**Item 8.01. Other Events.**

On May 12, 2010, we sold our equity interests in a series of unconsolidated joint ventures relating to properties in Des Moines, Iowa. The assets in the joint ventures included 2.5 million square feet of office (1.7 million square feet), industrial (788,000 square feet) and retail (45,000 square feet) as well as 418 apartment units. In connection with the closing, we received \$15 million in cash. We had a negative book basis in certain of the ventures, primarily as a result of prior cash distributions to the partners. Accordingly, we will record a net gain of approximately \$25 million, which will be reflected in our second quarter financial results. As of the closing date, the joint ventures had approximately \$170 million of secured debt, which was non-recourse to us except (1) in the case of customary exceptions pertaining to matters such as misuse of funds, borrower bankruptcy, unpermitted transfers, environmental conditions and material misrepresentations and (2) approximately \$9.0 million of direct and indirect guarantees. We have been released by the applicable lenders from all such direct and indirect guarantees and we have no ongoing lender liability relating to such customary exceptions to non-recourse liability with respect to some, but not all, of the debt. The buyer has agreed to indemnify and hold us harmless from any and all future losses that we suffer as a result of our prior investment in the joint ventures (other than losses directly resulting from our acts or omissions). In the event we are exposed to any such future loss, our financial condition and results of operations would not be adversely affected unless the buyer defaults on its indemnification obligation.

## **SECTION 4 PURCHASE ACCOUNT**

Each Eligible Employee shall notify the Company, on such forms as shall be provided by the Company, at least 21 days before the applicable Offering Date, of the percentage (in whole numbers) of Compensation which the Eligible Employee wishes to have withheld ratably from the Eligible Employee's Compensation during the Offering Period, which percentage may not be less than 1%, or more than 25%.

Each Eligible Employee shall authorize the Company and its Subsidiaries to withhold from the Eligible Employee's after-tax compensation, beginning as soon as practicable following the making of the election described in this Section 4 and continuing throughout the duration of the Offering Period unless terminated sooner under Section 7. All withheld amounts may be used by the Company for general corporate purposes. The Company or Administrator shall maintain a record of each Eligible Employee's funds in the Eligible Employee's Purchase Account. Such funds so accumulated within said Purchase Account may be returned to an Eligible Employee or beneficiary without interest or applied toward the purchase of Common Stock only pursuant to the provisions contained in this Plan.

## **SECTION 5 MAXIMUM LIMITATIONS**

The aggregate number of shares of Common Stock available for grant as Options pursuant to this Plan shall not exceed the sum of 500,000 plus the amount of available shares remaining as of the effective date of this Plan for purchase under the Company's Amended and Restated Year 2000 Employee Stock Purchase Plan (which was 48,775 as of December 31, 2009), subject to adjustment pursuant to Section 10 hereof. In the event that any Option granted pursuant to subsection 3(a) expires or is terminated, surrendered or canceled without being exercised, in whole or in part, for any reason, the number of shares of Common Stock theretofore subject to such Option shall again be available for grant as an Option pursuant to subsection 3(a) and shall not reduce the aggregate number of shares of Common Stock available for grant as such Options as set forth in the first sentence of this Section.

## **SECTION 6 ADMINISTRATION**

The Plan shall be administered by the Board, which, to the extent it shall determine, may delegate its powers with respect to the administration of the Plan (except its powers under subsection 14(c)) to the Committee. If the Board chooses to appoint a Committee, references hereinafter to the Board (except in subsection 14(c)) shall be deemed to refer to the Committee. Subject to the express provisions of the Plan, the Board may interpret the Plan, prescribe, amend and rescind rules and regulations relating to it, correct any defect or omission or reconcile any inconsistency in the Plan, determine the terms and provisions of the Options granted hereunder, determine and change the Offering Periods, Offering Dates and Exercise Dates (except as otherwise limited herein) and make all other determinations necessary or advisable for the administration of the Plan. The determinations of the Board on all matters regarding the Plan shall be conclusive. A member of the Board shall only be liable for any action taken or determination made in bad faith.

