- (1) Prime Rate Advances or Base Rate Advances may also be obtained from the Swingline Lender by way of overdraft pursuant to procedures agreed on from time to time between the Borrower and the Swingline Lender up to a maximum outstanding amount expressed in Dollars not exceeding US \$10,000,000. Each Lender must fund its share of each adjustment as required by the Agent and in Section 5.8 (adapted accordingly) shall apply to such funding obligations of the Lenders.
- (5) For greater certainty, (i) this Section 2.2 does not authorize the Agent to allow that Advances owing to any Lender (other than the Lender who is the Swingline Lender) exceed the amount of the Commitment of such Lender under the Credit, and (ii) the aggregate amount of the outstanding Advances (including Advances from the Swingline Lender) may not exceed the amount of the Credit.

The Credit is a revolving credit and the principal amount of any Advance under the Credit that is repaid may be re-borrowed, if the Borrower is otherwise entitled to an Advance under the Credit.

2.4 Use of the Credit

The Credit may be used to finance the (i) general corporate requirements of the Borrower and its Subsidiaries, including acquisitions permitted under this Agreement and issuance of L/Cs, and (ii) repayment of the Second Lien Debt outstanding as of the Effective Date and the Notes issued under the High Yield Notes Indenture dated as of September 23, 2020, but references in this Section to the use of the Credit shall not in any way modify other provisions of this Agreement. Notwithstanding the immediately preceding sentence, the Credit shall not be used (i) to finance a take-over bid or tender offer for the Equity Interests of a Person unless the board of directors (or persons performing similar functions) of the issuer of those Equity Interests has approved the acquisition (it being understood that the use of the Credit to finance the acquisition of Equity Interests of a Person under circumstances that do not constitute a take-over bid or tender offer is not restricted), (ii) for the purpose of accumulating cash in deposit or investment accounts outside of the ordinary course of business, or (iii) for the purpose of repaying any Debt, other than the Second Lien Debt outstanding as of the Effective Date and the Notes issued under the High Yield Notes Indenture dated as of September 23, 2020.

2.5 Term and Repayment

- (1) The Credit shall be repaid in full and cancelled on the Maturity Date.
- (2) (i) In the event of any disposition of Property pursuant to Section 7.5(4)(c)(xi) or any receipt of insurance proceeds in respect of any such Property, or (ii) in the event that any disposition of Property that is permitted hereunder, or to which the Required Lenders or all Lenders, as applicable, have consented to, or any receipt of insurance proceeds requires such net proceeds of disposition or such net insurance proceeds to be applied to the repayment of indebtedness pursuant to the terms of the Second Lien Debt, then, in each case, unless such net proceeds of disposition or such net insurance proceeds are reinvested in the business or Property of the Borrower not later than within 365 days of the receipt of such disposition or insurance proceeds (or such shorter time period set out under the Second Lien Debt, as applicable) and provided that such reinvestment is subject to the Security:
 - (a) with respect to the disposition of any operating mine, or receipt of insurance proceeds in respect thereof, the Credit will be permanently reduced by an amount equivalent to the lesser of (i) the net proceeds of such disposition or such net insurance proceeds, as applicable, and (ii) US \$140,000,000; and
 - (b) the Borrower shall make a prepayment on the outstanding Advances up to the amount of the net proceeds of such disposition or such net insurance proceeds, as applicable, before making any repayment of the Second Lien Debt.

2.6 Interest Rates and Fees

- (1) Interest rates on Prime Rate Advances, Base Rate Advances, CORRA Advances and SOFR Advances and the rates for calculation of L/C Fees and standby fees shall be determined and adjusted based on the Total Net Debt Ratio (the "**Ratio**") as follows:
-

- (6) From the Effective Date until the next Rate Determination Date, the Rates will be at the level determined based on the Compliance Certificate delivered on the Effective Date.
- (7) In addition, a Rate Determination Date will be deemed to occur on the first Business Day of any month following the closing of an acquisition contemplated by Section 7.5(4)(c)(v) (a "**Significant Acquisition**") and the Rates will be modified, if necessary, and determined by the Agent based on the Ratio in effect on the last day of the most recently completed fiscal quarter of the Borrower in respect of which a Compliance Certificate has previously been delivered to the Agent, with such Ratio being calculated after giving effect to such Significant Acquisition and any previous Significant Acquisition not taken into account in such Compliance Certificate. For any day until the next Rate Determination Date on which the Rates will be determined on the basis of a Ratio giving effect to any such acquisition, each such Rate will be as indicated in the column corresponding to such Ratio.
- (8) On each Rate Determination Date, the Agent will be entitled to calculate the Rates relying on the Compliance Certificate furnished in respect of the Borrower for the applicable quarter or in connection with a Significant Acquisition. If, on any Rate Determination Date, the Agent has not yet received such Compliance Certificate, the Rates in effect until the earlier of (i) receipt of a satisfactory Compliance Certificate in respect of such quarter or Significant Acquisition, and (ii) the next Rate Determination Date will be as if the Ratio was greater than or equal to 2.50 to 1. If such Compliance Certificate is furnished before the next Rate Determination Date, then the Agent will calculate the Rates for each day of the period from the delivery date of the Compliance Certificate until the next Rate Determination Date as if such delivery date was the Rate Determination Date applicable to that period.
- (9) The Agent shall distribute interest and fees for the Credit to the Lenders based on their respective Applicable Percentages.

2.7 Other Fees

The Borrower shall, concurrently with the execution of this Agreement, pay non-refundable extension and arrangement fees as separately agreed between the Borrower and the co-lead arrangers in accordance with the applicable Fee Agreement. The Borrower shall also pay agency fees to the Agent and fronting fees relating to L/Cs to the Issuing Bank in accordance with the applicable Fee Agreement.

2.8 Exchange Rate Fluctuations

If fluctuations in rates of exchange in effect between US Dollars and other relevant currencies cause the amount of Advances (expressed in US Dollars) to exceed the maximum amount of the Credit permitted in this Agreement at any time by 5% or more, the Borrower shall immediately pay the Lenders such amount as is necessary to repay the excess above the permitted maximum amount of the Credit. If the Borrower is unable to immediately do so because Interest Periods have not ended or L/Cs are outstanding, the Borrower shall immediately post Cash Collateral with the Agent in the amount of the excess, and that Cash Collateral shall be held as security for the Obligations until the amount of the excess is paid in full. If, on the date of any Advance (whether by rollover, conversion or otherwise), the amount of Advances (expressed in US Dollars) exceeds the maximum amount of the Credit because of fluctuations in rates of exchange, the Borrower shall immediately pay the Lenders the excess and shall not be entitled to any Advance that would result in the amount of the Credit being exceeded.

2.9 Extension of Maturity Date

- (1) The Borrower may request that the Maturity Date be extended for a one-year period by delivering to the Agent a written notice to that effect once per calendar year. If all Lenders who have Commitments agree to the extension request within 45 days from the receipt of such notice, the Agent will notify the Borrower of same and the Maturity Date will be extended for a period of one year from the then current date of the Maturity Date. Subject to Section 2.9(2) below, unless all such Lenders agree to the extension request within said 45 day period, the Maturity Date will not be extended and the Advances under the Credit will be repayable on the then current Maturity Date.
 - (2) If the Required Lenders have agreed to an extension of the Maturity Date within the period specified in Section 2.9(1), the Agent will notify the Borrower of same together with specifying the names of the Lenders who have not provided their consent (the "**Non-Extending Lenders**"). After receipt of such notice and until the 30th day following such notification, the Borrower will be entitled to exercise any of the following options (or a combination of both):
 - (a) the Borrower may require that each such Non-Extending Lender assign its rights under the Credit to another Person who qualifies as an assignee under Section 10.2 and who has agreed to assume the Commitment of such Non-Extending Lender and to consent to the extension, provided that no such assignment and assumption will be effective unless the consideration payable to such Non-Extending Lender for the assignment includes all amounts owed to such Non-Extending Lender in respect of the Credit and is paid to the latter by the assignee; Section 10.2 will apply (adapted accordingly) to the said assignment and assumption;
 - (b) the Borrower may cancel in its entirety the Commitment of each Non-Extending Lender provided that no such cancellation will be effective unless all amounts owed to such Non-Extending Lender in respect of the Credit are paid to the latter;
 - (c) upon written notice to the Agent, the Borrower may elect to maintain the existing Maturity Date applicable to the Commitments of the Non-Extending Lender while extending the Maturity Date applicable to the Commitments of those Lenders that have agreed to the extension request;
 - (d) the Borrower may withdraw the applicable extension request.
 - (3) Any Non-Extending Lender shall provide to the Borrower its full cooperation in facilitating the assignment of the applicable Commitment of such Non-Extending Lender to an assignee permitted hereunder (which assignee may be another Lender, if such assignee Lender accepts such assignment) identified by the Borrower that is ready, willing and able to be an assignee with respect thereto. If an extension request has been made and if, within 45 days after receipt by the Lenders of the notice of the extension request from the Agent, the Required Lenders have not approved in writing the extension of the Maturity Date requested in an extension request, the Maturity Date shall not be extended pursuant to such extension request. The Agent shall promptly notify the Lenders and the Borrower of (y) any extension of the Maturity Date pursuant to this Section 2.9, and (z) any Lender which becomes a Non-Extending Lender.
-

2.10 Adjustments Resulting from Changes in Commitments

- (1) On the Effective Date, (i) the outstanding Advances and other amounts owing to each Exiting Lender will be paid in full, and (ii) the Agent will make such adjustments among the Lenders as may be necessary to ensure that such payment is made and that Advances then outstanding be owing to the Lenders *pro rata* to their Applicable Percentage under the Credit. The provisions of Section 5.8 of the Credit Agreement (adapted accordingly) will apply to the funding then required from any Lender whose Applicable Percentage has increased or decreased. For avoidance of doubt, the Agent shall not make any adjustment that would cause the aggregate amount of the Advances owing to any Lender to exceed the Commitment of such Lender.
 - (2) After payment in full of all Advances and other amounts owing to it under the Existing Credit Agreement (which shall, for the avoidance of doubt, occur on the Effective Date), each Exiting Lender shall cease to be a Lender and be released from its liabilities and obligations under or pursuant to the Existing Credit Agreement and all other Loan Documents.
 - (3) CORRA Loans and SOFR Loans made under the Credit Agreement and outstanding on the Effective Date will be allocated to the Lenders *pro rata* to their Applicable Percentage after giving effect to this Agreement. The provisions of Section 5.8 of the Credit Agreement (adapted accordingly) will apply to the funding then required from any Lender whose Applicable Percentage has increased or decreased. For avoidance of doubt, the Agent shall not make any adjustment that would cause the aggregate amount of the Advances owing to any Lender to exceed the Commitment of such Lender.
 - (4) Letter of Credits issued prior to the Effective Date and outstanding on such date will be allocated to the Lenders *pro rata* to their Applicable Percentage after giving effect to this Agreement and the non-accrued portion of any L/C Fees will be distributed among the Lenders in the same proportion. Any Lender whose Commitment is reduced on the Effective Date is released to the extent of such reduction from any liability from such Letters of Credit.
 - (5) The Lenders will make all such payments as are required by the Agent to give effect to the adjustments contemplated by this Section 2.10.
 - (6) Upon the Effective Date, Macquarie Bank Limited will have the rights and be obligated to perform the obligations of a Lender under the Credit Agreement and will be bound by and entitled to the full benefit of the Credit Agreement and of the other Loan Documents (including the Security Documents) as if it were an original party thereto.
 - (7) The parties hereto acknowledge and agree that each Exiting Lender is a party to and is signing this Agreement solely in its capacity as Exiting Lender and that, after payment in full of all Advances and amounts owing to it under the Existing Credit Agreement (which shall, for the avoidance of doubt, occur on the Effective Date), each Exiting Lender is released and forever discharged in full from all of its liabilities and obligations as a Lender. The parties hereto further acknowledge that each Exiting Lender is no longer a Lender under this Agreement and is thus under no obligation to provide financial accommodation to the Borrower under this Agreement.
-

- (8) The respective rights of each Exiting Lender under the provisions of any Loan Document which by their terms are intended to survive, as the case may be, withdrawal from the Existing Credit Agreement by any Lender, the termination of the Existing Credit Agreement and repayment of the Advances or other outstanding indebtedness and liability of the Borrower thereunder (including, without limitation, all of the respective indemnification provisions under the Existing Credit Agreement in favour of the Lenders) shall continue in full force and effect in accordance with their respective terms with respect to each Exiting Lender, notwithstanding its withdrawal as Lender.
- (9) For certainty, the parties expressly disclaim any intent to operate novation of the obligations outstanding under the Existing Credit Agreement and the other Loans Documents, and except as otherwise contemplated by this Section 2.10, all such obligations shall remain in full force and effect.

ARTICLE 3 SECURITY

3.1 Guarantees

The Borrower shall deliver or cause the delivery of unconditional guarantees of the Obligations by each of the Material Subsidiaries of the Borrower and any other Restricted Party that has provided a guarantee pursuant to the Second Lien Debt or any Sub Debt (including the High Yield Notes Indenture) as well as unconditional guarantees of the Other Secured Obligations by the Borrower and each of the Material Subsidiaries, in each case in favour of the Agent for the benefit of the Lenders. The Guarantees must be in form and substance satisfactory to the Agent, acting reasonably, and must be unlimited except for limits imposed under Applicable Law of the respective Obligors. The Borrower shall not be required to deliver or cause the delivery of a guarantee by a Material Subsidiary if doing so is prohibited by or exceeds the amount permitted by Applicable Law (in which case the guarantee of such Material Subsidiary shall be limited to such maximum amount) or if the Agent, in consultation with the Borrower, determines that the cost of obtaining such a guarantee is excessive in relation to the value of the guarantee to the Lenders.

