* It is expected that delivery of the Depositary Shares will be made on or about July 1, 2021, which will be the fifth business day (T+5) following the date hereof. Under Rule 15c6-1 under the Securities Exchange Act of 1934, trades in the secondary market generally are required to settle in two business days (T+2), unless the parties to any such trade expressly agree otherwise. Accordingly, the purchasers who wish to trade the Depositary Shares prior to the second business day prior to settlement will be required to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement and should consult their own advisors.
