## **ARTICLE 2 THE CREDIT**

### **2.1 Amount and Availment Options**

- (1) Subject to the terms and conditions of this Agreement, the Lenders shall provide, severally (not jointly and not jointly and severally), a credit (the "Credit") for the use of the Borrower in the aggregate amount of up to US \$100,000,000 or the Equivalent Amount in Canadian Dollars. Each Lender's obligation shall be limited to its respective Applicable Percentage of the Credit.
- (2) At the option of the Borrower, all or a portion of the Credit may be used by:
- (a) requesting the Lenders to make Prime Rate Advances, Base Rate Advances and/or LIBOR Advances;
  - (b) presenting orders to the Lenders for acceptance as B/As; and/or
  - (c) requesting that L/Cs be issued by the Issuing Bank on behalf of all the Lenders, except that the aggregate face amount of L/Cs outstanding under the Credit at any time shall not exceed US \$100,000,000 or the Equivalent Amount in Canadian Dollars and/or Euros.

### **2.2 Overdraft Utilizations**

- (1) Prime Rate Advances or Base Rate Advances may also be obtained from the Swingline Lender by way of overdraft pursuant to procedures agreed on from time to time between the Borrower and the Swingline Lender up to a maximum outstanding amount expressed in Dollars not exceeding US \$10,000,000. Any cheque or payment instruction or debit authorization from the Borrower and resulting in an overdraft in any account designated for such purpose will be deemed to be a request for such an Advance in an amount (in a multiple of \$10,000 or US \$10,000) that is sufficient to cover the overdraft.
- (2) For greater certainty, the said accounts may include accounts of the Borrower and of other Obligors in respect of which consolidation or netting arrangements have been made with the Swingline Lender, including any notional account reflecting any such consolidation or netting of accounts. The outstanding Advances owing to the Swingline Lender shall be calculated after giving effect to said arrangements.
- (3) The notice and minimum amount requirements otherwise applicable to Advances under the Credit do not apply to overdraft utilizations.

- (4) To facilitate overdraft utilizations, the Agent may permit that Prime Rate Advances or Base Rate Advances under the Credit be owing to the Lenders in proportions other than those of their respective Commitments, but the Agent may from time to time (generally on a weekly basis), and will upon the request of the Swingline Lender, make adjustments among the Lenders so that all such Advances be approximately in the proportion of the respective Commitments of the Lenders under the Credit (including the Lender who is the Swingline Lender). Each Lender must fund its share of each adjustment as required by the Agent and in Section 5.8 (adapted accordingly) shall apply to such funding obligations of the Lenders.
- (5) For greater certainty, (i) this Section 2.2 does not authorize the Agent to allow that Advances owing to any Lender (other than the Lender who is the Swingline Lender) exceed the amount of the Commitment of such Lender under the Credit, and (ii) the aggregate amount of the outstanding Advances (including Advances from the Swingline Lender) may not exceed the amount of the Credit.

### 2.3 Reborrowing

The Credit is a revolving credit and the principal amount of any Advance under the Credit that is repaid may be re-borrowed, if the Borrower is otherwise entitled to an Advance under the Credit.

### 2.4 Use of the Credit

The Credit may be used to finance the general corporate requirements of the Borrower and its Subsidiaries, including acquisitions permitted under this Agreement, issuance of L/Cs and to refinance the Existing Facilities, but references in this Section to the use of the Credit shall not in any way modify other provisions of this Agreement. Notwithstanding the immediately preceding sentence, the Credit shall not be used to finance a take-over bid or tender offer for the Equity Interests of a Person unless the board of directors (or persons performing similar functions) of the issuer of those Equity Interests has approved the acquisition (it being understood that the use of the Credit to finance the acquisition of Equity Interests of a Person under circumstances that do not constitute a take-over bid or tender offer is not restricted).

### 2.5 Term and Repayment

The Credit shall be repaid in full and cancelled on or before February 1<sup>st</sup>, 2020.

### 2.6 Interest Rates and Fees

- (1) Interest rates on Prime Rate Advances, Base Rate Advances and LIBOR Advances and the rates for calculation of B/A Fees, L/C Fees and standby fees shall be determined and adjusted based on the Total Net Debt Ratio (the “ **Ratio** ”) as follows:

Total Net Debt Ratio	Prime Rate and Base Rate Advances	Other Advances	Standby Fee
Less than 1.00 to 1	1.50%	2.50%	0.6250%

<b>Total Net Debt Ratio</b>	<b>Prime Rate and Base Rate Advances</b>	<b>Other Advances</b>	<b>Standby Fee</b>
Greater than or equal to 1.00 to 1 but less than 1.50 to 1	1.75%	2.75%	0.6875%
Greater than or equal to 1.50 to 1 but less than 2.00 to 1	2.00%	3.00%	0.7500%
Greater than or equal to 2.00 to 1 but less than 2.50 to 1	2.25%	3.25%	0.8125%
Greater than or equal to 2.50 to 1	2.50%	3.50%	0.8750%

All rates (the “ **Rates** ”) in the table represent rates per annum. To the full extent permitted by law, each of the Rates specified above, other than the standby fees, shall be increased by 2% per annum if an Event of Default has occurred and is continuing.

- (2) Interest shall accrue and be payable on Prime Rate Advances and Base Rate Advances at the Prime Rate or the Base Rate, respectively, plus the relevant Rate shown under “Prime Rate and Base Rate Advances” in the table in Section 2.6(1). Interest shall accrue and be payable on LIBOR Advances at the LIBO Rate plus the relevant Rate shown under “Other Advances” in that table. The rate for calculation of B/A Fees and L/C Fees shall be the relevant Rate shown under “Other Advances” in that table.
- (3) The Borrower shall pay interest and fees at the applicable rate specified in Section 2.6(1) to the Agent at the Branch of Account on Advances outstanding from time to time, except that the B/A Fee for any B/A shall be paid by each Lender deducting the B/A Fee from the proceeds of the B/A remitted to the Agent pursuant to Section 5.8(3). The Borrower shall pay interest on Prime Rate Advances and Base Rate Advances on each Interest Payment Date. The Borrower shall pay interest on each LIBOR Advance on the last day of the applicable LIBOR Period and, if the LIBOR Period is longer than three months, every three months after the date of the relevant LIBOR Advance. The Borrower shall pay L/C Fees quarterly in arrears on the first Banking Day of each of the Borrower’s fiscal quarters.
- (4) The Borrower shall pay a standby fee on the daily unadvanced portions of the Credit at a Rate that shall be adjusted based on the Total Net Debt Ratio and that shall be as specified under “Standby Fee” in the table. The standby fee shall be calculated daily beginning on the date of this Agreement and shall be payable quarterly in arrears on the first Banking Day of each of the Borrower’s fiscal quarters. On final payment of the Obligations, the Borrower shall also pay any accrued but unpaid standby fees.
- (5) On the 45<sup>th</sup> day after the end of the first, second and third fiscal quarters of each fiscal year of the Borrower and on the 90<sup>th</sup> day after the end of the fourth fiscal quarter of each fiscal year of the Borrower (the “ **Rate Determination Date** ”), the Rates will be modified, if necessary, and determined by the Agent on the basis of the Ratio in effect on the last day of such quarter, and, for any day until the next Rate Determination Date, each such Rate will be as indicated in the row corresponding to the applicable Ratio, provided

that from the date of this Agreement until the first Rate Determination Date falling after the date of this Agreement, the Rates will be calculated based on the Compliance Certificate delivered under Section 4.1(2)(d). Any modification of any Rate will not give rise to adjustments to B/A Fees previously calculated.

- (6) In addition, a Rate Determination Date will be deemed to occur on the first Business Day of any month following the closing of an acquisition contemplated by Section 7.5(4)(c)(v) (a “ **Significant Acquisition** ”) and the Rates will be modified, if necessary, and determined by the Agent based on the Ratio in effect on the last day of the most recently completed fiscal quarter of the Borrower in respect of which a Compliance Certificate has previously been delivered to the Agent, with such Ratio being calculated after giving effect to such Significant Acquisition and any previous Significant Acquisition not taken into account in such Compliance Certificate. For any day until the next Rate Determination Date on which the Rates will be determined on the basis of a Ratio giving effect to any such acquisition, each such Rate will be as indicated in the column corresponding to such Ratio.
- (7) On each Rate Determination Date, the Agent will be entitled to calculate the Rates relying on the Compliance Certificate furnished in respect of the Borrower for the applicable quarter or in connection with a Significant Acquisition. If, on any Rate Determination Date, the Agent has not yet received such Compliance Certificate, the Rates in effect until the earlier of (i) receipt of a satisfactory Compliance Certificate in respect of such quarter or Significant Acquisition, and (ii) the next Rate Determination Date will be as if the Ratio was greater than or equal to 2.50 to 1. If such Compliance Certificate is furnished before the next Rate Determination Date, then the Agent will calculate the Rates for each day of the period from the delivery date of the Compliance Certificate until the next Rate Determination Date as if such delivery date was the Rate Determination Date applicable to that period.
- (8) The Agent shall distribute interest and fees for the Credit to the Lenders based on their respective Applicable Percentages.

