forth above which are required to be satisfied at the time of the commencement of such Purchase Offer have in fact been satisfied), and if at such time of commencement the Borrower reasonably believes that all required conditions set forth above which are required to be satisfied at the time of the consummation of such Purchase Offer will be satisfied, then the Borrower shall have no liability to any Term Lender for any termination of such Purchase Offer as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of consummation of such Purchase Offer, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans of any

Class or Classes made by the Borrower pursuant to this Section 2.25, (x) the Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans of the applicable Class or Classes up to the settlement date of such purchase and (y) such purchases (and the payments made by the Borrower and the cancellation of the purchased Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.11 hereof.

(c) The Administrative Agent and the Lenders hereby consent to the Purchase Offers and the other transactions effected pursuant to and in accordance with the terms of this Section 2.25; *provided*, that notwithstanding anything to the contrary contained herein, no Lender shall have an obligation to participate in any such Purchase Offer. For the avoidance of doubt, it is understood and agreed that the provisions of Sections 2.16, 2.18 and 9.04 will not apply to the purchases of Term Loans pursuant to Purchase Offers made pursuant to and in accordance with the provisions of this Section 2.25. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Article VIII and Section 9.05 to the same extent as if each reference therein to the "Agents" were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Purchase Offer.

(d) This Section 2.25 shall supersede any provisions in Section 2.18 or 9.06 to the contrary.

Section 3.05. *Financial Statements*. (a) The audited consolidated balance sheets and the statements of operations, stockholders' equity, and cash flows for the Borrower and its consolidated subsidiaries as of and for each fiscal year of the Borrower in the three-fiscal year period ended on December 31, 2023 and (b) [reserved], in each case, including the notes thereto, if applicable, present fairly in all material respects the consolidated financial position of the Borrower and its consolidated subsidiaries as of the dates and for the periods referred to therein and the results of operations and cash flows for the periods then ended, and were prepared in accordance with GAAP applied on a consistent basis throughout the periods covered thereby, except as otherwise noted therein.

(b) As of the Closing Date, except as set forth on Schedule 3.07(b), none of the Borrower or its Subsidiaries is obligated under any right of first refusal, option or other contractual right to sell, assign or otherwise dispose of any Mortgaged Property or any interest therein, except as permitted under Section 6.02 or 6.05 or as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 3.17. *Security Documents*.

(a) Each Security Document is effective to create in favor of the Collateral Agent or the LVLT Collateral Agent, as applicable (in each case, for the benefit of the Secured Parties), a legal, valid and enforceable security interest in the Collateral described therein and proceeds thereof. As of the Closing Date, in the case of the Pledged Collateral described in the Collateral Agreement and the LVLT Collateral Agreement, when certificates or promissory notes, as applicable, representing such Pledged Collateral and required to be delivered under the applicable Security Document are delivered to the Collateral Agent or the LVLT Collateral Agent, as applicable, and in the case of the other Collateral described in the Collateral Agreement and the LVLT Collateral Agreement (other than the Intellectual Property), when financing statements and other filings specified in the Perfection Certificate are filed in the offices specified in the Perfection Certificate, the Collateral Agent or the LVLT Collateral Agent, as applicable (in each case, for the benefit of the Secured Parties), shall have a fully perfected Lien (subject to all Permitted Liens) on, and security interest in, all right, title and interest of the Loan Parties in such Collateral and, subject to Section 9-315 of the New York Uniform Commercial Code, the proceeds thereof, as security for the Obligations to the extent perfection can be obtained by filing Uniform Commercial Code financing statements or possession, in each case prior and superior in right to the Lien of any other person (except Permitted Liens).

(b) When the Collateral Agreement and the LVLT Collateral Agreement or an ancillary document thereunder is properly filed and recorded in the United States Patent and Trademark Office and the United States Copyright Office, and, with respect to Collateral in which a security interest cannot be perfected by such filings, upon the proper filing of the financing statements referred to in clause (a) above, the Collateral Agent or the LVLT Collateral Agent, as applicable (in each case, for the benefit of the Secured Parties), shall have a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties thereunder in the material United States Intellectual Property included in the Collateral listed in such ancillary document, in each case prior and superior in right to the Lien of any other person, except for Permitted Liens (it being understood that subsequent recordings in the United States Patent and Trademark Office and the United States Copyright Office may be necessary to perfect a Lien on material registered trademarks and patents, trademark and patent applications and registered copyrights acquired by the Loan Parties after the Closing Date).

(i) For purposes of this Section 5.10, the requirement that the Borrower use "commercially reasonable efforts" shall not be deemed to require it to make material payments in excess of normal fees and costs to or at the direction of Governmental Authorities or to change the manner in which it conducts its business in any respect that the management of the Borrower shall determine in good faith to be materially adverse or materially burdensome.

(j) Notwithstanding anything to the contrary herein or in any other Loan Document, the Borrower shall have the right, at any time, to designate an Excluded Subsidiary that is a Domestic Subsidiary as a Guarantor and Collateral Guarantor (and to subsequently release such Guarantee in accordance with Section 9.18(b)); *provided*, that in no circumstance shall an Excluded Subsidiary become a Guarantor or Collateral Guarantor unless designated as a Guarantor or Collateral Guarantor, as applicable, by the Borrower in its sole discretion.

(m) Notwithstanding anything to the contrary in this Section 5.10, the definition of "Collateral and Guarantee Requirement" or any other provision of any Loan Document, with respect to any Material Real Property that is not located in a Special Flood Hazard Area (as determined by the Borrower in consultation with the Collateral Agent) acquired after the Closing Date, the applicable Loan Party shall not pledge (and shall not be required to pledge) such Material Real Property until (i) at least 45 days have passed since the Borrower has provided written notice to the Administrative Agent and the Lenders of the acquisition of such Material Real Property and (ii) the Administrative Agent has confirmed that flood insurance due diligence and flood insurance compliance in accordance with subsection (f)(iii) of the definition of "Collateral and Guarantee Requirement" hereof has been completed.

(n) Solely with respect to any Exempted Subsidiary, to the extent such Exempted Subsidiary is required to become a LVLT Collateral Guarantor, such Exempted Subsidiary will provide the same Liens on and security interests in Collateral (as defined in the LVLT Credit Agreement) as provided under the LVLT Security Documents to the LVLT Collateral Agent for the benefit of the applicable Secured Parties.

Section 5.15. *Farm Credit Equity and Security*.

(a) So long as a Farm Credit Lender is a Lender hereunder, the Borrower will acquire, directly or through one or more of its Subsidiaries (and such Farm Credit Lender will make available to the Borrower or its applicable Subsidiaries for purchase) equity in such Farm Credit Lender in such amounts and at such times as such Farm Credit Lender may require in accordance with such Farm Credit Lender's Bylaws and Capital Plan (or their equivalent) (as each may be amended from time to time), except that the maximum amount of equity that the Borrower shall be required pursuant to this sentence to purchase, directly or through its applicable Subsidiaries, in such Farm Credit Lender in connection with the Loans made by such Farm Credit Lender shall not exceed the maximum amount required by the Bylaws and the Capital Plan (or the equivalent) on the Closing Date. The Borrower acknowledges receipt of documents from each Farm Credit Lender that describe the nature of the Borrower's stock and other equities in such Farm Credit Lender acquired in connection with its patronage loan from such Farm Credit Lender (the "**Farm Credit Equities**") as well as capitalization requirements, and agrees to be bound by the terms thereof.

(b) Each party hereto acknowledges that each Farm Credit Lender's Bylaws and Capital Plan (or their equivalent) (as each may be amended from time to time) shall govern (x) the rights and obligations of the parties with respect to the Farm Credit Equities and any patronage refunds or other distributions made on account thereof or on account of the Borrower's patronage with such Farm Credit Lender, (y) the Borrower's eligibility for patronage distributions from such Farm Credit Lender (in the form of Farm Credit Equities and cash) and (z) patronage distributions, if any, in the event of a sale of a participation interest. Each Farm Credit Lender reserves the right to assign or sell participations in all or any part of its Commitments or outstanding Loans hereunder on a non-patronage basis.

(c) Each party hereto acknowledges that each Farm Credit Lender has a statutory first lien pursuant to the Farm Credit Act of 1971 (as amended from time to time) on all Farm Credit Equities that the Borrower may now own or hereafter acquire, which statutory lien shall be for such Farm Credit Lender's sole and exclusive benefit. The Farm Credit Equities shall not constitute security for the Obligations due to any other Secured Party. To the extent that any of the Loan Documents create a Lien on the Farm Credit Equities or on patronage accrued by such Farm Credit Lender for the account of the

Borrower (including, in each case, proceeds thereof), such Lien shall be for such Farm Credit Lender's sole and exclusive benefit and shall not be subject to pro rata sharing hereunder. Neither the Farm Credit Equities nor any accrued patronage shall be offset against the Obligations except that, in the event of an Event of Default, a Farm Credit Lender may elect, solely at its discretion, to apply the cash portion of any patronage distribution or retirement of equity to amounts due under this Agreement. The Borrower acknowledges that any corresponding tax liability associated with such application is the sole responsibility of the Borrower. No Farm Credit Lender shall have any obligation to retire the Farm Credit Equities upon any Event of Default, Default or any other default by the Borrower or any other Loan Party, or at any other time, either for application to the Obligations or otherwise.

(f) any event or condition occurs that (A) results in any Material Indebtedness becoming due prior to its scheduled maturity or failing to be paid at its scheduled maturity or (B) other than with respect to any Hedging Agreement, enables or permits (with all applicable grace periods having expired) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any such Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity, in each case without such Material Indebtedness having been discharged, or any such event of or condition having been cured promptly; *provided*, that this clause (f) shall not apply to any secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness if (x) such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness and (y) repayments are made as required by the terms of the respective Indebtedness;

(g) there shall have occurred a Change of Control;

(k) (i) an ERISA Event shall have occurred, (ii) the PBGC shall institute proceedings (including giving notice of intent thereof) to terminate any Plan or Plans, or (iii) the Borrower or any Subsidiary or any ERISA Affiliate shall have been notified by the sponsor of a Multiemployer Plan that such Multiemployer Plan is insolvent or is being terminated, within the meaning of Title IV of ERISA; and in each case in clauses (i) through (iii) above, such event or condition, together with all other such events or conditions, if any, would reasonably be expected to have a Material Adverse Effect; or

(l) (i) any Loan Document shall for any reason be asserted in writing by the Borrower or any other Loan Party not to be a legal, valid and binding obligation of any party thereto, (ii) any security interest purported to be created by any Security Document and to extend to assets that constitute a material portion of the Collateral shall cease to be, or shall be asserted in writing by the Borrower or any other Loan Party not to be, a valid and perfected security interest (perfected as or having the priority required by this Agreement or the relevant Security Document and subject to such limitations and restrictions as are set forth herein and therein) in the securities, assets or properties covered thereby, except to the extent that any such loss of perfection or priority results from the limitations of foreign laws, rules and regulations as they apply to pledges of Equity Interests in Foreign Subsidiaries or the application thereof, or from failure of the Collateral Agent or the LVLT Collateral Agent (or any agent acting as gratuitous bailee thereof), as applicable, to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Agreement or the LVLT Collateral Agreement or to file Uniform Commercial Code continuation statements (so long as such failure does not result from the breach or non-compliance with the Loan Documents by any Loan Party), or (iii) a material portion of the Guarantees pursuant to the Loan Documents by the Guarantors guaranteeing the Obligations, shall cease to be in full force and effect (other than in accordance with the terms thereof), or shall be asserted in writing by the Borrower or any other Loan Party not to be in effect or not to be legal, valid and binding obligations (other than in accordance with the terms thereof),

then, and in every such event (other than an event described in clause (h) or (i) above), and at any time thereafter during the continuance of such event, the Administrative Agent, at the request of the Required Revolving Facility Lenders under the Series A Revolving Facility or the Required Lenders (or (A) in the case of a termination of the Revolving Facility Commitments pursuant to clause (i) below, the Required Revolving Facility Lenders or (B) in the case of clause (iv) below, if any Priority Payment Obligations are outstanding, the Required Revolving Facility Lenders under the Series A Revolving Facility), shall, by notice to the Borrower, take any or all of the following actions, at the same or different times:

(i) terminate forthwith the Commitments,

(ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part (in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding,

(iii) demand Cash Collateral pursuant to Section 2.05(k) or

(iv) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable law, subject to the terms of the Intercreditor Agreements;

provided, that in any event described in clause (h) or (i) above, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall automatically become due and payable and the Administrative Agent shall be deemed to have made a demand for Cash Collateral to the full extent permitted under Section 2.05(k), without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 7.02. *[Reserved]*.

Section 7.03. *Application of Funds*. After the exercise of remedies provided for above (or after the Loans have automatically become immediately due and payable and the Revolving Facility Credit Exposure has automatically been required to be Cash Collateralized as set forth above), any amounts received on account of the Obligations (including, without limitation, proceeds received by the Administrative Agent or Collateral Agent in respect of any sale of, collection from, or other realization upon, all or any part of the Collateral (including, without limitation, pursuant to the exercise by the Administrative Agent or Collateral Agent of its remedies during the continuance of an Event of Default) or otherwise received on account of the Obligations (including any payments or other distributions made in any Insolvency or Liquidation Proceeding, pursuant to a Plan of Reorganization or otherwise) shall, subject to the provisions of Section 2.11, be applied in the following order, subject to the provisions of any applicable Intercreditor Agreement, ratably:

first, to pay any fees, indemnities, or expense reimbursements hereunder including amounts then due to the Administrative Agent, the Collateral Agent and any Issuing Bank from the Borrower (including any fees or expenses awarded in any Insolvency or Liquidation Proceeding),

second, to pay that portion of the Priority Payment Obligations constituting fees (other than fees under any side letter for amounts in connection with any Series A Specified Incremental Revolving Facility Commitments) or expense reimbursements (including any fees or expenses awarded in any Insolvency or Liquidation Proceeding) then due hereunder to the Secured Parties under the Series A Revolving Facility (all in their respective capacities as such) from the Borrower,

third, to pay that portion of the Priority Payment Obligations constituting interest (including post-petition interest, whether or not an allowed claim or allowable as a claim in any claim or proceeding under any Debtor Relief Laws and any fees or expenses awarded in any Insolvency or Liquidation Proceeding) then due and payable on the Series A Revolving Facility Loans or any Series A Specified Incremental Revolving Loan and fees under any side letter for amounts in connection with any Series A Specified Incremental Revolving Facility Commitments and Series A Specified Incremental Revolving Loans,

fourth, to repay that portion of the Priority Payment Obligations constituting principal on the Series A Revolving Facility Loans or any Series A Specified Incremental Revolving Loan and unreimbursed disbursements under any Letter of Credit under the Series A Revolving Facility and to Cash Collateralize all outstanding Letters of Credit under the Series A Revolving Facility ratably; *provided*, that amounts which are applied to Cash Collateralize outstanding Letters of Credit (or such letters of credit) that remain available after expiry of the applicable Letter of Credit (or letter of credit) shall be applied in the manner set forth herein,

fifth, to the payment of any other Priority Payment Obligations due to any Secured Party,

sixth, to pay that portion of the Obligations not included in clause *second* constituting any fees (other than fees under any side letter for amounts in connection with any Series B Specified Incremental Revolving Facility Commitments) or expense reimbursements then due hereunder to the Secured Parties (all in their respective capacities as such) from the Borrower,

seventh, to pay that portion of the Obligations not included in clause *third* constituting interest (including post-petition interest, whether or not an allowed claim or allowable as a claim in any claim or proceeding under any Debtor Relief Laws) then due and payable on the Loans and fees under any side letter for amounts in connection with any Series B Specified Incremental Revolving Facility Commitments and Series B Specified Incremental Revolving Loans and on obligations arising under each Secured Cash Management Agreement and Secured Hedge Agreement ratably,

eighth, to repay that portion of the Obligations not included in clause *fourth* constituting principal on the Loans and unreimbursed disbursements under any Letter of Credit, to Cash Collateralize all outstanding Letters of Credit, and to pay that portion of the Obligations not included in clause *fourth* constituting any other amounts owing with respect to Secured Cash Management Agreements (including providing cash collateral in an amount equal to the face amount of outstanding letters of credit under any Outside LC Facility) and Secured Hedge Agreements ratably; *provided*, that amounts which are applied to Cash Collateralize (or cash collateralized letters of credit issued under any Outside LC Facility) outstanding Letters of Credit (or such letters of credit) that remain available after expiry of the applicable Letter of Credit (or letter of credit) shall be applied in the manner set forth herein; and

ninth, to the payment of that portion of the Obligations not included in clause *fifth* constituting any other Obligation due to any Secured Party.

Notwithstanding the foregoing, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements shall be excluded from the application described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. Each Cash Management Bank or Hedge Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent as its agent pursuant to the terms of Article VIII hereof for itself and its Affiliates as if it were a "Lender" party hereto and shall be subject to the provisions of any applicable Intercreditor Agreement in all respects.

Each holder of Obligations other than Priority Payment Obligations acknowledges and agrees that, because of, among other things, their differing rights with respect to receiving distributions of amounts on account of the Obligations, the Priority Payment Obligations (including any portion of the Priority Payment Obligations that would be an unsecured claim under Section 506(a) of the Bankruptcy Code (or any similar provision under any other Debtor Relief Law)) are fundamentally different from the Obligations that are not Priority Payment Obligations and must be separately classified in any Plan of Reorganization proposed, confirmed, adopted or supported by or on behalf of any Secured Party in an Insolvency or Liquidation Proceeding. The failure of such claims to be so separately classified shall not alter the application of this Section 7.03 to any payment or other distribution received on account of such claims. Payments and other distributions received in connection with any Insolvency or Liquidation Proceeding in which holders of the Priority Payment Obligations and holders of Obligations that are not Priority Payment Obligations are classified in the same class in any Plan of Reorganization shall be turned over to the Collateral Agent for distribution in accordance with this Section 7.03, unless such Plan of Reorganization is consented to by (x) the holders of Priority Payment Obligations holding at least two-thirds of the Priority Payment Obligations and (y) at least half (in number) of all holders of Priority Payment Obligations. In furtherance of the foregoing, each Secured Parties (whether in the capacity of a secured or an unsecured creditor) hereby agrees that it will not, directly or indirectly, propose, support, vote to accept or agree to any Non-Conforming Plan of Reorganization.

The parties to each Loan Document (including each Loan Party) irrevocably agree that this Agreement (including the provisions of this Section 7.03) constitutes a "subordination agreement" within the meaning of both New York law and Section 510(a) of the Bankruptcy Code (or any similar provision of any other applicable Debtor Relief Law), and that the terms hereof will survive, and will continue in full force and effect and be binding upon each of the parties hereto, in any Insolvency or Liquidation Proceeding.

ARTICLE VIII

THE AGENTS

Section 8.01. *Appointment*.

(a) Each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, including as the Collateral Agent for such Lender and the other Secured Parties under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. The provisions of this Article (other than Sections 8.06 and the final paragraph of Section 8.12 hereof) are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and neither the Borrower nor any other Loan Party shall have any rights as a third-party beneficiary of any such provisions.

(b) In furtherance of the foregoing, each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements or Secured Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or

for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

(c) Each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby irrevocably designates and appoints the LVLT Collateral Agent as the agent of such Lender under the LVLT Security Documents, and each such Lender irrevocably authorizes the LVLT Collateral Agent, in such capacity, to take such action on its behalf under the provisions of the LVLT Security Documents and to exercise such powers and perform such duties as are expressly delegated to the LVLT Collateral Agent by the terms of the LVLT Security Documents, together with such other powers as are reasonably incidental thereto. In furtherance of the foregoing, each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements or Secured Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby appoints and authorizes the LVLT Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on LVLT Collateral, together with such powers and discretion as are reasonably incidental thereto.

Section 8.02. *Delegation of Duties*. The Administrative Agent and the Collateral Agent may execute any of their respective duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any such agents, employees or attorneys-in-fact selected by it with reasonable care. Each Agent may also from time to time, when it deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a "**Subagent**") with respect to all or any part of the Collateral; *provided*, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent or the Collateral Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by an Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by such Agent. If any Subagent, or successor thereto, shall become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent or the Collateral Agent until the appointment of a new Subagent. No Agent shall be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects with reasonable care.

Section 8.03. *Exculpatory Provisions*. None of the Agents, or their respective Affiliates or any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by any Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, (b) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the respective Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) and (c) no Agent shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, nor shall any Agent be liable for the failure to disclose, any information relating to the Borrower or any of its Subsidiaries or any of their respective Affiliates that is communicated to or obtained by such Agent or any of its Affiliates in any capacity. The Agents shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to the Administrative Agent in accordance with Section 8.05. No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality

of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans and/or Commitments, or disclosure of confidential information, to any Disqualified Lender.

Section 8.04. *Reliance by Agents*. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to any Credit Event that by its terms must be fulfilled to the satisfaction of a Lender or any Issuing Bank, each Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless such Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to such Credit Event. Each Agent may consult with legal counsel (including counsel to the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Each Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent in accordance with Section 9.04. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Section 8.05. *Notice of Default*. Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "Notice of Default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); *provided*, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06. *Non-Reliance on Agents and Other Lenders*. Each Lender and Issuing Bank expressly acknowledges that the Agents and any of their respective Related Parties and the Loan Parties' financial or other professional advisors have not made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender and Issuing Bank represents to the Agent (and to such other Persons referenced in this sentence) that it has, independently and without reliance upon any Agent or any other Lender or any of their respective Related Parties or any of the Loan Parties' financial or other professional advisors, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender or any of their respective Related Parties, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its Related Parties. Each Lender and each Issuing Bank represents and warrants, as of the date each such Lender or Issuing Bank becomes a Lender or an Issuing Bank, that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender or Issuing Bank for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender or Issuing Bank, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing. Each Lender and each Issuing Bank represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such Issuing Bank, and either it, or the person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

Section 8.07. *Indemnification*. The Lenders agree to indemnify each Agent and the Revolving Facility Lenders agree to indemnify each Issuing Bank in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), in the amount of its *pro rata* share (based on its aggregate Revolving Facility Credit Exposure and, in the case of the indemnification of each Agent,

outstanding Term Loans and Revolving Facility Commitments hereunder; *provided*, that the aggregate principal amount of any disbursement under any Letter of Credit owing to any Issuing Bank shall be considered to be owed to the Revolving Facility Lenders ratably in accordance with their respective Revolving Facility Credit Exposure) (determined at the time such indemnity is sought or, if the respective Obligations have been repaid in full, as determined immediately prior to such repayment in full), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent or such Issuing Bank in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent or Issuing Bank under or in connection with any of the foregoing; *provided*, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from such Agent's or Issuing Bank's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent or Issuing Bank, as the case may be, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent or Issuing Bank, as the case may be, as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent or such Issuing Bank, as the case may be, for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent or Issuing Bank, as the case may be, for such other Lender's ratable share of such amount. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Section 9.05 to be paid by it to the Administrative Agent (or any sub-agent thereof), any Issuing Bank or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), such Issuing Bank or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) based on each Lender's share of the aggregate principal amount of Term Loans and Revolving Facility Commitments in effect at such time (or, if the Revolving Facility Commitments have terminated, Revolving Facility Credit Exposure at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); *provided*, *further*, that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), such Issuing Bank in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Issuing Bank in connection with such capacity.

The agreements in this Section 8.07 shall survive the payment of the Loans and all other amounts payable hereunder.

Section 8.08. *Agent in Its Individual Capacity*. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued, or Letter of Credit participated in, by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

Section 8.09. *Successor Administrative Agent*. The Administrative Agent may resign as Administrative Agent and Collateral Agent under this Agreement and the other Loan Documents upon 30 days' notice to the Lenders and the Borrower. Any such resignation by the Administrative Agent hereunder shall also constitute its resignation as an Issuing Bank, in which case the resigning Administrative Agent (x) shall not be required to issue any further Letters of Credit hereunder and (y) shall maintain all of its rights as Issuing Bank with respect to any Letters of Credit issued by it prior to the date of such resignation. Upon any such resignation, the Required Lenders shall have the right, subject to the reasonable consent of the Borrower (so long as no Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing), to appoint a successor which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent and Collateral Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 30 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective (except in the case of the Collateral Agent holding collateral security on behalf of such Secured Parties, the retiring Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed), and the Lenders shall assume and perform all of the duties of the Administrative Agent and Collateral Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article VIII and Section 9.05 shall inure to its benefit as to any actions taken or omitted to be taken by it, its Subagents and their respective Related Parties while it was Administrative Agent under this Agreement and the other Loan Documents.

Section 8.10. *[Reserved]*.

Section 8.11. *Security Documents and Collateral Agent*.

(a) The Lenders and the other Secured Parties authorize each Agent to release any Collateral or Guarantors in accordance with Section 9.18 or if approved, authorized or ratified in accordance with Section 9.08.

(b) The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Collateral Agent and/or the Administrative Agent to, without any further consent of any Lender or any other Secured Party, and in the case of Indebtedness secured (and permitted to be secured) by a Lien on assets constituting a portion of the Collateral under any of Section 6.02(j) (solely to the extent such Liens are on Collateral granted by Exempted Subsidiaries), (z) or (gg) upon the request of the Borrower the Administrative Agent and/or the Collateral Agent shall, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify:

(1) the First Lien/First Lien Intercreditor Agreements with the collateral agent or other representative of holders of Indebtedness secured (and permitted to be secured) by a Lien on assets constituting a portion of the Collateral under any of Section 6.02(z) or (gg) (solely as it relates to Other First Liens) (and solely in accordance with the relevant requirements thereof and not in lieu of the requirements thereof),

(2) any Permitted Junior Intercreditor Agreement with respect to any Lien under any provision of Section 6.02 and

(3) the LVLT Pari Passu Intercreditor Agreement

(any of the foregoing, together with the Subordination Agreement, an "**Intercreditor Agreement**").

The Lenders and the other Secured Parties irrevocably agree that (x) the Administrative Agent and the Collateral Agent may rely exclusively on a certificate of a Responsible Officer of the Borrower as to whether any such other Liens are permitted hereunder and as to the respective assets constituting Collateral that secure (and are permitted to secure) such Indebtedness hereunder (*provided* that the delivery of any such certificate shall not be a condition to the effectiveness of any Intercreditor Agreement) and (y) any Intercreditor Agreement entered into by the Administrative Agent and/or the Collateral Agent shall be binding on the Secured Parties, and each Lender and each other Secured Party hereby agrees that it will take no actions contrary to the provisions of, if entered into and if applicable, any Intercreditor Agreement.

Each Lender and other Secured Party hereby agrees that (A) it will be bound by and will take no actions contrary to the provisions of any such intercreditor agreement or other agreements or documents and (B) agrees that the Liens on the Collateral securing the Obligations shall be subject in all respects to the provisions thereof.