## **SECTION 7 TERMS OF OPTIONS**

(a) Each Option shall, unless sooner expired pursuant to subsection 7(b) or (c), be exercised on the Exercise Date for the applicable Offering Period. Each Option not exercised during an Offering Period shall expire on the Exercise Date for the applicable Offering Period.

(b) An Eligible Employee may at any time at least 21 days before an Exercise Date (or such other date as may be selected by the Committee) terminate the Option in its entirety by written notice of such termination delivered in the manner set forth in subsection 14(i). Such termination shall become effective upon receipt of such notice by the Company. As soon as practical following such notice, all funds then in the Eligible Employee's Purchase Account shall be returned to the Eligible Employee without interest. Subsequent cash dividends paid on shares held in the Eligible Employee's Purchase Account will be paid to the Eligible Employee and not retained in such Purchase Account. Such Eligible Employee may again elect to participate in payroll deductions under the Plan on the next Offering Date pursuant to Sections 3 and 4, when, in accordance with Section 12, cash dividends paid on shares held in the Eligible Employee's Purchase Account will again be credited to such Purchase Account for use pursuant to Section 3(a).

(c) An Option shall expire on the first to occur of the Exercise Date for the applicable Offering Period and the date that the employment of the Eligible Employee with the Company and its Subsidiaries terminates (as determined by the Board) for any reason, including death or permanent disability (as determined by the Company's long term disability plan). In the event that the Option expires because of termination of employment, all funds and shares then on deposit in the Eligible Employee's Purchase Account shall be returned without interest to the Eligible Employee (or his or her estate or the beneficiary designated pursuant to Section 9(b)) and the Eligible Employee's Purchase Account closed.

## **SECTION 8**

### **MANNER OF EXERCISE OF OPTIONS AND PAYMENT FOR COMMON STOCK**

(a) Except as provided in subsection 7(b) or (c), each Eligible Employee's Option shall be exercised automatically on the Exercise Date of each Offering Period, and the maximum number of shares of Common Stock, including fractional shares, will be purchased by the Administrator for each Eligible Employee with the entire proceeds of each Eligible Employee's Purchase Account. The Common Stock purchased under this Section 8 may be either treasury stock or stock of original issue, in the discretion and at the direction of the Company.

(b) Upon the written request of an Eligible Employee following any Offering Period, the Administrator shall deliver (or cause to be delivered) to such Eligible Employee: (i) a certificate for up to all of the whole shares purchased under subsection 8(a) and then retained in the Eligible Employee's Purchase Account (as adjusted pursuant to Section 10), and (ii) the cash value of any fraction of a share (based on the Fair Market Value of the common Stock as of the date such request is delivered) remaining in such Purchase Account requested to be withdrawn. Shares to be delivered to an Eligible Employee under the Plan will be registered in the name of the Eligible Employee or, at the election of the Eligible Employee, in the name of the Eligible Employee and his or her spouse as joint tenants with rights of survivorship. Any remaining shares in such Eligible Employee's Purchase Account will continue to be credited to such Eligible Employee's Purchase Account and cash dividends paid thereon will be credited to such Purchase Account without interest in accordance with Section 12.

(c) Subsection 8(b) notwithstanding, an Eligible Employee may not withdraw any share purchased under this Plan until the date that is twelve months from the Exercise Date on which such share was purchased, except pursuant to subsection 7(c) upon the Eligible Employee's death, permanent disability or other termination of employment.

(d) Subject to Section 12, an Eligible Employee may not make additional cash payments into such Eligible Employee's Purchase Account.

## **SECTION 9**

### **PROHIBITION OF TRANSFER AND DESIGNATION OF BENEFICIARY**

(a) No Option may be transferred, assigned, pledged, or hypothecated (whether by operation of law or otherwise), and no Option shall be subject to execution, attachment or similar process. Any attempted assignment, transfer, pledge, hypothecation or other disposition of an Option, or levy of attachment or similar process upon the Option not specifically permitted herein shall be null and void and without effect. An Option may be exercised only by the Eligible Employee during his or her lifetime.