## **2.7 Other Fees**

The Borrower shall, concurrently with the execution of this Agreement, pay non-refundable upfront and arrangement fees as separately agreed between the Borrower and the Lenders. The Borrower shall also pay agency fees to the Agent and fronting fees relating to L/Cs to the Issuing Bank in accordance with the Fee Agreement.

## **2.8 Exchange Rate Fluctuations**

If fluctuations in rates of exchange in effect between US Dollars and other relevant currencies cause the amount of Advances (expressed in US Dollars) to exceed the maximum amount of the Credit permitted in this Agreement at any time by 5% or more, the Borrower shall immediately pay the Lenders such amount as is necessary to repay the excess above the permitted maximum amount of the Credit. If the Borrower is unable to immediately do so because LIBOR Periods have not ended, B/As have not matured or L/Cs are outstanding, the

Borrower shall immediately post Cash Collateral with the Agent in the amount of the excess, and that Cash Collateral shall be held as security for the Obligations until the amount of the excess is paid in full. If, on the date of any Advance (whether by rollover, conversion or otherwise), the amount of Advances (expressed in US Dollars) exceeds the maximum amount of the Credit because of fluctuations in rates of exchange, the Borrower shall immediately pay the Lenders the excess and shall not be entitled to any Advance that would result in the amount of the Credit being exceeded.

## **2.9 Increase of the Credit**

- (1) At any time from the execution of this Agreement but no later than the 90<sup>th</sup> day preceding the maturity date of the Credit the Borrower may, by notice to the Agent, request an increase up to US \$150,000,000 in the amount of the Credit (an “increase”); provided that such \$150,000,000 limit shall be reduced by the amount of any term loan increase effected pursuant to Section 2.10. The notice must specify the amount of the proposed increase, which must be a multiple of US \$25,000,000, provided that the aggregate amount of all increases of the Credit made pursuant to this Section 2.9 may not exceed US \$150,000,000.
- (2) Upon receipt of such notice, the Agent will offer to the Lenders to participate in the increase based on their respective Applicable Percentages. If after such offer, any portion of the increase remains unaccepted, then the Borrower may request the Agent to offer such portion to Persons who are not Lenders, provided that said Persons must qualify as a permitted assignee under Section 10.2.
- (3) If offers made pursuant to Section 2.9(2) have been accepted, the Agent, the Borrower and the Persons who have accepted to participate in the increase will execute an amendment to this Agreement providing that:
  - (a) the Credit will be increased by the amount of the increase;
  - (b) each Person who has accepted to participate in the increase will have a Commitment equal to the amount of its participation in the increase (or an additional Commitment equal to such amount in the case of a Person who is already a Lender); and
  - (c) the new and existing Lenders will make among themselves such assignments of Advances or adjustments as are necessary to ensure that all outstanding Advances are owed to the Lenders in the proportion of their respective Commitments.
- (4) For greater certainty, (i) nothing in this Section 2.9 is intended to commit any Lender to participate or the Agent to arrange for a participation in an increase, (ii) the aggregate amount of all increases under the Credit made pursuant to this Section 2.9 may not exceed US \$150,000,000”); provided that such \$150,000,000 limit shall be reduced by the amount of any term loan increase effected pursuant to Section 2.10. Notwithstanding any other provision of this Agreement, an amendment agreement giving effect to an increase under this Section 2.9 will not require the consent of Lenders other than those participating in the increase.

## **2.10 Term Loan Increase**

- (1) At any time from the execution of this Agreement but no later than the 90th day preceding the maturity date of the Credit the Borrower may request a one-time increase of the amount of the credit facilities hereunder by adding a term loan facility (a “term loan increase”), subject to the following conditions:
  - (a) the amount of the term loan increase may not exceed US \$100,000,000; provided that such \$100,000,000 limit shall be reduced by the amount of any increase in the Credit effected pursuant to Section 2.9.
  - (b) the term loan increase shall be made available by [REDACTED] or a Subsidiary of [REDACTED] that qualifies as a permitted assignee under Section 10.2;
  - (c) the terms and conditions of the term loan increase shall be substantially as set forth in Schedule J; and
  - (d) the Lenders and the term loan lender reaching an agreement on the other amendments to this Agreement that shall be required to give effect to the term loan increase (including the amendments to the provisions of Section 9.7 on the administration of the Credit), it being understood that in any circumstance, the Lenders or, as the case may be, the term loan lenders will have separate class voting on any matter that affects their class differently from the two classes generally. Without limitation, the consent of the Lenders shall be required to amend or waive compliance with the conditions precedent to the obligations of the Lenders to make any Advance (or of the Issuing Bank to issue any Letter of Credit) or waive any Default or Event of Default for the purpose of satisfying the conditions precedent to the obligations of the Lenders to make any Advance (or of the Issuing Bank to issue any Letter of Credit).
- (2) The term loan increase and related amendments shall be documented by way of an amendment and restatement of this Agreement that shall require the unanimous consent of the Lenders.

## **ARTICLE 3 SECURITY**

### **3.1 Guarantees**

The Borrower shall deliver or cause the delivery of unconditional guarantees of the Obligations by each of the Material Subsidiaries and of any other Restricted Party of the Borrower that has provided a guarantee pursuant to the High Yield Indentures, as well as unconditional guarantees of the Other Secured Obligations by the Borrower and each of the Material Subsidiaries, in each case in favour of the Agent for the benefit of the Lenders. The Guarantees must be in form and substance satisfactory to the Agent, acting reasonably, and must be unlimited except for limits imposed under Applicable Law of the respective Obligors. The Borrower shall not be required to deliver or cause the delivery of a guarantee by a Material

Subsidiary if doing so is prohibited by or exceeds the amount permitted by Applicable Law (in which case the guarantee of such Material Subsidiary shall be limited to such maximum amount) or if the Agent, in consultation with the Borrower, determines that the cost of obtaining such a guarantee is excessive in relation to the value of the guarantee to the Lenders.

### **3.2 Security over Assets**

- (1) To secure the performance of the Obligations and Other Secured Obligations, each Obligor organized in Canada or the United States or which has assets located in Canada and the United States must provide in favour of the Agent and the Lenders security over all of its material personal and real property, tangible and intangible, present and future, provided that, subject to the following sentence, such security shall only be required to be created and perfected under the laws in effect in Canada and the United States. The Equity Interest of the Borrower and its Subsidiaries in Material Subsidiaries must also be pledged to the Agent and the Lenders. The Borrower must ensure, to the extent permitted by law, that such Equity Interests are evidenced by certificates and must deliver to the Agent all such certificates (along with stock powers duly executed in blank). The Borrower shall not be required to deliver or cause the delivery of security by a Material Subsidiary or a pledge of the Equity Interests of a Material Subsidiary if doing so is prohibited by or exceeds the amount permitted by Applicable Law (in which case the security of such Material Subsidiary will be limited to such maximum amount) or if the Agent, in consultation with the Borrower, determines that the cost of obtaining such security or pledge is excessive in relation to the value of the security or pledge to the Lenders. The Agent confirms that, in accordance with the foregoing, the Agent has determined that no pledge shall be required in respect of the Equity Interests of any Subsidiary incorporated under the laws of Burkina Faso.
- (2) Notwithstanding Section 3.2(1), until the occurrence and during the continuance of an Event of Default, the security to be provided by any Obligor shall not be required to be perfected on mining rights other than those associated with the mines commonly known as Côté Gold, Ontario and Westwood, Québec (as such mines are further described in the Security Documents). For greater certainty, any Obligor may sell or otherwise dispose of, or deal with, any mining rights in respect of which the security is not required to be perfected, unless an Event of Default has occurred and is continuing or unless such sale, disposition or other dealing would be prohibited by Section 7.5. The Agent and the Lenders agree that, at the request and expense of the Borrower, the Agent and the Lenders will promptly provide any further assurances that may be reasonably necessary in connection with any sale, disposition or other dealing with any mining rights in accordance with this Section 3.2(2).

### **3.3 Insurance**

The Borrower will cause the Agent (or its representative) to be named as loss payee and additional insured on all insurance policies relating to the assets covered by the Security. Each policy covering real property and equipment must contain a “mortgage clause”. The Borrower must furnish to the Agent evidence that the insurance coverage required pursuant to Section 7.2(3) is in effect. The Borrower must promptly give the Agent notice of any material loss.

