Common Stock

This prospectus supplement relates to up to 3,753,518 shares of common stock of Highwoods Properties, Inc. that the selling stockholders named in this prospectus supplement may offer for sale from time to time. The selling stockholders named in this prospectus supplement may acquire these shares by exercising warrants to purchase shares of our common stock or by redeeming units of limited partnership in Highwoods Realty Limited Partnership, which is the operating partnership through which we conduct substantially all of our business, for shares of our common stock. All of the units of limited partnership and warrants were issued in transactions that were consummated more than eight years ago.

We have registered the resale of the shares to allow the selling stockholders to sell any or all of their shares of common stock on the NYSE or in private transactions using any of the methods described in this prospectus supplement. See “Plan of Distribution.” We will not receive any proceeds from the sale of any of the shares offered by the selling stockholders, but we have agreed to pay certain registration expenses relating to such shares of our common stock. See “Selling Stockholders.”

Our common stock is listed on the New York Stock Exchange under the symbol “HIW.” On February 2, 2012, the last reported sale price of our common stock was \$33.24 per share.

The selling stockholders and any agents or broker-dealers that participate with the selling stockholders in the distribution of common stock may be deemed to be “underwriters” under the Securities Act of 1933. See “Plan of Distribution.”

You should carefully read and consider the risk factors included in our periodic reports and other information that we file with the SEC before you invest in our common stock.

Neither the SEC nor any state securities commission has approved or disapproved of our common stock or determined if this prospectus supplement is truthful or complete. Any representation to the contrary is a criminal offense.

ABOUT THIS PROSPECTUS SUPPLEMENT

We refer to Highwoods Properties, Inc. as the “Company” and Highwoods Realty Limited Partnership as the “Operating Partnership.”

This document is in two parts. The first part is this prospectus supplement, which describes certain terms of this offering and other matters relating to us. The second part, the accompanying prospectus, gives more general information about our Company and securities we may offer from time to time, some of which does not apply to any offering hereunder. It is important for you to read and consider all information contained in this prospectus supplement, the accompanying prospectus and the information incorporated by reference herein and therein before making your investment decision. You should also read and consider the information in the documents we have referred you to in “Where You Can Find More Information.” The information incorporated by reference is considered part of this prospectus supplement and the accompanying prospectus, and information we later file with the Securities and Exchange Commission (“SEC”) may automatically update and supersede this information.

To the extent any inconsistency or conflict exists between the information included or incorporated by reference in this prospectus supplement and the information included in the accompanying prospectus, the information included or incorporated by reference in this prospectus supplement updates and supersedes the information in the accompanying prospectus.

You should rely only on the information contained or incorporated by reference in this prospectus supplement and the accompanying prospectus and any written communication from us specifying the final terms of any offering. We have not authorized anyone else to provide you with additional or different information. If anyone provides you with additional or different information, you should not rely on it. We are not making an offer to sell these securities in any jurisdiction where the offer or sale of these securities is not permitted. You should assume that the information appearing in this prospectus supplement and the accompanying prospectus, as well as information we previously filed with the SEC and incorporated by reference, is only accurate as of the date of the front cover of this prospectus supplement or accompanying prospectus or as of the date given in the incorporated document, as applicable. Our business, financial condition, liquidity, results of operations and prospects may have changed since that date.

DISCLOSURE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus supplement, the accompanying prospectus and the information incorporated by reference into this prospectus supplement and the accompanying prospectus contain certain “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Such statements include, in particular, statements about our plans, strategies and prospects. You can identify forward-looking statements by our use of forward-looking terminology such as “may,” “will,” “expect,” “anticipate,” “estimate,” “continue” or other similar words. Although we believe that our plans, intentions and expectations reflected in or suggested by such forward-looking statements are reasonable, we cannot assure you that our plans, intentions or expectations will be achieved. When considering such forward-looking statements, you should keep in mind the following important factors that could cause our actual results to differ materially from those contained in any forward-looking statement:

- the financial condition of our customers could deteriorate;
- we may not be able to lease or release second generation space, defined as previously occupied space that becomes available for lease, quickly or on as favorable terms as old leases;
- we may not be able to lease our newly constructed buildings as quickly or on as favorable terms as originally anticipated;
- we may not be able to complete development, acquisition, reinvestment, disposition or joint venture projects as quickly or on as favorable terms as anticipated;
- development activity by our competitors in our existing markets could result in an excessive supply of office, industrial and retail properties relative to customer demand;
- our markets may suffer declines in economic growth;
- unanticipated increases in interest rates could increase our debt service costs;
- unanticipated increases in operating expenses could negatively impact our operating results;
- we may not be able to meet our liquidity requirements or obtain capital on favorable terms to fund our working capital needs and growth initiatives or to repay or refinance outstanding debt upon maturity; and
- the Company could lose key executive officers.

This list of risks and uncertainties, however, is not intended to be exhaustive. You should also review the other cautionary statements we make under “Risk Factors” in this prospectus supplement, as such risk factors may be amended, updated or modified periodically in our reports filed with the SEC.

