Item 1.01. Entry into a Material Definitive Agreement.***Purchase Agreement***

On February 2, 2015, Netflix, Inc. (the “Company”) entered into a purchase agreement (the “Purchase Agreement”) with Morgan Stanley & Co. LLC, as representative of the several initial purchasers listed in Schedule 1 thereto (the “Initial Purchasers”), relating to the sale by the Company of \$700,000,000 aggregate principal amount of its 5.500% Senior Notes due 2022 (the “2022 Notes”) and \$800,000,000 aggregate principal amount of its 5.875% Senior Notes due 2025 (the “2025 Notes” and together with the 2022 Notes, the “Notes”), in a private placement to “qualified institutional buyers” in the United States, defined in Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States pursuant to Regulation S under the Securities Act (the “Notes Offering”). The Purchase Agreement contains customary representations, warranties and covenants by the Company together with customary closing conditions. Under the terms of the Purchase Agreement, the Company has agreed to indemnify the Initial Purchasers against certain liabilities.

The Company intends to use the proceeds from the Notes Offering for general corporate purposes, which may include content acquisitions, capital expenditures, investments, working capital and potential acquisitions and strategic transactions.

Indenture

On February 5, 2015, the Company entered into to an indenture, dated as of February 5, 2015, between the Company and Wells Fargo Bank, National Association, as trustee (the “Trustee”), in connection with the issuance of the 2022 Notes (the “2022 Indenture”) and an indenture, dated as of February 5, 2015, between the Company and the Trustee in connection with the issuance of the 2025 Notes (the “2025 Indenture” and together with the 2022 Indenture, the “Indentures”).

The 2022 Notes mature on February 15, 2022 and bear interest at a rate of 5.500% per annum. The 2025 Notes mature on February 15, 2025 and bear interest at a rate of 5.875% per annum. Interest on the Notes is payable semi-annually on April 15 and October 15 of each year, commencing on October 15, 2015, and on the applicable maturity date.

At any time prior to maturity, the Company may redeem any of the Notes of a series at any time at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus an applicable premium and accrued and unpaid interest, if any, to the applicable redemption date.

If the Company experiences specified change of control triggering events, the Company must offer to repurchase the Notes of each series at a repurchase price equal to 101% of the principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, to the applicable repurchase date.

The Indentures contain covenants that, among other things, restrict the ability of the Company and its domestic restricted subsidiaries to:

- create certain liens and enter into sale and lease-back transactions;
- create, assume, incur or guarantee certain indebtedness without such domestic restricted subsidiary guaranteeing the Notes on a pari passu basis; and
- consolidate or merge with, or convey, transfer or lease all or substantially all of the Company and its subsidiaries assets, to another person.

These covenants are subject to a number of other limitations and exceptions set forth in the Indentures.

The Indentures provide for customary events of default, including, but not limited to, cross defaults to specified other debt of the Company and its significant subsidiaries. In the case of an event of default arising from specified events of bankruptcy or insolvency, all outstanding Notes of a series under the applicable Indenture will become due and payable immediately without further action or notice. If any other event of default under the Indentures occurs or is continuing, the trustee or holders of at least 25% in aggregate principal amount of the then outstanding Notes of a series under the applicable Indenture may declare all of such Notes to be due and payable immediately.

The description of the Notes and the Indentures contained in this Current Report on Form 8-K is qualified in its entirety by reference to the complete text of the 2022 Indenture and the 2025 Indenture, copies of which are filed as Exhibits 4.1 and 4.2, respectively, and incorporated herein by reference.

LLC, as representative of the several initial purchasers listed in Schedule 1 thereto, relating to the 2022 Notes (the “2022 Registration Rights Agreement”) and a registration rights agreement, dated February 5, 2015, with Morgan Stanley & Co. LLC, as representative of the several initial purchasers listed in Schedule 1 thereto, relating to the 2025 Notes (the “2025 Registration Rights Agreement” and together with the 2022 Registration Rights Agreement, the “Registration Rights Agreements”). Under the terms of the Registration Rights Agreements, if any of the applicable Notes of a series are not freely transferable by holders (other than affiliates of the Company or holders that were affiliates of the Company within the preceding three months) pursuant to Rule 144 under the Securities Act within 366 days after their original issuance, the Company is required to use commercially reasonable efforts to file with the Securities and Exchange Commission (the “SEC”) a registration statement relating to an offer to exchange such Notes for an issue of SEC-registered notes (the “Exchange Notes”) with terms identical to such Notes (except that the Exchange Notes will not be subject to restrictions on transfer or to any increase in annual interest rate).

The description of the Registration Rights Agreements contained in this Current Report on Form 8-K is qualified in its entirety by reference to the complete text of the Registration Rights Agreements, copies of which are filed as Exhibits 10.1 and 10.2 and incorporated herein by reference.

DEFINITIONS AND INCORPORATION BY REFERENCE

Section 1.01 Definitions.

“Additional Interest” means all additional interest owing on the Notes pursuant to the Registration Rights Agreement and, if applicable, all additional interest owing on the Notes pursuant and subject to Section 6.02(c).

“Additional Notes” means additional Notes (other than Initial Notes and Exchange Notes for such Initial Notes) issued from time to time under this Indenture in accordance with Section 2.01.

“Affiliate” of any Person means any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with such Person. For the purposes of this definition, “control” when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings that correspond to the foregoing.

“Agent” means any Registrar or Paying Agent.

“Aggregate Debt” means the sum of the following as of the date of determination: (1) the lesser of (A) the then outstanding aggregate principal amount of the Indebtedness of the Company and its Domestic Restricted Subsidiaries incurred after the Issue Date and secured by Liens not permitted under Section 4.09(a) and (B) the fair market value of the assets subject to the Liens referred to in clause (A), as determined in good faith by the Board of Directors; (2) the then outstanding aggregate principal amount of all consolidated Indebtedness of the Company and its Domestic Restricted Subsidiaries that constitutes Subsidiary Debt incurred after the Issue Date and not permitted under Section 4.07(b); *provided*, that any such Subsidiary Debt will be excluded from this clause (2) to the extent that such Subsidiary Debt is included in clause (1) or (3) of this definition; and (3) the then existing Attributable Liens of the Company and its Domestic Restricted Subsidiaries in respect of sale and lease-back transactions entered into after

the Issue Date pursuant to Section 4.08(b); *provided*, that any such Attributable Liens will be excluded from this clause (3) to the extent that such Indebtedness relating thereto is included in clause (1) or (2) of this definition. For the avoidance of doubt, in no event will the amount of Indebtedness (including Guarantees of such Indebtedness) be required to be included in the calculation of Aggregate Debt more than once despite the fact that more than one Person is liable with respect to such Indebtedness and despite the fact that such Indebtedness is secured by the assets of more than one Person.

“ Applicable Premium ” means, with respect to any Note on any applicable redemption date, the greater of:

(1) 1.0% of the principal amount of such Note; and

(2) the excess, if any, of:

“ Attributable Liens ” means in connection with a sale and lease-back transaction the lesser of: (1) the fair market value of the assets subject to such transaction, as determined in good faith by the Company’s Board of Directors; and (2) the present value (discounted at a rate of 10% per annum compounded monthly) of the obligations of the lessee for rental payments during the shorter of the term of the related lease or the period through the first date on which the Company or the applicable Subsidiary may terminate the lease.

“ Bankruptcy Code ” means the United States Bankruptcy Code, codified as Title 11, U.S. Code § 101 1330, as amended.

“ Board of Directors ” means the Board of Directors of the Company or any committee thereof duly authorized to act on behalf of such Board.

“ Change of Control ” means:

(1) the Company becomes aware (by way of a report or any other filing pursuant to Section 13(d) of the Exchange Act, proxy, vote, written notice or otherwise) that any “person” or “group” (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act), is or has become the “beneficial owner” (as such term is used in Rules 13d-3 and 13d-5 under the Exchange Act) of more than

50% of the Voting Stock of the Company; *provided, however*, that for purposes of this clause (1) such person or group shall be deemed to have “beneficial ownership” of all shares that any such person or group has the right to acquire, whether such right is exercisable immediately or only after the passage of time, directly or indirectly; and *provided, further*, that a transaction will not be deemed to involve a Change of Control under this clause (1) if (a) the Company becomes a direct or indirect wholly owned subsidiary of a holding company, and (b)(i) the direct or indirect holders of the Voting Stock of such holding company immediately following that transaction are substantially the same as the holders of the Company’s Voting Stock immediately prior to that transaction or (ii) immediately following that transaction no “person” or “group” (other than a holding company satisfying the requirements of this sentence) is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of such holding company; or

(2) the Company sells, conveys, transfers or leases (either in one transaction or a series of related transactions) all or substantially all assets of the Company and its Subsidiaries taken as a whole to, or merges or consolidates with, a Person (other than the Company or any of its Subsidiaries), other than any such merger or consolidation where the shares of the Company’s Voting Stock outstanding immediately prior to such transaction constitute, or are converted into or exchanged for, a majority of the Voting Stock of the surviving person or parent entity thereof immediately after giving effect to such transaction.

“Change of Control Triggering Event” means the occurrence of (1) a Change of Control that is accompanied or followed by a downgrade of the Notes within the Ratings Decline Period for such Change of Control by each of Moody’s and S&P (or, in the event Moody’s or S&P or both shall cease rating the Notes (for reasons outside the control of the Company) and the Company shall select any other nationally recognized rating agency, the equivalent of such ratings by such other nationally recognized rating agency) and (2) the rating of the Notes on any day during such Ratings Decline Period is below the lower of the rating by such nationally recognized rating agency in effect (a) immediately preceding the first public announcement of the Change of Control (or occurrence thereof if such Change of Control occurs prior to public announcement) and (b) on the Issue Date.

“Company” means Netflix, Inc. and any successor thereto.

“Comparable Treasury Issue” means the United States Treasury security selected by a Reference Treasury Dealer as having an actual or interpolated maturity comparable to the period from the redemption date to the scheduled final maturity of the Notes, that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the period from the redemption date to the scheduled final maturity of the Notes.

“Comparable Treasury Price” means, with respect to any redemption date, (1) the arithmetic average, as determined by the Company, of the Reference Treasury Dealer Quotations for such redemption date after excluding the highest and lowest Reference Treasury Dealer Quotations; or (2) if the Company obtains fewer than four Reference Treasury Dealer Quotations, the arithmetic average of all Reference Treasury Dealer Quotations for such redemption date.

“Consolidated EBITDA” means, with respect to any Person for any Measurement Period, the sum of, without duplication, the amounts for such period, taken as a single accounting period, of: (1) Consolidated Net Income; (2) Consolidated Non-cash Charges; (3) Consolidated Interest Expense; (4) Consolidated Income Tax Expense; (5) restructuring expenses and charges; (6) any expenses or charges related to any equity offering, Investment, recapitalization or incurrence of Indebtedness not prohibited under this Indenture (whether or not successful) or related to the issuance of the Notes; (7) costs or

accruals or reserves incurred in connection with acquisitions after the Issue Date; and (8) any costs or expenses incurred by the Company or any Subsidiary pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement, any stock subscription or shareholder agreement, to the extent that such costs or expenses are funded with cash proceeds contributed to the capital of the Company or net cash proceeds of an issuance of Equity Interests of the Company (other than Disqualified Equity Interests).

Consolidated EBITDA shall be calculated after giving effect on a pro forma basis for the applicable Measurement Period to any asset sales or other dispositions or acquisitions, investments, mergers, consolidations and discontinued operations (as determined in accordance with GAAP) by such Person and its Subsidiaries (1) that have occurred during such Measurement Period or at any time subsequent to the last day of such Measurement Period and on or prior to the date of the transaction in respect of which Consolidated EBITDA is being determined and (2) that the Company determines in good faith are outside the ordinary course of business, in each case as if such asset sale or other disposition or acquisition, investment, merger, consolidation or disposed operation occurred on the first day of such Measurement Period. Section 1.04 Incorporation by Reference of Trust Indenture Act.

Whenever this Indenture specifically refers to a provision of the Trust Indenture Act and states that such provision is applicable to this Indenture, the provision is incorporated by reference in and made a part of this Indenture.

The following Trust Indenture Act terms used in this Indenture have the following meanings:

“ indenture securities ” means the Notes;

“ indenture security holder ” means a Holder of a Note;

“ indenture to be qualified ” means this Indenture;

“ indenture trustee ” or “ institutional trustee ” means the Trustee; and

“ obligor ” on the Notes and the Note Guarantees means the Company and any Guarantor, respectively, and any successor obligor upon the Notes and the Note Guarantees, respectively.

All other terms used in this Indenture that are defined by the Trust Indenture Act, defined by Trust Indenture Act reference to another statute or defined by SEC rule under the Trust Indenture Act have the meanings so assigned to them.

Section 1.05 Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Company and any Guarantor. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, shall be sufficient for any purpose of this Indenture and (subject to Section 7.01) conclusive in favor of the Trustee, the Company and any Guarantor, if made in the manner provided in this Section 1.05.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved (1) by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof or (2) in any other manner deemed reasonably sufficient by the Trustee. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit or other manner shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee, the Company or any Guarantor in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Company may, in the circumstances permitted by the Trust Indenture Act, set a record date for purposes of determining the identity of Holders entitled to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, or to vote on any action authorized or permitted to be taken by Holders; *provided* that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in clause (f) below. Unless otherwise specified, if not set by the Company prior to the first solicitation of a Holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote, any such record date shall be the later of 20 days prior to the first solicitation of such consent or vote or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation or vote. If any record date is set pursuant to this clause (e), the Holders on such record date, and only such Holders, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes, or each affected Holder, as applicable, in each case on such record date. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action to be taken by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder in the manner set forth in Section 11.02.

(f) The Trustee may set any day as a record date for the purpose of determining the Holders entitled to join in the giving or making of (1) any Notice of Default, (2) any declaration of acceleration referred to in Section 6.02, (3) any direction referred to in Section 6.05 or (4) any request to institute proceedings referred to in Section 6.06(a) and shall incur no liability whatsoever for the setting of such record date. If any record date is set pursuant to this paragraph, the Holders on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes or each affected Holder, as applicable, in each case on such record date. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company and to each Holder in the manner set forth in Section 11.02.

(g) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

(h) Without limiting the generality of the foregoing, a Holder, including a Depositary that is the Holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and a Depositary, that is the Holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in any such Global Note through such Depositary's standing instructions and customary practices.

(i) The Company may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Note held by a Depositary entitled under the procedures of such Depositary, if any, to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders; *provided* that if such a record date is fixed, only the Holders on such record date or their duly appointed proxy or proxies shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holders remain Holders after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date.

(j) With respect to any record date set pursuant to this Section 1.05, the party hereto that sets such record dates may designate any day as the “Expiration Date” and from time to time may change the Expiration Date to any earlier or later day; *provided* that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Notes in the manner set forth in Section 11.02, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.05, the party hereto which set such record date shall be deemed to have initially designated the 120th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this clause (j).

ARTICLE 2

THE NOTES

Section 2.01 Form and Dating; Terms.

(a) Provisions relating to the Initial Notes, Additional Notes and Exchange Notes are set forth in Appendix A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes and the Trustee’s certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rules or agreements with national securities exchanges to which the Company or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Company). Each Note shall be dated the date of its authentication. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(b) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Company, any Guarantor and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Company at the option of the Holders pursuant to an Offer to Purchase as provided in Section 4.11. The Notes shall not be redeemable, other than as provided in Article 3.

Additional Notes may be created and issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to ranking, status, redemption or otherwise as the Initial Notes (other than issue price or the payment of interest accruing prior to the issue date of such Additional Notes except for the first payment of interest following the issue date of such Additional Notes); *provided* that if any Additional Notes are not fungible with the Notes for U.S. federal income tax or other purposes, then the Additional Notes will have a separate CUSIP number. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture.

Section 2.02 Execution and Authentication.

(a) At least one Officer shall execute the Notes on behalf of the Company by manual or facsimile signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

(b) A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

(c) On the Issue Date, the Trustee shall, upon receipt of a written order of the Company signed by an Officer (an “Authentication Order”), authenticate and deliver the Initial Notes. In addition, at any time, from time to time, the Trustee shall upon receipt of an Authentication Order authenticate and deliver any Additional Notes and Exchange Notes for an aggregate principal amount specified in such Authentication Order for such Additional Notes and Exchange Notes issued hereunder.

(d) The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company.

Section 2.03 Registrar and Paying Agent.

(a) The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“Registrar”) and at least one office or agency where Notes may be presented for payment (“Paying Agent”). The Registrar shall keep a register of the Notes (“Note Register”) and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar, and the term “Paying Agent” includes any additional paying agent. The Company may rescind or change any Paying Agent or Registrar without prior notice to any Holder. The Company shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(b) The Company initially appoints The Depository Trust Company (“DTC”) to act as Depositary with respect to the Global Notes. The Company initially appoints the Trustee to act as the Paying Agent and Registrar for the Notes and to act as Custodian with respect to the Global Notes.

Section 2.04 Paying Agent to Hold Money in Trust.

The Company shall, no later than 11:00 a.m. (New York City time) on each due date for the payment of principal of and premium, if any, and interest on any of the Notes, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the Holders entitled to the same, and (unless such Paying Agent is the Trustee) the Company shall promptly notify the Trustee of its action or failure so to act. The Company shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of and premium, if any, interest on the Notes, and shall notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Notes.

Section 2.05 Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with Trust Indenture Act Section 312(a). If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least five Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders, and the Company shall otherwise comply with Trust Indenture Act Section 312(a).

Section 2.06 Transfer and Exchange.

(a) The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A.

(b) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(c) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange (other than pursuant to Section 2.07), but the Holders shall be required to pay any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Section 2.10, 3.06 and 4.11).

(d) [Reserved]

(e) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(f) Neither the Company nor the Trustee shall be required (1) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of sending of a notice of redemption of Notes for redemption under Section 3.02 or the making of an Offer to Purchase and ending at the close of business on the day of such sending, (2) to register the transfer of or to exchange any Note so selected for redemption or subject to purchase in an Offer to Purchase in whole or in part, except the unredeemed or unpurchased portion of any Note being redeemed or purchased in part or (3) if a redemption or purchase pursuant to an Offer to Purchase is to occur after a Record Date but on or before the corresponding Interest Payment Date, to register the transfer of or exchange any Note on or after the Record Date and before the date of redemption or purchase.

(g) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and premium, if any, and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(h) Upon surrender for registration of transfer of any Note at the office or agency of the Company designated pursuant to Section 4.02, the Company shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(i) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.02.

(j) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by mail or by facsimile or electronic transmission.

Section 2.07 Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if a Holder claims that its Note has been lost, destroyed or wrongfully taken and the Trustee receives evidence to its satisfaction of the ownership and loss, destruction or theft of such Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. An indemnity bond must be provided by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge the Holder for the expenses of the Company and the Trustee in replacing a Note. Every replacement Note is a contractual obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

(b) If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser, as such term is defined in Section 8-303 of the UCC in effect in the State of New York.

(c) If the principal amount of any Note is considered paid under Section 4.01, from and after such date it ceases to be outstanding and interest on it ceases to accrue.

(d) If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on the maturity date, any redemption date or any date of purchase pursuant to an Offer to Purchase, money sufficient to pay Notes payable or to be redeemed or purchased on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the requisite principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Company or any obligor upon the Notes or any Affiliate of the Company or of such other obligor.

Section 2.10 Temporary Notes.

Until definitive Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

Section 2.11 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

(a) If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Company shall notify the Trustee in an Officer's Certificate of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Company of such special record date. At least 10 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall send, or cause to be sent to each Holder a notice that states the special record date, the related payment date and the amount of such interest to be paid.

(b) Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue interest, which were carried by such other Note.

Section 2.13 CUSIP and ISIN Numbers.

The Company in issuing the Notes may use CUSIP and/or ISIN numbers (if then generally in use) and, if so, the Trustee shall use CUSIP and/or ISIN numbers in notices of redemption or exchange or in Offers to Purchase as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange or in Offers to Purchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or exchange of Offer to Purchase shall not be affected by any defect in or omission of such numbers. The Company shall as promptly as practicable notify the Trustee in writing of any change that the Company is aware of in the CUSIP or ISIN numbers.

ARTICLE 3

REDEMPTION

Section 3.01 Notices to Trustee.

If the Company elects to redeem Notes pursuant to Section 3.07, it shall furnish to the Trustee, at least five Business Days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to Section 3.03 (unless a shorter period shall be agreed to by the Trustee) but not more than 60 days before a redemption date, an Officer's Certificate setting forth (1) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (2) the redemption date, (3) the principal amount of the Notes to be redeemed and (4) the Redemption Price.

Section 3.02 Selection of Notes to Be Redeemed or Purchased.

(a) If less than all of the Notes are to be so redeemed pursuant to Section 3.07 or purchased in an Offer to Purchase at any time, the Trustee shall select the Notes or portions thereof to be redeemed or purchased (1) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed or (2) if the Notes are not so listed, on a *pro rata* basis, by lot or by such other method as the Trustee shall deem fair and appropriate, subject to The Depository Trust Company, Euroclear and/or Clearstream procedures as applicable. In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption date by the Trustee from the then outstanding Notes not previously called for redemption or purchase.

(b) The Trustee shall promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected shall be in amounts of \$2,000 and whole multiples of \$1,000 in excess thereof; no Notes of \$2,000 or less shall be redeemed in part, except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

(c) After the redemption date, upon surrender of a Note to be redeemed in part only, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note representing the same Indebtedness to the extent not redeemed shall be issued in the name of the Holder of the Notes upon cancellation of the original Note (or appropriate book entries shall be made to reflect such partial redemption).

Section 3.03 Notice of Redemption.

(a) The Company shall send, or cause to be sent (or, in the case of Notes held in book-entry form, by electronic transmission) notices of redemption of Notes at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed pursuant to this Article at such Holder's registered address or otherwise in accordance with the procedures of the Depositary, except that redemption notices may be sent more than 60 days prior to a redemption date if the notice is issued in connection with Article 8. Except as set forth in Section 3.07(c), notices of redemption may not be conditional.

(b) The notice shall identify the Notes (including CUSIP numbers) to be redeemed and shall state:

- (1) the redemption date;
- (2) the Redemption Price, including the portion thereof representing any accrued and unpaid interest;
- (3) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed;
- (4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;

(6) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and

(9) if applicable, any condition to such redemption.

(c) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense; *provided* that the Company shall have delivered to the Trustee, at least five Business Days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03 (unless a shorter period shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is sent in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the redemption date at the Redemption Price (except as provided for in Section 3.07(c)). The notice, if sent in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05, on and after the redemption date, interest ceases to accrue on Notes or portions of Notes called for redemption.

Section 3.05 Deposit of Redemption or Purchase Price.

(a) Prior to 11:00 a.m. (New York City time) on the redemption or purchase date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. The Paying Agent shall promptly send to each Holder (and, in the case of an Offer to Purchase, if applicable, to holders of Indebtedness ranking *pari passu* with the Notes) to be redeemed or repurchased the applicable redemption or purchase price thereof and accrued and unpaid interest thereon. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

(b) If the Company complies with the provisions of Section 3.05(a), on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase on and after such date. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest, if any, to the redemption or purchase date shall be paid on the relevant Interest Payment Date to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the

failure of the Company to comply with Section 3.05(a), interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Company shall issue and, upon receipt of an Authentication Order, the Trustee shall promptly authenticate and mail to the Holder (or cause to be transferred by book entry) at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same Indebtedness to the extent not redeemed or purchased; *provided* that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

Section 3.07 Optional Redemption.

(a) The Notes may be redeemed, in whole or in part, at any time prior to February 15, 2022, at the option of the Company upon not less than 30 nor more than 60 days' prior notice sent to each Holder's registered address, at a Redemption Price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date).

(c) The Company shall pay interest (including post-petition interest in any proceeding under any Debtor Relief Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Debtor Relief Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 Maintenance of Office or Agency.

(a) The Company shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company and any Guarantor in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency, if other than an office of the Trustee or an affiliate of the Trustee. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

(b) The Company may also from time to time designate additional offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03.

Section 4.03 Provision of Financial Information.

(a) The Company covenants to file with the Trustee, within 15 days after the Company has filed the same with the SEC, copies of the annual reports and of the information, documents and reports (or copies of such portions of any of the foregoing as the SEC may prescribe) that the Company may be required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act (other than confidential filings, documents subject to confidential treatment and correspondence with the SEC); *provided* that in each case the delivery of materials to the Trustee by electronic means or filing of documents pursuant to the SEC's "EDGAR" system (or any successor electronic filing system) shall be deemed to be "filed" with the Trustee as of the time such documents are filed via the "EDGAR" system for purposes of this Section 4.03, *provided, however*, that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been filed pursuant to the "EDGAR" system (or its successor). If this Indenture is qualified under the Trust Indenture Act, the Company will comply with Section 314(a) of the Trust Indenture Act. Delivery of such information, documents and reports to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

(b) For so long as any of the Notes remain outstanding and constitute “restricted securities” under Rule 144, the Company will furnish to the Holders of the Notes and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Section 4.04 Compliance Certificate.

(a) The Company and each Guarantor (to the extent that such Guarantor is so required under the Trust Indenture Act) shall deliver to the Trustee, within 100 days after the end of each fiscal year ending after the Issue Date, a certificate from the principal executive officer, principal financial officer or principal accounting officer stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge, the Company has kept, observed, performed and fulfilled each and every condition and covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto).

(b) Upon the Company becoming aware of any Default has occurred and is continuing under this Indenture, the Company shall promptly (which shall be no more than five Business Days following the date on which the Company becomes aware of such Default) send to the Trustee an Officer’s Certificate specifying such event and what action the Company is taking or proposes to take with respect thereto.

Section 4.05 [Reserved].

Section 4.06 Stay, Extension and Usury Laws.

The Company and each Guarantor covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 Limitation on Subsidiary Debt.

