In addition, such counsel shall state that he has participated in conferences with officers and other representatives of the Company, counsel employed by the Company, representatives of the independent accountants for the Company, representatives of the Underwriters and counsel for the Underwriters, at which the contents of the Registration Statement, the Pricing Disclosure Package and the Prospectus and related matters were discussed and, although such counsel is not passing upon, and does not assume any responsibility for, the accuracy, completeness or fairness of the statements contained in the Registration Statement, the Pricing Disclosure Package or the Prospectus and has not made any independent check or verification thereof, on the basis of the foregoing, no facts have come to such counsel's attention that have led him to believe that: (i) the Registration Statement, at each "new effective date" with respect to the Debt Securities pursuant to and within the meaning of Rule 430B(f)(2) of the Securities Act Regulations, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; (ii) the Pricing Disclosure Package as of the Applicable Time contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and (iii) the Prospectus as of the date of this Agreement and at the Closing Date contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that such

counsel need express no opinion or belief with respect to (x) the financial statements, schedules and other financial data included or incorporated by reference in, or excluded from, the Registration Statement, the Pricing Disclosure Package or the Prospectus or (y) the Form T-1.

(c) **OPINION OF COUNSEL TO THE COMPANY.** On the Closing Date, the Underwriters shall have received an opinion from Mayer Brown LLP counsel to the Company, dated as of the applicable Closing Date, in form and substance reasonably satisfactory to the Manager to the effect that:

(i) Assuming the Indenture has been duly authorized, executed, and delivered by the Company and, assuming due authorization, valid execution, and delivery by the Trustee, the Indenture is a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except to the extent that (x) enforcement thereof may be limited by (i) the laws of bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium, or similar laws relating to or affecting creditors' rights generally (whether now or thereafter in effect), (ii) laws limiting rights of indemnity or contribution, or (iii) equitable principles of general applicability (regardless of whether enforceability is considered in a proceeding at law or in equity) and (y) the waiver contained in Section 6.12 of the Indenture may be deemed unenforceable.

(ii) Assuming the Debt Securities have been duly authorized by the Company, when issued, executed, and authenticated in accordance with the provisions of the Indenture, and delivered to and duly paid for in accordance with the applicable provisions of this Agreement, the Debt Securities will be entitled to the benefits of the Indenture and will be valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms, except to the extent that (x) enforcement thereof may be limited by (i) the laws of bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium, or similar laws relating to or affecting creditors' rights generally (whether now or hereafter in effect), (ii) laws limiting rights of indemnity or contribution, or (iii) equitable principles of general applicability (regardless of whether enforceability is considered in a proceeding at law or in equity), and (y) the waiver contained in Section 6.12 of the Indenture may be deemed unenforceable.

(iii) The statements in the Pricing Prospectus under the caption "Description of Our Debt Securities" and in the Prospectus under the caption "Description of notes," insofar as they purport to summarize certain provisions of the Indenture and the Debt Securities, are in all material respects accurate summaries of such provisions and, to the extent that such statements constitute matters of law, summaries of legal matters, legal proceedings or legal conclusions, are accurate and complete in all material respects.

(iv) The statements in the Pricing Prospectus under the caption "Material U.S. federal income tax considerations," insofar as such statements constitute a summary of the United States federal income tax laws referred to therein, are true, correct and complete in all material respects.

(v) The Registration Statement (excluding the documents incorporated, or deemed to be incorporated, by reference therein), at the time the Registration Statement became effective, the Pricing Prospectus (excluding the documents incorporated, or deemed to be incorporated, by reference therein), at the Applicable Time, and the Prospectus (excluding the documents incorporated, or deemed to be incorporated, by reference therein), as of the date of this Agreement and at the Closing Date, each appeared on its face to be appropriately responsive in all material respects to the requirements of the Securities Act and the Securities Act Regulations and the Trust Indenture Act, except that in each case such counsel need not express an opinion as to (i) the documents incorporated, or deemed to be incorporated, by reference in the Registration Statement, the Pricing Prospectus or the Prospectus, (ii) the financial statements, schedules and other financial data included or incorporated by reference in, or excluded from, the Registration Statement, the Pricing Prospectus or the Prospectus or (iii) the Form T-1.

(vi) The execution and delivery of this Agreement by the Company, the issuance and sale of the Debt Securities, and the performance by the Company of its obligations under this Agreement,

the Debt Securities and the Indenture, as the case may be, will not conflict with or constitute a breach or violation of or default (with the passage of time or otherwise) under (A) the Restated Articles of Incorporation or By-Laws of the Company or (B) subject to the Company's compliance with any applicable covenants pertaining to its incurrence of unsecured indebtedness contained therein, any agreement or other instrument binding upon the Company or any of its subsidiaries that is filed as an exhibit to the Company's most recent Annual Report on Form 10-K, which breach or default would, singly or in the aggregate, have a material adverse effect on the consolidated financial condition or earnings of the Company and its subsidiaries, considered as one enterprise.

In addition, such counsel shall state that it has participated in conferences with officers and other representatives of the Company, counsel employed by the Company, representatives of the independent accountants of the Company, representatives of the Underwriters and counsel for the Underwriters, at which the contents of the Registration Statement, the Pricing Disclosure Package and the Prospectus and related matters were discussed and, although such counsel is not passing upon, and does not assume any responsibility for, the accuracy, completeness or fairness of the statements contained in the Registration Statement, the Pricing Disclosure Package or the Prospectus (other than as provided in subparagraphs (iii) and (iv) above) and has made no independent check or verification thereof, on the basis of the foregoing, no facts have come to such counsel's attention that have led it to believe that (i) the Registration Statement at each "new effective date" with respect to the Debt Securities pursuant to and within the meaning of Rule 430B(f)(2) of the Securities Act Regulations, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; (ii) the Pricing Disclosure Package as of the Applicable Time contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and (iii) the Prospectus as of the date of this Agreement and at the Closing Date contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that such counsel need express no belief with respect to (i) the documents incorporated, or deemed to be incorporated, by reference in the Registration Statement, the Pricing Disclosure Package or the Prospectus, (ii) the financial statements, schedules and other financial data included or incorporated by reference in, or excluded from, the Registration Statement, the Pricing Disclosure Package or the Prospectus or (iii) the exhibits to the Registration Statement, including the Form T-1.

