Senior Notes

On May 11, 2026, Booking Holdings Inc. (the “Company”) executed three Officers’ Certificates (the “Officers’ Certificates”), in accordance with Sections 2.02 and 10.04 of the Indenture dated August 8, 2017 (the “Base Indenture” and, together with the Officers’ Certificates, the “Indenture”) between the Company and U.S. Bank Trust Company, National Association (as successor in interest to U.S. Bank National Association), as trustee (the “Trustee”) and registrar, in connection with the sale of €600,000,000 aggregate principal amount of the Company’s 3.500% Senior Notes due 2030 (the “2030 Notes”), €700,000,000 aggregate principal amount of the Company’s 4.000% Senior Notes due 2034 (the “2034 Notes”), and €600,000,000 aggregate principal amount of the Company’s 4.500% Senior Notes due 2039 (the “2039 Notes” and, together with the 2030 Notes and the 2034 Notes, the “Senior Notes”). The 2030 Notes will mature on May 11, 2030, the 2034 Notes will mature on May 11, 2034, and the 2039 Notes will mature on May 11, 2039, in each case unless earlier redeemed or repurchased. The Senior Notes are the Company’s general senior unsecured obligations and rank equally with the Company’s other senior unsecured obligations. Pursuant to an Agency Agreement dated as of May 11, 2026 (the “Agency Agreement”) relating to the Senior Notes, the Company has appointed U.S. Bank Europe DAC, UK Branch, to act as paying agent for the Senior Notes and U.S. Bank Trust Company, National Association to act as transfer agent for the Senior Notes.

The Company will pay interest on the 2030 Notes at an annual rate of 3.500% payable on May 11 of each year, beginning on May 11, 2027. The Company will pay interest on the 2034 Notes at an annual rate of 4.000% payable on May 11 of each year, beginning on May 11, 2027. The Company will pay interest on the 2039 Notes at an annual rate of 4.500% payable on May 11 of each year, beginning on May 11, 2027.

Prior to April 11, 2030, the date that is one month prior to the maturity date of the 2030 Notes (the “2030 Notes Par Call Date”), the Company may redeem some or all of the 2030 Notes at a redemption price equal to the greater of the following amounts plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the redemption date: (1) 100% of the aggregate principal amount of the 2030 Notes to be redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest on the 2030 Notes to be redeemed that would be due if such 2030 Notes matured on the 2030 Notes Par Call Date, not including any portion of the payments of interest accrued to the date of redemption, discounted to such redemption date on an annual basis at the Comparable Government Bond Rate (as defined in the Officers’ Certificate relating to the 2030 Notes), plus 15 basis points. The Company may also redeem some or all of the 2030 Notes on or after the 2030 Notes Par Call Date at 100% of the principal amount of the 2030 Notes, plus accrued and unpaid interest, if any, to, but excluding, the redemption date. In addition, the Company may redeem the 2030 Notes in whole but not in part, at any time at the Company’s option, in the event of certain developments affecting U.S. taxation.

Prior to February 11, 2034, the date that is three months prior to the maturity date of the 2034 Notes (the “2034 Notes Par Call Date”), the Company may redeem some or all of the 2034 Notes at a redemption price equal to the greater of the following amounts plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the redemption date: (1) 100% of the aggregate principal amount of the 2034 Notes to be redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest on the 2034 Notes to be redeemed that would be due if such 2034 Notes matured on the 2034 Notes Par Call Date, not including any portion of the payments of interest accrued to the date of redemption, discounted to such redemption date on an annual basis at the Comparable Government Bond Rate (as defined in the Officers’ Certificate relating to the 2034 Notes), plus 20 basis points. The Company may also redeem some or all of the 2034 Notes on or after the 2034 Notes Par Call Date at 100% of the principal amount of the 2034 Notes, plus accrued and unpaid interest, if any, to, but excluding, the redemption date. In addition, the Company may redeem the 2034 Notes in whole but not in part, at any time at the Company’s option, in the event of certain developments affecting U.S. taxation.

Prior to February 11, 2039, the date that is three months prior to the maturity date of the 2039 Notes (the “2039 Notes Par Call Date”), the Company may redeem some or all of the 2039 Notes at a redemption price equal to the greater of the following amounts plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the redemption date: (1) 100% of the aggregate principal amount of the 2039 Notes to be redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest on the 2039 Notes to be redeemed that would be due if such 2039 Notes matured on the 2039 Notes Par Call Date, not including any portion of the payments of interest accrued to the date of redemption, discounted to such redemption date on an annual basis at the Comparable Government Bond Rate (as defined in the Officers’ Certificate relating to the 2039 Notes), plus 20 basis points. The Company may also redeem some or all of the 2039 Notes on or after the 2039 Notes Par Call Date at 100% of the principal amount of the 2039 Notes, plus accrued and unpaid interest, if any, to, but excluding, the redemption date. In addition, the Company may redeem the 2039 Notes in whole but not in part, at any time at the Company’s option, in the event of certain developments affecting U.S. taxation.

The Indenture contains customary events of default with respect to the Senior Notes, including failure to make required payments, failure to comply with certain agreements or covenants, acceleration of certain other indebtedness, and certain events of bankruptcy and insolvency. Events of default under the Indenture arising from certain events of bankruptcy or insolvency will automatically cause the acceleration of the amounts due under the Senior Notes. If any other event of default under the Indenture occurs and is continuing with respect to a series of Senior Notes, the Trustee or the holders of at least 25% in aggregate principal amount of the then outstanding Senior Notes of such series may declare the acceleration of the amounts due under the Senior Notes of such series.

The foregoing description of the Senior Notes is qualified in its entirety by reference to the full text of the Base Indenture, which was previously filed as Exhibit 4.4 to the Company’s shelf registration statement on Form S-3 (Registration File No. 333-273678) (the “Registration Statement”), the Form of 2030 Note, which is filed as Exhibit 4.1, the Form of 2034 Note, which is filed as Exhibit 4.2, the Form of 2039 Note, which is filed as Exhibit 4.3, the Officers’ Certificate relating to the 2030 Notes, which is filed as Exhibit 4.4, the Officers’ Certificate relating to the 2034 Notes, which is filed as Exhibit 4.5, the Officers’ Certificate relating to the 2039 Notes, which is filed as Exhibit 4.6, and the Agency Agreement, which is filed as Exhibit 4.7, each of which is incorporated by reference.

Ladies and Gentlemen:

Booking Holdings Inc., a Delaware corporation (the "Company"), proposes to sell to the several underwriters named in Schedule II hereto (the "Underwriters"), for whom Citigroup Global Markets Limited, Deutsche Bank AG, London Branch, Goldman Sachs & Co. LLC, and J.P. Morgan Securities plc (the "Representatives") are acting as representatives, the aggregate principal amount of 3.500% Senior Notes due 2030 (the "2030 Notes"), 4.000% Senior Notes due 2034 (the "2034 Notes"), and 4.500% Senior Notes due 2039 (the "2039 Notes" and, together with the 2030 Notes and 2034 Notes, the "Securities") of the Company set forth in Schedule I hereto. The Securities are to be issued under an indenture dated as of August 8, 2017 (the "Base Indenture" and, as amended and supplemented (including, without limitation, by the officers' certificates detailing the terms of the Securities pursuant to the authority granted by a resolution of the board of directors (or an authorized committee thereof) of the Company (the "Authorizing Certificates")), the "Indenture"), between the Company and U.S. Bank Trust Company, National Association (as successor in interest to U.S. Bank National Association), as trustee (the "Trustee"). To the extent there are no additional Underwriters listed on Schedule II other than you, the term Representatives as used herein shall mean you, as Underwriters, and the term Underwriters shall mean either the singular or plural as the context requires. The use of the neuter in this underwriting agreement (this "Agreement") shall include the feminine and masculine wherever appropriate. Any reference herein to the Registration Statement, the Base Prospectus, any Preliminary Prospectus, or the Final Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 that were filed under the Exchange Act on or before the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus, or the Final Prospectus, as the case may be; and any reference herein to the terms "amend," "amendment," or "supplement" with respect to the Registration Statement, the Base Prospectus, any Preliminary Prospectus, or the Final Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act after the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus, or the Final Prospectus, as the case may be, deemed to be incorporated therein by reference. Certain terms used herein are defined in Section 19 hereof.

1. Representations and Warranties.

The Company represents and warrants to, and agrees with, each Underwriter as set forth below in this Section 1.

(a) The Company meets the requirements for use of Form S-3 under the Act and has prepared and filed with the Commission an automatic shelf registration statement, as defined in Rule 405 (the file number of which is set forth in Schedule I hereto) on Form S-3, including a related base prospectus, for registration under the Act of the offering and sale of the Securities not earlier than three years prior to the date hereof, which Registration Statement, including any amendments thereto filed prior to the Applicable Time, became effective upon filing under the Act and no stop order suspending the effectiveness of the Registration Statement has been issued under the Act and no proceedings for that purpose have been instituted, are pending, or, to the knowledge of the Company, are threatened. The Company may have filed with the Commission, as part of an amendment to the Registration Statement or pursuant to Rule 424(b), one or more Preliminary Prospectuses, each of which has previously been furnished to you and at the time of the filing thereof with the Commission, each such Preliminary Prospectus complied in all material respects with the requirements of the Act. The Company will file with the Commission a final prospectus supplement relating to the Securities in accordance with Rule 424(b). As filed, such final prospectus supplement shall contain all information required by the Act and the rules thereunder and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Applicable Time or, to the extent not completed at the Applicable Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus and any Preliminary Prospectus) as the Company has advised you, prior to the Applicable Time, will be included or made therein. The Registration Statement, at the Applicable Time, meets the requirements set forth in Rule 415(a)(1)(x).

(b) On each Effective Date, the Registration Statement did, and when the Final Prospectus is first filed (if required) in accordance with Rule 424(b) and on the Closing Date (as defined herein) the Final Prospectus (and any supplement thereto) will, comply in all material respects with the applicable requirements of the Act, the Exchange Act, and the Trust Indenture Act and the respective rules thereunder; on each Effective Date, at the Applicable Time and on the Closing Date, the Registration Statement did not or will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; the Final Prospectus did not as of its date and will not, as of the Closing Date, include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; and on each Effective Date and the Closing Date, the Indenture did or will comply in all material respects with the applicable requirements of the Trust Indenture Act and the rules thereunder; provided, however, that the Company makes no representations or warranties as to the information included in the Registration Statement or the Final Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through any Representative, specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 7 hereof. The documents incorporated, or to be incorporated, by reference in the Registration Statement, any Preliminary Prospectus, or the Final Prospectus, at the time filed with the Commission conformed or will conform in all material respects to the requirements of the Exchange Act.

(c) As of the Applicable Time, neither (i) the Disclosure Package, when taken together as a whole, nor (ii) any road show that is a “written communication” within the meaning of Rule 433(d)(8)(i), when considered together with the Disclosure Package, contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package or any road show described in clause (ii) above based upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through any Representative specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 7 hereof.

(d) (i) At the time of filing the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Sections 13 or 15(d) of the Exchange Act or form of prospectus), (iii) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c)) made any offer relating to the Securities in reliance on the exemption in Rule 163, and (iv) at the Applicable Time (with such date being used as the determination date for purposes of this clause (iv)), the Company was or is (as the case may be) a Well-Known Seasoned Issuer. The Company agrees to pay the fees required by the Commission relating to the Securities within the time required by Rule 456(b)(1) without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r). The Company has not received from the Commission any notice pursuant to Rule 401(g)(2) under the Act objecting to the use of the automatic shelf registration form.

(e) (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2) of the Act) of the Securities and (ii) as of the Applicable Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not and is not an Ineligible Issuer (as defined in Rule 405) without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an Ineligible Issuer.

(f) Each Issuer Free Writing Prospectus does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated therein and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through any Representative specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 7 hereof.

(g) Except as disclosed in the Registration Statement, the Preliminary Prospectus, and the Final Prospectus, no holders of securities of the Company have current rights to the registration of such securities under the Registration Statement.

(h) Neither the Company nor any of its subsidiaries has sustained since the date of the latest audited financial statements included in the Disclosure Package any material loss or material interference with its business from fire, explosion, flood, or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order, or decree, otherwise than as set forth or contemplated in the Disclosure Package; and, since the respective dates as of which information is given in the Disclosure Package, there has not been any material change in the capital stock (except for the stock split that took effect on April 2, 2026, changes or adjustments made as a result of repurchases of common stock pursuant to publicly announced share repurchase programs in existence on the date of this Agreement, or in the ordinary course of business pursuant to employee equity plans in existence on the date of this Agreement, and other than the exercise of options outstanding on the date of this Agreement or the conversion of convertible notes outstanding on the date of this Agreement) or long-term debt of the Company or any of its subsidiaries or any material adverse change, or any development involving a prospective material adverse change, in or affecting the general affairs, management, financial position, stockholders' equity, or results of operations of the Company and its subsidiaries, taken as a whole, otherwise than as set forth or contemplated in the Disclosure Package.

(i) The Company and its subsidiaries have good and marketable title in fee simple to all real property and good and marketable title to all personal property owned by them, in each case free and clear of all liens, encumbrances, and defects except such as are described in the Disclosure Package or such as do not materially affect the value of such property and do not interfere with the use made and proposed to be made of such property by the Company and its subsidiaries; and any real property and buildings held under lease by the Company and its subsidiaries are held by them under valid, subsisting, and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company and its subsidiaries.

(j) The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Delaware, with power and authority (corporate and other) to own its properties and conduct its business as described in the Disclosure Package, and has been duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification, or is subject to no material liability or disability by reason of the failure to be so qualified in any such jurisdiction; and each subsidiary of the Company has been duly incorporated and is validly existing as an entity and, where such concept applies, in good standing under the laws of its jurisdiction of organization, except where the failure to register or qualify would not reasonably be expected to have a material adverse effect on the financial position, stockholders' equity, or results of operations of the Company and its subsidiaries, taken as a whole.

(k) [Reserved.]

(l) The Securities have been duly authorized and, when issued and delivered pursuant to this Agreement and the Indenture, will have been duly executed, authenticated, issued, and delivered and will constitute valid and legally binding obligations of the Company entitled to the benefits provided by the Indenture, subject to bankruptcy, insolvency, reorganization, and other laws of general applicability relating to or affecting creditors' rights and to general equity principles; the Base Indenture has been duly authorized by the Company and duly qualified under the Trust Indenture Act, and, when the Authorizing Certificates are executed and delivered by the Company, the Indenture will constitute a valid and legally binding instrument, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization, and other laws of general applicability relating to or affecting creditors' rights and to general equity principles; and the Securities and the Indenture will conform to the descriptions thereof in the Disclosure Package and the Final Prospectus.

(m) [Reserved.]

(n) The issue and sale of the Securities and the compliance by the Company with all of the provisions of the Securities, the Indenture, and this Agreement and the consummation of the transactions herein and therein contemplated will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement, or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, nor will such action result in any violation of the provisions of the Restated Certificate of Incorporation, or Amended and Restated By-laws of the Company, or any statute or any order, rule, or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties; and no consent, approval, authorization, order, registration, or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Securities or the consummation by the Company of the transactions contemplated by this Agreement or the Indenture except for such consents, approvals, authorizations, registrations, or qualifications as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Securities by the Underwriters.

(o) Neither the Company nor any of its subsidiaries is (i) in violation of its certificate of incorporation or by-laws (other than, solely in the case of the Company's subsidiaries, immaterial violations) or (ii) in default in the performance or observance of any material obligation, covenant, or condition contained in any indenture, mortgage, deed of trust, loan agreement, lease, or other agreement or instrument to which it is a party or by which it or any of its properties may be bound except, in the case of clause (ii), where such default would not reasonably be expected to have a material adverse effect on the financial position, stockholders' equity, or results of operations of the Company and its subsidiaries, taken as a whole.

(p) The statements set forth in the Disclosure Package and the Final Prospectus under the caption "Description of Notes" insofar as they purport to constitute a summary of the terms of the Indenture and the Securities, and under the caption "Material U.S. Federal Income Tax Considerations," insofar as they purport to describe the provisions of the laws and documents referred to therein, are accurate, complete, and fair in all material respects.

(q) Other than as set forth in the Disclosure Package, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject which, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate have a material adverse effect on the financial position, stockholders' equity, or results of operations of the Company and its subsidiaries, taken as a whole; and, to the best of the Company's knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others.

(r) The Company is not, and, after giving effect to the offering and sale of the Securities and the application of the proceeds thereof as described in the Disclosure Package, will not be, an "investment company" as such term is defined in the U.S. Investment Company Act of 1940, as amended.

(s) This Agreement has been duly authorized, validly executed, and delivered by the Company.

(t) Deloitte & Touche LLP, who has certified certain historical financial statements of the Company and its subsidiaries, and has audited the Company's internal control over financial reporting, is an independent registered public accounting firm as required by the Act and the rules and regulations of the Commission thereunder.

(u) The Company maintains a system of "internal control over financial reporting" (as such term is defined in Rule 13a-15(f) under the Exchange Act) that complies with the requirements of the Exchange Act and has been designed by the Company's principal executive officer and principal financial officer, or under their supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The Company's internal control over financial reporting was effective as of December 31, 2025. The Company is not aware of any material weakness in its internal control over financial reporting.

(v) Other than as set forth in the Disclosure Package, since the date of the latest audited financial statements included or incorporated by reference in the Disclosure Package, there has been no change in the Company's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

(w) The Company maintains "disclosure controls and procedures" (as such term is defined in Rule 13a-15(e) of the Exchange Act) that comply with the requirements of the Exchange Act; such disclosure controls and procedures have been designed to ensure that material information relating to the Company and its subsidiaries is made known to the Company's principal executive officer and principal financial officer by others within those entities; such disclosure controls and procedures are effective.

(x) The financial statements and the related notes thereto included or incorporated by reference in each of the Disclosure Package and the Final Prospectus present fairly in all material respects the financial position of the Company and its subsidiaries as of the dates indicated and the results of their operations and the changes in their cash flows for the periods specified; such financial statements have been prepared in conformity with generally accepted accounting principles applied on a consistent basis throughout the periods covered thereby; and the other financial information included or incorporated by reference in each of the Disclosure Package and the Final Prospectus has been derived from the accounting records of the Company and its subsidiaries and presents fairly the information shown. The interactive data in eXtensible Business Reporting Language included or incorporated by reference in each of the Disclosure Package and the Final Prospectus fairly presents the information called for in all material respects and is prepared in accordance with the Commission's rules and guidelines applicable thereto.

(y) Neither the Company nor any of its consolidated or unconsolidated subsidiaries have, since December 31, 2025: (i) failed to pay any dividend or sinking fund installment on preferred stock; or (ii) defaulted on either any installment or installments on indebtedness for borrowed money or on any rental on one or more long term leases, which defaults in the aggregate are material to the financial position of the Company and its consolidated and unconsolidated subsidiaries, taken as a whole.

(z) Other than as set forth in the Disclosure Package, (i) to the knowledge of the Company, none of the Company, any of its subsidiaries or any director or executive officer of the Company or of any of its subsidiaries is aware of or has taken any action, directly or indirectly, that would result in a violation by any such person of the Foreign Corrupt Practices Act of 1977, as amended, and the rules and regulations thereunder (the "FCPA") or the Bribery Act 2010 of the United Kingdom (together with the FCPA, the "Anti-Corruption Laws"), including, without limitation, any offer, payment, promise to pay or authorization of the payment of any money or other property, gift, promise to give or authorization of the giving of anything of value to any "foreign official," (as such term is defined in the FCPA) or any foreign political party or official thereof or any candidate for foreign political office, in contravention of the FCPA; and (ii) the Company and its subsidiaries have instituted and maintain policies and procedures designed to ensure continued compliance with the Anti-Corruption Laws.

(aa) Other than as set forth in the Disclosure Package, to the knowledge of the Company, the operations of the Company and its subsidiaries are and have been conducted at all times, in all material respects, in compliance with applicable financial recordkeeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the applicable money laundering statutes of all applicable jurisdictions, the rules and regulations thereunder, and any related or similar rules, regulations, or guidelines, issued, administered, or enforced by any governmental agency (collectively, "Money Laundering Laws"), and no action, suit, or proceeding by or before any court or governmental agency, authority, or body involving the Company or any of its subsidiaries with respect to the Money Laundering Laws is pending or, to the knowledge of the Company, threatened.

(bb) Other than as set forth in the Disclosure Package, neither the Company nor any of its subsidiaries nor, to the knowledge of the Company, any director or officer of the Company or of any of its subsidiaries is currently subject to any sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department, the U.S. Department of State, the U.S. Department of Commerce, the United Nations Security Council, the European Union, or the United Kingdom, including His Majesty's Treasury (collectively, "Sanctions"). The Company will not directly or indirectly use any of the proceeds from the sale of the Securities by the Company in the offering contemplated by this Agreement or lend, contribute, or otherwise make available any such proceeds to any subsidiary, joint venture partner, or other person or entity, for the purpose of financing the activities of any person or entity that, to the knowledge of the Company, is then subject to any Sanctions. None of the representations and warranties made in this Section 1(bb) shall be sought by or made to any Underwriter if and to the extent that it would result in a violation of or conflict with (i) Council Regulation (EC) No. 2271/1996 of November 22, 1996, as amended from time to time (the "EU Blocking Regulation"), or any law or regulation implementing the EU Blocking Regulation in any member state of the European Union, (ii) the EU Blocking Regulation as it forms part of domestic law of the United Kingdom by virtue of the European Union (Withdrawal) Act 2018 (as amended, the "EUWA"), or (iii) with respect to Deutsche Bank AG, London Branch, Article 7 of the German Foreign Trade Regulation (Außenwirtschaftsverordnung) or any similar applicable anti-boycott law or regulation.