(a) The Company will not permit any of its Domestic Restricted Subsidiaries to create, assume, incur, Guarantee or otherwise become liable for any Indebtedness (any such Indebtedness or Guarantee, “Subsidiary Debt”), without Guaranteeing the payment of the principal of, premium, if any, and interest on the Notes on an unsecured unsubordinated basis until such time as such Subsidiary Debt is no longer outstanding.

(b) Section 4.07(a) shall not apply to, and there shall be excluded from Indebtedness in any computation under such restriction, Subsidiary Debt constituting:

(1) Indebtedness of or Guarantee by a Person existing at the time such Person is merged into or consolidated with any Domestic Restricted Subsidiary or otherwise acquired by any Domestic Restricted Subsidiary or at the time of a sale, lease or other disposition of the properties and assets of such Person (or a division thereof) as an entirety or substantially as an entirety to any Domestic Restricted Subsidiary and is assumed by such Subsidiary; *provided* that such Indebtedness or Guarantee was not incurred in contemplation thereof and is not Guaranteed by any other Domestic Restricted Subsidiary (other than any Guarantee existing at the time of such merger, consolidation or sale, lease or other disposition of properties and assets and that was not issued in contemplation thereof);

(2) Indebtedness of or Guarantee by a Person existing at the time such Person becomes a Domestic Restricted Subsidiary; *provided* that any such Indebtedness or Guarantee was not incurred in contemplation thereof;

(3) Indebtedness owed to or Guarantee in favor of the Company or any Domestic Restricted Subsidiary;

(4) Indebtedness or Guarantees in respect of netting services, business credit card programs, overdraft protection and other treasury, depository and cash management services or incurred in connection with any automated clearing-house transfers of funds or other fund transfer or payment processing services;

(5) Indebtedness or Guarantees arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business, *provided* that any such Indebtedness or Guarantee is extinguished within five Business Days within its incurrence;

(6) reimbursement obligations incurred in the ordinary course of business;

(7) advances and deposits received in the ordinary course of business;

(8) Indebtedness or Guarantees incurred (a) in respect of workers' compensation claims, payment obligations in connection with health or other types of social security benefits, unemployment or other insurance obligations, reclamation and statutory obligations, (b) in connection with the financing of insurance premiums or self-insurance obligations or take-or-pay obligations contained in supply agreements, and (c) in respect of guarantees, warranty or contractual service obligations, indemnity, bid, performance, warranty, release, appeal, surety and similar bonds, letters of credit and banker's acceptances for operating purposes or to secure any Indebtedness or Guarantee or other obligations referred to in clauses (1) through (7) or this clause (8), payment (other than for payment of Indebtedness) and completion guarantees, in each case provided or incurred (including Guarantees thereof) in the ordinary course of business;

(9) Indebtedness and Guarantees of a Content Project Subsidiary in connection with (a) Content Acquisition Transactions by such Subsidiary or other Content Acquisition Transactions with respect to Related Projects by one or more Content Project Subsidiaries or (b) Content Disposition Transactions by such Subsidiary or other Content Disposition Transactions with respect to Related Projects by one or more Content Project Subsidiaries; or

(10) Indebtedness or Guarantee outstanding on the date of this Indenture and any extension, renewal, replacement, refinancing or refunding of any Indebtedness or Guarantee existing on the date of this Indenture or referred to in clauses (1) and (2); *provided* that any Indebtedness or Guarantee incurred to so extend, renew, replace, refinance or refund shall be

incurred within 360 days of the maturity, retirement or other repayment or prepayment of the Indebtedness or Guarantee referred to in this clause or clauses (1) and (2) above and the principal amount of the Indebtedness incurred or Guaranteed to so extend, renew, replace, refinance or refund shall not exceed the principal amount of Indebtedness or Guarantee being extended, renewed, replaced, refinanced or refunded plus any premium or fee (including tender premiums) or other reasonable amounts payable, plus the amount of fees, expenses and other costs incurred, in connection with any such extension, renewal, replacement, refinancing or refunding.

(c) Notwithstanding Sections 4.07(a) and (b), any Domestic Restricted Subsidiary may create, incur, issue or assume Subsidiary Debt that would otherwise be subject to the restrictions set forth in Section 4.07(a), without Guaranteeing the payment of the principal of, premium, if any, and interest (including Additional Interest, if any) on the Notes, if after giving effect thereto, Aggregate Debt does not exceed an amount equal to the greater of (a) \$1,500,000,000, and (b) 2.00 times Consolidated EBITDA of the Company for the Measurement Period immediately preceding the date of the creation or incurrence of the Subsidiary Debt. Any Domestic Restricted Subsidiary also may, without Guaranteeing the payment of the principal of, premium, if any, and interest on the Notes, extend, renew, replace, refinance or refund any Subsidiary Debt permitted pursuant to the preceding sentence; *provided* that any Subsidiary Debt incurred to so extend, renew, replace, refinance or refund shall be incurred within 360 days of the maturity, retirement or other repayment or prepayment of the Subsidiary Debt being extended, renewed, replaced, refinanced or refunded and the principal amount of the Subsidiary Debt incurred to so extend, renew, replace, refinance or refund shall not exceed the principal amount of Subsidiary Debt being extended, renewed, replaced, refinanced or refunded plus any premium or fee (including tender premiums) or other reasonable amounts payable, plus the amount of fees, expenses and other costs incurred, in connection with any such extension, renewal, replacement, refinancing or refunding.

Section 4.08 Limitation on Sale and Lease-back Transactions.

(a) The Company will not, and will not permit any of its Domestic Restricted Subsidiaries, to enter into any transaction for the sale and leasing back of any Principal Property, whether now owned or hereafter acquired, unless:

- (1) such transaction was entered into prior to the Issue Date;
- (2) such transaction was for the sale and leasing back to the Company or a Domestic Restricted Subsidiary of any Principal Property;
- (3) such transaction involves a lease of a Principal Property executed by the time of or within 12 months after the latest of the acquisition, the completion of construction or improvement, or the commencement of commercial operation, of such Principal Property;
- (4) such transaction involves a lease for not more than three years (or which may be terminated by the Company or the applicable Domestic Restricted Subsidiary within a period of not more than three years);
- (5) the Company or the applicable Domestic Restricted Subsidiary would be entitled to incur Indebtedness secured by a mortgage on the property to be leased in an amount equal to Attributable Liens with respect to such sale and lease-back transaction without equally and ratably securing the Notes pursuant to Section 4.09(a); or
- (6) the Company or the applicable Domestic Restricted Subsidiary applies an amount equal to the net proceeds from the sale of the Principal Property to the purchase of other Principal Property or to the retirement, repurchase or other repayment or prepayment of long-term

Indebtedness within 365 calendar days before or after the effective date of any such sale and lease-back transaction; *provided* that in lieu of applying such amount to such retirement, repurchase, repayment or prepayment, the Company or any Domestic Restricted Subsidiary may deliver Notes to the trustee for cancellation, such Notes to be credited at the cost thereof to the Company or such Domestic Restricted Subsidiary.

For the avoidance of doubt, any transaction that is required to be accounted for as a sale and lease-back transaction in accordance with GAAP shall not be deemed to be a sale and lease-back transaction subject to the foregoing restrictions in this Section 4.08(a) unless such transaction involves an actual transfer of Principal Property.

(b) Notwithstanding Section 4.08(a), the Company and its Domestic Restricted Subsidiaries may enter into any sale and lease-back transaction which would otherwise be subject to the foregoing restrictions if after giving effect thereto and at the time of determination, Aggregate Debt does not exceed an amount equal to the greater of (a) \$1,500,000,000, and (b) 2.00 times Consolidated EBITDA of the Company for the Measurement Period immediately preceding the closing date of the sale and lease-back transaction.

Section 4.09 Limitation on Liens.

(a) The Company will not, and will not permit any of its Domestic Restricted Subsidiaries, to enter into, create, incur or assume any Lien on any Principal Property, whether now owned or hereafter acquired, in order to secure any Indebtedness, without effectively providing that the Notes shall be equally and ratably secured until such time as such Indebtedness is no longer secured by such Lien, except:

(1) Liens existing as of the Issue Date;

(2) Liens granted after the Issue Date created in favor of the holders of the Notes;

(3) Liens created in substitution of, or as replacements for, any Liens described in clauses (1) and (2) above; provided that based on a good faith determination of one of the Company's Senior Officers, the Principal Property encumbered under any such substitute or replacement Lien is substantially similar in nature to the Principal Property encumbered by the otherwise permitted Lien which is being replaced; and

(4) Permitted Liens.

(b) Notwithstanding Section 4.09(a), the Company or any Domestic Restricted Subsidiary may, without equally and ratably securing the Notes, create or incur Liens which would otherwise be subject to the restrictions set forth in Section 4.09(a) if after giving effect thereto, Aggregate Debt does not exceed an amount equal to the greater of (a) \$1,500,000,000, and (b) 2.00 times Consolidated EBITDA of the Company for the Measurement Period immediately preceding the date of the creation or incurrence of the Lien. The Company or any Domestic Restricted Subsidiary also may, without equally and ratably securing the Notes, create or incur Liens that extend, renew, substitute or replace (including successive extensions, renewals, substitutions or replacements), in whole or in part, any Lien permitted pursuant to the preceding sentence.

Section 4.10 Corporate Existence.

Subject to Article 5, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect

(1) its corporate existence and the corporate, partnership, limited

liability company, unlimited liability company or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary and (2) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided* that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership, limited liability company or other existence of any of its Subsidiaries, if the Company in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole.

Section 4.11 Offer to Repurchase Upon Change of Control Triggering Event.

(a) An “Offer to Purchase” means an offer by the Company to purchase Notes as required by this Indenture. An Offer to Purchase must be made by written offer (the “offer”) sent to the Holders. The Company will notify the Trustee at least 5 days (or such shorter period as is acceptable to the Trustee) prior to sending the offer to Holders of its obligation to make an Offer to Purchase, and the offer will be sent by the Company or, at the Company’s written request, by the Trustee in the name and at the expense of the Company.

(b) The offer must include or state the following, which shall (where applicable) be the terms of the Offer to Purchase:

(1) the provision of this Indenture pursuant to which the Offer to Purchase is being made;

(2) the aggregate principal amount of the outstanding Notes offered to be purchased by the Company pursuant to the Offer to Purchase (the “purchase amount”);

(3) the purchase price, including the portion thereof representing accrued and unpaid interest (the “Purchase Price”);

(4) an expiration date (the “Offer Expiration Date”) not less than 30 days or more than 60 days after the date of the offer, and a settlement date for purchase (the “purchase date”) not more than five Business Days after the Offer Expiration Date;

(5) that a Holder may tender all or any portion of its Notes pursuant to an Offer to Purchase, subject to the requirement that any portion of a Note tendered must be in denominations of \$2,000 principal amount and integral multiples of \$1,000 in excess thereof;

(6) the place or places where Notes are to be surrendered for tender pursuant to the Offer to Purchase;

(7) that each Holder electing to tender a Note pursuant to the offer will be required to surrender such Note at the place or places specified in the offer prior to the close of business on the expiration date (such Note being, if the Company or the Trustee so requires, duly endorsed or accompanied by a duly executed written instrument of transfer);

(8) that interest on any Note not tendered, or tendered but not purchased by the Company pursuant to the Offer to Purchase, will continue to accrue;

(9) that on the purchase date the Purchase Price will become due and payable on each Note accepted for purchase pursuant to the Offer to Purchase, and interest on Notes purchased will cease to accrue on and after the purchase date;

(10) that Holders are entitled to withdraw Notes tendered by giving notice, which must be received by the Company, as applicable, or the Trustee not later than the close of business on the Offer Expiration Date, setting forth the name of the Holder, the principal amount of the tendered Notes, the certificate number of the tendered Notes and a statement that the Holder is withdrawing all or a portion of the tender;

(11) a statement that if Notes in an aggregate principal amount less than or equal to the purchase amount are duly tendered and not withdrawn pursuant to the Offer to Purchase, the Company will purchase all such Notes;

(12) a statement that if any Note is purchased in part, new Notes equal in principal amount to the unpurchased portion of the Note will be issued;

(13) a statement that if any Note contains a CUSIP number, no representation is being made as to the correctness of the CUSIP number either as printed on the Notes or as contained in the offer and that the Holder should rely only on the other identification numbers printed on the Notes; and

(14) if the Notes are held in book entry form, Holders must comply with the applicable procedures of the Depository.

(c) Prior to the purchase date the Company will accept tendered Notes for purchase as required by the Offer to Purchase and deliver to the Trustee all Notes so accepted together with an Officers' Certificate specifying which Notes have been accepted for purchase. On the purchase date the Purchase Price will become due and payable on each Note accepted for purchase, and interest on Notes purchased will cease to accrue on and after the purchase date. The Trustee will promptly return to Holders any Notes not accepted for purchase and send to Holders new Notes equal in principal amount to any unpurchased portion of any Notes accepted for purchase in part.

(d) The Company will comply with Rule 14e-1 under the Exchange Act and all other applicable laws in making any Offer to Purchase, and the above procedures will be deemed modified as necessary to permit such compliance. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will be deemed to have complied with its obligations described in this Indenture by virtue of such compliance.

(e) Not later than 60 days following Change of Control Triggering Event, unless the Company has exercised its right to redeem all of the Notes pursuant to Section 3.07, the Company will make an Offer to Purchase all of the outstanding Notes at a Purchase Price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the purchase date.

(f) The Company will not be required to make an Offer to Purchase following a Change of Control Triggering Event if (1) a third party makes the Offer to Purchase in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to an Offer to Purchase made by the Company and purchases all Notes validly tendered and not withdrawn under such Offer to Purchase or (2) a notice of redemption has been given pursuant to Section 3.07.

(g) Notwithstanding anything to the contrary herein, an Offer to Purchase may be made in advance of a Change of Control Triggering Event, conditional upon the applicable Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of such Offer to Purchase.

(h) Other than as specifically provided in this Section 4.11, any purchase pursuant to this Section 4.11 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06.

Section 4.12 Additional Note Guarantors.

After the Issue Date, the Company will, to the extent required to comply with Section 4.07(a), cause all or any of its Subsidiaries to:

(a) execute and deliver a supplemental indenture to this Indenture, the form of which is attached as Exhibit B, pursuant to which such Subsidiary will agree to be a Guarantor under this Indenture and be bound by the terms of this Indenture applicable to Guarantors, including, but not limited to, Article 10; *provided* that such Guarantor shall deliver to the Trustee an Opinion of Counsel (such opinion or portions thereof may be in form and substance substantially similar to the Opinion of Counsel delivered on the Issue Date and which may contain customary exceptions) to the effect that:

- (1) such Note Guarantee has been duly executed and authorized; and
- (2) such Note Guarantee constitutes a valid, binding and enforceable obligation of such Subsidiary; and

(b) waive and not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Subsidiary as a result of any payment by such Subsidiary under its Note Guarantee.

Section 4.13 [Reserved].

Section 4.14 Further Instruments and Acts.

Upon request of the Trustee, the Company and the Guarantors will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 4.15 Additional Interest Notice.

In the event that the Company is required to pay Additional Interest to Holders of Notes, the Company will provide written notice (“Additional Interest Notice”) to the Trustee of its obligation to pay Additional Interest no later than fifteen days prior to the proposed payment date for the Additional Interest, and the Additional Interest Notice shall set forth the amount of Additional Interest to be paid by the Company on such payment date. The Trustee shall not at any time be under any duty or responsibility to any Holder of Notes to determine the Additional Interest, or with respect to the nature, extent, or calculation of the amount of Additional Interest owed, or with respect to the method employed in such calculation of the Additional Interest.

ARTICLE 5

(4) if such Guarantor is not the continuing Person, the Company delivers, or causes to be delivered, to the Trustee the Officers' Certificate and Opinion of Counsel required under this Indenture,

provided that this Section 5.01(b) shall not apply to a transaction pursuant to which such Guarantor shall be released from its obligations under this Indenture and the Notes in accordance with the provisions described in Section 10.06.

Upon any transaction or series of related transactions to which the requirements of Section 5.01(a) apply, in the case of the Company, or the requirements of Section 5.01(b) apply, in the case of a Guarantor, and are effected in accordance with such requirements, the Successor Company or Successor Guarantor, as applicable, shall succeed to, and be substituted for, and may exercise every right and power of, the Company or the applicable Guarantor, as applicable, under this Indenture with the same effect as if such Successor Company or Successor Guarantor, as applicable, had been named as the Company or applicable Guarantor, as applicable, therein; and when a Successor Company or Successor Guarantor, as applicable, duly assumes all of the obligations and covenants of the Company pursuant to this Indenture and the Notes, except in the case of a lease, the predecessor Person shall be relieved of all such obligations.

ARTICLE 6

(b) failure by the Company to pay any interest (including Additional Interest) on any Note for 30 calendar days after the interest becomes due;

(d) failure by the Company or any of its Subsidiaries to perform, or breach by the Company or any of its Subsidiaries of, any other covenant, agreement or condition in this Indenture for 90 calendar days after either the Trustee or Holders of at least 25% in principal amount of the outstanding Notes have given the Company written notice of the breach in the manner required by this Indenture;

(e) a default or defaults under any bonds, debentures, notes or other evidences of Indebtedness (other than the Notes offered hereunder) by the Company or any of its Significant Subsidiaries having, individually or in the aggregate, a principal or similar amount outstanding of at least \$75,000,000, whether such Indebtedness now exists or shall hereafter be created, which default or defaults (i) shall have resulted in the acceleration of the maturity of such Indebtedness prior to its express final maturity or (ii) shall constitute a failure to pay principal at final maturity of at least \$75,000,000 of such Indebtedness when due and payable after the expiration of any applicable grace period with respect thereto, without such Indebtedness having been discharged or, in the case of clause (i) above, the acceleration having been cured, waived, rescinded or annulled, for a period of, in the case of clause (i) or (ii) above, 30 days or more after either the Trustee or holders of at least 25% in principal amount of the outstanding Notes have given the Company written notice of the breach in the manner required by this Indenture;

(f) except as permitted in this Indenture, any Note Guarantee of any Significant Subsidiary shall for any reason cease to be, or it shall be asserted by any Guarantor or the Company not to be, in full force and effect and enforceable in accordance with its terms;

(g) the Company or any Significant Subsidiary, pursuant to or within the meaning of any Debtor Relief Law:

(1) commences proceedings to be adjudicated bankrupt or insolvent;

(2) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking an arrangement of debt, reorganization, dissolution, winding up or relief under applicable Debtor Relief Laws;

(3) consents to the appointment of a receiver, interim receiver, receiver and manager, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property; or

(4) makes a general assignment for the benefit of its creditors;

(h) a court of competent jurisdiction enters an order or decree under any Debtor Relief Law that:

(1) is for relief against the Company or any Significant Subsidiary in a proceeding in which the Company or any Significant Subsidiary is to be adjudicated bankrupt or insolvent;

(2) appoints a receiver, interim receiver, receiver and manager, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any Significant Subsidiary, or for all or substantially all of the property of the Company or any Significant Subsidiary; or

(3) orders the liquidation, dissolution or winding up of the Company or any Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days.

Section 6.02 Acceleration.

(a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 6.01(g) or Section 6.01(h) with respect to the Company or any Guarantor that is a Significant Subsidiary) occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in aggregate principal amount of the outstanding Notes may declare the principal of the Notes and any accrued and unpaid interest on the Notes to be due and payable immediately by a notice in writing to the Company (and to the Trustee if given by Holders); *provided, however*, that after such acceleration, but before a judgment or decree based on acceleration, the Holders of a majority in aggregate principal amount of the outstanding Notes may rescind and annul such acceleration if such rescission and annulment would not conflict with any judgment or decree of a court of competent jurisdiction and all Events of Default, other than the nonpayment of accelerated principal of or interest on the Notes, have been cured or waived as provided in this Indenture.

(b) If an Event of Default described in Section 6.01(g) or Section 6.01(h) with respect to the Company or any Significant Subsidiary occurs and is continuing, the principal of, premium, if any, and interest that is both accrued and unpaid on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

(c) Notwithstanding the foregoing, if the Company so elects, the sole remedy of the Holders for a failure to comply with any obligations the Company may have or is deemed to have pursuant to Section 314(a)(1) of the Trust Indenture Act or the Company's failure to comply with Section 4.03 will for the first 180 days after the occurrence of such failure consist exclusively of the right to receive Additional Interest on the Notes at a rate per annum equal to 0.25% for the first 180 days after the occurrence of such failure. The Additional Interest will accrue on all outstanding Notes from and including the date on which such failure first occurs until such violation is cured or waived and shall be payable on each relevant Interest Payment Date to Holders of record on the regular Record Date immediately preceding the Interest Payment Date. On the 181st day after such failure (if such violation is not cured or waived prior to such 181st day), such failure will then constitute an Event of Default without any further notice or lapse of time and the Notes will be subject to acceleration as provided above. Any Additional Interest that the Company elects to pay pursuant to this clause (c), when aggregated with any Additional Interest payable under the Registration Rights Agreement will not exceed 1.00% per annum, regardless of the number of events that give rise to the obligation or election to pay any such additional interest.

(d) The Holders of a majority in principal amount of the outstanding Notes may waive all past Defaults (except with respect to nonpayment of principal, premium or interest) and rescind any acceleration with respect to any such Default and its consequences if (1) rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived.

Section 6.03 Other Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of and premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing or past Default and its consequences hereunder, except:

- (1) a continuing Default in the payment of the principal of, premium, if any, or interest on, any Note held by a non-consenting Holder (including any Note which is required to have been purchased pursuant to an Offer to Purchase); and
- (2) a Default with respect to a provision that under Section 9.02 cannot be amended without the consent of each Holder affected,

provided, however, that, subject to Section 6.02, the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 Control by Majority.

The Holders of a majority in principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines in good faith is unduly prejudicial to the rights of any other Holder, is otherwise contrary to applicable law, or that would involve the Trustee in personal liability or expense for which the Trustee has not received an indemnity against loss, liability or expense reasonably satisfactory to it, and the Trustee may take any other action it deems proper which is not inconsistent with any such direction received from the Holders.

Section 6.06 Limitation on Suits.

(a) No Holder of any Note will have any right to institute any proceeding with respect to this Indenture or for any remedy thereunder, unless (1) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default, (2) the Holders of at least 25% in aggregate principal amount of the outstanding Notes shall have made written request to the Trustee, (3) such Holder or Holders shall provide indemnity reasonably satisfactory to the Trustee against loss, liability or expense, to institute such proceeding as Trustee, (4) the Trustee has not complied with such request within 60 days after receipt of the request and the offer of indemnity and (5) the Trustee shall not have received from the Holders of a majority in aggregate principal amount of the outstanding Notes a direction inconsistent with such request within such 60-day period. Such limitations do not apply to a suit instituted by a Holder of a Note directly (as opposed to through the Trustee) for enforcement of payment of the principal of (and premium, if any) or interest on such Note on or after the respective due dates expressed in such Note.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

Section 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and premium, if any, and interest on its Note, on or after the respective due dates expressed in such Note (including in connection with an Offer to Purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(a) or Section 6.01(b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of and premium, if any, and interest remaining unpaid to but not including the date of payment on the Notes, together with interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Company, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceedings has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy are, to the extent permitted by law, cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes including the Guarantors), its creditors or its property and is entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims. Any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13 Priorities.

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money in the following order:

(a) first, to the Trustee and its agents and attorneys for amounts due under Section 7.07, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

(b) second, to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest respectively; and

(c) third, to the Company or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13. Promptly after any record date is set pursuant to this paragraph, the Trustee shall cause notice of such record date and payment date to be given to the Company and to each Holder in the manner set forth in Section 11.02.

Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in such suit to file an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against

any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7

TRUSTEE

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders unless the Holders have offered to the Trustee indemnity or security reasonably satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it shall require an Officer's Certificate and an Opinion of Counsel subject to the other provisions of this Indenture. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity reasonably satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the existence of a Default or Event of Default, the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Company deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

Section 7.03 Individual Rights of Trustee .

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer .

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults .

If a Default occurs and is continuing and if it is known to the Trustee, the Trustee shall mail to each Holder a notice of the Default within 90 days after it occurs. Except in the case of an Event of Default specified in clauses (a) or (b) of Section 6.01, the Trustee may withhold from the Holders notice of any continuing Default if the Trustee determines in good faith that withholding the notice is in the interest of the Holders. The Trustee shall not be deemed to know of any Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is such a Default is received by the Trustee at the Corporate Trust Office of the Trustee.

Section 7.06 Reports by Trustee to Holders of the Notes .

(a) Within 60 days after each December 31, beginning with the December 31 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee shall mail to the Holders of the Notes a brief report dated as of such reporting date that complies with Trust Indenture Act Section 313(a) (but if no event described in Trust Indenture Act Section 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Trust Indenture Act Section 313(b)(2). The Trustee shall also transmit by mail all reports as required by Trust Indenture Act Section 313(c).

(b) A copy of each report at the time of its mailing to the Holders shall be mailed to the Company and filed with each national securities exchange on which the Notes are listed in accordance with Trust Indenture Act Section 313(d). The Company shall promptly notify the Trustee in writing in the event the Notes are listed on any national securities exchange, and of any delisting thereof.

Section 7.07 Compensation and Indemnity.

(a) The Company and the Guarantors, jointly and severally, shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel. The Trustee shall provide the Company reasonable notice of any expenditure not in the ordinary course of business.

(b) The Company and the Guarantors, jointly and severally, shall indemnify the Trustee for, and hold each of the Trustee and any predecessor Trustee harmless against, any and all loss, damage, claims, liability or expense (including attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Company or any Guarantor (including this Section 7.07)) or defending itself against any claim whether asserted by any Holder, the Company, any Guarantor or any other Person, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence.

(c) The obligations of the Company under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

(d) When the Trustee incurs expenses or renders services after an Event of Default specified in Sections 6.01(g) or 6.01(h) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Debtor Relief Law.