(c) Furthermore, the Lenders and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to release any Lien securing the Obligations on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) to the holder of any Lien on such property that is permitted by Section 6.02(c), (i) or (v) or the corresponding provisions under the LVLT Credit Agreement as in effect on the Closing Date that are permitted by Section 6.02(j) in each case to the extent the contract or agreement pursuant to which such Lien is granted prohibits any other Liens on such property or (ii) that is or becomes Excluded Property; and the Administrative Agent and the Collateral Agent shall do so upon request of the Borrower; provided that, the Borrower shall have in each case delivered to the Administrative Agent

a certificate of a Responsible Officer of the Borrower certifying (x) that such Lien is permitted under this Agreement, (y) in the case of a request pursuant to clause (i) of this sentence, that the contract or agreement pursuant to which such Lien is granted prohibits any other Lien on such property and (z) in the case of a request pursuant to clause (ii) of this sentence, that such property is or has become Excluded Property.

Section 8.12. *Right to Realize on Collateral, Enforce Guarantees, and Credit Bidding*.

(a) In case of the pendency of any proceeding under any Debtor Relief Laws or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

(b) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee set forth in any Loan Document, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Agents, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent; *provided*, that, notwithstanding the foregoing, the Lenders may exercise the set-off rights contained in Section 9.06 in the manner set forth therein and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties

(but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations (other than Obligations owing to the Administrative Agent) as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other Disposition.

(c) The Secured Parties hereby irrevocably authorize each Agent, at the direction of the Required Lenders (and, if Priority Payment Obligations are then outstanding, the Required Revolving Facility Lenders under the Series A Revolving Facility), to credit bid all or any portion of the Obligations (other than amounts owing to the Administrative Agent) (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (i) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject or (ii) at any other sale or foreclosure or acceptance of Collateral in lieu of debt conducted by (or with the consent or at the direction of) the Collateral Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (A) the applicable Agent shall be authorized (x) to form one or more acquisition vehicles to make a bid, (y) to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided*, that any actions by such Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (i) through (vii) of Section 9.08(b) of this Agreement) and (z) such Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action and (B) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 8.13. *Withholding Tax*. To the extent required by any applicable Requirement of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Loan Party and without limiting the obligation of any applicable Loan Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, fines, additions to Tax and interest, together with all reasonable out of pocket expenses, whether or not such Taxes are correctly or legally imposed or asserted. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or from any other source against any amount due to the Administrative Agent under this Section 8.13. For purposes of this Section 8.13, the term "Lender" includes any Issuing Bank.

Section 8.14. *Secured Cash Management Agreements and Secured Hedge Agreements*. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 7.03, any Guarantee or any Collateral by virtue of the provisions hereof or of any Subsidiary Guarantee Agreement or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article VIII to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 8.15. *Certain ERISA Matters*.

(a) Each Lender (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (i) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (ii) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Section 9.02. *Survival of Agreement*. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect until the Termination Date. Without prejudice to the survival of any other agreements contained herein, the provisions of Sections 2.15, 2.16, 2.17, 9.05, 9.22 and 9.28 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the occurrence of the Termination Date or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

Section 9.03. *Binding Effect*. This Agreement shall become effective when it shall have been executed by the Borrower and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the Borrower, the Administrative Agent, each Issuing Bank and each Lender and their respective permitted successors and assigns.

Section 9.04. *Successors and Assigns*.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues a Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its respective rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment

or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues a Letter of Credit), Participants (to the extent provided in clause (d) of this Section 9.04), the Loan Parties' financial or other professional advisors to the extent expressly provided in Sections 8.06, and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in subclause (ii) below, any Lender may assign to one or more assignees (each, an "**Assignee**") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld, delayed or conditioned), which consent, with respect to the assignment of a Term Loan, will be deemed to have been given if the Borrower has not responded within ten (10) Business Days after the delivery of any request for such consent; *provided* that no consent of the Borrower shall be required (x) for an assignment of a Term Loan to a Lender, an Affiliate of a Lender, an Approved Fund (as defined below), or for an assignment of a Revolving Facility Commitment or Revolving Facility Loan to a Revolving Facility Lender, an Affiliate of a Revolving Facility Lender or Approved Fund with respect to a Revolving Facility Lender or (y) if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, for an assignment to any person;

(B) the Administrative Agent (such consent not to be unreasonably withheld or delayed); *provided*, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to (x) a Lender, an Affiliate of a Lender, or an Approved Fund, or (y) the Borrower or an Affiliate of the Borrower; and

(C) the Issuing Banks (such consent, in each case, not to be unreasonably withheld or delayed); *provided*, that no consent of the Issuing Banks shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments (other than pursuant to Section 2.25 or clause (c) below) shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the applicable Commitments or Loans of the assigning

Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than (x) $1,000,000 or an integral multiple of $1,000,000 in excess thereof in the case of Term Loans and (y) $5,000,000 or an integral multiple of $1,000,000 in excess thereof in the case of Revolving Facility Loans or Revolving Facility Commitments, unless each of the Borrower and the Administrative Agent otherwise consent; *provided*, that no such consent of the Borrower shall be required if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing; *provided*, *further*, that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds being treated as one assignment), if any;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; *provided*, that this clause (B) shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Acceptance and any form required to be delivered pursuant to Section 2.17 via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent); *provided*, that a series of assignments by or to any Assignee, its Affiliates and its Approved Funds on the same day shall be deemed to be one assignment for purposes of this clause (C);

(D) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent its applicable tax forms, an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws, and such other documents reasonably requested by the Administrative Agent; and

(E) the Assignee shall not be (1) the Borrower or any of the Borrower's Affiliates or Subsidiaries except with respect to assignments to the Borrower in accordance with Section 2.25 or clause (c) below, (2) any Disqualified Lender subject to Section 9.04(j), (3) a natural person or (4) a Defaulting Lender.

For the purposes of this Section 9.04, "**Approved Fund**" shall mean any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered, advised or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers, advises or manages a Lender.

Notwithstanding the foregoing or anything to the contrary herein, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement (A) with respect to the Term A Commitments, prior to the funding of the Term A Loans on the Closing Date and (B) with respect to the Revolving Facility Commitments, prior to the funding of all Revolving Facility Loans requested by the Borrower on the Closing Date, in each case, to any person, unless consented to by the Borrower.

Any assigning Lender shall, in connection with any potential assignment, provide to the Borrower a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not a Default or an Event of Default has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to subclause (v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05 (subject to the limitations and requirements of those Sections, including, without limitation, the requirements of Sections 2.17(d) and 2.17(f))). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04 (except to the extent such participation is not permitted by such clause (c) of this Section 9.04, in which case such assignment or transfer shall be null and void).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and

interest amounts of the Loans and Revolving L/C Exposure owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Bank and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Bank and any Lender (with respect to any entry relating to such Lender's Loans and Commitments), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b)(ii)(C) of this Section 9.04, if applicable, and any written consent to such assignment required by clause (b) of this Section 9.04, the Administrative Agent shall accept such Assignment and Acceptance and promptly record the information contained therein in the Register; *provided*, that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05(d) or (e), 2.06(b), 2.18(d) or 8.07, the Administrative Agent shall have no obligation to accept such Assignment and Acceptance and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this subclause (v).

(c) [Reserved].

(d) *Participations***.**

(i) Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Bank, sell participations in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it) to one or more banks or other entities other than any person that, at the time of such participation, is (A) a natural person, (B) the Borrower or any of its Subsidiaries or any of their respective Affiliates or (C) a Disqualified Lender subject to Section 9.04(j) (a "**Participant**");

provided, that

(1) such Lender's obligations under this Agreement shall remain unchanged,

(2) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and

(3) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; *provided* that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that both (1) requires the consent of each Lender directly affected thereby pursuant to the first proviso to Section 9.08(b) and (2) directly affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default) and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant.

Subject to clause (d)(iii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections and Section 2.19, including, without limitation, the requirements of Sections 2.17(d) and 2.17(f) (it being understood that the documentation required under Section 2.17(d) and 2.17(f) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 9.04.

To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender; *provided*, that such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. Without limitation of the requirements of this Section 9.04(d), no Lender shall have any obligation to disclose all or any portion of a Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other Loan Obligations under any Loan Document), except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other Loan Obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld or delayed), which consent shall state that it is being given pursuant to this Section 9.04(d)(iii); *provided*, that each potential Participant shall provide such information as is reasonably requested by the Borrower in order for the Borrower to determine whether to provide its consent.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; *provided*, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(f) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in clause (e) above.

(g) Upon the terms and subject to the conditions set forth in this Agreement, and in reliance upon the representations, warranties and covenants of the Loan Parties contained herein and the other Loan Documents, effective as of the Closing Date, each person that becomes a Lender after the Closing Date (each, a "**Subject Lender**"), on behalf of itself and its predecessors, successors, assigns, agents, subsidiaries (except in the case of any Lender that is a bona fide commercial bank), Affiliates (except in the case of any Lender that is a bona fide commercial bank) and representatives, hereby irrevocably and forever waives, on the terms and conditions set forth herein, any actual, if any, and alleged defaults, Defaults or Events of Default (each as defined in the applicable Existing Debt Document), or any other claims of breach under any Existing Debt Document that have arisen under the Existing Debt Documents prior to the Closing Date and that can be waived as of the Closing Date, together with any and all related consequences thereof, including without limitation any actual or purported acceleration of any Existing Debt (the "**Waiver**"). Other than as specifically set forth herein, the Waiver shall not constitute a modification or alteration of the terms, conditions or covenants of this Agreement or the Existing Debt Documents. Notwithstanding the foregoing, (i) the Waiver of each Subject Lender that is a bona fide commercial bank is only applicable with respect to such Subject Lender in its capacity as a lender or holder under the Existing Debt Documents to which it is a party (and not in any other capacity and not in respect of any Existing Debt Document to which it is not a party), (ii) for the avoidance of doubt, no Subject Lender that is a bona fide commercial bank is agreeing to the Waiver with respect to any Existing Debt that such

Subject Lender holds or acquires solely in its capacity as a Qualified Marketmaker (as defined in the Transaction Support Agreement), and (iii) with respect to any such Subject Lender that is a bona fide commercial bank, any Affiliates or related parties of such Subject Lender (including any separate branch of a Subject Lender) shall not be deemed to be a Subject Lender themselves, unless such Affiliate or related party has itself signed this Agreement. For the avoidance of doubt, any Affiliates or related parties of any such Subject Lender shall not, as a result of being Affiliates or related parties, be deemed to be Subject Lenders themselves.

(h) Each purchase or assignment of Loans pursuant to Section 2.25 or clause (c) of this Section 9.04 shall, for purposes of this Agreement, be deemed to be an automatic and immediate cancellation and extinguishment of such Term Loans and the Borrower shall, upon consummation of any such purchase, notify the Administrative Agent that the Register should be updated to record such event as if it were a prepayment of such Loans.

(i) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable *pro rata* share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent) to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, each Issuing Bank or any other Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full *pro rata* share of all Revolving Facility Loans and participations in Letters of Credit in accordance with its Revolving Facility Percentage; *provided*, that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(j) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (i) post the list of Disqualified Lenders provided by the Borrower and any updates thereto from time to time (collectively, the "**DQ List**") on the Platform, including that portion of the Platform that is designated for "public side" Lenders and (ii) provide the DQ List to each Lender requesting the same. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce compliance with the provisions hereof relating to Disqualified Lenders; *provided*, that without limiting the generality of the foregoing clause, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender. With respect to any Lender or Participant that becomes a Disqualified

Lender after the applicable assignment or participation, (1) such Assignee shall not retroactively be disqualified from becoming a Lender or Participant and (2) the execution by the Borrower of an Assignment and Acceptance with respect to such assignee will not by itself result in such Assignee no longer being considered a Disqualified Lender. Any assignment in violation of this clause (j) shall not be void, but the Borrower shall have the right to:

(A) in the case of any outstanding Revolving Facility Commitments, terminate any Revolving Facility Commitment of such Disqualified Lender and repay all obligations of the Borrower owing to such Disqualified Lender in connection with such Revolving Facility Commitment,

(B) in the case of outstanding Term Loans held by Disqualified Lenders, prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans, in each case plus accrued interest, accrued Fees and all other amounts (other than principal amounts) payable to it hereunder and under the other Loan Documents and/or

(C) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 9.04), all of its interest, rights and obligations under this Agreement and related Loan Documents to an Assignee in accordance with this Section 9.04 that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued Fees and all other amounts (other than principal amounts) payable to it hereunder and the other Loan Documents; *provided*, that (1) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 9.04(b)(ii)(C), (2) such assignment does not conflict with applicable laws and (3) in the case of clause (B), the Borrower shall not use the proceeds from any Loans to prepay Term Loans held by Disqualified Lenders.

(k) Voting Participants. Notwithstanding anything in this Section 9.04 to the contrary, any Farm Credit Lender that (i) has purchased a participation from any Lender that is a Farm Credit Lender in the minimum amount of $5,000,000 on or after the Closing Date, (ii) is, by written notice to the Borrower and the Administrative Agent (a "Voting Participant Notification"), designated by the selling Lender as being entitled to be accorded the rights of a voting participant hereunder (any Farm Credit Lender so designated being called a "Voting Participant") and (iii) receives the prior written consent of the Borrower and the Administrative Agent to become a Voting Participant, shall be entitled to vote (and the voting rights of the selling Lender shall be correspondingly reduced), on a dollar for dollar basis, as if such Voting Participant were a Lender, on any matter requiring or allowing a Lender to provide or withhold its consent, or to otherwise vote on any proposed action, in each case, in lieu of the vote of the selling Lender; provided, however, that if such Voting Participant has at any time failed to fund any portion of its participation when

required to do so and notice of such failure has been delivered by the selling Lender to the Administrative Agent, then until such time as all amounts of its participation required to have been funded have been funded and notice of such funding has been delivered by the selling Lender to the Administrative Agent, such Voting Participant shall not be entitled to exercise its voting rights pursuant to the terms of this clause (j), and the voting rights of the selling Lender shall not be correspondingly reduced by the amount of such Voting Participant's participation. Notwithstanding the foregoing, each Farm Credit Lender designated as a Voting Participant on Schedule 9.04(k) hereto on the Closing Date shall be a Voting Participant without delivery of a Voting Participant Notification and without the prior written consent of the Borrower and the Administrative Agent. To be effective, each Voting Participant Notification shall, with respect to any Voting Participant, (A) state the full name of such Voting Participant, as well as all contact information required of an assignee as set forth in Exhibit A, (B) state the dollar amount of the participation purchased and (C) include such other information as may be required by the Administrative Agent. The selling Lender and the Voting Participant shall notify the Administrative Agent and the Borrower within three Business Days of any termination of, or reduction or increase in the amount of, such participation and shall promptly upon request of the Administrative Agent update or confirm there has been no change in the information set forth in Schedule 9.04(k) hereto on the Closing Date or delivered in connection with any Voting Participant Notification. The Borrower and the Administrative Agent shall be entitled to conclusively rely on information provided by a Lender identifying itself or its participant as a Farm Credit Lender without verification thereof and may also conclusively rely on the information set forth in Schedule 9.04(k) hereto on the Closing Date, delivered in connection with any Voting Participant Notification or otherwise furnished pursuant to this clause (k) and, unless and until notified thereof in writing by the selling Lender, may assume that there have been no changes in the identity of Voting Participants, the dollar amount of participations, the contact information of the participants or any other information furnished to the Borrower or the Administrative Agent pursuant to this clause (k). The voting rights hereunder are solely for the benefit of the Voting Participants and shall not inure to any assignee or participant of a Voting Participant.

Section 9.05. *Expenses; Indemnity*.

(a) The Borrower hereby agrees to pay:

(i) all reasonable and documented out-of-pocket expenses (including, subject to Section 9.05(c), Other Taxes) incurred by the Administrative Agent or the Collateral Agent and their respective Affiliates in connection with the preparation and administration of this Agreement and the other Loan Documents, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), including the reasonable fees, charges and disbursements of one counsel (which counsel shall be Cahill Gordon & Reindel LLP) and one financial advisor (which financial advisor shall be FTI Consulting solely in respect of work performed in connection with the Transaction Support Agreement prior to the date hereof) for the Administrative Agent and the Collateral Agent and, if necessary, the reasonable and documented fees, charges and disbursements of one local counsel per jurisdiction,

(ii) all reasonable and documented out-of-pocket expenses incurred by the Issuing Banks in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, and

(iii) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Agents, any Issuing Bank or any Lender in connection with the enforcement of their rights in connection with this Agreement and any other Loan Document, in connection with the Loans made or the Letters of Credit issued hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit and including the fees, charges and disbursements of a single counsel for all such persons, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction and (if appropriate) a single regulatory counsel for all such persons, taken as a whole (and, in the case of an actual or perceived conflict of interest where such person affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of such for such affected person), and

(iv) the reasonable and documented fees, charges and disbursements based on the actual time incurred on a customary, hourly rate of one financial advisor or investment bank (which shall be FTI Consulting) engaged by the Administrative Agent on behalf of the Lenders in connection with the enforcement of its rights in connection with this Agreement and any other Loan Document, including all such reasonable and documented fees, charges and disbursements incurred during any workout, restructuring or related negotiations.

(b) The Borrower agrees to indemnify the Administrative Agent, the Collateral Agent, each Issuing Bank, each Lender, each of their respective Affiliates, successors and assignors, and each of their respective Related Parties (each such person being called an "**Indemnitee**") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable and documented out-of-pocket counsel fees, charges and disbursements (excluding the allocated costs of in house counsel and limited to not more than one counsel for all such Indemnitees, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction and (if appropriate) a single regulatory counsel for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of:

(i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the transactions contemplated hereby,

(ii) the use of the proceeds of the Loans or the use of any Letter of Credit (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit),

(iii) any violation of or liability under Environmental Laws by the Borrower or any Subsidiary,

(iv) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on, from or to any property owned, leased or operated by the Borrower or any Subsidiary or

(v) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by the Borrower or any of their subsidiaries or Affiliates;

provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties or (y) arose from any claim, actions, suits, inquiries, litigation, investigation or proceeding that does not involve an act or omission of the Borrower or any of its Affiliates and is brought by an Indemnitee against another Indemnitee (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding against any Agent in its capacity as such).

None of the Indemnitees (or any of their respective Affiliates) shall be responsible or liable to the Borrower or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities.

The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the occurrence of the Termination Date, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Issuing Bank or any Lender.

All amounts due under this Section 9.05 shall be payable within 15 days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to any Taxes (other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), which shall be governed exclusively by Section 2.17 and, to the extent set forth therein, Section 2.15.

(d) To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems (including the internet) in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the Collateral Agent or any Issuing Bank, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations, the occurrence of the Termination Date and the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

Section 9.06. *Right of Set-off*. If an Event of Default shall have occurred and be continuing, each Lender, each Issuing Bank and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final and in whatever currency denominated) at any time held and other obligations at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower or any Subsidiary against any of and all the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or such other Loan Document and although the Obligations may be unmatured; *provided*, that any recovery by any Lender or any Affiliate pursuant to its setoff rights under this Section 9.06 is subject to the provisions of Section 2.18(c); *provided*, *further*, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.24 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and each Issuing Bank under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender or such Issuing Bank may have.

Section 9.07. *Applicable Law*. THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

Section 9.08. *Waivers; Amendment*.

(a) No failure or delay of the Administrative Agent, the Collateral Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, the Collateral Agent, any Lender or the Issuing Bank may have had notice or knowledge of such Default or Event of Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in Section 2.21, 2.22 or 2.23, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders and (z) in the case of any other Loan Document, subject to the terms of such Loan Document, pursuant to an agreement or agreements in writing entered into by each Loan Party party thereto and the Administrative Agent and consented to by the Required Lenders; *provided* that no such agreement shall:

(i) (A) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan or any reimbursement obligation with respect to any disbursement under any Letter of Credit, (B) extend the stated expiration of any Letter of Credit beyond the applicable Revolving Facility Maturity Date or (C) decrease any amount payable with respect to any reimbursement obligation for Letters of Credit, in each case, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification); *provided*, that only the consent of the Required Lenders shall be necessary to reduce or waive any obligation of the Borrower to pay interest or fees at the applicable default rate set forth in Section 2.13(c);

(ii) (A) increase or extend the Commitment of any Lender or (B) decrease the Commitment Fees, L/C Participation Fees or any other Fees of any Lender or Issuing Bank, in each case, without the prior written consent of such Lender or Issuing Bank, as applicable (which, notwithstanding the foregoing, with respect to any such extension or decrease, such consent of such Lender shall be the only consent required hereunder to make such modification); *provided*, that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or mandatory prepayments shall not constitute an increase or extension of the Commitments of any Lender for purposes of this clause (ii);

(iii) (A) extend or waive any Term Loan Installment Date, (B) reduce the amount due on any Term Loan Installment Date, (C) extend or waive any Revolving Facility Maturity Date, (D) reduce the amount due on any Revolving Facility Maturity Date or (E) extend any date on which payment of interest (other than interest payable at the applicable default rate of interest set forth in Section 2.13(c)) on any Loan or any disbursement under any Letter of Credit or other Fees is due, in each case, without the prior written consent of each Lender and Issuing Bank directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification);

(iv) amend the provisions of Section 2.18(c) or any other provision hereof in a manner that would by its terms alter the *pro rata* sharing or the order of applicable payments required thereby or Section 7.03 or Section 4.2 of the LVLT Collateral Agreement or Section 4.2 of the Collateral Agreement without the prior written consent of each Lender and Issuing Bank directly adversely affected thereby;

(v) amend or modify the provisions of this Section 9.08 or the definition of the terms "Majority Lenders", "Required Lenders", "Required Revolving Facility Lenders," "Supermajority Required Revolving Facility Lenders", "Supermajority Required Term Facility Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender directly adversely affected thereby (it being understood that, subject to, and without limiting any of the other provisions in, this Section 9.08(b), with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date);

(vi) except as provided in Section 9.18 (other than Section 9.18(a)(i)(D)), release all or substantially all of the Collateral or the Liens thereon or all or substantially all of the Guarantors from their respective Guarantees without the prior written consent of each Lender;

(vii) subject to any more restrictive provision in this Section 9.08(b), effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lenders participating in another Facility, without the prior written consent of the Majority Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

(viii) (x) contractually subordinate the Liens on the Collateral securing the Obligations of any Class or (y) contractually subordinate all or any portion of the Obligations of any Class in right of payment to any other Indebtedness, in each case without the written consent of each Lender of such Class directly and adversely affected thereby;

(ix) permit Indebtedness (other than Indebtedness incurred under Section 6.01(a), (c), (d), (f), (g), (h)(i), (i), (j), (m), (n), (o), (q), (r), (s), (u)(i), (w), (x), (y), (z), (aa), (bb), (cc), (dd)(i) or (ff)) that is not subordinated in right of payment to the Priority Payment Obligations and subject to payment subordination provisions substantially similar to the provisions in Section 7.03 of this Agreement and Section 2 of the Subordination Agreement for the benefit of the Priority Payment Obligations, in each case without the consent of each affected Lender;

(x) amend the provisions of Section 9.04 to reduce the number or percentage of Lenders required to permit the Borrower to assign or otherwise transfer its rights or obligations under this Agreement without the prior written consent of each Lender;

(xi)

(A) amend, modify or waive the definition of "Unrestricted Subsidiary" or "Material Asset",

(B) amend, modify or waive any provision of this Agreement that would, except as set forth in the definition of "Unrestricted Subsidiary," permit (I) the creation or existence of Unrestricted Subsidiaries, or any Subsidiary that would be "unrestricted" or otherwise generally excluded from the requirements, taken as a whole, applicable to Subsidiaries pursuant to the Loan Documents (including the covenants set forth in Article VI) (it being acknowledged that no Subsidiary is an Unrestricted Subsidiary as of the Closing Date), (II) the Borrower or any Subsidiary to transfer to, or hold assets in, an Unrestricted Subsidiary or (III) the release of any guarantee of the Obligations and any Lien on the Collateral to secure any such guaranty as a result of the designation of any Person as an Unrestricted Subsidiary,

(C) amend or modify any provision of this Agreement to permit additional Investments (including Guarantees of Indebtedness of) in, Restricted Payments to or Dispositions to any Unrestricted Subsidiary not permitted by the terms of this Agreement without giving effect thereto,

(D) amend or modify the requirements of Section 6.08(a)(i), or

(E) amend, modify or waive the Double-Dip Provision,

in each case of clauses (A) through (E), without the prior written consent of each Lender;

(xii) amend the provisions of Section 9.04 in a manner that would further restrict assignments of any Loans under this Agreement without the prior written consent of each Lender directly adversely affected thereby;

(xiii) amend, modify or waive the provisions of Section 2.21(c) with respect to the right of holders of Incremental Term Loan Commitments, Other Incremental Term Loans, Incremental Revolving Facility Commitments, Series A Specified Incremental Revolving Facility Commitments and Series B Specified Incremental Revolving Facility Commitments to consent to any amendment, modification, waiver, consent or other action without the consent of each Lender directly adversely affected thereby;

(xiv) effect any waiver of the provisions of Section 4.03 with respect to the funding of Revolving Facility Loans under any Revolving Facility pursuant to Section 2.01(d), without the prior consent of the Required Revolving Facility Lenders under the applicable Revolving Facility (which, notwithstanding the foregoing, such consent of such Required Revolving Facility Lenders under the applicable Revolving Facility shall be the only consent required hereunder to make such modification);

(xv) amend the provisions of Section 9.18(a)(i)(D), (H) or (I) or Section 9.18(b) or the definition of "Excluded Subsidiary" without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification); or

(xvi) without limiting the provisions of Section 9.08(b)(viii), amend (A) the definitions of "Priority Payment Obligations" (if such change would exclude any previously included Obligations therefrom), "Priority Payment Obligations Cap" or "Series A Specified Incremental Available Amount", (B) the subordination provisions relating to the Priority Payment Obligations, (C) any other provision of this Agreement or any Loan Document to permit additional Priority Payment Obligations or (D) the terms applicable to any Incremental Revolving Facility Commitments set forth in Section 2.21(a) or Series A Specified Incremental Revolving Facility Commitments or Series B Specified Incremental Revolving Facility Commitments set forth in Section 2.21(b), in each case, without the consent of the Required Revolving Facility Lenders under each Revolving Facility (for the avoidance of doubt, Required Revolving Facility Lenders shall be calculated with respect to each Revolving Facility separately) and the Required Term Lenders;

(xvii) amend the definition of "Series B Specified Incremental Available Amount" without the consent of the Required Revolving Facility Lenders under the Series B Revolving Facility; or

(xviii) make any change or modification that would authorize the incurrence of additional Indebtedness that would be issued under this Agreement for the primary purpose of influencing any voting threshold, in each case, without the prior written consent of the Supermajority Required Revolving Facility Lenders under each Revolving Facility (for the avoidance of doubt, Supermajority Required Revolving Facility Lenders shall be calculated with respect to each Revolving Facility separately) and the Supermajority Required Term Facility Lenders.

provided, *further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Collateral Agent or the Issuing Banks hereunder without the prior written consent of the Administrative Agent, the Collateral Agent or each Issuing Bank affected thereby, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any Assignee of such Lender.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have the right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be affected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of each such Defaulting Lender.

