Item 1.01 ***Entry into a Material Definitive Agreement.***

Agreement and Plan of Merger

On April 8, 2026, Odyssey Marine Exploration, Inc. (“Odyssey”), Oceanus Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Odyssey (“Merger Sub”), and American Ocean Minerals Corporation, a Delaware corporation (“AOM,” and together with Odyssey and Merger Sub, the “Parties”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) pursuant to which Merger Sub will merge with and into AOM, with AOM surviving the merger and becoming a direct, wholly owned subsidiary of Odyssey (the “Merger”). The Merger is expected to be completed in the late second to early third quarter of 2026.

Subject to the terms and conditions of the Merger Agreement, at the effective time of the Merger (the “Effective Time”), each then-outstanding share of AOM common stock, par value \$0.0001 per share (the “AOM Common Stock”) (other than any shares held in treasury and dissenting shares) will be converted into 4.5017 shares of Odyssey common stock, par value \$0.0001 per share (the “Odyssey Common Stock”); provided, that certain AOM stockholders will receive, in lieu of shares of Odyssey Common Stock that would cause them to beneficially own more than 4.99% of the outstanding shares of Odyssey Common Stock immediately following the closing of the Merger (the “Closing”), shares of Odyssey preferred stock (“Odyssey Preferred Shares”) that are convertible (subject to a beneficial ownership limitation) into the number of shares of Odyssey Common Stock that would otherwise exceed such 4.99% threshold.

In addition, at the Effective Time, each warrant to purchase shares of AOM Common Stock that was outstanding immediately prior to the Effective Time (the “AOM PIPE Warrants”) will cease to represent a right to acquire shares of AOM Common Stock and will be assumed by Odyssey and converted into a warrant to purchase shares of Odyssey Common Stock (the “Odyssey Assumed Warrants”) as of the Effective Time. The Odyssey Assumed Warrants will be on substantially the same terms and conditions as the corresponding AOM PIPE Warrants immediately prior to the Effective Time, other than with respect to the number of shares of Odyssey Common Stock issuable upon exercise and the exercise price, which will be adjusted in accordance with the Exchange Ratio set forth in the Merger Agreement and for certain equity issuances occurring after the date of signing. Shares of Odyssey Common Stock issuable upon exercise of the Odyssey Assumed Warrants are referred to as the “Odyssey Assumed Warrant Shares.” For further information, please see the section entitled “*Certain Agreements Related to the Merger—AOM PIPE Subscription Agreement.*”

In addition, the Merger Agreement provides that, at the Closing, the corporate name of Odyssey will be changed to “American Ocean Minerals Corporation.”

Immediately after the Merger, on a pro forma basis, after giving effect to (a) the issuance of shares of AOM Common Stock upon the automatic conversion of the AOM Bridge Debentures (as defined below) immediately prior to the Effective Time, (b) the issuance of (x) shares of AOM Common Stock and (y) AOM PIPE Warrants, in each case, pursuant to the AOM PIPE Subscription Agreement (as defined below) immediately prior to the Effective Time, and (c) the issuance of shares of Odyssey Common Stock as a result of the Merger (the “Merger Shares”), but excluding the effect of any outstanding options and warrants of Odyssey that will remain outstanding after the Merger:

- the pre-Merger stockholders of Odyssey will own approximately 6.7% of the combined company;
- the pre-Merger stockholders of AOM who were AOM Bridge Investors (as defined below) will own approximately 10.7% of the combined company;

-
- the pre-Merger stockholders of AOM who were AOM PIPE Investors (as defined below) will own approximately 15.4% of the combined company; and
 - the other pre-Merger stockholders of AOM will own approximately 52.9% of the combined company.

In connection with the Merger, Odyssey will hold a special meeting of its stockholders (the “Odyssey Meeting”) to seek their approval of, among other things, (a) the adoption of the Merger Agreement and the approval of the transactions contemplated thereby, (b) the issuance pursuant to the Merger Agreement of the shares of Odyssey Common Stock, Odyssey Preferred Shares, Odyssey Assumed Warrants, and Odyssey Assumed Warrant Shares, (c) a reverse stock split of Odyssey Common Stock, if not previously approved by stockholders at Odyssey’s regular annual stockholder meeting, (d) an amendment to Odyssey’s articles of incorporation to increase the number of authorized shares of Odyssey Common Stock from 75 million shares to 750 million shares, and (e) any other proposals deemed necessary or desirable by the Parties to consummate the transactions contemplated by the Merger Agreement.

Each of Odyssey and AOM has agreed to customary representations, warranties, and covenants in the Merger Agreement, including, among others, covenants relating to (a) obtaining the requisite approval of its respective stockholders, (b) Odyssey’s non-solicitation of alternative acquisition proposals, (c) the conduct of its respective business during the period between the signing of the Merger Agreement and the Closing, and (d) Odyssey filing with the U.S. Securities and Exchange Commission (the “SEC”) and causing to become effective a registration statement to register the shares of Odyssey Common Stock, Odyssey Preferred Shares, Odyssey Assumed Warrants, and Odyssey Assumed Warrant Shares to be issued in connection with the Merger (the “Registration Statement”).

Consummation of the Merger is subject to certain closing conditions, including, among other things, (a) approval by the requisite Odyssey stockholders of the proposals to be presented at the Odyssey Meeting, (b) the effectiveness of the Registration Statement, (c) the AOM PIPE Investment (as defined below) having been consummated with gross proceeds of not less than \$25.0 million, (d) after giving effect to the AOM PIPE Investment, AOM having a minimum cash balance of not less than \$100.0 million, and (e) the AOM Bridge Debentures having been converted into shares of AOM Common Stock.

The Merger Agreement contains certain termination rights for both Odyssey and AOM, including the right to terminate the Merger Agreement in the event of a triggering event tied to an adverse recommendation change or an acquisition proposal. In addition, either Odyssey or AOM may terminate the Merger Agreement if the Merger is not consummated on or before October 7, 2026 (the “Outside Date”), provided that either Odyssey or AOM may unilaterally extend the Outside Date—first by up to two months, and then by an additional 30 days—so long as the extending party determines in good faith that the remaining closing conditions are still capable of being satisfied, and provided, further that neither party may terminate the Merger Agreement if the failure to consummate the Merger by the Outside Date is primarily attributable to such party’s failure to perform any covenant or other obligation required to be performed by it under the Merger Agreement. Upon termination of the Merger Agreement under specified circumstances, Odyssey may be required to pay AOM a termination fee of \$2.2 million.

At the Effective Time, certain persons identified in the Merger Agreement are expected to become directors and officers of Odyssey.

Certain Agreements Related to the Merger

Odyssey Note Purchase Agreement

On April 8, 2026, in connection with the Merger Agreement, Odyssey and AOM entered into a note purchase agreement (the “Odyssey Note Purchase Agreement”) pursuant to which Odyssey issued and sold to AOM a secured promissory note (the “Initial Odyssey Note”) in an amount of up to \$5.0 million (the “Initial Odyssey Note Purchase Price”). At an initial closing, AOM will pay to Odyssey a portion of the Initial Odyssey Note Purchase Price in the amount of \$1.5 million within five business days of the date of the Odyssey Note Purchase Agreement. The remaining \$3.5 million of the Initial Odyssey Note Purchase Price will be paid in specified amounts on the first business day of each of the four months after the date of the Odyssey Note Purchase Agreement. The Odyssey Note Purchase Agreement also provides that, at AOM’s option, AOM may purchase from Odyssey one or more additional secured promissory notes (the “Pre-Closing Odyssey Notes” and, together with the Initial Odyssey Note, the “Odyssey Notes”) in an aggregate amount of up to \$5.0 million. Odyssey’s obligations under the Odyssey Notes will be secured by a security interest in substantially all of Odyssey’s assets.

The principal amount of the Odyssey Notes will equal the aggregate amount paid to Odyssey by AOM. The principal amount of the Odyssey Note will bear interest at the rate of 8.0% per annum. Odyssey will pay accrued interest on a quarterly basis by capitalizing each quarterly interest payment as additional principal. All outstanding principal and accrued interest will be due and payable in full on the earlier of the date that is one year after the date of the Odyssey Note Purchase Agreement or upon the consummation of the Merger. Upon an event of a default on the interest payments, the principal and any accrued interest will thereafter accrue interest at the rate of 11.0% per annum until paid in full.

AOM Bridge Subscription Agreements

Prior to the execution and delivery of the Merger Agreement, AOM entered into subscription agreements (the “Bridge Subscription Agreements”), with certain third-party investors (the “AOM Bridge Investors”) pursuant to which the Bridge Investors provided aggregate financing to AOM in the amount of approximately \$75.6 million (the “AOM Bridge Financing”) through the purchase of convertible debentures of AOM (the “AOM Bridge Debentures”). The AOM Bridge Debentures will automatically convert into shares of AOM Common Stock immediately prior to the effective time of the Merger, such that the AOM Bridge Investors will become stockholders of AOM immediately prior to the consummation of the Merger.

AOM PIPE Subscription Agreement

Concurrently with the execution and delivery of the Merger Agreement, AOM and Odyssey entered into a securities purchase agreement (the “AOM PIPE Subscription Agreement” and, together with the AOM Bridge Subscription Agreements, the “Subscription Agreements”) with certain third-party investors (the “AOM PIPE Investors”) pursuant to which the AOM PIPE Investors committed to provide aggregate financing in the amount of \$156.0 million (the “AOM PIPE Investment”), on the terms and subject to the conditions set forth in the AOM PIPE Subscription Agreement and the related warrants to be entered into at the closing of the AOM PIPE Investment (the “AOM PIPE Warrants”), through the subscription for and purchase of (a) shares of AOM Common Stock, which shares will, pursuant to the AOM PIPE Subscription Agreement, be issued immediately prior to the effective time of the Merger, such that the AOM PIPE Investors will become stockholders of AOM immediately prior to the consummation of the Merger and (b) AOM PIPE Warrants, which AOM PIPE Warrants will, pursuant to the AOM PIPE Subscription Agreement, be assumed by Odyssey and converted into Odyssey Assumed Warrants as of the Effective Time.

CIC Equity Exchange Agreement

On April 8, 2026, in connection with the Merger Agreement, Odyssey, and certain of the stockholders (the “CIC Stockholders”) of CIC Limited (“CIC Ltd”) entered into an equity exchange agreement (“CIC Equity Exchange Agreement”) pursuant to which the CIC Stockholders agreed to exchange their shares of CIC Ltd Class A common stock (“CIC Shares”) for shares of Odyssey Common Stock as soon as practicable after effective date of the Merger. In exchange for the CIC Shares, Odyssey will deliver to each of the CIC Stockholders a number of shares of Odyssey Common Stock equal to the number of shares of CIC Ltd the CIC Stockholder wishes to exchange multiplied by a fraction, the numerator of which is the value per CIC Share and the denominator of which is the price per share of Odyssey Common Stock paid by the PIPE Investors.

Notwithstanding anything in the CIC Equity Exchange Agreement to the contrary, the aggregate maximum number of shares of Odyssey Common Stock that may be issued under the CIC Equity Exchange Agreement will not (a) exceed 19.9% of the number of outstanding shares of Odyssey Common Stock immediately prior to the date of the CIC Equity Exchange Agreement, (b) exceed 19.9% of the combined voting power of the outstanding voting securities of Odyssey immediately prior to the date of the CIC Equity Exchange Agreement, in each of clauses (a) and (b), unless Odyssey has obtained the requisite stockholder approval under applicable law and the listing rules of the Nasdaq Capital Market, or (c) otherwise exceed such number of shares of Odyssey Common Stock that would violate applicable listing rules of the Nasdaq Capital Market.

CIC Ltd Option Agreement

On April 8, 2026, in connection with the Merger Agreement, Odyssey and certain stockholders of CIC Ltd (the “CIC Option Stockholders”) entered into an option agreement (the “CIC Ltd Option Agreement”) pursuant to which, at any time and from time to time following the six-month period following the completion of the Merger, Odyssey has the right, but not the obligation, to purchase from each CIC Option Stockholder all or a portion of the CIC Shares held by such CIC Option Stockholder (the “CIC Ltd Option”) at a purchase price per share equal to the valuation of CIC Ltd divided by the total number of issued outstanding shares of CIC Ltd, assuming full conversion or exercise of all outstanding options, warrants, convertible securities, or similar rights.

The valuation of CIC Ltd on any date on which Odyssey exercises the CIC Ltd Option will be (a) \$200.0 million, if the applicable exercise date is prior to the approval, by the Cook Islands Seabed Mineral Authority (the “SBMA”), of a pre-feasibility study, (b) \$225.0 million, if the applicable exercise date is after the approval of such pre-feasibility study and before the issuance, by the SBMA, of a trial harvesting license, or (c) \$300.0 million, if the applicable exercise date is after the issuance of such trial harvesting license. The purchase price payable in connection with the exercise of the CIC Ltd Option granted to Odyssey will be payable by Odyssey in a combination of (a) cash and (b) shares of Odyssey Common Stock, in such amounts and proportions as determined by Odyssey in its sole and absolute discretion.

CIC LLC Option Agreement

On April 8, 2026, in connection with the Merger Agreement, Odyssey and CIC LLC entered into an option agreement (“CIC LLC Option Agreement”) pursuant to which at any time and from time to time following the six-month period following the completion of the Merger, Odyssey, has the right, but not the obligation, to purchase CIC Shares from CIC LLC (the “CIC LLC Option”) at a purchase price per share equal to the valuation of CIC Ltd divided by the total number of issued and outstanding shares of CIC Ltd, assuming full conversion or exercise of all outstanding options, warrants, convertible securities, or similar rights.

The valuation of CIC Ltd on any date on which Odyssey exercises the CIC LLC Option will be (a) \$200.0 million, if the applicable exercise date is prior to the approval, by the SBMA, of a pre-feasibility study, (b) \$225.0 million, if the applicable exercise date is after the approval of such pre-feasibility study and before the issuance, by the SBMA, of a trial harvesting license, or (c) \$300.0 million, if the applicable exercise date is after the issuance of such trial harvesting license. The purchase price payable in connection with the exercise of the CIC LLC Option granted to Odyssey will be payable by Odyssey in a combination of (a) cash and (b) Odyssey Common Stock, in such amounts and proportions as determined by Odyssey in its sole and absolute discretion; provided that the cash portion of the purchase price of the option will be not less than \$20.0 million; and provided, further, that the minimum cash portion will be reduced, on a dollar-for-dollar basis, by the aggregate amount of payments received by CIC LLC under the CIC LLC Note Purchase Agreement. For further information, please see the section entitled “—*CIC LLC Note Purchase Agreement.*”

OML Unit Purchase Agreement

On March 20, 2026, Ocean Minerals, LLC (“OML”) and AOM entered into a unit purchase agreement (“OML Unit Purchase Agreement”) pursuant to which AOM agreed to purchase from OML an aggregate of 997,995 membership interest units of OML (“OML Units”) for the purchase price of \$20.0 million. Additionally, at any time and from time to time, AOM has the right, but not the obligation, to purchase from OML such number of additional OML Units as is necessary for AOM to hold, in the aggregate, at least sixty-seven percent (67.0%) of the outstanding OML Units.

The purchase price for each additional OML Unit will be (a) equal to \$20.45 per OML Unit prior to September 30, 2025, or (b) equal the fair market valuation of OML divided by the number of fully diluted OML Units where: (i) the fair market valuation means the pre-money equity valuation of OML as determined by an independent valuation firm mutually agreed upon by AOM and OML, provided that the fair market valuation shall not result in a price per OML Unit of less than \$20.45 unless otherwise agreed in writing by OML, and (ii) the fully diluted membership interest means the total number of issued and outstanding OML Units, assuming full conversion or exercise of all outstanding options, warrants, convertible securities or similar rights. On March 20, 2026, AOM paid to OML an advance of \$7,500,000, and OML issued and sold 366,748 membership units to AOM.

OML Equity Exchange Agreement

On April 8, 2026, in connection with the Merger Agreement, Odyssey, OML, and certain of the members of OML (the “OML Members”), entered into an equity exchange agreement (“OML Equity Exchange Agreement”) pursuant to which the OML Members agreed to exchange their OML Units for shares of Odyssey Common Stock as soon as practicable after the effective date of the Merger. In exchange for the OML Units, Odyssey will deliver to each of the OML Members a number of shares of Odyssey Common Stock equal to the number of OML Units held by such OML Member multiplied by a fraction, the numerator of which is the value per unit of OML Units and the denominator of which is the value per share of Odyssey Common Stock.

CIC LLC Note Purchase Agreement

On April 8, 2026, in connection with the Merger Agreement, CIC LLC and AOM entered into a note purchase agreement (the “CIC LLC Note Purchase Agreement”) pursuant to which CIC LLC issued and sold to AOM a convertible promissory note (the “CIC LLC Note”) in an amount of \$5.0 million (the “CIC LLC Note Purchase Price”). At an initial closing, AOM will pay to CIC LLC the CIC LLC Note Purchase Price. The CIC LLC Note Purchase Price will reduce, on a dollar-for-dollar basis, the minimum cash portion of the purchase price payable by Odyssey under the CIC LLC Option Agreement, as described in the section entitled “—*CIC LLC Option Agreement*.”

The principal amount of the note will bear interest at the rate of 8.0% per annum. CIC LLC will pay accrued interest on a quarterly basis by capitalizing each quarterly interest payment as additional principal. All outstanding principal and accrued interest will be due and payable in full on April 7, 2030 (the “CIC LLC Maturity Date”). Upon an event of a default on the interest payments, the principal and any accrued interest will thereafter accrue interest at the rate of 11% per annum until paid in full.

AOM will have the right, at any time and from time to time prior to the CIC LLC Maturity Date, to convert all, but not less than all, of the outstanding principal and accrued and unpaid interest on the CIC LLC Note into the CIC Shares simultaneously with the consummation of the CIC LLC Option. If AOM elects to exercise its conversion right, AOM will be entitled to the number of CIC Shares (rounded to the nearest whole number) equal to the quotient determined by dividing (a) the amount of the outstanding principal and accrued interest to be converted, by (b) 1.22 (the “CIC LLC Conversion Rate”). In lieu of any fractional shares to which AOM would otherwise be entitled, CIC LLC will pay AOM cash equal to such fraction multiplied by the CIC LLC Conversion Rate. To the extent not previously paid or converted, CIC LLC will pay to AOM the entire outstanding amount of principal and accrued interest in cash on the CIC LLC Maturity Date. The obligations of CIC LLC under the CIC LLC Note are non-recourse to CIC LLC except as to CIC LLC’s interest in the CIC Shares.

CIC Ltd Note Purchase Agreement

On April 8, 2026, in connection with the Merger Agreement, CIC Ltd and AOM entered into a note purchase agreement (the “CIC Ltd Note Purchase Agreement”) pursuant to which CIC Ltd issued and sold to AOM a convertible promissory note (the “CIC Ltd Note”) in an amount of up to \$20.0 million (the “CIC Ltd Note Purchase Price”). Within five business days of the date of the CIC Ltd Note Purchase Agreement, at an initial closing, AOM will pay to CIC Ltd a portion of that CIC Ltd Note Purchase Price in an amount to be determined by the parties. CIC Ltd can issue additional requests to AOM for up to \$5.0 million of the CIC Ltd Note Purchase Price following the initial closing, provided, however, that (a) the first additional advance request cannot be made until the fiscal quarter following the initial closing date, and (b) no more than two advance request may be made per fiscal quarter. AOM will advance additional funds to CIC Ltd within 10 business days of each subsequent request if the applicable conditions are met.

The principal amount of the CIC Ltd Note will equal the aggregate amount paid to CIC Ltd by AOM. The principal amount of the CIC Ltd Note will bear interest at the rate of 8.0% per annum. CIC Ltd will pay accrued interest on a quarterly basis by capitalizing each quarterly interest payment as additional principal. All outstanding principal and accrued interest will be due and payable in full on April 7, 2030 (the “CIC Ltd Maturity Date”). Upon an event of a default on the interest payments, the principal and any accrued interest will thereafter accrue interest at the rate of 11.0% per annum until paid in full.

AOM will have the right, at any time and from time to time prior to the CIC Ltd Maturity Date, to convert all or any portion of the outstanding principal and accrued interest of the note into CIC Shares. If AOM elects to exercise its conversion right, AOM will be entitled to the number of CIC Shares (rounded to the nearest whole number) equal to the quotient determined by dividing (a) the amount of the outstanding principal and accrued interest to be converted, by (b) the rate, computed immediately before the initial closing on a fully-diluted as-converted basis taking into account all equity securities of CIC Ltd, that ascribed to CIC Ltd a valuation of \$200.0 million (the “CIC Ltd Conversion Rate”). In lieu of any fractional shares to which AOM would otherwise be entitled, CIC Ltd will pay AOM cash equal to such fraction multiplied by the CIC Ltd Conversion Rate. To the extent not previously paid or converted, CIC Ltd will pay to AOM the entire outstanding amount of principal and accrued interest in cash on the CIC Ltd Maturity Date.

Support Agreements

Odyssey Support Agreement

On April 8, 2026, in accordance with the Merger Agreement, Odyssey, AOM, and certain Odyssey stockholders (the “Odyssey Support Stockholders”) entered into a support agreement (“Odyssey Support Agreement”) pursuant to which each Odyssey Support Stockholder agreed that at any meeting of the stockholders of Odyssey, each Odyssey Support Stockholder will (a) cause its voting shares of Odyssey to be counted as present thereat for the purpose of establishing a quorum, and (b) vote, or cause to be voted, all of its voting shares of Odyssey, (i) in favor of the Odyssey Share Issuance, the Odyssey Articles Amendment, and any other proposal, action, or matter necessary or advisable to consummate the other transactions contemplated by the Merger Agreement, (ii) in favor of any proposal to adjourn or postpone any meeting of the stockholders of Odyssey, if there are insufficient votes to approve such matters at the time any such meeting is held, (iii) against any transaction, reorganization, or action that would reasonably be expected to impede or interfere with the transactions contemplated by the Merger Agreement or the Odyssey Support Agreement, or any change in Odyssey’s corporate structure or business, except as expressly permitted by the Merger Agreement. Certain of the Odyssey Support Stockholders also agreed to a customary restrictions on any transfers of voting shares of Odyssey, subject to customary exceptions. Any transfers in violation of these restrictions will be null and void.

Lock-Up Agreements

Odyssey and holders of AOM Common Stock, and the Bridge Investors (the “Lock-Up Holders”), entered into lock-up agreements (the “Lock-Up Agreements”) pursuant to which, during the applicable lock-up periods commencing on the date of the Closing, the Lock-Up Holders will not, directly or indirectly, sell or otherwise transfer any shares of Odyssey Common Stock, or make any public announcement or filing under applicable securities laws regarding any of the foregoing; provided that (i) the Bridge Investors are subject to a full lock-up for a period of sixty (60) days following the closing of the Merger Agreement, with all such shares released thereafter, and (ii) holders of AOM Common Stock are subject to a full lock-up through ninety (90) days following the closing of the Merger Agreement, followed by staged releases thereafter. Notwithstanding the foregoing, the restrictions will not apply to transfers (a) by gift or for estate-planning purposes, (b) by will or intestacy upon death, (c) to any affiliate, trust, partnership, or other entity for the benefit of the Lock-Up Holder or its immediate family, or (d) in the case of an entity, to its members, partners or stockholders, provided that the transferee agrees in writing to be bound by the applicable restrictions. Any purported transfer by the Lock-Up Holders of Odyssey Common Stock in violation of the foregoing restrictions will be null and void and will not be recognized by Odyssey or its transfer agent.

ORM Disposition

Odyssey, through an indirect wholly owned subsidiary, Odyssey Marine Enterprises Ltd., a company organized in the Bahamas (“OME”), currently owns approximately 78.3% of the equity interests in Oceanica Resources Mexico, S. de R.L. de C.V., a company organized in Mexico (“ORM”). ORM owns a 50.0% interest in Phosagmex, S.A.P.I. de C.V., a joint venture company organized in Mexico (“Phosagmex”). The remaining 50.0% interest in Phosagmex is owned by Capital Latinoamericano, S.A. de C.V., a company organized in Mexico (“CapLat”).

Pursuant to the terms of the Merger Agreement, Odyssey agreed to organize a new corporation (“ORM HoldCo”) and to contribute its interests in ORM to ORM HoldCo. Odyssey will then transfer its interests in ORM HoldCo to a newly formed liquidating trust (the “ORM Trust”), the beneficiaries of which will be the holders of Odyssey Common Stock as of a record date prior to the consummation of the Merger (the “Trust Beneficiaries”).

The purpose of ORM HoldCo and the ORM Trust is to hold and preserve the value of ORM and ORM’s assets until Phosagmex receives certain project approvals from the government of Mexico. If the project approvals are received, ORM HoldCo will then either (a) sell ORM and/or ORM’s assets and distribute the net proceeds therefrom to the ORM Trust (for further distribution to the Trust Beneficiaries) and any other equity holders of ORM HoldCo or (b) conduct an initial public offering and distribute the shares of ORM HoldCo to the ORM Trust (for further distribution to the Trust Beneficiaries) and any other equity holders of ORM HoldCo.

In connection with these transactions, Odyssey and AOM have agreed that ORM HoldCo will enter into a support agreement (the “ORM Support Agreement”) pursuant to which Odyssey will, for the term of the ORM Trust, provide ORM HoldCo and its subsidiaries with administrative services, access to records and personnel in connection with the enforcement of the arbitral award issued by the International Centre for Settlement of Investment Disputes on the claims brought by Odyssey against Mexico under the North American Free Trade Agreement, and other specified support services.

Completion of the ORM disposition in all material respects, including obtaining a commitment for the financing necessary to fund the activities of ORM HoldCo and its subsidiaries for at least 18 months after the Merger, is a condition to AOM’s obligation to close under the Merger Agreement.

Odyssey and AOM have based these forward-looking statements largely on their then-current expectations and projections about future events, as well as the beliefs and assumptions of management. Forward-looking statements are subject to a number of risks and

uncertainties, many of which involve factors or circumstances that are beyond each of Odyssey's and AOM's control, and actual results could differ materially from those stated or implied in forward-looking statements due to a number of factors, including but not limited to: (i) the risk that the conditions to the closing or consummation of the proposed Merger are not satisfied, including the failure to obtain stockholder approval for the proposed Merger; (ii) uncertainties as to the timing of the consummation of the proposed Merger and the ability of each of Odyssey and AOM to consummate the transactions contemplated by the proposed Merger; (iii) risks related to Odyssey's and AOM's ability to correctly estimate their respective operating expenses and expenses associated with the proposed Merger, as applicable, as well as uncertainties regarding the impact any delay in the closing would have on the anticipated cash resources of the resulting combined company upon closing and other events and unanticipated spending and costs that could reduce the combined company's cash resources; (iv) the occurrence of any event, change or other circumstance or condition that could give rise to the termination of the proposed Merger by either Odyssey or AOM; (v) the effect of the announcement or pendency of the proposed Merger on Odyssey's or AOM's business relationships, operating results, and business generally; (vi) costs related to the proposed Merger; (vii) the outcome of any legal proceedings that may be instituted against Odyssey, AOM, or any of their respective directors or officers related to the Merger Agreement or the transactions contemplated thereby; (viii) the ability of Odyssey or AOM to protect their respective intellectual property rights; (ix) competitive responses to the proposed Merger; (x) unexpected costs, charges or expenses resulting from the proposed Merger; (xi) whether the combined business of AOM and Odyssey will be successful; (xii) legislative, regulatory, political and economic developments; and (xiii) additional risks described in the "Risk Factors" section of Odyssey's Annual Report on Form 10-K for the fiscal year ended December 31, 2025, filed with the SEC on March 31, 2026. Additional assumptions, risks and uncertainties are described in detail in Odyssey's registration statements, reports and other filings with the SEC, which are available on Odyssey's website, and at www.sec.gov. Accordingly, you should not rely upon forward-looking statements as predictions of future events. Neither Odyssey nor AOM can assure you that the events and circumstances reflected in the forward-looking statements will be achieved or occur, and actual results could differ materially from those projected in the forward-looking statements. The forward-looking statements made in this communication relate only to events as of the date on which the statements are made. Except as required by applicable law or regulation, Odyssey and AOM undertake no obligation to update any forward-looking statement to reflect events or circumstances after the date on which the statement is made or to reflect the occurrence of unanticipated events. Investors should not assume that any lack of update to a previously issued "forward-looking statement" constitutes a reaffirmation of that statement.

WHEREAS, upon the terms and subject to the conditions of this Agreement, the Parties intend to enter into a business combination transaction pursuant to which, in accordance with the Delaware General Corporation Law (the “**DGCL**”), Merger Sub shall merge with and into AOM, with AOM surviving such merger (the “**Merger**”), whereby each issued and outstanding share of AOM Common Stock will be exchanged for Odyssey Common Stock as further described herein;

WHEREAS, the Odyssey Special Transaction Committee has unanimously determined, by duly adopted resolutions, that this Agreement and the transactions contemplated hereby, including the Merger, the issuance of shares of Odyssey Common Stock in connection with the Merger (the “**Odyssey Share Issuance**”), the issuance of Odyssey Assumed Warrants (as defined below) in connection with the Merger (including the issuance of shares of Odyssey Common Stock issuable upon exercise of the Odyssey Assumed Warrants) (the “**Odyssey Assumed Warrants Issuance**”), and the amendment to Odyssey’s Articles of Incorporation in the form of the A&R Odyssey Articles (the “**Odyssey Articles Amendment**”), are fair to and in the best interests of Odyssey and the Odyssey Shareholders, and has recommended that the Odyssey Board approve, adopt, and declare advisable this Agreement and the transactions contemplated hereby, and recommend that the Odyssey Shareholders approve the Transaction Proposals (as defined below);

WHEREAS, acting upon the unanimous recommendation of the Odyssey Special Transaction Committee, the Odyssey Board has unanimously determined, by duly adopted resolutions, that this Agreement and the transactions contemplated hereby, including the Merger, the Odyssey Share Issuance, and the Odyssey Articles Amendment, are fair to and in the best interests of Odyssey and the Odyssey Shareholders, and has (a) approved, adopted, and declared advisable this Agreement and the transactions contemplated hereby, (b) directed that the Odyssey Share Issuance and the Odyssey Articles Amendment be submitted to a vote of the Odyssey Shareholders, and (c) resolved to recommend that the Odyssey Shareholders approve (x) the Odyssey Share Issuance for purposes of the rules and regulations of Nasdaq and (y) the Odyssey Articles Amendment;

WHEREAS, the board of directors of AOM (the "**AOM Board**") has unanimously determined, by duly adopted resolutions, that this Agreement and the transactions contemplated hereby, including the Merger, are fair to and in the best interests of AOM and the AOM Stockholders, and has (a) approved, adopted, and declared advisable this Agreement and the transactions contemplated hereby on the terms and subject to the conditions set forth herein, (b) directed that this Agreement be submitted to the AOM Stockholders for adoption and approval, and (c) resolved to recommend that the AOM Stockholders adopt and approve this Agreement and the transactions contemplated hereby, including the Merger;

WHEREAS, the board of directors of Merger Sub has unanimously determined, by duly adopted resolutions, that this Agreement and the transactions contemplated hereby, including the Merger, are fair to and in the best interests of Merger Sub and its sole stockholder, and has (a) approved, adopted, and declared advisable this Agreement and the transactions contemplated hereby, (b) directed that this Agreement be submitted to Merger Sub's sole stockholder for adoption, approval, and ratification, and (c) resolved to recommend that Merger Sub's sole stockholder adopt and approve this Agreement and the transactions contemplated hereby, including the Merger;

WHEREAS, the Parties acknowledge and agree that, for U.S. federal (and applicable state and local) income tax purposes, the Merger is intended to qualify as a "reorganization" within the meaning of Section 368(a) of the Code (with this Agreement being adopted as a "plan of reorganization" within the meaning of Treasury Regulations Sections 1.368-2(g) and 1.368-3 for purposes of Section 354 of the Code) and, together with certain other transactions occurring in connection with the Merger, as a transaction described under Section 351(a) of the Code.

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the Parties hereby agree as follows:

ARTICLE I **THE MERGER**

Section 1.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with the DGCL, Merger Sub will merge with and into AOM at the Effective Time. Following the Merger, the separate corporate existence of Merger Sub will cease, and AOM will continue as the Surviving Corporation and as a wholly owned Subsidiary of Odyssey.

Section 1.2 Effective Time. Upon the terms and subject to the provisions of this Agreement, as soon as practicable on the Closing Date, the Parties shall cause the Merger to be consummated by filing a certificate of merger, in form and substance reasonably acceptable to AOM and Odyssey (the "**Certificate of Merger**"), with the Secretary of State of the State of Delaware in accordance with the applicable provisions of the DGCL. The Merger will become effective at the time the Certificate of Merger is duly filed with the Secretary of State of the State of Delaware, or at such other date or time as Odyssey and AOM may agree in writing and specify in the Certificate of Merger (such time, the "**Effective Time**").

Section 1.3 Governing Documents. At the Effective Time, Odyssey shall cause the Organizational Documents of the Surviving Corporation to be amended and restated in their entirety to contain the provisions set forth in the Organizational Documents of Merger Sub as in effect immediately prior to the Effective Time.

Section 1.4 Directors and Officers.

(a) From and after the Effective Time, and until their successors are duly elected or appointed and qualified in accordance with applicable Law: (i) the directors of Merger Sub immediately prior to the Effective Time shall become the directors of the Surviving Corporation; and (ii) the officers of Merger Sub immediately prior to the Effective Time shall become the officers of the Surviving Corporation.

(b) Prior to the Effective Time, Odyssey shall, subject to compliance with Section 14(f) of the Exchange Act and Rule 14f-1 promulgated thereunder, take all necessary corporate action so that, as of the Effective Time, the Odyssey Board shall consist of seven (7) directors, comprised of: (i) the individuals listed in Section 1.4(b) of the AOM Disclosure Schedule; and (ii) the Post-Closing Odyssey Chief Executive Officer; provided, however, that if any individual listed in Section 1.4(b) of the AOM Disclosure Schedule is, prior to the Effective Time, unwilling, unable or no longer capable of serving as a director as of the Effective Time, AOM shall have the right to designate a replacement individual, subject to good-faith consultation with Odyssey, and provided further that any such replacement individual shall meet the applicable standards to serve as a director under the rules and regulations of Nasdaq and Odyssey's applicable policies regarding director qualifications. Subject to applicable Law and consistent with Odyssey's Organizational Documents, Odyssey shall, with AOM's assistance, prepare and mail to Odyssey Shareholders an information statement containing the information required by Section 14(f) of the Exchange Act and Rule 14f-1 promulgated thereunder at least ten (10) days prior to the Effective Time. AOM shall timely provide Odyssey with all information regarding AOM, its director designees, and their respective Affiliates required for compliance with Section 14(f) of the Exchange Act and Rule 14f-1 promulgated thereunder, and Odyssey may rely on such information for purposes thereof.

(c) Prior to the Effective Time, Odyssey shall take all necessary corporate action so that, as of the Effective Time, the individual listed in Section 1.4(c) of the AOM Disclosure Schedule shall serve as the Chief Executive Officer of Odyssey, so long as such individual is willing and able to serve (the "**Post-Closing Odyssey Chief Executive Officer**"); provided, however, that if such individual is, prior to the Effective Time, unwilling, unable or no longer capable of serving as the Post-Closing Odyssey Chief Executive Officer as of the Effective Time, AOM shall have the right to designate a replacement individual, subject to good-faith consultation with Odyssey.

ARTICLE II **MERGER CONSIDERATION; CONVERSION OF SECURITIES**

Section 2.1 Closing Date Statement. Not less than five (5) Business Days prior to the Closing Date, AOM shall deliver to Odyssey a statement, signed by AOM's Chief Executive Officer, that (A) identifies each AOM Stockholder of record, as well as each Bridge Investor and PIPE Investor who will, pursuant to the Subscription Agreements, become an AOM Stockholder immediately prior to the Closing, (B) specifies the number of shares of AOM Common Stock owned (or to be owned immediately prior to the Closing) by each such AOM Stockholder, Bridge Investor, or PIPE Investor, and (C) with respect to each AOM Stockholder identified on Section 2.3(d) of the AOM Disclosure Schedule, sets forth the number of shares of Odyssey Common Stock that such AOM Stockholder will be entitled to receive pursuant to this Article II, together with the beneficial ownership (as defined in Section 13(d) of the Exchange Act) of shares of

Odyssey Common Stock held by such AOM Stockholder immediately after the Effective Time, including the beneficial ownership of shares of Odyssey Common Stock held by such AOM Stockholder's Affiliates, in each case as reasonably necessary to enable Odyssey and the Exchange Agent to determine and effect the proper allocation of Merger Consideration between Odyssey Common Stock and Odyssey New Preferred Shares pursuant to Section 2.3(d) (the "**Closing Date Capitalization Statement**"). The Odyssey Parties, the Surviving Corporation, the Exchange Agent and each of their respective directors, officers, employees, representatives and Affiliates shall be entitled to rely conclusively on, and all AOM Stockholders shall be bound for all purposes under this Agreement by, the information set forth in the Closing Date Capitalization Statement (subject to any modifications agreed to in writing between Odyssey and AOM prior to the Effective Time, including to reflect (without prejudice to the condition set forth in Section 6.3(e)(i)) the actual amount of the PIPE Investment consummated prior to the Effective Time).