(d) **OPINION OF UNDERWRITERS' COUNSEL.** On the applicable Closing Date, the Underwriters shall have received an opinion from counsel to the Underwriters, dated as of the applicable Closing Date, and in form and substance satisfactory to the Underwriters.

(e) **OFFICER'S CERTIFICATE.** On the applicable Closing Date, the Underwriters shall have received a certificate signed by an officer of the Company, dated the Closing Date, to the effect that (i) the representations and warranties of the Company contained in Section 1 hereof are true and correct (or, with respect to the representations and warranties contained in Section 1 that are not qualified as to materiality, true and correct in all material respects) with the same force and effect as though expressly made at and as of the date of such certificate and (ii) the Company has complied with all agreements and satisfied all conditions required by this Agreement or the Indenture on its part to be performed or satisfied at or prior to the date of such certificate.

(f) **COMFORT LETTER.** On the date of this Agreement, the Underwriters shall have received a letter (an "Auditor's Letter") from KPMG, or such other independent registered public accounting firm as may be selected by the Company (KPMG or such other independent registered public accounting firm that have certified the financial statements covered by any applicable Auditor's Letter each, successively, the "Company's Auditors"), dated as of the date of this Agreement and in form and substance reasonably satisfactory to the Underwriters, containing statements and information of a type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information (including, without limitation, any pro forma financial statements and pro forma financial information) contained or incorporated by reference in the Registration Statement, the Pricing Prospectus and the Prospectus; and, if financial statements for any assets, business or entity acquired by the Company are included or incorporated by reference in the Registration

Statement, the Pricing Prospectus or the Prospectus, the Underwriters shall have received a similar “comfort letter” from the Company’s Auditors, dated as of the date of this Agreement, and in form and substance reasonably satisfactory to the Underwriters, with respect to such financial statements and any financial information with respect to such assets, business or entity, as the case may be, contained or incorporated by reference in the Registration Statement, the Pricing Prospectus and the Prospectus. Without limitation to the foregoing, the letter delivered by the Company’s Auditors shall state that nothing has come to their attention that caused them to believe that at a specified date not more than five days prior to the date of such letter, there was any change in the outstanding capital stock of the Company or any increase in consolidated long-term debt of the Company or any decrease in the stockholders’ equity of the Company, in each case as compared with the amounts shown on the most recent consolidated balance sheet of the Company incorporated by reference in the Registration Statement, the Pricing Prospectus and the Prospectus or, during the period from the date of such balance sheet to a specified date not more than five days prior to the date of such letter, there were any decreases, as compared with the corresponding period in the preceding year, in consolidated net sales and operating revenues or net income of the Company, except in each such case as set forth in or contemplated by the Registration Statement, the Pricing Prospectus and Prospectus or except for such exceptions enumerated in such letter as shall have been agreed to by the Underwriters and the Company.

(g) **SUBSEQUENT DELIVERY OF COMFORT LETTER.** On the applicable Closing Date, the Underwriters shall have received from each independent registered public accounting firm which delivered a letter pursuant to subsection (f) of this Section, dated as of the applicable Closing Date, to the effect that such firm reaffirms the statements made in the letter furnished pursuant to subsection (f) of this Section, except that the specified date referred to shall be a date not more than five days prior to the applicable Closing Date.

(h) **OTHER DOCUMENTS.** On the applicable Closing Date, counsel to the Underwriters shall have been furnished with such documents and opinions as such counsel may reasonably require for the purpose of enabling such counsel to pass upon the issuance and sale of Debt Securities as herein contemplated and related proceedings, or in order to evidence the accuracy and completeness of any of the representations and warranties or the fulfillment of any of the conditions herein contained.

6. **COVENANTS OF THE COMPANY.** In further consideration of the agreements of the Underwriters contained herein, the Company covenants as follows:

(a) **NOTICE OF CERTAIN EVENTS.** The Company will promptly advise the Manager of (i) the filing and effectiveness of any amendment to the Registration Statement other than by virtue of the Company’s filing any report required to be filed under the Exchange Act and the filing of any supplement to the Prospectus other than any amendment or supplement relating solely to an offering of securities other than the Debt Securities, (ii) any request by the Commission for any amendment to the Registration Statement, for any amendment or supplement to the Prospectus, or for any additional information from the Company (other than any such request relating to an offering of securities other than the Debt Securities), (iii) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Prospectus or Issuer Free Writing Prospectus relating to the Debt Securities or the institution or threatening of any proceeding for any such purpose, and any notice received by the Company of objection of the Commission to the use of the Registration Statement pursuant to Rule 401(g)(2) of the Securities Act Regulations and (iv) the receipt by the Company of any notification with respect to the suspension of the qualification of the Debt Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose. The Company will use reasonable efforts to prevent the issuance of any such stop order or notice of suspension of qualification and, if issued, to obtain as soon as reasonably possible the withdrawal thereof.

(b) **NOTICE OF CERTAIN PROPOSED FILINGS.** During the period from the date of this Agreement to and including the last Closing Date, at or prior to the filing by the Company of any amendment to the Registration Statement or of any supplement to the Prospectus (other than any amendment or supplement relating solely to an offering of securities other than the Debt Securities), or any document the Company is required to file pursuant to Section 13(a), 13(c), 14, or 15(d) of the Exchange Act, the Company will furnish the Manager and the

Underwriters with copies of any such amendment or supplement or other documents in a reasonable amount of time prior to such proposed filing and will not file any such document to which the Manager shall reasonably object, unless, in the judgment of the Company or its counsel, such amendment or supplement or other document is necessary to comply with law. Subject to the foregoing sentence, the Company (i) will promptly cause each applicable supplement to the Prospectus to be filed with or transmitted for filing with the Commission in accordance with Rule 424(b) or 424(c) of the Securities Act Regulations or pursuant to such other rule or regulation of the Commission as then deemed appropriate by the Company and (ii) will prepare a final term sheet reflecting the final terms of the Debt Securities, in substantially the form attached to the Underwriting Agreement (provided that, prior to filing such final term sheet, the Company shall allow the Manager reasonable opportunity to review the final term sheet and shall consider in good faith any reasonable comments submitted thereon by the Manager), and shall file such final term sheet as an Issuer Free Writing Prospectus pursuant to Rule 433 of the Securities Act Regulations prior to the close of business two business days from the date of this Agreement.