Given these uncertainties, you should not place undue reliance on forward-looking statements. We undertake no obligation to publicly release the results of any revisions to these forward-looking statements to reflect any future events or circumstances or to reflect the occurrence of unanticipated events.

- (1) Selling stockholders that are entities may distribute shares of common stock prior to sale under this prospectus. The selling stockholders may also include persons who are donees, pledgees or successors-in-interest of the listed selling stockholders.
- (2) The shares of common stock include warrants and Common Units held by a selling stockholder and assumes that such warrants will be exercised and units will be redeemed for shares of our common stock. The number of shares of common stock assumes that no stock options are exchanged for shares of common stock.
- (3) This percentage is calculated assuming that each selling stockholder sells all of the shares offered by this prospectus. It is difficult to estimate with any degree of certainty the amount and percentage of shares of common stock that would be held by each selling stockholder after completion of the offering. First, we have the option to satisfy unit redemption requests by paying the cash value of the units rather than issuing shares of our common stock. The number of shares offered hereby assumes we elect to satisfy all redemption requests by issuing shares. Second, assuming a selling stockholder receives shares of common stock upon an exercise of warrants or a redemption of such holder's Common Units, such holder may offer all, some or none of such shares.
- (4) Gene H. Anderson is a director of the Company.
- (5) O. Temple Sloan Jr. is the Chairman of the Board of Directors of the Company.
- (6) Paul Kreckman is a Vice President of the Company.

PLAN OF DISTRIBUTION

This prospectus relates to the offer and sale by the selling stockholders of 3,753,518 shares of our common stock, which shares we may issue upon the exercise of a like number of warrants or the redemption of a like number of Common Units. Our common stock is listed on the New York Stock Exchange under the symbol “HIW.”

We have not and will not receive any proceeds from the offering by the selling stockholders.

As used in this prospectus, “selling stockholders” includes donees, pledgees, transferees or other successors-in-interest selling shares received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution or other non-sale related transfer. All costs, expenses and fees in connection with the registration of the shares of common stock offered hereby will be borne by us. Brokerage commissions and similar selling expenses, if any, attributable to the sale of shares of common stock offered hereby will be borne by the selling stockholders. Sales of shares of common stock may be effected by selling stockholders from time to time in one or more types of transactions (which may include block transactions) on the NYSE, in the over-the-counter market, in negotiated transactions, through put or call options transactions relating the shares of common stock, through short sales of shares of common stock or through a combination of such methods of sale, at market prices prevailing at the time of sale or at negotiated prices. Such transactions may or may not involve brokers or dealers. The selling stockholders have advised us that they have not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of their shares, nor is there an underwriter or coordinating broker acting in connection with the proposed sale of shares of common stock by the selling stockholders.

The selling stockholders may effect such transactions by selling shares of common stock directly to purchasers or to or through broker-dealers, which may act as agents or principals. Such broker-dealers may receive compensation in the form of discounts, concessions or commissions from the selling stockholders and/or the purchasers of shares of common stock for whom such broker-dealers may act as agents or to whom they sell as principal, or both (which compensation as to a particular broker-dealer might be in excess of customary commissions).

The selling stockholders and any broker-dealers that act in connection with the sale of shares of common stock might be deemed to be “underwriters” within the meaning of Section 2(11) of the Securities Act of 1933, and any commissions received by such broker-dealers and any profit on the resale of the shares of common stock sold by them while acting as principals might be deemed to be underwriting discounts or commissions under the Securities Act. We have agreed to indemnify each selling stockholder against certain liabilities, including liabilities arising under the Securities Act. The selling stockholders may agree to indemnify any agent, dealer or broker-dealer that participates in transactions involving sales of shares of common stock against certain liabilities, including liabilities arising under the Securities Act.

Because selling stockholders may be deemed to be “underwriters” within the meaning of Section 2(11) of the Securities Act, the selling stockholders will be subject to the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the NYSE pursuant to Rule 153 under the Securities Act. We have informed the selling stockholders that the anti-manipulative provisions of Regulation M promulgated under the Exchange Act may apply to their sales in the market.

Selling stockholders also may resell all or a portion of the shares of common stock in open market transactions in reliance upon Rule 144 under the Securities Act, provided the requirements of such rule are met.

Upon being notified by a selling stockholder that any material arrangement has been entered into with a broker-dealer or underwriter for the sale of shares of common stock through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, we will file a supplement to this prospectus, if required, pursuant to Rule 424(b) under the Securities Act, disclosing (i) the name of each such selling stockholder and of the participating broker-dealer(s) or underwriter(s), (ii) the number of shares of common stock involved, (iii) the price at which such shares were or will be sold, (iv) the commissions paid or to be paid or discounts or concessions allowed to such broker-dealer(s) or underwriter(s), where applicable, (v) that, as applicable, such broker-dealer(s) or underwriter(s) did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus and (iv) other facts material to the transaction.