Section 2.2 Calculation of the Merger Consideration.

(a) **Merger Consideration.** Odyssey shall issue at the Closing with respect to AOM Common Stock, an aggregate number of shares of Odyssey Common Stock (or equivalent in the form of Odyssey New Preferred Shares as set forth in Section 2.3(d)) equal to the Exchange Ratio multiplied by the AOM Common Stock Amount (the "**Merger Consideration**"). Schedule B includes a preliminary calculation of the Merger Consideration and AOM Common Stock Amount as of the date hereof.

(b) **Determination of AOM Common Stock Amount.** The "AOM Common Stock Amount" shall be the sum of:

- (i) the number of shares of AOM Common Stock outstanding on the date of hereof, as set forth in Section 3.3;
- (ii) the number of shares of AOM Common Stock issued immediately prior to the Effective Time pursuant to, and in connection with, the Bridge Debentures, including any additional shares of AOM Common Stock issuable upon conversion of the Bridge Debentures pursuant to the anti-dilution provisions of that certain Contract set forth on Section 2.2(b)(ii) of the AOM Disclosure Schedule (the "**Anti-Dilution Agreement**"); and
- (iii) the number of shares of AOM Common Stock issued immediately prior to the Effective Time pursuant to the PIPE Agreements.

(c) Notwithstanding any other provision in this Agreement, if, in the determination of AOM,

- (i) the AOM Stockholders (together with any other persons receiving stock of Odyssey pursuant to the Specified CIC and OML Agreements) will not be in "control" of Odyssey within the meaning of Section 368(c) of the Code immediately after the closing of the Merger and the transactions contemplated by the Specified CIC and OML Agreements, or

(ii) the Merger Consideration will not satisfy the requirement under Section 368(a)(2)(E)(ii) of the Code,

the Merger Consideration shall be adjusted such that the AOM Stockholders otherwise receiving Odyssey New Preferred Shares will receive (in lieu of Odyssey New Preferred Shares) an amount of Odyssey Common Stock sufficient (as reasonably determined by AOM and based on advice of nationally recognized tax counsel) for the AOM Stockholders (together with any persons receiving stock of Odyssey pursuant to the Specified CIC and OML Agreements) to so be in “control” of Odyssey at such time and for the Merger Consideration to satisfy the requirement under Section 368(a)(2)(E)(ii) of the Code.

Section 2.3 Payment of the Merger Consideration.

(a) Exchange Agent; Exchange Agent Fund. Prior to the Effective Time, Odyssey shall appoint a Person authorized to act as an exchange agent in connection with the transactions contemplated by this Agreement, which Person shall be reasonably acceptable to AOM (the “**Exchange Agent**”), and enter into an exchange agent agreement reasonably acceptable to Odyssey and AOM with the Exchange Agent (the “**Exchange Agent Agreement**”) for the purpose of (i) exchanging AOM Common Stock for the Merger Consideration in accordance with this Agreement and (ii) delivering or facilitating the delivery of the Merger Consideration to the AOM Stockholders in accordance with this Agreement. At the Effective Time, Odyssey shall deposit, or cause to be deposited, with the Exchange Agent, in trust for the benefit of AOM Stockholders (including the Bridge Investors and PIPE Investors that will become AOM Stockholders immediately prior to the Effective Time), evidence of book-entry shares representing a number of whole shares of Odyssey Common Stock and Odyssey New Preferred Shares equal to the aggregate Merger Consideration deliverable to AOM Stockholders pursuant to this Article II (such shares, the “**Exchange Agent Fund**”). The Exchange Agent Fund shall be held and disbursed in accordance with the terms of this Agreement and the Exchange Agent Agreement.

(b) Subject to Section 2.5, at the Closing, Odyssey shall cause to be issued or paid from the Exchange Agent Fund to each AOM Stockholder holding AOM Common Stock immediately prior to the Effective Time (other than shares of AOM Common Stock canceled pursuant to Section 2.4(c) and any AOM Dissenting Shares) evidence of book-entry shares representing the number of shares of Odyssey Common Stock and Odyssey New Preferred Shares comprising the portion of the aggregate Merger Consideration payable in respect of such AOM Common Stock. Notwithstanding anything to the contrary herein, any shares of Odyssey Common Stock or Odyssey New Preferred Shares issued pursuant to this Article II to any AOM Stockholder or Bridge Investor that is subject to a lockup agreement entered into in connection with this Agreement, substantially in the form attached hereto as Exhibit E, shall be issued subject to the terms of such lockup agreement, and Odyssey shall cause appropriate stop-transfer instructions and appropriate book-entry notations and holder notices reflecting such restrictions to be made in the records of Odyssey or its transfer agent.

(c) Notwithstanding anything to the contrary contained herein, in no event shall Odyssey be required to pay an amount in excess of the Merger Consideration as calculated in accordance with Section 2.2.

(d) The AOM Stockholders identified on Section 2.3(d) of the AOM Disclosure Schedule shall, to the extent that receipt of shares of Odyssey Common Stock as Merger Consideration would cause such Persons and their respective Affiliates to beneficially own (as defined in Section 13(d) of the Exchange Act) more than 4.99% of the outstanding shares of Odyssey Common Stock immediately after the Closing, receive, in lieu of the shares of Odyssey Common Stock in excess of such 4.99% threshold, a number of Odyssey New Preferred Shares convertible into an equivalent number of shares of Odyssey Common Stock.

Section 2.4 Conversion of AOM Securities. At the Effective Time, by virtue of the Merger and without any action on the part of any Party or any holder of AOM securities:

(a) **Conversion of AOM Common Stock.** Each issued and outstanding share of AOM Common Stock (other than shares canceled pursuant to Section 2.4(c) and any AOM Dissenting Shares) shall, subject to Section 2.2(c), be canceled and automatically converted into the right to receive a number of shares of Odyssey Common Stock or Odyssey New Preferred Shares, as applicable, equal to the Exchange Ratio (the "**Per Share Merger Consideration**"), as adjusted from time to time in accordance with Section 2.5(c), payable, without interest, to the applicable AOM Stockholder in accordance with Section 2.3(a) and Section 2.5.

(b) **Conversion of AOM PIPE Warrants.** Each AOM PIPE Warrant that is outstanding immediately prior to the Effective Time shall, as of the Effective Time, cease to represent a right to acquire shares of AOM Common Stock and shall be assumed by Odyssey and converted into a warrant to purchase shares of Odyssey Common Stock (each, an "**Odyssey Assumed Warrant**," and collectively, the "**Odyssey Assumed Warrants**"), on the same terms and conditions as were applicable to such AOM PIPE Warrant immediately prior to the Effective Time, except as expressly provided herein. The shares of Odyssey Common Stock issuable upon exercise of the Odyssey Assumed Warrants are referred to as the "**Odyssey Assumed Warrant Shares**." The number of Odyssey Assumed Warrant Shares issuable upon exercise of each Odyssey Assumed Warrant shall be equal to the number of shares of AOM Common Stock subject to such AOM PIPE Warrant immediately prior to the Effective Time, multiplied by a fraction, (x) the numerator of which is the exercise price in effect immediately prior to the Effective Time and (y) the denominator of which is the exercise price in effect immediately following the Effective Time. The exercise price per share of each Odyssey Assumed Warrant shall be equal to (i) the exercise price per share of AOM Common Stock otherwise purchasable pursuant to such AOM PIPE Warrant immediately prior to the Effective Time, divided by (ii) the Exchange Ratio, with such exercise price rounded up to the nearest one-hundredth of a dollar.

(c) **Cancellation of Treasury Stock and Odyssey-Owned Stock.** Each share of AOM Common Stock held in the treasury of AOM or owned by Odyssey or Merger Sub immediately prior to the Effective Time shall be canceled automatically without any conversion thereof, and no payment or distribution shall be made with respect to such shares.

(d) **Equity Interests of Merger Sub.** Each share of common stock of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and exchanged for one (1) validly issued, fully paid, and nonassessable share of common stock of the Surviving Corporation, which shall constitute the only outstanding shares of capital stock of the Surviving Corporation as of the Effective Time.

Section 2.5 Exchange Procedures for AOM Stockholders.

(a) Payment Procedures. Prior to the Closing, AOM shall mail or otherwise deliver, or shall cause the Exchange Agent to mail or otherwise deliver, to each AOM Stockholder, Bridge Investor and PIPE Investor entitled to receive Per Share Merger Consideration pursuant to Section 2.4(a), a letter of transmittal in a form to be mutually agreed by AOM and Odyssey prior to the Closing, with such modifications as may be reasonably required by the Exchange Agent (the “**AOM Letter of Transmittal**”), together with any notice required under Section 262 of the DGCL. Subject to the conditions in Article VI, if an AOM Stockholder, Bridge Investor or PIPE Investor fails to deliver a duly executed and completed AOM Letter of Transmittal at least three (3) Business Days prior to the Closing Date, such failure shall not alter, limit, or delay the Closing; provided, however, that such AOM Stockholder, Bridge Investor or PIPE Investor shall not be entitled to receive its Per Share Merger Consideration until it delivers a duly executed and completed AOM Letter of Transmittal to the Exchange Agent. Upon such delivery, such AOM Stockholder, Bridge Investor or PIPE Investor shall be entitled to receive, subject to this Agreement, the Per Share Merger Consideration payable in respect of the shares of AOM Common Stock referenced therein. Until surrendered as contemplated by this Section 2.5, each share of AOM Common Stock shall, at all times after the Effective Time, represent only the right to receive the Per Share Merger Consideration upon such surrender in accordance with this Article II.

(b) No Further Rights. All Per Share Merger Consideration paid upon the surrender of AOM Common Stock in accordance with this Article II shall be deemed to have been exchanged and paid in full satisfaction of all rights pertaining to such shares. No further transfers shall be registered on the stock transfer books of the Surviving Corporation with respect to shares of AOM Common Stock outstanding immediately prior to the Effective Time. From and after the Effective Time, holders of AOM Common Stock shall cease to have any rights as stockholders of AOM, except as provided in this Agreement or required by applicable Law.

(c) Changes in Odyssey Stock. If, between the date of this Agreement and the Effective Time, the outstanding shares of Odyssey Common Stock shall have been changed into a different number of shares or a different class by reason of any stock split, reverse stock split, stock dividend (including any stock dividend of securities convertible into Odyssey Common Stock, other than in connection with the Non-Core Asset Transactions), consolidation, reorganization, reclassification, recapitalization, combination, exchange of shares or similar event, in each case effected in accordance with the terms of this Agreement, then the Merger Consideration payable pursuant to the Merger shall be appropriately adjusted to reflect fully the effect of such event so that the recipients thereof shall receive the same economic benefit as contemplated by this Agreement and the Merger prior to such event. For the avoidance of doubt, to the extent that the Merger Consideration is payable in Odyssey New Preferred Shares in lieu of Odyssey Common Stock in accordance with this Agreement, any adjustment to the Merger Consideration pursuant to this Section 2.5(c) shall apply equally to such Odyssey New Preferred Shares on an as-converted to Odyssey Common Stock basis. As so adjusted, the Merger Consideration shall, from and after the date of such event, be the Merger Consideration payable per share of AOM Common Stock hereunder, subject to further adjustment pursuant to this Section 2.5(c). In the event that the Reverse Stock Split contemplated by Section 5.19 occurs, the Parties agree that the corresponding adjustment to the Merger Consideration contemplated by this Section 2.5(c) shall be effected by multiplying the Exchange Ratio by the applicable split ratio (expressed as a fraction) as announced

by Odyssey, and, for the avoidance of doubt, such adjustment shall not give effect to, or take into account, any rounding up to whole shares implemented in connection with such Reverse Stock Split. By way of example (and assuming there have been no prior adjustments effected pursuant to this Section 2.5(c)), if the Reverse Stock Split implements a 1-for-20 reverse stock split, the resulting Exchange Ratio as adjusted by this Section 2.5(c) will be 0.2251, which is the product of multiplying 4.5017 by 0.05.

(d) Fractional Shares. No fractional shares of Odyssey Common Stock shall be issued in exchange for AOM Common Stock. In lieu thereof, the Exchange Agent shall round each fractional share up or down to the nearest whole share, with 0.5 rounded up. No cash payments shall be made in respect of fractional shares eliminated by rounding.

(e) Dividends. No dividends or other distributions declared with respect to Odyssey Common Stock, the record date for which falls at or after the Effective Time, shall be paid to any AOM Stockholder that has not delivered a properly completed, duly executed AOM Letter of Transmittal. After such delivery, such AOM Stockholder shall be entitled to receive, without interest, any such dividends or other distributions that became payable with respect to Odyssey Common Stock issuable to such stockholder.

(f) AOM Dissenting Shares. Notwithstanding anything in this Agreement to the contrary, any AOM Dissenting Share shall not be converted into the right to receive its applicable portion of the Merger Consideration, but instead shall be converted into the right to receive such consideration as may be determined to be payable with respect to such share in accordance with the DGCL. Each holder of AOM Dissenting Shares who becomes entitled to payment under the DGCL shall receive payment therefor solely in accordance with the DGCL (and only after the value of such shares has been agreed upon or finally determined pursuant to the DGCL). If, after the Effective Time, any AOM Dissenting Share loses its status as an AOM Dissenting Share, such share shall automatically be converted into the right to receive its applicable portion of the Merger Consideration as if it had never been an AOM Dissenting Share, and Odyssey shall deliver, or cause to be delivered, to the holder thereof, following satisfaction of the applicable conditions set forth in this Section 2.5, the applicable portion of the Merger Consideration. AOM shall promptly notify Odyssey of any demands for appraisal, withdrawals of such demands, or any other instruments served pursuant to the DGCL and received by AOM. AOM shall not, without Odyssey's prior written consent, make or offer to make any payment with respect to, or settle or offer to settle, any claim relating to any AOM Dissenting Share. AOM shall, and shall cause its Affiliates to, enforce any contractual waivers of appraisal rights applicable to the Merger that have been granted by any AOM Stockholders, Bridge Investors or PIPE Investors.

Section 2.6 Withholding Rights. Each of the Parties, the Surviving Corporation, and the Exchange Agent shall be entitled to deduct and withhold from any consideration payable pursuant to this Agreement such amounts as are required to be deducted or withheld under applicable Laws (each, a "**Withholding Party**"); provided, however, that (a) except with respect to any withholding resulting from AOM's failure to provide a FIRPTA Certificate pursuant to Section 5.6(c), each Withholding Party shall use commercially reasonable efforts to provide notice to the AOM Stockholders no less than five (5) days prior to any withholding, and (b) the Parties shall reasonably cooperate in good faith to reduce or eliminate any such withholding. Any amounts so withheld shall be treated for all purposes of this Agreement as having been paid to the AOM Stockholders in respect of whom such deduction or withholding was made.

ARTICLE III
REPRESENTATIONS AND WARRANTIES OF AOM

Except as set forth in the disclosure schedules delivered by AOM to the Odyssey Parties concurrently with the execution of this Agreement (the "**AOM Disclosure Schedule**"), in each case under the corresponding section referenced below (or, to the extent it is reasonably apparent on its face that such disclosure qualifies or applies to another representation or warranty, under any other applicable section), and subject to the terms, conditions and limitations of this Agreement, AOM hereby represents and warrants to the Odyssey Parties as follows:

Section 3.1 Organization. AOM (a) is a corporation duly incorporated, validly existing, and in good standing under the Laws of the State of Delaware, and (b) has all requisite corporate power and authority to own, lease and operate its properties and to conduct its business in all material respects as it is presently conducted, except where the failure to have such power or authority would not prevent or materially delay the consummation of the transactions contemplated by this Agreement or the Ancillary Agreements to which AOM is a party. AOM is duly qualified, licensed or registered to transact business as a foreign entity, and is in good standing, under the Laws of each jurisdiction in which the character or location of its properties or assets, or the nature of its activities, requires such qualification, licensing or registration, except where the failure to be so qualified, licensed or registered would not reasonably be expected to have an AOM Material Adverse Effect.

Section 3.2 Authorization. AOM has all requisite corporate power and authority to execute and deliver this Agreement and each Ancillary Agreement to which it is a party, to perform its obligations hereunder and thereunder, and to consummate the transactions contemplated hereby and thereby, subject, in the case of the consummation of the Merger, to the approval and adoption of this Agreement by the holders of a majority of the voting power of the outstanding shares of AOM Common Stock (the "**Requisite AOM Approval**"). The Requisite AOM Approval will be obtained by the AOM Written Consent and, upon delivery, such Requisite AOM Approval will constitute the only vote or approval of the holders of any class or series of AOM's capital stock necessary to adopt this Agreement and each Ancillary Agreement to which AOM is a party, and to approve the transactions contemplated hereby and thereby. The execution and delivery of this Agreement and the Ancillary Agreements to which it is a party, and the consummation of the transactions contemplated hereby and thereby, have been duly authorized by all necessary corporate action on the part of AOM. Assuming the due authorization, execution and delivery of this Agreement and the Ancillary Agreements to which it is a party by each other party thereto, this Agreement and each such Ancillary Agreement constitute the legal, valid and binding obligations of AOM, enforceable against AOM in accordance with their respective terms, subject to applicable bankruptcy, insolvency and other similar Laws affecting the rights of creditors generally, and to general equitable principles (regardless of whether considered in a proceeding at Law or in equity).

Section 3.3 Capitalization. The authorized capital stock of AOM consists solely of two-hundred and fifty million (250,000,000) shares of AOM Common Stock. As of the date hereof, 106,777,300 shares of AOM Common Stock are issued and outstanding. All issued and outstanding shares of AOM Common Stock are duly authorized, validly issued, fully paid and nonassessable. Other than the shares of AOM Common Stock issuable pursuant to the Subscription Agreements, there will be no other changes to the capital stock of AOM between the date hereof and the Closing. None of the issued and outstanding shares of AOM Common Stock were issued in violation of any preemptive rights, Laws or Orders and, except as set forth on Section 3.3 of the AOM Disclosure Schedule, are owned, beneficially and of record, by the AOM Stockholders free and clear of all Liens. Except as set forth on Section 3.3 of the AOM Disclosure Schedule, (a) there are no stock appreciation, phantom stock, stock-based performance units, profit participation, restricted stock, restricted stock units, other equity-based compensation awards or similar rights with respect to AOM; and (b) there are no options, warrants, rights, convertible or exchangeable securities, “phantom” rights, appreciation rights, performance units, commitments or other agreements relating to AOM Common Stock or obligating AOM or any AOM Stockholder to issue, deliver or sell, or cause to be issued, delivered or sold, any shares of AOM Common Stock or any other equity interest in AOM, including any security convertible into or exercisable for AOM Common Stock. Except as set forth on Section 3.3 of the AOM Disclosure Schedule, there are no Contracts to which AOM is a party that require AOM to repurchase, redeem or otherwise acquire any shares of AOM Common Stock or any securities convertible into or exchangeable for AOM Common Stock, or to make any investment in any other Person (collectively, the “**Stockholders Rights**”). The execution of this Agreement and the consummation of the Merger will not trigger any Stockholders Rights. Except as set forth on Section 3.3 of the AOM Disclosure Schedule, there are no voting trusts, stockholder agreements, proxies or other agreements in effect with respect to the voting or transfer of any shares of AOM Common Stock or any other interests in AOM. Except as set forth on Section 3.3 of the AOM Disclosure Schedule, all AOM Stockholders, Bridge Investors and PIPE Investors are Accredited Investors. AOM Common Stock is uncertificated.

Section 3.4 AOM Subsidiaries. Section 3.4 of the AOM Disclosure Schedule sets forth a true and complete list of each Subsidiary of AOM, including the jurisdiction of incorporation or organization of each such Subsidiary and the percentage of the outstanding shares, share capital or other equity interests of each such Subsidiary owned by AOM or any other Subsidiary of AOM. Except as set forth in Section 3.4 of the AOM Disclosure Schedule, no equity interests of any Subsidiary of AOM are issued or outstanding. Each Subsidiary of AOM (a) is duly incorporated or organized, validly existing, and in good standing (to the extent such concept is applicable) under the Laws of its jurisdiction of incorporation or organization, and (b) has all requisite corporate or similar power and authority to own, lease and operate its properties and assets and to conduct its business as it is currently conducted. Except as set forth on Section 3.4 of the AOM Disclosure Schedule, (a) there are no stock appreciation, phantom stock, stock-based performance unit, profit participation, restricted stock, restricted stock unit, other equity-based compensation awards or similar rights with respect to any Subsidiary of AOM; and (b) there are no options, warrants, rights, convertible or exchangeable securities, “phantom” rights, appreciation rights, performance units, commitments or other agreements relating to any capital stock of any Subsidiary of AOM or obligating any such Subsidiary of AOM or AOM to issue, deliver or sell, or cause to be issued, delivered or sold, any capital stock of any Subsidiary of AOM or any other equity interest in any such Subsidiary of AOM, including any security convertible into or exercisable for any capital stock of any Subsidiary of AOM. Except as set forth on Section 3.4 of the AOM Disclosure Schedule, there are no Contracts to which AOM or any Subsidiary of AOM

is a party that require any Subsidiary of AOM to repurchase, redeem or otherwise acquire any equity interests of such Subsidiary or any securities convertible into or exchangeable for equity interests of such Subsidiary, or to make any investment in any other Person (collectively, the “**Subsidiary Equity Rights**”). The execution of this Agreement and the consummation of the Merger will not trigger any Subsidiary Equity Rights. Except as set forth on Section 3.4 of the AOM Disclosure Schedule, there are no voting trusts, stockholder agreements, proxies or other agreements in effect with respect to the voting or transfer of any shares of equity interests of any Subsidiary of AOM or any other interests in any such Subsidiary.

Section 3.5 Consents and Approvals; No Violations. Except as set forth on Section 3.5 of the AOM Disclosure Schedule, and subject to the receipt of the Requisite AOM Approval and the filing of the Certificate of Merger, and assuming the accuracy of (x) the representations and warranties of the Odyssey Parties contained in Section 4.4, and (y) the representations and warranties of the Odyssey Parties, CIC or OML contained in any Ancillary Agreement, neither the execution and delivery of this Agreement by AOM or any Ancillary Agreement to which AOM is a party, nor the performance by AOM of its obligations hereunder or thereunder, nor the consummation of the transactions contemplated hereby or thereby will: (a) conflict with, or result in any breach of, any provision of the Organizational Documents of AOM or any of its Subsidiaries; (b) require any filing with, or the obtaining of any material consent or approval of, any Governmental Entity, except for any such filing, consent, or approval that is required solely as a result of any facts or circumstances relating to Odyssey, CIC, OML or any of their respective Affiliates; (c) result in a material violation of, or a material default under (or give rise to any right of termination, cancellation or acceleration under), any AOM Contract or Lease; (d) result in the creation of any Lien on any property or asset of AOM or any of its Subsidiaries (other than Permitted Liens); or (e) violate in any material respect any Law or Order applicable to AOM or any of its Subsidiaries, except, in the case of clauses (b) through (e), for any such filings, consents, approvals, violations or defaults that would not reasonably be expected to have an AOM Material Adverse Effect.

Section 3.6 Financial Statements.

(a) AOM has made available to Odyssey the unaudited consolidated balance sheets of AOM and its Subsidiaries as of December 31, 2025 (the “**Balance Sheet**”), and the related unaudited consolidated statements of operations and cash flows of AOM and its Subsidiaries for the fiscal year then ended, together with the related notes and schedules and the report thereon of AOM’s independent auditors (collectively, the “**Financial Statements**”). Except as set forth on Section 3.6(a) of the AOM Disclosure Schedule, the Financial Statements (i) have been prepared in accordance with GAAP applied on a consistent basis throughout the periods presented (except as noted in the applicable notes), and (ii) fairly present, in all material respects, the consolidated financial position, results of operations and cash flows of AOM and its Subsidiaries as of the dates and for the periods indicated therein, except as otherwise noted. AOM has engaged its independent auditors to audit the Financial Statements and will deliver such audited financial statements, along with the report of its independent auditors, to Odyssey for inclusion in the Registration Statement.

(b) The books of account and other financial records of AOM and its Subsidiaries have been maintained accurately in all material respects in compliance with applicable Law. The transactions recorded therein represent bona fide transactions, and the revenues, expenses, assets and liabilities of AOM and its Subsidiaries have been properly recorded therein in all material respects. AOM and its Subsidiaries have established and maintain a system of internal accounting controls designed to provide, in all material respects, reasonable assurance that: (i) transactions, receipts and expenditures of AOM and its Subsidiaries are executed and made only in accordance with appropriate authorizations of AOM's management; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain accountability for assets; (iii) unauthorized acquisition, use or disposition of AOM's assets is prevented or timely detected; (iv) the amounts recorded for assets are compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences; and (v) accounts, notes and other receivables and inventory are recorded accurately.

(c) Except as set forth on Section 3.6(c) of the AOM Disclosure Schedule, neither AOM nor any of its Subsidiaries has any Indebtedness.

Section 3.7 No Undisclosed Liabilities. Except as set forth in the Balance Sheet or on Section 3.7 of the AOM Disclosure Schedule, neither AOM nor any of its Subsidiaries has any liabilities or obligations of the type required to be disclosed in the Balance Sheet in accordance with GAAP, whether accrued, absolute, contingent or otherwise, and whether arising out of any transaction entered into on or prior to the date hereof, any action or inaction occurring on or prior to the date hereof, any state of facts existing on or prior to the date hereof, or otherwise, except for liabilities or obligations that: (a) were incurred since the Balance Sheet Date, pursuant to or in connection with this Agreement or the transactions contemplated hereby, and which are set forth on Section 3.7 of the AOM Disclosure Schedule; (b) arise under any AOM Contract, none of which were incurred as a result of any breach of Contract or violation of Law; (c) are accurately accrued or reserved against on the face of the Balance Sheet; or (d) were incurred in the ordinary course of business consistent with past practice since the Balance Sheet Date that are not material to AOM and its Subsidiaries, taken as a whole.

Section 3.8 Absence of Certain Changes. Except as set forth on Section 3.8 of the AOM Disclosure Schedule, since the Balance Sheet Date and through the date of this Agreement:

(a) AOM and its Subsidiaries have conducted their businesses in all material respects in a manner consistent with their nature and stage of development;

(b) neither AOM nor any of its Subsidiaries has sold, assigned, transferred, leased, abandoned or otherwise disposed of any properties or assets;

(c) no AOM Material Adverse Effect has occurred; and

(d) neither AOM nor any of its Subsidiaries has taken, or omitted to take, any action that, if taken or omitted after the date of this Agreement, would require Odyssey's consent under Section 5.1.

Section 3.9 Real Estate

(a) Neither AOM nor any of its Subsidiaries owns any fee interest in real property.

(b) Section 3.9(b) of the AOM Disclosure Schedule sets forth each parcel of real property leased, subleased, licensed or otherwise used or occupied by AOM or any of its Subsidiaries (each, an “**AOM Leased Real Property**” and collectively, the “**AOM Leased Real Properties**”), including the name of the landlord, the name of the entity holding the leasehold interest, and the street address of each AOM Leased Real Property.

(c) True, correct and complete copies of all leases, subleases, licenses, amendments, extensions, guaranties and other material agreements relating to the AOM Leased Real Properties (each, an “**AOM Lease**” and collectively, the “**AOM Leases**”) have been made available to Odyssey. Section 3.9(b) of the AOM Disclosure Schedule includes a true and complete list of all AOM Leases, setting forth the date and parties thereto.

(d) The leasehold interests of AOM and its Subsidiaries, together with the AOM Leased Real Properties, constitute all real property owned, leased, occupied or otherwise used in the operation of the businesses of AOM and its Subsidiaries.

(e) Except as set forth on Section 3.9(e) of the AOM Disclosure Schedule, with respect to each AOM Leased Real Property: (i) the applicable AOM Lease is legal, valid, binding, enforceable and in full force and effect in all material respects, subject to proper authorization and execution by the other party thereto and to applicable bankruptcy, insolvency, reorganization, moratorium or similar Laws affecting creditors’ rights generally and general principles of equity; (ii) neither AOM nor any of its Subsidiaries is in material breach or material default under such AOM Lease, and no event or circumstance has occurred that, with notice, the passage of time or both, would constitute such a material breach or material default or permit the termination, modification or acceleration of rent, nor, to the Knowledge of AOM, has any such breach or default occurred by the other party or parties thereto; (iii) no security deposit (or portion thereof) under such AOM Lease has been applied to satisfy a breach or default that has not been replenished to the extent required under such AOM Lease; (iv) neither AOM nor any of its Subsidiaries owes any brokerage commissions or finder’s fees in respect of such AOM Lease; (v) neither AOM nor any of its Subsidiaries has subleased, licensed or otherwise granted any Person the right to use or occupy any portion of such AOM Leased Real Property; (vi) neither AOM nor any of its Subsidiaries has collaterally assigned or granted any security interest in such AOM Lease or any interest therein; and (vii) the possession and quiet enjoyment of AOM or its Subsidiaries under such AOM Lease has not been disturbed, and, to the Knowledge of AOM, no disputes exist with respect to such AOM Lease.

Section 3.10 Intellectual Property

(a) Section 3.10(a) of the AOM Disclosure Schedule sets forth a true, correct and complete list of all AOM Intellectual Property that is registered, applied for, issued or granted under the authority of, with or by any Governmental Entity. The AOM Intellectual Property is subsisting, valid and enforceable, and AOM or one of its Subsidiaries is the sole and exclusive owner of each item of AOM Intellectual Property.

(b) (i) Neither AOM nor any of its Subsidiaries is infringing, misappropriating or otherwise violating any Intellectual Property of any Person, and (ii) to the Knowledge of AOM, no Person is infringing, misappropriating or otherwise violating any AOM Intellectual Property. There are no pending or, to the Knowledge of AOM, threatened claims (A) relating to any of the foregoing or (B) challenging the validity, enforceability, scope or ownership of any Intellectual Property brought by AOM or any of its Subsidiaries or brought by any Person against the AOM Intellectual Property.

(c) AOM and its Subsidiaries have taken commercially reasonable steps to protect the confidentiality of, and protect against the misuse and misappropriation of, the trade secrets and other confidential information included in the AOM Intellectual Property.

(d) Except as set forth on Section 3.10(d) of the AOM Disclosure Schedule, the computers, Software, hardware, firmware (including computers, databases, telecommunications equipment), servers, workstations, routers, hubs, switches, data communications lines, and all other information technology equipment (the "**IT Assets**") in each case that are owned, leased or licensed by AOM or any of its Subsidiaries (i) have never malfunctioned, broken down, sub-standardly performed or failed in any material respect and (ii) are free of any "back door," "time bomb," "Trojan horse," "worm," "drop dead device," "virus" or other software routines or hardware components that permit unauthorized access, disablement or erasure or otherwise adversely affect the functionality of such IT Assets. AOM and its Subsidiaries have in place commercially reasonable measures to monitor and protect the integrity and security of such IT Assets (and all information contained therein or transmitted thereby) against any unauthorized use, access, theft, disclosure, misuse, loss, interruption, modification or corruption.

Section 3.11 Litigation; Insolvency.

(a) Except as set forth on Section 3.11(a) of the AOM Disclosure Schedule, there have been no Actions or Orders, and there are no Actions or Orders pending or, to the Knowledge of AOM, threatened against AOM or any of its Subsidiaries, or against any of their respective current or former directors, officers, or employees (or any individuals contemplated to become directors, officers, or employees of AOM, Odyssey, or their respective Subsidiaries at or after the Closing) in their capacities as such, or relating to AOM, any Subsidiary, or any of their respective businesses, assets, properties, or rights, whether at Law or in equity, including any Actions or Orders that challenge or seek to enjoin, alter, or materially delay the transactions contemplated by this Agreement or any Ancillary Agreement.

(b) Except as set forth on Section 3.11(b) of the AOM Disclosure Schedule, neither AOM nor any of its Subsidiaries has initiated or filed any Action against any Person.

(c) No act or proceeding has been taken by or against AOM or any of its Subsidiaries in connection with the dissolution, liquidation, winding up, bankruptcy, reorganization, compromise or arrangement of AOM or any of its Subsidiaries or for the appointment of a trustee, receiver, manager or other administrator of AOM or any of its Subsidiaries or any of their properties or assets nor, to the Knowledge of AOM, is any such act or proceeding threatened.

Section 3.12 AOM Contracts

(a) Section 3.12(a) of the AOM Disclosure Schedule sets forth a true, correct and complete list of all Contracts (or other documents addressed in clause (v) below) to which AOM or any of its Subsidiaries is a party (collectively, the “**AOM Contracts**”), including:

(i) any stockholder, partnership, investors’ rights, voting, right-of-first-refusal and co-sale, or registration rights agreement, or any other Contract with a holder of equity securities of AOM relating to such Person’s ownership of such equity securities;

(ii) any non-competition Contract or other Contract that purports to limit (A) the ability of AOM or any of its Subsidiaries to operate or conduct business in any location, market or line of business, (B) the Persons to whom AOM or any of its Subsidiaries may sell products or provide services, or (C) the Persons AOM or any of its Subsidiaries may hire or solicit for hire;

(iii) any Contract providing for indemnification by AOM or any of its Subsidiaries of any Person;

(vii) any Contract for the settlement of any Action for which AOM or any of its Subsidiaries has ongoing liability or obligations;

(viii) any Contract requiring or providing for capital expenditures;

(ix) any Contract for (A) the divestiture of any business, properties or assets of AOM or any of its Subsidiaries, or (B) the acquisition by AOM or any of its Subsidiaries of any operating business, properties or assets, whether by merger, stock purchase, asset purchase or otherwise, in each case involving continuing obligations or liabilities of AOM or any Subsidiary;

(x) any Contract between AOM or any of its Subsidiaries, on the one hand, and any officer, director, Affiliate, or any of their “associates” or “immediate family members” (as defined in Rules 12b-2 and 16a-1 under the Exchange Act), on the other hand, including any Contract pursuant to which AOM or any Subsidiary has an obligation to indemnify such Person;

Except as disclosed in (x) the Odyssey Reports furnished to or filed with the SEC prior to the date hereof (excluding any disclosures set forth in any “risk factor” section and in any section relating to forward-looking statements to the extent that they are cautionary, predictive or forward-looking in nature (other than any historical factual information contained within such sections or statements)); or (y) the disclosure schedules delivered by Odyssey to AOM concurrently with the execution of this Agreement (the “**Odyssey Disclosure Schedule**”), in each case under the corresponding section referenced below (or, to the extent it is reasonably apparent on its face that such disclosure qualifies or applies to another representation or warranty, under any other applicable section), and subject to the terms, conditions and limitations of this Agreement, the Odyssey Parties hereby jointly and severally represent and warrant to AOM as follows:

Section 4.1 Organization. Each of the Odyssey Parties is a corporation duly incorporated, validly existing and in good standing under, with respect to Odyssey, the Laws of the State of Nevada and, with respect to Merger Sub, the Laws of the State of Delaware. Each of the Odyssey Parties has all requisite corporate power and authority to own, lease and operate its properties and to conduct its business in all material respects as it is presently conducted, except where the failure to have such power or authority would not prevent or materially delay the consummation of the transactions contemplated by this Agreement or the Ancillary Agreements to which such Odyssey Party is a party. Each of the Odyssey Parties is duly qualified, licensed or registered to transact business, and is in good standing, under the Laws of each jurisdiction in which the character or location of its properties or assets, or the nature of its activities, requires such qualification, licensing or registration, except where the failure to be so qualified, licensed or registered would not reasonably be expected to have an Odyssey Material Adverse Effect.

Section 4.2 Authorization. Each of the Odyssey Parties has all requisite corporate power and authority to execute and deliver this Agreement and the Ancillary Agreements to which it is a party, to perform its obligations hereunder and thereunder, and to consummate the transactions contemplated hereby and thereby, subject, in the case of the consummation of the Merger, to the receipt of the requisite approval of the Transaction Proposals by the holders of Odyssey Common Stock. The Odyssey Shareholder Approval constitutes the only votes or approvals of any class or series of Odyssey’s capital stock necessary to approve the Transaction Proposals. The execution and delivery of this Agreement and the Ancillary Agreements to which any Odyssey Party is a party, and the consummation of the transactions contemplated hereby and thereby, have been duly authorized by all necessary corporate action on the part of each Odyssey Party. This Agreement has been duly authorized, executed and delivered by each Odyssey Party, and each Ancillary Agreement to which any Odyssey Party is or will be a party as of the Closing Date will be duly authorized, executed and delivered by such Odyssey Party, and, assuming the due authorization, execution and delivery by each other party hereto and thereto, this Agreement and each such Ancillary Agreement constitute the legal, valid and binding obligations of each applicable Odyssey Party, enforceable against such Odyssey Party in accordance with their respective terms, subject to applicable bankruptcy, insolvency and other similar Laws affecting the rights of creditors generally, and to general equitable principles (regardless of whether considered in a proceeding at Law or in equity).

