Item 2.06 Material Impairments

(a) The Registrant and its principal operating subsidiaries, MetaBank and MetaBank West Central, (collectively the "Bank"), on June 20, 2005, determined that a material amount of its assets were impaired under generally accepted accounting principles. The assets affected include total operating loans secured by new and used cars and contracts receivable of approximately \$6.8 million from the Bank to two companies that are affiliated with each other, which filed for reorganization under Chapter 11 of the U.S. Bankruptcy Code during the evening of June 20, 2005. The Bank also has real estate loans totaling approximately \$2.0 million to a borrower related to the companies, and a home loan of approximately \$1.0 million to the majority owner of such companies. Neither of the borrowers of the latter two loans has filed for bankruptcy.

(b) and (c) At this time, the Registrant is unable to estimate the amount or range of amounts of the impairment charge and is also unable to estimate the amount or range of amounts of the impairment charge that will result in future cash expenditures. The Registrant will file an amended report on Form 8-K pursuant to this Item 2.06 within four business days after it makes a determination of such estimates or range of estimates.
