## ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement on Form S-3 that we filed with the United States Securities and Exchange Commission, or SEC, using a “shelf” registration procedure. Under this shelf process, we may, from time to time, offer or sell any combination of the securities described in this prospectus in one or more offerings.

This prospectus only provides you with a general description of the securities that we may offer. Each time we offer to sell securities pursuant to this prospectus, we will describe in a prospectus supplement, which will be delivered with this prospectus, specific information about the offering and the terms of the particular securities offered. The prospectus supplement may also add, update or change the information contained in this prospectus. Before purchasing any securities described in this prospectus, you should carefully read both this prospectus and the accompanying prospectus supplement and any free writing prospectus prepared by or on behalf of us, together with the additional information described under “Where You Can Find More Information.”

This prospectus does not contain all of the information included in the registration statement. For a more complete understanding of the offering of the securities described in this prospectus, you should refer to the registration statement, including its exhibits. Those exhibits may be filed with the registration statement or may be incorporated by reference to earlier SEC filings listed in the registration statement or in subsequent filings that we may make under the Securities Exchange Act of 1934, as amended.

**We have not authorized anyone else to provide you with different or additional information from that contained in this prospectus or any accompanying prospectus supplement. We take no responsibility for, and can provide no assurance as to the reliability of, any information that others may give. We are not making an offer to sell or soliciting an offer to buy these securities under any circumstance in any jurisdiction where the offer or solicitation is not permitted. You should assume that the information contained in this prospectus, any prospectus supplement or any free writing prospectus that we have prepared is accurate only as of the date of the respective document in which the information appears, and that any information in documents that we have incorporated by reference is accurate only as of the date of the document incorporated by reference, regardless of the time of delivery of this prospectus or any prospectus supplement or any sale of a security. Our business, financial condition, results of operations and prospects may have changed since those dates.**

## FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated herein by reference contain forward-looking statements relating to future events and our future performance within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. You are cautioned that such statements involve risks and uncertainties, including:

- we may not be able to successfully market Inbrija or any other products under development;
- the COVID-19 pandemic, including related quarantines and travel restrictions, and the potential for the illness to affect our employees or consultants or those that work for other companies we rely upon, could have a material adverse effect on our business operations or product sales;
- our ability to raise additional funds to finance our operations, repay outstanding indebtedness or satisfy other obligations, and our ability to control our costs or reduce planned expenditures and take other actions, which are necessary for us to continue as a going concern;
- risks associated with complex, regulated manufacturing processes for pharmaceuticals, which could affect whether we have sufficient commercial supply of Inbrija to meet market demand;
- third party payers (including governmental agencies) may not reimburse for the use of Inbrija or our other products at acceptable rates or at all and may impose restrictive prior authorization requirements that limit or block prescriptions;
- competition for Inbrija, Ampyra and other products we may develop and market in the future, including increasing competition and accompanying loss of revenues in the U.S. from generic versions of Ampyra (dalfampridine) following our loss of patent exclusivity;
- the ability to realize the benefits anticipated from acquisitions, among other reasons because acquired development programs are generally subject to all the risks inherent in the drug development process and our knowledge of the risks specifically relevant to acquired programs generally improves over time;
- the risk of unfavorable results from future studies of Inbrija (levodopa inhalation powder) or from our other research and development programs, or any other acquired or in-licensed programs;
- the occurrence of adverse safety events with our products;
- the outcome (by judgment or settlement) and costs of legal, administrative or regulatory proceedings, investigations or inspections, including, without limitation, collective, representative or class action litigation;
- failure to protect our intellectual property, to defend against the intellectual property claims of others or to obtain third party intellectual property licenses needed for the commercialization of our products; and
- failure to comply with regulatory requirements could result in adverse action by regulatory agencies.

These forward-looking statements are based on current expectations, estimates, forecasts and projections about the industry and markets in which we operate and management's beliefs and assumptions. All statements, other than statements of historical facts, included in this prospectus and the documents incorporated herein by reference regarding our strategy, future operations, future financial position, future revenues, projected costs, prospects, plans and objectives of management are forward-looking statements. The words "anticipates," "believes," "estimates," "expects," "intends," "may," "plans," "projects," "will," "would," and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. Actual results or events could differ materially from the plans, intentions and expectations disclosed in the forward-looking statements we make, and investors should not place undue reliance on these statements. In addition to the risks and uncertainties described above, we have included important

factors in the cautionary statements included in our Annual Report on Form 10-K, for the year ended December 31, 2019, as updated by our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2020 and June 30, 2020, respectively, particularly in the “Risk Factors” sections of such reports (as updated by the disclosures in our subsequent filings with the SEC that are incorporated by reference herein), that we believe could cause actual results or events to differ materially from the forward-looking statements that we make. Our forward-looking statements do not reflect the potential impact of any future acquisitions, mergers, dispositions, joint ventures or investments that we may make. Forward-looking statements in this prospectus are made only as of the date hereof and, except as required by law, we assume no obligation to update or revise any forward-looking statements contained in this prospectus, the accompanying prospectus supplement or any information incorporated by reference herein or therein, whether as a result of any new information, future events or otherwise.

We market Inbrija (levodopa inhalation powder), which is approved in the U.S. for intermittent treatment of OFF episodes, also known as OFF periods, in people with Parkinson's disease treated with carbidopa/levodopa. Inbrija is for as needed use and utilizes our ARCUS pulmonary delivery system, a technology platform designed to deliver medication through inhalation that we believe has potential to be used in the development of a variety of inhaled medicines. We also market branded Ampyra (dalfampridine) Extended Release Tablets, 10 mg.

We were incorporated in 1995 as a Delaware corporation. Our principal executive offices are located at 420 Saw Mill River Road, Ardsley, New York 10502. Our telephone number is (914) 347-4300. Our website is [www.acorda.com](http://www.acorda.com). Please note that all references to "www.acorda.com" in this prospectus and the accompanying prospectus supplement and documents incorporated by reference herein are inactive textual references only and that the information contained on Acorda's website is neither incorporated by reference nor intended to be used in connection with this offering.

We and our subsidiaries own several registered trademarks in the U.S. and in other countries. These registered trademarks include, in the U.S., the marks "Acorda Therapeutics," our stylized Acorda Therapeutics logo, "Biotie Therapies," "Ampyra," "Inbrija" and "ARCUS." Also, our marks "Fampyra" and "Inbrija" are registered marks in the European Community Trademark Office and we have registrations or pending applications for these marks in other jurisdictions. Our trademark portfolio also includes several registered trademarks and pending trademark applications in the U.S. and worldwide for potential product names or for disease awareness activities. Third party trademarks, trade names, and service marks used in this report are the property of their respective owners.

## **RISK FACTORS**

Our business is subject to numerous risks, as more fully described in the section entitled “Risk Factors” in Part I, Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2019 and in Part II, Item 1A of our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2020 and June 30, 2020, and as may be described in our future filings with the SEC, which are incorporated by reference in this prospectus, as well the other information contained in any applicable prospectus supplement or free writing prospectus. You should also carefully consider the other information included or incorporated by reference in this prospectus, any accompanying prospectus supplement and any free writing prospectus. Each of the risks described in these documents could materially and adversely affect our business, financial condition, results of operations and prospects, and could result in a partial or complete loss of your investment.

## **USE OF PROCEEDS**

Unless we state otherwise in a prospectus supplement, we will use the net proceeds from the sale of securities by us under this prospectus for general corporate purposes, including capital expenditures. Until we use net proceeds for these purposes, we intend to invest them primarily in short-term, investment-grade, interest-bearing securities.

## DESCRIPTION OF COMMON STOCK

### General

We have the authority to issue 370,000,000 shares of common stock, \$0.001 par value per share. As of September 9, 2020, there were 47,968,173 shares of our voting common stock were issued and outstanding (not including 29,304 shares of common stock that were held in treasury), and a maximum of 8,547,360 shares of common stock were issuable upon the exercise of outstanding options and the vesting and settlement of restricted stock units.

The following description of our common stock is only a summary and is subject to and qualified in its entirety by reference to our amended and restated certificate of incorporation, as amended (our “certificate of incorporation”), and our bylaws, as amended (our “bylaws”). Holders of common stock have one vote per share and have no preemption rights. Holders of common stock have the right to participate ratably in all distributions, whether of dividends or assets in liquidation, dissolution or winding up, subject to any superior rights of holders of preferred stock outstanding at the time. See “Preferred Stock” below. There are no redemption or sinking fund provisions applicable to the common stock. Holders of our common stock are not liable under our certificate of incorporation for further calls or to assessment by us.

Computershare Trust Company, N.A. is the transfer agent and registrar for our common stock. Their address is P.O. Box 505000, Louisville, KY 40233-5000 and their telephone number is (800) 368-5948.

### Section 203 of the Delaware General Corporation Law

We are subject to Section 203 of the Delaware General Corporation Law, which, subject to certain exceptions, prohibits a Delaware corporation from engaging in any business combination with any interested stockholder for a period of three years following the time that such stockholder became an interested stockholder, unless:

- prior to such time, the board of directors approved either the business combination or the transaction that resulted in the stockholder becoming an interested holder;
- upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the number of shares outstanding those shares owned (a) by persons who are directors and also officers and (b) by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or
- at or subsequent to such time, the business combination is approved by the board of directors and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least two-thirds of the outstanding voting stock which is not owned by the interested stockholder.

In general, Section 203 defines “business combination” to include the following:

- any merger or consolidation involving the corporation and the stockholder;
- any sale, transfer, pledge or other disposition of 10% or more of the assets of the corporation involving the interested stockholder;
- subject to certain exception, any transaction that results in the issuance or transfer by the corporation of any stock of the corporation to the interested stockholder;
- any transaction involving the corporation that has the effect of increasing the proportionate share of the stock or any class or series of the corporation beneficially owned by the interested stockholder; or
- the receipt by the interested stockholder of the benefit of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation.

In general, Section 203 defines “interested stockholder” as an entity or person beneficially owning 15% or more of the outstanding voting stock of the corporation and any entity or person affiliated with or controlling or controlled by such entity or person.

### **Certificate of Incorporation and Bylaws**

Our certificate of incorporation and bylaws include a number of provisions that may have the effect of deterring hostile takeovers or delaying or preventing changes in control or our management. For example, our certificate of incorporation authorizes the issuance of up to 20,000,000 shares of preferred stock, \$.001 par value per share, of which 1,000,000 shares have been designated as Series A Junior Participating Preferred Stock. Our board of directors has the authority, without approval of the stockholders, to issue and determine the rights and preferences of series of preferred stock. The ability to authorize and issue preferred stock with voting or other rights or preferences makes it possible for our board of directors to issue preferred stock with super voting, special approval, dividend or other rights or preferences on a discriminatory basis that could impede the success of any attempt to acquire us.

Our certificate of incorporation and bylaws also provide that our board of directors is divided into three classes, each serving staggered three-year terms ending at the annual meeting of our stockholders in the third year of their term. All directors elected to our classified board of directors will serve until the election and qualification of their respective successors or their earlier resignation or removal. Members of the board of directors may only be removed for cause and only by the affirmative vote of 75% of our outstanding voting stock. These provisions are likely to increase the time required for stockholders to change the composition of our board of directors.

Our certificate of incorporation and bylaws provide that a meeting of stockholders may only be called by our board of directors, the chairman of our board of directors or our chief executive officer. Our bylaws also specify requirements as to the form and content of a stockholder’s notice. The provisions may delay or preclude stockholders from calling a meeting of stockholders, bringing matters before a meeting of stockholders or from making nominations for directors at a stockholders’ meeting, which could delay or deter takeover attempts or changes in management. Our certificate of incorporation also does not provide for cumulative voting. The absence of cumulative voting may make it more difficult for stockholders owning less than a majority of our stock to elect any directors to our board of directors.

Our bylaws provide that any matter to be voted upon, other than the election of directors, shall be decided based on the majority of votes cast, except where a different vote is otherwise required by the bylaws, applicable law or our certificate of incorporation. The bylaws further provide that directors shall be elected by a plurality of votes cast by the stockholder entitled to vote on the election; provided, however that in an uncontested election, a director who receives a majority “withhold” vote shall be required to tender his or her resignation for consideration by the board of directors.

## DESCRIPTION OF PREFERRED STOCK

### General

We have the authority to issue 20,000,000 shares of preferred stock. As of June 30, 2020, zero shares of our preferred stock were outstanding. The description of preferred stock provisions set forth below is only a summary and is subject to and qualified in its entirety by reference to our amended and restated certificate of incorporation and the certificate of designations relating to any series of preferred stock.

The board of directors has the right, without the consent of holders of common stock, to designate and issue one or more series of preferred stock, which may be convertible into common stock at a ratio determined by the board. A series of preferred stock may bear rights superior to common stock as to voting, dividends, redemption, distributions in liquidation, dissolution, or winding up, and other relative rights and preferences. The board may set the following terms of any series of preferred stock, and a prospectus supplement will specify these terms for any series offered:

- the number of shares constituting the series and the distinctive designation of the series;
- dividend rates, whether dividends are cumulative and, if so, from what date, and the relative rights of priority of payment of dividends;
- voting rights and the terms of the voting rights;
- conversion privileges and the terms and condition of conversion, including provision for adjustment of the conversion rate;
- redemption rights and the terms and conditions of redemption, including the date or dates upon or after which shares may be redeemable and the amount per share payable in case of redemption, which may vary under different conditions and at different redemption dates;
- sinking fund provisions for the redemption or purchase of shares, if any;
- rights in the event of voluntary or involuntary liquidation, dissolution or winding up of the corporation, and the relative rights of priority of payment; and
- any other relative powers, preferences, rights, privileges, qualifications, limitations and restrictions of the series.

The preferred stock will, if issued, be fully paid and nonassessable. The rights of the holders of preferred stock will be subordinate to those of our general creditors.

### Certain Anti-Takeover Matters

Refer to “Description of Common Stock–Section 203 of the Delaware General Corporation Law” and “Description of Common Stock–Our Certificate of Incorporation and Bylaws” for a discussion of provisions of the DGCL and our certificate of incorporation and bylaws that may have the effect of delaying, deferring or preventing a change of control.

## DESCRIPTION OF DEBT SECURITIES

The debt securities covered by this prospectus will be our direct unsecured obligations and will be either senior debt securities or subordinated debt securities. The senior debt securities will be issued in one or more series under a senior indenture, dated as of June 23, 2014, between Acorda Therapeutics, Inc. and Wilmington Trust, National Association, as trustee, unless otherwise specified in the prospectus supplement. The subordinated debt securities will be issued under a subordinated indenture between us and a trustee to be specified in an accompanying prospectus supplement. Subordinated debt securities will be issued under a subordinated indenture. We refer to the senior indenture and the subordinated indenture each as an indenture and together as the indentures.

The following description is a summary of selected portions of the indentures. The indentures have been filed as exhibits to the registration statement of which this prospectus forms a part, and you should read each indenture carefully for provisions that may be important to you.

In addition, the material specific terms particular to debt securities of each series will be described in the prospectus supplement relating to the debt securities of that series.

Unless otherwise specified in the prospectus supplement, the debt securities will be registered debt securities. Debt securities may be sold at a substantial discount below their stated principal amount, bearing no interest or interest at a rate which at the time of issuance is below market rates. The material United States federal income tax considerations applicable to debt securities sold at a discount will be described in the applicable prospectus supplement. The debt securities may be convertible into shares of our common stock or preferred stock.

### Senior Debt Securities

#### *General*

The senior debt securities will rank equally with all of our other unsecured and unsubordinated debt, but will be junior to our secured indebtedness, including our 6.00% Convertible Senior Secured Notes due 2024. The indenture does not limit the amount of debt we may issue under the indenture or otherwise. We may issue the debt securities in one or more series. The debt securities may be issued at various times and may have differing maturity dates and may bear interest at differing rates. The prospectus supplement applicable to each series of debt securities will specify some or all of the following:

- the title;
- the principal amount being offered, and if a series, the total amount authorized and the total amount outstanding;
- any limit on the amount that may be issued;
- whether or not we will issue the series of debt securities in global form, and if so, the terms and who the depository will be;
- the maturity date;
- the principal amount due at maturity;
- whether and under what circumstances, if any, we will pay additional amounts on any debt securities held by a person who is not a United States person for tax purposes, and whether we can redeem the debt securities if we have to pay such additional amounts;
- the annual interest rate, which may be fixed or variable, or the method for determining the rate and the date interest will begin to accrue, the dates interest will be payable and the regular record dates for interest payment dates or the method for determining such dates;

---

[Table of Contents](#)

- whether or not the debt securities will be convertible into shares of common stock or preferred stock and, if so, the terms of such conversion;
- the place where payments will be payable;
- restrictions on transfer, sale or other assignment, if any;
- our right, if any, to defer payment or interest and the maximum length of any such deferral period;
- the date, if any, after which and the conditions upon which, and the price at which, we may, at our option, redeem the series of debt securities pursuant to any optional or provisional redemption provisions and the terms of those redemptions provisions;
- the date, if any, on which, and the price at which we are obligated, pursuant to any mandatory sinking fund or analogous fund provisions or otherwise, to redeem, or at the holder's option to purchase, the series of debt securities and the currency or currency unit in which the debt securities are payable;
- whether the supplemental indenture will restrict our ability to pay dividends or will require us to maintain any asset ratios or reserves;
- whether we will be restricted from incurring any additional indebtedness, issuing additional securities, or entering into a merger, consolidation or sale of our business;
- a discussion of any material or special United States federal income tax considerations applicable to the debt securities;
- information describing any book-entry features;
- provisions for a sinking fund purchase or other analogous fund, if any;
- any provisions for payment of additional amounts for taxes;
- whether the debt securities are to be offered at a price such that they will be deemed to be offered at an "original issue discount" as defined in paragraph (a) of Section 1273 of the Internal Revenue Code of 1986, as amended;
- the denominations in which we will issue the series of debt securities, if other than denominations of \$1,000 and any integral multiple thereof;
- additional events of default;
- whether we and/or the trustee may change an indenture without the consent of any holders;
- the form of debt security and how it may be exchanged and transferred;
- description of the trustee and paying agent, and the method of payments; and
- any other specified terms, preferences, rights or limitations of, or restrictions on, the debt securities and any terms that may be required by us or advisable under applicable laws or regulations.

***Merger Covenant***

We may not merge into any other person or convey, transfer or lease all or substantially all of our properties and assets to any person, and we shall not permit any person to consolidate with or merge into us, unless:

- the successor is either a U.S. corporation or a corporation or entity treated as a corporation for U.S. federal income tax purposes;
- the successor assumes, by a supplemental indenture, on the same terms and conditions all the obligations under the debt securities and the indenture;
- immediately after giving effect to the transaction, no event of default shall have occurred and be continuing;

---

[Table of Contents](#)

- we have delivered to the trustee an officer's certificate and opinion of counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this covenant and that all conditions precedent provided for in the indenture relating to such transaction have been complied with and, in the case of the opinion of counsel, that such supplemental indenture is the valid, binding and enforceable obligation of the successor.

Under the indenture, "person" means any individual, corporation, partnership, joint-venture, joint-stock company, limited liability company or other unincorporated organization or government or any agency or political subdivision thereof. The successor will succeed to, and except in the case of a lease, be substituted for, us under the indenture.

***Events of Default***

The following are events of default under the indenture with respect to any series of debt securities issued:

- we fail to pay interest when due and such failure continues for 90 days, unless the time for payment has been properly extended or deferred in accordance with the terms of the particular series;
- we fail to pay the principal or any premium when due, unless the maturity has been properly extended in accordance with the terms of the particular series;
- we fail to observe or perform any other covenant or agreement contained in the debt securities or the indenture, other than a covenant or agreement specifically relating to another series of debt securities, and such failure continues for 90 days after we receive a notice of default from the trustee or from the holders of at least 25% in aggregate principal amount of the outstanding debt securities of all of the affected series;
- certain events of bankruptcy or insolvency, whether voluntary or not;
- any additional events of default that may be established with respect to a particular series of debt securities under the indenture, as may be specified in the applicable prospectus supplement.

If, with regard to any series of debt securities, an event of default resulting from a failure to pay principal, any premium or interest occurs and is continuing, the trustee or the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series may declare the principal of all debt securities of that series immediately due and payable.

If an event of default other than (i) a failure to pay principal, any premium or interest or (ii) an event of bankruptcy or insolvency occurs and is continuing, the trustee or the holders of at least 25% in aggregate principal amount of the outstanding debt securities of all affected series (all such series voting together as a single class) may declare the principal of all debt securities of such affected series immediately due and payable.

If an event of default resulting from an event of bankruptcy or insolvency occurs and is continuing, then the principal of all outstanding debt securities shall become immediately due and payable without any declaration or other action by the trustee or the holders of the outstanding debt securities.

The holders of a majority in principal amount of the outstanding debt securities of all affected series (voting together as a single class) may waive any past default with respect to such series and its consequences, except a default or events of default regarding payment of principal, any premium or interest, in which case the holders of the outstanding debt securities of each affected series shall vote to waive such default or event of default as a separate class. Such a waiver will eliminate the default.

***Concerning the Trustee***

The trustee, except when there is an event of default, will perform only those duties as are specifically stated in the indenture, including the authentication and delivery of the debt securities. If an event of default has

occurred with respect to any series of debt securities, the trustee must exercise with respect to such debt securities the rights and powers it has under the indenture and use the same degree of care and skill as a prudent person would exercise or use in the conduct of his or her own affairs. The trustee or its affiliates may from time to time in the future provide banking and other services to us in the ordinary course of their business.

### ***Discharge***

The indenture provides that, subject to the terms of the indenture and any limitation otherwise provided in the prospectus supplement or free writing prospectus applicable to a particular series of debt securities, we can elect to be discharged from our obligations with respect to one or more series of debt securities, except for specified obligations, including obligations to:

- register the transfer or exchange of debt securities of the series;
- replace stolen, lost or mutilated debt securities of the series;
- maintain paying agencies;
- maintain an office or agency where debt securities may be presented for payment or transfer and exchange and where notices and demands upon us in respect of such debt securities may be given or served;
- hold monies for payment in trust;
- recover excess money held by the trustee;
- compensate and indemnify the trustee; and
- appoint any successor trustee.

In order to exercise our rights to be discharged, we must deposit with the trustee money or government obligations sufficient to pay all the principal of, any premium and interest on, the debt securities of the series on the dates payments are due.

### ***Modification of the Indenture***

Together with the trustee, we may make modifications and amendments to the indenture without the consent of the holders of the debt securities to, among other things:

- evidence the assumption by a successor corporation of our obligations;
- add covenants for the benefit of the holders of one or more series of the debt securities;
- create a new series of debt securities under the indenture;
- provide for the issuance of additional securities of a series under the indenture;
- cure any ambiguity or correct any inconsistency in the indenture;
- add guarantees or security; and
- make any change that does not adversely affect the rights of holders of the debt securities.

Together with the trustee, we may, when authorized by our board of directors, also make modifications and amendments to the indenture with the consent of the holders of a majority in principal amount of the outstanding debt securities of all affected series. However, without the consent of each affected holder, no modification may:

- extend the fixed maturity of any debt security;
- reduce the principal, premium (if any), rate of interest or extend the time of payment of interest on any debt security;

---

[Table of Contents](#)

- reduce the percentage of holders of outstanding debt securities of any series required to consent to any modification under this section;
- change any place of payment or the currency in which any debt security or any premium or interest thereon is payable;
- change the ranking of any series of debt securities;
- impair the right to enforce any payment after the stated maturity or redemption date; or
- make any change in the amendment provisions that require each holder's consent or in the waiver provisions.

***Governing Law***

The indenture is, and the debt securities issued under it will be, governed by, and will be construed in accordance with, the laws of the State of New York. The indenture will be subject to the provisions of the Trust Indenture Act that are required to be part of the indenture and will, to the extent applicable, be governed by such provisions.