(c) Without the consent of any Lender or Issuing Bank, the Loan Parties, the Administrative Agent and the Collateral Agent may (in their respective sole discretion, or shall, to the extent required or contemplated by any Loan Document) enter into any amendment, modification, supplement or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, to include holders of Other First Liens or (to the extent necessary or advisable under applicable local law) Junior Liens in the benefit of the Security Documents in connection with the incurrence of any Other First Lien Debt or Indebtedness permitted to be secured by Junior Liens and to give effect to any Intercreditor Agreement associated therewith, or as required by local law to give effect to, or protect, any security interest for the benefit of the Secured Parties in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document.

(d) Without limiting the provisions of Section 9.08(b), this Agreement may be amended (or amended and restated) with the prior written consent of the Required Lenders, the Administrative Agent, and the Loan Parties (i) to permit additional extensions of credit to be outstanding hereunder from time to time and the accrued interest and fees and other obligations in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Facility Loans and the accrued interest and fees and other obligations in respect thereof and (ii) to include appropriately the holders of such extensions of credit in any determination of the requisite lenders required hereunder, including Required Lenders, the Required Revolving Facility Lenders and the Supermajority Required Revolving Facility Lenders, and for purposes of the relevant provisions of Section 2.18(b). In addition, notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Borrower and the Administrative Agent (but without the consent of any Lender or Issuing Bank) to include any additional financial maintenance covenant (or any financial maintenance covenant that is already included in this Agreement but with covenant levels and component definitions that are more restrictive to the Borrower) for the benefit of the Lenders of all of the Facilities (but not fewer than all of the Facilities) then existing.

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent (but without the consent of any Lender or Issuing Bank) to the extent necessary (i) to integrate any Other Term Loan Commitments, Other Revolving Facility Commitments, Other Term Loans and Other Revolving Loans in a manner consistent with Sections 2.21, 2.22 and 2.23 as may be necessary to establish such Other Term Loan Commitments, Other Revolving Facility Commitment, Other Term Loans or Other Revolving Loans as a separate Class or tranche from the existing Term Facility Commitments, Revolving Facility Commitments, Term Loans or Revolving Facility Loans, as applicable, and, in the case of Extended Term Loans, to reduce the amortization schedule of the related existing Class of Term Loans proportionately, (ii) to integrate any Other First Lien Debt or (iii) to cure any ambiguity, omission, error, defect or inconsistency.

(f) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be necessary to ensure that all Term Loans established pursuant to Section 2.21 after the Closing Date that will be included in an existing Class of Term Loans outstanding on such date (an "**Applicable Date**"), when originally made, are included in each Borrowing of outstanding Term Loans of such Class (the "**Existing Class Loans**"), on a *pro rata* basis, and/or to ensure that, immediately after giving effect to such new Term Loans (the "**New Class Loans**" and, together with the Existing Class Loans, the "**Class Loans**"), each Lender holding Class Loans will be deemed to hold its Pro Rata Share of each Class Loan on the Applicable Date (but without changing the amount of any such Lender's Term Loans), and each such Lender shall be deemed to have effectuated such assignments as shall be required to ensure the foregoing. The "**Pro Rata Share**" of any Lender on the Applicable Date is the ratio of (i) the sum of such Lender's Existing Class Loans immediately prior to the Applicable Date plus the amount of New Class Loans made by such Lender on the Applicable Date over (ii) the aggregate principal amount of all Class Loans on the Applicable Date.

Section 9.09. *Interest Rate Limitation*. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "**Charges**"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender or any Issuing Bank, shall exceed the maximum lawful rate (the "**Maximum Rate**") that may be contracted for, charged, taken, received or reserved by such Lender or Issuing Bank in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender or such Issuing Bank, shall be limited to the Maximum Rate; *provided*, that such excess amount shall be paid to such Lender or such Issuing Bank on subsequent payment dates to the extent not exceeding the legal limitation. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 9.10. *Entire Agreement*. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, each Fee Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto (and the Indemnitees, the Cash Management Banks under any Secured Cash Management Agreement, the Hedge Banks under any Secured Hedge Agreement and, to the extent expressly set forth herein, Related Parties of the parties hereto and the Indemnitees) rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 9.11. *WAIVER OF JURY TRIAL*. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12. *Severability*. To the extent permitted by applicable law, any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document (or purported waiver, amendment, or modification) including pursuant to this Agreement, should be held invalid, illegal, unenforceable or to be unauthorized under the terms of Section 9.08, then:

(x) (i) such provisions, waivers, amendments or modifications (or purported waivers, amendments or modifications) shall be construed or deemed modified so as to be valid, legal, enforceable and authorized under the terms of Section 9.08, as applicable, with an economic effect as close as possible to that of the invalid, illegal, unenforceable or unauthorized provisions, waivers, amendments or modifications, as applicable, and (ii) once construed or modified by clause (i), such provisions, waivers, amendments or modifications (or attempted waivers, amendments, or modifications) shall be deemed to have been operative *ab initio*,

(y) any such provision, waiver, amendment or modification (or purported waiver, amendment or modification) not capable of being modified or construed in accordance with the foregoing clause (x) shall automatically be considered without effect, and such provision, waiver, amendment or modification shall for all purposes be deemed to have never been implemented or occurred, as applicable, and

(z) after giving effect to each of the foregoing clauses (x) and (y), the validity, legality and enforceability of the remaining provisions or waivers, amendments or modifications, as applicable, contained herein and therein shall not in any way be affected or impaired thereby.

Notwithstanding any other provision of this Agreement, if a court of competent jurisdiction – in a final and unstayed order – determines that any aspect of the Level 3 Senior Unsecured Notes Transaction (as defined in the Transaction Support Agreement) is invalid for any reason, such determination shall not (directly or indirectly) constitute a default or breach of this Agreement or any other Loan Document.

Section 9.13. *Counterparts*. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

Section 9.14. *Headings*. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15. *Jurisdiction; Consent to Service of Process*.

(a) The Borrower and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, the Collateral Agent, any Lender or any Affiliate of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, Borough of Manhattan, and of the United States District Court of the Southern District of New York, sitting in New York County, Borough of Manhattan, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, the Collateral Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or any other Loan Party or its properties in the courts of any jurisdiction.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any court referred to in paragraph (a) of this Section 9.15. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement or any other Loan Document to serve process in any other manner permitted by law.

Section 9.16. *Confidentiality*. Each of the Lenders, each Issuing Bank and each of the Agents agrees that it shall maintain in confidence any information relating to the Borrower and any of its Subsidiaries or their respective businesses furnished to it by or on behalf of the Borrower or any of its Subsidiaries (other than information that (x) has become generally available to the public other than as a result of a disclosure by such party in breach of this Section 9.16, (y) has been independently developed by such Lender, such Issuing Bank or such Agent without violating this Section 9.16 or (z) was available to such Lender, such Issuing Bank or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to the Borrower or any other Loan Party) and shall not reveal the same other than to its Related Parties and any numbering, administration or settlement service providers or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except:

(a) to the extent necessary to comply with applicable Requirements of Law or any legal process or the requirements of any Governmental Authority purporting to have jurisdiction over such person or its Related Parties, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded,

(b) as part of reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the Financial Industry Regulatory Authority, Inc.,

(c) to its parent companies, Affiliates and their Related Parties including auditors, accountants, legal counsel and other advisors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16),

(d) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder,

(e) to any pledgee under Section 9.04(e) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16),

(f) to any direct or indirect contractual counterparty (or its Related Parties) in Hedging Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16),

(g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the facilities evidenced by this Agreement or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the facilities evidenced by this Agreement,

(h) with the prior written consent of the Borrower and

(i) to any other party to this Agreement.

Section 9.17. *Platform; Borrower Materials*. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE ADMINISTRATIVE AGENT AND ITS RELATED PARTIES DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF

MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM.

Section 9.18. *Release of Liens and Guarantees*.

(a) The Lenders, the Issuing Banks and the other Secured Parties hereby irrevocably agree that the Liens granted to the Collateral Agent and/or the LVLT Collateral Agent, as applicable, by the Loan Parties on any Collateral shall:

(i) be automatically released (and following such automatic release the Administrative Agent or Collateral Agent shall execute any appropriate release documentation to document or evidence such release at the Borrower's reasonable request and sole expense):

(A) in full upon the occurrence of the Termination Date as set forth in Section 9.18(e) below;

(B) upon the Disposition (other than any lease or license) of such Collateral by any Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction permitted by this Agreement,

(C) to the extent that such Collateral comprises property leased to a Loan Party, upon termination or expiration of such lease,

(D) other than with respect to any Liens securing Obligations in respect of the LVLT Limited Series A Guarantee and the LVLT Limited Series B Guarantee, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.08),

(E) to the extent that the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee in accordance with the applicable Subsidiary Guarantee Agreement or clause (b) below,

(F) as required by the Collateral Agent to effect any Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents,

(G) pursuant to the terms of any applicable Intercreditor Agreement,

(H) with respect to any Lien securing Obligations in respect of the LVLT Limited Series A Guarantee, if such Lien either is released under all of the LVLT Secured Debt or is otherwise approved, authorized or ratified in writing by the Required Revolving Facility Lenders under the Series A Revolving Facility (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.08),

(I) with respect to any Lien securing Obligations in respect of the LVLT Limited Series B Guarantee, if such Lien either is released under all of the LVLT Secured Debt or is otherwise approved, authorized or ratified in writing by the Required Revolving Facility Lenders under the Series B Revolving Facility (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.08), and

(J) with respect to any Lien securing the LVLT Intercompany Loan, if such Lien is released under the LVLT Intercompany Loan or the LVLT 1L/2L Debt is in each case repaid, repurchased, redeemed or otherwise terminated; and

(ii) be released (which release shall be automatic to the extent permitted by Section 9.18(a)(i)) in the circumstances, and subject to the terms and conditions, provided in Section 8.11.

Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any Disposition, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents.

(b) In addition, the Lenders, the Issuing Banks and the other Secured Parties hereby irrevocably agree that the respective Guarantor shall be automatically released from its respective Guarantee (and following such automatic release the Administrative Agent or Collateral Agent shall execute any appropriate documentation to document or evidence such release at the Borrower's reasonable request and sole expense):

(i) upon consummation of any transaction permitted hereunder if (x) resulting in such Guarantor ceasing to constitute a Subsidiary (including because such Subsidiary is designated an "Unrestricted Subsidiary") or (y) in the case of any Guarantor which would not be required to be a Guarantor because it is, or has become, an Excluded Subsidiary as a result of a transaction following which it has become (or remains) a Subsidiary of the Borrower or a Guarantor, in each case following a written request by the Borrower to the Administrative Agent requesting that such person no longer constitute a Guarantor and certifying its entitlement to the requested release (and the Administrative Agent may rely conclusively on a certificate to the foregoing effect without further inquiry); *provided* that any such release pursuant to preceding clause (y) shall only be effective if

(A) no Event of Default pursuant to clause (b), (c), (h) or (i) of Section 7.01 has occurred and is continuing or would result therefrom;

(B) at the time of such release (and after giving effect thereto), all outstanding Indebtedness of, and Investments in, such Subsidiary would then be permitted to be made in accordance with the relevant provisions of Sections 6.01 and 6.04 (for this purpose, with the Borrower being required to reclassify any such items made in reliance upon the respective Subsidiary being a Guarantor on another basis as would be permitted by such applicable Section) (and all items described above in this clause (B) shall thereafter be deemed recharacterized as provided above in this clause (B));

(C) such Subsidiary shall not be (or shall be simultaneously released as) a guarantor (if applicable) with respect to any Secured Notes, Other First Lien Debt, Permitted Junior Debt, Incremental Equivalent Debt, Existing Unsecured Notes, Subordinated Indebtedness, any other Indebtedness secured by a Junior Lien, any Refinancing Notes or any Permitted Refinancing Indebtedness (and successive Permitted Refinancing Indebtedness) with respect to the foregoing, and

(D) the transaction resulting in such release is a legitimate business transaction and not for a "liability management transaction" as reasonably determined by the Borrower; or

(ii) if the release of such Guarantor is approved, authorized or ratified by the Required Lenders (or such other percentage of Lenders whose consent is required in accordance with Section 9.08);

(c) The Lenders, the Issuing Banks and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to, and such Agent shall, execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the provisions of this Section 9.18, including without limitation the filing of any Uniform Commercial Code or equivalent lien release filings in respect thereof, all without the further consent or joinder of any Lender or any other Secured Party. Upon the effectiveness of any such release, any representation, warranty or covenant contained in any Loan Document relating to any such Collateral or Guarantor shall no longer be deemed to be made.

(d) In connection with any release hereunder or under any other Loan Document, the Administrative Agent and the Collateral Agent shall promptly (and the Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Borrower and at the Borrower's expense in connection with the release of any Liens created by any Loan Document in respect of such Guarantor, property or asset; *provided* (x) the Administrative Agent or the Collateral Agent shall not be required to execute any such document on terms which, in the applicable Agent's reasonable opinion, would expose

such Agent to liability or create any obligation or entail any consequence other than the release of such Liens without recourse or warranty (*provided* that the Lenders and other parties hereto agree that no Agent shall have any such liability and may rely on a certificate of the Borrower) and (y) that upon the Administrative Agent's and/or the Collateral Agent's reasonable request (but without effecting the automatic nature of any release or subordination pursuant to this Section 9.18), the Borrower shall deliver a certificate of a Responsible Officer of the Borrower certifying that any such transaction has been consummated in compliance with this Agreement and the other Loan Documents, that such release is not prohibited hereby and, with respect to Section 9.18(h), that the applicable release conditions have been satisfied (a "**Collateral Matters Certificate**"). Any execution and delivery of documents pursuant to this Section 9.18(d) shall be without recourse to or warranty by the Administrative Agent or Collateral Agent.

(e) Notwithstanding anything to the contrary contained herein or any other Loan Document, on the Termination Date, upon request of the Borrower, the Administrative Agent and/or the Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any (i) obligations in respect of any Secured Hedge Agreements or any Secured Cash Management Agreements and (ii) contingent indemnification obligations or expense reimbursement claims not then due; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower containing such certifications as the Administrative Agent shall reasonably request. Any such release of obligations shall be deemed subject to the provision that such obligations shall be reinstated if after such release any portion of any payment in respect of the obligations guaranteed thereby shall be rescinded, avoided or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made. The Borrower agrees to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or the Collateral Agent (and their respective representatives) in connection with taking such actions to release security interests in all Collateral and all obligations under the Loan Documents as contemplated by this Section 9.18(e).

(f) Obligations of the Borrower or any of its Subsidiaries under any Secured Cash Management Agreement or Secured Hedge Agreement (after giving effect to all netting arrangements relating to such Secured Hedge Agreements) shall be secured and guaranteed pursuant to the Security Documents only to the extent that, and for so long as, the other Obligations are so secured and guaranteed. No person shall have any voting rights under any Loan Document solely as a result of the existence of obligations owed to it under any such Secured Hedge Agreement or Secured Cash Management Agreement. For the avoidance of doubt, no release of Collateral or Guarantors affected in the manner permitted by this Agreement shall require the consent of any holder of obligations under Secured Hedge Agreements or any Secured Cash Management Agreements.

(g) Upon reasonable request of the Borrower, the Collateral Agent shall return possessory Collateral held by it that is released from the security interests created by the Security Documents pursuant to this Section 9.18. In the event that the Collateral Agent loses or misplaces any possessory collateral delivered to the Collateral Agent by any Loan Party, upon reasonable request of the Borrower, the Collateral Agent shall provide a loss affidavit to the Borrower, in the form customarily provided by the Collateral Agent in such circumstances.

(h) In addition, the Lenders, the Issuing Banks and the other Secured Parties under the Series A Revolving Facility hereby irrevocably agree that the respective LVLT Guarantors shall be automatically released from their LVLT Limited Series A Guarantee upon satisfaction of the LVLT Limited Series A Guarantee Release Conditions (and following such automatic release the Administrative Agent or Collateral Agent shall execute any appropriate documentation to document or evidence such release at the Borrower's reasonable request and sole expense).

Section 9.19. *USA PATRIOT Act Notice; Beneficial Ownership Regulation Notice*. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. Each Loan Party shall use commercially reasonable efforts to, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act and the Beneficial Ownership Regulation.

Section 9.20. *Agency of the Borrower for the Loan Parties*. Each of the other Loan Parties hereby appoints the Borrower as its agent for all purposes relevant to this Agreement and the other Loan Documents, including the giving and receipt of notices and the execution and delivery of all documents, instruments and certificates contemplated herein and therein and all modifications hereto and thereto.

Section 9.21. *No Advisory or Fiduciary Responsibility*. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees that: (a) (i) the arranging and other services regarding this Agreement provided by the Administrative Agent and the Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent and the Lenders, on the other hand, (ii) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate and (iii) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (b) (i) each of the Administrative Agent and the Lenders is and has been

acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, any of its Affiliates or any other person and (ii) neither the Administrative Agent nor any Lender has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (c) the Administrative Agent, the Lenders, and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent nor any Lender has any obligation to disclose any of such interests to the Borrower or its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 9.22. *Payments Set Aside*. To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent, any Issuing Bank or any Lender, or the Administrative Agent, any Issuing Bank or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, such Issuing Bank or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred and (b) each Lender and each Issuing Bank severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, *plus* interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the Issuing Banks under clause (b) of the preceding sentence shall survive the payment in full of the Loan Obligations and the termination of this Agreement.

Section 9.23. *Acknowledgement and Consent to Bail-In of Affected Financial Institutions*. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or Issuing Bank that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or Issuing Bank that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 9.24. *Electronic Execution of Assignments and Certain Other Documents*. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including, without limitation, Assignment and Acceptances, Borrowing Requests, Letter of Credit Requests, Interest Election Requests, amendments, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided*, that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 9.25. *Acknowledgement Regarding Any Supported QFCs*. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Hedging Agreement or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**", and each such QFC, a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.25, the following terms have the following meanings:

"**BHC Act Affiliate**" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"**QFC**" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

Section 9.26. *FCC and State PUC Compliance*. Notwithstanding anything to the contrary contained in any of the Loan Documents, none of the Administrative Agent, the Collateral Agent or the Lenders, nor any of their agents, will take any action pursuant any Loan Document that would constitute or result in an assignment or transfer of control of any FCC License or State PUC License held by a Loan Party or any Subsidiary of a Loan Party if such assignment or transfer of control would require, under existing Telecommunications Laws, the prior application to, approval of, or notice to, the FCC or any State PUC, without first filing such application, obtaining such approval and/or providing such required notice to the FCC and/or State PUC.

Section 9.27. *[Reserved]*.

Section 9.28. *Recovery of Erroneous Payments*. Without limitation of any other provision in this Agreement, if at any time the Administrative Agent makes a payment hereunder in error to any Lender Recipient Party, whether or not in respect of an Obligation due and owing by the Borrower at such time, where such payment is a Rescindable Amount, then in any such event, each Lender Recipient Party receiving a Rescindable Amount severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount received by such Lender Recipient Party in immediately available funds in the currency so received, with interest thereon, for each day from and including the date such Rescindable Amount is received by it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. Each Lender Recipient Party irrevocably waives any and all defenses, including any "discharge for value" (under which a creditor might otherwise claim a right to retain funds mistakenly paid by a third party in respect of a debt owed by another) or similar defense to its obligation to return any Rescindable Amount. The Administrative Agent shall inform each Lender Recipient Party promptly upon determining that any payment made to such Lender Recipient Party comprised, in whole or in part, a Rescindable Amount.

Section 9.29. *Regulated Subsidiaries*. Notwithstanding any provision of this Agreement or otherwise to the contrary, (x) any Regulated Subsidiary that the Borrower in good faith would cause to become a Lumen Guarantor or a Lumen Collateral Guarantor but for all applicable consents, approvals, licenses and authorizations of applicable regulatory authorities related thereto not having been obtained shall be treated as a Lumen Guarantor or a Lumen Collateral Guarantor, as the case may be, for purposes of Article VI for so long as the Borrower is using commercially reasonable efforts to obtain the relevant consents, approvals, licenses or authorizations (or, solely with respect to (1) investments with respect to the payment of intercompany expenses or other investments, in each case in the ordinary course of business and (2) investments with respect to the payment of capital expenditures with respect to any such Regulated Subsidiary, has been unable to receive such consents, approvals, licenses or authorizations in spite of such efforts) and (y) no Regulated Subsidiary shall be required to become a Lumen Guarantor or a Lumen Collateral Guarantor or pledge any individual assets or have its Equity Interests pledged as Collateral pursuant to the Security Documents until all applicable consents, approvals, licenses or authorizations of any Governmental Authorities are obtained.

Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing of any Class if the Interest Period requested with respect thereto would end after the Maturity Date of the Facility under which such Borrowing was made.

(a) Each Borrowing initially shall be of the Type, and under the applicable Class, specified in the applicable Borrowing Request and, in the case of a Term SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Term SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding any other provision of this Section 2.07, the Borrower shall not be permitted to change the Class of any Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall deliver an Interest Election Request to the Administrative Agent by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type and Class resulting from such election to be made on the effective date of such election. Notwithstanding any contrary provision herein, this Section 2.07 shall not be construed to permit the Borrower to (i) elect an Interest Period for Term SOFR Loans that does not comply with Section 2.02(d) or (ii) convert any Borrowing to a Borrowing of a Type not available under the Class of Commitments or Loans pursuant to which such Borrowing was made.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Term SOFR Borrowing; and

(iv) if the resulting Borrowing is a Term SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Term SOFR Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. If less than all the outstanding principal amount of any Borrowing shall be converted or continued, then each resulting Borrowing shall be in an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum and satisfy the limitations specified in Section 2.02(c) regarding the maximum number of Borrowings of the relevant Type.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Term SOFR Borrowing prior to the end of the Interest Period applicable thereto or with respect to the Term B Loans prior to the Closing Date, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, then, at the election of the Administrative Agent (acting at the direction of the Required Lenders) (i) no outstanding Borrowing may be converted to or continued as a Term SOFR Borrowing and (ii) unless repaid, each Term SOFR Borrowing shall be converted to an ABR Borrowing at the end of the then-current Interest Period thereof.

Section 2.08. *[Reserved]*.

Section 2.09. *Repayment of Loans; Evidence of Debt*.

(a) The Borrower hereby unconditionally promise to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Facility, Class and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to clause (b) or (c) of this Section shall be *prima facie* evidence of the existence and amounts of the obligations recorded therein; *provided*, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent pursuant to paragraph (c) of this Section shall control.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "**Note**"). In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in the form attached hereto as Exhibit H, or in another form approved by such Lender and the Borrower in their sole discretion. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

Section 2.10. *Repayment of Term Loans and Prepayment Procedures*.

(a) Subject to the other clauses of this Section 2.10 and to Section 9.08(f),

(i) [reserved];

(ii) the Borrower shall repay principal of outstanding Term B-1 Loans on the last Business Day of each March, June, September and December of each year and on the Term B-1 Maturity Date (each such date being referred to as a "**Term B-1 Loan Installment Date**"), in an aggregate principal amount of such Term B-1 Loans equal to (A) for each such Term B-1 Loan Installment Date prior to the Term B-1 Maturity Date, an amount equal to 0.25% of the aggregate principal amount of the Term B-1 Loans incurred on the Closing Date and (B) in the case of such payment due on the Term B-1 Maturity Date, an amount equal to the then unpaid principal amount of such Term B-1 Loans outstanding;

(iii) the Borrower shall repay principal of outstanding Term B-2 Loans on the last Business Day of each March, June, September and December of each year and on the Term B-2 Maturity Date (each such date being referred to as a "**Term B-2 Loan Installment Date**"), in an aggregate principal amount of such Term B-2 Loans equal to (A) for each such Term B-2 Loan Installment Date prior to the Term B-2 Maturity Date, an amount equal to 0.25% of the aggregate principal amount of the Term B-2 Loans incurred on the Closing Date and (B) in the case of such payment due on the Term B-2 Maturity Date, an amount equal to the then unpaid principal amount of such Term B-2 Loans outstanding;

(iv) in the event that any Other Term Loans are made, the Borrower shall repay such Other Term Loans on the dates and in the amounts set forth in the related Incremental Assumption Agreement, Extension Amendment or Refinancing Amendment (each such date being referred to as an "**Other Term Loan Installment Date**"); and

(v) to the extent not previously paid, all outstanding Term Loans shall be due and payable on the applicable Term Facility Maturity Date.

(b) [Reserved].

(c) Notwithstanding anything herein to the contrary,

(i) any mandatory prepayment of Term Loans pursuant to Section 2.11(c) may be applied by the Borrower so that the aggregate amount of such prepayment is allocated among all Classes of outstanding Term Loans *pro rata* based on the aggregate principal amount of each Class of outstanding Term Loans, if any, to reduce amounts due on the succeeding Term Loan Installment Dates, if any, for such Classes and/or to repay the principal amount thereof if no such Term Loan Installment Dates exist for the applicable Class or to the extent such amounts are reduced to zero pursuant to prepayments applied pursuant to this sentence; *provided*, that, subject to the *pro rata* application to Term Loans outstanding within any respective Class of Term Loans, with respect to mandatory prepayments of

Term Loans pursuant to Section 2.11(c), any Class of Other Term Loans may receive less than its *pro rata* share thereof (as a result of any Declined Prepayment Amount or to the extent the respective Class receiving less than its *pro rata* share has consented thereto) so long as the amount by which its *pro rata* share exceeds the amount actually applied to such Class is applied to repay (on a *pro rata* basis) the outstanding Term B Loans and any other Classes of then outstanding Other Term Loans; and

(ii) any mandatory prepayment of Term Loans pursuant to Section 2.11(b) shall be applied so that the aggregate amount of such prepayment, repurchase or commitment reduction is allocated among:

(A) the Term Loans and

(B) any Other First Lien Debt (or any Permitted Refinancing Indebtedness in respect thereof that is secured on a *pari passu* basis with the Obligations) that requires mandatory prepayment or repurchase or, in the case of the Series B Revolving Facility (or any Permitted Refinancing Indebtedness in respect thereof), commitment reduction, from any Net Proceeds (other than the Series A Revolving Facility or any Permitted Refinancing Indebtedness in respect thereof),

in each case of clauses (A) and (B), *pro rata* based on the aggregate principal amount of the Term Loans and such Other First Lien Debt outstanding (or, in the discretion of the Borrower, on a basis that results in a greater than *pro rata* paydown for the Term Loans), such that the amount of the mandatory repayment otherwise owed hereunder is reduced dollar for dollar by the amount used to make such payments of Other First Lien Debt;

provided, that solely for purposes of determining the aggregate principal amount of Other First Lien Debt outstanding under the Series B Revolving Facility, such amount shall include the principal amount of outstanding and unfunded commitments under the Series B Revolving Facility;

provided, *further*, that

(A) the amounts allocated to the Series B Revolving Facility shall result in the permanent reduction of commitments thereunder (with a corresponding prepayment of loans outstanding under the Series B Revolving Facility (if any)); and

(B) to the extent there are no loans outstanding under the Series B Revolving Facility on the applicable prepayment date (including after giving effect to any prepayment of loans outstanding under the Series B Revolving Facility on such date), the Borrower may retain such Net Proceeds equal to the amount of the permanent reduction of commitments under the Series B Revolving Facility;

provided, *further*, that in respect of the Net Proceeds of the kind described in clauses (d), (e), (f) and (g) of the definition thereof, to the extent the holders of Other First Lien Debt decline to have such Indebtedness repurchased, repaid or prepaid with the amount of any such Net Proceeds, the declined amount of such Net Proceeds shall promptly (and, in any event, within five (5) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof (to the extent such amount of such Net Proceeds would otherwise have been required to be applied if such Other First Lien Debt was not then outstanding).

