TO EACH OF THE PURCHASERS LISTED IN
THE PURCHASER SCHEDULE ATTACHED
HERETO AS SCHEDULE A

Ladies and Gentlemen:

The undersigned, LTC Properties, Inc., a Maryland corporation (the “**Company**”), agrees with each of the purchasers whose names appear on the Purchaser Schedule (each, a “**Purchaser**” and, collectively, the “**Purchasers**”) as follows:

1. AUTHORIZATION OF NOTES

The Company will authorize the issue and sale of \$75,000,000 aggregate principal amount of its 3.66% Series I Senior Notes due May 17, 2033 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Notes**”, such term to include any such notes issued in substitution therefor pursuant to Section 13 of this Agreement). The Notes shall be substantially in the form set out in Exhibit A. Certain capitalized and other terms used in this Agreement are defined in Schedule B; and references to a “Schedule” or an “Exhibit” are, unless otherwise specified, to a Schedule or an Exhibit attached to this Agreement.

2. SALE AND PURCHASE OF NOTES

Subject to the terms and conditions of this Agreement, the Company will issue and sell to each Purchaser and each Purchaser will purchase from the Company, at the Funding provided for in Section 3, Notes in the principal amount specified opposite such Purchaser’s name in the Purchaser Schedule at the purchase price of 100% of the principal amount thereof. The Purchasers’ obligations hereunder are several and not joint obligations and no Purchaser shall have any liability to any Person for the performance or non-performance of any obligation by any other Purchaser hereunder.

3. EXECUTION; FUNDING

The execution and delivery of this Agreement shall occur on May 17, 2022 (the “**Execution Date**”). The sale and purchase of the Notes to be purchased by each Purchaser shall occur at the offices of ArentFox Schiff LLP, 1185 Avenue of the Americas, Suite 3000, New York, New York 10036 at 11:00 a.m. New York time, at a closing on May 17, 2022 (the “**Funding**”). At the Funding, the Company will deliver to each Purchaser the Notes to be purchased by such Purchaser in the form of a single Note (or such greater number of Notes in denominations of at least \$1,000,000 as such Purchaser may request) dated the date of the Funding and registered in such Purchaser’s name (or in the name of its nominee), against delivery by such Purchaser to the Company or its order of immediately available funds in the amount of the purchase price therefor by wire transfer of immediately available funds for the account of the Company to the account number and at the bank specified in the funding instructions provided to such Purchaser in accordance with the requirements of Section 4I. If at the Funding the Company shall fail to tender such Notes to any Purchaser against payment by such Purchaser as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to such Purchaser’s reasonable satisfaction, such Purchaser shall, at its election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such Purchaser may have by reason of such failure by the Company to tender such Notes or any of the conditions specified in Section 4 not having been fulfilled to such Purchaser’s reasonable satisfaction.

4. CONDITIONS

Each Purchaser's obligation to purchase and pay for the Notes to be sold to such Purchaser at the Funding is subject to the fulfillment to such Purchaser's satisfaction, prior to or at the Funding, of the following conditions:

- A Certain Documents.** Such Purchaser shall have received the following, each dated the date of the Funding (except as provided in clause (h)):
- (a) an Officer's Certificate from the Company, certifying that the conditions specified in Sections 4B, 4C and 4D have been fulfilled;
 - (b) an Officer's Certificate from the Company, setting forth a listing of the Unencumbered Assets and Qualified Loans as of the date of the Funding;
 - (c) certified copies of the resolutions of the Company authorizing the execution and delivery of the Transaction Documents (and authorizing the issuance of the Notes) and of all documents evidencing other necessary corporate or similar action and governmental approvals, if any, with respect to the Transaction Documents and the Notes;
 - (d) a certificate of the Secretary or an Assistant Secretary and one other officer of the Company, certifying the names and true signatures of the officers of the Company authorized to sign the Transaction Documents;
 - (e) certified copies of the articles of incorporation and by-laws of the Company;
 - (f) favorable opinions of: (i) Reed Smith LLP, special counsel for the Company, satisfactory to such Purchaser and substantially in the form of Exhibit B-1 attached hereto, and as to such other matters as such Purchaser may reasonably request, and (ii) Ballard Spahr LLP, special Maryland counsel for the Company, satisfactory to such Purchaser and substantially in the form of Exhibit B-2 attached hereto, and as to such other matters as such Purchaser may reasonably request. The Company hereby directs each such counsel to deliver such opinion, agrees that the issuance and sale of the Notes will constitute a reconfirmation of such direction, and understands and agrees that each Purchaser receiving such an opinion will and is hereby authorized to rely on such opinion;