**Subordinated Debt Securities**

***General***

The subordinated debt securities will rank equally with all of our other unsecured and subordinated debt, but will be junior to our secured indebtedness, including our 6.00% Convertible Senior Secured Notes due 2024, and any senior debt securities that we may issue, as described below under the heading “—*Subordination*”. The indenture does not limit the amount of debt securities that we may issue under the indenture or otherwise. We may issue the debt securities in one or more series. The debt securities may be issued at various times and may have differing maturity dates and may bear interest at differing rates.”

The prospectus supplement relating to each series of debt securities will specify all of the following:

- the title;
- the offering price (which may be expressed as a percentage of the aggregate principal amount) of the debt securities;
- the aggregate principal amount of such series that may be authenticated and delivered under the indenture (except for securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other securities of the series pursuant to the indenture and except for any securities deemed never to have been authenticated and delivered);
- the maturity date or dates;
- if applicable, whether the debt securities shall be subject to the defeasance provisions described below under “—*Satisfaction and Discharge*” or such other defeasance provisions specified in the applicable prospectus supplement for the debt securities;
- any conversion or exchange provisions;
- the date of the debt securities if other than the date of original issuance;
- the person who shall be entitled to receive interest, if other than the record holder on the record date and the manner in which such interest will be payable;
- the date or dates on which the principal of the debt securities of such series is payable;

---

[Table of Contents](#)

- the rate or rates, and if applicable the method used to determine the rate, at which the debt securities of such series will bear interest, if any, the date or dates from which such interest will accrue, the date or dates on which such interest will be payable and the record date or dates for the interest payable on any debt securities on any interest payment date;
- the place or places where payments of principal and interest may be made and securities may be surrendered for registration of transfer or for exchange;
- the obligation, if any, of the Company to redeem or purchase the debt securities of such series, at the option of the Company or at the option of a holder thereof, pursuant to any sinking fund or other redemption provisions and the period or periods within which, the price or prices at which and the terms and conditions upon which the debt securities of the series may be so redeemed or purchased, in whole or in part;
- if issued other than in minimum denominations of \$1,000 or any multiple of \$1,000, or \$5,000 in the case of Bearer Securities, the denominations in which the debt securities will be issuable;
- the portion of the principal amount that will be payable upon acceleration of maturity, if other than the entire principal amount;
- if other than U.S. currency, the currency, currencies or currency units in which principal, premium, if any, or interest will be payable and the manner of determining the equivalent thereof in U.S. currency;
- if the principal of (and premium, if any, on) or any interest on the debt securities is to be payable, at our election or the election of a holder thereof, in one or more currencies other than that the currency or currencies in which the debt securities are stated to be payable, the currency or currencies in which payment is to be made payable and the periods and terms upon which such election is to be made;
- if the amount of payments of principal of (and premium, if any, on) or any interest on the debt securities of the series may be determined by reference to an index, the manner in which such amounts shall be determined;
- whether the debt securities will be issuable in book-entry only form;
- any interest rate calculation agents, exchange rate calculation agents or other agents for the debt securities, if other than the trustee;
- whether and under what circumstances we will pay additional amounts in respect of any series of debt securities and whether we have the option to redeem such debt securities rather than pay such additional amounts;
- any provisions relating to the extension of maturity of, or the renewal of, the debt securities of such series, or the conversion of the debt securities of such series into other securities of the Company;
- any provisions relating to the purchase or redemption of all or any portion of a tranche or series of debt securities, including the period of notice required to redeem those debt securities;
- any subordination provisions applicable to the debt securities if different from those described below under “—*Subordination*”;
- any other terms or provisions relating to the payment of principal of, premium (if any) or interest thereon, including, but not limited to, whether such debt securities are issuable at a discount or premium, as amortizable debt securities and if payable in, convertible or exchangeable for commodities or other securities of ours; and
- any other specific terms of such debt securities.

If we denominate the purchase price of any of the debt securities in a foreign currency or currencies, or if the principal of or premium, if any, or interest on any series of debt securities is payable in a foreign currency or

---

[Table of Contents](#)

currencies, we will include in the applicable prospectus supplement information on the restrictions, elections, material United States federal income tax considerations, specific terms and other information with respect to that issue of debt securities and the relevant foreign currency or currencies.

***Subordination***

Except as otherwise provided in a prospectus supplement, subordinated debt securities will be unsecured and will be subordinated in right of payment to the prior payment in full of all of our secured and senior indebtedness, as more fully described in the applicable prospectus supplement. Notwithstanding the foregoing, if a deposit is made in accordance with the terms of the indenture with respect to any debt securities (and provided all other conditions set out in the indenture shall have been satisfied with respect to such debt securities), then, when the 90th day after such deposit has ended, no money obligations so deposited, and no proceeds thereon, will be subject to any rights of holders of senior indebtedness, including any rights of subordination.

Under the indenture, senior indebtedness means, without duplication, the principal, premium, if any, unpaid interest (including interest accruing on or after the filing of any petition in bankruptcy or for reorganization, whether or not a claim for post-filing interest is allowed in such proceeding), fees, charges, expenses, reimbursement and indemnification obligations, and all other amounts payable under or in respect of the following indebtedness, whether any such indebtedness exists as of the date of the indenture or is created, incurred or assumed after such date:

- all obligations for borrowed money;
- all obligations evidenced by debentures, debt securities or other similar instruments;
- all obligations associated with derivative products, including but not limited to, securities contracts, foreign currency exchange contracts, swap agreements (including interest rate and foreign exchange rate swap agreements), cap agreements, floor agreements, collar agreements, interest rate agreements, foreign exchange rate agreements, options, commodity futures contracts, commodity option contracts and similar financial instruments;
- all obligations in respect of letters of credit or bankers acceptances or similar instruments (or reimbursement obligations with respect thereto);
- all obligations to pay the deferred purchase price of property or services, except trade accounts payable arising in the ordinary course of business;
- all indebtedness of others guaranteed by us or any of our subsidiaries or for which we or any of our subsidiaries is legally responsible or liable (whether by agreement to purchase indebtedness of, or to supply funds or to invest in, others);
- indebtedness secured by any mortgage, pledge, lien, charge, encumbrance or any security interest existing on property owned by the Company but excluding any obligations of the Company which are required (as opposed to elected) to be treated as finance leases under generally accepted accounting principles;
- purchase money and similar obligations; and
- any renewals, extensions, refundings or replacements of any of the foregoing.

***Events of Default; Waiver***

Unless we indicate otherwise in a prospectus supplement with respect to a particular series of debt securities, an “event of default,” when used in the indenture, means any of the following:

- our default in the payment of the principal (or premium, if any) on any of the debt securities of such series as and when due, either at maturity, upon redemption, by declaration or otherwise, or any payment required by any sinking or analogous fund with respect to any series of the debt securities;

---

[Table of Contents](#)

- our default in the payment of any installment of interest on the debt securities when due, and continuance of such default for a period of 90 days;
- our failure to observe or perform any other covenant or agreement in the debt securities or the indenture and the continuance of such default or breach for a period of 90 days after our receipt of written notice from the trustee or the holders of at least 25% in aggregate principal amount of the debt securities then outstanding of that series specifying such failure and requiring it to be remedied;
- a court having jurisdiction enters a decree or order for relief in respect of us in an involuntary case or proceeding under any applicable bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of us or for any substantial part of our or its respective property, or ordering the winding-up or liquidation of our affairs shall have been entered and remained unstayed and in effect for a period of 60 consecutive days;
- we commence a voluntary case or proceeding under any applicable bankruptcy, insolvency or other similar law, or consent to the entry of a decree or order for relief in an involuntary case or proceeding under any such law, or the consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of us or of any substantial part of our or its respective property, or the making by us of a general assignment for the benefit of creditors; or
- any other event of default provided with respect to a particular series of debt securities, as described in the prospectus supplement with respect to the offering of such series.

If an event of default occurs and continues as described in the first, second, third or sixth bullet above, either the trustee or the holders of at least 25% in aggregate principal amount of the debt securities of that series then outstanding by written notice to us (with a copy to the trustee, if given by holders) may declare the principal amount of the debt securities of that series to be immediately due and immediately payable. If an event of default occurs and continues as described in the fourth or fifth bullet above, the principal amount of all of the debt securities issued under the indenture shall automatically be deemed immediately due and payable.

The indenture also provides that the holders of a majority in principal amount of the debt securities of each series outstanding at the time may, on behalf of the holders of all of the debt securities of that series, waive any past default with respect to the debt securities and its consequences, except a default in the payment of the principal of, premium, if any, and interest on the debt securities or a bankruptcy or insolvency-related default, or with respect to any covenant or provision that cannot be modified or amended under the terms of the indenture without the holder of such outstanding debt security so affected.

The holders of a majority in principal amount of the debt securities of each series may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee. However, the trustee may refuse to follow any direction that conflicts with law or the indenture or that the trustee determines in good faith may be unjustly prejudicial to the holders of the debt securities not consenting or that may involve the trustee in personal liability. In addition, the trustee may take any other action it deems proper that is not inconsistent with any such direction received from the holders of a majority in principal amount of the debt securities.

The trustee shall be under no obligation to exercise any of the rights or powers vested in it by the indenture at the request, order or direction of any of the holders of any debt securities or related coupons pursuant to the provisions of the indenture, unless such holders shall have offered to the trustee security or indemnity reasonably satisfactory to it against the losses, costs, expenses and liabilities which might be incurred by it in compliance with such request, order or direction. Except to enforce the right to receive payment of principal, premium, if any, or interest, no holder of a debt security will have any right to institute any proceeding, judicial or otherwise, with respect to the indenture, or for the appointment of a receiver or trustee, or for any other remedy under the indenture unless:

- such holder has previously given the trustee written notice of a continuing event of default;

---

[Table of Contents](#)

- holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series have made a written request to the trustee to institute proceedings in respect of such event of default in its own name as trustee under the indenture;
- such holders provide to the trustee reasonable indemnity acceptable to the trustee against the costs, expenses and liabilities to be incurred with such request;
- the trustee has failed to institute a proceeding within 60 days after its receipt of the notice, request and offer of indemnity; and
- the holders of a majority in aggregate principal amount of the outstanding debt securities do not give the trustee a direction inconsistent with the request within such 60-day period.

The indenture requires the applicable trustee to notify the holders of a series regarding the existence of any default known to the trustee, unless the default has been cured or waived. In addition, except in the case of a default in payment of principal of or interest on any debt security or the payment of any sinking or purchase fund installment, the trustee may withhold notice of a default if and so long as the trustee in good faith determines that withholding the notice is in the interests of the holders of the debt securities. Furthermore, the trustee shall not provide notice of default to the holders of debt securities following our failure to duly observe or perform any of the covenants or agreements contained in the debt securities or indenture (other than certain payment obligations) unless at least 30 days after the occurrence thereof. For purposes of these requirements, a “default” means any event which is, or after notice or lapse of time or both would become, an event of default under the indenture with respect to the debt securities of such series.

We are required to deliver to the trustee, within 120 days after the end of each fiscal year, commencing with the year during which the first series of debt securities is issued under the indenture, a written statement signed by certain officers regarding our performance under the indenture throughout the year and specifying any known default in the fulfilment of any of our obligations under the indenture, together with certain additional details regarding any such known default.

***Merger, Consolidated, Sale, Lease or Conveyance***

Unless otherwise indicated in a prospectus supplement with respect to a particular series of debt securities, we will not merge into or consolidate with any other corporation, or sell or convey all or substantially all of our assets to any person, firm, or corporation, unless:

- either we are the continuing corporation or the successor corporation is a corporation organized and existing under the laws of the United States or a state thereof or the District of Columbia and expressly assumes the due and punctual payment of the principal, premium, if any, and interest on all the debt securities according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of the indenture to be performed by us by supplemental indenture, executed and delivered to the trustee by such successor corporation;
- neither we nor such successor corporation, immediately after giving effect to such merger, consolidation, sale or conveyance, will be in default in the performance of any covenant or condition under the applicable indenture; and
- we shall have delivered to the trustee an officer’s certificate and an opinion of counsel, each stating that the transaction complies with the terms of the indenture and that all conditions precedent in such indenture provided for relating to such transaction have been complied with.

In the case of any such consolidation or merger, sale or conveyance and upon any such assumption by the successor corporation, the successor corporation shall succeed to, and be substituted for, us under the indenture with the same effect as if it had been an original party to such indenture.

### *Modification of the Indenture*

Unless we indicate otherwise in a prospectus supplement and except as set forth below, modification and amendment of the indenture, or entry into a supplemental indenture applicable to the debt securities, may be made only when authorized by our board of directors and with the consent of the holders of not less than a majority in principal amount of the debt securities outstanding affected by such supplemental indenture, voting together as a single class.

Notwithstanding the foregoing, no modification or amendment of an indenture as applicable to any series of debt securities may:

- extend the fixed maturity of any debt security, or reduce the principal amount thereof or premium, if any, or reduce the rate or extend the time of payment of interest thereon, without the consent of the holder of each debt security so affected;
- reduce the percentage in principal amount of outstanding debt securities that is required for any supplemental indenture without the consent of the holders of all debt securities then outstanding;
- modify the subordination provisions in a manner adverse to the holders of any debt security; or
- modify any of the applicable provisions with respect to modification and waiver.

In addition, we and the trustee may modify or amend the indenture as applicable to the debt securities, with the consent of our board of directors but without the consent of any holder of the debt securities, for any of the following purposes:

- to evidence the succession of another corporation to the Company, or successive successions, and provide for the successor's assumption of our covenants, agreements and obligations under the indenture and the debt securities issued thereunder;
- to add further covenants, restrictions, conditions or provisions as our board of directors considers to be for the protection of the holders of the debt securities, and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions an event of default permitting the enforcement of all or any of the remedies provided under the indenture, with such period of grace and subject to such conditions as such supplemental indenture may provide;
- to add or change any of the provisions of the indenture to provide that Bearer Securities may be registrable as to principal, to change or eliminate any restrictions on the payment of principal of or any premium or interest on Bearer Securities, to permit Bearer Securities to be issued in exchange for Registered Securities, to permit Bearer Securities to be issued in exchange for Bearer Securities of other authorized denominations or to permit or facilitate the issuance of debt securities in uncertificated form; provided, that any such action shall not adversely affect the interests of the holders of the debt securities or any related coupons in any material respect;
- to modify, eliminate or add provisions of the indenture to such extent as necessary in order to effect the qualification of the indenture under the Trust Indenture Act of 1939, as amended, or the Trust Indenture Act, or any similar federal statute thereafter enacted, and to add such other provisions as may be expressly permitted by the Trust Indenture Act, excluding Section 316(a)(2) thereof or any corresponding provision in any similar federal statute hereafter enacted;
- to modify, eliminate or add to any provisions of the indenture; provided that any such change or elimination (i) becomes effective only when there are no outstanding debt securities and created prior to the execution of such supplemental indenture that is entitled to the benefit from such provision or (ii) does not apply to any outstanding debt security;
- (i) to cure any ambiguity or to correct or supplement any provision in the indenture or any supplemental indenture which may be defective or inconsistent with any other provision, (ii) to convey,

transfer, assign, mortgage or pledge any property to or with the trustee or (iii) to make such other provisions in regard to matters or questions arising under the indenture; provided, that no such provision shall adversely affect in any material respect the interests of the holders of the debt securities or any related coupons, including provisions necessary or desirable to provide for or facilitate the administration of the trusts; and

- to evidence and provide for the acceptance and appointment by a successor trustee with respect to the debt securities of one or more series and to add or change any provisions of the indenture as necessary to provide for or facilitate the administration of the trusts.

The trustee shall not be obligated to enter into any amendment or supplemental indenture that adversely affects the trustee's own rights, duties or immunities under the indenture or otherwise.

Subject to the requirements for the holders to waive a default related to bankruptcy events, defaults related to covenants or provisions that cannot be modified without the consent of each affected holder, and the rights of any holder of a debt security to receive payment of principal of, premium, if any, on and interest on such debt securities, holders of a majority in aggregate principal amount of the debt securities voting as a single class of such series or of all debt securities, as the case may be, then outstanding may waive all defaults with respect to that series or with respect to all securities treated as a single class and rescind and annul such declaration and its consequences, but no waiver or rescission and annulment will extend to or affect any subsequent default.

### ***Satisfaction and Discharge***

The indenture may be discharged and cease to be of further effect as to the applicable debt securities, when:

- either:
  - all debt securities of any series that have been authenticated and all coupons, if any, appertaining thereto have been delivered to the trustee for cancellation, except (i) coupons on Bearer Securities that meet certain conditions, (ii) debt securities and coupons that have been destroyed, lost or stolen and that have been replaced or paid as provided in the indenture, (iii) coupons relating to debt securities called for redemption and maturing after the relevant redemption date, whose surrender has been waived, and (iv) debt securities and coupons for which payment has been deposited in trust or segregated and held in trust by us and thereafter repaid to us or discharged from such trust; or
  - all debt securities and certain coupons discussed above that have not been delivered to the trustee for cancellation (i) have become due and payable, (ii) are by their terms due and payable within one year or (iii) are to be called for redemption within one year under arrangements satisfactory to the trustee for the giving of notice of redemption, and in the case of clauses (i) and (iii) in the preceding bullet point, we have deposited or caused to be deposited with the trustee as trust funds the entire amount (other than moneys repaid by the trustee or any paying agent to us under the terms of the indenture) sufficient to pay at maturity or upon redemption all debt securities of such series and coupons not delivered to the trustee for cancellation, including principal (and premium, if any) and any interest due or to become due to such date of maturity or date of redemption;
- we have paid or caused to be paid all other sums payable by us under the indenture with respect to the debt securities;
- upon demand of and at our cost and expense, the trustee has executed instruments reasonably requested by us acknowledging the satisfaction and discharge of the indenture with respect to the debt securities; and
- we have delivered to the trustee an officer's certificate and an opinion of counsel stating that the conditions precedent to the satisfaction and discharge of the debt securities have been complied with.

## ***Legal Defeasance and Covenant Defeasance***

### *Legal Defeasance*

Under the terms of the indenture and unless otherwise provided in a supplemental indenture, we will be deemed to have paid and will be discharged from any and all obligations in respect of the debt securities after we have made the deposit referred to below and the conditions precedent and subsequent set forth below are satisfied, and the provisions of the indenture will cease to be applicable with respect to the debt securities (except for, among other matters, certain rights of the holders to receive payments of principal, premium and interest when due on such debt securities from the trust fund, and our obligations to register the transfer of or exchange of the debt securities, prepare temporary debt securities, replace stolen, lost or mutilated debt securities, maintain paying agents and hold funds for payment in trust, and rights, powers, trusts, duties and immunities with respect to the trustee) if:

- we have irrevocably deposited or caused to be deposited with the trustee, in trust, money in an amount and/or non-callable or non-redeemable government securities that will provide funds in amount sufficient, in the opinion of a nationally recognized public accounting firm expressed in a written certification delivered to the trustee, to pay the principal of, premium, if any, and accrued interest on the debt securities until maturity or redemption in accordance with the terms of the indenture and any mandatory sinking fund payments or analogous payments applicable to such debt securities;
- no default or event that after notice or lapse of time, or both, would become a default with respect to such debt securities, will have occurred and be continuing on the date of such deposit, or insofar as events of default due to certain events of bankruptcy, insolvency or reorganization in respect of us are concerned, during the period ending on the 123rd day after the date of such deposit or, if longer, ending on the day following the expiration of the longest preference period applicable to the company with respect to such deposit;
- such defeasance or covenant defeasance does not (i) cause the trustee for the debt securities to have a conflicting interest under the terms of the indenture or the Trust Indenture Act or (ii) result in the trust arising from such deposit to constitute, unless it is qualified, a regulated investment company under the Investment Company Act of 1940, as amended;
- such defeasance or covenant defeasance does not result in a breach or violation of, or constitute a default under, the indenture or any other agreement or instrument to which we are a party or by which we are bound;
- such defeasance or covenant defeasance does not cause any debt securities of such series then listed on any registered national securities exchange under the Exchange Act to be delisted;
- we have delivered to the trustee an opinion of counsel stating that (i) we have received from, or there has been published by, the Internal Revenue Service a ruling or (ii) since the date of the indenture there has been a change in the applicable United States federal income tax law to the effect that, and based thereon, holders of the debt securities will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to United States federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such defeasance had not occurred;
- such defeasance is effected in compliance with any terms, conditions or limitations which may be imposed on the Company in connection with a supplemental indenture or board resolutions establishing such series of debt securities; and
- we shall have delivered to the trustee an officer's certificate and an opinion of counsel, each stating that all conditions precedent and subsequent provided for in the indenture relating to the defeasance have been complied with.

*Covenant Defeasance*

Under the terms of the indenture and unless as otherwise provided in a supplemental indenture, we will not need to comply with certain restrictive covenants, and the provisions of the applicable indenture will cease to be applicable with respect to an event of default under the debt securities other than an event of default due to our failure to pay the principal of or interest on the debt securities when due, upon:

- the satisfaction of the conditions described above in “*Legal Defeasance and Covenant Defeasance – Legal Defeasance*,” other than with respect to the sixth bullet point; and
- our delivery to the trustee of an opinion of counsel to the effect that the holders of the debt securities will not recognize income, gain or loss for United States federal income tax purposes as a result of such covenant defeasance and will be subject to United States federal income tax on the same amount and in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred.

If we exercise our option to omit compliance with certain provisions of the indenture as described in the immediately preceding paragraph and the debt securities are declared due and payable because of the occurrence of an event of default that remains applicable, the amount of money and/or non-callable government securities on deposit with the trustee may not be sufficient to pay amounts due on the debt securities at the time of acceleration resulting from such event of default. In such event, we will remain liable for such payments.

***Trustee***

The accompanying prospectus supplement will specify the trustee for the particular series of debt securities to be issued under the indenture.

At all times, the trustee must be a corporation organized and doing business under the laws of the United States or any state or territory thereof or of the District of Columbia, with authority to exercise corporate trust powers, be subject to the supervision or examination by federal, state, territorial or District of Columbia authority, have at all times a combined capital and surplus of not less than \$50,000,000 and not be the Company or any person directly or indirectly controlled or controlled by or under common control with the Company.

If the trustee acquires any conflicting interest, as defined in the Trust Indenture Act, with respect to the debt securities, within 90 days after the trustee has acquired a conflicting interest, which has not been cured or waived, the trustee would generally be required by the Trust Indenture Act to eliminate that conflicting interest or resign as trustee with respect to the debt securities issued under the applicable indenture. If the trustee resigns, we are required to appoint a successor trustee with respect to the affected securities promptly. The trustee and/or certain of its affiliates may provide banking, investment and other services to us.

***Governing Law***

The indenture and the debt securities will be governed by, and construed in accordance with, the laws of the State of New York. The indenture will be subject to the provisions of the Trust Indenture Act that are required to be part of the indenture and will, to the extent applicable, be governed by such provisions.

## DESCRIPTION OF WARRANTS

We may issue warrants for the purchase of common stock, preferred stock, debt securities, or any combination thereof. Warrants may be issued independently or together with common stock, preferred stock or debt securities and may be attached to or separate from any offered securities. The following description, together with the additional information we may include in any applicable prospectus supplement, summarizes the material terms and provisions of any warrants that we may offer under this prospectus and the related warrant agreements and warrant certificates. While the terms summarized below will apply generally to any warrants that we may offer, we will describe the particular terms of any series of warrants in more detail in the applicable prospectus supplement. The terms of any warrants offered under a prospectus supplement may differ from the terms described below. With respect to any warrants that we offer, specific warrant agreements will contain additional important terms and provisions and will be incorporated by reference as an exhibit to the registration statement that includes this prospectus or as an exhibit to a Current Report on Form 8-K, incorporated by reference in this prospectus.