Any optional prepayments of the Term Loans pursuant to Section 2.11(a) shall be applied to the remaining installments of the Term Loans under the applicable Class or Classes as the Borrower may in each case direct.

Prior to any prepayment of any Loan under any Facility hereunder, the Borrower shall select the Borrowing or Borrowings under the applicable Facility to be prepaid and shall notify the Administrative Agent of such selection not later than (i) 11:00 a.m., Local Time, in the case of an ABR Borrowing, on at least one Business Day before the scheduled date of such prepayment and (ii) 2:00 p.m., Local Time, in the case of a Term SOFR Borrowing, at least two Business Days before the scheduled date of such prepayment (or, in each case, such shorter period acceptable to the Administrative Agent). Each such notice shall be irrevocable; *provided*, that a notice of prepayment may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. All repayments of Loans shall be accompanied by (A) accrued interest on the amount repaid to the extent required by Section 2.13(d) and (B) break funding payments pursuant to Section 2.16.

(d) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to Section 2.11(b) or 2.11(c) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Term Lender of the contents of any such prepayment notice and of such Term Lender's ratable portion of such prepayment (based on such Lender's *pro rata* share of each relevant Class of the Term Loans). Any Term Lender (a "**Declining Term Lender**") may elect, by delivering written notice to the Administrative Agent and the Borrower no later than 5:00 p.m. one (1) Business Day after the date of such Term Lender's receipt of notice from the Administrative Agent regarding such prepayment, that the full amount of any mandatory prepayment otherwise required to be made with respect to the Term Loans held by such Term Lender pursuant to Section 2.11(b) or 2.11(c) not be made (the aggregate amount of such prepayments declined by the Declining Term Lenders, the "**Declined Prepayment Amount**"). If a Term Lender fails to deliver notice setting forth such rejection of a prepayment to the Administrative Agent within the time frame specified above or such notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Prepayment Amount which would otherwise have been applied to such Term Loans of the Declining Term Lenders shall instead be retained by the Borrower.

Section 2.11. *Prepayment of Loans*.

(a) The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (but subject to Section 2.16 and subject to prior notice in accordance with the provisions of Section 2.10(c)), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, subject to prior notice in accordance with the first sentence of Section 2.10(d).

(b) The Borrower shall apply

(i) all Net Proceeds (other than Net Proceeds of the kind described in the following clause (ii)) within five (5) Business Days (or, in the case of Other First Lien Debt that requires mandatory prepayment or repurchase from any Net Proceeds, within the period set forth in the documentation governing such Other First Lien Debt) after receipt thereof to prepay, repurchase or redeem or otherwise discharge Term Loans and Other First Lien Debt in accordance with clauses (c) and (d) of Section 2.10 and

(ii) all Net Proceeds from any issuance or incurrence of Refinancing Notes and Refinancing Term Loans (other than solely by means of extending or renewing then-existing Refinancing Notes or Refinancing Term Loans without resulting in any Net Proceeds) no later than three (3) Business Days after the date on which such Refinancing Notes and Refinancing Term Loans are issued or incurred, to prepay Term Loans in accordance with Section 2.23 and the definition of "Refinancing Notes" (as applicable).

Notwithstanding anything to the contrary in this Section 2.11(b) or elsewhere in this Agreement, to the extent that (A) any or all of the Net Proceeds of any Asset Sale or Recovery Event by a Foreign Subsidiary are prohibited by any Requirement of Law from being loaned, distributed or otherwise transferred to the Borrower or any Domestic Subsidiary or materially adverse consequences to (including any material Tax incurred by) the Borrower or any of its Affiliates would result therefrom or (B) any or all of the Net Proceeds of any Asset Sale or Recovery Event by a Foreign Subsidiary are prohibited from being transferred to the Borrower for application in accordance with this Section 2.11(b) by any applicable organizational documents, joint venture agreement, shareholder agreement, or similar agreement or any other contractual obligation with an unaffiliated third party (including any agreement governing Indebtedness) that was not created in contemplation of such Asset Sale or Recovery Event, then in each case an amount equal to the portion of such Net Proceeds so affected will not be required to be applied as provided in this Section 2.11(b) so long as, but only so long as, such materially adverse consequences or prohibitions exist and once such materially adverse consequences or prohibitions are no

longer applicable, an amount equal to such Net Proceeds will be promptly applied to the repayment of the Term Loans pursuant this Section 2.11(b) (the Borrower hereby agreeing to cause the applicable Subsidiary to promptly use commercially reasonable efforts to take all actions within the reasonable control of the Borrower that are reasonably required to eliminate or mitigate such materially adverse consequences or prohibitions, as the case may be).

(c) Not later than five (5) Business Days after the date on which the annual financial statements are, or are required to be, delivered under Section 5.04(a) with respect to each Excess Cash Flow Period, the Borrower shall calculate Excess Cash Flow for such Excess Cash Flow Period and, if and to the extent the amount of such Excess Cash Flow exceeds $0, the Borrower shall apply an amount to prepay Term Loans equal to

(i) the Required Percentage of such Excess Cash Flow *minus*

(ii) to the extent not financed using the proceeds of funded Indebtedness, the sum of

(A) the amount of any voluntary payments of Term Loans and amounts used to repurchase outstanding principal of Term Loans during such Excess Cash Flow Period pursuant to Sections 2.11(a) and Section 2.25 (it being understood that the amount of any such payments pursuant to Section 2.25 shall be calculated to equal the amount of cash used to repay principal and not the principal amount deemed prepaid therewith),

(B) [reserved] and

(C) the amount used to fund any voluntary prepayments, voluntary repurchases or voluntary redemptions of any other Indebtedness of LVLT or QC or any of their respective Subsidiaries that is included in "Consolidated Priority Debt" (other than Indebtedness under any revolving credit facility except to the extent there is a corresponding reduction in the commitments thereunder), *plus*,

in each case, without duplication of any amounts previously deducted under this clause (ii), the amount of any such voluntary payments, voluntary repurchases or voluntary redemptions of such Indebtedness after the end of such Excess Cash Flow Period but before the date of prepayment under this clause (c).

Such calculation will be set forth in a certificate signed by a Financial Officer of the Borrower delivered to the Administrative Agent setting forth the amount, if any, of Excess Cash Flow for such fiscal year, the amount of any required prepayment in respect thereof and the calculation thereof in reasonable detail.

Notwithstanding anything to the contrary in this Section 2.11(c) or elsewhere in this Agreement, to the extent that any or all of Excess Cash Flow that is attributable to a Foreign Subsidiary is prohibited by any Requirement of Law from being loaned, distributed or otherwise transferred to the Borrower or any Domestic Subsidiary or materially adverse consequences to (including any material Tax incurred by) the Borrower would result therefrom then an amount equal to the portion of such Excess Cash Flow so affected will not be required to be applied as provided in this Section 2.11(c) so long as, but only so long as, such materially adverse consequences or prohibitions exist and once such materially adverse consequences or prohibitions are no longer applicable, an amount equal to such Excess Cash Flow will be promptly applied to the repayment of the Term Loans pursuant this Section 2.11(c) (the Borrower hereby agreeing to cause the applicable Subsidiary to promptly use commercially reasonable efforts to take all actions within the reasonable control of the Borrower that are reasonably required to eliminate or mitigate such materially adverse consequences or prohibitions, as the case may be).

(d) [Reserved].

(e) Prepayments pursuant to this Section 2.11 shall be in accordance with the procedures specified in clauses (c) and (d) of Section 2.10 (including, for the avoidance of doubt, that Term Lenders may decline such prepayments and the Borrower may retain any Declined Prepayment Amount).

Section 2.12. *Fees*.

(a) The Borrower agrees to pay to the Administrative Agent, for the account of the Administrative Agent, the fees and other amounts as set forth in the Administrative Agent Fee Letter, in the amounts and, at the times specified therein until the Facilities under this Agreement have been terminated in full (the "**Administrative Agent Fees**").

(b) The Borrower agrees to pay to the Collateral Agent, for the account of the Collateral Agent, the fees and other amounts as set forth in the Collateral Agent Fee Letter, in the amounts and, at the times specified therein until the Facilities under this Agreement have been terminated in full (the "**Collateral Agent Fees**").

(c) All fees payable under any Loan Document to the Lenders shall be paid on the dates due, in Dollars and immediately available funds, directly to the Administrative Agent or the Collateral Agent or any other Person to which such fees are due. Once paid, no fees shall be refundable under any circumstances.

Section 2.13. *Interest*.

(a) The Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each Term SOFR Borrowing shall bear interest at Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrower hereunder or under any other Loan Document is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding clauses of this Section 2.13 or (ii) in the case of any other overdue amount, 2% plus the rate applicable to ABR Loans as provided in clause (a) of this Section; *provided*, that this clause (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, (ii) [reserved] and (iii) in the case of the Term Loans, on the applicable Term Facility Maturity Date; *provided*, that (A) interest accrued pursuant to clause (c) of this Section 2.13 shall be payable on demand, (B) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, (C) in the event of any conversion of any Term SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion and (D) any Loan that is repaid on the same day on which it is made shall bear interest for one day.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). ABR and Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.14. *Alternate Rate of Interest*.

(a) Inability to Determine Rates. If in connection with any request for a Term SOFR Loan or a conversion of ABR Loans to Term SOFR Loans or a continuation of any of such Loans, as applicable, the Borrower, the Administrative Agent (in respect of clause (B) below) or the Required Lenders (in respect of clause (C) below) reasonably determine in good faith based on the prevailing industry standard at the time of any such determination that (A) no Successor Rate has been determined in accordance with Section 2.14(b), and the circumstances under clause (i) of Section 2.14(b) or the Scheduled Unavailability Date has occurred, (B) adequate and reasonable means do not otherwise exist for determining Term SOFR for any requested Interest Period with respect to a proposed Term SOFR Loan or in connection with an existing or proposed ABR Loan, or (C) that Term SOFR for any requested Interest Period with respect to a proposed Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify each Lender.

Thereafter, (x) the obligation of the Lenders to make or maintain Term SOFR Loans, or to convert ABR Loans to Term SOFR Loans, shall be suspended (to the extent of the affected Term SOFR Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Term SOFR component of ABR, the utilization of the Term SOFR component in determining ABR shall be suspended, in each case until the Administrative Agent (upon instruction of the Required Lenders) revokes such notice.

Upon receipt of such notice, (x) the Borrower may revoke any pending request for a Borrowing of, or conversion to, or continuation of Term SOFR Loans (to the extent of the affected Term SOFR Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of ABR Loans in the amount specified therein and (y) any outstanding Term SOFR Loans shall be deemed to have been converted to ABR Loans immediately at the end of their respective applicable Interest Period.

(b) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines in good faith (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined in good faith, that:

(i) adequate and reasonable means do not exist for ascertaining one month, three month and six-month interest periods of Term SOFR, including, without limitation, because the Term SOFR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) CME or any successor administrator of the Term SOFR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent or such administrator with respect to its publication of Term SOFR, in each case acting in such capacity, has made a public statement identifying a specific date after which one month, three month and six month interest periods of Term SOFR or the Term SOFR Screen Rate shall or will no longer be representative or made available, or permitted to be used for determining the interest rate of Dollar denominated syndicated loans, or shall or will otherwise cease; *provided*, that, at the time of such statement, there is no successor administrator that is widely acceptable by the marketplace as reasonably determined by the Borrower in good faith, that will continue to provide such representative interest periods of Term SOFR after such specific date (the latest date on which one month, three month and six-month interest periods of Term SOFR or the Term SOFR Screen Rate are no longer representative or available permanently or indefinitely, the "**Scheduled Unavailability Date**");

then, on a date and time reasonably determined by the Borrower in good faith (any such date, the "**Term SOFR Replacement Date**"), which date shall be at the end of an Interest Period or on the relevant interest payment date, as applicable, for interest calculated and, solely with respect to clause (ii) above, no later than the Scheduled Unavailability Date, Term SOFR will be replaced hereunder and under any Loan Document with Daily Simple SOFR for any payment period for interest calculated that can be determined by the Administrative Agent (to the extent administratively feasible to the Administrative Agent), in each case, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (the "**Successor Rate**").

If the Successor Rate is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

Notwithstanding anything to the contrary herein, (x) if the Borrower or the Administrative Agent reasonably determines in good faith that Daily Simple SOFR is not available on or prior to the Term SOFR Replacement Date or the Administrative Agent determines that Daily Simple SOFR is not administratively feasible to the Administrative Agent, or (y) if the events or circumstances of the type described in Section 2.14(b)(i) or (ii) have occurred with respect to the Successor Rate then in effect, then in each case, the Borrower may amend this Agreement solely for the purpose of replacing Term SOFR or any then-current Successor Rate in accordance with this Section 2.14 at the end of any Interest Period, relevant interest payment date or payment period for interest calculated, as applicable, with an alternative benchmark rate giving due consideration to any evolving or then existing convention for similar Dollar denominated credit facilities syndicated and agented in the United States for such alternative benchmark and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar Dollar denominated credit facilities syndicated and agented in the United States for such benchmark, which adjustment or method of calculating such adjustment shall be published on an information service as reasonably selected by the Borrower in good faith from time to time in its reasonable discretion and may be periodically updated; *provided*, that such rate, and the related amendments, are administratively feasible to the Administrative Agent. For the avoidance of doubt, any such proposed rate and adjustments, shall constitute a "Successor Rate". Any such amendment shall become effective at 5:00 p.m. New York time on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

In determining or implementing any Successor Rate, the Borrower will in good faith give due consideration to industry practice, whether any proposed determination or implementation would reasonably be expected to have a material adverse effect on the Lenders and whether any proposed determination or implementation would cause a "significant modification" of any Loan within the meaning of Treasury Regulations Section 1.1001-3(b).

The Administrative Agent will promptly (in one or more notices) notify the Borrower and each Lender of the implementation of any Successor Rate.

Any Successor Rate shall be applied in a manner consistent with market practice; *provided*, that to the extent such market practice is not administratively feasible for the Administrative Agent, such Successor Rate shall be applied in a manner as otherwise reasonably determined by the Required Lenders and administratively feasible to the Administrative Agent.

Notwithstanding anything else herein, if at any time any Successor Rate as so determined would otherwise be less than 2.00%, the Successor Rate will be deemed to be 2.00% for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation of a Successor Rate, the Borrower will have the right to make reasonable Conforming Changes in good faith from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement; *provided* that, with respect to any such amendment effected, such amendment shall become effective at 5:00 p.m. New York time on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

(c) For purposes of this Section 2.14, those Lenders that either have not made, or do not have an obligation under this Agreement to make, the relevant Loans in Dollars shall be excluded from any determination of Required Lenders.

Section 2.15. *Increased Costs*.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender; or

(ii) subject the Administrative Agent or any Lender to any Tax (other than (A) Indemnified Taxes and Other Taxes indemnifiable under Section 2.17 or (B) Excluded Taxes); or

(iii) impose on any Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or Term SOFR Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan or of maintaining its obligation to make any such Loan or to reduce the amount of any sum received or receivable by such Lender hereunder, whether of principal, interest or otherwise, then the applicable Borrower will pay to the Administrative Agent or such Lender, as applicable, such additional amount or amounts as will compensate the Administrative Agent or such Lender, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans or Commitments made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in clause (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error; *provided*, that any such certificate claiming amounts described in clause (x) or (y) of the definition of "Change in Law" shall, in addition, state the basis upon which such amount has been calculated and certify that such Lender's demand for payment of such costs hereunder, and such method of allocation is not inconsistent with its treatment of other borrowers, which as a credit matter, are similarly situated to the Borrower and which are subject to similar provisions. The Borrower shall pay such Lender, as applicable, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender shall notify the Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; *provided*, that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; *provided*, *further*, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16. *Break Funding Payments*. In the event of (a) the payment of any principal of any Term SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.10 or Section 2.11), (b) the conversion of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term SOFR Loan on the date specified in any notice

delivered pursuant hereto (whether or not such notice may be revoked under Section 2.10(c)) or (d) the assignment of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at Term SOFR that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at Term SOFR at the commencement of such period with a tenor of at least as long as such period. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.17. *Taxes*.

(a) Any and all payments made by or on behalf of a Loan Party under this Agreement or any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; provided, that if a Loan Party, the Administrative Agent or any other withholding agent shall be required by applicable Requirement of Law to deduct or withhold any Taxes with respect to such payments, then (i) the applicable withholding agent shall make such deductions or withholdings as are reasonably determined by the applicable withholding agent to be required by any applicable Requirement of Law, (ii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with applicable Requirements of Law, and (iii) to the extent withholding or deduction is required to be made on account of Indemnified Taxes or Other Taxes, the sum payable by the Loan Party shall be increased as necessary so that after all required deductions and withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 2.17) each Lender (or, in the case of payments made to the Administrative Agent for its own account, the Administrative Agent), receives an amount equal to the sum it would have received had no such deductions or withholdings been made. After any payment of Taxes by any Loan Party to a Governmental Authority as provided in this Section 2.17, as promptly as possible thereafter, the Borrower shall deliver to the Administrative Agent a copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by applicable Requirements of Law to report such payment or other evidence of such payment reasonably satisfactory to the Borrower.

(b) The Borrower shall timely pay any Other Taxes imposed on or incurred by the Administrative Agent or any Lender to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(c) The Borrower shall, without duplication of any additional amounts paid pursuant to Section 2.17(a)(iii) or any amounts paid pursuant to Section 2.17(b), indemnify and hold harmless the Administrative Agent and each Lender within fifteen (15) Business Days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes imposed on the Administrative Agent or such Lender, as applicable, as the case may be (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent (as applicable) shall be conclusive absent manifest error.

(d) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time(s) and in the manner(s) reasonably requested by the Borrower or the Administrative Agent such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding sentence, the completion, execution and submission of such documentation shall only be required to the extent the relevant Lender is legally eligible to do so.

Each person that shall become a Participant pursuant to Section 9.04 or a Lender pursuant to Section 9.04 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 2.17(d) and Section 2.17(f); provided, that a Participant shall furnish all such required forms and statements to the participating Lender.

(i) Without limiting the foregoing, each Lender and Administrative Agent that is a U.S. Person, shall deliver on or prior to the date such Lender or Administrative Agent becomes party to this Agreement and at the time(s) reasonably requested by the Borrower or the Administrative Agent, to the Borrower and the Administrative Agent (as applicable) two properly completed and duly executed copies of United States Internal Revenue Form W-9 or any successor form, certifying that such person is exempt from United States federal backup withholding Tax on payments made hereunder.

(ii) Without limiting the foregoing:

(A) any Foreign Lender shall, to the extent it is legally eligible to do so, deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two of whichever of the following is applicable:

(1) in the case of a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, the person treated as its owner for U.S. federal income tax purposes) eligible for the benefits of an income tax treaty to which the United States is a party, properly completed and duly executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to such Tax treaty;

(2) properly completed and duly executed copies of IRS Form W-8ECI with respect to such Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, with respect to the person treated as its owner for U.S. federal income tax purposes);

(3) in the case of a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, the person treated as its owner for U.S. federal income tax purposes) entitled to the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and that no payments under any Loan Document are effectively connected with the Foreign Lender's conduct of a trade or business in the United States (a "U.S. Tax Compliance Certificate") and (y) properly completed and duly executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable; or

(4) to the extent a Foreign Lender (or, if such Foreign Lender is disregarded as an entity separate from its owner for U.S. federal income tax purposes, the person treated as its owner for U.S. federal income tax purposes) is not the beneficial owner of such payments (for example, where such Foreign Lender is a partnership or a participating Lender), properly completed and duly executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, whichever is applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-3 or Exhibit J-4, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided, that if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 on behalf of such direct and indirect partner(s).

(iii) Each Lender (A) shall promptly notify the Borrower and the Administrative Agent of any change in circumstance which would modify or render invalid any claimed exemption or reduction, and (B) agrees that if any documentation it previously delivered pursuant to this Section 2.17 expires or becomes inaccurate in any respect, it shall promptly (x) update such documentation or (y) notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(e) If any Lender or the Administrative Agent, as applicable, determines in good faith that it has received a refund of an Indemnified Tax or Other Tax for which it has been indemnified by a Loan Party pursuant to this Section 2.17 (or for which any Loan Party has paid additional amounts pursuant to this Section 2.17), then the Lender or the Administrative Agent, as the case may be, shall reimburse the Loan Party for such amount (net of all reasonable out-of-pocket expenses of such Lender or the Administrative Agent, as the case may be, and without interest other than any interest received thereon from the relevant Governmental Authority with respect to such refund) as the Lender or Administrative Agent, as the case may be, determines in good faith to the be the portion of the refund as will leave it, after such reimbursement, in no better or worse position (taking into account expenses or any Taxes imposed on the refund) than it would have been in if the Indemnified Tax or Other Tax giving rise to such refund had not been imposed in the first instance; provided, that the Loan Party, upon the request of the Lender or the Administrative Agent shall repay the amount paid over to the Loan Party (plus any penalties, interest (solely with respect to the time period during which the Loan Party actually held such funds, except to the extent that the refund was initially claimed at the written request of such Loan Party) or other charges imposed by the relevant Governmental Authority) to the Lender or the Administrative Agent in the event the Lender or the Administrative Agent is required to repay such refund to such Governmental Authority. In such event, such Lender or the Administrative Agent, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental

Authority (provided, that such Lender or the Administrative Agent may delete any information therein that it deems confidential). A Lender or the Administrative Agent shall claim any refund that it determines is available to it, unless it concludes in its reasonable discretion that it would be adversely affected by making such a claim. No Lender nor the Administrative Agent shall be obliged to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party in connection with this clause (e) or any other provision of this Section 2.17.

(f) If a payment made to any Lender or any Agent under this Agreement or any other Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender or such Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender or such Agent shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.17(f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(g) The agreements in this Section 2.17 shall survive the termination of this Agreement, the resignation or replacement of the Administrative Agent, any assignment of rights by or the replacement of a lender, and the payment, satisfaction, or discharge of the Loans and all other amounts payable under any Loan Document.

For purposes of this Section 2.17, the term "Requirements of Law" includes FATCA.

Section 2.18. *Payments Generally; Pro Rata Treatment; Sharing of Set-offs*.

(a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees, or of amounts payable under Sections 2.15, 2.16 or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. Except

as otherwise expressly provided herein, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments made under the Loan Documents shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) With respect to any ABR Loans and any SOFR Loans, the Administrative Agent shall not be obligated to distribute funds received by the Administrative Agent from the Borrower for any payment to any Lender on any Interest Payment Date, Term B-1 Loan Installment Date, Term B-2 Loan Installment Date or any other date of payment until such time as the Administrative Agent has been able to onboard the such Lender into its loan system. The Administrative Agent agrees to use commercially reasonable efforts to onboard all Lenders into its loan system as promptly as practicable after the Closing Date and agrees to distribute any such amounts received by it from the Borrower in respect of any payments as promptly as practicable after a Lender has been so onboarded. Each Lender hereby acknowledges and agrees that such amounts received by the Administrative Agent may be distributed after an Interest Payment Date, Term B-1 Loan Installment Date, Term B-2 Loan Installment Date or any other date on which such payment is due in accordance with the foregoing, and hereby waives any claims against the Administrative Agent for any use of funds or delays related to such payments.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of, or interest on, any of its Term Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Term Loans of such other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders ratably in accordance with the principal amount of each such Lender's respective Term Loans and accrued interest thereon; *provided*, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this clause (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect on the Closing Date. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the relevant Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may (without obligation), in reliance upon such assumption, distribute to the relevant Lenders, as applicable, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the relevant Lenders, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) Subject to Section 2.24, if any Lender shall fail to make any payment required to be made by it pursuant to Section 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section 2.18; in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

Section 2.19. *Mitigation Obligations; Replacement of Lenders*.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or mitigate the applicability of Section 2.20 or any event that gives rise to the operation of Section 2.20, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15 (in excess of that being charged by other Lenders under the applicable Facility) or gives notice under Section 2.20, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or (iii) any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require any such Lender to

assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under the Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided*, that (A) [reserved], (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (C) in the case of any such assignment resulting from a claim for compensation under Section 2.15, payments required to be made pursuant to Section 2.17 or a notice given under Section 2.20, such assignment will result in a reduction in such compensation or payments and (D) such assignment does not conflict with any applicable Requirement of Law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender. No action by or consent of the removed Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, such removed Lender and the replacement Lender shall otherwise comply with Section 9.04, *provided*, that if such removed Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 (but only on the part of the removed Lender) shall not be required to effect such assignment.

(c) If any Lender (such Lender, a "**Non-Consenting Lender**") has failed to consent to a proposed amendment, waiver or consent which pursuant to the terms of Section 9.08 requires the consent of all Lenders or all of the Lenders adversely affected and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) at its sole expense (including with respect to the processing and recordation fee referred to in Section 9.04(b)(ii)(C)) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to (and any such Non-Consenting Lender agrees that it shall, upon the Borrower's request) assign its Loans and its Commitments (or, at the Borrower's option, the Loans and Commitments under the Facility that is the subject of the proposed amendment, waiver or consent) hereunder to one or more assignees; *provided*, that: (i) all Loan Obligations of the Borrower owing to such Non-Consenting Lender being replaced in respect of the assigned interest shall be paid in full in same day funds to such Non-Consenting Lender concurrently with such assignment, (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon and the Borrower shall pay any amount required by Section 2.16, if applicable, and (iii) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver or consent. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; *provided*, that if such Non-Consenting Lender does not comply with Section 9.04 within one Business Day after the Borrower's request, compliance with Section 9.04 (but only on the part of the Non-Consenting Lender) shall not be required to effect such assignment.

Section 2.20. *Illegality*. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund any Term SOFR Loans, or to determine or charge interest rates based upon Term SOFR, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (a) any obligations of such Lender to make or continue Term SOFR Loans or to convert ABR Borrowings to Term SOFR Borrowings shall be suspended and (b) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Term SOFR component of the ABR, the interest rate on which ABR Loans of such Lender shall be determined by the Administrative Agent without reference to the Term SOFR component of the ABR, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent), convert all Term SOFR Borrowings of such Lender to ABR Borrowings (the interest rate on such ABR Loans of such Lender shall be determined by the Administrative Agent without reference to the Term SOFR component of the ABR), either on the last day of the Interest Period therefor, if the Administrative Agent is advised in writing by such Lender that it may lawfully continue to maintain such Term SOFR Borrowings to such day, or immediately, if the Administrative Agent is advised in writing by such Lender that it may not lawfully continue to maintain such Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon Term SOFR, the Administrative Agent shall during the period of such suspension compute the ABR applicable to such Lender without reference to the Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Term SOFR. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 2.21. *Incremental Commitments*.