Section 7.08 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time by giving 30 days' prior notice of such resignation to the Company and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Debtor Relief Law;

(3) a receiver or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(b) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(c) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Company's expense), the Company or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) As used in this Section 7.08, the term "Trustee" shall also include each Agent.

Section 7.09 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the successor corporation or national banking association without any further act shall be the successor Trustee, subject to Section 7.10.

Section 7.10 Eligibility; Disqualification.

(a) There shall at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

(b) This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act Sections 310(a)(1), (2) and (5). The Trustee is subject to Trust Indenture Act Section 310(b).

Section 7.11 Preferential Collection of Claims Against the Company.

The Trustee is subject to Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated therein.

ARTICLE 8

DISCHARGE AND DEFEASANCE

Section 8.01 Satisfaction and Discharge of Indenture.

The Company may terminate its obligations under this Indenture and the Notes when:

(a) either:

(1) all the Notes that have been authenticated and delivered have been accepted by the Trustee for cancellation (other than any Notes which shall have been destroyed, lost or stolen and which shall have been replaced or paid as provided in Section 2.07); or

(2) (x) all outstanding Notes issued under this Indenture have become due and payable; (y) all outstanding Notes issued under this Indenture have or will become due and payable at the Stated Maturity within one year; or (z) all outstanding Notes issued under this Indenture are subject to redemption within one year (and the Company shall have entered into arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption), and in each case, the Company shall have deposited or caused to be deposited with the Trustee as trust funds for the purpose of making payments to the Holders under this Indenture an amount (which may include Governmental Obligations), dedicated solely to the benefit of the Holders, sufficient to pay and discharge all outstanding Notes issued under the Indenture on the Stated Maturity or the scheduled date of redemption; and

(b) the Company shall have paid or caused to be paid all other sums then due and payable under this Indenture; and

(c) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

If the foregoing conditions are met, the Trustee, on demand and at the cost and expense of the Company, shall execute proper instruments prepared by the Company acknowledging such satisfaction of and discharging this Indenture and the Notes except as to:

(i) rights of registration of transfer and exchange of Notes;

(ii) the Company's right of optional redemption;

(iii) substitution of mutilated, defaced, destroyed, lost or stolen Notes

(iv) rights of Holders to receive payment of the principal amount, premium (if any) and interest when due and payable, solely out of the trust created pursuant to this Section 8.01;

- (v) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith; and
- (vi) the rights of the Holders as beneficiaries hereof with respect to the property so deposited with the Trustee payable to all or any of them; and the rights of the Company to be repaid any money pursuant to Section 8.05 and Section 8.06.

Section 8.02 Legal Defeasance .

Upon making the deposit referred to in Section 8.02(a), the Company will be deemed to have paid and the Company and the Guarantors will be discharged from their obligations in respect of the Notes and this Indenture, other than their obligations in Article 2 and Sections 4.01, 4.02, 7.07, 7.08 and as set forth in clauses (i) through (vi) of Section 8.01; *provided* that the following conditions have been satisfied:

(a) the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds for the purpose of making the following payments, dedicated solely to the benefits of the holders of the Notes in cash or Governmental Obligations or a combination thereof (other than moneys repaid by the Trustee or any Paying Agent to the Company in accordance with Section 8.06) in each case sufficient without reinvestment, in the written opinion of an internationally recognized firm of independent public accountants to pay and discharge, and which shall be applied by the Trustee to pay and discharge, all of the principal, premium (if any) and interest when the same becomes due and payable at Stated Maturity, upon optional redemption, upon required repurchase or otherwise or if the Company has made irrevocable arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the Company's name and at the Company's expense;

(b) unless the Notes have become due and payable or will become due and payable at Stated Maturity or upon redemption within one year and, in the case of redemption, the Company has entered into arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name of the Trustee, the Company has delivered to the Trustee an Opinion of Counsel stating that, as a result of an IRS ruling or a change in applicable U.S. federal income tax law, the holders of the Notes will not recognize gain or loss for U.S. federal income tax purposes as a result of the deposit, defeasance and discharge to be effected and will be subject to the same federal income tax as would be the case if the deposit, defeasance and discharge did not occur;

(c) no Default with respect to the outstanding Notes has occurred and is continuing at the time of such deposit after giving effect to the deposit;

(d) the defeasance will not cause the Trustee to have a conflicting interest within the meaning of the Trust Indenture Act, assuming all Notes were in default within the meaning of such Act;

(e) the deposit will not result in a breach or violation of, or constitute a default under, any other material agreement or material instrument (other than this Indenture and the Notes) to which the Company is a party or by which it is bound; and

(f) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the defeasance have been complied with.

Upon and following the satisfaction of the foregoing conditions, the Trustee upon request will acknowledge in writing the discharge of the Company's obligations under the Notes and this Indenture except for the surviving obligations specified above.

Section 8.03 Covenant Defeasance.

Upon making the deposit referred to in Section 8.02(a), the failure of the Company to perform the obligations set forth in Sections 4.03, 4.07, 4.08, 4.09, 4.11, 4.12 and the events described in Sections 6.01(c) and 6.01(d) will no longer constitute an Event of Default; *provided* that the following conditions have been satisfied:

(a) the Company has complied with clauses (a), (c), (d), (e), and (f) of Section 8.02; and

(b) unless the Notes have become due and payable or will become due and payable at Stated Maturity or upon redemption within one year and, in the case of redemption, the Company has entered into arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name of the Trustee, the Company has delivered to the Trustee an Opinion of Counsel to the effect that the holders of the Notes will not recognize gain or loss for U.S. federal income tax purposes as a result of the deposit and covenant defeasance to be effected and will be subject to the same federal income tax as would be the case if the deposit and covenant defeasance did not occur,

Except as specifically stated above, none of the Company's obligations under this Indenture and the Notes will be discharged pursuant to this Section 8.03.

Section 8.04 Application by Trustee of Funds Deposited for Payment of Notes.

Subject to 8.06, all moneys deposited with the Trustee pursuant to Sections 8.01, 8.02 and 8.03 shall be held in trust and applied by it to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent), to the Holders of the particular Notes for the payment or redemption of which such moneys or Governmental Obligations have been deposited with the Trustee, of all sums due and to become due thereon for principal, premium (if any) and interest. Such money need not be segregated from other funds except to the extent required by law.

Section 8.05 Repayment of Moneys Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all moneys held by any Paying Agent under the provisions of this Indenture at the time of such satisfaction and discharge shall, upon demand of the Company, be repaid to the Company or paid to the Trustee and thereupon such Paying Agent shall be released from all further liability with respect to such moneys or Governmental Obligations.

Section 8.06 Return of Moneys Held by Trustee and Paying Agent Unclaimed for Two Years.

Any moneys or Governmental Obligations deposited with or paid to the Trustee or any Paying Agent for the payment of the principal of or premium (if any) on or interest on any Note and not applied but remaining unclaimed for two years after the date upon which such principal, premium or interest shall have become due and payable, shall, at the Company's request, be repaid to the Company by the Trustee or such Paying Agent, and the Holder of the Note shall, unless otherwise required by mandatory provisions of applicable escheat or abandoned or unclaimed property laws, thereafter look only to the Company for any payment which such Holder may be entitled to collect, and all liability of the Trustee or any Paying Agent with respect to such moneys shall thereupon cease.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or Government Obligations in accordance with Section 8.01, 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture, the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.01, 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.01, 8.02 or 8.03, as the case may be; *provided* that, if the Company makes any payment of principal of or premium, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

- (e) to evidence and provide for a successor Trustee or to add to or change any provisions to the extent necessary to appoint a separate Trustee for the Notes;
- (f) to cure any ambiguity, defect or inconsistency under this Indenture, or to make other provisions with respect to matters or questions arising under this Indenture;

(h) to add to, change or eliminate any provisions of this Indenture in accordance with the Trust Indenture Act of 1939 or to comply with the provisions of the DTC, Euroclear or Clearstream or the Trustee with respect to provisions of this Indenture or the Notes relating to transfers or exchanges of Notes or beneficial interests in the Notes;

(l) conform any provision to the “Description of Notes” contained in the Offering Memorandum, as evidenced in an Officer’s Certificate.

Section 9.02 With Consent of Holders .

The Company and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders under this Indenture with the written consent of the Holders of at least a majority in aggregate principal amount of outstanding Notes affected by such supplemental indenture; *provided , however ,* that, no such supplemental indenture shall, without the consent of the Holder of each outstanding Note affected thereby,

(a) reduce the rates of or change the time for payment of interest on any Notes;

(b) reduce the principal amount of, or change the Stated Maturity of, any Notes;

(c) reduce the Redemption Price, including upon a Change of Control Triggering Event, of any Notes or amend or modify in any manner adverse to the Holders thereof the Company’s obligation to make such payments;

(g) adversely affect the ranking of the Notes;

(h) waive any default in the payment of principal, premium, if any, or interest; or

(i) impair the right to institute suit for the enforcement of any payment on the Notes.

Section 9.03 Compliance with Trust Indenture Act .

If, at the time of any amendment or supplement to this Indenture, this Indenture is qualified under the Trust Indenture Act, then such amendment or supplement to this Indenture or the Notes shall be set forth in an amended or supplemental indenture that complies with the Trust Indenture Act as then in effect.

Section 9.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

(b) The Company may, but shall not be obligated to, fix a record date pursuant to Section 1.05 for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver.

Section 9.05 Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not deliver a signed amendment, supplement or waiver effecting a change pursuant to Section 9.02 until its Board of Directors approves it. In executing any amendment, supplement or waiver, the Trustee shall receive and (subject to Section 7.01) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 11.04, an Officer's Certificate and an Opinion of Counsel (which may contain customary qualifications) stating that the execution of such amended or supplemental indenture complies with the provisions hereof (including Section 9.03) and such amended or supplemental indenture is the legal, valid and binding obligation of the Company, enforceable against it in accordance with its terms.

ARTICLE 10

GUARANTEES

Section 10.01 Note Guarantee.

(a) Subject to this Article 10, each of the Guarantors, if any, hereby, jointly and severally, irrevocably and unconditionally guarantees, on a senior basis, to each Holder and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (1) the principal of and premium, if any, and interest (including Additional Interest, if any) on the Notes shall be promptly paid in full when due,

whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment by the Company when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture, or pursuant to Section 10.06.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Company or the Guarantors, any amount paid either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(d) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantees.

(e) Each Note Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation, reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Note Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(f) In case any provision of any Note Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(g) Each payment to be made by a Guarantor in respect of its Note Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Debtor Relief Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar U.S. federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Note Guarantee shall be entitled upon payment in full of all Note Guarantee obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Section 10.03 Execution and Delivery.

(a) To evidence its Note Guarantee set forth in Section 10.01, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer or person holding an equivalent title.

(b) Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Note Guarantee on the Notes.

(c) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Note Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

(e) If required by Section 4.12, the Company shall cause any newly created or acquired Domestic Subsidiary to comply with the provisions of Section 4.12 and this Article 10, to the extent applicable.

Section 10.04 Subrogation.

Each Guarantor shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01; *provided that*, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

Section 10.05 Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Note Guarantee are knowingly made in contemplation of such benefits.

Section 10.06 Release of Note Guarantees.

(a) A Note Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and such Note Guarantee shall thereupon terminate and be discharged and of no further force and effect, and no further action by such Guarantor, the Company or the Trustee shall be required for the release of such Guarantor's Note Guarantee:

(1) (A) concurrently with any sale, exchange, disposition or transfer (by merger or otherwise) of (x) any Equity Interests of such Guarantor following which such Guarantor is no longer a Subsidiary of the Company or (y) all or substantially all the properties and assets of such Guarantor to a Person that is not a Subsidiary of the Company;

(B) upon the release or discharge by such Guarantor of all Indebtedness or the Guarantee which resulted in the creation of such Note Guarantee (or would have resulted in the creation of a Note Guarantee had such Note Guarantee not already been in existence) so long as immediately after the release of such Note Guarantee, the Company would be in compliance with Section 4.07;

(C) upon the merger or consolidation of such Guarantor with and into either the Company or any other Guarantor that is the surviving person in such merger or consolidation, or upon the liquidation of such Guarantor following the transfer of all or substantially all of its property and assets to either the Company or another Guarantor; or

(D) upon the Company exercising its legal defeasance or covenant defeasance options in accordance with Article 8 or the Company's obligations under this Indenture being discharged in accordance with the terms of this Indenture and the Notes; and

(2) such Guarantor delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(b) At the request of the Company, the Trustee shall execute and deliver any documents reasonably required in order to acknowledge such release, discharge and termination in respect of the applicable Note Guarantee. Neither the Company nor any Guarantor shall be required to make a notation on the Notes to reflect any Note Guarantee or any such release, termination or discharge.

Section 11.16 U.S.A. PATRIOT Act.

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust or other legal entity the Trustee will ask for documentation to verify its formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation. The parties each agree to provide all such information and documentation as to themselves as requested by the Trustee to ensure compliance with federal law.

Section 11.17 Qualification of Indenture.

The Company and the Guarantors, if any, shall qualify this Indenture under the Trust Indenture Act if required by the Registration Rights Agreement.

Section 2.1 Form and Dating.

(a) The Initial Notes issued on the date hereof shall be (i) offered and sold by the Company to the Initial Purchasers and (ii) resold, initially only to (1) QIBs in reliance on Rule 144A (“Rule 144A Notes”) and (2) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S (“Regulation S Notes”). Such Initial Notes may thereafter be transferred to, among others, QIBs and purchasers in reliance on Regulation S.

(b) Global Notes. Rule 144A Notes shall be issued initially in the form of one or more permanent global Notes in definitive, fully registered form (collectively, the “Rule 144A Global Note”) and Regulation S Notes shall be issued initially in the form of one or more global Notes (collectively, the “Regulation S Global Note”), in each case without interest coupons and bearing the Global Notes Legend and Restricted Notes Legend, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Custodian, and registered in the name of the Depositary or a nominee of the Depositary, duly executed by the Company and authenticated by the Trustee as provided in the Indenture. Beneficial ownership interests in the Regulation S Global Note shall not be exchangeable for interests in the Rule 144A Global Note or any other Note without a Restricted Notes Legend until the expiration of the Distribution Compliance Period. Each Global Note shall represent such of the outstanding Notes as shall be specified in the “Schedule of Exchanges of Interests in the Global Note” attached thereto and each shall provide that it shall represent up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 of the Indenture and Section 2.3(c) below.

(c) Book-Entry Provisions. This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depositary.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and Section 2.2 and pursuant to an order of the Company signed by one Officer of the Company, authenticate and deliver initially one or more Global Notes that (i) shall be registered in the name of the Depositary for such Global Note or Global Notes or the nominee of such Depositary and (ii) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary’s instructions or held by the Trustee as Custodian.

Members of, or participants in, the Depositary (“Agent Members”) shall have no rights under the Indenture with respect to any Global Note held on their behalf by the Depositary or by the Trustee as Custodian or under such Global Note, and the Depositary may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices of such Depositary governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) Definitive Notes. Except as provided in Section 2.3 or 2.4, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of certificated Notes.

Section 2.2 Authentication. The Trustee shall authenticate and make available for delivery upon a written order of the Company signed by one Officer of the Company (a) Initial Notes for original issue on the date hereof in an aggregate principal amount of \$700,000,000, (b) subject to the terms of the Indenture, Additional Notes and (c) Exchange Notes to be issued pursuant to an Exchange Offer under the Registration Rights Agreement and for a like principal amount of Initial Notes exchanged pursuant thereto. Such order shall specify the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes, Additional Notes or Exchange Notes.

Section 2.3 Transfer and Exchange.

(a) Transfer and Exchange of Definitive Notes for Definitive Notes. When Definitive Notes are presented to the Registrar with a request:

- (i) to register the transfer of such Definitive Notes; or
- (ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided*, *however*, that the Definitive Notes surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) in the case of Transfer Restricted Notes, are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect (in the form set forth on the reverse side of the Initial Note); or

(B) if such Definitive Notes are being transferred to the Company, a certification to that effect (in the form set forth on the reverse side of the Initial Note); or

(C) if such Definitive Notes are being transferred pursuant to an exemption from registration in accordance with Rule 144 under the Securities Act or in reliance upon another exemption from the registration requirements of the Securities Act, (x) a certification to that effect (in the form set forth on the reverse side of the Initial Note) and (y) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to them as to the compliance with the restrictions set forth in the applicable legends set forth in Section 2.3(e)(i).

(b) Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note. A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly

endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, together with:

(i) (A) certification (in the form set forth on the reverse side of the Initial Note) that such Definitive Note is being transferred (1) to a QIB in accordance with Rule 144A or (2) outside the United States of America in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act; or (B) such other certification and Opinion of Counsel as the Trustee shall require; and

(ii) written instructions directing the Trustee to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depositary account to be credited with such increase, then the Trustee shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depositary and the Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If no Global Notes are then outstanding and the Global Note has not been previously exchanged for certificated securities pursuant to Section 2.4, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officer's Certificate, a new Global Note in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes. (i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depositary, in accordance with the Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depositary therefor. A transferor of a beneficial interest in a Global Note shall deliver a written order given in accordance with the Depositary's procedures containing information regarding the participant account of the Depositary to be credited with a beneficial interest in such Global Note or another Global Note and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Note to a transferee who takes delivery of such interest through the Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Initial Notes from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act and that, if such transfer is being made prior to the expiration of the Distribution Compliance Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.4), a Global Note may not be transferred as a whole except by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary.

(iv) In the event that a Global Note is exchanged for Definitive Notes pursuant to Section 2.4 prior to the consummation of the Exchange Offer or the effectiveness of a Shelf Registration Statement with respect to such Notes, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse of the Initial Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(d) Restrictions on Transfer of Regulation S Global Note. (i) Prior to the expiration of the Distribution Compliance Period, interests in the Regulation S Global Note may only be held through Euroclear or Clearstream. During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) to the Company or any of its subsidiaries, (2) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (3) in an offshore transaction in accordance with Regulation S, (4) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act or another available exemption or (5) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States of America. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through the Rule 144A Global Note shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Initial Note to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period.

(ii) Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of the Indenture.

(e) Legends.

(i) Except as permitted by this Section 2.3(e), each Note certificate evidencing the Global Notes and the Definitive Notes (and all Notes issued in exchange therefor or in substitution thereof) shall bear a legend in substantially the following form (each defined term in the legend being defined as such for purposes of the legend only) (“Restricted Notes Legend”):

“THE OFFERING AND SALE OF THIS NOTE (OR ITS PREDECESSOR) HAVE NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND, ACCORDINGLY, THIS NOTE MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS, EXCEPT AS SET FORTH IN THE NEXT SENTENCE. BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE HOLDER:

(1) REPRESENTS THAT IT IS NOT AN “AFFILIATE” (AS DEFINED IN RULE 144 UNDER THE SECURITIES ACT) OF NETFLIX, INC. AND (A) IT IS A “QUALIFIED INSTITUTIONAL BUYER” (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) (A “QIB”), OR (B) IT HAS ACQUIRED THIS NOTE IN AN OFFSHORE TRANSACTION IN COMPLIANCE WITH REGULATION S UNDER THE SECURITIES ACT;

(2) AGREES THAT IT WILL NOT RESELL OR OTHERWISE TRANSFER THIS NOTE OR ANY BENEFICIAL INTEREST HEREIN EXCEPT (A) TO NETFLIX, INC. OR ANY OF ITS SUBSIDIARIES, (B) TO A PERSON WHOM THE SELLER REASONABLY BELIEVES IS A QIB PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QIB IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (C) IN AN OFFSHORE TRANSACTION MEETING THE REQUIREMENTS OF RULE 903 OR 904 OF REGULATION S OF THE SECURITIES ACT, (D) IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144 UNDER THE SECURITIES ACT, (E) IN ACCORDANCE WITH ANOTHER EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT (AND BASED UPON AN OPINION OF COUNSEL ACCEPTABLE TO THE ISSUER AND THE TRUSTEE) OR (F) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT AND, IN EACH CASE, IN ACCORDANCE WITH THE APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES OR ANY OTHER APPLICABLE JURISDICTION; AND

(3) AGREES THAT IT WILL DELIVER TO EACH PERSON TO WHOM THIS NOTE OR AN INTEREST HEREIN IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND.

AS USED HEREIN, THE TERMS “OFFSHORE TRANSACTIONS” AND “UNITED STATES” HAVE THE MEANINGS GIVEN TO THEM BY RULE 902 OF REGULATION S UNDER THE SECURITIES ACT. THE INDENTURE CONTAINS A PROVISION REQUIRING THE TRUSTEE TO REFUSE TO REGISTER ANY TRANSFER OF THIS NOTE IN VIOLATION OF THE FOREGOING.”

Each Definitive Note shall bear the following additional legend (“ Definitive Notes Legend ”):

“IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.”

Each Global Note shall bear the following additional legend (“ Global Notes Legend ”):

“UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION (“DTC”), NEW YORK, NEW YORK, TO THE ISSUER OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO.,

OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

TRANSFERS OF THIS GLOBAL SECURITY SHALL BE LIMITED TO TRANSFERS IN WHOLE, BUT NOT IN PART, TO DTC, TO NOMINEES OF DTC OR TO A SUCCESSOR THEREOF OR SUCH SUCCESSOR'S NOMINEE AND TRANSFERS OF PORTIONS OF THIS GLOBAL SECURITY SHALL BE LIMITED TO TRANSFERS MADE IN ACCORDANCE WITH THE RESTRICTIONS SET FORTH IN THE INDENTURE REFERRED TO ON THE REVERSE HEREOF."

(ii) Upon any sale or transfer of a Transfer Restricted Note that is a Definitive Note, the Registrar shall permit the Holder thereof to exchange such Transfer Restricted Note for a Definitive Note that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Note if the Holder certifies in writing to the Registrar that its request for such exchange was made in reliance on Rule 144.

(iii) After a transfer of any Notes pursuant to an effective Shelf Registration Statement with respect to such Notes, all requirements pertaining to the Restricted Notes Legend on such Notes shall cease to apply and the Registrar shall permit the Holder, or beneficial owner, of any such Note that bears a Restricted Notes Legend to exchange such Note for a Note, or beneficial interest in a Global Note, that does not bear a Restricted Notes Legend.

(iv) Upon the consummation of an Exchange Offer with respect to the Initial Notes or Additional Notes pursuant to which Holders of such Initial Notes or Additional Notes are offered Exchange Notes in exchange for their Initial Notes or Additional Notes, all requirements pertaining to Initial Notes or Additional Notes that Initial Notes or Additional Notes be issued in global form shall continue to apply, and Exchange Notes in global form without the Restricted Notes Legend shall be available to Holders that exchange such Initial Notes or Additional Notes in such Exchange Offer.

(v) Upon a sale or transfer after the expiration of the Distribution Compliance Period of any Initial Note or Additional Note acquired pursuant to Regulation S, all requirements that such Initial Note or Additional Note bear the Restricted Notes Legend shall cease to apply and the requirements requiring any such Initial Note or Additional Note be issued in global form shall continue to apply.

(vi) Any Additional Notes sold in a registered offering shall not be required to bear the Restricted Notes Legend.

(vii) To the extent that any Notes are represented by one or more Global Notes held by or on behalf of the Depositary, the Company may cause the Restrictive Notes Legend on any such Global Notes to be removed (or deemed removed) and cause such Global Notes to be identified by an unrestricted CUSIP at any time on or after the one year anniversary of the later of (x) the Issue Date and (y) the date on which Additional Notes were last issued (it being understood that, if Additional Notes bear a different CUSIP, the date after which the Company may cause the Restrictive Notes Legend to be removed (1) with respect to such Additional Notes shall be the one year anniversary of their date of issuance and (2) with respect to the Initial Notes

shall be the one year anniversary of the Issue Date), without delivering an Opinion of Counsel, by:

(A) delivering to the Trustee a written notice (x) certifying that all Notes represented by such Global Notes would be freely tradable under Rule 144 by a person who is not an affiliate of the Company (within the meaning of Rule 144) and has not been an Affiliate of the Company (within the meaning of Rule 144) during the immediately preceding three months, (y) instructing the Trustee to take any actions as may be necessary so that the Restricted Notes Legend set forth on the Global Notes shall be deemed removed from the Global Notes in accordance with the terms and conditions of the Notes and the Indenture, without further action on the part of Holders and (z) instructing the Trustee to take any actions as may be necessary so that the restricted CUSIP number for the Notes shall be removed from the Global Notes and replaced with an unrestricted CUSIP number. Immediately upon receipt of such notice by the Trustee the Restricted Notes Legend will be deemed removed from each of the Global Notes specified in such notice and the restricted CUSIP number will be deemed removed from each of such Global Notes and deemed replaced with an unrestricted CUSIP number; and

(B) providing the Depositary an instruction letter for the Depositary's mandatory exchange process (or any successor notice, form or action required pursuant to the Applicable Procedures) to the extent required.

(viii) From and after the one year anniversary of the issue date of any Transfer Restricted Note, upon written direction of the Company:

(A) The Registrar shall permit the Holder thereof to exchange any Transfer Restricted Note that is a Definitive Note for a Definitive Note that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Note if the Holder certifies in writing to the Registrar and the Company that its request for such exchange was made in reliance on Rule 144 and that such Holder is not (and has not been during the preceding three months) an affiliate (as defined under Rule 144) of the Company; and

(B) Beneficial interests in a Transfer Restricted Note that is a Global Note may be exchanged for beneficial interests in Global Note that does not bear the Restricted Notes Legend if the Holder certifies in writing to the Registrar and the Company that its request for such exchange was made in reliance on Rule 144 and that such Holder is not (and has not been during the preceding three months) an "affiliate" of the Company within the meaning of Rule 144.

(f) Cancellation or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by the Depositary to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Custodian, to reflect such reduction.

(g) Obligations with Respect to Transfers and Exchanges of Notes.

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate, Definitive Notes and Global Notes at the Registrar's request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchanges pursuant to Section 2.07, Section 2.10, 3.06, 4.11 and 9.05 of the Indenture).