(cc) Prior to the date hereof, neither the Company nor any of its affiliates or any person acting on their behalf (other than the Underwriters or any of their affiliates with respect to whom no representation is made) has (i) taken any action that is designed to or that has constituted or that could be expected to cause or result in stabilization or manipulation of the price of the Securities, (ii) issued any press release or other public announcement referring to the proposed offering of the Securities that does not adequately disclose the fact that stabilizing action may take place with respect to the Securities, or (iii) taken any action or omitted to take any action that may result in the loss by the Underwriters of the ability to rely on any stabilization safe harbor provided by the Securities Act or by the UK Financial Services and Markets Act 2000, as amended (the "FSMA").

(dd) The Company has not distributed nor, prior to the later to occur of (i) the time of delivery of the Securities and (ii) the completion of the distribution of the Securities, will distribute any material in connection with the offering and sale of the Securities other than the Disclosure Package, the Final Prospectus, and other materials, if any, permitted by the FSMA, or regulations promulgated pursuant to the FSMA, and approved by the parties to this Agreement.

(ee) Except as would not, individually or in the aggregate, have a material adverse effect on the financial position, stockholders' equity, or results of operations on the Company and its subsidiaries, taken as a whole, (i) to the knowledge of the Company, there has been no security breach or incident, unauthorized access or disclosure, or other compromise of or relating to the Company's or its subsidiaries' information technology and computer systems, networks, hardware, software, data and databases, equipment, or technology (collectively, "IT Systems and Data"), except for those that have been remedied without material cost or liability or the duty to notify any other person; (ii) neither the Company nor its subsidiaries have been notified of, and each of them have no knowledge of, any event or condition that would reasonably be expected to result in, any security breach or incident, unauthorized access or disclosure, or other compromise to their IT Systems and Data; (iii) the Company and its subsidiaries have implemented commercially reasonable controls, policies, procedures, and technological safeguards to maintain and protect the integrity, continuous operation, redundancy, and security of their IT Systems and Data; and (iv) the Company and its subsidiaries are presently in compliance with all applicable laws or statutes and all judgments, orders, rules, and regulations of any court or arbitrator or governmental or regulatory authority, internal policies, and contractual obligations relating to the privacy and security of IT Systems and Data and to the protection of such IT Systems and Data from unauthorized use, access, misappropriation, or modification.

2. Purchase and Sale. Subject to the terms and conditions, and in reliance upon the representations and warranties herein set forth, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company, the principal amount of the Securities set forth opposite such Underwriter's name in Schedule II hereto at the applicable purchase price set forth in Schedule I hereto, plus accrued interest, if any, from May 11, 2026, to the Closing Date.

3. Delivery and Payment. Delivery of and payment for the Securities shall be made at the location, on the date and at the time specified on Schedule I hereto or at such time on such later date not more than five Business Days after the foregoing date as the Representatives shall designate, which date and time may be postponed by agreement between the Representatives and the Company or as provided in Section 8 hereof (such date and time of delivery and payment for the Securities being herein called the "Closing Date"). Delivery of the Securities shall be made to the Representatives for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representatives of the aggregate purchase price of the Securities to or upon the order of the Company by wire transfer payable in same-day funds to an account specified by the Company. Delivery of the Securities shall be made through the facilities of Euroclear Bank SA/NV and Clearstream Banking S.A., unless the Representatives shall otherwise instruct. The Settlement Lead Manager (as defined in Section 24 hereof) acknowledges that the Securities represented by the one or more global notes representing the Securities (collectively, the "Global Notes") will initially be credited to an account (the "Commissionaire Account") for the benefit of the Settlement Lead Manager, the terms of which include a third-party beneficiary clause ("*stipulation pour autrui*") with the Company as the third-party beneficiary and provide that such Securities are to be delivered to others only against payment of the net subscription monies for the Securities into the Commissionaire Account on a delivery against payment basis. The Settlement Lead Manager acknowledges that (i) the Securities represented by the Global Notes shall be held to the order of the Company as set out above and (ii) the net subscription monies for the Securities received in the Commissionaire Account will be held on behalf of the Company until such time as they are transferred to the Company's order. The Settlement Lead Manager undertakes that the net subscription monies for the Securities will be transferred to the Company's order promptly following receipt of such monies in the Commissionaire Account. The Company acknowledges and accepts the benefit of the third-party beneficiary clause ("*stipulation pour autrui*") pursuant to the Civil Code of Belgium and Luxembourg, as applicable, in respect of the Commissionaire Account.

4. Offering By Underwriters. It is understood that the several Underwriters propose to offer the Securities for sale to the public as set forth in the Final Prospectus. Each Underwriter, severally and not jointly, hereby represents and warrants to, and agrees with the Company that it has not, and its controlled affiliates or any other person acting on its behalf have not, solicited offers for, or offered or sold, and will not solicit offers for, or offer or sell, the Securities as part of their initial offering outside the United States except in accordance with the restrictions set forth in Annex II hereto. By participating in this offering of Securities, each Underwriter agrees that it, each of its affiliates participating in this offering of Securities as Underwriter or financial intermediary, and each controlling person of it and each such participating affiliate are bound by the Agreement Regarding Oral Due Diligence currently in effect between Citigroup Global Markets Limited, Deutsche Bank AG, London Branch, Goldman Sachs & Co. LLC, and J.P. Morgan Securities plc and the accounting firm or firms that participate in oral due diligence in this offering of Securities.

5. Agreements.

The Company agrees with the several Underwriters that:

(a) Prior to the termination of the offering of the Securities, the Company will not file any amendment of the Registration Statement or supplement (including the Final Prospectus or any Preliminary Prospectus) to the Base Prospectus unless the Company has furnished the Representatives a copy for their review prior to filing and will not file any such proposed amendment or supplement to which the Representatives reasonably object; provided, however, that nothing in this paragraph shall apply to any report to be filed or furnished to the Commission under the periodic reporting requirements of the Exchange Act except those periodic reports filed or furnished to the Commission and incorporated by reference into the Final Prospectus between the date of this Agreement and the Closing Date. The Company will cause the Final Prospectus, properly completed, and any supplement thereto to be filed in a form approved by the Representatives with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed and will provide evidence satisfactory to the Representatives of such timely filing. The Company will promptly advise the Representatives (i) when the Final Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b), (ii) when, prior to the termination of the offering of the Securities, any amendment to the Registration Statement shall have been filed or become effective, (iii) of any request by the Commission or its staff for any amendment to the Registration Statement or for any supplement to the Final Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice that would prevent its use or the institution or threatening of any proceeding for that purpose, and (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its commercially reasonable efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or prevention and, upon such issuance, occurrence, or prevention, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or prevention, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement and using its commercially reasonable efforts to have such amendment or new registration statement declared effective as soon as practicable.

(b) The Company will prepare a final term sheet, containing a description of the Securities, in the form of Schedule III hereto and will file such term sheet pursuant to Rule 433(d) within the time required by such Rule.

(c) If there occurs an event or development as a result of which the Disclosure Package would include an untrue statement of a material fact or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Company will promptly (i) notify the Representatives so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) amend or supplement the Disclosure Package to correct such statement or omission; and (iii) supply any amendment or supplement to the Representatives in such quantities as the Representatives may reasonably request.

(d) If, at any time when a prospectus relating to the Securities is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), any event occurs as a result of which the Final Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it shall be necessary to amend the Registration Statement, file a new registration statement or supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, including in connection with use or delivery of the Final Prospectus, the Company promptly will (i) notify the Representatives of such event, (ii) prepare and file with the Commission, subject to the first sentence of paragraph (a) of this Section 5, an amendment or supplement to the Final Prospectus or new registration statement that will correct such statement or omission or effect such compliance, (iii) use its commercially reasonable efforts to have any amendment to the Registration Statement or new registration statement declared effective as soon as practicable in order to avoid any disruption in use of the Final Prospectus, and (iv) supply any supplemented Final Prospectus to the Representatives in such quantities as the Representatives may reasonably request.

(e) As soon as practicable, the Company will make generally available to its security holders and to the Representatives an earnings statement or statements of the Company and its subsidiaries that will satisfy the provisions of Section 11(a) of the Act and Rule 158.

(f) The Company will furnish to the Representatives and counsel for the Underwriters signed copies of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), as many copies of each Preliminary Prospectus, the Final Prospectus, and each Issuer Free Writing Prospectus and any supplement thereto as the Representatives may reasonably request.

(g) The Company will arrange, if necessary, for the qualification of the Securities for sale under the laws of such jurisdictions as the Representatives may reasonably designate and will maintain such qualifications in effect so long as reasonably required for the distribution of the Securities; provided that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject or to subject itself to taxation in any jurisdiction if it is not otherwise so subject.

(h) The Company agrees that, unless it obtains the prior written consent of the Representatives, and each Underwriter, severally and not jointly, agrees with the Company that, unless it has obtained or will obtain, as the case may be, the prior written consent of the Company, it has not made and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a "free writing prospectus" (as defined in Rule 405) required to be filed by the Company with the Commission or retained by the Company under Rule 433; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule V hereto and any electronic road show. Any such free writing prospectus consented to by the Representatives or the Company is hereinafter referred to as a "Permitted Free Writing Prospectus." The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, the Preliminary Prospectus, or the Final Prospectus or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, the Company will promptly notify the Representatives and will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement, or omission.

(i) The Company will comply in all material respects with all applicable securities and other applicable laws, rules, and regulations, including, without limitation, the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith (the “Sarbanes-Oxley Act”), and will use its commercially reasonable efforts to cause the Company’s directors and officers, in their capacities as such, to comply with such laws, rules, and regulations, including, without limitation, the provisions of the Sarbanes-Oxley Act.

(j) The Company will not take, directly or indirectly, any action designed to or that would constitute or that could reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization, or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(k) The Company covenants and agrees with the Underwriters that the Company will pay or cause to be paid the following: (i) the fees, disbursements, and expenses of the Company’s counsel and accountants in connection with the issue of the Securities and all other expenses in connection with the preparation, printing, reproduction, and filing of the Registration Statement, each Preliminary Prospectus, each Free Writing Prospectus, the Final Prospectus, and any amendments and supplements thereto and the mailing and delivering copies thereof to the Underwriters and dealers; (ii) the cost of printing or producing this Agreement, the Indenture, closing documents (including any compilations thereof) and any other documents in connection with the offering, purchase, sale, and delivery of the Securities; (iii) all expenses in connection with the qualification of the Securities as provided in Section 5(g) hereof, including up to \$10,000 of reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky and legal investment surveys; (iv) any fees charged by securities rating services for rating the Securities; (v) the cost of preparing the Securities; (vi) the fees and expenses of the Trustee and any agent of the Trustee and the fees and disbursements of counsel for the Trustee in connection with the Indenture and the Securities; (vii) any cost incurred in connection with the listing of the Securities; and (viii) all other costs and expenses incident to the performance of its obligations hereunder that are not otherwise specifically provided for in this Section. It is understood, however, that, except as provided in this Section, and Sections 7 and 9 hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, transfer taxes on resale of any of the Securities by them, and any advertising expenses connected with any offers they may make, which expenses shall be apportioned pro rata in accordance with the amount of Securities purchased by such Underwriter as set forth on Schedule II.

(l) The Company will use the net proceeds received by it from the sale of the Securities in the manner specified in the Preliminary Prospectus and the Final Prospectus under “Use of Proceeds”.

(m) The Company shall use its reasonable best efforts to effect and maintain the admission, listing, and trading of the Securities on The Nasdaq Bond Exchange within 30 days of the Closing Date.

(n) Neither the Company nor any of its subsidiaries will take any action or omit to take any action (such as issuing any press release relating to the Securities without an appropriate legend) that would result in the loss by the Underwriters of the ability to rely on any stabilization safe harbor provided by the Securities Act or the FSMA.

6. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters hereunder shall be subject, in their discretion, to the condition that all representations and warranties and other statements of the Company herein are, at and as of the time of delivery of the Securities, true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Preliminary Prospectus and the Final Prospectus, and any supplement thereto, have been filed in the manner and within the time period required by Rule 424(b); the final term sheet contemplated by Section 5(b) hereto, and any other material required to be filed by the Company pursuant to Rule 433(d) under the Act shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; and the Registration Statement is effective, and no stop order suspending the effectiveness of the Registration Statement or any notice that would prevent its use shall have been issued, and no proceedings for that purpose shall have been instituted or threatened;

(b) Latham & Watkins LLP, counsel for the Underwriters, shall have furnished to the Representatives their written opinion or opinions and letter with respect to the issuance and sale of the Securities, subject to the limitations and qualifications set forth in such opinion or letter, dated the Closing Date, in form and substance satisfactory to you;

(c) Cravath, Swaine & Moore LLP, counsel for the Company, shall have furnished to the Representatives their written opinion and letter, subject to the limitations and qualifications set forth in such opinion or letter, dated the Closing Date, in form and substance reasonably satisfactory to you;

(d) On the date hereof and also at the Closing Date, Deloitte & Touche LLP shall have furnished to you a letter or letters, dated the respective dates of delivery thereof, in form and substance satisfactory to you, to the effect set forth in Annex I hereto;

(e) Since the respective dates as of which information is given in the Registration Statement (exclusive of any amendment thereof) and the Disclosure Package, there shall not have been any change in the capital stock (except for the stock split that took effect on April 2, 2026, changes or adjustments made as a result of repurchases of common stock pursuant to publicly announced share repurchase programs in existence on the date of this Agreement, or in the ordinary course of business pursuant to employee equity plans in existence on the date of this Agreement, and other than the exercise of options outstanding on the date of this Agreement or the conversion of convertible notes outstanding on the date of this Agreement) or long-term debt of the Company or any of its subsidiaries or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, stockholders' equity, or results of operations of the Company and its subsidiaries, taken as a whole, other than as set forth or contemplated in the Disclosure Package, the effect of which, in any such case, is, in the judgment of the Representatives, so material and adverse as to make it impracticable or inadvisable to proceed with the offering or the delivery of the Securities on the terms and in the manner contemplated in this Agreement and in the Disclosure Package;

(f) On or after the Applicable Time, (i) no downgrading shall have occurred in the rating accorded the Company's debt securities or preferred stock by any "nationally recognized statistical rating organization," as that term is defined by the Commission in Section 3(a)(62) under the Exchange Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities or preferred stock;

(g) On or after the Applicable Time, there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on The Nasdaq Global Select Market; (ii) a suspension or material limitation in trading in the Company's securities on The Nasdaq Global Select Market; (iii) a general moratorium on commercial banking activities declared by either U.S. federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war; or (v) the occurrence of any other calamity or crisis or any change in financial, political, or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (iv) or (v) in the good faith judgment of the Representatives makes it impracticable or inadvisable to proceed with the offering or the delivery of the Securities on the terms and in the manner contemplated in the Disclosure Package;

(h) The Company shall have furnished or caused to be furnished to you at the Closing Date certificates of officers of the Company satisfactory to you as to the accuracy of the representations and warranties of the Company herein at and as of the Closing Date, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to such date, as to the matters set forth in subsection (f) of this Section and as to such other matters as you may reasonably request; and

(i) The Company shall have delivered executed copies of the Securities and the Indenture to the Underwriters, in each case in form and substance reasonably satisfactory to the Company and the Underwriters.

7. Indemnification and Contribution. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages, or liabilities, joint or several, to which any Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Securities as originally filed or in any amendment thereof, or in the Base Prospectus, any Preliminary Prospectus, the Final Prospectus, the Disclosure Package, any Issuer Free Writing Prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage, or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Base Prospectus, any Preliminary Prospectus, the Final Prospectus, the Disclosure Package, or any Issuer Free Writing Prospectus or in any amendment thereof or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through any Representative expressly for use therein, which information is specified in Section 7(b).

(b) The Underwriters severally and not jointly will indemnify and hold harmless the Company against any losses, claims, damages, or liabilities to which the Company may become subject, under the Act or otherwise, insofar as such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Base Prospectus, any Preliminary Prospectus, the Final Prospectus, the Disclosure Package, any Issuer Free Writing Prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Base Prospectus, any Preliminary Prospectus, the Final Prospectus, the Disclosure Package, any Issuer Free Writing Prospectus, or in any amendment thereof or supplement thereto in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through any Representative expressly for use therein, it being understood and agreed that the only such information consists of the second paragraph; the third paragraph; the second, third, and fourth sentences of the sixth paragraph; and the first, second, third, and fourth sentences of the ninth paragraph, in each case under the caption "Underwriting"; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission to so notify the indemnifying party shall not relieve it from any liability that it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise, or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to, or an admission of, fault, culpability, or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 7 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages, or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Securities. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages, or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the Final Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), each Underwriter shall not be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to investors were offered to investors exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. Each Underwriter's obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) The obligations of the Company under this Section 7 shall be in addition to any liability that the Company may otherwise have and shall extend, upon the same terms and conditions, to any affiliate of each Underwriter and each person, if any, who controls such Underwriter within the meaning of the Act; and the obligations of the Underwriters under this Section 7 shall be in addition to any liability that the Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company and to each person, if any, who controls the Company within the meaning of the Act.

8. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the amount of the Securities set forth opposite their names in Schedule II hereto bears to the aggregate amount of Securities set forth opposite the names of all the remaining Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that, in the event that the aggregate amount of Securities that the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate amount of Securities set forth in Schedule II hereto, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such nondefaulting Underwriters do not purchase all the Securities, this Agreement will terminate, without liability to any nondefaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 8, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any nondefaulting Underwriter for damages occasioned by its default hereunder.

9. **Representations and Indemnities to Survive.** The respective indemnities, agreements, representations, warranties, and other statements of the Company and the Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of the Underwriters or any controlling person of the Underwriters, or the Company, or any officer or director or controlling person of the Company, and shall survive delivery of and payment for the Securities. If the Securities are not delivered by or on behalf of the Company as provided herein for any reason other than a default of any Underwriter pursuant to Section 8 in its obligation to purchase the Securities that it has agreed to purchase hereunder, the Company will reimburse the non-defaulting Underwriters for all accountable out-of-pocket expenses approved in writing by you, including fees and disbursements of counsel, reasonably and actually incurred by the non-defaulting Underwriters in making preparations for the purchase, sale, and delivery of the Securities, but the Company shall then be under no further liability to the Underwriters except as provided in Sections 5(k) and 7 hereof.

10. **Notices.** All statements, requests, notices, and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, facsimile transmission, or, where indicated, electronic mail, to you in care of Citigroup Global Markets Limited, Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB, United Kingdom, Fax: +44 20 7986 1927, Attention: Syndicate Desk, in care of Deutsche Bank AG, London Branch, 21 Moorfields, London EC2Y 9DB, United Kingdom, Telephone: +44 207 545 4361, Attention: DCM Debt Syndicate, in care of Goldman Sachs & Co. Any such statements, requests, notices, or agreements shall take effect upon receipt thereof.

11. **Successors.** This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company, and, to the extent provided in Sections 7 and 9 hereof, the officers and directors of the Company and each person who controls the Company or the Underwriters, and their respective heirs, executors, administrators, successors, and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

12. **Applicable Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

13. **TRIAL BY JURY WAIVER.** EACH OF THE COMPANY AND THE UNDERWRITERS HEREBY IRREVOCABLY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

14. Arm's-length Transactions. The Company acknowledges and agrees that (i) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction, the Underwriters are each acting solely as a principal and not the agent or fiduciary of the Company, (iii) the Underwriters have not assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether the Underwriters have advised or are currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement, and (iv) the Company has consulted its own legal and financial advisors to the extent it deemed appropriate. The Company agrees that it will not claim that any of the Underwriters have rendered advisory services of any nature or respect, or owe a fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto.

15. Counterparts. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act, or other applicable law, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

The interest so payable on May 11 will, subject to certain exceptions provided in the Indenture referred to on the reverse hereof, be paid to the person in whose name this Note is registered at the close of business on the April 27 preceding such May 11, unless the Company shall default in the payment of interest due on such interest payment date, in which case such defaulted interest, at the option of the Company, may be paid to the person in whose name this Note is registered at the close of business on a special record date for the payment of such defaulted interest established by notice to the registered Holders of Notes not less than thirty days preceding such special record date or may be paid in any other lawful manner. Interest on this Note will be calculated on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on this Note (or May 11, 2026 if no interest has been paid on this Note), to but excluding the next scheduled interest payment date. This day count convention is referred to as ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association.

If any interest payment date, the maturity date or any earlier required repurchase date upon a designated event falls on a day that is not a business day, the required payment will be made on the next succeeding business day and no interest on such payment will accrue in respect of the delay. The term “business day” means any day, other than a Saturday or Sunday, (1) that is not a day on which banking institutions in the City of New York or London are authorized or required by law or executive order to close and (2) on which the real time gross settlement system operated by Eurosystem (the T2 system), or any successor thereto, is open.

Reference is made to the further provisions of this Note set forth on the reverse hereof. Such further provisions shall for all purposes have the same effect as though fully set forth at this place.

