Item 8.01 Other Events.

On February 8, 2024, Starbucks Corporation (“Starbucks” or the “Company”) completed a public offering pursuant to an underwriting agreement (the “Underwriting Agreement”), dated February 5, 2024, with Goldman Sachs & Co. LLC, J.P. Morgan Securities LLC, U.S. Bancorp Investments, Inc. and Wells Fargo Securities, LLC, as representatives of the several underwriters named therein, under which Starbucks agreed to issue and sell to the several underwriters (i) \$1,000,000,000 aggregate principal amount of its 4.850% Senior Notes due 2027 (the “2027 Notes”), (ii) \$500,000,000 aggregate principal amount of its 4.900% Senior Notes due 2031 (the “2031 Notes”) and (iii) \$500,000,000 aggregate principal amount of its 5.000% Senior Notes due 2034 (the “2034 Notes” and, together with the 2027 Notes and the 2031 Notes, the “Notes”).

The Notes were issued under the Indenture, dated as of September 15, 2016 (the “Base Indenture”), by and between the Company and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), and as successor in interest to U.S. Bank National Association, as supplemented by the Tenth Supplemental Indenture, dated as of February 8, 2024 (the “Tenth Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), by and between the Company and the Trustee.

Starbucks will pay interest on the 2027 Notes semi-annually in arrears on each February 8 and August 8, beginning on August 8, 2024. The 2027 Notes will bear interest at a rate equal to 4.850% per annum. The 2027 Notes will mature on February 8, 2027. At any time prior to January 8, 2027 (one month prior to the maturity date of the 2027 Notes), Starbucks may redeem the 2027 Notes at a redemption price equal to the greater of (i) 100% of the aggregate principal amount of the 2027 Notes to be redeemed and (ii) a “make-whole” price described in the Tenth Supplemental Indenture, plus, in either case, accrued and unpaid interest to, but excluding, the redemption date. At any time on and after January 8, 2027, Starbucks may redeem the 2027 Notes at par, plus accrued and unpaid interest to, but excluding, the redemption date.

Starbucks will pay interest on the 2031 Notes semi-annually in arrears on each February 15 and August 15, beginning on August 15, 2024. The 2031 Notes will bear interest at a rate equal to 4.900% per annum. The 2031 Notes will mature on February 15, 2031. At any time prior to December 15, 2030 (two months prior to the maturity date of the 2031 Notes), Starbucks may redeem the 2031 Notes at a redemption price equal to the greater of (i) 100% of the aggregate principal amount of the 2031 Notes to be redeemed and (ii) a “make-whole” price described in the Tenth Supplemental Indenture, plus, in either case, accrued and unpaid interest to, but excluding, the redemption date. At any time on and after December 15, 2030, Starbucks may redeem the 2031 Notes at par, plus accrued and unpaid interest to, but excluding, the redemption date.

Starbucks will pay interest on the 2034 Notes semi-annually in arrears on each February 15 and August 15, beginning on August 15, 2024. The 2034 Notes will bear interest at a rate equal to 5.000% per annum. The 2034 Notes will mature on February 15, 2034. At any time prior to November 15, 2033 (three months prior to the maturity date of the 2034 Notes), Starbucks may redeem the 2034 Notes at a redemption price equal to the greater of (i) 100% of the aggregate principal amount of the 2034 Notes to be redeemed and (ii) a “make-whole” price described in the Tenth Supplemental Indenture, plus, in either case, accrued and unpaid interest to, but excluding, the redemption date. At any time on and after November 15, 2033, Starbucks may redeem the 2034 Notes at par, plus accrued and unpaid interest to, but excluding, the redemption date.

In addition, upon the occurrence of a change of control triggering event relating to a particular series of the Notes (which involves the occurrence of both a change of control and a below investment grade rating of the applicable series of the Notes by Moody’s and S&P), Starbucks will be required, subject to certain exceptions, to make an offer to repurchase such series of Notes at a price equal to 101% of the principal amount of such series of Notes, plus accrued and unpaid interest to, but excluding, the purchase date.

The Notes will be the Company’s senior unsecured obligations and will rank equally in right of payment with all of the Company’s other senior unsecured indebtedness, whether currently existing or incurred in the future. The Notes will be effectively subordinated to any existing or future indebtedness or other liabilities, including trade payables, of any of the Company’s subsidiaries. The Notes are subject to customary covenants and events of default, as set forth in the Indenture.

The foregoing disclosure is qualified in its entirety by reference to the Base Indenture and the Tenth Supplemental Indenture. The Base Indenture was filed as Exhibit 4.1 to the Company's Registration Statement on Form S-3 (SEC Registration No. 333-267227) (the "Registration Statement") and is incorporated herein by reference. The Tenth Supplemental Indenture is attached hereto as Exhibit 4.2 and incorporated herein by reference.

(r) Deloitte & Touche LLP, who has audited certain financial statements of the Company and its subsidiaries and has audited the Company’s internal control over financial reporting and management’s assessment thereof is, to the Company’s knowledge, an independent public accountant as required by the Act and the rules and regulations of the Commission thereunder;

(s) The financial statements (including the related notes and schedules) included or incorporated by reference in the Pricing Prospectus comply as to form in all material respects with the requirements of Regulation S-X of the Commission and present fairly in all material respects the financial position of the Company and its consolidated subsidiaries as of the dates shown and their results of operations and cash flows for the periods shown and, except as otherwise disclosed in the Pricing Prospectus, such financial statements have been prepared in conformity with generally accepted accounting principles in the United States applied on a consistent basis. For the purposes of this Agreement, "New York Business Day" shall mean each Monday, Tuesday, Wednesday, Thursday and Friday which is not a day on which banking institutions in New York City are generally authorized or obligated by law or executive order to close.

5. The Company agrees with each of the Underwriters:

(a) To prepare the Prospectus in a form approved by you and to file such Prospectus pursuant to Rule 424(b) under the Act not later than the Commission's close of business on the second business day following the date of this Agreement; to make no further amendment or any supplement to the Registration Statement, the Basic Prospectus or the Prospectus prior to the Time of Delivery which shall be disapproved by you promptly after reasonable notice thereof; to advise you, promptly after it receives notice thereof, of the time when any amendment to the Registration Statement has been filed or becomes effective or any amendment or supplement to the Prospectus has been filed and to furnish you with copies thereof; to prepare a final term sheet, containing solely a description of the Securities, in a form approved by you and to file such term sheet pursuant to Rule 433(d) under the Act within the time required by such Rule; to file promptly all other material required to be filed by the Company with the Commission pursuant to Rule 433(d) under the Act; to file promptly all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act subsequent to the date of the Prospectus and for so long as the delivery of a prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) is required in connection with the offering or sale of the Securities; to advise you, promptly after it receives notice thereof, of the issuance by the Commission of any stop order or of any order preventing or suspending the use of any Preliminary Prospectus or other prospectus in respect of the Securities, of any notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act, of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, of the initiation or threatening of any proceeding for any such purpose, or of any request by the Commission for the amending or supplementing of the Registration Statement or the Prospectus or for additional information; and, in the event of the issuance of any stop order or of any order preventing or suspending the use of any Preliminary Prospectus or other prospectus or suspending any such qualification, to promptly use its best efforts to obtain the withdrawal of such order; and in the event of any such issuance of a notice of objection, promptly to take such steps including, without limitation, amending the Registration Statement or filing a new registration statement, at its own expense, as may be necessary to permit offers and sales of the Securities by the Underwriters (references herein to the Registration Statement shall include any such amendment or new registration statement);

(b) If required by Rule 430B(h) under the Act, to prepare a form of prospectus in a form approved by you and to file such form of prospectus pursuant to Rule 424(b) under the Act not later than may be required by Rule 424(b) under the Act; and to make no further amendment or supplement to such form of prospectus which shall be disapproved by you promptly after reasonable notice thereof;

(c) If by the third anniversary (the “Renewal Deadline”) of the initial effective date of the Registration Statement, any of the Securities remain unsold by the Underwriters, the Company will file, if it has not already done so and is eligible to do so, a new automatic shelf registration statement (as defined under Rule 405 under the Act) relating to the Securities, in a form satisfactory to you. If at the Renewal Deadline the Company is no longer eligible to file an automatic shelf registration statement, the Company will, if it has not already done so, file a new shelf registration statement relating to the Securities, in a form satisfactory to you and will use its best efforts to cause such registration statement to be declared effective within 180 days after the Renewal Deadline. The Company will take all other action necessary or appropriate to permit the public offering and sale of the Securities to continue as contemplated in the expired registration statement relating to the Securities. References herein to the Registration Statement shall include such new automatic shelf registration statement or such new shelf registration statement, as the case may be;