(g) a favorable opinion of ArentFox Schiff LLP, special counsel for the Purchasers, as to such matters incident to the matters herein contemplated related to the Notes as such Purchaser reasonably requests;

(h) a good standing or similar certificate for the Company from the appropriate Governmental Authority of its jurisdiction of organization, dated as of a recent date, and such other evidence of the status of the Company as such Purchaser may reasonably request; and

(i) additional documents or certificates with respect to legal matters or corporate or other proceedings related to the transactions contemplated hereby as may be reasonably requested by such Purchaser prior to the date of the Funding.

B Representations and Warranties. The representations and warranties of the Company in Section 5 hereof shall, in each case, be correct on the Execution Date and at the Funding.

C Performance; No Default. The Company shall have performed and complied with all agreements and conditions contained in this Agreement required to be performed or complied with by it prior to or at the Funding. Immediately before and after giving effect to the issue and sale of the Notes (and the application of the proceeds thereof pursuant to the requirements of Section 5.14) no Default or Event of Default shall have occurred and be continuing.

D Changes in Structure. The Company shall not have changed its jurisdiction of organization or been a party to any merger or consolidation or succeeded to all or any substantial part of the liabilities of any other Person, at any time following the date of the most recent financial statements referred to in Schedule 5.5.

E Purchase Permitted By Applicable Law, Etc. On the date of the Funding such Purchaser's purchase of Notes shall (i) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular investment, (ii) not violate any applicable law or regulation (including Regulation T, U or X of the Board of Governors of the Federal Reserve System), and (iii) not subject such Purchaser to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the Execution Date. If requested by such Purchaser, such Purchaser shall have received an Officer's Certificate certifying as to such matters of fact as it may reasonably specify to enable such Purchaser to determine whether such purchase is so permitted.

F Sale of Other Notes. Contemporaneously with the Funding, the Company shall sell to each other Purchaser and each other Purchaser shall purchase the Notes to be purchased by it at the Funding as specified in the Purchaser Schedule.

G Payment of Special Counsel Fees. Without limiting Section 15.1, the Company shall have paid on or before the Execution Date and the date of the Funding the fees, charges and disbursements of the Purchasers' special counsel referred to in Section 4A(g) to the extent reflected in a statement of such counsel rendered to the Company at least one Business Day prior to such date.

H Private Placement Number. A Private Placement Number issued by CUSIP Global Services (in cooperation with the Securities Valuation Office of the National Association of Insurance Commissioners) shall have been obtained for the Notes.

I Funding Instructions. At least three Business Days prior to the date of the Funding, each Purchaser shall have received written instructions signed by a Responsible Officer on letterhead of the Company specifying (i) the name and address of the transferee bank, (ii) such transferee bank's ABA number, (iii) the account name and number into which the purchase price for the Notes is to be deposited and (iv) the name and telephone number of a Responsible Officer of the Company responsible for (a) verifying receipt of the funds and (b) verifying the information set forth in the instructions.

J Amendments to Other Note Agreements. Such Purchaser shall have received evidence satisfactory to it that the financial covenants and related definitions in each Other Note Agreement shall have been amended to be consistent with the corresponding financial covenants and related definitions in this Agreement.

K Proceedings and Documents. All corporate and other proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be reasonably satisfactory to such Purchaser and its special counsel, and such Purchaser and its special counsel shall have received all such counterpart originals or certified or other copies of such documents as such Purchaser or such counsel may reasonably request.

5. REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company represents and warrants to each Purchaser that:

5.1 Organization; Power and Authority.

The Company is a corporation duly organized, validly existing and in good standing under the laws of Maryland, and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the requisite power and authority to own or hold under lease the Properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver the Transaction Documents and to perform the provisions of the Transaction Documents which it is required to perform. The Company is organized in conformity with the requirements for qualification as a REIT under the Code, and its method of operation enables it to meet the requirements for qualification and taxation as a REIT under the Code.