Unless the certificate of authentication hereon has been executed by the Trustee referred to on the reverse hereof or an authenticating agent appointed by the Company, by manual signature, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

[REVERSE OF NOTE]

1. Notes.

This Note is one of a duly authorized issue of senior Notes of the Company (herein called the “**Notes**”), issued and to be issued in one or more series under an Officers’ Certificate of the Company, dated as of May 11, 2026 (the “**Officers’ Certificate**”), pursuant to the Indenture dated as of August 8, 2017 (the “**Indenture**” and, together with the Officers’ Certificate, the “**Indenture**”) between the Company and U.S. Bank Trust Company, National Association (as successor in interest to U.S. Bank National Association), as Trustee (herein called the “**Trustee**,” which term includes any successor Trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, and the Holders and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof as “3.500% Senior Notes due 2030,” issued in an initial aggregate principal amount of €600,000,000. The Notes will be issued only in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof. All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

2. No Sinking Fund.

The Notes will not be entitled to the benefit of any sinking fund.

3. Optional Redemption.

(a) At the Company’s option, the Notes may be redeemed in whole or in part at any time or from time to time on and after April 11, 2030, (the “**Par Call Date**”), at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of redemption.

(b) At the Company’s option, the Notes may be redeemed prior to the Par Call Date, in whole or in part, at any time or from time to time (a “**Redemption Date**”). If the Company elects to redeem the Notes prior to the Par Call Date, the Company will pay a redemption price equal to the greater of the following amounts, plus, in the case of each of (1) and (2) below, accrued and unpaid interest thereon to, but excluding, such Redemption Date: (1) 100% of the aggregate principal amount of the Notes to be redeemed and (2) an amount equal to the sum of the present values of the remaining scheduled payments of principal and interest thereon that would have been payable in respect of such Notes as if the maturity date of such Notes was the Par Call Date, not including any portion of the payments of interest accrued to the Redemption Date, discounted to such Redemption Date on an annual basis at the Comparable Government Bond Rate, plus 15 basis points. Neither the Trustee nor the paying agent shall have any responsibility for calculating the redemption price.

“Comparable Government Bond Rate” means the yield to maturity, expressed as a percentage (rounded to three decimal places, with 0.0005 being rounded upwards) on the third business day prior to the date fixed for redemption of the Comparable Government Bond (as defined below) on the basis of the middle market price of such Comparable Government Bond prevailing at 11:00 a.m. (London time) on such business day as determined by an independent investment bank.

“Comparable Government Bond” means, in relation to any Comparable Government Bond Rate calculation, at the discretion of an independent investment bank selected by the Company, a German government bond whose maturity is closest to the Par Call Date, or if such independent investment bank in its discretion determines that such similar bond is not in issue, such other German government bond as such independent investment bank may, with the advice of three brokers of, and/or market makers in, German government bonds selected by the Company, determine to be appropriate for determining the Comparable Government Bond Rate.

4. Selection and Notice of Redemption.

(a) If less than all of the Notes are to be redeemed, in the case of certificated Notes and global Notes, the Trustee will select Notes for redemption in accordance with the procedures of the depository. The Trustee, in the case of certificated Notes and global Notes, shall select Notes and portions of Notes in amounts of €100,000 and integral multiples of €1,000 in excess thereof.

(b) Notices of redemption will be sent electronically or, at the Company’s option, mailed at least 10 but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at its registered address, except that a redemption notice may be delivered more than 60 days prior to the Redemption Date if such notice is issued in connection with legal or covenant defeasance of the Company’s obligations or a satisfaction and discharge of the Indenture, or if the redemption date is delayed as provided for in the following paragraph. The Company may provide in any redemption notice that payment of the redemption price and the performance of its obligations with respect to such redemption may be performed by another Person.

(c) Any redemption of the Notes or notice thereof may, at the Company’s discretion, be subject to the satisfaction (or waiver by the Company, in its sole discretion) of one or more conditions precedent. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice may state that, in the Company’s discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been (or, in the Company’s sole determination, may not be) satisfied (or waived by the Company in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed.

5. Acceleration Upon Event of Default.

(a) If an Event of Default occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 25% in principal amount of the then outstanding Notes by written notice to the Company and the Trustee, may, and the Trustee at the written request of such Holders shall, declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power.

(b) The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all Notes waive any existing Default and its consequences under the Indenture except (i) a continuing Default in the payment of interest on, or the principal of, the Notes (*provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration), (ii) a Default arising from the failure to redeem the Notes when required pursuant to the Indenture or (iii) a Default in respect of a provision that under Section 9.02 of the Indenture cannot be amended without the consent of each Holder of the Notes.

(c) The Indenture provides that if a Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall mail to each Holder notice of the Default within 90 days after it occurs. Except in the case of a Default in the payment of principal of or interest on any Note, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of Holders. In addition, the Company is required to deliver to the Trustee, within 120 days after the end of each Fiscal Year, an Officers' Certificate stating that in the course of the performance by the signers of their duties as Officers of the Company they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. The Company is also required to deliver to the Trustee, within 30 days after the Company first gains knowledge of the occurrence thereof, written notice in the form of an Officers' Certificate of any event which with the giving of notice or the lapse of time would become an Event of Default, its status and what action the Company is taking or proposes to take with respect thereto (provided that, solely with respect to an Event of Default arising from certain events of bankruptcy or insolvency, no such status or description of action is required).

6. Amendment and Modification.

The Indenture permits, with certain exceptions as therein provided, the amendment of the Notes or the Indenture and the modification of the rights and obligations of the Company and the rights of the Holders under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in principal amount of the Securities of all Series under the Indenture then outstanding and affected by such amendment, voting as a single class.

7. No Impairment of Obligation to Pay.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Note at the times, places and rate, and in the coin or currency, herein prescribed.

8. Transfer and Exchange.

As provided in the Indenture and subject to certain limitations set forth therein, the Notes shall be transferable only upon the surrender of a Note for registration of transfer. When a Note is presented to the Registrar with a request to register a transfer, the Registrar will register the transfer as requested if the requirements of the Indenture are satisfied. When Notes are presented to the Registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the requirements of the Indenture are met. To permit registration of transfers and exchanges, the Company will execute and the Trustee will authenticate Notes at the Registrar's request.

9. No Service Charge.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment by the Holder of a sum sufficient to pay all taxes, assessments or other governmental charges in connection therewith.

10. Treatment as Owner.

The registered Holder of a Note will be treated as the owner of it for all purposes.

11. Payment of Additional Amounts.

All payments of principal and interest on the Notes by the Company will be made free and clear of and without withholding or deduction for or on account of any present or future tax, assessment or other governmental charge imposed by the United States (or any political subdivision or taxing authority thereof or therein having power to tax), unless the withholding or deduction of such taxes, assessment or other government charge is required by law or the official interpretation or administration thereof. The Company will, subject to the exceptions and limitations set forth below, pay as additional interest on the Notes such additional amounts as are necessary in order that the net payment by the Company of the principal of and interest on the Notes to a Holder who is not a United States person (as defined below), after withholding or deduction for any present or future tax, assessment or other governmental charge imposed by the United States (or any political subdivision or taxing authority thereof or therein having power to tax), will not be less than the amount provided in the Notes to be then due and payable; *provided*, however, that the foregoing obligation to pay additional amounts shall not apply:

(1) to the extent any tax, assessment or other governmental charge is imposed by reason of the Holder (or the beneficial owner for whose benefit such Holder holds such Note), or a fiduciary, settlor, beneficiary, member or shareholder of the Holder if the Holder is an estate, trust, partnership or corporation, or a person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(a) being or having been engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(b) having a current or former connection with the United States (other than a connection arising solely as a result of the ownership of the Notes, the receipt of any payment or the enforcement of any rights hereunder), including being or having been a citizen or resident of the United States;

(c) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation for United States income tax purposes or a corporation that has accumulated earnings to avoid U.S. federal income tax;

(d) being or having been a “10-percent shareholder” of the Company as defined in section 871(h)(3) of the United States Internal Revenue Code of 1986, as amended (the “Code”) or any successor provision; or

(e) being or having been a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business, as described in section 881(c)(3)(A) of the Code or any successor provision;

(2) to any Holder that is not the sole beneficial owner of the Notes, or a portion of the Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficial owner with respect to the Holder, a beneficiary or settlor with respect to the fiduciary, or a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of an additional amount had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;

(3) to the extent any tax, assessment or other governmental charge would not have been imposed but for the failure of the Holder or any other person to comply with certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of the Notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such tax, assessment or other governmental charge;

(4) to any tax, assessment or other governmental charge that is imposed otherwise than by withholding or deduction by the Company or a paying agent from the payment;

(5) to any estate, inheritance, gift, sales, transfer, wealth, capital gains or personal property tax or similar tax, assessment or other governmental charge, or excise tax imposed on the transfer of Notes;

(6) to the extent any tax, assessment or other governmental charge would not have been imposed but for the presentation by the Holder of any Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(7) to any tax, assessment or other governmental charge imposed under Sections 1471 through 1474 of the Code (or any amended or successor provisions), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such sections of the Code; or

(8) in the case of any combination of items (1), (2), (3), (4), (5), (6) and (7).

This Note is subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to this Note. Except as specifically provided in this Note, the Company will not be required to make any payment for any tax, assessment or other governmental charge imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision.

If the Company is required to pay any additional amounts as described above with respect to the Notes, the Company will notify the Trustee and the Paying Agent pursuant to an Officers' Certificate that specifies the additional amounts payable and when the additional amounts are payable. If the Trustee and the Paying Agent do not receive such an Officers' Certificate from the Company, the Trustee and the Paying Agent may conclusively rely on the absence of such an Officers' Certificate in assuming that no such additional amounts are payable.

12. Euro.

All payments of interest and principal, including payments made upon any redemption of the Notes, will be made in euro; provided that if euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or if euro is no longer being used by the then member states of the European Monetary Union that have adopted euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the Notes will be made in U.S. dollars until euro is again available to the Company or so used. The amount payable on any date in euro will be converted into U.S. dollars at the rate mandated by the U.S. Federal Reserve Board as of the close of business on the second business day prior to the relevant payment date or, if the U.S. Federal Reserve Board has not mandated a rate of conversion, on the basis of the most recently available market exchange rate for euro, as determined in the Company's sole discretion. Any payment in respect of the Notes so made in U.S. dollars will not constitute an event of default under the Notes or the Indenture. Neither the Trustee nor the paying agent shall have any responsibility for any calculation or conversion in connection with the forgoing.

13. Payment of Interest.

For Notes in definitive form, interest on such Notes will be payable (i) to Holders holding an aggregate principal amount of Notes of €1.0 million or less, by check mailed to the Holders of those Notes and (ii) to Holders holding an aggregate principal amount of Notes more than €1.0 million, either by check mailed to each Holder or, upon application by a Holder to the registrar not later than the relevant record date, by wire transfer in immediately available funds to that Holder's account, which application shall remain in effect until the Holder notifies the registrar, in writing, to the contrary.

The Company shall pay the principal of and interest on Notes in global form registered in the name of or held by Euroclear or Clearstream or their respective nominees in immediately available funds to Euroclear or Clearstream or their respective nominees, as the case may be, as the registered Holder of such global Notes.

14. Redemption for Tax Reasons.

If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States (or any taxing authority in the United States), or any change in, or amendment to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 5, 2026, the Company becomes or, based upon a written opinion of independent counsel selected by the Company, will become obligated to pay additional amounts as described in Section 11 herein with respect to the Notes, then the Company may at any time at its option redeem, in whole, but not in part, the Notes on not less than 30 nor more than 60 days prior notice, at a redemption price equal to 100% of their principal amount, together with accrued and unpaid interest on those Notes to, but not including, the date fixed for redemption, and additional amounts, if any.

15. No Liability.

No past, present or future director, officer, employee, incorporator or stockholder of the Company, as such, shall have any liability (except in the case of bad faith or willful misconduct) for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. Such waiver and release are part of the consideration for the issuance of the Notes.

16. Governing Law.

THE INDENTURE AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

1. Notes.

This Note is one of a duly authorized issue of senior Notes of the Company (herein called the “**Notes**”), issued and to be issued in one or more series under an Officers’ Certificate of the Company, dated as of May 11, 2026 (the “**Officers’ Certificate**”), pursuant to the Indenture dated as of August 8, 2017 (the “**Indenture**” and, together with the Officers’ Certificate, the “**Indenture**”) between the Company and U.S. Bank Trust Company, National Association (as successor in interest to U.S. Bank National Association), as Trustee (herein called the “**Trustee**,” which term includes any successor Trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, and the Holders and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof as “4.000% Senior Notes due 2034,” issued in an initial aggregate principal amount of €700,000,000. The Notes will be issued only in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof. All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

2. No Sinking Fund.

The Notes will not be entitled to the benefit of any sinking fund.

3. Optional Redemption.

(a) At the Company’s option, the Notes may be redeemed in whole or in part at any time or from time to time on and after February 11, 2034, (the “**Par Call Date**”), at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of redemption.

(b) At the Company’s option, the Notes may be redeemed prior to the Par Call Date, in whole or in part, at any time or from time to time (a “**Redemption Date**”). If the Company elects to redeem the Notes prior to the Par Call Date, the Company will pay a redemption price equal to the greater of the following amounts, plus, in the case of each of (1) and (2) below, accrued and unpaid interest thereon to, but excluding, such Redemption Date: (1) 100% of the aggregate principal amount of the Notes to be redeemed and (2) an amount equal to the sum of the present values of the remaining scheduled payments of principal and interest thereon that would have been payable in respect of such Notes as if the maturity date of such Notes was the Par Call Date, not including any portion of the payments of interest accrued to the Redemption Date, discounted to such Redemption Date on an annual basis at the Comparable Government Bond Rate, plus 20 basis points. Neither the Trustee nor the paying agent shall have any responsibility for calculating the redemption price.

“Comparable Government Bond Rate” means the yield to maturity, expressed as a percentage (rounded to three decimal places, with 0.0005 being rounded upwards) on the third business day prior to the date fixed for redemption of the Comparable Government Bond (as defined below) on the basis of the middle market price of such Comparable Government Bond prevailing at 11:00 a.m. (London time) on such business day as determined by an independent investment bank.

“Comparable Government Bond” means, in relation to any Comparable Government Bond Rate calculation, at the discretion of an independent investment bank selected by the Company, a German government bond whose maturity is closest to the Par Call Date, or if such independent investment bank in its discretion determines that such similar bond is not in issue, such other German government bond as such independent investment bank may, with the advice of three brokers of, and/or market makers in, German government bonds selected by the Company, determine to be appropriate for determining the Comparable Government Bond Rate.

4. Selection and Notice of Redemption.

(a) If less than all of the Notes are to be redeemed, in the case of certificated Notes and global Notes, the Trustee will select Notes for redemption in accordance with the procedures of the depository. The Trustee, in the case of certificated Notes and global Notes, shall select Notes and portions of Notes in amounts of €100,000 and integral multiples of €1,000 in excess thereof.

(b) Notices of redemption will be sent electronically or, at the Company’s option, mailed at least 10 but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at its registered address, except that a redemption notice may be delivered more than 60 days prior to the Redemption Date if such notice is issued in connection with legal or covenant defeasance of the Company’s obligations or a satisfaction and discharge of the Indenture, or if the redemption date is delayed as provided for in the following paragraph. The Company may provide in any redemption notice that payment of the redemption price and the performance of its obligations with respect to such redemption may be performed by another Person.

(c) Any redemption of the Notes or notice thereof may, at the Company’s discretion, be subject to the satisfaction (or waiver by the Company, in its sole discretion) of one or more conditions precedent. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice may state that, in the Company’s discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been (or, in the Company’s sole determination, may not be) satisfied (or waived by the Company in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed.

5. Acceleration Upon Event of Default.

(a) If an Event of Default occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 25% in principal amount of the then outstanding Notes by written notice to the Company and the Trustee, may, and the Trustee at the written request of such Holders shall, declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power.

(b) The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all Notes waive any existing Default and its consequences under the Indenture except (i) a continuing Default in the payment of interest on, or the principal of, the Notes (*provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration), (ii) a Default arising from the failure to redeem the Notes when required pursuant to the Indenture or (iii) a Default in respect of a provision that under Section 9.02 of the Indenture cannot be amended without the consent of each Holder of the Notes.

(c) The Indenture provides that if a Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall mail to each Holder notice of the Default within 90 days after it occurs. Except in the case of a Default in the payment of principal of or interest on any Note, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of Holders. In addition, the Company is required to deliver to the Trustee, within 120 days after the end of each Fiscal Year, an Officers' Certificate stating that in the course of the performance by the signers of their duties as Officers of the Company they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. The Company is also required to deliver to the Trustee, within 30 days after the Company first gains knowledge of the occurrence thereof, written notice in the form of an Officers' Certificate of any event which with the giving of notice or the lapse of time would become an Event of Default, its status and what action the Company is taking or proposes to take with respect thereto (provided that, solely with respect to an Event of Default arising from certain events of bankruptcy or insolvency, no such status or description of action is required).

6. Amendment and Modification.

The Indenture permits, with certain exceptions as therein provided, the amendment of the Notes or the Indenture and the modification of the rights and obligations of the Company and the rights of the Holders under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in principal amount of the Securities of all Series under the Indenture then outstanding and affected by such amendment, voting as a single class.

7. No Impairment of Obligation to Pay.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Note at the times, places and rate, and in the coin or currency, herein prescribed.

8. Transfer and Exchange.

As provided in the Indenture and subject to certain limitations set forth therein, the Notes shall be transferable only upon the surrender of a Note for registration of transfer. When a Note is presented to the Registrar with a request to register a transfer, the Registrar will register the transfer as requested if the requirements of the Indenture are satisfied. When Notes are presented to the Registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the requirements of the Indenture are met. To permit registration of transfers and exchanges, the Company will execute and the Trustee will authenticate Notes at the Registrar's request.

9. No Service Charge.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment by the Holder of a sum sufficient to pay all taxes, assessments or other governmental charges in connection therewith.

10. Treatment as Owner.

The registered Holder of a Note will be treated as the owner of it for all purposes.

11. Payment of Additional Amounts.

All payments of principal and interest on the Notes by the Company will be made free and clear of and without withholding or deduction for or on account of any present or future tax, assessment or other governmental charge imposed by the United States (or any political subdivision or taxing authority thereof or therein having power to tax), unless the withholding or deduction of such taxes, assessment or other government charge is required by law or the official interpretation or administration thereof. The Company will, subject to the exceptions and limitations set forth below, pay as additional interest on the Notes such additional amounts as are necessary in order that the net payment by the Company of the principal of and interest on the Notes to a Holder who is not a United States person (as defined below), after withholding or deduction for any present or future tax, assessment or other governmental charge imposed by the United States (or any political subdivision or taxing authority thereof or therein having power to tax), will not be less than the amount provided in the Notes to be then due and payable; *provided*, however, that the foregoing obligation to pay additional amounts shall not apply:

(1) to the extent any tax, assessment or other governmental charge is imposed by reason of the Holder (or the beneficial owner for whose benefit such Holder holds such Note), or a fiduciary, settlor, beneficiary, member or shareholder of the Holder if the Holder is an estate, trust, partnership or corporation, or a person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(a) being or having been engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(b) having a current or former connection with the United States (other than a connection arising solely as a result of the ownership of the Notes, the receipt of any payment or the enforcement of any rights hereunder), including being or having been a citizen or resident of the United States;

(c) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation for United States income tax purposes or a corporation that has accumulated earnings to avoid U.S. federal income tax;

(d) being or having been a “10-percent shareholder” of the Company as defined in section 871(h)(3) of the United States Internal Revenue Code of 1986, as amended (the “Code”) or any successor provision; or

(e) being or having been a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business, as described in section 881(c)(3)(A) of the Code or any successor provision;

(2) to any Holder that is not the sole beneficial owner of the Notes, or a portion of the Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficial owner with respect to the Holder, a beneficiary or settlor with respect to the fiduciary, or a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of an additional amount had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;

(3) to the extent any tax, assessment or other governmental charge would not have been imposed but for the failure of the Holder or any other person to comply with certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of the Notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such tax, assessment or other governmental charge;

(4) to any tax, assessment or other governmental charge that is imposed otherwise than by withholding or deduction by the Company or a paying agent from the payment;

(5) to any estate, inheritance, gift, sales, transfer, wealth, capital gains or personal property tax or similar tax, assessment or other governmental charge, or excise tax imposed on the transfer of Notes;

(6) to the extent any tax, assessment or other governmental charge would not have been imposed but for the presentation by the Holder of any Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(7) to any tax, assessment or other governmental charge imposed under Sections 1471 through 1474 of the Code (or any amended or successor provisions), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such sections of the Code; or

(8) in the case of any combination of items (1), (2), (3), (4), (5), (6) and (7).

This Note is subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to this Note. Except as specifically provided in this Note, the Company will not be required to make any payment for any tax, assessment or other governmental charge imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision.

If the Company is required to pay any additional amounts as described above with respect to the Notes, the Company will notify the Trustee and the Paying Agent pursuant to an Officers' Certificate that specifies the additional amounts payable and when the additional amounts are payable. If the Trustee and the Paying Agent do not receive such an Officers' Certificate from the Company, the Trustee and the Paying Agent may conclusively rely on the absence of such an Officers' Certificate in assuming that no such additional amounts are payable.

12. Euro.

All payments of interest and principal, including payments made upon any redemption of the Notes, will be made in euro; provided that if euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or if euro is no longer being used by the then member states of the European Monetary Union that have adopted euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the Notes will be made in U.S. dollars until euro is again available to the Company or so used. The amount payable on any date in euro will be converted into U.S. dollars at the rate mandated by the U.S. Federal Reserve Board as of the close of business on the second business day prior to the relevant payment date or, if the U.S. Federal Reserve Board has not mandated a rate of conversion, on the basis of the most recently available market exchange rate for euro, as determined in the Company's sole discretion. Any payment in respect of the Notes so made in U.S. dollars will not constitute an event of default under the Notes or the Indenture. Neither the Trustee nor the paying agent shall have any responsibility for any calculation or conversion in connection with the forgoing.