### **3.4 Obligations Secured by the Security**

- (1) Unless otherwise agreed by the Lenders among themselves, the Security shall support the following obligations pari passu with each other:
  - (a) the Obligations; and
  - (b) the Other Secured Obligations.
- (2) Other Secured Obligations shall not cease to be guaranteed and secured by the Security without the prior written consent of the applicable Holder to whom the Other Secured Obligations are owed, although Other Secured Obligations shall cease to be such as contemplated in Section 1.1(97). If the Obligations have been indefeasibly paid in full and the Commitments have been cancelled, the Holders shall release their interest in the Security on receiving Cash Collateral to secure the Other Secured Obligations, in an amount satisfactory to the Holders to whom Other Secured Obligations are owed, acting reasonably.
- (3) Notwithstanding the rights of Holders to benefit from the Security in respect of the Other Secured Obligations, all decisions concerning the Security (including the enforcement and release thereof) shall be made by the Lenders or the Required Lenders in accordance with this Agreement and no Holder shall have any additional right to participate in decisions concerning the Security or their enforcement or release as a result of holding Other Secured Obligations as long as this Agreement remains in force. Notwithstanding the termination of this Agreement by reason of payment of the Credit, or for any other reason, the Other Secured Obligations shall continue to be guaranteed and secured by the Security. After the termination of this Agreement, decisions concerning the Security shall be made by the Holders as they may determine among themselves.
- (4) The Agent will also act as secured party (or, in Québec, hypothecary representative) to hold the Security for the benefit of the Holders and, by accepting the benefit of the Security, the Holders will accept such appointment under the terms and conditions of this Agreement (including the foregoing provisions on decisions and the provisions of Article 9 adapted accordingly).

### **3.5 Future Material Subsidiaries**

If at any time, a Material Subsidiary or another Subsidiary of the Borrower becomes obligated to provide the Security pursuant to Sections 3.1 and 3.2, the Borrower shall promptly cause that Subsidiary to become an Obligor and deliver the Security as required by Section 3.1 and 3.2.

### **3.6 Validity of the Security and Contents of Security Documents**

The Security must be perfected and first-ranking (subject to Permitted Liens) at all times with respect to all property intended to be covered thereby. Each Security Document must be in form and substance satisfactory to the Agent, acting reasonably, and remain valid and in force at all times. The Security Documents will be accompanied by such legal opinions, search results and certificates as the Agent may reasonably require.

### **3.7 Other Obligations**

The Lenders, the Agent and the Borrower acknowledge that, in accordance with Section 3.4(1), all Obligations and all Other Secured Obligations shall be supported by the Security on a *pari passu* basis. The Lenders also acknowledge that the terms of the EDC Debt include provisions requiring the Obligor to cash-collateralize their obligations to EDC in connection with the EDC Debt following an Event of Default. The Lenders, the Agent and the Borrower agree that, if an Event of Default has occurred and is continuing, (i) any Cash Collateral provided by the Obligor in respect of the Obligations, and (ii) any cash collateral provided by the Obligor in respect of the Other Secured Obligations (including the EDC Debt), must be provided and shared proportionately among the Lenders and the Holders (including EDC), based on the aggregate amount of all Obligations (whether or not relating to L/Cs) and the Other Secured Obligations, and shall be used to secure the respective obligations. The Lenders, the Agent and the Borrower also agree that, if payment of the Obligations has been accelerated following an Event of Default or an equivalent event has occurred with respect to any Other Secured Obligations, any payment made by the Obligor in respect of the Obligations or the Other Secured Obligations (including the EDC Debt), must be made to and shared proportionately among the Lenders and the Holders (including EDC), based on the aggregate amount of all Obligations (whether or not relating to L/Cs) and the Other Secured Obligations, and shall be used to discharge the respective obligations. If EDC, any Lender, or any other Holder receives more than its proportionate share in any such circumstances, the recipient shall hold the excess amount in trust for, and immediately pay it to, those that received less than their respective proportionate shares. The Lenders, the Agent and the Borrower agree that this Section 3.7 shall remain binding on them as long as the EDC Debt and the Obligations and/or Other Secured Obligations remain outstanding.

## **ARTICLE 4 DISBURSEMENT CONDITIONS**

### **4.1 Conditions Precedent to Initial Advance**

The conditions precedent specified in this Section 4.1 must be satisfied at or before the time of the first Advance under this Agreement, unless waived in accordance with Section 9.7(2). Where delivery of documents is referred to, the documents shall be delivered to the Agent, for and on behalf of the Lenders, and shall be, where applicable, duly executed by all parties thereto and otherwise in full force and effect and in form and substance satisfactory to the Lenders.

  - (b) releases, discharges and postponements (in registrable form where appropriate) covering all Liens affecting any Property of each Restricted Party which are not Permitted Liens and all statements and acknowledgements that are required in respect of other Liens affecting the Property of the Restricted Party to confirm that those Liens are Permitted Liens.

  - (d) a Compliance Certificate from the Borrower for the fiscal period ended September 30, 2015 giving effect to the refinancing of the Existing Facilities and accompanied by pro forma balance sheet and pro forma statement of operations of the Borrower (on a consolidated basis) and calculations made with the same pro forma confirming compliance with Section 7.1.
  
- (3) Security and Other Documents. The Agent shall have received:
  - (a) duly executed copies of this Agreement and the Security Documents, duly registered as required;
  - (b) certificates of insurance or other evidence that the covenants and conditions of the Loan Documents concerning insurance coverage are being complied with;
  - (c) a duly executed copy of the Fee Agreement.
  
- (4) Corporate and Other Information. The Agent shall have received:
  - (a) a certificate of each Obligor, certifying as to its Constatting Documents (copies of which are attached to that certificate), a list of its officers and directors with specimens of the signatures of those who are executing Loan Documents on its behalf, and the corporate proceedings taken to authorize it to execute, deliver and perform its obligations under the Loan Documents (including in respect of additional Other Secured Obligations provided for under this Agreement);

- (b) a certificate of status, compliance, good standing or similar certificate for the jurisdiction of incorporation of each Obligor;
  - (c) evidence that the delivery of Loan Documents will not contravene Applicable Law governing financial assistance or other similar subjects that affect the Loan Documents; and
  - (d) all documentation and other information reasonably required by the Agent and the Lenders to satisfy their respective “know your client” obligations.
- (5) Opinions. The Agent shall have received:
- (a) the opinion of Blake Cassels & Graydon LLP, Canadian counsel to the Obligors, addressed to the Agent and the Lenders;
  - (b) opinions of local counsel to the Obligors, addressed to the Agent and the Lenders.
- (6) Other Matters. The following conditions must be satisfied:
- (a) the Agent must have received payment of all fees payable to the Agent, the Lenders or any of them on or before the first Advance under this Agreement, and the reimbursement of all expenses incurred including legal fees;
  - (b) no Default shall have occurred and be continuing;
  - (c) no “Default” under and as defined in the High Yield Notes Indenture shall have occurred and be continuing;
  - (d) nothing shall have occurred (nor shall any Lender become aware of any facts not previously known), which the Required Lenders determine is reasonably likely to have a Material Adverse Effect on the position of the Borrower set forth in the Borrower’s financial statements for the fiscal period ended December 31, 2014;
  - (e) the other conditions in this Section 4.1 must be satisfied no later than January 31, 2016; and
  - (f) the Agent shall have received such other documents as the Lenders may reasonably require.

#### **4.2 Conditions Precedent to all Advances**

In addition to the other conditions precedent specified in this Agreement, the obligation of the Lenders to make any Advance is subject to the conditions precedent that:

- (a) no Default has occurred and is continuing on the Advance Date, or would result from making the Advance;
- (b) the Agent has received timely notice as required under Section 5.5;

- (c) neither the Agent nor any Lender shall have received notice under subsection 224(1.1) of the Income Tax Act (Canada) or any successor provision thereto or any comparable provision of any other taxing statute in respect of any Obligor; and
- (d) all other terms and conditions of this Agreement on which an Advance may be obtained are fulfilled.

## **ARTICLE 5 ADVANCES**

### **5.1 Lenders' Obligations Relating to L/Cs**

- (a) Notwithstanding that L/Cs are issued by the Issuing Bank, it is the intention of the Parties that the ultimate credit risk and exposure of any Lender be in accordance with its overall Applicable Percentage of the Credit. Each Lender shall immediately indemnify the Issuing Bank for that Lender's Applicable Percentage of any payment made by the Issuing Bank in respect of an L/C for which the Issuing Bank is not immediately reimbursed by the Borrower, and shall do all such things, including purchases of participations in Advances made by the Issuing Bank, as shall be required to ensure that result. Any such action on the part of the Lenders shall be binding on the Borrower. If the rating by Standard & Poors or Moody's of the non-credit-enhanced senior debt of any Lender (other than a Lender at the date of this Agreement) is at any time less than "A" or "A2" respectively, that Lender shall, if requested by an Issuing Bank, provide Cash Collateral (in a form satisfactory to the Issuing Bank acting reasonably) to secure that Lender's obligations with respect to L/Cs under this Section 5.1.
- (b) Each Lender acknowledges and agrees that its obligations under this Section 5.1 in respect of L/Cs are absolute, unconditional and irrevocable and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any L/C, the occurrence and continuance of a Default or the reduction or termination of its Commitment, and that any payment it is required to make pursuant to its obligations shall be made without any offset, abatement, withholding or reduction whatsoever.
- (c) If any Lender fails to take the actions required under this Section 5.1, the Agent may, without prejudice to the other rights of the Lenders, make such adjustments to the payments to the Defaulting Lender under this Agreement as are necessary to compensate the other Lenders for the Defaulting Lender's failure.