3.2 Security over Assets

- (1) To secure the performance of the Obligations and Other Secured Obligations, each Obligor organized in Canada or the United States or which has assets located in Canada and the United States must provide in favour of the Agent and the Lenders security over all of its material personal and real property, tangible and intangible, present and future, provided that, subject to the following sentence, such security shall only be required to be created and perfected under the laws in effect in Canada and the United States. The Equity Interest of the Borrower and its Subsidiaries in Material Subsidiaries must also be pledged to the Agent and the Lenders. The Borrower must ensure, to the extent permitted by law, that such Equity Interests are evidenced by certificates and must deliver to the Agent all such certificates (along with stock powers duly executed in blank). The Borrower shall not be required to deliver or cause the delivery of security by a Material Subsidiary or a pledge of the Equity Interests of a Material Subsidiary if doing so is prohibited by or exceeds the amount permitted by Applicable Law (in which case the security of such Material Subsidiary will be limited to such maximum amount) or if the Agent, in consultation with the Borrower, determines that the cost of obtaining such security or pledge is excessive in relation to the value of the security or pledge to the Lenders. The Agent confirms that, in accordance with the foregoing, the Agent has determined that no pledge shall be required in respect of the Equity Interests of any Subsidiary incorporated under the laws of Burkina Faso.
-

- (2) Notwithstanding Section 3.2(1), until the occurrence and during the continuance of an Event of Default, the security to be provided by any Obligor shall not be required to be perfected on mining rights other than those associated with the mines commonly known as Côté Gold, Ontario and Westwood, Québec (as such mines are further described in the Security Documents). For greater certainty, any Obligor may sell or otherwise dispose of, or deal with, any mining rights in respect of which the security is not required to be perfected, unless an Event of Default has occurred and is continuing or unless such sale, disposition or other dealing would be prohibited by Section 7.5. The Agent and the Lenders agree that, at the request and expense of the Borrower, the Agent and the Lenders will promptly provide any further assurances that may be reasonably necessary in connection with any sale, disposition or other dealing with any mining rights in accordance with this Section 3.2(2).

3.3 Insurance

The Borrower will cause the Agent (or its representative) to be named as loss payee and additional insured on all insurance policies relating to the assets covered by the Security. Each policy covering real property and equipment must contain a "mortgage clause". The Borrower must furnish to the Agent evidence that the insurance coverage required pursuant to Section 7.2(3) is in effect. The Borrower must promptly give the Agent notice of any material loss.

3.4 Obligations Secured by the Security

- (1) Unless otherwise agreed by the Lenders among themselves, the Security shall support the following obligations *pari passu* with each other:
- (a) the Obligations; and
 - (b) the Other Secured Obligations.
- (2) Other Secured Obligations shall not cease to be guaranteed and secured by the Security without the prior written consent of the applicable Holder to whom the Other Secured Obligations are owed, although Other Secured Obligations shall cease to be such as contemplated in Section 1.1(117). If the Obligations have been indefeasibly paid in full and the Commitments have been cancelled, the Holders shall release their interest in the Security on receiving Cash Collateral to secure the Other Secured Obligations, in an amount satisfactory to the Holders to whom Other Secured Obligations are owed, acting reasonably.
- (3) Notwithstanding the rights of Holders to benefit from the Security in respect of the Other Secured Obligations, all decisions concerning the Security (including the enforcement and release thereof) shall be made by the Lenders or the Required Lenders in accordance with this Agreement and no Holder shall have any additional right to participate in decisions concerning the Security or their enforcement or release as a result of holding Other Secured Obligations as long as this Agreement remains in force. Notwithstanding the termination of this Agreement by reason of payment of the Credit, or for any other reason, the Other Secured Obligations shall continue to be guaranteed and secured by the Security. After the termination of this Agreement, decisions concerning the Security shall be made by the Holders as they may determine among themselves.
-

- (4) The Agent will also act as secured party (or, in Québec, hypothecary representative) to hold the Security for the benefit of the Holders and, by accepting the benefit of the Security, the Holders will accept such appointment under the terms and conditions of this Agreement (including the foregoing provisions on decisions and the provisions of Article 9 adapted accordingly).

3.5 Future Material Subsidiaries

If at any time, a Material Subsidiary or another Subsidiary of the Borrower becomes obligated to provide the Security pursuant to Sections 3.1 and 3.2, the Borrower shall promptly cause that Subsidiary to become an Obligor and deliver the Security as required by Section 3.1 and 3.2.

3.6 Validity of the Security and Contents of Security Documents

The Security must be perfected and first-ranking (subject to Permitted Liens) at all times with respect to all property intended to be covered thereby. Each Security Document must be in form and substance satisfactory to the Agent, acting reasonably, and remain valid and in force at all times. The Security Documents will be accompanied by such legal opinions, search results and certificates as the Agent may reasonably require.

3.7 Other Obligations

The Lenders, the Agent and the Borrower acknowledge that, in accordance with Section 3.4(1), all Obligations and all Other Secured Obligations shall be supported by the Security on a *pari passu* basis. The Lenders, the Agent and the Borrower agree that, if an Event of Default has occurred and is continuing, (i) any Cash Collateral provided by the Obligors in respect of the Obligations, and (ii) any cash collateral provided by the Obligors in respect of the Other Secured Obligations must be provided and shared proportionately among the Lenders and the Holders, based on the aggregate amount of all Obligations and the Other Secured Obligations, and shall be used to secure the respective obligations. The Lenders, the Agent and the Borrower also agree that, if payment of the Obligations has been accelerated following an Event of Default or an equivalent event has occurred with respect to any Other Secured Obligations, any payment made by the Obligors in respect of the Obligations or the Other Secured Obligations must be made to and shared proportionately among the Lenders and the Holders, based on the aggregate amount of all Obligations and the Other Secured Obligations, and shall be used to discharge the respective obligations. If any Lender or any other Holder receives more than its proportionate share in any such circumstances, the recipient shall hold the excess amount in trust for, and immediately pay it to, those that received less than their respective proportionate shares. The Lenders, the Agent and the Borrower agree that this Section 3.7 shall remain binding on them as long as the Obligations and/or Other Secured Obligations remain outstanding.

ARTICLE 4
CONDITIONS PRECEDENT TO EFFECTIVENESS

4.1 Conditions Precedent to Effectiveness

Unless waived in accordance with Section 9.7(2), this Agreement will become effective on the date (the "**Effective Date**") on which the Agent confirms to the Borrower and the Lenders that the Agent has received each of the following documents. Where delivery of documents is referred to, the documents shall be delivered to the Agent, for and on behalf of the Lenders, and shall be, where applicable, duly executed by all parties thereto and otherwise in full force and effect and in form and substance satisfactory to the Lenders.

- (1) Other Debt and Liens. The Agent shall have received releases, discharges and postponements (in registrable form where appropriate) covering all Liens affecting any Property of each Restricted Party which are not Permitted Liens and all statements and acknowledgements that are required in respect of other Liens affecting the Property of the Restricted Party to confirm that those Liens are Permitted Liens.

- (6) Other Matters. The following conditions must be satisfied:
 - (a) a certificate of the Borrower as to matters of fact and confirming:
 - (i) no Default shall have occurred and be continuing;
 - (ii) no "Default" under and as defined in the agreement or instrument evidencing the Second Lien Debt or Sub Debt shall have occurred and be continuing;
 - (iii) the Obligations and Other Secured Obligations constitute Designated Senior Debt under the High Yield Notes Indenture and the aggregate principal amount of any borrowings and letters of credit described in clauses (i), (ii) and (iv) of the definition of Designated Senior Debt under the High Yield Notes Indenture does not exceed \$1.0 billion;
 - (iv) nothing shall have occurred (nor shall any Lender become aware of any facts not previously known), which the Required Lenders determine is reasonably likely to have a Material Adverse Effect on the position of the Borrower set forth in the Borrower's financial statements for the fiscal period ended December 31, 2023;
 - (v) the entering into of this Agreement and the performance of the Obligations and Other Secured Obligations by the Obligors does not require any consent (which has not been obtained), including, without limitation, under the High Yield Notes Indenture, any other Sub Debt, the Second Lien Debt or the JV Agreement and related acknowledgement and consent entered into with the SMM Subsidiary and Sumitomo Metal Mining Co., Ltd.
 - (b) the Agent must have received payment of all fees payable to the Agent, the Lenders or any of them on or before the first Advance under this Agreement, and the reimbursement of all expenses incurred including legal fees;
 - (c) the Agent shall have received such other documents as the Lenders may reasonably require.

4.2 Conditions Precedent to all Advances

In addition to the other conditions precedent specified in this Agreement, the obligation of the Lenders to make any Advance is subject to the conditions precedent that:

- (a) no Default has occurred and is continuing on the Advance Date, or would result from making the Advance;
- (b) the Agent has received timely notice as required under Section 5.5;
- (c) neither the Agent nor any Lender shall have received notice under subsection 224(1.1) of the *Income Tax Act* (Canada) or any successor provision thereto or any comparable provision of any other taxing statute in respect of any Obligor; and
- (d) all other terms and conditions of this Agreement on which an Advance may be obtained are fulfilled.

4.3 Post-Closing Undertaking

- (a) Promptly after the Effective Date and in any event within no more than thirty 30 days of the Effective Date (such period which may be extended for one additional 30-day period with the consent of the Agent, in its sole discretion), the Agent shall have received evidence that the Borrower has requested the consent of the Ministry of Mines to the registration on title of the transfer to the Borrower of the repurchased IMG Diluted Interest in the mining leases and registration of the Security against title to such repurchased IMG Diluted Interest in the mining leases;
 - (b) Promptly after the Effective Date and in any event within no more than thirty 30 days of the Effective Date (such period which may be extended for one additional 30-day period with the consent of the Agent, in its sole discretion), the Agent shall have received, (i) satisfactory evidence of the registration on title of the transfer to the Borrower of the repurchased IMG Diluted Interest (other than in the mining leases), (ii) satisfactory evidence of the registration of the second amended and restated debenture noted in Section 4.1(3)(a) above against freehold title (excluding, for certainty, the mining leases) to the mine commonly known as Côté Gold, Ontario Cote, and (iii) a title opinion of counsel to the Borrower with respect thereto, with search results and certificates as the Agent may reasonably require.
 - (c) Within ten (10) Business Days of the receipt of the consent of the Ministry of Mines to the registration on title of the transfer to the Borrower of the repurchased IMG Diluted Interest in the mining leases and registration of the second amended and restated debenture noted in Section 4.1(3)(a) above against title to such repurchased IMG Diluted Interest in the mining leases, Borrower will provide to the Agent and the Lenders (i) satisfactory evidence of the registration on title of such transfer to the Borrower of the repurchased IMG Diluted Interest in the mining leases, (ii) satisfactory evidence of the registration of the second amended and restated debenture noted in Section 4.1(3)(a) above against title to such repurchased IMG Diluted Interest in the mining leases, and (iii) a title opinion of counsel to the Borrower with respect thereto, with search results and certificates as the Agent may reasonably require.
-

**ARTICLE 5
ADVANCES**

5.1 Lenders' Obligations Relating to L/Cs

- (a) Notwithstanding that L/Cs are issued by the Issuing Bank, it is the intention of the Parties that the ultimate credit risk and exposure of any Lender be in accordance with its overall Applicable Percentage of the Credit. Each Lender shall immediately indemnify the Issuing Bank for that Lender's Applicable Percentage of any payment made by the Issuing Bank in respect of an L/C for which the Issuing Bank is not immediately reimbursed by the Borrower, and shall do all such things, including purchases of participations in Advances made by the Issuing Bank, as shall be required to ensure that result. Any such action on the part of the Lenders shall be binding on the Borrower. If the rating by S&P or Moody's of the non-credit-enhanced senior debt of any Lender (other than a Lender at the date of this Agreement) is at any time less than "A" or "A2" respectively, that Lender shall, if requested by an Issuing Bank, provide Cash Collateral (in a form satisfactory to the Issuing Bank acting reasonably) to secure that Lender's obligations with respect to L/Cs under this Section 5.1.
- (b) Each Lender acknowledges and agrees that its obligations under this Section 5.1 in respect of L/Cs are absolute, unconditional and irrevocable and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any L/C, the occurrence and continuance of a Default or the reduction or termination of its Commitment, and that any payment it is required to make pursuant to its obligations shall be made without any offset, abatement, withholding or reduction whatsoever.
- (c) If any Lender fails to take the actions required under this Section 5.1, the Agent may, without prejudice to the other rights of the Lenders, make such adjustments to the payments to the Defaulting Lender under this Agreement as are necessary to compensate the other Lenders for the Defaulting Lender's failure.

5.2 Evidence of Indebtedness

The Agent shall maintain records concerning the Obligations and each Lender shall maintain records concerning those Advances it has made. The records maintained by the Agent and by the Issuing Bank relating to L/Cs shall constitute *prima facie* evidence of the Obligations and all related details. The failure of the Agent or any Lender to correctly record any detail relating to an Advance shall not, however, adversely affect the obligation of the Borrower to pay any of the Obligations in accordance with this Agreement.

