Registration Rights and Stockholders' Agreement

The Reporting Persons are among the parties to a Registration Rights and Stockholders' Agreement dated November 30, 2010 (the "RRSA"). The RRSA contains lock-up and standstill provisions, transfer restrictions, director nomination rights and registration rights with respect to the Securities issued to the equity holders of Seadrift Coke L.P. and C/G Electrodes LLC. As used herein, the term "Milikowsky Holders" includes the Reporting Persons and the entities which they may be deemed to beneficial own for purposes of this Schedule 13D.

Lock-up and Standstill Provisions

Each of the Milikowsky Holders agreed, for two (2) years following November 30, 2010 and thereafter until six (6) months after the later of (i) the termination of the Milikowsky Holders' right to nominate an individual for election as a director of the Issuer (see, "*Board Nomination Rights*", below) and (ii) the date on which any such nominated director ceases to be a member of the Issuer's Board, that:

- it will not enter into, and will not permit any of its controlled affiliates or related parties to enter into, any contract to purchase, sell, borrow, lend, pledge, or otherwise acquire or transfer, directly or indirectly, any securities of the Issuer; and
- it will not enter into, and will not permit any of its controlled affiliates or related parties to enter into, any economic or voting derivative, swap or other contract that transfers to, or acquires from, any other person any of the voting rights or economic consequences of ownership of any securities of the Issuer or the value of which is measured or determined by, or with respect to, the value of any securities of the Issuer.

Each of the Milikowsky Holders agreed not to take any of the following actions for a period of two (2) years following November 30, 2010 and thereafter until six (6) months after the later of (i) the termination of the Milikowsky Holders' right to nominate an individual for election as a director of the Issuer or (ii) the date on which any such nominated director ceases to be a member of the Issuer's Board (the "standstill"):

- initiate or participate in any solicitation of proxies to vote any securities of the Issuer;
 - advise or influence any person (other than a related party) with respect to the voting of any securities of the Issuer;
 - take any action to change, control or influence the management (including the composition of the Issuer's Board) or policies of the Issuer (except in connection with the exercise of the fiduciary duties of the board nominee of the Milikowsky Holders if he is then serving as a member of the Issuer's Board) or to obtain representation on the Board (except for the board designation rights in the RRSA);
 - make any public announcement with respect to, submit a public proposal for or make any public offer as to any extraordinary transaction involving the Issuer;
 - form, assist or participate in a group in connection with any of the foregoing;
-

- enter into any discussions, arrangements or contracts with any other person regarding any of the foregoing; or
- take any action that would require the Issuer under applicable laws, due to fiduciary duties, or otherwise, to make any public announcement relating to any of the foregoing or any extraordinary transaction.

Notwithstanding the lock-up and standstill provisions, Nathan Milikowsky and his wife may transfer up to an aggregate of 1,600,000 shares (as adjusted for any stock split, stock dividend, combination or other recapitalization or reclassification transactions by us) of Common Stock to The Rebecca and Nathan Milikowsky Family Foundation and Daniel Milikowsky and Daniel Milikowsky Family Holdings, LLC may transfer up to an aggregate of 1,600,000 shares (as adjusted for any stock split, stock dividend, combination or other recapitalization or reclassification transactions by the Issuer) of Common Stock to The Daniel and Sharon Milikowsky Family Foundation, Inc. Following the transfer of any such shares to one of such foundations (“Exempt Shares”), the applicable foundation may transfer such shares without restriction under the lock-up and standstill provisions.

Notwithstanding the lock-up and standstill provisions, at any time after six (6) months following November 30, 2010, each of Nathan Milikowsky (and his affiliates and related parties) and Daniel Milikowsky (and his affiliates and related parties) may sell Common Stock in transactions exempt from registration under the Securities Act of 1933 under Rule 144, or otherwise, or in a public offering; provided, that the aggregate number of shares each such group may sell in any three (3) month period may not exceed one percent (1%) of the outstanding shares of Common Stock (but excluding Exempt Shares for these purposes).

