December 12, 2022

Dear Colleagues,

I wanted to share with you the positive development that Capital Returns Master has decided to withdraw its director nominees. As a result, the proxy contest is over and we expect all seven of Argo's director nominees to be elected at our upcoming Annual Meeting.

What is clear is that our shareholders understand our strategy and have confidence in our ability to execute. Most importantly, these last several months have shined a bright light on your collective abilities to consistently perform at a high level and meet the needs of our customers. That's the foundation for our success, and I couldn't be more proud.

On behalf of the Board and management team, thank you again for your commitment and hard work.

Sincerely,
Tom