13. Payment of Interest.

For Notes in definitive form, interest on such Notes will be payable (i) to Holders holding an aggregate principal amount of Notes of €1.0 million or less, by check mailed to the Holders of those Notes and (ii) to Holders holding an aggregate principal amount of Notes more than €1.0 million, either by check mailed to each Holder or, upon application by a Holder to the registrar not later than the relevant record date, by wire transfer in immediately available funds to that Holder's account, which application shall remain in effect until the Holder notifies the registrar, in writing, to the contrary.

The Company shall pay the principal of and interest on Notes in global form registered in the name of or held by Euroclear or Clearstream or their respective nominees in immediately available funds to Euroclear or Clearstream or their respective nominees, as the case may be, as the registered Holder of such global Notes.

14. Redemption for Tax Reasons.

If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States (or any taxing authority in the United States), or any change in, or amendment to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 5, 2026, the Company becomes or, based upon a written opinion of independent counsel selected by the Company, will become obligated to pay additional amounts as described in Section 11 herein with respect to the Notes, then the Company may at any time at its option redeem, in whole, but not in part, the Notes on not less than 30 nor more than 60 days prior notice, at a redemption price equal to 100% of their principal amount, together with accrued and unpaid interest on those Notes to, but not including, the date fixed for redemption, and additional amounts, if any.

15. No Liability.

No past, present or future director, officer, employee, incorporator or stockholder of the Company, as such, shall have any liability (except in the case of bad faith or willful misconduct) for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. Such waiver and release are part of the consideration for the issuance of the Notes.

16. Governing Law.

THE INDENTURE AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The interest so payable on May 11 will, subject to certain exceptions provided in the Indenture referred to on the reverse hereof, be paid to the person in whose name this Note is registered at the close of business on the April 27 preceding such May 11, unless the Company shall default in the payment of interest due on such interest payment date, in which case such defaulted interest, at the option of the Company, may be paid to the person in whose name this Note is registered at the close of business on a special record date for the payment of such defaulted interest established by notice to the registered Holders of Notes not less than thirty days preceding such special record date or may be paid in any other lawful manner. Interest on this Note will be calculated on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on this Note (or May 11, 2026 if no interest has been paid on this Note), to but excluding the next scheduled interest payment date. The term “business day” means any day, other than a Saturday or Sunday, (1) that is not a day on which banking institutions in the City of New York or London are authorized or required by law or executive order to close and (2) on which the real time gross settlement system operated by Eurosystem (the T2 system), or any successor thereto, is open.

[REVERSE OF NOTE]

1. Notes.

This Note is one of a duly authorized issue of senior Notes of the Company (herein called the “**Notes**”), issued and to be issued in one or more series under an Officers’ Certificate of the Company, dated as of May 11, 2026 (the “**Officers’ Certificate**”), pursuant to the Indenture dated as of August 8, 2017 (the “**Indenture**” and, together with the Officers’ Certificate, the “**Indenture**”) between the Company and U.S. Bank Trust Company, National Association (as successor in interest to U.S. Bank National Association), as Trustee (herein called the “**Trustee**,” which term includes any successor Trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, and the Holders and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof as “4.500% Senior Notes due 2039,” issued in an initial aggregate principal amount of €600,000,000. The Notes will be issued only in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof. All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

2. No Sinking Fund.

The Notes will not be entitled to the benefit of any sinking fund.

3. Optional Redemption.

(a) At the Company’s option, the Notes may be redeemed in whole or in part at any time or from time to time on and after February 11, 2039, (the “**Par Call Date**”), at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of redemption.

(b) At the Company’s option, the Notes may be redeemed prior to the Par Call Date, in whole or in part, at any time or from time to time (a “**Redemption Date**”). If the Company elects to redeem the Notes prior to the Par Call Date, the Company will pay a redemption price equal to the greater of the following amounts, plus, in the case of each of (1) and (2) below, accrued and unpaid interest thereon to, but excluding, such Redemption Date: (1) 100% of the aggregate principal amount of the Notes to be redeemed and (2) an amount equal to the sum of the present values of the remaining scheduled payments of principal and interest thereon that would have been payable in respect of such Notes as if the maturity date of such Notes was the Par Call Date, not including any portion of the payments of interest accrued to the Redemption Date, discounted to such Redemption Date on an annual basis at the Comparable Government Bond Rate, plus 20 basis points. Neither the Trustee nor the paying agent shall have any responsibility for calculating the redemption price.

“Comparable Government Bond Rate” means the yield to maturity, expressed as a percentage (rounded to three decimal places, with 0.0005 being rounded upwards) on the third business day prior to the date fixed for redemption of the Comparable Government Bond (as defined below) on the basis of the middle market price of such Comparable Government Bond prevailing at 11:00 a.m. (London time) on such business day as determined by an independent investment bank.

“Comparable Government Bond” means, in relation to any Comparable Government Bond Rate calculation, at the discretion of an independent investment bank selected by the Company, a German government bond whose maturity is closest to the Par Call Date, or if such independent investment bank in its discretion determines that such similar bond is not in issue, such other German government bond as such independent investment bank may, with the advice of three brokers of, and/or market makers in, German government bonds selected by the Company, determine to be appropriate for determining the Comparable Government Bond Rate.

4. Selection and Notice of Redemption.

(a) If less than all of the Notes are to be redeemed, in the case of certificated Notes and global Notes, the Trustee will select Notes for redemption in accordance with the procedures of the depository. The Trustee, in the case of certificated Notes and global Notes, shall select Notes and portions of Notes in amounts of €100,000 and integral multiples of €1,000 in excess thereof.

(b) Notices of redemption will be sent electronically or, at the Company’s option, mailed at least 10 but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at its registered address, except that a redemption notice may be delivered more than 60 days prior to the Redemption Date if such notice is issued in connection with legal or covenant defeasance of the Company’s obligations or a satisfaction and discharge of the Indenture, or if the redemption date is delayed as provided for in the following paragraph. The Company may provide in any redemption notice that payment of the redemption price and the performance of its obligations with respect to such redemption may be performed by another Person.

(c) Any redemption of the Notes or notice thereof may, at the Company’s discretion, be subject to the satisfaction (or waiver by the Company, in its sole discretion) of one or more conditions precedent. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice may state that, in the Company’s discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been (or, in the Company’s sole determination, may not be) satisfied (or waived by the Company in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed.

5. Acceleration Upon Event of Default.

(a) If an Event of Default occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 25% in principal amount of the then outstanding Notes by written notice to the Company and the Trustee, may, and the Trustee at the written request of such Holders shall, declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power.

(b) The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all Notes waive any existing Default and its consequences under the Indenture except (i) a continuing Default in the payment of interest on, or the principal of, the Notes (*provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration), (ii) a Default arising from the failure to redeem the Notes when required pursuant to the Indenture or (iii) a Default in respect of a provision that under Section 9.02 of the Indenture cannot be amended without the consent of each Holder of the Notes.

(c) The Indenture provides that if a Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall mail to each Holder notice of the Default within 90 days after it occurs. Except in the case of a Default in the payment of principal of or interest on any Note, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of Holders. In addition, the Company is required to deliver to the Trustee, within 120 days after the end of each Fiscal Year, an Officers' Certificate stating that in the course of the performance by the signers of their duties as Officers of the Company they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. The Company is also required to deliver to the Trustee, within 30 days after the Company first gains knowledge of the occurrence thereof, written notice in the form of an Officers' Certificate of any event which with the giving of notice or the lapse of time would become an Event of Default, its status and what action the Company is taking or proposes to take with respect thereto (provided that, solely with respect to an Event of Default arising from certain events of bankruptcy or insolvency, no such status or description of action is required).

6. Amendment and Modification.

The Indenture permits, with certain exceptions as therein provided, the amendment of the Notes or the Indenture and the modification of the rights and obligations of the Company and the rights of the Holders under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in principal amount of the Securities of all Series under the Indenture then outstanding and affected by such amendment, voting as a single class.

7. No Impairment of Obligation to Pay.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Note at the times, places and rate, and in the coin or currency, herein prescribed.

8. Transfer and Exchange.

As provided in the Indenture and subject to certain limitations set forth therein, the Notes shall be transferable only upon the surrender of a Note for registration of transfer. When a Note is presented to the Registrar with a request to register a transfer, the Registrar will register the transfer as requested if the requirements of the Indenture are satisfied. When Notes are presented to the Registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the requirements of the Indenture are met. To permit registration of transfers and exchanges, the Company will execute and the Trustee will authenticate Notes at the Registrar's request.

9. No Service Charge.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment by the Holder of a sum sufficient to pay all taxes, assessments or other governmental charges in connection therewith.

10. Treatment as Owner.

The registered Holder of a Note will be treated as the owner of it for all purposes.

11. Payment of Additional Amounts.

All payments of principal and interest on the Notes by the Company will be made free and clear of and without withholding or deduction for or on account of any present or future tax, assessment or other governmental charge imposed by the United States (or any political subdivision or taxing authority thereof or therein having power to tax), unless the withholding or deduction of such taxes, assessment or other government charge is required by law or the official interpretation or administration thereof. The Company will, subject to the exceptions and limitations set forth below, pay as additional interest on the Notes such additional amounts as are necessary in order that the net payment by the Company of the principal of and interest on the Notes to a Holder who is not a United States person (as defined below), after withholding or deduction for any present or future tax, assessment or other governmental charge imposed by the United States (or any political subdivision or taxing authority thereof or therein having power to tax), will not be less than the amount provided in the Notes to be then due and payable; *provided*, however, that the foregoing obligation to pay additional amounts shall not apply:

(1) to the extent any tax, assessment or other governmental charge is imposed by reason of the Holder (or the beneficial owner for whose benefit such Holder holds such Note), or a fiduciary, settlor, beneficiary, member or shareholder of the Holder if the Holder is an estate, trust, partnership or corporation, or a person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(a) being or having been engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(b) having a current or former connection with the United States (other than a connection arising solely as a result of the ownership of the Notes, the receipt of any payment or the enforcement of any rights hereunder), including being or having been a citizen or resident of the United States;

(c) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation for United States income tax purposes or a corporation that has accumulated earnings to avoid U.S. federal income tax;

(d) being or having been a “10-percent shareholder” of the Company as defined in section 871(h)(3) of the United States Internal Revenue Code of 1986, as amended (the “Code”) or any successor provision; or

(e) being or having been a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business, as described in section 881(c)(3)(A) of the Code or any successor provision;

(2) to any Holder that is not the sole beneficial owner of the Notes, or a portion of the Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficial owner with respect to the Holder, a beneficiary or settlor with respect to the fiduciary, or a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of an additional amount had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;

(3) to the extent any tax, assessment or other governmental charge would not have been imposed but for the failure of the Holder or any other person to comply with certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of the Notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such tax, assessment or other governmental charge;

(4) to any tax, assessment or other governmental charge that is imposed otherwise than by withholding or deduction by the Company or a paying agent from the payment;

(5) to any estate, inheritance, gift, sales, transfer, wealth, capital gains or personal property tax or similar tax, assessment or other governmental charge, or excise tax imposed on the transfer of Notes;

(6) to the extent any tax, assessment or other governmental charge would not have been imposed but for the presentation by the Holder of any Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(7) to any tax, assessment or other governmental charge imposed under Sections 1471 through 1474 of the Code (or any amended or successor provisions), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such sections of the Code; or

(8) in the case of any combination of items (1), (2), (3), (4), (5), (6) and (7).

This Note is subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to this Note. Except as specifically provided in this Note, the Company will not be required to make any payment for any tax, assessment or other governmental charge imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision.

If the Company is required to pay any additional amounts as described above with respect to the Notes, the Company will notify the Trustee and the Paying Agent pursuant to an Officers' Certificate that specifies the additional amounts payable and when the additional amounts are payable. If the Trustee and the Paying Agent do not receive such an Officers' Certificate from the Company, the Trustee and the Paying Agent may conclusively rely on the absence of such an Officers' Certificate in assuming that no such additional amounts are payable.

12. Euro.

All payments of interest and principal, including payments made upon any redemption of the Notes, will be made in euro; provided that if euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or if euro is no longer being used by the then member states of the European Monetary Union that have adopted euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the Notes will be made in U.S. dollars until euro is again available to the Company or so used. The amount payable on any date in euro will be converted into U.S. dollars at the rate mandated by the U.S. Federal Reserve Board as of the close of business on the second business day prior to the relevant payment date or, if the U.S. Federal Reserve Board has not mandated a rate of conversion, on the basis of the most recently available market exchange rate for euro, as determined in the Company's sole discretion. Any payment in respect of the Notes so made in U.S. dollars will not constitute an event of default under the Notes or the Indenture. Neither the Trustee nor the paying agent shall have any responsibility for any calculation or conversion in connection with the forgoing.

13. Payment of Interest.

For Notes in definitive form, interest on such Notes will be payable (i) to Holders holding an aggregate principal amount of Notes of €1.0 million or less, by check mailed to the Holders of those Notes and (ii) to Holders holding an aggregate principal amount of Notes more than €1.0 million, either by check mailed to each Holder or, upon application by a Holder to the registrar not later than the relevant record date, by wire transfer in immediately available funds to that Holder's account, which application shall remain in effect until the Holder notifies the registrar, in writing, to the contrary.

The Company shall pay the principal of and interest on Notes in global form registered in the name of or held by Euroclear or Clearstream or their respective nominees in immediately available funds to Euroclear or Clearstream or their respective nominees, as the case may be, as the registered Holder of such global Notes.

14. Redemption for Tax Reasons.

If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States (or any taxing authority in the United States), or any change in, or amendment to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 5, 2026, the Company becomes or, based upon a written opinion of independent counsel selected by the Company, will become obligated to pay additional amounts as described in Section 11 herein with respect to the Notes, then the Company may at any time at its option redeem, in whole, but not in part, the Notes on not less than 30 nor more than 60 days prior notice, at a redemption price equal to 100% of their principal amount, together with accrued and unpaid interest on those Notes to, but not including, the date fixed for redemption, and additional amounts, if any.

15. No Liability.

No past, present or future director, officer, employee, incorporator or stockholder of the Company, as such, shall have any liability (except in the case of bad faith or willful misconduct) for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. Such waiver and release are part of the consideration for the issuance of the Notes.

16. Governing Law.

THE INDENTURE AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

Ewout L. Steenbergen and Peter J. Millones do hereby certify that they are the Executive Vice President and Chief Financial Officer, and the Executive Vice President and General Counsel, respectively, of Booking Holdings Inc., a Delaware corporation (the "Company"), and do further certify, pursuant to resolutions of the Board of Directors of the Company adopted on January 22, 2026 (the "Resolutions"), and in accordance with Sections 2.02 and 10.04 of the Indenture (the "Indenture") dated as of August 8, 2017 between the Company and U.S. Bank Trust Company, National Association (as successor in interest to U.S. Bank National Association), as trustee (the "Trustee"), as follows:

1. Attached hereto as Annex A is a true and correct copy of a specimen note (the "Form of Note") representing the Company's 3.500% Senior Notes Due 2030 (the "Notes"). The Notes are a separate Series of Securities under the Indenture.

The Company is initially issuing €600,000,000 in aggregate principal amount of the Notes. The Company may, without the consent of the Holders, issue additional Securities under the Indenture in the future with the same terms (except for the issue date, price to public and, if applicable, the initial interest payment date) and with the same CUSIP and ISIN number as the Notes in an unlimited aggregate principal amount; provided that if any such additional Securities are not fungible with the Notes for U.S. federal income tax purposes, such additional Securities will have separate CUSIP and ISIN numbers.

2. The Form of Note sets forth certain of the terms required to be set forth in this Officers' Certificate pursuant to Section 2.02 of the Indenture, and said terms are incorporated herein by reference. The Notes were offered at an initial public offering price of 99.846% of the principal amount thereof.

3. U.S. Bank Trust Company, National Association shall be the Trustee under the Indenture and the authenticating agent, Registrar and transfer agent for the Notes. U.S. Bank Europe DAC, UK Branch shall be the Paying Agent for the Notes.

4. For purposes of determining compliance with the payment provisions included in Sections 3.05 and 4.01 of the Indenture, the Company shall deposit money sufficient to pay principal, interest, redemption prices and accrued interest prior to 11:00 a.m. (London time) on the day prior to such payment.

5. In addition to the covenants set forth in Article IV of the Indenture, the Notes shall include the following additional covenants, and such additional covenants and the additional Event of Default referred to in Section 6 below shall be subject to Covenant Defeasance pursuant to Section 8.03 of the Indenture:

"Section 4.06 Limitation on Liens.

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur or permit to exist any Lien securing Indebtedness (the "Initial Lien") on any of its properties or assets whether owned at the Issue Date or thereafter acquired, other than Permitted Liens, without effectively providing that the Notes (together with, at the option of the Company, any other Indebtedness of the Company or any of its Subsidiaries ranking equally in right of payment with the Notes) are secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured.

Notwithstanding the foregoing, the Company and its Restricted Subsidiaries may create, assume, incur or guarantee Indebtedness secured by a Lien without equally and ratably securing the Notes; provided that at the time of such creation, assumption, incurrence or guarantee, after giving effect thereto and to the retirement of any Indebtedness that is being retired substantially concurrently with any such creation, assumption, incurrence or guarantee, the sum of (a) the aggregate amount of all outstanding Indebtedness of the Company and its Restricted Subsidiaries secured by Liens other than Permitted Liens and (b) the Attributable Debt associated with all Sale/Leaseback Transactions of the Company and its Restricted Subsidiaries permitted by the last paragraph under Section 4.07, does not at such time exceed the greater of (i) 20% of the Consolidated Net Tangible Assets of the Company measured at the date of incurrence of the Lien and (ii) \$3.0 billion.

Any such Lien thereby created in favor of the Notes will be automatically and unconditionally released and discharged upon (i) the release and discharge of each Initial Lien to which it relates, or (ii) any sale, exchange or transfer to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien.

Section 4.07 Limitation on Sale/Leaseback Transactions.

The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale/Leaseback Transaction with respect to any property unless:

(a) the Company or such Restricted Subsidiary would be entitled to create a Lien on such property securing the Attributable Debt associated with such Sale/Leaseback Transaction without equally and ratably securing the Notes pursuant to Section 4.06;

(b) the net proceeds of the sale of the property to be leased are at least equal to such property's fair market value, as determined by the Company's Board of Directors, and the proceeds are applied within 365 days of the effective date of the Sale/Leaseback Transaction to the purchase, construction, development or acquisition of assets or to the repayment of any Indebtedness of the Company that ranks equally with the Notes or any Indebtedness of one or more Restricted Subsidiaries; provided that the amount required to be applied to the repayment of any such Indebtedness pursuant to this clause (b) shall be reduced by the principal amount of any Notes delivered within 365 days after such sale to the Trustee for retirement and cancellation;

(c) such transaction was entered into prior to the Issue Date;

(d) such transaction involves a lease for not more than three years (or which may be terminated by the Company or a Restricted Subsidiary within a period of not more than three years);

(e) such transaction was for the sale and lease between only the Company and a Subsidiary of the Company or only between Subsidiaries of the Company; or

(f) such transaction involves a sale and lease of property executed by the time of, or within 18 months after the latest of, the acquisition, the completion of construction or improvement, or the commencement of commercial operation of the property.

Notwithstanding the restrictions outlined in the preceding paragraph, the Company and its Restricted Subsidiaries will be permitted to enter into Sale/Leaseback Transactions without complying with the requirements of the preceding paragraph if, after giving effect thereto, the aggregate amount of all Attributable Debt associated with Sale/Leaseback Transactions not otherwise permitted by the preceding paragraph that is outstanding at such time, together with the aggregate amount of all outstanding Indebtedness secured by Liens permitted under the second paragraph of Section 4.06, does not exceed the greater of (i) 20% of the Consolidated Net Tangible Assets of the Company measured at the date of the Sale/Leaseback Transaction and (ii) \$3.0 billion."

6. In addition to the Events of Default set forth in Section 6.01 of the Indenture, the Notes shall include the following additional Event of Default, which shall be deemed an Event of Default under Section 6.01(7) of the Indenture:

"default by the Company or any majority owned Subsidiary in the payment of the principal or interest on any mortgage, agreement or other instrument under which there may be outstanding, or by which there may be secured or evidenced any debt for money borrowed in excess of \$100 million in the aggregate of the Company and/or any Subsidiary, whether such debt now exists or shall hereafter be created, which default results in such debt becoming or being declared due and payable, and such acceleration shall not have been rescinded or annulled within 30 days after written notice of such acceleration has been received by the Company or such Subsidiary."

7. For purposes of determining the principal amount of a Security of any Series issued under the Indenture denominated in a currency other than U.S. dollars, such principal amount shall be the U.S. dollar equivalent, as determined by the Company by reference to the noon buying rate in the City of New York for cable transfers for such currency, as such rate is certified for customs purposes by the Federal Reserve Bank of New York on the date of original issuance of such Security, of the principal amount of such Security.

8. For purposes of determining compliance with the conditions to Legal or Covenant Defeasance of the Notes, euros shall be considered "cash" for purposes of Section 8.04(1) of the Indenture. Each of Section 8.04(2)(b) and Section 8.04(3) shall be amended to replace the word "Holders" therein with the words "beneficial owners."