Section 5.3 Commercially Reasonable Efforts. Each of the Parties shall cooperate with one another and use their respective commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper, or advisable under applicable Law to consummate the transactions contemplated by this Agreement as promptly as practicable after the date hereof, including obtaining all licenses, permits, consents, approvals, authorizations, qualifications, and orders of Governmental Entities required to consummate the transactions contemplated hereby. Each Party shall (a) promptly provide the other Parties with copies of all written communications, and memoranda summarizing the substance of all oral communications, between such Party, any of its Affiliates or its or their respective Representatives, on the one hand, and any Governmental Entity, on the other hand, in each case relating to this Agreement or the transactions contemplated hereby and (b) reasonably cooperate and coordinate with respect to the same.

Section 5.4 Public Announcements. Except as otherwise expressly permitted by this Section 5.4, no Party shall, and each Party shall cause its Affiliates not to, issue or make any public announcement or press release to the general public with respect to this Agreement or the transactions contemplated hereby without the prior written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned, or delayed; provided, however, that such consent shall not be required for any public announcement or press release whose content is consistent with that of any prior or contemporaneous public announcement or press release made by any Party in compliance with this Section 5.4. Nothing in this Section 5.4 shall prohibit or limit any Party from making any announcement, statement, or acknowledgment that such Party is required to make pursuant to applicable Law or the rules or requirements of any national securities exchange; provided, however, that, to the extent practicable, the Party making such announcement, statement, or acknowledgment shall furnish a copy thereof to the other Parties prior to its release and shall consider in good faith any reasonable comments provided by such other Parties.

Section 5.5 Access to Information; Confidentiality. From the date of this Agreement until the earlier of (x) the termination of this Agreement in accordance with Section 8.1 and (y) the Closing, and upon reasonable advance notice, each of AOM, on the one hand, and the Odyssey Parties, on the other hand (each, a "**Providing Party**"), shall provide the other Party and its Representatives (the "**Receiving Party**") with reasonable access, during normal business hours, to such Providing Party's employees, consultants, advisors, facilities (to the extent applicable), books and records as may be reasonably requested by the Receiving Party; provided that: (a) such access shall be provided in a manner that the Providing Party reasonably determines is appropriate to protect the confidentiality of the transactions contemplated by this Agreement; and (b) nothing herein shall require a Providing Party to provide access to, or to disclose any information to, the Receiving Party or its representatives if, in such Providing Party's good-faith reasonable judgment, such access or disclosure: (i) would cause significant competitive harm to the Providing Party if the transactions contemplated hereby are not consummated; (ii) would result in a waiver of any legal privilege; or (iii) would violate any applicable Law or regulation of any Governmental Entity. All information made available by either Party pursuant to this Section 5.5 shall be treated as confidential information in accordance with the Confidentiality Agreement, the terms of which are hereby incorporated by reference.

Section 5.6 Tax Matters.

(a) **Transfer Taxes.** All transfer, documentary, sales, use, stamp, registration and similar Taxes and fees (including any related penalties and interest) (collectively, "**Transfer Taxes**") incurred in connection with this Agreement shall be borne by the Party that is required to pay such Transfer Taxes under applicable Law. The Party required by Law to do so shall file all necessary Tax Returns with respect to such Transfer Taxes and timely pay such Transfer Taxes. Odyssey and AOM shall cooperate in timely making all filings, returns, reports and forms as necessary or appropriate to comply with the provisions of all applicable Tax Laws in connection with the payment of such Transfer Taxes, and shall cooperate in good faith to minimize, to the fullest extent possible under such Tax Laws, the amount of any such Transfer Taxes payable in connection therewith.

(b) **Tax Cooperation.**

(i) Odyssey and AOM shall cooperate fully, as reasonably requested by the other Party, in connection with the preparation and filing of any Tax Returns of AOM and in any audit, litigation or other proceeding relating to Taxes of AOM. Such cooperation shall include the retention and, upon request, provision of records and information reasonably relevant to such matters, and making employees available on a mutually convenient basis to provide additional information and explanation.

(ii) Odyssey and AOM shall use reasonable best efforts to obtain, and reasonably cooperate with the other Party in connection with the issuance to Odyssey or AOM of any Tax opinion(s) of counsel (A) required to be issued in connection with the declaration of effectiveness of the Form S-4 by the SEC regarding the U.S. federal income tax treatment of the Merger, or (B) reasonably necessary to confirm (or otherwise permit one or more of the Parties to report the Merger consistently with) the Intended Tax Treatment, in each case, including using reasonable best efforts to deliver to the relevant counsel certificates (dated as of the necessary date and signed by an officer of Odyssey or of AOM, as applicable) that contain customary representations reasonably necessary or appropriate for such counsel in connection with the issuance of such opinions. For the avoidance of doubt, the Tax opinion of counsel provided in this Section 5.6(b)(ii) (B) shall not be construed as a condition to the obligations of any Party to consummate the transactions contemplated by this Agreement.

(c) FIRPTA Certificate. At or prior to the Closing, AOM shall deliver to Odyssey (i) a certificate certifying that AOM is not, and has not been, a “United States real property holding corporation” within the meaning of Section 897 of the Code during the applicable period described in Section 897(c)(1)(A)(ii) of the Code, and (ii) a notice to the IRS prepared in accordance with Treasury Regulations Section 1.897-2(h)(2) (together, the “FIRPTA Certificate”).

(d) Tax Treatment. For U.S. federal (and applicable state and local) income tax purposes, the Parties intend that the Merger qualify as a “reorganization” within the meaning of Section 368(a) of the Code (with this Agreement being adopted as a “plan of reorganization” within the meaning of Treasury Regulations Sections 1.368-2(g) and 1.368-3) and, together with certain other transactions occurring in connection with the transaction contemplated by the Agreement, as a transaction described under Section 351(a) of the Code (the “Intended Tax Treatment”). No Party shall take any action that would cause the Merger to fail to qualify for the Intended Tax Treatment (and no Party shall fail to take any action that would cause the Merger to fail to qualify as a transaction described under Section 351(a) of the Code), and each Party shall cause all Tax Returns relating to the Merger to be filed on a basis that is consistent with the treatment of the Merger as a transaction described under Section 351(a) of the Code, in each case, unless otherwise required by a change in applicable Law or a “determination” as defined in Section 1313(a) of the Code.

Section 5.7 Directors’ and Officers’ Indemnification.

(a) From and after the Closing, Odyssey shall, and shall cause each of its Subsidiaries to (i) indemnify, defend and hold harmless each of their current or former directors, officers, managers, employees, agents and fiduciaries (each, an “Indemnified Person”) (in all of their capacities) against any and all Losses incurred in connection with any actual or threatened Action, whether civil, criminal, administrative or investigative, arising out of or pertaining to the fact that such Person is or was a director, officer, manager, employee, agent or fiduciary of Odyssey or any of its Subsidiaries or is or was serving at the request of Odyssey or any of its Subsidiaries as a director, officer, manager, employee, agent or fiduciary of any other Person (in each case, including in respect of any action or omission of any such Person in any such capacity), whether asserted or claimed before, at or after the Closing (including with respect to acts or omissions occurring in connection with the transactions contemplated by this Agreement and the Ancillary Agreements and the consummation of such transactions), and provide advancement of expenses to the Indemnified Persons, in all such cases to the greatest extent that such Persons are

indemnified or have the right to advancement of expenses before the Closing by Odyssey or any of its Subsidiaries, whether pursuant to the Organizational Documents of Odyssey or any of its Subsidiaries, individual indemnity agreements or otherwise, and such rights shall survive the consummation of the transactions contemplated hereby and shall continue in full force and effect in accordance with the terms of the Organizational Documents of Odyssey or any of its Subsidiaries and such individual indemnity agreements as each exists before the Closing from the Closing Date until the expiration of the applicable statute of limitations with respect to any claims against such Indemnified Person and (ii) without limitation of clause (i), to the fullest extent permitted by applicable Law, include and cause to be maintained in effect until the expiration of the applicable statute of limitations the provisions regarding elimination of liability of any Indemnified Person, and indemnification of and advancement of expenses to any Indemnified Person contained in the Organizational Documents of Odyssey or any of its Subsidiaries.

(b) Odyssey shall, prior to the Closing, obtain and fully pay for (x) a “go-forward” directors’ and officers’ liability insurance policy to cover the post-Closing directors and officers of Odyssey and (y) “tail” insurance policies to Odyssey’s and AOM’s existing directors’ and officers’ liability insurance policies, with coverage for a period of six (6) years following the Closing, covering the Indemnified Persons and any individual who, at or prior to the Effective Time, was a director or officer of AOM (collectively, with such individual’s heirs, executors and administrators, the “**AOM Covered Persons**”) for claims arising out of acts or omissions occurring at or prior to the Effective Time. Such tail policies shall (i) provide coverage and amounts that are not less favorable to the Indemnified Persons and the AOM Covered Persons than those under Odyssey’s or AOM’s existing policies, as applicable, and (ii) contain terms and conditions that are no less advantageous to the Indemnified Persons and the AOM Covered Persons than Odyssey’s or AOM’s existing policies, as applicable.

(c) Notwithstanding anything to the contrary herein, the obligations of Odyssey and its Subsidiaries under this Section 5.7 shall be binding upon the successors and assigns of Odyssey and its Subsidiaries. In the event that Odyssey, any of its Subsidiaries or any of their respective successors or assigns, (i) consolidates with or merges into any other Person, or (ii) transfers all or substantially all of its properties or assets to any Person, then in each case Odyssey shall ensure, as a condition to such transaction, that the surviving or acquiring Person expressly assumes and agrees to honor the indemnification, advancement, exculpation and related obligations set forth in this Section 5.7 for the benefit of the Indemnified Persons.

(d) The obligations of Odyssey and its Subsidiaries under this Section 5.7 shall survive the Closing and shall not be terminated, amended or otherwise modified in any manner that adversely affects any Indemnified Person without the prior written consent of such affected Indemnified Person. It is expressly agreed that each Indemnified Person is an intended third-party beneficiary of this Section 5.7 and shall be entitled to enforce its terms.

(e) Nothing in this Agreement is intended to, nor shall it, release, waive or impair any rights of any Indemnified Person under any directors’ and officers’ liability insurance policy that is or has been in effect with respect to Odyssey or Merger Sub. The indemnification and advancement rights provided under this Section 5.7 are in addition to, and not in substitution for, any such insurance coverage.

Section 5.8 Form S-4; Proxy Statement/Prospectus.

(a) Subject to the completion and availability of the financial statements, pro forma financial information and other information required to be included pursuant to the Securities Act, the Exchange Act, and the rules and regulations of the SEC, including Regulation S-X and Regulation S-K (each as interpreted by the staff of the SEC), Odyssey shall use commercially reasonable efforts to, as promptly as reasonably practicable following the execution and delivery of this Agreement, and in any event within thirty (30) days after the date hereof, prepare and file with the SEC a registration statement on Form S-4 (together with all amendments and supplements thereto, the “**Registration Statement**”) to register under the Securities Act the (x) shares of Odyssey Common Stock to be issued to the AOM Stockholders pursuant to Article II (including the shares of Odyssey Common Stock issuable pursuant to the conversion of Odyssey New Preferred Shares) and (y) Odyssey Assumed Warrants and Odyssey Assumed Warrant Shares, which Registration Statement shall include a proxy statement/prospectus (together with all amendments and supplements thereto, the “**Proxy Statement/Prospectus**”) relating to the transactions contemplated by this Agreement and the Ancillary Agreements. The Proxy Statement/Prospectus shall be sent to the holders of Odyssey Common Stock in definitive form in connection with the Odyssey Shareholder Meeting, all in accordance with Odyssey’s Organizational Documents, applicable Law, and the rules and regulations of the SEC and Nasdaq. Without limitation, the Proxy Statement/Prospectus shall (i) solicit proxies from the holders of Odyssey Common Stock to vote at the Odyssey Shareholder Meeting in favor of (A) the adoption of this Agreement and the approval of the transactions contemplated hereby, (B) the Odyssey Share Issuance, (C) the Odyssey Assumed Warrants Issuance, (D) the Odyssey Articles Amendment, and (E) any other proposals deemed necessary or desirable by the Parties to consummate the transactions contemplated hereby (collectively, the “**Transaction Proposals**”), (ii) include financial and other information regarding the transactions contemplated hereby in accordance with Regulation 14A under the Exchange Act, and (iii) constitute a prospectus of Odyssey that complies with the provisions of the Securities Act relating to the Odyssey Common Stock to be issued to the AOM Stockholders pursuant to Article II. The Registration Statement and the Proxy Statement/Prospectus shall comply in form and substance with the applicable requirements of the Securities Act, the Exchange Act, and the rules and regulations thereunder. Odyssey shall use its commercially reasonable efforts to have the Registration Statement declared effective by the SEC as promptly as practicable after such filing and to keep the Registration Statement effective as long as necessary to consummate the transactions contemplated hereby. As promptly as reasonably practicable following the date on which the Registration Statement becomes effective, Odyssey shall mail the Proxy Statement/Prospectus to the holders of Odyssey Common Stock of record as of the record date established by the Odyssey Board. AOM shall furnish to Odyssey all information regarding AOM and its Affiliates reasonably requested for inclusion in the Registration Statement or the Proxy Statement/Prospectus or any amendment or supplement thereto and shall otherwise reasonably cooperate in its preparation, filing and distribution. Without limitation, AOM shall reasonably cooperate with Odyssey in connection with the preparation of (x) any required historical financial statements of AOM and its Affiliates and (y) any required pro forma financial information, in each case in accordance with Regulation S-X (as interpreted by the staff of the SEC). AOM shall pay, or promptly reimburse Odyssey for, all filing fees required to be paid to the SEC in connection with the filing of the Registration Statement and any amendments thereto, and all reasonable fees and expenses of any proxy solicitor engaged by Odyssey in connection with the transactions contemplated by this Agreement. Each of Odyssey and AOM shall promptly notify

the other upon receipt of any comments from the SEC or any request for amendments or supplements to the Registration Statement or the Proxy Statement/Prospectus and shall provide the other with copies of all related correspondence. Each Party shall use its commercially reasonable efforts to respond as promptly as practicable to any SEC comments on the Registration Statement or the Proxy Statement/Prospectus. AOM shall cause its officers to be reasonably available to Odyssey and its counsel in connection with the drafting of the Registration Statement and the Proxy Statement/Prospectus and in responding in a timely manner to any comments from the SEC.

(b) Prior to filing the Registration Statement or the Proxy Statement/Prospectus (preliminary or definitive) or any material amendment or supplement thereto with the SEC, Odyssey shall make available drafts thereof to AOM, shall provide AOM with a reasonable opportunity to comment on such drafts, shall consider such comments in good faith, and shall accept all reasonable additions, deletions or changes proposed by AOM. Odyssey shall provide written notice (email permitted) to AOM upon filing the Registration Statement or the Proxy Statement/Prospectus or any amendment, supplement or SEC response related thereto. Odyssey shall promptly notify AOM of (i) the time when the Registration Statement or the Proxy Statement/Prospectus or any amendment or supplement thereto is filed with the SEC, (ii) the time when the Registration Statement has become effective, (iii) in the event of SEC review, oral or written notice of completion of such review, (iv) the issuance of any stop order by the SEC suspending the effectiveness of the Registration Statement or the initiation or threat of any proceeding for such purpose, (v) any request by the SEC for amendment of the Registration Statement or the Proxy Statement/Prospectus, (vi) any comments from the SEC and Odyssey's responses thereto, and (vii) any requests by the SEC for additional information. Odyssey shall respond promptly to any SEC comments on the Registration Statement and the Proxy Statement/Prospectus, and Odyssey and AOM shall each use their commercially reasonable efforts to have the Registration Statement declared effective by the SEC as soon as practicable.

(c) If, at any time prior to the Odyssey Shareholder Meeting, any information is discovered that should be included in an amendment or supplement to the Registration Statement or the Proxy Statement/Prospectus so that the Registration Statement or the Proxy Statement/Prospectus does not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, Odyssey shall promptly file with the SEC and, to the extent required, transmit to the Odyssey Shareholders an appropriate amendment or supplement to the Registration Statement or the Proxy Statement/Prospectus containing such information. If, at any time prior to the Odyssey Shareholder Approval being obtained, AOM becomes aware of any information, event or circumstance relating to AOM or any of its Affiliates, officers, directors or employees that should be disclosed in an amendment or supplement to the Registration Statement or the Proxy Statement/Prospectus for the same purpose, AOM shall promptly inform Odyssey of such information, event or circumstance.

(d) Odyssey shall use its reasonable best efforts to (i) cause the shares of Odyssey Common Stock to be issued to the AOM Stockholders pursuant to Article II to be approved for listing on Nasdaq upon issuance, and (ii) make all necessary and appropriate filings with Nasdaq and take all other steps reasonably required prior to the Closing Date to effect such listing.

Section 5.9 Odyssey Shareholder Meeting.

(a) Odyssey shall, as promptly as reasonably practicable, establish a record date (which shall be mutually agreed with AOM) for, and duly call, give notice of, convene and hold, a meeting of Odyssey Shareholders (the “**Odyssey Shareholder Meeting**”) to vote on the Transaction Proposals, as soon as practicable following the declaration of effectiveness of the Registration Statement by the SEC; provided that Odyssey may postpone or adjourn the Odyssey Shareholder Meeting on one (1) or more occasions if the Odyssey Board determines in good faith that such postponement or adjournment is necessary to solicit additional proxies or obtain approval of the Transaction Proposals or to the extent necessary to ensure that any required supplement or amendment to the Proxy Statement/Prospectus is provided to the Odyssey Shareholders within a reasonable amount of time in advance of the Odyssey Shareholder Meeting. Odyssey shall use its commercially reasonable efforts to obtain the approval of the Transaction Proposals, including by soliciting proxies as promptly as reasonably practicable in accordance with applicable Law and Odyssey’s Organizational Documents. Odyssey, acting through the Odyssey Board, shall recommend to its shareholders that they vote in favor of the Transaction Proposals (the “**Odyssey Board Recommendation**”) and shall include the Odyssey Board Recommendation in the Proxy Statement/Prospectus, in each case unless an Adverse Recommendation Change has been made in accordance with Section 5.10.

(b) Notwithstanding anything to the contrary contained in this Agreement (including any Adverse Recommendation Change), unless this Agreement is terminated in accordance with Section 8.1, the obligations of Odyssey under this Section 5.9 shall continue in full force and effect; provided, however, that nothing in this Section 5.9(b) shall be deemed to limit, waive, delay or otherwise affect Odyssey’s right to terminate this Agreement in accordance with Section 8.1. Without limiting the generality of the foregoing, unless this Agreement is terminated in accordance with Section 8.1, the Transaction Proposals shall be submitted to the Odyssey Shareholders for approval at the Odyssey Shareholder Meeting whether or not (i) the Odyssey Board shall have effected an Adverse Recommendation Change or (ii) any Alternative Proposal or Superior Proposal shall have been publicly proposed or announced or otherwise submitted to Odyssey or any of its Representatives.

Section 5.10 Non-Solicit; Change in Recommendation.

(a) From the date of this Agreement until the earlier of (x) the termination of this Agreement in accordance with Section 8.1 and (y) the Closing, each Party agrees that it shall not, and shall cause each of its respective Affiliates (excluding, for clarity, any Odyssey Shareholder) and Subsidiaries and its and their respective directors and officers not to, and shall not authorize or knowingly permit its or their other Representatives to, directly or indirectly: (i) solicit, initiate, knowingly encourage, or knowingly facilitate any inquiries or the making of any proposal or offer that constitutes, or could reasonably be expected to lead to, an Alternative Proposal; (ii) engage in, continue, or otherwise participate in any discussions or negotiations with, or disclose any non-public information or data relating to, such Party or any of its Affiliates or Subsidiaries to, or afford access to the properties, books, or records of such Party or any of its Affiliates or Subsidiaries to, or otherwise knowingly cooperate with, assist, facilitate, or encourage any efforts by, any third party that has made, or could reasonably be expected to make, an Alternative Proposal; provided, however, that this clause (ii) shall not prohibit such Party or its

Representatives from contacting the Person or any of such Person's Representatives that has made such Alternative Proposal solely to clarify the terms of such Alternative Proposal, in order to inform itself about such Alternative Proposal, and not for the purpose of engaging in discussions or negotiations regarding such Alternative Proposal; (iii) approve, authorize, execute, or enter into any oral or written agreement, including any confidentiality agreement, letter of intent, term sheet, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, or other similar agreement, providing for or that could reasonably be expected to lead to an Alternative Proposal (an "**Acquisition Agreement**"); (iv) with respect to Odyssey, withdraw, modify, qualify, or change, or publicly propose to withdraw, modify, qualify, or change, in a manner adverse to AOM, the Odyssey Board Recommendation, or publicly recommend, approve, or adopt, or propose publicly to recommend, approve, or adopt, any Alternative Proposal, or fail to include the Odyssey Board Recommendation in the Proxy Statement/Prospectus in accordance with Section 5.9(a) (any action described in this clause (iv), an "**Adverse Recommendation Change**"); or (v) otherwise propose, resolve, or agree to take any of the foregoing actions. In addition, AOM and Odyssey shall, and shall cause their respective Affiliates and Subsidiaries and their respective Representatives, acting in such capacity, to (A) immediately cease and cause to be terminated any solicitation, encouragement, discussions, or negotiations with any Person relating to an Alternative Proposal and to request that any such Person promptly return or destroy all confidential information concerning (1) AOM or any of its Subsidiaries or (2) Odyssey or any of its Subsidiaries, as applicable, and (B) not release any third party from, or waive any provision of, any confidentiality or standstill agreement to which it or any of its Subsidiaries is a party that relates to an Alternative Proposal.

(b) Notwithstanding anything to the contrary in Section 5.10(a), if at any time prior to obtaining Odyssey Shareholder Approval, (i) Odyssey receives a bona fide written Alternative Proposal, (ii) the Odyssey Board, after consultation with its financial advisors and outside legal counsel, determines reasonably and in good faith that such Alternative Proposal constitutes, or would reasonably be expected to result in, a Superior Proposal, and (iii) such Alternative Proposal did not result from a material breach of this Section 5.10, then Odyssey may (A) furnish information, including non-public information, relating to Odyssey and its Subsidiaries to the Person making such Alternative Proposal and (B) participate in discussions or negotiations with such Person regarding such Alternative Proposal; provided, however, that Odyssey shall not, and shall use commercially reasonable efforts to cause its Representatives not to, disclose any such non-public information unless Odyssey has entered into, or contemporaneously enters into, a customary confidentiality agreement with such Person containing confidentiality provisions that are no less restrictive with respect to such Person than the provisions of the Confidentiality Agreement are with respect to AOM.

(c) In addition to its other obligations under this Section 5.10, Odyssey shall promptly advise AOM at first orally and promptly thereafter in writing, and in any event no later than twenty-four (24) hours after receipt, if any proposal, offer, inquiry, or other contact relating to an Alternative Proposal is received by Odyssey, if any information is requested from Odyssey, and if any discussions or negotiations are sought to be initiated with Odyssey in connection therewith (whether or not received in writing). Such notice shall identify the Person making such proposal, offer, inquiry, or contact and describe the material terms and conditions of any such proposal or offer, or the nature of any inquiry or contact. Odyssey shall thereafter keep AOM reasonably informed, on a reasonably current basis, of any material developments with respect to the status or terms of any such proposals, offers, inquiries, or requests, and shall promptly provide AOM with copies of any material written communications or documents received by, or delivered by Odyssey to, any third party making an Alternative Proposal that relate thereto, as well as the status of any related discussions or negotiations.

(d) Notwithstanding the foregoing, if Odyssey receives a bona fide written Alternative Proposal that the Odyssey Board, after consultation with its financial advisors and outside legal counsel, determines reasonably and in good faith constitutes a Superior Proposal, then, at any time prior to obtaining Odyssey Shareholder Approval, the Odyssey Board may, if it determines reasonably and in good faith after consultation with outside legal counsel that the failure to take such action would be inconsistent with its fiduciary duties under applicable Law, effect an Adverse Recommendation Change with respect to such Superior Proposal or cause Odyssey to terminate this Agreement in accordance with Section 8.1(e); provided, however, that Odyssey shall not effect any such Adverse Recommendation Change or termination of this Agreement until five (5) Business Days after Odyssey has delivered to AOM a written notice (an “**Odyssey Notice**”) advising that the Odyssey Board or a committee thereof has received a Superior Proposal, specifying in reasonable detail the material terms and conditions of such Superior Proposal and identifying the Person or group making such Superior Proposal. During such five (5) Business Day period, AOM shall have the right, but not the obligation, to negotiate in good faith with Odyssey, at the request of AOM, with respect to any alternative transaction or modification to the terms of this Agreement that would permit the Odyssey Board to avoid effecting such Adverse Recommendation Change or termination of this Agreement in a manner consistent with its fiduciary duties. Any material change to the financial or other material terms of a Superior Proposal shall require delivery of a new Odyssey Notice and the commencement of a new two (2) Business Day period pursuant to this Section 5.10(d). Notwithstanding the foregoing, Odyssey shall not be entitled to effect an Adverse Recommendation Change or terminate this Agreement in accordance with Section 8.1(e) unless Odyssey and its Representatives have complied in all material respects with Section 5.10(a).

(e) For purposes of this Agreement:

(i) “**Alternative Proposal**” means any inquiry, proposal, or offer from any Person or “group” (as defined in Section 13(d) of the Exchange Act), other than AOM or Odyssey, as applicable, relating to any of the following, in each case other than the transactions contemplated by this Agreement: (A) the direct or indirect acquisition (whether in a single transaction or a series of related transactions) of beneficial ownership (within the meaning of Section 13 of the Exchange Act) of twenty percent (20%) or more of the equity interests of Odyssey or AOM, as applicable; (B) any merger, consolidation, unit exchange, share exchange, business combination, recapitalization, liquidation, dissolution, or other similar transaction involving Odyssey or AOM, as applicable, that is structured to permit such Person or group to acquire beneficial ownership of at least twenty percent (20%) of the equity interests of Odyssey or AOM, as applicable; or (C) any direct or indirect sale, lease, exchange, transfer, license, acquisition or other disposition of all or substantially all of the assets of Odyssey or AOM, as applicable.

(ii) “**Intervening Event**” means a material event or circumstance that was not known or reasonably foreseeable to the Odyssey Board on the date of this Agreement (or if known, the consequences of which are not known to or reasonably foreseeable by the Odyssey Board as of the date hereof), which event or circumstance, or any consequence thereof, becomes known to the Odyssey Board prior to the time at which Odyssey receives the Odyssey Shareholder Approval; provided, however, that in no event shall any of the following constitute an Intervening Event: (A) the receipt or existence of any inquiry, offer or proposal that constitutes or would reasonably be expected to lead to an Alternative Proposal, or (B) any change in stock price or trading volume of Odyssey Common Stock or the fact, in and of itself, that Odyssey meets or exceeds internal or published estimates, projections or forecasts for any period (provided, that the facts or causes underlying or contributing to such change, or to the meeting or exceeding (or failure to meet or exceed, as applicable) such estimates, projections or forecasts shall not be excluded by this clause (B)).

(iii) “**Superior Proposal**” means a bona fide written Alternative Proposal that the Odyssey Board determines reasonably and in good faith, after consultation with its financial advisors and outside legal counsel, to be more favorable, from a financial point of view, to the holders of Odyssey Common Stock than the transactions contemplated by this Agreement, taking into account all legal, financial, regulatory, timing, and other factors deemed relevant by the Odyssey Board acting reasonably and in good faith (including the identity of the Person making such proposal and the conditions thereto, including any financing aspects of the proposal, and the likelihood and timing of consummation); provided, however, that for purposes of this definition of “Superior Proposal,” the term “Alternative Proposal” shall have the meaning set forth in Section 5.10(e)(i), except that references to “twenty percent (20%)” therein shall be deemed to be references to “eighty percent (80%).”

(f) Notwithstanding anything in this Section 5.10 to the contrary, the Odyssey Board may, at any time prior to obtaining Odyssey Shareholder Approval, effect an Adverse Recommendation Change in response to an Intervening Event if the Odyssey Board determines in good faith, after consultation with its outside legal counsel and financial advisors, that the failure to take such action would be inconsistent with its fiduciary duties under applicable Law; provided, however, that Odyssey shall deliver to AOM written notice at least three (3) Business Days prior to effecting such Adverse Recommendation Change, which notice shall state Odyssey’s intention to effect such Adverse Recommendation Change and describe in reasonable detail the reasons therefor, including the material facts and circumstances relating to the applicable Intervening Event. During such three (3) Business Day period, Odyssey shall consider in good faith any proposal by AOM to amend the terms and conditions of this Agreement in a manner that would permit the Odyssey Board to avoid effecting such Adverse Recommendation Change consistent with its fiduciary duties.

(g) Nothing in this Agreement shall prohibit or restrict Odyssey or the Odyssey Board from making or issuing a “stop, look and listen” communication pursuant to Rule 14d-9(f) under the Exchange Act, or from complying with Rule 14d-9, Rule 14e-2, or any other applicable provision of the Exchange Act or other applicable Law with respect to any Alternative Proposal, if the Odyssey Board determines reasonably and in good faith, after consultation with outside legal counsel, that the failure to take such action would be reasonably likely to be inconsistent with its fiduciary duties under applicable Law. For the avoidance of doubt, any public statement that merely describes Odyssey’s receipt of an Alternative Proposal and the operation of this Agreement with respect thereto shall not constitute an Adverse Recommendation Change.

(h) Any determination, decision or action (or failure to act) by or on behalf of Odyssey or the Odyssey Board relating to, arising out of or in connection with this Section 5.10, any Alternative Proposal, any Superior Proposal, or any Adverse Recommendation Change, including the granting of any approval, consent, permission or waiver, or the consideration, evaluation, negotiation, determination of, comment on or consultation with respect to any such matter (and, in each case, phrases of like import), may be made by, or at the direction of, the Odyssey Special Transaction Committee.

Section 5.11 Section 16 of the Exchange Act. Prior to the Closing, the Odyssey Board, or an appropriate committee thereof composed solely of non-employee directors, shall adopt resolutions consistent with the interpretive guidance of the SEC providing that the acquisition of Odyssey Common Stock pursuant to this Agreement by any officer or director of AOM who is expected to become a “covered person” of Odyssey for purposes of Section 16 of the Exchange Act and the rules and regulations promulgated thereunder (“**Section 16**”) shall be an exempt transaction for purposes of Section 16.

Section 5.12 Termination of Agreements. AOM shall take all actions necessary to terminate, at or prior to the Effective Time, each agreement, arrangement or understanding (whether written or oral) between AOM or any of its Subsidiaries, on the one hand, (a) any record or beneficial owner of equity securities of AOM or any of its Subsidiaries, (b) any immediate family member of any Person described in clause (a), or (c) any Affiliate of, or any entity directly or indirectly controlled by, any Person described in clauses (a) or (b), on the other hand, other than any agreement, arrangement or understanding set forth on Section 5.12 of the AOM Disclosure Schedule, in each case in a manner that results in AOM and its Subsidiaries having no continuing liability or obligation with respect to any such agreement, arrangement or understanding following the Effective Time.

Section 5.13 AOM Stockholder Approval.

(a) As promptly as reasonably practicable (and in any event within two (2) Business Days) following the date on which the Registration Statement is declared effective under the Securities Act (the “**AOM Written Consent Deadline**”), AOM shall obtain and deliver to Odyssey a true and correct copy of the adoption and approval of this Agreement and the transactions contemplated hereby by the AOM Stockholders acting by written consent in lieu of a meeting, taken in accordance with the applicable provisions of the DGCL and AOM’s Organizational Documents, and in form and substance reasonably satisfactory to Odyssey, approving this Agreement, the Ancillary Agreements to which AOM is or will be a party and the transactions contemplated hereby and thereby (including the Merger), duly executed by the AOM Stockholders constituting the Requisite AOM Approval (the “**AOM Written Consent**”). The execution and delivery of the AOM Written Consent by such AOM Stockholders shall constitute the Requisite AOM Approval.

(b) Reasonably promptly following receipt of the Requisite AOM Approval, and in any event no later than ten (10) days thereafter, AOM shall prepare and mail a notice (the “**AOM Stockholder Notice**”) to every AOM Stockholder that did not execute the AOM Written Consent. The AOM Stockholder Notice shall (i) be a statement to the effect that the AOM Board determined that the Merger is advisable in accordance with Section 251(b) of the DGCL and in the best interests of AOM and the AOM Stockholders and approved and adopted this Agreement, the Merger and the other transactions contemplated hereby, (ii) provide the AOM Stockholders to whom it is sent with notice of the actions taken in the AOM Written Consent, including the adoption and approval of this Agreement, the Merger and the other transactions contemplated hereby, in accordance with Section 228(e) of the DGCL and AOM’s Organizational Documents, and (iii) include a description of the appraisal rights of AOM Stockholders available under Section 262 of the DGCL, along with such other information as is required thereunder and pursuant to applicable Law. All materials (including any amendments thereto) submitted to the AOM Stockholders in accordance with this Section 5.13(b) shall be subject to Odyssey’s advance review and reasonable approval.

Section 5.14 Transaction Litigation. Each of Odyssey and AOM shall cooperate with the other and use commercially reasonable efforts in the defense or settlement of any third-party Action relating to the transactions contemplated by this Agreement that is brought or threatened in writing against (a) Odyssey and/or any of its directors or officers or (b) AOM and/or any of its directors or officers. Such cooperation shall include: (i) keeping the other Party reasonably and promptly informed of any material developments in connection with any such Action; (ii) providing the other Party with a reasonable opportunity to participate in the defense or settlement of such Action and to consider in good faith any suggestions of the other Party in connection therewith; (iii) utilizing counsel reasonably acceptable to the Parties (such acceptance not to be unreasonably withheld, conditioned, or delayed); and (iv) refraining from compromising, settling, consenting to the entry of any order, or entering into any agreement with respect to any such Action without the prior written consent of the other Party (such consent not to be unreasonably withheld, conditioned, or delayed).

Section 5.15 Bridge Financing and PIPE Investment.

(a) From the date of this Agreement until the earlier of (x) the termination of this Agreement in accordance with Section 8.1 and (y) the Closing, AOM shall use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to arrange, maintain in effect and consummate the PIPE Investment in accordance with the PIPE Subscription Agreement, including to: (i) keep in full force and effect, and not cancel, terminate or permit to lapse, any commitments or obligations of any PIPE Investor under the PIPE Subscription Agreement; (ii) negotiate, execute and deliver any ancillary agreements, instruments, certificates or other documents contemplated by, or reasonably necessary or advisable to consummate, the PIPE Investment on the terms set forth in the PIPE Subscription Agreement; (iii) satisfy on a timely basis (or seek a waiver of) all conditions precedent to the funding, issuance, conversion, closing and/or other consummation of the PIPE Investment set forth in the PIPE Subscription Agreement (the “**Financing Conditions**”) that are within AOM’s or any of its Affiliates’ control, and reasonably cooperate with Odyssey in connection with the satisfaction of any other Financing Conditions; (iv) if all Financing Conditions (other than those to be satisfied at the applicable closing and subject to their satisfaction at such closing) have been satisfied or waived, consummate the PIPE Investment concurrently with the Closing as and when required by the PIPE Subscription Agreement; (v) consult with Odyssey in good faith regarding

the timing and mechanics of the closings for the PIPE Investment; (vi) deliver notices and other communications to the PIPE Investors sufficiently in advance of the Closing to permit timely funding of the PIPE Investment as early as permitted under the PIPE Subscription Agreement; (vii) cause each PIPE Investor to fund or deliver its applicable portion of the PIPE Investment to (or as directed by) AOM (or, if applicable, to an escrow agent designated in the PIPE Subscription Agreement) in accordance with the PIPE Subscription Agreement; (viii) ensure that, from the funding of the Bridge Financing through the Closing, AOM shall not incur expenditures in amounts that would reasonably be expected to cause the condition set forth in Section 6.3(e)(ii) to not be satisfied; and (ix) upon reasonable request of Odyssey, confirm with the PIPE Investors their intent and ability to perform and the availability of the PIPE Investment, subject only to satisfaction or waiver of the applicable Financing Conditions.

(b) Unless otherwise approved in writing by Odyssey (which approval may be granted or withheld in Odyssey's sole discretion), AOM shall not agree to, permit or implement any amendment, restatement, replacement, supplement or other modification of, or any waiver or consent under, any Subscription Agreement that would: (i) (A) modify the purchase price per share payable under any PIPE Subscription Agreement or (B) modify the economic terms applicable to the Bridge Debentures in a manner adverse to AOM or Odyssey; (ii) reduce, cap or otherwise adversely affect the aggregate committed amount of the PIPE Investment (it being understood that AOM shall provide Odyssey prompt written notice of any termination by, or withdrawal or commitment reduction of, any PIPE Investor, whether permitted under the PIPE Subscription Agreement (if and to the extent applicable) or otherwise); (iii) impose any new or additional conditions, expand or modify any conditions precedent, or otherwise adversely affect the likelihood, timing or ability of AOM to consummate the PIPE Investment as contemplated by this Agreement and the PIPE Subscription Agreement; (iv) provide any Bridge Investor or PIPE Investor with any material post-Closing right with respect to AOM, the Surviving Corporation or Odyssey (including any board designation right, veto right, consent right, information right or registration right not contemplated by the Subscription Agreements or otherwise as of the date hereof); or (v) otherwise reasonably be expected to prevent, delay, impede or impair the Closing or the consummation of the PIPE Investment. AOM shall promptly (and in any event within two (2) Business Days) deliver to Odyssey copies of any amendment, restatement, replacement, supplement, modification, waiver or consent with respect to any Subscription Agreement, and shall not take any action that could reasonably be expected to materially delay or prevent the consummation of the PIPE Investment.