### General

With respect to any warrants that we offer, we will describe in the applicable prospectus supplement the terms of the series of warrants, including:

- the offering price and aggregate number of warrants offered;
- the currency for which the warrants may be purchased;
- if applicable, the designation and terms of the securities with which the warrants are issued and the number of warrants issued with each such security or each principal amount of such security;
- if applicable, the date on and after which the warrants and the related securities will be separately transferable;
- in the case of warrants to purchase common stock or preferred stock, the number of shares of common stock or preferred stock, as the case may be, purchasable upon the exercise of one warrant and the price at which these shares may be purchased upon exercise;
- in the case of warrants to purchase debt securities, the principal amount of debt securities purchasable upon exercise of one warrant and the price at which, and currency in which, this principal amount of debt securities may be purchased upon exercise;
- the effect of any merger, consolidation, sale or other disposition of our business on the warrant agreement and the warrants;
- the terms of any rights to redeem or call the warrants;
- any provisions for changes to or adjustments in the exercise price or number of securities issuable upon exercise of the warrants;
- the dates on which the right to exercise the warrants will commence and expire;
- the manner in which the warrant agreement and warrants may be modified;
- federal income tax consequences of holding or exercising the warrants;
- the terms of the securities issuable upon exercise of the warrants; and
- any other specific terms, preferences, rights or limitations of or restrictions on the warrants.

Before exercising their warrants, holders of warrants will not have any of the rights of holders of the securities purchasable upon such exercise, including:

- in the case of warrants to purchase debt securities, the right to receive payments of principal of, or premium, if any, or interest on, the debt securities purchasable upon exercise or to enforce covenants in the applicable indenture; or

- in the case of warrants to purchase common stock or preferred stock, the right to receive dividends, if any, or, payments upon our liquidation, dissolution or winding up or to exercise voting rights, if any.

### **Exercise of Warrants**

With respect to any warrants that we issue, each warrant will entitle the holder to purchase the securities that we specify in the applicable prospectus supplement at the exercise price that we describe in the applicable prospectus supplement. Unless we otherwise specify in the applicable prospectus supplement, holders of the warrants may exercise the warrants at any time up to 5:00 p.m. New York time on the expiration date set forth in the applicable prospectus supplement. After the close of business on the expiration date, unexercised warrants will become void.

Holders of the warrants may exercise the warrants by delivering the warrant certificate representing the warrants to be exercised together with specified information, and paying the required amount to the warrant agent in immediately available funds, as provided in the applicable prospectus supplement. We will set forth on the reverse side of the warrant certificate and in the applicable prospectus supplement the information that the holder of the warrant will be required to deliver to the warrant agent.

Upon receipt of the required payment and the warrant certificate properly completed and duly executed at the corporate trust office of the warrant agent or any other office indicated in the applicable prospectus supplement, we will issue and deliver the securities purchasable upon such exercise. If fewer than all of the warrants represented by the warrant certificate are exercised, then we will issue a new warrant certificate for the remaining amount of warrants. If we so indicate in the applicable prospectus supplement, holders of the warrants may surrender securities as all or part of the exercise price for the warrants (“cashless exercise”).

### **Enforceability of Rights by Holders of Warrants**

With respect to any warrants that we issue, each warrant agent will act solely as our agent under the applicable warrant agreement and will not assume any obligation or relationship of agency or trust with any holder of any warrant. A single bank or trust company may act as warrant agent for more than one issue of warrants. A warrant agent will have no duty or responsibility in case of any default by us under the applicable warrant agreement or warrant, including any duty or responsibility to initiate any proceedings at law or otherwise, or to make any demand upon us. Any holder of a warrant may, without the consent of the related warrant agent or the holder of any other warrant, enforce by appropriate legal action its right to exercise, and receive the securities purchasable upon exercise of, its warrants.

## DESCRIPTION OF UNITS

We may issue units comprised of one or more of the other securities described in this prospectus or any prospectus supplement in any combination. Each unit will be issued so that the holder of the unit is also the holder, with the rights and obligations of a holder, of each security included in the unit. The units may be issued under unit agreements to be entered into between us and a unit agent, which may provide that the securities included in the unit may not be held or transferred separately, at any time or times before a specified date or upon the occurrence of a specified event or occurrence.

The applicable prospectus supplement will describe:

- the designation and terms of the units and of the securities comprising the units, including whether and under what circumstances the securities comprising the units may be held or transferred separately;
- a description of the terms of any unit agreement governing the units;
- a description of the provisions for the payment, settlement, transfer or exchange of the units;
- a discussion of material federal income tax considerations, if applicable; and
- whether the units if issued as a separate security will be issued in fully registered or global form.

The preceding summary of the terms of the units does not purport to be complete and is subject to, and is qualified in its entirety by reference to, the terms of the units being offered, as well as any applicable unit agreement and the terms of the applicable classes of securities comprising the unit. Therefore, you should carefully consider the actual provisions of the unit, any unit agreement and the applicable securities.

## PLAN OF DISTRIBUTION

We may sell the securities offered through this prospectus from time to time pursuant to underwritten public offerings, negotiated transactions, block trades or a combination of these methods or through underwriters, dealers or agents or directly to one or more purchasers. The securities may be distributed from time to time in one or more transactions at:

- a fixed price or prices, which may be changed;
- market prices prevailing at the time of sale;
- prices related to the prevailing market price; or
- negotiated prices.

Each time that we sell securities pursuant to this prospectus, we will provide a prospectus supplement or supplements that will describe the method of distribution and set forth the terms and conditions of the offering of such securities, including the following information:

- the terms of the offering;
- the names of any underwriters, dealers or agents;
- the name or names of any managing underwriter or underwriters;
- the purchase price of the securities;
- the net proceeds from the sale of the securities;
- any underwriting discounts, concessions, commissions or agency fees and other items constituting underwriters', dealers' or agents' compensation;
- any delayed delivery arrangements; and
- estimated offering expenses.

We may grant to the underwriters options to purchase additional securities at the public offering price, with additional underwriting commissions or discounts, as applicable, set forth in the prospectus supplement. The terms of any option to purchase additional securities will be set forth in the prospectus supplement for those securities.

We may engage in at-the-market offerings into an existing trading market in accordance with Rule 415(a)(4) under the Securities Act of 1933, as amended. Any at-the-market offering will be through an underwriter or underwriters acting as principal or agent for us.

### **Sales Through Underwriters or Dealers**

If underwriters are used in the sale, the underwriters will acquire the securities offered through this prospectus for their own account, including through underwriting, purchase, security lending or repurchase agreements with us. The underwriters may resell the securities from time to time in one or more transactions, including negotiated transactions. Underwriters may sell the securities in order to facilitate transactions in any of our other securities (described in this prospectus or otherwise), including other public or private transactions and short sales. Underwriters may offer securities to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more firms acting as underwriters. Unless otherwise indicated in the prospectus supplement, the obligations of the underwriters to purchase the securities will be subject to certain conditions, and the underwriters will be obligated to purchase all the offered securities if they purchase any of them. The underwriters may change from time to time any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers. The prospectus supplement will include the names of the underwriters and the terms of the transaction, including any underwriting discounts or commissions.

If dealers are used in the sale of securities offered through this prospectus, we will sell the securities to them as principals. They may then resell those securities to the public at varying prices determined by the dealers at the time of resale. The prospectus supplement will include the names of the dealers and the terms of the transaction, including any discounts or commissions received.

#### **Direct Sales and Sales Through Agents**

We may sell the securities offered through this prospectus directly. In this case, no underwriters, dealers or agents would be involved. Such securities may also be sold through agents designated from time to time. The prospectus supplement will name any agent involved in the offer or sale of the offered securities and will describe any commissions payable to the agent. Unless otherwise indicated in the prospectus supplement, any agent will agree to use its reasonable best efforts to solicit purchases for the period of its appointment.

We may sell the securities directly to institutional investors or others who may be deemed to be underwriters within the meaning of the Securities Act with respect to any sale of those securities. The terms of any such sales will be described in the prospectus supplement.

#### **Delayed Delivery Contracts**

If the prospectus supplement indicates, we may authorize underwriters, dealers or agents to solicit offers from certain types of institutions to purchase securities offered through this prospectus at the public offering price under delayed delivery contracts. These contracts would provide for payment and delivery on a specified date in the future. The contracts would be subject only to those conditions described in the prospectus supplement. The applicable prospectus supplement will describe the commission payable for solicitation of those contracts.

#### **Market Making, Stabilization and Other Transactions**

Unless the applicable prospectus supplement states otherwise, all preferred stock, debt securities, warrants and units will be new issues of securities with no established trading market. Unless indicated in the applicable prospectus supplement, we do not expect to list the offered securities on a securities exchange, except for our common stock, which is listed on The Nasdaq Global Select Market. Any underwriters that we use in the sale of offered securities may make a market in such securities, but may discontinue such market making at any time without notice. Therefore, we cannot assure you that the securities will have a liquid trading market.

Any underwriter may also engage in stabilizing transactions, syndicate covering transactions and penalty bids in accordance with Rule 104 of Regulation M under the Securities Exchange Act of 1934, as amended. Stabilizing transactions involve bids to purchase the underlying security in the open market for the purpose of preventing or retarding a decline in the price of the securities. Syndicate covering transactions involve purchases of the securities in the open market after the distribution has been completed in order to cover syndicate short positions. Penalty bids permit the underwriters to reclaim a selling concession from a syndicate member when the securities originally sold by the syndicate member are purchased in a stabilizing or syndicate covering transaction to cover syndicate short positions.

Stabilizing transactions, syndicate covering transactions and penalty bids may have the effect of raising or maintaining the market price of our securities or preventing or retarding a decline in the market price of our securities. As a result, the price of the securities in the open market may be higher than it would otherwise be in the absence of these transactions. The underwriters may, if they commence these transactions, discontinue them at any time.

#### **Derivative Transactions and Hedging**

We, the underwriters or other agents may engage in derivative transactions involving the securities offered through this prospectus. These derivatives may consist of short sale transactions and other hedging activities. The

---

[Table of Contents](#)

underwriters or agents may acquire a long or short position in the securities, hold or resell securities acquired and purchase options or futures on the securities and other derivative instruments with returns linked to or related to changes in the price of the securities. In order to facilitate these derivative transactions, we may enter into security lending or repurchase agreements with the underwriters or agents. The underwriters or agents may effect the derivative transactions through sales of the securities to the public, including short sales, or by lending the securities in order to facilitate short sale transactions by others. The underwriters or agents may also use the securities purchased or borrowed from us or others (or, in the case of derivatives, securities received from us in settlement of those derivatives) to directly or indirectly settle sales of the securities or close out any related open borrowings of the securities.

**Electronic Auctions**

We may also make sales through the Internet or through other electronic means. Since we may from time to time elect to offer securities directly to the public, with or without the involvement of agents, underwriters or dealers, utilizing the Internet or other forms of electronic bidding or ordering systems for the pricing and allocation of such securities, you will want to pay particular attention to the description of that system, which we will provide in a prospectus supplement.

Such electronic system may allow bidders to directly participate, through electronic access to an auction site, by submitting conditional offers to buy that are subject to acceptance by us, and which may directly affect the price or other terms and conditions at which such securities are sold. These bidding or ordering systems may present to each bidder, on a so-called “real-time” basis, relevant information to assist in making a bid, such as the clearing spread at which the offering would be sold, based on the bids submitted, and whether a bidder’s individual bids would be accepted, prorated or rejected. For example, in the case of debt security, the clearing spread could be indicated as a number of “basis points” above an index treasury note.

Upon completion of such an electronic auction process, securities will be allocated based on prices bid, terms of bid or other factors. The final offering price at which securities would be sold and the allocation of securities among bidders would be based in whole or in part on the results of the Internet or other electronic bidding process or auction.

**General Information**

The specific terms of any lock-up provisions in respect of any given offering will be described in the applicable prospectus supplement.

Underwriters, dealers and agents may be entitled, under agreements entered into with us, to indemnification by us against certain liabilities, including liabilities under the Securities Act of 1933, as amended. Our underwriters, dealers and agents, or their affiliates, may be customers of, engage in transactions with or perform services for us, in the ordinary course of business.

In compliance with guidelines of the Financial Industry Regulatory Authority, Inc., or FINRA, and unless otherwise disclosed in the applicable prospectus supplement, we do not intend for the maximum consideration or discount to be received by any FINRA member or independent broker dealer to exceed 8.0% of the aggregate amount of the securities offered pursuant to this prospectus and any applicable prospectus supplement.

Underwriters, dealers and agents may engage in transactions with us, or perform services for us, in the ordinary course of business for which they receive customary compensation.

Unless otherwise specified in any applicable prospectus supplement, the validity of the securities covered by this prospectus will be passed upon for us by Covington & Burling LLP. Counsel for any underwriters, dealers or agents will be named in the applicable prospectus supplement.

**ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS**

The Company is a Delaware corporation. Section 145 of the Delaware General Corporation Law, or the DGCL, grants each corporation organized thereunder the power to “indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person’s conduct was unlawful.”

Section 102(b)(7) of the DGCL enables a corporation in its certificate of incorporation or an amendment thereto to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for violations or the directors’ fiduciary duty of care, except (i) for any breach of the director’s duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

Article Seven of the Company’s amended and restated certificate of incorporation (filed as Exhibit 3.1) provides that except as otherwise provided by the DGCL, no director of the Company shall be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director.

**ITEM 17. UNDERTAKINGS**

The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the U.S. Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (i)(i), (i)(ii) and (i)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the U.S. Securities and Exchange U.S. Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference into this registration statement, or that are contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

4. That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the

registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

5. That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to the registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

6. That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

7. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the indemnification provisions described herein, or otherwise, the registrant has been advised that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

8. To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the U.S. Securities and Exchange Commission under Section 305(b)(2) of the Trust Indenture Act.

All Securities of any one series shall be substantially identical except as to denomination, interest rate, maturity and other similar terms and except as may be provided otherwise by or pursuant to such Board Resolution, Officer’s Certificate or supplemental indenture.

#### **SECTION 2.04. Securities in Global Form.**

If Securities of a series are issuable in global form, as specified as contemplated by Section 2.03(b), then, notwithstanding clause (11) of Section 2.03(b) and the provisions of Section 2.05, any such Security in global form shall represent such of the Securities of such series Outstanding as shall be specified therein, and any such Security

in global form may provide that it shall represent the aggregate amount of Securities Outstanding from time to time endorsed thereon and that the aggregate amount of Securities Outstanding represented thereby may from time to time be reduced to reflect any exchanges of beneficial interests in such Security in global form for Securities of such series as contemplated herein. Any endorsement of a Security in global form to reflect the amount, or any decrease in the amount, of Securities Outstanding represented thereby shall be made by the Trustee or the Security Registrar in such manner and upon instructions given by such person or persons as shall be specified in such Security in global form or in the Company Order to be delivered to the Trustee pursuant to Section 2.06 or Section 2.08. Subject to the provisions of Section 2.06 and, if applicable, Section 2.08, the Trustee or the Security Registrar shall deliver and redeliver any Security in permanent global form in the manner and upon instructions given by the person or persons specified in such Security in global form or in the applicable Company Order. If a Company Order pursuant to Section 2.06 or Section 2.08 has been, or simultaneously is, delivered, any instructions by the Company with respect to endorsement or delivery or redelivery of a Security in global form shall be in writing but need not be represented by a Company Order and need not be accompanied by an Opinion of Counsel.

The provisions of the last sentence of Section 2.06 shall apply to any Security represented by a Security in global form if such Security was never issued and sold by the Company and the Company delivers to the Trustee or the Security Registrar the Security in global form together with written instructions (which need not be represented by a Company Order and need not be accompanied by an Opinion of Counsel) with regard to the reduction in the principal amount of Securities represented thereby, together with the written statement contemplated by the last sentence of Section 2.06.

Notwithstanding the provisions of Section 2.05, unless otherwise specified as contemplated by Section 2.03(b), payment of principal of and any premium and interest on any Security in permanent global form shall be made to the persons or persons specified therein.

**SECTION 2.05. Denominations; Record Date; Payment of Interest.**

(a) Unless otherwise provided as contemplated by Section 2.03(b) with respect to any series of Securities, any Registered Securities of a series shall be issuable without coupons in minimum denominations of \$1,000 and any Bearer Securities of a series shall be issuable, with interest coupons attached, in the minimum denomination of \$5,000.

(b) The term “record date” as used with respect to an interest payment date for any series of a Registered Security shall mean such day or days as shall be specified as contemplated by Section 2.03(b); provided, that in the absence of any such provisions with respect to any series, such term shall mean (1) the last day of the calendar month next preceding such interest payment date if such interest payment date is the 15th day of a calendar month; or (2) the 15th day of a calendar month next preceding such interest payment date if such interest payment date is the first day of the calendar month.

Unless otherwise provided as contemplated by Section 2.03 with respect to any series of Securities, the person in whose name any Registered Security is registered at the close of business on the record date with respect to an interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding the cancellation of such Security upon any registration of transfer or exchange thereof subsequent to such record date prior to such interest payment date; provided, that if and to the extent the Company shall default in the payment of the interest due on such interest payment date, such defaulted interest shall be paid to the persons in whose names the Securities are registered on a subsequent record date established by notice given to the extent and in the manner set forth in Section 15.04 by or on behalf of the Company to the holders of Securities of the series in default not less than 15 days preceding such subsequent record date, such record date to be not less than five days preceding the date of payment of such defaulted interest, or in any other lawful manner acceptable to the Trustee.

(c) Unless otherwise specified by Board Resolution or Company Order for a particular series of Securities, the principal of, redemption premium, if any, on and interest, if any, on the Securities of any series shall be payable at the office or agency of the Company maintained pursuant to Section 4.02 in a Place of Payment for such series, in the coin or currency of the United States of America that at the time is legal tender for public and private debt; provided, that, at the option of the Company, payment of interest with respect to a Registered Security may be paid by check mailed to the holders of the Registered Securities entitled thereto at their last addresses as they appear on the Security Register or wired if held in book-entry form at the U.S. Depository.

**SECTION 2.06. Execution, Authentication, Delivery and Dating of Securities.**

The Securities shall be signed on behalf of the Company by its Chief Executive Officer or its Chief Financial Officer. Such signatures may be the manual or facsimile signatures of such then-current officers.

Coupons shall bear the facsimile signature of the Secretary or one of the Assistant Secretaries of the Company or such other officer of the Company as may be specified pursuant to Section 2.03(b). Any Security or coupon may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Security, shall be the proper officers of the Company, although at the date of the execution of this Indenture any such person was not such officer. Securities and coupons bearing the manual or facsimile signatures of individuals who were, at the actual date of the execution of such Security or coupon, the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities, or the delivery of such coupons, as the case may be, or did not hold such offices at the date of such Securities.

Upon the execution and delivery of this Indenture, the Company shall deliver to the Trustee an Officer's Certificate as to the incumbency and specimen signatures of officers authorized to execute and deliver the Securities and coupons and give instructions under this Section and, as long as Securities are Outstanding under this Indenture, shall deliver a similar Officer's Certificate each year on the anniversary of the date of the first such Officer's Certificate. The Trustee may conclusively rely on the documents delivered pursuant to this Section (unless revoked by superseding comparable documents) and Section 2.03 hereof as to the authorization of the Board of Directors of any Securities delivered hereunder, and the form and terms thereof, and as to the authority of the instructing officers referred to in this Section so to act.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in an unlimited aggregate principal amount upon receipt by the Trustee of a Company Order; provided, that with respect to Securities of a series subject to a Periodic Offering, (a) such Company Order may be delivered to the Trustee prior to the delivery to the Trustee of such Securities for authentication and delivery, (b) the Trustee shall authenticate and deliver Securities of such series for original issue from time to time, in an aggregate principal amount not exceeding the aggregate principal amount, if any, established for such series, pursuant to a Company Order or pursuant to such procedures acceptable to the Trustee as may be specified from time to time by a Company Order, (c) the maturity date or dates, original issue date or dates, interest rate or rates and any other terms of Securities of such series shall be determined by Company Order or pursuant to such procedures, and (d) if provided for in such procedures, such Company Order may authorize authentication and delivery pursuant to oral or electronic instructions from the Company or its duly authorized agent or agents, which oral instructions shall be promptly confirmed in writing. Except as permitted by Section 2.09, the Trustee shall not authenticate and deliver any Bearer Security unless all appurtenant coupons for interest then matured have been detached and cancelled.

Prior to the issuance of a Security of any new series and any related coupons, and the authentication thereof by the Trustee, the Trustee shall have received and (subject to Section 7.02) shall be fully protected in relying on:

(a) The Board Resolution or Officer's Certificate or supplemental indenture establishing the terms and the form of the Securities of that series pursuant to Section 2.01 and Section 2.03;

(b) An Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to the authentication and delivery of Securities in such form have been complied with; and

(c) An Opinion of Counsel stating that the form and terms of such Securities and coupons, if any, have been established in conformity with the provisions of this Indenture and that all conditions precedent in connection with the authentication and delivery of the Securities have been satisfied; provided, that with respect to Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to receive such Opinion of Counsel only once at or prior to the time of the first authentication of Securities of such series.

With respect to Securities of a series offered in a Periodic Offering, the Trustee may rely, as to the authorization by the Company of any of such Securities, the form and terms thereof, any coupons and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and other documents delivered pursuant to this Section in connection with the first authentication of Securities of such series unless and until such Opinion of Counsel or other documents have been superseded or revoked. In connection with the authentication and delivery of Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to assume that the Company's instructions to authenticate and deliver such Securities do not violate any rules, regulations or orders of any governmental agency or commission having jurisdiction over the Company.

Each Registered Security shall be dated the date of its authentication except as otherwise provided by Board Resolution or Officer's Certificate or supplemental indenture; and each Bearer Security shall be dated as of the date of original issuance of the first Security of such series to be issued unless otherwise specified pursuant to Section 2.03 hereof.

The aggregate principal amount of Securities of any series outstanding at any time may not exceed any limit upon the maximum principal amount for such series set forth in or pursuant to the Board Resolution or Officer's Certificate or supplemental indenture delivered pursuant to Section 2.03, except as provided in Section 2.08.

No Security or coupon shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security, or the Security to which such coupon appertains, a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 2.10 together with a written statement stating that such Security has never been issued and sold by the Company, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

#### **SECTION 2.07. Exchange and Registration of Transfer of Securities.**

(a) The Company shall keep, at an office or agency to be designated and maintained by the Company in accordance with Section 4.02 (as such, a "Security Registrar"), registry books (the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall register Registered Securities and shall register the transfer of Registered Securities of each such series as provided in this Article 2. Such Security Register shall be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times such Security Register shall be open for inspection by the Trustee. Upon due presentment for registration of transfer of any Registered Security of a particular series at such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, the Company shall execute and register and the Trustee shall authenticate and make available for delivery in the name of the transferee or transferees a new Registered Security or Registered Securities of such series of any authorized denominations and for an equal aggregate principal amount and tenor.

(b) At the option of the holder, Registered Securities of any series may be exchanged for other Registered Securities of the same series of any authorized denominations and of an equal aggregate principal amount and tenor. Registered Securities to be exchanged shall be surrendered at any such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, and the Company shall execute and register and the Trustee shall authenticate and make available for delivery in exchange therefor the Security or Securities that the securityholder making the exchange shall be entitled to receive. Registered Securities, including Registered Securities received in exchange for Bearer Securities, may not be exchanged for Bearer Securities, unless the Company otherwise expressly provides for the issuance, upon such terms and conditions as may be provided with respect to such series, by the Company of Registered Securities of a series that may be exchanged, at the option of the securityholder upon such conditions and limitations as may be specified by the Company, for Bearer Securities of such series.