(iii) Prior to the due presentation for registration of transfer of any Note, the Company, the Trustee, the Paying Agent or the Registrar may deem and treat the person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

(iv) All Notes issued upon any transfer or exchange pursuant to the terms of the Indenture shall evidence the same debt and shall be entitled to the same benefits under the Indenture as the Notes surrendered upon such transfer or exchange.

(h) No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depositary or any other Person with respect to the accuracy of the records of the Depositary or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depositary) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to the registered Holders (which shall be the Depositary or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depositary subject to the applicable rules and procedures of the Depositary. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under the Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(iii) Upon the occurrence of the Exchange Offer in accordance with the Registration Rights Agreement, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate (i) one or more Global Notes without the Restricted Notes Legend in an aggregate principal amount equal to the principal amounts of the beneficial interests in the Global Notes tendered for acceptance by Persons that certify in the applicable letters of transmittal that (x) they are not broker-dealers, (y) they are not

participating in a distribution of the Exchange Notes and (z) they are not affiliates (as defined in Rule 144) of the Company, and accepted for exchange in the Exchange Offer and (ii) Definitive Notes without the Restricted Notes Legend in an aggregate principal amount equal to the principal amount of the Definitive Notes tendered for acceptance by Persons that certify in the applicable letters of transmittal that (x) they are not broker-dealers, (y) they are not participating in a distribution of the Exchange Notes and (z) they are not affiliates (as defined in Rule 144) of the Company, and accepted for exchange in the Exchange Offer. Concurrently with the issuance of such Notes, the Trustee shall cause the aggregate principal amount of the applicable Global Notes with the Restricted Notes Legend to be reduced accordingly, and the Company shall execute and the Trustee shall authenticate and mail to the Persons designated by the Holders of the Definitive Notes so accepted Definitive Notes without the Restricted Notes Legend in the applicable principal amount. Any Notes that remain outstanding after the consummation of the Exchange Offer, and Exchange Notes issued in connection with the Exchange Offer, shall be treated as a single class of securities under the Indenture.

(iv) In connection with any exchange of beneficial interests in a Global Note that bears a Restricted Notes Legend for any Global Note that does not bear a Restricted Notes Legend in accordance with Section 2.03(e), if a Global Note that does not bear a Restricted Notes Legend is not then outstanding (or an insufficient principal amount of such Global Notes are outstanding to permit such exchange) and the Global Notes have not been previously exchanged for certificated securities pursuant to Section 2.4, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officer's Certificate, one or more new Global Note without the Restricted Notes Legend in the appropriate principal amounts.

Section 2.4 Definitive Notes.

(a) A Global Note deposited with the Depositary or with the Trustee as Custodian pursuant to Section 2.1 or issued in connection with an Exchange Offer shall be transferred to the beneficial owners thereof in the form of Definitive Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only if such transfer complies with Section 2.3 and (i) the Depositary notifies the Company that it is unwilling or unable to continue as a Depositary for such Global Note or if at any time the Depositary ceases to be a "clearing agency" registered under the Exchange Act and, in each case, a successor depositary is not appointed by the Company within 90 days of such notice or after the Company becomes aware of such cessation, or (ii) an Event of Default has occurred and is continuing or (iii) the Company, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of certificated Notes under the Indenture. In addition, any Affiliate of the Company or any Guarantor that is a beneficial owner of all or part of a Global Note may have such Affiliate's beneficial interest transferred to such Affiliate in the form of a Definitive Note, by providing a written request to the Company and the Trustee and such Opinions of Counsel, certificates or other information as may be required by the Indenture or the Company or Trustee.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.4 shall be surrendered by the Depositary to the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations. Any portion of a Global Note transferred pursuant to this Section shall be executed, authenticated and delivered only in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof and registered in such names as the Depositary shall direct. Any certificated Initial Note or Additional Note in the form of a Definitive Note delivered in exchange for an interest in the Global Note shall, except as otherwise provided by Section 2.3(f), bear the Restricted Notes Legend.

(c) Subject to the provisions of Section 2.4(b), the registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under the Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in Section 2.4(a)(i), (ii) or (iii), the Company shall promptly make available to the Trustee a reasonable supply of Definitive Notes in fully registered form without interest coupons.

“Affiliate” of any Person means any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with such Person. For the purposes of this definition, “control” when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings that correspond to the foregoing.

Section 1.05 Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Company and any Guarantor. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, shall be sufficient for any purpose of this Indenture and (subject to Section 7.01) conclusive in favor of the Trustee, the Company and any Guarantor, if made in the manner provided in this Section 1.05.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved (1) by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof or (2) in any other manner deemed reasonably sufficient by the Trustee. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit or other manner shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee, the Company or any Guarantor in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Company may, in the circumstances permitted by the Trust Indenture Act, set a record date for purposes of determining the identity of Holders entitled to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, or to vote on any action authorized or permitted to be taken by Holders; *provided* that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in clause (f) below. Unless otherwise specified, if not set by the Company prior to the first solicitation of a Holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote, any such record date shall be the later of 20 days prior to the first solicitation of such consent or vote or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation or vote. If any record date is set pursuant to this clause (e), the Holders on such record date, and only such Holders, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes, or each affected Holder, as applicable, in each case on such record date. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action to be taken by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder in the manner set forth in Section 11.02.

(f) The Trustee may set any day as a record date for the purpose of determining the Holders entitled to join in the giving or making of (1) any Notice of Default, (2) any declaration of acceleration referred to in Section 6.02, (3) any direction referred to in Section 6.05 or (4) any request to institute proceedings referred to in Section 6.06(a) and shall incur no liability whatsoever for the setting of such record date. If any record date is set pursuant to this paragraph, the Holders on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes or each affected Holder, as applicable, in each case on such record date. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company and to each Holder in the manner set forth in Section 11.02.

(g) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

(h) Without limiting the generality of the foregoing, a Holder, including a Depositary that is the Holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and a Depositary, that is the Holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in any such Global Note through such Depositary's standing instructions and customary practices.

(i) The Company may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Note held by a Depositary entitled under the procedures of such Depositary, if any, to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders; *provided* that if such a record date is fixed, only the Holders on such record date or their duly appointed proxy or proxies shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holders remain Holders after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date.

(j) With respect to any record date set pursuant to this Section 1.05, the party hereto that sets such record dates may designate any day as the “Expiration Date” and from time to time may change the Expiration Date to any earlier or later day; *provided* that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Notes in the manner set forth in Section 11.02, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.05, the party hereto which set such record date shall be deemed to have initially designated the 120th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this clause (j).

ARTICLE 2

THE NOTES

Section 2.01 Form and Dating; Terms.

(a) Provisions relating to the Initial Notes, Additional Notes and Exchange Notes are set forth in Appendix A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes and the Trustee’s certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rules or agreements with national securities exchanges to which the Company or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Company). Each Note shall be dated the date of its authentication. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(b) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Company, any Guarantor and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Company at the option of the Holders pursuant to an Offer to Purchase as provided in Section 4.11. The Notes shall not be redeemable, other than as provided in Article 3.

Additional Notes may be created and issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to ranking, status, redemption or otherwise as the Initial Notes (other than issue price or the payment of interest accruing prior to the issue date of such Additional Notes except for the first payment of interest following the issue date of such Additional Notes); *provided* that if any Additional Notes are not fungible with the Notes for U.S. federal income tax or other purposes, then the Additional Notes will have a separate CUSIP number. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture.

Section 2.02 Execution and Authentication.

(a) At least one Officer shall execute the Notes on behalf of the Company by manual or facsimile signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

(b) A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

(c) On the Issue Date, the Trustee shall, upon receipt of a written order of the Company signed by an Officer (an “Authentication Order”), authenticate and deliver the Initial Notes. In addition, at any time, from time to time, the Trustee shall upon receipt of an Authentication Order authenticate and deliver any Additional Notes and Exchange Notes for an aggregate principal amount specified in such Authentication Order for such Additional Notes and Exchange Notes issued hereunder.

(d) The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company.

Section 2.03 Registrar and Paying Agent.

(a) The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“Registrar”) and at least one office or agency where Notes may be presented for payment (“Paying Agent”). The Registrar shall keep a register of the Notes (“Note Register”) and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar, and the term “Paying Agent” includes any additional paying agent. The Company may rescind or change any Paying Agent or Registrar without prior notice to any Holder. The Company shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(b) The Company initially appoints The Depository Trust Company (“DTC”) to act as Depositary with respect to the Global Notes. The Company initially appoints the Trustee to act as the Paying Agent and Registrar for the Notes and to act as Custodian with respect to the Global Notes.

Section 2.04 Paying Agent to Hold Money in Trust.

The Company shall, no later than 11:00 a.m. (New York City time) on each due date for the payment of principal of and premium, if any, and interest on any of the Notes, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the Holders entitled to the same, and (unless such Paying Agent is the Trustee) the Company shall promptly notify the Trustee of its action or failure so to act. The Company shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of and premium, if any, interest on the Notes, and shall notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Notes.

Section 2.05 Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with Trust Indenture Act Section 312(a). If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least five Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders, and the Company shall otherwise comply with Trust Indenture Act Section 312(a).

Section 2.06 Transfer and Exchange.

(a) The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A.

(b) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(c) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange (other than pursuant to Section 2.07), but the Holders shall be required to pay any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Section 2.10, 3.06 and 4.11).

(d) [Reserved]

(e) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(f) Neither the Company nor the Trustee shall be required (1) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of sending of a notice of redemption of Notes for redemption under Section 3.02 or the making of an Offer to Purchase and ending at the close of business on the day of such sending, (2) to register the transfer of or to exchange any Note so selected for redemption or subject to purchase in an Offer to Purchase in whole or in part, except the unredeemed or unpurchased portion of any Note being redeemed or purchased in part or (3) if a redemption or purchase pursuant to an Offer to Purchase is to occur after a Record Date but on or before the corresponding Interest Payment Date, to register the transfer of or exchange any Note on or after the Record Date and before the date of redemption or purchase.

(g) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and premium, if any, and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(h) Upon surrender for registration of transfer of any Note at the office or agency of the Company designated pursuant to Section 4.02, the Company shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(i) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.02.

(j) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by mail or by facsimile or electronic transmission.

Section 2.07 Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if a Holder claims that its Note has been lost, destroyed or wrongfully taken and the Trustee receives evidence to its satisfaction of the ownership and loss, destruction or theft of such Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. An indemnity bond must be provided by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge the Holder for the expenses of the Company and the Trustee in replacing a Note. Every replacement Note is a contractual obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

(b) If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser, as such term is defined in Section 8-303 of the UCC in effect in the State of New York.

(c) If the principal amount of any Note is considered paid under Section 4.01, from and after such date it ceases to be outstanding and interest on it ceases to accrue.

(d) If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on the maturity date, any redemption date or any date of purchase pursuant to an Offer to Purchase, money sufficient to pay Notes payable or to be redeemed or purchased on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the requisite principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Company or any obligor upon the Notes or any Affiliate of the Company or of such other obligor.

Section 2.10 Temporary Notes.

Until definitive Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

Section 2.11 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

(a) If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Company shall notify the Trustee in an Officer's Certificate of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Company of such special record date. At least 10 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall send, or cause to be sent to each Holder a notice that states the special record date, the related payment date and the amount of such interest to be paid.

(b) Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue interest, which were carried by such other Note.

Section 2.13 CUSIP and ISIN Numbers.

The Company in issuing the Notes may use CUSIP and/or ISIN numbers (if then generally in use) and, if so, the Trustee shall use CUSIP and/or ISIN numbers in notices of redemption or exchange or in Offers to Purchase as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange or in Offers to Purchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or exchange of Offer to Purchase shall not be affected by any defect in or omission of such numbers. The Company shall as promptly as practicable notify the Trustee in writing of any change that the Company is aware of in the CUSIP or ISIN numbers.

ARTICLE 3

REDEMPTION

Section 3.01 Notices to Trustee.

If the Company elects to redeem Notes pursuant to Section 3.07, it shall furnish to the Trustee, at least five Business Days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to Section 3.03 (unless a shorter period shall be agreed to by the Trustee) but not more than 60 days before a redemption date, an Officer's Certificate setting forth (1) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (2) the redemption date, (3) the principal amount of the Notes to be redeemed and (4) the Redemption Price.

Section 3.02 Selection of Notes to Be Redeemed or Purchased.

(a) If less than all of the Notes are to be so redeemed pursuant to Section 3.07 or purchased in an Offer to Purchase at any time, the Trustee shall select the Notes or portions thereof to be redeemed or purchased (1) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed or (2) if the Notes are not so listed, on a *pro rata* basis, by lot or by such other method as the Trustee shall deem fair and appropriate, subject to The Depository Trust Company, Euroclear and/or Clearstream procedures as applicable. In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption date by the Trustee from the then outstanding Notes not previously called for redemption or purchase.

(b) The Trustee shall promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected shall be in amounts of \$2,000 and whole multiples of \$1,000 in excess thereof; no Notes of \$2,000 or less shall be redeemed in part, except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

(c) After the redemption date, upon surrender of a Note to be redeemed in part only, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note representing the same Indebtedness to the extent not redeemed shall be issued in the name of the Holder of the Notes upon cancellation of the original Note (or appropriate book entries shall be made to reflect such partial redemption).

Section 3.03 Notice of Redemption.

(a) The Company shall send, or cause to be sent (or, in the case of Notes held in book-entry form, by electronic transmission) notices of redemption of Notes at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed pursuant to this Article at such Holder's registered address or otherwise in accordance with the procedures of the Depositary, except that redemption notices may be sent more than 60 days prior to a redemption date if the notice is issued in connection with Article 8. Except as set forth in Section 3.07(c), notices of redemption may not be conditional.

(b) The notice shall identify the Notes (including CUSIP numbers) to be redeemed and shall state:

- (1) the redemption date;
- (2) the Redemption Price, including the portion thereof representing any accrued and unpaid interest;
- (3) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed;
- (4) the name and address of the Paying Agent;

-
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
- (6) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and
- (9) if applicable, any condition to such redemption.

(c) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense; *provided* that the Company shall have delivered to the Trustee, at least five Business Days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03 (unless a shorter period shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is sent in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the redemption date at the Redemption Price (except as provided for in Section 3.07(c)). The notice, if sent in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05, on and after the redemption date, interest ceases to accrue on Notes or portions of Notes called for redemption.

Section 3.05 Deposit of Redemption or Purchase Price.

(a) Prior to 11:00 a.m. (New York City time) on the redemption or purchase date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. The Paying Agent shall promptly send to each Holder (and, in the case of an Offer to Purchase, if applicable, to holders of Indebtedness ranking *pari passu* with the Notes) to be redeemed or repurchased the applicable redemption or purchase price thereof and accrued and unpaid interest thereon. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

(b) If the Company complies with the provisions of Section 3.05(a), on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase on and after such date. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest, if any, to the redemption or purchase date shall be paid on the relevant Interest Payment Date to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the

failure of the Company to comply with Section 3.05(a), interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Company shall issue and, upon receipt of an Authentication Order, the Trustee shall promptly authenticate and mail to the Holder (or cause to be transferred by book entry) at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same Indebtedness to the extent not redeemed or purchased; *provided* that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

Section 3.07 Optional Redemption.

(a) The Notes may be redeemed, in whole or in part, at any time prior to February 15, 2025, at the option of the Company upon not less than 30 nor more than 60 days' prior notice sent to each Holder's registered address, at a Redemption Price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date).

(b) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

(c) Any redemption or notice, may, at the Company's discretion, be subject to one or more conditions precedent, including completion of a corporate transaction.

Section 3.08 Sinking Fund.

The Company shall not be required to make mandatory sinking fund payments with respect to the Notes.

ARTICLE 4

COVENANTS

Section 4.01 Payment of Notes; Additional Amounts.

(a) The Company shall pay or cause to be paid the principal of and premium, if any, and interest (including Additional Interest, if any) on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than one of the Company or a Subsidiary of the Company, holds as of 11:00 a.m. (New York City time) on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

(b) The principal amount and accrued interest on the Notes shall be payable at the office or agency of the Company maintained for such purpose; *provided* that, except in the case of a Global Note, the Company will pay interest (i) by check mailed to the address of the Person entitled thereto as such address will appear in the Note Register or (ii) by wire transfer in immediately available funds to each Holder with an aggregate principal amount of Notes of any series in excess of \$5,000,000, to the place and account designated in writing at least 15 calendar days prior to the interest payment date by the Person entitled thereto as specified in the Note Register.

(c) The Company shall pay interest (including post-petition interest in any proceeding under any Debtor Relief Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Debtor Relief Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 Maintenance of Office or Agency.

(a) The Company shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company and any Guarantor in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency, if other than an office of the Trustee or an affiliate of the Trustee. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

(b) The Company may also from time to time designate additional offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03.

Section 4.03 Provision of Financial Information.

(a) The Company covenants to file with the Trustee, within 15 days after the Company has filed the same with the SEC, copies of the annual reports and of the information, documents and reports (or copies of such portions of any of the foregoing as the SEC may prescribe) that the Company may be required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act (other than confidential filings, documents subject to confidential treatment and correspondence with the SEC); *provided* that in each case the delivery of materials to the Trustee by electronic means or filing of documents pursuant to the SEC's "EDGAR" system (or any successor electronic filing system) shall be deemed to be "filed" with the Trustee as of the time such documents are filed via the "EDGAR" system for purposes of this Section 4.03, *provided, however*, that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been filed pursuant to the "EDGAR" system (or its successor). If this Indenture is qualified under the Trust Indenture Act, the Company will comply with Section 314(a) of the Trust Indenture Act. Delivery of such information, documents and reports to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

(b) For so long as any of the Notes remain outstanding and constitute “restricted securities” under Rule 144, the Company will furnish to the Holders of the Notes and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Section 4.04 Compliance Certificate.

(a) The Company and each Guarantor (to the extent that such Guarantor is so required under the Trust Indenture Act) shall deliver to the Trustee, within 100 days after the end of each fiscal year ending after the Issue Date, a certificate from the principal executive officer, principal financial officer or principal accounting officer stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge, the Company has kept, observed, performed and fulfilled each and every condition and covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto).

(b) Upon the Company becoming aware of any Default has occurred and is continuing under this Indenture, the Company shall promptly (which shall be no more than five Business Days following the date on which the Company becomes aware of such Default) send to the Trustee an Officer’s Certificate specifying such event and what action the Company is taking or proposes to take with respect thereto.

Section 4.05 [Reserved].

Section 4.06 Stay, Extension and Usury Laws.

The Company and each Guarantor covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 Limitation on Subsidiary Debt.

(a) The Company will not permit any of its Domestic Restricted Subsidiaries to create, assume, incur, Guarantee or otherwise become liable for any Indebtedness (any such Indebtedness or Guarantee, “Subsidiary Debt”), without Guaranteeing the payment of the principal of, premium, if any, and interest on the Notes on an unsecured unsubordinated basis until such time as such Subsidiary Debt is no longer outstanding.

(b) Section 4.07(a) shall not apply to, and there shall be excluded from Indebtedness in any computation under such restriction, Subsidiary Debt constituting:

(1) Indebtedness of or Guarantee by a Person existing at the time such Person is merged into or consolidated with any Domestic Restricted Subsidiary or otherwise acquired by any Domestic Restricted Subsidiary or at the time of a sale, lease or other disposition of the properties and assets of such Person (or a division thereof) as an entirety or substantially as an entirety to any Domestic Restricted Subsidiary and is assumed by such Subsidiary; *provided* that such Indebtedness or Guarantee was not incurred in contemplation thereof and is not Guaranteed by any other Domestic Restricted Subsidiary (other than any Guarantee existing at the time of such merger, consolidation or sale, lease or other disposition of properties and assets and that was not issued in contemplation thereof);

(2) Indebtedness of or Guarantee by a Person existing at the time such Person becomes a Domestic Restricted Subsidiary; *provided* that any such Indebtedness or Guarantee was not incurred in contemplation thereof;

(3) Indebtedness owed to or Guarantee in favor of the Company or any Domestic Restricted Subsidiary;

(4) Indebtedness or Guarantees in respect of netting services, business credit card programs, overdraft protection and other treasury, depository and cash management services or incurred in connection with any automated clearing-house transfers of funds or other fund transfer or payment processing services;

(5) Indebtedness or Guarantees arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business, *provided* that any such Indebtedness or Guarantee is extinguished within five Business Days within its incurrence;

(6) reimbursement obligations incurred in the ordinary course of business;

(7) advances and deposits received in the ordinary course of business;

(8) Indebtedness or Guarantees incurred (a) in respect of workers' compensation claims, payment obligations in connection with health or other types of social security benefits, unemployment or other insurance obligations, reclamation and statutory obligations, (b) in connection with the financing of insurance premiums or self-insurance obligations or take-or-pay obligations contained in supply agreements, and (c) in respect of guarantees, warranty or contractual service obligations, indemnity, bid, performance, warranty, release, appeal, surety and similar bonds, letters of credit and banker's acceptances for operating purposes or to secure any Indebtedness or Guarantee or other obligations referred to in clauses (1) through (7) or this clause (8), payment (other than for payment of Indebtedness) and completion guarantees, in each case provided or incurred (including Guarantees thereof) in the ordinary course of business;

(9) Indebtedness and Guarantees of a Content Project Subsidiary in connection with (a) Content Acquisition Transactions by such Subsidiary or other Content Acquisition Transactions with respect to Related Projects by one or more Content Project Subsidiaries or (b) Content Disposition Transactions by such Subsidiary or other Content Disposition Transactions with respect to Related Projects by one or more Content Project Subsidiaries; or

(10) Indebtedness or Guarantee outstanding on the date of this Indenture and any extension, renewal, replacement, refinancing or refunding of any Indebtedness or Guarantee existing on the date of this Indenture or referred to in clauses (1) and (2); *provided* that any Indebtedness or Guarantee incurred to so extend, renew, replace, refinance or refund shall be

incurred within 360 days of the maturity, retirement or other repayment or prepayment of the Indebtedness or Guarantee referred to in this clause or clauses (1) and (2) above and the principal amount of the Indebtedness incurred or Guaranteed to so extend, renew, replace, refinance or refund shall not exceed the principal amount of Indebtedness or Guarantee being extended, renewed, replaced, refinanced or refunded plus any premium or fee (including tender premiums) or other reasonable amounts payable, plus the amount of fees, expenses and other costs incurred, in connection with any such extension, renewal, replacement, refinancing or refunding.

(c) Notwithstanding Sections 4.07(a) and (b), any Domestic Restricted Subsidiary may create, incur, issue or assume Subsidiary Debt that would otherwise be subject to the restrictions set forth in Section 4.07(a), without Guaranteeing the payment of the principal of, premium, if any, and interest (including Additional Interest, if any) on the Notes, if after giving effect thereto, Aggregate Debt does not exceed an amount equal to the greater of (a) \$1,500,000,000, and (b) 2.00 times Consolidated EBITDA of the Company for the Measurement Period immediately preceding the date of the creation or incurrence of the Subsidiary Debt. Any Domestic Restricted Subsidiary also may, without Guaranteeing the payment of the principal of, premium, if any, and interest on the Notes, extend, renew, replace, refinance or refund any Subsidiary Debt permitted pursuant to the preceding sentence; *provided* that any Subsidiary Debt incurred to so extend, renew, replace, refinance or refund shall be incurred within 360 days of the maturity, retirement or other repayment or prepayment of the Subsidiary Debt being extended, renewed, replaced, refinanced or refunded and the principal amount of the Subsidiary Debt incurred to so extend, renew, replace, refinance or refund shall not exceed the principal amount of Subsidiary Debt being extended, renewed, replaced, refinanced or refunded plus any premium or fee (including tender premiums) or other reasonable amounts payable, plus the amount of fees, expenses and other costs incurred, in connection with any such extension, renewal, replacement, refinancing or refunding.

Section 4.08 Limitation on Sale and Lease-back Transactions.

(a) The Company will not, and will not permit any of its Domestic Restricted Subsidiaries, to enter into any transaction for the sale and leasing back of any Principal Property, whether now owned or hereafter acquired, unless:

- (1) such transaction was entered into prior to the Issue Date;
- (2) such transaction was for the sale and leasing back to the Company or a Domestic Restricted Subsidiary of any Principal Property;
- (3) such transaction involves a lease of a Principal Property executed by the time of or within 12 months after the latest of the acquisition, the completion of construction or improvement, or the commencement of commercial operation, of such Principal Property;
- (4) such transaction involves a lease for not more than three years (or which may be terminated by the Company or the applicable Domestic Restricted Subsidiary within a period of not more than three years);
- (5) the Company or the applicable Domestic Restricted Subsidiary would be entitled to incur Indebtedness secured by a mortgage on the property to be leased in an amount equal to Attributable Liens with respect to such sale and lease-back transaction without equally and ratably securing the Notes pursuant to Section 4.09(a); or
- (6) the Company or the applicable Domestic Restricted Subsidiary applies an amount equal to the net proceeds from the sale of the Principal Property to the purchase of other Principal Property or to the retirement, repurchase or other repayment or prepayment of long-term

Indebtedness within 365 calendar days before or after the effective date of any such sale and lease-back transaction; *provided* that in lieu of applying such amount to such retirement, repurchase, repayment or prepayment, the Company or any Domestic Restricted Subsidiary may deliver Notes to the trustee for cancellation, such Notes to be credited at the cost thereof to the Company or such Domestic Restricted Subsidiary.

For the avoidance of doubt, any transaction that is required to be accounted for as a sale and lease-back transaction in accordance with GAAP shall not be deemed to be a sale and lease-back transaction subject to the foregoing restrictions in this Section 4.08(a) unless such transaction involves an actual transfer of Principal Property.

(b) Notwithstanding Section 4.08(a), the Company and its Domestic Restricted Subsidiaries may enter into any sale and lease-back transaction which would otherwise be subject to the foregoing restrictions if after giving effect thereto and at the time of determination, Aggregate Debt does not exceed an amount equal to the greater of (a) \$1,500,000,000, and (b) 2.00 times Consolidated EBITDA of the Company for the Measurement Period immediately preceding the closing date of the sale and lease-back transaction.