(d) Promptly from time to time to take such action as you may reasonably request to qualify the Securities for offering and sale under the securities laws of such jurisdictions as you may request and to comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of the Securities, provided that in connection therewith the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction;

(e) Prior to 10:00 a.m., New York City time, on the New York Business Day next succeeding the date of this Agreement and from time to time, to furnish the Underwriters with written and electronic copies of the Prospectus in New York City in such quantities as you may reasonably request, and, if the delivery of a prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) is required at any time prior to the expiration of nine months after the time of issue of the Prospectus in connection with the offering or sale of the Securities and if at such time any event shall have occurred as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Prospectus or to file under the Exchange Act any document incorporated by reference in the Prospectus in order to comply with the Act, the Exchange Act or the Trust Indenture Act, to notify you and upon your request to file such document and to prepare and furnish without charge to each Underwriter and to any dealer in securities as many written and electronic copies as you may from time to time reasonably request of an amended Prospectus or a supplement to the Prospectus which will correct such statement or omission or effect such compliance; and in case any Underwriter is required to deliver a prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) in connection with sales of any of the Securities at any time nine months or more after the time of issue of the Prospectus, upon your request but at the expense of such Underwriter, to prepare and deliver to such Underwriter as many written and electronic copies as you may request of an amended or supplemented Prospectus complying with Section 10(a)(3) of the Act;

(f) To make generally available to its securityholders as soon as practicable, but in any event not later than sixteen months after the effective date of the Registration Statement (as defined in Rule 158(c) under the Act), an earnings statement of the Company and its subsidiaries (which need not be audited) complying with Section 11(a) of the Act and the rules and regulations of the Commission thereunder (including, at the option of the Company, Rule 158);

(g) During the period beginning from the date hereof and continuing to and including the later of the Time of Delivery and such earlier time as you may notify the Company, not to offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose, except as provided hereunder of, any securities of the Company that are substantially similar to the Securities;

(h) To pay the required Commission filing fees relating to the Securities within the time required by Rule 456(b)(1) under the Act without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) under the Act;

(i) To use the net proceeds received by it from the sale of the Securities pursuant to this Agreement in the manner specified in the Pricing Prospectus under the caption "Use of Proceeds"; and

(j) To use its best efforts to cause the Securities to be eligible for clearance and settlement through DTC.

6. (a) (i) The Company represents and agrees that, other than the final term sheet in the form attached as Schedule I hereto and filed pursuant to Section 5(a) hereof, without the prior consent of the Representatives, it has not made and will not make any offer relating to the Securities that would constitute a "free writing prospectus" as defined in Rule 405 under the Act;

(ii) each Underwriter represents and agrees that, without the prior consent of the Company, other than one or more term sheets relating to the Securities containing customary information and conveyed to purchasers of Securities, it has not made and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Prospectus; and

(iii) any such free writing prospectus the use of which has been consented to by the Company and the Representatives (including the final term sheet in the form attached as Schedule I hereto and filed pursuant to Section 5(a) hereof) is listed on Schedule II(a) hereto (or in the case of the final term sheet, listed on Schedule I hereto);

(b) The Company has complied and will comply with the requirements of Rule 433 under the Act applicable to any Issuer Free Writing Prospectus, including timely filing with the Commission or retention where required and legending; and

(c) The Company agrees that if at any time following issuance of an Issuer Free Writing Prospectus any event occurred or occurs as a result of which such Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, the Pricing Prospectus or the Prospectus or would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Company will give prompt notice thereof to the Representatives and, if requested by the Representatives, will prepare and furnish without charge to each Underwriter an Issuer Free Writing Prospectus or other document which will correct such conflict, statement or omission; provided, however, that this covenant shall not apply to any statements or omissions in an Issuer Free Writing Prospectus made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter through the Representatives expressly for use therein.

7. The Company covenants and agrees with the several Underwriters that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Securities under the Act and all other expenses in connection with the preparation, printing, reproduction and filing of the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, any Issuer Free Writing Prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) the cost of printing or producing this Agreement, the Indenture, closing documents (including any compilations thereof) and any other documents in connection with the offering, purchase, sale and delivery of the Securities; (iii) all expenses in connection with the qualification of the Securities for offering and sale under state securities laws as provided in Section 5(d) hereof, including the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky survey (not to exceed \$2,500); (iv) any fees charged by securities rating services for rating the Securities; (v) the filing fees incident to, and the reasonable fees and disbursements of counsel for the Underwriters in connection with, any required review by the Financial Industry Regulatory Authority, Inc. of the terms of the sale of the Securities; (vi) all fees and expenses in connection with approval of the Securities by DTC for "book-entry" transfer; (vii) the cost of preparing the Securities; (viii) the fees and expenses of the Trustee and any agent of the Trustee and the fees and disbursements of counsel for the Trustee in connection with the Indenture and the Securities; and (ix) all other costs and expenses incident to the performance of its obligations hereunder which are not otherwise specifically provided for in this Section. It is understood, however, that, except as provided in this Section, and Sections 9 and 12 hereof, the Underwriters will pay all of their own costs and expenses, including the fees and expenses of their counsel, transfer taxes on resale of any of the Securities by them, and any advertising expenses connected with any offers they may make.

8. The obligations of the Underwriters hereunder shall be subject, in their discretion, to the condition that all representations and warranties and other statements of the Company herein are, at and as of the Time of Delivery, true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Prospectus shall have been filed with the Commission pursuant to Rule 424(b) under the Act within the applicable time period prescribed for such filing by the rules and regulations under the Act and in accordance with Section 5(a) hereof; the final term sheet contemplated by Section 5(a) hereof, and any other material required to be filed by the Company pursuant to Rule 433(d) under the Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no proceeding for that purpose shall have been initiated or threatened by the Commission and no notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act shall have been received; no stop order suspending or preventing the use of the Prospectus or any Issuer Free Writing Prospectus shall have been initiated or threatened by the Commission; and all requests for additional information on the part of the Commission shall have been complied with to your reasonable satisfaction;

(b) Mayer Brown LLP, counsel for the Underwriters, shall have furnished to you such written opinion or opinions, dated the Time of Delivery, in form and substance satisfactory to you, and such counsel shall have received such papers and information as they may reasonably request to enable them to pass upon such matters;

(c) Orrick Herrington & Sutcliffe LLP, counsel for the Company, shall have furnished to the Representatives its written opinion and negative assurance letter, dated the Time of Delivery, in form and substance satisfactory to you;

(d) Joshua Gaul, managing director, corporate counsel and assistant corporate secretary for the Company, shall have furnished to you, his written opinion (a form of such opinion is attached as Annex II hereto), dated the Time of Delivery, in form and substance satisfactory to you;

(e) On the date of the Prospectus at a time prior to the execution of this Agreement, on the effective date of any post-effective amendment to the Registration Statement filed subsequent to the date of this Agreement and also at the Time of Delivery, Deloitte & Touche LLP shall have furnished to you a letter or letters, dated the respective dates of delivery thereof, in form and substance satisfactory to you, to the effect set forth in Annex I hereto (the form of letter to be delivered prior to the execution of this Agreement is attached as Annex I(a) hereto and a form of letter to be delivered on the effective date of any post-effective amendment to the Registration Statement and as of the Time of Delivery is attached as Annex I(b) hereto);

(f) (i) Neither the Company nor any of its Significant Subsidiaries shall have sustained, since the date of the latest audited financial statements included or incorporated by reference in the Pricing Prospectus, any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Pricing Prospectus, and (ii) since the respective dates as of which information is given in the Pricing Prospectus there shall not have been any change in the capital stock or long term debt of the Company or any of its Significant Subsidiaries (other than changes due to repurchases of the Company's common stock under the Company's share repurchase program previously announced and described in the Pricing Prospectus, and changes due to issuances of the Company's common stock in the ordinary course of business under the Company's existing share-based employee benefits and options plans described in the Pricing Prospectus) or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, shareholders' equity or results of operations of the Company and its Significant Subsidiaries, otherwise than as set forth or contemplated in the Pricing Prospectus, the effect of which, in any such case described in clause (i) or (ii), is in your judgment so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Securities on the terms and in the manner contemplated in the Prospectus;