(b) Each Eligible Employee may file a written designation of beneficiary who is to receive any stock or cash held in the Eligible Employee's Purchase Account in the event that such Eligible Employee dies.

## **SECTION 10**

### **ADJUSTMENT PROVISIONS**

The aggregate number of shares of Common Stock with respect to which Options may be granted, the aggregate number of shares of Common Stock subject to each outstanding Option, the Option Price per share of each Option and the number of shares in each Purchase Account may all be appropriately adjusted as the Board may determine for any increase or decrease in the number of shares of issued Common Stock resulting from a subdivision or consolidation of shares, whether through reorganization, recapitalization, stock split-up, stock distribution or combination of shares, or the payment of a share dividend or other increase or decrease in the number of such shares outstanding effected without receipt of consideration by the Company. Adjustments under this Section 10 shall be made according to the sole discretion of the Board, and its decision shall be binding and conclusive.

## **SECTION 11**

### **DISSOLUTION, MERGER AND CONSOLIDATION**

In the event of (i) the adoption of a plan of merger, consolidation, share exchange or similar transaction of the Company with any other corporation as a result of which the holders of the Common Stock of the Company in the aggregate would receive less than 50% of the voting capital stock of the surviving or resulting corporation; (ii) the approval by the Board of an agreement providing for the sale or transfer (other than as security for obligations of the Company) by the Company of a majority of the stock of a significant subsidiary of the Company or substantially all of the assets of the Company or of a significant subsidiary of the Company; (iii) the acquisition of more than 20% of the Company's voting capital stock by any person within the meaning of Section 13(d)(3) of the Exchange Act, other than a person, or group including a person, who beneficially owned, as of the most recent Offering Date, more than 5% of the Company's securities, in the absence of a prior expression of approval of the Board; (iv) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board cease for any reason to constitute at least a majority thereof unless the election, or the nomination for election by the Company's stockholders, of each new director was approved by the vote of at least two-thirds of the directors then still in office who were directors at the beginning of the period; or (v) any other change in control of the Company of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A under the Exchange Act, then any Option granted hereunder during the then-current Option Period shall remain exercisable until the Exercise Date of the then-current Option Period, subject to all of the terms hereof not inconsistent with this Section 11.

Anything contained herein to the contrary notwithstanding, upon the dissolution or liquidation of the Company or the consummation of a merger or consolidation in which the stockholders of the Company receive less than 50% of the voting capital stock of the surviving or resulting corporation, each Option granted under the Plan shall terminate, but the Eligible Employee shall have the right, following the adoption of a plan of dissolution or liquidation or a plan of merger or consolidation and in any event prior to such dissolution, liquidation, merger or consolidation, to exercise his Option to purchase Common Stock on the Exercise Date of the then-current Offering Period, subject to all of the other terms hereof not inconsistent with this Section 11.

The grant of an Option pursuant to this Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or to dissolve, liquidate or sell, or transfer all or any part of the business or assets.

## **SECTION 12**

### **DIVIDENDS AND INTEREST**

(a) During any period in which an Eligible Employee is participating in the Plan through payroll deductions, but only during such period, cash dividends paid on shares (including any fraction of a share) held in an Eligible Employee's Purchase Account will be credited to such Eligible Employee's Purchase Account and used in addition to such payroll deductions to purchase shares of Common Stock on the Exercise Date. Adjustments made pursuant to Section 10 will be credited to the Purchase Account of the Eligible Employee. Dividends paid in property other than cash or shares of Common Stock will be distributed to an Eligible Employee as soon as practicable. No dividends will be earned on a share in an Eligible Employee's Purchase Account until the dividend payment for the first dividend record date that follows the purchase date of such share.