(c) **COPIES OF THE REGISTRATION STATEMENT, THE PRICING PROSPECTUS AND THE PROSPECTUS.**

The Company will furnish (in New York) to the Underwriters, without charge, one original signed copy of the Registration Statement (including exhibits) and all amendments thereto that shall become effective, and as many copies of the Prospectus, any documents incorporated by reference therein, and any supplements and amendments thereto as the Underwriters may reasonably request, in each case within a reasonable period of time following the date on which this Agreement is executed and delivered by the Company and the Manager, or the date on which such document becomes effective, or the date on which such document is requested by the Underwriters, as applicable.

(d) **REVISIONS OF REGISTRATION STATEMENT, THE PRICING DISCLOSURE PACKAGE AND PROSPECTUS — MATERIAL CHANGES.** If, at any time when a prospectus relating to the Debt Securities is required to be delivered under the Securities Act by the Underwriters (or in lieu thereof, the notice referred to in Rule 173(a) of the Securities Act Regulations), any event occurs or condition exists as a result of which the Prospectus would include an untrue statement of a material fact, or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if for any reason it is necessary to amend or supplement the Prospectus or to file under the Exchange Act any document incorporated by reference in the Prospectus in order to comply with the Securities Act, the Exchange Act or the Trust Indenture Act, or the respective rules and regulations of the Commission thereunder, or any other applicable law, the Company will promptly notify the Underwriters, by telephone or by facsimile (in either case with written confirmation from the Company by mail), and will promptly prepare and, subject to Section 6(b), cause to be filed with the Commission the appropriate documents or appropriate amendment or supplement to the Registration Statement or the Prospectus, as the case may be, and will supply without charge to the Underwriters one copy of a signed copy of any such amended Registration Statement and will supply without charge to the Underwriters as many copies of any such amended or supplemented Prospectus as the Underwriters may from time to time reasonably request.

(e) **COMPLIANCE WITH EXCHANGE ACT.** The Company, during the period when the Prospectus is required to be delivered under the Securities Act or the Exchange Act (or in lieu thereof, the notice referred to in Rule 173(a) of the Securities Act Regulations), will comply, in a timely manner, with all applicable requirements under the Exchange Act relating to the filing with the Commission of the Company's reports pursuant to Section 13(a), 13(c) or 15(d) of the Exchange Act and, if then applicable, the Company's proxy statements pursuant to Section 14(a) of the Exchange Act.

(f) **EARNINGS STATEMENT.** The Company will make generally available to its security holders earnings statements that satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 of the Securities Act Regulations.

(g) **BLUE SKY QUALIFICATIONS.** The Company will, with such assistance from the Underwriters as the Company may reasonably request, endeavor to qualify the Debt Securities for offer and sale under the Blue Sky laws or other securities laws of such jurisdictions as the Underwriters shall reasonably request

and will maintain such qualifications for as long as required with respect to the offer, sale, and distribution of the Debt Securities; provided, however, that the Company shall not be obligated to register or qualify as a foreign corporation or take any action which would subject it to general service of process in any jurisdiction where it is not now subject.

(h) **SUSPENSION PERIOD.** During the period from the date of this Agreement to and including the last Closing Date, the Company shall not offer, sell, contract to sell or otherwise dispose of any debt securities of the Company which mature more than one year after the last Closing Date and which are substantially similar to the Debt Securities, without the prior written consent of the Manager.

(i) **FILING FEES.** The Company agrees to pay the required Commission filing fees relating to the Debt Securities within the time required by Rule 456(b)(1) of the Securities Act Regulations without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) of the Securities Act Regulations.

(j) **ISSUER FREE WRITING PROSPECTUS.**

(i) The Company represents and agrees that, other than the final term sheet prepared and filed pursuant to Section 6 (b) hereof, the Company has not made and will not make any offer relating to the Debt Securities that would constitute a “free writing prospectus” as defined in Rule 405 of the Securities Act Regulations;

(ii) Each Underwriter represents and agrees that, without the prior consent of the Company and the Manager, other than one or more term sheets relating to the Debt Securities containing customary information and conveyed to purchasers of Debt Securities that do not require the Company to file any material pursuant to Rule 433(d) of the Securities Act Regulations except for the final term sheet prepared and filed pursuant to Section 6(b) hereof, it has not made and will not make any offer relating to the Debt Securities that would constitute a free writing prospectus;

(iii) The free writing prospectuses, the use and content of which have been consented to by the Company, are the final term sheet prepared and filed pursuant to Section 6(b) hereof and each Issuer Free Writing Prospectus Not Included In The Pricing Disclosure Package;

(iv) The Company has complied and will comply with the requirements of Rule 433 of the Securities Act Regulations applicable to any Issuer Free Writing Prospectus, including timely filing with the Commission or retention where required and legending; and

(v) The Company agrees that if at any time following issuance of an Issuer Free Writing Prospectus any event occurred or occurs as a result of which such Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, the Pricing Prospectus or the Prospectus or would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Company will give prompt notice thereof to the Manager and, if requested by the Manager, will prepare and furnish without charge to each Underwriter an Issuer Free Writing Prospectus or other document which will correct such conflict, statement or omission; provided, however, that this covenant shall not apply to any statements or omissions in an Issuer Free Writing Prospectus made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter expressly for use therein.