5.2 Authorization, Etc.

This Agreement, the Notes and the other Transaction Documents have been duly authorized by all necessary action on the part of the Company, and each of this Agreement and the other Transaction Documents (other than the Notes) constitutes, and upon execution and delivery thereof each Note will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally, and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

5.3 Disclosure.

Neither this Agreement nor any other document, certificate or statement furnished to such Purchaser by or on behalf of the Company in connection herewith, contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein not misleading in light of the circumstances under which they were made, such Purchaser acknowledging that as to any projections furnished to such Purchaser, the Company only represents that the same were prepared in good faith on the basis of information and estimates the Company believed to be reasonable at the time of the preparation and delivery thereof. There is no fact known to the Company that could reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the other documents, certificates and other writings (including the Company's most recent reports on Form 10-Q and Form 10-K and the Company's reports on Form 8-K filed during the period from January 1, 2022 through the Execution Date) delivered to such Purchaser by or on behalf of the Company. Since December 31, 2021, there has been no change in the financial condition, operations, business, Properties or prospects of the Company or any Subsidiary except changes that individually or in the aggregate could not reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the other documents, certificates and other writings delivered to such Purchaser by or on behalf of the Company.

5.4 Organization and Ownership of Equity in Subsidiaries; Affiliates.

- (a) Schedule 5.4 contains complete and correct lists as of the Execution Date (i) of each of the Subsidiaries of the Company, showing, as to each such Subsidiary, whether such Subsidiary is an Unencumbered Asset Subsidiary, the correct name thereof, the jurisdiction of its organization, the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and the other Subsidiaries and, if such percentage is not 100% (excluding directors' qualifying shares as required by law), a description of each class of its authorized capital stock and other equity interests and the number of shares or units of each class issued and outstanding, (ii) of each of the Company's Affiliates, other than the Company's Subsidiaries, and (iii) of the Company's directors and senior officers.
- (b) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary owned by the Company and its Subsidiaries have been validly issued, are fully paid and nonassessable and are owned by the Company or another Subsidiary free and clear of any Lien except as disclosed on Schedule 5.4.
- (c) Each Subsidiary is a corporation or other legal entity duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each such Subsidiary has the corporate or other power and authority to own or hold under lease the Properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

- (d) No Subsidiary is a party to, or otherwise subject to any legal, regulatory, contractual or other restriction (other than this Agreement, the agreements listed on Schedule 5.4 and customary limitations imposed by corporate law or similar statutes) restricting the ability of such Subsidiary to pay dividends out of profits or make any other similar distributions of profits to the Company or any of its Subsidiaries that owns outstanding shares of capital stock or similar equity interests of such Subsidiary.

5.5 Financial Statements; Material Liabilities.

The Company has delivered to each Purchaser copies of the financial statements of the Company and its Subsidiaries listed on Schedule 5.5. All of such financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial condition of the Company and its Subsidiaries as of the respective dates specified in such Schedule and the consolidated financial results of their operations and cash flows for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments). The Company and its Subsidiaries do not have any Material liabilities that are not disclosed on such financial statements or otherwise disclosed in writing to the Purchasers.

5.6 Compliance with Laws; Other Instruments, Etc.

The execution, delivery and performance by the Company of the Transaction Documents will not (i) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any Property of the Company or any of its Subsidiaries under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter (or similar constitutive documents) or bylaws (or similar documents), or any other agreement or instrument to which the Company or any of its Subsidiaries is bound or by which the Company or any of its Subsidiaries or any of their respective Properties may be bound or affected, (ii) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any of its Subsidiaries, or (iii) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any of its Subsidiaries.

Neither the Company nor any Subsidiary is in default under the terms of any covenant, indenture or agreement of or affecting such Person or any of its Property, which default, if uncured, could reasonably be expected to have a Material Adverse Effect.

5.7 Governmental Authorizations, Etc.

No consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required in connection with the execution, delivery or performance by the Company of this Agreement, the Notes or the other Transaction Documents.