(a) After the Closing Date has occurred, the Borrower may, following written notice to the Administrative Agent, incur Incremental Term Loan Commitments, in each case in an amount not to exceed the Incremental Amount available at the time such Incremental Term Loan Commitments are established (except as set forth in clause (iii) of the third paragraph under Section 6.01) from one or more Incremental Term Lenders (which, in each case, may include any existing Lender, but shall be required to be persons which would qualify as assignees of a Lender in accordance with Section 9.04) willing to provide such Incremental Term Loans, as the case may be, in their sole discretion. Upon the incurrence of such Incremental Term Loan Commitments, the Borrower shall provide notice to the Administrative Agent, which notice shall set forth:

(i) the amount of the Incremental Term Loan Commitments obtained,

(ii) the date on which such Incremental Term Loan Commitments are to become effective, and

(iii) whether such Incremental Term Loan Commitments, subject to Section 2.21(d), are to be (x) commitments to make term loans with terms identical to (and which shall together with any then outstanding Term B-2 Loans, form a single Class of) Term B-2 Loans or (y) commitments to make term loans with pricing, maturity, amortization, participation in mandatory prepayments and/or other terms different from the Term B-2 Loans (this clause (y), "**Other Incremental Term Loans**").

(b) The Borrower and each Incremental Term Lender shall execute and deliver to the Administrative Agent and Collateral Agent an Incremental Assumption Agreement (and the Administrative Agent and Collateral Agent shall, at the direction of the Borrower, enter into any applicable Intercreditor Agreement in accordance with Section 8.11(b)) and such other documentation as the Incremental Term Lenders shall reasonably request to evidence the Incremental Term Loan Commitment of such Incremental Term Lender; *provided*, that any such documentation shall not be a condition to the effectiveness of such Incremental Assumption Agreement. Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans; *provided*, that:

(i) any commitments to make additional Term B-2 Loans shall have the same terms as the Term B-2 Loans, and shall form part of the same Class as the Term B-2 Loans,

(ii) the Other Incremental Term Loans incurred pursuant to this Section 2.21 shall rank equally and ratably in right of security and payment with the Term B Loans,

(iii) (x) the final maturity date of any such Other Incremental Term Loans shall be no earlier than the Latest Maturity Date in effect at the date of incurrence of such Other Incremental Term Loans and (y) subject to clause (i) above, except as to pricing, amortization, final maturity date and participation in mandatory prepayments (which shall, subject to the other clauses of this proviso, be determined by the Borrower and the Incremental Term Lenders in their sole discretion), the Other Incremental Term Loans shall have terms that (as determined by the Borrower in good faith) are no more restrictive, taken as a whole, to the Borrower and its Subsidiaries, than the Term B Loans,

(iv) the Weighted Average Life to Maturity of any such Other Incremental Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term B-2 Loans,

(v) [reserved],

(vi) such Other Incremental Term Loans may require participation on a *pro rata* basis or a less than *pro rata* basis (but not a greater than *pro rata* basis) with the Term B-1 Loans and Term B-2 Loans in any mandatory prepayment hereunder,

(vii) there shall be no borrower (other than the Borrower) or guarantor (other than the Lumen Guarantors and the QC Guarantors) in respect of any Other Incremental Term Loans,

(viii) Other Incremental Term Loans shall not be secured by any asset of the Borrower or its Subsidiaries other than the Collateral,

(ix) the Borrower (and its Subsidiaries) shall not be permitted to utilize any Incremental Loans or Incremental Commitments to finance any acquisition or investment by any Exempted Subsidiary or QC or any of its Subsidiaries, and

(x) such Other Incremental Term Loans shall be subject to the Subordination Agreement as "Subordinated Debt" (as defined in the Subordination Agreement).

Each party hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments evidenced thereby as provided for in Section 9.08(e). The Administrative Agent and the Collateral Agent shall execute, and shall have no liability for executing, upon request by the Borrower (which request shall be deemed certification that all conditions precedent to the execution of any requested amendment and of any Incremental Assumption Agreement have been satisfied and such execution is authorized and permitted under the Loan Documents) any amendment to this Agreement or any other Loan Document to effect the provisions of this Section 2.21 and any such collateral and other documentation shall be deemed "Loan Documents" hereunder and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Term Loan Commitment shall become effective under this Section 2.21 unless:

(i) no Event of Default pursuant to clause (b), (c), (h) or (i) of Section 7.01 shall exist; *provided* that in the event that any tranche of Incremental Term Loans is used to finance a Limited Condition Transaction, to the extent the Incremental Term Lenders participating in such tranche of Incremental Term Loans agree, the foregoing clause (i) shall be tested at the time of the execution of the acquisition agreement, the declaration of the dividend by the Board of Directors of the Borrower or the applicable Subsidiary or the giving of the irrevocable notice of repayment or redemption, as applicable related to such Limited Condition Transaction (provided, that such Incremental Term Lenders shall not be permitted to waive any Default or Event of Default then existing or existing after giving effect to such tranche of Incremental Term Loans);

(ii) the representations and warranties of the Borrower set forth in this Agreement shall be true and correct in all material respects (other than to the extent qualified by materiality or "Material Adverse Effect," in which case, such representations and warranties shall be true and correct); *provided*, that in the event that the tranche of Incremental Term Loans is used to finance a Limited Condition Transaction and to the extent the Incremental Term Lenders participating in such tranche of Incremental Term Loans agree, the foregoing clause (ii) shall be limited to the Specified Representations (with the representation in Section 3.18 made on the date of funding of such Incremental Term Loans and after giving effect to such Limited Condition Transaction and other transactions on such date in connection therewith) and those representations of the seller or the target company (as applicable) included in the acquisition agreement related to the person or business to be acquired that are material to the interests of the Lenders and only to the extent that the Borrower or its applicable Subsidiary has the right to terminate its obligations under such acquisition agreement as a result of a failure of such representations to be accurate; *provided*, *further*, that in the discretion of the Borrower and the Incremental Term Lenders, such representations shall be only for the benefit of such Incremental Term Lenders and the Incremental Term Lenders may elect to agree to not require any such representations be made in their discretion; and

(iii) the Incremental Term Lenders shall have received documents and legal opinions consistent with those delivered on the Closing Date as to such matters as are reasonably requested by the Incremental Term Lenders; *provided*, that any such documentation shall not be a condition to the effectiveness of such Incremental Assumption Agreement.

The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Assumption Agreement.

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that all Incremental Term Loans (other than Other Incremental Term Loans), when originally made, are included in each Borrowing of the outstanding applicable Class of Term Loans on a *pro rata* basis. The Borrower agrees that Section 2.16 shall apply to any conversion of Term SOFR Loans to ABR Loans to effect the foregoing.

(e) Notwithstanding anything to the contrary in this Agreement, holders of Incremental Term Loans and Incremental Term Loan Commitments shall be disregarded for purposes of any consent (or decision not to consent) to any amendment, modification, or waiver or other action with respect to any of the terms of any Loan Document if such Incremental Term Loans and Incremental Term Commitments are incurred substantially concurrently with any such consent (or decision not to consent) for the primary purpose of achieving such consent (or decision not to consent).

(f) Notwithstanding anything to the contrary in this Agreement, any issuance of Incremental Term Loans shall be treated as a separate Class of Term B Loans (and shall have a separate CUSIP from any existing Class of Term B Loans) to the extent such Incremental Term Loans are incurred as Term B Loans and are not fungible with any existing Class of Term B Loans for U.S. federal income tax purposes.

Section 2.22. *Extensions of Loans and Commitments*.

(a) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to this Section 2.22), pursuant to one or more offers made from time to time by the Borrower to all Lenders of any Class of Term Loans on a *pro rata* basis (based, in the case of an offer to the Lenders under any Class of Term Loans, on the aggregate outstanding Term Loans of such Class), and on the same terms to each such Lender ("**Pro Rata Extension Offers**"), the Borrower is hereby permitted to consummate transactions with individual Lenders that agree to such transactions from time to time to extend the maturity date of such Lender's Loans and/or Commitments of such Class and to otherwise modify the terms of such Lender's Loans and/or Commitments of such Class pursuant to the terms of the relevant Pro Rata Extension Offer (including, without limitation, increasing the interest rate or fees payable in respect of such Lender's Loans and/or Commitments and/or modifying the amortization schedule in respect of such Lender's Loans). For the avoidance of doubt, the reference to "on the same terms" in the preceding sentence shall mean, in the case of an offer to the Lenders under any Class of Term Loans, that all of the Term Loans of such Class are offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same. Any such extension (an "**Extension**") agreed to between the Borrower and any such Lender (an "**Extending Lender**") will be established under this Agreement by implementing an Other Term Loan for such Lender if such Lender is extending an existing Term Loan (such extended Term Loan, an "**Extended Term Loan**"). Each Pro Rata Extension Offer shall specify the date on which the Borrower proposes that the Extended Term Loan shall be made, which shall be a date not earlier than five (5) Business Days after the date on which notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion).

(b) The Borrower and each Extending Lender shall execute and deliver to the Administrative Agent an amendment to this Agreement (an "**Extension Amendment**") and such other documentation as the Administrative Agent or the Extending Lenders shall reasonably specify to evidence the Extended Term Loans of such Extending Lender. Each Extension Amendment shall specify the terms of the applicable Extended Term Loans; *provided*, that:

(i) except as to interest rates, fees and any other pricing terms, and amortization, final maturity date and participation in prepayments and commitment reductions (which shall, subject to clauses (ii) and (iii) of this proviso, be determined by the Borrower and set forth in the Pro Rata Extension Offer), the Extended Term Loans shall have the same terms as the existing Class of Term Loans from which they are extended except for any terms which shall not apply until after the then Latest Maturity Date,

(ii) the final maturity date of any Extended Term Loans shall be no earlier than the Term Facility Maturity Date of the Class of Term Loans subject to such Pro Rata Extension Offer,

(iii) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Class of Term Loans to which such offer relates,

(iv) there shall be no borrower (other than the Borrower) and no guarantors (other than the Lumen Guarantors and the QC Guarantors) in respect of any such Extended Term Loans,

(v) Extended Term Loans shall not be secured by any asset of the Borrower and its subsidiaries other than the Collateral,

(vi) all Extended Term Loans and all obligations in respect thereof shall be Loan Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents that rank equally and ratably in right of security with all other Obligations of the Class being extended (and all other Obligations secured by Other First Liens),

(vii) any Extended Term Loans shall be subject to the Subordination Agreement as "Subordinated Debt" (as defined in the Subordination Agreement), and

(viii) any Extended Term Loans may require participation on a *pro rata* basis or a less than *pro rata* basis (but not a greater than *pro rata* basis) than the Term B-1 Loans and Term B-2 Loans in any mandatory prepayment hereunder.

Upon the effectiveness of any Extension Amendment, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Extended Term Loans evidenced thereby as provided for in Section 9.08(e). The Administrative Agent and the Collateral Agent shall execute, and shall have no liability for executing, upon request by the Borrower (which request shall be deemed certification that all conditions precedent to the execution of any requested amendment and of any Extension Amendment have been satisfied and such execution is authorized and permitted under the Loan Documents) any amendment to this Agreement or any other Loan Document to effect the provisions of this Section 2.22.

(c) Upon the effectiveness of any such Extension, the applicable Extending Lender's Term Loan will be automatically designated an Extended Term Loan. For purposes of this Agreement and the other Loan Documents, if such Extending Lender is extending a Term Loan, such Extending Lender will be deemed to have an Other Term Loan having the terms of such Extended Term Loan.

(d) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including, without limitation, this Section 2.22),

(i) no Extended Term Loan is required to be in any minimum amount or any minimum increment,

(ii) any Extending Lender may extend all or any portion of its Term Loans pursuant to one or more Pro Rata Extension Offers (subject to applicable proration in the case of over participation) (including the extension of any Extended Term Loan), and

(iii) there shall be no condition to any Extension of any Loan or Commitment at any time or from time to time other than notice to the Administrative Agent of such Extension and the terms of the Extended Term Loan implemented thereby and those conditions set forth in clause (a) and (b) above.

(e) Each Extension shall be consummated pursuant to procedures set forth in the associated Pro Rata Extension Offer; *provided*, that the Borrower shall cooperate with the Administrative Agent prior to making any Pro Rata Extension Offer to establish reasonable procedures with respect to mechanical provisions relating to such Extension, including, without limitation, timing, rounding and other adjustments.

Section 2.23. *Refinancing Amendments*.

(a) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to this Section 2.23), the Borrower may by written notice to the Administrative Agent at any time after the Closing Date establish one or more additional tranches of term loans under this Agreement (such loans, "**Refinancing Term Loans**"), all Net Proceeds of which are used to Refinance in whole or in part any Class of Term Loans pursuant to Section 2.11(b)(ii). Each such notice shall specify the date (each, a "**Refinancing Effective Date**") on which the Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not earlier than five (5) Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its sole discretion); *provided*, that:

(i) after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date, no Event of Default pursuant to clause (b), (c), (h) or (i) of Section 7.01 shall have occurred and be continuing and the representations and warranties of the Borrower and each other Loan Party contained in Article III or any other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Event; *provided* that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided*, *further*, that any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates;

(ii) the final maturity date of the Refinancing Term Loans shall be no earlier than the earlier of (x) the final maturity date of the refinanced Indebtedness and (y) the 91st day following the Latest Maturity Date in effect at the time of incurrence thereof;

(iii) the Weighted Average Life to Maturity of such Refinancing Term Loans shall be no shorter than the lesser of (x) the then-remaining Weighted Average Life to Maturity of the refinanced Indebtedness and (y) 91 days after the Weighted Average Life to Maturity of the Class of Term Loans then outstanding with the greatest remaining Weighted Average Life to Maturity;

(iv) the aggregate principal amount of the Refinancing Term Loans shall not exceed the outstanding principal amount of the refinanced Indebtedness plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith;

(v) all other terms applicable to such Refinancing Term Loans (other than provisions relating to original issue discount, upfront fees, interest rates and any other pricing terms and optional prepayment or mandatory prepayment terms, subject to the other clauses herein, which shall be as agreed between the Borrower and the Lenders providing such Refinancing Term Loans) shall be substantially similar to, or (as determined by the Borrower in good faith) no more restrictive, taken as a whole, to the Borrower and its Subsidiaries than the terms applicable to the Term B Loans or, if applicable, the Term Loans being refinanced (except, in each case, to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date);

(vi) there shall be no borrower (other than the Borrower) and no guarantors (other than the Lumen Guarantors and the QC Guarantors) in respect of such Refinancing Term Loans;

(vii) Refinancing Term Loans shall not be secured by any asset of the Borrower and its subsidiaries other than the Collateral;

(viii) Refinancing Term Loans may participate on a *pro rata* basis or on a less than *pro rata* basis (but not on a greater than *pro rata* basis) in any mandatory prepayments (other than as provided otherwise in the case of such prepayments pursuant to Section 2.11(b)(ii)) hereunder, as specified in the applicable Refinancing Amendment;

(ix) Refinancing Term Loans shall be subject to the Subordination Agreement as "Subordinated Debt" (as defined in the Subordination Agreement); and

(x) if the applicable Term Loans being refinanced by the Refinancing Term Loans were subordinated to any Obligations, such Refinancing Term Loans shall be subordinated to such Obligations on terms in the aggregate not materially less favorable to the Lenders as those contained in the documentation governing the Term Loans being refinanced (as determined by the Borrower in good faith), and if any of the Guarantees with respect to the Term Loans being replaced by such Refinancing Term Loans were subordinated to any Obligations, the Guarantees of the Refinancing Term Loans shall be subordinated to the Obligations on terms in the aggregate not materially less favorable to the Lenders as those contained in the documentation governing the Term Loans being refinanced (as determined by the Borrower in good faith), and

(xi) for the avoidance of doubt, no Refinancing Term Loans shall rank senior to any Obligations in right of payment or with respect to lien priority.

(b) The Borrower may approach any Lender or any other person that would be a permitted Assignee pursuant to Section 9.04 to provide all or a portion of the Refinancing Term Loans; *provided*, that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated an additional Class of Term Loans for all purposes of this Agreement; *provided*, *further*, that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Amendment governing such Refinancing Term Loans, be designated as an increase in any previously established Class of Term Loans made to the Borrower.

(c) [Reserved].

(d) [Reserved].

(e) [Reserved].

(f) [Reserved].

(g) The Borrower and each Lender providing the applicable Refinancing Term Loans shall execute and deliver to the Administrative Agent an amendment to this Agreement (a "**Refinancing Amendment**") and such other documentation as the Administrative Agent or the Lenders providing the Refinancing Term Loans shall reasonably specify to evidence such Refinancing Term Loans. For purposes of this Agreement and the other Loan Documents, if a Lender is providing a Refinancing Term Loan, such Lender will be deemed to have an Other Term Loan having the terms of such Refinancing Term Loan. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.23), (i) no Refinancing Term Loan is required to be in any minimum amount or any minimum increment, (ii) this Agreement shall impose no condition to any incurrence of any Refinancing Term Loan at any time or from time to time other than those set forth in clauses (a) above, and (iii) all Refinancing Term Loans and all obligations in respect thereof shall be Loan Obligations under this Agreement and the other Loan Documents that rank equally and ratably in right of security and payment with the Term B-1 Loans, Term B-2 Loans and the other Loan Obligations.

Section 2.24. *Defaulting Lenders*.

(a) *Defaulting Lender Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) *Waivers and Amendments*. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Majority Lenders" or "Required Lenders" as applicable, and Section 9.08.

(ii) *Defaulting Lender Waterfall*. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, following an Event of Default or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.06 shall be applied at such time or times as may be determined by the Administrative Agent as follows:

(A) *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent and the Collateral Agent hereunder,

(B) *second*, [reserved],

(C) *third*, [reserved],

(D) *fourth*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Borrower,

(E) *fifth*, if so determined by the Borrower, to be held in a deposit account and released *pro rata* in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement,

(F) *sixth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement,

(G) *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement and

(H) *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.24 shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents to such redirection.

Section 2.25. *Loan Repurchases*.

(a) Subject to the terms and conditions set forth or referred to below, the Borrower may from time to time, at its discretion (and without, for the avoidance of doubt, limiting any of its other rights hereunder to otherwise acquire Loans), conduct modified Dutch auctions in order to purchase Term Loans of one or more Classes (as determined by the Borrower) (each, a "**Purchase Offer**"), each such Purchase Offer to be managed exclusively by a financial institution chosen by the Borrower) (which financial institution may be the entity serving as the Administrative Agent, it being understood that the Administrative Agent shall not be required to act as Auction Manager unless it, in its sole and absolute discretion, agrees to act pursuant to a separate written agreement) (in such capacity, the "**Auction Manager**"), so long as the following conditions are satisfied:

(i) each Purchase Offer shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.25 and the Auction Procedures or as are otherwise reasonably acceptable to the Borrower (in consultation with the Auction Manager);

(ii) no Event of Default pursuant to clause (b), (c), (h) or (i) of Section 7.01 shall have occurred and be continuing on the date of the delivery of each notice of an auction and at the time of (and immediately after giving effect to) the purchase of any Term Loans in connection with any Purchase Offer;

(iii) the principal amount (calculated on the face amount thereof) of each and all Classes of Term Loans that the Borrower offers to purchase in any such Purchase Offer shall be no less than $5,000,000 (across all such Classes);

(iv) the principal amount of all Term Loans of the applicable Class or Classes so purchased by the Borrower shall automatically be cancelled and retired by the Borrower on the settlement date of the relevant purchase (and may not be resold) (without any increase to EBITDA as a result of any gains associated with cancellation of debt), and in no event shall the Borrower be entitled to any vote hereunder in connection with such Term Loans;

(v) no more than one Purchase Offer with respect to any Class may be ongoing at any one time;

(vi) the Borrower represents and warrants that no Loan Party shall have any material non-public information with respect to the Loan Parties or their Subsidiaries, or with respect to the Loans or the securities of any such person, that (A) has not been previously disclosed in writing to the Administrative Agent and the Lenders (other than because such Lender does not wish to receive such material non-public information) prior to such time and (B) could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to participate in the Purchase Offer;

(vii) at the time of each purchase of Term Loans through a Purchase Offer, the Borrower shall have delivered to the Auction Manager an officer's certificate of a Responsible Officer certifying as to compliance with the preceding clause (vi);

(viii) any Purchase Offer with respect to any Class shall be offered to all Term Lenders holding Term Loans of such Class on a *pro rata* basis; and

(ix) no purchase of any Term Loans shall be made from the proceeds of any revolving loans (including revolving loans under the Superpriority Revolving/Term Loan A Credit Agreement).

(b) The Borrower must terminate any Purchase Offer if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Purchase Offer. If the Borrower commences any Purchase Offer (and all relevant requirements set forth above which are required to be satisfied at the time of the commencement of such Purchase Offer have in fact been satisfied), and if at such time of commencement the Borrower reasonably believes that all required conditions set forth above which are required to be satisfied at the time of the consummation of such Purchase Offer will be satisfied, then the Borrower shall have no liability to any Term Lender for any termination of such Purchase Offer as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the

time of consummation of such Purchase Offer, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans of any Class or Classes made by the Borrower pursuant to this Section 2.25, (x) the Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans of the applicable Class or Classes up to the settlement date of such purchase and (y) such purchases (and the payments made by the Borrower and the cancellation of the purchased Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.11 hereof.

(c) The Administrative Agent and the Lenders hereby consent to the Purchase Offers and the other transactions effected pursuant to and in accordance with the terms of this Section 2.25; *provided*, that notwithstanding anything to the contrary contained herein, no Lender shall have an obligation to participate in any such Purchase Offer. For the avoidance of doubt, it is understood and agreed that the provisions of Sections 2.16, 2.18 and 9.04 will not apply to the purchases of Term Loans pursuant to Purchase Offers made pursuant to and in accordance with the provisions of this Section 2.25. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Article VIII and Section 9.05 to the same extent as if each reference therein to the "Agents" were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Purchase Offer. Upon the consummation of the Purchase Offers, the Administrative Agent shall update the Register as directed by the Borrower to reflect the sale of any Term Loans by a Lender to the Borrower and, if applicable, the cancellation of such Loans by the Borrower.

(d) This Section 2.25 shall supersede any provisions in Section 2.18 or 9.06 to the contrary.

ARTICLE III

Section 3.03. *Enforceability*. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document when executed and delivered by the Borrower and each other Loan Party that is party thereto will constitute, a legal, valid and binding obligation of such Loan Party enforceable against the Borrower and each such other Loan Party in accordance with its terms, subject to (a) the effects of bankruptcy, insolvency, moratorium, reorganization, fraudulent conveyance or other similar laws affecting creditors' rights generally, (b) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), (c) implied covenants of good faith and fair dealing and (d) the need for filings and registrations necessary to perfect the Liens on the Collateral granted by the Loan Parties in favor of the Collateral Agent.

Section 3.04. *Governmental Approvals*. Section 3.05. *Financial Statements*. (a) The audited consolidated balance sheets and the statements of operations, stockholders' equity, and cash flows for the Borrower and its consolidated subsidiaries as of and for each fiscal year of the Borrower in the three-fiscal year period ended on December 31, 2023 and (b) [reserved], in each case, including the notes thereto, if applicable, present fairly in all material respects the consolidated financial position of the Borrower and its consolidated subsidiaries as of the dates and for the periods referred to therein and the results of operations and cash flows for the periods then ended, and were prepared in accordance with GAAP applied on a consistent basis throughout the periods covered thereby, except as otherwise noted therein.

Section 3.06. *No Material Adverse Effect*. Since December 31, 2023, there has been no event or circumstance that, individually or in the aggregate with other events or circumstances, has had or would reasonably be expected to have a Material Adverse Effect.

Section 3.07. *Title to Properties; Possession Under Leases*.

(a) Each of the Borrower and the Subsidiaries has valid title in fee simple or equivalent to, or valid leasehold interests in, or easements or other limited property interests in, all its Real Properties (including all Mortgaged Properties) and has valid title to its personal property and assets, in each case, to the knowledge of the Borrower, free and clear of all Liens except for Permitted Liens and except for defects in title that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties and assets for their intended purposes and except where the failure to have such title would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) As of the Closing Date, except as set forth on Schedule 3.07(b), none of the Borrower or its Subsidiaries is obligated under any right of first refusal, option or other contractual right to sell, assign or otherwise dispose of any Mortgaged Property or any interest therein, except as permitted under Section 6.02 or 6.05 or as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 3.08. *Subsidiaries*.

(b) As of the Closing Date, there are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments (other than stock options granted to employees or directors (or entities controlled by directors) and shares held by directors (or entities controlled by directors)) relating to any Equity Interests of any of the Subsidiaries, except as set forth on Schedule 3.08(b).

Section 3.09. *Litigation; Compliance with Laws*.

(a) There are no actions, suits, proceedings or investigations at law or in equity or by or on behalf of any Governmental Authority or in arbitration now pending, or, to the knowledge of the Borrower, threatened in writing against the Borrower or any of its Subsidiaries or any business, property or rights of any such person (i) that involve any Loan Document, to the extent that the applicable action, suit, proceeding or investigation is brought by the Borrower or any of its Subsidiaries or (ii) that would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, except for any action, suit or proceeding at law or in equity or by or on behalf of any Governmental Authority or in arbitration which has been disclosed in any of the Borrower's Annual Report on Form 10-K for the year ended December 31, 2023. There have been no developments in any such matter disclosed in the Annual Report described above which would reasonably be expected, individually or in the aggregate with any such other matters or any additional actions, suits, proceedings or investigations, to result in a Material Adverse Effect.

(b) None of the Borrower, the Subsidiaries and their respective properties or assets is in violation of (nor will the continued operation of their material properties and assets as currently conducted violate) any law, rule or regulation (including any zoning, building, ordinance, code or approval or any building permit, but excluding any Environmental Laws, which are the subject of Section 3.16) or any restriction of record or indenture, agreement or instrument affecting any Real Property, or is in default with respect to any judgment, writ, injunction or decree of any Governmental Authority where such violation or default would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 3.10. *Federal Reserve Regulations*. No part of the proceeds of any Loans will be used by the Borrower and its Subsidiaries in any manner that would result in a violation of Regulation T, Regulation U or Regulation X.

(b) [Reserved].

(c) The Borrower will use the proceeds of any Incremental Loans (other than to the extent set forth in the definition of Incremental Amount) solely for general corporate purposes of the Borrower and its Subsidiaries or as otherwise required pursuant to Section 2.21.

Section 3.13. *Taxes*.

Section 7.03. *Application of Funds*. first, to pay any fees, indemnities, or expense reimbursements hereunder and under the Loan Documents then due to the Administrative Agent and the Collateral Agent from the Borrower,

second, to pay any fees, indemnities or expense reimbursements then due hereunder to the Secured Parties (all in their respective capacities as such) from the Borrower,

fourth, to repay principal on the Loans and to pay any other amounts owing with respect to Secured Cash Management Agreements and Secured Hedge Agreements ratably; and

fifth, to the payment of any other Obligation due to any Secured Party by the Borrower.