## 7. INDEMNIFICATION AND CONTRIBUTION.

(a) The Company agrees to indemnify and hold each Underwriter and each person, if any, who controls an Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, harmless from and against any and all losses, claims, damages, or liabilities as incurred, insofar as such losses, claims, damages, or liabilities (and actions in respect thereof) arise out of, are based upon, or are caused

by any untrue statement or allegedly untrue statement of a material fact contained in the Registration Statement, the Pricing Disclosure Package or the Prospectus or in any amendment or supplement thereto, any Issuer Free Writing Prospectus or any “issuer information” filed or required to be filed by the Company pursuant to Rule 433(d) of the Securities Act Regulations or arise out of, are based upon or are caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and the Company agrees to reimburse each such indemnified party for any reasonable legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability, or action as such expenses are incurred; provided, however, that the Company will not be liable to the extent that such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of, are based upon, or are caused by (i) any untrue statement or omission or alleged untrue statement or omission made in reliance upon the Form T-1, or (ii) any untrue statement or omission or alleged untrue statement or omission included in or omitted from the Registration Statement, the Pricing Disclosure Package or the Prospectus or any amendment or supplement thereto or any Issuer Free Writing Prospectus in reliance upon and in conformity with information furnished to the Company by or on behalf of the Underwriters in writing expressly for use in the Registration Statement, the Pricing Disclosure Package or the Prospectus or any amendment or supplement thereto or Issuer Free Writing Prospectus.

(b) Each Underwriter severally (and not jointly) agrees to indemnify and hold harmless the Company, its directors, its officers who sign the Registration Statement, and each person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, to the same extent as the foregoing indemnity from the Company to the Underwriters, but only with respect to such losses, claims, damages, and liabilities (and actions in respect thereof) that arise out of, are based upon, or are caused by any untrue statement or omission or allegedly untrue statement or omission included in or omitted from the Registration Statement, the Pricing Disclosure Package or the Prospectus or any amendment or supplement thereto or any Issuer Free Writing Prospectus, in reliance upon and in conformity with information furnished to the Company by or on behalf of such Underwriter in writing expressly for use in the Registration Statement, the Pricing Prospectus or the Prospectus or any amendment or supplement thereto or Issuer Free Writing Prospectus.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to either paragraph (a) or (b) of this Section 7, such person (the “indemnified party”) will promptly notify the person against whom such indemnity may be sought (the “indemnifying party”) in writing and the indemnifying party, upon request of the indemnified party, will retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and will pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party will have the right to retain its own counsel, but the fees and expenses of such counsel will be borne by the indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party (whether or not the indemnifying party was an original named party to such proceeding) and the indemnified party and such indemnified party shall have been advised by counsel that there may be actual or potential conflicts of interest between the indemnifying party and the indemnified party including situations in which there may be one or more legal defenses available to the indemnified party which are different from, or additional to, those available to the indemnifying party. It is understood that the indemnifying party will not, in connection with any proceeding or substantially similar or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all such indemnified parties and that all such reasonable fees and expenses will be reimbursed as they are incurred. Such firm will be designated in writing by the Manager (in the case of parties indemnified pursuant to the second preceding paragraph) or by the Company (in the case of parties indemnified pursuant to the first preceding paragraph), as the case may be. The indemnifying party will not be liable for any settlement of any claim, action or proceeding effected without its written consent, but if settled with such consent, or if there shall be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. No indemnifying party will, without the prior written consent of the indemnified party, effect any settlement or compromise of or consent to the entry of any judgment with respect to any pending or threatened claim, action or proceeding in respect of which any indemnified party is or could have been a party and indemnity or contribution could have been sought

hereunder by such indemnified party, unless such settlement, compromise or judgment (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and (ii) does not include a statement as to, or an admission of fault, culpability or a failure to act by, the indemnified party. Any provision of this paragraph (c) to the contrary notwithstanding, no failure by an indemnified party to notify the indemnifying party as required hereunder will relieve the indemnifying party from any liability it may have had to an indemnified party otherwise than under Section 7(a) or (b).

(d) If the indemnification provided for in paragraph (a) or (b) of this Section 7 is unavailable to an indemnified party or is insufficient in respect of any losses, claims, damages, or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying the indemnified party thereunder, will contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other, from the offering of Debt Securities by the Underwriters, or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other, in connection with the statements or omissions that resulted in such losses, claims, damages, or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other, in connection with the offering of Debt Securities by the Underwriters will be deemed to be in the same proportion as the total net proceeds received by the Company from the offering of such Debt Securities bears to the total discounts and commissions received by the Underwriters from the Company in respect thereof. The relative fault of the Company, on the one hand, and of the Underwriters, on the other, will be determined by reference to, among other things, whether the untrue or allegedly untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied or to be supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such statement or omission.

(e) The Company and the Underwriters agree that it would not be just or equitable if contribution pursuant to paragraph (d) above were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to therein. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, and liabilities referred to in paragraph (d) above will be deemed to include, subject to the limitations set forth above, any reasonable legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Any other provisions of this Section 7 to the contrary notwithstanding (i) no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the applicable Debt Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Underwriters of Debt Securities in paragraph (d) above and this paragraph (e) to contribute are several in proportion to their respective underwriting obligations with respect to such securities and not joint.

(f) The remedies provided for in this Section 7 are not exclusive and will not limit any rights or remedies that may otherwise be available to any indemnified party at law or in equity.

8. **TERMINATION.** The Underwriters may terminate this Agreement immediately upon notice to the Company if, at any time prior to the Closing Date, (i) there shall have occurred (A) any material adverse change (or development involving a prospective material adverse change) in the business, properties, earnings, or financial condition of the Company and its subsidiaries on a consolidated basis, (B) any suspension or material limitation of trading in the Company's capital stock by the Commission or the New York Stock Exchange, Inc. (the "NYSE"), or (C) any decrease by Moody's Investors Services, Inc. or Standard & Poor's Corporation with respect to the ratings of any of the debt securities issued or guaranteed by the Company or any public announcement by any such organization to the effect that it has placed any debt securities issued or guaranteed by the Company on what is

commonly termed a “watch list” with negative implications (the events described in the foregoing clauses (A) through (C) the “Company-Specific Events”), the effect of any of which Company-Specific Events shall have made it impracticable, in the reasonable judgment of the Manager, to market such Debt Securities, or (ii) there shall have occurred (A) any suspension or material limitation of trading in securities generally on the NYSE or the establishment of minimum prices on the NYSE, (B) a declaration of a general moratorium on commercial banking activities in New York by either federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States adversely affecting transactions of the type contemplated by this Agreement or (C) any outbreak or material escalation of hostilities or other national or international calamity or crisis (the events described in the foregoing clauses (A) through (C) the “Market Events”), the effect of any of which Market Events (other than the Market Event described in Clause (B), which shall not be subject to the following qualification) shall have made it impracticable, in the reasonable judgment of the Manager, to market such Debt Securities.

