SYNNEX Announces Fourth Quarter Fiscal 2018 Revenue and Non-GAAP EPS to be Above Prior Outlook

Final Results to be Released on January 10, 2019

Fremont, California - December 10, 2018 - SYNNEX Corporation (NYSE: SNX), a leading business process services company, today announced that it expects Fourth Quarter Fiscal 2018 Revenue to be in the range of \$5.5 billion to \$5.6 billion, exceeding the high end of the previously issued outlook range of \$5.2 billion to \$5.4 billion. The company expects non-GAAP diluted earnings per share to be in the range of \$3.20 to \$3.30, exceeding the previously announced outlook range of \$2.90 to \$3.10. Non-GAAP financial measures exclude the amortization of intangibles, acquisition-related and integration expenses and the related tax effect thereon, and adjustments related to repatriation tax and the remeasurement of deferred taxes. Expected fourth quarter results are preliminary and subject to SYNNEX's management and independent auditors completing their customary quarterly and year end procedures.

“Excellent execution in both of our business segments and stable market conditions led to our very strong performance,” stated Dennis Polk, President and Chief Executive Officer of SYNNEX Corporation. “Our Technology Solutions division saw solid results across the board while our Concentrix business is executing to plan on the integration of Convergys, with excellent performance from the underlying businesses. We are delighted that results for the fourth quarter of 2018 will exceed our expectations.”

SYNNEX looks forward to providing final fourth quarter fiscal 2018 results on January 10, 2019.