(g) On or after the Applicable Time (i) no downgrading shall have occurred in the rating accorded the Company's debt securities by any "nationally recognized statistical rating organization," as that term is defined by the Commission in Section 3(a)(62) of the Exchange Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities;

(h) On or after the Applicable Time there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange; (ii) a suspension or material limitation in trading in the Company's securities on the Nasdaq Global Select Market; (iii) a general moratorium on commercial banking activities declared by Federal, New York State or Washington State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war; or (v) the occurrence of any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (iv) or (v) in your judgment makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Securities on the terms and in the manner contemplated in the Prospectus (exclusive of any amendment or supplement thereto);

(i) The Company shall have complied with the provisions of Section 5(e) hereof with respect to the furnishing of prospectuses on the New York Business Day next succeeding the date of this Agreement;

(j) The Securities shall be eligible for clearance and settlement through DTC; and

(k) The Company shall have furnished or caused to be furnished to you at the Time of Delivery certificates of officers of the Company satisfactory to you as to the accuracy of the representations and warranties of the Company herein at and as of such time, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to such time, as to the matters set forth in subsections (a) and (g) of this Section and as to such other matters as you may reasonably request.

9. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, the final term sheet in the form attached hereto as Schedule I, any Issuer Free Writing Prospectus or any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the Act, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, the final term sheet in the form attached hereto as Schedule I, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use therein.

(b) Each Underwriter, severally and not jointly, will indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, the final term sheet in the form attached hereto as Schedule I, or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus or any such amendment or supplement thereto, the final term sheet in the form attached hereto as Schedule I, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then the indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Securities. If, however, the allocation provided by the immediately

preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) The obligations of the Company under this Section 9 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each Underwriters' officers and directors, to each person, if any, who controls any Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, and each broker-dealer affiliate of any Underwriter; and the obligations of the Underwriters under this Section 9 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company and to each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act.

10. (a) If any Underwriter shall default in its obligation to purchase the Securities which it has agreed to purchase hereunder, you may in your discretion arrange for you or another party or other parties to purchase such Securities on the terms contained herein. If within thirty six hours after such default by any Underwriter you do not arrange for the purchase of such Securities, then the Company shall be entitled to a further period of thirty six hours within which to procure another party or other parties satisfactory to you to purchase such Securities on such terms. In the event that, within the respective prescribed periods, you notify the Company that you have so arranged for the purchase of such Securities, or the Company notifies you that it has so arranged for the purchase of such Securities, you or the Company shall have the right to postpone the Time of Delivery for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statement or the Prospectus which in your opinion may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section with like effect as if such person had originally been a party to this Agreement with respect to such Securities.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by you and the Company as provided in subsection (a) above, the aggregate principal amount of such Securities which remains unpurchased does not exceed one eleventh of the aggregate principal amount of all the Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Securities which such Underwriter agreed to purchase hereunder and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Securities which such Underwriter agreed to purchase hereunder) of the Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by you and the Company as provided in subsection (a) above, the aggregate principal amount of Securities which remains unpurchased exceeds one eleventh of the aggregate principal amount of all the Securities, or if the Company shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase Securities of a defaulting Underwriter or Underwriters, then this Agreement shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 7 hereof and the indemnity and contribution agreements in Section 9 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

11. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company, or any officer or director or controlling person of the Company, and shall survive delivery of and payment for the Securities.

12. If this Agreement shall be terminated pursuant to Section 10 hereof, the Company shall not then be under any liability to any Underwriter except as provided in Sections 7 and 9 hereof; but, if for any other reason, the Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters through you for all documented out of pocket expenses approved in writing by you, including reasonable fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of the Securities, but the Company shall then be under no further liability to any Underwriter except as provided in Sections 7 and 9 hereof.

13. All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail or facsimile transmission to Goldman Sachs & Co. LLC, 200 West Street, New York, New York 10282, facsimile: 866-471-2526; J.P. Morgan Securities LLC, 383 Madison Avenue, New York, New York 10179, Facsimile: (212) 834-6081, Attention: Investment Grade Syndicate Desk; U.S. Bancorp Investments, Inc., 214 N. Tryon Street, 26th Floor, Charlotte, North Carolina 28202, Attention: Investment Grade Syndicate; and Wells Fargo Securities, LLC, 550 South Tryon Street, 5th Floor, Charlotte, North Carolina 28202, email: tmgcapitalmarkets@wellsfargo.com, Attention: Transaction Management; and if to the Company shall be delivered or sent by mail or facsimile transmission to the address of the Company set forth in the Registration Statement, Attention: General Counsel. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

14. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Sections 9 and 11 hereof, the officers and directors of the Company and each person who controls the Company or the Underwriters, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Securities from the Underwriters shall be deemed a successor or assign by reason merely of such purchase.

15. Time shall be of the essence of this Agreement. As used herein, the term "business day" shall mean any day when the Commission's office in Washington, D.C. is open for business.

16. The Company acknowledges and agrees that (i) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Company, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement and (iv) the Company has consulted its own legal and financial advisors to the extent it deemed appropriate. The Company agrees that it will not claim that the Underwriters, or any of them, have rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto.

17. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

18. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

19. The Company and each of the Underwriters hereby irrevocably waive, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

20. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument. The words “execution,” “signed,” “signature,” and words of like import in this Agreement or in any other certificate, agreement or document related to this Agreement, if any, shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, “pdf,” “tif” or “jpg”) and other electronic signatures (including, without limitation, DocuSign and AdobeSign). The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

21. Notwithstanding anything herein to the contrary, the Company is authorized to disclose to any persons the U.S. federal and state income tax treatment and tax structure of the potential transaction and all materials of any kind (including tax opinions and other tax analyses) provided to the Company relating to that treatment and structure, without the Underwriters imposing any limitation of any kind. However, any information relating to the tax treatment and tax structure shall remain confidential (and the foregoing sentence shall not apply) to the extent necessary to enable any person to comply with securities laws. For this purpose, “tax structure” is limited to any facts that may be relevant to that treatment.

22. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

(c) As used in this Section 22:

“BHC Act Affiliate” has the meaning assigned to the term “affiliate” in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k).

The Company has heretofore executed and delivered to the Trustee an indenture, dated as of September 15, 2016 (the “Base Indenture”, and together with this Tenth Supplemental Indenture, the “Indenture”), providing for the issuance from time to time of one or more series of the Company’s securities.

The Company desires and has requested the Trustee pursuant to Section 9.01 of the Base Indenture to join with it in the execution and delivery of this Tenth Supplemental Indenture in order to supplement the Base Indenture as, and to the extent set forth herein to provide for the issuance and the terms of the Notes (as defined below).

Section 9.01 of the Base Indenture provides that the Company and the Trustee, without the consent of any holders of the Company’s Securities, may amend or waive certain terms and conditions in the Base Indenture as permitted by Sections 2.01 and 2.02 thereof.

The execution and delivery of this Tenth Supplemental Indenture has been duly authorized by a resolution of the Board of Directors of the Company or a duly authorized committee thereof.

All conditions and requirements necessary to make this Tenth Supplemental Indenture a valid, binding and legal instrument in accordance with its terms have been performed and fulfilled by the parties hereto and the execution and delivery thereof have been in all respects duly authorized by the parties hereto.

The Company and the Trustee agree as follows for the benefit of each other and for the equal and ratable benefit of the Holders (as defined herein) of the 4.850% Senior Notes due 2027 (the “2027 Notes”), 4.900% Senior Notes due 2031 (the “2031 Notes”) and 5.000% Senior Notes due 2034 (the “2034 Notes” and, together with the 2027 Notes and the 2031 Notes, the “Notes”):

ARTICLE 1.
DEFINITIONS AND INCORPORATION BY REFERENCE

Section 1.01 *Relationship with Base Indenture.*

The terms and provisions contained in the Base Indenture will constitute, and are hereby expressly made a part of this Tenth Supplemental Indenture and the Company and the Trustee, by their execution and delivery of this Tenth Supplemental Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of the Base Indenture conflicts with the express provisions of this Tenth Supplemental Indenture, the provisions of this Tenth Supplemental Indenture will govern and be controlling.