9. **DEFAULTING UNDERWRITERS.** If on the Closing Date any one or more of the Underwriters shall fail or refuse to purchase Debt Securities that it has or they have agreed to purchase on such date, and the aggregate amount of Debt Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate amount of the Debt Securities to be purchased on such date, the other Underwriters shall be obligated severally in the proportions that the amount of Debt Securities set forth opposite their respective names above bears to the aggregate amount of Debt Securities set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as the Manager may specify, to purchase the Debt Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on such date. If on the Closing Date any Underwriter or Underwriters shall fail or refuse to purchase Debt Securities and the aggregate amount of Debt Securities with respect to which such default occurs is more than one-tenth of the aggregate amount of Debt Securities to be purchased on such date, and arrangements satisfactory to the Manager and the Company for the purchase of such Debt Securities are not made within 36 hours after such default, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter or the Company. In any such case either the Manager or the Company shall have the right to postpone the Closing Date but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement, in the Pricing Disclosure Package and in the Prospectus or in any other documents or arrangements may be effected. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

10. **SURVIVABILITY.** The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company, or any officer or director or controlling person of the Company, and shall survive delivery of and payment for the Debt Securities.

11. **CERTAIN OBLIGATIONS.** If this Agreement shall be terminated pursuant to Section 8 hereof, the Company shall not then be under any liability to any Underwriter with respect to the Debt Securities except as provided in Sections 4 and 7 hereof; but, if for any other reason (other than a default by the Underwriters under Section 9 hereof) Debt Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters through the Manager for all out-of-pocket expenses approved in writing by the Manager, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of such Debt Securities, but the Company shall then be under no further liability to any Underwriter with respect to such Debt Securities except as provided in Sections 4 and 7 hereof.

12. **NO ADVISORY OR FIDUCIARY RELATIONSHIP.** The Company acknowledges and agrees that (i) the purchase and sale of the Debt Securities pursuant to this Agreement is an arm’s-length commercial transaction between the Company, on the one hand, and the Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or

fiduciary of the Company, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement and (iv) the Company has consulted its own legal and financial advisors to the extent it deemed appropriate. The Company agrees that it will not claim that the Underwriters, or any of them, has rendered any such advisory services, or owes a fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto.

13. **NOTICES.** In all dealings hereunder, the Manager shall act on behalf of each of the Underwriters of Debt Securities, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by the Manager.

(vi) **RATE OF INTEREST; INTEREST PAYMENT DATES; REGULAR RECORD DATES; ACCRUAL OF INTEREST.** The Notes will bear interest at the rate of 3.875% per annum. Interest on the Notes will be payable semiannually in arrears on May 1 and November 1 of each year (each, an "Interest Payment Date"), commencing on May 1, 2011. The Regular Record Date for the Notes shall be April 15 or October 15 (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date. (vii) **PLACE OF PAYMENT; REGISTRATION OF TRANSFER AND EXCHANGE; NOTICES TO COMPANY.** Payment of the principal of and interest on the Notes will be made at the Corporate Trust Office of the Trustee in the Borough of Manhattan, The City of New York, or at any other office or agency designated by the Company for such purpose; provided, that at the option of the Company, payment of interest may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the register of Securities; and provided, further, that the Holder of the Notes shall be entitled to receive payments of principal of and interest on the Notes by wire transfer of immediately available funds, if appropriate wire transfer instructions have been received in writing by the Trustee not less than 15 days prior to the applicable payment date.

The Notes may be presented for exchange and registration of transfer at the Corporate Trust Office of the Trustee in the Borough of Manhattan, The City of New York, or at the office of any transfer agent hereafter designated by the Company for such purpose. Notices and demands to or upon the Company in respect of the Notes and the Indenture may be served at YUM! Brands, Inc., 1441 Gardiner Lane, Louisville, Kentucky 40213, Attention: Treasurer.

(viii) **REDEMPTION.** The Notes are not entitled to any mandatory redemption or sinking fund payments. However, at any time prior to the date that is three months prior to the Stated Maturity, the Notes are redeemable in whole at any time or in part from time to time, at

the option of the Company, at a Redemption Price equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to the Redemption Date; and (ii) the sum of the remaining scheduled payments of principal of and interest on the Notes to be redeemed (not including any portion of the payment of interest accrued as of the Redemption Date), discounted to their present value as of the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate (as defined herein), as determined by the Quotation Agent (as defined herein), plus 20 basis points, plus accrued and unpaid interest on the principal amount to be redeemed to the Redemption Date.

At any time on or after the date that is three months prior to the Stated Maturity, the Notes are redeemable in whole at any time or in part from time to time, at the option of the Company, at a Redemption Price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to the Redemption Date.

“Adjusted Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue (as defined herein), assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price (as defined herein) for such Redemption Date.

“Comparable Treasury Issue” means the United States Treasury security selected by the Quotation Agent as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes. “Quotation Agent” means one of the Reference Treasury Dealers (as defined herein) who the Company appointed.

“Comparable Treasury Price” means, with respect to any Redemption Date, (i) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations (as defined herein), or (ii) if the Company is provided fewer than four such Reference Treasury Dealer Quotations, the average of all such Quotations.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 5:00 p.m. on the third business day preceding such Redemption Date.

“Reference Treasury Dealer” means each of J.P. Morgan Securities Inc., Citigroup Global Markets Inc., and Goldman, Sachs & Co., and their respective successors, and, at the Company’s option, additional Primary Treasury Dealers; provided, however, that if any of the foregoing ceases to be a primary U.S. Government securities dealer in New York City (a “Primary Treasury Dealer”), the Company will substitute another Primary Treasury Dealer.