At the option of the holder, Bearer Securities of any series may be exchanged for Registered Securities of the same series of any authorized denominations and of a like aggregate principal amount and tenor, upon surrender of the Bearer Securities to be exchanged at any such office or agency, with all unmatured coupons (except as provided below) and with all matured coupons in default appertaining thereto. If the holder of a Bearer Security is unable to produce any such unmatured coupon or coupons or matured coupon or coupons in default, such exchange may be effected if the Bearer Securities are accompanied by payment in funds acceptable to the Company in an amount equal to the face amount of such missing coupon or coupons, or the surrender of such missing coupon or coupons may be waived by the Company and the Trustee if there is furnished to them such security or indemnity as they may require to save each of them and any paying agent harmless. If thereafter the holder of such Securities shall surrender to any paying agent any such missing coupon in respect of which such a payment shall have been made, such holder shall be entitled to receive the amount of such payment; provided, that, except as otherwise provided in Section 4.02, interest represented by coupons shall be payable only upon presentation and surrender of those coupons at an office or agency located outside the United States and its Possessions. Notwithstanding the foregoing, in case a Bearer Security of any series is surrendered at any such office or agency in exchange for a Registered Security of the same series and like tenor after the close of business at such office or agency on (i) any record date and before the opening of business at such office or agency on the relevant interest payment date, or (ii) any special record date and before the opening of business at such office or agency on the related proposed date for payment of defaulted interest as set forth in Section 2.05, such Bearer Security shall be surrendered without the coupon relating to such interest payment date or proposed date for payment, as the case may be, and interest or defaulted interest, as the case may be, will not be payable on such interest payment date or proposed date for payment, as the case may be, in respect of the Registered Security issued in exchange for such Bearer Security, but will be payable only to the holder of such coupon when due in accordance with the provisions of this Indenture.

Whenever any Securities are so surrendered for exchange, the Company shall execute and register, and the Trustee shall authenticate and make available for delivery, the Securities which the holder making the exchange is entitled to receive.

(c) All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

All Registered Securities presented for registration of transfer or for exchange, redemption or payment, as the case may be, shall (if so required by the Company or the Trustee) be duly endorsed by, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and the Trustee or the Security Registrar duly executed by, the holder thereof or his or her attorney duly authorized in writing.

No service charge shall be made for any exchange or registration of transfer of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith, other than exchanges pursuant to the terms of this Indenture not involving any transfer.

The Company shall not be required (1) to exchange or register the transfer of Securities of any series to be redeemed for a period of 15 days next preceding any selection of such Securities to be redeemed, (2) to exchange or register the transfer of any Registered Security so selected, called or being called for redemption, except in the case of any such series to be redeemed in part the portion thereof not to be so redeemed, or (3) to exchange any Bearer Security so selected for redemption except that such a Bearer Security may be exchanged for a Registered Security of that series and of like tenor, provided that such Registered Security shall be simultaneously surrendered for redemption.

(d) Notwithstanding the foregoing, except as otherwise specified as contemplated by Section 2.03(b), any permanent Global Security shall be exchangeable pursuant to this Section only as provided in this paragraph. If the beneficial owners of interests in a permanent Global Security are entitled to exchange such interests for Securities of such series and of like tenor and principal amount of another authorized form and denomination, as specified as contemplated by Section 2.03(b), then without unnecessary delay but in any event not later than the earliest date on which such interests may be so exchanged, the Company shall deliver to the Trustee or the Security Registrar definitive Securities of that series in aggregate principal amount equal to the principal amount of such permanent Global Security executed by the Company. On or after the earliest date on which such interests may be so

exchanged, in accordance with instructions given by the Company to the Trustee or the Security Registrar and the U.S. Depository (which instructions shall be in writing), such permanent Global Security shall be surrendered from time to time by the U.S. Depository, or such other depository or U.S. Depository, as the case may be, as shall be specified in the Company Order with respect thereto to the Trustee, as the Company's agent for such purpose, or to the Security Registrar, to be exchanged, in whole or in part, for definitive Securities of the same series without charge and the Trustee shall authenticate and make available for delivery in accordance with such instructions, in exchange for each portion of such permanent Global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such permanent Global Security to be exchanged which (unless the Securities of the series are not issuable both as Bearer Securities and as Registered Securities, in which case the definitive Securities exchanged for the permanent Global Security shall be issuable only in the form in which the Securities are issuable, as specified as contemplated by Section 2.03(b)), shall be in the form of Bearer Securities or Registered Securities, or any combination thereof, as shall be specified by the beneficial owner thereof; provided, that no such exchanges may occur for a period of 15 days next preceding any selection of Securities of that series and of like tenor for redemption; and provided further, that no Bearer Security delivered in exchange for a portion of a permanent Global Security shall be mailed or otherwise delivered to any location in the United States or its Possessions. Promptly following any such exchange in part, such permanent Global Security should be returned by the Trustee or the Security Registrar to the U.S. Depository, or such other depository or U.S. Depository referred to above in accordance with the instructions of the Company referred to above. If a Registered Security is issued in exchange for any portion of a permanent Global Security after the close of business at the office or agency where such exchange occurs on (i) any record date and before the opening of business at such office or agency on the relevant interest payment date, or (ii) any special record date and before the opening of business at such office or agency on the related proposed date for payment of defaulted interest as provided in Section 2.05, interest or defaulted interest, as the case may be, will not be payable on such interest payment date or proposed date for payment, as the case may be, in respect of such Registered Security, but will be payable on such interest payment date or proposed date for payment, as the case may be, only to the person to whom interest in respect of such portion of such permanent Global Security is payable in accordance with the provisions of this Indenture.

#### **SECTION 2.08. Temporary Securities.**

Pending the preparation of definitive Securities of any series, the Company may execute and the Trustee shall, upon Company Order, authenticate and make available for delivery, temporary Securities of such series (typewritten, printed, lithographed or otherwise produced). Such temporary Securities, in any authorized denominations, shall be substantially in the form of the definitive Securities in lieu of which they are issued, in registered form or, if authorized, in bearer form with one or more or without coupons, in the form approved from time to time by or pursuant to a Board Resolution but with such omissions, insertions, substitutions and other variations as may be appropriate for temporary Securities, all as may be determined by the Company, but not inconsistent with the terms of this Indenture or any provision of applicable law. In the case of any series issuable as Bearer Securities, such temporary Securities shall be delivered only in compliance with the conditions set forth in Section 2.06 and may be in global form.

Except in the case of temporary Securities in global form (which shall be exchanged as hereinafter provided), if temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company maintained pursuant to Section 4.02 in a Place of Payment for such series for the purpose of exchanges of Securities of such series, without charge to the holder. Upon surrender for cancellation of any one or more temporary Securities of any series (accompanied by any unmatured coupons appertaining thereto), the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a like aggregate principal amount of definitive Securities of the same series and of like tenor of authorized denominations; provided, that, except as otherwise expressly provided by the Company as contemplated in Section 2.07(b), no definitive Bearer Security shall be delivered in exchange for a temporary Registered Security; and provided further, however, that a definitive Bearer Security shall be delivered in exchange for a temporary Bearer Security only in compliance with the conditions set forth in Section 2.06.

Without unnecessary delay but in any event not later than the date specified in, or determined pursuant to the terms of, any such temporary Global Security of a series (the "Exchange Date"), the Company shall deliver to the Trustee definitive Securities of that series, in aggregate principal amount equal to the principal amount of such temporary Global Security, executed by the Company. On or after the Exchange Date such temporary Global Security shall be presented and surrendered by the U.S. Depository to the Trustee, as the Company's agent for such purpose, or to the Security Registrar, to be exchanged, in whole or from time to time in part, for definitive Securities of such series without charge, and the Trustee shall authenticate and make available for delivery, in exchange for each portion of such temporary Global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such temporary Global Security to be exchanged.

Every temporary Security shall be executed by the Company and shall be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities.

#### **SECTION 2.09. Mutilated, Destroyed, Lost or Stolen Securities and Coupons.**

If any mutilated Security or a Security with a mutilated coupon appertaining thereto is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding, with coupons corresponding to the coupons, if any, appertaining to the surrendered Security.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security or coupon and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security or coupon has been acquired by a bona fide purchaser, the Company shall, subject to the following paragraph, execute and the Trustee shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security or in exchange for the Security to which a destroyed, lost or stolen coupon appertains (with all appurtenant coupons not destroyed, lost or stolen), a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding, with coupons corresponding to the coupons, if any, appertaining to such destroyed, lost or stolen Security or to the Security to which such destroyed, lost or stolen coupon appertains.

In case any such mutilated, destroyed, lost or stolen Security or coupon has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security or coupon; provided, however, that principal of (and premium, if any, on) and any interest on Bearer Securities shall, except as otherwise provided in Section 4.02, be payable only at an office or agency located outside the United States and its Possessions.

Upon the issuance of any new Security under this Section, the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series, with any coupons appertaining thereto, issued pursuant to this Section in lieu of any destroyed, lost or stolen Security or in exchange for a Security to which a destroyed, lost or stolen coupon appertains, shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security and any coupons appertaining thereto, or the destroyed, lost or stolen coupon shall be at any time enforceable by anyone, and any such new Security and coupons, if any, shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series and their coupons, if any, duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities or coupons.

---

**SECTION 2.10. Cancellation.**

All Securities surrendered for payment, redemption, exchange or registration of transfer or for credit against any sinking fund payment, as the case may be, and any coupons surrendered for payment, shall, if surrendered to the Company or any agent of the Company or of the Trustee, be delivered to the Trustee. All Registered Securities and matured coupons so delivered shall be promptly cancelled by the Trustee. All Bearer Securities and unmatured coupons so delivered shall be held by the Trustee, and upon instruction by a Company Order, shall be cancelled or held for reissuance. All Bearer Securities and unmatured coupons held by the Trustee pending such cancellation or reissuance shall be deemed to be delivered for cancellation for all purposes of this Indenture and the Securities. The Company may deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section except as expressly provided by this Indenture. Any cancelled Securities and coupons held by the Trustee shall be delivered to the Company or disposed of (including by destruction of such Securities in accordance with the Trustee's customary procedures) as directed by the Company. Upon written request in the form of a Company Order, the Company may direct the Trustee to deliver a certificate of such disposal or destruction to the Company.

**SECTION 2.11. Book Entry Only System.**

If specified by the Company pursuant to Section 2.03(b) with respect to Securities represented by a Security in global form, a series of Securities may be issued initially in book-entry only form and, if issued in such form, shall be represented by one or more Securities in global form registered in the name of the U.S. Depositary or other depositary designated with respect thereto. So long as such system of registration is in effect, (a) Securities of such series so issued in book-entry only form will not be issuable in the form of or exchangeable for Securities in certificated or definitive registered form, (b) the records of the U.S. Depositary or such other depositary will be determinative for all purposes and (c) neither the Company, the Trustee nor any paying agent, Security Registrar or transfer agent for such Securities will have any responsibility or liability for (i) any aspect of the records relating to or payments made on account of owners of beneficial interests in the Securities of such series, (ii) maintaining, supervising or reviewing any records relating to such beneficial interests, (iii) receipt of notices, voting and requesting or directing the Trustee to take, or not to take, or consenting to, certain actions hereunder, or (iv) the records and procedures of the U.S. Depositary or such other depositary, as the case may be.

**ARTICLE 3  
REDEMPTION OF SECURITIES****SECTION 3.01. Redemption of Securities, Applicability of Section.**

Redemption of Securities of any series as permitted or required by the terms thereof shall be made in accordance with the terms of such Securities as specified pursuant to Section 2.03 hereof and this Article; provided, however, that if any provision of any series of Securities shall conflict with any provision of this Section, the provision of such series of Securities shall govern.

**SECTION 3.02. Notice of Redemption, Selection of Securities.**

In case the Company shall desire to exercise the right to redeem all or, as the case may be, any part of a series of Securities pursuant to Section 3.01, it shall fix a date for redemption. Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company, or, at the Company's request, by the Trustee in the name and at the expense of the Company. The Company or the Trustee, as the case may be, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, on that date prior to the date fixed for a redemption to the holders of such Securities so to be redeemed, as a whole or in part, (a) as set forth in a Board Resolution, as described in Section 2.03, or (b) as determined by the Chief Executive Officer or the Chief Financial Officer of the Company (each, an "Authorized Officer") and evidenced by the preparation of an offering document or an Officer's Certificate specifying the period of notice of such redemption. If the Board Resolutions or

an Authorized Officer do not specify a period of notice of such redemption, the Company or the Trustee, as the case may be, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, at least 10 Business Days and not more than 60 calendar days prior to the date fixed for a redemption to the holders of such Securities so to be redeemed as a whole or in part. Notice given in such manner shall be conclusively presumed to have been duly given, whether or not the holder receives such notice. In any case, failure to give such notice or any defect in the notice to the holder of any such Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other such Security. If the Company requests the Trustee to give any notice of redemption, it shall make such request at least 10 days prior to the designated date for delivering such notice, unless a shorter period is satisfactory to the Trustee.

Each such notice of redemption shall specify the date fixed for redemption, the redemption price at which such Securities are to be redeemed, the CUSIP numbers of such Securities, the Place of Payment where such Securities, together, in the case of Bearer Securities, with all coupons appertaining thereto, if any, maturing after the date of redemption, are to be surrendered for payment of the redemption prices, that payment will be made upon presentation and surrender of such Securities, that interest accrued to the date fixed for redemption will be paid as specified in the notice, and that on and after the date interest thereon or on the portions thereof to be redeemed will cease to accrue. If less than all of a series is to be redeemed, the notice of redemption shall specify the numbers of the Securities to be redeemed or, in the case of Global Securities, the portion of such Global Securities. In case any Security is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that, upon surrender of such Security, a new Security or Securities of the same series in principal amount equal to the unredeemed portion thereof will be issued or, in the case of a Global Security, the books and records of the U.S. Depository and the Security Registrar or the Trustee will reflect the reduction in the principal amount of such Global Security as a result of such partial redemption.

On or before the redemption date specified in the notice of redemption given as provided in this Section, the Company will deposit in trust with the Trustee or with one or more paying agents an amount of money sufficient to redeem on the redemption date all the Securities or portions of Securities so called for redemption at the appropriate redemption price, together with accrued interest, if any, to the date fixed for redemption. If less than all of a series of Securities is to be redeemed, the Company will give the Trustee adequate written notice at least 45 days in advance (unless a shorter notice shall be satisfactory to the Trustee) as to the aggregate principal amount of Securities to be redeemed.

If less than all the Securities of a series are to be redeemed, the Trustee shall select, pro rata, by lot or in such other manner as it shall deem appropriate and fair, not more than 60 days prior to the date of redemption, the numbers of such Securities Outstanding not previously called for redemption, to be redeemed in whole or in part. The portion of principal of Securities so selected for partial redemption shall be equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof. The Trustee shall promptly notify the Company of the Securities to be redeemed. If, however, less than all the Securities of a series having differing issue dates, interest rates and stated maturities are to be redeemed, the Company in its sole discretion shall select the particular Securities of such series to be redeemed and shall notify the Trustee in writing at least 45 days prior to the relevant redemption date.

### **SECTION 3.03. Payment of Securities Called for Redemption.**

If notice of redemption has been given as above provided, the Securities or portions of Securities with respect to which such notice has been given shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with any interest accrued to the date fixed for redemption, and on and after that date (unless the Company shall default in the payment of such Securities at the redemption price, together with interest accrued to that date) interest on such Securities or portions of Securities so called for redemption shall cease to accrue and the coupons, if any, for such interest appertaining to any Bearer Securities so to be redeemed, except to the extent provided below, shall be void. On presentation and surrender of such Securities subject to redemption at the Place of Payment and in the manner specified in such notice, together with all coupons, if any, appertaining thereto and maturing after the date specified in such notice for redemption, such Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption; provided, that installments of interest on Bearer Securities whose stated maturity date is on or prior to the date of redemption shall be payable only at an

office or agency located outside the United States and its Possessions (except as otherwise provided in Section 4.02) and, unless otherwise specified as contemplated by Section 2.03, only upon presentation and surrender of coupons for such interest; and provided further, that unless otherwise specified as contemplated by Section 2.03, installments of interest on Registered Securities whose stated maturity date is on or prior to the date of redemption shall be payable to the holders of such Registered Securities, or one or more predecessor Securities, registered as such at the close of business on the relevant record dates according to their terms and the provisions of Section 2.05.

At the option of the Company, payment with respect to Registered Securities may be made by check to the holders of such Securities or other persons entitled thereto against presentation and surrender of such Securities.

If any Bearer Security surrendered for redemption shall not be accompanied by all appurtenant coupons maturing after the date of redemption, such Security may be paid after deducting from the redemption price an amount equal to the face amount of all such missing coupons, or the surrender of such missing coupon or coupons may be waived by the Company and the Trustee if there is furnished to them such security or indemnity as they may require to save each of them and any paying agent harmless. If thereafter the holder of such Security shall surrender to the Trustee or any paying agent any such missing coupon in respect of which a deduction shall have been made from the redemption price, such holder shall be entitled to receive the amount so deducted; provided, that interest represented by coupons shall be payable only at an office or agency located outside the United States and its Possessions (except as otherwise provided in Section 4.02) and, unless otherwise specified as contemplated by Section 2.03, only upon presentation and surrender of those coupons.

Any Security (including any coupons appertaining thereto) that is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the holder thereof or such holder's attorney duly authorized in writing), and upon such presentation, the Company shall execute and the Trustee shall authenticate and make available for delivery to the holder thereof, at the expense of the Company, a new Security or Securities of the same series, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the principal of the Security so presented. If a temporary Global Security or permanent Global Security is so surrendered, such new Security so issued shall be a new temporary Global Security or permanent Global Security, respectively.

#### **SECTION 3.04. Redemption Suspended During Event of Default.**

The Trustee shall not redeem any Securities (unless all Securities then outstanding are to be redeemed) or commence the giving of any notice of redemption of Securities during the continuance of any Event of Default of which a Responsible Officer of the Trustee has actual knowledge or notice, except that where the giving of notice of redemption of any Securities shall theretofore have been made, the Trustee shall redeem such Securities, provided funds are deposited with it for such purpose. Except as aforesaid, any moneys theretofore or thereafter received by the Trustee shall, during the continuance of such Event of Default, be held in trust for the benefit of the securityholders and applied in the manner set forth in Section 6.06; provided, that in case such Event of Default shall have been waived as provided herein or otherwise cured, such moneys shall thereafter be held and applied in accordance with the provisions of this Article.

### **ARTICLE 4 PARTICULAR COVENANTS OF THE COMPANY**

#### **SECTION 4.01. Payment of Principal, Premium and Interest.**

The Company will duly and punctually pay or cause to be paid the principal of (and premium, if any, on) and any interest on each of the Securities of a series at the place, at the respective times and in the manner provided in the terms of the Securities, any coupons appertaining thereto and this Indenture. Unless otherwise specified as contemplated by Section 2.03(b) with respect to any series of Securities, any interest due on and any Additional Amounts payable in respect of Bearer Securities on or before maturity shall be payable only upon presentation and surrender of the several coupons for such interest installments as are evidenced thereby as they severally mature.

---

**SECTION 4.02. Offices for Notices and Payments, etc.**

If Securities of a series are issuable only as Registered Securities, the Company will maintain in each Place of Payment for such series an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. If Securities of a series are issuable as Bearer Securities, the Company will maintain (a) in the contiguous United States, an office or agency where any Registered Securities of that series may be presented or surrendered for payment, where any Registered Securities of that series may be surrendered for registration of transfer, where Securities of that series may be surrendered for exchange, where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served and where Bearer Securities of that series and related coupons may be presented or surrendered for payment in the circumstances described below (and not otherwise), (b) subject to any laws or regulations applicable thereto, in a Place of Payment for that series which is located outside the United States and its Possessions, an office or agency where Securities of that series and related coupons may be presented and surrendered for payment; provided, that if the Securities of that series are listed on The International Stock Exchange of the United Kingdom and the Republic of Ireland, Limited, the Luxembourg Stock Exchange or any other stock exchange located outside the United States and its Possessions and such stock exchange shall so require, the Company will maintain a paying agent for the Securities of that series in London, Luxembourg or any other required city located outside the United States and its Possessions, as the case may be, so long as the Securities of that series are listed on such exchange, and (c) subject to any laws or regulations applicable thereto, in a Place of Payment for that series which is located outside the United States and its Possessions, an office or agency where any Registered Securities of that series may be surrendered for registration of transfer, where Securities of that series may be surrendered for exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served.

The Company will give to the Trustee notice of the location of each such office or agency and of any change in the location thereof. In case the Company shall fail to maintain any such office or agency as required, or shall fail to give such notice of the location or of any change in the location thereof, presentations and surrenders of Securities of that series may be made and notices and demands may be served at the Corporate Trust Office of the Trustee, except that Bearer Securities of that series and the related coupons may be presented and surrendered for payment at any paying agent for such series located outside the United States and its Possessions.

No payment of principal, premium or interest on Bearer Securities shall be made at any office or agency of the Company in the United States or its Possessions or by check mailed to any address in the United States or its Possessions or by transfer to any account maintained with a financial institution located in the United States or its Possessions; provided, that, if the Securities of a series are denominated and payable in Dollars, payment of principal of (and premium, if any) and any interest on any Bearer Security shall be made at the office of the Company's paying agent in the contiguous United States, if (but only if) payment in Dollars of the full amount of such principal, premium, interest or Additional Amounts, as the case may be, at all offices or agencies outside the United States and its Possessions maintained for the purpose by the Company in accordance with this Indenture is illegal or effectively precluded by exchange controls or other similar restrictions.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in accordance with the requirements set forth above for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee and the holders of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby initially designates the Corporate Trust Office as the office of the Company in the contiguous United States where Registered Securities may be presented for payment, for registration of transfer and for exchange as in this Indenture provided and where notices and demands to or upon the Company in respect of the Securities of or this Indenture may be served; provided that the Corporate Trust Office shall not be an office or agency of the Company for the service of legal process against the Company.

**SECTION 4.03. Provisions as to Paying Agent.**

(a) Whenever the Company shall appoint a paying agent other than the Trustee with respect to the Securities of any series, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section:

(1) that it will hold sums held by it as such agent for the payment of the principal of (and premium, if any, on) or any interest on the Securities of such series (whether such sums have been paid to it by the Company or by any other obligor on the Securities of such series) in trust for the benefit of the persons entitled thereto until such sums shall be paid to such persons or otherwise disposed of as herein provided and will notify the Trustee of the receipt of sums to be so held;

(2) that it will give the Trustee notice of any failure by the Company (or by any other obligor on the Securities of such series) to make any payment of the principal of (or premium, if any, on) or any interest on the Securities of such series when the same shall be due and payable; and

(3) that at any time when any such failure has occurred and is continuing, it will, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such paying agent.

(b) If the Company shall act as its own paying agent, it will, on or before each due date of the principal of (and premium, if any) or any interest on the Securities of any series, set aside, segregate and hold in trust for the benefit of the persons entitled thereto a sum sufficient to pay such principal (and premium, if any) or any interest so becoming due until such sums shall be paid to such persons or otherwise disposed of as herein provided. The Company will promptly notify the Trustee of any failure to take such action.

(c) Whenever the Company shall have one or more paying agents with respect to a series of Securities, it will, on or prior to each due date of the principal of (and premium, if any, on) or any interest on, any Securities, deposit with a paying agent a sum sufficient to pay the principal (and premium, if any) or any interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such paying agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

(d) Anything in this Section to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to one or more or all series of Securities hereunder, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust for such series by it or any paying agent hereunder as required by this Section, such sums to be held by the Trustee upon the trusts herein contained, and upon such payment by any paying agent to the Trustee, such paying agent shall be released from all further liability with respect to such money.

(e) Anything in this Section to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section is subject to the provisions of Section 12.03 and Section 12.04.

**SECTION 4.04. Statement as to Compliance.**

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, commencing with the fiscal year ending in the year during which the first series of Securities is issued hereunder (but in no event more than one year from the issuance of the first series hereunder), a written statement signed by the Chief Executive Officer or other principal executive officer and by the Chief Financial Officer or other principal financial officer or principal accounting officer of the Company, stating, as to each signer thereof, that:

(a) a review of the activities of the Company during such year and of performance under this Indenture has been made under his or her supervision; and

(b) to the best of his or her knowledge, based on such review, the Company has fulfilled all its obligations under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such obligation, specifying each such default known to him or her and the nature and status thereof.