Section 4.09 Limitation on Liens.

(a) The Company will not, and will not permit any of its Domestic Restricted Subsidiaries, to enter into, create, incur or assume any Lien on any Principal Property, whether now owned or hereafter acquired, in order to secure any Indebtedness, without effectively providing that the Notes shall be equally and ratably secured until such time as such Indebtedness is no longer secured by such Lien, except:

(1) Liens existing as of the Issue Date;

(2) Liens granted after the Issue Date created in favor of the holders of the Notes;

(3) Liens created in substitution of, or as replacements for, any Liens described in clauses (1) and (2) above; provided that based on a good faith determination of one of the Company's Senior Officers, the Principal Property encumbered under any such substitute or replacement Lien is substantially similar in nature to the Principal Property encumbered by the otherwise permitted Lien which is being replaced; and

(4) Permitted Liens.

(b) Notwithstanding Section 4.09(a), the Company or any Domestic Restricted Subsidiary may, without equally and ratably securing the Notes, create or incur Liens which would otherwise be subject to the restrictions set forth in Section 4.09(a) if after giving effect thereto, Aggregate Debt does not exceed an amount equal to the greater of (a) \$1,500,000,000, and (b) 2.00 times Consolidated EBITDA of the Company for the Measurement Period immediately preceding the date of the creation or incurrence of the Lien. The Company or any Domestic Restricted Subsidiary also may, without equally and ratably securing the Notes, create or incur Liens that extend, renew, substitute or replace (including successive extensions, renewals, substitutions or replacements), in whole or in part, any Lien permitted pursuant to the preceding sentence.

Section 4.10 Corporate Existence.

Subject to Article 5, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect

(1) its corporate existence and the corporate, partnership, limited

liability company, unlimited liability company or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary and (2) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided* that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership, limited liability company or other existence of any of its Subsidiaries, if the Company in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole.

Section 4.11 Offer to Repurchase Upon Change of Control Triggering Event.

(a) An “Offer to Purchase” means an offer by the Company to purchase Notes as required by this Indenture. An Offer to Purchase must be made by written offer (the “offer”) sent to the Holders. The Company will notify the Trustee at least 5 days (or such shorter period as is acceptable to the Trustee) prior to sending the offer to Holders of its obligation to make an Offer to Purchase, and the offer will be sent by the Company or, at the Company’s written request, by the Trustee in the name and at the expense of the Company.

(b) The offer must include or state the following, which shall (where applicable) be the terms of the Offer to Purchase:

- (1) the provision of this Indenture pursuant to which the Offer to Purchase is being made;
- (2) the aggregate principal amount of the outstanding Notes offered to be purchased by the Company pursuant to the Offer to Purchase (the “purchase amount”);
- (3) the purchase price, including the portion thereof representing accrued and unpaid interest (the “Purchase Price”);
- (4) an expiration date (the “Offer Expiration Date”) not less than 30 days or more than 60 days after the date of the offer, and a settlement date for purchase (the “purchase date”) not more than five Business Days after the Offer Expiration Date;
- (5) that a Holder may tender all or any portion of its Notes pursuant to an Offer to Purchase, subject to the requirement that any portion of a Note tendered must be in denominations of \$2,000 principal amount and integral multiples of \$1,000 in excess thereof;
- (6) the place or places where Notes are to be surrendered for tender pursuant to the Offer to Purchase;
- (7) that each Holder electing to tender a Note pursuant to the offer will be required to surrender such Note at the place or places specified in the offer prior to the close of business on the expiration date (such Note being, if the Company or the Trustee so requires, duly endorsed or accompanied by a duly executed written instrument of transfer);
- (8) that interest on any Note not tendered, or tendered but not purchased by the Company pursuant to the Offer to Purchase, will continue to accrue;

(9) that on the purchase date the Purchase Price will become due and payable on each Note accepted for purchase pursuant to the Offer to Purchase, and interest on Notes purchased will cease to accrue on and after the purchase date;

(10) that Holders are entitled to withdraw Notes tendered by giving notice, which must be received by the Company, as applicable, or the Trustee not later than the close of business on the Offer Expiration Date, setting forth the name of the Holder, the principal amount of the tendered Notes, the certificate number of the tendered Notes and a statement that the Holder is withdrawing all or a portion of the tender;

(11) a statement that if Notes in an aggregate principal amount less than or equal to the purchase amount are duly tendered and not withdrawn pursuant to the Offer to Purchase, the Company will purchase all such Notes;

(12) a statement that if any Note is purchased in part, new Notes equal in principal amount to the unpurchased portion of the Note will be issued;

(13) a statement that if any Note contains a CUSIP number, no representation is being made as to the correctness of the CUSIP number either as printed on the Notes or as contained in the offer and that the Holder should rely only on the other identification numbers printed on the Notes; and

(14) if the Notes are held in book entry form, Holders must comply with the applicable procedures of the Depository.

(c) Prior to the purchase date the Company will accept tendered Notes for purchase as required by the Offer to Purchase and deliver to the Trustee all Notes so accepted together with an Officers' Certificate specifying which Notes have been accepted for purchase. On the purchase date the Purchase Price will become due and payable on each Note accepted for purchase, and interest on Notes purchased will cease to accrue on and after the purchase date. The Trustee will promptly return to Holders any Notes not accepted for purchase and send to Holders new Notes equal in principal amount to any unpurchased portion of any Notes accepted for purchase in part.

(d) The Company will comply with Rule 14e-1 under the Exchange Act and all other applicable laws in making any Offer to Purchase, and the above procedures will be deemed modified as necessary to permit such compliance. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will be deemed to have complied with its obligations described in this Indenture by virtue of such compliance.

(e) Not later than 60 days following Change of Control Triggering Event, unless the Company has exercised its right to redeem all of the Notes pursuant to Section 3.07, the Company will make an Offer to Purchase all of the outstanding Notes at a Purchase Price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the purchase date.

(f) The Company will not be required to make an Offer to Purchase following a Change of Control Triggering Event if (1) a third party makes the Offer to Purchase in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to an Offer to Purchase made by the Company and purchases all Notes validly tendered and not withdrawn under such Offer to Purchase or (2) a notice of redemption has been given pursuant to Section 3.07.

(g) Notwithstanding anything to the contrary herein, an Offer to Purchase may be made in advance of a Change of Control Triggering Event, conditional upon the applicable Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of such Offer to Purchase.

(h) Other than as specifically provided in this Section 4.11, any purchase pursuant to this Section 4.11 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06.

Section 4.12 Additional Note Guarantors.

After the Issue Date, the Company will, to the extent required to comply with Section 4.07(a), cause all or any of its Subsidiaries to:

(a) execute and deliver a supplemental indenture to this Indenture, the form of which is attached as Exhibit B, pursuant to which such Subsidiary will agree to be a Guarantor under this Indenture and be bound by the terms of this Indenture applicable to Guarantors, including, but not limited to, Article 10; *provided* that such Guarantor shall deliver to the Trustee an Opinion of Counsel (such opinion or portions thereof may be in form and substance substantially similar to the Opinion of Counsel delivered on the Issue Date and which may contain customary exceptions) to the effect that:

- (1) such Note Guarantee has been duly executed and authorized; and
- (2) such Note Guarantee constitutes a valid, binding and enforceable obligation of such Subsidiary; and

(b) waive and not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Subsidiary as a result of any payment by such Subsidiary under its Note Guarantee.

Section 4.13 [Reserved].

Section 4.14 Further Instruments and Acts.

Upon request of the Trustee, the Company and the Guarantors will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 4.15 Additional Interest Notice.

In the event that the Company is required to pay Additional Interest to Holders of Notes, the Company will provide written notice (“Additional Interest Notice”) to the Trustee of its obligation to pay Additional Interest no later than fifteen days prior to the proposed payment date for the Additional Interest, and the Additional Interest Notice shall set forth the amount of Additional Interest to be paid by the Company on such payment date. The Trustee shall not at any time be under any duty or responsibility to any Holder of Notes to determine the Additional Interest, or with respect to the nature, extent, or calculation of the amount of Additional Interest owed, or with respect to the method employed in such calculation of the Additional Interest.

ARTICLE 5

SUCCESSORS

Section 5.01 Consolidation, Merger and Conveyance, Transfer and Lease of Assets.

(a) The Company may not consolidate with or merge with or into, or convey, transfer or lease all or substantially all the properties and assets of the Company and its Subsidiaries (determined on a consolidated basis), taken as a whole, to, any Person, in a single transaction or in a series of related transactions, unless:

(1) either: (i) the Person formed by or surviving any such consolidation or merger is the Company (the Person formed by or surviving a consolidation or merger, the “continuing Person”) or (ii) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance or transfer or which leases, all or substantially all the properties and assets of the Company and its Subsidiaries (determined on a consolidated basis), taken as a whole (the “Successor Company”), is an entity organized under the laws of the United States of America, any State thereof or the District of Columbia;

(2) if the Company is not the continuing Person, the Successor Company expressly assumes the Company’s obligations with respect to the Notes and this Indenture pursuant to a supplemental Indenture;

(3) immediately after giving effect to the transaction, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing;

(4) if the Company is not the continuing Person, each Guarantor (unless such Guarantor is the Successor Company or is the subject of a consolidation or merger pursuant to which it is not the Person formed by such consolidation or not the surviving Person in such merger) shall have by supplemental indenture confirmed that its Note Guarantee shall apply to such Person’s obligations in respect of this Indenture and the Notes; and

(5) if the Company is not the continuing Person, the Company or the Successor Company has delivered to the Trustee the certificates and opinions required under this Indenture.

(b) In addition, the Company will not permit any Guarantor to merge with or into, or convey, transfer or lease all or substantially all of such Guarantor’s properties and assets (determined on a consolidated basis for such Guarantor and its Subsidiaries), taken as a whole, to, any other Person (in each case, other than with, into or to (as applicable) the Company or another Guarantor), in a single transaction or in a series of related transactions, unless:

(1) either (i) the continuing Person is such Guarantor or (ii) the Person (if other than such Guarantor) formed by such consolidation or into which such Guarantor is merged or the Person which acquires by conveyance or transfer, or which leases, all or substantially all the properties and assets (determined on a consolidated basis for such Guarantor and its Subsidiaries), taken as a whole (the “Successor Guarantor”), is an entity organized under the laws of the United States of America, any state thereof or the District of Columbia;

(2) if such Guarantor is not the continuing Person, the Successor Guarantor expressly assumes such Guarantor's obligations under its Note Guarantee and this Indenture pursuant to a supplemental Indenture;

(3) immediately after giving effect to the transaction, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing; and

(4) if such Guarantor is not the continuing Person, the Company delivers, or causes to be delivered, to the Trustee the Officers' Certificate and Opinion of Counsel required under this Indenture,

provided that this Section 5.01(b) shall not apply to a transaction pursuant to which such Guarantor shall be released from its obligations under this Indenture and the Notes in accordance with the provisions described in Section 10.06.

Section 5.02 Successor Entity Substituted.

Upon any transaction or series of related transactions to which the requirements of Section 5.01(a) apply, in the case of the Company, or the requirements of Section 5.01(b) apply, in the case of a Guarantor, and are effected in accordance with such requirements, the Successor Company or Successor Guarantor, as applicable, shall succeed to, and be substituted for, and may exercise every right and power of, the Company or the applicable Guarantor, as applicable, under this Indenture with the same effect as if such Successor Company or Successor Guarantor, as applicable, had been named as the Company or applicable Guarantor, as applicable, therein; and when a Successor Company or Successor Guarantor, as applicable, duly assumes all of the obligations and covenants of the Company pursuant to this Indenture and the Notes, except in the case of a lease, the predecessor Person shall be relieved of all such obligations.

ARTICLE 6

DEFAULTS AND REMEDIES

Section 6.01 Events of Default.

Each of the following is an “Event of Default” under this Indenture:

(a) failure by the Company to pay principal or premium, if any, on any Note when due at maturity, upon redemption or otherwise (including the failure to pay the repurchase price for Notes tendered pursuant to an Offer to Purchase);

(b) failure by the Company to pay any interest (including Additional Interest) on any Note for 30 calendar days after the interest becomes due;

(c) failure by the Company to comply with Section 4.11 in connection with a Change of Control Triggering Event and such failure continues for a period of 30 calendar days;

(d) failure by the Company or any of its Subsidiaries to perform, or breach by the Company or any of its Subsidiaries of, any other covenant, agreement or condition in this Indenture for 90 calendar days after either the Trustee or Holders of at least 25% in principal amount of the outstanding Notes have given the Company written notice of the breach in the manner required by this Indenture;

(e) a default or defaults under any bonds, debentures, notes or other evidences of Indebtedness (other than the Notes offered hereunder) by the Company or any of its Significant Subsidiaries having, individually or in the aggregate, a principal or similar amount outstanding of at least \$75,000,000, whether such Indebtedness now exists or shall hereafter be created, which default or defaults (i) shall have resulted in the acceleration of the maturity of such Indebtedness prior to its express final maturity or (ii) shall constitute a failure to pay principal at final maturity of at least \$75,000,000 of such Indebtedness when due and payable after the expiration of any applicable grace period with respect thereto, without such Indebtedness having been discharged or, in the case of clause (i) above, the acceleration having been cured, waived, rescinded or annulled, for a period of, in the case of clause (i) or (ii) above, 30 days or more after either the Trustee or holders of at least 25% in principal amount of the outstanding Notes have given the Company written notice of the breach in the manner required by this Indenture;

(f) except as permitted in this Indenture, any Note Guarantee of any Significant Subsidiary shall for any reason cease to be, or it shall be asserted by any Guarantor or the Company not to be, in full force and effect and enforceable in accordance with its terms;

(g) the Company or any Significant Subsidiary, pursuant to or within the meaning of any Debtor Relief Law:

(1) commences proceedings to be adjudicated bankrupt or insolvent;

(2) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking an arrangement of debt, reorganization, dissolution, winding up or relief under applicable Debtor Relief Laws;

(3) consents to the appointment of a receiver, interim receiver, receiver and manager, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property; or

(4) makes a general assignment for the benefit of its creditors;

(h) a court of competent jurisdiction enters an order or decree under any Debtor Relief Law that:

(1) is for relief against the Company or any Significant Subsidiary in a proceeding in which the Company or any Significant Subsidiary is to be adjudicated bankrupt or insolvent;

(2) appoints a receiver, interim receiver, receiver and manager, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any Significant Subsidiary, or for all or substantially all of the property of the Company or any Significant Subsidiary; or

(3) orders the liquidation, dissolution or winding up of the Company or any Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days.

Section 6.02 Acceleration.

(a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 6.01(g) or Section 6.01(h) with respect to the Company or any Guarantor that is a Significant Subsidiary) occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in aggregate principal amount of the outstanding Notes may declare the principal of the Notes and any accrued and unpaid interest on the Notes to be due and payable immediately by a notice in writing to the Company (and to the Trustee if given by Holders); *provided, however*, that after such acceleration, but before a judgment or decree based on acceleration, the Holders of a majority in aggregate principal amount of the outstanding Notes may rescind and annul such acceleration if such rescission and annulment would not conflict with any judgment or decree of a court of competent jurisdiction and all Events of Default, other than the nonpayment of accelerated principal of or interest on the Notes, have been cured or waived as provided in this Indenture.

(b) If an Event of Default described in Section 6.01(g) or Section 6.01(h) with respect to the Company or any Significant Subsidiary occurs and is continuing, the principal of, premium, if any, and interest that is both accrued and unpaid on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

(c) Notwithstanding the foregoing, if the Company so elects, the sole remedy of the Holders for a failure to comply with any obligations the Company may have or is deemed to have pursuant to Section 314(a)(1) of the Trust Indenture Act or the Company's failure to comply with Section 4.03 will for the first 180 days after the occurrence of such failure consist exclusively of the right to receive Additional Interest on the Notes at a rate per annum equal to 0.25% for the first 180 days after the occurrence of such failure. The Additional Interest will accrue on all outstanding Notes from and including the date on which such failure first occurs until such violation is cured or waived and shall be payable on each relevant Interest Payment Date to Holders of record on the regular Record Date immediately preceding the Interest Payment Date. On the 181st day after such failure (if such violation is not cured or waived prior to such 181st day), such failure will then constitute an Event of Default without any further notice or lapse of time and the Notes will be subject to acceleration as provided above. Any Additional Interest that the Company elects to pay pursuant to this clause (c), when aggregated with any Additional Interest payable under the Registration Rights Agreement will not exceed 1.00% per annum, regardless of the number of events that give rise to the obligation or election to pay any such additional interest.

(d) The Holders of a majority in principal amount of the outstanding Notes may waive all past Defaults (except with respect to nonpayment of principal, premium or interest) and rescind any acceleration with respect to any such Default and its consequences if (1) rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived.

Section 6.03 Other Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of and premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing or past Default and its consequences hereunder, except:

- (1) a continuing Default in the payment of the principal of, premium, if any, or interest on, any Note held by a non-consenting Holder (including any Note which is required to have been purchased pursuant to an Offer to Purchase); and
- (2) a Default with respect to a provision that under Section 9.02 cannot be amended without the consent of each Holder affected,

provided, however, that, subject to Section 6.02, the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 Control by Majority.

The Holders of a majority in principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines in good faith is unduly prejudicial to the rights of any other Holder, is otherwise contrary to applicable law, or that would involve the Trustee in personal liability or expense for which the Trustee has not received an indemnity against loss, liability or expense reasonably satisfactory to it, and the Trustee may take any other action it deems proper which is not inconsistent with any such direction received from the Holders.

Section 6.06 Limitation on Suits.

(a) No Holder of any Note will have any right to institute any proceeding with respect to this Indenture or for any remedy thereunder, unless (1) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default, (2) the Holders of at least 25% in aggregate principal amount of the outstanding Notes shall have made written request to the Trustee, (3) such Holder or Holders shall provide indemnity reasonably satisfactory to the Trustee against loss, liability or expense, to institute such proceeding as Trustee, (4) the Trustee has not complied with such request within 60 days after receipt of the request and the offer of indemnity and (5) the Trustee shall not have received from the Holders of a majority in aggregate principal amount of the outstanding Notes a direction inconsistent with such request within such 60-day period. Such limitations do not apply to a suit instituted by a Holder of a Note directly (as opposed to through the Trustee) for enforcement of payment of the principal of (and premium, if any) or interest on such Note on or after the respective due dates expressed in such Note.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

Section 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and premium, if any, and interest on its Note, on or after the respective due dates expressed in such Note (including in connection with an Offer to Purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(a) or Section 6.01(b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of and premium, if any, and interest remaining unpaid to but not including the date of payment on the Notes, together with interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Company, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceedings has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy are, to the extent permitted by law, cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes including the Guarantors), its creditors or its property and is entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims. Any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13 Priorities.

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money in the following order:

(a) first, to the Trustee and its agents and attorneys for amounts due under Section 7.07, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

(b) second, to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest respectively; and

(c) third, to the Company or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13. Promptly after any record date is set pursuant to this paragraph, the Trustee shall cause notice of such record date and payment date to be given to the Company and to each Holder in the manner set forth in Section 11.02.

Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in such suit to file an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against

any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7

TRUSTEE

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders unless the Holders have offered to the Trustee indemnity or security reasonably satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it shall require an Officer's Certificate and an Opinion of Counsel subject to the other provisions of this Indenture. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity reasonably satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the existence of a Default or Event of Default, the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Company deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

Section 7.03 Individual Rights of Trustee .

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer .

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults .

If a Default occurs and is continuing and if it is known to the Trustee, the Trustee shall mail to each Holder a notice of the Default within 90 days after it occurs. Except in the case of an Event of Default specified in clauses (a) or (b) of Section 6.01, the Trustee may withhold from the Holders notice of any continuing Default if the Trustee determines in good faith that withholding the notice is in the interest of the Holders. The Trustee shall not be deemed to know of any Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is such a Default is received by the Trustee at the Corporate Trust Office of the Trustee.

Section 7.06 Reports by Trustee to Holders of the Notes .

(a) Within 60 days after each December 31, beginning with the December 31 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee shall mail to the Holders of the Notes a brief report dated as of such reporting date that complies with Trust Indenture Act Section 313(a) (but if no event described in Trust Indenture Act Section 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Trust Indenture Act Section 313(b)(2). The Trustee shall also transmit by mail all reports as required by Trust Indenture Act Section 313(c).

(b) A copy of each report at the time of its mailing to the Holders shall be mailed to the Company and filed with each national securities exchange on which the Notes are listed in accordance with Trust Indenture Act Section 313(d). The Company shall promptly notify the Trustee in writing in the event the Notes are listed on any national securities exchange, and of any delisting thereof.

Section 7.07 Compensation and Indemnity.

(a) The Company and the Guarantors, jointly and severally, shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel. The Trustee shall provide the Company reasonable notice of any expenditure not in the ordinary course of business.

(b) The Company and the Guarantors, jointly and severally, shall indemnify the Trustee for, and hold each of the Trustee and any predecessor Trustee harmless against, any and all loss, damage, claims, liability or expense (including attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Company or any Guarantor (including this Section 7.07)) or defending itself against any claim whether asserted by any Holder, the Company, any Guarantor or any other Person, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence.

(c) The obligations of the Company under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

(d) When the Trustee incurs expenses or renders services after an Event of Default specified in Sections 6.01(g) or 6.01(h) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Debtor Relief Law.

Section 7.08 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time by giving 30 days' prior notice of such resignation to the Company and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Debtor Relief Law;

(3) a receiver or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(b) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(c) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Company's expense), the Company or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) As used in this Section 7.08, the term "Trustee" shall also include each Agent.

Section 7.09 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the successor corporation or national banking association without any further act shall be the successor Trustee, subject to Section 7.10.

Section 7.10 Eligibility; Disqualification.

(a) There shall at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

(b) This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act Sections 310(a)(1), (2) and (5). The Trustee is subject to Trust Indenture Act Section 310(b).

Section 7.11 Preferential Collection of Claims Against the Company.

The Trustee is subject to Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated therein.

ARTICLE 8

DISCHARGE AND DEFEASANCE

Section 8.01 Satisfaction and Discharge of Indenture.

The Company may terminate its obligations under this Indenture and the Notes when:

(a) either:

(1) all the Notes that have been authenticated and delivered have been accepted by the Trustee for cancellation (other than any Notes which shall have been destroyed, lost or stolen and which shall have been replaced or paid as provided in Section 2.07); or

(2) (x) all outstanding Notes issued under this Indenture have become due and payable; (y) all outstanding Notes issued under this Indenture have or will become due and payable at the Stated Maturity within one year; or (z) all outstanding Notes issued under this Indenture are subject to redemption within one year (and the Company shall have entered into arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption), and in each case, the Company shall have deposited or caused to be deposited with the Trustee as trust funds for the purpose of making payments to the Holders under this Indenture an amount (which may include Governmental Obligations), dedicated solely to the benefit of the Holders, sufficient to pay and discharge all outstanding Notes issued under the Indenture on the Stated Maturity or the scheduled date of redemption; and

(b) the Company shall have paid or caused to be paid all other sums then due and payable under this Indenture; and

(c) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

If the foregoing conditions are met, the Trustee, on demand and at the cost and expense of the Company, shall execute proper instruments prepared by the Company acknowledging such satisfaction of and discharging this Indenture and the Notes except as to:

(i) rights of registration of transfer and exchange of Notes;

(ii) the Company's right of optional redemption;

(iii) substitution of mutilated, defaced, destroyed, lost or stolen Notes

(iv) rights of Holders to receive payment of the principal amount, premium (if any) and interest when due and payable, solely out of the trust created pursuant to this Section 8.01;

- (v) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith; and
- (vi) the rights of the Holders as beneficiaries hereof with respect to the property so deposited with the Trustee payable to all or any of them; and the rights of the Company to be repaid any money pursuant to Section 8.05 and Section 8.06.

Section 8.02 Legal Defeasance .

Upon making the deposit referred to in Section 8.02(a), the Company will be deemed to have paid and the Company and the Guarantors will be discharged from their obligations in respect of the Notes and this Indenture, other than their obligations in Article 2 and Sections 4.01, 4.02, 7.07, 7.08 and as set forth in clauses (i) through (vi) of Section 8.01; *provided* that the following conditions have been satisfied:

(a) the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds for the purpose of making the following payments, dedicated solely to the benefits of the holders of the Notes in cash or Governmental Obligations or a combination thereof (other than moneys repaid by the Trustee or any Paying Agent to the Company in accordance with Section 8.06) in each case sufficient without reinvestment, in the written opinion of an internationally recognized firm of independent public accountants to pay and discharge, and which shall be applied by the Trustee to pay and discharge, all of the principal, premium (if any) and interest when the same becomes due and payable at Stated Maturity, upon optional redemption, upon required repurchase or otherwise or if the Company has made irrevocable arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the Company's name and at the Company's expense;

(b) unless the Notes have become due and payable or will become due and payable at Stated Maturity or upon redemption within one year and, in the case of redemption, the Company has entered into arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name of the Trustee, the Company has delivered to the Trustee an Opinion of Counsel stating that, as a result of an IRS ruling or a change in applicable U.S. federal income tax law, the holders of the Notes will not recognize gain or loss for U.S. federal income tax purposes as a result of the deposit, defeasance and discharge to be effected and will be subject to the same federal income tax as would be the case if the deposit, defeasance and discharge did not occur;

(c) no Default with respect to the outstanding Notes has occurred and is continuing at the time of such deposit after giving effect to the deposit;

(d) the defeasance will not cause the Trustee to have a conflicting interest within the meaning of the Trust Indenture Act, assuming all Notes were in default within the meaning of such Act;

(e) the deposit will not result in a breach or violation of, or constitute a default under, any other material agreement or material instrument (other than this Indenture and the Notes) to which the Company is a party or by which it is bound; and

(f) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the defeasance have been complied with.

