## **MetaBank® Closes Sale of the Community Bank Division**

Sioux Falls, S.D., March 2, 2020 (GLOBE NEWSWIRE) - MetaBank®, a wholly-owned subsidiary of Meta Financial Group, Inc.® (Nasdaq: CASH) (the "Company"), today announced that the sale of MetaBank's community bank division to Central Bank closed on February 29, 2020 (the "Closing Date").

On November 20, 2019, the Company announced that MetaBank entered into a definitive agreement with Central Bank, a state-chartered bank headquartered in Storm Lake, Iowa, for the sale of the community bank division. The sale included all of the community bank's deposits, branch locations, fixed assets, employees, and a portion of the community bank's loan portfolio.

As of the Closing Date, the agreement provided that Central Bank assume deposits with balances of approximately \$280 million and acquire loans with balances of approximately \$270 million, associated with the community bank division. The remaining community bank loans, approximately \$900 million, not being sold to Central Bank will be retained by the Company under a servicing agreement with Central Bank.

The transaction is expected to result in a pre-tax net gain to the Company of approximately \$18 million, subject to final settlement.