5.3 Calculation and Other Matters Regarding Interest and Fees

- (1) All interest on Prime Rate Advances, Base Rate Advances, CORRA Advances and SOFR Advances shall accrue from day to day and shall be payable in arrears, calculated on the actual number of days elapsed from and including the date of Advance or the previous date on which interest was due in accordance with Section 2.6, as the case may be, to but excluding the date on which interest is due. If interest is not paid on the date it is due, the principal amount shall continue to bear interest at the rate that is applicable to the particular type of Advance from time to time in accordance with Section 2.6(1), both before and after maturity, default and judgment, and overdue interest shall bear interest at the same rate, compounded monthly, and be payable on demand.
-

- (2) Interest and fees shall be calculated on the basis of a calendar year unless otherwise specified. Interest calculated with reference to the Adjusted Term SOFR and Base Rate (when the Federal Funds Effective Rate applies) shall be calculated on the basis of a year of 360 days. Any rate that is calculated with reference to a period (the "**deemed interest period**") that is less than the actual number of days in the calendar year of calculation is, for the purposes of the *Interest Act* (Canada), equivalent to a rate based on a calendar year calculated by multiplying that rate of interest by the actual number of days in the calendar year of calculation and dividing by the number of days in the deemed interest period. All calculations of interest and fees under the Loan Documents shall be made on the basis of the nominal rates described in this Agreement and not on the basis of effective yearly rates or on any other basis that gives effect to the principle of deemed reinvestment. The Parties acknowledge that there is a material difference between the stated nominal rates and effective yearly rates taking into account reinvestment, and that they are capable of making the calculations required to determine effective yearly rates.
 - (3) In this Section 5.3, any reference to a "calendar year" means the calendar year in which the period for which the calculation in question falls. If the period falls in two calendar years, one of which is a leap year, the calculation shall be done separately for the parts of the period that fall in each calendar year and the calculated amounts for each period shall be added.
 - (4) The L/C Fee for an L/C is calculated by multiplying the face amount of the L/C by the rate for calculation of the L/C Fee specified in Section 2.6, and multiplying the result by a fraction, the numerator of which is the number of days elapsed from and including the issuance or renewal of the L/C or the previous date on which the L/C Fee was due, as the case may be, to but excluding the date on which the L/C Fee is due or the L/C is drawn or cancelled, as the case may be, and the denominator of which is the number of days in the calendar year, subject to a minimum of \$250 (or US\$250, as applicable) per year. The L/C Fee for an L/C issued (i) in Dollars shall be payable in Dollars, (ii) in US Dollars shall be payable in US Dollars and (iii) in any currency other than Dollars or US Dollars shall be payable in US Dollars.
 - (5) The standby fee shall be calculated daily on the undrawn portion of the Credit at the rate for calculation of the standby fee specified in Section 2.6, beginning on the date of this Agreement, and each payment shall cover the period from and including the date of this Agreement or the previous date on which the standby fee was due in accordance with Section 2.6, as the case may be, to but excluding the date on which the standby fee is due. The overdraft availability pursuant to Section 2.2 (whether used or not) shall be deemed to be part of the undrawn portion of the Credit for purposes of the calculation of the standby fee. The standby fee shall be payable in US Dollars.
 - (6) If the Borrower fails to pay when due any amount payable under any Loan Document for which interest is not otherwise provided in this Agreement or another relevant Loan Document, the Borrower shall, on demand, pay interest on the overdue amount to the Agent from and including the due date up to but excluding the date of actual payment, both before and after demand, default or judgment, at the rate of interest determined from time to time in accordance with Section 2.6(1) that is applicable to Prime Rate Advances (if the amount is denominated in Canadian dollars) or Base Rate Advances (if the amount is denominated in US dollars), in each case compounded monthly.
-

- (7) If the Borrower deposits cash as Cash Collateral pursuant to a requirement under this Agreement, the Agent or the Lender or Lenders will hold the cash in an interest bearing account with the interest to be credited to the Borrower if and when the Cash Collateral is returned to the Borrower.
- (8) The Parties intend to comply with Applicable Law relating to usury. Notwithstanding any other provision of this Agreement or any other Loan Document, in no event shall any Loan Document require the payment or permit the collection of interest or other amounts in an amount or at a rate in excess of the amount or rate that is permitted by Applicable Law or in an amount or at a rate that would result in the receipt by the Lenders or the Agent of interest at a criminal rate, as the terms "interest" and "criminal rate" are defined under the *Criminal Code* (Canada). Where more than one Applicable Law applies to any Obligor, that Obligor shall not be obliged to make payment in an amount or at a rate higher than the lowest permitted amount or rate. If from any circumstance whatever, fulfilment of any provision of any Loan Document would result in exceeding the highest rate or amount permitted by Applicable Law for the collection or charging of interest, the obligation to be fulfilled shall be reduced to reflect the highest permitted rate or amount. If from any circumstance the Agent or the Lenders shall ever receive anything of value as interest or deemed interest under any Loan Document that would result in exceeding the highest lawful rate or amount of interest permitted by Applicable Law, the amount that would be excessive interest shall be applied to the reduction of the principal amount of the Credit, and not to the payment of interest, or if the excessive interest exceeds the unpaid principal balance of the Credit, the amount exceeding the unpaid balance shall be refunded to the Borrower. For the purposes of the *Criminal Code* (Canada), the effective annual rate of interest shall be determined in accordance with generally accepted actuarial practices and principles and if there is any dispute, the determination of a Fellow of the Canadian Institute of Actuaries appointed by the Agent shall be conclusive.

5.4 Conversions, Rollovers, Renewals, Repayments and Reductions

- (1) Subject to the other terms of this Agreement, the Borrower may from time to time:
- (a) convert all or any part of the outstanding amount of any SOFR Advance into a Base Rate Advance in the same principal amount, or *vice versa*;
 - (b) convert all or any part of the outstanding amount of any Term CORRA Advance into a Daily Compounded CORRA Advance or a Prime Rate Advance in the same principal amount;
 - (c) convert all or any part of the outstanding amount of any Daily Compounded CORRA Advance into a Term CORRA Advance or a Prime Rate Advance in the same principal amount;
 - (d) convert all or any part of the outstanding amount of any Prime Rate Advance into a CORRA Advance in the same principal amount;
 - (e) rollover all or any part of the outstanding amount of any CORRA Advance at the end of the Interest Period as a new CORRA Advance or rollover all or any part of the outstanding amount of any SOFR Advance at the end of the Interest Period as a new SOFR Advance;
-

- (f) renew an L/C at its maturity date by extending the maturity date; and
 - (g) in circumstances not mentioned in items (a) to (f) immediately above, concurrently repay one Advance and obtain a different type of Advance.
- (2) Subject to giving notice required by Section 5.5, the Borrower may from time to time repay Advances outstanding under the Credit without penalty, except that CORRA Advances and SOFR Advances may not be repaid before the end of the applicable Interest Periods unless the Borrower indemnifies the relevant Lenders for any loss or expense that the Lenders incur as a result, including any breakage costs.
- (3) The Borrower may from time to time, by giving not less than five Business Days' notice to the Agent and paying all accrued and unpaid standby fees on the amount to be cancelled or reduced to the effective date of cancellation or reduction, irrevocably notify the Agent of the cancellation of the Credit or of the permanent reduction of the committed amount of the Credit by an amount that must be a minimum of US \$10,000,000 and a whole multiple of US \$1,000,000. Any reduction shall be applied *pro rata* to the respective Commitments of the Lenders under the Credit. The Borrower shall have no right to any reinstatement of any previously committed amount of the Credit after any cancellation or reduction.

5.5 Notice of Advances and Payments

- (1) The Borrower shall give the Agent irrevocable notice, in the form attached as Schedule D, of any request for any Advance to it. The Borrower shall also give the Agent irrevocable notice in the same form of any payment by it of any Advance (whether resulting from repayment, prepayment, rollover or conversion).
- (2) Notice for CORRA Advances or SOFR Advances shall be given not later than the third Business Day before the Advance Date or date of payment. Notice for an Advance by way of L/C shall be given not later than the third Business Day before the Advance Date or at such earlier time as Issuing Bank may reasonably require so that it has sufficient time to review the proposed form of L/C. Notice for a Prime Rate Advance or Base Rate Advance shall be given on or before the Business Day before the Advance Date or date of payment.
- (3) Notices shall be given not later than 10:00 a.m. on the date for notice. Payments (except those being made solely from the proceeds of rollovers and conversions) must be made before 11:00 a.m. on the date for payment. If a notice or payment is not given or made by those times, it shall be deemed to have been given or made on the next Business Day, unless all Lenders affected by the late notice or payment agree, in their sole discretion, to accept a notice or payment at a later time as being effective on the date it is given or made.

5.6 Size and Term of Advances

- (1) Each Prime Rate Advance or Base Rate Advance shall be in an aggregate minimum amount of \$1,000,000 or US \$1,000,000, respectively and in a whole multiple of \$100,000 or US \$100,000, respectively.
-

- (2) Each CORRA Advance shall be in an aggregate minimum amount of \$1,000,000 and in a whole multiple of \$100,000. In its notice requesting a CORRA Advance, the Borrower shall select an Interest Period of one or three months to apply to any particular CORRA Advance. If no Interest Period is specified with respect to any requested CORRA Advance, the Borrower shall be deemed to have selected an Interest Period of one month's duration.
- (3) Each SOFR Advance shall be in minimum amount of US \$1,000,000 and a whole multiple of US \$100,000. In its notice requesting a SOFR Advance, the Borrower shall select an Interest Period of one, three or six months to apply to any particular SOFR Advance. If no Interest Period is specified with respect to any requested SOFR Advance, the Borrower shall be deemed to have selected an Interest Period of one month's duration.
- (4) Interest Periods of lengths other than those specified in Sections 5.6(2) and 5.6(3) shall also be available at the discretion of the Lenders from time to time and the Agent may, in circumstances of market disruption or illiquidity, restrict the term or maturity dates of CORRA Advances and/or SOFR Advances. No Interest Period may end on a date that is not a Business Day, after the maturity date of the Credit, or after a date on which the Credit is required to be reduced if that would adversely affect the Borrower's ability to make the reduction.
- (5) Each L/C issued under this Agreement shall have a term that is not more than one year after its issuance date or renewal date (which may extend beyond the then-current maturity date of the Credit), but may provide for automatic extension of its term for successive periods of up to one year each as long as the Issuing Bank has the right to avoid automatic extension by giving notice to the beneficiary of the L/C before the extension becomes effective. An L/C may otherwise be renewed by the Borrower subject to complying with the terms of this Agreement applicable to an Advance by way of L/C. On the cancellation of the Credit, the Borrower shall arrange for all outstanding L/Cs to be returned to the Issuing Bank for cancellation or, with the concurrence of the Issuing Bank, provide Cash Collateral to the Issuing Bank in an amount sufficient to fully secure all outstanding L/Cs and all L/C Fees for the remainder of their respective terms, in which case the Cash Collateral shall be held by the Issuing Bank in place of the Security.

5.7 Payment of CORRA Advances, SOFR Advances and L/Cs

- (1) Subject to Section 8.2, the Borrower shall provide for the following by giving notice under Section 5.5 requesting a rollover or conversion if the Borrower is otherwise entitled to an Advance, or by delivery of payment:
 - (a) payment to the Agent at the Branch of Account of the amount of each CORRA Advance and each SOFR Advance for value on the last day of the applicable Interest Period; and
 - (b) payment to the Issuing Bank at the office where an L/C was issued of each amount paid to the beneficiary of the L/C for value on the date on which the Issuing Bank makes a payment.
 - (2) If the Borrower fails to provide for payment in accordance with Section 5.7(1), the Agent shall deem:
-

- (a) a Daily Compounded CORRA Advance to have been rolled over for an Interest Period of the same tenor in the case of failure to provide for payment of a Daily Compounded CORRA Advance;
- (b) a Prime Rate Advance to have been made in the case of failure to provide for payment of a Term CORRA Advance or Canadian Dollar L/C; or
- (c) a Base Rate Advance to have been made in the case of failure to provide for payment of a SOFR Advance or US Dollar L/C.

The Agent shall immediately give notice of a deemed Advance to the Borrower and the Lenders and, in the case of a deemed Advance relating to an L/C, the Lenders shall remit their respective shares of the Advance to the Agent for the account of the Issuing Bank.

- (3) If an L/C is issued in a currency other than Canadian Dollars or US Dollars, the Agent may convert the amount that the Borrower does not provide for pursuant to Section 5.7(1) into Canadian Dollars or US Dollars. A Prime Rate Advance or Base Rate Advance, respectively, will then be deemed to have been made under Section 5.7(2). The Borrower shall repay the converted amount in Canadian Dollars or US Dollars as applicable, with interest, rather than the original currency in which the L/C was issued, notwithstanding Section 11.5.
- (4) Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing:
 - (a) (i) no outstanding Advance may be converted to or continued as a Term CORRA Advance or Daily Compounded CORRA Advance and (ii) unless repaid, each Term CORRA Advance and each Daily Compounded CORRA Advance shall be converted to a Prime Rate Advance at the end of the Interest Period applicable thereto; and
 - (b) (i) no outstanding Advance may be converted to or continued as a SOFR Advance and (ii) unless repaid, each SOFR Advance shall be converted to a Base Rate Advance at the end of the Interest Period applicable thereto.

5.8 Co-ordination Prime Rate, Base Rate, CORRA and SOFR Advances

- (1) The Agent shall advise each Lender of its receipt of a notice pursuant to Section 5.5 requesting a Prime Rate, Base Rate, CORRA or SOFR Advance on the day that notice is received from the Borrower and shall, as soon as possible, advise each Lender of that Lender's share of the Advance. Each Lender's share shall be based on its Applicable Percentage.
 - (2) The Interest Period applicable to a CORRA Advance or a SOFR Advance shall be identical for each Lender.
 - (3) Each Lender shall deliver its share of the Advance to the Agent not later than 1:00 p.m. on the Advance Date, for value on that date. Unless the Agent otherwise notifies the Lender, the amount to be delivered by the Lender shall be net of the amount required to repay other Advances it has made that are being repaid, rolled over or converted on that date.
-

- (4) If the Agent determines that all the conditions precedent to an Advance specified in this Agreement have been met, it shall advance to the Borrower the amount delivered by each Lender by crediting the Designated Account before 2:00 p.m. on the Advance Date, but if the conditions precedent to the Advance are not met by 2:00 p.m. on the Advance Date, the Agent shall return the funds to the Lenders or invest them in an overnight investment as orally instructed by each Lender until the Advance is made.
- (5) Any difference between the actual proceeds of an Advance and the amount required to repay any Advance that is concurrently being repaid and any difference between the actual proceeds of an Advance and the amount required to fulfill any specific use of the proceeds that the Borrower has directed the Agent to make, shall be paid by the Borrower to the Agent from its own resources by 1:00 p.m. on the Advance Date.