The Trustee accepts the amendment of the Base Indenture effected by this Tenth Supplemental Indenture and agrees to execute the trust created by the Base Indenture as hereby amended, but only upon the terms and conditions set forth in this Tenth Supplemental Indenture, including the terms and provisions defining and limiting the liabilities and responsibilities of the Trustee in the performance of the trust created by the Base Indenture, and without limiting the generality of the foregoing, the Trustee will not be responsible in any manner whatsoever for or with respect to any of the recitals or statements contained herein, all of which recitals or statements are made solely by the Company, or for or with respect to (1) the validity or sufficiency of this Tenth Supplemental Indenture or any of the terms or provisions hereof, (2) the proper authorization hereof by the Company, (3) the due execution hereof by the Company or (4) the consequences (direct or indirect and whether deliberate or inadvertent) of any amendment herein provided for, and the Trustee makes no representation with respect to any such matters. In entering into this Tenth Supplemental Indenture, the Trustee shall be entitled to the benefit of every provision of the Indenture relating to the conduct or affecting the liability or affording protection to the Trustee, whether or not elsewhere herein so provided.

Section 1.02 *Definitions*. Capitalized terms used herein without definition shall have the respective meanings set forth in the Base Indenture. The following terms have the meanings given to them in this Section 1.02:

“*Additional Notes*” means any Notes (other than the Initial Notes) issued under this Tenth Supplemental Indenture in accordance with Section 2.03 hereof, as part of the same series as the applicable series of the Initial Notes.

“*Applicable Procedures*” means, with respect to any transfer or exchange of or for beneficial interests in any Global Note, the rules and procedures of the Depositary that apply to such transfer or exchange.

“*Attributable Debt*” with regard to a Sale and Lease-Back Transaction with respect to any Principal Property means, at the time of determination, the lesser of (1) the present value of the total net amount of lease payments required to be paid under such lease during the remaining term thereof (after deducting the amount of rent to be received under non-cancellable subleases and including any period for which such lease has been extended), discounted at the greater of (i) the weighted average interest rate per annum borne by the Notes or (ii) the interest rate inherent in such lease, in each case, as determined by the chief financial officer, treasurer or controller of the Company, compounded semiannually, or (2) the sale price for the Principal Property so sold and leased multiplied by a fraction the numerator of which is the remaining portion of the base term of the lease included in such Sale and Lease-Back Transaction and the denominator of which is the base term of such lease. In the case of any lease which is terminable by the lessee upon the payment of a penalty, such net amount shall be the lesser of (x) the net amount determined assuming termination upon the first date such lease may be terminated (in which case the net amount shall also include the amount of the penalty, but shall not include any rent that would be required to be paid under such lease subsequent to the first date upon which it may be so terminated) or (y) the net amount determined assuming no such termination.

For purposes of determining such Attributable Debt, “*lease payments*” are the aggregate amount of the rent payable by the lessee with respect to the applicable period, after excluding amounts required to be paid on account of maintenance and repairs, water rates and similar utility charges. If and to the extent the amount of any lease payment during any future period is not definitely determinable under the lease in question, the amount of such lease payment will be estimated in such reasonable manner as the chief financial officer, treasurer or controller of the Company may in good faith determine.

“*Base Indenture*” has the meaning set forth in the preamble to this Tenth Supplemental Indenture, as amended, supplemented or otherwise modified from time to time in accordance with the terms thereof.

“*Below Investment Grade Rating Event*” means with respect to a particular series of the Notes, the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of such Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies); provided that a Below Investment Grade Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Below Investment Grade Rating Event for purposes of the definition of Change of Control Triggering Event hereunder) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing at its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the Below Investment Grade Rating Event).

“*Beneficial Owner*” has the meaning assigned to such term in Rule 13d-3 and Rule 13d-5 under the Exchange Act, as in effect on February 8, 2024; provided that the right to acquire Voting Stock (so long as such Person does not have the right to direct the voting of the Voting Stock subject to such right) or any veto power in connection with the acquisition or disposition of Voting Stock will not cause a party to be a beneficial owner.

“*Capital Stock*” means: (1) with respect to any Person that is a corporation, any and all shares, interests, participations or other equivalents (however designated and whether or not voting) of corporate stock, including each class of Common Stock and Preferred Stock of such Person; and (2) with respect to any Person that is not a corporation, any and all partnership, membership or other equity interests of such Person.

“*Change of Control*” means the occurrence of one or more of the following events: (1) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of the Company and its subsidiaries taken as a whole to any “person” (as such term is used in Section 13(d)(3) of the Exchange Act) or “group” of such related “persons” (as such terms are used in Section 13(d)(3) of the Exchange Act (whether or not otherwise in compliance with the provisions of the Indenture)); (2) the approval by the holders of Capital Stock of the Company of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the Indenture); or (3) the consummation of any transaction the result of which is that any “person” (as such term is used in Section 13(d)(3) of the Exchange Act) or “group” of such related “persons” (as such terms are used in Section 13(d)(3) of the Exchange Act) shall become the Beneficial Owner, directly or indirectly, of more than 50% of the aggregate ordinary voting power of the Voting Stock of the Company.

Notwithstanding the foregoing, a transaction will not be deemed to involve a Change of Control if (i) the Company becomes a wholly owned subsidiary of a holding company and (ii) the holders of the Voting Stock of such holding company immediately following such transaction are substantially the same as the holders of the Company's Voting Stock immediately prior to such transaction.

“*Change of Control Triggering Event*” means, with respect to a particular series of Notes, the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“*Definitive Note*” means a certificated Note registered in the name of the Holder thereof and issued in accordance with Section 2.02 hereof, substantially in the form of Exhibit A, Exhibit B or Exhibit C hereto except that such Note will not bear the Global Note Legend.

“*Notes*” has the meaning assigned to it in the preamble to this Tenth Supplemental Indenture. With respect to any Sale and Lease-Back Transaction or series of related Sale and Lease-Back Transactions, the determination of whether any property is a Principal Property shall be determined by reference to all properties affected by such transaction or series of transactions.

“*Rating Agencies*” means (1) each of Moody’s and S&P; and (2) if any of Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization,” as defined in Section 3(a)(62) of the Exchange Act, selected by the Company (as certified by a resolution of its Board of Directors) as a replacement agency for Moody’s or S&P, or both of them, as the case may be.

The Treasury Rate shall be determined by the Company or its designee (which shall not be the Trustee) after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily)—H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading) (“H.15 TCM”). In determining the Treasury Rate, the Company or its designee shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “*Remaining Life*”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields—one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life—and will interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third business day preceding the redemption date H.15 TCM is no longer published, the Company or its designee shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company or its designee shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, then the Company or its designee shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

“Voting Stock” of any specified Person as of any date means the Capital Stock of such Person that is at the time entitled to vote in the election of the board of directors of such Person.

ARTICLE 2.
THE NOTES

Section 2.01 *Form and Dating.*

(a) *General.* The Notes and the Trustee’s certificate of authentication will be substantially in the forms of Exhibit A, Exhibit B and Exhibit C hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note will be dated the date of its authentication. The Notes shall be in denominations of \$2,000 with integral multiples of \$1,000 thereof.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Tenth Supplemental Indenture and the Company and the Trustee, by their execution and delivery of this Tenth Supplemental Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of the Base Indenture, the provisions of the Note will govern and be controlling, and to the extent any provision of the Note conflicts with the express provisions of this Tenth Supplemental Indenture, the provisions of this Tenth Supplemental Indenture will govern and be controlling.

(b) *Global Notes*. Notes issued in global form will be substantially in the forms of Exhibit A, Exhibit B and Exhibit C attached hereto (including the Global Note Legend thereon). Notes issued in definitive form will be substantially in the forms of Exhibit A, Exhibit B and Exhibit C attached hereto (but without the Global Note Legend thereon). Each Global Note will represent such of the outstanding Notes as will be specified therein and each will provide that it will represent the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.02 hereof.

Section 2.02 Transfer and Exchange.

(a) *Transfer and Exchange of Global Notes*. A Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. All Global Notes of a series will be exchanged by the Company for Definitive Notes if:

(1) the Company delivers to the Trustee notice from the Depository that (A) it is unwilling or unable to continue to act as Depository and a successor Depository is not appointed by the Company within 90 days after the date of such notice from the Depository or (B) it is no longer a clearing agency registered under the Exchange Act; or

(2) the Company in its sole discretion determines that the Global Notes of such series (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee.