### **5.2 Evidence of Indebtedness**

The Agent shall maintain records concerning the Obligations and each Lender shall maintain records concerning those Advances it has made. The records maintained by the Agent and by the Issuing Bank relating to L/Cs shall constitute *prima facie* evidence of the Obligations and all related details. The failure of the Agent or any Lender to correctly record any detail *relating to an Advance shall not, however, adversely affect the obligation of the Borrower to pay any of the Obligations in accordance with this Agreement.*

### 5.3 Calculation and Other Matters Regarding Interest and Fees

- (1) All interest on Prime Rate Advances, Base Rate Advances and LIBOR Advances shall accrue from day to day and shall be payable in arrears, calculated on the actual number of days elapsed from and including the date of Advance or the previous date on which interest was due in accordance with Section 2.6, as the case may be, to but excluding the date on which interest is due. If interest is not paid on the date it is due, the principal amount shall continue to bear interest at the rate that is applicable to the particular type of Advance from time to time in accordance with Section 2.6(1), both before and after maturity, default and judgment, and overdue interest shall bear interest at the same rate, compounded monthly, and be payable on demand. Notwithstanding the immediately preceding sentence, upon the expiry of the LIBOR Period applicable to any LIBOR Advance, the principal amount and any overdue interest with respect to that LIBOR Advance shall bear interest calculated at the rates applicable to Base Rate Advances.
- (2) Interest and fees shall be calculated on the basis of a calendar year unless otherwise specified. Interest calculated with reference to the LIBO Rate and Base Rate (when the Federal Funds Effective Rate applies) shall be calculated on the basis of a year of 360 days and the B/A Discount Rate shall be calculated on the basis of a year of 365 days. Any rate that is calculated with reference to a period (the “deemed interest period”) that is less than the actual number of days in the calendar year of calculation is, for the purposes of the *Interest Act* (Canada), equivalent to a rate based on a calendar year calculated by multiplying that rate of interest by the actual number of days in the calendar year of calculation and dividing by the number of days in the deemed interest period. All calculations of interest and fees under the Loan Documents shall be made on the basis of the nominal rates described in this Agreement and not on the basis of effective yearly rates or on any other basis that gives effect to the principle of deemed reinvestment. The Parties acknowledge that there is a material difference between the stated nominal rates and effective yearly rates taking into account reinvestment, and that they are capable of making the calculations required to determine effective yearly rates.
- (3) In this Section 5.3, any reference to a “calendar year” means the calendar year in which the period for which the calculation in question falls. If the period falls in two calendar years, one of which is a leap year, the calculation shall be done separately for the parts of the period that fall in each calendar year and the calculated amounts for each period shall be added.
- (4) The B/A Fee for a B/A is calculated by multiplying the face amount of the B/A by the rate for calculation of the B/A Fee specified in Section 2.6, and multiplying the result by a fraction, the numerator of which is the term of the B/A and the denominator of which is the number of days in the calendar year. The B/A Fee shall be payable in Dollars.

- (5) The B/A Discount Proceeds for a B/A are equal to the face amount of that B/A multiplied by the price and shall be rounded to the nearest full cent, with one half of one cent being rounded up. The price is calculated by dividing one by the sum of one plus the product of (i) the B/A Discount Rate applicable to that B/A expressed as a decimal fraction, multiplied by (ii) a fraction, the numerator of which is the term in days of that B/A and the denominator of which is 365. The price shall be rounded to the nearest multiple of 0.00001%.
- (6) The L/C Fee for an L/C is calculated by multiplying the face amount of the L/C by the rate for calculation of the L/C Fee specified in Section 2.6, and multiplying the result by a fraction, the numerator of which is the number of days elapsed from and including the issuance or renewal of the L/C or the previous date on which the L/C Fee was due, as the case may be, to but excluding the date on which the L/C Fee is due or the L/C is drawn or cancelled, as the case may be, and the denominator of which is the number of days in the calendar year. The L/C Fee for an L/C issued (i) in Dollars shall be payable in Dollars, (ii) in US Dollars shall be payable in US Dollars and (iii) in any currency other than Dollars or US Dollars shall be payable in US Dollars.
- (7) The standby fee shall be calculated daily on the undrawn portion of the Credit at the rate for calculation of the standby fee specified in Section 2.6, beginning on the date of this Agreement, and each payment shall cover the period from and including the date of this Agreement or the previous date on which the standby fee was due in accordance with Section 2.6, as the case may be, to but excluding the date on which the standby fee is due. The overdraft availability pursuant to Section 2.2 (whether used or not) shall be deemed to be part of the undrawn portion of the Credit for purposes of the calculation of the standby fee. The standby fee shall be payable in US Dollars.
- (8) If the Borrower fails to pay when due any amount payable under any Loan Document for which interest is not otherwise provided in this Agreement or another relevant Loan Document, the Borrower shall, on demand, pay interest on the overdue amount to the Agent from and including the due date up to but excluding the date of actual payment, both before and after demand, default or judgment, at the rate of interest determined from time to time in accordance with Section 2.6(1) that is applicable to Prime Rate Advances (if the amount is denominated in Canadian dollars) or Base Rate Advances (if the amount is denominated in US dollars), in each case compounded monthly.
- (9) If the Borrower deposits cash as Cash Collateral pursuant to a requirement under this Agreement, the Agent or the Lender or Lenders will hold the cash in an interest bearing account with the interest to be credited to the Borrower if and when the Cash Collateral is returned to the Borrower.
- (10) The Parties intend to comply with Applicable Law relating to usury. Notwithstanding any other provision of this Agreement or any other Loan Document, in no event shall any Loan Document require the payment or permit the collection of interest or other amounts in an amount or at a rate in excess of the amount or rate that is permitted by Applicable Law or in an amount or at a rate that would result in the receipt by the Lenders or the Agent of interest at a criminal rate, as the terms "interest" and "criminal rate" are defined under the Criminal Code (Canada). Where more than one Applicable Law applies to any Obligor, that Obligor shall not be obliged to make payment in an amount or at a rate

higher than the lowest permitted amount or rate. If from any circumstance whatever, fulfilment of any provision of any Loan Document would result in exceeding the highest rate or amount permitted by Applicable Law for the collection or charging of interest, the obligation to be fulfilled shall be reduced to reflect the highest permitted rate or amount. If from any circumstance the Agent or the Lenders shall ever receive anything of value as interest or deemed interest under any Loan Document that would result in exceeding the highest lawful rate or amount of interest permitted by Applicable Law, the amount that would be excessive interest shall be applied to the reduction of the principal amount of the Credit, and not to the payment of interest, or if the excessive interest exceeds the unpaid principal balance of the Credit, the amount exceeding the unpaid balance shall be refunded to the Borrower. For the purposes of the Criminal Code (Canada), the effective annual rate of interest shall be determined in accordance with generally accepted actuarial practices and principles and if there is any dispute, the determination of a Fellow of the Canadian Institute of Actuaries appointed by the Agent shall be conclusive.

#### **5.4 Conversions, Rollovers, Renewals, Repayments and Reductions**

- (1) Subject to the other terms of this Agreement, the Borrower may from time to time:
  - (a) convert all or any part of the outstanding amount of any LIBOR Advance into a Base Rate Advance in the same principal amount, or vice versa;
  - (b) convert all or any part of the outstanding amount of any Advance by way of B/As into a Prime Rate Advance in the same principal amount, or vice versa;
  - (c) rollover all or any part of the outstanding amount of any LIBOR Advance at the end of the LIBOR Period as a new LIBOR Advance or rollover all or any part of the outstanding amount of any Advance by way of B/As as a new Advance by way of B/As;
  - (d) renew an L/C at its maturity date by extending the maturity date; and
  - (e) in circumstances not mentioned in items (a) to (d) immediately above, concurrently repay one Advance and obtain a different type of Advance.
  
- (2) Subject to giving notice required by Section 5.5, the Borrower may from time to time repay Advances outstanding under the Credit without penalty, except that:
  - (a) LIBOR Advances may not be paid before the end of the applicable LIBOR Periods unless the Borrower indemnifies the relevant Lenders for any loss or expense that the Lenders incur as a result, including any breakage costs; and
  - (b) No B/A may be paid before its maturity date. The Borrower may provide Cash Collateral in an amount equal to the face amount of any or all outstanding B/As if the Borrower concurrently repays all corresponding BA Equivalent Loans and Cash Collateral is provided pro rata to the Lenders that have accepted B/As.

- (3) The Borrower may from time to time, by giving not less than five Banking Days' notice to the Agent and paying all accrued and unpaid standby fees on the amount to be cancelled or reduced to the effective date of cancellation or reduction, irrevocably notify the Agent of the cancellation of the Credit or of the permanent reduction of the committed amount of the Credit by an amount that must be a minimum of US \$10,000,000 and a whole multiple of US \$1,000,000. Any reduction shall be applied pro rata to the respective Commitments of the Lenders under the Credit. The Borrower shall have no right to any reinstatement of any previously committed amount of the Credit after any cancellation or reduction.