Upon and following the satisfaction of the foregoing conditions, the Trustee upon request will acknowledge in writing the discharge of the Company's obligations under the Notes and this Indenture except for the surviving obligations specified above.

Section 8.03 Covenant Defeasance.

Upon making the deposit referred to in Section 8.02(a), the failure of the Company to perform the obligations set forth in Sections 4.03, 4.07, 4.08, 4.09, 4.11, 4.12 and the events described in Sections 6.01(c) and 6.01(d) will no longer constitute an Event of Default; *provided* that the following conditions have been satisfied:

(a) the Company has complied with clauses (a), (c), (d), (e), and (f) of Section 8.02; and

(b) unless the Notes have become due and payable or will become due and payable at Stated Maturity or upon redemption within one year and, in the case of redemption, the Company has entered into arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name of the Trustee, the Company has delivered to the Trustee an Opinion of Counsel to the effect that the holders of the Notes will not recognize gain or loss for U.S. federal income tax purposes as a result of the deposit and covenant defeasance to be effected and will be subject to the same federal income tax as would be the case if the deposit and covenant defeasance did not occur,

Except as specifically stated above, none of the Company's obligations under this Indenture and the Notes will be discharged pursuant to this Section 8.03.

Section 8.04 Application by Trustee of Funds Deposited for Payment of Notes.

Subject to 8.06, all moneys deposited with the Trustee pursuant to Sections 8.01, 8.02 and 8.03 shall be held in trust and applied by it to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent), to the Holders of the particular Notes for the payment or redemption of which such moneys or Governmental Obligations have been deposited with the Trustee, of all sums due and to become due thereon for principal, premium (if any) and interest. Such money need not be segregated from other funds except to the extent required by law.

Section 8.05 Repayment of Moneys Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all moneys held by any Paying Agent under the provisions of this Indenture at the time of such satisfaction and discharge shall, upon demand of the Company, be repaid to the Company or paid to the Trustee and thereupon such Paying Agent shall be released from all further liability with respect to such moneys or Governmental Obligations.

Section 8.06 Return of Moneys Held by Trustee and Paying Agent Unclaimed for Two Years.

Any moneys or Governmental Obligations deposited with or paid to the Trustee or any Paying Agent for the payment of the principal of or premium (if any) on or interest on any Note and not applied but remaining unclaimed for two years after the date upon which such principal, premium or interest shall have become due and payable, shall, at the Company's request, be repaid to the Company by the Trustee or such Paying Agent, and the Holder of the Note shall, unless otherwise required by mandatory provisions of applicable escheat or abandoned or unclaimed property laws, thereafter look only to the Company for any payment which such Holder may be entitled to collect, and all liability of the Trustee or any Paying Agent with respect to such moneys shall thereupon cease.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or Government Obligations in accordance with Section 8.01, 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture, the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.01, 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.01, 8.02 or 8.03, as the case may be; *provided* that, if the Company makes any payment of principal of or premium, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

Notwithstanding Section 9.02, without the consent of any Holder, the Company, the Guarantors and the Trustee at any time and from time to time, may amend this Indenture, the Notes, the Note Guarantees for any of the following purposes:

- (c) to add Events of Default for the benefit of the Holders;
- (d) to add to, change or eliminate any provision of this Indenture applying to the Notes; *provided* that the Company deems such action necessary or advisable and that such action does not adversely affect the interests of any Holder of the Notes;
- (e) to evidence and provide for a successor Trustee or to add to or change any provisions to the extent necessary to appoint a separate Trustee for the Notes;
- (f) to cure any ambiguity, defect or inconsistency under this Indenture, or to make other provisions with respect to matters or questions arising under this Indenture;
- (g) to supplement any provisions of this Indenture necessary to defease and discharge the Notes or this Indenture otherwise in accordance with the defeasance or discharge provisions of Article 8, as the case may be; *provided* that such change or modification does not adversely affect the interests of the Holders in any material respect;

(h) to add to, change or eliminate any provisions of this Indenture in accordance with the Trust Indenture Act of 1939 or to comply with the provisions of the DTC, Euroclear or Clearstream or the Trustee with respect to provisions of this Indenture or the Notes relating to transfers or exchanges of Notes or beneficial interests in the Notes;

(i) to provide collateral security for the Notes;

(j) to provide for additional Guarantors in accordance with Article 10 or Section 4.07 or to release a Guarantor in accordance with Article 10;

(k) to provide for the issuance of Additional Notes ranking equally with the Notes in all respects (other than the payment of interest accruing prior to the issue date of such Additional Notes or except for the first payment of interest following the issue date of such Additional Notes); or

(l) conform any provision to the “Description of Notes” contained in the Offering Memorandum, as evidenced in an Officer’s Certificate.

Section 9.02 With Consent of Holders .

The Company and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders under this Indenture with the written consent of the Holders of at least a majority in aggregate principal amount of outstanding Notes affected by such supplemental indenture; *provided , however ,* that, no such supplemental indenture shall, without the consent of the Holder of each outstanding Note affected thereby,

(a) reduce the rates of or change the time for payment of interest on any Notes;

(b) reduce the principal amount of, or change the Stated Maturity of, any Notes;

(c) reduce the Redemption Price, including upon a Change of Control Triggering Event, of any Notes or amend or modify in any manner adverse to the Holders thereof the Company’s obligation to make such payments;

(d) change the currency of payment of principal, premium, if any, or interest;

(e) reduce the quorum requirements under this Indenture;

(f) reduce the percentage in principal amount of outstanding Notes, the consent of whose Holders is required for modification of this Indenture, for waiver of compliance with certain provisions of this Indenture, for waiver of certain defaults or consent to take any action;

(g) adversely affect the ranking of the Notes;

(h) waive any default in the payment of principal, premium, if any, or interest; or

(i) impair the right to institute suit for the enforcement of any payment on the Notes.

Section 9.03 Compliance with Trust Indenture Act .

If, at the time of any amendment or supplement to this Indenture, this Indenture is qualified under the Trust Indenture Act, then such amendment or supplement to this Indenture or the Notes shall be set forth in an amended or supplemental indenture that complies with the Trust Indenture Act as then in effect.

Section 9.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

(b) The Company may, but shall not be obligated to, fix a record date pursuant to Section 1.05 for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver.

Section 9.05 Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not deliver a signed amendment, supplement or waiver effecting a change pursuant to Section 9.02 until its Board of Directors approves it. In executing any amendment, supplement or waiver, the Trustee shall receive and (subject to Section 7.01) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 11.04, an Officer's Certificate and an Opinion of Counsel (which may contain customary qualifications) stating that the execution of such amended or supplemental indenture complies with the provisions hereof (including Section 9.03) and such amended or supplemental indenture is the legal, valid and binding obligation of the Company, enforceable against it in accordance with its terms.

ARTICLE 10

GUARANTEES

Section 10.01 Note Guarantee.

(a) Subject to this Article 10, each of the Guarantors, if any, hereby, jointly and severally, irrevocably and unconditionally guarantees, on a senior basis, to each Holder and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (1) the principal of and premium, if any, and interest (including Additional Interest, if any) on the Notes shall be promptly paid in full when due,

whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment by the Company when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture, or pursuant to Section 10.06.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Company or the Guarantors, any amount paid either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(d) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantees.

(e) Each Note Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation, reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Note Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(f) In case any provision of any Note Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(g) Each payment to be made by a Guarantor in respect of its Note Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Debtor Relief Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar U.S. federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Note Guarantee shall be entitled upon payment in full of all Note Guarantee obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Section 10.03 Execution and Delivery.

(a) To evidence its Note Guarantee set forth in Section 10.01, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer or person holding an equivalent title.

(b) Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Note Guarantee on the Notes.

(c) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Note Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

(e) If required by Section 4.12, the Company shall cause any newly created or acquired Domestic Subsidiary to comply with the provisions of Section 4.12 and this Article 10, to the extent applicable.

Section 10.04 Subrogation.

Each Guarantor shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01; *provided that*, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

Section 10.05 Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Note Guarantee are knowingly made in contemplation of such benefits.

Section 10.06 Release of Note Guarantees.

(a) A Note Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and such Note Guarantee shall thereupon terminate and be discharged and of no further force and effect, and no further action by such Guarantor, the Company or the Trustee shall be required for the release of such Guarantor's Note Guarantee:

(1) (A) concurrently with any sale, exchange, disposition or transfer (by merger or otherwise) of (x) any Equity Interests of such Guarantor following which such Guarantor is no longer a Subsidiary of the Company or (y) all or substantially all the properties and assets of such Guarantor to a Person that is not a Subsidiary of the Company;

(B) upon the release or discharge by such Guarantor of all Indebtedness or the Guarantee which resulted in the creation of such Note Guarantee (or would have resulted in the creation of a Note Guarantee had such Note Guarantee not already been in existence) so long as immediately after the release of such Note Guarantee, the Company would be in compliance with Section 4.07;

(C) upon the merger or consolidation of such Guarantor with and into either the Company or any other Guarantor that is the surviving person in such merger or consolidation, or upon the liquidation of such Guarantor following the transfer of all or substantially all of its property and assets to either the Company or another Guarantor; or

(D) upon the Company exercising its legal defeasance or covenant defeasance options in accordance with Article 8 or the Company's obligations under this Indenture being discharged in accordance with the terms of this Indenture and the Notes; and

(2) such Guarantor delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(b) At the request of the Company, the Trustee shall execute and deliver any documents reasonably required in order to acknowledge such release, discharge and termination in respect of the applicable Note Guarantee. Neither the Company nor any Guarantor shall be required to make a notation on the Notes to reflect any Note Guarantee or any such release, termination or discharge.

Section 2.1 Form and Dating.

(a) The Initial Notes issued on the date hereof shall be (i) offered and sold by the Company to the Initial Purchasers and (ii) resold, initially only to (1) QIBs in reliance on Rule 144A (“Rule 144A Notes”) and (2) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S (“Regulation S Notes”). Such Initial Notes may thereafter be transferred to, among others, QIBs and purchasers in reliance on Regulation S.

(b) Global Notes. Rule 144A Notes shall be issued initially in the form of one or more permanent global Notes in definitive, fully registered form (collectively, the “Rule 144A Global Note”) and Regulation S Notes shall be issued initially in the form of one or more global Notes (collectively, the “Regulation S Global Note”), in each case without interest coupons and bearing the Global Notes Legend and Restricted Notes Legend, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Custodian, and registered in the name of the Depositary or a nominee of the Depositary, duly executed by the Company and authenticated by the Trustee as provided in the Indenture. Beneficial ownership interests in the Regulation S Global Note shall not be exchangeable for interests in the Rule 144A Global Note or any other Note without a Restricted Notes Legend until the expiration of the Distribution Compliance Period. Each Global Note shall represent such of the outstanding Notes as shall be specified in the “Schedule of Exchanges of Interests in the Global Note” attached thereto and each shall provide that it shall represent up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 of the Indenture and Section 2.3(c) below.

(c) Book-Entry Provisions. This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depositary.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and Section 2.2 and pursuant to an order of the Company signed by one Officer of the Company, authenticate and deliver initially one or more Global Notes that (i) shall be registered in the name of the Depositary for such Global Note or Global Notes or the nominee of such Depositary and (ii) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary’s instructions or held by the Trustee as Custodian.

Members of, or participants in, the Depositary (“Agent Members”) shall have no rights under the Indenture with respect to any Global Note held on their behalf by the Depositary or by the Trustee as Custodian or under such Global Note, and the Depositary may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices of such Depositary governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) Definitive Notes. Except as provided in Section 2.3 or 2.4, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of certificated Notes.

Section 2.2 Authentication. The Trustee shall authenticate and make available for delivery upon a written order of the Company signed by one Officer of the Company (a) Initial Notes for original issue on the date hereof in an aggregate principal amount of \$800,000,000, (b) subject to the terms of the Indenture, Additional Notes and (c) Exchange Notes to be issued pursuant to an Exchange Offer under the Registration Rights Agreement and for a like principal amount of Initial Notes exchanged pursuant thereto. Such order shall specify the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes, Additional Notes or Exchange Notes.

Section 2.3 Transfer and Exchange.

(a) Transfer and Exchange of Definitive Notes for Definitive Notes. When Definitive Notes are presented to the Registrar with a request:

- (i) to register the transfer of such Definitive Notes; or
- (ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided*, *however*, that the Definitive Notes surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) in the case of Transfer Restricted Notes, are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect (in the form set forth on the reverse side of the Initial Note); or

(B) if such Definitive Notes are being transferred to the Company, a certification to that effect (in the form set forth on the reverse side of the Initial Note); or

(C) if such Definitive Notes are being transferred pursuant to an exemption from registration in accordance with Rule 144 under the Securities Act or in reliance upon another exemption from the registration requirements of the Securities Act, (x) a certification to that effect (in the form set forth on the reverse side of the Initial Note) and (y) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to them as to the compliance with the restrictions set forth in the applicable legends set forth in Section 2.3(e)(i).

(b) Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note. A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly

endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, together with:

(i) (A) certification (in the form set forth on the reverse side of the Initial Note) that such Definitive Note is being transferred (1) to a QIB in accordance with Rule 144A or (2) outside the United States of America in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act; or (B) such other certification and Opinion of Counsel as the Trustee shall require; and

(ii) written instructions directing the Trustee to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depositary account to be credited with such increase, then the Trustee shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depositary and the Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If no Global Notes are then outstanding and the Global Note has not been previously exchanged for certificated securities pursuant to Section 2.4, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officer's Certificate, a new Global Note in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes. (i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depositary, in accordance with the Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depositary therefor. A transferor of a beneficial interest in a Global Note shall deliver a written order given in accordance with the Depositary's procedures containing information regarding the participant account of the Depositary to be credited with a beneficial interest in such Global Note or another Global Note and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Note to a transferee who takes delivery of such interest through the Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Initial Notes from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act and that, if such transfer is being made prior to the expiration of the Distribution Compliance Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.4), a Global Note may not be transferred as a whole except by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary.

(iv) In the event that a Global Note is exchanged for Definitive Notes pursuant to Section 2.4 prior to the consummation of the Exchange Offer or the effectiveness of a Shelf Registration Statement with respect to such Notes, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse of the Initial Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(d) Restrictions on Transfer of Regulation S Global Note. (i) Prior to the expiration of the Distribution Compliance Period, interests in the Regulation S Global Note may only be held through Euroclear or Clearstream. During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) to the Company or any of its subsidiaries, (2) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (3) in an offshore transaction in accordance with Regulation S, (4) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act or another available exemption or (5) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States of America. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through the Rule 144A Global Note shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Initial Note to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period.

(ii) Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of the Indenture.

(e) Legends.

(i) Except as permitted by this Section 2.3(e), each Note certificate evidencing the Global Notes and the Definitive Notes (and all Notes issued in exchange therefor or in substitution thereof) shall bear a legend in substantially the following form (each defined term in the legend being defined as such for purposes of the legend only) (“Restricted Notes Legend”):

(3) AGREES THAT IT WILL DELIVER TO EACH PERSON TO WHOM THIS NOTE OR AN INTEREST HEREIN IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND.

AS USED HEREIN, THE TERMS “OFFSHORE TRANSACTIONS” AND “UNITED STATES” HAVE THE MEANINGS GIVEN TO THEM BY RULE 902 OF REGULATION S UNDER THE SECURITIES ACT. THE INDENTURE CONTAINS A PROVISION REQUIRING THE TRUSTEE TO REFUSE TO REGISTER ANY TRANSFER OF THIS NOTE IN VIOLATION OF THE FOREGOING.”

Each Definitive Note shall bear the following additional legend (“ Definitive Notes Legend ”):

“IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.”

Each Global Note shall bear the following additional legend (“ Global Notes Legend ”):

OR SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO.,

OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

TRANSFERS OF THIS GLOBAL SECURITY SHALL BE LIMITED TO TRANSFERS IN WHOLE, BUT NOT IN PART, TO DTC, TO NOMINEES OF DTC OR TO A SUCCESSOR THEREOF OR SUCH SUCCESSOR'S NOMINEE AND TRANSFERS OF PORTIONS OF THIS GLOBAL SECURITY SHALL BE LIMITED TO TRANSFERS MADE IN ACCORDANCE WITH THE RESTRICTIONS SET FORTH IN THE INDENTURE REFERRED TO ON THE REVERSE HEREOF."

(ii) Upon any sale or transfer of a Transfer Restricted Note that is a Definitive Note, the Registrar shall permit the Holder thereof to exchange such Transfer Restricted Note for a Definitive Note that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Note if the Holder certifies in writing to the Registrar that its request for such exchange was made in reliance on Rule 144.

(iii) After a transfer of any Notes pursuant to an effective Shelf Registration Statement with respect to such Notes, all requirements pertaining to the Restricted Notes Legend on such Notes shall cease to apply and the Registrar shall permit the Holder, or beneficial owner, of any such Note that bears a Restricted Notes Legend to exchange such Note for a Note, or beneficial interest in a Global Note, that does not bear a Restricted Notes Legend.

(iv) Upon the consummation of an Exchange Offer with respect to the Initial Notes or Additional Notes pursuant to which Holders of such Initial Notes or Additional Notes are offered Exchange Notes in exchange for their Initial Notes or Additional Notes, all requirements pertaining to Initial Notes or Additional Notes that Initial Notes or Additional Notes be issued in global form shall continue to apply, and Exchange Notes in global form without the Restricted Notes Legend shall be available to Holders that exchange such Initial Notes or Additional Notes in such Exchange Offer.

(v) Upon a sale or transfer after the expiration of the Distribution Compliance Period of any Initial Note or Additional Note acquired pursuant to Regulation S, all requirements that such Initial Note or Additional Note bear the Restricted Notes Legend shall cease to apply and the requirements requiring any such Initial Note or Additional Note be issued in global form shall continue to apply.

shall be the one year anniversary of the Issue Date), without delivering an Opinion of Counsel, by:

(A) delivering to the Trustee a written notice (x) certifying that all Notes represented by such Global Notes would be freely tradable under Rule 144 by a person who is not an affiliate of the Company (within the meaning of Rule 144) and has not been an Affiliate of the Company (within the meaning of Rule 144) during the immediately preceding three months, (y) instructing the Trustee to take any actions as may be necessary so that the Restricted Notes Legend set forth on the Global Notes shall be deemed removed from the Global Notes in accordance with the terms and conditions of the Notes and the Indenture, without further action on the part of Holders and (z) instructing the Trustee to take any actions as may be necessary so that the restricted CUSIP number for the Notes shall be removed from the Global Notes and replaced with an unrestricted CUSIP number. Immediately upon receipt of such notice by the Trustee the Restricted Notes Legend will be deemed removed from each of the Global Notes specified in such notice and the restricted CUSIP number will be deemed removed from each of such Global Notes and deemed replaced with an unrestricted CUSIP number; and

(B) providing the Depositary an instruction letter for the Depositary's mandatory exchange process (or any successor notice, form or action required pursuant to the Applicable Procedures) to the extent required.

(viii) From and after the one year anniversary of the issue date of any Transfer Restricted Note, upon written direction of the Company:

(A) The Registrar shall permit the Holder thereof to exchange any Transfer Restricted Note that is a Definitive Note for a Definitive Note that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Note if the Holder certifies in writing to the Registrar and the Company that its request for such exchange was made in reliance on Rule 144 and that such Holder is not (and has not been during the preceding three months) an affiliate (as defined under Rule 144) of the Company; and

(B) Beneficial interests in a Transfer Restricted Note that is a Global Note may be exchanged for beneficial interests in Global Note that does not bear the Restricted Notes Legend if the Holder certifies in writing to the Registrar and the Company that its request for such exchange was made in reliance on Rule 144 and that such Holder is not (and has not been during the preceding three months) an "affiliate" of the Company within the meaning of Rule 144.

(f) Cancellation or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by the Depositary to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Custodian, to reflect such reduction.

(g) Obligations with Respect to Transfers and Exchanges of Notes.

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate, Definitive Notes and Global Notes at the Registrar's request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchanges pursuant to Section 2.07, Section 2.10, 3.06, 4.11 and 9.05 of the Indenture).

(iii) Prior to the due presentation for registration of transfer of any Note, the Company, the Trustee, the Paying Agent or the Registrar may deem and treat the person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

(iv) All Notes issued upon any transfer or exchange pursuant to the terms of the Indenture shall evidence the same debt and shall be entitled to the same benefits under the Indenture as the Notes surrendered upon such transfer or exchange.

(h) No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depositary or any other Person with respect to the accuracy of the records of the Depositary or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depositary) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to the registered Holders (which shall be the Depositary or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depositary subject to the applicable rules and procedures of the Depositary. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under the Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(iii) Upon the occurrence of the Exchange Offer in accordance with the Registration Rights Agreement, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate (i) one or more Global Notes without the Restricted Notes Legend in an aggregate principal amount equal to the principal amounts of the beneficial interests in the Global Notes tendered for acceptance by Persons that certify in the applicable letters of transmittal that (x) they are not broker-dealers, (y) they are not

participating in a distribution of the Exchange Notes and (z) they are not affiliates (as defined in Rule 144) of the Company, and accepted for exchange in the Exchange Offer and (ii) Definitive Notes without the Restricted Notes Legend in an aggregate principal amount equal to the principal amount of the Definitive Notes tendered for acceptance by Persons that certify in the applicable letters of transmittal that (x) they are not broker-dealers, (y) they are not participating in a distribution of the Exchange Notes and (z) they are not affiliates (as defined in Rule 144) of the Company, and accepted for exchange in the Exchange Offer. Concurrently with the issuance of such Notes, the Trustee shall cause the aggregate principal amount of the applicable Global Notes with the Restricted Notes Legend to be reduced accordingly, and the Company shall execute and the Trustee shall authenticate and mail to the Persons designated by the Holders of the Definitive Notes so accepted Definitive Notes without the Restricted Notes Legend in the applicable principal amount. Any Notes that remain outstanding after the consummation of the Exchange Offer, and Exchange Notes issued in connection with the Exchange Offer, shall be treated as a single class of securities under the Indenture.

In addition, any Affiliate of the Company or any Guarantor that is a beneficial owner of all or part of a Global Note may have such Affiliate's beneficial interest transferred to such Affiliate in the form of a Definitive Note, by providing a written request to the Company and the Trustee and such Opinions of Counsel, certificates or other information as may be required by the Indenture or the Company or Trustee.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.4 shall be surrendered by the Depositary to the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations. Any portion of a Global Note transferred pursuant to this Section shall be executed, authenticated and delivered only in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof and registered in such names as the Depositary shall direct. - (i) that the Exchange Offer is being made pursuant to this Agreement and that all Registrable Securities validly tendered and not properly withdrawn will be accepted for exchange;
- (ii) the dates of acceptance for exchange (which shall be a period of at least 20 Business Days from the date such notice is mailed) (the “Exchange Dates”);
- (iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest but will not retain any rights under this Agreement, except as otherwise specified herein;
- (iv) that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to (A) surrender such Registrable Security, together with the appropriate letters of transmittal, to the institution and at the address and in the manner specified in the notice, or (B) effect such exchange otherwise in compliance with the applicable procedures of the depository for such Registrable Security, in each case prior to the close of business on the last Exchange Date; and
- (v) that any Holder will be entitled to withdraw its election, not later than the close of business on the last Exchange Date, by (A) sending to the institution and at the address specified in the notice, a telegram, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is withdrawing its election to have such Securities exchanged or (B) effecting such withdrawal in compliance with the applicable procedures of the depository for the Registrable Securities.

As a condition to participating in the Exchange Offer, a Holder will be required to represent to the Company and any Guarantor that (i) any Exchange Securities to be received by it will be acquired in the ordinary course of its business, (ii) it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities, (iii) it is not an “affiliate” (within the meaning of Rule 405 under the Securities Act) of the Company or any Guarantor, (iv) if such Holder is not a broker-dealer, that it is not engaged in, and does not intend to engage in, the distribution of the Exchange Securities and (v) if such Holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities that were acquired as a result of market-making or other trading activities and not directly from the Company, then such Holder will deliver a Prospectus (or, to the extent permitted by law, make available a Prospectus to purchasers) in connection with any resale of such Exchange Securities (any Holder that does not satisfy each of the foregoing clauses (i) through (iv), a “Restricted Holder”).

As soon as practicable after the last Exchange Date, the Company and any Guarantor shall:

(i) accept for exchange Registrable Securities or portions thereof validly tendered and not properly withdrawn pursuant to the Exchange Offer; and

(ii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Company and issue, and cause the Trustee to promptly authenticate and deliver to each Holder, Exchange Securities equal in principal amount to the principal amount of the Registrable Securities tendered by such Holder.

The Company and any Guarantor shall use their reasonable efforts to complete the Exchange Offer as provided above and shall comply with the applicable requirements of the Securities Act, the Exchange Act and other applicable laws and regulations in connection with the Exchange Offer. The Exchange Offer shall not be subject to any conditions, other than that the Exchange Offer does not violate any applicable law or applicable interpretations of the Staff.

(b) If any Registrable Securities are outstanding as of the 366th calendar day following the Issue Date and (i) the Company and any Guarantor determine that the Exchange Offer Registration provided for in Section 2(a) above is not available or the Exchange Offer may not be consummated as soon as practicable after the last Exchange Date because it would violate any applicable law or applicable interpretations of the Staff, (ii) the Exchange Offer is not for any other reason completed by May 1, 2016 or (iii) upon receipt of a written request (a “Shelf Request”) from any Initial Purchaser representing that it holds Registrable Securities that are or were ineligible to be exchanged in the Exchange Offer, the Company and any Guarantor shall use their commercially reasonable efforts to cause to be filed as promptly as reasonably practicable but, in any event, on or prior to the 30th calendar day after such determination, date or Shelf Request, as the case may be but in no event prior to the 451st calendar day following the Issue Date, a Shelf Registration Statement providing for the sale of all the Registrable Securities by the Holders thereof and to have such Shelf Registration Statement become effective; *provided* that no Holder will be entitled to have any Registrable Securities included in any Shelf Registration Statement, or entitled to use the prospectus forming a part of such Shelf Registration Statement, until such Holder shall have delivered a completed and signed Notice and Questionnaire and provided such other information regarding such Holder to the Company as is contemplated by Section 3(b) hereof.