9. In addition to the definitions set forth in Article I of the Indenture, the Notes shall include the following additional definitions, which, in the event of a conflict with the definition of terms in the Indenture, shall control:

“Attributable Debt” in respect of a Sale/Leaseback Transaction means, as of the time of determination, the present value (discounted at the implicit interest factor determined in accordance with GAAP) of the total obligations of the lessee for rental payments during the remaining term of the lease included in such Sale/Leaseback Transaction (including any period for which such lease has been extended), other than amounts required to be paid on account of property taxes, maintenance, repairs, insurance, water rates and other items that do not constitute payments for property rights. In the case of any lease which is terminable by the lessee upon payment of a penalty, the Attributable Debt shall be the lesser of:

(1) the Attributable Debt determined assuming termination upon the first date such lease may be terminated (in which case the Attributable Debt shall also include the amount of the penalty, but no rent shall be considered as required to be paid under such lease subsequent to the first date upon which it may be so terminated); and

(2) the Attributable Debt determined assuming no such termination.

“Capital Stock” of any Person means any and all shares, interests (including partnership interests), rights to purchase, warrants, options, participations or other equivalents of or interests in (however designated) equity of such Person, including any preferred stock, but excluding any debt securities convertible into such equity.

For the avoidance of doubt, Hedging Obligations are not Indebtedness.

“Issue Date” means May 11, 2026, the date on which the Notes were originally issued.

“Lien” means any mortgage or deed of trust, charge, pledge, lien, privilege, security interest, assignment, easement, hypothecation, claim, preference, priority or other similar encumbrance upon or with respect to any property of any kind (including any conditional sale, capital lease or other title retention agreement); provided, however, that in no event shall an operating lease be deemed to constitute a Lien.

“Permitted Liens” means, with respect to any Person:

(a) Liens securing Indebtedness incurred to finance the construction, purchase or lease of, or repairs, improvements or additions to, property, plant or equipment of such Person; provided, however, that the Lien may not extend to any other property owned by such Person or any of its Subsidiaries at the time the Lien is incurred (other than assets and property affixed or appurtenant thereto), and the Indebtedness (other than any interest thereon) secured by the Lien may not be incurred more than 18 months after the later of the acquisition, completion of construction, repair, improvement, addition or commencement of full operation of the property subject to the Lien;

(b) Liens existing on the Issue Date;

(c) Liens on assets (including shares of Capital Stock) of another Person at the time such other Person becomes a Subsidiary of such Person (other than a Lien incurred in connection with, or to provide all or any portion of the funds or credit support utilized to consummate, the transaction or series of transactions pursuant to which such Person becomes such a Subsidiary); provided, however, that the Liens may not extend to any other categories of assets owned by such Person or any of its Subsidiaries (other than assets and property affixed or appurtenant thereto);

(j) Liens on the Capital Stock of a Subsidiary that is not a Restricted Subsidiary;

(k) purported Liens evidenced by the filing of precautionary UCC financing statements; and

(l) any extensions, renewals or replacements of any Lien referred to in clauses (a) through (k) without increase of the principal of the Indebtedness secured by such Lien (except to the extent of any fees, premiums or other costs associated with any such extension, renewal or replacement); provided, however, that any Liens permitted by any of clauses (a) through (k) shall not extend to or cover any property of the Company or any of its Restricted Subsidiaries, as the case may be, other than the property specified in such clauses and improvements to such property.

1. Attached hereto as Annex A is a true and correct copy of a specimen note (the "Form of Note") representing the Company's 4.000% Senior Notes Due 2034 (the "Notes"). The Notes are a separate Series of Securities under the Indenture.

The Company is initially issuing €700,000,000 in aggregate principal amount of the Notes. The Company may, without the consent of the Holders, issue additional Securities under the Indenture in the future with the same terms (except for the issue date, price to public and, if applicable, the initial interest payment date) and with the same CUSIP and ISIN number as the Notes in an unlimited aggregate principal amount; provided that if any such additional Securities are not fungible with the Notes for U.S. federal income tax purposes, such additional Securities will have separate CUSIP and ISIN numbers.

2. The Form of Note sets forth certain of the terms required to be set forth in this Officers' Certificate pursuant to Section 2.02 of the Indenture, and said terms are incorporated herein by reference. 5. In addition to the covenants set forth in Article IV of the Indenture, the Notes shall include the following additional covenants, and such additional covenants and the additional Event of Default referred to in Section 6 below shall be subject to Covenant Defeasance pursuant to Section 8.03 of the Indenture:

"Section 4.06 Limitation on Liens.

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur or permit to exist any Lien securing Indebtedness (the "Initial Lien") on any of its properties or assets whether owned at the Issue Date or thereafter acquired, other than Permitted Liens, without effectively providing that the Notes (together with, at the option of the Company, any other Indebtedness of the Company or any of its Subsidiaries ranking equally in right of payment with the Notes) are secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured.

Notwithstanding the foregoing, the Company and its Restricted Subsidiaries may create, assume, incur or guarantee Indebtedness secured by a Lien without equally and ratably securing the Notes; provided that at the time of such creation, assumption, incurrence or guarantee, after giving effect thereto and to the retirement of any Indebtedness that is being retired substantially concurrently with any such creation, assumption, incurrence or guarantee, the sum of (a) the aggregate amount of all outstanding Indebtedness of the Company and its Restricted Subsidiaries secured by Liens other than Permitted Liens and (b) the Attributable Debt associated with all Sale/Leaseback Transactions of the Company and its Restricted Subsidiaries permitted by the last paragraph under Section 4.07, does not at such time exceed the greater of (i) 20% of the Consolidated Net Tangible Assets of the Company measured at the date of incurrence of the Lien and (ii) \$3.0 billion.

Any such Lien thereby created in favor of the Notes will be automatically and unconditionally released and discharged upon (i) the release and discharge of each Initial Lien to which it relates, or (ii) any sale, exchange or transfer to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien.

Section 4.07 Limitation on Sale/Leaseback Transactions.

The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale/Leaseback Transaction with respect to any property unless:

(a) the Company or such Restricted Subsidiary would be entitled to create a Lien on such property securing the Attributable Debt associated with such Sale/Leaseback Transaction without equally and ratably securing the Notes pursuant to Section 4.06;

(b) the net proceeds of the sale of the property to be leased are at least equal to such property's fair market value, as determined by the Company's Board of Directors, and the proceeds are applied within 365 days of the effective date of the Sale/Leaseback Transaction to the purchase, construction, development or acquisition of assets or to the repayment of any Indebtedness of the Company that ranks equally with the Notes or any Indebtedness of one or more Restricted Subsidiaries; provided that the amount required to be applied to the repayment of any such Indebtedness pursuant to this clause (b) shall be reduced by the principal amount of any Notes delivered within 365 days after such sale to the Trustee for retirement and cancellation;

(d) such transaction involves a lease for not more than three years (or which may be terminated by the Company or a Restricted Subsidiary within a period of not more than three years);

(f) such transaction involves a sale and lease of property executed by the time of, or within 18 months after the latest of, the acquisition, the completion of construction or improvement, or the commencement of commercial operation of the property.

Notwithstanding the restrictions outlined in the preceding paragraph, the Company and its Restricted Subsidiaries will be permitted to enter into Sale/Leaseback Transactions without complying with the requirements of the preceding paragraph if, after giving effect thereto, the aggregate amount of all Attributable Debt associated with Sale/Leaseback Transactions not otherwise permitted by the preceding paragraph that is outstanding at such time, together with the aggregate amount of all outstanding Indebtedness secured by Liens permitted under the second paragraph of Section 4.06, does not exceed the greater of (i) 20% of the Consolidated Net Tangible Assets of the Company measured at the date of the Sale/Leaseback Transaction and (ii) \$3.0 billion."

6. In addition to the Events of Default set forth in Section 6.01 of the Indenture, the Notes shall include the following additional Event of Default, which shall be deemed an Event of Default under Section 6.01(7) of the Indenture:

7. For purposes of determining the principal amount of a Security of any Series issued under the Indenture denominated in a currency other than U.S. dollars, such principal amount shall be the U.S. dollar equivalent, as determined by the Company by reference to the noon buying rate in the City of New York for cable transfers for such currency, as such rate is certified for customs purposes by the Federal Reserve Bank of New York on the date of original issuance of such Security, of the principal amount of such Security.

8. For purposes of determining compliance with the conditions to Legal or Covenant Defeasance of the Notes, euros shall be considered "cash" for purposes of Section 8.04(1) of the Indenture. 9. In addition to the definitions set forth in Article I of the Indenture, the Notes shall include the following additional definitions, which, in the event of a conflict with the definition of terms in the Indenture, shall control:

In the case of any lease which is terminable by the lessee upon payment of a penalty, the Attributable Debt shall be the lesser of:

(1) the Attributable Debt determined assuming termination upon the first date such lease may be terminated (in which case the Attributable Debt shall also include the amount of the penalty, but no rent shall be considered as required to be paid under such lease subsequent to the first date upon which it may be so terminated); and

(2) the Attributable Debt determined assuming no such termination.

“Lien” means any mortgage or deed of trust, charge, pledge, lien, privilege, security interest, assignment, easement, hypothecation, claim, preference, priority or other similar encumbrance upon or with respect to any property of any kind (including any conditional sale, capital lease or other title retention agreement); provided, however, that in no event shall an operating lease be deemed to constitute a Lien.

“Permitted Liens” means, with respect to any Person:

(k) purported Liens evidenced by the filing of precautionary UCC financing statements; and

(l) any extensions, renewals or replacements of any Lien referred to in clauses (a) through (k) without increase of the principal of the Indebtedness secured by such Lien (except to the extent of any fees, premiums or other costs associated with any such extension, renewal or replacement); provided, however, that any Liens permitted by any of clauses (a) through (k) shall not extend to or cover any property of the Company or any of its Restricted Subsidiaries, as the case may be, other than the property specified in such clauses and improvements to such property.

Ewout L. Steenbergen and Peter J. Millones do hereby certify that they are the Executive Vice President and Chief Financial Officer, and the Executive Vice President and General Counsel, respectively, of Booking Holdings Inc., a Delaware corporation (the "Company"), and do further certify, pursuant to resolutions of the Board of Directors of the Company adopted on January 22, 2026 (the "Resolutions"), and in accordance with Sections 2.02 and 10.04 of the Indenture (the "Indenture") dated as of August 8, 2017 between the Company and U.S. Bank Trust Company, National Association (as successor in interest to U.S. Bank National Association), as trustee (the "Trustee"), as follows:

1. Attached hereto as Annex A is a true and correct copy of a specimen note (the "Form of Note") representing the Company's 4.500% Senior Notes Due 2039 (the "Notes"). The Notes are a separate Series of Securities under the Indenture.

The Company is initially issuing €600,000,000 in aggregate principal amount of the Notes. The Company may, without the consent of the Holders, issue additional Securities under the Indenture in the future with the same terms (except for the issue date, price to public and, if applicable, the initial interest payment date) and with the same CUSIP and ISIN number as the Notes in an unlimited aggregate principal amount; provided that if any such additional Securities are not fungible with the Notes for U.S. federal income tax purposes, such additional Securities will have separate CUSIP and ISIN numbers.

2. The Form of Note sets forth certain of the terms required to be set forth in this Officers' Certificate pursuant to Section 2.02 of the Indenture, and said terms are incorporated herein by reference. The Notes were offered at an initial public offering price of 98.999% of the principal amount thereof.

3. U.S. Bank Trust Company, National Association shall be the Trustee under the Indenture and the authenticating agent, Registrar and transfer agent for the Notes. U.S. Bank Europe DAC, UK Branch shall be the Paying Agent for the Notes.

4. For purposes of determining compliance with the payment provisions included in Sections 3.05 and 4.01 of the Indenture, the Company shall deposit money sufficient to pay principal, interest, redemption prices and accrued interest prior to 11:00 a.m. (London time) on the day prior to such payment.

5. In addition to the covenants set forth in Article IV of the Indenture, the Notes shall include the following additional covenants, and such additional covenants and the additional Event of Default referred to in Section 6 below shall be subject to Covenant Defeasance pursuant to Section 8.03 of the Indenture:

"Section 4.06 Limitation on Liens.

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur or permit to exist any Lien securing Indebtedness (the "Initial Lien") on any of its properties or assets whether owned at the Issue Date or thereafter acquired, other than Permitted Liens, without effectively providing that the Notes (together with, at the option of the Company, any other Indebtedness of the Company or any of its Subsidiaries ranking equally in right of payment with the Notes) are secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured.

Notwithstanding the foregoing, the Company and its Restricted Subsidiaries may create, assume, incur or guarantee Indebtedness secured by a Lien without equally and ratably securing the Notes; provided that at the time of such creation, assumption, incurrence or guarantee, after giving effect thereto and to the retirement of any Indebtedness that is being retired substantially concurrently with any such creation, assumption, incurrence or guarantee, the sum of (a) the aggregate amount of all outstanding Indebtedness of the Company and its Restricted Subsidiaries secured by Liens other than Permitted Liens and (b) the Attributable Debt associated with all Sale/Leaseback Transactions of the Company and its Restricted Subsidiaries permitted by the last paragraph under Section 4.07, does not at such time exceed the greater of (i) 20% of the Consolidated Net Tangible Assets of the Company measured at the date of incurrence of the Lien and (ii) \$3.0 billion.

Any such Lien thereby created in favor of the Notes will be automatically and unconditionally released and discharged upon (i) the release and discharge of each Initial Lien to which it relates, or (ii) any sale, exchange or transfer to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien.

Section 4.07 Limitation on Sale/Leaseback Transactions.

The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale/Leaseback Transaction with respect to any property unless:

(a) the Company or such Restricted Subsidiary would be entitled to create a Lien on such property securing the Attributable Debt associated with such Sale/Leaseback Transaction without equally and ratably securing the Notes pursuant to Section 4.06;

(b) the net proceeds of the sale of the property to be leased are at least equal to such property's fair market value, as determined by the Company's Board of Directors, and the proceeds are applied within 365 days of the effective date of the Sale/Leaseback Transaction to the purchase, construction, development or acquisition of assets or to the repayment of any Indebtedness of the Company that ranks equally with the Notes or any Indebtedness of one or more Restricted Subsidiaries; provided that the amount required to be applied to the repayment of any such Indebtedness pursuant to this clause (b) shall be reduced by the principal amount of any Notes delivered within 365 days after such sale to the Trustee for retirement and cancellation;

(c) such transaction was entered into prior to the Issue Date;

(d) such transaction involves a lease for not more than three years (or which may be terminated by the Company or a Restricted Subsidiary within a period of not more than three years);

(e) such transaction was for the sale and lease between only the Company and a Subsidiary of the Company or only between Subsidiaries of the Company; or

(f) such transaction involves a sale and lease of property executed by the time of, or within 18 months after the latest of, the acquisition, the completion of construction or improvement, or the commencement of commercial operation of the property.

Notwithstanding the restrictions outlined in the preceding paragraph, the Company and its Restricted Subsidiaries will be permitted to enter into Sale/Leaseback Transactions without complying with the requirements of the preceding paragraph if, after giving effect thereto, the aggregate amount of all Attributable Debt associated with Sale/Leaseback Transactions not otherwise permitted by the preceding paragraph that is outstanding at such time, together with the aggregate amount of all outstanding Indebtedness secured by Liens permitted under the second paragraph of Section 4.06, does not exceed the greater of (i) 20% of the Consolidated Net Tangible Assets of the Company measured at the date of the Sale/Leaseback Transaction and (ii) \$3.0 billion."

6. In addition to the Events of Default set forth in Section 6.01 of the Indenture, the Notes shall include the following additional Event of Default, which shall be deemed an Event of Default under Section 6.01(7) of the Indenture:

"default by the Company or any majority owned Subsidiary in the payment of the principal or interest on any mortgage, agreement or other instrument under which there may be outstanding, or by which there may be secured or evidenced any debt for money borrowed in excess of \$100 million in the aggregate of the Company and/or any Subsidiary, whether such debt now exists or shall hereafter be created, which default results in such debt becoming or being declared due and payable, and such acceleration shall not have been rescinded or annulled within 30 days after written notice of such acceleration has been received by the Company or such Subsidiary."

7. For purposes of determining the principal amount of a Security of any Series issued under the Indenture denominated in a currency other than U.S. dollars, such principal amount shall be the U.S. dollar equivalent, as determined by the Company by reference to the noon buying rate in the City of New York for cable transfers for such currency, as such rate is certified for customs purposes by the Federal Reserve Bank of New York on the date of original issuance of such Security, of the principal amount of such Security.

WHEREAS:

- (A) The Issuer has agreed to issue €600,000,000 aggregate principal amount of its 3.500% Senior Notes due 2030 (the “**2030 Notes**”), €700,000,000 aggregate principal amount of its 4.000% Senior Notes due 2034 (the “**2034 Notes**”), and €600,000,000 aggregate principal amount of its 4.500% Senior Notes due 2039 (the “**2039 Notes**” and, together with the 2030 Notes and the 2034 Notes, the “**Notes**”).
- (B) The Notes are to be constituted by a Base Indenture, dated as of August 8, 2017, by and between the Issuer, as issuer, and the Trustee, as trustee, as supplemented by the Officers’ Certificates relating to the Notes (collectively, the “**Indenture**”), as set out in Appendix 1.
- (C) The Issuer hereby appoints the Paying Agent and the Transfer Agent in accordance with the terms of this Agreement and the Indenture.

IT IS AGREED:

1. INTERPRETATION

1.1 Unless the context otherwise requires:

- (a) References in this Agreement to the payment of principal or interest in respect of any Note shall be deemed to include any additional amounts which may become payable in respect thereof pursuant to the Notes and the Indenture.
- (b) All references in this Agreement to an agreement, instrument, or other document (including this Agreement, the Indenture, and the Notes) shall be construed as a reference to that agreement, instrument, or document as the same may be amended, modified, varied, supplemented, or novated from time to time.

1.2 Except as specifically set forth in this Agreement, this Agreement is for the exclusive benefit of the parties to this Agreement and their respective permitted successors, and shall not be deemed to give, either expressly or implicitly, any legal or equitable right, remedy, or claim to any other entity or person whatsoever.

1.3 This Agreement shall be read together with and interpreted in light of the Indenture. In the event of any conflict or inconsistency between the Indenture and this Agreement, the applicable provisions of the Indenture shall govern.

2. THE REGISTRAR

2.1 [RESERVED]

2.2 On the date of this Agreement, the Trustee, in its capacity as Registrar under the Indenture (the “**Registrar**”), shall provide to the Paying Agent a complete and correct copy of the register maintained by the Registrar in respect of the holders of Notes and the outstanding principal amount of Notes held by each holder of Notes.

2.3 The Registrar shall from time to time provide to the Paying Agent a complete and correct copy of the register of Notes maintained by it as soon as reasonably practicable following any transfer or exchange of any Notes, and promptly on request therefor by the Paying Agent.

2.4 The Paying Agent shall be entitled to treat as conclusive the most recent copy of the register provided to it by the Registrar in accordance with this Agreement.

3. APPOINTMENT OF THE TRANSFER AGENT

3.1 The Transfer Agent is hereby appointed as the agent of the Issuer, to act as transfer agent for the purposes specified in this Agreement, the Indenture, and the Notes, including, inter alia, completing, authenticating, holding, and delivering Notes, upon the terms and subject to the conditions specified herein, the Indenture, and in the Notes, and the Transfer Agent hereby accepts such appointment.

4. APPOINTMENT OF PAYING AGENT

4.1 The Issuer hereby appoints the Paying Agent, and the Paying Agent hereby agrees, to act at its specified office as paying agent in relation to the Notes in accordance with the provisions of this Agreement, the Indenture, and the Notes and upon the terms and subject to the conditions contained in this Agreement, the Indenture, and the Notes.

4.2 The Paying Agent is appointed hereunder for the purposes of:

- (a) paying sums due on the Notes referred to in Section 4.01 of the Indenture; and
- (b) otherwise fulfilling its duties and obligations as set out in this Agreement and the Indenture.

4.3 The Transfer Agent represents and warrants that it is duly authorized and qualified to act as the transfer agent and that it is duly and validly registered as a “transfer agent” in accordance with Section 17A(c) of the Securities Exchange Act of 1934, as amended.