#### **5.5 Notice of Advances and Payments**

- (1) The Borrower shall give the Agent irrevocable notice, in the form attached as Schedule D, of any request for any Advance to it. The Borrower shall also give the Agent irrevocable notice in the same form of any payment by it of any Advance (whether resulting from repayment, prepayment, rollover or conversion).
- (2) Notice for B/As or LIBOR Advances shall be given not later than the third Banking Day before the Advance Date or date of payment. Notice for an Advance by way of L/C shall be given not later than the third Banking Day before the Advance Date or at such earlier time as Issuing Bank may reasonably require so that it has sufficient time to review the proposed form of L/C. Notice for a Prime Rate Advance or Base Rate Advance shall be given on or before the Banking Day before the Advance Date or date of payment.
- (3) Notices shall be given not later than 10:00 a.m. on the date for notice. Payments (except those being made solely from the proceeds of rollovers and conversions) must be made before 11:00 a.m. on the date for payment. If a notice or payment is not given or made by those times, it shall be deemed to have been given or made on the next Banking Day, unless all Lenders affected by the late notice or payment agree, in their sole discretion, to accept a notice or payment at a later time as being effective on the date it is given or made.

#### **5.6 Size and Term of Advances**

- (1) Each Prime Rate Advance or Base Rate Advance shall be in an aggregate minimum amount of \$1,000,000 or US \$1,000,000, respectively and in a whole multiple of \$100,000 or US \$100,000, respectively.
- (2) Each Advance of B/As shall be in an aggregate minimum amount of \$1,000,000 and in a whole multiple of \$100,000. In its notice requesting an Advance of B/As, the Borrower shall select a term of one, two, three or six months to apply to the Advance.
- (3) Each LIBOR Advance shall be in minimum amount of US \$1,000,000 and a whole multiple of US \$100,000. In its notice requesting a LIBOR Advance, the Borrower shall select a LIBOR Period of one, two, three or six months to apply to any particular LIBOR Advance.

- (4) Terms of B/As and LIBOR Periods of lengths other than those specified in Sections 5.6(2) and 5.6(3) shall also be available at the discretion of the Lenders from time to time and the Agent may, in circumstances of market disruption or illiquidity, restrict the term or maturity dates of B/As and/or LIBOR Advances. No B/A may mature and no LIBOR Period may end on a date that is not a Banking Day, after the maturity date of the Credit, or after a date on which the Credit is required to be reduced if that would adversely affect the Borrower's ability to make the reduction.
- (5) Each L/C issued under this Agreement shall have a term that is not more than one year after its issuance date or renewal date (which may extend beyond the then-current maturity date of the Credit), but may provide for automatic extension of its term for successive periods of up to one year each as long as the Issuing Bank has the right to avoid automatic extension by giving notice to the beneficiary of the L/C before the extension becomes effective. An L/C may otherwise be renewed by the Borrower subject to complying with the terms of this Agreement applicable to an Advance by way of L/C. On the cancellation of the Credit, the Borrower shall arrange for all outstanding L/Cs to be returned to the Issuing Bank for cancellation or, with the concurrence of the Issuing Bank, provide Cash Collateral to the Issuing Bank in an amount sufficient to fully secure all outstanding L/Cs and all L/C Fees for the remainder of their respective terms, in which case the Cash Collateral shall be held by the Issuing Bank in place of the Security.

### **5.7 Payment of B/As, LIBOR Advances and L/Cs**

- (1) Subject to Section 8.2, the Borrower shall provide for the following by giving notice under Section 5.5 requesting a rollover or conversion if the Borrower is otherwise entitled to an Advance, or by delivery of payment:
- (a) payment to the Agent at the Branch of Account of the full face amount of each B/A for value on the date of its maturity;
  - (b) payment to the Agent at the Branch of Account of the amount of each LIBOR Advance for value on the last day of the applicable LIBOR Period; and
  - (c) payment to the Issuing Bank at the office where an L/C was issued of each amount paid to the beneficiary of the L/C for value on the date on which the Issuing Bank makes a payment.
- (2) If the Borrower fails to provide for payment in accordance with Section 5.7(1), the Agent shall deem a Prime Rate Advance to have been made in the case of failure to provide for a B/A or Canadian Dollar L/C or a Base Rate Advance to have been made in the case of failure to provide for a LIBOR Advance or US Dollar L/C. The Agent shall immediately give notice of a deemed Advance to the Borrower and the Lenders and, in the case of a deemed Advance relating to an L/C, the Lenders shall remit their respective shares of the Advance to the Agent for the account of the Issuing Bank.
- (3) If an L/C is issued in a currency other than Canadian Dollars or US Dollars, the Agent may convert the amount that the Borrower does not provide for pursuant to Section 5.7(1) into Canadian Dollars or US Dollars. A Prime Rate Advance or Base Rate Advance,

respectively, will then be deemed to have been made under Section 5.7(2). The Borrower shall repay the converted amount in Canadian Dollars or US Dollars as applicable, with interest, rather than the original currency in which the L/C was issued, notwithstanding Section 11.5.

## **5.8 Co-ordination Prime Rate, Base Rate, B/A and LIBOR Advances**

- (1) The Agent shall advise each Lender of its receipt of a notice pursuant to Section 5.5 requesting a Prime Rate, Base Rate or LIBOR Advance or Advance of B/As on the day that notice is received from the Borrower and shall, as soon as possible, advise each Lender of that Lender's share of the Advance. Each Lender's share shall be based on its Applicable Percentage, but if the Agent determines that a Lender's Applicable Percentage would result in its share of an Advance of B/As not being a whole multiple of \$100,000, as the case may be, the Agent may increase or reduce the amount to be advanced by that Lender in the Agent's sole discretion to the extent necessary to make the amount a whole multiple.
- (2) The LIBOR Period applicable to a LIBOR Advance and the maturity date for an Advance of B/As shall be identical for each Lender.
- (3) Each Lender shall deliver its share of the Advance to the Agent not later than 1:00 p.m. on the Advance Date, for value on that date. Each Lender's share of an Advance by way of B/As shall be delivered net of the applicable B/A Fee. Unless the Agent otherwise notifies the Lender, the amount to be delivered by the Lender shall be net of the amount required to repay other Advances it has made that are being repaid, rolled over or converted on that date.
- (4) If the Agent determines that all the conditions precedent to an Advance specified in this Agreement have been met, it shall advance to the Borrower the amount delivered by each Lender by crediting the Designated Account before 2:00 p.m. on the Advance Date, but if the conditions precedent to the Advance are not met by 2:00 p.m. on the Advance Date, the Agent shall return the funds to the Lenders or invest them in an overnight investment as orally instructed by each Lender until the Advance is made.
- (5) Any difference between the actual proceeds of a newly issued B/A and the amount required to pay a maturing B/A that is being rolled over or the amount required to pay a Prime Rate Advance that is being converted to B/As, any difference between the actual proceeds of an Advance and the amount required to repay any Advance that is concurrently being repaid and any difference between the actual proceeds of an Advance and the amount required to fulfill any specific use of the proceeds that the Borrower has directed the Agent to make, shall be paid by the Borrower to the Agent from its own resources by 1:00 p.m. on the Advance Date.

## **5.9 Availability, Changed Circumstances Etc.**

- (1) The availability of B/As (including by way of conversions or renewals) is at any time subject (i) to funds being available for such purpose in the Canadian money market and the B/A Discount Rate being available, and (ii) to the Agent not having been notified by a

Lender or Lenders with a Commitment or Commitments representing in the aggregate more than 50% of all Commitments that the B/A Discount Rate is less than their effective funding cost for B/As issued by the Borrower to be sold on the Canadian money market. The Agent will notify the Borrower if B/As cease to be so available, either generally in the case of clause (i) or with the particular Lenders to which clause (ii) applies, as well as when availability resumes. For so long as B/As are not available with any particular Lender by reason of the foregoing, Advances with such Lender that otherwise would have been made by way of B/As will be made by way of Prime Rate Advances.

- (2) If the Agent is advised of a determination by:
- (a) a Lender that it is unable to obtain US Dollars in the London inter-bank market,
  - (b) a Lender that any Applicable Law has made it unlawful or prohibits such Lender from making or maintaining LIBOR Advances, or has imposed costs or constraints on such Lender that do not exist on the date hereof in respect of LIBOR Advances, or
  - (c) a Lender or Lenders with a Commitment or Commitments representing in the aggregate more than 50% of all Commitments that the LIBO Rate is less than such Lender or Lenders effective funding cost for making or maintaining LIBOR Advances,

the Agent will so notify the Borrower and no new LIBOR Advances, no conversion into LIBOR Advances and no renewal of LIBOR Advances may be made with such Lender or Lenders from the date of the notice until the cause of such determination has ceased to exist. In any such case, Advances with such Lender or Lenders that otherwise would have been made by way of LIBOR Advances in the applicable currency will be made by way of Base Rate Advances.