5.9 Availability, Changed Circumstances Etc.

- (1) Compensation for Losses. In the event of (a) the payment of any principal of any Term CORRA Advance, any Daily Compounded CORRA Advance or any SOFR Advance, as applicable, other than on the last day of the Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Term CORRA Advance, any Daily Compounded CORRA Advance or any SOFR Advance, as applicable, other than on the last day of the Interest Period applicable thereto (including as a result of an Event of Default), (c) the failure to borrow, convert, continue or prepay any Term CORRA Advance, any Daily Compounded CORRA Advance or any SOFR Advance, as applicable, on the date specified in any notice delivered pursuant hereto, or (d) the assignment of any Term CORRA Advance, any Daily Compounded CORRA Advance or any SOFR Advance, as applicable, other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 11.11, then, in any such event, the Borrower shall compensate each Lender for any loss, cost and expense attributable to such event, including any loss, cost or expense arising from the liquidation or redeployment of funds or from any fees payable. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.
 - (2) Inability to Determine Rates.
 - (a) Subject to Section 5.9(3), if, on or prior to the first day of any Interest Period for any Term CORRA Advance, any Daily Compounded CORRA Advance or any SOFR Advance, as applicable:
 - (i) the Agent determines (which determination shall be conclusive and binding absent manifest error) that "Adjusted Term CORRA", "Adjusted Daily Compounded CORRA" or "Adjusted Term SOFR", as applicable, cannot be determined pursuant to the definition thereof, or
 - (ii) the Required Lenders determine that for any reason in connection with any request for a Term CORRA Advance, a Daily Compounded CORRA Advance or a SOFR Advance, as applicable, or a conversion thereto or a continuation thereof that Adjusted Term CORRA, Adjusted Daily Compounded CORRA or Adjusted Term SOFR, as applicable, for any requested Interest Period with respect to a proposed Term CORRA Advance, Daily Compounded CORRA Advance or SOFR Advance, as applicable, does not adequately and fairly reflect the cost to such Lender or Lenders of making and maintaining such Advance, and the Required Lenders have provided notice of such determination to the Agent,
-

then, in each case, the Agent will promptly so notify the Borrower and each Lender.

- (b) Upon notice thereof by the Agent to the Borrower, any obligation of the Lenders to make Term CORRA Advances, Daily Compounded CORRA Advances or SOFR Advances, as applicable, and any right of the Borrower to continue Term CORRA Advances, Daily Compounded CORRA Advances or SOFR Advances, as applicable, or to convert Prime Rate Advances to Term CORRA Advances or Daily Compounded CORRA Advances or convert Base Rate Advances to SOFR Advances, as applicable, shall be suspended (to the extent of the affected Term CORRA Advances, Daily Compounded CORRA Advances or SOFR Advances, as applicable, or affected Interest Periods) until the Agent (with respect to Section 5.9(2)(a)(ii), at the instruction of the Required Lenders) revokes such notice.
 - (c) Upon receipt of such notice:
 - (i) (x) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of Term CORRA Advances or Daily Compounded CORRA Advances, as applicable (to the extent of the affected Term CORRA Advances or Daily Compounded CORRA Advances, as applicable, or affected Interest Periods), (y) in respect of Term CORRA Advances, the Borrower may elect to convert any such request into a request for an Advance of or conversion to Daily Compounded CORRA Advances; or, failing such revocation or election, (z) the Borrower will be deemed to have converted any such request into a request for an Advance of or conversion to Prime Rate Advances, in the amount specified therein;
 - (ii) (x) in respect of Term CORRA Advances, the Borrower may elect to convert any outstanding affected Term CORRA Advances at the end of the applicable interest Period, into Daily Compounded CORRA Advances, and (y) otherwise, or failing such election, any outstanding affected Term CORRA Advances or Daily Compounded CORRA Advances, as applicable, will be deemed to have been converted, at the end of the applicable Interest Period, into Prime Rate Advances;
 - (iii) (x) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Advances (to the extent of the affected SOFR Advances or affected Interest Periods) or, failing that, the Borrower will be deemed to have converted any such request into a request for an Advance of or conversion to Base Rate Advances in the amount specified therein and (y) any outstanding affected SOFR Advances will be deemed to have been converted into Base Rate Advances at the end of the applicable Interest Period.
-

Upon any such conversion, the Borrower shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 5.9(1).

(3) Benchmark Replacement Setting.

- (a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (Toronto time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. If the Benchmark Replacement is Adjusted Daily Compounded CORRA, all interest payments will be payable on the last day of each Interest Period.
- (b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.
- (c) Notices: Standards for Decisions and Determinations. The Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 5.9(3)(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 5.9(3), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 5.9(3).
-

- (d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term CORRA and Term SOFR) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.
- (e) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for an Advance of, conversion to or continuation of Advances, which are of the type that have a rate of interest determined by reference to the then-current Benchmark, to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for an Advance of or conversion to, (i) with respect to Advances denominated in Canadian Dollars, (A) for a Benchmark Unavailability Period in respect of Term CORRA, Daily Compounded CORRA Advances, and (B) for a Benchmark Unavailability Period in respect of a Benchmark other than Term CORRA, Prime Rate Advances, and (ii) with respect to Advances denominated in US Dollars, Base Rate Advances.

5.10 Issuance and Use of L/Cs

- (1) A request for an Advance by way of L/C shall be made by the Borrower in accordance with Section 5.5, except that a copy of the request shall be sent directly to the Issuing Bank. The Agent shall promptly notify the Lenders of the receipt of a request for an L/C, but L/Cs shall only be issued by the Issuing Bank as fronting bank for all Lenders. A request shall include the details of the L/C to be issued. The Issuing Bank shall promptly notify the Borrower of any comment concerning the form of the L/C requested by the Borrower and shall, if the Borrower is otherwise entitled to an Advance, issue the L/C to the Borrower on the Advance Date or as soon afterwards as the Issuing Bank is satisfied with the form of L/C to be issued.
- (2) The Borrower shall not directly or indirectly use or provide an L/C as security for loans or advances from any other Person.
-

5.11 Reimbursement Obligation - L/Cs

Notwithstanding Section 5.7 or any other provision of this Agreement, the Borrower's obligation to reimburse the Issuing Bank for a payment to a beneficiary of an L/C shall be absolute and unconditional, but without prejudice to the Borrower's right, after reimbursing the Issuing Bank, to claim damages from the Issuing Bank for matters arising from the Issuing Bank's wilful misconduct or gross negligence. The Borrower's obligation shall not be reduced by any demand or other request for payment of an L/C (a "**Demand**") that is paid or acted on in good faith and in conformity with Applicable Laws or applicable commercial customs or practices being invalid, insufficient, fraudulent or forged, nor shall the Borrower's obligation be subject to any defence or be affected by any right of set-off, counter-claim or recoupment that the Borrower may have now or in the future against the beneficiary, the Issuing Bank or any other Person for any reason whatsoever, including the fact that the Issuing Bank paid a Demand or Demands (if applicable) aggregating up to the amount of the L/C notwithstanding any contrary instructions from the Borrower to the Issuing Bank or the occurrence of any event including the commencement of legal proceedings to prohibit payment by the Issuing Bank of a Demand. Any action, inaction or omission taken or suffered by the Issuing Bank under or in connection with an L/C or any Demand, if in good faith and in conformity with Applicable Laws or applicable customs or practices shall be binding on the Borrower and shall not place the Issuing Bank under any resulting liability to the Borrower. Without limiting the foregoing, the Issuing Bank may receive, accept or pay as complying with the terms of the L/C, any Demand that is otherwise in order that may be signed by, or issued to, any administrator, executor, trustee in bankruptcy, receiver or other person or entity acting as the representative or in place of, the beneficiary. The Borrower shall not take any steps, issue any instructions to the Issuing Bank or any of its correspondents or institute any proceedings intended to derogate from the right or ability of the Issuing Bank or its correspondents to honour or pay any Demand.

5.12 Failure of Lender to Fund

- (1) Unless the Agent has received notice from a Lender before the proposed date of any Advance that such Lender will not make available to the Agent such Lender's share of such Advance, the Agent may assume that such Lender has made such share available on such date in accordance with the provisions of this Agreement concerning funding by Lenders and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In that event, if a Lender has not in fact made its share of the applicable Advance available to the Agent, then the applicable Lender shall pay to the Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Agent, at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation. If such Lender pays such amount to the Agent, then such amount shall constitute such Lender's Advance. If the Lender does not do so forthwith, the Borrower shall pay to the Agent forthwith on demand such corresponding amount with interest thereon at the interest rate applicable to the Advance in question. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that has failed to make such payment to the Agent.
 - (2) Notwithstanding Section 5.12(1), if any Lender fails to make available to the Agent its Applicable Percentage of any Advance (that Lender being the "**Non-Funding Lender**"), the Agent shall forthwith give notice of that failure by the Non-Funding Lender to the Borrower and the other Lenders. The Agent shall then forthwith give notice to the other Lenders that any Lender may make available to the Agent all or any portion of the Non-Funding Lender's Applicable Percentage of that Advance (but in no way shall any other Lender or the Agent be obliged to do so) in the place of the Non-Funding Lender. If more than one Lender gives notice that it is prepared to make funds available in the place of a Non-Funding Lender in those circumstances and the aggregate of the funds which those Lenders (collectively the "**Contributing Lenders**" and individually the "**Contributing Lender**") are prepared to make available exceeds the amount of the Advance which the Defaulting Lender failed to make, then each Contributing Lender shall be deemed to have given notice that it is prepared to make available its Applicable Percentage of that Advance based on the Contributing Lenders' relative commitments to advance in those circumstances. If any Contributing Lender makes funds available in the place of a Non-Funding Lender in those circumstances, then the Non-Funding Lender shall pay to any Contributing Lender making the funds available in its place, forthwith on demand, any amount advanced on its behalf together with interest thereon at the rate applicable to that Advance from the date of advance to the date of payment, against payment by the Contributing Lender making the funds available of all interest received in respect of the Advance from the Borrower. The failure of any Lender to make available to the Agent its Applicable Percentage of any Advance as required herein shall not relieve any other Lender of its obligations to make available to the Agent its Applicable Percentage of any Advance as required herein.
-

5.13 Payments by the Borrower

- (1) All payments made by or on behalf of the Borrower pursuant to this Agreement shall be made to and received by the Agent (except that payments on outstanding overdraft utilizations pursuant to Section 2.2 must be made directly to the Swingline Lender) and shall be distributed by the Agent to the Lenders as soon as possible upon receipt by the Agent. Except as required to make payments in respect of the Other Secured Obligations or as otherwise provided in this Agreement (including Section 5.14), the Agent shall distribute:
 - (a) payments of interest in accordance with each Lender's Applicable Percentage of the Credit;
 - (b) repayments of principal in accordance with each Lender's Applicable Percentage of the Credit; or
 - (c) all other payments received by the Agent including amounts received on the enforcement of Security, in accordance with each Lender's Applicable Percentage of the Credit except that with respect to proceeds of enforcement, no Lender shall receive an amount in excess of the amounts owing to it in respect of the Obligations.
 - (2) The Agent is authorized to effect all necessary debits, deposits, credits and transfers to the Designated Accounts in order to accommodate the Lenders in making Advances and in order to accommodate the Borrower in making payments to the Lenders and the Agent in accordance with the provisions of this Agreement.
-

5.14 Payments by Agent

- (1) For greater certainty, the following provisions shall apply to any and all payments made by the Agent to the Lenders hereunder:
 - (a) the Agent shall be under no obligation to make any payment (whether in respect of principal, interest, fees or otherwise) to any Lender until an amount in respect of that payment has been received by the Agent from the Borrower;
 - (b) if the Agent receives less than the full amount of any payment of principal, interest, fees or other amount owing by the Borrower under this Agreement, the Agent shall have no obligation to remit to each Lender any amount other than such Lender's Applicable Percentage of that amount which is the amount actually received by the Agent;
 - (c) if any Lender advances more or less than its Applicable Percentage of the Credit, that Lender's entitlement to that payment shall be increased or reduced, as the case may be, in proportion to the amount actually advanced by such Lender;
 - (d) except as specified in any applicable Assignment and Assumption, if a Lender's Applicable Percentage of an Advance has been advanced, or a Lender's Commitment has been outstanding, for less than the full period to which any payment (other than a payment of principal) by the Borrower relates, that Lender's entitlement to that payment shall be reduced in proportion to the length of time such Lender's Applicable Percentage of the Credit or such Lender's Commitment, as the case may be, has actually been outstanding;
 - (e) the Agent acting reasonably and in good faith shall, after consultation with the Lenders in the case of any dispute, determine in all cases the amount of all payments to which each Lender is entitled and that determination shall, in the absence of demonstrable error, be binding and conclusive; and
 - (f) on request, the Agent shall deliver a statement detailing any of the payments to the Lenders referred to herein.
 - (2) Unless the Agent has received notice from the Borrower before the date on which any payment is due to the Agent for the account of any Lender that the Borrower will not make such payment, the Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute the amount due to the Lenders. In that event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Agent, at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation.
-

**ARTICLE 6
REPRESENTATIONS AND WARRANTIES**

6.1 Representations and Warranties

The Borrower represents and warrants to the Lenders as specified in this Section 6.1.

Each Obligor is a duly incorporated or amalgamated and organized and validly subsisting under the laws of its jurisdiction of formation and has the corporate power and authority to enter into and perform its obligations under any Loan Documents to which it is or will be a party, to own or dispose or lease its Property and to carry on the business in which it is engaged.
 - (2) Authorization. All necessary corporate action has been taken by each Obligor or on its part to authorize its execution and delivery of the Loan Documents to which it is or will be a party and the fulfilment of its obligations thereunder.
 - (3) Absence of Conflict. The execution, delivery and performance by each Obligor of the Loan Documents to which it is or will be a party, and the incurrence by it of Obligations and/or Other Secured Obligations, will not result in:

8.7 Third Parties

No Person dealing with the Agent or any Lender or any other agent of the Lenders shall be concerned to inquire whether the Security has become enforceable, or whether the powers which the Agent or the Lenders or such other agent are purporting to exercise have become exercisable, or whether any Obligations remain outstanding, or as to the necessity or expediency of the stipulations and conditions subject to which any action shall be taken, or otherwise as to the propriety or regularity of any action that is proposed.

8.8 Remedies Cumulative

The rights and remedies of the Lenders under the Loan Documents are cumulative and are in addition to and not in substitution for any rights or remedies provided by Applicable Law. Any waiver by the Lenders of the strict observance, performance or compliance with any term, covenant, condition or agreement herein contained, and any indulgence granted by the Lenders shall be deemed not to be a waiver of any subsequent default.

8.9 Set-Off or Compensation

If an Event of Default has occurred and is continuing, each of the Lenders and each of their respective Affiliates is hereby authorized at any time and from time to time to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of any Obligor against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender has made any demand under this Agreement or any other Loan Document and although such obligations of the Obligor may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each of the Lenders and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff, consolidation of accounts and bankers' lien) that the Lenders or their respective Affiliates may have. Each Lender agrees to promptly notify the Borrower and the Agent after any such setoff and application, but the failure to give such notice shall not affect the validity of such setoff and application. If any Affiliate of a Lender exercises any rights under this Section 8.9, it shall share the benefit received in accordance with Section 9.6 as if the benefit had been received by the Lender of which it is an Affiliate.

