[Subject Line] **Update on Annual Meeting and Strategic Alternatives**

Dear Colleagues,

Earlier today, we provided our shareholders with an update on the strategic alternatives review process.

Watch for press release e-mail updates

We will continue to keep you and our shareholders informed as we are able. Unfortunately, there isn't much we can say beyond what we are communicating through our press releases due to regulatory considerations as a public company. We understand there will continue to be ongoing media coverage of the annual meeting and the strategic review process, and we encourage you to speak with your manager should you have questions.

Remain focused on business objectives

It is important to note that no decision has been reached, and we cannot be sure that a transaction will result from the process. While our Board does its work, the best thing we can do is stay focused on serving our customers – internally and externally.

We appreciate your continued hard work and focus

Thank you for your continued focus and support. We appreciate all your efforts.

Sincerely,

Tom