5. PAYMENT

Subject always to the Indenture and, in particular, any restrictions on the Issuer following delivery of a notice of an Event of Default:

- (a) The Issuer shall, not later than 10:00 am (London time) on a day which is one Business Day prior to the Business Day on which any payment in respect of the Notes becomes due, pay to such account of the Paying Agent as the Paying Agent shall specify in Euros in immediately available funds on each due date for the payment of principal and/or interest and/or other amounts referred to in Section 4.01 of the Indenture in respect of the Notes, an amount sufficient (together with any funds then held by the Paying Agent and available for the purpose) to pay all principal and interest and/or other amounts referred to in Section 4.01 of the Indenture due in respect of the Notes on such date; provided that if any such date is not a Business Day, such payment shall be made on the next succeeding date which is a Business Day. As used in this Agreement, "Business Day" shall have the meaning as set forth in the Notes.
- (b) The Issuer hereby authorizes and directs the Paying Agent from funds so paid to the Paying Agent to make payments of all amounts due on the Notes in accordance with the terms of the Notes, the Indenture and the provisions of this Agreement. If any payment provided for in clause 5(a) is made late but otherwise in accordance with the provisions of this Agreement, the Paying Agent shall nevertheless make payments in respect of the Notes as aforesaid following receipt by the Paying Agent of such payment.
- (c) If the Paying Agent has not, on the date on which any payment is due to be made to the Paying Agent pursuant to clause 5(a), received the full amount payable in respect thereof on such date but receives such full amount later, together with accrued interest (if any) in accordance with the Indenture, it shall forthwith so notify the Issuer and the Trustee. Unless and until the full amount of any such principal or interest payment has been made to it, the Paying Agent will not be bound to make such payments.
- (d) Without prejudice to clause 5(b), if the Paying Agent pays out on or after the due date therefor (other than as a result of its own gross negligence or willful misconduct) to persons entitled thereto, or becomes liable to pay out, any amounts on the assumption (which is not negated by reasonable evidence to the contrary) that the corresponding payment by the Issuer has been or will be made, the Issuer shall on demand reimburse the Paying Agent for the relevant amount, and pay interest to the Paying Agent on such amount from (and including) the date on which it is paid out to (but excluding) the date of reimbursement at the rate per annum equal to the cost to the Paying Agent of funding the amount paid out, as certified by the Paying Agent and expressed as a rate per annum.
- (e) Payment of only part of the amount payable in respect of a Note may only be made at the discretion of the holder(s) of such Note (except as the result of a withholding or deduction for or on account of any taxes permitted by the Indenture). If at any time a Paying Agent makes a partial payment in respect of any Note presented to it, it shall inform the Registrar of the same such that the Registrar may record the same on the register of Notes.

6. REPAYMENT

Any sums paid by, or by arrangement with, the Issuer to the Paying Agent pursuant to the terms of this Agreement shall not be required to be repaid to the Issuer unless and until the Notes in respect of which such sums were paid shall have been purchased by the Issuer or any other subsidiary of the Issuer and cancelled, but in any of these events the Paying Agent shall (provided that all other amounts due under this Agreement shall have been duly paid) upon written request by the Issuer forthwith repay to the Issuer sums equivalent to the amounts which would otherwise have been payable on the relevant Notes together with any fees previously paid to the Paying Agent in respect of such Notes. Notwithstanding the foregoing, the Paying Agent shall not be obliged to make any repayment to the Issuer so long as any amounts which under this Agreement should have been paid to, or to the order of, the Paying Agent by the Issuer shall remain unpaid. The Paying Agent shall not, however, be otherwise required or entitled to repay any sums properly received by it under this Agreement.

7. PREPAYMENT; NOTICE OF WITHHOLDING OR DEDUCTION

7.1 The Issuer shall provide to the Paying Agent a copy of all notices of prepayment delivered under the Indenture in respect of the Notes that it serves on the holders of the Notes including, without limitation, details of the date(s) on which such prepayments in respect of the Notes are to be made, all amounts required to be paid by the Issuer in respect thereof in accordance with the Indenture, and the manner in which such prepayment will be effected.

7.2 If:

- (a) the Issuer, in respect of any payment; or
- (b) the Paying Agent, in respect of any payment of principal of or any premium or interest on the Notes,

is required to withhold or deduct any amount for or on account of tax,

(c) the Issuer shall give notice thereof to the Paying Agent and the Trustee within 5 business days of becoming aware of such requirement and shall give to the Paying Agent such information as the Paying Agent requires to enable it to make such deduction or withholding; and

(d) except where such requirement arises as a result of prepayment of the Notes in accordance with the Indenture or by virtue of the relevant holder failing to satisfy any certification or other requirement in respect of its Notes, the Paying Agent shall give notice thereof to the Issuer and the Trustee within 5 business days of becoming aware of the requirement to withhold or deduct.

7.3 In the event that the Issuer determines in its sole discretion that withholding will be required by applicable law in connection with any payment due to the Paying Agent on any Notes, then the Issuer will be entitled to redirect or reorganize any such payment in any way that it sees fit in order that the payment may be made without such withholding, provided that any such redirected or reorganized payment is made through a recognized institution of international standing and otherwise made in accordance with this Agreement, the Indenture, and applicable law. The Issuer will promptly notify the Paying Agent and the Trustee of any such redirection or reorganization.

8. RECORDS

The Paying Agent shall:

- (a) keep a full and complete record of all payments made by it in respect of the Notes; and
- (b) make such records available at all reasonable times to the Issuer and any persons authorized by it, and the Trustee for inspection and for the taking of copies thereof.

9. FEES AND EXPENSES

- 9.1 The Issuer will pay to the Paying Agent and Transfer Agent such fees and expenses in respect of the Paying Agent's and Transfer Agent's services under this Agreement as have been agreed in a separate agreement.
- 9.2 The Issuer will also pay within 60 days of receipt, against presentation of such invoices and receipts as it may reasonably require, all reasonable documented out-of-pocket expenses (including necessary advertising, facsimile and telex transmission, postage and insurance expenses and, subject to prior approval by the Issuer as set forth below, the fees and expenses of legal advisers) properly incurred by the Paying Agent and Transfer Agent in connection with the services under this Agreement, together with any applicable value added tax or similar tax properly chargeable thereon. Payment by the Issuer to the Paying Agent and Transfer Agent of such documented out-of-pocket expenses shall be a good discharge of the obligations of the Issuer in respect thereof. Where the advice of legal counsel is sought by the Paying Agent or Transfer Agent, the fees of any such counsel shall be agreed to by the Issuer (acting reasonably) in advance.

10. INDEMNITY

- 10.1 The Issuer undertakes to indemnify and hold harmless, the Paying Agent and Transfer Agent, and each of their respective directors, officers, employees, or agents (each an "**Indemnified Party**") on demand by such Indemnified Party against any losses, liabilities, costs, fees, expenses, claims, actions, damages, or demands (including, but not limited to, all reasonable costs, charges, and expenses paid or incurred in disputing or defending the foregoing, and the properly incurred fees and expenses of one firm of legal counsel and one local counsel in each jurisdiction where such local counsel is required) which such Indemnified Party may incur or which may be made against it, as a result of or in connection with the appointment or the exercise of or performance of its powers and duties under this Agreement, except such as may result from its own gross negligence, willful misconduct or fraud or that of its directors, officers, employees, or agents.
- 10.2 The indemnity contained in clause 10.1 above shall survive the termination and expiry of this Agreement.

11. CONDITIONS OF APPOINTMENT

- 11.1 The Paying Agent shall (a) hold all sums received from the Issuer in accordance with this Agreement and the Indenture for payment of principal of or any premium or interest on the Notes in trust for the benefit of the Trustee until such sums shall be paid to such persons or otherwise disposed of as provided in this Agreement and the Indenture; provided that the Paying Agent may use such money as a banker in the ordinary course of business and without accounting for profits; (b) give the Trustee notice of any default by the Issuer (or any other obligor upon the Notes) in the making of any payment of principal of or premium or interest on the Notes; and (c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums held by it in trust for payment in respect of the Notes.

- 11.2 No monies held by the Paying Agent need be segregated, except as required by law.
- 11.3 In acting under this Agreement and in connection with the Notes, the Paying Agent and Transfer Agent shall act solely as agents of the Issuer and, save solely in respect of the Paying Agent's obligations under clause 11.1 hereof, shall not have any obligations towards, or relationship of agency or trust with, any of the holders of the Notes or the Trustee.
- 11.4 The Paying Agent and Transfer Agent shall be obliged to perform such duties and only such duties as are specifically set out in this Agreement. No implied duties or obligations shall be read into such document. The Paying Agent and Transfer Agent shall not be obliged to perform any duties additional to or different from such duties resulting from any modification or supplement after the date hereof to any relevant documents (including, without limitation, the Indenture), unless it shall have previously agreed to perform such duties. The Paying Agent and Transfer Agent shall not be under any obligation to take any action hereunder which either party expects, and has thus notified the Issuer in writing, will result in any expense or liability of such Paying Agent or Transfer Agent, the payment of which within a reasonable time is not, in its opinion, assured to it.
- 11.5 Except as ordered by a court of competent jurisdiction or as required by law, the Paying Agent shall be entitled to treat the holder of any Note (as evidenced by the register of Notes maintained by the Registrar) as the absolute owner thereof for all purposes (whether or not it is overdue and notwithstanding any notice to the contrary or any notice of ownership, trust, or any interest in it, any writing on it, or its theft or loss) and shall not be required to obtain any proof thereof or as to the identity of the bearer or holder.
- 11.6 The Paying Agent and Transfer Agent may consult with any legal or other professional advisers (who may be an employee of or legal adviser to the Issuer) selected by it, at the cost of the Issuer, provided that the fees of any such counsel shall be agreed to by the Issuer (acting reasonably) in advance, and the opinion of such advisers shall be full and complete protection in respect of any action taken, omitted, or suffered hereunder in accordance with the written opinion of such advisers.
- 11.7 The Paying Agent and Transfer Agent shall be protected and shall incur no liability for or in respect of any action taken, suffered, or omitted by it in reliance upon any instruction, request, or order from the Issuer or upon any Note, notice, resolution, direction, consent, certificate, affidavit, statement, telex, facsimile transmission, or other document or information from any electronic or other source reasonably believed by it to be genuine and to have been signed or otherwise given or disseminated by the proper party or parties, even if it is subsequently found not to be genuine or to be incorrect.
- 11.8 The Paying Agent and Transfer Agent, whether acting for itself or in any other capacity, will not be precluded from becoming the owner of, or acquiring any interest in, holding, or disposing of any Note or any shares or other securities of the Issuer or any of its subsidiaries, holding, or associated companies (each a "**Connected Company**"), with the same rights as it would have had if it were not acting as Paying Agent or Transfer Agent, as applicable, or from entering into or being interested in any contracts or transactions with any Connected Company or from acting on, or as depository, trustee, or agent for, any committee or body of holders of any securities of any Connected Company and will not be liable to account for any profit.

- 11.9 The Paying Agent shall not be required to make any payments to any holder of a Note if under any laws or regulations affecting the Paying Agent, such payment is not permitted. In the event of any such laws or regulations affecting the Paying Agent coming to the attention of the Paying Agent it shall forthwith notify the Issuer and the Trustee.
- 11.10 The Issuer shall use commercially reasonable efforts to do or cause to be done all such acts, matters and things and shall make available all such documents as shall be necessary or desirable to enable the Paying Agent and Transfer Agent to fully comply with and carry out its respective duties and obligations hereunder.
- 11.11 In no event shall the Paying Agent or Transfer Agent or any of its affiliates or any of their respective officers, directors, employees, agents, advisors, or representatives (collectively, “**Agent Parties**”) have any liability for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses, or expenses (whether in tort, contract or otherwise), except to the extent the liability of the Paying Agent or Transfer Agent is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from the gross negligence, willful misconduct, or fraud of the Paying Agent or Transfer Agent or their Agent Parties.
- 11.12 Notwithstanding anything contained in this Agreement to the contrary, the Paying Agent and Transfer Agent shall not incur any liability for not performing any act or fulfilling any obligation hereunder by reason of any occurrence beyond its control including, without limitation, (i) any governmental activity (whether de jure or de facto), act of authority (whether lawful or unlawful), compliance with any governmental or regulatory order, rule, regulation or direction, curfew restriction, expropriation, compulsory acquisition, seizure, requisition, nationalization, or the imposition of currency or currency control restrictions; (ii) any failure of or the effect of rules or operations of any funds transfer, settlement or clearing system, interruption, loss or malfunction of utilities, communications, or computer services or the payment or repayment of any cash or sums arising from the application of any law or regulation in effect now or in the future, or from the occurrence of any event in the country in which such cash is held which may affect, limit, prohibit, or prevent the transferability, convertibility, availability, payment, or repayment of any cash or sums until such time as such law, regulation, or event shall no longer affect, limit, prohibit, or prevent such transferability, convertibility, availability, payment, or repayment (and in no event, other than as provided in the Notes, shall the Paying Agent be obliged to substitute another currency for a currency whose transferability, convertibility, or availability has been affected, limited, prohibited, or prevented by such law, regulation, or event or be obliged to pay any penalty interest); (iii) any strike or work stoppage, go slow, occupation of premises, other industrial action, or dispute or any breach of contract by any essential personnel; (iv) any equipment or transmission failure or failure of applicable banking or financial systems; (v) any war, armed conflict including but not limited to hostile attack, hostilities, or acts of a foreign enemy; (vi) any riot, insurrection, civil commotion or disorder, mob violence, or act of civil disobedience; (vii) any act of terrorism or sabotage; (viii) any explosion, fire, destruction of machines, equipment or any kind of installation, prolonged breakdown of transport, radioactive contamination, nuclear fusion or fission, or electric current; (ix) any epidemic, natural disaster (such as but not limited to violent storm, hurricane, blizzard, earthquake, landslide, tidal wave, flood, damage or destruction by lightning, or drought); or (x) any other act of God, it being understood that the Paying Agent and Transfer Agent shall use reasonable efforts to resume performance as soon as practicable under the circumstances.

- 11.13 Pursuant to and in accordance with the procedures set forth in Article VIII of the Indenture (i) the Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of the Indenture or for any other purpose, direct the Paying Agent to pay to the Trustee all sums held in trust by the Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Paying Agent; and, upon such payment by the Paying Agent to the Trustee, the Paying Agent shall be released from all further liability with respect to such money, and (ii) any money deposited with the Paying Agent in trust for the payment of the principal of or any premium or interest on the Notes remaining unclaimed for two years after such principal, premium, or interest has become due and payable shall be paid to the Issuer on the Issuer's request and all liability of the Paying Agent with respect to such trust money shall thereupon cease.

12. CHANGES IN PAYING AGENT OR TRANSFER AGENT AND SPECIFIED OFFICES

- 12.1 The Issuer may at any time terminate the appointment of the Paying Agent or Transfer Agent, and appoint additional or other paying agents or registrars. No modifications, amendments, or waivers of either party's obligations hereunder may be made without the written consent of the other party.

Any termination shall be made by giving to the Paying Agent or Transfer Agent and (if different) to the paying agent or transfer agent whose appointment is to be terminated not less than 60 days' written notice to that effect, which notice shall expire not less than 30 days before or after any due date for any payment in respect of Notes. Notwithstanding the foregoing, in the event of a breach of this Agreement by the Paying Agent or Transfer Agent, that is excused under Section 11.12 above, the Issuer shall be entitled to terminate the appointment of the applicable Paying Agent or Transfer Agent upon 5 days' written notice.

- 12.2 The Paying Agent or Transfer Agent may resign its appointment hereunder at any time by giving to the Issuer not less than 60 days' written notice to that effect, which notice shall expire not less than 30 days before or after any due date for any payments in respect of any Notes.
- 12.3 Notwithstanding clauses 12.1 and 12.2, no such termination of the appointment of, or resignation by, the Paying Agent or Transfer Agent shall take effect until a successor has been appointed on terms approved by the Issuer or the Issuer has otherwise approved such resignation without a successor being appointed.
- 12.4 Notwithstanding any other provisions of clause 12.1, the appointment of the Paying Agent or Transfer Agent shall forthwith terminate if at any time such Paying Agent or Transfer Agent becomes incapable of acting, or is adjudged bankrupt or insolvent, or files a voluntary petition for relief under any applicable bankruptcy or insolvency law, or makes an assignment for the benefit of its creditors, or consents to the appointment of a receiver, administrator, or other similar official of it or of all or any substantial part of its property, or admits in writing its inability to pay or meet its debts as they mature or suspends payment thereof, or if a resolution is passed or an order made for its winding up or dissolution, or if a receiver, administrator, or other similar official of it or of all or any substantial part of its property is appointed, or if any order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency law, or if any public officer takes charge or control of such Paying Agent or Transfer Agent or its property or affairs for the purpose of rehabilitation, conservation, administration, or liquidation, or there occurs any analogous event under any applicable law.

- 12.5 On the date on which any such termination or resignation takes effect, the Paying Agent or Transfer Agent shall (i) pay to, or to the order of, its successor (or, if none, the Issuer) any amounts held by it in respect of the Notes which have become due and payable but which have not been presented for payment; and (ii) deliver to its successor (or, if none, the Issuer), or as it may direct, all records maintained by it, pursuant hereto. Following such termination or resignation and pending such payment and delivery, the Paying Agent or Transfer Agent shall hold such amounts, records, and documents in trust for and subject to the order of its successor or, as the case may be, the Issuer.
- 12.6 Any corporation or other entity into which any Paying Agent or Transfer Agent may be merged or converted or any corporation or other entity with which such Paying Agent or Transfer Agent may be consolidated or any corporation or other entity resulting from any merger, conversion, or consolidation to which such Paying Agent or Transfer Agent shall be a party or any corporation or other entity, including affiliated entities, to which the Paying Agent or Transfer Agent shall sell or otherwise transfer: (a) all or substantially all of its assets or (b) all or substantially all of its corporate trust business shall, on the date when the merger, conversion, consolidation, or transfer becomes effective and to the extent permitted by any applicable laws, be the successor Paying Agent or Transfer Agent under this Agreement without any further formality, and after such effective date all references in this Agreement to such Paying Agent or Transfer Agent shall be deemed to be references to such corporation. Notice of any such merger, conversion, consolidation, or transfer shall forthwith be given by the Paying Agent or Transfer Agent to the Issuer and the Trustee.
- 12.7 The Paying Agent or Transfer Agent may change its specified office to another office at any time by giving to the Issuer and the Trustee not less than 60 days' prior written notice to that effect, which notice shall expire not less than 30 days before or after any due date for any payments in respect of any Notes, and which notice shall specify the address of the new specified office and the date upon which such change is to take effect.

13. NOTICES

- 13.1 If the Issuer arranges publication of any notice to the holders of the Notes, it shall, at or before the time of such publication, send copies of each notice so published to the Paying Agent.
- 13.2 The Paying Agent and Transfer Agent shall promptly forward any written notice received by it from any holders of the Notes to the Issuer and the Trustee.
- 13.3 On behalf of and at the request and expense of the Issuer, the Paying Agent shall cause to be published all notices required to be given by the Issuer under the Indenture.

(h) whether Securities of the Series are to be issued as Securities in registered form or as Securities in bearer form or both and, if Securities in bearer form are to be issued, whether coupons will be attached to them, whether Securities in bearer form of the Series may be exchanged for Securities in registered form of the Series, and the circumstances under which and the places at which any such exchanges, if permitted, may be made;

(i) if any Securities of the Series are to be issued as Securities in bearer form or as one or more Global Securities representing individual Securities in bearer form of the Series, whether certain provisions for the payment of additional interest or tax redemptions shall apply; whether interest with respect to any portion of a temporary bearer Security of the Series payable with respect to any Interest Payment Date prior to the exchange of such temporary bearer Security for definitive Securities in bearer form of the Series shall be paid to any clearing organization with respect to the portion of such temporary bearer Security held for its account and, in such event, the terms and conditions (including any certification requirements) upon which any such interest payment received by a clearing organization will be credited to the Persons entitled to interest payable on such Interest Payment Date; and the terms upon which a temporary Security in bearer form may be exchanged for one or more definitive Securities in bearer form of the Series;

(j) the Issuer's obligation, if any, to redeem, purchase or repay the Securities of the Series pursuant to any sinking fund or analogous provisions or at the option of a Holder of such Securities and the price or prices at which, the period or periods within which, and the terms and conditions upon which, Securities of the Series shall be redeemed, purchased or repaid, in whole or in part, pursuant to such obligations;

(k) the terms, if any, upon which the Securities of the Series may be convertible into or exchanged for the Issuer's common stock, preferred stock, depositary shares, other debt securities or warrants for common stock, preferred stock, depositary shares, Indebtedness or other securities of any kind and the terms and conditions upon which such conversion or exchange shall be effected, including the initial conversion or exchange price or rate, the conversion or exchange period and any other additional provisions;

(l) if other than denominations of \$1,000 and any integral multiple thereof, the denominations in which the Securities of the Series shall be issuable;

(m) if the amount of principal, premium or interest with respect to the Securities of the Series may be determined with reference to an index or pursuant to a formula, the manner in which such amounts will be determined;

(n) if the principal amount payable at the Stated Maturity of Securities of the Series will not be determinable as of any one or more dates prior to such Stated Maturity, the amount that will be deemed to be such principal amount as of any such date for any purpose, including the principal amount thereof which will be due and payable upon any Maturity other than the Stated Maturity or which will be deemed to be outstanding as of any such date (or, in any such case, the manner in which such deemed principal amount is to be determined), and if necessary, the manner of determining the equivalent thereof in Dollars;

(o) any changes or additions to Article VIII;

(p) if other than the principal amount thereof, the portion of the principal amount of the Securities of the Series that shall be payable upon declaration of acceleration of the maturity thereof pursuant to Section 6.02 or provable in bankruptcy;

(q) the terms, if any, of the transfer, mortgage, pledge or assignment as security for the Securities of the Series of any properties, assets, moneys, proceeds, securities or other collateral, including whether certain provisions of the Trust Indenture Act are applicable and any corresponding changes to provisions of this Indenture as then in effect;

(r) any addition to or change in the Events of Default with respect to any Securities of the Series and any change in the right of the Trustee or the Holders of such Series of Securities to declare the principal, premium and interest, if any, on such Series of Securities due and payable pursuant to Section 6.02;

(s) if the Securities of the Series shall be issued in whole or in part in the form of a Global Security, the terms and conditions, if any, upon which such Global Security may be exchanged in whole or in part for other individual Securities of such Series in definitive registered form, the Depositary for such Global Security and the form of any legend or legends to be borne by any such Global Security in addition to or in lieu of the Global Securities Legend;

(t) any Trustee, authenticating agent, Paying Agent, transfer agent or Registrar;

(u) the applicability of, and any addition to or change in, the covenants and definitions set forth in Articles IV or V which apply to Securities of the Series;

(v) the terms, if any, of any Guarantee of the payment of principal, premium and interest with respect to Securities of the Series and any corresponding changes to the provisions of this Indenture and as then in effect;

(w) the subordination, if any, of the Securities of the Series pursuant to this Indenture and any changes or additions to the provisions of this Indenture then in effect;

(x) with regard to Securities of the Series that do not bear interest, the dates for certain required reports to the Trustee;

(y) any U.S. Federal Income tax consequences applicable to the Securities; and

(z) any other terms of Securities of the Series (which terms shall not be prohibited by the provisions of this Indenture).