(c) AOM shall enforce its rights under the PIPE Subscription Agreement, including by seeking to cause the PIPE Investors to fulfill their obligations thereunder (and, upon Odyssey's reasonable request, using commercially reasonable efforts to pursue specific performance or other equitable relief), and shall not release or consent to the release of any PIPE Investor from its obligations thereunder, in each case except with Odyssey's prior written consent.

(d) AOM shall take all actions required under the Bridge Debentures to cause the Bridge Debentures to convert into shares of AOM Common Stock immediately prior to the Effective Time in accordance with the terms of the Bridge Debentures and the Bridge Subscription Agreements. AOM shall take all actions required under the PIPE Subscription Agreement to timely issue and deliver to the PIPE Investors the shares of AOM Common Stock subscribed for thereunder immediately prior to the Effective Time in accordance with the terms of the PIPE Subscription Agreement. Solely if required by the PIPE Subscription Agreement, Odyssey shall, at or prior to the Closing, execute and deliver the Registration Rights Agreement (as defined in the PIPE Subscription Agreement), and shall, following the Closing, perform its obligations thereunder in accordance with the terms thereof.

(e) Following the execution of this Agreement, Odyssey shall use commercially reasonable efforts to negotiate and execute a joinder to the engagement letter signed by AOM with Cantor Fitzgerald & Co. in connection with the PIPE Investment.

Section 5.16 NOAA Application Efforts. From the date of this Agreement until the earlier of (x) the termination of this Agreement in accordance with Section 8.1 and (y) the Closing, AOM shall use commercially reasonable efforts to diligently prosecute and obtain approval of the NOAA Application, including timely responding to all communications from NOAA, providing requested information, and taking all actions reasonably necessary to advance the NOAA Application. AOM shall keep Odyssey reasonably informed of material developments with respect to the NOAA Application and shall not withdraw the application or accept any condition, restriction, or determination that would reasonably be expected to materially and adversely affect the ability of AOM and its Affiliates to, following the Closing, execute on the business plan and strategy described in the NOAA Application, without Odyssey's prior written consent (not to be unreasonably withheld, conditioned, or delayed).

Section 5.17 CIC and OML Transactions. From the date of this Agreement until the earlier of (x) the termination of this Agreement in accordance with Section 8.1 and (y) the Closing, each of AOM and Odyssey shall (a) use commercially reasonable efforts to maintain each of the CIC Agreements and OML Agreements, as applicable, in full force and effect, (b) not terminate, amend, modify, or waive any material provision of any CIC Agreement or OML Agreement, as applicable, without the prior written consent of the other Party (such consent not to be unreasonably withheld, conditioned, or delayed), (c) perform its obligations under the CIC Agreements and OML Agreements, as applicable, in all material respects in accordance with their terms, and (d) promptly notify the other Party in writing of any material breach, default, or threatened termination of any CIC Agreement or OML Agreement, as applicable, of which it becomes aware.

Section 5.18 Non-Core Asset Transactions.

(a) From the date of this Agreement until the earlier of (x) the termination of this Agreement in accordance with Section 8.1 and (y) the Closing, the Parties shall use commercially reasonable efforts to negotiate, document, memorialize and effectuate the transactions and other actions described on Schedule A (the "Non-Core Asset Transactions"). The Non-Core Asset Transactions shall be effected between the date hereof and the Closing, except to the extent that any such transaction or action is specified on Schedule A to occur prior to the filing of the Registration Statement and the Proxy Statement/Prospectus, in which case such transaction or action shall be completed prior to such filing. AOM shall use reasonable best efforts to support Odyssey in connection with its negotiations with third parties in order to finalize the terms and conditions of the Non-Core Asset Transactions as promptly as possible following the date of this Agreement.

(b) Prior to the Closing, Odyssey shall establish a record date (the “**Non-Core Asset Record Date**”) for purposes of determining the holders of Odyssey Common Stock entitled to receive beneficial interests in the ORM Trust (as defined on Schedule A). On or prior to the Closing, Odyssey shall either (i) distribute, or cause to be distributed, pro rata to the holders of record of Odyssey Common Stock as of the Non-Core Asset Record Date their respective beneficial interests in the ORM Trust or (ii) deliver, or cause to be delivered, to the trustee(s) of the ORM Trust (or, if applicable, the board or governing body thereof) a true, complete and correct list of such holders and their respective beneficial interests as of the Non-Core Asset Record Date, in each case in accordance with the definitive documentation of the ORM Trust and the Non-Core Asset Transactions.

For the avoidance of doubt, if the Reverse Stock Split is effected prior to the Effective Time, the Merger Consideration shall be adjusted in accordance with Section 2.5(c) (as specifically provided in the last two sentences thereof) to fully reflect the effect of the Reverse Stock Split.

Section 5.20 Appraisal Waivers. AOM shall, within ten (10) Business Days following the date of this Agreement, take all actions necessary to cause (a) the power of attorney referenced in the subscription agreements between AOM and the AOM Stockholders, dated September 22, 2025, to be duly executed and delivered to effect a waiver of appraisal rights with respect to each AOM Stockholder who has not executed and delivered an Appraisal Rights Waiver as of the date hereof and who did not execute the AOM Written Consent, and (b) each Bridge Investor who has not executed and delivered an Appraisal Rights Waiver as of the date hereof to execute and deliver an Appraisal Rights Waiver in accordance with, and pursuant to the terms of, the applicable Bridge Subscription Agreement.

(f) **NOAA Application.** The NOAA Application shall (i) remain pending and shall not have been withdrawn or denied, or (ii) have been approved or granted by NOAA, and, in either case, no condition, restriction, limitation, or determination imposed or made in connection therewith shall exist that would reasonably be expected to materially and adversely affect the ability of AOM and its Affiliates to, following the Closing, execute on the business plan and strategy described in the NOAA Application.

Section 6.4 Frustration of Closing Conditions. Neither AOM nor any of the Odyssey Parties shall be entitled to rely on the failure of any condition set forth in Section 6.1, Section 6.2, or Section 6.3, as applicable, to the extent such failure resulted from such Party's failure to perform or comply with any covenant, agreement, or obligation under this Agreement.

ARTICLE VII CLOSING

Section 7.1 Closing. Subject to the terms and conditions of this Agreement, the closing of the transactions contemplated hereby (the "**Closing**") shall take place by electronic exchange of documents at 8:00 a.m., New York City time, on the fourth (4th) Business Day after the satisfaction or (to the extent permitted by Law) waiver of the conditions to the Parties' obligations set forth in Article VI (other than those conditions that, by their nature, are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions), unless another time or date is agreed to in writing by the Parties. The date on which the Closing occurs is referred to herein as the "**Closing Date**."

Section 7.2 Deliveries by AOM. At the Closing, AOM will deliver or cause to be delivered to Odyssey (unless delivered previously) the following:

- (a) the Certificate of Merger, executed by AOM;
- (b) the AOM Closing Certificate;

(c) the FIRPTA Certificate; and

(d) any other document required to be delivered by AOM at Closing pursuant to this Agreement.

(b) the A&R Odyssey Articles;

(c) the Odyssey Closing Certificate; and

(d) any other document required to be delivered by the Odyssey Parties at Closing pursuant to this Agreement.

ARTICLE VIII TERMINATION

Section 8.1 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by mutual written consent of the Parties;

(b) by Odyssey or AOM if the Merger has not been consummated by the date that is six (6) months following the date of this Agreement (the “**Outside Date**”); provided, however, that either Odyssey or AOM may, by written notice delivered to the other Party prior to the then-applicable Outside Date, extend the Outside Date for an additional two (2) months, and thereafter, by written notice delivered prior to the then-applicable Outside Date, extend the Outside Date for one (1) additional period of thirty (30) days, and such later date shall, in either case, be deemed the Outside Date for all purposes of this Agreement; provided, further, that any such extension may be effected only if, in the good faith determination of the extending Party, the conditions to Closing set forth in Article VI remain capable of being satisfied or have been waived; provided, further, that if, on the Outside Date (including as it may be extended pursuant to this Section 8.1(b)), all of the conditions to Closing set forth in Article VI have been satisfied or waived (or, in the case of those conditions that by their nature or pursuant to the terms of this Agreement are to be satisfied at the Closing, are capable of being satisfied if the Closing were to occur on such date), but the Closing does not occur on the Outside Date solely by operation of Section 7.1, then the Outside Date shall automatically be extended to the Business Day immediately following the date on which the Closing is scheduled to occur in accordance with Section 7.1; provided, further, that no Party may terminate this Agreement pursuant to this Section 8.1(b) if the failure to consummate the Merger by the Outside Date is primarily attributable to such Party’s failure to perform any covenant or other obligation required to be performed by it under this Agreement at or prior to the Effective Time;

(c) by Odyssey or AOM if any Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Order which has become final and nonappealable and has the effect of making consummation of the transactions contemplated by this Agreement or any Ancillary Agreement illegal or otherwise preventing or prohibiting consummation of the transactions contemplated by this Agreement or any Ancillary Agreement; provided, however, that the right to terminate this Agreement under this Section 8.1(c) shall not be available to any Party whose failure to materially fulfill any representation, warranty, covenant or obligation under this Agreement or any Ancillary Agreement or other material action has been the actual or proximate cause of such Order;

(d) by AOM if, prior to the Odyssey Shareholder Approval having been obtained, the Odyssey Board or Odyssey Special Transaction Committee makes an Adverse Recommendation Change in accordance with the terms of this Agreement;

(e) by Odyssey if (i) the Odyssey Board or the Odyssey Special Transaction Committee authorizes Odyssey or one or more of its Subsidiaries, directly or indirectly, in one or more transactions, to enter into a definitive Acquisition Agreement providing for the consummation of a Superior Proposal in accordance with Section 5.10, (ii) concurrently with the termination of this Agreement, Odyssey, subject to complying with the terms of Section 5.10, enters into such definitive Acquisition Agreement providing for the consummation of a Superior Proposal, and (iii) prior to or concurrently with such termination, Odyssey pays (or causes to be paid) to AOM the Odyssey Termination Payment due in accordance with Section 8.3(a);

(f) by Odyssey or AOM if the Transaction Proposals are not approved at the Odyssey Shareholder Meeting (including any adjournments or postponements thereof) at which the approval of this Agreement is sought;

(g) by the Odyssey Parties if AOM has breached any of its representations, warranties, covenants or other agreements in this Agreement, or any such representation or warranty becomes untrue or inaccurate after the date hereof, in each case where: (i) such breach, untruth or inaccuracy would cause the conditions set forth in Section 6.3(a) or Section 6.3(b) not to be satisfied as of the Closing (a “**Terminating AOM Breach**”); and (ii) such Terminating AOM Breach is not cured within twenty (20) days after written notice thereof from the Odyssey Parties (describing the breach in reasonable detail), or is incapable of being cured prior to the Outside Date; provided, that no Odyssey Party is then in material breach of its own representations, warranties, covenants or other obligations under this Agreement which would give rise to a failure of Section 6.2(a) or Section 6.2(b);

(h) by AOM if any Odyssey Party has breached any of its representations, warranties, covenants or other agreements in this Agreement, or any such representation or warranty becomes untrue or inaccurate after the date hereof, in each case where: (i) such breach, untruth or inaccuracy would cause the conditions set forth in Section 6.2(a) or Section 6.2(b) not to be satisfied as of the Closing (a “**Terminating Odyssey Breach**”); and (ii) such Terminating Odyssey Breach is not cured within twenty (20) days after written notice thereof from AOM (describing the breach in reasonable detail), or is incapable of being cured prior to the Outside Date; provided, that AOM is not then in material breach of its own representations, warranties, covenants or other obligations which would give rise to a failure of Section 6.3(a) or Section 6.3(b); and

(i) by the Odyssey Parties if AOM does not deliver to Odyssey the AOM Written Consent constituting the Requisite AOM Approval on or prior to the AOM Written Consent Deadline.

Section 8.2 Procedure and Effect of Termination. In the event of a termination of this Agreement pursuant to Section 8.1 by the Odyssey Parties, on the one hand, or by AOM, on the other hand, written notice of such termination shall be delivered to the other Parties, specifying the provision of this Agreement pursuant to which such termination is made. Upon such termination, this Agreement shall become void and of no further force or effect, and no Party shall have any liability hereunder; provided, however, that: (a) this Section 8.2, Section 8.3 and Article IX shall survive the termination of this Agreement and shall remain in full force and effect; (b) the Confidentiality Agreement shall survive the termination of this Agreement and shall remain in full force and effect in accordance with its terms; and (c) the termination of this Agreement shall not relieve any Party from any liability for fraud or any willful and intentional breach of any covenant or obligation contained in this Agreement.

Section 8.3 Odyssey Termination Payment.

(a) In the event that: (i) this Agreement is terminated (x) by AOM pursuant to Section 8.1(d), or (y) by Odyssey pursuant to Section 8.1(e); or (ii) this Agreement is terminated (x) by either Odyssey or AOM pursuant to Section 8.1(f) or (y) by AOM pursuant to Section 8.1(h) as a result of a willful and intentional breach by Odyssey of its covenants hereunder (and at such time the Odyssey Shareholder Approval has not been obtained), and (A) after the date of this Agreement but before the Odyssey Shareholder Meeting an Alternative Proposal with respect to Odyssey shall have been publicly made or publicly proposed or communicated to Odyssey or to the Odyssey Shareholders generally (and not withdrawn), and (B) within twelve (12) months after such termination Odyssey shall have entered into a definitive Contract providing for the consummation of an Alternative Proposal; provided that for purposes of this clause (B) all references in the definition of Alternative Proposal to 20% shall instead refer to 50%; then Odyssey shall pay to AOM, in cash by wire transfer of same-day funds to an account or accounts designated by AOM, a nonrefundable fee in the amount of \$2,200,000 (the "**Odyssey Termination Payment**"), which shall be paid (1) in the case of a termination by AOM pursuant to clause (i)(x) above, within one (1) Business Day after termination of this Agreement, (2) in the case of a termination by Odyssey pursuant to clause (i)(y) above, prior to or simultaneously with such termination, or (3) in the case of a termination pursuant to clause (ii) above, upon the earlier of the entry into a definitive Contract to consummate, or the consummation of, an Alternative Proposal.

(b) If Odyssey fails to pay when due any amount payable under this Section 8.3, then Odyssey shall reimburse AOM for all costs and expenses (including fees and disbursements of counsel) incurred in connection with the collection of such overdue amount and the enforcement by AOM of its rights under this Section 8.3.

(c) Notwithstanding anything to the contrary contained in this Agreement, in no event shall Odyssey be obligated to pay more than one (1) Odyssey Termination Payment.

(d) Notwithstanding anything to the contrary in this Agreement, AOM's right to receive payment of the Odyssey Termination Payment pursuant to Section 8.3(a) shall, in circumstances in which the Odyssey Termination Payment is payable hereunder and is paid in full (absent fraud or any willful and intentional breach of this Agreement), be deemed to be liquidated damages (and not a penalty) and shall, except as set forth in this Section 8.3(d), be the sole and exclusive monetary remedy of AOM against Odyssey and its Subsidiaries and any of their respective former, current or future general or limited partners, stockholders, controlling Persons, managers, members, directors, officers, employees, Affiliates, representatives, agents or assignees or successors (collectively, "**Odyssey Related Parties**") for any loss or damage suffered as a result of the failure of the Merger and the other transactions contemplated by this Agreement to be consummated or for a breach of, or failure to perform under, this Agreement or any certificate or other document delivered in connection herewith or otherwise or in respect of any oral representation made or alleged to have been made in connection herewith or therewith, and upon payment of such amounts, none of the Odyssey Related Parties shall have any further liability or obligation relating to or arising out of this Agreement, whether in equity or at Law, in contract, in tort or otherwise. For the avoidance of doubt, while AOM may pursue both a grant of specific performance and the payment of the Odyssey Termination Payment (in each case in accordance with the terms of this Agreement), under no circumstances shall AOM be permitted or entitled to receive both a grant of specific performance and the Odyssey Termination Payment.

Section 9.4 Severability. If any term or provision of this Agreement is determined to be invalid, illegal or unenforceable under any applicable Law or public policy, the remaining terms, conditions and provisions of this Agreement shall remain in full force and effect so long as the economic and legal substance of the transactions contemplated hereby is not materially adversely affected with respect to any Party. Upon such determination, the Parties shall negotiate in good faith to amend this Agreement so as to effect, to the maximum extent possible, the original intent of the Parties in a manner that is valid, legal and enforceable and that permits the transactions contemplated hereby to be consummated as originally contemplated.

Section 9.5 Binding Effect; Assignment. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and permitted assigns. No Party may assign, directly or indirectly (including by operation of Law), this Agreement or any of its rights, interests or obligations hereunder without the prior written consent of the other Parties.

Section 9.6 No Third-Party Beneficiaries. Except as expressly provided in Section 5.7 and Section 9.18, this Agreement is solely for the benefit of (a) AOM and its successors and permitted assigns with respect to the obligations of the Odyssey Parties, and (b) the Odyssey Parties and their respective successors and permitted assigns with respect to the obligations of AOM, and nothing in this Agreement shall confer upon any other Person any remedy, claim, liability, reimbursement, cause of action or other right.

Section 9.7 Section Headings. The Article and Section headings contained in this Agreement are for reference purposes only, are not part of this Agreement, and shall not affect in any way the meaning or interpretation of this Agreement.

Section 9.8 Consent to Jurisdiction, Etc. Each Party, and any Person asserting rights as a third-party beneficiary (to the extent permitted under this Agreement), irrevocably agrees that any Legal Dispute shall be brought exclusively in the state courts of the State of New York located in the Borough of Manhattan in the City of New York or, if federal jurisdiction exists, in the federal courts of the United States located in the Borough of Manhattan in the City of New York. Each such Person hereby irrevocably submits to the exclusive jurisdiction of such courts (and the appropriate appellate courts therefrom) and waives, to the fullest extent permitted by applicable Law, any objection to the laying of venue in such courts or any claim that such forum is inconvenient. During the pendency of any Legal Dispute filed in accordance with this Section 9.8, all actions, suits or proceedings relating to such Legal Dispute (including any counterclaim, cross-claim or interpleader) shall be subject to the exclusive jurisdiction of such court. Each Party and any Person asserting rights as a third-party beneficiary irrevocably waives, and shall not assert as a defense in any Legal Dispute, that: (a) such Person is not subject to the jurisdiction of such courts; (b) such action, suit or proceeding may not be brought or is not maintainable in such court; (c) such Person's property is exempt or immune from execution; (d) such action, suit or proceeding is brought in an inconvenient forum; or (e) the venue is improper. A final judgment in any Legal Dispute described in this Section 9.8, following expiration of the period permitted for appeal (and subject to any stay during appeal), shall be conclusive and may be enforced in any jurisdiction by suit on the judgment or in any other manner provided by applicable Law. EACH PARTY, AND ANY PERSON ASSERTING RIGHTS AS A THIRD-PARTY BENEFICIARY, IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT TO A TRIAL BY JURY in any Legal Dispute relating to this Agreement or the transactions contemplated hereby.

Section 9.9 Entire Agreement. This Agreement (including the Schedules and Exhibits hereto) and the Ancillary Agreements constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede all prior and contemporaneous agreements and understandings, whether written or oral, relating to such subject matter, including (x) the letter agreement between Odyssey and AOM dated as of October 8, 2025, and (y) the non-binding term sheet between Odyssey and AOM dated as of February 13, 2026. Each Party acknowledges and agrees that, in entering into this Agreement, it has not relied on any promises, assurances, statements or representations, written or oral, other than those expressly set forth in this Agreement (including the Schedules and Exhibits hereto) or the Ancillary Agreements.

Section 9.10 Governing Law. This Agreement shall be governed by and construed in accordance with the Laws of the State of New York (without regard to any conflict of Laws or choice of Laws rules or principles that would cause or permit the application of the Laws of any other jurisdiction) as to all matters, including matters of validity, construction, effect, performance and remedies.

Section 9.11 Specific Performance. The Parties acknowledge that the rights of each Party to consummate the transactions contemplated by this Agreement are unique and that, in the event of any breach of this Agreement, monetary damages may be inadequate and the non-breaching Party may have no adequate remedy at law. Accordingly, each Party agrees that, in addition to any other rights and remedies available at law or in equity, the non-breaching Party shall be entitled to seek specific performance, injunctive relief and other equitable remedies (without the posting of any bond or other security) to enforce the terms of this Agreement, including to compel the performance of obligations or covenants hereunder. Each Party agrees that the only permitted objection it may raise in response to an action seeking equitable relief is that it contests the existence of a breach or threatened breach of this Agreement.

Section 9.12 Counterparts; Electronic Signatures. This Agreement may be executed in one (1) or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by e-mail (including .pdf or other electronic format) or other electronic transmission shall be as effective as delivery of a manually executed counterpart.

Section 9.13 Extension and Waiver. At any time prior to the Closing, the Odyssey Parties, on the one hand, and AOM, on the other hand, may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations of the other Party, (b) waive any inaccuracies in the representations and warranties made to such Party contained herein or in any document delivered pursuant hereto, and (c) waive compliance with any of the covenants, agreements or conditions for the benefit of such Party contained herein.

Section 9.14 Amendment. This Agreement may be amended by the Parties at any time by execution and delivery of an instrument in writing signed by each of the Parties, or in the case of a waiver by a Party, signed by the Party to whom such right hereunder inures; provided, however, that after the Odyssey Shareholder Approval has been obtained, there shall be made no amendment that by Law requires further approval by the Odyssey Shareholders without such approval having been obtained.

Section 9.15 AOM Acknowledgements. AOM acknowledges that it has conducted its own independent review and analysis of the Odyssey Parties and their respective Subsidiaries and has been provided reasonable access to information for such purpose. AOM further acknowledges that it has relied solely on (a) its own investigation and analysis and (b) the representations and warranties of the Odyssey Parties expressly set forth in Article IV and the certificates delivered pursuant hereto, in each case as qualified by the Odyssey Disclosure Schedule. Except for the representations and warranties expressly set forth in Article IV and such certificates, no Odyssey Party or any of their respective Subsidiaries, Affiliates or Representatives has made, and none of AOM or any Person on behalf of AOM has relied upon, any representation or warranty, express or implied, written or oral, with respect to the Odyssey Parties or their

respective Subsidiaries or Affiliates, any information made available in connection with this Agreement, or the transactions contemplated hereby. AOM expressly disclaims any reliance on projections, forecasts or other forward-looking information, except as expressly set forth in such representations and warranties. No Odyssey Party or any of their respective Subsidiaries or Affiliates shall have any liability to AOM arising from any information made available in connection with this Agreement, except to the extent (and subject to the terms of this Agreement) arising from the representations and warranties expressly set forth in Article IV and the certificates delivered pursuant hereto, as qualified by the Odyssey Disclosure Schedule. Notwithstanding the foregoing, nothing in this Agreement shall limit any claim of AOM with respect to fraud.

Section 9.16 Odyssey Parties Acknowledgements. The Odyssey Parties acknowledge that they have conducted their own independent review and analysis of AOM and its Subsidiaries and have been provided reasonable access to information for such purpose. In entering into this Agreement, each Odyssey Party has relied solely on (a) its own investigation and analysis and (b) the representations and warranties of AOM expressly set forth in Article III and the certificates delivered pursuant hereto, in each case as qualified by the AOM Disclosure Schedule. Except for the representations and warranties expressly set forth in Article III and such certificates, neither AOM nor any of its Subsidiaries, Affiliates or Representatives has made, and no Odyssey Party has relied upon, any representation or warranty, express or implied, written or oral, with respect to AOM or its Subsidiaries or Affiliates, any information made available in connection with this Agreement, or the transactions contemplated hereby. Each Odyssey Party expressly disclaims any reliance on projections, forecasts or other forward-looking information, except as expressly set forth in such representations and warranties. Neither AOM nor any of its Subsidiaries or Affiliates shall have any liability to any Odyssey Party arising from any information made available in connection with this Agreement, except to the extent (and subject to the terms of this Agreement) arising from the representations and warranties expressly set forth in Article III and the certificates delivered pursuant hereto, as qualified by the AOM Disclosure Schedule. Notwithstanding the foregoing, nothing in this Agreement shall limit any claim of any Odyssey Party with respect to fraud.

Section 9.17 Disclosure Schedules. The AOM Disclosure Schedule and the Odyssey Disclosure Schedule have each been prepared and organized, for convenience of reference only, in separate sections corresponding to the sections of this Agreement to which they relate. The representations and warranties set forth in Article III and Article IV of this Agreement are subject to: (a) the exceptions and disclosures set forth in the section of the AOM Disclosure Schedule or the Odyssey Disclosure Schedule, as applicable, that corresponds to the specific section of Article III or Article IV in which such representation or warranty appears; and (b) any exceptions or disclosures explicitly cross-referenced in such section of the AOM Disclosure Schedule or the Odyssey Disclosure Schedule, as applicable, to another section thereof. No reference to, or disclosure of, any item or other matter in the AOM Disclosure Schedule or the Odyssey Disclosure Schedule, as applicable, shall be construed as an admission or indication that such item or matter is material (nor shall it establish any standard of materiality for any purpose), or that such item or matter is required to be disclosed pursuant to this Agreement. The information contained in the AOM Disclosure Schedule and the Odyssey Disclosure Schedule is provided solely for purposes of this Agreement and shall not be deemed to constitute an admission by any Party to any third party of any fact, circumstance, or matter whatsoever, including any violation of Law or breach of any agreement. The AOM Disclosure Schedule and the disclosures contained

therein are intended solely to qualify and limit the representations, warranties, and covenants of AOM set forth in this Agreement. The Odyssey Disclosure Schedule and the disclosures contained therein are intended solely to qualify and limit the representations, warranties, and covenants of the Odyssey Parties set forth in this Agreement. Nothing contained in the AOM Disclosure Schedule or the Odyssey Disclosure Schedule is intended to expand the scope of, or create any, representation, warranty, or covenant under this Agreement. Matters reflected in the AOM Disclosure Schedule or the Odyssey Disclosure Schedule, as applicable, are not necessarily limited to matters required by this Agreement to be disclosed therein. Any additional information included is provided for informational purposes only and does not necessarily reflect all matters of a similar nature.

Section 9.18 No Recourse. Except as expressly provided in the Ancillary Agreements, all claims, obligations, liabilities and causes of action (whether in contract, tort, at Law, in equity or otherwise, and whether granted by statute or arising under or in connection with this Agreement or the negotiation, execution or performance hereof, including any representation or warranty made as an inducement hereto) may be asserted only against the Parties, and each such claim is solely the obligation of the Parties. No Person other than a Party, including any current, former or future director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, representative, assignee, financial advisor or lender of any Party, or any of the foregoing with respect to any of their respective Affiliates (collectively, the “**Nonparty Affiliates**”), shall have any liability (whether in contract, tort, at Law, in equity or otherwise) for any such claims, obligations, liabilities or causes of action arising under or in connection with this Agreement or its negotiation, execution, performance or breach (except as expressly provided in the Ancillary Agreements). To the maximum extent permitted by Law, each Party hereby waives and releases all such liabilities, claims, causes of action and obligations against all Nonparty Affiliates. Without limiting the foregoing, and to the maximum extent permitted by Law (except as provided in the Ancillary Agreements): (a) each Party waives and releases any and all rights, claims, demands or causes of action that may otherwise be available to seek to disregard the entity form of a Party or otherwise impose liability of a Party on any Nonparty Affiliate, whether pursuant to statute or common-law theories of equity, agency, control, instrumentality, alter ego, domination, single-enterprise, sham, unfairness, undercapitalization or similar doctrines; and (b) each Party disclaims any reliance on any Nonparty Affiliate with respect to any performance obligation under this Agreement or any representation or warranty made in, in connection with, or as an inducement to, this Agreement.

3.1 **Representations and Warranties of the Company.** Except as set forth in the correspondingly numbered section of the Disclosure Schedules that relates to such section or in another section of the Disclosure Schedules to the extent that it is reasonably apparent on the face of such disclosure that such disclosure is applicable to such section, the Company hereby represents and warrants to each Purchaser that the following representations and warranties are true and complete as of the date hereof and as of the Closing Date (other than representations and warranties which address matters only as of a certain date, which shall be true and correct as written as of such certain date):

(a) The Company (i) is validly existing and in good standing under the laws of the jurisdiction of its incorporation, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into and perform its obligations under this Agreement, the other Transaction Documents and the Merger Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not cause a Company Material Adverse Effect. Each Subsidiary of the Company is (i) a corporation, limited liability company or other entity validly existing and in good standing under the laws of the jurisdiction of its incorporation, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation or formation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not cause a Company Material Adverse Effect. Neither the Company nor any of its Subsidiaries is in violation of any provision of its Organizational Documents.

(b) The execution and delivery of this Agreement and each of the other Transaction Documents by the Company and the consummation by the Company of the transactions contemplated hereby and thereby have been duly authorized by all necessary action on the part of the Company and no further action is required by the Company, its Board of Directors, or its stockholders in connection herewith or therewith, subject only to the adoption of the Merger Agreement in accordance with the terms thereof by the Company's stockholders under the Delaware General Corporation Law and the Company's certificate of incorporation. This Agreement and each other Transaction Document to which the Company is a party has been (or upon delivery will have been) duly executed by the Company and, when duly executed by the other parties thereto and delivered in accordance with the terms hereof and thereof, will constitute the valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

(c) The execution, delivery and performance by the Company of this Agreement and the other Transaction Documents to which it is a party, the issuance and sale of the Securities and the consummation by the Company of the transactions contemplated hereby and thereby do not and will not (i) conflict with or violate any provision of the Company's certificate of incorporation or bylaws, or (ii) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any Lien upon any of the properties or assets of the Company or any Subsidiary, or give to others any rights of termination, amendment, anti-dilution or similar adjustments, acceleration or cancellation (with or without notice, lapse of time or both) of, any agreement, credit facility, debt or other instrument (evidencing a Company or Subsidiary debt or otherwise) or other

understanding to which the Company or any Subsidiary is a party or by which any property or asset of the Company or any Subsidiary is bound or affected, or (iii) assuming the accuracy of the representations and warranties of each Purchaser set forth in Section 3.2 of this Agreement, conflict with or result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which the Company or a Subsidiary is subject (including federal and state securities laws and regulations), or by which any property or asset of the Company or a Subsidiary is bound or affected; except in the case of each of clauses (ii) and (iii), such as would not cause a Company Material Adverse Effect.

(d) Assuming the accuracy of the representations and warranties of each Purchaser set forth in Section 3.2 of this Agreement, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization or other person in connection with the execution, delivery and performance of this Agreement or the other Transaction Documents (including, without limitation, the issuance and sale of the Securities), other than (i) filings required by applicable state securities laws, (ii) such filings as are required by or provided for in the Merger Agreement and (iii) those filings, the failure of which to obtain would not have a Company Material Adverse Effect.

(e) The Shares are duly authorized and, when issued and paid for in accordance with this Agreement, will be duly and validly issued, fully paid and nonassessable, free and clear of all Liens imposed by the Company, except for restrictions on transfer imposed by applicable securities laws. The Warrant Shares are duly authorized and, when issued upon exercise of the Warrants in accordance with the terms of the Warrant, will be duly and validly issued, fully paid and nonassessable, free and clear of all Liens imposed by the Company, except for restrictions on transfer imposed by applicable securities laws.

(f) Except as set forth in the Disclosure Schedules, since December 31, 2025, (i) there has been no event, occurrence or development that has had or that would reasonably be expected to cause a Company Material Adverse Effect, (ii) the Company has not incurred any liabilities (contingent or otherwise) other than (A) trade payables and accrued expenses incurred in the ordinary course of business consistent with past practice and (B) liabilities not required to be reflected in the Company's financial statements pursuant to GAAP, (iii) the Company has not altered its method of accounting, and (iv) the Company has not declared or made any dividend or distribution of cash or other property to its stockholders or purchased, redeemed or made any agreements to purchase or redeem any shares of its capital stock.

(g) There is no Legal Proceeding pending or, to the knowledge of the Company, threatened in writing against the Company or any of its properties before or by any court, arbitrator, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) which (i) materially adversely affects or challenges the legality, validity or enforceability of any of the Transaction Documents or the Securities or (ii) would, if there were an unfavorable decision, cause a Company Material Adverse Effect. The Company is not and has not been the subject of any Action or Legal Proceeding involving a claim of violation of or liability under federal or state securities laws or a claim of breach of fiduciary duty.

(h) Assuming the accuracy of each Purchaser's representations and warranties set forth in Section 3.2 of this Agreement, no registration under the Securities Act or any state securities (or "blue sky") laws is required for the offer and sale of the Securities by the Company to such Purchaser.

(i) Neither the Company nor any person acting on its behalf has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Securities. The Securities are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act or any state securities laws. Assuming the accuracy of the Purchasers' representations and warranties set forth in Section 3.2, neither the Company nor any person acting on the Company's behalf has, directly or indirectly, at any time within the past six (6) months, made any offer or sale of any security or solicitation of any offer to buy any security under circumstances that would cause the offering of the Securities pursuant to this Agreement to be integrated with prior offerings by the Company for purposes of the Securities Act or any applicable stockholder approval provisions. Neither the Company nor any person acting on the Company's behalf has offered or sold any securities, or has taken any other action, which would reasonably be expected to subject the offer, issuance or sale of the Securities, as contemplated hereby, to the registration provisions of the Securities Act.

(j) The operations of the Company and its Subsidiaries are and have been conducted at all times in compliance with applicable financial record-keeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, applicable money laundering statutes and applicable rules and regulations thereunder (collectively, the “**Money Laundering Laws**”), and no Legal Proceeding involving the Company or any Subsidiary with respect to the Money Laundering Laws is pending or, to the knowledge of the Company, threatened.

(k) The Company is solely responsible for the payment of any fees, costs, expenses and commissions of the Placement Agents.

(l) The Company is not, and after giving effect to the offering and sale of the Securities in the financing contemplated hereby, will not be, required to register as an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

(m) Neither the Company nor any of its Subsidiaries, nor any of their respective officers or directors, nor, to the knowledge of the Company, any of their respective representatives acting on their behalf, has since the Compliance Date, directly or indirectly, offered, given, paid, promised to give or pay, or authorized the giving or payment of anything of value to (i) an official or employee of a foreign or domestic Governmental Entity; (ii) a foreign or domestic political party or an official of a foreign or domestic political party; (iii) a candidate for foreign or domestic political office; or (iv) any Person, in any such case under circumstances where the Company, any of its Subsidiaries or representative thereof knew, or would have reasonably known after due and proper inquiry, that all or a portion of such thing of value would be offered, given, paid, or promised to an official or employee of a foreign or domestic Governmental Entity, a foreign or domestic political party, an official of a foreign or domestic political party, or a candidate for foreign or domestic political office for the purpose of influencing any act or decision of such official, employee, or candidate to obtain or retain business or direct business to any person (in each case in violation of any Anti-Bribery Laws). Neither the Company nor any of its Subsidiaries, nor any of their respective officers and directors, nor, to the knowledge of the Company, any of their respective representatives acting on their behalf, has, since the Compliance Date, directly or indirectly offered, given, paid, promised to give or pay, or authorized the giving or payment of anything of value to any customer, supplier, or other Person who is or may be in a position to assist or hinder the Company or any of its Subsidiaries in connection with any actual or proposed transaction for the purpose of influencing any act or decision of such customer, supplier, or other Person to obtain or retain business or direct business to any person. Neither the Company nor any of its Subsidiaries, nor any of their respective officers and directors, nor, to the knowledge of the Company, any of their respective representatives acting on their behalf, has, since the Compliance Date, been subject to or conducted or initiated any internal investigation or made a voluntary, directed, or involuntary disclosure to any Governmental Entity with respect to any alleged act or omission relating to any noncompliance with any Anti-Bribery Laws. Neither the Company nor any of its Subsidiaries, nor any of their respective officers and directors, nor, to the knowledge of the Company, any representatives acting on their behalf has, since the Compliance Date, received any written notice, request, or citation from any Governmental Entity for any actual or potential noncompliance with any Anti-Bribery Laws.

(n) The operations of each of the Company and its Subsidiaries are and have been, since the Compliance Date, conducted at all times in material compliance with any International Trade Laws and Sanctions Laws of any jurisdiction in which the Company or any of its Subsidiaries operates, and no Legal Proceeding between the Company or any of its Subsidiaries and any Governmental Entity with respect to any of the foregoing is pending or, to the knowledge of the Company, threatened in writing.

