**ADTRAN, INC. ANNOUNCES REVISED THIRD QUARTER
REVENUE AND EARNINGS ESTIMATE**

HUNTSVILLE, ALABAMA - ADTRAN, Inc. (NASDAQ: ADTN) announced revised revenue and earnings estimates for the third quarter ending September 30, 2014. Based upon information currently available, revenue for the quarter is expected to range from \$162.0 million to \$163.0 million. GAAP earnings per share for the quarter, assuming dilution, are expected to range from \$0.19 to \$0.20. Non-GAAP earnings per share for the quarter are expected to range from \$0.23 to \$0.24. Non-GAAP earnings per share exclude the effect of acquisition related expenses, amortizations and adjustments, and stock compensation expense.

ADTRAN Chief Executive Officer Tom Stanton stated, "Although we did see a sequential increase on our domestic carrier business, that increase was not enough to overcome the more than expected sequential decrease in our European business and a softer enterprise spending environment. We expect a material improvement in results beginning in 2015 as we see a re-acceleration in carrier spending both in Europe and the US. We believe the shortfall in enterprise spending was influenced by inventory corrections which we expect to be resolved as we enter 2015."

The Company confirmed that its third quarter conference call will be held Wednesday, October 15, 2014 at 9:30 a.m. Central Time. This conference call will be web cast live through StreetEvents.com. To listen, simply visit the Investor Relations site at www.adtran.com or www.streetevents.com approximately 10 minutes prior to the start of the call and click on the conference call link provided.

An online replay of the conference call will be available for seven days at www.streetevents.com. In addition, an online replay of the conference call, as well as the text of the Company's earnings release, will be available on the Investor Relations site at www.adtran.com for at least 12 months following the call.

This press release contains forward-looking statements which reflect management's best judgment based on factors currently known. However, these statements involve risks and uncertainties, including the successful development and market acceptance of new products, the degree of competition in the market for such products, the product and channel mix, component costs, manufacturing efficiencies, and other risks detailed in our annual report on Form 10-K for the year ended December 31, 2013 and on Form 10-Q for the quarter ended June 30, 2014. These risks and uncertainties could cause actual results to differ materially from those in the forward-looking statements included in this press release.