All Securities of any one Series need not be issued at the same time and may be issued from time to time, consistent with the terms of this Indenture, if so provided by or pursuant to the Board Resolution, supplemental indenture or Officers' Certificate referred to above, and the authorized principal amount of any Series may not be increased to provide for issuances of additional Securities of such Series, unless otherwise provided in such Board Resolution, supplemental indenture or Officers' Certificate.

SECTION 2.03. Execution and Authentication. One or more Officers of the Issuer shall sign the Securities on behalf of the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Security is authenticated, the Security shall nevertheless be valid.

A Security shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture. A Security shall be dated the date of its authentication, unless otherwise provided by a Board Resolution, a supplemental indenture or an Officers' Certificate.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in the principal amount provided in the Board Resolution, supplemental indenture hereto or Officers' Certificate, upon receipt by the Trustee of an Issuer Order, an Officers' Certificate delivered in accordance with section 10.04 and an Opinion of Counsel which shall state:

(1) that the form and the terms of such Securities have been established by a supplemental indenture or by or pursuant to a Board Resolution in accordance with Sections 2.01 and 2.02 and in conformity with the provisions of this Indenture;

(2) that such Securities when authenticated and delivered by the Trustee and issued by the Issuer in the manner and subject to any conditions specified in such Opinion of Counsel, will have been duly authorized, executed and delivered, and constitute valid and legally binding obligations of the Issuer, enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws relating to or affecting creditors' rights generally and subject to general principles of equity, including concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether such enforceability is considered in a proceeding in equity or at law; and

(3) that all conditions precedent in respect of the execution and delivery by the Issuer of such Securities have been complied with.

The aggregate principal amount of Securities of any Series outstanding at any time may not exceed any limit upon the maximum principal amount for such Series set forth in the Board Resolution, supplemental indenture hereto or Officers' Certificate delivered pursuant to Section 2.02, except as provided in Section 2.08.

The Trustee may appoint an authenticating agent reasonably acceptable to the Issuer at the Issuer's Expense to authenticate the Securities. Any such appointment shall be evidenced by an instrument signed by a Responsible Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

The Trustee shall have the right to decline to authenticate and deliver any Securities under this Section if the Trustee, being advised by counsel, determines that such action may not lawfully be taken or if the Trustee in good faith shall determine that such action would expose the Trustee to personal liability to existing Holders.

SECTION 2.04. Registrar and Paying Agent. The Issuer shall maintain, with respect to each Series of Securities, at the place or places specified with respect to such Series pursuant to Section 2.02, an office or agency where Securities of such Series may be presented for registration of transfer or for exchange (the "Registrar") and an office or agency where Securities of such Series may be presented for payment (the "Paying Agent"). The Registrar shall keep a register with respect to each Series of Securities and of their transfer and exchange. The Issuer may have one or more co-registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agent and the term "Registrar" includes any co-registrars. The Issuer hereby appoints the Trustee as Registrar and Paying Agent for each Series of Securities unless another Registrar or Paying Agent, as the case may be, is appointed prior to the time Securities of that Series are first issued. In acting hereunder and in connection with the Securities, the Paying Agent and Registrar shall act solely as agents of the Issuer, and will not thereby assume any obligations towards or relationship of agency or trust for or with any Holder of any Series of Securities.

The Issuer shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture, which shall incorporate the terms of the Trust Indenture Act. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee in writing of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Issuer or any of its domestically organized Significant Subsidiaries may act as Paying Agent or Registrar.

The Issuer may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; *provided, however*, that no such removal shall become effective until (1) acceptance of any appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (2) notification is received by the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (1) above. The Registrar or Paying Agent may resign at any time upon written notice.

SECTION 2.05. Paying Agent to Hold Money in Trust. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust, for the benefit of Holders of any Series of Securities, or the Trustee, all money held by the Paying Agent for the payment of principal of or interest on the Series of Securities, and will notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or any of its Significant Subsidiaries) shall have no further liability for the money. If the Issuer or any of its Significant Subsidiaries acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of Holders of any Series of Securities all money held by it as Paying Agent.

SECTION 2.06. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders of each Series of Securities and shall otherwise comply with Trust Indenture Act Section 312(a). If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least ten days before each interest payment date and at such other times as the Trustee may request in writing a list, in such form and as of such date as the Trustee may reasonably require, of the names and addresses of Holders of each Series of Securities.

SECTION 2.07. Transfer and Exchange. Where Securities of a Series are presented to the Registrar or a co-registrar with a request to register a transfer or to exchange them for an equal principal amount of Securities of the same Series, the Registrar shall register the transfer or make the exchange if its requirements for such transactions are met. To permit registrations of transfers and exchanges, the Trustee, upon receipt of an Issuer Order, shall authenticate Securities at the Registrar's request. No service charge shall be made for any registration of transfer or exchange (except as otherwise expressly permitted herein), but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer tax or similar governmental charge payable upon exchanges pursuant to Sections 2.11, 3.06 or 9.05).

Neither the Issuer nor the Registrar shall be required (a) to issue, register the transfer of, or exchange Securities of any Series for the period beginning at the opening of business fifteen days immediately preceding the mailing of a notice of redemption of Securities of that Series selected for redemption and ending at the close of business on the day of such mailing or (b) to register the transfer of or exchange Securities of any Series selected, called or being called for redemption as a whole or the portion being redeemed of any such Securities selected, called or being called for redemption in part.

The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Security, a member of, or a participant in the Depositary or any other Person with respect to the accuracy of the records of the Depositary or its nominee or of any participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depositary) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Securities. All notices and communications to be given to the Holders of the Securities and all payments to be made to Holders under the Securities shall be given or made only to the registered Holders of the Securities (which shall be the Depositary or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the Depositary subject to the applicable rules and procedures of the Depositary. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, participants and any beneficial owners.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security (including any transfers between or among participants in the Depositary or beneficial owners of interests in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

SECTION 2.08. Mutilated, Destroyed, Lost and Stolen Securities. If any mutilated Security is surrendered to the Trustee, the Issuer shall execute and the Trustee, upon receipt of an Issuer Order, shall authenticate and deliver in exchange therefor a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Issuer and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Issuer or the Trustee that such Security has been acquired by a bona fide purchaser, the Issuer shall execute and the Trustee, upon receipt of an Issuer Order, shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security, a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any Series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that Series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 2.09. Outstanding Securities. The Securities outstanding at any time are all the Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest on a Global Security effected by the Trustee in accordance with the provisions hereof and those described in this Section as not outstanding.

If a Security is replaced pursuant to Section 2.08, it ceases to be outstanding until the Trustee receives proof satisfactory to it that the replaced Security is held by a bona fide purchaser.

If the Paying Agent holds at the Maturity of Securities of a Series money sufficient to pay such Securities payable on that date, then on and after that date such Securities of the Series cease to be outstanding and interest on them ceases to accrue.

A Security does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Security.

In determining whether the Holders of the requisite principal amount of outstanding Securities of any Series have given any request, demand, authorization, direction, notice, consent or waiver hereunder, the principal amount of an Original Issue Discount Security that shall be deemed to be outstanding for such purposes shall be the amount of the principal thereof that would be due and payable as of the date of such determination upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02.

SECTION 2.10. Treasury Securities. In determining whether the Holders of the required principal amount of Securities of a Series have concurred in any request, demand, authorization, direction, notice, consent or waiver, Securities of a Series owned by the Issuer shall be disregarded, except that for the purposes of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, consent or waiver only Securities of a Series that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded.

SECTION 2.11. Temporary Securities. Until Definitive Securities are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Issuer Order, shall authenticate temporary Securities upon the Issuer's Order. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and the Trustee, upon receipt of an Issuer Order, shall authenticate Definitive Securities of the same Series and date of maturity in exchange for temporary Securities. Until so exchanged, temporary Securities shall have the same rights under this Indenture as the Definitive Securities.

SECTION 2.12. Cancellation. The Issuer at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Securities surrendered for transfer, exchange, payment, replacement or cancellation in accordance with its procedures and upon the Issuer's written request deliver a certificate of such cancellation to the Issuer. The Issuer may not issue new Securities to replace Securities that it has paid for or delivered to the Trustee for cancellation.

SECTION 2.13. Defaulted Interest. If the Issuer defaults in a payment of interest on a Series of Securities, it shall pay the defaulted interest, plus, to the extent permitted by law, any interest payable on the defaulted interest, to the persons who are Holders of the Series on a subsequent special record date. The Issuer shall fix the record date and payment date. At least 30 days before the record date, the Issuer shall send to the Trustee and to each Holder of the Series a notice that states the record date, the payment date and the amount of interest to be paid. The Issuer may pay defaulted interest in any other lawful manner.

SECTION 2.14. Global Securities.

(a) Terms of Securities. A Board Resolution, a supplemental indenture hereto or an Officers' Certificate shall establish whether the Securities of a Series shall be issued in whole or in part in the form of one or more Global Securities and the Depositary for such Global Security or Securities.

(b) Transfer and Exchange. Notwithstanding any provisions to the contrary contained in Section 2.07 of this Indenture and in addition thereto, any Global Security shall be exchangeable pursuant to Section 2.07 of this Indenture for Securities registered in the names of Holders other than the Depositary for such Security or its nominee only if (i) such Depositary notifies the Issuer that it is unwilling or unable to continue as Depositary for such Global Security or if at any time such Depositary ceases to be a clearing agency registered under the Exchange Act, and, in either case, the Issuer fails to appoint a successor Depositary within 90 days of such event, (ii) the Issuer executes and delivers to the Trustee an Officers' Certificate to the effect that such Global Security shall be so exchangeable or (iii) an Event of Default with respect to the Securities represented by such Global Security shall have happened and be continuing. Any Global Security that is exchangeable pursuant to the preceding sentence shall be exchangeable for Securities registered in such names as the Depositary shall direct in writing in an aggregate principal amount equal to the principal amount of the Global Security with like tenor and terms.

Except as provided in this Section 2.14(b) a Global Security may not be transferred except as a whole by the Depositary with respect to such Global Security to a nominee of such Depositary, by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such a successor Depositary.

(c) Legend. Any Global Security issued hereunder shall bear a legend in substantially the following form:

“THIS GLOBAL SECURITY IS HELD BY THE DEPOSITARY (AS DEFINED IN THE INDENTURE GOVERNING THIS SECURITY) OR ITS NOMINEE IN CUSTODY FOR THE BENEFIT OF THE BENEFICIAL OWNERS HEREOF, AND IS NOT TRANSFERABLE TO ANY PERSON UNDER ANY CIRCUMSTANCES EXCEPT THAT (I) THE TRUSTEE MAY MAKE SUCH NOTATIONS HEREON AS MAY BE REQUIRED PURSUANT TO SECTION 9.05 OF THE INDENTURE, (II) THIS GLOBAL SECURITY MAY BE EXCHANGED IN WHOLE BUT NOT IN PART PURSUANT TO SECTION 2.07 OF THE INDENTURE, (III) THIS GLOBAL SECURITY MAY BE DELIVERED TO THE TRUSTEE FOR CANCELLATION PURSUANT TO SECTION 2.12 OF THE INDENTURE AND (IV) THIS GLOBAL SECURITY MAY BE TRANSFERRED TO A SUCCESSOR DEPOSITARY WITH THE PRIOR WRITTEN CONSENT OF THE ISSUER (AS DEFINED IN THE INDENTURE GOVERNING THIS SECURITY).”

(d) Acts of Holders. The Depositary, as a Holder, may appoint agents and otherwise authorize participants to give or take any request, demand, authorization, direction, notice, consent, waiver or other action which a Holder is entitled to give or take under this Indenture.

(e) Payments. Notwithstanding the other provisions of this Indenture, unless otherwise specified as contemplated by Section 2.02, payment of the principal of and interest, if any, on any Global Security shall be made to the Holder thereof.

(f) Consents, Declaration and Directions. Except as provided in Section 2.14(e), the Issuer, the Trustee and any Agent shall treat a person as the Holder of such principal amount of outstanding Securities of such Series represented by a Global Security as shall be specified in a written statement of the Depositary with respect to such Global Security, for purposes of obtaining any consents, declarations, waivers or directions required to be given by the Holders pursuant to this Indenture.

(g) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depositary.

SECTION 2.15. CUSIP or ISIN Numbers. The Issuer in issuing the Securities may use “CUSIP” or “ISIN” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” or “ISIN” numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of redemption and that reliance may be placed only on the other elements of identification printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in “CUSIP” or “ISIN” numbers.

ARTICLE III

Redemption

SECTION 3.01. Notices to Trustee. The Issuer, with respect to any Series of Securities, may elect to redeem and pay the Series of Securities or may covenant to redeem and pay the Series of Securities or any part thereof prior to the Stated Maturity thereof at such time and on such terms provided for in such Series of Securities. If a Series of Securities is redeemable and the Issuer wants or is obligated to redeem prior to the Stated Maturity thereof all or part of the Series of Securities pursuant to the terms of such Securities, it shall notify the Trustee in writing of the redemption date and the principal amount of Securities of the Series to be redeemed and the redemption price. The Issuer shall give such notice to the Trustee at least 10 days before the redemption notice is to be sent unless the Trustee consents to a shorter period.

SECTION 3.02. Selection of Securities To Be Redeemed. Unless otherwise provided for a particular Series of Securities by a Board Resolution, a supplemental indenture or an Officers' Certificate, if fewer than all the Securities of a particular Series are to be redeemed or purchased, the Trustee shall select the Securities of such Series to be redeemed or purchased pro rata or by lot or by a method that complies with applicable Depositary requirements. The Trustee shall make the selection at least 30 days but no more than 60 days before the redemption date from outstanding Securities of a Series not previously called for redemption. Securities and portions thereof that the Trustee selects shall be in principal amounts of \$1,000 or integral multiples of \$1,000. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Trustee shall promptly notify the Issuer of the Securities (or portions thereof) to be redeemed.

SECTION 3.03. Notice of Redemption. Unless otherwise provided for a particular Series of Securities by a Board Resolution, a supplemental indenture or an Officers' Certificate, at least 30 days but not more than 60 days before a date for redemption of Securities, the Issuer shall send a notice of redemption to each Holder of Securities to be redeemed at such Holder's registered address.

The notice shall identify the Securities to be redeemed and shall state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Security is being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, after the redemption date upon surrender of such Security, a new Security or Securities in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Security;
- (4) the name and address of the Paying Agent;
- (5) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, upon the satisfaction of any conditions to such redemption set forth in the notice of redemption, and unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Securities and/or provision of this Indenture pursuant to which the Securities called for redemption are being redeemed;
- (8) the CUSIP or ISIN number, if any, printed on the Securities being redeemed; and

(9) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Securities.

In addition, if such redemption is subject to the satisfaction of one or more conditions precedent, such notice shall describe each such condition and, if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date stated in such notice, or by the redemption date as so delayed.

At the Issuer's written request in accordance with Section 3.01 hereof, the Trustee shall give the notice of redemption as provided to it in the Issuer's name and at the Issuer's expense. In such event, the Issuer shall provide the Trustee with the information required by this Section.

SECTION 3.04. Effect of Notice of Redemption. Once notice of redemption is sent, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, subject to the satisfaction of any conditions precedent provided in such notice. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice.

Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.05. Deposit of Redemption Price. Prior to 11:00 a.m. (New York City time) on the redemption date for a Series of Securities denominated in Dollars, or as otherwise agreed upon among the Trustee, the Issuer and the paying agent for any Series of Securities denominated in a currency other than Dollars, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Subsidiary of the Issuer is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of, and accrued interest on, all Securities to be redeemed on that date, other than Securities or portions of Securities called for redemption that have been delivered by the Issuer to the Trustee for cancellation; provided, however, that to the extent any such funds are received by the Paying Agent from the Issuer after 11:00 a.m. (New York City time), on such due date, such funds will be distributed to such Persons within one Business Day of receipt thereof. The Paying Agent shall as promptly as practicable return to the Issuer any money deposited with it by the Issuer in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Securities to be redeemed. If such money is then held by the Issuer in trust and is not required for such purpose it shall be discharged from such trust. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 3.06. Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Issuer shall execute and, upon receipt of an Issuer's Order, the Trustee shall authenticate for the Holder (at the Issuer's expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

ARTICLE IV

Covenants

SECTION 4.01. Payment of Securities. The Issuer shall promptly make all payments in respect of each Series of Securities on the dates and in the manner provided in such Series of Securities and in this Indenture. Such payments shall be considered made on the date due if on such date the Trustee or the Paying Agent holds, in accordance with this Indenture, money sufficient to make all payments with respect to such Securities then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

SECTION 4.02. SEC Reports. Unless otherwise provided for a particular Series of Securities in a Board Resolution, a supplemental indenture or an Officers' Certificate, the Issuer shall provide the Trustee and Holders, within the time periods (including any extensions thereof) specified in the SEC's rules and regulations, copies of its annual report and quarterly reports that the Issuer is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Issuer also shall comply with the other provisions of Trust Indenture Act Section 314(a). Notwithstanding the foregoing, the Issuer will be deemed to have furnished such reports to the Trustee and the Holders if the Issuer has filed such reports with the SEC via the EDGAR filing system (or any successor thereto) and such reports are publicly available; provided, however, that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been filed pursuant to the EDGAR filing system (or its successor).

SECTION 4.03. Compliance Certificate. The Issuer shall deliver to the Trustee within 120 days after the end of each Fiscal Year of the Issuer (commencing with the Fiscal Year ended December 31, 2017 or, if later, December 31 of the first fiscal year during which Securities are issued under this Indenture) an Officers' Certificate stating that in the course of the performance by the signers of their duties as Officers of the Issuer they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If they do, the certificate shall describe the Default, its status and what action the Issuer is taking or proposes to take with respect thereto. The Issuer also shall comply with Trust Indenture Act Section 314(a)(4).

SECTION 4.04. Further Instruments and Acts. The Issuer shall execute and deliver to the Trustee such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.05. Original Issue Discount. In the case of Original Discount Securities, the Issuer shall file with the Trustee promptly at the end of each calendar year (i) a written notice specifying the amount of original issue discount (including daily rates and accrual periods) accrued on Outstanding Securities as of the end of such year and (ii) such other specific information relating to such original issue discount as may then be relevant under the Internal Revenue Code of 1986, as amended from time to time.

ARTICLE V

Successor Companies

SECTION 5.01. Merger and Consolidation. Unless otherwise provided for a particular Series of Securities in a Board Resolution, a supplemental indenture or an Officers' Certificate, the Issuer shall not consolidate with or merge with or into, or convey, transfer or lease all or substantially all its properties and assets to, any Person unless:

(i) the resulting, surviving or transferee Person (the "Successor Company") shall be a corporation or limited liability company organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, and the Successor Company (if not the Issuer) shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of the Issuer under the Securities and this Indenture;

(ii) immediately after giving effect to such transaction no Event of Default shall have occurred and be continuing; and

(iii) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

The Successor Company shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture (as modified or supplemented by a Board Resolution, a supplemental indenture or an Officers' Certificate), and the predecessor Issuer, except in the case of a lease of all or substantially all of its assets, shall be released from the obligation to pay the principal of and interest on the Securities.

ARTICLE VI

Defaults And Remedies

SECTION 6.01. Events of Default. Unless otherwise provided for a particular Series of Securities by a Board Resolution, a supplemental indenture or an Officers' Certificate, each of the following constitutes an "Event of Default" with respect to each Series of Securities:

(1) the Issuer's default in any payment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), or premium, if any, on any Security of that Series when such amount becomes due and payable at Stated Maturity, upon acceleration, required redemption or otherwise;

(2) the Issuer's failure to pay interest on any Security of that Series when such interest becomes due and payable, and such failure continues for a period of 30 days;

- (3) the Issuer fails to comply with Section 5.01;
- (4) the Issuer fails to comply with any of its covenants or agreements contained in the Securities of that Series or this Indenture (other than those referred to in (1), (2), or (3) above) and such failure continues for 60 days after the notice specified below;
- (5) the Issuer or a Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:
 - (A) commences a voluntary case;
 - (B) consents to the entry of an order for relief against it in an involuntary case;
 - (C) consents to the appointment of a Custodian of it or for any substantial part of its property; or
 - (D) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency; or
- (6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (A) is for relief against the Issuer or a Significant Subsidiary in an involuntary case;
 - (B) appoints a Custodian of the Issuer or a Significant Subsidiary or for any substantial part of its property; or
 - (C) orders the winding up or liquidation of the Issuer or a Significant Subsidiary or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term “Bankruptcy Law” means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term “Custodian” means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default under clause (4) above is not an Event of Default with respect to any Series of Securities until the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities of that Series notify the Issuer of the Default and the Issuer does not cure such Default within the time specified in clause (4) after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a “Notice of Default.”