(o) Neither the Company nor any of its Subsidiaries nor any of their respective directors or officers, or, to the knowledge of the Company, any other Representative acting on behalf of the Company or any of its Subsidiaries is or has been: (i) identified on any applicable sanctions-related list of designated or blocked persons (including without limitation the Specially Designated Nationals and Blocked Persons List (“**SDN List**”) maintained by the U.S. Department of the Treasury’s Office of Foreign Assets Control (“**OFAC**”)); (ii) located, organized, or resident in any country, region or territory that is the subject of comprehensive territorial sanctions administered by the United States and any other jurisdiction in which the Company or any of its Subsidiaries operates (as of the date of this Agreement, Cuba, Iran, North Korea, and the Crimea, so-called Donetsk People’s Republic, and so-called Luhansk People’s Republic regions of Ukraine) (each a “**Sanctioned Jurisdiction**”); or (iii) owned, directly or indirectly, individually or in the aggregate, 50 percent or more or otherwise controlled by any of the foregoing. The Company is either (i) not a “person of a country of concern” or (ii) not engaged in any “covered activity,” as these terms are defined in 31 C.F.R. Part 850, as implemented or revised from time to time. The Company has no intention of becoming a “person of a country of concern” that engages in any “covered activity”.

(p) The Company and its Subsidiaries have, since the Compliance Date, maintained in place and implemented risk-based controls and systems designed to promote compliance with economic sanctions administered and maintained by the U.S. government.

(q) Neither the Company nor any of its Subsidiaries has, since the Compliance Date, directly or indirectly, used any funds, or loaned, contributed or otherwise made available such funds to any joint venture partner or other Person, in connection with any sales or operations in a Sanctioned Jurisdiction or for the purpose of financing the activities (i) of any Person currently identified on any applicable sanctions-related list of designated or blocked persons maintained by OFAC, or (ii) in any other manner that would constitute a violation of any applicable U.S. sanctions administered by the U.S. government.

(r) Except for fees payable by the Company to the Placement Agents, no brokerage or finder's fees or commissions are or will be payable by the Company to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by the Transaction Documents. The Purchasers shall have no obligation with respect to any fees or with respect to any claims made by or on behalf of other Persons for fees of a type contemplated in this Section that may be due in connection with the transactions contemplated by the Transaction Documents.

(s) Except for matters that would not, individually or in the aggregate, cause a Company Material Adverse Effect, the Company and its Subsidiaries each (i) has made or filed all applicable income and franchise tax returns, reports and declarations required by any jurisdiction to which it is subject, (ii) has paid all Taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations and (iii) has set aside on its books provision reasonably adequate for the payment of all material Taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid Taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company or of any Subsidiary know of no basis for any such claim.

(t) The Company acknowledges and agrees that each of the Purchasers is acting solely in the capacity of an arm's length purchaser with respect to the Transaction Documents and the transactions contemplated thereby. The Company further acknowledges that no Purchaser is acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to the Transaction Documents and the transactions contemplated thereby and any advice given by any Purchaser or any of their representatives or agents in connection with the Transaction Documents and the transactions contemplated thereby is merely incidental to the Purchasers' purchase of the Securities. The Company further represents to each Purchaser that the Company's decision to enter into this Agreement and the other Transaction Documents has been based solely on the independent evaluation of the transactions contemplated hereby by the Company and its representatives.

(u) The Company does not have any agreement or understanding with any Purchaser with respect to the transactions contemplated by the Transaction Documents other than as specified in the Transaction Documents. For the avoidance of doubt, the Company has not entered into any other securities purchase agreement with any other Person on or around the date hereof, that includes terms and conditions that are materially more advantageous to such Person than to any Purchaser hereunder.

(v) The Company hereby acknowledges and agrees that (i) the Placement Agents are acting solely as placement agents in connection with the execution, delivery and performance of the Transaction Documents and are not acting as underwriters or in any other capacity and are not and shall not be construed as fiduciaries for the Purchasers, the Company or any other person or entity in connection with the execution, delivery and performance of the Transaction Documents, (ii) the Placement Agents have not made nor will make any representation or warranty, whether express or implied, of any kind or character and the Placement Agents have not provided any advice or recommendation in connection with the execution, delivery and performance of the Transaction Documents and (iii) the Placement Agents will not have any responsibility with respect to (A) any representations, warranties or agreements made by any person or entity under or in connection with the execution, delivery and performance of the Transaction Documents, or the execution, legality, validity or enforceability (with respect to any person) thereof, or (B) the business, affairs, financial condition, operations or properties of, or any other matter concerning the Company.

(w) The Company has not entered into, and will not enter into, any other agreement or any definitive transaction document, side letter, undertaking letter, or other similar agreement or instrument with any Purchaser or any other purchaser of Securities in connection with the transactions contemplated hereby with terms and conditions that are more favorable than the terms and conditions provided to the Purchasers under this Agreement.

(x) At the time it was most recently provided to the Purchasers, the Investor Presentation did not contain any untrue statement of material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(y) The Company's representations and warranties set forth in the Merger Agreement in Sections 3.3 (Capitalization), 3.6(b) (Financial Statements), 3.9 (Real Estate), 3.10 (Intellectual Property), 3.12 (Alpha Contracts), 3.14 (Environmental Matters), 3.15 (Licenses and Permits), 3.16 (No Employees), 3.20 (Insurance), 3.21 (Affiliate Transactions) and 3.25 (NOAA Application) are hereby incorporated by reference and made by the Company, as qualified by the disclosures in the Alpha Disclosure Schedule (as defined in the Merger Agreement).

(z) None of the Company, any of its predecessors, any affiliated issuer, any director, executive officer, other officer of the Company participating in the offering hereunder, any beneficial owner of 20% or more of the Company's outstanding voting equity securities, calculated on the basis of voting power, nor any promoter (as that term is defined in Rule 405 under the Securities Act) connected with the Company in any capacity at the time of sale (each, an "**Issuer Covered Person**") is subject to any of the "Bad Actor" disqualifications described in Rule 506(d)(1)(i) to (viii) under the Securities Act (a "**Disqualification Event**"), except for a Disqualification Event covered by Rule 506(d)(2) or (d)(3). The Company has exercised reasonable care to determine whether any Issuer Covered Person is subject to a Disqualification Event. The Company has complied, to the extent applicable, with its disclosure obligations under Rule 506(e), and has furnished to the Purchasers a copy of any disclosures provided thereunder. The Company will notify the Purchasers and the Placement Agents in writing, prior to the Closing Date of (i) any Disqualification Event relating to any Issuer Covered Person and (ii) any event that would, with the passage of time, become a Disqualification Event relating to any Issuer Covered Person.

3.2 Representations and Warranties of the Purchasers. Each Purchaser, for itself and for no other Purchaser, hereby represents and warrants as of the date of this Agreement and as of the Closing Date (or, if such representations and warranties are made with respect to a specified date, as of such date) to the Company that the following representations and warranties are true and complete as of the date hereof and as of the Closing Date:

(a) Such Purchaser is either an individual or an entity duly incorporated or formed, validly existing and in good standing under the laws of its jurisdiction of formation or incorporation with the requisite power and authority to enter into and perform its obligations under the Transaction Documents.

(b) Each Transaction Document to which it is a party has been duly authorized, executed and delivered by such Purchaser, and assuming the due authorization, execution and delivery of the same by the Company, each Transaction Document to which such Purchaser is a party shall constitute the valid and legally binding obligation of such Purchaser, enforceable against such Purchaser in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(c) The execution, delivery and performance of the Transaction Documents, including the purchase of the Securities hereunder, the compliance by such Purchaser with all of the provisions of the Transaction Documents and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of such Purchaser pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which such Purchaser is a party or by which such Purchaser is bound or to which any of the property or assets of such Purchaser is subject; (ii) the Organizational Documents of such Purchaser; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over such Purchaser or any of its properties that in the case of clauses (i) and (iii), would reasonably be expected to have a material adverse effect on such Purchaser's ability to consummate the transactions contemplated by the Transaction Documents, including the purchase of the Securities.

(d) (i) At the time such Purchaser was offered the Securities, it was, and as of the date hereof, it is an institutional “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3), (7) or (9) under the Securities Act) and/or a “qualified institutional buyer” as defined in Rule 144A(a) under the Securities Act, (ii) such Purchaser is acquiring the Shares only for its own account and not for the account of others, and (iii) such Purchaser is not acquiring the Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and, except as otherwise agreed by the Company, the Placement Agents and a Purchaser, has provided the Company with the requested information on Annex A following the signature page hereto).

(e) Such Purchaser acknowledges and agrees that the Securities are being and the Omega Securities may be offered in transactions not involving any public offering within the meaning of the Securities Act and that neither the Securities nor the Omega Securities have been registered under the Securities Act or the securities laws of any state in the United States or other jurisdiction and that neither the Company nor Omega is required to register the Securities or Omega Securities except if the Omega S-4 Registration has not occurred immediately prior to the Effective Time, as set forth in the Registration Rights Agreement. Such Purchaser acknowledges and agrees that the Securities will be and Omega Securities may be “restricted securities” as defined in Rule 144(a)(3) under the Securities Act and may not be offered, resold, transferred, pledged or otherwise disposed of by such Purchaser absent an effective Registration Statement under the Securities Act, except (i) to the issuer thereof or its Subsidiary, (ii) pursuant to an applicable exemption from the registration requirements of the Securities Act (including, without limitation, a private resale pursuant to so called “Section 4(a) (1½)”), or (iii) an ordinary course pledge such as a broker lien over account property generally, and, in each of clauses (i) through (iii), in accordance with any applicable securities laws of the states and other jurisdictions of the United States, and that any certificates or account entries representing the Securities shall contain a restrictive legend to such effect and any certificates or account entries representing Omega Securities may contain a restrictive legend to such effect. Such Purchaser acknowledges and agrees that the Securities will be and the Omega Securities may be subject to these securities law transfer restrictions, and as a result of these transfer restrictions, such Purchaser may not be able to readily offer, resell, transfer, pledge or otherwise dispose of the Securities or Omega Securities and may be required to bear the financial risk of an investment in the Securities or Omega Securities for an indefinite period of time. Each Purchaser acknowledges and agrees that the Securities and, if the Omega S-4 Registration has not occurred immediately prior to the Effective Time, the Omega Securities will not be immediately eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144. Such Purchaser acknowledges and agrees that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Securities or Omega Securities.

(f) Such Purchaser understands and agrees that it is purchasing the Securities directly from the Company. Each Purchaser further acknowledges that there have not been, and such Purchaser hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to such Purchaser by the Company, Omega, the Placement Agents, or any of their respective Affiliates or any of their control persons, officers, directors, employees, partners, agents or representatives, or any other person or entity, expressly or by implication, other than those representations, warranties covenants and agreements of the Company and Omega set forth in this Agreement and, if applicable, the Registration Rights Agreement, respectively. Such Purchaser agrees that none of (i) any other Purchaser (including the controlling persons, members, officers, directors, partners, agents, or employees of any such other Purchaser) and (ii) the Placement Agents, their respective Affiliates or any of their respective Affiliates’ control persons, officers, directors or employees shall be liable (including, without limitation, for or with respect to any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements incurred by such person or entity), whether in contract, tort or otherwise, or have any liability or obligation to such Purchaser or any other Purchaser, or any person claiming through such Purchaser or any other Purchaser, including, without limitation, pursuant to this Agreement or the other Transaction Documents related to the offering of the Securities, the negotiation hereof or the subject matter hereof, the transactions contemplated hereby or the Investor Presentation (as defined below), for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the purchase of the Securities.

(g) In making its decision to purchase the Securities, such Purchaser has relied solely upon independent investigation made by such Purchaser, the Company's "PIPE Financing Presentation – 2026", as most recently provided to such Purchaser in connection herewith (the "**Investor Presentation**"), Omega's SEC Reports, and the Company's representations in Section 3.1 of this Agreement. Such Purchaser acknowledges and agrees that such Purchaser has received such information as such Purchaser deems necessary in order to make an investment decision with respect to the Securities, including with respect to the Company, Omega and the terms of the Merger, and made its own assessment and is satisfied concerning the relevant financial, tax and other economic considerations relevant to the Purchaser's investment in the Securities. Without limiting the generality of the foregoing, such Purchaser acknowledges that it had the opportunity to review a final draft of the Merger Agreement. Such Purchaser represents and agrees that such Purchaser and such Purchaser's professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as such Purchaser and the Purchaser's professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Securities. Such Purchaser acknowledges and agrees that none of the Placement Agents, nor any of their officers, directors, employees or other representatives, legal counsel, financial advisors, accountants or agents (collectively, "**Representatives**") has provided such Purchaser with any recommendation or advice with respect to the Securities nor is such recommendation or advice necessary or desired. The Placement Agents have not made, and do not make, any representation as to the Company or the quality or value of the Securities. In addition, the Company, the Placement Agents and their respective Affiliates or Representatives have acquired non-public information with respect to the Company which such Purchaser agrees, subject to applicable law, need not be provided to it. The Placement Agents and each of their respective members, directors, officers, employees, representatives and controlling persons have made no independent investigation with respect to the Company or any Securities or the accuracy, completeness or adequacy of any information supplied to such Purchaser by the Company. In connection with the issuance of the Securities to such Purchaser, such Purchaser agrees and acknowledges that the Placement Agents are acting as the Company's placement agents in connection with the transactions contemplated by this Agreement, and none of the Placement Agents or any of their respective Affiliates have acted as a financial advisor or fiduciary to such Purchaser.

(h) Such Purchaser became aware of this offering of the Securities solely by means of direct contact between such Purchaser and the Company or its Affiliates, or by means of contact from the Placement Agents, and Securities were offered to such Purchaser solely by direct contact between such Purchaser and the Company or its Affiliates. Such Purchaser did not become aware of this offering of the Securities, nor were the Securities offered to such Purchaser, by any other means. Such Purchaser acknowledges that the Company represents and warrants that the Securities (i) were not offered by any form of general solicitation or general advertising (within the meaning of Regulation D of the Securities Act) and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

(i) Such Purchaser acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Securities. Such Purchaser has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Securities, and such Purchaser has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as such Purchaser has considered necessary to make an informed investment decision. Such Purchaser (i) is an institutional account as defined in FINRA Rule 4512(c), (ii) is a sophisticated investor, experienced in investing in private equity transactions and capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities, and (iii) has exercised independent judgment in evaluating its participation in the purchase of the Securities. Such Purchaser understands and acknowledges that, assuming the accuracy of Company's representations, the purchase and sale of the Securities hereunder meets (i) the exemptions from filing under FINRA Rule 5123(b)(1)(A) and (ii) the institutional customer exemption under FINRA Rule 2111(b).

(j) Such Purchaser has adequately analyzed and fully considered the risks of an investment in the Securities and determined that the Securities are a suitable investment for such Purchaser and that such Purchaser is able at this time and in the foreseeable future to bear the economic risk of a total loss of such Purchaser's investment in the Company. Such Purchaser acknowledges specifically that a possibility of total loss exists.

(k) Such Purchaser understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Securities or made any findings or determination as to the fairness of this investment.

(l) Such Purchaser is not (i) a person or entity named on the SDN List or in any executive order issued by the President of the United States and administered by OFAC ("**OFAC List**"), or a person or entity prohibited by any OFAC sanctions program, (ii) a "designated national" as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515, or (iii) a non-U.S. shell bank or providing banking services indirectly to a non-U.S. shell bank. Such

Purchaser agrees to provide law enforcement agencies, if requested thereby, such records as required by applicable law, provided that such Purchaser is permitted to do so under applicable law. If such Purchaser is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.), as amended by the USA PATRIOT Act of 2001, and its implementing regulations (collectively, the “**BSA/PATRIOT Act**”), such Purchaser maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. To the extent required, such Purchaser maintains policies and procedures reasonably designed for the screening of its investors against the OFAC sanctions programs, including the OFAC List. To the extent required, such Purchaser maintains policies and procedures reasonably designed to ensure that the funds held by such Purchaser and used to purchase the Securities were legally derived.

(m) No foreign person (as defined in 31 C.F.R. Part 800.224) in which the national or subnational governments of a single foreign state have a substantial interest (as defined in 31 C.F.R. Part 800.244) will acquire a substantial interest in the Company as a result of the purchase and sale of Securities hereunder such that a declaration to the Committee on Foreign Investment in the United States would be mandatory under 31 C.F.R. Part 800.401, and no foreign person will have control (as defined in 31 C.F.R. Part 800.208) over the Company from and after the Closing as a result of the purchase and sale of Securities hereunder.

(n) Such Purchaser: (i) will have sufficient funds to pay the Subscription Amount pursuant to Section 2.2(b)(iii) of this Agreement; (ii) has the resources and capabilities (financial or otherwise) to perform its obligations under the Transaction Documents when due; and (iii) has not incurred any obligation, commitment, restriction or liability of any kind, absolute or contingent, present or future, which would impair or adversely affect its ability to perform its obligations under the Transaction Documents.

(o) Such Purchaser acknowledges that it is not relying upon, and has not relied upon, any statement, representation or warranty made by any person, firm or corporation (including, without limitation, the Company, the Placement Agents, Omega or any of their respective Affiliates or any of their control persons, officers, directors, employees, agents or representatives), the Investor Presentation, and the representations and warranties of the Company and Omega contained in this Agreement or, if applicable, the Registration Rights Agreement, in making its investment or decision to invest in the Company. Such Purchaser agrees that none of (i) any other Purchaser or any other Person participating in any other private placement of securities of the Company (including the controlling persons, officers, directors, partners, agents or employees of any such other Person), (ii) the Company’s Affiliates or any of its respective Affiliates’ control persons, officers, directors, partners, agents, employees or representatives nor (iii) the Placement Agents, their respective Affiliates or any of their respective control persons, officers, directors, partners, agents, employees or representatives shall be liable to such Purchaser or any other Purchaser, including, without limitation, pursuant to the Transaction Documents or any other agreement related to a private placement of Securities, or the information included in the Investor Presentation, for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the purchase of the Securities hereunder or thereunder; except, with respect to clause (ii) above, to the extent of their own gross negligence, fraud or willful misconduct.

(p) No broker or finder is entitled to any brokerage or finder’s fee or commission to be paid by such Purchaser solely in connection with the sale of the Securities to such Purchaser.

(q) Such Purchaser acknowledges its obligations under applicable securities laws with respect to the treatment of non-public information relating to the Company and Omega. For the avoidance of doubt, nothing in this Agreement or any Transaction Document shall restrict or be deemed to restrict any Purchaser’s ability to effect transactions in the securities of any issuer other than the Company or Omega, in each case subject to applicable law.

3.3 Representations and Warranties of Omega. Except as disclosed in Omega’s SEC Reports furnished to or filed with the SEC prior to the date hereof (or with respect to representations made as of the Closing Date, prior to the Closing Date) or as set forth in the correspondingly numbered section of the Disclosure Schedules that relates to such section or in another section of the Disclosure Schedules to the extent that it is reasonably apparent on the face of such disclosure that such disclosure is applicable to such section, Omega hereby represents and warrants to each Purchaser that the following representations and warranties are true and complete as of the date hereof and as of the Closing Date (other than representations and warranties which address matters only as of a certain date, which shall be true and correct as written as of such certain date and, in each case, subject to materiality and materiality qualifiers specified below):

(a) Omega (i) is validly existing and in good standing under the laws of the jurisdiction of its incorporation, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into and perform its obligations under this Agreement, the other Transaction Documents and the Merger Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not cause an Omega Material Adverse Effect. Each Subsidiary of Omega is (i) a corporation, limited liability company or other entity validly existing and in good standing under the laws of the jurisdiction of its incorporation, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation or formation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not cause an Omega Material Adverse Effect. Neither Omega nor any of its Subsidiaries is in violation of any provision of its Organizational Documents.

(b) The execution and delivery of this Agreement and each of the other Transaction Documents by Omega and the consummation by Omega of the transactions contemplated hereby and thereby have been duly authorized by all necessary action on the part of Omega and no further action is required by Omega, its Board of Directors, or its stockholders in connection herewith or therewith, subject only to the adoption of the Merger Agreement, receipt of the Omega Warrant Shareholder Approval and the issuance of securities of Omega as Merger Consideration (as defined in Merger Agreement) thereunder in accordance with the terms thereof by Omega's stockholders under applicable Nevada corporate law and Omega's articles of incorporation. This Agreement and each other Transaction Document to which Omega is a party has been (or upon delivery will have been) duly executed by Omega and, when duly executed by the other parties thereto and delivered in accordance with the terms hereof and thereof, will constitute the valid and binding obligation of Omega enforceable against Omega in accordance with its terms, except (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

(c) The execution, delivery and performance by Omega of this Agreement and the other Transaction Documents to which it is a party and the consummation by Omega of the transactions contemplated hereby and thereby do not and will not (i) subject to approval by Omega's stockholders of the Merger Agreement, receipt of the Omega Warrant Shareholder Approval and the issuance of the Omega Securities as Merger Consideration thereunder in accordance with the terms thereof, conflict with or violate any provision of Omega's articles of incorporation or bylaws, or (ii) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any Lien upon any of the properties or assets of Omega or any Subsidiary, or give to others any rights of termination, amendment, anti-dilution or similar adjustments, acceleration or cancellation (with or without notice, lapse of time or both) of, any agreement, credit facility, debt or other instrument (evidencing an Omega or Subsidiary debt or otherwise) or other understanding to which Omega or any Subsidiary is a party or by which any property or asset of Omega or any Subsidiary is bound or affected, or (iii) assuming the accuracy of the representations and warranties of each Purchaser set forth in Section 3.2 of this Agreement, conflict with or result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which Omega or a Subsidiary is subject (including federal and state securities laws and regulations), or by which any property or asset of Omega or a Subsidiary is bound or affected; except in the case of each of clauses (ii) and (iii), such as would not cause an Omega Material Adverse Effect.

(d) Upon the issuance of Omega Shares in the Merger in exchange for the Shares, the Omega Shares will be duly and validly issued, fully paid and nonassessable, free and clear of all Liens imposed by Omega, except for restrictions on transfer imposed by applicable securities laws. Upon the issuance of Omega Warrants in the Merger in exchange for the Warrants, the Omega Warrant Shares will be duly authorized and, when issued upon exercise of the Omega Warrants in accordance with the terms of the Omega Warrant, will be duly and validly issued, fully paid and nonassessable, free and clear of all Liens imposed by Omega, except for restrictions on transfer imposed by applicable securities laws. At the time of the issuance of the Omega Shares or Omega Warrant Shares, as applicable, such issuance will either be registered under the Securities Act or, assuming the accuracy of each Purchaser's representations and warranties set forth in Section 3.2, no such registration shall be required and, assuming Omega is listed on a national securities exchange at the time of such issuance, no registration under state securities (or "blue sky") law will be required for such issuance.

(e) Neither Omega nor any person acting on its behalf has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Omega Securities. The Omega Securities will not be offered in a manner that violates the Securities Act or any state securities laws. Assuming the accuracy of the Purchasers' representations and warranties set forth in Section 3.2, neither Omega nor any person acting on Omega's behalf has, directly or indirectly, at any time within the past six (6) months, made any offer or sale of any security or solicitation of any offer to buy any security under circumstances that would cause the offering of the Omega Securities pursuant to the Merger to be integrated with prior offerings by Omega for purposes of the Securities Act or any applicable stockholder approval provisions. Neither Omega nor any person acting on Omega's behalf has offered or sold any securities, or has taken any other action (except with respect to the S-4 Registration Statement), which would reasonably be expected to subject the offer, issuance or sale of the Omega Securities, as contemplated by the Merger Agreement, to the registration provisions of the Securities Act.

(f) Omega is not, and after giving effect to the offering and sale of the Omega Securities in accordance with the Merger Agreement, will not be, required to register as an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

(g) Assuming the accuracy of the representations and warranties of each Purchaser set forth in Section 3.2 of this Agreement, Omega is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization or other person in connection with the execution, delivery and performance of this Agreement or the other Transaction Documents, other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement pursuant to the Registration Rights Agreement, (iii) such filings as are required by or provided for in the Merger Agreement and (iv) those filings, the failure of which to obtain would not have an Omega Material Adverse Effect.

(h) The operations of Omega and its Subsidiaries are and have been conducted at all times in compliance with applicable financial record-keeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, applicable Money Laundering Laws, and no Legal Proceeding involving Omega or any Subsidiary with respect to the Money Laundering Laws is pending or, to the knowledge of Omega, threatened.

(i) Neither Omega nor any of its Subsidiaries, nor any of their respective officers or directors, nor, to the knowledge of Omega, any of their respective representatives acting on their behalf, has since April 24, 2019, directly or indirectly, offered, given, paid, promised to give or pay, or authorized the giving or payment of anything of value to (i) an official or employee of a foreign or domestic Governmental Entity; (ii) a foreign or domestic political party or an official of a foreign or domestic political party; (iii) a candidate for foreign or domestic political office; or (iv) any Person, in any such case under circumstances where Omega, any of its Subsidiaries or representative thereof knew, or would have reasonably known after due and proper inquiry, that all or a portion of such thing of value would be offered, given, paid, or promised to an official or employee of a foreign or domestic Governmental Entity, a foreign or domestic political party, an official of a foreign or domestic political party, or a candidate for foreign or domestic political office for the purpose of influencing any act or decision of such official, employee, or candidate to obtain or retain business or direct business to any person (in each case in violation of any Anti-Bribery Laws). Neither Omega nor any of its Subsidiaries, nor any of their respective officers and directors, nor, to the knowledge of Omega, any of their respective representatives acting on their behalf, has, since April 24, 2019, directly or indirectly offered, given, paid, promised to give or pay, or authorized the giving or payment of anything of value to any customer, supplier, or other Person who is or may be in a position to assist or hinder Omega or any of its Subsidiaries in connection with any actual or proposed transaction for the purpose of influencing any act or decision of such customer, supplier, or other Person to obtain or retain business or direct business to any person. Neither Omega nor any of its Subsidiaries, nor any of their respective officers and directors, nor, to the knowledge of Omega, any of their respective representatives acting on their behalf, has, since April 24, 2019, been subject to or conducted or initiated any internal investigation or made a voluntary, directed, or involuntary disclosure to any Governmental Entity with respect to any alleged act or omission relating to any noncompliance with any Anti-Bribery Laws. Neither Omega nor any of its Subsidiaries, nor any of their respective officers and directors, nor, to the knowledge of Omega, any representatives acting on their behalf has, since April 24, 2019, received any written notice, request, or citation from any Governmental Entity for any actual or potential noncompliance with any Anti-Bribery Laws.

(j) The operations of each of Omega and its Subsidiaries are and have been, since April 24, 2019, conducted at all times in material compliance with any International Trade Laws and Sanctions Laws of any jurisdiction in which Omega or any of its Subsidiaries operates, and no Legal Proceeding between Omega or any of its Subsidiaries and any Governmental Entity with respect to any of the foregoing is pending or, to the knowledge of Omega, threatened in writing.

(k) Neither Omega nor any of its Subsidiaries nor any of their respective directors or officers, or, to the knowledge of Omega, any other Representative acting on behalf of Omega or any of its Subsidiaries is or has been: (i) identified on any applicable SDN List maintained by the OFAC; (ii) located, organized, or resident in any Sanctioned Jurisdiction; or (iii) owned, directly or indirectly, individually or in the aggregate, 50 percent or more or otherwise controlled by any of the foregoing. Omega is either (i) not a “person of a country of concern” or (ii) not engaged in any “covered activity,” as these terms are defined in 31 C.F.R. Part 850, as implemented or revised from time to time. Omega has no intention of becoming a “person of a country of concern” that engages in any “covered activity”.

(l) Omega and its Subsidiaries have, since April 24, 2019, maintained in place and implemented risk-based controls and systems designed to promote compliance with economic sanctions administered and maintained by the U.S. government.

(m) Neither Omega nor any of its Subsidiaries has, since April 24, 2019, directly or indirectly, used any funds, or loaned, contributed or otherwise made available such funds to any joint venture partner or other Person, in connection with any sales or operations in a Sanctioned Jurisdiction or for the purpose of financing the activities (i) of any Person currently identified on any applicable sanctions-related list of designated or blocked persons maintained by OFAC, or (ii) in any other manner that would constitute a violation of any applicable U.S. sanctions administered by the U.S. government.

(n) Omega does not have any agreement or understanding with any Purchaser with respect to the transactions contemplated by the Transaction Documents other than as specified in the Transaction Documents. For the avoidance of doubt, Omega has not entered into any other securities purchase agreement with any other Person on or around the date hereof, that includes terms and conditions that are materially more advantageous to such Person than to any Purchaser hereunder.

(o) Except as (i) provided for in the Merger Agreement, (ii) have been waived, (iii) disclosed in Section 3.3(o) of the Disclosure Schedules or (iv) provided for in the Registration Rights Agreement (if applicable), no Person has any right to cause Omega to effect the registration under the Securities Act of any securities of Omega.

(p) Omega’s representations and warranties set forth in the Merger Agreement in Sections 4.3 (Capitalization) and 4.23 (SEC Filings; Nasdaq) are hereby incorporated by reference and made by Omega, as qualified by the disclosures in the Omega Disclosure Schedule (as defined in the Merger Agreement).

(q) None of Omega nor any of its predecessors (each, an “**Omega Covered Person**”) is subject to any Disqualification Event, except for a Disqualification Event covered by Rule 506(d)(2) or (d)(3). Omega has exercised reasonable care to determine whether any Omega Covered Person is subject to a Disqualification Event. Omega has complied, to the extent applicable, with any disclosure obligations under Rule 506(e) with respect to any Omega Covered Person, and has furnished to the Purchasers a copy of any disclosures provided thereunder with respect to any Omega Covered Person. Omega will notify the Purchasers and the Placement Agents in writing, prior to the Closing Date of (i) any Disqualification Event relating to any Omega Covered Person and (ii) any event that would, with the passage of time, reasonably expected to become a Disqualification Event relating to any Omega Covered Person.

ARTICLE 4

OTHER AGREEMENTS OF THE PARTIES

4.1 Transfer Restrictions.

(a) Each Purchaser acknowledges and agrees the Omega Securities may only be disposed of by a Purchaser in compliance with applicable state and federal securities laws. In connection with any transfer of Omega Securities by a Purchaser other than (i) pursuant to an effective Registration Statement (including the S-4 Registration Statement) or Rule 144, (ii) to Omega, (iii) to an Affiliate of such Purchaser or (iv) in connection with a pledge as contemplated in Section 4.1(b), subject to Section 4.1(b) below, Omega may require the transferor thereof to provide to Omega an opinion of counsel selected by the transferor and reasonably acceptable to Omega, the form and substance of which opinion shall be reasonably satisfactory to Omega, to the effect that such transfer does not require registration of such transferred Omega Securities under the Securities Act. As a condition of transfer (other than a transaction pursuant to clauses (i) through (iii) above), any such transferee shall agree in writing to be bound by the terms of this Agreement and, in the event that the Omega S-4 Registration has not occurred immediately prior to the Effective Time, the Registration Rights Agreement (if permitted pursuant to the terms thereof) and shall have the rights and obligations of the Purchasers under this Agreement and, if applicable, the Registration Rights Agreement, if a party thereto.

(b) In the event that the Omega S-4 Registration has not occurred immediately prior to the Effective Time, each Purchaser agrees to the imprinting or notation, so long as is required by this Section 4.1, of a legend on or with respect to Omega Securities in the following form:

THIS SECURITY HAS NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS. THIS SECURITY MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT WITH A REGISTERED BROKER-DEALER OR OTHER LOAN WITH A FINANCIAL INSTITUTION THAT IS AN "ACCREDITED INVESTOR" AS DEFINED IN RULE 501(a) UNDER THE SECURITIES ACT OR OTHER LOAN SECURED BY SUCH SECURITIES.

Omega acknowledges and agrees that a Purchaser may from time to time pledge pursuant to a bona fide margin agreement with a registered broker-dealer or grant a security interest in some or all of the Omega Securities to a financial institution that is an "accredited investor" as defined in Rule 501(a) under the Securities Act and who agrees to be bound by the provisions of this Agreement and, if required under the terms of such arrangement, such Purchaser may transfer pledged or secured Omega Securities to the pledgees or secured parties. Such a pledge shall not be considered a transfer for purposes of the Transaction Documents and any such pledge or transfer would not be subject to approval of Omega and no legal opinion of legal counsel of the pledgee, secured party or pledgor shall be required in connection therewith. Further, no notice shall be required of such pledge. At the appropriate Purchaser's reasonable expense (as agreed to by the Purchaser), Omega will execute and deliver such reasonable documentation as a pledgee or secured party of Omega Securities may reasonably request in connection with a pledge or transfer of the Omega Securities, including, if the Omega Securities are subject to registration pursuant to the Registration Rights Agreement, the preparation and filing of any required prospectus supplement under Rule 424(b) under the Securities Act or other applicable provision of the Securities Act to appropriately amend the list of selling securityholders thereunder.

(c) In the event that the Omega Securities were issued with legends, Certificates (or reasonable evidence of issuance by book entry, as applicable) evidencing the Omega Shares, the Omega Warrants or the Omega Warrant Shares, as applicable, shall not be required to contain any legend upon the Free Transferability Date.

Omega agrees that (x) following the Free Transferability Date or (y) if in the opinion of counsel to Omega, such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the SEC), it will, no later than the earlier of (i) one (1) Trading Day and (ii) the number of Trading Days comprising the Standard Settlement Period (as defined below) following the delivery by a Purchaser to Omega or its transfer agent of a certificate representing Omega Securities issued with a restrictive legend (such date, the “**Legend Removal Date**”), deliver or cause to be delivered to such Purchaser a certificate representing such Omega Securities that is free from all restrictive and other legends and Omega shall use commercially reasonable efforts to cause its counsel to issue a legal opinion to the transfer agent or such Purchaser if required by the transfer agent to effect the removal of the legend hereunder or if requested by such Purchaser, respectively. Omega may not make any notation on its records or give instructions to the transfer agent that enlarge the restrictions on transfer set forth in this Section 4.1. Omega Securities subject to legend removal hereunder shall be transmitted by the transfer agent to a Purchaser by crediting the account of such Purchaser’s broker within the facilities of The Depository Trust Company as directed by such Purchaser. As used herein, “**Standard Settlement Period**” means the standard settlement period, expressed in a number of Trading Days, on Omega’s Trading Market with respect to the Omega Common Stock as in effect on the date of delivery of a certificate representing Omega Securities issued with a restrictive legend.

In the event that the Omega S-4 Registration has not occurred immediately prior to the Effective Time, each Purchaser, severally and not jointly with the other Purchasers, agrees with Omega that such Purchaser will sell any Omega Securities pursuant to either the registration requirements of the Securities Act, including any applicable prospectus delivery requirements, or an exemption therefrom, and that if Omega Securities are sold pursuant to a registration statement, they will be sold in compliance with the plan of distribution set forth therein, and acknowledges that the removal of the restrictive legend from certificates (or reasonable evidence of issuance by book entry, as applicable) representing Omega Securities as set forth in this Section 4.1 is predicated upon Omega’s reliance upon this understanding.

(d) Omega agrees to undertake best efforts to prepare and file with the SEC a registration statement on Form S-4 (together with all amendments and supplements thereto, the “**S-4 Registration Statement**”) to register under the Securities Act the securities of Omega to be issued to the shareholders of the Company pursuant to Article II of the Merger Agreement, including for the avoidance of doubt, the Omega Securities, and to cause the S-4 Registration Statement to become effective with respect to registration of the Omega Securities at or prior to the Closing Date (the “**Omega S-4 Registration**”). Each Purchaser also acknowledges and agrees that neither the Company nor Omega is required as a condition of this Agreement to effect the Omega S-4 Registration or to otherwise register the Omega Securities prior to or substantially concurrently with the Closing Date, and a failure to do so is not a breach of any covenant or agreement hereunder.

4.2 **Acknowledgment of Dilution.** The Company acknowledges that the issuance of the Shares and Warrant Shares will result in dilution of the outstanding shares of Common Stock. Omega acknowledges that the issuance of shares of Omega Common Stock in the Merger will result in dilution of the outstanding shares of Omega Common Stock. The Company and Omega further acknowledges that their respective obligations under the Transaction Documents are unconditional and absolute and not subject to any right of set off, counterclaim, delay or reduction, regardless of the effect of any such dilution or any claim the Company or Omega may have against such Purchaser and regardless of the dilutive effect that such issuance will have on the ownership of the other stockholders of the Company or Omega.

4.3 **Common Stock Not Registered.** Each Purchaser acknowledges that the Company’s Common Stock has not been, and is not intended to be, registered under Section 12(b) or 12(g) of the Exchange Act, nor listed on any stock exchange, and the Company is not subject to the reporting requirements of the Exchange Act.