Notwithstanding the foregoing, installments of interest whose Stated Maturity is prior to the

relevant Redemption Date shall be payable to the Holders of such Notes, or one or more Predecessor Securities, of record at the close of business on the relevant Regular Record Date.

Notice of any redemption will be mailed at least 30 days but not more than 60 days before the Redemption Date to each Holder of the Notes to be redeemed. Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Notes or portions thereof called for redemption.

(ix) **CHANGE OF CONTROL.** If a Change of Control Triggering Event occurs, unless the Company has exercised its option to redeem the Notes (as described above), the Company shall be required to make an offer (the “Change of Control Offer”) to each holder of the Notes to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder’s Notes on the terms set forth below. In the Change of Control Offer, the Company shall be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to the date of repurchase (the “Change of Control Payment”). Within 30 days following any Change of Control Triggering Event or, at the option of the Company, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute the Change of Control, a notice shall be mailed to holders of the Notes describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the “Change of Control Payment Date”). The notice shall, if mailed prior to the date of consummation of the Change of Control, state that the offer to purchase is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

On the Change of Control Payment Date, the Company shall, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an officer’s certificate stating the aggregate principal amount of Notes or portions of Notes being repurchased.

The Company shall not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and the third party repurchases all Notes properly tendered and not withdrawn under its offer. In addition, the Company shall not repurchase any Notes if there has occurred and is continuing on the Change of Control Payment Date an Event of Default, other than a default in the payment of the Change of Control Payment upon a Change of Control Triggering Event.

The Company shall comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes, the Company shall comply with those securities laws and regulations and shall not be deemed to have breached its obligations under the Change of Control Offer provisions of the Notes by virtue of any such conflict.

For purposes of the Change of Control Offer provisions of the Notes, the following definitions shall apply:

“Change of Control” means the occurrence of any of the following: (1) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any “person” (as that term is used in Section 13(d)(3) of the Exchange Act), other than the Company or one of its Subsidiaries, becomes the beneficial owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the Company’s Voting Stock or other Voting Stock into which the Company’s Voting Stock is reclassified, consolidated, exchanged or changed, measured by voting power rather than number of shares; (2) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the Company’s assets and the assets of its subsidiaries, taken as a whole, to one or more “persons” (as that term is defined in the Indenture), other than the Company or one of its Subsidiaries; or (3) the first day on which a majority of the members of the Company’s Board of Directors are not Continuing Directors. Notwithstanding the foregoing, a transaction shall not be deemed to involve a Change of Control if (1) the Company becomes a direct or indirect wholly-owned subsidiary of a holding company and (2)(A) the direct or indirect holders of the Voting Stock of such holding company immediately following that transaction are substantially the same as the holders of the Company’s Voting Stock immediately prior to that transaction or (B) immediately following that transaction no “person” (as that term is used in Section 13(d)(3) of the Exchange Act) (other than a holding company satisfying the requirements of this sentence) is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of such holding company.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Rating Event.

“Continuing Director” means, as of any date of determination, any member of the Company’s Board of Directors who (1) was a member of such Board of Directors on the date the Notes were issued or (2) was nominated for election, elected or appointed to such Board of Directors with the approval of a majority of the continuing directors who were members of such Board of Directors at the time of such nomination, election or appointment (either by a specific vote or by approval of the Company’s proxy statement in which such member was named as a nominee for election as a director).

“Investment Grade Rating” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, and the equivalent investment grade credit rating from any replacement rating agency or rating agencies.

“Moody’s” means Moody’s Investors Service, Inc.

“Rating Agencies” means (1) each of Moody’s and S&P, and (2) if either Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Moody’s or S&P, or both of them, as the case may be.

“Rating Event” means the rating on the Notes is lowered by each of the Rating Agencies and the Notes are rated below an investment grade rating by each of the Rating Agencies on any day within the 60-day period (which 60-day period will be extended so long as the rating of the Notes is under publicly announced consideration for a possible downgrade by any of the Rating Agencies) after the earlier of (1) the occurrence of a Change of Control and (2) public notice of the Company’s intention to effect a Change of Control; provided, however, that a Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Rating Event for purposes of the definition of Change of Control Triggering Event) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing at the Company’s or its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control has occurred at the time of the Rating Event).

“S&P” means Standard & Poor’s Rating Services, a division of The McGraw-Hill Companies, Inc.

“Voting Stock” means, with respect to any specified “person” (as that term is used in Section 13(d)(3) of the Exchange Act), as of any date, the capital stock of such person that is at the time entitled to vote generally in the election of the board of directors of such person.

(x) COVENANT DEFEASANCE. The obligations of the Company to offer to repurchase the Notes following the occurrence of a Change of Control Triggering Event shall be subject to the covenant defeasance provisions of Section 8.5 of the Indenture.

(xi) DENOMINATIONS. The Notes are issuable in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof.

(xii) SECURITY REGISTER; PAYING AGENT. The register of Securities for the Notes will be initially maintained at the Corporate Trust Office of the Trustee. The Company hereby appoints the Trustee as the initial Paying Agent.

(xiii) FORM. The Notes will be in substantially the form set forth in Exhibit A

attached hereto and may have such other terms as are provided in such form.

Capitalized terms used in this Officers' Certificate and not otherwise defined herein shall have the meanings set forth in the Indenture.

Each of the undersigned, for himself, states that he has read and is familiar with the provisions of Article Two of the Indenture relating to the establishment of a series of Securities thereunder and the establishment of a form of Security representing a series of Securities thereunder and, in each case, the definitions therein relating thereto; that he is generally familiar with the other provisions of the Indenture and with the affairs of the Company and its acts and proceedings and that the statements and opinions made by him in this Certificate are based upon such familiarity; and that he has made such examination or investigation as is necessary to enable him to determine whether or not the covenants and conditions referred to above have been complied with; and in his opinion, such covenants and conditions have been complied with.

Insofar as this Certificate relates to legal matters it is based upon the Opinion of Counsel delivered to the Trustee contemporaneously herewith pursuant to Section 2.4 of the Indenture and relating to the Notes.