---

**SECTION 4.05. Corporate Existence.**

Subject to the provisions of Article 11, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory) and franchises and the corporate existence and rights (charter and statutory) and franchises of its Subsidiaries; provided, that the Company shall not be required to, or to cause any Subsidiary to, preserve any right or franchise or to keep in full force and effect the corporate existence of any Subsidiary if the Company shall determine that the keeping in existence or preservation thereof is no longer desirable in or consistent with the conduct of the business of the Company.

**SECTION 4.06. Waiver of Covenants.**

The Company may omit in any particular instance to comply with any covenant or condition set forth herein if before or after the time for such compliance the holders of a majority in principal amount of the Securities of all series affected thereby then Outstanding shall either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

**ARTICLE 5**  
**SECURITYHOLDER LISTS AND REPORTS BY THE COMPANY AND THE TRUSTEE**

**SECTION 5.01. Securityholder Lists.**

The Company covenants and agrees that it will furnish or cause to be furnished to the Trustee as the Trustee may request in writing, a list, in such form and as of such date as the Trustee may reasonably require, of all information in the possession or control of the Company as to the names and addresses of the holders of Registered Securities of a particular series specified by the Trustee; provided, that if and so long as the Trustee shall be the Security Registrar with respect to such series, such list shall not be required to be furnished.

**SECTION 5.02. Preservation and Disclosure of Lists.**

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the holders of each series of Securities contained in the most recent list furnished to it as provided in Section 5.01 or received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

(b) Securityholders may communicate as provided in Section 312(b) of the Trust Indenture Act with other securityholders with respect to their rights under this Indenture or under the Securities. The Company, the Trustee, the Security Registrar and anyone else shall have the protection of Section 312(c) of the Trust Indenture Act with respect to the sending of any material pursuant to a request made pursuant to Section 312(b) of the Trust Indenture Act.

**SECTION 5.03. Reports by the Company.**

The Company covenants so long as Securities are Outstanding:

(a) to file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) that the Company may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act; or, if the Company is not required to file information, documents or reports pursuant to either of such sections, then to file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports that may be required pursuant to Section 13 of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(b) to file with the Trustee and the Commission, in accordance with the rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants provided for in this Indenture as may be required from time to time by such rules and regulations;

(c) to transmit by mail, or, in the case of Global Securities, by notice delivered in accordance with the applicable procedures of the U.S. Depository, to all the holders of Registered Securities of each series, as the names and addresses of such holders appear on the registry books, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Company with respect to each such series pursuant to subsections (a) and (b) of this Section as may be required by rules and regulations prescribed from time to time by the Commission; and

(d) delivery of any such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such notice shall not constitute constructive notice of any information contained therein or determinable from information collected therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate). The Trustee shall have no liability or responsibility for the filing, timeliness or content of such reports.

#### **SECTION 5.04. Reports by the Trustee.**

(a) On or about [                      ], so long as any Securities are outstanding hereunder and if there has been any change in the following, the Trustee shall transmit by mail, first class postage prepared, to the securityholders, as their names appear upon the Security Register or in the case of Global Securities, electronically, a brief report dated as of the preceding [                      ], if and to the extent required under Section 313(a) of the Trust Indenture Act, detailing certain events that occurred within the previous 12 months.

(b) The Trustee shall comply with Sections 313(b) and 313(c) of the Trust Indenture Act.

(c) A copy of each such report shall, at the time of such transmission to securityholders, be filed by the Trustee with the Company, with each stock exchange upon which any Securities are listed (if so listed) and also with the Commission. The Company agrees to notify the Trustee when any Securities become listed on any stock exchange.

### **ARTICLE 6 REMEDIES**

#### **SECTION 6.01. Events of Default; Acceleration of Maturity.**

In case one or more of the following Events of Default with respect to a particular series shall have occurred and be continuing:

(a) default in (i) the payment of the principal of (or premium, if any, on) any of the Securities of such series as and when the same shall become due and payable either at maturity, upon redemption, by declaration or otherwise or (ii) any payment required by any sinking or analogous fund established with respect to that series;

(b) default in the payment of any installment of interest upon any of the Securities of such series as and when the same shall become due and payable, and continuance of such default for a period of 90 days;

(c) failure on the part of the Company duly to observe or perform any other of the covenants or agreements on the part of the Company contained in the Securities or in this Indenture for a period of 90 days after the date on which written notice of such failure, requiring the Company to remedy the same, shall have been given to the Company by the Trustee, or to the Company and the Trustee by the holders of at least 25% in aggregate principal amount of the Securities of that series at the time Outstanding;

(d) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or for any substantial part of its property, or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days;

(e) the Company shall commence a voluntary case or proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of a decree or order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Company or for any substantial part of its property, or shall make any general assignment for the benefit of creditors; or

(f) any other Event of Default provided with respect to Securities of that series;

then, if an Event of Default described in clause (a), (b), (c) or (f) shall have occurred and be continuing, and in each and every such case, unless the principal amount of all the Securities of such series shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Securities of that series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by securityholders) may declare the principal amount of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) of that series to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Securities of such series contained to the contrary notwithstanding; or, if an Event of Default described in clause (d) or (e) shall have occurred and be continuing, and in each and every such case, unless the principal of all the Securities of such series shall have already become due and payable, the principal amount of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) shall be automatically deemed immediately due and payable.

#### **SECTION 6.02. Rescission and Annulment.**

The provisions in Section 6.01 are subject to the condition that if, at any time after the principal of the Securities of any one or more of all series, as the case may be, shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest upon all the Securities of such series or of all the Securities, as the case may be, and the principal of (and premium, if any, on) all Securities of such series or of all the Securities, as the case may be (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities), which shall have become due otherwise than by acceleration (with interest upon such principal and premium, if any) and, to the extent that payment of such interest is enforceable under applicable law, on overdue installments of interest, at the same rate as the rate of interest specified in the Securities of such series or all Securities, as the case may be (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for interest on overdue principal thereof upon maturity, redemption or acceleration of such series, as the case may be), to the date of such payment or deposit, and such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence, bad faith or willful misconduct, and any and all defaults under the Indenture, other than the non-payment of the principal of Securities that has become due by acceleration, shall have been remedied; then and in every such case the holders of a majority in aggregate principal amount of the Securities of such series (or of all the Securities, as the case may be) then Outstanding, by written notice to the Company and to the Trustee, may waive all defaults with respect to that series or with respect to all Securities, as the case may be in such case, treated as a single class and rescind and annul such declaration and its consequences; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereon.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Trustee and the securityholders, as the case may be, shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Company, the Trustee and the securityholders, as the case may be, shall continue as though no such proceedings had been taken.

**SECTION 6.03. Collection of Indebtedness and Suits for Enforcement by Trustee.**

The Company covenants that if:

(a) default is made in the payment of any installment of interest on any Security when such interest becomes due and payable and such default continues for a period of 90 days,

(b) default is made in the payment of the principal or premium, if any, of any Security at the maturity thereof, including any maturity occurring by reason of a call for redemption or otherwise, or

(c) default is made in the deposit of any sinking fund payment when and as due by the terms of a Security, the Company will, upon demand of the Trustee, pay to it, for the benefit of the holders of such Securities and any coupons appertaining thereto, the whole amount that shall have become due and payable on such Securities and coupons for principal or premium, if any, and interest, with interest upon the overdue principal and, to the extent that payment of such interest shall be legally enforceable, upon overdue installments of interest, at the rate borne by such Securities; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceedings to judgment or final decree, and may enforce the same against the Company or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the securityholders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

**SECTION 6.04. Trustee May File Proofs of Claim.**

In the case of the pendency of a receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal and premium, if any, and any interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the holders of Securities and coupons allowed in such judicial proceeding; and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator or sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each holder of Securities and coupons to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the holders of Securities and coupons, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06. To the extent that such payment of reasonable compensation, expenses, disbursements, advances and other amounts out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, moneys, securities and other property which the holders of the Securities and coupons may be entitled to receive in such proceedings, whether in liquidation or under any plan or reorganization or arrangements or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of the holder of a Security or a coupon any plan of reorganization, arrangement, adjustment or composition affecting the Securities or coupons or the rights of any holder thereof, or to authorize the Trustee to vote in respect of the claim of any holder of a Security or a coupon in any such proceeding.

**SECTION 6.05. Trustee May Enforce Claims Without Possession of Securities or Coupons.**

All rights of action and claims under this Indenture or the Securities or coupons may be prosecuted and enforced by the Trustee without the possession of any of the Securities or coupons or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Securities and coupons in respect of which such judgment has been recovered.

**SECTION 6.06. Application of Money Collected.**

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or premium, if any, or any interest, upon presentation of the Securities or coupons, or both, as the case may be, and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.06;

SECOND: To the payment of all Senior Indebtedness of the Company if and to the extent required by Article 16;

THIRD: To the payment of the amounts then due and unpaid upon the Securities for principal of and premium, if any, and any interest on the Securities and coupons, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities and coupons, for principal and any interest, respectively; and

FOURTH: To the Company or its successors or assigns, or to whomsoever may be lawfully entitled to receive the same.

**SECTION 6.07. Limitation on Suits.**

No holder of any Security of any series or any related coupons shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(1) such holder has previously given written notice to the Trustee of a continuing Event of Default;

(2) the holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such holder or holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceedings; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the holders of a majority in aggregate principal amount of the Outstanding Securities;

it being understood and intended that no one or more such holders of Securities shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such holders of Securities or to obtain or to seek to obtain priority or preference over any other of such holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such holders of Securities and the Trustee shall not be obligated to determine if any action of holders is prejudicial to any other holder.

#### **SECTION 6.08. Unconditional Right of Securityholders to Receive Principal and Interest.**

Notwithstanding any other provision in this Indenture, the holder of any Security or coupon shall have the right, which is absolute and unconditional, to receive payment of the principal of and premium, if any, and (subject to Section 2.05 and Section 3.02) any interest on such Security or payment of such coupon on the respective stated maturities expressed in such Security or coupon (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such holder.

#### **SECTION 6.09. Restoration of Rights and Remedies.**

If the Trustee or any holder of a Security or coupon has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such holder, then and in every such case the Company, the Trustee and the holders of Securities and coupons shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the holders shall continue as though no such proceeding has been instituted.

#### **SECTION 6.10. Rights and Remedies Cumulative.**

Except as provided in Section 2.09, no right or remedy herein conferred upon or reserved to the Trustee or to the holders of Securities or coupons is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

#### **SECTION 6.11. Delay or Omission Not Waiver.**

No delay or omission of the Trustee or of any holder of any Security or coupon to exercise any right or remedy accruing upon any Default shall impair any such right or remedy or constitute a waiver of any such Default or any acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the holders of Securities or coupons may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the holders of Securities or coupons, as the case may be.

---

**SECTION 6.12. Control by Securityholders.**

The holders of a majority in principal amount of Outstanding Securities of each series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that:

- (1) such direction shall not be in conflict with any statute, rule of law or with this Indenture;
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; and
- (3) the Trustee need not take any action which it in good faith determines might involve it in personal liability or be unjustly prejudicial to the securityholders not consenting.

Upon receipt by the Trustee of any such direction with respect to Securities of a series all or part of which is represented by a temporary Global Security or a permanent Global Security, the Trustee shall establish a record date for determining holders of Outstanding Securities of such series entitled to join in such direction, which record date shall be at the close of business on the day the Trustee receives such direction. The holders on such record date, or their duly designated proxies, and only such persons, shall be entitled to join in such direction, whether or not such holders remain holders after such record date; provided that, unless such majority in principal amount shall have been obtained prior to the day which is 90 days after such record date, such direction shall automatically and without further action by any holder be cancelled and of no further effect. Nothing in this paragraph shall prevent a holder, or a proxy of a holder, from giving, after expiration of such 90-day period, a new direction identical to a direction which has been cancelled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.12.

**SECTION 6.13. Waiver of Past Defaults.**

The holders of a majority in principal amount of the Securities of each series at the time Outstanding may, on behalf of the holders of all the Securities of that series and any coupons appertaining thereto, waive any past default hereunder and its consequences, except a default:

- (1) in the payment of the principal of, premium, if any, or any interest on any Security;
- (2) described in clauses (d) or (e) of Section 6.01; or
- (3) in respect of a covenant or provision hereof that pursuant to Article 10 cannot be modified or amended without the consent of the holder of each Outstanding Security affected.

Upon any such waiver, such default shall cease to exist, and any Default or Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

**SECTION 6.14. Undertaking for Costs.**

All parties to this Indenture agree, and each holder of any Security or coupon by his or her acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any holder, or group of holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any holder of any Securities or coupons for the enforcement of the payment of the principal of, premium, if any, or any interest on any Security or the payment of any coupon on or after the respective stated maturities expressed in such Security or coupon (or, in the case of redemption, on or after the redemption date, except, in the case of a partial redemption, with respect to the portion not so redeemed).

---

**SECTION 6.15. Waiver of Stay or Extension Laws.**

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension laws wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefits or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

**ARTICLE 7  
CONCERNING THE TRUSTEE****SECTION 7.01. Duties and Responsibilities of Trustee.**

(a) The Trustee, prior to the occurrence of an Event of Default of a particular series and after the curing of all Events of Default of such series which may have occurred, undertakes to perform such duties and only such duties with respect to such series as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee. In the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

(b) In case an Event of Default with respect to a particular series has occurred (which has not been cured), the Trustee shall exercise with respect to such series such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provisions of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) prior to the occurrence of an Event of Default with respect to a particular series and after the curing of all Events of Default with respect to such series which may have occurred, the duties and obligations of the Trustee with respect to such series shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of Securities pursuant to Section 6.12 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(d) No provision of this Indenture shall be construed as requiring the Trustee to expend or risk its own funds or otherwise to incur any personal financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

---

**SECTION 7.02. Reliance on Documents, Opinions, etc.**

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, note, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or any Assistant Secretary of the Company; and whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(c) the Trustee may consult with counsel and the written advice of such counsel and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the holders of any Securities or any related coupons pursuant to the provisions of this Indenture, unless such holders shall have offered to the Trustee security or indemnity reasonably satisfactory to the Trustee against the losses, costs, expenses and liabilities which might be incurred therein or thereby;

(e) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other paper or documents, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(h) in no event shall the Trustee be liable to any person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(i) the Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers or otherwise in respect of the Indenture; and

(j) the Trustee shall not be deemed to have notice of any default hereunder or Event of Default unless written notice of the same is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

**SECTION 7.03. No Responsibility for Recitals, etc.**

The recitals contained herein and in the Securities, other than the Trustee's certificate of authentication, and in any coupons shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of

---

the Securities or coupons, provided that the Trustee shall not be relieved of its duty to authenticate Securities only as authorized by this Indenture. The Trustee shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

**SECTION 7.04. Ownership of Securities.**

The Trustee, any authenticating agent, any paying agent, any Security Registrar or any other agent of the Company or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities and coupons with the same rights it would have if it were not Trustee, authenticating agent, paying agent, Security Registrar or such other agent of the Company or of the Trustee.

**SECTION 7.05. Moneys to be Held in Trust.**

Subject to the provisions of Section 12.04 hereof, all moneys received by the Trustee or any paying agent shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any paying agent shall be under any liability for interest on any moneys received by it hereunder except such as it may agree in writing with the Company to pay thereon.

**SECTION 7.06. Compensation and Expenses of Trustee.**

The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation for all services rendered by it hereunder as the Company and the Trustee shall from time to time agree in writing (which to the extent permitted by law shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), and, except as otherwise expressly provided, the Company will pay or reimburse the Trustee forthwith upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence, bad faith or willful misconduct. If any property other than cash shall at any time be subject to the lien of this Indenture, the Trustee, if and to the extent authorized by a receivership or bankruptcy court of competent jurisdiction or by the supplemental instrument subjecting such property to such lien, shall be entitled to make and to be reimbursed for, advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. The Company also covenants to indemnify the Trustee for, and to hold it harmless against, any and all loss, damage, claims, liability or expense, including taxes (other than taxes based upon, measured or determined by, the income of the Trustee) incurred without negligence, bad faith or willful misconduct on the part of the Trustee, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim of liability and enforcing the provisions of this Section 7.06. The obligations of the Company under this Section shall constitute additional indebtedness hereunder. Such additional indebtedness shall be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Securities.

To secure the Company's obligations under this Section, the Trustee shall have a senior claim to which the Securities are hereby made subordinate on all money or property held or collected by the Trustee, except that held in trust to pay principal of (and premium, if any) and interest, if any, on particular Securities.

When the Trustee incurs expenses or renders services after an Event of Default, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy law.

The Company's obligations under this Section 7.06 shall survive satisfaction and discharge of the Indenture, payment of the Securities and any resignation or removal of the Trustee hereunder.

---

**SECTION 7.07. Officer's Certificate as Evidence.**

Subject to the provisions of Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action to be taken hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence, bad faith or willful misconduct on the part of the Trustee, be deemed to be conclusively proved and established by an Officer's Certificate delivered to the Trustee, and such certificate, in the absence of negligence, bad faith or willful misconduct on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted by it under the provisions of this Indenture upon the faith thereof.

**SECTION 7.08. Disqualifications; Conflicting Interest of Trustee.**

If the Trustee has or shall acquire any "conflicting interest" within the meaning of the Trust Indenture Act, the Trustee and the Company shall in all respects comply with the provisions of Section 310(b) of the Trust Indenture Act.

**SECTION 7.09. Eligibility of Trustee.**

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers, (b) is subject to supervision or examination by federal, state, territorial or District of Columbia authority, (c) shall have at all times a combined capital and surplus of not less than \$50,000,000 and (d) shall not be the Company or any person directly or indirectly controlling, controlled by or under common control with the Company. If such corporation publishes reports of condition at least annually, pursuant to law, or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation at any time shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.10.

**SECTION 7.10. Resignation or Removal of Trustee.**

(a) The Trustee, or any trustee or trustees hereafter appointed, may at any time resign with respect to one or more or all series by giving written notice of resignation to the Company. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee with respect to the applicable series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 30 days after the mailing of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(1) the Trustee shall fail to comply with the provisions of Section 310(b) of the Trust Indenture Act, as specified in Section 7.08 with respect to any series of Securities after written request therefor by the Company or by any securityholder who has been a bona fide holder of a Security or Securities of such series for at least six months;

(2) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.09 with respect to any series of Securities and shall fail to resign after written request therefor by the Company or by any such securityholder; or

(3) the Trustee shall become incapable of acting with respect to any series of Securities, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, the Company may remove the Trustee with respect to the applicable series of Securities and appoint a successor trustee with respect to such series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.14, any

securityholder of such series who has been a bona fide holder of a Security or Securities of the applicable series for at least six months may, on behalf of himself or herself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee with respect to such series. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) The holders of a majority in aggregate principal amount of the Securities of all series (voting as one class) at the time Outstanding may at any time remove the Trustee with respect to Securities of all series and appoint a successor trustee with respect to the Securities of all series.

(d) Any resignation or removal of the Trustee and any appointment of a successor trustee pursuant to any of the provisions of this Section shall become effective upon the appointment of a successor trustee and the acceptance of appointment by the successor trustee as provided in Section 7.11.

#### **SECTION 7.11. Acceptance by Successor Trustee.**

Any successor trustee appointed as provided in Section 7.10 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee with respect to all or any applicable series shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations with respect to such series of its predecessor hereunder, with like effect as if originally named as trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the predecessor trustee shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the predecessor trustee. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing in order more fully and certainly to vest in and confirm to such successor trustee all such rights and powers. Any trustee, including the initial Trustee, ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 7.06.

In case of the appointment hereunder of a successor trustee with respect to the Securities of one or more (but not all) series, the Company, the predecessor Trustee and each successor trustee with respect to the Securities of any applicable series shall execute and deliver a supplemental indenture which shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Trustee with respect to the Securities of any series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such trustees co-trustees of the same trust and that each such trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such trustee.

No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be qualified and eligible under the provisions of this Article 7.

Upon acceptance of appointment by a successor trustee as provided in this Section, the Company shall mail notice of the succession of such trustee hereunder to all holders of Securities of any applicable series as the names and addresses of such holders shall appear on the registry books. If the Company fails to mail such notice in the prescribed manner within 10 days after the acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be so mailed at the expense of the Company.

#### **SECTION 7.12. Successor by Merger, etc.**

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; provided such corporation shall be qualified and eligible under the provisions of this Article 7, without the execution or filing of any paper or any further act on the part of any of the parties hereto,

anything herein to the contrary notwithstanding. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

**SECTION 7.13. Limitations on Rights of Trustee as Creditor.**

The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship described in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent included therein.

**SECTION 7.14. Notice of Default.**

Within 90 days after the occurrence of any default on a series of Securities hereunder, the Trustee shall transmit to all securityholders of that series, in the manner and to the extent provided in Section 15.04, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; provided, that except in the case of a default in the payment of the principal of or interest on any Security or on the payment of any sinking or purchase fund installment, the Trustee shall be protected in withholding such notice if and so long as the Trustee in good faith determines that the withholding of such notice is in the interests of the securityholders; and provided, further, that in the case of any default of the character specified in clause (c) of Section 6.01 no such notice to securityholders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

**SECTION 7.15. Appointment of Authenticating Agent.**

The Trustee may appoint an authenticating agent or agents (which may be an affiliate or affiliates of the Company) with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue or upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 2.09, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an authenticating agent and a certificate of authentication executed on behalf of the Trustee by an authenticating agent. Each authenticating agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers or to otherwise act as authenticating agent, (b) is subject to supervision or examination by federal, state, territorial or District of Columbia authority, and (c) shall have at all times a combined capital and surplus of not less than \$50,000,000. If such authenticating agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such authenticating agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an authenticating agent shall cease to be eligible in accordance with the provisions of this Section, such authenticating agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an authenticating agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such authenticating agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of such authenticating agent, shall continue to be an authenticating agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or such authenticating agent.

An authenticating agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an authenticating agent by giving written notice thereof to such authenticating agent and to the Company. Upon receiving such a notice of resignation or upon such a

termination, or in case at any time such authenticating agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor authenticating agent which shall be acceptable to the Company and shall promptly give notice of such appointment to all holders of Securities in the manner and to the extent provided in Section 15.04. Any successor authenticating agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an authenticating agent. No successor authenticating agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each authenticating agent from time to time reasonable compensation for its services under this Section.

If an appointment with respect to one or more series is made pursuant to this Section, the Securities of such series may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

This is one of the Securities of the series designated therein referred to in the within-mentioned Indenture.

If all of the Securities of a series may not be originally issued at one time, and the Trustee does not have an office capable of authenticating Securities upon original issuance located in a Place of Payment where the Company wishes to have Securities of such series authenticated upon original issuance, the Trustee, if so requested by the Company in writing, shall appoint in accordance with this Section an authenticating agent (which, if so requested by the Company, shall be such affiliate of the Company) having an office in a Place of Payment designated by the Company with respect to such series of Securities, provided that the terms and conditions of such appointment are acceptable to the Trustee.

## ARTICLE 8 CONCERNING THE SECURITYHOLDERS

### SECTION 8.01. Action by Securityholders.

Whenever in this Indenture it is provided that the holders of a specified percentage in aggregate principal amount of the Securities of any or all series may take any action (including the making of any demand or request, the giving of any authorization, notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by securityholders in person or by agent or proxy appointed in writing, (b) if Securities of a series are issuable as Bearer Securities, by the record of the holders of Securities voting in favor thereof, either in person or by proxies duly appointed in writing, at any meeting of securityholders of such series duly called and held in accordance with the provisions of Article 9, or (c) by a combination of such instrument or instruments and any such record of such a meeting of securityholders.

In determining whether the holders of a specified percentage in aggregate principal amount of the Securities of any or all series have taken any action (including the making of any demand or request, the giving of any authorization, direction, notice, consent or waiver or the taking of any other action), (i) the principal amount of any Original Issue Discount Security that may be counted in making such determination and that shall be deemed to be outstanding for such purposes shall be equal to the amount of the principal thereof that could be declared to be due and payable upon an Event of Default pursuant to the terms of such Original Issue Discount Security at the time the taking of such of such action is evidenced to the Trustee, and (ii) the principal amount of a Security denominated in a foreign currency or currency unit shall be the U.S. dollar equivalent, determined as of the date of original issuance of such Security in accordance with Section 2.03(b) hereof, of the principal amount of such Security.