4.4 **Integration.** Neither the Company nor Omega shall sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Securities or Omega Securities, respectively, in a manner that would require registration under the Securities Act of the sale of the Securities or Omega Securities, respectively, or that would be integrated with the offer or sale of the Securities or Omega Securities, respectively, for purposes of the rules and regulations of the Trading Market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

4.5 Disclosure of Transactions and Other Material Information; Publicity. The Company and Omega shall ensure, on or before 9:00 a.m., New York City time, on the Business Day immediately following the date of this Agreement, the issuance of one or more press releases by the Company or Omega and/or filing by Omega with the SEC of a Current Report on Form 8-K (collectively, the “**Disclosure Document**”) disclosing all material terms of the transactions contemplated hereby and by the Merger Agreement and any other material nonpublic information that the Company, Omega or their respective officers, directors, employees, agents or any other person acting at the direction of the Company or Omega has provided to the Purchasers in connection with the transactions contemplated by this Agreement (including the Placement Agents) and by the Merger Agreement prior to the filing of the Disclosure Document. Effective upon the issuance of such Disclosure Document, each of the Company and Omega acknowledges and agrees that (i) the Purchasers shall not be in possession of material non-public information concerning the Company or Omega disclosed to the Purchasers by the Company, Omega or their respective agents, and (ii) any and all confidentiality or similar obligations under this Agreement, or an agreement entered into in connection with the transactions contemplated by the Transaction Documents, whether written or oral, between the Company, Omega or their respective officers, directors, agents, employees or Affiliates on the one hand, and any of the Purchasers or any of their respective officers, directors, agents, employees or investment advisers, on the other hand, shall terminate and be of no further force or effect. The Company, Omega and each Purchaser shall consult with each other in issuing any other press releases with respect to the transactions contemplated hereby (other than the Merger), and none of the Company, Omega or any Purchaser shall issue any such press release nor otherwise make any such public statement (other than as required by Section 13 and/or Section 16 of the Exchange Act) without the prior consent of the Company, Omega and the Placement Agents, with respect to any press release or statement of any Purchaser, or without the prior consent of the Placement Agents, with respect to any press release of the Company or Omega; provided, however, that any filing to be made by any Purchaser pursuant to Section 13 and/or Section 16 of the Exchange Act shall not be subject to the Company’s, Omega’s or Placement Agents’ consent or consultation. To the extent any disclosure is required by Law, the Company or Omega, as applicable, shall provide such Purchaser with prompt prior written notice of such requirement so that such Purchaser may (a) seek appropriate relief to prevent or limit such disclosure, (b) furnish only that portion of the information which is legally required to be furnished or disclosed, and to the extent reasonably feasible, (c) consult with the Company and Omega on content and timing prior to any such disclosure. Notwithstanding anything to the contrary contained herein, without the prior written consent of any applicable Purchaser, neither the Company nor Omega shall (and each shall cause each of their respective Affiliates and representatives not to) disclose the name of such Purchaser or its investment adviser in any filing, announcement, release or otherwise, except as required by law in which case the Company and Omega shall comply with the provisions of this Section 4.5.

4.6 Stockholder Rights Plan. No claim will be made or enforced by the Company, Omega or, with the consent of the Company or Omega, as applicable, any other Person, that exclusively as a result of the transactions contemplated by this Agreement any Purchaser is an “acquiring person” under any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or similar anti-takeover plan or arrangement in effect or hereafter adopted by the Company or Omega, or that any Purchaser could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Securities under the Transaction Documents or Omega Securities as a result of the Merger.

4.7 Non-Public Information. From and after the Cleansing Time, each of the Company and Omega covenants and agrees that neither they, nor any other Person acting on their behalf, will provide any Purchaser or its agents or counsel with any information that constitutes, or the Company or Omega believes constitutes, material non-public information, unless prior thereto such Purchaser shall have consented in writing (with e-mail being sufficient) to the receipt of such information and agreed with the Company or Omega to keep such information confidential. To the extent that the Company, Omega or any of their respective officers, director, agents, employees or Affiliates delivers any material, non-public information to any Purchaser without such Purchaser’s prior written consent, each of the Company and Omega hereby covenants and agree that such Purchaser shall not have any duty of trust or confidentiality to the Company or any of its respective officers, directors, agents (including, without limitation, the Placement Agent), employees or Affiliates, or a duty to the Company, Omega or any of their respective officers, directors, agents (including, without limitation, the Placement Agents), employees or Affiliates not to trade while aware of, such material, non-public information, provided that such Purchaser shall remain subject to applicable law. To the extent that any notice provided pursuant to any Transaction Document constitutes, or contains, material non-public information regarding the Merger, the Company and/or Omega shall simultaneously issue a press release containing all such material non-public information relating to such notice. Each of the Company and Omega understands and confirms that the Purchasers shall be relying on the foregoing covenants in effecting transactions in securities of the Company or Omega.

4.8 **Use of Proceeds.** The Company shall use the net proceeds from the sale of the Securities hereunder as described in the Investor Presentation, including for general corporate and working capital purposes, in the Company's or Omega's sole discretion.

4.9 **Indemnification.**

(a) Subject to the provisions of this Section 4.9, the Company will indemnify and hold each Purchaser Party harmless from any and all Losses that any such Purchaser Party may suffer or incur (i) as a result of or relating to any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents (unless such action is based upon a material breach of such Purchaser Party's representations, warranties or covenants under the Transaction Documents or any agreements or understandings such Purchaser Party may have with the Company or any violations by such Purchaser Party of state or federal securities laws or any conduct by such Purchaser Party which is finally judicially determined to constitute fraud, gross negligence or willful misconduct) or (ii) as a result of or arising out of any Action against a Purchaser Party in any capacity by any stockholder of the Company (whether directly or in a derivative capacity) who is not an Affiliate of the Purchaser Party with respect to the transactions contemplated by the Transaction Documents (unless such Action is based upon conduct of such Purchaser Party which finally judicially determined to have been a violation of state or federal securities laws or which constitutes fraud, gross negligence or willful misconduct) (each of (i) and (ii), a "**Company Covered Action**").

(b) Subject to the provisions of this Section 4.9, Omega will indemnify and hold each Purchaser Party harmless from any and all Losses that any such Purchaser Party may suffer or incur (i) as a result of or relating to any breach of any of the representations, warranties, covenants or agreements made by Omega in this Agreement or in the other Transaction Documents (unless such action is based upon a material breach of such Purchaser Party's representations, warranties or covenants under the Transaction Documents or any agreements or understandings such Purchaser Party may have with Omega or any violations by such Purchaser Party of state or federal securities laws or any conduct by such Purchaser Party which is finally judicially determined to constitute fraud, gross negligence or willful misconduct) or (ii) as a result of or arising out of any Action against a Purchaser Party in any capacity by any stockholder of Omega (whether directly or in a derivative capacity) who is not an Affiliate of the Purchaser Party with respect to the transactions contemplated by the Transaction Documents (unless such Action is based upon conduct of such Purchaser Party which finally judicially determined to have been a violation of state or federal securities laws or which constitutes fraud, gross negligence or willful misconduct) (each of (i) and (ii), an "**Omega Covered Action**" and, together with the Company Covered Action, a "**Covered Action**").

(c) If any Company Covered Action or Omega Covered Action shall be brought against any Purchaser Party in respect of which indemnity may be sought pursuant to this Agreement, such Purchaser Party shall promptly notify the Company and Omega in writing, and the Company or Omega, respectively, shall have the right to assume the defense thereof with counsel of its own choosing reasonably acceptable to such Purchaser Party. Any Purchaser Party shall have the right to employ separate counsel in any such Covered Action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Purchaser Party except to the extent that (i) the employment thereof has been specifically authorized by the Company or Omega, as applicable, in writing, (ii) the Company or Omega, as applicable, has failed after a reasonable period of time to assume such defense and to employ counsel or (iii) in such Covered Action there is, in the reasonable opinion of counsel to the applicable Purchaser Party, a material conflict on any material issue between the position of the Company or Omega, as applicable, and the position of such Purchaser Party, in which case the Company or Omega, as applicable, shall be responsible for the reasonable fees and expenses of no more than one such separate counsel. Neither the Company nor Omega will be liable to any Purchaser Party under this Agreement (y) for any settlement by an Purchaser Party effected without the prior written consent of the Company or Omega, as applicable, which consent shall not be unreasonably withheld, conditioned or delayed; or (z) to the extent, but only to the extent that a loss, claim, damage or liability is attributable to any Purchaser Party's willful misconduct, gross negligence or breach of any of the representations, warranties, covenants or agreements made by such Purchaser Party in this Agreement or in the other Transaction Documents. Neither the Company nor Omega, as applicable, shall, without the prior written consent of the Purchaser Party (which consent shall not be unreasonably withheld), consent to entry

of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Purchaser Party of a release from all liability in respect to such Company Covered Action or Omega Covered Action, as applicable, and such settlement shall not include any admission as to fault on the part of such Purchaser Party. The indemnification required by this Section 4.9 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or are incurred. The indemnity agreements contained herein shall be in addition to any cause of action or similar right of any Purchaser Party against the Company, Omega or others and any liabilities the Company or Omega may be subject to pursuant to law.

4.10 Reservation and Listing of Shares.

(a) Commencing on the Closing Date, Omega shall maintain a reserve at least equal to the Required Minimum out of its duly authorized shares of Omega Common Stock for issuance pursuant to the Transaction Documents in such amount as may then be required to fulfill its obligations in full under the Transaction Documents.

(b) If, on any date following the Closing Date, the number of authorized but unissued (and otherwise unreserved) shares of Omega Common Stock is less than 100% of (i) the Required Minimum on such date, minus (ii) the number of shares of Omega Common Stock previously issued pursuant to the Transaction Documents, then the Omega Board shall use commercially reasonable efforts to amend the Omega's certificate or articles of incorporation to increase the number of authorized but unissued shares of Omega Common Stock to at least the Required Minimum at such time (minus the number of shares of Omega Common Stock previously issued pursuant to the Transaction Documents), as soon as possible and in any event not later than the 75th day after such date, provided that Omega will not be required at any time to authorize a number of shares of Omega Common Stock greater than the maximum remaining number of shares of Omega Common Stock that could possibly be issued after such time pursuant to the Transaction Documents.

(c) Until the second anniversary of the Effective Time, Omega or its successor shall (i) use commercially reasonable efforts to (A) maintain the listing or quotation of the Omega Common Stock on Nasdaq or obtain and maintain a replacement listing on another national securities exchange, (B) maintain the registration of the Omega Common Stock under Section 12(b) or 12(g) of the Exchange Act and (C) timely (or within any applicable extension period) file all reports required to be filed by Omega after the date hereof pursuant to the Exchange Act, and (ii) maintain the eligibility of the Omega Common Stock for electronic transfer through the Depository Trust Company or another established clearing corporation, including by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer.

4.11 Subsequent Equity Sales. From the date hereof until the Effective Time, the Company shall not, without the prior written consent of the Purchasers of at least a majority in interest of the Shares then held by the Purchasers, issue, enter into any agreement to issue or announce the issuance or proposed issuance of any shares of Common Stock or Common Stock Equivalents, except issuances in connection with the transactions disclosed on Schedule 4.11 of the Disclosure Schedules.

4.12 Certain Transactions and Confidentiality. Each Purchaser, severally and not jointly with the other Purchasers, covenants that neither it nor any Person acting on its behalf or pursuant to any understanding with it will execute any purchases or sales, including Short Sales of any of the Company's or Omega's securities during the period commencing with the execution of this Agreement and ending at such time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial Disclosure Document as described in Section 4.5(a). Each Purchaser, severally and not jointly with the other Purchasers, covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company or Omega pursuant to the Disclosure Document as described in Section 4.5(a), such Purchaser will maintain the confidentiality of the existence and terms of this transaction (other than to its representatives, including, without limitation, its attorneys). Notwithstanding the foregoing, and notwithstanding anything contained in this Agreement to the contrary, each of the Company and Omega expressly acknowledges and agrees that: (i) no Purchaser makes any representation, warranty or covenant hereby that it will not engage in effecting transactions, including Short Sales, in any securities of the Company or Omega after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the Disclosure Document as described in Section 4.5(a), (ii) no Purchaser shall be restricted or prohibited from effecting any transactions, including Short Sales, in any securities of the Company or Omega in accordance with applicable

securities laws from and after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the Disclosure Document as described in Section 4.5(a) and (iii) no Purchaser shall have any duty to the Company or Omega of confidentiality or not to trade in the securities of the Company or Omega after the issuance of the Disclosure Document as described in Section 4.5(a). Notwithstanding the foregoing, (A) in the case of a Purchaser that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Purchaser's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Securities covered by this Agreement and (B) in the case of a Purchaser that has implemented internal information barriers pursuant to an information controls policy to "wall off" certain trading personnel, this Section 4.12 shall apply only with respect to activities of such walled-off trading personnel.

4.13 **Blue Sky Filings.** The Company shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for, or to qualify the Securities for, sale to the Purchasers at the Closing under applicable securities or "blue sky" laws of the states of the United States.

4.14 **Equal Treatment of Purchasers.** No consideration (including any modification of any Transaction Document) shall be offered or paid to any Person to amend or consent to a waiver or modification of any provision of the Transaction Documents unless the same consideration is also offered to all of the Purchasers. For clarification purposes, this provision constitutes a separate right granted to each Purchaser by the Company and Omega and negotiated separately by each Purchaser, and is intended for the Company and Omega to treat the Purchasers as a class and shall not in any way be construed as the Purchasers acting in concert or as a group with respect to the purchase, disposition or voting of Securities or otherwise.

4.15 **Restructuring of Financing.** In the event the Company reasonably determines that the structure of the PIPE Financing (as defined in the Merger Agreement) may violate applicable Law (as defined in the Merger Agreement), including as a result of actions by or communications with applicable governmental or regulatory authorities, then the Company and Purchasers shall cooperate and use commercially reasonable efforts to cause the terms of the PIPE Financing to be amended, modified and/or restructured such that the investment occurs as a direct acquisition of securities of Omega substantially contemporaneously with the Closing in a manner which preserves, to the extent possible, the amount of funds ultimately received by Omega and its Subsidiaries, and the number of securities of Omega ultimately held by each Purchaser in respect of such amounts as though the PIPE Financing had been consummated by its terms.

4.16 **Reliance.** Each Purchaser acknowledges that the Company, Omega and the Placement Agents will rely on the acknowledgments, understandings, agreements, representations and warranties of such Purchaser contained in this Agreement; *provided, however*, that the foregoing clause of this Section 4.16 shall not give the Company or Omega any rights other than those expressly set forth herein. Prior to the Closing, each Purchaser agrees to promptly notify the Company, Omega and the Placement Agents if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of such Purchaser set forth herein are no longer accurate in all material respects. Each of the Company and Omega acknowledge that each Purchaser and the Placement Agents will rely on the acknowledgments, understandings, agreements, representations and warranties of the Company and Omega contained in this Agreement. Prior to the Closing, each of the Company and Omega agrees to promptly notify each of the other parties hereto and the Placement Agents in writing if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of the Company or Omega, as applicable, set forth herein are no longer accurate in all material respects (or in all respects if such acknowledgment, understanding, agreement, representation and warranty is qualified by materiality, Company Material Adverse Effect or Omega Material Adverse Effect, as applicable).

4.17 **Waiver of Appraisal Rights and Actions against Merger.**

(a) Each Purchaser acknowledges that it will not own the Shares or Warrant Shares, and will have no rights as a stockholder of the Company, (i) at the time the Merger Agreement is executed, (ii) at the time the Company delivers due notice of the time, place and purpose of a stockholder meeting at which Company stockholders will vote to approve the Merger and (iii) at the time the stockholder meeting to approve the Merger occurs or the effective date of a written consent of the Company stockholders in lieu of such meeting and approval. Each Purchaser hereby irrevocably waives

and agrees not to exercise any appraisal, dissenters', or similar rights that such Purchaser now has or may hereafter acquire under applicable Law (including Section 262 of the General Corporation Law of the State of Delaware), in each case arising out of or in connection with the Purchase of the Shares or Warrant Shares, the consummation of the Merger and the issuance of Omega Securities in the Merger.

(b) Each Purchaser hereby agrees that it shall not commence, maintain, or participate in any Action against the Company, Omega, Merger Sub, or any of their respective Affiliates, or any of their respective directors, officers, or members, arising out of or relating to the negotiation, execution, or delivery of the Merger Agreement, or the consummation of the Merger or other transactions contemplated thereby (the "**Merger Transactions**") in each case to the extent arising out of or relating to such Purchaser's capacity as a current or former stockholder or holder of any other equity securities of the Company or Omega, including any Action alleging any breach of fiduciary duty by the Board of Directors of the Company or the Omega Board in connection with the Merger Agreement or the Merger Transactions. Each Purchaser further agrees to take all actions necessary to opt out of any class or collective action relating to any of the foregoing. Notwithstanding the foregoing, nothing in this Section 4.17 shall limit or restrict (i) any Purchaser from participating as a defendant or asserting counterclaims in response to any Action commenced against such Purchaser relating to this Agreement, the transactions contemplated hereby, the Merger Agreement or the Merger Transactions or (ii) any Purchaser from commencing, maintaining or participating in any Action arising out of or related to fraud, willful misconduct, gross negligence, criminal acts or federal or state securities laws.

(c) To facilitate the transactions contemplated by and pursuant to the Merger, including transmittal of the Securities and issuance of the Omega Securities, the Purchaser hereby irrevocably appoints each of Messrs. Philip Plough and Brett Ryckman, with full power of substitution and resubstitution, as the true and lawful attorneys-in-fact and agents of the Purchaser (each, an "**Attorney-in-Fact**"), to act in the name and place of the Purchaser, and on the Purchaser's behalf in their capacity as a holder of Common Stock, to: (i) execute and deliver any letters of transmittal, election forms, certificates, affidavits, questionnaires or similar instruments required in connection with the consummation of the Merger, (ii) waive any and all appraisal rights or rights to dissent that the Purchaser has or will have under the Delaware General Corporation Law or otherwise with respect to the Merger, (iii) consent to the Merger to the extent the Purchaser has any such right to consent thereto and (iv) take any and all other actions and execute and deliver any and all additional documents or instruments, in each case to the extent reasonably necessary or appropriate in such Purchaser's capacity as a holder of Common Stock to consummate the Merger and the transactions contemplated by the Merger Agreement and the Transaction Documents. The powers granted under this Section 4.17(c) are an agency coupled with an interest, and, to the fullest extent not prohibited by law, all authority conferred hereby shall be irrevocable and shall not be terminated by any act of the Purchaser or by operation of law, whether by the death, disability, incapacity, liquidation, dissolution or insolvency of the Purchaser or by the occurrence of any other event or events, until the earlier of: (i) the Effective Time of the Merger and (ii) the termination of this Agreement pursuant to Section 5.1.

4.18 Omega and the Company Acknowledgement Regarding Certain Transactions.

(a) Anything in this Agreement or elsewhere herein to the contrary notwithstanding (except for Section 4.12 hereof), it is understood and acknowledged by Omega that: (i) none of the Purchasers has been asked by Omega to agree, nor has any Purchaser agreed, to desist from purchasing or selling, long and/or short, securities of Omega, or "derivative" securities based on securities issued by Omega or to hold the Omega Securities for any specified term; (ii) past or future open market or other transactions by any Purchaser, specifically including, without limitation, Short Sales or "derivative" transactions, before or after the closing of this or future private placement transactions, may negatively impact the market price of Omega's publicly-traded securities; (iii) any Purchaser, and counter-parties in "derivative" transactions to which any such Purchaser is a party, directly or indirectly, presently may have a "short" position in the Omega Common Stock, and (iv) each Purchaser shall not be deemed to have any affiliation with or control over any arm's length counter-party in any "derivative" transaction. Omega further understands and acknowledges that (x) one or more Purchasers may engage in hedging activities at various times during the period that the Omega Securities are outstanding, and (y) such hedging activities (if any) would reduce the value of then-existing stockholders' equity interests in Omega at and after the time that the hedging activities are being conducted. Omega acknowledges that such aforementioned hedging activities do not constitute a breach of any of the Transaction Documents.

(b) Anything in this Agreement or elsewhere herein to the contrary notwithstanding (except for Section 4.12 hereof), it is understood and acknowledged by the Company that: (i) none of the Purchasers has been asked by the Company to agree, nor has any Purchaser agreed, to desist from purchasing or selling, long and/or short, securities of the Company, or “derivative” securities based on securities issued by the Company or to hold the Company’s Common Stock for any specified term; (ii) any Purchaser, and counter-parties in “derivative” transactions to which any such Purchaser is a party, directly or indirectly, presently may have a “short” position in the Company’s Common Stock, and (iii) each Purchaser shall not be deemed to have any affiliation with or control over any arm’s length counter-party in any “derivative” transaction. The Company further understands and acknowledges that (x) one or more Purchasers may engage in hedging activities at various times during the period that the Company’s Common Stock is outstanding, and (y) such hedging activities (if any) would reduce the value of then-existing stockholders’ equity interests in the Company at and after the time that the hedging activities are being conducted. The Company acknowledges that such aforementioned hedging activities do not constitute a breach of any of the Transaction Documents.

4.19 **Standstill.** Omega agrees that, during the period starting with the date of this Agreement and ending on the date that is the six-month anniversary of the initial effectiveness of the Registration Statement (such period, the “Standstill Period”), it will not issue (other than in an Excluded Issuance) any (i) shares of Omega Common Stock or (ii) securities that by their terms are convertible into or exercisable or exchangeable for such Omega Common Stock, or options or warrants to purchase or rights to subscribe for Omega Common Stock or such convertible, exercisable or exchangeable securities. The following issuances (each, an “Excluded Issuance”) shall be allowed during the Standstill Period:

(a) securities issued to any former, existing or prospective officers, employees, directors or consultants of the Omega or its subsidiaries in connection with such person’s employment, consulting arrangements or directorship with the Omega or its subsidiaries or pursuant to any stock purchase plan or equity incentive plans or arrangement, or upon conversion, exercise or vesting of the foregoing in accordance with their terms;

(b) securities issued or issuable pursuant to (A) a stock dividend payable in shares of Omega Common Stock, or by a split-up of shares of Omega Common Stock or other similar event or (B) a consolidation, combination, reverse stock split or reclassification of shares of Omega Common Stock or other similar event of Omega Common Stock, in each case effected with respect to all outstanding shares of Omega Common Stock;

(c) securities issued or issuable pursuant to the Disclosed Transactions or any other obligation of Omega existing on the date of this Agreement, or upon conversion, exercise or vesting of the foregoing or any securities of Omega outstanding on the date of this Agreement in accordance with their terms;

(d) securities issued or issuable to any governmental entity, including any federal, state or local government, any political subdivision thereof or any court, administrative or regulatory agency, department, instrumentality, tribunal, arbitrator, legislative body, authority, body or commission or other governmental authority or agency, or arbitral body (public or private), in the United States or in a non-U.S. jurisdiction;

(e) securities issued or issuable to any strategic corporate third party, including any entity listed on a stock exchange, but excluding any financial investor, hedge fund or similar stand-alone investment vehicle; and

(f) securities issued or issuable to the extent consented to by Alyeska Master Fund, LP.

ARTICLE 5

MISCELLANEOUS

5.1 **Termination.** This Agreement shall terminate and be void and of no further force and effect, and all obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (i) such date and time that the Merger Agreement is terminated in accordance with its terms without the Merger being consummated, (ii) as to any Purchaser, upon the written agreement of the Company, Omega and such Purchaser, or (iii) if the Closing has not occurred other than as a result of a breach of the Purchaser’s obligations hereunder, upon the date that is five (5) Business Days after the Outside Date (as defined in the Merger

Agreement), as extended in accordance with the terms of the Merger Agreement; *provided, however*, that (x) the Outside Date may not be extended to any date that is more than 18 months following the date hereof without the Purchaser's prior written consent, (y) no such termination will affect the right of any party to sue for any breach by any other party (or parties) and (z) nothing herein shall relieve any party to this Agreement of any liability for common law fraud or for any Willful Breach of any representation, warranty, covenant, obligation or other provision contained in this Agreement. "**Willful Breach**" means a deliberate act or deliberate failure to act, taken with the actual knowledge that such act or failure to act would result in or constitute a material breach of this Agreement. The Company shall provide prompt notice of any such termination to each other Purchaser. The Company shall notify each Purchaser of any termination of the Merger Agreement as promptly as practicable after the termination thereof. Upon the termination hereof in accordance with this Section 5.1, any amounts paid by a Purchaser to the Company in connection with the transactions contemplated herein shall promptly be returned in full to such Purchaser by wire transfer of immediately available funds to the account specified by such Purchaser, without interest and without any deduction for or on account of any tax withholding, charges or set-off.

5.2 **Fees and Expenses.** Except as expressly set forth in the Transaction Documents or the Engagement Letters (as defined below), each party shall pay the fees and expenses of its advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of this Agreement and the Transaction Documents. The Company shall pay all transfer agent fees (including, without limitation, any fees required for same-day processing of any instruction letter delivered by the Company), stamp taxes and other Taxes and duties levied in connection with the delivery of any Securities to the Purchasers.

5.3 **Entire Agreement.** The Transaction Documents, together with the exhibits and schedules thereto, contain the entire understanding of the parties with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings, oral or written, other than the duties or obligations as set forth in the engagement letter(s), dated on or about February 12, 2026, by and between the Company and the Placement Agents (the "**Engagement Letters**"), with respect to such matters, which the parties acknowledge have been merged into such documents, exhibits and schedules.

5.4 **Notices.** Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of: (a) the time of transmission, if such notice or communication is delivered via email, with no mail undeliverable or rejection notice, at the e-mail addresses as set forth on the signature pages attached hereto at or prior to 5:30 p.m. (New York City time) on a Trading Day, (b) the next Trading Day after the time of transmission, if such notice or communication is delivered via email, with no mail undeliverable or rejection notice, at the e-mail addresses as set forth on the signature pages attached hereto on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (c) the second (2nd) Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service or (d) upon actual receipt by the party to whom such notice is required to be given. The addresses for such notices and communications shall be as set forth on the signature pages attached hereto, and any and all such notices or other communications or deliveries must be provided to each of the addresses identified on the signature pages attached hereto to be deemed given and effective with respect to any party hereto.

5.5 **Amendments; Waivers.** No amendment, modification, alteration, or change in any of the terms of this Agreement shall be valid or binding upon the parties hereto unless made in writing and duly executed by the Company, Omega and the Purchasers of at least a majority in interest of the Shares then held by the Purchasers, provided that prior to the Closing the consent of all Purchasers shall be required. No amendment, modification, alteration, change or waiver to Section 2.2(a)(iv), Section 3.1, Section 3.2, Section 4.5, Section 4.9, Section 4.11, Section 4.16, Section 5.3, this Section 5.5, Section 5.8 and Section 5.18 can be made without the prior written consent of the Placement Agents. No amendment, modification, alteration, change or waiver to Section 4.1, Section 4.9 or this Section 5.5 can be made without the prior written consent of all Purchasers. The Company and Omega, on the one hand, and each Purchaser, on the other hand, may by an instrument signed in writing by such parties waive the performance, compliance or satisfaction of the other with any term or provision of this Agreement or any condition hereto to be performed, complied with or satisfied by the person for whom the waiver is sought. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor

shall any delay or omission of any party to exercise any right hereunder in any manner impair the exercise of any such right. Notwithstanding the foregoing, any proposed amendment or waiver that disproportionately, materially and adversely affects the rights and obligations of any Purchaser relative to the comparable rights and obligations of the other Purchasers shall require the prior written consent of such adversely affected Purchaser.

5.6 **Headings.** The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

5.7 **Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Agreement or any rights or obligations hereunder without the prior written consent of the Purchasers (other than by merger or operation of law); *provided* that the Company may assign this Agreement or any rights or obligations hereunder to Omega following the Merger without the prior written consent of the Purchasers. Each Purchaser may assign any or all of its rights under this Agreement to any Person to whom such Purchaser assigns or transfers any Securities, provided that such transferee agrees in writing to be bound, with respect to the transferred Securities, by the provisions of the Transaction Documents that apply to such "Purchaser."

5.8 **Third-Party Beneficiaries.** The Placement Agents shall be the express third-party beneficiaries of Section 2.2(a)(iv), Section 4.16 and Section 5.18 hereof, the representations and warranties of the Company in Section 3.1 hereof, the representations and warranties of the Purchasers in Section 3.2 hereof and the representations and warranties of Omega in Section 3.3 hereof. Except as otherwise set forth in Section 4.5, Section 4.9, Section 4.11, Section 4.17, Section 5.3, this Section 5.8 and Section 5.18, this Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

5.9 **Governing Law.** All questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all Actions concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective Affiliates, directors, officers, shareholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the State of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the State of New York for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Action, any claim that it is not personally subject to the jurisdiction of any such court, that such Action is improper or is an inconvenient venue for such Action. Each party hereby irrevocably waives personal service of process and consents to process being served in any such Action by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If any party shall commence an Action to enforce any provisions of the Transaction Documents, then, in addition to the obligations of the parties under Section 4.9, the prevailing party in such Action shall be reimbursed by the non-prevailing party for its reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such Action.

5.10 **Survival.** The representations and warranties contained in Section 3.1 and Section 3.2 shall survive the Closing and the delivery of the Securities.

5.11 **Execution.** This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to each other party, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by e-mail delivery of a ".pdf" format data file (including any electronic signature covered by the U.S. federal E-SIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docusign.com), such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such ".pdf" signature page were an original thereof.

5.12 **Severability.** If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

5.13 **Rescission and Withdrawal Right.** Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) any of the other Transaction Documents, whenever any Purchaser exercises a right, election, demand or option under a Transaction Document and the Company or Omega does not timely perform its related obligations within the periods therein provided, then such Purchaser may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company and Omega, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights.

5.14 **Replacement of Securities.** If any certificate or instrument evidencing any Securities or Omega Securities is mutilated, lost, stolen or destroyed, the issuer thereof shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof (in the case of mutilation), or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the issuer thereof of such loss, theft or destruction. The applicant for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs (including customary indemnity) associated with the issuance of such replacement securities.

5.15 **Remedies.** In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, the Purchasers and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations contained in the Transaction Documents and hereby agree to waive and not to assert in any Action for specific performance of any such obligation the defense that a remedy at law would be adequate. For the avoidance of doubt, Section 4.9 shall be the exclusive remedy (except in the case of fraud, intentional misrepresentation or willful misconduct) for any Losses resulting from a breach of any of the representations and warranties contained in Article 3 of this Agreement, in each case exclusively to the extent such Losses arise during the survival period of such representations and warranties pursuant to the terms of this Agreement.

5.16 **Payment Set Aside.** To the extent that the Company or Omega makes a payment or payments to any Purchaser pursuant to any Transaction Document or a Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, Omega, a trustee, receiver or any other Person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

5.17 **Usury.** To the extent it may lawfully do so, each of the Company and Omega hereby agrees not to insist upon or plead or in any manner whatsoever claim, and will resist any and all efforts to be compelled to take the benefit or advantage of, usury laws wherever enacted, now or at any time hereafter in force, in connection with any Action that may be brought by a Purchaser in order to enforce any right or remedy under any Transaction Document. Notwithstanding any provision to the contrary contained in any Transaction Document, it is expressly agreed and provided that the total liability of the Company or Omega under the Transaction Documents for payments in the nature of interest shall not exceed the maximum lawful rate authorized under applicable law (the “**Maximum Rate**”), and, without limiting the foregoing, in no event shall any rate of interest or default interest, or both of them, when aggregated with any other sums in the nature of interest that the Company or Omega, as applicable, may be obligated to pay under the Transaction Documents exceed such Maximum Rate. It is agreed that if the maximum contract rate of interest allowed by law and applicable to the Transaction Documents is increased or decreased by statute or any official governmental action subsequent to the date hereof, the new maximum contract rate of interest allowed by law

will be the Maximum Rate applicable to the Transaction Documents from the effective date thereof forward, unless such application is precluded by applicable law. If under any circumstances whatsoever, interest in excess of the Maximum Rate is paid by the Company or Omega to the Purchasers with respect to Indebtedness evidenced by the Transaction Documents, such excess shall be applied by the Purchasers to the unpaid principal balance of any such Indebtedness or be refunded to the Company or Omega, as applicable, the manner of handling such excess to be at each Purchaser's election.

5.18 **Exculpation of the Placement Agents.** Each party hereto agrees for the express benefit of the Placement Agents, their Affiliates and their representatives that:

(a) Neither of the Placement Agents nor any of their respective Affiliates or representatives (i) have any duties or obligations other than those specifically set forth herein or in the Engagement Letters; (ii) shall be liable for any improper payment made in accordance with the information provided by the Company; (iii) make any representation or warranty, or have any responsibilities as to the validity, accuracy, value or genuineness of any information, certificates or documentation delivered by or on behalf of the Company pursuant to this Agreement or the other Transaction Documents or in connection with any of the transactions contemplated by this Agreement or the other Transaction Documents, including any offering or marketing materials; or (iv) shall be liable (A) for any action taken, suffered or omitted by any of them in good faith and reasonably believed to be authorized or within the discretion or rights or powers conferred upon it by this Agreement or any other Transaction Document or (B) for anything which any of them may do or refrain from doing in connection with this Agreement or any other Transaction Document, except for such party's own fraud, gross negligence, willful misconduct or bad faith.

(b) The Placement Agents and their respective Affiliates and representatives shall be entitled to (i) rely on, and shall be protected in acting upon, any certificate, instrument, opinion, notice, letter or any other document or security delivered to any of them by or on behalf of the Company, and (ii) be indemnified by the Company for acting as Placement Agents, hereunder pursuant the indemnification provisions set forth in the Engagement Letters.

5.19 **Saturdays, Sundays, Holidays, etc.** If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

5.20 **Construction.** The parties agree that each of them and/or their respective counsel have reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents or any amendments thereto. In addition, each and every reference to shares of Common Stock, Warrants, Omega Common Stock or Omega Warrants in any Transaction Document or the Merger Agreement shall be subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock or Omega Common Stock that occur after the date of this Agreement and until consummation of the Merger. In this Agreement, unless the context otherwise requires: (i) whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa; (ii) "including" (and with correlative meaning "include") means including without limiting the generality of any description preceding or succeeding such term and shall be deemed in each case to be followed by the words "without limitation"; and (iii) the words "herein", "hereto" and "hereby" and other words of similar import in this Agreement shall be deemed in each case to refer to this Agreement as a whole and not to any particular portion of this Agreement.

5.21 **WAIVER OF JURY TRIAL. IN ANY ACTION, SUIT, OR PROCEEDING IN ANY JURISDICTION BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY, THE PARTIES EACH KNOWINGLY AND INTENTIONALLY, TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, HEREBY ABSOLUTELY, UNCONDITIONALLY, IRREVOCABLY AND EXPRESSLY WAIVES FOREVER TRIAL BY JURY.**

5.22 **Independent Nature of Purchasers' Obligations and Rights.** The obligations of each Purchaser under any Transaction Document are several and not joint with the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance or non-performance of the obligations of any other Purchaser under any Transaction Document. Nothing contained herein or in any other Transaction Document, and no action taken by any

Purchaser pursuant hereto or thereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Purchaser shall be entitled to independently protect and enforce its rights including, without limitation, the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Purchaser to be joined as an additional party in any Action for such purpose. Each Purchaser has been represented by its own separate legal counsel in its review and negotiation of the Transaction Documents. For reasons of administrative convenience only, each Purchaser and its respective counsel have chosen to communicate with the Company and Omega, as applicable, through the legal counsel of the Placement Agents. The legal counsel of the Placement Agents do not represent any of the Purchasers and only represent one or more of the Placement Agents. The Company has elected to provide all Purchasers with the same terms and Transaction Documents for the convenience of the Company and not because it was required or requested to do so by any of the Purchasers. It is expressly understood and agreed that each provision contained in this Agreement and in each other Transaction Document is between the Company, Omega and a Purchaser, solely, and not between the Company, Omega and the Purchasers collectively and not between and among the Purchasers.

AMERICAN OCEAN MINERALS CORPORATION
WARRANT TO PURCHASE COMMON STOCK

Certificate No.

Date:

THIS CERTIFIES THAT, for value received, _____, a _____, or its assigns (the “Holder”), is entitled during the Exercise Period (defined below) to subscribe for and purchase at the Exercise Price (defined below) from American Ocean Minerals Corporation, a Delaware corporation (the “Company”), the Warrant Shares (defined below), as set forth below and subject to adjustment as provided herein. This Warrant relates to _____ shares of Common Stock, subject to adjustment pursuant to Section 4 below (the “Warrant Shares”).

This Warrant to Purchase Common Stock (this “Warrant” and, together with all such Warrants issued on the Original Issue Date, the “Warrants”) is being issued pursuant to that certain Securities Purchase Agreement, dated as of April 8, 2026, among the Company, Odyssey Marine Exploration, Inc., the Holder and the other holders party thereto (the “SPA”). Capitalized terms not otherwise defined herein shall have the meaning given to such terms in the SPA.

