Compensation for Named Executive Officers

The Compensation Committee of the Board of Directors (the “Committee”) has established the annual salaries and stock option allocation for 2018 for the Company’s Named Executive Officers. These salaries and option allocation are as follows:

	ANNUAL SALARY (1)	ANNUAL STOCK OPTION ALLOWANCE (2)
Reed Hastings, Chief Executive Officer and Chairman of the Board	\$ 700,000	\$ 28,700,000
David Wells, Chief Financial Officer	2,800,000	2,450,000
Ted Sarandos, Chief Content Officer	12,000,000	14,250,000
Greg Peters, Chief Product Officer	6,000,000	6,600,000
David Hyman, General Counsel and Secretary	2,500,000	3,275,000

The number of options to be granted each month is determined by the following formula: (annual stock option allocation ÷ 12) / ([Fair Market Value on the date of grant] * 0.40). Each monthly grant shall be made on the first trading day of the month, shall be fully vested upon grant and shall be exercisable at a strike price equal to the Fair Market Value (as defined in the Company’s 2011 Stock Plan) on the date of grant. The options will be subject to the terms and conditions of the Company’s 2011 Stock Plan and will be administered on a non-discretionary basis without further action by the Board of Directors, provided that only the Board of Directors may change the amount or terms of future grants. These stock options are granted fully vested and can generally be exercised up to 10 years following the date of grant, regardless of employment status.

¹ Salary for each Named Executive Officer, other than the Chief Financial Officer, that was over \$1 million had a substantial surcharge to the Company under IRS rule 162(m). Thus, the Company created, and the shareholders approved, the Performance Bonus Plan (the “Plan”) for those whose salary the Company wanted to cap at \$1 million to avoid the surcharges. With the recent passage of federal tax reform, the Plan will no longer eliminate such surcharge. As such, the Committee has determined that all cash compensation for 2018 will be paid as salary.

² The Company’s stock option program for Named Executive Officers, which is the same for other salaried employees of the Company, provides a minimum annual stock option allowance (equal to 5% of their allocatable compensation) and allows the Named Executive Officers to allocate any amount of their allocatable compensation to receive in the form of stock options.