Each Cash Management Bank or Hedge Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent as its agent pursuant to the terms of Article VIII hereof for itself and its Affiliates as if it were a "Lender" party hereto.

ARTICLE VIII

THE AGENTS

Section 8.01. *Appointment*.

(a) Each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, and the Collateral Agent as the collateral agent of for such Lender and the other Secured Parties under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent and the Collateral Agent, in each such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent and the Collateral Agent, respectively, by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement or any Loan Document, neither the Administrative Agent nor the Collateral Agent shall have any duties or responsibilities, except those expressly set forth herein or therein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent or the Collateral Agent. The provisions of this Article (other than Sections 8.06 and the final paragraph of Section 8.12 hereof) are solely for the benefit of the Administrative Agent, the Collateral Agent and the Lenders, and neither the Borrower nor any other Loan Party shall have any rights as a third-party beneficiary of any such provisions.

(b) In furtherance of the foregoing, each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements or Secured Hedge Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

Section 8.02. *Delegation of Duties*. The Administrative Agent and the Collateral Agent may execute any of their respective duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any such agents, employees or attorneys-in-fact selected by it without gross negligence or willful misconduct, as determined by a final and non-appealable decision of a court of competent jurisdiction. Each Agent may also from time to time, when it deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a "**Subagent**") with respect to all or any part of the Collateral; *provided*, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Collateral Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by an Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by such Agent and such Subagent shall be protected in withholding any action to be taken or not taken until such time as Borrower or such Loan Party shall have provided to Subagent such instruments. If any Subagent, or successor thereto, shall become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the applicable Agent until the appointment of a new Subagent. No Agent shall be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects without gross negligence or willful misconduct (as determined by a final non-appealable judgment of a court of competent jurisdiction).

Section 8.03. *Exculpatory Provisions*. None of the Agents, or their respective Affiliates or any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (x) liable for any action taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful misconduct; *provided*, that no action taken or not taken by any Agent at the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) or the Borrower shall be considered gross negligence or willful misconduct of such Agent or (y) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, instrument, notice, direction, consent, approval, statement or other document referred to or provided for in, or received by any Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance, satisfaction or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents.

Notwithstanding anything contained herein to the contrary, the permissive rights of the Administrative Agent to do things enumerated in this Agreement or any other Loan Document shall not be construed as a duty. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise (i) as directed by the Required Lenders in writing (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) or (ii) as directed by the Borrower in writing. In no event shall the Administrative Agent be liable hereunder or under any Loan Document for acting in accordance with a direction from the Required Lenders or the Borrower (regardless of whether the Required Lenders subsequently direct the Administrative Agent otherwise).

No Agent shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, nor shall any Agent be liable for the failure to disclose, any information relating to the Borrower or any of its Subsidiaries or any of their respective Affiliates that is communicated to or obtained by such Agent or any of its Affiliates in any capacity.

No Agent shall be deemed to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to such Agent in accordance with Section 8.05.

No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance, satisfaction or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default (and the Administrative Agent may assume performance by all other parties to the Loan Documents of their respective obligations), (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral or consideration or (vi) insurance on (including any flood insurance policies or for determining whether any flood insurance policies are or should be obtained in respect of the Collateral, which each Lender shall be solely responsible for), or for the payment of taxes with respect to, any of the Collateral.

Neither Agent shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality of the foregoing, neither Agent shall (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans and/or Commitments, or disclosure of confidential information, to any Disqualified Lender.

No provision of this Agreement or any other Loan Document shall require any Agent to expend or risk its own funds or otherwise incur any liability, financial or otherwise, in the performance of any of its duties under this Agreement or under any Loan Document or in the exercise of any of its rights or powers, if it shall have grounds to believe that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

In no event shall any Agent be liable for any failure or delay in the performance of its obligations under this Agreement or any other Loan Document because of circumstances beyond its control, including, but not limited to, a failure, termination, or suspension of a clearing house, securities depositary, settlement system or central payment system in any applicable part of the world or acts of God, flood, war (whether declared or undeclared), civil or military disturbances or hostilities, nuclear or natural catastrophes, political unrest, explosion, earthquake, terrorism, fire, riot, labor disturbances, strikes or work stoppages for any reason, embargo, epidemics or pandemics or other health crises, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit

the providing of the services contemplated by this Agreement or the other Loan Documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, or any other causes beyond such Agent's control whether or not of the same class or kind as specified above.

Neither Agent shall be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document other than such Loan Documents to which it is directly a party, whether or not an original or a copy of such agreement has been provided to such Agent.

No Agent shall have any liability for any action taken, or errors in judgment made, in good faith by it or any of its officers, directors, employees or agents, unless it shall have been grossly negligent in ascertaining the pertinent facts.

No Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may (a) expose the Administrative Agent to liability or that is contrary to any Loan Document or requirements of law, including, for the avoidance of doubt any action that may be in violation of the automatic stay under any debtor relief law; (b) would subject such Agent to a tax in any jurisdiction where it is not then subject to a tax or (c) would require such Agent to qualify to do business in any jurisdiction where it is not then so qualified.

If at any time an Agent is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process (including orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of any Collateral), such Agent is authorized to comply therewith in any manner as it or its legal counsel of its own choosing deems appropriate, and if such Agent complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, such Agent shall not be liable to any of the parties hereto or to any other Person even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

The rights, privileges, protections, immunities and benefits given to the each Agent, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable: (i) by such Agent in each Loan Document and any other document related hereto or thereto to which it is a party and (ii) the entity serving as Administrative Agent or Collateral Agent, as applicable, in each of its capacities hereunder and in each of its capacities under any of the Loan Documents whether or not specifically set forth therein and each agent, custodian and other Person employed to act hereunder and under any Loan Document or related document, as the case may be.

No Agent shall be liable for any indirect, special, punitive or consequential damages (including, without limitation, lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

No Agent shall be liable for any failure, inability or unwillingness on the part of any Lender or Loan party to provide accurate and complete information on a timely basis to such Agent or otherwise on the part of any such party to comply with the terms of this Agreement or any other Loan Document, and shall not be liable for any inaccuracy or error in the performance or observance on such Agent's part of any of its duties hereunder that caused by or results from any such inaccurate, incomplete or untimely information received by it, or other failure on the part of any such other party to comply with the terms hereof.

Section 8.04. *Reliance by Agents*.

(a) Each Agent shall be entitled to conclusively rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person, not only as to the due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained therein and shall not incur any liability for relying thereon. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person.

(b) In determining compliance with any condition hereunder to any Credit Event that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received notice to the contrary from such Lender prior to such Credit Event.

(c) Each Agent may consult with legal counsel (including counsel to the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

(d) Each Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent in accordance with Section 9.04.

(e) Subject to any provisions that expressly require an Agent to act at the discretion, direction or request of the Borrower, each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such direction of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate and it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Such request or direction and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

(f) The exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder by the Administrative Agent or Collateral Agent, as applicable, shall be subject to receiving written direction from the Required Lenders (or such other number or percentage of Lenders as shall be expressly required under this Agreement or any Loan Document).

(g) With respect to any document that requires a signature by the Collateral Agent to perfect a Lien on the Collateral, the Collateral Agent shall sign such document at the request of the Borrower and may rely on a certificate from a Responsible Officer of the Borrower certifying that such action is not prohibited by this Agreement or any Loan Document in connection therewith. If the perfection of a Lien on the Collateral hereunder requires the Collateral Agent to sign any document in connection therewith and the Collateral Agent refuses to provide such signature, notwithstanding anything to the contrary in any this Agreement or any other Loan Document, the Borrower shall not have breached, or be in default under, any this Agreement or any other Loan Document so long as the Borrower has used commercially reasonable efforts to perfect the Lien on such Collateral.

Section 8.05. *Notice of Default*. Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless a Responsible Officer of such Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "Notice of Default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); *provided*, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default in its sole discretion.

Section 8.06. *Non-Reliance on Agents and Other Lenders*. Each Lender expressly acknowledges that no Agent nor any of their respective Related Parties and the Loan Parties' financial or other professional advisors have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents that it has, independently and without reliance upon any Agent or any other Lender or any of their respective Related Parties or any of the Loan Parties' financial or other professional advisors, and based on such documents and information as it has deemed appropriate, made

its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender or any of their respective Related Parties, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its Related Parties. Each Lender represents and warrants, as of the date each such Lender becomes a Lender, that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender agrees not to assert a claim in contravention of the foregoing. Each Lender represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

Section 8.07. *Indemnification*. The Lenders agree to indemnify each Agent, in each case in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), in the amount of its *pro rata* share (based on its aggregate outstanding Term Loans) (determined at the time such indemnity is sought or, if the respective Obligations have been repaid in full, as determined immediately prior to such repayment in full), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents, the performance by the parties thereto of any of their respective obligations thereunder, or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing (including any action taken at the direction of the Borrower in accordance with this Agreement) or any claim, litigation, investigation or

proceeding relating to any of the foregoing; *provided*, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent promptly upon demand for such Lender's ratable share of any amount required to be paid by the Lenders to such Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent for such other Lender's ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent for such other Lender's ratable share of such amount. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Section 9.05 to be paid by it to any Agent (or any sub-agent thereof) or any Related Party thereof, each Lender severally agrees to pay to such Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) based on each Lender's share of the aggregate principal amount of Term Loans in effect at such time (or, if the respective Obligations have been repaid in full, as determined immediately prior to such repayment in full) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), *provided*, *further* that, the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Agent (or any such sub-agent) or against any Related Party thereof acting for such Agent (or any such sub-agent) in connection with such capacity.

The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder, the termination of this Agreement and the resignation or removal of any Agent.

Section 8.08. *Agent in Its Individual Capacity*. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

Section 8.09. *Successor Administrative Agent*. The Administrative Agent may resign as Administrative Agent under this Agreement and the other Loan Documents upon 30 days' notice to the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right, subject to the reasonable consent of the Borrower (so long as no Event of Default shall have occurred and be continuing), to appoint a successor which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former

Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 30 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article VIII and Section 9.05 shall inure to its benefit as to any actions taken or omitted to be taken by it, its Subagents and their respective Related Parties while it was Administrative Agent under this Agreement and the other Loan Documents.

Any corporation or association into which an Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all of substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversation, sale merger, consolidation or transfer to which such Agent is a party, will become the successor Administrative Agent or Collateral Agent, as applicable, under this Agreement and will have and accede to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

Section 8.10. *[Reserved].*

Section 8.11. *Security Documents and Collateral Agent*.

(a) The Lenders and the other Secured Parties authorize each Agent to release any Collateral or Guarantors in accordance with Section 9.18 or if approved, authorized or ratified in accordance with Section 9.08.

(b) The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Collateral Agent and/or the Administrative Agent to, without any further consent of any Lender or any other Secured Party, and in the case of Indebtedness secured (and permitted to be secured) by a Lien on assets constituting a portion of the Collateral under any of Section 6.02(z) or (gg) upon the request of the Borrower, the Administrative Agent and/or the Collateral Agent shall, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify:

(1) the First Lien/First Lien Intercreditor Agreements with the collateral agent or other representative of holders of Indebtedness secured (and permitted to be secured) by a Lien on assets constituting a portion of the Collateral under any of Section 6.02(z) or (gg) (solely as it relates to Other First Liens) (and solely in accordance with the relevant requirements thereof and not in lieu of the requirements thereof) and

(2) any Permitted Junior Intercreditor Agreement with respect to any Lien under any provision of Section 6.02 (any of the foregoing, together with the Subordination Agreement, an "**Intercreditor Agreement**").

The Lenders and the other Secured Parties irrevocably agree that (x) the Administrative Agent and the Collateral Agent may rely exclusively on a certificate of a Responsible Officer of the Borrower as to whether any such other Liens are permitted hereunder and as to the respective assets constituting Collateral that secure (and are permitted to secure) such Indebtedness hereunder (*provided*, that the delivery of any such certificate shall not be a condition to the effectiveness of any Intercreditor Agreement) and (y) any Intercreditor Agreement entered into by the Administrative Agent and/or the Collateral Agent shall be binding on the Secured Parties, and each Lender and each other Secured Party hereby agrees that it will take no actions contrary to the provisions of, if entered into and if applicable, any Intercreditor Agreement.

Each Lender and other Secured Party hereby agrees that (A) it will be bound by and will take no actions contrary to the provisions of any such intercreditor agreement or other agreements or documents, (B) agrees that the Liens on the Collateral securing the Obligations shall be subject in all respects to the provisions thereof and (C) agrees that the Administrative Agent and the Collateral Agent are authorized to take or refrain from taking any actions in accordance with the terms of an Intercreditor Agreement.

(c) Furthermore, the Lenders and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to release any Lien securing the Obligations on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) to the holder of any Lien on such property that is permitted by Section 6.02(c), (i), or (v), in each case to the extent the contract or agreement pursuant to which such Lien is granted prohibits any other Liens on such property or (ii) that is or becomes Excluded Property; and the Administrative Agent and the Collateral Agent shall do so upon request of the Borrower. Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary (but without impacting the automatic nature of any release), in no event shall any Agent be required to authorize or execute and deliver any instrument or document evidencing any release unless the Borrower shall have provided such Agent with a Collateral Matters Certificate. Each Agent may conclusively rely, without independent investigation, on such certificate and shall incur no liability for acting in reliance thereon.

Section 8.12. *Right to Realize on Collateral, Enforce Guarantees, and Credit Bidding*.

(a) In case of the pendency of any proceeding under any Debtor Relief Laws or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and

empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

(b) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee set forth in any Loan Document, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Agents, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent; *provided*, that, notwithstanding the foregoing, the Lenders may exercise the set-off rights contained in Section 9.06 in the manner set forth therein and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations (other than Obligations owing to the Administrative Agent) as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other Disposition.

(c) The Secured Parties hereby irrevocably authorize each Agent (either directly or through one or more acquisition vehicles), at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (other than amounts owing to the Administrative Agent) (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or

any portion of the Collateral (i) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject or (ii) at any other sale or foreclosure or acceptance of Collateral in lieu of debt conducted by (or with the consent or at the direction of) the Collateral Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (A) the Collateral Agent shall be authorized (x) to form one or more acquisition vehicles to make a bid, (y) to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided*, that any actions by the Collateral Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (i) through (vii) of Section 9.08(b) of this Agreement) and (z) the Collateral Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action and (B) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 8.13. *Withholding Tax*. To the extent required by any applicable Requirement of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any

applicable Loan Party and without limiting the obligation of any applicable Loan Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, fines, additions to Tax and interest, together with all reasonable out of pocket expenses, whether or not such Taxes are correctly or legally imposed or asserted. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or from any other source against any amount due to the Administrative Agent under this Section 8.13.

Section 8.14. *Secured Cash Management Agreements and Secured Hedge Agreements*. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 7.03, any Guarantee or any Collateral by virtue of the provisions hereof or of the Lumen Guarantee Agreement, the QC Guarantee Agreement or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral or any action taken in connection with any default, Event of Default or enforcement of remedies) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Each counterparty to a Hedging Agreement or Cash Management Agreement agrees that it shall not provide, nor shall it be entitled to provide, any direction or instruction to the Administrative Agent, and the Administrative Agent shall in no event be responsible or liable for failing to comply with any such direction or instruction. Notwithstanding any other provision of this Article VIII to the contrary, neither Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements and the Administrative Agent or the Collateral Agent may conclusively rely upon any written notice of such Obligations from the applicable Cash Management Bank or Hedge Bank, as the case may be. For the avoidance of doubt and notwithstanding anything contained herein to the contrary, in the event that any Secured Cash Management Agreement or Secured Hedge Agreement has been terminated, such Cash Management Bank or Hedge Bank shall provide written notice to the Administrative Agent and the Borrower thereof and thereafter such Cash Management Bank or Hedge Bank shall have no rights under this Agreement and the Loan Documents, and in no event shall the Administrative Agent be responsible or liable to such counterparty for any act or omission or potential liabilities occurring during any such time.

Notwithstanding anything herein to the contrary, by its acceptance of the benefits hereunder, each Cash Management Bank and Hedge Bank agrees that (i) the rights, protections, immunities and indemnities afforded to the Agents in Article VIII with respect to the Lenders shall also be applicable to each Cash Management Bank or Hedge Bank as if such Person were specifically set forth in Article VIII, (ii) the Administrative Agent and the Collateral Agent shall be entitled to conclusively presume that no Cash Management Bank or Hedge Bank exists unless and until it receives written notice from such Cash Management Bank or Hedge Bank of its existence, and (iii) it shall provide each Agent with a completed administrative questionnaire and applicable tax forms upon request from either Agent.

Each applicable Cash Management Bank or Hedge Bank, by its acceptance of the benefits hereunder, is deemed to appoint each of the Administrative Agent and the Collateral Agent, as applicable, as its agent, and each of the Administrative Agent and the Collateral Agent, as applicable, hereby agrees to act as Administrative Agent or Collateral Agent for such Person; it being understood and agreed that the rights and benefits of each such Person under this Agreement and the Loan Documents consist exclusively of such Person's being a beneficiary of the liens and security interests (and, if applicable, guarantees) granted to the applicable Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In connection with any action taken by either Agent, including, without limitation, with respect to any distribution of payments and collections, such Agent shall be entitled to assume (and shall have no liability for so assuming) no amounts are owing to any such Person (and no Obligations are held by any such Person) unless such Person has provided written notification to each Agent of the amount that is owing to it (on which each Agent may conclusively rely) and such notification is received by each Agent within a reasonable period of time prior to the making of such distribution, which in any event shall be at least five (5) Business Days prior to such distribution.

Section 8.15. *Certain ERISA Matters*.

(a) Each Lender (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (i) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (ii) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 8.16. *Erroneous Payments.*

(a) Each Lender hereby agrees that (i) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Lender (whether or not known to such Lender) (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, an "**Erroneous Payment**") and demands the return of such Erroneous Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking

industry rules on interbank compensation from time to time in effect and (ii) to the extent permitted by applicable law, such Lender shall not assert any right or claim to the Erroneous Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payments received, including, without limitation, waiver of any defense based on "discharge for value" or any similar theory or doctrine. A notice of the Administrative Agent to any Lender under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting the immediately preceding clause (a), each Lender hereby further agrees that if it receives a payment from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent, (y) that was not preceded or accompanied by notice of payment, or (z) that such Lender otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each case, if an error has been made each such Lender is deemed to have knowledge of such error at the time of receipt of such Erroneous Payment, and to the extent permitted by applicable law, such Lender shall not assert any right or claim to the Erroneous Payment and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payments received, including without limitation waiver of any defense based on "discharge for value" or any similar theory or doctrine. Each Lender agrees that, in each such case, it shall promptly (and, in all events, within three Business Days, upon demand from the Administrative Agent, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Borrower and each other Loan Party hereby agrees that (x) in the event of an Erroneous Payment (or portion thereof) is not recovered from any Lender that has received such Erroneous Payment (or portion thereof) for any reason (and without limiting the Administrative Agent's rights and remedies under this Article VIII), the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owned by the Borrower or any other Loan Party.

(d) In addition to any rights and remedies of the Administrative Agent provided by law, the Administrative Agent shall have the right, without prior notice to any Lender, any such notice being expressly waived by such Lender to the extent permitted by applicable law, with respect to any Erroneous Payment for which demand has been made in accordance with this Section 8.16 and which has not been returned to the Administrative

Agent, to set off and appropriate and apply against such amounts any and all deposits (general or special, time or demand, provisional or final but excluding trust accounts) in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by the Administrative Agent or any of its Affiliates to or for the credit or the account of such Lender. The Administrative Agent agrees to promptly notify the Lender after any such setoff and application made by the Administrative Agent; provided, that, the failure to give such notice shall not affect the validity of such setoff and application.

(e) Each party's obligations under this Section 8.16 shall survive the resignation or removal of the Administrative Agent, the termination of the Commitments and the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

ARTICLE IX

MISCELLANEOUS

Section 9.01. *Notices; Communications*.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 9.01(b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier or other electronic means as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided*, that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by them, *provided*, that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in Section 9.01(b) above shall be effective as provided in such Section 9.01(b).

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website on the Internet at the website address listed on Schedule 9.01 or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); *provided*, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender and (B) the Borrower shall notify the Administrative Agent (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (*i.e.*, soft copies) of such documents. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

Section 9.02. *Survival of Agreement*. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect until the Termination Date. Without prejudice to the survival of any other agreements contained herein, the provisions of Sections 2.15, 2.16, 2.17, 9.05, 9.22 and 9.27 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the occurrence of the Termination Date or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

Section 9.03. *Binding Effect*. This Agreement shall become effective when it shall have been executed by the Borrower, the Collateral Agent and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the Borrower, the Collateral Agent, the Administrative Agent and each Lender and their respective permitted successors and assigns.

Section 9.04. *Successors and Assigns*.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its respective rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in clause (d) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Lenders and the Indemnified Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in subclause (ii) below, any Lender may assign to one or more assignees (each, an "**Assignee**") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld, delayed or conditioned), which consent, with respect to the assignment of a Term Loan, will be deemed to have been given if the Borrower has not responded within ten (10) Business Days after the delivery of any request for such consent; *provided*, that no consent of the Borrower shall be required (x) for an assignment of a Term Loan to a Lender, an Affiliate of a Lender, an Approved Fund (as defined below) or (y) if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, for an assignment to any person; and

(B) the Administrative Agent (such consent not to be unreasonably withheld or delayed); *provided*, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to (x) a Lender, an Affiliate of a Lender, or an Approved Fund, or (y) the Borrower or an Affiliate of the Borrower.

(ii) Assignments (other than pursuant to Section 2.25 or clause (c) below) shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the applicable Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000 or an integral multiple of $1,000,000 in excess thereof in the case of Term Loans, unless each of the Borrower and the Administrative Agent otherwise consent; *provided*, that no such consent of the Borrower shall be required if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing; *provided*, *further*, that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds being treated as one assignment), if any;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; *provided*, that this clause (B) shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Acceptance and any form required to be delivered pursuant to Section 2.17 via an electronic settlement system administratively feasible to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent); *provided*, that contemporaneous assignments by or to any Assignee, its Affiliates and its Approved Funds to one or more of such Assignee's Affiliates or Approved Funds that close together shall be deemed to be one assignment for purposes of this clause (C);

(D) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent its applicable tax forms, an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws; and

(E) the Assignee shall not be (1) the Borrower or any of the Borrower's Affiliates or Subsidiaries except with respect to assignments to the Borrower in accordance with Section 2.25 or clause (c) below, (2) any Disqualified Lender subject to Section 9.04(j), (3) a natural person or (4) a Defaulting Lender.

For the purposes of this Section 9.04, "**Approved Fund**" shall mean any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered, advised or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers, advises or manages a Lender.

Any assigning Lender shall, in connection with any potential assignment, provide to the Borrower a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not a Default or an Event of Default has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to subclause (v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05 (subject to the limitations and requirements of those Sections, including, without limitation, the requirements of Sections 2.17(d) and 2.17(f))). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04 (except to the extent such participation is not permitted by such clause (c) of this Section 9.04, in which case such assignment or transfer shall be null and void).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and interest amounts of the Loans owing to, each Lender pursuant to the terms hereof

from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent and any Lender (with respect to any entry relating to such Lender's Loans and Commitments), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b)(ii)(C) of this Section 9.04, if applicable, and any written consent to such assignment required by clause (b) of this Section 9.04, the Administrative Agent shall accept such Assignment and Acceptance and promptly record the information contained therein in the Register; *provided*, that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.18(d) or 8.07, the Administrative Agent shall have no obligation to accept such Assignment and Acceptance and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this subclause (v).

(c) Notwithstanding anything to the contrary herein or otherwise, including Sections 2.18 and 8.04, so long as no Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, any Lender may assign all or any portion of its Loans hereunder to the Borrower or any of its Subsidiaries on a non-*pro rata* basis, whether pursuant to an open market purchase, Dutch auction, exchange or otherwise; *provided* that no purchase of any Term Loans shall be made from the proceeds of any revolving loans. Any such Term Loans shall be automatically and permanently cancelled immediately upon acquisition thereof by the Borrower or any of its Subsidiaries.

In connection with any assignment pursuant to this Section 9.04(c), each Lender acknowledges and agrees that, in connection therewith:

(i) the Borrower and/or any of its Subsidiaries may have, and later may come into possession of, information regarding either the Borrower, any of its Subsidiaries and/or any of their respective Affiliates not known to such Lender and that may be material to a decision by such Lender to participate in such assignment (including material non-public information) ("**Excluded Information**"),

(ii) such Lender, independently and, without reliance on the Borrower, any of its Subsidiaries, any Agent or any of their respective Affiliates, has made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and

(iii) none of the Borrower, any of its Subsidiaries, any Agent or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower, any of its Subsidiaries, any Agent or any of their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information.

(d) *Participations*.

(i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations in Loans and Commitments to one or more banks or other entities other than any person that, at the time of such participation, is (A) a natural person, (B) the Borrower or any of its Subsidiaries or any of their respective Affiliates or (C) a Disqualified Lender subject to Section 9.04(j) (a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); *provided*, that (1) such Lender's obligations under this Agreement shall remain unchanged, (2) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (3) the Borrower, the Administrative Agent, the Collateral Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; *provided*, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that both (1) requires the consent of each Lender directly affected thereby pursuant to the first proviso to Section 9.08(b) and (2) directly affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default) and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant.

Subject to clause (d)(iii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of those Sections and Section 2.19, including, without limitation, the requirements of Sections 2.17(d) and 2.17(f) (it being understood that the documentation required under Section 2.17(d) and 2.17(f) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a

Lender; *provided*, that such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. Without limitation of the requirements of this Section 9.04(d), no Lender shall have any obligation to disclose all or any portion of a Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other Loan Obligations under any Loan Document), except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other Loan Obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld or delayed), which consent shall state that it is being given pursuant to this Section 9.04(d)(iii); *provided*, that each potential Participant shall provide such information as is reasonably requested by the Borrower in order for the Borrower to determine whether to provide its consent.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; *provided*, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(f) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in clause (e) above.