1. Definitions. As used herein, the following terms shall have the following respective meanings:

(a) “Attribution Parties” means, collectively, the following Persons and entities: (i) any direct or indirect Affiliates of the Holder, (ii) any investment vehicle, including, any funds, feeder funds or managed accounts, currently, or from time to time after the date hereof, directly or indirectly managed or advised by the Holder’s investment manager or any of its Affiliates or principals, (iii) any Person acting or who could be deemed to be acting as a Group together with the Holder or any Attribution Parties and (iv) any other Persons whose beneficial ownership of the Company’s Common Stock would or could be aggregated with the Holder’s and/or any other Attribution Parties for purposes of Section 13(d) or Section 16 of the Exchange Act. For clarity, the purpose of the foregoing is to subject collectively the Holder and all other Attribution Parties to the Maximum Percentage.

(b) “Board” shall mean the board of directors of the Company.

(c) “Common Stock” shall mean the Company’s common stock, par value \$0.0001 per share.

(d) “Exercise Period” shall mean a five-year period commencing on the original issuance date of this Warrant (the “Original Issue Date”).

(e) “Exercise Price” shall mean \$5.46 (which represents a 10% premium to the price per share of Common Stock acquired under the Securities Purchase Agreement), subject to adjustment as set forth herein.

¹ NTD: Restricted Legend to be included only of the S-4 Registration of the warrants does not occur.

(f) “Primary Securities Exchange” means the primary U.S. national securities exchange on which the Common Stock may at the time be listed.

(g) “Single Day Market Value” shall mean, as of any particular date of determination: (i) the volume weighted average price of the Common Stock on the Primary Securities Exchange for such Trading Day; (ii) if on any such day the Common Stock is not listed on a U.S. national securities exchange, the closing sales price of the Common Stock on such Trading Day as quoted on the OTC Bulletin Board, the Pink OTC Markets, or similar quotation system or association; or (iii) if there have been no sales of the Common Stock on the OTC Bulletin Board, the Pink OTC Markets, or similar quotation system or association on such Trading Day, the average of the highest bid and lowest asked prices for the Common Stock quoted on the OTC Bulletin Board, the Pink OTC Markets, or similar quotation system or association at the end of the Trading Day. If at any time the Common Stock is not listed on any U.S. national securities exchange or quoted on the OTC Bulletin Board, the Pink OTC Markets, or similar quotation system or association, the “Single Day Market Value” of the Common Stock shall be the fair market value per share as determined jointly by the Board and the Holder; *provided*, that if the Board and the Holder are unable to agree on the fair market value per share of the Common Stock within a reasonable period of time (not to exceed five Business Days from the Company’s receipt of the Notice of Exercise), such fair market value shall be determined by a nationally recognized investment banking, accounting, or valuation firm jointly selected by the Board and the Holder. The determination of such firm shall be final and conclusive, and the fees and expenses of such valuation firm shall be borne equally by the Company and the Holder.

(h) “Trading Day” means (a) for any day on which the Common Stock is listed or trading on any U.S. national securities exchange, the OTC Bulletin Board, the Pink OTC Markets, or similar quotation system or association, a day on which such market is open for trading and (b) in all other cases, any day other than a Saturday, a Sunday or any day on which the Federal Reserve Bank of New York is authorized or required by law or executive order to close or be closed.

(i) “Twenty Day Market Value” means the average of the Single Day Market Value for each of the twenty (20) consecutive Business Days ending on the Business Day immediately prior to the day as of which the Twenty Day Market Value is being determined.

2. Exercise of Warrant

2.1. Exercise Procedure. The rights represented by this Warrant may be exercised by the Holder in whole or in part at any time during the Exercise Period, by delivery of the following to the Company:

- (a) An executed notice of exercise in the form attached hereto (a “Notice of Exercise”);
- (b) Payment of the Exercise Price in cash, except as set forth in Section 2.2; and
- (c) This Warrant.

Upon the exercise of the rights represented by this Warrant, the Company shall issue and deliver to the Holder, by the date that is the earlier of (i) one (1) Trading Day and (ii) the number of Trading Days comprising the Standard Settlement Period (as defined below) after receipt of the Notice of Exercise (such date, the “Warrant Share Delivery Date”), a certificate or certificates (or book-entry position) for the Warrant Shares so purchased, registered in the name of the Holder or persons affiliated with the Holder, if the Holder so designates.

If the Company fails for any reason to deliver to the Holder the Warrant Shares subject to a Notice of Exercise by the Warrant Share Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Warrant Shares subject to such exercise (based on the Single Day Market Value on the date of the applicable Notice of Exercise), \$10 per Trading Day for each Trading Day after such Warrant Share Delivery Date until such Warrant Shares are delivered or Holder rescinds such exercise. As used herein, “Standard Settlement Period” means the standard settlement period, expressed in a number of Trading Days, on the Primary Securities Exchange.

The person in whose name any certificate or certificates for Warrant Shares are to be issued upon exercise of this Warrant shall be deemed to have become the holder of record of such shares on the date on which this Warrant was surrendered and payment of the Exercise Price was made, irrespective of the date of delivery of such certificate or certificates, except that, if the date of such surrender and payment is a date when the stock transfer books of the Company are closed, such person shall be deemed to have become the holder of such shares at the close of business on the next succeeding date on which the stock transfer books are open.

Unless this Warrant has been fully exercised or expired, a new Warrant representing the right to subscribe for and purchase the portion of the Warrant Shares, if any, with respect to which this Warrant shall not then have been exercised shall also be issued to the Holder as soon as possible and in any event within such ten (10) day period.

2.2. Cashless Exercise. On any exercise of this Warrant pursuant to a Notice of Exercise dated on a day when the Company is listed on a U.S. national securities exchange, in lieu of payment of the aggregate Exercise Price in the manner specified in [Section 2.1](#) above, the Holder may elect to surrender to the Company that number of shares of Common Stock having an aggregate value equal to the aggregate Exercise Price (“[Cashless Exercise](#)”) in accordance with this [Section 2.2](#). If the Holder elects Cashless Exercise, the Company shall issue to Holder such number of fully paid and non-assessable shares of Common Stock determined by the following formula:

$$X = \frac{Y \times (A - B)}{A}$$

where:

X = the number of shares of Common Stock to be issued to the Holder;

Y = the number of shares of Common Stock with respect to which this Warrant is being exercised (inclusive of the shares of Common Stock surrendered to the Company in payment of the aggregate Exercise Price);

A = the Twenty Day Market Value of one share of Common Stock determined as of the date of election; and

B = the Exercise Price.

2.3. Maximum Percentage. Notwithstanding anything to the contrary, the Holder may notify the Company in writing in the event it elects to be subject to the provisions contained in this [Section 2.3](#); *provided*, no Holder shall be subject to this [Section 2.3](#) unless such election is made. If the election is made by a Holder it shall do so by delivering the election notice in substantially the form of the election notice attached hereto, in which event, the Company shall not effect the exercise of any portion of the Holder’s Warrant, and the Holder shall not have the right to exercise any portion of such Warrant, and any such exercise shall be null and void ab initio and treated as if the exercise had not been made, to the extent that immediately prior to or following such exercise, the Holder together with the Attribution Parties beneficially owns or would beneficially own in excess of 4.99% or 9.99% (as specified by the Holder) (the “[Maximum Percentage](#)”) of the shares of Common Stock outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by the Holder together with the Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of the Warrant with respect to which the determination of such sentence is being made, but shall exclude shares of Common Stock that would be issuable upon (x) exercise of the remaining, unexercised portion of the Warrant beneficially owned by the Holder or the Attribution Parties and (y) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company beneficially owned by the Holder or any Attribution Party (including, without limitation, any convertible notes or convertible preferred stock or warrants) subject to a limitation on conversion or exercise analogous to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this paragraph, beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules promulgated thereunder (the “[Exchange Act](#)”). For purposes of the Warrant, in determining the number of outstanding shares of Common Stock, the Holder may rely on the number of outstanding shares of Common Stock as reflected in (1) the Company’s most recent annual report on Form 10-K, quarterly report on Form 10-Q, current report on Form 8-K or other public filing with the Securities and Exchange Commission (the “[Commission](#)”) as the

case may be, (2) a more recent public announcement by the Company or (3) any other notice by the Company or the Company's transfer agent setting forth the number of shares of Common Stock outstanding (such issued and outstanding shares, the "Reported Outstanding Share Number"). For any reason at any time, upon the written request of the Holder, the Company shall, within two (2) Business Days, confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. If the Company receives an Exercise Notice from the Holder at a time when the actual number of outstanding shares of Common Stock is less than the Reported Outstanding Share Number, the Company shall (i) notify the Holder in writing of the number of shares of Common Stock then outstanding and, to the extent that such Exercise Notice would otherwise cause the Holder's, together with the Attribution Parties', beneficial ownership, as determined pursuant to this Section 2.3, to exceed the Maximum Percentage, the Holder must notify the Company of a reduced number of Warrant Shares to be purchased pursuant to such Exercise Notice (the number of shares by which such purchase is reduced, the "Reduction Shares") and (ii) as soon as reasonably practicable, the Company shall return to the Holder any exercise price paid by the Holder for the Reduction Shares. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of equity securities of the Company by the Holder and the Attribution Parties since the date as of which the Reported Outstanding Share Number was reported.

In the event that the issuance of Common Stock to the Holder upon exercise of this Warrant results in the Holder, together with the Attribution Parties, being deemed to beneficially own, in the aggregate, more than the Maximum Percentage of the number of outstanding shares of Common Stock (as determined under Section 13(d) of the Exchange Act), the number of shares so issued by which the Holder's, together with the Attribution Parties', aggregate beneficial ownership exceeds the Maximum Percentage (the "Excess Shares") shall be deemed null and void and shall be cancelled ab initio, and the Holder and/or the Attribution Parties shall not have the power to vote or to transfer the Excess Shares. As soon as reasonably practicable after the issuance of the Excess Shares has been deemed null and void, the Company shall return to the Holder the exercise price paid by the Holder for the Excess Shares.

By written notice to the Company, the Holder may from time to time increase or decrease the Maximum Percentage applicable to the Holder to any other percentage specified in such notice; *provided, however*, that any such increase shall not be effective until the sixty-first (61st) day after such notice is delivered to the Company and shall not negatively affect any partial exercise effected prior to such change.

3. Covenants of the Company

3.1. Covenants as to Warrant Shares. The Company covenants and agrees that all Warrant Shares that may be issued upon the exercise of the rights represented by this Warrant will, upon issuance, be validly issued and outstanding, fully paid and nonassessable, and free from all taxes, liens and charges with respect to the issuance thereof. The Company further covenants and agrees that the Company will at all times during the Exercise Period, have authorized and reserved, free from preemptive rights, a sufficient number of shares of its Common Stock to provide for the exercise of the rights represented by this Warrant.

3.2. Notices of Record Date. In the event of any taking by the Company of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a cash dividend which is the same as cash dividends paid in previous quarters) or other distribution, the Company shall provide to the Holder, at least ten (10) days prior to the date specified herein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend or distribution.

4. Adjustment of Exercise Price.

4.1. Stock Dividends and Splits. If after the date hereof, the number of outstanding shares of Common Stock is increased by a stock dividend payable in shares of Common Stock, or by a split-up of shares of Common Stock or other similar event (except, in each case, any dividend, split-up or similar event in connection with the Disclosed Transactions), then, on the effective date of such stock dividend, split-up or similar event, the Exercise Price per share of Common Stock shall be decreased (to the nearest cent) inversely in proportion to such increase in the outstanding shares of Common Stock.

4.2. Extraordinary Dividends. If after the date hereof, the Company shall pay a dividend or make a distribution in cash, securities or other assets to the holders of Common Stock on account of such shares of Common Stock (or other shares of the Company's capital stock into which the Warrants are convertible), other than (a) as described in Section 4.1 hereof, (b) Ordinary Cash Dividends (as defined below) or (c) any dividend or distribution in connection with the Disclosed Transactions (any such non-excluded event being referred to herein as an "Extraordinary Dividend"), then the Exercise Price per share of Common Stock shall be decreased, effective immediately after the record date of such Extraordinary Dividend, by the amount of cash and/or the fair market value (as determined by the Board, in good faith) of any securities or other assets paid on each share of Common Stock in respect of such Extraordinary Dividend. For purposes of this Section 4.2, "Ordinary Cash Dividends" means any cash dividend or cash distribution which, when combined on a per share basis, with the per share amounts of all other cash dividends and cash distributions paid on the Common Stock during the 365-day period ending on the date of declaration of such dividend or distribution (as adjusted to appropriately reflect any of the events referred to in other subsections of this Section 4 and excluding cash dividends or cash distributions that resulted in an adjustment to the Exercise Price or to the number of shares of Common Stock issuable on exercise of each Warrant) does not exceed \$0.05.

4.3. Consolidation and Reverse Splits. If after the date hereof, the number of outstanding shares of Common Stock is decreased by a consolidation, combination, reverse stock split or reclassification of shares of Common Stock or other similar event, then, on the effective date of such consolidation, combination, reverse stock split, reclassification or similar event, the Exercise Price per share of Common Stock shall be increased (to the nearest cent) inversely in proportion to such decrease in the outstanding shares of Common Stock.

4.4. Issuances Below Exercise Price.

4.4.1. Adjustment for Issuances Below Exercise Price. If, during the period starting with the date of the SPA and ending on the five-year anniversary of the Original Issue Date, the Company issues (other than in an Excluded Issuance) any (i) shares of Common Stock or (ii) securities that by their terms are convertible into or exercisable or exchangeable for such Common Stock, or options or warrants to purchase or rights to subscribe for Common Stock or such convertible, exercisable or exchangeable securities (all of the foregoing, "Convertible Securities") at a price per share (or, in the case of Convertible Securities, at an effective price per share of Common Stock) less than the Exercise Price immediately prior to the issuance of such security, then the Exercise Price shall be reduced (to the nearest cent), effective as of the date of such issuance, to the price per share (or effective price per share) paid in such issuance.

4.4.2. Excluded Issuances. No adjustment pursuant to Section 4.4.1 shall be made for any of the following issuances (each, an "Excluded Issuance"):

- (a) securities issued to any former, existing or prospective officers, employees, directors or consultants of the Company or its subsidiaries in connection with such person's employment, consulting arrangements or directorship with the Company or its subsidiaries or pursuant to any stock purchase plan or equity incentive plans or arrangement, or upon conversion, exercise or vesting of the foregoing in accordance with their terms;
- (b) securities issued or issuable pursuant to any event for which adjustment is made pursuant to Section 4.1, Section 4.2 or Section 4.3;
- (c) securities issued or issuable pursuant to the Disclosed Transactions (as defined in Section 8) or any other obligation of the Company existing on the date of the SPA, or upon conversion, exercise or vesting of the foregoing or any securities of the Company outstanding on the date of the SPA in accordance with their terms;
- (d) securities issued or issuable to any governmental entity, including any federal, state or local government, any political subdivision thereof or any court, administrative or regulatory agency, department, instrumentality, tribunal, arbitrator, legislative body, authority, body or commission or other governmental authority or agency, or arbitral body (public or private), in the United States or in a non-U.S. jurisdiction;

(e) securities issued or issuable to any strategic corporate third party, including any entity listed on a stock exchange, but excluding any financial investor, hedge fund or similar stand-alone investment vehicle; and

(g) securities issued or issuable to the extent consented to by (i) holders of Warrants representing a majority of the aggregate Warrant Shares issuable pursuant to outstanding Warrants or (ii) during the first six months after the Original Issue Date, by Alyeska Master Fund, LP.

4.5. Adjustments to Number of Warrant Shares. Concurrently with any adjustment to the Exercise Price as provided in Section 4.1, Section 4.3 or Section 4.4.1 hereof, the number of Warrant Shares for which each Warrant is exercisable will be adjusted such that the number of Warrant Shares for each such Warrant in effect immediately following the effectiveness of such adjustment will be equal to the number of Warrant Shares for each such Warrant in effect immediately prior to such adjustment, multiplied by a fraction, (x) the numerator of which is the Exercise Price in effect immediately prior to such adjustment, and (y) the denominator of which is the Exercise Price in effect immediately following such adjustment.

4.6. Replacement of Securities upon Reorganization. Except with respect to the Merger, in case of (a) any reclassification or reorganization of the outstanding shares of Common Stock (other than a change under Section 4.1, or Section 4.2 or Section 4.3 hereof or that solely affects the par value of such shares of Common Stock), (b) upon any other merger or consolidation of the Company with or into another entity or conversion of the Company as another entity (other than a consolidation or merger in which the Company is the continuing corporation and that does not result in any reclassification or reorganization of the outstanding shares of Common Stock), or (c) any sale or conveyance to another entity of the assets or other property of the Company as an entirety or substantially as an entirety in connection with which the Company is dissolved, the Holder shall thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the Warrant and in lieu of the shares of Common Stock immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of shares of stock or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the Holder would have received if the Holder had exercised his, her or its Warrant(s) immediately prior to such event (the “Alternative Issuance”). In connection with the closing of any such consolidation, merger, sale or conveyance, the successor or purchasing entity shall execute an amendment hereto with the Company providing for delivery of such Alternative Issuance; provided, further, that (i) if the holders of Common Stock were entitled to exercise a right of election as to the kind or amount of securities, cash or other assets receivable upon such consolidation or merger, then the kind and amount of securities, cash or other assets constituting the Alternative Issuance for which the Warrant shall become exercisable shall be deemed to be the weighted average of the kind and amount received per share by the holders of Common Stock in such consolidation or merger that affirmatively make such election; and (ii) if a tender, exchange or redemption offer shall have been made to and accepted by the holders of Common Stock (other than a tender, exchange or redemption offer made by the Company in connection with redemption rights held by stockholders of the Company as provided for in the Company’s amended and restated certificate or articles of incorporation) under circumstances in which, upon completion of such tender or exchange offer, the maker thereof, together with members of any group (within the meaning of Rule 13d-5(b)(1) under the Exchange Act (or any successor rule)) of which such maker is a part, and together with any affiliate or associate of such maker (within the meaning of Rule 12b-2 under the Exchange Act (or any successor rule)) and any members of any such group of which any such affiliate or associate is a part, own beneficially (within the meaning of Rule 13d-3 under the Exchange Act (or any successor rule)) more than 50% of the outstanding shares of Common Stock, the Holder shall be entitled to receive as the Alternative Issuance, the highest amount of cash, securities or other property to which the Holder would actually have been entitled as a stockholder if the Holder had exercised the Warrant prior to the expiration of such tender or exchange offer, accepted such offer and all of the Common Stock held by the Holder had been purchased pursuant to such tender or exchange offer, subject to adjustments (from and after the consummation of such tender or exchange offer) as nearly equivalent as possible to the adjustments provided for in this Section 4. If any reclassification or reorganization also results in a change in shares of Common Stock covered by Section 4.1 or Section 4.3 hereof, then such adjustment shall be made pursuant to Section 4.1 or Section 4.3, as applicable, Section 4.5 hereof and this Section 4.6. The provisions of this Section 4.6 shall similarly apply to successive reclassifications, reorganizations, mergers or consolidations, sales or other transfers. For the avoidance of doubt, this Section 4.6 shall not apply to the Merger or the other Disclosed Transactions.

4.7. Notices of Changes in Warrant. Except with respect to the Merger, upon every adjustment of the Exercise Price or the number of shares of Common Stock issuable upon exercise of a Warrant, the Company shall give written notice thereof to each Holder, which notice shall state the Exercise Price resulting from such adjustment and the increase or decrease, if any, in the number of shares of Common Stock purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. Upon the occurrence of any event specified in [Section 4.1](#), [Section 4.3](#), [Section 4.4.1](#) or [Section 4.6](#) hereof, the Company shall give written notice of the occurrence of such event to each Holder, at the last address set forth for the Holder in the Warrant Register, of the record date or the effective date of the event. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such event.

4.8. No Adjustments Below Par Value. Notwithstanding any provision to the contrary, no adjustment to the Exercise Price provided for in this [Section 4](#) shall reduce the Exercise Price to a price less than the par value of the Common Stock.

4.9. Form of Warrant. The form of Warrant need not be changed because of any adjustment pursuant to this [Section 4](#), and Warrants issued after such adjustment may state the same Exercise Price and the same number of shares of Common Stock as is stated in the Warrants initially issued pursuant to this Agreement; provided, however, that the Company may at any time in its sole discretion make any change in the form of Warrant that the Company may deem appropriate and that does not affect the substance thereof, and any Warrant thereafter issued or countersigned, whether in exchange or substitution for an outstanding Warrant or otherwise, may be in the form as so changed.

5. Fractional Shares. Notwithstanding any provision contained in this Agreement to the contrary, the Company shall not issue fractional shares of Common Stock upon the exercise of Warrants. If a Holder would be entitled, upon the exercise of such Warrant, to receive a fractional interest in a share, the Company shall, upon such exercise, round down to the nearest whole number the number of shares of Common Stock to be issued to the Holder.

6. No Shareholder Rights. This Warrant in and of itself shall not entitle the Holder to any voting rights or other rights as a shareholder of the Company.

7. Transfer and Exchange of Warrants.

7.1.1. Registration of Transfer. The Company shall register the transfer, from time to time, of any outstanding Warrant upon the Warrant Register, upon (a) surrender of such Warrant for transfer, in the case of certificated Warrants, properly endorsed with signatures properly guaranteed, accompanied by (b) the form of assignment attached hereto to any transferee designated by the Holder and (c) appropriate instructions for transfer. Upon any such transfer, the Company will forthwith issue and deliver upon the order of the Holder a new Warrant, registered as the Holder may request, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant to the Holder representing the right to purchase the number of Warrant Shares not being transferred. The old Warrant shall be cancelled by the Company.

7.1.2. Procedure for Surrender of Warrants. Warrants may be surrendered to the Company, together with a written request for exchange or transfer, and thereupon the Company shall issue in exchange therefor one or more new Warrants as requested by the Registered Holder so surrendered, representing the right to purchase an equal aggregate number of Warrant Shares.

7.1.3. No Fractional Warrants. The Company shall not be required to effect any registration of transfer or exchange which shall result in the issuance of a fraction of a warrant.

7.1.4. Restrictive Legends. The certificate(s) (or book entry position) representing the Warrant Shares acquired upon the exercise of this Warrant shall bear the restrictive legend substantially in the form set forth below (the "[Restrictive Legend](#)"); provided that the Warrant Shares shall not contain such Restrictive Legend, (i) if the issuance of the Warrant Shares has been registered on the Form S-4 registration statement of Odyssey Marine

Exploration Inc. (“Odyssey”) immediately prior to the effective time of the Merger; (ii) following any sale of such Warrant Shares pursuant to Rule 144 under the Securities Act (“Rule 144”) or a resale registration statement, as long as the transferor is not an affiliate of the issuer thereof, (iii) if such Warrant Shares are eligible for sale under Rule 144, without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(1) or Rule 144(i)(2) as to such securities without volume or manner-of-sale restrictions, or (iv) if in the opinion of counsel to the Company, such Restrictive Legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission).

In addition, the Company agrees that at such time as such Restrictive Legend is no longer required under this Section 7.1.4, it will, no later than the earlier of (i) one (1) Trading Day and (ii) the number of Trading Days comprising the Standard Settlement Period following the delivery by the holder to the Company or its transfer agent of a certificate representing the Warrant Shares (or book-entry position) issued with a restrictive legend (such date, the “Legend Removal Date”), deliver or cause to be delivered to the Holder a certificate representing such Warrant Shares that is free from all restrictive and other legends, and the Company shall use commercially reasonable efforts to cause its counsel to issue a legal opinion to the transfer agent or the Holder if required by the transfer agent to effect the removal of the legend hereunder. The Company may not make any notation on its records or give instructions to the transfer agent that enlarge the restrictions on transfer set forth in this Section 7.1.4. The Warrant Shares subject to legend removal hereunder shall be transmitted by the transfer agent to the Holder thereof by crediting the account of such Purchaser’s broker within the facilities of The Depository Trust Company as directed by the Holder.

RESTRICTIVE LEGEND

THIS SECURITY HAS NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS. THIS SECURITY MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT WITH A REGISTERED BROKER-DEALER OR OTHER LOAN WITH A FINANCIAL INSTITUTION THAT IS AN “ACCREDITED INVESTOR” AS DEFINED IN RULE 501(a) UNDER THE SECURITIES ACT OR OTHER LOAN SECURED BY SUCH SECURITIES.

8. Merger with Odyssey. The original holder of this Warrant, by accepting it, acknowledges on their own behalf and on behalf of subsequent transferees, the transactions (the “Disclosed Transactions”) contemplated by (a) the Agreement and Plan of Merger, dated as of April 8, 2026, by and among Odyssey, Oceanus Merger Sub, Inc. and American Ocean Minerals Corporation (“AOM”) (the “Merger Agreement”) and (b) the Subscription Agreements, Bridge Subscription Agreements, Bridge Debentures, CIC Agreements, OML Agreements and Non-Core Asset Transactions, in each case as defined in the Merger Agreement. Upon the closing of the Merger, without the consent of the Holder hereof:

(a) Odyssey will join and countersign this Warrant and be automatically substituted for the “Company” hereunder;

(b) the Exercise Price of the Warrants shall be adjusted to a number (rounded to the nearest cent) equal to (i) the Exercise Price immediately prior to the Merger, divided by (ii) the PIPE Merger Consideration Ratio. “PIPE Merger Consideration Ratio” shall mean the number of shares of common stock of Odyssey, rounded to the nearest one-hundredth of a share, issuable in the Merger for each share of AOM common stock acquired pursuant to the SPA;

(c) each Warrant, immediately following the Merger, shall become exercisable for a number of shares of the common stock of Odyssey equal to (i) the number of Warrant Shares that such Warrant was exercisable for immediately prior to such adjustment, multiplied by a fraction, (ii) (x) the numerator of which is the Exercise Price in effect immediately prior to such adjustment, and (y) the denominator of which is the Exercise Price in effect immediately following such adjustment;

(d) all references to Common Stock hereunder shall instead refer to such shares of common stock of Odyssey, par value \$0.0001 per share;

(e) AOM shall be discharged from all obligations and covenants under this Warrant and may be liquidated and dissolved; and

(f) for the avoidance of doubt, no adjustment to the Exercise Price or the number of Warrant Shares will be made as a result of the Disclosed Transactions, except as set forth in this Section 8.

9. Lost, Stolen, Mutilated or Destroyed Warrant. If this Warrant is lost, stolen, mutilated or destroyed, the Company may, on such terms as to indemnity or otherwise as it may reasonably impose (which shall, in the case of a mutilated Warrant, include the surrender thereof), issue a new Warrant representing the right to purchase the same amount of Warrant Shares as the Warrant so lost, stolen, mutilated or destroyed. Any such new Warrant shall constitute an original contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated or destroyed Warrant shall be at any time enforceable by anyone.

10. Waiver and Amendment. Any term of this Warrant may not be amended or waived except by a written instrument signed by the Company and the Holder. Any amendment or waiver of the terms of this Warrant effected in accordance with this Section 10 shall be binding upon the Holder, each transferee of this Warrant, and the Company.

11. Notices. All notices required or permitted hereunder shall be in writing and shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by confirmed facsimile or electronic mail if sent during normal business hours of the recipient, if not, then on the next Business Day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent, if to the Company, to the recipients specified in the SPA or at such other address as the Company or the Holder may designate by ten (10) days advance written notice to the other parties hereto.

The Company shall provide notice to the Holder as follows:

(a) at least twenty (20) days written notice prior to closing thereof of the terms and conditions of any of the following transactions (to the extent the Company has notice thereof): (i) the sale, lease, exchange, conveyance or other disposition of all or substantially all of the Company's property or business, or (ii) its merger into or consolidation with any other corporation (other than a wholly-owned subsidiary of the Company), or any transaction (including a merger or other reorganization) or series of related transactions, in which more than 50% of the voting power of the Company is disposed of; provided, that in each case the Merger shall not require any such advance notice;

(b) at least ten (10) days' notice prior to the record date of any cash dividend with respect to or offer to repurchase the Common Stock; and

(c) at least ten (10) days' notice prior to any voluntary or involuntary dissolutions, liquidation or winding-up of the Company.

12. Acceptance. Receipt of this Warrant by the Holder shall constitute acceptance of and agreement to all of the terms and conditions contained herein.

13. Governing Law. This Warrant shall be governed by and construed in accordance with the laws of the State of New York.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the Issuer, the Guarantors and the Purchaser agree as follows:

ARTICLE 1 DEFINITIONS

Section 1.1 Certain Defined Terms.

Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed to such terms on Annex A to this Agreement.

Section 1.2 Accounting Terms and Determinations.

Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made, and all financial statements required to be delivered hereunder shall be prepared on a consolidated basis in accordance with GAAP consistently applied.

Section 1.3 Other Definitional Provisions and References.

(c) The term “including” shall mean “including, without limitation.”

(d) In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including”; the words “to” and “until” each mean “to but excluding.”

ARTICLE 2
NOTES

Section 2.1 Notes.

(a) Authorization of the Pre-Closing Notes.

At the Purchaser’s option, from time to time on any Business Day prior to the Closing Date, the Purchaser may purchase from the Issuer Senior Secured Notes (as amended, restated, supplemented or otherwise modified from time to time, together with any notes issued in exchange therefor or replacement thereof pursuant to this Agreement, the “**Pre-Closing Notes**”), provided that the aggregate principal amount under all such Pre-Closing Notes shall not exceed \$5,000,000 (the “**Pre-Closing Limit**”). Subject to the terms and conditions of this Agreement and in reliance upon the representations and warranties of the Credit Parties contained herein, the Issuer agrees to issue and sell Pre-Closing Notes to the Purchaser from time to time on any Business Day prior to the Closing Date (but, in any event, not more than twice per calendar month), for a purchase price equal to 100% of the principal amount of each such Pre-Closing Note. The Pre-Closing Notes shall be substantially in the form set forth in Exhibit A. Without limiting the Purchaser’s discretion in determining whether to fund any Pre-Closing Note, each of the conditions specified in Section 6.3 applicable to a purchase and sale of Pre-Closing Notes shall have been satisfied on or prior to the date of the issuance of such Pre-Closing Notes. For avoidance of doubt, the Issuer’s liability under all Pre-Closing Notes shall be absolute and unconditional on issuance thereof, regardless of whether or not the Closing Date occurs.

(b) Purchase, Sale and Issuance of Pre-Closing Notes.

The Issuer shall deliver to the Purchaser a Pre-Closing Draw Request with respect to each proposed Pre-Closing Note issuance, such Pre-Closing Draw Request to be delivered no later than 1 p.m. (New York time) on the third (3rd) Business Day prior to the applicable Draw Date (or such shorter notice period as the Purchaser may agree). Once given, a Pre-Closing Draw Request shall be irrevocable and the Issuer shall be bound thereby.

(c) Authorization of the Initial Notes.

The Issuer has authorized the issuance and sale of its Senior Secured Notes in the aggregate original principal amount of \$5,000,000 (as amended, restated, supplemented or otherwise modified from time to time, together with any notes issued in exchange therefor or replacement thereof pursuant to this Agreement, the “**Initial Notes**”), to be paid in accordance with Section 2.1(b). The Initial Notes shall be substantially in the form of Exhibit A attached hereto.

(d) Purchase, Sale and Issuance of Initial Notes.

On the Closing Date, the Issuer will issue and sell to the Purchaser, and, subject to the terms and conditions of this Agreement and in reliance upon the representations and warranties of the Credit Parties contained herein, the Purchaser agrees to purchase from the Issuer, the Initial Notes for a purchase price equal to 100% of the initial principal amount thereof, provided that the purchase price shall be paid by the Purchaser to the Issuer in accordance with the following payment schedule:

<u>Date</u>	<u>Advance</u>	<u>Cumulative Advance</u>
Closing Date	\$1,500,000	\$1,500,000
First Business Day of the month immediately following the Closing Date	\$1,000,000	\$2,500,000
First Business Day of the second month immediately following the Closing Date	\$1,000,000	\$3,500,000
First Business Day of the third month immediately following the Closing Date	\$1,000,000	\$4,500,000
First Business Day of the fourth month immediately following the Closing Date	\$500,000	\$5,000,000

If (i) on or prior to the Closing Date, the Issuer shall fail to tender such Initial Notes to the Purchaser as provided herein, or any of the conditions specified in Section 6.1 shall not have been fulfilled to the Purchaser’s reasonable satisfaction, the Purchaser shall, at its election, be relieved of all obligations to purchase such Initial Notes under this Agreement, without thereby waiving any rights the Purchaser may have by reason of such failure or such nonfulfillment, and (ii) on or prior to any subsequent advance date as set forth in this Section 2.1(b), any of the conditions specified in Section 6.2 shall not have been fulfilled to the Purchaser’s reasonable satisfaction, the Purchaser shall, at its election, be relieved of all further obligations to purchase such Initial Notes under this Agreement, without thereby waiving any rights the Purchaser may have by reason of such failure or such nonfulfillment.

(e) *[Intentionally Deleted]*

Section 2.2 Optional Prepayments of Notes.

The Issuer may from time to time, at its sole option and election, with at least three (3) Business Days prior written notice to the Purchaser, prepay any Notes in whole or in part without premium or penalty; provided that any such partial prepayment shall be in an amount equal to \$100,000 or a higher integral multiple of \$50,000.

Section 2.3 Required Repayment at Maturity Date.

The entire outstanding principal amount of the Notes, together with all accrued and unpaid interest thereon and all other amounts owing under this Agreement, shall become due and payable in cash on the Maturity Date (or, if earlier, as otherwise provided in this Agreement or the Notes).

Section 2.4 Mandatory Prepayment on Merger Closing.

Immediately upon the consummation of the Merger, the entire outstanding principal amount of the Notes, together with all accrued and unpaid interest thereon and all other Obligations, shall become immediately due and payable; provided that the Purchaser acknowledges that (i) upon consummation of the Merger, the Notes will become an intercompany obligation and (ii) the Purchaser and the Issuer may agree to cancel, contribute or otherwise satisfy the Notes in connection with the post-Merger integration, and nothing herein shall require a cash payment to the extent the parties agree to an alternative disposition of the Notes in connection with such integration.

Section 2.5 Interest and Calculations.

(a) Interest Rate.

Interest on the outstanding principal amount of each Note (including any Capitalized Interest that has been added to the principal amount thereof pursuant to Section 2.5(b)) shall accrue at a per annum rate equal to 8.00% (the "Interest Rate"), payable quarterly in accordance with Section 2.5(b).

(b) Compounding; Payment at Maturity.

- Led by Chairman Tom Albanese, former Rio Tinto CEO, and CEO Mark Justh, a 30-year financial services veteran; and supported by founding investor and special advisor Mike Rowe, the founder and CEO of the mikeroweWORKS foundation, nationally recognized media figure and advocate for reindustrialization and skilled trades development

- Prior to the merger, Odyssey intends to effect a 25-for-1 reverse stock split of its common stock
- Certain significant Odyssey shareholders, accounting for approximately 30% of shares outstanding, have entered into voting support agreements in favor of the Transaction

TAMPA, Fla., April 8, 2026 - American Ocean Minerals Corporation (“AOMC”) and Odyssey Marine Exploration, Inc. (NASDAQ: OMEX) (“Odyssey”) today announced they have entered into a definitive merger agreement to combine their businesses and create a leading deep-sea critical minerals research and resource extraction platform (the “Transaction”).

The Transaction values the combined company at approximately \$1 billion and includes a private placement of over \$150 million from prominent institutional and strategic investors, as well as a \$75 million pre-public financing completed in February by AOMC.

Following the Transaction close, the combined company will operate as American Ocean Minerals Corporation and is expected to trade on Nasdaq under the ticker symbol “AOMC”, subject to stockholder and regulatory approvals and customary closing conditions.

Building a Leading U.S. Deep-Sea Critical Minerals Platform

The Transaction will create a scaled U.S. platform with advanced deep-sea resource and harvesting capabilities, supported by a public company infrastructure.

AOMC has secured exploration rights in one of the most sought-after areas globally and forged key partnerships designed to support an asset-light operational platform, including retrofitted vessels and proven technologies. Odyssey contributes its public platform, unique intellectual properties, diversified portfolio and more than 30 years of offshore operational experience in developing marine mineral assets.

The combined company will be led by an experienced team of global leaders in deep-sea operations, processing and capital markets, including Chairman Tom Albanese, who formerly served as CEO of Rio Tinto Group, and CEO Mark Justh, who brings decades of experience in capital markets, including former roles at JPMorgan Chase and Goldman Sachs. The team will also be supported by AOMC founding investor and special advisor Mike Rowe, the founder and CEO of the mikeroweWORKS foundation and nationally recognized media figure.

Mark Justh, Chief Executive Officer of AOMC, stated: “This transaction comes at a pivotal inflection point, as regulatory clarity, proven offshore technology, supply chain independence initiatives, improved scientific understanding of environmental impacts and mitigation, and accelerating demand for critical minerals are converging for the first time. By combining AOMC’s capital and multi-jurisdiction asset base with Odyssey’s, and with a combined team representing 300 years of deep-sea expertise, we are building a scalable platform to support a more secure and diversified critical minerals supply chain.”