#### **5.10 Execution of B/As**

- (1) To facilitate the acceptance of B/As under this Agreement, the Borrower appoints each Lender as its attorney to sign and endorse on its behalf, as and when considered necessary by the Lender, an appropriate number of orders in the form prescribed by that Lender.
- (2) Each Lender may, at its option, execute any order in handwriting or by the facsimile or mechanical signature of any of its authorized officers, and the Lenders are authorized to accept or pay, as the case may be, any order of the Borrower that purports to bear such a signature notwithstanding that the signatory has ceased to be an authorized officer of the Lender. Any such order or B/A shall be as valid as if the individual were an authorized officer at the date of issue of the order or B/A.
- (3) Any order or B/A signed by a Lender as attorney for the Borrower, whether signed in handwriting or by the facsimile or by facsimile or mechanical signature may be dealt with by the Agent or any Lender to all intents and purposes and shall bind the Borrower as if duly signed and issued by the Borrower.

- (4) The receipt by the Agent of a notice requesting an Advance by way of B/As shall be each Lender's sufficient authority to execute, and each Lender shall, subject to the terms and conditions of this Agreement, execute orders in accordance with that request and the advice of the Agent given pursuant to Section 5.8. The executed orders shall be deemed to have been presented for acceptance.

#### **5.11 Funding of B/As**

- (1) It shall be the responsibility of each Lender to arrange, in accordance with normal market practice, for the sale on each Advance Date of the B/As issued by the Borrower and to be accepted by that Lender, failing which the provisions of this Agreement relating to Non B/A Lenders shall apply.
- (2) Notwithstanding any other provision of this Agreement, the amount to be transferred by a Lender to the Agent in connection with any B/A accepted by that Lender shall be determined by the B/A Discount Proceeds calculated with respect to the B/A rather than the actual proceeds of any sale of that B/A. Accordingly, in respect of any particular B/A accepted by it, a Lender (a) shall be entitled to retain for its own account the amount, if any, by which any actual proceeds of sale exceed the calculated B/A Discount Proceeds with respect to the B/A, and (b) shall be required to pay out of its own funds the amount, if any, by which the actual proceeds of sale are less than the calculated B/A Discount Proceeds.
- (3) Whenever the Borrower requests an Advance that includes B/As, each Lender that is not permitted by Applicable Law or by customary market practice to accept B/As or for any other reason elects by notice to the Agent from time to time not to do so (a " **Non B/A Lender** ") shall, in lieu of accepting its *pro rata* amount of B/As, make available to the Borrower on the Advance Date a loan (a "**B/A Equivalent Loan**") in Canadian Dollars and in an amount equal to the B/A Discount Proceeds of the B/As that the Non B/A Lender would otherwise have accepted, less the B/A Fee that would otherwise have been applicable. The B/A Equivalent Loan shall have a term equal to the term of the B/As that the Non B/A Lender would otherwise have accepted and the Borrower shall, at the end of that term, be obligated to pay the Non B/A Lender an amount equal to the aggregate face amount of the B/As that it would otherwise have accepted. All provisions of this Agreement applicable to B/As and Lenders that accept B/As shall apply *mutatis mutandis* to B/A Equivalent Loans and Non B/A Lenders and, without limiting the foregoing, Advances shall include B/A Equivalent Loans.

#### **5.12 Other B/A Provisions**

- (1) The Borrower shall not claim from a Lender any days of grace for the payment at maturity of any B/A accepted by the Lender pursuant to this Agreement. The Borrower waives any defence to payment that might otherwise exist if for any reason a B/A is held at maturity by a Lender in its own right, and the doctrine of merger shall not apply to any B/A that is at any time held by a Lender in its own right.

- (2) Any executed orders to be used as B/As shall be held by a Lender in safekeeping with the same degree of care as if they were the Lender's own Property, and shall be kept at the place at which executed orders are ordinarily held by the Lender.
- (3) The obligations of the Borrower with respect to B/As under this Agreement shall be unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following circumstances:
  - (a) any lack of validity or enforceability of any order accepted by a Lender as a B/A; or
  - (b) the existence of any claim, set off, defence or other right that the Borrower may have at any time against the holder of a B/A, a Lender or any other Person or entity, whether in connection with this Agreement or otherwise.
- (4) The Borrower shall not enter into any agreement or arrangement of any kind with any Person to whom B/As have been delivered by which the Borrower undertakes to replace the B/As on a continuing basis with other B/As, nor shall the Borrower directly or indirectly take, use or provide B/As as security for loans or advances from any other Person.

### **5.13 Issuance and Use of L/Cs**

- (1) A request for an Advance by way of L/C shall be made by the Borrower in accordance with Section 5.5, except that a copy of the request shall be sent directly to the Issuing Bank. The Agent shall promptly notify the Lenders of the receipt of a request for an L/C, but L/Cs shall only be issued by the Issuing Bank as fronting bank for all Lenders. A request shall include the details of the L/C to be issued. The Issuing Bank shall promptly notify the Borrower of any comment concerning the form of the L/C requested by the Borrower and shall, if the Borrower is otherwise entitled to an Advance, issue the L/C to the Borrower on the Advance Date or as soon afterwards as the Issuing Bank is satisfied with the form of L/C to be issued.
- (2) The Borrower shall not directly or indirectly use or provide an L/C as security for loans or advances from any other Person.

### **5.14 Reimbursement Obligation - L/Cs**

Notwithstanding Section 5.7 or any other provision of this Agreement, the Borrower's obligation to reimburse the Issuing Bank for a payment to a beneficiary of an L/C shall be absolute and unconditional, but without prejudice to the Borrower's right, after reimbursing the Issuing Bank, to claim damages from the Issuing Bank for matters arising from the Issuing Bank's wilful misconduct or gross negligence. The Borrower's obligation shall not be reduced by any demand or other request for payment of an L/C (a "**Demand**") that is paid or acted on in good faith and in conformity with Applicable Laws or applicable commercial customs or practices being invalid, insufficient, fraudulent or forged, nor shall the Borrower's obligation be subject to any defence or be affected by any right of set-off, counter-claim or recoupment that the Borrower may have now or in the future against the beneficiary, the Issuing Bank or any

other Person for any reason whatsoever, including the fact that the Issuing Bank paid a Demand or Demands (if applicable) aggregating up to the amount of the L/C notwithstanding any contrary instructions from the Borrower to the Issuing Bank or the occurrence of any event including the commencement of legal proceedings to prohibit payment by the Issuing Bank of a Demand. Any action, inaction or omission taken or suffered by the Issuing Bank under or in connection with an L/C or any Demand, if in good faith and in conformity with Applicable Laws or applicable customs or practices shall be binding on the Borrower and shall not place the Issuing Bank under any resulting liability to the Borrower. Without limiting the foregoing, the Issuing Bank may receive, accept or pay as complying with the terms of the L/C, any Demand that is otherwise in order that may be signed by, or issued to, any administrator, executor, trustee in bankruptcy, receiver or other person or entity acting as the representative or in place of, the beneficiary. The Borrower shall not take any steps, issue any instructions to the Issuing Bank or any of its correspondents or institute any proceedings intended to derogate from the right or ability of the Issuing Bank or its correspondents to honour or pay any Demand.

#### **5.15 Failure of Lender to Fund**

- (1) Unless the Agent has received notice from a Lender before the proposed date of any Advance that such Lender will not make available to the Agent such Lender's share of such Advance, the Agent may assume that such Lender has made such share available on such date in accordance with the provisions of this Agreement concerning funding by Lenders and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In that event, if a Lender has not in fact made its share of the applicable Advance available to the Agent, then the applicable Lender shall pay to the Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Agent, at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation. If such Lender pays such amount to the Agent, then such amount shall constitute such Lender's Advance. If the Lender does not do so forthwith, the Borrower shall pay to the Agent forthwith on demand such corresponding amount with interest thereon at the interest rate applicable to the Advance in question. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that has failed to make such payment to the Agent.
- (2) Notwithstanding Section 5.15(1), if any Lender fails to make available to the Agent its Applicable Percentage of any Advance (that Lender being the "**Non-Funding Lender**" ), the Agent shall forthwith give notice of that failure by the Non-Funding Lender to the Borrower and the other Lenders. The Agent shall then forthwith give notice to the other Lenders that any Lender may make available to the Agent all or any portion of the Non-Funding Lender's Applicable Percentage of that Advance (but in no way shall any other Lender or the Agent be obliged to do so) in the place of the Non-Funding Lender. If more than one Lender gives notice that it is prepared to make funds available in the place of a Non-Funding Lender in those circumstances and the aggregate of the funds which those Lenders (collectively the "**Contributing Lenders**" and individually the "**Contributing Lender**" ) are prepared to make available exceeds the amount of the Advance which the Defaulting Lender failed to make, then each Contributing Lender

shall be deemed to have given notice that it is prepared to make available its Applicable Percentage of that Advance based on the Contributing Lenders' relative commitments to advance in those circumstances. If any Contributing Lender makes funds available in the place of a Non-Funding Lender in those circumstances, then the Non-Funding Lender shall pay to any Contributing Lender making the funds available in its place, forthwith on demand, any amount advanced on its behalf together with interest thereon at the rate applicable to that Advance from the date of advance to the date of payment, against payment by the Contributing Lender making the funds available of all interest received in respect of the Advance from the Borrower. The failure of any Lender to make available to the Agent its Applicable Percentage of any Advance as required herein shall not relieve any other Lender of its obligations to make available to the Agent its Applicable Percentage of any Advance as required herein.