YUM! BRANDS, INC.  
3.875% SENIOR NOTE DUE November 1, 2020

This Note is one of a duly authorized issue of securities (herein called the “Securities”) of the Company (which term includes any successor corporation under the Indenture hereinafter referred to), issued and to be issued pursuant to an Indenture, dated as of May 1, 1998 (herein called the “Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A., as Trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture). This Note is one of a series designated by the Company as its 3.875% Senior Notes due November 1, 2020, initially limited in aggregate principal amount to \$350,000,000.

The Company issued this Note pursuant to the Indenture, to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered.

The Notes are issuable in registered form, without coupons, in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, the Notes are exchangeable for a like aggregate principal amount of Notes of like tenor of any authorized denomination, as requested by the Holder surrendering the same, upon surrender of the Note or Notes to be exchanged at any office or agency described below where the Notes may be presented for registration of transfer.

Interest on the Notes shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

### **Optional Redemption**

The Notes are not entitled to any mandatory redemption or sinking fund payments. However, at any time prior to the date that is three months prior to the Stated Maturity, the Notes are redeemable in whole at any time or in part from time to time, at the option of the Company, at a Redemption Price equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to the Redemption Date; and (ii) the sum of the remaining scheduled payments of principal of and interest on the Notes to be redeemed (not including any portion of the payment of interest accrued as of the Redemption Date), discounted to their present value as of the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate (as defined herein), as determined by the Quotation Agent (as defined herein), plus 20 basis points, plus accrued and unpaid interest on the principal amount to be redeemed to the Redemption Date.

At any time on or after the date that is three months prior to the Stated Maturity, the Notes are redeemable in whole at any time or in part from time to time, at the option of the Company, at a Redemption Price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to the Redemption Date.

“Adjusted Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue (as defined herein), assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price (as defined herein) for such Redemption Date.

“Comparable Treasury Issue” means the United States Treasury security selected by the Quotation Agent as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes. “Quotation Agent” means one of the Reference Treasury Dealers (as defined herein) who the Company appointed.

“Comparable Treasury Price” means, with respect to any Redemption Date, (i) the average of the Reference Treasury Dealer Quotations (as defined herein) for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Company is provided fewer than four such Reference Treasury Dealer Quotations, the average of all such Quotations.

---

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 5:00 p.m. on the third business day preceding such Redemption Date.

“Reference Treasury Dealer” means each of J.P. Morgan Securities Inc., Citigroup Global Markets Inc., and Goldman, Sachs & Co., and their respective successors, and, at the Company’s option, additional Primary Treasury Dealers; provided, however, that if any of the foregoing ceases to be a primary U.S. Government securities dealer in New York City (a “Primary Treasury Dealer”), the Company will substitute another Primary Treasury Dealer.

Notwithstanding the foregoing, installments of interest whose Stated Maturity is prior to the Redemption Date of any Note will be payable to the Holder of such Note, or one or more Predecessor Securities, of record at the close of business on the relevant Regular Record Date referred to above, all as provided in the Indenture.

Notice of any redemption will be mailed at least 30 days but not more than 60 days before the Redemption Date to each holder of the Notes to be redeemed. Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Notes or portions thereof called for redemption.

All notices of redemption shall state the Redemption Date, the Redemption Price, if fewer than all the Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Notes to be redeemed, that on the Redemption Date the Redemption Price will become due and payable upon each Note, or portion thereof, to be redeemed, that interest on each Note, or portion thereof, called for redemption will cease to accrue on the Redemption Date and the place or places where Notes may be surrendered for redemption. If fewer than all of the Notes are to be redeemed at any time, selection of such Notes for redemption will be made by the Trustee by such method as the Trustee shall deem fair and appropriate.

In the event of redemption of this Note in part only, a new Note or Notes of like tenor for the unredeemed portion hereof will be issued in authorized denominations in the name of the Holder hereof upon the cancellation hereof.

For all purposes of this Note and the Indenture, unless the context otherwise requires, all provisions relating to the redemption by the Company of this Note shall relate, in the case that this Note is redeemed or to be redeemed by the Company only in part, to that portion of the principal amount of this Note that has been or is to be redeemed.

### **Change of Control**

If a Change of Control Triggering Event occurs, unless the Company has exercised its option to redeem the Notes (as described above), the Company shall be required to make an offer (the “Change of Control Offer”) to each holder of the Notes to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder’s Notes on the terms set forth below. In the Change of Control Offer, the Company shall be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to the date of repurchase (the “Change of Control Payment”). Within 30 days following any Change of Control Triggering Event or, at the option of the Company, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute the Change of Control, a notice shall be mailed to holders of the Notes describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the “Change of Control Payment Date”). The notice shall, if mailed prior to the date of consummation of the Change of Control, state that the offer to purchase is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

On the Change of Control Payment Date, the Company shall, to the extent lawful:

---

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an officer's certificate stating the aggregate principal amount of Notes or portions of Notes being repurchased.

The Company shall not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and the third party repurchases all Notes properly tendered and not withdrawn under its offer. In addition, the Company shall not repurchase any Notes if there has occurred and is continuing on the Change of Control Payment Date an Event of Default, other than a default in the payment of the Change of Control Payment upon a Change of Control Triggering Event.

The Company shall comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes, the Company shall comply with those securities laws and regulations and shall not be deemed to have breached its obligations under the Change of Control Offer provisions of the Notes by virtue of any such conflict.