In the event that the Company and any Guarantor are required to file a Shelf Registration Statement pursuant to clause (iii) of the preceding sentence, the Company and any Guarantor shall use their commercially reasonable efforts to file and have become effective both an Exchange Offer Registration Statement pursuant to Section 2(a) with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by the Initial Purchasers after consummation of the Exchange Offer.

Subject to Section 3(b)(ii), the Company and any Guarantor agree to use their commercially reasonable efforts to (i) cause the Shelf Registration Statement to be declared effective on or prior to the 40th calendar day after the filing thereof and (ii) keep the Shelf Registration Statement continuously effective until the second anniversary of the Issue Date or such shorter period that will terminate when all the Registrable Securities covered by the Shelf Registration Statement (i) have been sold pursuant to the Shelf Registration Statement or (ii) cease to be Registrable Securities without the need to be sold pursuant to the Shelf Registration Statement (the “Shelf Effectiveness Period”). The Company and any Guarantor further agree to supplement or amend the Shelf Registration Statement and the related Prospectus if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the Securities Act or by any other rules and regulations thereunder or if reasonably requested by a Holder of Registrable Securities with respect to information relating to such Holder, and to use their reasonable efforts to cause any such amendment to become effective, if required, and such Shelf Registration Statement and Prospectus to become usable as soon as thereafter practicable. The Company and any Guarantor agree to furnish to the Participating Holders copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) The Company and any Guarantor shall pay all Registration Expenses in connection with any registration pursuant to Section 2(a) or Section 2(b) hereof. Each Holder shall pay all underwriting discounts and commissions, brokerage commissions and transfer taxes, if any, relating to the sale or disposition of such Holder’s Registrable Securities pursuant to the Shelf Registration Statement.

(d) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof will not be deemed to have become effective unless it has been declared effective by the SEC. A Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC or is automatically effective upon filing with the SEC as provided by Rule 462 under the Securities Act.

In the event that either the Exchange Offer is not consummated or the Shelf Registration Statement, if required pursuant to Section 2(b) hereof, does not become effective on or prior to the applicable date specified in Section 2(b) hereof (the “Target Registration Date”), the Company will, in addition to interest payable on the Securities, pay additional interest on the Registrable Securities (“Additional Interest”), at a rate equal to 0.25% per annum for the first 90 day period following the Target Registration Date, which Additional Interest shall increase by an additional 0.25% per annum with respect to each subsequent 90 day period, up to a maximum of 1.00% per annum, until the earliest of the Exchange Offer being consummated or the Shelf Registration Statement, if required hereby, becoming effective, the Securities ceasing to be Registrable Securities and March 31, 2017.

If the Shelf Registration Statement, if required hereby, has become effective and thereafter either ceases to be effective or the Prospectus contained therein ceases to be usable, in each case whether or not permitted by this Agreement, at any time during the Shelf Effectiveness Period, and such failure to remain effective or usable exists for more than 45 days (whether or not consecutive) in any 12-month period (any event under this paragraph or clauses (i) or (ii) of the immediately preceding paragraph, a “Registration Default”), then the Registrable Securities

will accrue Additional Interest at a rate equal to 0.25% per annum commencing on the 46th day in such 12-month period for the first 90 day period following such date, which Additional Interest shall increase by an additional 0.25% per annum with respect to each subsequent 90 day period, up to a maximum of 1.00% per annum and ending on such date that the Shelf Registration Statement has again become effective or the Prospectus again becomes usable.

If at any time more than one Registration Default has occurred and is continuing, then, until the next date that there is no Registration Default, the increase in interest rate provided for by the preceding paragraphs shall apply as if there occurred a single Registration Default that begins on the date that the earliest such Registration Default occurred and ends on such next date that there is no Registration Default.

(e) Without limiting the remedies available to the Initial Purchasers and the Holders, the Company and any Guarantor acknowledge that any failure by the Company or any Guarantor to comply with their obligations under Section 2(a) and Section 2(b) hereof may result in material irreparable injury to the Initial Purchasers or the Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchasers or any Holder may obtain such relief as may be required to specifically enforce the Company's and any Guarantor's obligations under Section 2(a) and Section 2(b) hereof.

(f) The Company represents, warrants and covenants that it (including its agents and representatives) will not prepare, make, use, authorize, approve or refer to any Free Writing Prospectus.

3. Registration Procedures.

(a) In connection with their obligations pursuant to Section 2(a) and Section 2(b) hereof, the Company and any Guarantor shall as expeditiously as possible:

(i) use their commercially reasonable efforts to prepare and file with the SEC a Registration Statement in accordance with Section 2 on the appropriate form under the Securities Act, which form (x) shall be selected by the Company and any Guarantor, (y) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the Holders thereof and (z) shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the SEC to be filed therewith; and use their commercially reasonable efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 2 hereof;

(ii) use their commercially reasonable efforts to prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement and file with the SEC any other required document as may be necessary to keep such Registration Statement effective for the applicable period in accordance with Section 2 hereof and cause each Prospectus to be supplemented by any required prospectus supplement and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act; and keep each Prospectus current during the period described in Section 4(3) of and Rule 174 under the Securities Act that is applicable to transactions by brokers or dealers with respect to the Registrable Securities or Exchange Securities;

(iii) in the case of a Shelf Registration, furnish to each Participating Holder, to counsel for the Initial Purchasers, to counsel for such Holders and to each Underwriter of an Underwritten Offering of Registrable Securities, if any, without charge, as many copies of each Prospectus or preliminary prospectus, and any amendment or supplement thereto, as such Holder, counsel or Underwriter may reasonably request in order to facilitate the sale or other disposition of the Registrable Securities thereunder; and the Company and any Guarantor consent to the use of such Prospectus, preliminary prospectus and any amendment or supplement thereto in accordance with applicable law by each of the Participating Holders and any such Underwriters in connection with the offering and sale of the Registrable Securities covered by and in the manner described in such Prospectus, preliminary prospectus or any amendment or supplement thereto in accordance with applicable law;

(iv) use their commercially reasonable efforts to register or qualify the Registrable Securities under all applicable state securities or blue sky laws of such jurisdictions of the United States of America or Canada as any Participating Holder shall reasonably request in writing prior to the time the applicable Registration Statement becomes effective; cooperate with such Holders in connection with any filings required to be made with the Financial Industry Regulatory Authority, Inc.; and do any and all other acts and things that may be reasonably necessary or advisable to enable each Participating Holder to complete the disposition in each such jurisdiction of the Registrable Securities owned by such Holder; *provided* that neither the Company nor any Guarantor shall be required to (1) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (2) file any general consent to service of process in any such jurisdiction or (3) subject itself to taxation in any such jurisdiction if it is not so subject;

(v) in the case of a Shelf Registration, notify the Initial Purchasers and each Participating Holder promptly (1) when a Registration Statement has become effective and when any post-effective amendment thereto has been filed and becomes effective and when any amendment or supplement to a Prospectus has been filed (in each case other than for the purpose of naming a Participating Holder as a selling security holder therein), (2) of any request (but not the nature or details regarding such request) by the SEC or any state securities authority for amendments and supplements to a Registration Statement or Prospectus or for additional information after the Registration Statement has become effective, (3) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Company of any notice of objection of the SEC to the use of a Shelf Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, (4) if the Company or any Guarantor receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, (5) of the happening of any event (but not the nature or details concerning such event) during the period a Registration Statement is effective that

makes any statement made in such Registration Statement or the related Prospectus untrue in any material respect or that requires the making of any changes in such Registration Statement or Prospectus in order to make the statements therein not misleading and (6) of any determination by the Company or any Guarantor that a post-effective amendment (other than for the purpose of naming a Participating Holder as a selling security holder therein) to a Registration Statement or any amendment or supplement to the Prospectus would be appropriate;

(vi) use their commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement or, in the case of a Shelf Registration, the resolution of any objection of the SEC pursuant to Rule 401(g)(2) under the Securities Act, including by filing an amendment to such Shelf Registration Statement on the proper form, at the earliest possible moment and provide immediate notice to each Holder or Participating Holder of the withdrawal of any such order or such resolution;

(vii) in the case of a Shelf Registration, furnish to each Participating Holder, without charge, at least one conformed copy of each Registration Statement and any post-effective amendment thereto (without any documents incorporated therein by reference or exhibits thereto, unless requested);

(viii) in the case of a Shelf Registration, cooperate with the Participating Holders to facilitate the timely preparation and delivery of certificates (unless such Registrable Securities are in book-entry form only) representing Registrable Securities to be sold and not bearing any restrictive legends and enable such Registrable Securities to be issued in such denominations and registered in such names (consistent with the provisions of the Indenture) as such Holders may reasonably request at least one Business Day prior to the closing of any sale of Registrable Securities;

(ix) upon the occurrence of any event contemplated by Section 3(a)(v)(5) hereof, use their commercially reasonable efforts to prepare and file with the SEC a supplement or post-effective amendment to the applicable Exchange Offer Registration Statement or Shelf Registration Statement or the related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered (or, to the extent permitted by law, made available) to purchasers of the Registrable Securities, such Prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and the Company and the Guarantors shall notify the Participating Holders (in the case of a Shelf Registration Statement) and the Initial Purchasers and any Participating Broker-Dealers known to the Company (in the case of an Exchange Offer Registration Statement) to suspend use of the Prospectus as promptly as practicable after the occurrence of such an event, and such Participating Holders, such Participating Broker-Dealers and the Initial Purchasers, as applicable, hereby agree to suspend use of the Prospectus until the Company and the Guarantors have amended or supplemented the Prospectus to correct such misstatement or omission;

(x) a reasonable time prior to the filing of any Registration Statement, any Prospectus, any amendment to a Registration Statement or amendment or supplement to a Prospectus or of any document that is to be incorporated by reference into a Registration Statement or a Prospectus after initial filing of a Registration Statement, provide copies of such document to the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, to the Participating Holders and their counsel) and make such of the representatives of the Company and any Guarantor as shall be reasonably requested by the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Participating Holders or their counsel) available for discussion of such document; and the Company and any Guarantor shall not, at any time after initial filing of a Registration Statement, use or file any Prospectus, any amendment of or supplement to a Registration Statement or a Prospectus, or any document that is to be incorporated by reference into a Registration Statement or a Prospectus, of which the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities and their counsel) shall not have previously been advised and furnished a copy or to which the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities or their counsel) shall object; *provided* that the immediately foregoing sentence shall not prohibit the Company from making any filing that is, in the opinion of counsel to the Company, necessary to comply with applicable law;

(xi) obtain a CUSIP number for all Exchange Securities or Registrable Securities, as the case may be, not later than the initial effective date of a Registration Statement;

(xii) cause the Indenture to be qualified under the Trust Indenture Act in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be; cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and execute, and use their reasonable efforts to cause the Trustee to execute, all documents as may be required to effect such changes and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(xiii) in the case of a Shelf Registration, make available for inspection by a representative of the Participating Holders (an "Inspector"), any Underwriter participating in any disposition pursuant to such Shelf Registration Statement, any attorneys and accountants designated by a majority in aggregate principal amount of the Securities held by the Participating Holders and any attorneys and accountants designated by such Underwriter, at reasonable times and in a reasonable manner, all pertinent financial and other records, documents and properties of the Company and its subsidiaries, and use its reasonable efforts to cause the respective officers, directors and employees of the Company and any Guarantor to supply all information reasonably requested by any such Inspector, Underwriter, attorney or accountant in connection with a Shelf Registration Statement, in each case as is reasonable and customary for "due diligence" examinations of issuers of similar size and business as the Company; *provided* that such Persons shall first agree with the Company that any information that is

designated by the Company as confidential at the time of delivery shall be kept confidential by such Persons and shall be used solely for the purposes of exercising rights under this Agreement and satisfying “due diligence” obligations under the Securities Act and such Persons shall not engage in trading any securities of the Company until any material non-public information becomes properly publicly available; *provided* that such Person may disclose such confidential information to the extent (v) disclosure of such information is required by court or administrative order or is requested by regulatory authorities, (w) disclosure of such information is required by law, including any disclosure requirements pursuant to federal securities laws in connection with the filing of any Shelf Registration Statement or the use of any Prospectus or Prospectus Supplement referred to in this Agreement, upon a customary opinion of counsel for such Persons delivered and reasonably satisfactory to the Company, (x) such information becomes generally available to the public other than as a result of a disclosure or failure to safeguard by any such Person, (y) such information becomes available to any such Person or a source other than the Company and such source is not known by such Person to be bound by a confidentiality obligation to the Company or (z) such information is necessary to establish a due diligence defense; *provided , further ,* that with respect to any counsel engaged by the Majority Holders, the foregoing inspection and information gathering shall be coordinated by one counsel designated by the Majority Holders;

(xiv) if reasonably requested by any Participating Holder, promptly include in a Prospectus supplement or post-effective amendment such information with respect to such Holder as such Holder reasonably requests to be included therein and make all required filings of such Prospectus supplement or such post-effective amendment as soon as the Company has received notification of the matters to be so included in such filing;

(xv) in the case of a Shelf Registration, enter into such customary agreements and take all such other actions in connection therewith (including those requested by the Holders of a majority in principal amount of the Registrable Securities covered by the Shelf Registration Statement) in order to expedite or facilitate the disposition of such Registrable Securities including, but not limited to, an Underwritten Offering and in such connection, (1) to the extent possible, make such representations and warranties to the Participating Holders and any Underwriters of such Registrable Securities with respect to the business of the Company and its subsidiaries and the Registration Statement, Prospectus and documents incorporated by reference or deemed incorporated by reference, if any, in each case, in form, substance and scope as are customarily made by issuers to underwriters in underwritten offerings and confirm the same if and when requested, (2) obtain opinions of counsel to the Company and any Guarantor (which counsel and opinions, in form, scope and substance, shall be reasonably satisfactory to the Participating Holders and such Underwriters and their respective counsel) addressed to each Underwriter of Registrable Securities, covering the matters customarily covered in opinions requested in underwritten offerings, (3) obtain “comfort” letters from the independent registered public accountants of the Company and any Guarantor (and, if necessary, any other registered public accountant of any subsidiary of the Company or any Guarantor, or of any business acquired by the Company or any Guarantor for which financial statements and financial data are or are required to be included in the Registration Statement) addressed to each Participating Holder (to the extent permitted

by applicable professional standards) and Underwriter of Registrable Securities, such letters to be in customary form and covering matters of the type customarily covered in “comfort” letters in connection with underwritten offerings, including but not limited to financial information contained in any preliminary prospectus or Prospectus and (4) deliver such documents and certificates as may be reasonably requested by the Holders of a majority in principal amount of the Registrable Securities being sold or the Underwriters, and which are customarily delivered in underwritten offerings, to evidence the continued validity of the representations and warranties of the Company and any Guarantor made pursuant to clause (1) above and to evidence compliance with any customary conditions contained in an underwriting agreement; and

(xvi) so long as any Registrable Securities remain outstanding, cause each Guarantor upon the creation or acquisition by the Company of such Guarantor, to execute a counterpart to this Agreement in the form attached hereto as Annex A and to deliver such counterpart, together with an opinion of counsel as to the enforceability thereof against such entity, to the Initial Purchasers no later than five Business Days following the execution thereof.

(b) In the case of a Shelf Registration Statement, the Company may require each Holder of Registrable Securities to furnish to the Company a Notice and Questionnaire and such other information regarding such Holder and the intended method of distribution by such Holder of such Registrable Securities as the Company and any Guarantor may from time to time reasonably request in writing. Each Participating Holder agrees to notify the Company as promptly as practicable of any inaccuracy or change in information previously furnished by such Participating Holder to the Company or of the occurrence of any event in either case as a result of which any Prospectus relating to the Shelf Registration Statement contains or would contain an untrue statement of a material fact regarding such Participating Holder or such Participating Holder’s intended method of disposition of Registrable Securities or omits to state any material fact regarding such Participating Holder or such Participating Holder’s intended method of disposition of such Registrable Securities required to be stated therein or necessary to make the statement therein not misleading in light of the circumstances then existing, and promptly to furnish to the Company any additional information required to correct and update any previously furnished information or required so that such Prospectus shall not contain, with respect to such Participating Holder or the disposition of such Registrable Securities, an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statement therein not misleading in light of the circumstances then existing.

(c) Each Participating Holder of Registrable Securities covered in such Shelf Registration Statement agrees that, upon receipt of any notice from the Company and any Guarantor of the happening of any event of the kind described in Section 3(a)(v)(2), 3(a)(v)(3), 3(a)(v)(4) or 3(a)(v)(5) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Holder’s receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3(a)(ix) hereof and, if so directed by the Company and any Guarantor, such Holder will deliver to the Company and any Guarantor all copies in its possession, other than permanent file copies then in such Holder’s possession, of the Prospectus covering such Registrable Securities that is current at the time of receipt of such notice.

(d) Upon the occurrence or existence of any pending corporate development, public filings with the SEC or any other material event that, in the reasonable judgment of the Company, makes it appropriate to suspend the availability of the Shelf Registration Statement and the related Prospectus, the Company shall give notice (without notice of the nature or details of such events) to the Holders of Registrable Securities that the availability of the Shelf Registration Statement is suspended and, upon actual receipt of any such notice, each Holder of Registrable Securities agrees not to sell any Registrable Securities pursuant to the Shelf Registration Statement until such Holder's receipt of copies of the supplemented or amended Prospectus provided for in Section 3(a)(ix) hereof, or until it is advised in writing by the Company that the Prospectus may be used, and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in such Prospectus. The period during which the availability of the Shelf Registration Statement and any Prospectus is suspended shall not exceed 45 days in any 12 month period. Each Holder shall keep confidential any communications received by it from the Company regarding the suspension of the use of the Prospectus, except as required by applicable law.

(e) The Participating Holders who desire to do so may sell such Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment bank or investment banks and manager or managers (each an "Underwriter") that will administer the offering will be selected by the Holders of a majority in principal amount of the Registrable Securities included in such offering.

4. Participation of Broker-Dealers in Exchange Offer.

(a) The Staff has taken the position that any broker-dealer that receives Exchange Securities for its own account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (a "Participating Broker-Dealer") may be deemed to be an "underwriter" within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Securities.

The Company and any Guarantor understand that it is the Staff's position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Securities, without naming the Participating Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Participating Broker-Dealers (or, to the extent permitted by law, made available to purchasers) to satisfy their prospectus delivery obligation under the Securities Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

(b) In light of the above, and notwithstanding the other provisions of this Agreement, the Company and any Guarantor agree to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement for a period of up to 180 days after the last Exchange Date (as such period may be extended pursuant to Section 3(d) of this Agreement), in order to expedite or facilitate the disposition of any Exchange Securities by Participating Broker-Dealers consistent with the positions of the Staff recited in Section 4(a) above. The Company and any

Guarantor further agree that Participating Broker-Dealers shall be authorized to deliver such Prospectus (or, to the extent permitted by law, make available) during such period in connection with the resales contemplated by this Section 4.

(c) The Initial Purchasers shall have no liability to the Company, any Guarantor or any Holder with respect to any request that they may make pursuant to Section 4(b) above.

5. Indemnification and Contribution.

(a) The Company and any Guarantor, jointly and severally, agree to indemnify and hold harmless each Initial Purchaser and each Holder, their respective affiliates, directors and officers and each Person, if any, who controls any Initial Purchaser or any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (1) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (2) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus, any Free Writing Prospectus used in violation of this Agreement or any “issuer information” (“Issuer Information”) filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser or information relating to any Holder furnished to the Company in writing through Morgan Stanley or any selling Holder, respectively expressly for use therein. In connection with any Underwritten Offering permitted by Section 3, the Company and any Guarantor, jointly and severally, will also indemnify the Underwriters, if any, selling brokers, dealers and similar securities industry professionals participating in the distribution, their respective affiliates and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement, any Prospectus, any Free Writing Prospectus or any Issuer Information.

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Company, any Guarantor, the Initial Purchasers and the other selling Holders, the directors of the Company and any Guarantor, each officer of the Company and any Guarantor who signed the Registration Statement and each Person, if any, who controls the Company, any Guarantor, any Initial Purchaser and any other selling Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Holder furnished to the Company in writing by such Holder expressly for use in any Registration Statement and any Prospectus.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such Person (the "Indemnified Person") shall promptly notify the Person against whom such indemnification may be sought (the "Indemnifying Person") in writing; *provided* that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and *provided, further*, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 5 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm (x) for any Initial Purchaser, its affiliates, directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by Morgan Stanley, (y) for any Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders and (z) in all other cases shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (A) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and any Guarantor from the offering of the Securities and the Exchange Securities, on the one hand, and by the Holders from receiving Securities or Exchange Securities registered under the Securities Act, on the other hand, or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and any Guarantor on the one hand and the Holders on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company and any Guarantor on the one hand and the Holders on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and any Guarantor or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company, any Guarantor and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 5 were determined by *pro rata* allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 5, in no event shall a Holder be required to contribute any amount in excess of the amount by which the total price at which the Securities or Exchange Securities sold by such Holder exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 5 are several and not joint.

(f) The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

(g) The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Initial Purchasers or any Holder or any Person controlling any Initial Purchaser or any Holder, or by or on behalf of the Company or any Guarantor or the officers or directors of or any Person controlling the Company or any Guarantor, (iii) acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities pursuant to a Shelf Registration Statement.

6. General.

(a) *No Inconsistent Agreements*. The Company and any Guarantor represent, warrant and agree that (i) the rights granted to the Holders hereunder do not in any way conflict with the rights granted to the holders of any other outstanding securities issued or guaranteed by the Company or any Guarantor under any other agreement and (ii) neither the Company nor any Guarantor has entered into, or on or after the date of this Agreement will enter into, any agreement that conflicts with the provisions hereof.

(b) *Amendments and Waivers*. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company and any Guarantor have obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; *provided* that no amendment, modification, supplement, waiver or consent to any departure from the provisions of Section 5 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder. Any amendments, modifications, supplements, waivers or consents pursuant to this Section 6(b) shall be by a writing executed by each of the parties hereto.

(c) *Notices*. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, telecopier, or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 6(c), which address initially is, with respect to the Initial Purchasers, the address set forth in the Purchase Agreement; (ii) if to the Company and any Guarantor, initially at the Company's address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c); and (iii) to such other persons at their respective addresses as provided in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c). All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when receipt is acknowledged, if telecopied; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery. Copies of all such notices, demands or other communications shall be concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(d) *Successors and Assigns*. This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; *provided* that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the benefits hereof.

The Initial Purchasers (in their capacity as Initial Purchasers) shall have no liability or obligation to the Company or any Guarantor with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(e) *Third Party Beneficiaries.* Each Holder shall be a third party beneficiary to the agreements made hereunder between the Company and any Guarantor, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder.

(f) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile, email or other electronic transmission (*i . e .* , “pdf”) shall be effective as delivery of a manually executed counterpart of this Agreement.

(g) *Headings.* The headings in this Agreement are for convenience of reference only, are not a part of this Agreement and shall not limit or otherwise affect the meaning hereof.

(h) *Governing Law.* This Agreement, and any claim, controversy or dispute arising under or related to this Agreement, shall be governed by and construed in accordance with the laws of the State of New York.

(j) *Entire Agreement; Severability.* This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable or against public policy, the remainder of the terms, provisions, covenants and restrictions contained herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated. The Company, any Guarantor and the Initial Purchasers shall endeavor in good faith negotiations to replace the invalid, void or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, void or unenforceable provisions.

2. Registration Under the Securities Act.

(a) If any Registrable Securities are outstanding as of the 366th calendar day following the Issue Date, to the extent not prohibited by any applicable law or applicable interpretations of the Staff, the Company and any Guarantor shall use their commercially reasonable efforts to (i) cause to be filed an Exchange Offer Registration Statement covering an offer to the Holders to exchange all the Registrable Securities for Exchange Securities, (ii) have such Registration Statement to be declared effective and (iii) cause the Exchange Offer to be consummated on or prior to the 451st calendar day following the Issue Date. The Exchange Offer will be deemed to have been consummated upon the delivery by the Company to the

registrar under the Indenture of Exchange Securities in the same aggregate principal amount as the aggregate principal amount of Registrable Securities that were validly tendered (and not withdrawn) by Holders (other than Restricted Holders) thereof pursuant to and prior to the expiration of the Exchange Offer.

The Company and any Guarantor shall commence the Exchange Offer by mailing the related Prospectus, appropriate letters of transmittal and other accompanying documents to each Holder stating, in addition to such other disclosures as are required by applicable law, substantially the following:

- (i) that the Exchange Offer is being made pursuant to this Agreement and that all Registrable Securities validly tendered and not properly withdrawn will be accepted for exchange;
- (ii) the dates of acceptance for exchange (which shall be a period of at least 20 Business Days from the date such notice is mailed) (the “Exchange Dates”);
- (iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest but will not retain any rights under this Agreement, except as otherwise specified herein;
- (iv) that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to (A) surrender such Registrable Security, together with the appropriate letters of transmittal, to the institution and at the address and in the manner specified in the notice, or (B) effect such exchange otherwise in compliance with the applicable procedures of the depository for such Registrable Security, in each case prior to the close of business on the last Exchange Date; and
- (v) that any Holder will be entitled to withdraw its election, not later than the close of business on the last Exchange Date, by (A) sending to the institution and at the address specified in the notice, a telegram, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is withdrawing its election to have such Securities exchanged or (B) effecting such withdrawal in compliance with the applicable procedures of the depository for the Registrable Securities.