---

**SECTION 8.02. Proof of Execution by Securityholders.**

Subject to the provisions of Section 7.01, Section 7.02 and Section 9.05, proof of the execution of any instrument by a securityholder or its agent or proxy, or of the holding by any person of a Security, shall be sufficient and conclusive in favor of the Trustee and the Company if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee.

The principal amount and serial numbers of Registered Securities held by any person, and the date of holding the same, shall be proved by the Security Register. The principal amount and serial numbers of Bearer Securities held by any person, and the date of holding the same, may be proved by the production of such Bearer Securities or by a certificate executed, as depositary, by any trust company, bank, banker or other depositary, wherever situated, if such certificate shall be deemed by the Trustee to be satisfactory, showing that at the date therein mentioned such person had on deposit with such depositary, or exhibited to it, the Bearer Securities therein described; or such facts may be proved by the certificate or affidavit of the person holding such Bearer Securities, if such certificate or affidavit is deemed by the Trustee to be satisfactory. The Trustee and the Company may assume that such ownership of any Bearer Security continues until (1) another certificate or affidavit bearing a later date issued in respect of the same Bearer Security is produced, (2) such Bearer Security is produced to the Trustee by some other person, (3) such Bearer Security is surrendered in exchange for a Registered Security, or (4) such Bearer Security is no longer Outstanding. The principal amount and serial numbers of Bearer Securities held by any person, and the date of holding the same, may also be provided in any other manner which the Trustee deems sufficient.

The record of any securityholders' meeting shall be proved in the manner provided in Section 9.06.

**SECTION 8.03. Who Are Deemed Absolute Owners.**

Prior to due presentment of a Registered Security for registration of transfer, the Company, the Trustee and any agent of the Company or of the Trustee may deem the person in whose name such Registered Security shall be registered upon the Security Register to be, and may treat him as, the absolute owner of such Registered Security (whether or not such Security shall be overdue and notwithstanding any notation of ownership or other writing thereon), for the purpose of receiving payment of or on account of the principal of (and premium, if any) and, subject to the provisions of Section 2.05, any interest on such Security and for all other purposes; and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments so made to any holder for the time being, or upon his or her order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Security.

Title to any Bearer Security and any coupons appertaining thereto shall pass by delivery. The Company, the Trustee and any agent of the Company or of the Trustee may treat the bearer of any Bearer Security and the bearer of any coupon as the owner of such Security or coupon for the purpose of receiving payment thereof or on account thereof and for all other purposes whatsoever, whether or not such Security or coupon be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

Notwithstanding the foregoing, with respect to any temporary or permanent Global Security, nothing herein shall prevent the Company, the Trustee, or any agent of the Company or of the Trustee, from giving effect to any written certification, proxy or other authorization furnished by a U.S. Depositary, or impair, as between a U.S. Depositary and holders of beneficial interests in any temporary or permanent Global Security, as the case may be, the operation of customary practices governing the exercise of the rights of the U.S. Depositary as holder of such temporary or permanent Global Security.

**SECTION 8.04. Company-Owned Securities Disregarded.**

In determining whether the holders of the required aggregate principal amount of Securities have provided any request, demand, authorization, notice, direction, consent or waiver under this Indenture, Securities which are owned by the Company or any other obligor on the Securities, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other obligor on the Securities,

shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, consent or waiver, only Securities which the Trustee knows are so owned shall be so disregarded. Securities so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Securities and that the pledgee is not a person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any such other obligor. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall provide full protection to the Trustee.

**SECTION 8.05. Revocation of Consents; Future Securityholders Bound.**

At any time prior to the taking of any action by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action, any holder of a Security, the identifying number of which is shown by the evidence to be included in the Securities the holders of which have consented to such action, may, by filing written notice with the Trustee at its office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Security. Except as aforesaid any such action taken by the holder of any Security shall be conclusive and binding upon such holder and upon all future holders and owners of such Security and of any Security issued upon registration of transfer of or in exchange or substitution therefor in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, irrespective of whether or not any notation in regard thereto is made upon such Security. Any action taken by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action shall be conclusively binding upon the Company, the Trustee and the holders of all the Securities.

**SECTION 8.06. Record Date.**

The Company may, but shall not be obligated to, set a record date for purposes of determining the identity of holders of Securities of any series entitled to vote or consent to any action by vote or consent or to otherwise take any action under this Indenture authorized or permitted by Section 6.12 and Section 6.13 or otherwise under this Indenture. Such record date shall be the later of (i) the date 20 days prior to the first solicitation of such consent or vote or other action and (ii) the date of the most recent list of holders of such Securities delivered to the Corporate Trust Office of the Trustee pursuant to Section 5.01 prior to such solicitation. If such a record date is fixed, those persons who were holders of such Securities at the close of business on such record date shall be entitled to vote or consent or take such other action, or to revoke any such action, whether or not such persons continue to be holders after such record date, and for that purpose the Outstanding Securities shall be computed as of such record date.

**ARTICLE 9  
SECURITYHOLDERS' MEETINGS**

**SECTION 9.01. Purposes of Meeting.**

A meeting of holders of any or all series of Securities may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (a) to give any notice to the Company or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by securityholders pursuant to any of the provisions of Article 6;
- (b) to remove the Trustee and appoint a successor trustee pursuant to the provisions of Article 7;
- (c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or

(d) to take any other action authorized to be taken by or on behalf of the holders of any specified aggregate principal amount of the Securities of any or all series, as the case may be, under any other provision of this Indenture or under applicable law.

**SECTION 9.02. Call of Meetings by Trustee.**

The Trustee may at any time call a meeting of securityholders of any or all series to take any action specified in Section 9.01, to be held at such time and at such place in New York, New York as the Trustee shall determine. Notice of every meeting of the securityholders of any or all series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given in the manner provided in Section 15.04 not less than 20 nor more than 180 days prior to the date fixed for the meeting.

**SECTION 9.03. Call of Meetings by Company or Securityholders.**

In case at any time the Company, pursuant to a Board Resolution, or the holders of at least 10% in aggregate principal amount of the Securities of any or all series, as the case may be, then Outstanding, shall have requested the Trustee to call a meeting of securityholders of any or all series to take any action authorized in Section 9.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have provided notice of such meeting in the manner provided in Section 15.04 within 30 days after receipt of such request, then the Company or the holders of such Securities in the amount above specified may determine the time and the place in New York, New York for such meeting and may call such meeting by giving notice thereof as provided in Section 9.02.

**SECTION 9.04. Qualifications for Voting.**

To be entitled to vote at any meeting of securityholders a person shall be a holder of one or more Securities of such series Outstanding with respect to which a meeting is being held or a person appointed by an instrument in writing as proxy by such a holder or holders. The only persons who shall be entitled to be present or to speak at any meeting of the securityholders of any series shall be the persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

**SECTION 9.05. Regulations.**

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of securityholders of a series, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it deems fit. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Article 8 and the appointment of any proxy shall be proved in the manner specified in Article 8 or by having the signature of the person executing the proxy witnessed or guaranteed by any trust company, bank or banker authorized by Article 8 to certify to the holding of Bearer Securities. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Article 8 or other proof.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by securityholders as provided in Section 9.03, in which case the Company or the securityholders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the holders of a majority in principal amount of the Securities represented at the meeting and entitled to vote.

Subject to the provisions of Section 8.01 and Section 8.04, at any meeting each securityholder or proxy shall be entitled to one vote for each \$1,000 (or the U.S. Dollar equivalent thereof in connection with Securities issued in a foreign currency or currency unit) Outstanding principal amount of Securities of such series held or represented by him or her; provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a securityholder or proxy. Any meeting of securityholders duly called pursuant to the provisions of Section 9.02 or Section 9.03 may be adjourned from time to time, and the meeting may be reconvened without further notice.

## **SECTION 9.06. Voting.**

The vote upon any resolution submitted to any meeting of securityholders shall be by written ballot on which shall be subscribed the signatures of the securityholders or proxies and on which shall be inscribed the identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities held or represented by them. The chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of securityholders shall be prepared by the secretary of the meeting and there shall be attached to the record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that the notice was mailed as provided in Section 9.02. The record shall be signed and verified by the chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

## **ARTICLE 10 SUPPLEMENTAL INDENTURES**

### **SECTION 10.01. Supplemental Indentures without Consent of Securityholders.**

Without the consent of any holders of Securities or coupons, the Company, when authorized by or pursuant to Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof) for one or more of the following purposes:

(a) to evidence the succession of another corporation to the Company, or successive successions, pursuant to Article 11 hereof, and the assumption by the successor corporation of the covenants, agreements and obligations of the Company herein and in the Securities;

(b) to add to the covenants of the Company such further covenants, restrictions, conditions or provisions as its Board of Directors shall consider to be for the protection of the holders of Securities, and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions an Event of Default permitting the enforcement of all or any of the several remedies provided in this Indenture as herein set forth, with such period of grace, if any, and subject to such conditions as such supplemental indenture may provide;

(c) to add to or change any of the provisions of this Indenture to provide that Bearer Securities may be registrable as to principal, to change or eliminate any restrictions on the payment of principal of or any premium or interest on Bearer Securities, to permit Bearer Securities to be issued in exchange for Registered Securities, to permit Bearer Securities to be issued in exchange for Bearer Securities of other authorized denominations or to permit or facilitate the issuance of Securities in uncertificated form, provided that any such action shall not adversely affect the interests of the holders of Securities of any series or any related coupons in any material respect;

(d) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the Trust Indenture Act, or under any similar federal statute hereafter enacted, and to add to this Indenture such other provisions as may be expressly permitted by the Trust Indenture Act, excluding however, the provisions referred to in Section 316(a)(2) of the Trust Indenture Act or any corresponding provision in any similar federal statute hereafter enacted;

(e) to modify, eliminate or add to any of the provisions of this Indenture, provided that any such change or elimination (i) shall become effective only when there is no Security of any series Outstanding and created prior to the execution of such supplemental indenture that is entitled to the benefit of such provision or (ii) shall not apply to any Security Outstanding;

(f) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture which may be defective or inconsistent with any other provisions contained herein or in any supplemental indenture; to convey, transfer, assign, mortgage or pledge any property to or with the Trustee; or to make such other provisions in regard to matters or questions arising under this Indenture, provided such other provisions shall not adversely affect in any material respect the interests of the holders of the Securities or any related coupons, including provisions necessary or desirable to provide for or facilitate the administration of the trusts hereunder;

(g) to secure any series of Security; and

(h) to evidence and provide for the acceptance and appointment hereunder by a successor trustee with respect to the Securities of one or more series and to add or change any provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, pursuant to Section 7.11.

The Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations which may be therein contained and to accept the conveyance, transfer, assignment, mortgage or pledge of any property thereunder, but the Trustee shall not be obligated to enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. No supplemental indenture shall be effective as against the Trustee unless and until the Trustee has duly executed and delivered the same.

#### **SECTION 10.02. Supplemental Indentures with Consent of Holders.**

With the consent (evidenced as provided in Section 8.01) of the holders of not less than a majority in aggregate principal amount of the Securities of all series at the time Outstanding affected by such supplemental indenture (voting as one class), the Company, when authorized by a Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the holders of the Securities of such series and any related coupons under this Indenture; provided, that no such supplemental indenture shall (1) extend the fixed maturity of any Securities, or reduce the principal amount thereof or premium, if any, or reduce the rate or extend the time of payment of interest thereon, without the consent of the holder of each Security so affected, (2) reduce the aforesaid percentage of Securities, the consent of the holders of which is required for any such supplemental indenture, without the consent of the holders of all Securities then Outstanding, (3) modify the subordination provisions in a manner adverse to the holders of such Securities, or (4) modify any of the above provisions.

Upon the request of the Company, accompanied by a copy of a Board Resolution certified by the Secretary or an Assistant Secretary of the Company authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of securityholders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the securityholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution by the Company and the Trustee of any supplemental indenture pursuant to the provisions of this Article 10, the Company shall provide notice, in the manner and to the extent provided in

Section 15.04, setting forth in general terms the substance of such supplemental indenture, to all holders of Securities of each series so affected. Any failure of the Company so to provide such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

**SECTION 10.03. Compliance with Trust Indenture Act; Effect of Supplemental Indentures.**

Any supplemental indenture executed pursuant to the provisions of this Article 10 shall comply with the Trust Indenture Act, as then in effect. Upon the execution of any supplemental indenture pursuant to the provisions of this Article 10 and subject to the provisions in any supplemental indenture relating to the prospective application of such instrument, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the holders of Securities theretofore or thereafter authenticated and delivered hereunder and of any coupons appertaining thereto shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

The Trustee, subject to the provisions of Section 7.01 and Section 7.02, shall be entitled to receive and shall be fully protected in relying upon an Officer's Certificate or an Opinion of Counsel as conclusive evidence that any such supplemental indenture complies with the provisions of this Article 10.

**SECTION 10.04. Notation on Securities.**

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article 10 may bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. New Securities of any series so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may be prepared by the Company, authenticated by the Trustee and delivered, without charge to the securityholders, in exchange for the Securities of such series then Outstanding.

**ARTICLE 11  
CONSOLIDATION, MERGER, SALE OR CONVEYANCE**

**SECTION 11.01. Company May Consolidate, etc., on Certain Terms.**

The Company covenants that it will not merge into or consolidate with any other corporation or sell or convey all or substantially all of its assets to any person, firm or corporation, unless (1) either the Company shall be the continuing corporation, or the successor corporation (if other than the Company) shall be a corporation organized and existing under the laws of the United States of America or a state thereof or the District of Columbia and such corporation shall expressly assume the due and punctual payment of the principal of (and premium, if any, on) and any interest on all the Securities, according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed by the Company by supplemental indenture, executed and delivered to the Trustee by such corporation, and (2) the Company or such successor corporation, as the case may be, shall not, immediately after such merger or consolidation, or such sale or conveyance, be in default in the performance of any such covenant or condition.

**SECTION 11.02. Successor Corporation Substituted.**

In case of any such consolidation, merger, sale or conveyance and upon any such assumption by the successor corporation, such successor corporation shall succeed to and be substituted for, and may exercise every right and power of, the Company, with the same effect as if it had been named herein as the party of the first part. Such successor corporation thereupon may cause to be signed, and may issue either in its own name or in the name of the Company, any or all of the Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor corporation, instead of the Company, and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and

shall make available for delivery any Securities which previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Securities which such successor corporation thereafter shall cause to be signed and delivered to the Trustee for that purpose. All of the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution thereof.

In case of any such consolidation, merger, sale or conveyance such changes in phrasing and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

**SECTION 11.03. Opinion of Counsel and Officer's Certificate to Trustee.**

The Trustee shall receive an Opinion of Counsel and Officer's Certificate as conclusive evidence that any such consolidation, merger, sale or conveyance, and any such assumption, complies with the provisions of this Article 11 and that all conditions precedent herein provided for relating to such transaction have been complied with.

**ARTICLE 12**  
**SATISFACTION AND DISCHARGE OF INDENTURE; UNCLAIMED MONEYS**

**SECTION 12.01. Discharge of Indenture.**

If at any time:

(a) the Company shall have delivered to the Trustee for cancellation all Securities of any series theretofore authenticated and all coupons, if any, appertaining thereto (other than (i) coupons appertaining to Bearer Securities surrendered for exchange for Registered Securities and maturing after such exchange, whose surrender is not required or has been waived as provided in Section 2.07, (ii) Securities and coupons that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.09, (iii) coupons appertaining to Securities called for redemption and maturing after the relevant redemption date, whose surrender has been waived as provided in Section 3.03, and (iv) Securities and coupons for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 4.03), or

(b) all such Securities of such series and, in the case of (a)(i) or (a)(ii) above, any coupons appertaining thereto not theretofore delivered to the Trustee for cancellation (i) shall have become due and payable, (ii) are by their terms to become due and payable within one year, or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption, and the Company in the case of (a)(i) or (a)(iii) above shall deposit or cause to be deposited with the Trustee as trust funds the entire amount (other than moneys repaid by the Trustee or any paying agent to the Company in accordance with Section 12.04) sufficient to pay at maturity or upon redemption all Securities of such series and coupons not therefore delivered to the Trustee for cancellation, including principal (and premium, if any) and any interest due or to become due to such date of maturity or date fixed for redemption, as the case may be, and if in either case the Company shall also pay or cause to be paid all other sums payable hereunder by the Company with respect to such series, then this Indenture shall cease to be of further effect with respect to the Securities of such series, and the Trustee, on demand of and at the cost and expense of the Company and subject to Section 15.05, shall execute such instruments reasonably requested by the Company acknowledging satisfaction of and discharging this Indenture with respect to the Securities of such series. The Company agrees to reimburse the Trustee for any costs or expenses thereafter reasonably incurred by the Trustee in connection with this Indenture or the Securities of such series. Notwithstanding the satisfaction and discharge of this Indenture with respect to the Securities of any series or of all series, the obligations of the Company to the Trustee under Section 7.06 shall survive.

The Company will deliver to the Trustee an Officer's Certificate and an Opinion of Counsel which together shall state that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

**SECTION 12.02. Deposited Moneys to be Held in Trust by Trustee.**

Subject to the provisions of Section 12.03 and 12.04, all moneys deposited with the Trustee pursuant to Section 12.01 shall be held in trust and applied by it to the payment, either directly or through any paying agent (including the Company acting as its own paying agent), to the persons entitled thereto, of all sums due and to become due thereon for principal and interest (and premium, if any) for which payment of such money has been deposited with the Trustee.

**SECTION 12.03. Paying Agent to Repay Moneys Held.**

In connection with the satisfaction and discharge of this Indenture with respect to Securities of any series and the payment of all amounts due to the Trustee under Section 7.06, all moneys with respect to such Securities then held by any paying agent under the provisions of this Indenture shall, upon demand of the Company, be repaid to it or paid to the Trustee and thereupon such paying agent shall be released from all further liability with respect to such moneys.

**SECTION 12.04. Return of Unclaimed Moneys.**

Any moneys deposited with or paid to the Trustee or any paying agent for the payment of the principal of (and premium, if any) or interest on any Security and not applied but remaining unclaimed for two years after the date upon which such principal (and premium, if any, on) or interest shall have become due and payable, shall be repaid to the Company by the Trustee or such paying agent on demand, and the holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for any payment which such holder may be entitled to collect and all liability of the Trustee or any paying agent with respect to such moneys shall thereupon cease.

**ARTICLE 13  
IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS**

**SECTION 13.01. Indenture and Securities Solely Corporate Obligations.**

No recourse under or upon any obligation, covenant or agreement contained in this Indenture, or in any Security or coupon, or because of any indebtedness evidenced thereby, shall be had against any incorporator, or against any past, present or future stockholder, officer or director, as such, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being expressly waived and released by the acceptance of the Securities or coupons by the holders thereof and as part of the consideration for the issue of the Securities.

**ARTICLE 14  
DEFEASANCE AND COVENANT DEFEASANCE**

**SECTION 14.01. Applicability of Article.**

Unless, as specified pursuant to Section 2.03(b), provision is made that either or both of (a) defeasance of the Securities of a series under Section 14.02 and (b) covenant defeasance of the Securities of a series under Section 14.03 shall not apply to the Securities of a series, then the provisions of such Section 14.02 and Section 14.03, together with Section 14.04 and Section 14.05, shall be applicable to the Outstanding Securities of all series upon compliance with the conditions set forth below in this Article 14.

---

**SECTION 14.02. Defeasance and Discharge.**

Subject to Section 14.05, the Company may cause itself to be discharged from its obligations with respect to the Outstanding Securities of any series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, “defeasance”). For this purpose, such defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities of such series and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute such instruments reasonably requested by the Company acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the rights of holders of Outstanding Securities of such series to receive, solely from the trust fund described in Section 14.04 and as more fully set forth in such Section, payments of the principal of and any premium and interest on such Securities when such payments are due, (b) the Company’s obligations with respect to such Securities under Section 2.07, Section 2.08, Section 2.09, Section 4.02 and Section 4.03 and such obligations as shall be ancillary thereto, (c) the rights, powers, trusts, duties, immunities and other provisions in respect of the Trustee hereunder, and (d) this Article 14. Subject to compliance with this Article 14, defeasance with respect to Securities of a series by the Company is permitted under this Section 14.02 notwithstanding the prior exercise of its rights under Section 14.03 with respect to the Securities of such series. Following a defeasance, payment of the Securities of such series may not be accelerated because of an Event of Default.

**SECTION 14.03. Covenant Defeasance.**

The Company may cause itself to be released from its obligations under any Sections applicable to Securities of a series that are determined pursuant to Section 2.03(b) to be subject to this provision with respect to the Outstanding Securities of such series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, “covenant defeasance”). For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities of such series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such Section, whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

**SECTION 14.04. Conditions to Defeasance or Covenant Defeasance.**

The following shall be the conditions precedent or, as specifically noted below, subsequent to application of either Section 14.02 or Section 14.03 to the Outstanding Securities of such series:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the holders of such Securities, (i) money in an amount, (ii) U.S. Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination thereof, sufficient, without reinvestment, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee to pay and discharge, (1) the principal of and any premium and interest on the Outstanding Securities of such series to maturity or redemption, as the case may be, and (2) any mandatory sinking fund payments or analogous payments applicable to the Outstanding Securities of such series on the due dates thereof. Before such a deposit the Company may make arrangements satisfactory to the Trustee for the redemption of Securities at a future date or dates in accordance with Article 3 which shall be given effect in applying the foregoing. For this purpose, “U.S. Government Obligations” means securities that are (x) direct obligations of the United States of America for the payment of which its full faith and credit is pledged or (y) obligations of a person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which,

in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act) as custodian with respect to any such U.S. Government Obligation or a specific payment of principal of or interest on any such U.S. Government Obligation held by such custodian for the account of the holder of such depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal of or interest on the U.S. Government Obligation evidenced by such depository receipt;

(b) No Default, or event that after notice or lapse of time, or both, would become a Default with respect to the Securities of such series, shall have happened and be continuing (i) on the date of such deposit or (ii) insofar as Section 6.01(d) and Section 6.01(e) are concerned, at any time during the period ending on the 123rd day after the date of such deposit or, if longer, ending on the day following the expiration of the longest preference period applicable to the Company in respect of such deposit (it being understood that the condition in this clause (b) is a condition subsequent and shall not be deemed satisfied until the expiration of such period);

(c) Such defeasance or covenant defeasance shall not (i) cause the Trustee for the Securities of such series to have a “conflicting interest” as defined in Section 310(b) of the Trust Indenture Act or (ii) result in the trust arising from such deposit to constitute, unless it is qualified as, a regulated investment company under the Investment Company Act of 1940, as amended;

(d) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

(e) Such defeasance or covenant defeasance shall not cause any Securities of such series then listed on any registered national securities exchange under the Exchange Act to be delisted;

(f) In the case of a defeasance under Section 14.02, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(g) In the case of covenant defeasance under Section 14.03, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(h) Such defeasance or covenant defeasance shall be effected in compliance with any additional terms, conditions or limitations which may be imposed on the Company in connection therewith pursuant to Section 2.03(b); and

(i) The Company shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that all conditions precedent and subsequent provided for in this Indenture relating to either the defeasance under Section 14.02 or the covenant defeasance under Section 14.03, as the case may be, have been complied with.

#### **SECTION 14.05. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions.**

All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 14.04 in respect of the Outstanding Securities of such series shall be held in trust and applied by

the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any paying agent (but not including the Company acting as its own paying agent) as the Trustee may determine, to the holders of such Securities of all sums due and to become due thereon in respect of principal and any premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the money or U.S. Government Obligations deposited pursuant to Section 14.04 or the principal and interest received in respect thereof.