For purposes of the Change of Control Offer provisions of the Notes, the following definitions shall apply:

"Change of Control" means the occurrence of any of the following: (1) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any "person" (as that term is used in Section 13(d)(3) of the Exchange Act), other than the Company or one of its Subsidiaries, becomes the beneficial owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the Company's Voting Stock or other Voting Stock into which the Company's Voting Stock is reclassified, consolidated, exchanged or changed, measured by voting power rather than number of shares; (2) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the Company's assets and the assets of its subsidiaries, taken as a whole, to one or more "persons" (as that term is defined in the Indenture), other than the Company or one of its Subsidiaries; or (3) the first day on which a majority of the members of the Company's Board of Directors are not Continuing Directors. Notwithstanding the foregoing, a transaction shall not be deemed to involve a Change of Control if (1) the Company becomes a direct or indirect wholly-owned subsidiary of a holding company and (2)(A) the direct or indirect holders of the Voting Stock of such holding company immediately following that transaction are substantially the same as the holders of the Company's Voting Stock immediately prior to that transaction or (B) immediately following that transaction no "person" (as that term is used in Section 13(d)(3) of the Exchange Act) (other than a holding company satisfying the requirements of this sentence) is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of such holding company.

"Change of Control Triggering Event" means the occurrence of both a Change of Control and a Rating Event.

"Continuing Director" means, as of any date of determination, any member of the Company's Board of Directors who (1) was a member of such Board of Directors on the date the Notes were issued or (2) was nominated for election, elected or appointed to such Board of Directors with the approval of a majority of the continuing directors who were members of such Board of Directors at the time of such nomination, election or appointment (either by a specific vote or by approval of the Company's proxy statement in which such member was named as a nominee for election as a director).

---

“Investment Grade Rating” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, and the equivalent investment grade credit rating from any replacement rating agency or rating agencies.

“Moody’s” means Moody’s Investors Service, Inc.

“Rating Agencies” means (1) each of Moody’s and S&P, and (2) if either Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Moody’s or S&P, or both of them, as the case may be.

“Rating Event” means the rating on the Notes is lowered by each of the Rating Agencies and the Notes are rated below an investment grade rating by each of the Rating Agencies on any day within the 60-day period (which 60-day period will be extended so long as the rating of the Notes is under publicly announced consideration for a possible downgrade by any of the Rating Agencies) after the earlier of (1) the occurrence of a Change of Control and (2) public notice of the Company’s intention to effect a Change of Control; provided, however, that a Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Rating Event for purposes of the definition of Change of Control Triggering Event) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing at the Company’s or its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control has occurred at the time of the Rating Event).

“S&P” means Standard & Poor’s Rating Services, a division of The McGraw-Hill Companies, Inc.

“Voting Stock” means, with respect to any specified “person” (as that term is used in Section 13(d)(3) of the Exchange Act), as of any date, the capital stock of such person that is at the time entitled to vote generally in the election of the board of directors of such person.

#### **Other Provisions of the Notes and the Indenture**

If an Event of Default with respect to the Notes shall occur and be continuing, the principal of all the Notes may be declared due and payable in the manner and with the effect provided in the Indenture. Holders of Notes may not enforce their rights pursuant to the Indenture or the Notes except as provided in the Indenture.

The Indenture permits, in certain circumstances therein specified, the amendment thereof without the consent of the Holders of the Securities. The Indenture also permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations under the Indenture of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all the Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or, subject to the provisions for satisfaction and discharge in Article Eight of the Indenture, of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

The Indenture permits the Company, by irrevocably depositing, in amounts and maturities sufficient to pay

and discharge at the Stated Maturity or Redemption Date, as the case may be, the entire indebtedness on all Outstanding Notes, cash or direct obligations of, or obligations the principal of and interest on which are fully guaranteed by, the United States government, and which are not subject to prepayment, redemption or call, with the Trustee in trust solely for the benefit of the Holders of all Outstanding Notes, to defease the Indenture with respect to such Notes, and upon such deposit the Company shall be deemed to have paid and discharged its entire indebtedness on such Notes. Thereafter, Holders would be able to look only to such trust fund for payment of principal and interest at the Stated Maturity or Redemption Date, as the case may be. The Indenture also permits, in certain circumstances therein specified, the Company to be released from certain of its obligations under the Indenture on the terms and subject to the conditions therein provided.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the register of Securities, upon surrender of this Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, or at such other offices or agencies as the Company may designate, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

No service charge shall be made by the Company, the Trustee or the Registrar for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax, assessment or other governmental charge payable in connection therewith (other than exchanges pursuant to Sections 2.11, 3.6 or 9.5 of the Indenture, not involving any transfer).

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Indenture and the Notes shall be governed by and construed in accordance with the laws of the State of New York of the United States of America, including without limitation, New York General Obligations Law Sections 5-1401 and 5-1402 and New York Civil Practice Law and Rules 327.

All undefined terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Ladies and Gentlemen:

We have acted as special counsel to YUM! Brands, Inc., a North Carolina corporation (the "Company"), in connection with the offer and sale of \$350,000,000 aggregate principal amount of 3.875% Senior Notes due 2020 (the "Securities") as set forth in the Prospectus Supplement dated August 24, 2010 (the "Prospectus Supplement") as filed with the Securities and Exchange Commission pursuant to Rule 424 (b)(2) under the Securities Act of 1933, as amended.

The Securities will be issued under an Indenture, dated as of May 1, 1998, between the Company and The Bank of New York Mellon Trust Company, N.A. (successor in interest to the First National Bank of Chicago), as Trustee (the "Indenture").

As special counsel to the Company, we have examined originals or copies certified or otherwise identified to our satisfaction of the Company's Restated Articles of Incorporation, the Company's Amended and Restated Bylaws, resolutions of the Company's Board of Directors and such Company records, certificates and other documents and such questions of law as we considered necessary or appropriate for the purpose of this opinion. Based upon and subject to the foregoing and to the assumptions, conditions and limitations set forth herein, we are of the opinion that upon the due execution, authentication, issuance and delivery of the Securities, and the receipt of the consideration therefor set forth in the Prospectus Supplement, the Securities will be valid and binding obligations of the Company entitled to the benefits of the Indenture and enforceable against the Company in accordance with their terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance, moratorium, reorganization or similar laws affecting creditors' rights generally and subject to general principles of equity.

Mayer Brown LLP operates in combination with our associated English limited liability partnership  
and Hong Kong partnership (and its associated entities in Asia).

We hereby consent to the filing of this opinion as an exhibit to the Company's Current Report on Form 8-K and to being named in the Prospectus Supplement under the caption "Legal Matters" with respect to the matters stated therein.

Very truly yours,