5.8 Litigation; Observance of Agreements, Statutes and Orders.

- (a) There are no actions, suits, investigations or proceedings pending or, to the actual knowledge of the Company, threatened against or affecting the Company or any of its Subsidiaries or any Property of the Company or any of its Subsidiaries in any court or before any arbitrator of any kind or before or by any Governmental Authority that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.
- (b) Neither the Company nor any Subsidiary is in default under any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority or is in violation of any applicable law, ordinance, rule or regulation (including without limitation Environmental Laws, the USA PATRIOT Act or any of the other laws and regulations that are referred to in Section 5.16) of any Governmental Authority, which default or violation, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

5.9 Taxes.

All tax returns required to be filed by the Company or any Subsidiary in any jurisdiction have, in fact, been filed, and all taxes, assessments, fees, and other governmental charges upon the Company or any Subsidiary or upon any of its Property, income or franchises, which are shown to be due and payable in such returns, have been paid, except such taxes, assessments, fees and governmental charges, if any, as are being contested in good faith and by appropriate proceedings which prevent enforcement of the matter under contest and as to which adequate reserves established in accordance with GAAP have been provided or where the failure to so file or pay would not cause a Material Adverse Effect. The Company does not know of any proposed additional tax assessment against it or its Subsidiaries for which adequate provisions in accordance with GAAP have not been made on their accounts. Adequate provisions in accordance with GAAP for taxes on the books of the Company and each Subsidiary have been made for all open years, and for its current fiscal period.

5.10 Title to Property; Leases.

The Company and its Subsidiaries have good and sufficient title to their respective Properties (other than Properties which are leased) that individually or in the aggregate are Material, including all such Properties reflected in the most recent audited balance sheet referred to in Section 5.5 or purported to have been acquired by the Company or any Subsidiary after said date (except as sold or otherwise disposed of in the ordinary course of business), in each case free and clear of Liens prohibited by this Agreement.

5.11 Licenses, Permits, Etc.

- (a) The Company and its Subsidiaries own, possess or have the right to use all licenses, permits, franchises, authorizations, patents, copyrights, proprietary software, service marks, trademarks and trade names, or rights thereto, that individually or in the aggregate are Material, without known conflict with the rights of others.
- (b) To the best knowledge of the Company, no product of the Company or any of its Subsidiaries infringes in any material respect any license, permit, franchise, authorization, patent, copyright, proprietary software, service mark, trademark, trade name or other right owned by any other Person.
- (c) To the best knowledge of the Company, there is no Material violation by any Person of any right of the Company or any of its Subsidiaries with respect to any license, permit, franchise, authorization, patent, copyright, proprietary software, service mark, trademark, trade name or other right owned or used by the Company or any of its Subsidiaries.

5.12 Compliance with ERISA.

- (a) The Company, each Subsidiary and each ERISA Affiliate have operated and administered each Plan in compliance with all applicable laws except for such instances of noncompliance as have not resulted in and could not reasonably be expected to result in a Material Adverse Effect. None of the Company, any Subsidiary or any ERISA Affiliate has incurred any liability pursuant to Title I or IV of ERISA or the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in section 3 of ERISA), and no event, transaction or condition has occurred or exists that could reasonably be expected to result in the incurrence of any such liability by the Company, any Subsidiary or any ERISA Affiliate, or in the imposition of any Lien on any of the rights, properties or assets of the Company, any Subsidiary or any ERISA Affiliate, in either case pursuant to Title I or IV of ERISA or to such penalty or excise tax provisions or pursuant to section 430 or 436 of the Code or section 4068 of ERISA, other than such liabilities or Liens as would not be individually or in the aggregate Material.

Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

8.5 Purchase of Notes.

The Company will not, and will not permit any Affiliate to, purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (i) upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes, or (ii) pursuant to a written offer to purchase any outstanding Notes made by the Company or an Affiliate pro rata to the holders of all Notes at the time outstanding upon the same terms and conditions. The Company will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment, prepayment or purchase of Notes pursuant to any provision of this Agreement, and no Notes may be issued in substitution or exchange for any such Notes.

8.6 Make-Whole Amount.

The term “**Make-Whole Amount**” means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal; provided that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“**Called Principal**” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“**Discounted Value**” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“Reinvestment Yield” means, with respect to the Called Principal of any Note, the sum of (a) 0.50% plus (b) the yield to maturity implied by the “Ask Yield(s)” reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (“**Reported**”) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (i) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (ii) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then “Reinvestment Yield” means, with respect to the Called Principal of any Note, the sum of (x) 0.50% plus (y) the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

“Remaining Average Life” means, with respect to any Called Principal, the number of years obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years, computed on the basis of a 360-day year comprised of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“**Remaining Scheduled Payments**” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date; provided that if such Settlement Date is not a date on which interest payments are due to be made under the terms of the Notes, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2 or Section 12.1.

