ITEM 8.01 OTHER EVENTS.

Archstone Transaction

As previously announced, on December 2, 2011, ERP Operating Limited Partnership (“ERP”), a subsidiary and the operating partnership of Equity Residential through which Equity Residential owns substantially all of its assets, entered into an Interest Purchase Agreement (the “Purchase Agreement”) with certain affiliates of Bank of America Corp. and Barclays PLC (together, the “Sellers”) to purchase 50% of all interests held by the Sellers (the “Purchased Interests”) in various entities affiliated with Archstone, a privately-held owner, operator and developer of multifamily apartment properties (the “Archstone Entities”), in exchange for total consideration of \$1,325,000,000 in cash. Among other conditions, the consummation of ERP’s acquisition of the Purchased Interests is subject to the exercise by Lehman Brothers Holdings Inc. and certain of its affiliates (collectively, “Lehman”) of a right of first offer to acquire the Purchased Interests (the “ROFO Right”).

Pursuant to a separate agreement between ERP and the Sellers (the “Other Interest Agreement”), in the event that ERP does not acquire the Purchased Interests due to an exercise of the ROFO Right by Lehman, then, for a period of 30 days following the closing of the acquisition of the Purchased Interests by Lehman, ERP will be entitled to exercise the right to acquire all other interests held by the Sellers in the Archstone Entities in exchange for total consideration equal to or greater than \$1,325,000,000 in cash, such price to be determined by ERP in its sole discretion. The acquisition by ERP of the Sellers’ other interests in the Archstone Entities will be on substantially the same terms and conditions as set forth in the Purchase Agreement, including being subject to Lehman’s ROFO Right with respect to such other interests.

Legal Proceedings Status

As previously disclosed, on December 15, 2011, Lehman filed a complaint with the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) against the Sellers (the “Lehman Litigation”). Lehman sought, among other remedies, preliminary injunctive relief to enjoin ERP’s acquisition of the Purchased Interests under the Purchase Agreement and/or the other interests under the Other Interest Agreement.

On January 6, 2012, the Bankruptcy Court denied Lehman’s motion for injunctive relief in full. As a result, the Lehman Litigation is not expected to affect the transactions described in the Purchase Agreement and the Other Interest Agreement.

Right of First Offer Status

On January 11, 2012, the Bankruptcy Court approved Lehman’s exercise of the ROFO Right. Lehman’s ability to acquire the Purchased Interests remains subject to its delivery of a binding notice exercising its ROFO Right on or prior to January 23, 2012. In the event that Lehman fails to timely deliver the binding notice or close its acquisition of the Purchased Interests by January 25, 2012, the Purchase Agreement will remain in full force and effect and ERP will continue to work diligently to consummate the acquisition of the Purchased Interests. In the event that Lehman closes on the acquisition of the Purchased Interests, ERP will then be entitled to exercise its rights under the Other Interest Agreement as described above.

Cautionary Statement Regarding Forward-Looking Statements

Statements in this Current Report on Form 8-K, and other statements that ERP or Equity Residential may make, including statements about the benefits of the proposed acquisition of the Purchased Interests, may contain forward-looking statements that involve numerous risks and uncertainties. All forward-looking statements included in this communication are based on information available to Equity Residential and ERP on the date hereof.