**ARTICLE 9

9.2 Rights as a Lender

The Person serving as the Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Restricted Party or any Affiliate thereof as if such Person were not the Agent and without any duty to account to the Lenders.

-

- (c) shall not, except as expressly specified herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as the Agent or any of its Affiliates in any capacity.
- (2) The Agent and each co-lead arranger (if applicable) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as is necessary, or as the Agent or the relevant co-lead arranger (if applicable) believes in good faith is necessary, under the provisions of the Loan Documents) or (ii) in the absence of its own gross negligence or wilful misconduct. The Agent and the co-lead arrangers (if applicable) shall be deemed not to have knowledge of any Default unless and until notice describing the Default is given to the Agent or the co-lead arrangers (if applicable) by the Borrower or a Lender.
- (3) Except as otherwise expressly specified in this Agreement, the Agent and a co-lead arranger (if applicable) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition specified in this Agreement, other than to confirm receipt of items expressly required to be delivered to the Agent or the co-lead arrangers, as the case may be.

9.4 Reliance by Agent

The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of an Advance, or the issuance of an L/C, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Agent has received notice to the contrary from such Lender or Issuing Bank before the making of such Advance or the issuance of such L/C. The Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.5 Delegation of Duties

The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Agent from among the Lenders (including the Person serving as Agent) and their respective Affiliates. The Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The provisions of this Article and other provisions of this Agreement for the benefit of the Agent shall apply to any such sub-agent and to the Related Parties of the Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Credit as well as activities as Agent.

 - (a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest,
 - (b) the provisions of this Section shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Advances to any assignee or participant, other than to the Borrower or any Affiliate of the Borrower (as to which the provisions of this Section shall apply); and
 - (c) the provisions of this Section shall not be construed to apply to (i) any payment made while no Event of Default has occurred and is continuing in respect of obligations of the Borrower to such Lender that do not arise under or in connection with the Loan Documents, (ii) any payment made in respect of an obligation that is secured by a Permitted Lien or that is otherwise entitled to priority over the Borrower's obligations under or in connection with the Loan Documents, (iii) any reduction arising from an amount owing to an Obligor upon the termination of Derivatives entered into between the Obligor and such Lender except for a net amount available after the termination of all Derivatives entered into between the Obligors and such Lender and the setoff of resulting amounts owing by the Obligors and to the Obligors, or (iv) any payment to which such Lender is entitled as a result of any form of credit protection obtained by such Lender.
 - (2) The Borrower consents to the foregoing and agree, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Obligor rights of setoff and counterclaim and similar rights of Lenders with respect to such participation as fully as if such Lender were a direct creditor of each Obligor in the amount of such participation.
-

- (2) The Agent may take the following actions only with the prior consent of the Required Lenders, unless otherwise specified in this Agreement:
- (a) subject to Section 9.7(3), exercise any and all rights of approval conferred on the Lenders by this Agreement;
 - (b) give written notice to the Borrower in respect of any matter in respect of which notice may be required, permitted, necessary or desirable in accordance with or pursuant to this Agreement, promptly after receiving the consent of the Required Lenders, except that the Agent shall, without direction from the Lenders, immediately give the Borrower notice of any payment that is due or overdue under the terms of this Agreement unless the Agent considers that it should request the direction of the Required Lenders, in which case the Agent shall promptly request that direction;
 - (c) amend, modify or waive any of the terms of this Agreement, including waiver of a Default, if such action is not otherwise provided for in Section 9.7(3);
 - (d) declare an Event of Default or take action to enforce performance of the Obligations and the Security and/or pursue any other legal remedy necessary;
 - (e) enter into or amend, modify or waive any term of any Intercreditor Agreement;
 - (f) decide to accelerate the amounts outstanding under the Credit; and
 - (g) pay insurance premiums, taxes and any other sums as may be reasonably required to protect the interests of the Lenders.
- (3) The Agent may take the following actions only if the prior unanimous consent of the Lenders is obtained, unless otherwise specified herein:
- (a) subject to Section 9.7(1)(f), release or subordinate any portion of the Security;
 - (b) amend, modify, terminate or waive any term of the Second Lien Intercreditor Agreement or grant any consent or approval under the Second Lien Intercreditor Agreement (except pursuant to Section 2.6(d) of the Second Lien Intercreditor Agreement);
 - (c) notwithstanding Section 7.5, amend, modify, terminate or waive any term of Section 7.5(8)(b) or grant any consent or approval required as a result of that Section (including any agreement to relinquish the benefit of subordination provisions);
 - (d) amend, modify, discharge, terminate or waive any of the terms of this Agreement if such amendment, modification, discharge, termination or waiver would increase the amount of the Credit, amend the purpose of the Credit, reduce the interest rates and similar charges applicable to the Credit, reduce the fees payable with respect to the Credit, extend any date fixed for payment of principal, interest or any other amount relating to the Credit or extend the term of the Credit; or
-

- (e) amend the definition of "Required Lenders" or this Section 9.7(3).

For greater certainty, no Lender's Commitment or Applicable Percentage may be amended without the consent of that Lender.

- (4) Notwithstanding Sections 9.7(2) and 9.7(3), the Agent may, without the consent of the Lenders, make amendments to the Loan Documents that are for the sole purpose of curing any immaterial or administrative ambiguity, defect or inconsistency, but shall immediately notify the Lenders of any such action. The Agent may also discharge any Guarantee and the other obligations under the Loan Documents of any Obligor except the Borrower (a) to the extent necessary to allow any Obligor to complete any sale or other disposition of Property permitted by this Agreement or any consent or waiver pursuant to this Agreement or (b) to release an Obligor that is designated as a Non-Recourse Subsidiary in accordance with this Agreement.
- (5) As between the Borrower, on the one hand, and the Agent and the Lenders, on the other hand:
 - (a) all statements, certificates, consents and other documents which the Agent purports to deliver on behalf of the Lenders or the Required Lenders shall be binding on each of the Lenders, and the Borrower shall not be required to ascertain or confirm the authority of the Agent in delivering such documents;
 - (b) all certificates, statements, notices and other documents which are delivered by the Borrower to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders;
 - (c) all payments which are delivered by the Borrower to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders.
- (6) Except in its own right as a Lender, the Agent shall not be required to advance its own funds for any purpose, and in particular, shall not be required to pay with its own funds insurance premiums, taxes or public utility charges or the cost of repairs or maintenance with respect to any Property that is the subject matter of any security, nor shall it be required to pay with its own funds the fees of solicitors, counsel, auditors, experts or agents engaged by it as permitted hereby.

9.8 Replacement of Declining Lenders

- (1) Promptly after expiry of the period reasonably established by the Agent for Lenders to respond to a request for consent of all Lenders under Section 9.7(3), the Agent shall notify the Borrower of the response of the Lenders, and shall include the names of all Declining Lenders.
 - (2) If the aggregate amount of the Commitments of the Accepting Lenders in respect of the request for consent exceeds two-thirds of the aggregate Commitments of all Lenders then in effect but there are Declining Lenders, the Borrower may elect to secure consent of all Lenders for the purposes of Section 9.7(3) by giving a written notice to the Agent to that effect within 60 days after the Agent notifies the Borrower of the Lenders' response, in which case the Borrower must, within five Business Days after giving notice to the Agent, replace or cancel the Commitments of all Declining Lenders in the following manner:
-

- (a) the Borrower may negotiate an agreement with one or more of the Accepting Lenders or one or more New Lenders to assume the Commitments of the Declining Lenders on payment to the Declining Lenders of all amounts owed to the Declining Lenders under or in connection with the Credit, and in that event an assignment by the Declining Lenders to the Accepting Lenders or the New Lenders shall be deemed to have occurred in accordance with the terms of the form of Assignment and Assumption and the Borrower shall pay the Agent the assignment fee specified in Section 10.2(1)(f) unless waived by the Agent; and
- (b) to the extent the Commitments of the Declining Lenders have not been fully assumed by the Accepting Lenders and the New Lenders pursuant to Section 9.8(2)(a), the Borrower shall cancel the Commitments of the Declining Lenders and pay to the Declining Lenders within that time, all amounts owed to the Declining Lenders under or in connection with the Credit, without penalty but subject to payment of any costs and expenses payable to the Declining Lenders pursuant to this Agreement.

9.9 Rights of Agent

- (1) In administering the Credit, the Agent may retain, at the expense of the Lenders if such expenses are not recoverable from the Borrower, such solicitors, counsel, auditors and other experts and agents as the Agent may select, in its sole discretion, acting reasonably and in good faith after consultation with the Lenders.
- (2) The Agent shall be entitled to rely on any communication, instrument or document believed by it to be genuine and correct and to have been signed by the proper individual or individuals, and shall be entitled to rely and shall be protected in relying as to legal matters upon opinions of independent legal advisors selected by it. The Agent may also assume that any representation made by the Borrower is true and that no Default has occurred unless the officers or employees of the Lender acting as Agent, active in their capacity as officers or employees responsible for the Borrower's account have actual knowledge to the contrary or have received notice to the contrary from any other Party.
- (3) The Agent shall be entitled to receive a fee for acting as Agent as agreed between the Agent and the Borrower from time to time

9.10 Acknowledgements, Representations and Covenants of Lenders

- (1) Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.
-

- (2) Each Lender represents and warrants that it has the legal capacity to enter into this Agreement pursuant to its Constatng Documents and any Applicable Law and has not violated its Constatng Documents or any Applicable Law by so doing.
- (3) Each Lender agrees to indemnify the Agent and hold it harmless (to the extent not reimbursed by the Borrower), rateably according to its Applicable Percentage (and not jointly or jointly and severally) from and against any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel, which may be incurred by or asserted against the Agent in any way relating to or arising out of the Loan Documents or the transactions therein contemplated. However, no Lender shall be liable for any portion of such losses, claims, damages, liabilities and related expenses resulting from the Agent's gross negligence or wilful misconduct. The Agent shall not be required to take or continue any action unless the Agent has received sufficient funds or arrangements satisfactory to it for indemnification to cover the cost of the proposed action.
- (4) To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Sections 11.8(1) and 11.8(2) to be paid by it to the Agent (or any sub-agent or Related Party thereof), each Lender severally agrees to pay to the Agent (or any sub-agent or Related Party) such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section are subject to the other provisions of this Agreement concerning several liability of the Lenders.
- (5) Each of the Lenders acknowledges and confirms that in the event that the Agent does not receive payment in accordance with this Agreement, it shall not be the obligation of the Agent to maintain the Credit in good standing nor shall any Lender have recourse to the Agent in respect of any amounts owing to such Lender under this Agreement.
- (6) Each Lender acknowledges and agrees that its obligation to advance its Applicable Percentage of Advances in accordance with the terms of this Agreement is independent and in no way related to the obligation of any other Lender hereunder.
- (7) Each Lender acknowledges receipt of a copy of this Agreement and the Security and acknowledges that it is satisfied with the form and content of such documents.

9.11 Collective Action of the Lenders

Each of the Lenders hereby acknowledges that to the extent permitted by Applicable Law, the remedies provided under the Loan Documents to the Lenders are for the benefit of the Lenders collectively and acting together and not severally and further acknowledges that its rights hereunder and under the Security are to be exercised not severally, but by the Agent upon the decision of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in the Loan Documents). Accordingly, notwithstanding any of the provisions contained in any Loan Document, each of the Lenders hereby covenants and agrees that it shall not be entitled to take any action hereunder or thereunder, including any declaration of default hereunder or thereunder but that any such action shall be taken only by the Agent with the prior written agreement of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in the Loan Documents). Each of the Lenders hereby further covenants and agrees that upon any such written agreement being given, it shall co-operate fully with the Agent to the extent requested by the Agent. Notwithstanding the foregoing, in the absence of instructions from the Lenders and where in the sole opinion of the Agent, acting reasonably and in good faith, the exigencies of the situation warrant such action, the Agent may without notice to or consent of the Lenders take such action on behalf of the Lenders as it deems appropriate or desirable in the interest of the Lenders.

9.12 Successor Agent

- (1) The Agent may at any time give notice of its resignation to the Lenders, the Issuing Bank and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower (not to be unreasonably withheld or delayed) unless a Default has occurred and is continuing, to appoint a successor, which shall be a Lender having an office in Toronto, Ontario or an Affiliate of any such Lender with an office in Toronto. The Agent may also be removed at any time by the Required Lenders upon 30 days' notice to the Agent and the Borrower as long as the Required Lenders, in consultation with the Borrower, appoint and obtain the acceptance of a successor within such 30 days, which shall be a Lender having an office in Toronto or an Affiliate of any such Lender with an office in Toronto.
 - (2) If no such successor has been so appointed by the Required Lenders and has accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications specified in the immediately preceding paragraph, provided that if the Agent notifies the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that the retiring Agent shall continue to hold the Security held by the Agent on behalf of the Lenders until such time as a successor Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for in the preceding paragraph.
 - (3) Upon a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the former Agent, and the former Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided in the preceding paragraph). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the termination of the service of the former Agent, the provisions of this Article 9 and of Section 11.7 shall continue in effect for the benefit of the former Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the former Agent was acting as Agent.
-

9.13 No Other Duties etc.

Notwithstanding anything herein to the contrary, no Bookrunner, Arranger or holder of a similar title specified in this Agreement shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Agent or a Lender hereunder.