Mark Gordon, Chief Executive Officer of Odyssey, said: “This transaction builds on the foundation Odyssey has established over more than three decades of offshore innovation and operations. Our experience in marine operations, project execution, and working within regulatory frameworks is directly applicable to advancing these assets. By combining Odyssey’s capability with AOMC’s capital and asset base, the combined company is positioned to move forward with a clear, execution-driven approach.”

The combined company expects to make substantial investments over the next decade designed to yield significant returns for its shareholders, the Cook Islands, the US and other important stakeholders. These investments will support completing technical programs and feasibility studies to maximize the economic value of AOMC’s vast resource endowment and implementing environmentally responsible harvesting technologies, constructing and retrofitting a fleet of harvesting vessels, developing processing operations, and building supporting infrastructure.

Advancing Multiple Regulatory Pathways for Deep Sea Exploration

AOMC is assembling a diversified dual-track portfolio across both the Cook Islands exclusive economic zone (“EEZ”), an allied jurisdiction, and U.S.-regulated international waters, including the Clarion-Clipperton Zone.

Across five secured and target areas, the combined company will have access to more than 500,000 square kilometers of prospective areas where polymetallic nodules containing nickel, cobalt, copper, and manganese are abundant. AOMC also believes the license areas in the Cook Islands are highly prospective for rare earth elements and potentially titanium.

Tom Albanese, Chairman of AOMC, said: “AOMC will be positioned to be a reliable, long-term supplier for American re-industrialization. We are taking a differentiated, responsible approach to the research and development of deep-sea resources. The work over the past decade has set a high standard for advancing the industry responsibly, and we are proud to play a role in maintaining that standard.”

- **The Cook Islands Pathway:** The combined company’s platform will include investments in two out of three licensed exploration projects in the Cook Islands’ EEZ, Moana Minerals Ltd., a subsidiary of Ocean Minerals LLC (“OML”), and CIC Limited (“CIC”). These licensed areas encompass 417 million tonnes of indicated resources and over 2 billion tonnes of inferred resources as detailed in S-K 1300 resource reports.
- **The U.S. Sovereign Pathway:** AOMC has achieved full compliance for two exploration applications under the Deep Seabed Hard Mineral Resources Act. Administered by National Ocean and Atmospheric Administration, this framework provides domestic companies with a U.S.-regulated route to explore and develop nodule resources in international waters. AOMC areas for exploration encompass over 1.4 billion tonnes of inferred resources, as detailed in S-K 1300 resource reports.

A preliminary economic assessment for OML's Moana-1 asset was completed in early 2025 and reassessed based on the S-K 1300 resource report identifying an indicated mineral resource of 417 million tonnes with an abundance of 26.7 kg/m². These results support advancement to the next phase of development, including pre-feasibility and environmental studies prior to a license application for mineral harvesting. An initial assessment for CIC's license area supports disclosure of an inferred mineral resource of 1.95 billion tonnes of polymetallic nodules with an abundance of 19.9 kg/m² in an area that is expected to be 5-6 times the size of Moana-1. The Cook Islands' established regulatory framework, including *Seabed Minerals Act 2019* and *Seabed Minerals Harvesting Regulations 2024*, provides a clear, nationally governed pathway for responsible resource development within its exclusive economic zone.

Transaction Details

The Transaction values the combined company at a pro-forma equity value of approximately \$1 billion. Prior to and in connection with the Transaction, AOMC has raised and secured equity commitments totaling more than \$230 million from institutional and strategic investors, consisting of a private placement of more than \$150 million and a \$75 million pre-public financing.

Prior to closing the Transaction, Odyssey intends to divest its Mexican phosphate asset, PHOSAGMEX, non-core to the combined company, in a transaction expected to preserve potential value for the benefit of pre-closing shareholders of Odyssey. This divestiture is expected to remove approximately \$60 million of related liabilities from the Odyssey balance sheet. Following the Transaction and divestiture close, the combined company expects to have more than \$175 million in cash available to advance exploration programs across its portfolio.

The Transaction is structured as an all-stock merger, pursuant to which AOMC's outstanding common stock and warrants will be exchanged for Odyssey's common stock and warrants. Prior to the merger, Odyssey intends to effect a 25-for-1 reverse stock split of its common stock. Before the effect of the reverse stock split, the total number of shares of common stock outstanding of the combined company is expected to be approximately 921 million upon closing of the transaction.

The merger agreement has been unanimously approved by the boards of directors of both companies, as well as Odyssey's special transaction committee, and is expected to close in late second quarter or early third quarter of 2026, subject to customary regulatory and shareholder approvals. In connection with the transaction, Odyssey and AOMC have entered into voting agreements with certain significant Odyssey shareholders, accounting for approximately 30% of Odyssey shares of common stock outstanding, pursuant to which such shareholders have agreed to vote in favor of the Transaction.

The Critical Opportunity

U.S. and allies need to secure minerals domestically.

Our Nation's Supply Chain is a National Security Threat

Various critical industrial needs are constrained by a near-total dependence on imported critical minerals, all transpiring amidst record demand.

 **China** is the leading refiner for 19 of 20 key strategic minerals, with around 70% of global refining capacity on average and >90% for rare earths.¹

 **The U.S. imports 100% of its manganese**, 76% of its cobalt, 50% of its copper, 48% of its nickel, and 80% of its rare earths.²

 **U.S. allies (Europe, Japan, Korea) are also exposed** to the same supply chain chokepoint, as they depend on China for refining battery materials.¹

Our Nation's undue reliance on critical minerals from foreign adversaries constitutes an **unusual and extraordinary threat** to the national security, foreign policy, and economy of the United States."

— **President Donald J. Trump (POTUS)**

Executive Order 13953 "Addressing the Threat to the Domestic Supply Chain from Reliance on Critical Minerals from Foreign Adversaries."

A \$300+ Billion Market Exceeding Terrestrial Mining Capability¹

Global demand would require an unattainable surge in new terrestrial land mines; permitting delays, declining grades, and environmental and social impacts make it unrealistic.

	Terrestrial Mining	Deep-Sea Mineral Harvesting
Speed to Market	10+ years to permit and build; high delay/cancellation risk.	Modular retrofitted vessels enable scale with predictable permit timelines in CI.
Ore & product mix	Single-metal deposits, declining grades; separate mines for Ni, Co, Cu, Mn.	One rock, many critical minerals and REEs, from a single resource/flowsheet.
Control	Often subject to unstable regimes.	CI EEZ provides assurance of clear title.
Efficiency	Overburden and toxic tailings dams impact communities, increase costs and risks.	No overburden nodules are nearly 100% usable ore.
Impact	Deforestation, blasting, tailings dams, heavy water use, community and labor risk.	No drilling or blasting, no tailings dams or impacted communities; and up to -93% lower life-cycle CO ₂ /t. ²
Investment	Each is a infrastructure project with local power generation, roads, rail, equipment and buildings with no use post-mining.	Repeatable "floating extraction vessel" units lowers capex, opex, and execution risk.
Capital	High upfront capital due to heavy infrastructure requirement.	Modular capital investments dependent on company-controlled ramp-up

America's Declaration of Mineral Independence

Policy momentum, demand shock, and geopolitical risk have converged. AOM is a scalable U.S. controlled global solution for **critical mineral and rare earth** shortages.

Regulatory Clarity

Executive order ¹ fast-tracks permitting in U.S. EEZ's and non-conflicted international waters. Cook Islands is the most mature path and provides clear title.

Proven Technology

Research has established multiple methods to viably extract and process nodules with minimal impact and low footprint.

Surging Demand

Demand is projected to double by 2030 and triple by 2050. It is not feasible for terrestrial mining to scale in line with projected demand.²

Supply Chain Chokepoint

China dominates critical mineral and rare earth supply. The U.S. and its allies are dependent on an international supply chain/production.

Advantages of Harvesting Sea Nodules over Terrestrial Mining

Harvesting seafloor nodules avoids land mining’s damage; no deforestation, toxic tailings, child labor, population displacement, and lower life-cycle emissions per ton of metal.¹

Reduced Environmental impact, by limiting reliance on land-based mines, which can contribute to coastal pollution, habitat destruction, and biodiversity loss.²

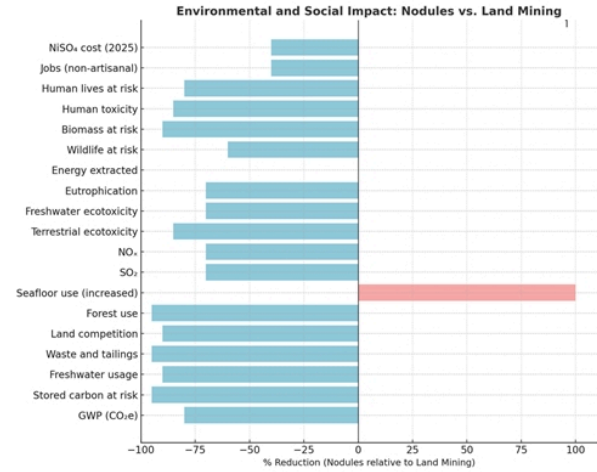

Avoids community displacement, inhumane work conditions and the use of **harmful practices common in terrestrial mining**.³

By some estimates, nodules are nearly 100% usable ore and **up to 93% lower life cycle CO2 emissions compared to land-based mining**.⁴

“Done responsibly, deep-sea nodule mining could provide critical resources with significantly less biodiversity impact than some of the world’s most destructive land-based mining.”⁵

Current Status of Projects

We believe we have an accelerated path to production.

Estimated Months to Harvesting License/Permit	
OML	18-26
CIC	20-28
AOM Areas	30-36

Estimated timelines will vary depending on a variety of Risk Factors, including as detailed herein

The riser lift system is proven vertical transport at deepwater scale

- Riser lift is proven, industry-standard deepwater technology.
- Continuous lift delivers predictable throughput and uptime.
- Validated in nodule pilot tests
- OML has advanced engineering diligence with TransOcean and GSR for complete build-out.
- Standard components (pipe, pumps, dewatering) reduce scaling risk.

Not a science project. Riser lift has **decades** of offshore precedent and is proven at deepwater scale, reducing uncertainty and accelerating time to first production.

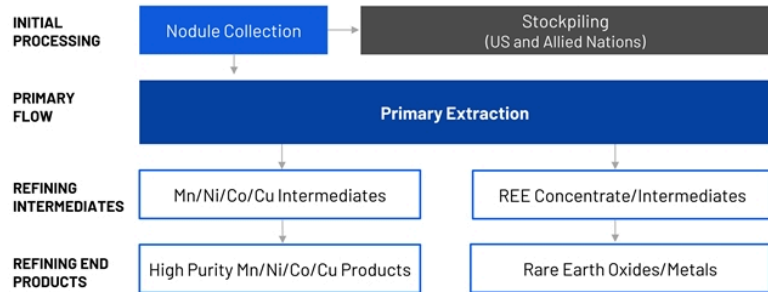

Processing Will Advance from Toll to Vertical Operations

Initial low capex processing path starts with tolling in U.S. and allied plants, then selectively invests and verticalizes once technologies are optimized and proven at scale.

- Brownfield first:** Initial processing uses existing allied facilities to minimize upfront capex, accelerate timelines, and validate flowsheets.
- Greenfield endgame:** The long-term plan is a purpose-built U.S. and allied processing center delivering full vertical integration, margin capture, and strategic control of supply.
- Flexible logistics:** American Samoa is an optional transshipment hub to improve efficiency, storage, and U.S. alignment.
- Strategic stockpiling:** U.S. and allied stockpiles decouple harvesting from processing capacity and support supply security, timing flexibility, and government demand.

Plan for Critical Mineral Stockpiles

Stockpiling aligns with Executive Order 14285 authorizing a strategic reserve of deep-sea critical minerals, identifying polymetallic nodules as a key resource for reducing supply chain dependence¹

Strategic Advantage: Nodules are a high-grade, abundant, natural raw material. Stockpiling nodules is physically efficient, low-cost and non-hazardous, making them ideal for long-term storage at U.S. sites, without degradation or high costs to maintain.²

The "Multi-Metal" Unit: Nodules provide a consolidated reserve of multiple critical raw materials in a single ore source. A single inventory supports readiness for defense, AI, aerospace alloys, batteries, IT, electronics, hard metals, catalysts, construction as well as other critical military and civilian applications.³

Processing Flexibility: Storing nodules rather than minerals gives optionality. Knowing future requirements today is not necessary as the nodules can be refined to serve the industrial base demands at the appropriate moment.³

Generally, the words "anticipate," "estimate," "expect," "project," "intend," "plan," "contemplate," "predict," "forecast," "likely," "believe," "target," "will," "could," "would," "should," "potential," "may" and similar expressions or their negative, may, but are not necessary to, identify forward-looking statements.

Such forward-looking statements include those regarding the timing, consummation and anticipated benefits of the Proposed Transaction, business plans and operational projections, estimates of mining resources, and projections of future cash or financial position. The experience and results of the Proposed Transaction may differ materially from the experience and results anticipated in such statements. The accuracy of such statements is subject to a number of risks, uncertainties and assumptions including, but are not limited to, the following factors: the risk that the conditions to the closing of the Proposed Transaction are not satisfied, including the risk that required approvals of the Proposed Transaction are not obtained; litigation relating to the transaction; uncertainties as to the timing of the consummation of the Proposed Transaction; risks that the Proposed Transaction disrupts the current plans or operations of Odyssey or AOM; the ability to retain and hire key personnel; unexpected costs, charges or expenses resulting from the Proposed Transaction; potential adverse reactions or changes to relationships resulting from the announcement or completion of the Proposed Transaction; the ability to achieve the synergies expected from the Proposed Transaction; ability to commercially extract mineral deposits after the proposed Transaction; risks and hazards inherent in the mining business (including risks inherent in exploring, developing, constructing and operating mining projects); uncertainty about the ability to obtain required capital to execute business plans; changes in the market prices of minerals; uncertainty around whether and when regulatory and other approvals for the Proposed Transaction, the listing or exploration licensing will be obtained; and geopolitical, regulatory and macroeconomic risks in the areas in which Odyssey and AOM operate. Other factors that might cause such a difference include those discussed in Odyssey's filings with the SEC, which include its Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, and in the S-4 to be filed in connection with the Proposed Transaction. Forward-looking statements included in this communication are made only as of the date hereof and no person is under any obligation to publicly update or revise such forward-looking statements, whether as a result of new information, future events or otherwise.

THIRD PARTY INFORMATION

This presentation includes market and industry data which was obtained from various publicly available sources and other sources believed by Odyssey and AOM to be true. Although Odyssey and AOM believe them to be reliable, neither has independently verified any of the data from third party sources referred to in this presentation, or analyzed or verified the underlying reports relied upon or referred to by such sources, or ascertained the underlying assumptions relied upon by such sources. Neither Odyssey nor AOM makes any representation as to the accuracy of such information.

USE OF NON-GAAP MEASURES

This presentation refers to EBITDA, which AOM defines as net income before interest, taxes, depreciation, and amortization. EBITDA is a measure not calculated in accordance with generally accepted accounting principles (a "non-GAAP measure"). EBITDA does not have any standardized meaning prescribed by GAAP and therefore may not be comparable to similar measures presented by other companies. Such non-GAAP measure should not be considered in isolation as a substitute for measures of performance prepared in accordance with GAAP and are not necessarily indicative of net income or cash flows presented under GAAP. Management of AOM believes that this non-GAAP measure provides useful information to investors and others in understanding and evaluating AOM's operating results and potential future performance. AOM does not provide a reconciliation of EBITDA to the most directly comparable measure, net income, because such reconciliation cannot be presented without unreasonable efforts.

**RISK FACTORS**

Our business at the present stage involves a high degree of risk and uncertainty. The following risk factors, as well as risks not currently known to us, could materially adversely affect our future business, assets, results of operations, financial condition and prospects, and could cause them to differ materially from the estimates described in forward-looking information relating to us in the presentation. In addition to other information contained in this presentation, readers should carefully consider the following risk factors.

Investors may lose their entire investment.

An investment in our securities is speculative and may result in the loss of an investor's entire investment. Only potential investors who are experienced in high-risk investments and who can afford to lose their entire investment should consider an investment in us. We have no history of earnings, limited cash reserves, limited operating history, has not paid dividends, and are unlikely to pay dividends in the immediate or near future.

There is no public market for our securities and the value of our securities may decline.

We intend for our securities to be listed on the NASDAQ stock exchange after the closing of the merger, but we cannot assure you that the listing of Odyssey will be maintained or that listing will create liquidity in our securities. There can be no assurance (i) that an active market for our securities will develop or be sustained, (ii) as to the ability of our securityholders to sell their securities; or (iii) as to the price at which such securityholders would be able to sell their securities. If such a market were to exist, our securities could trade at prices that may be lower than the purchase price, depending on many factors, including, among other things, our financial performance and outlook. In addition, the market prices for securities of mining exploration companies, in particular, have historically been volatile. Factors beyond our control, such as industry related developments, fluctuations in commodity prices, the results of exploration programs and results, geopolitical events, changes in government regulations, and changes in the market prices of the securities of our competitors may further influence the volatility in the value of our securities.

Moreover, if an active public market for our securities does not develop, the liquidity of an investor's investment in us may be limited and the value of our securities of the Company may decline. The offering price of our securities may not be indicative of fair market value or future market prices.

Worldwide securities markets have been experiencing a high level of price and volume volatility and market prices of securities of many companies have experienced unprecedented declines in prices which have not necessarily been related to the operating performance, underlying asset values or prospects of such companies. Market forces may render it difficult or impossible for us to secure purchasers to purchase our securities at a price which will not lead to severe dilution to existing shareholders, or at all. In addition, shareholders may realize less than the original amount invested on dispositions of our securities held by them during periods of such market price decline.

**We are subject to risks associated with various proposed merger and acquisition transactions.**

The success of our business and operations is contingent on the successful completion of the merger and acquisition transactions involving. If appropriate opportunities present themselves, we may acquire companies that we believe are strategic to our business, and other mineral claims and interests in other mineral claims, as applicable. There can be no assurance that we will be able to identify, negotiate or finance future acquisitions successfully, or to integrate such acquisitions with its current business. The process of integrating an acquired company may result in unforeseen operating difficulties and expenditures and may absorb significant management attention that would otherwise be available for ongoing development of our business. Future acquisitions could result in potentially dilutive issuances of our equity securities, the incurrence of debt, contingent liabilities and/or amortization expenses related to goodwill and other intangible assets, which could materially adversely affect our business, results of operations and financial condition.

We are subject to risks related to third party relationships.

We may enter into strategic alliances with third parties that we believe will complement or augment our proposed business, or will have a beneficial impact on us. Strategic alliances could present unforeseen integration obstacles or costs, may not enhance our business, and may involve risks that could adversely affect us, including significant amounts of management time that may be diverted from operations in order to pursue and complete such transactions or maintain such strategic alliances. Strategic alliances could result in the incurrence of additional debt, costs and contingent liabilities, and there can be no assurance that such strategic alliances will achieve the expected benefits to our business or that we will be able to consummate strategic alliances in the future on satisfactory terms, or at all. Any of the foregoing could have a material adverse effect on our business, financial condition and results of operations.

Our business is capital intensive, and we will be required to raise additional funds in the future to accomplish our objectives. This additional financing may not be available on acceptable terms or at all. Failure to obtain this necessary capital when needed may force us to reduce or terminate our operations.

The advancement of our business plan and operations, including our ability to take advantage of opportunities for acquisitions, joint ventures or other business opportunities that may be presented to us, will require further capital and depend on our ability to obtain dilutive and/or non-dilutive financing. The actual amount of capital needed or that we raise for our projects, however, may vary materially from our current estimates. We currently expect that we will raise additional funds to finance our operations. There is no assurance that we will be successful in obtaining the required financing for these or other purposes, including for general working capital, or that any funds raised will be sufficient for the purposes contemplated, which could negatively impact our operating plans, financial results and ability to continue as a going concern. We will not initially have any producing properties and will have no source of significant operating cash flow until we are granted required permits, licenses and contracts, as applicable, and begin commercial production. There is no precedent for projects like ours, and therefore, financing may not be available on acceptable terms or at all. Failure to obtain additional financing on a timely basis could cause us to reduce or terminate our operations. Organizations such as the United Nations Environment Programme Finance Initiative, warn against investing in activities focused on exploitation of deep-sea nodules as a result of the potential environmental impact of the activities. The influence of these groups could negatively impact our operations and ability to raise capital on acceptable terms or at all.

If additional funds are raised through further issuances of equity or convertible debt securities, existing shareholders could suffer significant dilution, and any new equity securities issued could have rights, preferences and privileges superior to those they possess prior to such issuances. Additionally, U.S. and global economic uncertainty, higher interest rates and diminished credit availability may limit our ability to incur indebtedness on favorable terms. Any debt financing secured in the future could involve restrictive covenants relating to capital raising activities and other financial and operational matters, which may make it more difficult for us to obtain additional capital and to pursue business opportunities, including potential acquisitions.

Furthermore, the impact of geopolitical tension, such as a deterioration in the bilateral relationship between the U.S. and China or an escalation in conflict between Russia and Ukraine, or the ongoing conflict in Israel and Gaza, including any resulting sanctions, export controls or other restrictive actions, could also lead to disruption, instability and volatility in the global markets, which may have an impact on our ability to obtain additional funding.

We may incur debt in the future, and our ability to satisfy our obligations thereunder remains subject to a variety of factors, many of which are not within our control.

We may seek to incur debt in the future to fund our exploration and operational programs, which would reduce our financial flexibility and could have a material adverse effect on our business, financial condition or results of operation.

Should we incur debt, our ability to satisfy any resulting debt obligations and to reduce our level of indebtedness will depend on future performance. General economic conditions, mineral prices, and financial, business and other factors will have an impact on our operations and future performance, and many of these factors are beyond our control. As such, we cannot assure investors that we will be able to generate sufficient cash flow to pay the interest on any debt, or that future working capital, borrowings, or equity financing will be available to pay or refinance such debt or meet future debt covenants. Factors that will affect our ability to raise cash through an offering of securities or a refinancing of any debt include financial market conditions, the value of our assets, and our performance at the time we are seeking to raise capital. We cannot assure investors that we will have sufficient funds to make such payments. If we do not have sufficient funds and are otherwise unable to negotiate renewals of our current borrowings or to arrange for new financing, we might be required to take measures to generate liquidity, such as selling some or all of our assets. Any such sales could have a material adverse effect on our business, operations and financial results. Moreover, failure to obtain additional financing, if required, on a timely basis, could cause us to reduce or delay our proposed operations. We may need to raise additional capital in order to complete our programs and commence commercial operations and there is no assurance that we will be able to obtain adequate financing in the future or that such financing will be available to us on advantageous terms.

We may be involved in litigation from time to time that may adversely affect us.

Due to the nature of our business, we may be subject to regulatory investigations, claims, lawsuits and other proceedings in the ordinary course of our business. The results of these legal proceedings cannot be predicted with certainty due to the uncertainty inherent in litigation, including the effects of discovery of new evidence or advancement of new legal theories, the difficulty of predicting decisions of judges and juries and the possibility that decisions may be reversed on appeal. There can be no guarantee that actions that may be brought against us in the future will be resolved in our favour or that these matters will not have a material adverse effect on our business.

The results of the exploration license and applications for permits under the U.S. Deep Seabed Hard Mineral Resources Act are uncertain and could adversely affect our business.

We have filed 2 of our 3 planned permit applications with the National Oceanic and Atmospheric Administration under the new expedited U.S.-based regulatory pathway created under the Deep Seabed Hard Mineral Resources Act ("DSHMRA") and by the U.S. presidential Executive Order 14285 - Unleashing America's Offshore Critical Minerals and Resources issued on April 24, 2025, for the offshore mining of polymetallic nodules. Both the U.S. regime under DSHMRA as well as the international regime, established by the United Nations Convention on the Law of the Sea ("UNCLOS"), administered by the International Seabed Authority ("ISA"), have yet to be used for commercial production of seafloor polymetallic nodules.

Our DSHMRA applications are now under review, but there is no assurance that the applications will be deemed compliant, proceed to full review without delay, or result in licences or permits on favourable terms or at all. Such results would materially and negatively impact our business, financial condition, liquidity, results of operations and prospects. Similarly, there is no assurance that new rules and regulations will not be enacted or that existing rules and regulations will not be applied in a manner that would limit or curtail production or development by us. Such regulatory changes or unfavourable application thereof could have a material adverse impact on our business.

Our business is subject to numerous international regulatory uncertainties which, if not resolved in our favor, would have a material adverse impact on our business.

To date, no commercial collection of nodules has occurred on the seafloor in the Cook Islands EEZ or the CCZ. Moreover, certain aspects of the international regulatory frameworks are yet to be settled and remain unfinalized. The current international framework under UNCLOS includes the requirement to obtain an exploitation contract with the ISA, in addition to obtaining related permits from domestic regulatory bodies. We have not made any applications to the ISA under the UNCLOS framework. The two applications to date have been made under the DSHMRA regime. However, we do not believe that there are any provisions under UNCLOS or other ISA regulations that preclude us from proceeding solely under the DSHMRA regulatory pathway. Nevertheless, proceeding in this manner may negatively impact our future interactions with the ISA and the ability to secure future ISA contract approvals.

There can be no assurance that any future ISA applications for exploitation contracts or related permits, should they be necessary, will be granted to us in a timely manner or at all. Even where applications are reviewed in a timely manner, we may be required to submit supplementary application materials before obtaining approval. As such, there is a risk that an exploitation contract may not be granted by the ISA, may not be granted on a timely basis, thereby delaying our potential timeline for commercial exploitation, or may be granted on uneconomic terms.

Changes to any of the laws, rules, regulations or policies to which we are subject could have a significant impact on our business.

Changes to any of the laws, rules, regulations, taxation or other policies to which we are subject could have a significant impact on our business. There can be no assurance that we will be able to comply with any future laws, rules, regulations and policies. Failure to comply with applicable laws, rules, regulations, and policies may subject us to civil or regulatory proceedings, including fines or injunctions, which may have a material adverse effect on our business, financial condition, liquidity, and results of operations. In addition, compliance with any future laws, rules, regulations, and policies could negatively impact our profitability, and could have a material adverse effect on our business, financial condition, liquidity and results of operations.

Furthermore, we may seek to expand our production capabilities in the future, which would require additional regulatory approvals that may not be provided in a timely manner or at all. Furthermore, such additional approvals could require changes to environmental offset areas and related environmental protections which, if overly burdensome, could impact our operations.

Our exploration, collecting, processing and refining activities are subject to extensive and costly environmental requirements, and current and future laws, regulations, and permits may impose significant costs, liabilities, or obligations, or could limit or prevent our ability to continue our operations as currently contemplated or to undertake new operations.

All phases of exploring for and collecting and processing polymetallic nodules are subject to environmental regulation in various jurisdictions and under national as well as international laws and conventions. No seafloor polymetallic nodule deposit has been developed commercially to date, and it is not clear what environmental parameters may need to be measured to satisfy regulatory requirements. The environmental impact of any polymetallic nodule collecting operation remains uncertain and the standards for the assessments required by current regulations have not been finalized by the ISA or any other regulatory body. Environmental legislation is evolving in a manner which is likely to require strict standards and enforcement, increased fines and penalties for non-compliance, more stringent environmental assessments of proposed projects and a heightened degree of responsibility for companies and their officers, directors and employees.

Further, it is unclear whether the ISA or any other regulatory body will seek to impose its process or other onerous methods for the restoration of the disturbed area or rehabilitation obligations on our collecting process. Any such obligations, to the extent they are overly burdensome, could result in material changes to our business as currently contemplated.

We may become subject to environmental liabilities as a result of noncompliance with existing or future regulations.

All of our exploration and development operations will be subject to environmental permitting and regulations, which can make operations expensive or prohibit them altogether. We may also be subject to potential risks and liabilities associated with pollution of the environment that could occur as a result of our exploration, development, and production activities.

To the extent that we become subject to environmental liabilities, the payment of such liabilities, or the costs incurred to remedy environmental pollution, would reduce funds otherwise available to us, which could have a material adverse effect on our business. If we are unable to fully remedy an environmental problem, they might be required to suspend operations or enter into interim compliance measures pending completion of the required remedy. The potential exposure could be material to our business.

All of our exploration, development, production and processing activities will be subject to regulation under certain environmental laws and regulations. We may be required to obtain permits for their activities. They may be required to update and review permits from time to time, and may also be subject to environmental impact analyses and public review processes prior to the approval of any future activities. It is possible that future changes in applicable laws, regulations and permits, or changes in their enforcement or regulatory interpretation by local governments, sponsor states, and other regulatory bodies, could have a significant impact on our business.

Our business is subject to significant risks, and we may never develop minerals in sufficient grade or quantities to justify maintaining commercial operations.

Mineral resource exploration, development, and operations are highly speculative and are characterized by a number of significant risks, including, among other things, unprofitable efforts resulting not only from the failure to discover mineral resources, and from finding mineral resources which, though present, are insufficient in quantity and quality to return a profit from production. Once mineralization is discovered, it may take a number of years from the initial exploration phases before production is possible, during which time the potential feasibility of the project may change adversely. Substantial expenditures are required to establish mineral resources and reserves, to determine processes to collect and transport the minerals and, if required, to construct processing facilities.

No seafloor polymetallic nodules have ever been commercially mined as of today. Exploration and exploitation risks exist in the discovery, location, definition and recovery of seafloor polymetallic nodule deposits, and such risks may have a material impact on our ability to accomplish our objectives. Operations may be affected by the availability of suitable vessels and equipment, prevailing sea conditions, changes in meteorological conditions and climate change, currents close to the seafloor and throughout the water column, recovery of materials sampled, lack of experience in delineating deposits, or unsuitability of equipment for recovering such material in prevailing conditions. Substantial expenditures are required to establish mineral reserves, to develop metallurgical processes, and to construct collection and transportation vessels, and we will be required to rely upon the expertise of consultants and others for exploration, development, construction and operational knowhow, and such consultants and third parties may not always be available to support our operations. If we are not able to obtain such expertise or identify alternative sources of expertise, our operations and financial results will be negatively impacted.

While we believe that our licensed exploration areas are among the places with the highest abundance of polymetallic nodules in the world, no assurance can be given that minerals will be discovered in sufficient grade or quantities to justify commercial operations. Whether an exploration property will be commercially viable depends on a number of factors, including: the particular attributes of the deposit, such as size, grade and proximity to infrastructure; metal prices, which are highly cyclical; availability of and effectiveness of technology to recover, trans-ship, transport and process nodules; government regulations, including regulations relating to prices, taxes, royalties, land tenure, land use, and environmental protection; availability of required personnel, third-party partners and contractors, any required financing and commercial demand in the marketplace for such metals. The precise impact of these factors cannot accurately be predicted, but the combination of these factors may result in our inability to operate or generate an adequate return on invested capital.

While we will evaluate the political and economic factors in determining an exploration strategy, there can be no assurance that significant restrictions will not be placed on intended development areas. Such restrictions may have a material adverse effect on our business and results of operation.

We operate in a competitive industry, and there are no assurances that our efforts will be successful.

The critical metals production industry is capital intensive and competitive. Production of battery materials and manganese alloys is largely dominated by Chinese competitors. These competitors may have greater financial resources, as well as other strategic advantages to operate, maintain, improve and possibly expand their facilities. Additionally, domestic Chinese resources firms have historically been able to produce minerals and/or process metals from land-based operations at relatively low costs due to domestic economic and regulatory factors, including less stringent environmental and governmental regulations and lower labor and benefit costs. There is increasing competition from new and existing marine mineral players for the availability of marine exploration and support vessels, related marine equipment and specialized personnel, desirable exploration areas, suitable offshore collection and onshore processing equipment, and available capital. There is a risk that competitors may find more promising resources, identify or develop more economic technologies, enter into strategic partnerships that constrain our optionality, or may develop novel methods to collect nodules from the seafloor or process nodules into metals that are more economic than we currently contemplate.

The prevailing market prices of various critical minerals, rare earth elements and other commodities will have a material impact on our ability to achieve commercial success.

The profitability of our nodule collection operations will be significantly affected by changes in the market price of critical metals (such as nickel, copper and cobalt) and manganese ores and the cost of power, natural gas, coal, marine fuels, among other commodities and supply requirements. Prices of such metals are affected by numerous factors beyond our control, including: military conflict; prevailing interest rates and returns on other asset classes; expectations regarding inflation, monetary policy and currency values; speculation; governmental and exchange decisions regarding the disposal of metal stockpiles; political and economic conditions; available supplies of the critical metals contained in nodules from mine production, inventories and recycled metal; sales by holders and producers of these critical metals; and demand for products containing these critical minerals. The price of critical minerals including nickel, manganese, copper, cobalt, and other minerals and natural gas, has fluctuated widely in recent years. Depending on the prevailing price of these critical minerals, and the cost of power, natural gas, chemical reagents, marine fuels, cash flow from our metal production operations may not be sufficient to cover our operating costs or the costs to service any outstanding debt. We are not currently party to any commodity hedging contracts, as we do not yet have any production. Debt financing may not be available on commercially reasonable terms, or at all.

Our exploration and polymetallic nodule collecting activities may be affected by natural hazards, which could have a material adverse effect on our business.

Deep-sea mineral exploration and collection activities are inherently difficult and dangerous and may be delayed or suspended by severe weather events, sea conditions or other natural hazards, including volcanos, storms, hurricanes, tsunamis and unpredictable weather patterns. In addition, even though sea conditions in a particular location may be somewhat predictable, the possibility exists that unexpected conditions may occur that adversely affect our operations. Nodule collection activities, including, without limitation, the transfer of nodules to transport vessels and delivery to port, may be subject to interruptions resulting from weather and related marine conditions that adversely affect our collection operations or the ports of delivery, and any such delays could have a material adverse effect on our business.

Fluctuations in transportation costs or disruptions in transportation, processes or services, or damage or loss during transport could decrease our profitability or impair our ability to supply polymetallic nodules, processed minerals or products to our customers, which could adversely affect our results of operations in the future.

As and when we become able to successfully collect the polymetallic nodules in the future, they will be required to transport them to onshore facilities for processing, including the transfer of nodules to transport vessels and delivery to port. Furthermore, when they have reached a point of commercialization, we will need to transport our products to our future customers, wherever they may be located. Finding affordable and dependable transportation is important because it allows us to supply customers around the world. Labor disputes, embargos, sanctions, government restrictions, work stoppages, pandemics, derailments, damage or loss events, adverse weather conditions, vessel groundings inhibiting access to key navigation routes, other environmental events, changes to rail or ocean freight systems, availability of appropriate equipment or processes for transfer of nodules to transport vessels or other events and activities beyond our control could interrupt or limit available transport services, which could result in customer dissatisfaction and loss of sales potential and could materially adversely affect our results of operations in the future.

Actual capital costs, financing strategies, operating costs, production and economic returns may differ significantly from those currently anticipated and there can be no assurance that any future commercial activities will result in profitable metal production operations.

Our actual operating costs to collect polymetallic nodules, transport, process and refine such nodules commercially in the future will depend upon changes in the availability of financing or partners who undertake capital developments in partnership with us, and prices of labor, equipment and infrastructure, shipping costs, variances in ore recovery from those currently assumed, operational risks, changes in governmental regulation, including taxation, environmental, permitting and other regulations and other factors, many of which are and will be beyond our control. Due to any of these or other factors, our capital and operating costs may be significantly higher than currently estimated or as estimated from time to time. Higher capital and operating costs could further impact our financing ability, which may be further affected by lower commodity prices in the international markets that could impact production or economic returns which may differ significantly from those that we otherwise estimate from time to time and there can be no assurance that any of our commercial activities will result in profitable operations.

Our growth will depend on our ability to execute on our plans and expand our operations and controls while maintaining effective cost controls.

Deep-sea exploration, nodule collection, and processing is an emerging industry, and our ability to implement our strategy requires effective planning and management control systems. Our plans may place a significant strain on our management and on our operational, financial and personnel resources. As such, our future growth and prospects will depend on our ability to implement our business model, manage this growth and to continue to expand and improve operational, financial and management information and quality control systems on a timely basis, while at the same time maintaining effective cost controls. Any failure to expand and improve operational, financial and management information and quality control systems in line with our growth could have a material adverse effect on our business, financial condition and results of operations. There are also risks associated with establishing and maintaining systems of internal controls.

Our business is subject to a variety of risks, some of which may not be covered by our future or existing insurance policies.

In the course of the exploration, development, and production of our mineral resource properties, we may be subject to a variety of risks that could result in: (i) damage to, or destruction of, transportation vessels and processing facilities, (ii) personal injury or death, (iii) environmental damage, (iv) delays in collecting, transporting or processing, (v) monetary losses, (vi) natural disasters, (vii) environmental matters, and (viii) legal liability, among others. It is not always possible to fully insure against such risks, and we may determine not to insure against all such risks as a result of high premiums or for other reasons. Should such liabilities arise, they could reduce or eliminate any future profitability and result in an increase in cost and a decline in the value of our securities. We cannot be certain that insurance for some or all of these risks will be available on acceptable terms or conditions, if at all, and in some cases, coverage may not be acceptable or may be considered too expensive relative to the perceived risk.