#### **5.16 Payments by the Borrower**

- (1) All payments made by or on behalf of the Borrower pursuant to this Agreement shall be made to and received by the Agent (except that payments on outstanding overdraft utilizations pursuant to Section 2.2 must be made directly to the Swingline Lender) and shall be distributed by the Agent to the Lenders as soon as possible upon receipt by the Agent. Except as required to make payments in respect of the Other Secured Obligations or as otherwise provided in this Agreement (including Section 5.17), the Agent shall distribute:
  - (a) payments of interest in accordance with each Lender's Applicable Percentage of the Credit;
  - (b) repayments of principal in accordance with each Lender's Applicable Percentage of the Credit; or
  - (c) all other payments received by the Agent including amounts received on the enforcement of Security, in accordance with each Lender's Applicable Percentage of the Credit except that with respect to proceeds of enforcement, no Lender shall receive an amount in excess of the amounts owing to it in respect of the Obligations.
- (2) The Agent is authorized to effect all necessary debits, deposits, credits and transfers to the Designated Accounts in order to accommodate the Lenders in making Advances and in order to accommodate the Borrower in making payments to the Lenders and the Agent in accordance with the provisions of this Agreement.

#### **5.17 Payments by Agent**

- (1) For greater certainty, the following provisions shall apply to any and all payments made by the Agent to the Lenders hereunder:
  - (a) the Agent shall be under no obligation to make any payment (whether in respect of principal, interest, fees or otherwise) to any Lender until an amount in respect of that payment has been received by the Agent from the Borrower;

- (b) if the Agent receives less than the full amount of any payment of principal, interest, fees or other amount owing by the Borrower under this Agreement, the Agent shall have no obligation to remit to each Lender any amount other than such Lender's Applicable Percentage of that amount which is the amount actually received by the Agent;
  - (c) if any Lender advances more or less than its Applicable Percentage of the Credit, that Lender's entitlement to that payment shall be increased or reduced, as the case may be, in proportion to the amount actually advanced by such Lender;
  - (d) except as specified in any applicable Assignment and Assumption, if a Lender's Applicable Percentage of an Advance has been advanced, or a Lender's Commitment has been outstanding, for less than the full period to which any payment (other than a payment of principal) by the Borrower relates, that Lender's entitlement to that payment shall be reduced in proportion to the length of time such Lender's Applicable Percentage of the Credit or such Lender's Commitment, as the case may be, has actually been outstanding;
  - (e) the Agent acting reasonably and in good faith shall, after consultation with the Lenders in the case of any dispute, determine in all cases the amount of all payments to which each Lender is entitled and that determination shall, in the absence of demonstrable error, be binding and conclusive; and
  - (f) on request, the Agent shall deliver a statement detailing any of the payments to the Lenders referred to herein.
- (2) Unless the Agent has received notice from the Borrower before the date on which any payment is due to the Agent for the account of any Lender that the Borrower will not make such payment, the Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute the amount due to the Lenders. In that event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Agent, at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation.

The Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of an Advance, or the issuance of an L/C, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Agent has received notice to the contrary from such Lender or Issuing Bank before the making of such Advance or the issuance of such L/C. The Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

## 9.5 Delegation of Duties

The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Agent from among the Lenders (including the Person serving as Agent) and their respective Affiliates. The Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The provisions of this Article and other provisions of this Agreement for the benefit of the Agent shall apply to any such sub-agent and to the Related Parties of the Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Credit as well as activities as Agent.

## 9.6 Direct Payments

  - (c) the provisions of this Section shall not be construed to apply to (i) any payment made while no Event of Default has occurred and is continuing in respect of obligations of the Borrower to such Lender that do not arise under or in connection with the Loan Documents, (ii) any payment made in respect of an obligation that is secured by a Permitted Lien or that is otherwise entitled to priority over the Borrower's obligations under or in connection with the Loan Documents, (iii) any reduction arising from an amount owing to an Obligor upon the termination of Derivatives entered into between the Obligor and such Lender except for a net amount available after the termination of all Derivatives entered into between the Obligors and such Lender and the setoff of resulting amounts owing by the Obligors and to the Obligors, or (iv) any payment to which such Lender is entitled as a result of any form of credit protection obtained by such Lender.

  - (e) hold the Security or collateral as agent on behalf of the Lenders and to execute in their name any Security Document; for greater certainty, the Agent, as part of its duties as Agent, is authorized to act as hypothecary representative of the Lenders for the purposes of any hypothec granted by any Obligor pursuant to article 2692 of the *Civil Code of Québec*;
  - (f) to release and discharge the Security with respect to any property or assets to the extent necessary to enable a Restricted Party to complete any disposition which is not prohibited by the Agreement;
  - (g) hold all legal documents relating to the Credit, maintain complete and accurate records showing all Advances made by the Lenders, all remittances and payments made by the Borrower to the Agent, all remittances and payments made by the Agent to the Lenders and all fees or any other sums received by the Agent and, except for accounts, records and documents relating to the fees payable under the Fee Agreement and upfront and arrangement fees payable concurrently with the execution of this Agreement, allow each Lender and its advisors to examine such accounts, records and documents at its own expense, and provide any Lender, upon reasonable notice, with such copies thereof as such Lender may reasonably require from time to time at the Lender's expense;
  - (h) except as otherwise specifically provided for in this Agreement, promptly advise each Lender on receipt of each notice and deliver to each Lender, promptly upon receipt, all other written communications furnished by the Borrower to the Agent on behalf of the Lenders pursuant to this Agreement, including without limitation copies of financial reports and certificates which are to be furnished to the Agent;

- (i) forward to each of the Lenders, on request and at the expense of the Lender so requesting (other than customary record books which shall be provided at the expense of the Borrower), copies of this Agreement, the Security Documents and other Loan Documents (other than the Fee Agreement); and
  - (j) promptly forward to each Lender, on request, an up-to-date loan status report.
- (2) The Agent may take the following actions only with the prior consent of the Required Lenders, unless otherwise specified in this Agreement:
- (a) subject to Section 9.7(3), exercise any and all rights of approval conferred on the Lenders by this Agreement;
  - (b) give written notice to the Borrower in respect of any matter in respect of which notice may be required, permitted, necessary or desirable in accordance with or pursuant to this Agreement, promptly after receiving the consent of the Required Lenders, except that the Agent shall, without direction from the Lenders, immediately give the Borrower notice of any payment that is due or overdue under the terms of this Agreement unless the Agent considers that it should request the direction of the Required Lenders, in which case the Agent shall promptly request that direction;
  - (c) amend, modify or waive any of the terms of this Agreement, including waiver of a Default, if such action is not otherwise provided for in Section 9.7(3);
  - (d) declare an Event of Default or take action to enforce performance of the Obligations and the Security and/or pursue any other legal remedy necessary;
  - (e) enter into or amend, modify or waive any term of any Intercreditor Agreement;
  - (f) decide to accelerate the amounts outstanding under the Credit; and
  - (g) pay insurance premiums, taxes and any other sums as may be reasonably required to protect the interests of the Lenders.
- (3) The Agent may take the following actions only if the prior unanimous consent of the Lenders is obtained, unless otherwise specified herein:
- (a) subject to Section 9.7(1)(f), release or subordinate any portion of the Security;
  - (b) notwithstanding Section 7.5, amend, modify, terminate or waive any term of Section 7.5(7)(b) or grant any consent or approval required as a result of that Section (including any agreement to relinquish the benefit of subordination provisions);

- (c) amend, modify, discharge, terminate or waive any of the terms of this Agreement if such amendment, modification, discharge, termination or waiver would increase the amount of the Credit (other than pursuant to Section 2.9), amend the purpose of the Credit, reduce the interest rates and similar charges applicable to the Credit, reduce the fees payable with respect to the Credit, extend any date fixed for payment of principal, interest or any other amount relating to the Credit or extend the term of the Credit; or
- (d) amend the definition of "Required Lenders" or this Section 9.7(3).

For greater certainty, no Lender's Commitment or Applicable Percentage may be amended without the consent of that Lender.