Upon the occurrence of either of the preceding events in (1) or (2) above, Definitive Notes will be issued in such names and in any approved denominations as the Depository will instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.08 and 2.11 of the Base Indenture. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.02 or Section 2.08 or 2.11 of the Base Indenture, will be authenticated and delivered in the form of, and will be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.02(a); however, beneficial interests in a Global Note may be transferred and exchanged as provided in Sections 2.02(b), (c) or (g) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depository, in accordance with the provisions of this Tenth Supplemental Indenture and the Applicable Procedures. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in a Global Note. No written orders or instructions will be required to be delivered to the Registrar to effect the transfers described in this Section 2.02(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.02(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

(i) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Tenth Supplemental Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee will adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.02(g) hereof.

(c) *Transfer or Exchange of Beneficial Interests for Definitive Notes.*

If any holder of a beneficial interest in a Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.02(b)(2) hereof, the Trustee will cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.02(g) hereof, and the Company will execute and, upon receipt of an Authentication Order, the Trustee will authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.02(c) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest requests through instructions to the Registrar from or through the Depository and the Participant or Indirect Participant. The Trustee will deliver such Definitive Notes to the Persons in whose names such Notes are so registered.

(d) *Transfer and Exchange of Definitive Notes for Beneficial Interests.*

A Holder of a Definitive Note may exchange such Note for a beneficial interest in a Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee will cancel the applicable Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to the previous paragraph at a time when a Global Note has not yet been issued, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate one or more Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

A Holder of Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of a Definitive Note.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.02(e), the Registrar will register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder will present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by his attorney, duly authorized in writing. In addition, the requesting Holder will provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.02(e).

(f) *Legends.* The following legends will appear on the face of all Global Notes issued under this Tenth Supplemental Indenture unless specifically stated otherwise in the applicable provisions of this Tenth Supplemental Indenture.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company will execute and, upon receipt of an Authentication Order, the Trustee will authenticate Global Notes and Definitive Notes upon the Company’s order or at the Registrar’s request.

(2) No service charge will be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Section 4.02 hereof and Sections 2.11, 3.06 and 9.05 of the Base Indenture).

(3) The Registrar will not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Tenth Supplemental Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) The Company will not be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period of 15 days before the day of any selection of Notes for redemption under Section 3.02 of the Base Indenture and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company will be affected by notice to the contrary.

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.03 of the Base Indenture.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.02 to effect a registration of transfer or exchange may be submitted by facsimile.

(9) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Tenth Supplemental Indenture or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Tenth Supplemental Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(10) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depository.

Section 2.03 Issuance of Additional Notes.

The Company will be entitled, upon delivery of an Officer's Certificate and an Opinion of Counsel, to issue Additional Notes of a series under this Tenth Supplemental Indenture which will have identical terms as the Initial Notes of such series issued on the date hereof, other than with respect to the date of issuance, and in some cases, issue price and the first interest payment date; provided that if the Additional Notes are not fungible with the original notes for United States federal income tax purposes, the Additional Notes shall have a separate CUSIP number. The Initial Notes of each series issued on the date hereof and any Additional Notes of such series issued will be treated as a single class for all purposes under this Tenth Supplemental Indenture.

With respect to any Additional Notes, the Company will set forth in a resolution of its Board of Directors or an Officer's Certificate, a copy of each which will be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Tenth Supplemental Indenture; and
- (b) the issue price, the issue date and the CUSIP number of such Additional Notes.

ARTICLE 3.
REDEMPTION AND PREPAYMENT

Section 3.01 Notice of Redemption.

The Company shall deliver to the Trustee, at least 10 but not more than 60 days prior to the redemption date (or such shorter period as the Trustee in its sole discretion may allow), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03 of the Base Indenture. Notice of redemption shall be sent at least 10 but not more than 60 days before the redemption date to each Holder of the applicable series of Notes to be redeemed at its registered address.

Any redemption or notice of any redemption (including the amount of Notes redeemed and conditions precedent applicable to different amounts of Notes redeemed) may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an equity offering, other offering, issuance of indebtedness or other transaction or event. Notice of any redemption in respect thereof may be given prior to the completion thereof and may be partial as a result of only some of the conditions being satisfied.

If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was delivered) as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. In addition, the Company may provide in such notice that payment of the redemption price and performance of its obligations with respect to such redemption may be performed by another person.

Section 3.02 Notes Redeemed in Part.

No Notes of a principal amount of \$2,000 or less shall be redeemed in part.

Section 3.03 Optional Redemption.

At any time prior to the applicable Par Call Date, the Notes of the applicable series shall be redeemable, in whole at any time or in part from time to time, at the Company's option, at a redemption price equal to the greater of:

(i) 100% of the aggregate principal amount of the Notes to be redeemed; or

(ii) (1) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes being redeemed, assuming that such Notes matured on the applicable Par Call Date, discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 10 basis points, in the case of the 2027 Notes, plus 15 basis points, in the case of the 2031 Notes, or plus 15 basis points, in the case of the 2034 Notes, less (2) interest accrued to the redemption date,

plus, in either case, accrued and unpaid interest on the Notes being redeemed to, but excluding, the redemption date.

Calculation of the foregoing shall be made by the Company or on the Company's behalf by such Person as the Company shall designate; *provided, however*, that such calculation shall not be a duty or obligation of the Trustee.

At any time and from time to time, on and after the applicable Par Call Date, the Company may redeem some or all of the Notes of the applicable series, at the Company's option, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest on the principal amount being redeemed to, but excluding, the redemption date.

(c) Notwithstanding the foregoing, installments of interest on the Notes that are due and payable on the applicable interest payment dates of the Notes, falling on or prior to a redemption date will be payable on such interest payment date, to the registered Holders as of the close of business on the relevant record date according to the Notes of the applicable series.

(d) On and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption as long as the Company has deposited with the Paying Agent funds in satisfaction of the applicable redemption price.

Section 3.04 *Mandatory Redemption*.

Except as set forth in Section 4.02, the Company is not required to make any mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4.
PARTICULAR COVENANTS

Section 4.01 *Liens*.

(a) The Company will not, and will not permit any of its subsidiaries to, issue, incur, create, assume or guarantee any Funded Debt secured by a mortgage, deed of trust, security interest, pledge, lien, charge or other encumbrance (collectively, a "*Mortgage*") upon any Principal Property or upon any shares of stock or Indebtedness of any subsidiary that owns any Principal Property (whether such Principal Property, shares or Indebtedness are now existing or owed or hereafter created or acquired) without in any such case effectively providing, concurrently with the issuance, incurrence, creation, assumption or guaranty of any such Funded Debt, or the grant of such Mortgage, that the Notes (together with, if the Company shall so determine, any other Indebtedness of or guaranty by the Company or such subsidiary ranking equally with the Notes) shall be secured equally and ratably with (or, at the Company's option, prior to) such Funded Debt; provided that any Mortgage created for the benefit of the Holders of the Notes pursuant to this provision shall provide by its terms that such Mortgage shall be automatically and unconditionally released and discharged (i) upon the release and discharge of the Mortgage that resulted in such provision becoming applicable or upon such Mortgage constituting a Permitted Lien or being permitted under Section 4.01(b) or Section 4.03(b) or (ii) at such time as such subsidiary is no longer a subsidiary of the Company. The foregoing restriction, however, will not apply to, and there shall be excluded from any computation under Section 4.01(b) and Section 4.03(b), each of the following (and the Funded Debt secured thereby) ("*Permitted Liens*"):

(1) Mortgages on property, shares of stock or Indebtedness or other assets of any Person existing at the time such Person becomes a subsidiary;

(2) Mortgages on property, shares of stock or Indebtedness or other assets existing at the time of acquisition thereof by the Company or a subsidiary, or Mortgages thereon to secure the payment of all or any part of the purchase price thereof or the cost of construction, installation, renovation, improvement or development thereon or thereof, or Mortgages on property, shares of stock or Indebtedness or other assets to secure any

Indebtedness incurred or guaranteed prior to, at the time of, or within 360 days after, the latest of the acquisition thereof or, in the case of property, the completion of such construction, installation, renovation, improvement or development or the commencement of substantial commercial operation of such property for the purpose of financing all or any part of the purchase price thereof, such construction, installation, renovation, improvement or development;

(3) Mortgages in favor of the Company or a subsidiary to secure Funded Debt owing to the Company or to a subsidiary;

(4) Mortgages existing on the date hereof;