As a condition to participating in the Exchange Offer, a Holder will be required to represent to the Company and any Guarantor that (i) any Exchange Securities to be received by it will be acquired in the ordinary course of its business, (ii) it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities, (iii) it is not an “affiliate” (within the meaning of Rule 405 under the Securities Act) of the Company or any Guarantor, (iv) if such Holder is not a broker-dealer, that it is not engaged in, and does not intend to engage in, the distribution of the Exchange Securities and (v) if such Holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities that were acquired as a result of market-making or other trading activities and not directly from the Company, then such Holder will deliver a Prospectus (or, to the extent permitted by law, make available a Prospectus to purchasers) in connection with any resale of such Exchange Securities (any Holder that does not satisfy each of the foregoing clauses (i) through (iv), a “Restricted Holder”).

As soon as practicable after the last Exchange Date, the Company and any Guarantor shall:

(i) accept for exchange Registrable Securities or portions thereof validly tendered and not properly withdrawn pursuant to the Exchange Offer; and

(ii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Company and issue, and cause the Trustee to promptly authenticate and deliver to each Holder, Exchange Securities equal in principal amount to the principal amount of the Registrable Securities tendered by such Holder.

The Company and any Guarantor shall use their reasonable efforts to complete the Exchange Offer as provided above and shall comply with the applicable requirements of the Securities Act, the Exchange Act and other applicable laws and regulations in connection with the Exchange Offer. The Exchange Offer shall not be subject to any conditions, other than that the Exchange Offer does not violate any applicable law or applicable interpretations of the Staff.

(b) If any Registrable Securities are outstanding as of the 366th calendar day following the Issue Date and (i) the Company and any Guarantor determine that the Exchange Offer Registration provided for in Section 2(a) above is not available or the Exchange Offer may not be consummated as soon as practicable after the last Exchange Date because it would violate any applicable law or applicable interpretations of the Staff, (ii) the Exchange Offer is not for any other reason completed by May 1, 2016 or (iii) upon receipt of a written request (a “Shelf Request”) from any Initial Purchaser representing that it holds Registrable Securities that are or were ineligible to be exchanged in the Exchange Offer, the Company and any Guarantor shall use their commercially reasonable efforts to cause to be filed as promptly as reasonably practicable but, in any event, on or prior to the 30th calendar day after such determination, date or Shelf Request, as the case may be but in no event prior to the 451st calendar day following the Issue Date, a Shelf Registration Statement providing for the sale of all the Registrable Securities by the Holders thereof and to have such Shelf Registration Statement become effective; *provided* that no Holder will be entitled to have any Registrable Securities included in any Shelf Registration Statement, or entitled to use the prospectus forming a part of such Shelf Registration Statement, until such Holder shall have delivered a completed and signed Notice and Questionnaire and provided such other information regarding such Holder to the Company as is contemplated by Section 3(b) hereof.

In the event that the Company and any Guarantor are required to file a Shelf Registration Statement pursuant to clause (iii) of the preceding sentence, the Company and any Guarantor shall use their commercially reasonable efforts to file and have become effective both an Exchange Offer Registration Statement pursuant to Section 2(a) with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by the Initial Purchasers after consummation of the Exchange Offer.

Subject to Section 3(b)(ii), the Company and any Guarantor agree to use their commercially reasonable efforts to (i) cause the Shelf Registration Statement to be declared effective on or prior to the 40th calendar day after the filing thereof and (ii) keep the Shelf Registration Statement continuously effective until the second anniversary of the Issue Date or such shorter period that will terminate when all the Registrable Securities covered by the Shelf Registration Statement (i) have been sold pursuant to the Shelf Registration Statement or (ii) cease to be Registrable Securities without the need to be sold pursuant to the Shelf Registration Statement (the “Shelf Effectiveness Period”). The Company and any Guarantor further agree to supplement or amend the Shelf Registration Statement and the related Prospectus if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the Securities Act or by any other rules and regulations thereunder or if reasonably requested by a Holder of Registrable Securities with respect to information relating to such Holder, and to use their reasonable efforts to cause any such amendment to become effective, if required, and such Shelf Registration Statement and Prospectus to become usable as soon as thereafter practicable. The Company and any Guarantor agree to furnish to the Participating Holders copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) The Company and any Guarantor shall pay all Registration Expenses in connection with any registration pursuant to Section 2(a) or Section 2(b) hereof. Each Holder shall pay all underwriting discounts and commissions, brokerage commissions and transfer taxes, if any, relating to the sale or disposition of such Holder’s Registrable Securities pursuant to the Shelf Registration Statement.

(d) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof will not be deemed to have become effective unless it has been declared effective by the SEC. A Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC or is automatically effective upon filing with the SEC as provided by Rule 462 under the Securities Act.

In the event that either the Exchange Offer is not consummated or the Shelf Registration Statement, if required pursuant to Section 2(b) hereof, does not become effective on or prior to the applicable date specified in Section 2(b) hereof (the “Target Registration Date”), the Company will, in addition to interest payable on the Securities, pay additional interest on the Registrable Securities (“Additional Interest”), at a rate equal to 0.25% per annum for the first 90 day period following the Target Registration Date, which Additional Interest shall increase by an additional 0.25% per annum with respect to each subsequent 90 day period, up to a maximum of 1.00% per annum, until the earliest of the Exchange Offer being consummated or the Shelf Registration Statement, if required hereby, becoming effective, the Securities ceasing to be Registrable Securities and March 31, 2017.

If the Shelf Registration Statement, if required hereby, has become effective and thereafter either ceases to be effective or the Prospectus contained therein ceases to be usable, in each case whether or not permitted by this Agreement, at any time during the Shelf Effectiveness Period, and such failure to remain effective or usable exists for more than 45 days (whether or not consecutive) in any 12-month period (any event under this paragraph or clauses (i) or (ii) of the immediately preceding paragraph, a “Registration Default”), then the Registrable Securities

will accrue Additional Interest at a rate equal to 0.25% per annum commencing on the 46th day in such 12-month period for the first 90 day period following such date, which Additional Interest shall increase by an additional 0.25% per annum with respect to each subsequent 90 day period, up to a maximum of 1.00% per annum and ending on such date that the Shelf Registration Statement has again become effective or the Prospectus again becomes usable.

If at any time more than one Registration Default has occurred and is continuing, then, until the next date that there is no Registration Default, the increase in interest rate provided for by the preceding paragraphs shall apply as if there occurred a single Registration Default that begins on the date that the earliest such Registration Default occurred and ends on such next date that there is no Registration Default.

(e) Without limiting the remedies available to the Initial Purchasers and the Holders, the Company and any Guarantor acknowledge that any failure by the Company or any Guarantor to comply with their obligations under Section 2(a) and Section 2(b) hereof may result in material irreparable injury to the Initial Purchasers or the Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchasers or any Holder may obtain such relief as may be required to specifically enforce the Company's and any Guarantor's obligations under Section 2(a) and Section 2(b) hereof.

(f) The Company represents, warrants and covenants that it (including its agents and representatives) will not prepare, make, use, authorize, approve or refer to any Free Writing Prospectus.

3. Registration Procedures.

(a) In connection with their obligations pursuant to Section 2(a) and Section 2(b) hereof, the Company and any Guarantor shall as expeditiously as possible:

(i) use their commercially reasonable efforts to prepare and file with the SEC a Registration Statement in accordance with Section 2 on the appropriate form under the Securities Act, which form (x) shall be selected by the Company and any Guarantor, (y) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the Holders thereof and (z) shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the SEC to be filed therewith; and use their commercially reasonable efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 2 hereof;

(ii) use their commercially reasonable efforts to prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement and file with the SEC any other required document as may be necessary to keep such Registration Statement effective for the applicable period in accordance with Section 2 hereof and cause each Prospectus to be supplemented by any required prospectus supplement and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act; and keep each Prospectus current during the period described in Section 4(3) of and Rule 174 under the Securities Act that is applicable to transactions by brokers or dealers with respect to the Registrable Securities or Exchange Securities;

(iii) in the case of a Shelf Registration, furnish to each Participating Holder, to counsel for the Initial Purchasers, to counsel for such Holders and to each Underwriter of an Underwritten Offering of Registrable Securities, if any, without charge, as many copies of each Prospectus or preliminary prospectus, and any amendment or supplement thereto, as such Holder, counsel or Underwriter may reasonably request in order to facilitate the sale or other disposition of the Registrable Securities thereunder; and the Company and any Guarantor consent to the use of such Prospectus, preliminary prospectus and any amendment or supplement thereto in accordance with applicable law by each of the Participating Holders and any such Underwriters in connection with the offering and sale of the Registrable Securities covered by and in the manner described in such Prospectus, preliminary prospectus or any amendment or supplement thereto in accordance with applicable law;

(iv) use their commercially reasonable efforts to register or qualify the Registrable Securities under all applicable state securities or blue sky laws of such jurisdictions of the United States of America or Canada as any Participating Holder shall reasonably request in writing prior to the time the applicable Registration Statement becomes effective; cooperate with such Holders in connection with any filings required to be made with the Financial Industry Regulatory Authority, Inc.; and do any and all other acts and things that may be reasonably necessary or advisable to enable each Participating Holder to complete the disposition in each such jurisdiction of the Registrable Securities owned by such Holder; *provided* that neither the Company nor any Guarantor shall be required to (1) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (2) file any general consent to service of process in any such jurisdiction or (3) subject itself to taxation in any such jurisdiction if it is not so subject;

(v) in the case of a Shelf Registration, notify the Initial Purchasers and each Participating Holder promptly (1) when a Registration Statement has become effective and when any post-effective amendment thereto has been filed and becomes effective and when any amendment or supplement to a Prospectus has been filed (in each case other than for the purpose of naming a Participating Holder as a selling security holder therein), (2) of any request (but not the nature or details regarding such request) by the SEC or any state securities authority for amendments and supplements to a Registration Statement or Prospectus or for additional information after the Registration Statement has become effective, (3) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Company of any notice of objection of the SEC to the use of a Shelf Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, (4) if the Company or any Guarantor receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, (5) of the happening of any event (but not the nature or details concerning such event) during the period a Registration Statement is effective that

makes any statement made in such Registration Statement or the related Prospectus untrue in any material respect or that requires the making of any changes in such Registration Statement or Prospectus in order to make the statements therein not misleading and (6) of any determination by the Company or any Guarantor that a post-effective amendment (other than for the purpose of naming a Participating Holder as a selling security holder therein) to a Registration Statement or any amendment or supplement to the Prospectus would be appropriate;

(vi) use their commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement or, in the case of a Shelf Registration, the resolution of any objection of the SEC pursuant to Rule 401(g)(2) under the Securities Act, including by filing an amendment to such Shelf Registration Statement on the proper form, at the earliest possible moment and provide immediate notice to each Holder or Participating Holder of the withdrawal of any such order or such resolution;

(vii) in the case of a Shelf Registration, furnish to each Participating Holder, without charge, at least one conformed copy of each Registration Statement and any post-effective amendment thereto (without any documents incorporated therein by reference or exhibits thereto, unless requested);

(viii) in the case of a Shelf Registration, cooperate with the Participating Holders to facilitate the timely preparation and delivery of certificates (unless such Registrable Securities are in book-entry form only) representing Registrable Securities to be sold and not bearing any restrictive legends and enable such Registrable Securities to be issued in such denominations and registered in such names (consistent with the provisions of the Indenture) as such Holders may reasonably request at least one Business Day prior to the closing of any sale of Registrable Securities;

(ix) upon the occurrence of any event contemplated by Section 3(a)(v)(5) hereof, use their commercially reasonable efforts to prepare and file with the SEC a supplement or post-effective amendment to the applicable Exchange Offer Registration Statement or Shelf Registration Statement or the related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered (or, to the extent permitted by law, made available) to purchasers of the Registrable Securities, such Prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and the Company and the Guarantors shall notify the Participating Holders (in the case of a Shelf Registration Statement) and the Initial Purchasers and any Participating Broker-Dealers known to the Company (in the case of an Exchange Offer Registration Statement) to suspend use of the Prospectus as promptly as practicable after the occurrence of such an event, and such Participating Holders, such Participating Broker-Dealers and the Initial Purchasers, as applicable, hereby agree to suspend use of the Prospectus until the Company and the Guarantors have amended or supplemented the Prospectus to correct such misstatement or omission;

(x) a reasonable time prior to the filing of any Registration Statement, any Prospectus, any amendment to a Registration Statement or amendment or supplement to a Prospectus or of any document that is to be incorporated by reference into a Registration Statement or a Prospectus after initial filing of a Registration Statement, provide copies of such document to the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, to the Participating Holders and their counsel) and make such of the representatives of the Company and any Guarantor as shall be reasonably requested by the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Participating Holders or their counsel) available for discussion of such document; and the Company and any Guarantor shall not, at any time after initial filing of a Registration Statement, use or file any Prospectus, any amendment of or supplement to a Registration Statement or a Prospectus, or any document that is to be incorporated by reference into a Registration Statement or a Prospectus, of which the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities and their counsel) shall not have previously been advised and furnished a copy or to which the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities or their counsel) shall object; *provided* that the immediately foregoing sentence shall not prohibit the Company from making any filing that is, in the opinion of counsel to the Company, necessary to comply with applicable law;

(xi) obtain a CUSIP number for all Exchange Securities or Registrable Securities, as the case may be, not later than the initial effective date of a Registration Statement;

(xii) cause the Indenture to be qualified under the Trust Indenture Act in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be; cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and execute, and use their reasonable efforts to cause the Trustee to execute, all documents as may be required to effect such changes and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(xiii) in the case of a Shelf Registration, make available for inspection by a representative of the Participating Holders (an "Inspector"), any Underwriter participating in any disposition pursuant to such Shelf Registration Statement, any attorneys and accountants designated by a majority in aggregate principal amount of the Securities held by the Participating Holders and any attorneys and accountants designated by such Underwriter, at reasonable times and in a reasonable manner, all pertinent financial and other records, documents and properties of the Company and its subsidiaries, and use its reasonable efforts to cause the respective officers, directors and employees of the Company and any Guarantor to supply all information reasonably requested by any such Inspector, Underwriter, attorney or accountant in connection with a Shelf Registration Statement, in each case as is reasonable and customary for "due diligence" examinations of issuers of similar size and business as the Company; *provided* that such Persons shall first agree with the Company that any information that is

designated by the Company as confidential at the time of delivery shall be kept confidential by such Persons and shall be used solely for the purposes of exercising rights under this Agreement and satisfying “due diligence” obligations under the Securities Act and such Persons shall not engage in trading any securities of the Company until any material non-public information becomes properly publicly available; *provided* that such Person may disclose such confidential information to the extent (v) disclosure of such information is required by court or administrative order or is requested by regulatory authorities, (w) disclosure of such information is required by law, including any disclosure requirements pursuant to federal securities laws in connection with the filing of any Shelf Registration Statement or the use of any Prospectus or Prospectus Supplement referred to in this Agreement, upon a customary opinion of counsel for such Persons delivered and reasonably satisfactory to the Company, (x) such information becomes generally available to the public other than as a result of a disclosure or failure to safeguard by any such Person, (y) such information becomes available to any such Person or a source other than the Company and such source is not known by such Person to be bound by a confidentiality obligation to the Company or (z) such information is necessary to establish a due diligence defense; *provided , further ,* that with respect to any counsel engaged by the Majority Holders, the foregoing inspection and information gathering shall be coordinated by one counsel designated by the Majority Holders;

(xiv) if reasonably requested by any Participating Holder, promptly include in a Prospectus supplement or post-effective amendment such information with respect to such Holder as such Holder reasonably requests to be included therein and make all required filings of such Prospectus supplement or such post-effective amendment as soon as the Company has received notification of the matters to be so included in such filing;

(xv) in the case of a Shelf Registration, enter into such customary agreements and take all such other actions in connection therewith (including those requested by the Holders of a majority in principal amount of the Registrable Securities covered by the Shelf Registration Statement) in order to expedite or facilitate the disposition of such Registrable Securities including, but not limited to, an Underwritten Offering and in such connection, (1) to the extent possible, make such representations and warranties to the Participating Holders and any Underwriters of such Registrable Securities with respect to the business of the Company and its subsidiaries and the Registration Statement, Prospectus and documents incorporated by reference or deemed incorporated by reference, if any, in each case, in form, substance and scope as are customarily made by issuers to underwriters in underwritten offerings and confirm the same if and when requested, (2) obtain opinions of counsel to the Company and any Guarantor (which counsel and opinions, in form, scope and substance, shall be reasonably satisfactory to the Participating Holders and such Underwriters and their respective counsel) addressed to each Underwriter of Registrable Securities, covering the matters customarily covered in opinions requested in underwritten offerings, (3) obtain “comfort” letters from the independent registered public accountants of the Company and any Guarantor (and, if necessary, any other registered public accountant of any subsidiary of the Company or any Guarantor, or of any business acquired by the Company or any Guarantor for which financial statements and financial data are or are required to be included in the Registration Statement) addressed to each Participating Holder (to the extent permitted

by applicable professional standards) and Underwriter of Registrable Securities, such letters to be in customary form and covering matters of the type customarily covered in “comfort” letters in connection with underwritten offerings, including but not limited to financial information contained in any preliminary prospectus or Prospectus and (4) deliver such documents and certificates as may be reasonably requested by the Holders of a majority in principal amount of the Registrable Securities being sold or the Underwriters, and which are customarily delivered in underwritten offerings, to evidence the continued validity of the representations and warranties of the Company and any Guarantor made pursuant to clause (1) above and to evidence compliance with any customary conditions contained in an underwriting agreement; and

(xvi) so long as any Registrable Securities remain outstanding, cause each Guarantor upon the creation or acquisition by the Company of such Guarantor, to execute a counterpart to this Agreement in the form attached hereto as Annex A and to deliver such counterpart, together with an opinion of counsel as to the enforceability thereof against such entity, to the Initial Purchasers no later than five Business Days following the execution thereof.

(b) In the case of a Shelf Registration Statement, the Company may require each Holder of Registrable Securities to furnish to the Company a Notice and Questionnaire and such other information regarding such Holder and the intended method of distribution by such Holder of such Registrable Securities as the Company and any Guarantor may from time to time reasonably request in writing. Each Participating Holder agrees to notify the Company as promptly as practicable of any inaccuracy or change in information previously furnished by such Participating Holder to the Company or of the occurrence of any event in either case as a result of which any Prospectus relating to the Shelf Registration Statement contains or would contain an untrue statement of a material fact regarding such Participating Holder or such Participating Holder’s intended method of disposition of Registrable Securities or omits to state any material fact regarding such Participating Holder or such Participating Holder’s intended method of disposition of such Registrable Securities required to be stated therein or necessary to make the statement therein not misleading in light of the circumstances then existing, and promptly to furnish to the Company any additional information required to correct and update any previously furnished information or required so that such Prospectus shall not contain, with respect to such Participating Holder or the disposition of such Registrable Securities, an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statement therein not misleading in light of the circumstances then existing.

(c) Each Participating Holder of Registrable Securities covered in such Shelf Registration Statement agrees that, upon receipt of any notice from the Company and any Guarantor of the happening of any event of the kind described in Section 3(a)(v)(2), 3(a)(v)(3), 3(a)(v)(4) or 3(a)(v)(5) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Holder’s receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3(a)(ix) hereof and, if so directed by the Company and any Guarantor, such Holder will deliver to the Company and any Guarantor all copies in its possession, other than permanent file copies then in such Holder’s possession, of the Prospectus covering such Registrable Securities that is current at the time of receipt of such notice.

(d) Upon the occurrence or existence of any pending corporate development, public filings with the SEC or any other material event that, in the reasonable judgment of the Company, makes it appropriate to suspend the availability of the Shelf Registration Statement and the related Prospectus, the Company shall give notice (without notice of the nature or details of such events) to the Holders of Registrable Securities that the availability of the Shelf Registration Statement is suspended and, upon actual receipt of any such notice, each Holder of Registrable Securities agrees not to sell any Registrable Securities pursuant to the Shelf Registration Statement until such Holder's receipt of copies of the supplemented or amended Prospectus provided for in Section 3(a)(ix) hereof, or until it is advised in writing by the Company that the Prospectus may be used, and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in such Prospectus. The period during which the availability of the Shelf Registration Statement and any Prospectus is suspended shall not exceed 45 days in any 12 month period. Each Holder shall keep confidential any communications received by it from the Company regarding the suspension of the use of the Prospectus, except as required by applicable law.

(e) The Participating Holders who desire to do so may sell such Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment bank or investment banks and manager or managers (each an "Underwriter") that will administer the offering will be selected by the Holders of a majority in principal amount of the Registrable Securities included in such offering.

4. Participation of Broker-Dealers in Exchange Offer.

(a) The Staff has taken the position that any broker-dealer that receives Exchange Securities for its own account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (a "Participating Broker-Dealer") may be deemed to be an "underwriter" within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Securities.

The Company and any Guarantor understand that it is the Staff's position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Securities, without naming the Participating Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Participating Broker-Dealers (or, to the extent permitted by law, made available to purchasers) to satisfy their prospectus delivery obligation under the Securities Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

(b) In light of the above, and notwithstanding the other provisions of this Agreement, the Company and any Guarantor agree to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement for a period of up to 180 days after the last Exchange Date (as such period may be extended pursuant to Section 3(d) of this Agreement), in order to expedite or facilitate the disposition of any Exchange Securities by Participating Broker-Dealers consistent with the positions of the Staff recited in Section 4(a) above. The Company and any

Guarantor further agree that Participating Broker-Dealers shall be authorized to deliver such Prospectus (or, to the extent permitted by law, make available) during such period in connection with the resales contemplated by this Section 4.

(c) The Initial Purchasers shall have no liability to the Company, any Guarantor or any Holder with respect to any request that they may make pursuant to Section 4(b) above.

5. Indemnification and Contribution.

(a) The Company and any Guarantor, jointly and severally, agree to indemnify and hold harmless each Initial Purchaser and each Holder, their respective affiliates, directors and officers and each Person, if any, who controls any Initial Purchaser or any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (1) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (2) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus, any Free Writing Prospectus used in violation of this Agreement or any “issuer information” (“Issuer Information”) filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser or information relating to any Holder furnished to the Company in writing through Morgan Stanley or any selling Holder, respectively expressly for use therein. In connection with any Underwritten Offering permitted by Section 3, the Company and any Guarantor, jointly and severally, will also indemnify the Underwriters, if any, selling brokers, dealers and similar securities industry professionals participating in the distribution, their respective affiliates and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement, any Prospectus, any Free Writing Prospectus or any Issuer Information.

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Company, any Guarantor, the Initial Purchasers and the other selling Holders, the directors of the Company and any Guarantor, each officer of the Company and any Guarantor who signed the Registration Statement and each Person, if any, who controls the Company, any Guarantor, any Initial Purchaser and any other selling Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Holder furnished to the Company in writing by such Holder expressly for use in any Registration Statement and any Prospectus.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such Person (the "Indemnified Person") shall promptly notify the Person against whom such indemnification may be sought (the "Indemnifying Person") in writing; *provided* that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and *provided, further*, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 5 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm (x) for any Initial Purchaser, its affiliates, directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by Morgan Stanley, (y) for any Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders and (z) in all other cases shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (A) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and any Guarantor from the offering of the Securities and the Exchange Securities, on the one hand, and by the Holders from receiving Securities or Exchange Securities registered under the Securities Act, on the other hand, or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and any Guarantor on the one hand and the Holders on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company and any Guarantor on the one hand and the Holders on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and any Guarantor or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company, any Guarantor and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 5 were determined by *pro rata* allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 5, in no event shall a Holder be required to contribute any amount in excess of the amount by which the total price at which the Securities or Exchange Securities sold by such Holder exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 5 are several and not joint.

(f) The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

(g) The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Initial Purchasers or any Holder or any Person controlling any Initial Purchaser or any Holder, or by or on behalf of the Company or any Guarantor or the officers or directors of or any Person controlling the Company or any Guarantor, (iii) acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities pursuant to a Shelf Registration Statement.

6. General.

(a) *No Inconsistent Agreements*. The Company and any Guarantor represent, warrant and agree that (i) the rights granted to the Holders hereunder do not in any way conflict with the rights granted to the holders of any other outstanding securities issued or guaranteed by the Company or any Guarantor under any other agreement and (ii) neither the Company nor any Guarantor has entered into, or on or after the date of this Agreement will enter into, any agreement that conflicts with the provisions hereof.

(b) *Amendments and Waivers*. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company and any Guarantor have obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; *provided* that no amendment, modification, supplement, waiver or consent to any departure from the provisions of Section 5 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder. Any amendments, modifications, supplements, waivers or consents pursuant to this Section 6(b) shall be by a writing executed by each of the parties hereto.

(c) *Notices*. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, telecopier, or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 6(c), which address initially is, with respect to the Initial Purchasers, the address set forth in the Purchase Agreement; (ii) if to the Company and any Guarantor, initially at the Company's address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c); and (iii) to such other persons at their respective addresses as provided in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c). All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when receipt is acknowledged, if telecopied; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery. Copies of all such notices, demands or other communications shall be concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(d) *Successors and Assigns*. This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; *provided* that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the benefits hereof.

The Initial Purchasers (in their capacity as Initial Purchasers) shall have no liability or obligation to the Company or any Guarantor with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(e) *Third Party Beneficiaries.* Each Holder shall be a third party beneficiary to the agreements made hereunder between the Company and any Guarantor, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder.

(f) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile, email or other electronic transmission (*i . e .* , “pdf”) shall be effective as delivery of a manually executed counterpart of this Agreement.

(g) *Headings.* The headings in this Agreement are for convenience of reference only, are not a part of this Agreement and shall not limit or otherwise affect the meaning hereof.

(h) *Governing Law.* This Agreement, and any claim, controversy or dispute arising under or related to this Agreement, shall be governed by and construed in accordance with the laws of the State of New York.

(j) *Entire Agreement; Severability.* This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable or against public policy, the remainder of the terms, provisions, covenants and restrictions contained herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated. The Company, any Guarantor and the Initial Purchasers shall endeavor in good faith negotiations to replace the invalid, void or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, void or unenforceable provisions.