9.14 Defaulting Lenders

- (1) Where a Lender has become a Defaulting Lender, the Agent will notify the Borrower and each Lender of that fact after having acquired actual knowledge of same.
 - (2) At any time following the date of a notification under Section 9.14(1), the Borrower will be entitled to require that each such Defaulting Lender assign its rights under the Credit to a Person who would be an Eligible Assignee who has agreed to assume the Commitment of such Defaulting Lender. However, no such assignment and assumption will be effective unless the consideration payable to such Defaulting Lender for the assignment includes all amounts owed to such Defaulting Lender in respect of the Credit and is paid to the latter by the assignee (together with breakage costs if any). Section 10.2 will apply (adapted accordingly) to the said assignment and assumption and any Defaulting Lender will take all such actions as are required to promptly effect same.
 - (3) Notwithstanding any other provision of this Agreement, from the time a Lender becomes a Defaulting Lender:
 - (a) such Defaulting Lender will not be entitled to vote on any issue (other than on a reduction of a principal amount payable to it and any increase or extension of its Commitment) and, subject to the foregoing exceptions, the entirety of its Commitment will be disregarded in the calculation of all Required Lenders' or Lenders' unanimous decisions;
 - (b) standby fees and L/C Fees will not accrue or be payable in respect of such Defaulting Lender's Commitment provided that L/C Fees relating to such Defaulting Lender's obligations that are reallocated pursuant to clause (d) below will be payable to the Lenders to whom such obligations have been reallocated;
 - (c) such Defaulting Lender will not participate in any new Advance and its Commitment will be disregarded in the calculation of the pro rata share of the Lenders in any new Advance;
 - (d) the funding obligations of the Defaulting Lender in respect of Advances made by the Swingline Lender and in respect of payments made by the Issuing Bank under Letters of Credit will be reallocated among the other Lenders and will be calculated excluding the Defaulting Lender's Commitment from the *pro rata* share of the funding obligations of the other Lenders, but only to the extent such reallocation and calculation does not cause the outstanding Advances owing to any non-Defaulting Lender to exceed the amount of its Commitment and provided that no such reallocation will release the Defaulting Lender from its obligations hereunder;
 - (e) if a reallocation contemplated in clause (d) above cannot be effected (in full or in part), the Borrower will (y) repay to the Swingline Lender the portion of any outstanding Advances under Section 2.2 which has not been so reallocated, and (z) prepay, or provide Cash Collateral to secure the unallocated portion of the funding obligations relating to Letters of Credit;
-

- (f) the Swingline Lender or the Issuing Bank may decline to provide Advances under Section 2.2 or issue Letters of Credit under Article 5 (as applicable) if it has an exposure to a Defaulting Lender as a result of any reallocation pursuant to clause (d) not being fully effected; and
 - (g) the Agent will be entitled to withhold any amount that would otherwise be distributed or payable to a Defaulting Lender and to apply (in the order determined by the Agent) any such amount to the obligations of such Defaulting Lender hereunder or to outstanding Advances owing to the non-Defaulting Lenders.
- (4) A Lender who becomes a Defaulting Lender will retain such status until the Agent, the Issuing Bank and the Swingline Lender notify such Defaulting Lender that they are satisfied that all existing defaults in respect of such Lender have been remedied and that such Lender has the financial ability to perform its obligations hereunder. Concurrently with such notification, the Agent will make such adjustments among the Lenders as are necessary to give effect to the foregoing and to the fact that Section 9.14(3) has ceased to apply in respect of the Lender concerned, provided that no retroactive adjustments will be made (including with respect to interest and fees).
- (5) For greater certainty (subject to Section 11.7 in the case of clauses (ii) and (iii) below), (i) the default by a Lender to perform its obligations hereunder will not relieve any other Lender from its obligations hereunder (including to fund Advances in the proportion of its Commitment), and (ii) an assignment of the Commitment of a Defaulting Lender will not relieve such Defaulting Lender from its obligations to indemnify any other party from the consequences of its default, and (iii) this Section 9.14 does not affect any right or recourse of the Borrower or any other Restricted Party against any Defaulting Lender.

9.15 Provisions Operative Between Lenders and Agent Only

Except for the provisions of Sections 9.7(2), 9.7(5), 9.8, 9.10(2), 9.10(6), 9.11, 9.12, 9.13, 9.14 and 9.15, the provisions of this Article relating to the rights and obligations of the Lenders and the Agent inter se shall be operative as between the Lenders and the Agent only, and the Obligors shall not have any rights or obligations under or be entitled to rely for any purpose on such provisions.

9.16 Return by Lenders of Mistaken Payments

- (1) If the Agent notifies a Lender, or any Person who has received funds on behalf of a Lender, (any such Lender, or other recipient, a "**Payment Recipient**") that the Agent has determined in its sole discretion (whether or not after receipt of any notice under Section 9.16(2)) that any funds (as set forth in such notice from the Agent) received by such Payment Recipient from the Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "**Erroneous Payment**") and demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Agent pending its return or repayment as contemplated below in this Section 9.16 and held in trust for the benefit of the Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two (2) Business Days thereafter (or such later date as the Agent may, in its sole discretion, specify in writing), return to the Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Agent in same day funds at a rate determined by the Agent, acting reasonably, in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Agent to any Payment Recipient under this Section 9.16(1) shall be conclusive, absent manifest error.
-

- (2) Without limiting Section 9.16(1), each Lender, or any Person who has received funds on behalf of a Lender, agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Agent (or any of its Affiliates), or (z) that such Lender, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:
- (a) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and
 - (b) such Lender shall (and shall cause any other recipient that receives funds on its behalf to) promptly (and, in all events, within one (1) Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Agent pursuant to this Section 9.16(2).

For the avoidance of doubt, the failure to deliver a notice to the Agent pursuant to this Section 9.16(2) shall not have any effect on a Payment Recipient's obligations pursuant to Section 9.16(1) or on whether or not an Erroneous Payment has been made.

- (3) Each Lender hereby authorizes the Agent to set off, net and apply any and all amounts at any time owing to such Lender under any Loan Document, or otherwise payable or distributable by the Agent to such Lender under any Loan Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Agent has demanded to be returned under Section 9.16(1).
- (4) The parties hereto agree that (x) irrespective of whether the Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender, to the rights and interests of such Lender) under the Loan Documents with respect to such amount (the "**Erroneous Payment Subrogation Rights**") and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Restricted Party; *provided* that this Section 9.16 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrower relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Agent; *provided, further*, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Agent from, or on behalf of (including through the exercise of remedies under any Loan Document), the Borrower for the purpose of making a payment on the Obligations.
-

- (5) To the extent permitted by Applicable Law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.
- (6) Each party's obligations, agreements and waivers under this Section 9.16 shall survive the resignation or replacement of the Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

**ARTICLE 10
ADDITIONAL LENDERS,
SUCCESSORS AND ASSIGNS**

10.1 Successors and Assigns

The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 10.2, (ii) by way of participation in accordance with the provisions of Section 10.4, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.5 (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, sub-agents contemplated hereby, Participants to the extent provided in Section 10.4 and, to the extent expressly contemplated hereby, the Related Parties of each of the Agent, any sub-agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

10.2 Assignments by Lenders

- (1) Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Advances at the time owing to it), provided that:
- (a) except if an Event of Default has occurred and is continuing or in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Advances at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender, the aggregate amount of the Commitment being assigned (which for this purpose includes Advances outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Advances of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than US \$10,000,000, unless each of the Agent and, so long as no Default has occurred and is continuing, the Borrower otherwise consent to a lower amount (each such consent not to be unreasonably withheld or delayed);
 - (b) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;
 - (c) any assignment must be approved by each Issuing Bank (such approval not to be unreasonably withheld or delayed) unless the Person that is the proposed assignee is itself already a Lender. Each Issuing Bank will be deemed to have given its consent ten (10) Business Days after a Lender has requested it, unless consent is expressly refused by such Issuing Bank;
 - (d) any assignment must be approved by the Agent (such approval not to be unreasonably withheld or delayed) unless:
 - (i) the proposed assignee is itself already a Lender, or
 - (ii) the proposed assignee is a bank whose senior, unsecured, non-credit enhanced, long term debt is rated at least A3, A- or A low by at least two of Moody's Investor Services Inc., S&P and Dominion Bond Rating Service Limited, respectively;
 - (e) any assignment must be approved by the Borrower (such approval not to be unreasonably withheld or delayed) unless the proposed assignee is itself already a Lender or an Affiliate of a Lender or a Default has occurred and is continuing. The Borrower will be deemed to have given its consent ten (10) Business Days after a Lender has requested it, unless consent is expressly refused by the Borrower; and
 - (f) the parties to each assignment shall execute and deliver to the Agent an Assignment and Assumption, together with a processing and recordation fee of \$5,000 and the Eligible Assignee, if it is not a Lender, shall deliver any administrative questionnaire required by the Agent.
-

- (2) Subject to acceptance and recording thereof by the Agent pursuant to Section 10.3, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement and the other Loan Documents, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 11.7, 11.9 and 11.10, and shall continue to be liable for any breach of this Agreement by such Lender, with respect to facts and circumstances occurring before the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.4. Any payment by an assignee to an assigning Lender in connection with an assignment or transfer shall not be or be deemed to be a repayment by the Borrower or a new Advance to the Borrower.

10.3 Register

The Agent shall maintain at one of its offices in Toronto, Ontario a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Advances owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

10.4 Participations

- (1) Any Lender may at any time, with the consent of the Borrower (not to be unreasonably withheld or delayed) unless a Default has occurred and is continuing, but otherwise without the consent of, or notice to, the Borrower or the Agent, sell participations to any Person (other than a natural person, a Restricted Party or any Affiliate of a Restricted Party) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Advances owing to it). However, (i) the Lender's obligations under this Agreement shall remain unchanged, (ii) the Lender shall remain solely responsible to the other parties hereto for the performance of its obligations and (iii) the Borrower, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any payment by a Participant to a Lender in connection with a sale of a participation shall not be or be deemed to be a repayment by the Borrower or a new Advance to the Borrower.
- (2) Subject to the immediately following paragraph, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 11.9 and 11.10 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.2. To the extent permitted by Applicable Law, each Participant also shall be entitled to the benefits of Section 8.9 as though it were a Lender, provided such Participant agrees to be subject to Section 9.6 as though it were a Lender.
-

- (3) A Participant shall not be entitled to receive any greater payment under Sections 11.9 and 11.10 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 11.9 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with that Section as though it were a Lender.

10.5 Certain Pledges

Any Lender may at any time charge, pledge, assign a security interest, or otherwise create a security interest (whether by way of collateral or otherwise), in all or any portion of its rights under this Agreement and the other Loan Documents to secure obligations of such Lender, but no such charge, pledge, assignment or security interest shall release such Lender from any of its obligations hereunder or substitute any such pledgee, or assignee or secured party for such Lender as a party hereto.

ARTICLE 11 MISCELLANEOUS PROVISIONS

11.1 Severability, Etc.

If, in any jurisdiction, any provision of this Agreement or its application to any Party or circumstance is restricted, prohibited or unenforceable, that provision shall, as to such jurisdiction, be ineffective only to the extent of such restriction, prohibition or unenforceability without invalidating the remaining provisions of this Agreement, without affecting the validity or enforceability of such provision in any other jurisdiction and, if applicable, without affecting its application to the other Parties or circumstances.

11.2 Amendment, Supplement or Waiver

No amendment, supplement or waiver of any provision of any Loan Document, nor any consent to any departure by an Obligor therefrom, shall in any event be effective unless it is in writing, makes express reference to the provision affected thereby and is signed by the Agent for and on behalf of the Lenders or the Required Lenders, as the case may be, and then that waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. In addition, any amendment or supplement shall require the written consent of the other parties to the Loan Document in question. No waiver or act or omission of the Agent, the Lenders, or any of them, shall extend to or be taken in any manner whatsoever to affect any subsequent Default or breach by an Obligor of any provision of any Loan Document or the rights resulting therefrom.

11.3 Governing Law

- (1) Each of the Loan Documents, except for those which expressly provide otherwise, shall be conclusively deemed to be a contract made under, and shall for all purposes be governed by and construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable in Ontario. The Borrower irrevocably and unconditionally submits, for itself and its Property, to the nonexclusive jurisdiction of the courts of the Province of Ontario, and any appellate court from any of those courts, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Obligor or its Property in the courts of any jurisdiction. The Borrower irrevocably and unconditionally waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in court any of the Province of Ontario. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by Applicable Law, the defence of an inconvenient forum to the maintenance of such action or proceeding in any such court.
-

11.4 This Agreement to Govern

In the event of any conflict between the terms of this Agreement and the terms of any other Loan Document, the provisions of this Agreement shall govern to the extent necessary to remove the conflict.

11.5 Currency

All payments made hereunder shall be made in the currency in respect of which the obligation requiring such payment arose. Unless the context otherwise requires, all amounts expressed in this Agreement in terms of money shall refer to Canadian Dollars. Except as otherwise expressly provided in this Agreement, wherever this Agreement contemplates or requires the calculation of the equivalent in one currency of an amount expressed in another currency, the calculation shall be made on the basis of the Exchange Rate at the effective date of the calculation.

11.6 Liability of Lenders

The liability of the Lenders in respect of all matters relating to this Agreement and the other Loan Documents is several and not joint or joint and several. Without limiting that statement, the obligations of the Lenders to make Advances is limited to their respective Applicable Percentages of any Advance that is requested, and, in the aggregate, to their respective Applicable Percentages of the total amounts of the Credit.

11.7 Acknowledgement and Consent to Bail-In of Affected Financial Institutions

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
- (c) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

11.8 Expenses and Indemnity

- (1) The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Agent, in connection with the syndication of the Credit, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby are consummated), (ii) without duplication, all reasonable out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any L/C or any demand for payment thereunder and (iii) all reasonable out-of-pocket expenses incurred by the Agent or any Lender, including the reasonable fees, charges and disbursements of counsel, in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents, including its rights under this Section, or in connection with the Advances made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Advances. No Lender shall, however, be entitled to be reimbursed for fees, charges and disbursements of counsel to advise it separately from counsel advising the Agent and/or the Lenders collectively.
 - (2) The Borrower shall indemnify the Agent (and any sub-agent thereof), each Lender, each co-lead arranger (if applicable) and each Related Party of any of the foregoing Persons (each such Person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Restricted Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance or non-performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation or non-consummation of the transactions contemplated hereby or thereby, (ii) any Advance or the use or proposed use of the proceeds therefrom (including any refusal by an Issuing Bank to honour a demand for payment under an L/C if the documents presented in connection with such demand do not strictly comply with the terms of such L/C), (iii) any actual or alleged presence or release, spill, leakage, emission, deposit, discharge, leaching, migration or disposition of any hazardous substance, pollutant, contaminant or toxic or dangerous waste, substance or material as defined in or regulated by any Applicable Law or Governmental Authority from time to time (including friable asbestos and poly-chlorinated biphenals) on or from any Property owned or operated by any Restricted Party, or any remedial action taken by the Agent or Lender with respect thereto or any breach of Applicable Law with respect thereto that is related in any way to any Restricted Party, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by a Restricted Party and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or wilful misconduct of such Indemnitee or (y) result from a claim brought by the Borrower or any other Restricted Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Restricted Party has obtained a final and non-appealable judgment in its favour on such claim as determined by a court of competent jurisdiction, nor shall it be available in respect of matters specifically addressed in Sections 11.8(1), 11.9 and 11.10.
-

- (3) All amounts due under this Section 11.7 shall be payable promptly after demand therefor. A certificate of the Agent or a Lender setting forth the amount or amounts owing to the Agent, Lender or a sub-agent or Related Party, as the case may be, as specified in this Section, including reasonable detail of the basis of calculation of the amount or amounts, and delivered to the Borrower shall be conclusive absent manifest error.