(5) Mortgages on property, shares of stock or Indebtedness or assets of a Person existing at the time such Person is merged into or consolidated with the Company or a subsidiary or at the time of a sale, lease or other disposition of properties of such Person as an entirety or substantially as an entirety to the Company or a subsidiary;

(6) Mortgages in favor of the United States of America or any state, territory or possession thereof (or the District of Columbia), or any foreign government, or any department, agency, instrumentality or political subdivision of the United States of America or any state, territory or possession thereof (or the District of Columbia) or any foreign government, to secure partial, progress, advance or other payments pursuant to any contract or statute or to secure any Indebtedness incurred or guaranteed for the purpose of financing all or any part of the purchase price or the cost of constructing or improving the property subject to such Mortgages (including, but not limited to, Mortgages incurred in connection with pollution control or industrial revenue bonds or similar financing);

(7) Mortgages created in connection with a project financed with, and created to secure, a Nonrecourse Obligation; or

(8) modifications, refinancings, restructurings, extensions, renewals, refundings, or replacements, in whole or in part, of any Mortgage referred to in the foregoing clauses (and for the avoidance of doubt, any successive extensions, renewals or replacements thereof); *provided, however,* that (A) the principal amount of Funded Debt secured thereby shall not exceed the principal amount of Funded Debt, plus any fees and expenses (including any premium and defeasance costs and accrued interest or amortization of original issue discount) in connection with any such modification, refinancing, restructuring, extension, renewal, refunding or replacement, so secured at the time of such modification, refinancing, restructuring, extension, renewal, refunding or replacement and (B) such extension, renewal, refunding, or replacement Mortgages will be limited to all or part of the same property, shares of stock or Indebtedness or assets and improvement or development thereon or thereof which secured the Indebtedness so secured at the time of such modification, refinancing, restructuring, extension, renewal, refunding or replacement.

(b) Notwithstanding the restrictions set forth in the first sentence of the preceding paragraph, the Company or any subsidiary may issue, incur, create, assume or guarantee Funded Debt secured by a Mortgage which would otherwise be subject to such restrictions, without equally and ratably securing the Notes, *provided* that after giving effect thereto, the aggregate amount of all Funded Debt so secured by Mortgages (not including Funded Debt secured by Permitted Liens) plus the aggregate amount of all Attributable Debt in respect of Sale and Lease-Back Transactions relating to Principal Properties (excluding any Attributable Debt permitted to be incurred pursuant to clauses (1) through (8) of paragraph (a) of Section 4.03 hereof) does not exceed 15 percent of the Company's Consolidated Net Tangible Assets.

Section 4.02 *Offer to Purchase Upon Change of Control Triggering Event.*

(a) Upon the occurrence of a Change of Control Triggering Event (the date of such occurrence, the "*Change of Control Date*") with respect to a series of Notes, unless the Company has exercised its right to redeem such series of Notes pursuant to Section 3.03, each Holder of the Notes of such series shall have the right to require the Company to purchase such Holder's Notes in whole or in part at a purchase price (the "*Change of Control Purchase Price*") equal to 101% of the principal amount of such Notes, plus accrued and unpaid interest, if any, to, but not including, the date of purchase (the "*Change of Control Payment Date*"), pursuant to and in accordance with the offer described in this Section 4.02 (the "*Change of Control Offer*"), subject to the rights of Holders of Notes of such series on the relevant record date to receive interest due on the relevant interest payment date, that is on or prior to the date of purchase.

(b) Within 30 days following the Change of Control Date, or at the Company's option, prior to any Change of Control but after public announcement of the pending Change of Control, the Company shall send a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

- (i) that the Change of Control Offer is being made pursuant to this Section 4.02 and that all Notes validly tendered will be accepted for payment;
- (ii) the Change of Control Purchase Price and the Change of Control Payment Date, which shall be a Business Day that is no earlier than 10 days nor later than 60 days from the date such notice is sent, other than as may be required by law;
- (iii) that any Note not tendered will continue to accrue interest;
- (iv) that any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date unless the Company shall default in the payment of the Change of Control Purchase Price of the Notes and the only remaining right of the Holder is to receive payment of the Change of Control Purchase Price upon surrender of the Notes to the Paying Agent;
- (v) that Holders electing to have a portion of a Note purchased pursuant to a Change of Control Offer may only elect to have such Note purchased in integral multiples of \$1,000;

(vi) that if a Holder elects to have a Note purchased pursuant to the Change of Control Offer it will be required to surrender the Note, with the form entitled “*Option of Holder to Elect Purchase*” on the reverse of the Note completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date;

(vii) that a Holder will be entitled to withdraw its election if the Company receives, not later than the third Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes such Holder delivered for purchase, and a statement that such Holder is withdrawing its election to have such Note purchased; and

(viii) that if Notes are purchased only in part a new Note of the same type will be issued in a principal amount equal to the unpurchased portion of the Notes surrendered.

(c) On or before the Change of Control Payment Date, the Company shall, to the extent lawful, accept for payment, all Notes or portions thereof validly tendered pursuant to the Change of Control Offer, and shall deliver to the Trustee an Officer’s Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 4.02. The Company, the Depositary or the Paying Agent, as the case may be, shall promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company shall promptly issue a new Note, and the Trustee, upon receipt of an Authentication Order, shall authenticate and mail or deliver such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof.

(d) The Company shall comply with the requirements of Rule 14c-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent the provisions of any securities laws or regulations conflict with the provisions under this Section 4.02, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.02 by virtue thereof.

(e) The Company shall not be required to make a Change of Control Offer if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for such an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

Section 4.03 *Sale and Lease-Back Transactions.*

(a) The Company will not, and will not permit any of its subsidiaries to, enter into any Sale and Lease-Back Transaction with respect to any Principal Property. The foregoing restriction, however, will not apply to, and therefore there will be excluded from any computation under subsection (b) below and under subsection (b) of Section 4.01, any Sale and Lease-Back Transaction (and any Attributable Debt relating thereto) if:

(1) the Company or a subsidiary is permitted to create Funded Debt secured by a Mortgage pursuant to any of clauses (1) through (8) inclusive under the second sentence of subsection (a) of Section 4.01 on the Principal Property involved in such Sale and Lease-Back Transaction, in an amount at least equal to the Attributable Debt with respect to such Sale and Lease-Back Transaction, without equally and ratably securing the Notes;

(2) the proceeds of such Sale and Lease-Back Transaction are at least equal to the fair market value of the affected Principal Property (as determined in good faith by the Company's Chief Executive Officer, President, Chief Financial Officer, Treasurer or Controller) and the Company or a subsidiary applies an amount equal to the net proceeds of such Sale and Lease-Back Transaction within 360 days thereof to the prepayment or retirement of debt for borrowed money of the Company or a subsidiary (other than debt that is subordinated to the Notes or debt owed to the Company or a subsidiary);

(3) the Company or a subsidiary apply an amount equal to the net proceeds of such Sale and Lease-Back Transaction within 360 days thereof to the purchase, construction, development, expansion or improvement of other property;

(4) such Sale and Lease-Back Transaction involves a lease for a term, including renewals, of not more than three years;

(5) such Sale and Lease-Back Transaction is between the Company and a subsidiary, or between subsidiaries;

(6) such Sale and Lease-Back Transaction is executed at the time of, or within 12 months after the latest of the acquisition, the completion of construction or improvement, or the commencement of substantial commercial operation, of the Principal Property covered thereby;

(7) the lease in such Sale and Lease-Back Transaction secures or relates to industrial revenue or pollution control bonds if the Company is permitted to incur a Mortgage in connection with such industrial revenue or pollution control bonds pursuant to clause (6) of the second sentence of subsection (a) of Section 4.01; or

(8) the lease payment in such Sale and Lease-Back Transaction is created in connection with a project financed with, and such obligation constitutes, a Nonrecourse Obligation.

(b) Notwithstanding the restrictions in the first sentence of subsection (a), the Company or any subsidiary may enter into any Sale and Lease-Back Transaction with respect to any Principal Property which would otherwise be subject to such restrictions, provided that after giving effect thereto, the aggregate amount of all Attributable Debt with respect to all such Sale and Lease-Back Transactions (not including any Attributable Debt permitted to be incurred pursuant to clauses (1) through (8) of subsection (a) above) plus the aggregate amount of all secured Funded Debt incurred pursuant to subsection (a) of Section 4.01 (excluding Funded Debt secured by Mortgages permitted by clauses (1) through (8) of the second sentence of subsection (a) thereunder) does not exceed 15 percent of the Consolidated Net Tangible Assets.

