Juniper Networks, Inc. (the “Company”) is aware of recent developments involving Silicon Valley Bank (“SVB”). The Company maintains operating accounts at SVB with a minimal cash balance of less than 1% of the Company’s total cash, cash equivalents and investments, and therefore believes its exposure to loss as a result of SVB’s receivership is immaterial.

The information included in this Current Report on Form 8-K under this Item 7.01 (including Exhibit 99.1) is being furnished and shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any filing made by the Company under the Exchange Act or the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.

This Current Report on Form 8-K contains forward-looking statements of the Company that involve substantial risks and uncertainties. Any statements in this Form 8-K about the Company’s expectations constitute forward-looking statements, including any statements about the Company’s strategy, operations and future expectations and plans and prospects. In this Form 8-K, the Company’s forward looking statements include statements about its exposure to Silicon Valley Bank. We have based these forward-looking statements on our current assumptions, expectations and projections about future events. We use words like “intend,” “will,” and similar expressions to identify forward-looking statements, although not all forward-looking statements contain these words. These forward-looking statements are based on current expectations, forecasts and assumptions that involve risks and uncertainties that could cause actual outcomes and results to differ materially from those suggested by the forward-looking statements, including general economic and political conditions globally or regionally; risks related to the closure of Silicon Valley Bank; and those additional risks and factors discussed in reports filed with the SEC by us from time to time, including those discussed under the heading “Risk Factors” in our most recently filed reports on Forms 10-K and 10-Q. Any forward-looking statements represent the Company’s views only as of the date of this Form 8-K. The Company anticipates that subsequent events and developments may cause its views to change.