Notwithstanding the lock-up and standstill provisions, (a) if the Issuer issues additional shares of its Common Stock or securities convertible into or exercisable or exchangeable for shares of its Common Stock, each of the Milikowsky Holders has the right to purchase, in connection with the offering thereof or thereafter in the open market, up to such additional number of shares of Common Stock or such securities so that its relative percentage of beneficial ownership of Common Stock is the same, after giving effect to such purchase, as it was immediately prior to such issuance and (b) each holder who received shares of Common Stock in the Merger has the right to transfer shares of Common Stock (i) in connection with the consummation of, or otherwise pursuant to, a merger, tender offer, exchange offer or other business combination, so long as such transaction has been approved or recommended by the Issuer’s Board, (ii) as required pursuant to any law or order, or (iii) two (2) years following November 30, 2010.

Registration Rights

The registration rights include up to four (4) demand registrations (two (2) of which may be underwritten offerings) exercisable at any time after sixty (60) days prior to the second anniversary of November 30, 2010 and piggyback rights on certain registrations by the Issuer (whether for its own account or for the account of other stockholders). The Issuer agreed to, within five (5) days following November 30, 2010, include in any shelf registration statement which it may file to register resales of the Issuer common stock by directors and officers of the Issuer, shares of the Issuer common stock issued in connection with the Merger to the Milikowsky Holders (and their related parties and affiliates). The RRSA contains customary registration procedures and indemnification provisions relating to the registration rights, and the Issuer agreed to pay all expenses (other than commissions, discounts and stock transfer taxes) relating to such registrations.

Board Nomination Rights

Pursuant to the RRSA, the Issuer agreed to (i) increase the size of its Board of Directors by one (1) and elect a representative of the Milikowsky Holders (and their related parties and affiliates) to its Board of Directors and (ii) nominate such representative for re-election in subsequent years, provided the Milikowsky Holders (and their related parties and affiliates) continue to hold in the aggregate at least twelve million shares of Common Stock (as adjusted for any stock split, stock dividend, combination, or other recapitalization or reclassification transactions by the Issuer). If at least three years have passed since the initial representative (or a then prior designee) was elected to the Board of Directors or, if prior to such three year period, such initial representative (or prior designee) ceases to serve

due to death, disability or mandatory retirement, the Milikowsky Holders (and their related parties and affiliates) may designate a different representative to be nominated to the Issuer's Board of Directors, provided, that such replacement representative is reasonably acceptable to the Issuer's Board of Directors. The representative of the Milikowsky Holders (and their related parties and affiliates) must meet the requirements of an "independent director" under the listing rules of the New York Stock Exchange and must otherwise satisfy the requirements of the Issuer's corporate policies relating to directors. It is anticipated that Nathan Milikowsky will be elected to the Issuer's Board of Directors as the initial representative of the Milikowsky Holders.

The Issuer's obligations under the RRSA terminate upon the consummation of a change in control as defined in the RRSA and other wise upon the conditions set forth in the RRSA. The foregoing description of the RRSA does not purport to be complete and is qualified in its entirety by reference to the RRSA filed as Exhibit 10.2.0 to the Issuer's Current Report on Form 8-K filed with the Securities and Exchange Commission on November 30, 2010 and is incorporated by reference herein.

Milikowsky Agreement

In order to preserve the Board nomination rights under the RRSA, Nathan Milikowsky and Daniel Milikowsky entered into an Agreement dated as of November 30, 2010 (the "Milikowsky Agreement") pursuant to which each of them agreed that he would be responsible, during the Restricted Period (as defined in the Milikowsky Agreement), to ensure that the number of Securities held by him and certain of his related parties would not, in the aggregate, fall below 6,000,000 shares, as adjusted for any splits, dividends, combinations or reclassifications of the Issuer effected after November 30, 2010. The foregoing description of the Milikowsky Agreement does not purport to be complete and is qualified in its entirety by reference to the Milikowsky Agreement filed as Exhibit 4 to this Schedule 13D.