ARTICLE 5.
SUCCESSORS

Section 5.01 *Merger, Consolidation or Sale of Assets.*

The Company shall not, directly or indirectly, merge or consolidate with any other Person or Persons (whether or not affiliated with the Company) or sell, convey, transfer, lease or otherwise dispose of all or substantially all of its property or assets to any other Person or Persons (whether or not affiliated with the Company), unless:

(i) either: (a) the transaction is a merger or consolidation and the Company is the surviving entity; or (b) the successor Person (or the Person which acquires by sale, conveyance, transfer or lease all or substantially all of the Company's property or assets) is a corporation organized under the laws of the United States, any state thereof or the District of Columbia and expressly assumes, by a supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all of the Company's obligations under the Notes and the Indenture;

(ii) immediately after giving effect to the transaction and treating the Company's obligations in connection with or as a result of such transaction as having been incurred as of the time of such transaction, no Event of Default (and no event or condition which, after notice or lapse of time or both, would become an Event of Default) shall have occurred and be continuing under the Indenture; and

(iii) an Officer's Certificate and an Opinion of Counsel is delivered to the Trustee to the effect that both of the conditions set forth in clauses (i) and (ii) above have been satisfied.

In the event of any of the above transactions, if there is a successor Person as described in clause (i)(b) immediately above, then the successor will expressly assume all of the Company's obligations under the Indenture and automatically be substituted for the Company in the Indenture and as issuer of the Notes and may exercise the Company's every right and power under the Notes and the Indenture. Further, if the transaction is in the form of a sale or conveyance, after any such transfer (except in the case of a lease), the Company will be automatically and unconditionally released and discharged from all obligations and covenants under the Indenture and all Notes issued thereunder.

ARTICLE 6.
DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

The Notes shall not have the benefit of the Events of Default set forth in the Base Indenture. Instead, each of the following is an “*Event of Default*” with respect to each series of the Notes:

- (a) the failure to pay interest on any Notes of such series when the same becomes due and payable and the default continues for a period of 90 days;
- (b) failure in the payment when due of principal of or premium, if any, on the Notes of such series;
- (c) failure to perform any other covenant relating to the Notes of such series (other than a covenant included in the Indenture solely for the benefit of another series of Notes), which default continues uncured for a period of 90 days after receipt by the Company of written notice given by the Trustee or Holders of such Notes after the Company and the Trustee receive written notice from the Holders of not less than a majority in aggregate principal amount of the Notes of such series outstanding; or
- (d) the Company or any Significant Subsidiary:
 - (i) commences a voluntary case in bankruptcy;
 - (ii) consents to the entry of an order for relief against it in an involuntary bankruptcy case;
 - (iii) consents to the appointment of a custodian of it or for all or substantially all of its property;
 - (iv) makes a general assignment for the benefit of its creditors; or
 - (v) generally is unable to pay its debts as they become due; or
- (e) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (i) is for relief against the Company or any Significant Subsidiary;
 - (ii) appoints a custodian of the Company or any Significant Subsidiary for all or substantially all of the property of the Company or of such Significant Subsidiary, as applicable; or
 - (iii) orders the liquidation of the Company or any Significant Subsidiary;

and the order or decree remains unstayed and in effect for 90 consecutive days.

A court of competent jurisdiction shall have the power to stay any cure period under the Indenture in the event of litigation regarding whether a default or Event of Default relating to the Notes has occurred.

Principal, premium, if any, and interest on the 2027 Notes shall be payable at the office or agency of the Paying Agent and Registrar within the Borough of Manhattan in the City of New York or, at the option of the Company, payment of interest may be made by check mailed to the Holders of 2027 Notes at their respective addresses set forth in the register of Holders of the 2027 Notes; *provided* that all payments of principal, premium and interest with respect to 2027 Notes the Holders of which have given wire transfer instructions to the Trustee shall be required to be made by wire transfer of immediately available funds to the accounts specified by the Holders thereof. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. *PAYING AGENT AND REGISTRAR.* Initially, U.S. Bank Trust Company, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its subsidiaries may act in any such capacity.

4. *INDENTURE.* This Note is one of a duly authenticated series of securities of the Company issued and to be issued in one or more series under an indenture (the “*Base Indenture*”), dated as of September 15, 2016 between the Company and the Trustee, as amended by the Tenth Supplemental Indenture (the “*Tenth Supplemental Indenture*”) and, together with the Base Indenture, the “*Indenture*”), dated as of February 8, 2024, between the Company and

the Trustee. The terms of the 2027 Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code Sections 77aaa-77bbbb). The Company shall be entitled to issue Additional Notes pursuant to Section 2.03 of the Tenth Supplemental Indenture.

5. *OPTIONAL REDEMPTION.*

(i) 100% of the aggregate principal amount of the 2027 Notes to be redeemed; or

(ii) (1) the sum of the present values of the remaining scheduled payments of principal and interest on the 2027 Notes being redeemed, assuming that the 2027 Notes matured on the Par Call Date, discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months), at the Treasury Rate plus 10 basis points, less (2) interest accrued to the redemption date,

plus, in either case, accrued and unpaid interest on the 2027 Notes being redeemed to, but excluding, the redemption date.

Calculation of the foregoing shall be made by the Company or on the Company’s behalf by such Person as the Company shall designate; *provided, however*, that such calculation shall not be a duty or obligation of the Trustee.

At any time on and after the Par Call Date, some or all of the 2027 Notes shall be redeemable, at the Company’s option, at a redemption price equal to 100% of the principal amount of the 2027 Notes to be redeemed plus accrued and unpaid interest on the principal amount being redeemed to, but excluding, the redemption date.

On and after the redemption date, interest will cease to accrue on the 2027 Notes or portions thereof called for redemption as long as the Company has deposited with the Paying Agent funds in satisfaction of the applicable redemption price.

6. *MANDATORY REDEMPTION.* Except as set forth in paragraph 7, the Company shall not be required to make mandatory redemption payments with respect to the 2027 Notes.

7. *REPURCHASE AT OPTION OF HOLDER.*

Except as set forth in the Tenth Supplemental Indenture, upon the occurrence of a Change of Control Triggering Event, the Company shall be required to offer to purchase all of the outstanding 2027 Notes at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of purchase.

8. *NOTICE OF REDEMPTION.* Notice of redemption shall be sent at least 10 but not more than 60 days before the redemption date to each Holder of 2027 Notes to be redeemed at its registered address. No 2027 Notes of a principal amount of \$2,000 or less shall be redeemed in part.

9. *DENOMINATIONS, TRANSFER, EXCHANGE.* The 2027 Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. The 2027 Notes may be transferred or exchanged as provided in the Tenth Supplemental Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Tenth Supplemental Indenture. The Company need not exchange or transfer any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any 2027 Notes for a period of 15 days before a selection of 2027 Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

10. *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as its owner for all purposes.

11. *AMENDMENT, SUPPLEMENT AND WAIVER.* The Base Indenture may be amended as provided therein. Subject to certain exceptions, the Tenth Supplemental Indenture or the 2027 Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the 2027 Notes then outstanding, including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, 2027 Notes, voting as a single class, and compliance with any provision of the Indenture or the 2027 Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding 2027 Notes, including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, 2027 Notes, voting as a single class. Without the consent of any Holder of a Note, the Tenth Supplemental Indenture or the 2027 Notes may be amended or supplemented (i) to cure any ambiguity, defect or inconsistency; (ii) to provide for uncertificated 2027 Notes in addition to or in place of certificated 2027 Notes; (iii) to provide for the assumption of the Company's obligations to Holders of the 2027 Notes in case of a merger or consolidation or sale of all or substantially all of the Company's assets; (iv) to make any change that would provide any additional rights or benefits to the Holders of the 2027 Notes or that does not adversely affect the legal rights under the Tenth Supplemental Indenture of any such Holder; (v) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act; (vi) to provide for the issuance of Additional Notes in accordance with the Tenth Supplemental Indenture; or (vii) to evidence and provide for the acceptance of appointment by a successor trustee with respect to the 2027 Notes.