“**Settlement Date**” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2, or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

Notwithstanding anything to the contrary in the immediately preceding paragraph of this Section 10.9: (i) no such modification of a Financial Covenant that would be less beneficial to the holders of the Notes, and no such elimination of a Financial Covenant, shall be effective if a Default or Event of Default has occurred and is continuing immediately prior to the time such Modified Bank Financial Covenant or elimination of a Financial Covenant becomes effective; (ii) no modification or series of modifications effected pursuant to the provisions of this Section 10.9 shall be effective to: (A) increase the maximum permitted ratio of Total Indebtedness to Total Asset Value as set forth in Section 10.8(a) of this Agreement to a level greater than 0.60 to 1.00 (provided that such Financial Covenant shall be calculated on a basis consistent with the manner in which it was calculated on the date hereof pursuant to this Agreement) or eliminate such Financial Covenant set forth in Section 10.8(a) from this Agreement; (B) increase the maximum permitted ratio of Secured Debt to Total Asset Value as set forth in Section 10.8(b) of this Agreement to a level greater than 0.40 to 1.00 (provided that such Financial Covenant shall be calculated on a basis consistent with the manner in which it was calculated on the date hereof pursuant to this Agreement) or eliminate such Financial Covenant set forth in Section 10.8(b) from this Agreement; (C)(1) increase the maximum permitted ratio of Unsecured Debt of the Company and its Subsidiaries to Unencumbered Asset Value as set forth in Section 10.8(c) of this Agreement to a level greater than 0.6667 to 1.0000 (provided that such Financial Covenant shall be calculated on a basis consistent with the manner in which it was calculated on the date hereof pursuant to this Agreement), (2) modify the definition of "Capitalization Rate" such that the capitalization rate for assisted living facilities would be lower than 7.00%, skilled nursing facilities would be lower than 8.50%, Non-Government Reimbursed Properties that are independent living facilities would be lower than 6.50%, hospitals would be lower than 9.00%, Non-Government Reimbursed Properties that are not independent living facilities would be lower than 7.00%, or other Government Reimbursed Properties would be lower than 9.00%, or (3) eliminate such Financial Covenant set forth in Section 10.8(c) from this Agreement unless (x) such Financial Covenant is replaced with a Financial Covenant prohibiting the ratio of Total Asset Value (but computed solely for unencumbered assets of the Company and its Subsidiaries) to Unsecured Debt, or a formulation for such replacement Financial Covenant which is substantially similar thereto, from being less than 1.50 to 1.00 as of the last day of each Fiscal Quarter of the Company, (y) a customary priority debt covenant satisfactory to the Required Holders is added to Section 10.8 and (z) Section 10.1 is modified in a manner consistent with such newly added priority debt covenant and reasonably satisfactory to the Required Holders, provided that if such Financial Covenant set forth in Section 10.8(c) is eliminated as provided in this clause (C)(3), then, unless such Financial Covenant is subsequently reinstated, the immediately preceding clauses (C)(1) and (C)(2) will not be applicable; (D) decrease the minimum required ratio of EBITDA for any Rolling Period to Fixed Charges for such Rolling Period as set forth in Section 10.8(d) of this Agreement to a level less than 1.50 to 1.00 (provided that such Financial Covenant shall be calculated on a basis consistent with the manner in which it was calculated on the date hereof pursuant to this Agreement) or eliminate such Financial Covenant set forth in Section 10.8(d) from this Agreement; or (E) modify any defined terms applicable to or used in the calculation of any Financial Covenant; and (iii) in the event the Bank Facility is terminated, all Financial Covenants hereunder shall be unaffected and shall remain in effect in the same manner as they existed immediately prior to such termination. For the avoidance of doubt, (i) any proposed changes to any Financial Covenant pursuant to this Section 10.9 which exceed, or are less than (as applicable), the thresholds set forth in clause (ii) above (when calculated on a basis consistent with the manner in which such Financial Covenant was calculated on the date hereof pursuant to this Agreement and not according to any other method of calculation set forth in any Modified Bank Financial Covenant adopted after the date hereof), shall remain unmodified and shall not become effective and (ii) if, following the date hereof, any Financial Covenant remains unmodified in the circumstances described in clause (i) of this sentence following the adoption of a Modified Bank Financial Covenant, such unmodified Financial Covenant shall continue to be calculated for purposes of Section 10.8 solely on a basis consistent with the manner in which such Financial Covenant was calculated on the date hereof pursuant to this Agreement and not according to any other method of calculation set forth in any Modified Bank Financial Covenant, and any breach of such unmodified Financial Covenant shall constitute an Event of Default, pursuant to the terms of Section 11 hereunder, notwithstanding the fact that the Company may be in compliance with such ineffective Modified Bank Financial Covenant at such time.

