### **IAMGOLD DECLARES SEMI-ANNUAL DIVIDEND OF \$0.125 PER COMMON SHARE**

*All amounts are expressed in US dollars, unless otherwise indicated.*

**Toronto, Ontario, June 4, 2013 – IAMGOLD Corporation** (“IAMGOLD” or the “Company”) today declared a semi-annual dividend payment in the amount of \$0.125 per common share that will be paid on July 12, 2013, to shareholders of record as of the close of trading on July 3, 2013. This represents more than a 4% dividend yield based on the average closing value of the Company’s common shares over the last 20 days.

IAMGOLD’s President and CEO, Steve Letwin said, “These are challenging times in the gold sector and shareholders across the sector have seen significant share price declines. At IAMGOLD, we are focused on being disciplined about our capital allocation and are well advanced on our program to reduce costs, which allows us to maintain our dividend payout rate. Today’s dividend declaration reflects our liquidity and the confidence we have in future cash flows for the Company.”

For purposes of subsection 89(14) of the Income Tax Act, the Company designates all dividends payable on July 12, 2013, to be eligible dividends.

#### **Forward Looking Statement**

*This news release contains forward-looking statements. All statements, other than of historical fact, that address activities, events or developments that the Company believes, expects or anticipates will or may occur in the future (including, without limitation, statements regarding expected, estimated or planned gold and niobium production, cash costs, margin expansion, capital expenditures and exploration expenditures and statements regarding the estimation of mineral resources, exploration results, potential mineralization, potential mineral resources and mineral reserves) are forward-looking statements. Forward-looking statements are generally identifiable by use of the words “may”, “will”, “should”, “continue”, “expect”, “anticipate”, “estimate”, “believe”, “intend”, “plan” or “project” or the negative of these words or other variations on these words or comparable terminology. Forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond the Company’s ability to control or predict, that may cause the actual results of the Company to differ materially from those discussed in the forward-looking statements. Factors that could cause actual results or events to differ materially from current expectations include, among other things, without limitation, failure to meet expected, estimated or planned gold and niobium production, cash costs, margin expansion, capital expenditures and exploration expenditures and failure to establish estimated mineral resources, the possibility that future exploration results will not be consistent with the Company’s expectations, changes in world gold markets and other risks disclosed in IAMGOLD’s most recent Form 40-F/Annual Information Form on file with the United States Securities and Exchange Commission and Canadian provincial securities regulatory authorities. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement.*

## **About IAMGOLD**

IAMGOLD ([www.iamgold.com](http://www.iamgold.com)) is a leading mid-tier gold producer with six operating gold mines (including current joint ventures) on three continents. In the Canadian province of Québec, the Company also operates Niobec Inc., one of the world's top three producers of niobium, and owns a rare earth element resource close to its niobium mine.