(g) Upon the terms and subject to the conditions set forth in this Agreement, and in reliance upon the representations, warranties and covenants of the Loan Parties contained herein and the other Loan Documents, effective as of the Closing Date, each person that becomes a Lender after the Closing Date (each, a "**Subject Lender**"), on behalf of itself and its predecessors, successors, assigns, agents, subsidiaries (except in the case of any Lender that is a bona fide commercial bank), Affiliates (except in the case of any Lender that is a bona fide commercial bank) and representatives, hereby irrevocably and forever waives, on the terms and conditions set forth herein, any actual, if any, and alleged defaults, Defaults or Events of Default (each as defined in the applicable Existing Debt Document), or any other claims of breach under any Existing Debt Document that have arisen under the Existing Debt Documents prior to the Closing Date and that can be waived as of the Closing Date, together with any and all related consequences thereof, including without limitation any actual or purported acceleration of any Existing Debt (the "**Waiver**"). Other than as specifically set forth herein, the Waiver shall not constitute a modification or alteration of the terms, conditions or covenants of this Agreement or the Existing Debt Documents. Notwithstanding the foregoing, (i) the Waiver of each Subject Lender that is a bona fide commercial bank is only applicable with respect to such Subject Lender in its capacity as a lender or holder under the Existing Debt Documents to which it is a party (and not in any other capacity and not in respect of any Existing Debt Document to which it is not a party), (ii) for the avoidance of doubt, no Subject Lender that is a bona fide commercial bank is agreeing to the Waiver with respect to any Existing Debt that such Subject Lender holds or acquires solely in its capacity as a Qualified Marketmaker (as defined in the Transaction Support Agreement), and (iii) with respect to any such Subject Lender that is a bona fide commercial bank, any Affiliates or related parties of such Subject Lender (including any separate branch of a Subject Lender) shall not be deemed to be a Subject Lender themselves, unless such Affiliate or related party has itself signed this Agreement. For the avoidance of doubt, any Affiliates or related parties of any such Subject Lender shall not, as a result of being Affiliates or related parties, be deemed to be Subject Lenders themselves.

(h) Each purchase or assignment of Loans pursuant to Section 2.25 or clause (c) of this Section 9.04 shall, for purposes of this Agreement, be deemed to be an automatic and immediate cancellation and extinguishment of such Term Loans and the Borrower shall, upon consummation of any such purchase, notify the Administrative Agent that the Register should be updated to record such event as if it were a prepayment of such Loans.

(i) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable *pro rata* share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent) to pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any other Lender hereunder (and interest accrued thereon).

(j) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (i) post the list of Disqualified Lenders provided by the Borrower and any updates thereto from time to time (collectively, the "**DQ List**") on the Platform, including that portion of the Platform that is designated for "public side" Lenders and (ii) provide the DQ List to each Lender requesting the same. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce compliance with the provisions hereof relating to Disqualified Lenders; *provided*, that without limiting the generality of the foregoing clause, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender. With respect to any Lender or Participant that becomes a Disqualified Lender after the applicable assignment or participation, (1) such Assignee shall not retroactively be disqualified from becoming a Lender or Participant and (2) the execution by the Borrower of an Assignment and Acceptance with respect to such assignee will not by itself result in such Assignee no longer being considered a Disqualified Lender. Any assignment in violation of this clause (j) shall not be void, but the Borrower shall have the right to (A) [reserved], (B) in the case of outstanding Term Loans held by Disqualified Lenders, prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans, in each case plus accrued interest, accrued Fees and all other amounts (other than principal amounts) payable to it hereunder and under the other Loan Documents and/or (C) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 9.04), all of its interest, rights and obligations under this Agreement and related Loan Documents to an Assignee in accordance with this Section 9.04 that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued Fees and all other amounts (other than principal amounts) payable to it hereunder and the other Loan Documents; *provided*, that (1) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 9.04(b)(ii)(C), (2) such assignment does not conflict with applicable laws and (3) in the case of clause (B), the Borrower shall not use the proceeds from any Loans to prepay Term Loans held by Disqualified Lenders.

Section 9.05. *Expenses; Indemnity*.

(a) The Borrower hereby agrees to pay

(i) all reasonable and documented out-of-pocket expenses (including, subject to Section 9.05(c), Other Taxes) incurred by the Administrative Agent or the Collateral Agent and their respective Affiliates in connection with the preparation and administration of this Agreement and the other Loan Documents, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), including the reasonable fees, charges and disbursements of one counsel for each of the Administrative Agent and the Collateral Agent and, if necessary, the reasonable and documented fees, charges and disbursements of one local counsel per jurisdiction for each of the Administrative Agent and the Collateral Agent (*provided* that if the Administrative Agent and the Collateral Agent are the same entity, such local counsel shall be the same counsel),

(ii) [reserved], and

(iii) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Agents or any Lender in connection with the enforcement of their rights in connection with this Agreement and any other Loan Document, in connection with the Loans made hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans and including the fees, charges and disbursements of

(A) (i) a separate, single counsel for the Administrative Agent, (ii) a separate, single counsel for the Collateral Agent and (iii) a separate, single counsel for all other Secured Parties, taken as a whole,

(B) if necessary, (i) a separate, single local counsel in each appropriate jurisdiction for the Administrative Agent, (ii) a separate, single local counsel in each appropriate jurisdiction for the Collateral Agent (*provided* that, for purposes of clause (B)(i) and (ii), if the Administrative Agent and the Collateral Agent are the same entity, such local counsel shall be the same) and (iii) a separate, single local counsel in each appropriate jurisdiction for the other Secured Parties, taken as a whole, and

(C) (if appropriate) (i) a separate, single regulatory counsel for the Administrative Agent, (ii) a separate, single regulatory counsel for the Collateral Agent (*provided* that, for purposes of clause (C)(i) and (ii), if the Administrative Agent and the Collateral Agent are the same entity, such regulatory counsel shall be the same) and (iii) a separate, single regulatory counsel for all other Secured Parties, taken as a whole

(and, in each case, in the case of an actual or perceived conflict of interest where such person affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected person), and

(b) The Borrower agrees to indemnify the Administrative Agent, the Collateral Agent, each Lender, each of their respective Affiliates, successors and assignors, and each of their respective Related Parties (each such person being called an "**Indemnitee**") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (excluding the allocated costs of in house counsel but including cost and fees of (A)(i) a separate, single counsel for the Administrative Agent, (ii) a separate, single counsel for the Collateral Agent and (iii) a separate single primary counsel for all other Indemnitees, taken as a whole, (B) if necessary, (i) a separate, single local counsel in each appropriate jurisdiction for the Administrative Agent, (ii) a separate, single local counsel in each appropriate jurisdiction for the Collateral Agent (*provided* that, for purposes of clause (B)(i) and (ii), if the Administrative Agent and the Collateral Agent are the same entity, such local counsel shall be the same) and (iii) a separate, single local counsel in each appropriate jurisdiction for the other Indemnitees, taken as a whole and (C) (if appropriate) (i) a separate, single regulatory counsel for the Administrative Agent, (ii) a separate, single regulatory counsel for the Collateral Agent (*provided* that, for purposes of clause (C)(i) and (ii), if the Administrative Agent and the Collateral Agent are the same entity, such regulatory counsel shall be the same) and (iii) a separate, single regulatory counsel for all other Indemnitees, taken as a whole (and, in each case, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the transactions contemplated hereby, (ii) the use of the proceeds of the Loans, (iii) any violation of or liability under Environmental Laws by the Borrower or any Subsidiary, (iv) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on, from or to any property owned, leased or operated by the Borrower or any Subsidiary or (v) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by the Borrower or any of their subsidiaries or Affiliates; *provided*, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties or (y) arose from any claim, actions, suits, inquiries, litigation, investigation or proceeding that does not involve an act or omission of the Borrower or any of its Affiliates and is brought by an Indemnitee against another Indemnitee (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding against any Agent in its capacity as such). None of the Indemnitees (or any of their respective Affiliates) shall be responsible or liable to the Borrower or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities. The provisions of this Section 9.05 shall remain operative and in full force

and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the occurrence of the Termination Date, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any Lender. All amounts due under this Section 9.05 shall be payable within 15 days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to any Taxes (other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), which shall be governed exclusively by Section 2.17 and, to the extent set forth therein, Section 2.15.

(d) To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems (including the internet) in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation or removal of the Administrative Agent or the Collateral Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations, the occurrence of the Termination Date and the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

Section 9.06. *Right of Set-off*. If an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final and in whatever currency denominated) at any time held and other obligations at any time owing by such Lender to or for the credit or the account of the Borrower or any Subsidiary against any of and all the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the Obligations may be unmatured; *provided*, that any recovery by any Lender or any Affiliate pursuant to its setoff rights under this Section 9.06 is subject to the provisions of Section 2.18(c); *provided*, *further*, that in the event that any Defaulting Lender shall

exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.24 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

Section 9.07. *Applicable Law*. THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

Section 9.08. *Waivers; Amendment*.

(a) No failure or delay of the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, the Collateral Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in Section 2.21, 2.22 or 2.23, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders and (z) in the case of any other Loan Document, subject to the terms of such Loan Document, pursuant to an agreement or agreements in writing entered into by each Loan Party thereto and the Administrative Agent or the Collateral Agent, as applicable, and consented to by the Required Lenders; *provided*, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan, or change the amount of interest or principal payable in cash in respect of, any Loan, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification); *provided*, that only the consent of the Required Lenders shall be necessary to reduce or waive any obligation of the Borrower to pay interest or fees at the applicable default rate set forth in Section 2.13(c);

(ii) increase or extend the Commitment of any Lender, or decrease the Commitment Fees or any other Fees of any Lender without the prior written consent of such Lender, as applicable (which, notwithstanding the foregoing, with respect to any such extension or decrease, such consent of such Lender shall be the only consent required hereunder to make such modification); *provided*, that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or mandatory prepayments shall not constitute an increase or extension of the Commitments of any Lender for purposes of this clause (ii);

(iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date or extend any date on which payment of interest (other than interest payable at the applicable default rate of interest set forth in Section 2.13(c)) on any Loan or other Fees is due, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification);

(iv) amend the provisions of Section 2.18(c), Section 7.03 or Section 4.2 of the Collateral Agreement or any other provision hereof in a manner that would by its terms alter the *pro rata* sharing or the order of applicable payments required thereby without the prior written consent of each Lender directly adversely affected thereby;

(v) amend or modify the provisions of this Section 9.08 or the definition of the terms “Majority Lenders”, “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender directly adversely affected thereby;

(vi) except as provided in Section 9.18, release all or substantially all of the Collateral or the Liens thereon or all or substantially all of the Guarantors from their respective Guarantees without the prior written consent of each Lender;

(vii) subject to any more restrictive provision in this Section 9.08(b), effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lenders participating in another Facility, without the prior written consent of the Majority Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

(viii) amend, modify or waive any term or provision of any Loan Document to permit the issuance or incurrence of any Indebtedness (including any exchange of existing Indebtedness that results in another class of Indebtedness for borrowed money, but excluding, for the avoidance of doubt, any "debtor-in-possession" facility pursuant to Section 364 of the Bankruptcy Code (or similar financing under applicable law)) with respect to which (x) the Liens on the Collateral securing the Obligations of any tranche would be subordinated (or have the effect of being subordinated) or (y) all or any portion of the Obligations of any tranche would be subordinated (or have the effect of being subordinated) in right of payment (any such other Indebtedness to which such Liens securing any of the Obligations or such Obligations, as applicable, are subordinated, "**Senior Indebtedness**"), in each case without the written consent of each Lender of such tranche directly and adversely affected thereby, unless each adversely affected Lender has been offered a bona fide opportunity to fund or otherwise provide its *pro rata* share (based on the amount of Obligations that are adversely affected thereby held by each Lender) of the Senior Indebtedness on the same terms (other than bona fide backstop fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction; such fees and expenses, "**Ancillary Fees**") as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely affected Lender decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness;

(ix) [reserved];

(x) amend the provisions of Section 9.04 to reduce the number or percentage of Lenders required to permit the Borrower to assign or otherwise transfer its rights or obligations under this Agreement without the prior written consent of each Lender;

(xi)

(A) amend, modify or waive the definition of "Unrestricted Subsidiary" or "Material Asset",

(B) amend, modify or waive any provision of this Agreement that would, except as set forth in the definition of "Unrestricted Subsidiary," permit (I) the creation or existence of Unrestricted Subsidiaries, or any Subsidiary that would be "unrestricted" or otherwise generally excluded from the requirements, taken as a whole, applicable to Subsidiaries pursuant to the Loan Documents (including the covenants set forth in Article VI) (it being acknowledged that no Subsidiary is an Unrestricted Subsidiary as of the Closing Date), (II) the Borrower or any Subsidiary to transfer to, or hold assets in, an Unrestricted Subsidiary or (III) the release of any guarantee of the Obligations and any Lien on the Collateral to secure any such guaranty as a result of the designation of any Person as an Unrestricted Subsidiary,

(C) amend or modify any provision of this Agreement to permit additional Investments (including Guarantees of Indebtedness of) in, Restricted Payments to or Dispositions to any Unrestricted Subsidiary not permitted by the terms of this Agreement without giving effect thereto,

(D) amend or modify the requirements of Section 6.08(a)(i), or

(E) amend, modify or waive the Double-Dip Provision,

in each case of clauses (A) through (E), without the prior written consent of each Lender;

(xii) amend the provisions of Section 9.04 in a manner that would further restrict assignments of any Loans under this Agreement without the prior written consent of each Lender directly adversely affected thereby;

(xiii) amend, modify or waive the provisions of Section 2.21(e) with respect to the right of holders of Incremental Term Loan Commitments and Incremental Term Loans, to consent to any amendment, modification, waiver, consent or other action without the prior written consent of each Lender directly adversely affected thereby; or

(xiv) amend the provisions of Section 9.18(a)(i)(D), (H) or (I) or Section 9.18(b) or the definition of "Excluded Subsidiary" without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification);

provided, *further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder without the prior written consent of the Administrative Agent or the Collateral Agent affected thereby, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any Assignee of such Lender.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have the right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be affected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of each such Defaulting Lender.

(c) Without the consent of any Lender, the Loan Parties, the Administrative Agent and the Collateral Agent may or shall (to the extent required or contemplated by any Loan Document) enter into any amendment, modification, supplement or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, to include holders of Other First Liens or (to the extent necessary or advisable under applicable local law) Junior Liens in the benefit of the Security Documents in connection with the incurrence of any Other First Lien Debt or Indebtedness permitted to be secured by Junior Liens and to give effect to any Intercreditor Agreement associated therewith, or as required by local law to give effect to, or protect, any security interest for the benefit of the Secured Parties in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document.

(d) Without limiting the provisions of Section 9.08(b), this Agreement may be amended (or amended and restated) with the prior written consent of the Required Lenders, the Administrative Agent, and the Loan Parties (i) to permit additional extensions of credit to be outstanding hereunder from time to time and the accrued interest and fees and other obligations in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees and other obligations in respect thereof and (ii) to include appropriately the holders of such extensions of credit in any determination of the requisite lenders required hereunder, including Required Lenders and Majority Lenders, and for purposes of the relevant provisions of Section 2.18(b). In addition, notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Borrower and the Administrative Agent (but without the consent of any Lender) to include any additional financial maintenance covenant (or any financial maintenance covenant that is already included in this Agreement but with covenant levels and component definitions that are more restrictive to the Borrower) for the benefit of the Lenders of all of the Facilities (but not fewer than all of the Facilities) then existing.

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent (but without the consent of any Lender) to the extent necessary (i) to integrate any Other Term Loan Commitments, Other Term Loans and Other Revolving Loans in a manner consistent with Sections 2.21, 2.22 and 2.23 as may be necessary to establish such Other Term Loan Commitments or Other Term Loans as a separate Class or tranche from the existing Term Facility Commitments or Term Loans, as applicable, and, in the case of Extended Term Loans, to reduce the amortization schedule of the related existing Class of Term Loans proportionately, (ii) to integrate any Other First Lien Debt or (iii) to cure any ambiguity, omission, error, defect or inconsistency.

(f) Each of the parties hereto hereby agrees that the Administrative Agent may (but shall not be obligated to) take any and all action as may be necessary to ensure that all Term Loans established pursuant to Section 2.21 after the Closing Date that will be included in an existing Class of Term Loans outstanding on such date (an "**Applicable Date**"), when originally made, are included in each Borrowing of outstanding Term Loans of such Class (the "**Existing Class Loans**"), on a *pro rata* basis, and/or to ensure that, immediately after giving effect to such new Term Loans (the "**New Class Loans**" and, together with the Existing Class Loans, the "**Class Loans**"), each Lender holding Class Loans will be deemed to hold its Pro Rata Share of each Class Loan on the Applicable Date (but without changing the amount of any such Lender's Term Loans), and each such Lender shall be deemed to have effectuated such assignments as shall be required to ensure the foregoing. The "**Pro Rata Share**" of any Lender on the Applicable Date is the ratio of (i) the sum of such Lender's Existing Class Loans immediately prior to the Applicable Date plus the amount of New Class Loans made by such Lender on the Applicable Date over (ii) the aggregate principal amount of all Class Loans on the Applicable Date.

Section 9.09. *Interest Rate Limitation*. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "**Charges**"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the "**Maximum Rate**") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate; *provided*, that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 9.10. *Entire Agreement*. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, each Fee Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto (and the Indemnitees, the Indemnified Parties, the Cash Management Banks under any Secured Cash Management Agreement, the Hedge Banks under any Secured Hedge Agreement and, to the extent expressly set forth herein, Related Parties of the parties hereto and the Indemnitees) rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 9.11. *WAIVER OF JURY TRIAL*. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12. *Severability*. To the extent permitted by applicable law, any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document (or purported waiver, amendment, or modification) including pursuant to this Agreement, should be held invalid, illegal, unenforceable or to be unauthorized under the terms of Section 9.08, then:

(x) (i) such provisions, waivers, amendments or modifications (or purported waivers, amendments or modifications) shall be construed or deemed modified so as to be valid, legal, enforceable and authorized under the terms of Section 9.08, as applicable, with an economic effect as close as possible to that of the invalid, illegal, unenforceable or unauthorized provisions, waivers, amendments or modifications, as applicable, and (ii) once construed or modified by clause (i), such provisions, waivers, amendments or modifications (or attempted waivers, amendments, or modifications) shall be deemed to have been operative *ab initio*,

(y) any such provision, waiver, amendment or modification (or purported waiver, amendment or modification) not capable of being modified or construed in accordance with the foregoing clause (x) shall automatically be considered without effect, and such provision, waiver, amendment or modification shall for all purposes be deemed to have never been implemented or occurred, as applicable, and

(z) after giving effect to each of the foregoing clauses (x) and (y), the validity, legality and enforceability of the remaining provisions or waivers, amendments or modifications, as applicable, contained herein and therein shall not in any way be affected or impaired thereby.

Notwithstanding any other provision of this Agreement, if a court of competent jurisdiction – in a final and unstayed order – determines that any aspect of the Level 3 Senior Unsecured Notes Transaction (as defined in the Transaction Support Agreement) is invalid for any reason, such determination shall not (directly or indirectly) constitute a default or breach of this Agreement or any other Loan Document.

Section 9.13. *Counterparts*. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission or other electronic transmission shall be as effective as delivery of a manually signed original.

Section 9.14. *Headings*. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15. *Jurisdiction; Consent to Service of Process*.

(a) The Borrower and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, the Collateral Agent, any Lender or any Affiliate of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, Borough of Manhattan, and of the United States

District Court of the Southern District of New York, sitting in New York County, Borough of Manhattan, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or any other Loan Party or its properties in the courts of any jurisdiction.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any court referred to in paragraph (a) of this Section 9.15. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement or any other Loan Document to serve process in any other manner permitted by law.

Section 9.16. *Confidentiality*. Each of the Lenders and each of the Agents agrees that it shall maintain in confidence any information relating to the Borrower and any of its Subsidiaries or their respective businesses furnished to it by or on behalf of the Borrower or any of its Subsidiaries (other than information that (x) has become generally available to the public other than as a result of a disclosure by such party in breach of this Section 9.16, (y) has been independently developed by such Lender or such Agent without violating this Section 9.16 or (z) was available to such Lender or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to the Borrower or any other Loan Party) and shall not reveal the same other than to its Related Parties and any numbering, administration or settlement service providers or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except:

(a) to the extent necessary to comply with applicable Requirements of Law or any legal process or the requirements of any Governmental Authority purporting to have jurisdiction over such person or its Related Parties, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded,

(b) as part of reporting or review procedures to, or examinations by, Governmental Authorities, rating agencies or self-regulatory authorities, including the National Association of Insurance Commissioners or the Financial Industry Regulatory Authority, Inc.,

(c) to its parent companies, Affiliates and their Related Parties including auditors, accountants, legal counsel and other advisors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16),

(d) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder,

(e) to any pledgee under Section 9.04(e) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16),

(f) to any direct or indirect contractual counterparty (or its Related Parties) in Hedging Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16),

(g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the facilities evidenced by this Agreement or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the facilities evidenced by this Agreement,

(h) with the prior written consent of the Borrower, and

(i) to any other party to this Agreement.

Section 9.17. *Platform; Borrower Materials*. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE ADMINISTRATIVE AGENT AND ITS RELATED PARTIES DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM.

Section 9.18. *Release of Liens and Guarantees*.

(a) The Lenders and the other Secured Parties hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall:

(i) be automatically released (and following such automatic release the Administrative Agent or Collateral Agent shall execute any appropriate release documentation (prepared by the Loan Parties and without representation, warranty or recourse) to document or evidence such release at the Borrower's reasonable request and sole expense):

(A) in full upon the occurrence of the Termination Date as set forth in Section 9.18(e) below;

(B) upon the Disposition (other than any lease or license) of such Collateral by any Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction permitted by this Agreement,

(C) to the extent that such Collateral comprises property leased to a Loan Party, upon termination or expiration of such lease,

(D) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.08),

(E) to the extent that the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee in accordance with the Subsidiary Guarantee Agreement or clause (b) below,

(F) as required by the Collateral Agent to effect any Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents, or

(G) pursuant to the terms of any applicable Intercreditor Agreement, and

(ii) be released (which release shall be automatic to the extent permitted by Section 9.18(a)(i)) in the circumstances, and subject to the terms and conditions, provided in Section 8.11.

Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any Disposition, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents.

(b) In addition, the Lenders and the other Secured Parties hereby irrevocably agree that the respective Guarantor shall be automatically released from its respective Guarantee (and following such automatic release the Administrative Agent or Collateral Agent shall execute any appropriate documentation (prepared by the Loan Parties and without representation, warranty or recourse) to document or evidence such release at the Borrower's reasonable request and sole expense):

(i) upon consummation of any transaction permitted hereunder if (x) resulting in such Guarantor ceasing to constitute a Subsidiary (including because such Subsidiary is designated an "Unrestricted Subsidiary") or (y) in the case of any Guarantor which would not be required to be a Guarantor because it is, or has become, an Excluded Subsidiary as a result of a transaction following which it has become (or remains) a Subsidiary of the Borrower or a Guarantor, in each case following a written request by the Borrower to the Administrative Agent requesting that such person no longer constitute a Guarantor and certifying its entitlement to the requested release (and the Administrative Agent may rely conclusively on a certificate to the foregoing effect without further inquiry); provided that any such release pursuant to preceding clause (y) shall only be effective if:

(A) no Event of Default pursuant to clause (b), (c), (h) or (i) of Section 7.01 has occurred and is continuing or would result therefrom;

(B) at the time of such release (and after giving effect thereto), all outstanding Indebtedness of, and Investments in, such Subsidiary would then be permitted to be made in accordance with the relevant provisions of Sections 6.01 and 6.04 (for this purpose, with the Borrower being required to reclassify any such items made in reliance upon the respective Subsidiary being a Guarantor on another basis as would be permitted by such applicable Section) (and all items described above in this clause (B) shall thereafter be deemed recharacterized as provided above in this clause (B));

(C) such Subsidiary shall not be (or shall be simultaneously released as) a guarantor (if applicable) with respect to any Secured Notes, Other First Lien Debt, Permitted Junior Debt, Incremental Equivalent Debt, Existing Unsecured Notes, Subordinated Indebtedness, any other Indebtedness secured by a Junior Lien, any Refinancing Notes, or any Permitted Refinancing Indebtedness (and successive Permitted Refinancing Indebtedness) with respect to the foregoing; and

(D) the transaction resulting in such release is a legitimate business transaction and not for a "liability management transaction" as reasonably determined by the Borrower; or

(ii) if the release of such Guarantor is approved, authorized or ratified by the Required Lenders (or such other percentage of Lenders whose consent is required in accordance with Section 9.08).

(c) The Lenders and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to, and such Agent shall, execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this Section 9.18, including without limitation the filing of any Uniform Commercial Code or equivalent lien release filings in respect thereof, all without the further consent or joinder of any Lender or any other Secured Party. Upon the effectiveness of any such release, any representation, warranty or covenant contained in any Loan Document relating to any such Collateral or Guarantor shall no longer be deemed to be made.

(d) In connection with any release hereunder or under any Loan Document, the Administrative Agent and the Collateral Agent shall promptly (and the Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents (prepared by the Loan Parties and without representation, warranty or recourse) as may be reasonably requested by the Borrower and at the Borrower's expense in connection with the release of any Liens created by any Loan Document in respect of such Guarantor, property or asset; *provided*, that notwithstanding anything contained in this Agreement or any other Loan Document to the contrary (but without effecting the automatic nature of any release or subordination pursuant to this Section 9.18) in no event shall any Agent be required to execute and deliver any instrument or document evidencing any release unless the Borrower shall have provided such Agent with a certificate of a Responsible Officer of the Borrower certifying that any such transaction has been consummated in compliance with this Agreement and the other Loan Documents and that the execution and delivery of such release is authorized and permitted by this Agreement and the other Loan Documents (a "**Collateral Matters Certificate**"). Any execution and delivery of documents pursuant to this Section 9.18(d) shall be without recourse to or warranty by the Administrative Agent or Collateral Agent.

(e) Notwithstanding anything to the contrary contained herein or any other Loan Document, on the Termination Date, upon request of the Borrower, the Administrative Agent and/or the Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be reasonably requested by the Borrower and is required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any (i) obligations in respect of any Secured Hedge Agreements or any Secured Cash Management Agreements and (ii) contingent indemnification obligations or expense reimbursement

claims not then due; *provided*, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower certifying that such release has been consummated in compliance with this Agreement and the other Loan Documents and that such release is authorized or permitted by this Agreement and the other Loan Documents (but without effecting the automatic nature of any release or subordination pursuant to this Section 9.18). Any such release of obligations shall be deemed subject to the provision that such obligations shall be reinstated if after such release any portion of any payment in respect of the obligations guaranteed thereby shall be rescinded, avoided or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made. The Borrower agrees to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or the Collateral Agent (and their respective representatives) in connection with taking such actions to release security interests in all Collateral and all obligations under the Loan Documents as contemplated by this Section 9.18(e).

(f) Obligations of the Borrower or any of its Subsidiaries under any Secured Cash Management Agreement or Secured Hedge Agreement (after giving effect to all netting arrangements relating to such Secured Hedge Agreements) shall be secured and guaranteed pursuant to the Security Documents only to the extent that, and for so long as, the other Obligations are so secured and guaranteed. No person shall have any voting rights under any Loan Document solely as a result of the existence of obligations owed to it under any such Secured Hedge Agreement or Secured Cash Management Agreement. For the avoidance of doubt, no release of Collateral or Guarantors affected in the manner permitted by this Agreement shall require the consent of any holder of obligations under Secured Hedge Agreements or any Secured Cash Management Agreements.