10.10 Redemption of Stock, Etc. The Company will not, and will not permit any Subsidiary to, (a) redeem, purchase or otherwise acquire, refinance or repay any preferred stock of the Company or any Subsidiary if an Event of Default exists at such time or immediately after giving effect thereto, or (b) redeem, purchase or otherwise acquire, refinance or repay any preferred stock of the Company or any Subsidiary with the proceeds from, or in exchange for, the issuance of capital stock which is mandatorily redeemable, preferred stock which is redeemable at the election of the holder thereof or preferred stock with respect to which any holder thereof has a put or similar right to require the Company or any Subsidiary to purchase, re-purchase or otherwise acquire such preferred stock.

The Company will not, and will not permit any Controlled Entity to (a) become (including by virtue of being owned or controlled by a Blocked Person), own or control a Blocked Person or (b) directly or indirectly have any investment in or engage in any dealing or transaction (including any investment, dealing or transaction involving the proceeds of the Notes) with any Person if such investment, dealing or transaction (i) would cause any Purchaser or holder or any affiliate of such Purchaser or holder to be in violation of, or subject to sanctions under, any law or regulation applicable to such Purchaser or holder, or (ii) is prohibited by or subject to sanctions under any U.S. Economic Sanctions Laws

The parties hereto hereby agree that although it will not be a Default or an Event of Default if the Company fails to comply with any provision of this Section 10 on or after the Execution Date and prior to the Funding, if such a failure occurs, then any of the Purchasers may elect not to purchase the Notes on the date of Funding that is specified in Section 3.

12. REMEDIES ON DEFAULT, ETC.

12.1 Acceleration.

- (a) If an Event of Default with respect to the Company described in Section 11(g) or (h) (other than an Event of Default described in clause (i) of Section 11(g) or described in clause (vi) of Section 11(g) by virtue of the fact that such clause encompasses clause (i) of Section 11(g)) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.
- (b) If any Event of Default described in Section 11(a) or (b) has occurred and is continuing, in addition to any action that may be taken pursuant to Section 12.1(c), any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by it or them to be immediately due and payable.
- (c) If any other Event of Default has occurred and is continuing, any holder or holders of a majority in principal amount of the Notes at the time outstanding may at any time at its or their option, by notice or notices to the Company, declare all the Notes then outstanding to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon (including, but not limited to, interest accrued thereon at the Default Rate) and (y) the Make-Whole Amount determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from prepayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

12.2 Other Remedies.

If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

12.3 Rescission.

At any time after any Notes have been declared due and payable pursuant to clause (b) or (c) of Section 12.1, the holders of not less than a majority in principal amount of the Notes then outstanding, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) neither the Company nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

12.4 No Waivers or Election of Remedies, Expenses, Etc.

No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement, any Note or any other Transaction Document upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES

13.1 Registration of Notes.

The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. If any holder of one or more Notes is a nominee, then (a) the name and address of the beneficial owner of such Note or Notes shall also be registered in such register as an owner and holder thereof and (b) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

13.2 Transfer and Exchange of Notes.

Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof), within ten Business Days thereafter, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more replacement Notes (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such replacement Note shall be payable to such Person as such holder may request and shall be substantially in the form of Exhibit A. Each such replacement Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$1,000,000; provided that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$1,000,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Sections 6.2 and 6.3.

13.3 Replacement of Notes.

Upon receipt by the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

- (a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$5,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or
- (b) in the case of mutilation, upon surrender and cancellation thereof,

within ten Business Days thereafter, the Company at its own expense shall execute and deliver, in lieu thereof, a replacement Note, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon; provided, that in no event shall the Company be required to pay any interest or principal with respect to a replacement Note if such amounts have previously been paid with respect to the original Note.