11.9 Taxes

- (1) If the Borrower, the Agent, or any Lender is required by Applicable Law to deduct or pay any Indemnified Taxes (including any Other Taxes) in respect of any payment by or on account of any obligation of the Borrower hereunder or under any other Loan Document, then (i) the sum payable shall be increased by the Borrower when payable as necessary so that after making or allowing for all required deductions and payments (including deductions and payments applicable to additional sums payable under this Section) the Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or payments been required, (ii) the Borrower shall make any such deductions required to be made by it under Applicable Law and (iii) the Borrower shall timely pay the full amount required to be deducted to the relevant Governmental Authority in accordance with Applicable Law.
 - (2) Without limiting the provisions of the immediately preceding paragraph, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with Applicable Law.
 - (3) The Borrower shall indemnify the Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Agent or such Lender and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Agent), or by the Agent on its own behalf or on behalf of a Lender, shall be *prima facie* evidence of the amount.
-

- (4) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Agent.
- (5) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall, at the request of the Borrower, deliver to the Borrower (with a copy to the Agent), at the time or times prescribed by Applicable Law or reasonably requested by the Borrower or the Agent, such properly completed and executed documentation prescribed by Applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, (a) any Lender, if requested by the Borrower or the Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Agent as will enable the Borrower or the Agent to determine whether or not such Lender is subject to withholding or information reporting requirements, and (b) any Lender that ceases to be, or to be deemed to be, resident in Canada for purposes of Part XIII of the *Income Tax Act* (Canada) or any successor provision thereto shall within five days thereof notify the Borrower and the Agent in writing.
- (6) If the Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section or that, because of the payment of such Taxes or Other Taxes, it has benefited from a reduction in Excluded Taxes otherwise payable by it, it shall pay to the Borrower an amount equal to such refund or reduction (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section with respect to the Taxes or Other Taxes giving rise to such refund or reduction), net of all out-of-pocket expenses of the Agent or such Lender, as the case may be, and without interest (other than any net after-Tax interest paid by the relevant Governmental Authority with respect to such refund). The Borrower, upon the request of the Agent or such Lender, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Agent or such Lender if the Agent or such Lender is required to repay such refund or reduction to such Governmental Authority. This paragraph shall not be construed to require the Agent or any Lender to make available its tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person, to arrange its affairs in any particular manner or to claim any available refund or reduction.

11.10 Increased Costs etc.

- (1) If any Change in Law shall:
-

- (a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;
- (b) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Advance made by it, or change the basis of taxation of payments to such Lender in respect thereof, except for Indemnified Taxes or Other Taxes covered by Section 11.9 and the imposition, or any change in the rate, of any Excluded Tax payable by such Lender; or
- (c) impose on any Lender or any applicable interbank market any other condition, cost or expense affecting this Agreement or Advances made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Advance (or of maintaining its obligation to make any such Advance), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then upon request of such Lender the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

- (2) If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Advances made by such Lender, to a level below that which such Lender or its holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of its holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or its holding company for any such reduction suffered.
 - (3) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in this Section, including reasonable detail of the basis of calculation of the amount or amounts, and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.
 - (4) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, except that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months before the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor, unless the Change in Law giving rise to such increased costs or reductions is retroactive, in which case the nine-month period referred to above shall be extended to include the period of retroactive effect thereof.
-

11.11 Mitigation Obligations; Replacement of Lenders

- (1) If any Lender requests compensation under Section 11.10, or requires the Borrower to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 11.9, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 11.9 or 11.10, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment unless the Borrower has repaid or replaced the Lender in accordance with Section 11.11(2).
 - (2) If any Lender requests compensation under Section 11.10, if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 11.9, if any Lender's obligations are suspended pursuant to Section 11.12 or if any Lender defaults in its obligation to fund loans hereunder, then the Borrower may, at its sole expense and effort, upon 10 days' notice to such Lender and the Agent, either (i) repay all Obligations to the Lender and reduce the amount of the Credit by an amount equal to the Lender's Commitment, or (ii) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.2), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:
 - (a) in the case of an assignment, the Borrower pays the Agent the assignment fee specified in Section 10.2(1)(f);
 - (b) the Lender receives payment of an amount equal to the outstanding principal of its Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any breakage costs and amounts required to be paid under this Agreement as a result of prepayment to a Lender) from any assignee and/or the Borrower;
 - (c) in the case of any assignment resulting from a claim for compensation under Section 11.10 or payments required to be made pursuant to Section 11.9, such assignment will result in a reduction in such compensation or payments thereafter; and
 - (d) any assignment does not conflict with Applicable Law.
 - (3) A Lender shall not be required to make any such assignment or delegation or accept repayment if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation or repayment cease to apply.
-

11.12 Illegality

If any Lender determines that any Applicable Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make or maintain any Advance (or to maintain its obligation to make any Advance), or to determine or charge interest rates based upon any particular rate, then, on notice thereof by such Lender to the Borrower through the Agent, any obligation of such Lender with respect to the activity that is unlawful shall be suspended until such Lender notifies the Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall, upon demand from such Lender (with a copy to the Agent), prepay or, if conversion would avoid the activity that is unlawful, convert any Advances, or take any necessary steps with respect to any L/C in order to avoid the activity that is unlawful. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

11.13 Currency Indemnity

In the event of a judgment or order being rendered by any court or tribunal for the payment of any amounts owing to the Agent or the Lenders or any of them under this Agreement or for the payment of damages in respect of any breach of this Agreement or under or in respect of a judgment or order of another court or tribunal for the payment of such amounts or damages, such judgment or order being expressed in a currency ("the Judgment Currency") other than the currency payable hereunder or thereunder ("the Agreed Currency"), the party against whom the judgment or order is made shall indemnify and hold the Agent and the Lenders harmless against any deficiency in terms of the Agreed Currency in the amounts received by the Agent and the Lenders arising or resulting from any variation as between (a) the Exchange Rate at which the Agreed Currency is converted into the Judgment Currency for the purposes of such judgment or order, and (b) the Exchange Rate at which the Agent or each Lenders is able to purchase the Agreed Currency with the amount of the Judgment Currency actually received by the Agent or the Lender on the date of such receipt. The indemnity in this Section shall constitute a separate and independent obligation from the other obligations of the Borrower hereunder, shall apply irrespective of any indulgence granted by the Agent and the Lenders, and shall be supported by the Security.

11.14 Notices

- (1) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 11.14(3)), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by email to the address specified beside the respective signatures of the parties to this Agreement or on any Assignment and Assumption.
 - (2) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by email shall be deemed to have been given when sent (except that, if not given on a Business Day between 9:00 a.m. and 5:00 p.m. local time where the recipient is located, shall be deemed to have been given at 9:00 a.m. on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in Section 11.14(3), shall be effective as provided in that Section.
-

- (3) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Agent, except that the foregoing shall not apply to notices to any Lender of Advances to be made if the Lender has notified the Agent that it is incapable of receiving notices relating to Advances by electronic communication. The Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, but approval of such procedures may be limited to particular notices or communications.
- (4) Unless the Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), except that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.
- (5) Any party to this Agreement may change its address or email address for notices and other communications hereunder by notice to the other parties hereto.

11.15 Time of the Essence

Time is of the essence of this Agreement.

11.16 Further Assurances

The Borrower shall, at the request of the Agent, promptly do, execute, deliver or cause to be done, executed or delivered all such further acts, documents and matters as may, in the reasonable opinion of the Agent, be necessary or desirable in order to fully perform and carry out the purpose and intent of the Loan Documents.

11.17 Term of Agreement

The obligations of the Borrower in Sections 11.7, 11.9 and 11.10 and of the Lenders in Section 9.10(3) shall continue for the benefit of those to whom the obligations are owed notwithstanding the repayment of all obligations and the termination of the Credit or the termination of any particular person's role as Borrower, Agent or Lender.

11.18 Counterparts and Facsimile

- (1) *Counterparts: Integration: Effectiveness.* This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which will constitute an original, but all of which when taken together will constitute a single contract. This Agreement and the other Loan Documents and any separate letter agreements with respect to fees payable to the Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in the conditions precedent Section(s) of this Agreement, this Agreement will become effective when it has been executed by the Agent and when the Agent has received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by sending a scanned copy by electronic mail will be effective as delivery of a manually executed counterpart of this Agreement.
-

- (2) *Electronic Execution of Assignments.* This Agreement and any other Loan Document may be signed by way of associating or otherwise appending an electronic signature or other facsimile signature of the applicable signatory and the words "execution", "signed", "signature", and words of like import in this Agreement and any other Loan Document will be deemed to include electronic signatures or other facsimile signature, each of which will be of the same legal effect, validity or enforceability as a manually executed signature.
- (3) *Electronic Imaging.* Each party hereto agrees that, at any time, the Agent and each Lender may convert paper records of this Agreement, the other Loan Documents and all other documentation delivered to the Agent hereunder in such capacity (each, a "**Paper Record**") into electronic images (each, an "**Electronic Image**") as part of the Agent's or Lenders', as applicable, normal business practices. Each party hereto agrees that each such Electronic Image will be considered as an authoritative copy of the Paper Record and will be legally binding on the parties and admissible in any legal, administrative or other proceeding as conclusive evidence of the contents of such document in the same manner as the original Paper Record.

11.19 Waiver of Jury Trial, Consequential Damages Etc.

- (1) Each party hereto hereby irrevocably waives, to the fullest extent permitted by Applicable Law, any right it may have to a trial by jury in any legal proceeding directly or indirectly arising out of or relating to this Agreement or any other Loan Document or the transactions contemplated hereby or thereby (whether based on contract, tort or any other theory).
 - (2) To the fullest extent permitted by Applicable Law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for indirect, consequential, punitive, aggravated or exemplary damages (as opposed to direct damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby (or any breach thereof), the transactions contemplated hereby or thereby, any Advance or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.
 - (3) The Borrower acknowledges and agrees that none of the Agent or the Lenders shall have any liability to them in relation to any due diligence investigations conducted by any of them in connection with the transactions contemplated hereby or be under any obligation whatsoever to disclose to them any information received or facts disclosed by any such investigations. The Borrower further acknowledges and agrees that they are not relying, will not rely, and will not be deemed, in any respect whatsoever, to have relied upon the facts received by and information disclosed to any of the Agent or the Lenders under or in connection with such due diligence investigations.
-

- (4) Each party hereto (a) certifies that no representative, agent or attorney of any other person has represented, expressly or otherwise, that such other person would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the other Loan Documents by, among other things, the mutual waivers and certifications in this Section.

11.20 Treatment of Certain Information: Confidentiality

- (1) Each of the Agent and the Lenders agrees to maintain the confidentiality of Information, except that Information may be disclosed (a) to it, its Affiliates and its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority), (c) to the extent required by Applicable Laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (ii) any actual or prospective counterparty (or its advisors) to any swap, derivative, credit-linked note or similar transaction relating to the Borrower and the Obligations, (iii) any insurer or reinsurer of the Lenders or their respective brokers or (iv) any pledgee, assignee or secured party referred to in Section 10.5, (g) with the consent of the Borrower or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Agent or any Lender on a non-confidential basis from a source other than a Restricted Party.
- (2) For purposes of this Section, "Information" means all information received in Party or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Agent or any Lender on a non-confidential basis before such receipt. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. In addition, the Agent may disclose to any agency or organization that assigns standard identification numbers to loan facilities such basic information describing the Credit as is necessary to assign unique identifiers (and, if requested, supply a copy of this Agreement), it being understood that the Person to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to make available to the public only such Information as such person normally makes available in the course of its business of assigning identification numbers.
-

- (3) In addition, and notwithstanding anything herein to the contrary, the Agent and the Lenders may provide the information described on Schedule F concerning the Borrower and the Credit to Loan Pricing Corporation and/or other recognized trade publishers of information for general circulation in the loan market.

11.21 Entire Agreement

This Agreement and the other Loan Documents constitute the entire agreement between the Parties pertaining to the subject matter of this Agreement and supersede all prior correspondence, agreements, negotiations, discussions and understandings, written or oral. Except as specifically specified in this Agreement or any other Loan Document, there are no representations, warranties, conditions or other agreements or acknowledgments, whether direct or collateral, express or implied, written or oral, statutory or otherwise, that form part of or affect this Agreement or the agreements referred to herein, or which induced any Party to enter into this Agreement or the agreements referred to herein or on which reliance is placed by any Party.

11.22 This Agreement to Govern

In the event of any conflict or inconsistency between the terms of this Agreement and the terms of any other Loan Document (other than any Intercreditor Agreement, which shall prevail as against this Agreement), the provisions of this Agreement shall govern to the extent necessary to remove the conflict or inconsistency.

11.23 Language

- (1) Considering that some of the parties hereto are located outside of the Province of Québec, the Parties have required that this Agreement and all contracts or notices relating to this Agreement be in the English language, but without prejudice to any such documents or instrument or any part thereof which may from time to time be drawn up in French only, or in both French and English. *Les parties ont exigé que cette convention et tout contrat, document ou avis y afférent soient rédigés en langue anglaise, mais sans que cette disposition n'affecte toutefois la validité de tout tel document qui pourrait à l'occasion être rédigé en français seulement ou à la fois en français et en anglais.*

- (2) until all Obligations with respect to Designated Senior Debt of the Company (as provided in subsection (a)(1) above) are paid in full in cash, and all unmatured or contingent Obligations of the Company under letters of credit or any of the agreements, transaction or arrangements described in clause (iii) of the definition of Designated Senior Debt are fully cash-collateralized, any payment or distribution to which the Holders of the Notes and the related Note Guarantees would be entitled but for this Article 13 shall be made to holders of Designated Senior Debt of the Company (except that Holders of the Notes and the related Guarantees may receive and retain (A) Permitted Junior Securities and (B) and payments made from any defeasance trust created pursuant to Sections 8.04 and 8.05 hereof provided, that the applicable deposit did not violate Article 8 or 13 of this Indenture.