Anything herein to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or U.S. Government Obligations held by it as provided in Section 14.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent defeasance or covenant defeasance, provided that the Trustee shall not be required to liquidate any U.S. Government Obligations in order to comply with the provisions of this paragraph.

Anything herein to the contrary notwithstanding, if and to the extent the deposited money or U.S. Government Obligations (or the proceeds thereof) either (i) cannot be applied by the Trustee in accordance with this Section because of a court order or by operation of Article 16 or (ii) are for any reason insufficient in amount, then the Company's obligations to pay principal of and any premium and interest on the Securities of such series shall be reinstated to the extent necessary to cover the deficiency on any due date for payment. In any such case, the Company's interest in the deposited money and U.S. Government Obligations (and proceeds thereof) shall be reinstated to the extent the Company's payment obligations are reinstated.

Acorda Therapeutics, Inc.  
420 Saw Mill River Road  
Ardsley, New York 10502

Ladies and Gentlemen:

We have acted as counsel to Acorda Therapeutics, Inc., a Delaware corporation (the “*Company*”), in connection with the registration by the Company under the Securities Act of 1933 (the “*Securities Act*”), pursuant to a Registration Statement on Form S-3 filed with the Securities and Exchange Commission (the “*Commission*”) on or about the date hereof (such registration statement is herein referred to as the “*Registration Statement*”), of up to \$100,000,000 of one or more of the following securities (collectively, the “*Securities*”), which the Company may issue from time to time under the Registration Statement: (i) shares of the Company’s common stock, \$0.001 par value per share (the “*Common Stock*”), which may include shares of Common Stock issuable upon the conversion or exercise of the other Securities included in the Registration Statement, (ii) shares of the Company’s preferred stock, \$0.001 par value per share (the “*Preferred Stock*”), which may include shares of Preferred Stock issuable upon the conversion or exercise of the Debt Securities and Warrants (as defined herein) included in the Registration Statement, (iii) debt securities (the “*Debt Securities*”), the terms of which will be determined by the board of directors of the Company prior to the issuance thereof, (iv) warrants (the “*Warrants*”) to purchase Common Stock, Preferred Stock or Debt Securities, the terms of which will be determined by the board of directors of the Company prior to the issuance thereof, and (v) units comprised of one or more of foregoing securities (the “*Units*”). We have reviewed such corporate records, certificates and other documents, and such questions of law, as we have considered necessary or appropriate for the purposes of this opinion. We have assumed that all signatures are genuine, that all documents submitted to us as originals are authentic and that all copies of documents submitted to us conform to the originals.

We have reviewed the Indenture, dated as of June 23, 2014, between the Company and Wilmington Trust, National Association, as trustee (the “*Indenture*”), and such corporate records, certificates and other documents, and such questions of law, as we have considered necessary or appropriate for the purposes of this opinion. We have assumed that all signatures are genuine, that all documents submitted to us as originals are authentic and that all copies of documents submitted to us conform to the originals.

We have assumed further that any Securities that are issued and delivered, and the issuance thereof, will comply with all requirements and restrictions, if any, applicable to the Company, whether imposed by any agreement or instrument to which the Company is a party or by which it is bound or any court or governmental or regulatory body having jurisdiction over the Company or otherwise.

We have relied as to certain matters on information obtained from public officials, officers of the Company, and other sources believed by us to be responsible.

Based upon the foregoing, and subject to the qualifications set forth below, we are of the opinion that when, as and if:

- (1) With respect to the shares of Common Stock: (i) the Registration Statement and any required post-effective amendments thereto have all become effective under the Securities Act and all prospectus supplements required by applicable law have been delivered and filed as required by such laws, (ii) all necessary corporate action has been taken by the Company to authorize the issuance and sale of shares of Common Stock and fix or otherwise determine the consideration to be received for such shares and the terms of the offer and sale thereof, (iii) any legally required consents, approvals, authorizations and other orders of the Commission and other regulatory authorities have been obtained and (iv) the shares of Common Stock with consideration so fixed have been duly issued and delivered by the Company against payment therefor in accordance with such corporate action and applicable law and as contemplated in the Registration Statement and the related prospectus supplement setting forth the terms of such shares and the plan of distribution, then, upon the happening of such events, such shares of Common Stock (including any shares of Common Stock to be issued by the Company upon the conversion or exercise of other Securities issued by the Company pursuant to the Registration Statement) will be duly authorized and validly issued and will be fully paid and non-assessable.
- (2) With respect to shares of Preferred Stock: (i) the Registration Statement and any required post-effective amendments thereto have all become effective under the Securities Act and all prospectus supplements required by applicable law have been delivered and filed as required by such laws, (ii) all necessary corporate action has been taken by the Company to establish the rights, preferences and privileges of, and limitations on, any series of Preferred Stock and to authorize the issuance and sale of shares of such series of Preferred Stock and fix or otherwise determine the consideration to be received for such shares and the terms of the offer and sale thereof, (iii) any legally required consents, approvals, authorizations and other orders of the Commission and other regulatory authorities have been obtained, (iv) an appropriate certificate of designations with respect to such series of Preferred Stock has been duly filed in accordance with applicable law and (v) the shares of Preferred Stock with terms so fixed have been duly issued and delivered by the Company against payment therefor in accordance with such corporate action and applicable law and as contemplated in the Registration Statement and the related prospectus supplement setting forth the terms of such shares and plan of distribution, then, upon the happening of such events, such shares of Preferred Stock (including any shares of Preferred Stock to be issued by the Company upon the conversion or exercise of other Securities issued by the Company pursuant to the Registration Statement) will be duly authorized and validly issued and will be fully paid and non-assessable.
- (3) With respect to the Debt Securities: (i) the Registration Statement and any required post-effective amendments thereto have all become effective under the Securities Act and all prospectus supplements required by applicable law have been delivered and filed as required by such laws, (ii) with respect to the offer and sale of senior Debt Securities, any necessary supplements to the Indenture have been duly executed and delivered on behalf of the Company and the trustee, (iii) with respect to the offer and sale of subordinated Debt Securities, an indenture in the form of Exhibit 4.5 to the Registration Statement and any necessary indenture supplements have been duly executed and delivered on behalf of the Company and a trustee qualified to act under applicable law and such indenture has been qualified under the Trust Indenture Act of 1939, as amended, (iv) all necessary corporate action has been taken by the Company to authorize, execute and deliver the applicable indenture and any necessary indenture supplement and to authorize the form, terms, execution and delivery of any Debt Securities, (v) any legally required consents, approvals, authorizations and other orders of the Commission and other regulatory authorities have been obtained, (vi) any shares of Common Stock or Preferred Stock issuable upon the conversion of such Debt Securities, as applicable, have been duly and validly authorized and reserved for issuance and sale and (vii) such Debt Securities have been duly executed by the Company and authenticated by the trustee in accordance with the applicable indenture, or any applicable indenture supplement, and have been duly issued and delivered against payment therefor in accordance with such corporate action and applicable law and as contemplated in the Registration Statement and the related prospectus supplement setting forth the terms of the Debt Securities and plan of distribution, then, upon the happening of such events, such Debt Securities (including any Debt Securities to be issued by the Company upon the conversion or exercise of other Securities issued by the Company pursuant to the Registration Statement) will constitute the valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws of general applicability relating to or affecting creditors' rights and to general equity principles.

- (4) With respect to the Warrants: (i) the Registration Statement and any required post-effective amendments thereto have become effective under the Securities Act and all prospectus supplements required by applicable law have been delivered and filed as required by such laws, (ii) all necessary corporate action has been taken by the Company to authorize, execute and deliver a warrant agreement and to authorize the form, terms, execution and delivery of any Warrants and to fix or otherwise determine the consideration to be received for such Warrants and the terms of the offer and sale thereof, (iii) any legally required consents, approvals, authorizations and other orders of the Commission and other regulatory authorities have been obtained, (iv) any shares of Common Stock or Preferred Stock or any Debt Securities purchasable upon the exercise of such Warrants, as applicable, have been duly and validly authorized and reserved for issuance and sale and (v) such Warrants have been duly executed and delivered by the Company against payment therefor in accordance with any applicable warrant agreement, in accordance with such corporate action and applicable law and as contemplated in the Registration Statement and the related prospectus supplement setting forth the terms of such shares and plan of distribution, then, upon the happening of such events, such Warrants (including any Warrants to be issued by the Company upon the conversion or exercise of other Securities issued by the Company pursuant to the Registration Statement) will constitute the valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws of general applicability relating to or affecting creditors' rights and to general equity principles.

- (5) With respect to the Units: (i) the Registration Statement and any required post-effective amendments thereto have all become effective under the Securities Act and all prospectus supplements required by applicable law have been delivered and filed as required by such laws, (ii) all necessary corporate action has been taken by the Company to authorize, execute and deliver a unit agreement and to authorize the form, terms, execution and delivery of the Units and to fix or otherwise determine the consideration to be received for such securities and the terms of the offer and sale thereof, (iii) any legally required consents, approvals, authorizations and other orders of the Commission and any other regulatory authorities have been obtained, (iv) any shares of Common Stock or Preferred Stock or any Debt Securities to be issued pursuant to such Units, as applicable, have been duly and validly authorized and reserved for issuance and sale and (v) the Units have been duly executed and delivered by the Company against payment therefor in accordance with any applicable unit agreement, in accordance with such corporate action and applicable law and as contemplated in the Registration Statement and the related prospectus supplement setting forth the terms of the Units and the plan of distribution, then, upon the happening of such events, the Units will constitute the valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws of general applicability relating to or affecting creditors' rights and to general equity principles.

We express no opinion as to: (i) waivers of defenses, subrogation and related rights, rights to trial by jury, rights to object to venue, or other rights or benefits bestowed by operation of law; (ii) releases or waivers of unmatured claims or rights; (iii) indemnification, contribution, exculpation, or arbitration provisions, or provisions for the non-survival of representations, to the extent they purport to indemnify any party against, or release or limit any party's liability for, its own breach or failure to comply with statutory obligations, or to the extent such provisions are contrary to public policy; or (iv) provisions for liquidated damages and penalties, penalty interest and interest on interest.

We are members of the bar of the District of Columbia and the State of New York. We do not express any opinion herein on any laws other than the laws of the State of New York and the Delaware General Corporation Law.

We hereby consent to the filing of this opinion as Exhibit 5.1 to the Registration Statement. We also hereby consent to the reference to our firm under the heading "Legal Matters" in the prospectus constituting part of the Registration Statement. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act.

**WILMINGTON TRUST, NATIONAL ASSOCIATION**

By:           /s/ W. Thomas Morris II          

Name: W. Thomas Morris II

Title: Vice President

**EXHIBIT 1**

**CHARTER OF WILMINGTON TRUST, NATIONAL ASSOCIATION**

**ARTICLES OF ASSOCIATION  
OF  
WILMINGTON TRUST, NATIONAL ASSOCIATION**

For the purpose of organizing an association to perform any lawful activities of national banks, the undersigned do enter into the following articles of association:

FIRST. The title of this association shall be Wilmington Trust, National Association.

SECOND. The main office of the association shall be in the City of Wilmington, County of New Castle, State of Delaware. The general business of the association shall be conducted at its main office and its branches.

THIRD. The board of directors of this association shall consist of not less than five nor more than twenty-five persons, unless the OCC has exempted the bank from the 25-member limit. The exact number is to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. Each director shall own common or preferred stock of the association or of a holding company owning the association, with an aggregate par, fair market or equity value \$1,000. Determination of these values may be based as of either (i) the date of purchase or (ii) the date the person became a director, whichever value is greater. Any combination of common or preferred stock of the association or holding company may be used.

Any vacancy in the board of directors may be filled by action of a majority of the remaining directors between meetings of shareholders. The board of directors may not increase the number of directors between meetings of shareholders to a number which:

- 1) exceeds by more than two the number of directors last elected by shareholders where the number was 15 or less; or
- 2) exceeds by more than four the number of directors last elected by shareholders where the number was 16 or more, but in no event shall the number of directors exceed 25, unless the OCC has exempted the bank from the 25-member limit.

Directors shall be elected for terms of one year and until their successors are elected and qualified. Terms of directors, including directors selected to fill vacancies, shall expire at the next regular meeting of shareholders at which directors are elected, unless the directors resign or are removed from office. Despite the expiration of a director's term, the director shall continue to serve until his or her successor is elected and qualifies or until there is a decrease in the number of directors and his or her position is eliminated.

Honorary or advisory members of the board of directors, without voting power or power of final decision in matters concerning the business of the association, may be appointed by resolution of a majority of the full board of directors, or by resolution of shareholders at any annual or special meeting. Honorary or advisory directors shall not be counted to determine the number of directors of the association or the presence of a quorum in connection with any board action, and shall not be required to own qualifying shares.

FOURTH. There shall be an annual meeting of the shareholders to elect directors and transact whatever other business may be brought before the meeting. It shall be held at the main office or any other convenient place the board of directors may designate, on the day of each year specified therefor in the bylaws, or, if that day falls on a legal holiday in the state in which the association is located, on the next following banking day. If no election is held on the day fixed, or in the event of a legal holiday on the following banking day, an election may be held on any subsequent day within 60 days of the day fixed, to be designated by the board of directors, or, if the directors fail to fix the day, by shareholders representing two-thirds of the shares issued and outstanding. In all cases at least 10 days advance notice of the time, place and purpose of a shareholders' meeting shall be given to the shareholders by first class mail, unless the OCC determines that an emergency circumstance exists. The sole shareholder of the bank is permitted to waive notice of the shareholders' meeting.

In all elections of directors, the number of votes each common shareholder may cast will be determined by multiplying the number of shares such shareholder owns by the number of directors to be elected. Those votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. If, after the first ballot, subsequent ballots are necessary to elect directors, a shareholder may not vote shares that he or she has already fully cumulated and voted in favor of a successful candidate. On all other questions, each common shareholder shall be entitled to one vote for each share of stock held by him or her.

Nominations for election to the board of directors may be made by the board of directors or by any stockholder of any outstanding class of capital stock of the association entitled to vote for election of directors. Nominations other than those made by or on behalf of the existing management shall be made in writing and be delivered or mailed to the president of the association not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors; provided, however, that if less than 21 days notice of the meeting is given to shareholders, such nominations shall be mailed or delivered to the president of the association not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. Such notification shall contain the following information to the extent known to the notifying shareholder:

- 1) The name and address of each proposed nominee.
- 2) The principal occupation of each proposed nominee.
- 3) The total number of shares of capital stock of the association that will be voted for each proposed nominee.
- 4) The name and residence address of the notifying shareholder.
- 5) The number of shares of capital stock of the association owned by the notifying shareholder.

Nominations not made in accordance herewith may, in his/her discretion, be disregarded by the chairperson of the meeting, and the vote tellers may disregard all votes cast for each such nominee. No bylaw may unreasonably restrict the nomination of directors by shareholders.

A director may resign at any time by delivering written notice to the board of directors, its chairperson, or to the association, which resignation shall be effective when the notice is delivered unless the notice specifies a later effective date.

A director may be removed by shareholders at a meeting called to remove the director, when notice of the meeting stating that the purpose or one of the purposes is to remove the director is provided, if there is a failure to fulfill one of the affirmative requirements for qualification, or for cause; provided, however, that a director may not be removed if the number of votes sufficient to elect the director under cumulative voting is voted against the director's removal.

---

FIFTH. The authorized amount of capital stock of this association shall be ten thousand shares of common stock of the par value of one hundred dollars (\$100) each; but said capital stock may be increased or decreased from time to time, according to the provisions of the laws of the United States.

No holder of shares of the capital stock of any class of the association shall have any preemptive or preferential right of subscription to any shares of any class of stock of the association, whether now or hereafter authorized, or to any obligations convertible into stock of the association, issued, or sold, nor any right of subscription to any thereof other than such, if any, as the board of directors, in its discretion, may from time to time determine and at such price as the board of directors may from time to time fix. Preemptive rights also must be approved by a vote of holders of two-thirds of the bank's outstanding voting shares. Unless otherwise specified in these articles of association or required by law, (1) all matters requiring shareholder action, including amendments to the articles of association, must be approved by shareholders owning a majority voting interest in the outstanding voting stock, and (2) each shareholder shall be entitled to one vote per share.

Unless otherwise specified in these articles of association or required by law, all shares of voting stock shall be voted together as a class, on any matters requiring shareholder approval. If a proposed amendment would affect two or more classes or series in the same or a substantially similar way, all the classes or series so affected must vote together as a single voting group on the proposed amendment.

Shares of one class or series may be issued as a dividend for shares of the same class or series on a pro rata basis and without consideration. Shares of one class or series may be issued as share dividends for a different class or series of stock if approved by a majority of the votes entitled to be cast by the class or series to be issued, unless there are no outstanding shares of the class or series to be issued. Unless otherwise provided by the board of directors, the record date for determining shareholders entitled to a share dividend shall be the date authorized by the board of directors for the share dividend.

Unless otherwise provided in the bylaws, the record date for determining shareholders entitled to notice of and to vote at any meeting is the close of business on the day before the first notice is mailed or otherwise sent to the shareholders, provided that in no event may a record date be more than 70 days before the meeting.

If a shareholder is entitled to fractional shares pursuant to a stock dividend, consolidation or merger, reverse stock split or otherwise, the association may: (a) issue fractional shares; (b) in lieu of the issuance of fractional shares, issue script or warrants entitling the holder to receive a full share upon surrendering enough script or warrants to equal a full share; (c) if there is an established and active market in the association's stock, make reasonable arrangements to provide the shareholder with an opportunity to realize a fair price through sale of the fraction, or purchase of the additional fraction required for a full share; (d) remit the cash equivalent of the fraction to the shareholder; or (e) sell full shares representing all the fractions at public auction or to the highest bidder after having solicited and received sealed bids from at least three licensed stock brokers; and distribute the proceeds pro rata to shareholders who otherwise would be entitled to the fractional shares. The holder of a fractional share is entitled to exercise the rights for shareholder, including the right to vote, to receive dividends, and to participate in the assets of the association upon liquidation, in proportion to the fractional interest. The holder of script or warrants is not entitled to any of these rights unless the script or warrants explicitly provide for such rights. The script or warrants may be subject to such additional conditions as: (1) that the script or warrants will become void if not exchanged for full shares before a specified date; and (2) that the shares for which the script or warrants are exchangeable may be sold at the option of the association and the proceeds paid to scripsholders.

---

The association, at any time and from time to time, may authorize and issue debt obligations, whether or not subordinated, without the approval of the shareholders. Obligations classified as debt, whether or not subordinated, which may be issued by the association without the approval of shareholders, do not carry voting rights on any issue, including an increase or decrease in the aggregate number of the securities, or the exchange or reclassification of all or part of securities into securities of another class or series.

SIXTH. The board of directors shall appoint one of its members president of this association, and one of its members chairperson of the board and shall have the power to appoint one or more vice presidents, a secretary who shall keep minutes of the directors' and shareholders' meetings and be responsible for authenticating the records of the association, and such other officers and employees as may be required to transact the business of this association.

A duly appointed officer may appoint one or more officers or assistant officers if authorized by the board of directors in accordance with the bylaws.

The board of directors shall have the power to:

- 1) Define the duties of the officers, employees, and agents of the association.
- 2) Delegate the performance of its duties, but not the responsibility for its duties, to the officers, employees, and agents of the association.
- 3) Fix the compensation and enter into employment contracts with its officers and employees upon reasonable terms and conditions consistent with applicable law.
- 4) Dismiss officers and employees.
- 5) Require bonds from officers and employees and to fix the penalty thereof.
- 6) Ratify written policies authorized by the association's management or committees of the board.
- 7) Regulate the manner in which any increase or decrease of the capital of the association shall be made, provided that nothing herein shall restrict the power of shareholders to increase or decrease the capital of the association in accordance with law, and nothing shall raise or lower from two-thirds the percentage required for shareholder approval to increase or reduce the capital.
- 8) Manage and administer the business and affairs of the association.
- 9) Adopt initial bylaws, not inconsistent with law or the articles of association, for managing the business and regulating the affairs of the association.
- 10) Amend or repeal bylaws, except to the extent that the articles of association reserve this power in whole or in part to shareholders.
- 11) Make contracts.
- 12) Generally perform all acts that are legal for a board of directors to perform.

SEVENTH. The board of directors shall have the power to change the location of the main office to any other place within the limits of Wilmington, Delaware, without the approval of the shareholders, or with a vote of shareholders owning two-thirds of the stock of such association for a relocation outside such limits and upon receipt of a certificate of approval from the Comptroller of the Currency, to any other location within or outside the limits of Wilmington Delaware, but not more than 30 miles beyond such limits. The board of directors shall have the power to establish or change the location of any branch or branches of the association to any other location permitted under applicable law, without approval of shareholders, subject to approval by the Comptroller of the Currency.

---

EIGHTH. The corporate existence of this association shall continue until termination according to the laws of the United States.

NINTH. The board of directors of this association, or any one or more shareholders owning, in the aggregate, not less than 50 percent of the stock of this association, may call a special meeting of shareholders at any time. Unless otherwise provided by the bylaws or the laws of the United States, a notice of the time, place, and purpose of every annual and special meeting of the shareholders shall be given at least 10 days prior to the meeting by first-class mail, unless the OCC determines that an emergency circumstance exists. If the association is a wholly-owned subsidiary, the sole shareholder may waive notice of the shareholders' meeting. Unless otherwise provided by the bylaws or these articles, any action requiring approval of shareholders must be effected at a duly called annual or special meeting.

TENTH. For purposes of this Article Tenth, the term "institution-affiliated party" shall mean any institution-affiliated party of the association as such term is defined in 12 U.S.C. 1813(u).

Any institution-affiliated party (or his or her heirs, executors or administrators) may be indemnified or reimbursed by the association for reasonable expenses actually incurred in connection with any threatened, pending or completed actions or proceedings and appeals therein, whether civil, criminal, governmental, administrative or investigative, in accordance with and to the fullest extent permitted by law, as such law now or hereafter exists; provided, however, that when an administrative proceeding or action instituted by a federal banking agency results in a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association, then the association shall require the repayment of all legal fees and expenses advanced pursuant to the next succeeding paragraph and may not indemnify such institution-affiliated parties (or their heirs, executors or administrators) for expenses, including expenses for legal fees, penalties or other payments incurred. The association shall provide indemnification in connection with an action or proceeding (or part thereof) initiated by an institution-affiliated party (or by his or her heirs, executors or administrators) only if such action or proceeding (or part thereof) was authorized by the board of directors.

Expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding under 12 U.S.C. 164 or 1818 may be paid by the association in advance of the final disposition of such action or proceeding upon (a) a determination by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding that the institution-affiliated party (or his or her heirs, executors or administrators) has a reasonable basis for prevailing on the merits, (b) a determination that the indemnified individual (or his or her heirs, executors or administrators) will have the financial capacity to reimburse the bank in the event he or she does not prevail, (c) a determination that the payment of expenses and fees by the association will not adversely affect the safety and soundness of the association, and (d) receipt of an undertaking by or on behalf of such institution-affiliated party (or by his or her heirs, executors or administrators) to repay such advancement in the event of a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association. In all other instances, expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding as to which indemnification may be given under these articles of association may be paid by the association in advance of the final disposition of such action or proceeding upon (a) receipt of an undertaking by or on behalf of such institution-affiliated party (or by or on behalf of his or her heirs, executors or administrators) to repay such advancement in the event that

---

such institution-affiliated party (or his or her heirs, executors or administrators) is ultimately found not to be entitled to indemnification as authorized by these articles of association and (b) approval by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding or, if such a quorum is not obtainable, then approval by stockholders. To the extent permitted by law, the board of directors or, if applicable, the stockholders, shall not be required to find that the institution-affiliated party has met the applicable standard of conduct provided by law for indemnification in connection with such action or proceeding.

In the event that a majority of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the remaining members of the board may authorize independent legal counsel to review the indemnification request and provide the remaining members of the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Article Tenth have been met. If independent legal counsel opines that said conditions have been met, the remaining members of the board of directors may rely on such opinion in authorizing the requested indemnification.