14. PAYMENTS ON NOTES

14.1 Place of Payment.

Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York at the principal office of JPMorgan Chase Bank in such jurisdiction. The holder of a Note may at any time, by notice to the Company, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

14.2 Home Office Payment.

So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, interest and all other amounts becoming due under the Transaction Documents by the method and at the address specified for such purpose below such Purchaser's name on the Purchaser Schedule, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by any Purchaser or its nominee such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a replacement Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by any Purchaser under this Agreement and that has made the same agreement relating to such Note as each Purchaser has made in this Section 14.2.

15. EXPENSES, ETC.

15.1 Transaction Expenses.

Whether or not the transactions contemplated hereby are consummated, the Company will pay all costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by the Purchasers or any holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, the Notes or any of the other Transaction Documents (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, the Notes or any of the other Transaction Documents or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, the Notes or any of the other Transaction Documents, or by reason of being a holder of any Note, and (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby, by the Notes and the other Transaction Documents. The Company will pay, and will save each Purchaser and each other holder of a Note harmless from, all claims in respect of any fees, costs or expenses, if any, of brokers and finders.

15.2 Survival.

The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement or the Notes, and the termination of this Agreement.

16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT

All representations and warranties contained herein or in any of the other Transaction Documents shall survive the execution and delivery of this Agreement, the Notes and the other Transaction Documents, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of any Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement or any of the other Transaction Documents shall be deemed representations and warranties of the Company under this Agreement or such other Transaction Document. Subject to the preceding sentence, this Agreement, the Notes and the other Transaction Documents embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

17. AMENDMENT AND WAIVER

17.1 Requirements.

This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), only with the written consent of the Company and the Required Holders, except that:

- (a) no amendment or waiver of any of Sections 1, 2, 3, 4, 5 or 6 hereof, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing; and
- (b) no amendment or waiver may, without the written consent of each Purchaser and the holder of each Note at the time outstanding, (i) subject to Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of (x) interest on the Notes or (y) the Make-Whole Amount, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any amendment or waiver or the principal amount of the Notes that the Purchasers are to purchase pursuant to Section 2 upon the satisfaction of the conditions to Funding in Section 4, or (iii) amend any of Sections 8 (except as set forth in the second sentence of Section 8.2), 11(a), 11(b), 12, 17 or 20.

17.2 Solicitation of Holders of Notes.

- (a) Solicitation. The Company will provide each Purchaser and each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such Purchaser or holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite Purchasers or holders of Notes.
- (b) Payment. The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any Purchaser or holder of Notes as consideration for or as an inducement to the entering into by any Purchaser or holder of Notes of any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each Purchaser and each holder of Notes then outstanding even if such Purchaser or holder did not consent to such waiver or amendment.
- (c) Consent in Contemplation of Transfer. Any consent given pursuant to this Section 17 by a Purchaser or holder of a Note that has transferred or has agreed to transfer its Note to (i) the Company, (ii) any Subsidiary or any other Affiliate or (iii) any other Person in connection with, or in anticipation of, such other Person acquiring, making a tender offer for or merging with the Company and/or any of its Affiliates), in each case in connection with such consent, shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other Purchaser and holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such Purchaser or holder.

17.3 Binding Effect, Etc.

Any amendment or waiver consented to as provided in this Section 17 applies equally to all Purchasers and holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and any Purchaser or holder of any Note nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any Purchaser or holder of such Note. As used herein, the term "this Agreement" and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

17.4 Notes Held by Company, Etc.

Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding have approved or consented to any amendment, waiver or consent to be given under this Agreement or the Notes, or have directed the taking of any action provided herein or in the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

19. REPRODUCTION OF DOCUMENTS

This Agreement, and all documents relating hereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser in connection with the Funding (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital, or other similar process and such Purchaser may destroy any original document so reproduced. To the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit any party hereto from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

20. CONFIDENTIALITY

For the purposes of this Section 20, “**Confidential Information**” means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Company or such Subsidiary, provided that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser’s behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Company or any Subsidiary, or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, provided that such Purchaser may deliver or disclose Confidential Information to (i) its directors, officers, employees, agents, attorneys, trustees and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Notes), (ii) its auditors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20, (iii) any other holder of any Note, (iv) any Institutional Investor to which it sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (v) any Person from which it offers to purchase any security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser’s investment portfolio, or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party, or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser’s Notes and this Agreement. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying the provisions of this Section 20.