(b) Upon any payment or distribution of property or securities to creditors of a Guarantor in a liquidation or dissolution of such Guarantor or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to such Guarantor or its property, or in an assignment for the benefit of creditors or any marshalling of such Guarantor's assets and liabilities:

- (1) the holders of Designated Senior Debt of such Guarantor shall be entitled to receive payment in full in cash of all Obligations in respect of such Designated Senior Debt (including interest after the commencement of any such proceeding at the rate specified in the applicable Designated Senior Debt, whether or not a claim for such interest would be allowed in such proceeding), and to have all unmatured or contingent Obligations of such Guarantor under letters of credit or any of the agreements, transaction or arrangements described in clause (iii) of the definition of Designated Senior Debt to be fully cash-collateralized, before the Holders of the Notes and the related Guarantees shall be entitled to receive any payment or distribution with respect to the Guarantee made by such Guarantor (except in each case that Holders of the Notes and the related Guarantees may receive and retain (A) Permitted Junior Securities and (B) and payments made from any defeasance trust created pursuant to Sections 8.04 and 8.05 hereof provided, that the applicable deposit did not violate Article 8 or 13 of this Indenture); and
-

(2) until all Obligations with respect to Designated Senior Debt of such Guarantor (as provided in subsection (b)(1) above) are paid in full in cash, and all unmatured or contingent Obligations of such Guarantor under letters of credit or any of the agreements, transaction or arrangements described in clause (iii) of the definition of Designated Senior Debt are fully cash-collateralized, any payment or distribution to which the Holders of the Notes and the related Guarantees would be entitled shall be made to holders of Designated Senior Debt of such Guarantor (except that Holders of the Notes and the related Guarantees may receive and retain (A) Permitted Junior Securities and (B) payments made from any defeasance trust created pursuant to Sections 8.04 and 8.05 hereof provided, that the applicable deposit did not violate Article 8 or 13 of this Indenture).

Under the circumstances described in this Section 13.02, the Company, any Guarantor or any receiver, trustee in bankruptcy, liquidating trustee, agent or other similar person making any payment or distribution of cash or other property or securities is authorized and instructed to make any payment or distribution to which the Holders of the Notes and the related Guarantees would otherwise be entitled (other than (A) Permitted Junior Securities and (B) payments made from any defeasance trust referred to in the second parenthetical clause of each of clauses (a)(1), (a)(2), (b)(1) and (b)(2) above, which shall be delivered or paid to the Holders of the Notes as set forth in such clauses) directly to the holders of the Designated Senior Debt of the Company and any Guarantor, as applicable, (pro rata to such holders on the basis of the respective amounts of Designated Senior Debt of the Company and any Guarantor, as applicable, held by such holders) or their Representatives, or to any trustee or trustees under any other indenture pursuant to which any such Designated Senior Debt may have been issued, as their respective interests appear, to the extent necessary to pay all such Designated Senior Debt in full, in cash or cash equivalents after giving effect to any concurrent payment, distribution or provision thereof or to or for the holders of such Designated Senior Debt.

To the extent any payment of or distribution in respect of Designated Senior Debt (whether by or on behalf of the Company or any Guarantor, as proceeds of security or enforcement of any right of setoff or otherwise) is declared to be fraudulent or preferential, set aside or required to be paid to any receiver, trustee in bankruptcy, liquidating trustee, agent or other similar Person under any bankruptcy, insolvency, receivership, fraudulent conveyance or similar law, then if such payment or distribution is recovered by, or paid over to, such receiver, trustee in bankruptcy, liquidating trustee, agent or other similar Person, the Designated Senior Debt or part thereof originally intended to be satisfied shall be deemed to be reinstated and outstanding as if such payment had not occurred. To the extent the obligation to repay any Designated Senior Debt is declared to be fraudulent, invalid or otherwise set aside under any bankruptcy, insolvency, receivership, fraudulent conveyance or similar law, then the obligation so declared fraudulent, invalid or otherwise set aside (and all other amounts that would come due with respect thereto had such obligation not been so affected) shall be deemed to be reinstated and outstanding as Designated Senior Debt for all purposes hereof as if such declaration, invalidity or setting aside had not occurred.

Section 13.03 Default on Designated Senior Debt.

(a) The Company and the Guarantors may not make any payment (whether by redemption, purchase, retirements, defeasance or otherwise) upon or in respect of the Notes and the related Note Guarantees (other than (A) Permitted Junior Securities or (B) payments and other distributions made from any defeasance trust created pursuant to Sections 8.04 and 8.05 hereof if the applicable deposit did not violate Article 8 or 13 of this Indenture) until all principal and other Obligations with respect to the Designated Senior Debt of the Company and the Guarantors have been paid in full if:

- (i) a default in the payment of any principal of, premium, if any, or interest on or other Obligations with respect to Designated Senior Debt occurs; or
- () any other default occurs and is continuing with respect to Designated Senior Debt that permits, or with the giving of notice or passage of time or both (regardless of whether such notice or grace period provisions are within the agreements governing the Designated Senior Debt or within any agreements or instruments which would trigger a cross-default under any Designated Senior Debt) would permit, holders of the Designated Senior Debt as to which such default relates to accelerate its maturity and a Responsible Officer of the Trustee receives a notice of the default (a "Payment Blockage Notice") from the Company or the holders or a Representative of any Designated Senior Debt. If the Trustee receives any such Payment Blockage Notice, no subsequent Payment Blockage Notice shall be effective for purposes of this Section 13.03 unless and until 360 days shall have elapsed since the date of commencement of the payment blockage period resulting from the immediately prior Payment Blockage Notice. No nonpayment default in respect of any Designated Senior Debt that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee (to the extent the holder or the Representative of the Designated Senior Debt giving such Payment Blockage Notice had knowledge of the same) shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such default shall have been waived for a period of not less than 90 days.

(b) The Company shall resume payments on and distributions in respect of the Notes and any Guarantor shall resume making payments and distributions pursuant to the Note Guarantees upon:

- (i) in the case of a default referred to in Section 13.03(a)(i) hereof the date upon which the default is cured or waived or such Designated Senior Debt is discharged or paid in full, and
 - (ii) in the case of a default referred to in Section 13.03(a)(ii) hereof, the earliest of (1) the date on which such nonpayment default is cured or waived, (2) the date the applicable Payment Blockage Notice is retracted by written notice to the Trustee or (3) 179 days after the date on which the applicable Payment Blockage Notice is received unless (in the case of each of the foregoing subclauses (1) through (3)) (A) the maturity of any Designated Senior Debt has been accelerated or (B) a Default or Event of Default under Section 6.01(a)(7) or (8) has occurred and is continuing, if this
-

Article otherwise permits the payment or distribution at the time of such payment or acquisition.

Section 13.04 Acceleration of the Notes.

The Company shall promptly notify the holders of Designated Senior Debt of the occurrence of any Default or Event of Default. If payment of the Notes is accelerated because of an Event of Default, the Company shall promptly notify holders of Designated Senior Debt of the acceleration.

Section 13.05 When Distribution Must be Paid Over.

In the event that the Trustee or any Holder receives any payment or distribution of or in respect of any Obligations with respect to the Notes or the Note Guarantees at a time when such payment or distribution is prohibited by Section 13.02 or Section 13.03 hereof, such payment or distribution shall be held by the Trustee (if the Trustee has actual knowledge that such payment or distribution is prohibited by Section 13.02 or Section 13.03) or such Holder, in trust for the benefit of, and shall be paid forthwith over and delivered to, the holders of Designated Senior Debt as their interests may appear or to their Representative under the indenture or other agreement (if any) pursuant to which such Designated Senior Debt may have been issued, as their respective interests may appear, for application to the payment of all Obligations with respect to Designated Senior Debt remaining unpaid to the extent necessary to pay such Obligations in full in accordance with their terms, after giving effect to any concurrent payment or distribution to or for the holders of Designated Senior Debt.

With respect to the holders of Designated Senior Debt, the Trustee undertakes to perform only such obligations on the part of the Trustee as are specifically set forth in this Article 13, and no implied covenants or obligations with respect to the holders of Designated Senior Debt shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Designated Senior Debt, and, except as provided in Section 13.11, shall not be liable to any such holders if the Trustee shall pay over or distribute to or on behalf of Holders of the Notes or the Company, the Guarantors or any other Person money or assets to which any holders of Designated Senior Debt shall be entitled by virtue of this Article 13, except if such payment is made as a result of the willful misconduct or negligence of the Trustee.

Section 13.06 Notice by Company.

The Company and the Guarantors shall promptly notify the Trustee and the Paying Agent of any facts known to the Company or any Guarantor that would cause a payment of any Obligations with respect to the Notes or the related Note Guarantees to violate this Article 13, but failure to give such notice shall not affect the subordination of the Notes and the related Note Guarantees to the Designated Senior Debt as provided in this Article 13.

Section 13.07 Subrogation.

After all Designated Senior Debt is paid in full and until the Notes are paid in full, Holders of the Notes and the related Guarantees shall be subrogated (equally and ratably with all other Indebtedness pari passu with the Notes and the Note Guarantees) to the rights of holders of Designated Senior Debt to receive distributions and payments applicable to Designated Senior Debt to the extent that distributions and payments otherwise payable to the Holders of the Notes and the related Note Guarantees have been applied to the payment of Designated Senior Debt. A payment or distribution made under this Article 13 to holders of Designated Senior Debt that otherwise would have been made to Holders of the Notes and the related Note Guarantees is not, as between the Company and Holders of the Notes, a payment by the Company on the Notes.

Section 13.08 Relative Rights.

This Article 13 defines the relative rights of Holders of the Notes and the related Note Guarantees and holders of Designated Senior Debt. Nothing in this Indenture shall:

- (1) impair, as between the Company and Holders of the Notes, the obligation of the Company, which is absolute and unconditional, to pay principal of and interest on the Notes in accordance with their terms;
- (2) affect the relative rights of Holders of the Notes and the related Note Guarantees and creditors of the Company other than their rights in relation to holders of Designated Senior Debt; or
- (3) prevent the Trustee or any Holder from exercising its available remedies upon a Default or Event of Default, subject to the rights of holders and owners of Designated Senior Debt to receive distributions and payments otherwise payable to Holders of the Notes and the related Note Guarantees.

If the Company fails because of this Article 13 to pay principal of or interest on a Note on the due date, the failure is still a Default or Event of Default.

Section 13.09 Subordination May Not be Impaired by Company or the Guarantors.

No right of any present or future holders of any Designated Senior Debt to enforce subordination as provided in this Article 13 will at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or any Guarantor or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company or any Guarantor with the terms of this Indenture, regardless of any knowledge thereof that any such holder of Designated Senior Debt may have or otherwise be charged with. The provisions of this Article 13 are intended to be for the benefit of, and shall be enforceable directly by, the holders of Designated Senior Debt.

Section 13.10 Payment, Distribution or Notice to Representative.

Whenever a payment or distribution is to be made or a notice given to holders of Designated Senior Debt, the distribution may be made and the notice given to their Representative.

Upon any payment or distribution of assets or securities of the Company or any Guarantor referred to in this Article 13, the Trustee and the Holders of the Notes and the Note Guarantees shall be entitled to rely upon any order or decree made by any court of competent jurisdiction or upon any certificate of such Representative or of the liquidating trustee or agent or other Person making any payment or distribution to the Trustee or to the Holders of the Notes and the Note Guarantees for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of the Designated Senior Debt and other Indebtedness of the Company or any Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 13.

Section 13.11 Rights of Trustee and Paying Agent.

Notwithstanding the provisions of this Article 13 or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment or distribution by the Trustee, and the Trustee and the Paying Agent may continue to make payments on the Notes and the Note Guarantees, unless the Trustee shall have received at its Corporate Trust Office at least one Business Day prior to the date of such payment written notice of facts that would cause the payment of any Obligations with respect to the Notes or Note Guarantees to violate this Article 13. Only the Company or a Representative may give the notice. Nothing in this Article 13 shall impair the claims of, or payments to, the Trustee under or pursuant to Section 7.06 hereof.

The Trustee in its individual or any other capacity may hold Designated Senior Debt with the same rights they would have if it were not Trustee. Any Agent may do the same with like rights.

Section 13.12 Authorization to Effect Subordination.

Each Holder of the Notes by the Holder's acceptance thereof authorizes and directs the Trustee on such Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in this Article 13, and appoints the Trustee to act as the Holder's attorney-in-fact for any and all such purposes. If the Trustee does not file a proper proof of claim or proof of debt in the form required in any proceeding referred to in Section 6.09 hereof at least 30 days before the expiration of the time to file such claim, the Representatives or any lender under the Senior Credit Facility is hereby authorized to file an appropriate claim for and on behalf of the Holders of the Notes and the related Guarantees.

Section 13.13 Amendments.

No amendment may be made to the provisions of or the definitions of any terms appearing in this Article 13, or to the provisions of Section 6.02 relating to the Designated Senior Debt, that adversely affects the rights of any holder of Designated Senior Debt then outstanding unless the holders of such Designated Senior Debt (or any group or Representative authorized to give a consent on behalf of such holders) consent to such change.

Section 13.14 No Waiver of Subordination Provisions.

Without in any way limiting the generality of Section 13.08 of this Indenture, the holders of Designated Senior Debt may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Holders and without impairing or releasing the subordination provided in this Article 13 or the obligations hereunder of the Holders to the holders of Designated Senior Debt, do any one or more of the following: (a) amend, modify, supplement, restate or replace of any of terms, covenants, conditions or other provisions of any Designated Senior Debt or any instrument or agreement under which Designated Senior Debt is outstanding or secured, including, but not limited to change the manner, place or terms of payment or extend the time of payment of, or renew or alter, in any manner any Designated Senior Debt; (b) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Designated Senior Debt; (c) release any Person liable in any manner for the collection of Designated Senior Debt; and (d) exercise or refrain from exercising any rights against the Company and each Guarantor and any other Person.
