Explanation of Responses:

- (1) Each restricted stock unit ("RSU") represents a contingent right to receive one share of common stock of Infinera Corporation (the "Company").
- (2) The RSUs vest as to one-third of the shares on the one year anniversary of the vesting commencement date, which is February 5, 2020, and 1/12th quarterly thereafter, subject to Mr. Walden's continuous status as a service provider through each applicable vest date.
- (3) On March 13, 2017, Mr. Walden was granted a performance share unit ("PSU") award for a target number of 6,667 shares of common stock that could become eligible to vest in three equal separate installments, subject to the achievement of certain performance criteria in each of the three different performance periods. The shares are eligible to vest based on the total stockholder return ("TSR") performance of the Company in each performance period relative to that of the companies that comprise S&P North American Technology Multimedia Networking Index (the "S&P Networking Index"). The performance objective related to this award was partially achieved for the third and final performance period, as determined by the compensation committee per the terms of the original grant. As a result, 1,169 shares of common stock underlying this award will vest on May 5, 2020, subject to Mr. Walden's continuous status as a service provider through such date.
- (4) On March 12, 2018, Mr. Walden was granted a PSU award for a target number of 7,772 shares of common stock that could become eligible to vest in three equal separate installments, subject to the achievement of certain performance criteria in each of the three different performance periods. The shares are eligible to vest based on the TSR performance of the Company in each performance period relative to that of the companies that comprise the S&P Networking Index. The performance objective related to this award was partially achieved for the second performance period, as determined by the compensation committee per the terms of the original grant. As a result, 2,220 shares of common stock underlying this award will vest on May 5, 2020, subject to Mr. Walden's continuous status as a service provider through such date.