The Issuer shall deliver to the Trustee, within 30 days after the Issuer first gains knowledge of the occurrence thereof, written notice in the form of an Officers' Certificate of any event which with the giving of notice or the lapse of time would become an Event of Default, its status and what action the Issuer is taking or proposes to take with respect thereto (*provided that*, solely with respect to an Event of Default under clause (5) or (6) above, no such status or description of action is required).

SECTION 6.02. Acceleration. If an Event of Default with respect to any Series of Securities at the time outstanding (other than an Event of Default specified in Section 6.01(5) or (6) with respect to the Issuer) occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the outstanding Securities of that Series by written notice to the Issuer (and to the Trustee if such notice is given by the Holders), may declare the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on all the Securities of that Series to be due and payable. Upon such a declaration, such amounts shall be due and payable immediately. If an Event of Default specified in Section 6.01(5) or (6) with respect to the Issuer occurs, the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on all the Securities of each Series of Security shall *ipso facto* become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Holders of a majority in principal amount of the Securities of any Series of Securities by written notice to the Trustee may rescind an acceleration of that Series of Securities and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default with respect to such Series of Securities have been cured or waived except nonpayment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on all Securities of that Series that has become due solely because of acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies. If an Event of Default with respect to any Series of Securities occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on the Securities of that Series or to enforce the performance of any provision of the Securities of that Series or this Indenture.

The Trustee may institute and maintain a suit or legal proceeding even if it does not possess any of the Securities of a Series or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default with respect to any Series of Securities shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.04. Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the Securities of any Series then outstanding may by written notice to the Trustee waive an existing Default and its consequences except (i) a Default in the payment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on a Security of that Series, (ii) a Default arising from the failure to redeem or purchase any Security of that Series when required pursuant to the terms of this Indenture or (iii) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder of that Series affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority. The Holders of a majority in principal amount of the outstanding Securities of any Series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee with respect to that Series. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of that Series (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) or that would subject the Trustee to personal liability; *provided, however*, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification and/or security satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits. Except to enforce the right to receive payment of the principal amount of (or, in the case of Original Issue Discount Securities, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on a Security of any Series when due, no Holder of a Security of that Series may pursue any remedy with respect to this Indenture or the Securities of that Series unless:

- (1) the Holder previously gave the Trustee written notice stating that an Event of Default with respect to that Series is continuing;
- (2) the Holders of at least 25% in principal amount of the outstanding Securities of that Series make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders of that Series offer to the Trustee security and/or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (5) the Holders of a majority in principal amount of the outstanding Securities of that Series do not give the Trustee a direction inconsistent with such request during such 60-day period.

A Holder of Securities of any Series may not use this Indenture to prejudice the rights of another Holder of that Series or to obtain a preference or priority over another Holder of that Series (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of the principal amount of (or, in the case of Original Issue Discount Securities, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on the Securities held by such Holder, on or after their Maturity, or to bring suit for the enforcement of any such payment on or after their Maturity, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07 to cover the costs and expenses of collection, including the reasonable compensation, expenses disbursement and advances of the Trustee, its agents and its counsel.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Issuer or any of its Subsidiaries, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

SECTION 6.10. Priorities. If the Trustee collects any money or property pursuant to this Article VI with respect to any Series of Securities, it shall pay out the money or property in the following order:

FIRST: costs and expenses of collection, including all sums paid or advanced by the Trustee hereunder and the compensation, expenses and disbursements of the Trustee, its agents and its counsel and all other amounts due to the Trustee under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Securities of that Series for the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities of that Series for the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest, respectively; and

THIRD: to the Issuer.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing, by any party litigant in the suit, of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Securities of any Series.

SECTION 6.12. Waiver of Stay or Extension Laws. The Issuer (to the extent it may lawfully do so) shall not at any time insist upon, plead, or in any manner whatsoever claim to take the benefit or advantage of, any stay or extension law, wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII

Trustee

SECTION 7.01. Duties of Trustee. (a) If an Event of Default has occurred and is continuing with respect to any Series of Securities, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise thereof as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default with respect to any Series of Securities:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture with respect to the Securities of that Series, as modified or supplemented by a Board Resolution, a supplemental indenture or an Officers' Certificate and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may, with respect to Securities of that Series, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions specifically required by the terms hereof, the Trustee shall examine the certificates and opinions to determine whether they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to the provisions of this Section.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Trustee need not be segregated from funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section and to the provisions of the Trust Indenture Act.

(i) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Securities of any series, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series.

SECTION 7.02. Rights of Trustee. (a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act or perform duties hereunder through agents or attorneys and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities, shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, direction, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall not be deemed to have notice or charged with knowledge of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received from the Issuer or any Holders of such Securities by the Trustee at the Corporate Trust Office of the Trustee, and such notice references such Securities, the Issuer, and this Indenture.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security and/or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by the Trustee in compliance with such request or direction.

(j) The Trustee may from time to time request that the Issuer deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to the Indenture, which Officers' Certificate may be signed by any persons authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The permissive right of the Trustee to take any action under this Indenture shall not be construed as a duty to so act.

(l) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) Any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution.

(n) Whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate.

(o) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Securities, it shall not be accountable for the Issuer's use or application of the proceeds from the Securities, it will not be responsible for the use or application of any money received by any Paying Agent (other than itself as Paying Agent), and it shall not be responsible for any statement in this Indenture, in the Securities, or in any document executed in connection with the sale of the Securities, other than those set forth in a Trustee's certificate of authentication.

SECTION 7.05. Notice of Defaults. If a Default with respect to Securities of any Series occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall mail to each Holder of that Series notice of the Default within 90 days after it occurs. Except in the case of a Default with respect to Securities of any Series in payment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on any Security of that Series, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of Holders.

SECTION 7.06. Reports by Trustee to Holder. As promptly as practicable after each May 15 beginning with the first May 15 after the issuance of Securities pursuant to this Indenture, for so long as Securities remain outstanding, the Trustee shall mail to each Holder a brief report dated as of such reporting date that complies with Section 313(a) of the Trust Indenture Act. The Trustee shall also comply with Section 313(b) of the Trust Indenture Act.

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange (if any) on which the Securities are listed. The Issuer agrees to notify promptly the Trustee in writing whenever the Securities become listed on any stock exchange and of any delisting thereof.

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time such compensation for its services as the Issuer and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by it, including costs of collection, costs of preparation and sending of notices to Holders and reasonable costs of counsel retained by the Trustee and any predecessor trustee or their agents or otherwise in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer shall indemnify the Trustee or any predecessor Trustee and their agents against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees) incurred by or in connection with the administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing the Indenture (including this Section 7.07) and of defending itself against any claims (whether asserted by any Holder, the Issuer or otherwise). The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon a Responsible Officer obtaining actual knowledge thereof; *provided, however*, that any failure so to notify the Issuer shall not relieve the Issuer of its indemnity obligations hereunder. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct or gross negligence (as finally adjudicated by a court of competent jurisdiction).

To secure the Issuer's payment obligations in this Section, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay the principal of and interest and any liquidated damages on particular Securities.

The Issuer's payment obligations pursuant to this Section shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any bankruptcy law or the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(5) or (6) with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

SECTION 7.08. Replacement of Trustee. The Trustee may resign at any time with respect to the Securities of any Series by so notifying the Issuer. The Holders of a majority in principal amount of the Securities of any Series may remove the Trustee and may appoint a successor Trustee with respect to such Series of Securities. The Issuer shall remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns, is removed by the Issuer or by the Holders of a majority in principal amount of the Securities of any Series and such Holders do not reasonably promptly appoint a successor Trustee or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Securities may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders of that Series of Securities. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Securities of that Series may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, after written notice hereto, the Holders of at least 10% in principal amount of that Series of Securities may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate-trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and if at that time any of the Securities shall not have been authenticated, any such successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of Trust Indenture Act Section 310(a). The Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with Trust Indenture Act Section 310(b); *provided, however*, that there shall be excluded from the operation of Trust Indenture Act Section 310(b) (1) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Issuer are outstanding if the requirements for such exclusion set forth in Trust Indenture Act Section 310(b)(1) are met.

SECTION 7.11. Preferential Collection of Claims Against the Issuer. The Trustee shall comply with Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or has been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated.

ARTICLE VIII

Legal Defeasance And Covenant Defeasance

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Issuer may, at the option of its Board of Directors evidenced by resolutions set forth in an Officers' Certificate, at any time, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Securities of any Series upon compliance with the conditions set forth below in this Article VIII.

Unless otherwise provided for in a Board Resolution, a supplemental indenture or an Officers' Certificate, when (a) the Issuer has delivered to the Trustee for cancellation all Securities of a Series or (b) all outstanding Securities of a Series not theretofore delivered to the Trustee for cancellation shall have become due and payable, or are by their terms to become due and payable within one year or are to be called for redemption within one year, and the Issuer shall have deposited with the Trustee as trust funds the entire amount sufficient to pay at maturity or upon redemption of all outstanding Securities of the Series, and if, in either case, the Issuer shall also pay or cause to be paid all other sums payable under the Indenture by the Issuer, then the Indenture shall cease to be of further effect with respect to such Securities of such Series. The Trustee shall acknowledge satisfaction and discharge of the Indenture on demand of the Issuer accompanied by an Officers' Certificate and an Opinion of Counsel and at the cost and expense of the Issuer.

SECTION 8.02. Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02 with respect to any Series of Securities, the Issuer shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from its obligations with respect to all outstanding Securities of that Series on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Securities of that Series, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all its other obligations under such Securities and this Indenture with respect to such Securities of such Series (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders of outstanding Securities of that Series to receive solely from the trust fund described in Section 8.04 hereof, and as more fully set forth in such Section, payments in respect of the principal of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and interest on such Securities when such payments are due;

(b) the Issuer's obligations with respect to such Securities of that Series under Article II; and

(c) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuer's obligations in connection therewith; and this Article VIII.

(d) Subject to compliance with this Article VIII, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

SECTION 8.03. Covenant Defeasance. Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03 with respect to any Series of Securities, the Issuer shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from its obligations under the covenants contained in a Board Resolution, a supplemental indenture or an Officers' Certificate with respect to the outstanding Securities of that Series on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that Series shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Securities of that Series, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default with respect to such Securities under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof with respect to any Series of Securities, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) and 6.01(4) hereof shall not constitute Events of Default with respect to such Securities.

SECTION 8.04. Conditions to Legal or Covenant Defeasance. The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Securities:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to any Series of Securities:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of that Series of Securities, cash in U.S. dollars (or the currency in which Securities of that Series is denominated), non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized independent registered public accounting firm, to pay the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and interest on the outstanding Securities of that Series on the stated date for payment thereof or on the applicable redemption date, as the case may be;

(2) in the case of an election under Section 8.02 hereof, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that:

(a) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling; or

(b) since the date of this Indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Securities of that Series will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same time as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the Holders of the outstanding Securities of that Series will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default with respect to that Series of Securities shall have occurred and be continuing either:

(a) on the date of such deposit (other than a Default or Event of Default with respect to that Series of Securities resulting from the borrowing of funds to be applied to such deposit); or

(b) insofar as Section 6.01(5) or 6.01(6) hereof is concerned, at any time in the period ending on the 91st day after the date of deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Issuer or any of its Significant Subsidiaries are a party or by which the Issuer or any of its Significant Subsidiaries are bound;

(6) the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that on the 91st day following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally;

(7) the Issuer shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders of that Series of Securities over any other creditors of the Issuer or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Issuer or others; and

(8) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

SECTION 8.05. Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of any outstanding Series of Securities shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Securities of that Series.

Anything in this Article VIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the written request of the Issuer any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized independent registered public accounting firm expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06. Repayment to the Issuer. Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Security and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuer on its written request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Security shall thereafter look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

SECTION 8.07. Reinstatement. If the Trustee or Paying Agent is unable to apply any currency or non-callable Government Securities in accordance with Section 8.02 or 8.03 thereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*; that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE IX

Amendments

SECTION 9.01. Without Consent of Holders. The Issuer and the Trustee may amend this Indenture or the Securities without notice to or consent of any Holder:

- (1) to evidence the succession of another Person to the Issuer pursuant to Article V and the assumption by such successor of the Issuer's covenants, agreements and obligations in this Indenture and in the Securities;
- (2) to surrender any right or power conferred upon the Issuer by this Indenture, to add to the covenants of the Issuer such further covenants, restrictions, conditions or provisions for the protection of the Holders of all or any Series of Securities as the Board of Directors of the Issuer shall consider to be for the protection of the Holders of such Securities, and to make the occurrence, or the occurrence and continuance, of a default in respect of any such additional covenants, restrictions, conditions or provisions a Default or an Event of Default under this Indenture; *provided, however*; that with respect to any such additional covenant, restriction, condition or provision, such amendment may provide for a period of grace after default, which may be shorter or longer than that allowed in the case of other Defaults, may provide for an immediate enforcement upon such Default, may limit the remedies available to the Trustee upon such Default or may limit the right of Holders of a majority in aggregate principal amount of the Securities of any Series to waive such default;
- (3) to cure any ambiguity or correct or supplement any provision contained in this Indenture, in any supplemental indenture or in any Securities that may be defective or inconsistent with any other provision contained therein;
- (4) to convey, transfer, assign, mortgage or pledge any property to or with the Trustee, or to make such other provisions in regard to matters or questions arising under this Indenture as shall not adversely affect in any material respect the interests of any Holders of Securities of any Series;

(5) to modify or amend this Indenture in such a manner as to permit or maintain the qualification of this Indenture or any supplemental indenture under the Trust Indenture Act as then in effect;

(6) to add or to change any of the provisions of this Indenture to provide that Securities in bearer form may be registrable as to principal, to change or eliminate any restrictions on the payment of principal or premium with respect to Securities in registered form or of principal, premium or interest with respect to Securities in bearer form, or to permit Securities in registered form to be exchanged for Securities in bearer form, so as to not adversely affect the interests of the Holders of Securities or any coupons of any Series in any material respect or permit or facilitate the issuance of Securities of any Series in uncertificated form;

(7) in the case of subordinated Securities, to make any change in the provisions of this Indenture or any supplemental indenture relating to subordination that would limit or terminate the benefits available to any holder of senior Indebtedness under such provisions (but only if each such holder of senior Indebtedness consents to such change);

(8) to add Guarantees with respect to the Securities or to secure the Securities;

(9) to make any change that does not adversely affect the rights of any Holder in any material respect;

(10) to add to, change or eliminate any of the provisions of this Indenture with respect to one or more Series of Securities, so long as any such addition, change or elimination not otherwise permitted under this Indenture shall (A) neither apply to any Security of any Series created prior to the execution of such supplemental indenture and entitled to the benefit of such provision nor modify the rights of the Holders of any such Security with respect to the benefit of such provision or (B) become effective only when there is no such Security outstanding;

(11) to evidence and provide for the acceptance of appointment by a successor or separate Trustee with respect to the Securities of one or more Series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of this Indenture by more than one Trustee; or

(12) to establish the form or terms of Securities and coupons of any Series pursuant to Article II.

SECTION 9.02. With Consent of Holders. Subject to certain exceptions, this Indenture or the Securities may be amended with the consent of the holders of at least a majority in principal amount of the Securities of all Series under this Indenture then outstanding and affected by such amendment, voting as a single class (including consent obtained in connection with a purchase of, or tender offer or exchange offer for, Securities). However, without the consent of each holder of an outstanding Security affected, no amendment may:

(1) make any change to the percentage of principal amount of the outstanding Securities of any Series, the consent of whose Holders is required for any amendment, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture;

- (2) reduce the principal amount of, premium, if any, or interest on, or extend the Stated Maturity or interest payment periods of, any Security;
- (3) make any Security payable in money or securities other than those stated in the Security;
- (4) make any change that adversely affects such Holder's right to require the Issuer to purchase the Securities in accordance with the terms thereof and this Indenture;
- (5) impair the right of any Holder to institute suit for the enforcement of any payment with respect to the Securities;
- (6) in the case of any subordinated Securities, or coupons appertaining thereto, make any change in the provisions of this Indenture relating to subordination that adversely affects the rights of any Holder under such provisions; or
- (7) make any change in Section 6.04 or 6.07 or the second sentence of this Section 9.02.

It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof. After an amendment under this Section becomes effective, the Issuer shall send to all affected Holders a notice briefly describing such amendment. The failure to give such notice to all such Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

SECTION 9.03. Compliance with Trust Indenture Act. Every amendment to this Indenture or the Securities shall comply with the Trust Indenture Act as then in effect.

SECTION 9.04. Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives the written notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective once both (i) the requisite number of consents have been received by the Issuer or the Trustee and (ii) such amendment or waiver has been executed by the Issuer and the Trustee.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.05. Notation on or Exchange of Securities. If an amendment changes the terms of a Security, the Trustee may require the Holder of the Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Security shall issue and the Trustee shall, upon receipt of an Issuer Order, authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment.

SECTION 9.06. Trustee To Sign Amendments. The Trustee shall sign any amendment authorized pursuant to this Article IX if the amendment does not affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall receive indemnity and/or security satisfactory to it, and (subject to Section 7.01) shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel stating that such amendment is authorized or permitted by this Indenture and that such amendment is the legal, valid and binding obligation of the Issuer enforceable against it in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03).

SECTION 9.07. Payment for Consent. Neither the Issuer nor any Affiliate of the Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Securities unless such consideration is offered to be paid to all Holders of such Series of Securities, ratably, that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

The Trustee agrees to accept and act upon instructions and directions pursuant to this Indenture sent by unsecured e-mail, PDF, facsimile transmission or other similar unsecured electronic methods; *provided, however*, that the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. The Trustee agrees to accept and act upon instructions or directions in the form of an Officers' Certificate pursuant to this Indenture sent by unsecured e-mail, PDF, facsimile transmission or other similar unsecured electronic methods. If the Issuer elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Issuer agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 10.03. Communication by Holders with Other Holders. Holders may communicate pursuant to Trust Indenture Act Section 312(b) with other Holders with respect to their rights under this Indenture or the Securities. The Issuer, the Trustee, the Registrar and anyone else shall have the protection of Trust Indenture Act Section 312(c).

SECTION 10.04. Certificate and Opinion as to Conditions Precedent. Upon any request or application by the Issuer to the Trustee to take or refrain from taking any action under this Indenture, the Issuer shall furnish to the Trustee:

(1) an Officers' Certificate of the Issuer stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with; and

(2) an Opinion of Counsel stating that, in the opinion of such counsel, all such conditions precedent have been complied with.

SECTION 10.05. Statements Required in Certificate or Opinion. Each certificate or opinion with respect to compliance with a covenant or condition provided for in this Indenture shall include:

(1) a statement that the individual making such certificate or opinion has read such covenant or condition;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of such individual, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(4) a statement as to whether or not, in the opinion of such individual, such covenant or condition has been complied with.

SECTION 10.06. When Securities Disregarded. In determining whether the Holders of the required principal amount of Securities have concurred in any direction, waiver or consent, Securities owned by the Issuer, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer, shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Securities which a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Subject to the foregoing, only Securities outstanding at the time shall be considered in any such determination.

SECTION 10.07. Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by or a meeting of Holders. The Registrar and the Paying Agent may make reasonable rules for their functions.

SECTION 10.08. Legal Holidays. A “Legal Holiday” is a Saturday, Sunday or other day on which banking institutions in New York state or other place of payment are authorized or required by law to close. If a payment date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

SECTION 10.09. Governing Law. THIS INDENTURE AND THE SECURITIES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

SECTION 10.10. No Recourse Against Others. A director, officer, employee or stockholder, as such, of the Issuer shall not have any liability for any obligations of the Issuer under the Securities or this Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Security, each Holder shall waive and release all such liability. The waiver and release shall be part of the consideration for the issuance of the Securities.

SECTION 10.11. Successors. All agreements of the Issuer in this Indenture and the Securities shall bind its successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 10.12. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. One signed copy of the Indenture is enough to prove this Indenture. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture and signature pages for all purposes.

SECTION 10.13. Table of Contents; Headings. The table of contents, cross-reference sheet and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 10.14. Severability. If any provision or portion thereof in this Indenture or any Series of Securities is deemed unenforceable, it shall not affect the validity or enforceability of any other provision or portion thereof set forth herein, or of the Indenture as a whole.

SECTION 10.15. Waiver of Jury Trial. EACH OF THE ISSUER AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 10.16. Force Majeure. The Trustee shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Trustee (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God or war, civil unrest, local or national disturbance or disaster, any act of terrorism, or the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

SECTION 10.17. U.S.A. Patriot Act. In order to comply with the laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including, without limitation, those relating to the funding of terrorist activities and money laundering, including Section 326 of the USA PATRIOT Act of the United States ("Applicable Law"), the Trustee is required to obtain, verify, record and update certain information relating to individuals and entities which maintain a business relationship with the Trustee. Accordingly, the Issuer agrees to provide to the Trustee, upon its request from time to time, such identifying information and documentation as may be available for the Issuer in order to enable the Trustee to comply with Applicable Law.

IN WITNESS WHEREOF, the parties have caused this Indenture to be duly executed as of the date first written above.

In rendering this opinion, we have assumed, with your consent and without independent investigation or verification, (a) the genuineness of all signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals and the conformity to authentic original documents of all documents submitted to us as duplicates or copies and (b) that the Indenture has been duly authorized, executed and delivered by, and represents a legal, valid and binding obligation of, the Trustee.

We are admitted to practice in the State of New York, and we express no opinion as to matters governed by any laws other than the laws of the State of New York and the Federal laws of the United States of America.

In giving this consent, we do not hereby admit that we are within the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission promulgated thereunder.

Very truly yours,