(g) Upon reasonable request of the Borrower, the Collateral Agent shall return possessory Collateral held by it that is released from the security interests created by the Security Documents pursuant to this Section 9.18. In the event that the Collateral Agent loses or misplaces any possessory collateral delivered to the Collateral Agent by any Loan Party, upon reasonable request of the Borrower the Collateral Agent shall provide a loss affidavit to the Borrower, in the form customarily provided by the Collateral Agent in such circumstances.

Section 9.19. *USA PATRIOT Act Notice; Beneficial Ownership Regulation Notice*. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. Each Loan Party shall use commercially reasonable efforts to,

promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act and the Beneficial Ownership Regulation.

Section 9.20. *Agency of the Borrower for the Loan Parties*. Each of the other Loan Parties hereby appoints the Borrower as its agent for all purposes relevant to this Agreement and the other Loan Documents, including the giving and receipt of notices and the execution and delivery of all documents, instruments and certificates contemplated herein and therein and all modifications hereto and thereto.

Section 9.21. *No Advisory or Fiduciary Responsibility*. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees that: (a) (i) the arranging and other services regarding this Agreement provided by the Administrative Agent and the Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent and the Lenders, on the other hand, (ii) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate and (iii) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (b) (i) each of the Administrative Agent and the Lenders is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, any of its Affiliates or any other person and (ii) neither the Administrative Agent nor any Lender has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (c) the Administrative Agent, the Lenders, and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent nor any Lender has any obligation to disclose any of such interests to the Borrower or its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 9.22. *Payments Set Aside*. To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally

intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, *plus* interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 9.23. *Acknowledgement and Consent to Bail-In of Affected Financial Institutions*. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 9.24. *Electronic Execution of Assignments and Certain Other Documents*. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including, without limitation, Assignment and Acceptances, Borrowing Requests, Interest Election Requests, amendments, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the

use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 9.25. *Acknowledgement Regarding Any Supported QFCs*. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Hedging Agreement or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**", and each such QFC, a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.25, the following terms have the following meanings:

Section 9.26. *FCC and State PUC Compliance*. Notwithstanding anything to the contrary contained in any of the Loan Documents, none of the Administrative Agent, the Collateral Agent or the Lenders, nor any of their agents, will take any action pursuant any Loan Document that would constitute or result in an assignment or transfer of control of any FCC License or State PUC License held by a Loan Party or any Subsidiary of a Loan Party if such assignment or transfer of control would require, under existing Telecommunications Laws, the prior application to, approval of, or notice to, the FCC or any State PUC, without first filing such application, obtaining such approval and/or providing such required notice to the FCC and/or State PUC.

Section 9.27. *Indemnification of Consenting Parties and Ad Hoc Group Advisors*. As between the Loan Parties and the Consenting Parties (as defined in the Transaction Support Agreement) only:

(a) Without limiting the obligations of the Loan Parties under the Existing Documents (as defined in the Transaction Support Agreement), the Definitive Documents (as defined in the Transaction Support Agreement) or any related guarantees, security documents, agreements, amendments, instruments or other relevant documents, each Loan Party hereby agrees to indemnify, pay and hold harmless each current or former Consenting Party (as defined in the Transaction Support Agreement) and each of its Affiliates and all of their respective officers, directors, members, managers, partners, employees, shareholders, advisors, agents, and other representatives of each of the foregoing and their respective successors and permitted assigns (each, an "**Indemnified Party**") from and against any and all actual losses, claims, damages, actions, judgments, suits, costs, expenses, disbursements and liabilities, joint or several, of any kind or nature whatsoever (including, subject to the remainder of this sentence, the reasonable and documented out-of-pocket fees and disbursements of counsel for any Indemnified Party, and including any out-of-pocket costs associated with any discovery or other information requests, but, for the avoidance of doubt, not including Taxes, indemnification with respect to which shall be governed by Section 2.15(a)(ii) and Section 2.17, other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), but in each case, only to the extent of such Indemnified Party's actual out-of-pocket amounts, whether direct, indirect, special or consequential and whether based on any federal, state

or foreign laws, statutes, rules or regulations (including securities and commercial laws, statutes, rules or regulations) on common law or equitable cause or on contract or otherwise, that may be imposed on, incurred by, or asserted against any Indemnified Party, in any manner relating to or arising out of, in connection with, or as a result of (i) this Agreement, the other Loan Documents, the Definitive Documents (as defined in the Transaction Support Agreement), the Transaction Support Agreement, the Transactions or any related guarantees, security documents, agreements, instruments or other documents, (ii) the negotiation, formulation, preparation, execution, delivery or performance of the foregoing or (iii) any actual claim, litigation, investigation or proceeding relating to the foregoing, regardless of whether any Indemnified Party is a party thereto and whether or not the transactions contemplated hereby are consummated (but limited, in the case of legal fees and expenses, to (x) those of (I) Davis Polk & Wardwell LLP or (II) if Davis Polk & Wardwell LLP does not represent the group due to an actual or potential conflict of interest, another law firm selected by the Majority Consenting Parties (as defined in the Transaction Support Agreement), in each case, as counsel to the Consenting Parties incurred in connection with any such claim, litigation, investigation or proceeding, and one local counsel in any relevant material jurisdiction and (y) in the case of an actual or perceived conflict of interest where the Indemnified Parties affected by such conflict inform the Borrower of such conflict and thereafter retain their own counsel with the Borrower's prior written consent (not to be unreasonably withheld), additional counsel to such affected Indemnified Parties (and, if necessary, solely in the case of any such actual or perceived conflict of interest, additional local counsel to such affected Indemnified Parties, in each such relevant material jurisdiction)) (such foregoing amounts, "**Losses**" and such Loan Party obligation, the "**Indemnification Obligations**"). The Loan Parties shall reimburse each Indemnified Party reasonably promptly, but in no event later than 30 days following written demand therefor (together with reasonable backup documentation supporting such reimbursement request) for their reasonable and documented out-of-pocket costs and expenses (but limited, in the case of legal fees and expenses, to (x) those of Davis Polk & Wardwell LLP and local counsel and (y) any conflicts counsel or local counsel retained by an Indemnified Party in accordance with the preceding sentence). No Indemnified Party shall be entitled to indemnity hereunder in respect of any Losses to the extent that it is found by a final, non-appealable judgment of a court of competent jurisdiction that such Losses arise from (i) the fraud, gross negligence or willful misconduct by such Indemnified Party (or any of its Related Parties), (ii) the willful and material breach of this Agreement by such Indemnified Party (or any of its Related Parties) or (iii) any disputes solely among Indemnified Parties and not arising out of or related to any act or omission of any of the Loan Parties.

(b) Notwithstanding anything to the contrary contained in this Agreement, the Indemnification Obligations set forth herein (i) shall survive the expiration or termination of this Agreement, (ii) shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Consenting Parties or any other Indemnified Party and (iii) shall be binding on any successor or assign of the Loan Parties and the successors or assigns to any substantial portion of its business and assets.

(c) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, neither Agent shall have any duties or obligations pursuant to, or in connection with, this Section 9.26, or be responsible for any payments pursuant to this Section 9.26 (all of which shall be made directly by the Loan Parties to the applicable Consenting Party).

Section 9.28. *Regulated Subsidiaries*. Notwithstanding any provision of this Agreement or otherwise to the contrary, (x) any Regulated Subsidiary that the Borrower in good faith would cause to become a Lumen Guarantor or a Collateral Guarantor but for all applicable consents, approvals, licenses and authorizations of applicable regulatory authorities related thereto not having been obtained shall be treated as a Lumen Guarantor or a Collateral Guarantor, as the case may be, for purposes of Article VI for so long as the Borrower is using commercially reasonable efforts to obtain the relevant consents, approvals, licenses or authorizations (or, solely with respect to (x) investments with respect to the payment of intercompany expenses or other investments, in each case in the ordinary course of business and (y) investments with respect to the payment of capital expenditures with respect to any such Regulated Subsidiary, has been unable to receive such consents, approvals, licenses or authorizations in spite of such efforts) and (y) no Regulated Subsidiary shall be required to become a Lumen Guarantor or a Collateral Guarantor or pledge any individual assets or have its Equity Interests pledged as Collateral pursuant to the Security Documents until all applicable consents, approvals, licenses or authorizations of any Governmental Authorities are obtained.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first written above.

SECTION 5. Consents and Confirmations.

(a) Existing Loans Assignment. Each Consenting Party hereby acknowledges and agrees that pursuant to Section 9.04(h) of the Amended Credit Agreement and the Borrower Assignment and Assumption Agreement, each Consenting Party that is not a Qualified Existing 2027 Lender (as defined in the New First Lien Credit Agreement) shall sell, assign and transfer to the Borrower, and the Borrower shall purchase, acquire and assume, 100% of the principal amount of the Tranche B 2027 Term Loans held by each such Consenting Party on the Amendment Agreement Effective Date (such Loans, the "Exchanged Loans"; and such transaction, the "Existing Loans Assignment") and thereafter, the Exchanged Loans shall automatically be cancelled for all purposes and no longer outstanding pursuant to Section 9.04(h)(iii) of the

In consideration of the Existing Loans Assignment, each Consenting Party that is not a Qualified Existing 2027 Lender (as defined in the New First Lien Credit Agreement) shall receive from the Borrower an aggregate principal amount of Term B Loans (as defined in the New First Lien Credit Agreement) (as allocated between Term B-1 Loans and Term B-2 Loans (each as defined in the New First Lien Credit Agreement) in accordance with the Transaction Support Agreement and the New First Lien Credit Agreement) on a dollar-for-dollar basis, at par, equal to 100% of the principal amount of Exchanged Loans in a cashless transaction (other than in respect of accrued and unpaid interest as set forth below), with all accrued and unpaid interest on the Exchanged Loans through the Amendment Agreement Effective Date being paid in full in cash on the Amendment Agreement Effective Date (the "Exchange"). The Existing Loans Assignment and the Exchange shall be consummated immediately after the Amendment Agreement Effective Time. Each Consenting Party waives its rights to compensation for any amounts owing pursuant to Section 2.10 of the Existing Credit Agreement.

(b) New First Lien Credit Agreement. (c) Transactions. Notwithstanding anything to the contrary in this Amendment Agreement, the Existing Credit Agreement or any other Loan Document, each Consenting Party hereby acknowledges, ratifies and consents to the Transactions and such acknowledgement, ratification and consent is valid and in addition to, and not in limitation of, the other provisions of this Amendment Agreement and the amendments contemplated herein.

SECTION 6. [Reserved].

SECTION 7. Effectiveness. This Amendment Agreement shall become effective on the date (such date of such effectiveness being referred to herein as the "Amendment Agreement Effective Date"; such time of such effectiveness being referred to herein as the "Amendment Agreement Effective Time") on which each of the following conditions precedent have been satisfied (or waived by the Consenting Parties):

(a) Execution and Delivery of this Amendment Agreement. The Existing Agent shall have received Lender Consents (which shall constitute a signature page and counterpart hereto) duly executed by the Consenting Parties, which constitute the Required Lenders, as applicable, and counterparts of this Amendment Agreement duly executed by each Loan Party.

(b) Fees. The Loan Parties shall have paid all reasonable and documented out-of-pocket fees and expenses (x) required to be paid on the Amendment Agreement Effective Date under the Transaction Support Agreement and (y) of the Existing Agent in connection with the Amendment Agreement Transactions or otherwise under the Existing Credit Agreement.

SECTION 8. Conditions Subsequent.

(a) Immediately following the Amendment Agreement Effective Time (including the consents set forth in Section 5 of this Amendment Agreement):

(i) the Transactions shall be consummated and completed and all accrued and unpaid interest on the Tranche B 2027 Term Loans and fees required to be paid pursuant thereto (including, but not limited to, the interest and fees described in Section 5) shall have been paid in full in cash;

(ii) the effective date of the New First Lien Credit Agreement shall occur;

(iii) the Collateral Agent, the New First Lien Collateral Agent, Holdings, the Borrower, each other Loan Party and the representatives party thereto shall enter into the First Lien/First Lien Intercreditor Agreement; and

(iv) the Collateral Agent, the New First Lien Collateral Agent, Holdings, the Borrower and each other Loan Party and the other parties from time to time party thereto shall enter into the Multi-Lien Intercreditor Agreement.

SECTION 9. Reference To And Effect Upon The Amended Credit Agreement and Loan Documents. From and after the Amendment Agreement Effective Date, the term "Loan Documents" in the Amended Credit Agreement and the other Loan Documents shall include, without limitation, this Amendment Agreement (including, without limitation, the Annexes hereto) and any agreements, instruments and other documents executed and/or delivered in connection herewith.

SECTION 10. [Reserved].

SECTION 11. GOVERNING LAW; SUBMISSION TO JURISDICTION. THIS AMENDMENT AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT, TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AMENDMENT AGREEMENT OR ANY OTHER AMENDMENT AGREEMENT TRANSACTION DOCUMENT OR ANY AMENDMENT AGREEMENT TRANSACTION (OTHER THAN AS EXPRESSLY SET FORTH IN ANY OTHER AMENDMENT AGREEMENT TRANSACTION DOCUMENT) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THAT WOULD REQUIRE THE APPLICATION OF ANY OTHER LAW. SECTIONS 9.09 AND 9.10 OF THE EXISTING CREDIT AGREEMENT ARE INCORPORATED HEREIN, *MUTATIS MUTANDIS*, AS IF A PART HEREOF.

SECTION 12. Direction to Existing Agent. Each Consenting Party (collectively constituting the Required Lenders) hereby (i) authorizes and instructs the Existing Agent to promptly, pursuant to Section 9.02 and Article VIII of the Existing Credit Agreement (which Article VIII is hereby ratified and reaffirmed by each Consenting Party with the modifications expressly set forth herein), as applicable, execute this Amendment Agreement, the LPN Collateral Agreement and, on behalf of the Existing Lenders, the First Lien/First Lien Intercreditor Agreement and Multi-Lien Intercreditor Agreement and (ii) acknowledges and agrees that (A) the Existing Agent has executed this Amendment Agreement and will execute and deliver the First Lien/First Lien Intercreditor Agreement, the Multi-Lien Intercreditor Agreement and the LPN Collateral Agreement in reliance on the direction set forth in clause (i) of this Section 12, (B) the Existing Agent will not have any responsibility or liability for executing such documents and (C) the Existing Agent will conclusively rely on the documents provided to it hereunder or otherwise provided by the Loan Parties with respect thereto. In addition, each Consenting Party hereby authorizes and instructs the Existing Agent to deliver all Pledged Collateral in its possession (including, for the avoidance of doubt, all Pledged Collateral (as defined in the Amended and Restated Collateral Agreement)) to WTNA, as the collateral agent under the New First Lien Credit Agreement, the Applicable Authorized Representative under and as defined in the First Lien/First Lien Intercreditor Agreement, the First-Priority Collateral Agent under and as defined in the Multi-Lien Intercreditor Agreement and the collateral agent under the LPN Collateral Agreement.

SECTION 13. Counterparts. This Amendment Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Amendment Agreement by facsimile or other electronic method of transmission, such as portable document format (.pdf) or software-based electronic signature facility (including "DocuSign"), shall have the same force and effect as delivery of an original executed counterpart of this Amendment Agreement and shall constitute an original signature for all record-keeping purposes. Any electronic signature shall have the same legal validity and enforceability as a manually executed signature to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any similar federal or state law, rule or regulation, as the same may be in effect from time to time, and the parties hereby waive any objection to the contrary.

SECTION 14. [Reserved].

SECTION 15. Further Assurances. Each of the parties hereto agrees to take all further actions and execute all further documents as the Borrower, the Existing Agent or the Consenting Parties may from time to time reasonably request to carry out the transactions contemplated by this Amendment Agreement and all other agreements executed and delivered in connection herewith.

SECTION 16. Section Headings. Section headings in this Amendment Agreement are included herein for convenience of reference only, are not part of this Amendment Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Amendment Agreement.

SECTION 17. Notices. All notices, requests, and demands to or upon the respective parties hereto shall be given in accordance with Section 9.01 of the Amended Credit Agreement.

SECTION 18. Final Agreement, Etc. This Amendment Agreement, the Existing Credit Agreement, the other Loan Documents, and the other written agreements, instruments, and documents entered into in connection therewith set forth in full the terms of agreement between the parties hereto and thereto with respect to the subject matter thereof and are intended as the full, complete, and exclusive contracts governing the relationship between such parties with respect to the subject matter thereof, superseding all other discussions, promises, representations, warranties, agreements, and understandings between the parties with respect thereto. Any waiver of any condition in, or breach of, any of the foregoing in a particular instance shall not operate as a waiver of other or subsequent conditions or breaches of the same or a different kind. The Borrower's, the Existing Agent's, or any Lender's exercise or failure to exercise any rights or remedies under any of the foregoing in a particular instance shall not operate as a waiver of its right to exercise the same or different rights and remedies in any other instances. There are no oral agreements among the parties hereto.

SECTION 19. Amendments; Severability.

(a) This Amendment Agreement may not be amended, and no provision hereof may be waived, except in accordance with Section 9.02 of the Amended Credit Agreement.

(b) To the extent permitted by applicable law, any provision of this Amendment Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

(c) In the event any one or more of the provisions contained in this Amendment Agreement or in any other Amendment Agreement Transaction Document or any waiver, amendment or modification to this Amendment Agreement or other Loan Document (or purported waiver, amendment, or modification) including pursuant to this Amendment Agreement, should be held invalid, illegal, unenforceable or to be unauthorized under the terms of Section 9.02 of the Existing Credit Agreement, then: (x) (i) such provisions, waivers, amendments or modifications (or purported waivers, amendments or modifications) shall be construed or deemed modified so as to be valid, legal, enforceable and authorized under the terms of Section 9.02 of the Existing Credit Agreement, as applicable, with an economic effect as close as possible to that of the invalid, illegal, unenforceable or unauthorized provisions, waivers, amendments or modifications, as applicable, and (ii) once construed or modified by clause (i), such provisions, waivers, amendments or modifications (or attempted waivers, amendments, or modifications) shall be deemed to have been operative *ab initio*, (y) any such provision, waiver, amendment or modification (or purported waiver, amendment or modification) not capable of being modified or construed in accordance with the foregoing clause (x) shall automatically be considered without effect, and such provision, waiver, amendment or modification shall for all purposes be deemed to have never been implemented or occurred, as applicable, and (z) after giving effect to each of the foregoing clauses (x) and (y), the validity, legality and enforceability of the remaining provisions or waivers, amendments or modifications, as applicable, contained herein and therein shall not in any way be affected or impaired thereby.

(d) Notwithstanding any other provision of this Amendment Agreement, if a court of competent jurisdiction – in a final and unstayed order – determines that any aspect of the Level 3 Senior Unsecured Notes Transaction (as defined in the Transaction Support Agreement) is invalid for any reason, such determination shall not (directly or indirectly) constitute a default or breach of this Amendment Agreement, the Existing Credit Agreement or any other Loan Document.

SECTION 20. Waiver, Release and Disclaimer.

(a) Subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date and the consummation of the Amendment Agreement Transactions, in exchange for the cooperation with, participation in, and entering into the Amendment Agreement Transactions by the Consenting Parties and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Loan Party (on behalf of itself and each of its respective predecessors, successors, assigns, agents, subsidiaries, Affiliates, and representatives (including, for the avoidance of doubt, Lumen Technologies, Inc.)) hereby finally and forever releases and discharges the Other Released Parties and their respective property, to the fullest extent permitted under applicable law, from any and all causes of action and any other claims, debts, obligations, duties, rights, suits, damages, actions, derivative claims, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, in law, at equity, or otherwise, sounding in tort, contract, or based on any other legal or equitable principle, including, without limitation, violation of any securities law (federal, state or foreign), misrepresentation (whether intended or negligent), breach of duty (including any duty of candor), or any domestic or foreign law similar to the foregoing, based in whole or in part upon any act or omission, transaction, or other occurrence or circumstance taking place, being omitted, existing or otherwise arising on or prior to the Amendment Agreement Effective Date arising from, relating to, or in connection with the Loans under, and as defined in the Existing Credit Agreement and each of the Loan Documents, the Amendment Agreement Transactions, the negotiation, formulation, or preparation of this Amendment Agreement, the Amendment Agreement Transaction Documents or the related guarantees, security documents, agreements, amendments, instruments, or other documents, including those that the Loan Parties, their respective subsidiaries or any holder of a claim against or interest in the Loan Parties or any other entity could have been legally entitled to assert derivatively or on behalf of any other entity (collectively, the "Company Released Claims"). Further, subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date and the consummation of the Amendment Agreement Transactions, each Loan Party (on behalf of itself and each of its subsidiaries and Affiliates (including, for the avoidance of doubt, Lumen Technologies, Inc.)) hereby covenants and agrees not to, directly or indirectly, bring, maintain, or encourage any cause of action or other claim or proceeding against an Other Released Party relating to or arising out of any Company Released Claim. Each Loan Party (on behalf of itself and each of its subsidiaries and Affiliates (including, for the avoidance of doubt, Lumen Technologies, Inc.)) further stipulates and agrees with respect to all Claims, that, subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date and the consummation of the Amendment Agreement Transactions, it hereby waives, to the fullest extent permitted by applicable law, any and all provisions, rights, and benefits conferred by any applicable U.S. federal or state law, any foreign law, or any principle of common law, that would otherwise limit a release or discharge of any unknown Claims pursuant to this Section 20(a).

(b) Subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date and the consummation of the Amendment Agreement Transactions, in exchange for the cooperation with, participation in, and entering into the Amendment Agreement Transactions by the applicable Loan Parties and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Consenting Party (on behalf of itself and each of its predecessors, successors, assigns, agents, subsidiaries (except in the case of any Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender that is a bona fide commercial bank), Affiliates (except in the case of any Consenting Lumen Tech Revolving Lender or Consenting Lumen Tech Term A/A-1 Lender that is a bona fide commercial bank), and representatives) and the Existing Agent for itself and on behalf of the Lenders (at the direction of the Consenting Parties, who constitute Required Lenders under the Existing Credit Agreement, to the maximum extent permitted by the Existing Credit Agreement) hereby finally and forever releases and discharges (i) the Company Released Parties and their respective property and (ii) the Other Released Parties and their respective property, in each case to the fullest extent permitted under applicable law, from any and all causes of action and any other claims, debts, obligations, duties, rights, suits, damages, actions, derivative claims, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, in law, at equity, or otherwise, sounding in tort, contract, or based on any other legal or equitable principle, including, without limitation, violation of any securities law (federal, state or foreign), misrepresentation (whether intended or negligent), breach of duty (including any duty of candor), or any domestic or foreign law similar to the foregoing, based in whole or in part upon any act or omission, transaction, or other occurrence or circumstance taking place, being omitted, existing or otherwise arising on or prior to the Amendment Agreement Effective Date arising from, relating to, or in connection with any indebtedness of Lumen Technologies, Inc. or its subsidiaries outstanding as of the Amendment Agreement Effective Date (including, without limitation, all Existing Debt (as defined in the Transaction Support Agreement)), the Loans under, and as defined in, the Existing Credit Agreement and each of the Loan Documents, the Amendment Agreement Transactions, the negotiation, formulation, or preparation of this Amendment Agreement, the Amendment Agreement Transaction Documents or the related guarantees, security documents, agreements, amendments, instruments, or other documents, including those that a Consenting Party or any holder of a claim against or interest in the Consenting Party or any other entity could have been legally entitled to assert derivatively or on behalf of any other entity, and including, without limitation, any claim based upon or alleging a breach, default, Event of Default, or failure to comply with any such agreement or document (collectively, the "Consenting Party Released Claims" and, together with the Company Released Claims, the "Released Claims"). For the avoidance of doubt, the Consenting Party Released Claims encompass and include any and all claims or causes of action relating to or challenging the Transactions themselves (other than claims or causes of action to enforce the Definitive Documents), including any and all claims or causes of action alleging or contending that any aspect of the Transactions violates any Existing Document or other agreement, or that cooperation with, participation in, or entering into the Transactions violates any statute or other law, it being understood that the Consenting Parties are ratifying and approving all such Transactions to the maximum extent possible under applicable law. In addition, for the avoidance of doubt, the releases and discharges granted hereunder by each of the Consenting Parties are not limited to the loans, securities or other interests or positions that they hold as of the Amendment Agreement Effective Date or the loans under the Existing Credit Agreement, but are granted by the Consenting Parties in all capacities and with respect to

all loans, securities or other interests held or acquired at any time that relate to the Borrower, the Loan Parties or any of their respective Affiliates. Further, subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date, each Consenting Party hereby covenants and agrees not to, directly or indirectly, bring, maintain, or encourage any cause of action or other claim or proceeding against any Company Released Party or any other Consenting Party relating to or arising out of any Consenting Party Released Claim. Each Consenting Party further stipulates and agrees with respect to all Claims, that subject to the occurrence of, and effective from and after, the Amendment Agreement Effective Date and the consummation of the Amendment Agreement Transactions, it hereby waives, to the fullest extent permitted by applicable law, any and all provisions, rights, and benefits conferred by any applicable U.S. federal or state law, any foreign law, or any principle of common law, that would otherwise limit a release or discharge of any unknown Claims pursuant to this Section 20(b).

(c) EXCEPT AS OTHERWISE PROVIDED HEREIN, EACH PARTY HEREBY EXPRESSLY AGREES THAT THE RELEASED CLAIMS SHALL INCLUDE, WITHOUT LIMITATION, SUCH RELEASED CLAIMS ARISING PRIOR TO THE AMENDMENT AGREEMENT EFFECTIVE DATE AS A DIRECT OR INDIRECT RESULT OF THE GROSS NEGLIGENCE AND/OR WILLFUL MISCONDUCT OF ANY COMPANY RELEASED PARTY OR OTHER RELEASED PARTY. EACH PARTY AGREES THAT THE COMPANY RELEASED PARTIES AND OTHER RELEASED PARTIES ARE EXPRESSLY INTENDED AS THIRD-PARTY BENEFICIARIES OF THIS SECTION 20.

(d) Each Consenting Party and each Loan Party acknowledges that it is aware that it or its attorneys may hereafter discover claims or facts in addition to or different from those which they now know or believe to exist with respect to either the subject matter of this Amendment Agreement and the Amendment Agreement Transactions or any party hereto, but hereto further acknowledges that it is the intention of each Loan Party and each Consenting Party to hereby fully, finally, and forever settle and release all claims among them to the extent provided in this Amendment Agreement, whether known or unknown, suspected or unsuspected, which now exist, may exist, or heretofore have existed.

(e) Notwithstanding the foregoing Sections 20(a), 20(b), 20(c) and 20(d), nothing in this Amendment Agreement is intended to, and shall not, (i) release any Party's rights and obligations under this Amendment Agreement or any of the Amendment Agreement Transaction Documents, (ii) bar any Party from seeking to enforce or effectuate this Amendment Agreement or any of the Amendment Agreement Transaction Documents or (iii) release any payment obligation of any Loan Party (or their subsidiaries) under the Loan Documents (as defined in the Amended Credit Agreement and the New First Lien Credit Agreement).