In the event that all of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the board shall authorize independent legal counsel to review the indemnification request and provide the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Article Tenth have been met. If legal counsel opines that said conditions have been met, the board of directors may rely on such opinion in authorizing the requested indemnification.

To the extent permitted under applicable law, the rights of indemnification and to the advancement of expenses provided in these articles of association (a) shall be available with respect to events occurring prior to the adoption of these articles of association, (b) shall continue to exist after any restrictive amendment of these articles of association with respect to events occurring prior to such amendment, (c) may be interpreted on the basis of applicable law in effect at the time of the occurrence of the event or events giving rise to the action or proceeding, or on the basis of applicable law in effect at the time such rights are claimed, and (d) are in the nature of contract rights which may be enforced in any court of competent jurisdiction as if the association and the institution-affiliated party (or his or her heirs, executors or administrators) for whom such rights are sought were parties to a separate written agreement.

The rights of indemnification and to the advancement of expenses provided in these articles of association shall not, to the extent permitted under applicable law, be deemed exclusive of any other rights to which any such institution affiliated party (or his or her heirs, executors or administrators) may now or hereafter be otherwise entitled whether contained in these articles of association, the bylaws, a resolution of stockholders, a resolution of the board of directors, or an agreement providing such indemnification, the creation of such other rights being hereby expressly authorized. Without limiting the generality of the foregoing, the rights of indemnification and to the advancement of expenses provided in these articles of association shall not be deemed exclusive of any rights, pursuant to statute or otherwise, of any such institution-affiliated party (or of his or her heirs, executors or administrators) in any such action or proceeding to have assessed or allowed in his or her favor, against the association or otherwise, his or her costs and expenses incurred therein or in connection therewith or any part thereof.

If this Article Tenth or any part hereof shall be held unenforceable in any respect by a court of competent jurisdiction, it shall be deemed modified to the minimum extent necessary to make it enforceable, and the remainder of this Article Tenth shall remain fully enforceable.

---

The association may, upon affirmative vote of a majority of its board of directors, purchase insurance to indemnify its institution-affiliated parties to the extent that such indemnification is allowed in these articles of association; provided, however, that no such insurance shall include coverage to pay or reimburse any institution-affiliated party for the cost of any judgment or civil money penalty assessed against such person in an administrative proceeding or civil action commenced by any federal banking agency. Such insurance may, but need not, be for the benefit of all institution-affiliated parties.

ELEVENTH. These articles of association may be amended at any regular or special meeting of the shareholders by the affirmative vote of the holders of a majority of the stock of this association, unless the vote of the holders of a greater amount of stock is required by law, and in that case by the vote of the holders of such greater amount. AMENDED AND RESTATED BYLAWS  
OF  
WILMINGTON TRUST, NATIONAL ASSOCIATION

(Effective as of April 17, 2018)

**ARTICLE I**  
**Meetings of Shareholders**

**Section 1. Annual Meeting.** The annual meeting of the shareholders to elect directors and transact whatever other business may properly come before the meeting shall be held at the main office of the association, Rodney Square North, 1100 Market Street, City of Wilmington, State of Delaware, at 1:00 o'clock p.m. on the first Tuesday in March of each year, or at such other place and time as the board of directors may designate, or if that date falls on a legal holiday in Delaware, on the next following banking day. Notice of the meeting shall be mailed by first class mail, postage prepaid, at least 10 days and no more than 60 days prior to the date thereof, addressed to each shareholder at his/her address appearing on the books of the association. If, for any cause, an election of directors is not made on that date, or in the event of a legal holiday, on the next following banking day, an election may be held on any subsequent day within 60 days of the date fixed, to be designated by the board of directors, or, if the directors fail to fix the date, by shareholders representing two-thirds of the shares. In these circumstances, at least 10 days' notice must be given by first class mail to shareholders.

**Section 2. Special Meetings.** Except as otherwise specifically provided by statute, special meetings of the shareholders may be called for any purpose at any time by the board of directors or by any one or more shareholders owning, in the aggregate, not less than fifty percent of the stock of the association. Every such special meeting, unless otherwise provided by law, shall be called by mailing, postage prepaid, not less than 10 days nor more than 60 days prior to the date fixed for the meeting, to each shareholder at the address appearing on the books of the association a notice stating the purpose of the meeting.

The board of directors may fix a record date for determining shareholders entitled to notice and to vote at any meeting, in reasonable proximity to the date of giving notice to the shareholders of such meeting. The record date for determining shareholders entitled to demand a special meeting is the date the first shareholder signs a demand for the meeting describing the purpose or purposes for which it is to be held.

A special meeting may be called by shareholders or the board of directors to amend the articles of association or bylaws, whether or not such bylaws may be amended by the board of directors in the absence of shareholder approval.

If an annual or special shareholders' meeting is adjourned to a different date, time, or place, notice need not be given of the new date, time or place, if the new date, time or place is announced at the meeting before adjournment, unless any additional items of business are to be considered, or the association becomes aware of an intervening event materially affecting any matter to be voted on more than 10 days prior to the date to which the meeting is adjourned. If a new record date for the adjourned meeting is fixed, however, notice of the adjourned meeting must be given to persons who are shareholders as of the new record date. If, however, the meeting to elect the directors is adjourned before the election takes place, at least ten days' notice of the new election must be given to the shareholders by first-class mail.

---

**Section 3. Nominations of Directors.** Nominations for election to the board of directors may be made by the board of directors or by any stockholder of any outstanding class of capital stock of the association entitled to vote for the election of directors. Nominations, other than those made by or on behalf of the existing management of the association, shall be made in writing and shall be delivered or mailed to the president of the association and the Comptroller of the Currency, Washington, D.C., not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors; *provided, however*, that if less than 21 days' notice of the meeting is given to shareholders, such nomination shall be mailed or delivered to the president of the association not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. Such notification shall contain the following information to the extent known to the notifying shareholder:

- (1) The name and address of each proposed nominee;
- (2) The principal occupation of each proposed nominee;
- (3) The total number of shares of capital stock of the association that will be voted for each proposed nominee;
- (4) The name and residence of the notifying shareholder; and
- (5) The number of shares of capital stock of the association owned by the notifying shareholder.

Nominations not made in accordance herewith may, in his/her discretion, be disregarded by the chairperson of the meeting, and upon his/her instructions, the vote tellers may disregard all votes cast for each such nominee.

**Section 4. Proxies.** Shareholders may vote at any meeting of the shareholders by proxies duly authorized in writing, but no officer or employee of this association shall act as proxy. Proxies shall be valid only for one meeting, to be specified therein, and any adjournments of such meeting. Proxies shall be dated and filed with the records of the meeting. Proxies with facsimile signatures may be used and unexecuted proxies may be counted upon receipt of a written confirmation from the shareholder. Proxies meeting the above requirements submitted at any time during a meeting shall be accepted.

**Section 5. Quorum.** A majority of the outstanding capital stock, represented in person or by proxy, shall constitute a quorum at any meeting of shareholders, unless otherwise provided by law, or by the shareholders or directors pursuant to Article IX, Section 2, but less than a quorum may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. A majority of the votes cast shall decide every question or matter submitted to the shareholders at any meeting, unless otherwise provided by law or by the articles of association, or by the shareholders or directors pursuant to Article IX, Section 2. If a meeting for the election of directors is not held on the fixed date, at least 10 days' notice must be given by first-class mail to the shareholders.

**ARTICLE II**  
**Directors**

**Section 1. Board of Directors.** The board of directors shall have the power to manage and administer the business and affairs of the association. Except as expressly limited by law, all corporate powers of the association shall be vested in and may be exercised by the board of directors.

**Section 2. Number.** The board of directors shall consist of not less than five nor more than twenty-five members, unless the OCC has exempted the bank from the 25-member limit. The exact number within such minimum and maximum limits is to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any meeting thereof.

**Section 3. Organization Meeting.** The secretary or treasurer, upon receiving the certificate of the judges of the result of any election, shall notify the directors-elect of their election and of the time at which they are required to meet at the main office of the association, or at such other place in the cities of Wilmington, Delaware or Buffalo, New York, to organize the new board of directors and elect and appoint officers of the association for the succeeding year. Such meeting shall be held on the day of the election or as soon thereafter as practicable, and, in any event, within 30 days thereof. If, at the time fixed for such meeting, there shall not be a quorum, the directors present may adjourn the meeting, from time to time, until a quorum is obtained.

**Section 4. Regular Meetings.** The Board of Directors may, at any time and from time to time, by resolution designate the place, date and hour for the holding of a regular meeting, but in the absence of any such designation, regular meetings of the board of directors shall be held, without notice, on the first Tuesday of each March, June and September, and on the second Tuesday of each December at the main office or other such place as the board of directors may designate. When any regular meeting of the board of directors falls upon a holiday, the meeting shall be held on the next banking business day unless the board of directors shall designate another day.

**Section 5. Special Meetings.** Special meetings of the board of directors may be called by the Chairman of the Board of the association, or at the request of two or more directors. Each member of the board of directors shall be given notice by telegram, first class mail, or in person stating the time and place of each special meeting.

**Section 6. Quorum.** A majority of the entire board then in office shall constitute a quorum at any meeting, except when otherwise provided by law or these bylaws, but a lesser number may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. If the number of directors present at the meeting is reduced below the number that would constitute a quorum, no business may be transacted, except selecting directors to fill vacancies in conformance with Article II, Section 7. If a quorum is present, the board of directors may take action through the vote of a majority of the directors who are in attendance.

**Section 7. Meetings by Conference Telephone.** Any one or more members of the board of directors or any committee thereof may participate in a meeting of such board or committees by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation in a meeting by such means shall constitute presence in person at such meeting.

**Section 8. Procedures.** The order of business and all other matters of procedure at every meeting of the board of directors may be determined by the person presiding at the meeting.

**Section 9. Removal of Directors.** Any director may be removed for cause, at any meeting of stockholders notice of which shall have referred to the proposed action, by vote of the stockholders. Any director may be removed without cause, at any meeting of stockholders notice of which shall have referred to the proposed action, by the vote of the holders of a majority of the shares of the Corporation entitled to vote. Any director may be removed for cause, at any meeting of the directors notice of which shall have referred to the proposed action, by vote of a majority of the entire Board of Directors.

**Section 10. Vacancies.** When any vacancy occurs among the directors, a majority of the remaining members of the board of directors, according to the laws of the United States, may appoint a director to fill such vacancy at any regular meeting of the board of directors, or at a special meeting called for that purpose at which a quorum is present, or if the directors remaining in office constitute fewer than a quorum of the board of directors, by the affirmative vote of a majority of all the directors remaining in office, or by shareholders at a special meeting called for that purpose in conformance with Section 2 of Article I. At any such shareholder meeting, each shareholder entitled to vote shall have the right to multiply the number of votes he or she is entitled to cast by the number of vacancies being filled and cast the product for a single candidate or distribute the product among two or more candidates. A vacancy that will occur at a specific later date (by reason of a resignation effective at a later date) may be filled before the vacancy occurs but the new director may not take office until the vacancy occurs.

### **ARTICLE III** **Committees of the Board**

The board of directors has power over and is solely responsible for the management, supervision, and administration of the association. The board of directors may delegate its power, but none of its responsibilities, to such persons or committees as the board may determine.

The board of directors must formally ratify written policies authorized by committees of the board of directors before such policies become effective. Each committee must have one or more member(s), and who may be an officer of the association or an officer or director of any affiliate of the association, who serve at the pleasure of the board of directors. Provisions of the articles of association and these bylaws governing place of meetings, notice of meeting, quorum and voting requirements of the board of directors, apply to committees and their members as well. The creation of a committee and appointment of members to it must be approved by the board of directors.

**Section 1. Loan Committee.** There shall be a loan committee composed of not less than 2 directors, appointed by the board of directors annually or more often. The loan committee, on behalf of the bank, shall have power to discount and purchase bills, notes and other evidences of debt, to buy and sell bills of exchange, to examine and approve loans and discounts, to exercise authority regarding loans and discounts, and to exercise, when the board of directors is not in session, all other powers of the board of directors that may lawfully be delegated. The loan committee shall keep minutes of its meetings, and such minutes shall be submitted at the next regular meeting of the board of directors at which a quorum is present, and any action taken by the board of directors with respect thereto shall be entered in the minutes of the board of directors.

**Section 2. Investment Committee.** There shall be an investment committee composed of not less than 2 directors, appointed by the board of directors annually or more often. The investment committee, on behalf of the bank, shall have the power to ensure adherence to the investment policy, to recommend amendments thereto, to purchase and sell securities, to exercise authority regarding investments and to exercise, when the board of directors is not in session, all other powers of the board of directors regarding investment securities that may be lawfully delegated. The investment committee shall keep minutes of its meetings, and such minutes shall be submitted at the next regular meeting of the board of directors at which a quorum is present, and any action taken by the board of directors with respect thereto shall be entered in the minutes of the board of directors.

**Section 3. Examining Committee.** There shall be an examining committee composed of not less than 2 directors, exclusive of any active officers, appointed by the board of directors annually or more often. The duty of that committee shall be to examine at least once during each calendar year and within 15 months of the last examination the affairs of the association or cause suitable examinations to be made by auditors responsible only to the board of directors and to report the result of such examination in writing to the board of directors at the next regular meeting thereafter. Such report shall state whether the association is in a sound condition, and whether adequate internal controls and procedures are being maintained and shall recommend to the board of directors such changes in the manner of conducting the affairs of the association as shall be deemed advisable.

Notwithstanding the provisions of the first paragraph of this section 3, the responsibility and authority of the Examining Committee may, if authorized by law, be given over to a duly constituted audit committee of the association's parent corporation by a resolution duly adopted by the board of directors.

**Section 4. Trust Audit Committee.** There shall be a trust audit committee in conformance with Section 1 of Article V.

**Section 5. Other Committees.** The board of directors may appoint, from time to time, from its own members, compensation, special litigation and other committees of one or more persons, for such purposes and with such powers as the board of directors may determine.

However, a committee may not:

- (1) Authorize distributions of assets or dividends;
- (2) Approve action required to be approved by shareholders;
- (3) Fill vacancies on the board of directors or any of its committees;
- (5) Amend articles of association;
- (6) Adopt, amend or repeal bylaws; or
- (6) Authorize or approve issuance or sale or contract for sale of shares, or determine the designation and relative rights, preferences and limitations of a class or series of shares.

**Section 6. Committee Members' Fees.** Committee members may receive a fee for their services as committee members and traveling and other out-of-pocket expenses incurred in attending any meeting of a committee of which they are a member. The fee may be a fixed sum to be paid for attending each meeting or a fixed sum to be paid quarterly, or semiannually, irrespective of the number of meetings attended or not attended. The amount of the fee and the basis on which it shall be paid shall be determined by the board of directors.

Trust Audit Committee.** There shall be a Trust Audit Committee composed of not less than 2 directors, appointed by the board of directors, which shall, at least once during each calendar year make suitable audits of the association's fiduciary activities or cause suitable audits to be made by auditors responsible only to the board, and at such time shall ascertain whether fiduciary powers have been administered according to law, Part 9 of the Regulations of the Comptroller of the Currency, and sound fiduciary principles. Such committee: (1) must not include any officers of the bank or an affiliate who participate significantly in the administration of the bank's fiduciary activities; and (2) must consist of a majority of members who are not also members of any committee to which the board of directors has delegated power to manage and control the fiduciary activities of the bank.

Notwithstanding the provisions of the first paragraph of this section 1, the responsibility and authority of the Trust Audit Committee may, if authorized by law, be given over to a duly constituted audit committee of the association's parent corporation by a resolution duly adopted by the board of directors.

**ARTICLE VI**  
**Stock and Stock Certificates**

**Section 1. Transfers.** Shares of stock shall be transferable on the books of the association, and a transfer book shall be kept in which all transfers of stock shall be recorded. Every person becoming a shareholder by such transfer shall in proportion to such shareholder's shares, succeed to all rights of the prior holder of such shares. The board of directors may impose conditions upon the transfer of the stock reasonably calculated to simplify the work of the association with respect to stock transfers, voting at shareholder meetings and related matters and to protect it against fraudulent transfers.

**Section 2. Stock Certificates.** Certificates of stock shall bear the signature of the president (which may be engraved, printed or impressed) and shall be signed manually or by facsimile process by the secretary, assistant secretary, treasurer, assistant treasurer, or any other officer appointed by the board of directors for that purpose, to be known as an authorized officer, and the seal of the association shall be engraved thereon. Each certificate shall recite on its face that the stock represented thereby is transferable only upon the books of the association properly endorsed.

The board of directors may adopt or use procedures for replacing lost, stolen, or destroyed stock certificates as permitted by law.

The association may establish a procedure through which the beneficial owner of shares that are registered in the name of a nominee may be recognized by the association as the shareholder. The procedure may set forth:

- (1) The types of nominees to which it applies;
- (2) The rights or privileges that the association recognizes in a beneficial owner;
- (3) How the nominee may request the association to recognize the beneficial owner as the shareholder;
- (4) The information that must be provided when the procedure is selected;
- (5) The period over which the association will continue to recognize the beneficial owner as the shareholder;
- (6) Other aspects of the rights and duties created.

**ARTICLE VII**  
**Corporate Seal**

**Section 1. Seal.** The seal of the association shall be in such form as may be determined from time to time by the board of directors. The president, the treasurer, the secretary or any assistant treasurer or assistant secretary, or other officer thereunto designated by the board of directors shall have authority to affix the corporate seal to any document requiring such seal and to attest the same. The seal on any corporate obligation for the payment of money may be facsimile.

**ARTICLE VIII**  
**Miscellaneous Provisions**

**Section 1. Fiscal Year.** The fiscal year of the association shall be the calendar year.

**Section 2. Execution of Instruments.** All agreements, indentures, mortgages, deeds, conveyances, transfers, certificates, declarations, receipts, discharges, releases, satisfactions, settlements, petitions, schedules, accounts, affidavits, bonds, undertakings, proxies and other instruments or documents may be signed, executed, acknowledged, verified, delivered or accepted on behalf of the association by the chairperson of the board, or the president, or any vice president, or the secretary, or the treasurer, or, if in connection with the exercise of fiduciary powers of the association, by any of those offices or by any trust officer. Any such instruments may also be executed, acknowledged, verified, delivered or accepted on behalf of the association in such other manner and by such other officers as the board of directors may from time to time direct. The provisions of this section 2 are supplementary to any other provision of these bylaws.

**Section 3. Records.** The articles of association, the bylaws and the proceedings of all meetings of the shareholders, the board of directors, and standing committees of the board of directors shall be recorded in appropriate minute books provided for that purpose. The minutes of each meeting shall be signed by the secretary, treasurer or other officer appointed to act as secretary of the meeting.

**Section 4. Corporate Governance Procedures.** To the extent not inconsistent with federal banking statutes and regulations, or safe and sound banking practices, the association may follow the Delaware General Corporation Law, Del. Code Ann. tit. 8 (1991, as amended 1994, and as amended thereafter) with respect to matters of corporate governance procedures.

**Section 5. Indemnification.** For purposes of this Section 5 of Article VIII, the term “institution-affiliated party” shall mean any institution-affiliated party of the association as such term is defined in 12 U.S.C. 1813(u).

Any institution-affiliated party (or his or her heirs, executors or administrators) may be indemnified or reimbursed by the association for reasonable expenses actually incurred in connection with any threatened, pending or completed actions or proceedings and appeals therein, whether civil, criminal, governmental, administrative or investigative, in accordance with and to the fullest extent permitted by law, as such law now or hereafter exists; provided, however, that when an administrative proceeding or action instituted by a federal banking agency results in a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association, then the association shall require the repayment of all legal fees and expenses advanced pursuant to the next succeeding paragraph and may not indemnify such institution-affiliated parties (or their heirs, executors or administrators) for expenses, including expenses for legal fees, penalties or other payments incurred. The association shall provide indemnification in connection with an action or proceeding (or part thereof) initiated by an institution-affiliated party (or by his or her heirs, executors or administrators) only if such action or proceeding (or part thereof) was authorized by the board of directors.

Expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding under 12 U.S.C. 164 or 1818 may be paid by the association in advance of the final disposition of such action or proceeding upon (a) a determination by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding that the institution-affiliated party (or his or her heirs, executors or administrators) has a

reasonable basis for prevailing on the merits, (b) a determination that the indemnified individual (or his or her heirs, executors or administrators) will have the financial capacity to reimburse the bank in the event he or she does not prevail, (c) a determination that the payment of expenses and fees by the association will not adversely affect the safety and soundness of the association, and (d) receipt of an undertaking by or on behalf of such institution-affiliated party (or by his or her heirs, executors or administrators) to repay such advancement in the event of a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association. In all other instances, expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding as to which indemnification may be given under these articles of association may be paid by the association in advance of the final disposition of such action or proceeding upon (a) receipt of an undertaking by or on behalf of such institution-affiliated party (or by or on behalf of his or her heirs, executors or administrators) to repay such advancement in the event that such institution-affiliated party (or his or her heirs, executors or administrators) is ultimately found not to be entitled to indemnification as authorized by these bylaws and (b) approval by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding or, if such a quorum is not obtainable, then approval by stockholders. To the extent permitted by law, the board of directors or, if applicable, the stockholders, shall not be required to find that the institution-affiliated party has met the applicable standard of conduct provided by law for indemnification in connection with such action or proceeding.

In the event that a majority of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the remaining members of the board may authorize independent legal counsel to review the indemnification request and provide the remaining members of the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Section 5 of Article VIII have been met. If independent legal counsel opines that said conditions have been met, the remaining members of the board of directors may rely on such opinion in authorizing the requested indemnification.

In the event that all of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the board shall authorize independent legal counsel to review the indemnification request and provide the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Section 5 of Article VIII have been met. If legal counsel opines that said conditions have been met, the board of directors may rely on such opinion in authorizing the requested indemnification.

To the extent permitted under applicable law, the rights of indemnification and to the advancement of expenses provided in these articles of association (a) shall be available with respect to events occurring prior to the adoption of these bylaws, (b) shall continue to exist after any restrictive amendment of these bylaws with respect to events occurring prior to such amendment, (c) may be interpreted on the basis of applicable law in effect at the time of the occurrence of the event or events giving rise to the action or proceeding, or on the basis of applicable law in effect at the time such rights are claimed, and (d) are in the nature of contract rights which may be enforced in any court of competent jurisdiction as if the association and the institution-affiliated party (or his or her heirs, executors or administrators) for whom such rights are sought were parties to a separate written agreement.

The rights of indemnification and to the advancement of expenses provided in these bylaws shall not, to the extent permitted under applicable law, be deemed exclusive of any other rights to which any such institution-affiliated party (or his or her heirs, executors or administrators) may now or hereafter be otherwise entitled whether contained in the association's articles of association, these bylaws, a resolution of stockholders, a resolution of the board of directors, or an agreement providing such indemnification, the creation of such other rights being hereby expressly authorized. Without limiting the generality of the

foregoing, the rights of indemnification and to the advancement of expenses provided in these bylaws shall not be deemed exclusive of any rights, pursuant to statute or otherwise, of any such institution-affiliated party (or of his or her heirs, executors or administrators) in any such action or proceeding to have assessed or allowed in his or her favor, against the association or otherwise, his or her costs and expenses incurred therein or in connection therewith or any part thereof.

If this Section 5 of Article VIII or any part hereof shall be held unenforceable in any respect by a court of competent jurisdiction, it shall be deemed modified to the minimum extent necessary to make it enforceable, and the remainder of this Section 5 of Article VIII shall remain fully enforceable.

The association may, upon affirmative vote of a majority of its board of directors, purchase insurance to indemnify its institution-affiliated parties to the extent that such indemnification is allowed in these bylaws; provided, however, that no such insurance shall include coverage for a final order assessing civil money penalties against such persons by a bank regulatory agency. Such insurance may, but need not, be for the benefit of all institution-affiliated parties.