12. *DEFAULTS AND REMEDIES.* An “EVENT OF DEFAULT” occurs if: (i) default for a period of 90 days in the payment when due of interest on the 2027 Notes; (ii) default in the payment when due of principal of or premium, if any, on the 2027 Notes; (iii) the Company fails for 90 days after receipt of notice to the Company to comply with any covenant of the Company in the Indenture; or (iv) certain events of bankruptcy or insolvency occur with respect to the Company or any Significant Subsidiary.

If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding 2027 Notes may declare all the 2027 Notes to be due and payable. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company or any Significant Subsidiary, all outstanding 2027 Notes shall become due and payable without further action or notice. Holders may not enforce the Indenture or the 2027 Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding 2027 Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the 2027 Notes notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal, premium or interest. The Holders of a majority in aggregate principal amount of the 2027 Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the 2027 Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the 2027 Notes. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required no later than five days after becoming aware of any Default or Event of Default to deliver to the Trustee a statement specifying such Default or Event of Default.

13. *TRUSTEE DEALINGS WITH COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

14. *NO RECOURSE AGAINST OTHERS.* A director, officer, employee, incorporator or stockholder, of the Company, as such, will not have any liability for any obligations of the Company under the 2027 Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of 2027 Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the 2027 Notes.

15. *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

16. *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the 2027 Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the 2027 Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon. 1. *INTEREST.* Starbucks Corporation, a Washington corporation (the “*Company*”), promises to pay interest on the principal amount of this Note at 5.000% per annum from the date hereof until maturity. The Company will pay interest semiannually on February 15 and August 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the 2034 Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest will accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be August 15, 2024. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the 2034 Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. *METHOD OF PAYMENT.* The Company will pay interest on the 2034 Notes (except defaulted interest) to the Persons who are registered Holders of 2034 Notes at the close of business on the February 1 and August 1 preceding the Interest Payment Date, even if such 2034 Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Base Indenture with respect to defaulted interest. Principal, premium, if any, and interest on the 2034 Notes shall be payable at the office or agency of the Paying Agent and Registrar within the Borough of Manhattan in the City of New York or, at the option of the Company, payment of interest may be made by check mailed to the Holders of 2034 Notes at their respective addresses set forth in the register of Holders of the 2034 Notes; *provided* that all payments of principal, premium and interest with respect to 2034 Notes the Holders of which have given wire transfer instructions to the Trustee shall be required to be made by wire transfer of immediately available funds to the accounts specified by the Holders thereof. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. *PAYING AGENT AND REGISTRAR.* Initially, U.S. Bank Trust Company, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its subsidiaries may act in any such capacity.

4. *INDENTURE.* This Note is one of a duly authenticated series of securities of the Company issued and to be issued in one or more series under an indenture (the “*Base Indenture*”), dated as of September 15, 2016 between the Company and the Trustee, as amended by the Tenth Supplemental Indenture (the “*Tenth Supplemental Indenture*”) and, together with the Base Indenture, the “*Indenture*”), dated as of February 8, 2024, between the Company and

the Trustee. The terms of the 2034 Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code Sections 77aaa-77bbb). The 2034 Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Base Indenture, the provisions of the Note will govern and be controlling, and to the extent any provision of the Note conflicts with the Tenth Supplemental Indenture, the provisions of the Tenth Supplemental Indenture will govern and be controlling, and to the extent any provision of the Base Indenture conflicts with the express provisions of the Tenth Supplemental Indenture, the provisions of the Tenth Supplemental Indenture will govern and be controlling. The Company shall be entitled to issue Additional Notes pursuant to Section 2.03 of the Tenth Supplemental Indenture.

5. *OPTIONAL REDEMPTION.*

At any time prior to November 15, 2033 (the “*Par Call Date*”), the 2034 Notes shall be redeemable, in whole at any time or in part from time to time, at the Company’s option, at a redemption price equal to the greater of:

(i) 100% of the aggregate principal amount of the 2034 Notes to be redeemed; or

(ii) (1) the sum of the present values of the remaining scheduled payments of principal and interest on the 2034 Notes being redeemed, assuming that the 2034 Notes matured on the Par Call Date, discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months), at the Treasury Rate plus 15 basis points, less (2) interest accrued to the redemption date,

plus, in either case, accrued and unpaid interest on the 2034 Notes being redeemed to, but excluding, the redemption date.

Calculation of the foregoing shall be made by the Company or on the Company’s behalf by such Person as the Company shall designate; *provided, however*, that such calculation shall not be a duty or obligation of the Trustee.

At any time on and after the Par Call Date, some or all of the 2034 Notes shall be redeemable, at the Company’s option, at a redemption price equal to 100% of the principal amount of the 2034 Notes to be redeemed plus accrued and unpaid interest on the principal amount being redeemed to, but excluding, the redemption date.

On and after the redemption date, interest will cease to accrue on the 2034 Notes or portions thereof called for redemption as long as the Company has deposited with the Paying Agent funds in satisfaction of the applicable redemption price.

6. *MANDATORY REDEMPTION.* Except as set forth in paragraph 7, the Company shall not be required to make mandatory redemption payments with respect to the 2034 Notes.

7. *REPURCHASE AT OPTION OF HOLDER.*

Except as set forth in the Tenth Supplemental Indenture, upon the occurrence of a Change of Control Triggering Event, the Company shall be required to offer to purchase all of the outstanding 2034 Notes at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of purchase.

8. *NOTICE OF REDEMPTION.* Notice of redemption shall be sent at least 10 but not more than 60 days before the redemption date to each Holder of 2034 Notes to be redeemed at its registered address. No 2034 Notes of a principal amount of \$2,000 or less shall be redeemed in part.

9. *DENOMINATIONS, TRANSFER, EXCHANGE.* The 2034 Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. The 2034 Notes may be transferred or exchanged as provided in the Tenth Supplemental Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Tenth Supplemental Indenture. The Company need not exchange or transfer any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any 2034 Notes for a period of 15 days before a selection of 2034 Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

10. *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as its owner for all purposes.

11. *AMENDMENT, SUPPLEMENT AND WAIVER.* The Base Indenture may be amended as provided therein. Subject to certain exceptions, the Tenth Supplemental Indenture or the 2034 Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the 2034 Notes then outstanding, including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, 2034 Notes, voting as a single class, and compliance with any provision of the Indenture or the 2034 Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding 2034 Notes, including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, 2034 Notes, voting as a single class. Without the consent of any Holder of a Note, the Tenth Supplemental Indenture or the 2034 Notes may be amended or supplemented (i) to cure any ambiguity, defect or inconsistency; (ii) to provide for uncertificated 2034 Notes in addition to or in place of certificated 2034 Notes; (iii) to provide for the assumption of the Company's obligations to Holders of the 2034 Notes in case of a merger or consolidation or sale of all or substantially all of the Company's assets; (iv) to make any change that would provide any additional rights or benefits to the Holders of the 2034 Notes or that does not adversely affect the legal rights under the Tenth Supplemental Indenture of any such Holder; (v) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act; (vi) to provide for the issuance of Additional Notes in accordance with the Tenth Supplemental Indenture; or (vii) to evidence and provide for the acceptance of appointment by a successor trustee with respect to the 2034 Notes.

12. *DEFAULTS AND REMEDIES.* An “EVENT OF DEFAULT” occurs if: (i) default for a period of 90 days in the payment when due of interest on the 2034 Notes; (ii) default in the payment when due of principal of or premium, if any, on the 2034 Notes; (iii) the Company fails for 90 days after receipt of notice to the Company to comply with any covenant of the Company in the Indenture; or (iv) certain events of bankruptcy or insolvency occur with respect to the Company or any Significant Subsidiary.

If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding 2034 Notes may declare all the 2034 Notes to be due and payable. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company or any Significant Subsidiary, all outstanding 2034 Notes shall become due and payable without further action or notice. Holders may not enforce the Indenture or the 2034 Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding 2034 Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the 2034 Notes notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal, premium or interest. The Holders of a majority in aggregate principal amount of the 2034 Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the 2034 Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the 2034 Notes. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required no later than five days after becoming aware of any Default or Event of Default to deliver to the Trustee a statement specifying such Default or Event of Default.

13. *TRUSTEE DEALINGS WITH COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

14. *NO RECOURSE AGAINST OTHERS.* A director, officer, employee, incorporator or stockholder, of the Company, as such, will not have any liability for any obligations of the Company under the 2034 Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of 2034 Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the 2034 Notes.

15. *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

16. *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

17. *CUSIP NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the 2034 Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the 2034 Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.