(b) No interest will accrue on or be payable with respect to cash dividends held in an Eligible Employee's Purchase Account.

## **SECTION 13**

### **LIMITATION ON OPTIONS**

Notwithstanding any other provisions of the Plan:

(a) All Eligible Employees shall have the same rights and privileges under the Plan, except that the amount of Common Stock which may be purchased under Options granted pursuant to Section 3, shall bear a uniform relationship to the Compensation of Eligible Employees. All rules and determinations of the Board in the administration of the Plan shall be uniformly and consistently applied to all persons in similar circumstances.

(b) The term of said Plan shall be for a period of 10 years commencing on the effective date and ending on the 10<sup>th</sup> anniversary of such effective date unless terminated earlier by the exhaustion of the Available Shares pursuant to Section 3 or 5 or as provided in subsection 14(c).

(c) As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent that, at the time of any such exercise, the shares are being purchased only for an investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such representation is required by any applicable provisions of law.

## **SECTION 14 MISCELLANEOUS**

(a) Legal and Other Requirements. The obligations of the Company to sell and deliver Common Stock under the Plan shall be subject to all applicable foreign or domestic laws, regulations, rules and approvals, including, but not by way of limitation, the effectiveness of a registration statement under the Securities Act and the requirements of any stock exchange upon which the shares of Common Stock may be listed if deemed necessary or appropriate by the Company. Certificates for shares of Common Stock issued hereunder may include a restricted legend as the Board shall deem appropriate.

(b) No Obligation to Exercise Options. The granting of an Option shall impose no obligation upon an Eligible Employee to exercise such Option unless such Eligible Employee affirmatively elects to purchase Common Stock through payroll withholding as described in Section 4.

(c) Termination and Amendment of Plan. The Board may from time to time alter, amend or suspend the Plan or any Option granted hereunder or may at any time terminate the Plan, except that it may not materially and adversely affect any outstanding Option without the consent of the holder thereof.

(d) Application of Funds. The proceeds received by the Company from the sale of Common Stock pursuant to Options will be used for general corporate purposes.

(e) Withholding Taxes. Upon the exercise of any Option under the Plan, the Company shall have the right to require the Eligible Employee to remit to the Company an amount sufficient to satisfy all federal, state and local withholding tax requirements prior to the delivery of any certificate or certificates for shares of Common Stock.

(f) Right to Terminate Employment. Nothing in the Plan or any agreement entered into pursuant to the Plan shall confer upon any Eligible Employee the right to continue in the employment of the Company or any Subsidiary or affect any right which the Company or any Subsidiary may have to terminate the employment of such Eligible Employee.

(g) Rights as a Stockholder. No Eligible Employee shall have any right as a stockholder with respect to shares covered by an Option unless and until such Option has been exercised.

(h) Leaves of Absence and Disability. The Board shall be entitled to make such rules, regulations and determinations as it deems appropriate under the Plan in respect of any leave of absence taken by or disability of any Eligible Employee. Without limiting the generality of the foregoing, the Board shall be entitled to determine (i) whether or not any such leave of absence shall constitute a termination of employment within the meaning of the Plan, and (ii) the impact, if any, of any such leave of absence on Options under the Plan theretofore granted to any Eligible Employee who takes such leave of absence.

(i) Notices. Every direction, revocation or notice authorized or required by the Plan shall be deemed delivered on the date it is personally delivered, or the date that is three business days after it is sent by registered or certified mail, postage prepaid, to the Company's Director of Human Resources, at the Company's principal office at 3100 Smoketree Court, Suite 600, Raleigh, NC 27604; and shall be deemed delivered to an Eligible Employee (i) on the date it is personally delivered to him or her or (ii) three business days after it is sent by registered or certified mail, postage prepaid, addressed to him or her at the last address shown for him or her on the records of the Company or of any Subsidiary.

(j) Applicable Law. All questions pertaining to the validity, construction and administration of the Plan and Options granted hereunder shall be determined in conformity with the laws of the state of Maryland.