In the event that as a condition to receiving access to information relating to the Company or its Subsidiaries in connection with the transactions contemplated by or otherwise pursuant to this Agreement, any Purchaser or holder of a Note is required to agree to a confidentiality undertaking (whether through IntraLinks, another secure website, a secure virtual workspace or otherwise) which is different from this Section 20, this Section 20 shall not be amended thereby and, as between such Purchaser or such holder and the Company, this Section 20 shall supersede any such other confidentiality undertaking.

21. MISCELLANEOUS

21.1 Successors and Assigns.

All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including any subsequent holder of a Note) whether so expressed or not. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto and their respective successors and assigns permitted hereby) any legal or equitable right, remedy or claim under or by reason of this Agreement.

21.2 Payments Due on Non-Business Days.

Anything in this Agreement or the Notes to the contrary notwithstanding (but without limiting the requirement in Section 8.4 that the notice of any optional prepayment specify a Business Day as the date fixed for such prepayment), any payment of principal of or Make-Whole Amount or interest on any Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; provided that if the maturity date of any Note or the date of any required principal prepayment pursuant to Section 8.1 is a date other than a Business Day, the payment otherwise due on such date shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

21.3 Accounting Terms.

All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, (i) all computations made pursuant to this Agreement shall be made in accordance with GAAP, and (ii) all financial statements shall be prepared in accordance with GAAP. If, after the date of this Agreement, there shall occur any change in GAAP from that used in the preparation of the financial statements referred to in Section 7.1(b) hereof for the Fiscal Year ended December 31, 2021 and such change shall result in a change in the method of calculation of any financial covenant, standard or term found in this Agreement, either the Company or the Required Holders may by notice to the holders of the Notes and the Company, respectively, require that the holders of the Notes and the Company negotiate in good faith to amend such covenants, standards, and terms so as equitably to reflect such change in accounting principles, with the desired result being that the criteria for evaluating the financial condition of the Company and its Subsidiaries shall be the same as if such change had not been made. No delay by the Company or the Required Holders in requiring such negotiation shall limit their right to so require such a negotiation at any time after such a change in accounting principles. Until any such covenant, standard, or term is amended in accordance with this Section 21.3, financial covenants shall be computed and determined in accordance with GAAP in effect prior to such change in accounting principles.

21.4 Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

21.5 Construction.

Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

For the avoidance of doubt, all Schedules and Exhibits attached to this Agreement shall be deemed to be a part hereof.

21.6 Counterparts; Electronic Contracting.

This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto. The parties agree to electronic contracting and signatures with respect to this Agreement, any other Transaction Document and all other documents delivered hereunder (other than the Notes). Delivery of an electronic signature to, or a signed copy of, this Agreement, any other Transaction Document and all other documents delivered hereunder (other than the Notes) by facsimile, email or other electronic transmission shall be fully binding on the parties to the same extent as the delivery of the signed originals and shall be admissible into evidence for all purposes. LTC ANNOUNCES \$75 MILLION PRIVATE PLACEMENT DEBT FINANCING AT 3.66%

WESTLAKE VILLAGE, CALIFORNIA, May 18, 2022 -- LTC Properties, Inc. (NYSE: LTC) ("LTC" or the "Company"), a real estate investment trust that primarily invests in seniors housing and health care properties, today announced that it entered into a Note Purchase Agreement to issue \$75 million aggregate principal amount of 3.66% senior unsecured notes (the "Notes"). The Notes have an average 10-year life, scheduled principal payments and will mature on May 17, 2033.

Year to date, the Company has invested approximately \$113 million, sold assets at a net gain of approximately \$38 million generating net proceeds of approximately \$73 million. Of the Notes proceeds, approximately \$41 million has been used for these investments which were initially funded through the Company's existing unsecured revolving line of credit under the Third Amended and Restated Credit Agreement (the "Credit Agreement"). The Company expects to use the remaining proceeds from the sale of the Notes to pay down its unsecured revolving line of credit.

Additionally, the Company amended its existing senior unsecured note agreements to conform with the covenants in the Credit Agreement.

"The favorable rate and proceeds from these Notes give us additional liquidity for further growth in 2022," said Wendy Simpson, LTC's Chairman and CEO. "In the face of rising interest rates, we continue to demonstrate balance sheet strength by terming out short term variable rate debt over the long term at an attractive fixed all-time low coupon for LTC."