- (4) Notwithstanding Sections 9.7(2) and 9.7(3), the Agent may, without the consent of the Lenders, make amendments to the Loan Documents that are for the sole purpose of curing any immaterial or administrative ambiguity, defect or inconsistency, but shall immediately notify the Lenders of any such action. The Agent may also discharge any Guarantee and the other obligations under the Loan Documents of any Obligor except the Borrower (a) to the extent necessary to allow any Obligor to complete any sale or other disposition of Property permitted by this Agreement or any consent or waiver pursuant to this Agreement or (b) to release an Obligor that is designated as a Non-Recourse Subsidiary in accordance with this Agreement.
- (5) As between the Borrower, on the one hand, and the Agent and the Lenders, on the other hand:
  - (a) all statements, certificates, consents and other documents which the Agent purports to deliver on behalf of the Lenders or the Required Lenders shall be binding on each of the Lenders, and the Borrower shall not be required to ascertain or confirm the authority of the Agent in delivering such documents;
  - (b) all certificates, statements, notices and other documents which are delivered by the Borrower to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders;
  - (c) all payments which are delivered by the Borrower to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders.
- (6) Except in its own right as a Lender, the Agent shall not be required to advance its own funds for any purpose, and in particular, shall not be required to pay with its own funds insurance premiums, taxes or public utility charges or the cost of repairs or maintenance with respect to any Property that is the subject matter of any security, nor shall it be required to pay with its own funds the fees of solicitors, counsel, auditors, experts or agents engaged by it as permitted hereby.

## **9.8 Replacement of Declining Lenders**

- (1) Promptly after expiry of the period reasonably established by the Agent for Lenders to respond to a request for consent of all Lenders under Section 9.7(3), the Agent shall notify the Borrower of the response of the Lenders, and shall include the names of all Declining Lenders.
- (2) If the aggregate amount of the Commitments of the Accepting Lenders in respect of the request for consent exceeds two-thirds of the aggregate Commitments of all Lenders then in effect but there are Declining Lenders, the Borrower may elect to secure consent of all Lenders for the purposes of Section 9.7(3) by giving a written notice to the Agent to that effect within 20 days after the Agent notifies the Borrower of the Lenders' response, in which case the Borrower must, within five Banking Days after giving notice to the Agent, replace or cancel the Commitments of all Declining Lenders in the following manner:
  - (a) the Borrower may negotiate an agreement with one or more of the Accepting Lenders or one or more New Lenders to assume the Commitments of the Declining Lenders on payment to the Declining Lenders of all amounts owed to the Declining Lenders under or in connection with the Credit, and in that event an assignment by the Declining Lenders to the Accepting Lenders or the New Lenders shall be deemed to have occurred in accordance with the terms of the form of Assignment and Assumption and the Borrower shall pay the Agent the assignment fee specified in Section 10.2(1)(f) unless waived by the Agent; and
  - (b) to the extent the Commitments of the Declining Lenders have not been fully assumed by the Accepting Lenders and the New Lenders pursuant to Section 9.8(2)(a), the Borrower shall cancel the Commitments of the Declining Lenders and pay to the Declining Lenders within that time, all amounts owed to the Declining Lenders under or in connection with the Credit, without penalty but subject to payment of any costs and expenses payable to the Declining Lenders pursuant to this Agreement.

## **9.9 Rights of Agent**

- (1) In administering the Credit, the Agent may retain, at the expense of the Lenders if such expenses are not recoverable from the Borrower, such solicitors, counsel, auditors and other experts and agents as the Agent may select, in its sole discretion, acting reasonably and in good faith after consultation with the Lenders.
- (2) The Agent shall be entitled to rely on any communication, instrument or document believed by it to be genuine and correct and to have been signed by the proper individual or individuals, and shall be entitled to rely and shall be protected in relying as to legal matters upon opinions of independent legal advisors selected by it. The Agent may also assume that any representation made by the Borrower is true and that no Default has occurred unless the officers or employees of the Lender acting as Agent, active in their capacity as officers or employees responsible for the Borrower's account have actual knowledge to the contrary or have received notice to the contrary from any other Party.

- (3) The Agent shall be entitled to receive a fee for acting as Agent as agreed between the Agent and the Borrower from time to time

#### **9.10 Acknowledgements, Representations and Covenants of Lenders**

- (1) Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.
- (2) Each Lender represents and warrants that it has the legal capacity to enter into this Agreement pursuant to its Constatng Documents and any Applicable Law and has not violated its Constatng Documents or any Applicable Law by so doing.
- (3) Each Lender agrees to indemnify the Agent and hold it harmless (to the extent not reimbursed by the Borrower), rateably according to its Applicable Percentage (and not jointly or jointly and severally) from and against any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel, which may be incurred by or asserted against the Agent in any way relating to or arising out of the Loan Documents or the transactions therein contemplated. However, no Lender shall be liable for any portion of such losses, claims, damages, liabilities and related expenses resulting from the Agent's gross negligence or wilful misconduct. The Agent shall not be required to take or continue any action unless the Agent has received sufficient funds or arrangements satisfactory to it for indemnification to cover the cost of the proposed action.
- (4) To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Sections 11.8(1) and 11.8(2) to be paid by it to the Agent (or any sub-agent or Related Party thereof), each Lender severally agrees to pay to the Agent (or any sub-agent or Related Party) such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section are subject to the other provisions of this Agreement concerning several liability of the Lenders.
- (5) Each of the Lenders acknowledges and confirms that in the event that the Agent does not receive payment in accordance with this Agreement, it shall not be the obligation of the Agent to maintain the Credit in good standing nor shall any Lender have recourse to the Agent in respect of any amounts owing to such Lender under this Agreement.

- (6) Each Lender acknowledges and agrees that its obligation to advance its Applicable Percentage of Advances in accordance with the terms of this Agreement is independent and in no way related to the obligation of any other Lender hereunder.
- (7) Each Lender acknowledges receipt of a copy of this Agreement and the Security and acknowledges that it is satisfied with the form and content of such documents.

#### **9.11 Collective Action of the Lenders**

Each of the Lenders hereby acknowledges that to the extent permitted by Applicable Law, the remedies provided under the Loan Documents to the Lenders are for the benefit of the Lenders collectively and acting together and not severally and further acknowledges that its rights hereunder and under the Security are to be exercised not severally, but by the Agent upon the decision of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in the Loan Documents). Accordingly, notwithstanding any of the provisions contained in any Loan Document, each of the Lenders hereby covenants and agrees that it shall not be entitled to take any action hereunder or thereunder, including any declaration of default hereunder or thereunder but that any such action shall be taken only by the Agent with the prior written agreement of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in the Loan Documents). Each of the Lenders hereby further covenants and agrees that upon any such written agreement being given, it shall co-operate fully with the Agent to the extent requested by the Agent. Notwithstanding the foregoing, in the absence of instructions from the Lenders and where in the sole opinion of the Agent, acting reasonably and in good faith, the exigencies of the situation warrant such action, the Agent may without notice to or consent of the Lenders take such action on behalf of the Lenders as it deems appropriate or desirable in the interest of the Lenders.

#### **9.12 Successor Agent**

- (1) The Agent may at any time give notice of its resignation to the Lenders, the Issuing Bank and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower (not to be unreasonably withheld or delayed) unless a Default has occurred and is continuing, to appoint a successor, which shall be a Lender having an office in Toronto, Ontario or an Affiliate of any such Lender with an office in Toronto. The Agent may also be removed at any time by the Required Lenders upon 30 days' notice to the Agent and the Borrower as long as the Required Lenders, in consultation with the Borrower, appoint and obtain the acceptance of a successor within such 30 days, which shall be a Lender having an office in Toronto or an Affiliate of any such Lender with an office in Toronto.
- (2) If no such successor has been so appointed by the Required Lenders and has accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications specified in the immediately preceding paragraph, provided that if the Agent notifies the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Agent shall be discharged from its duties and obligations

hereunder and under the other Loan Documents (except that the retiring Agent shall continue to hold the Security held by the Agent on behalf of the Lenders until such time as a successor Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for in the preceding paragraph.

- (3) Upon a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the former Agent, and the former Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided in the preceding paragraph). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the termination of the service of the former Agent, the provisions of this Article 9 and of Section 11.7 shall continue in effect for the benefit of the former Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the former Agent was acting as Agent.

### **9.13 No Other Duties etc.**

Notwithstanding anything herein to the contrary, no Bookrunner, Arranger or holder of a similar title specified in this Agreement shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Agent or a Lender hereunder.

### **9.14 Defaulting Lenders**

- (1) Where a Lender has become a Defaulting Lender, the Agent will notify the Borrower and each Lender of that fact after having acquired actual knowledge of same.
- (2) At any time following the date of a notification under Section 9.14(1), the Borrower will be entitled to require that each such Defaulting Lender assign its rights under the Credit to a Person who would be an Eligible Assignee who has agreed to assume the Commitment of such Defaulting Lender. However, no such assignment and assumption will be effective unless the consideration payable to such Defaulting Lender for the assignment includes all amounts owed to such Defaulting Lender in respect of the Credit and is paid to the latter by the assignee (together with breakage costs if any). Section 10.2 will apply (adapted accordingly) to the said assignment and assumption and any Defaulting Lender will take all such actions as are required to promptly effect same.
- (3) Notwithstanding any other provision of this Agreement, from the time a Lender becomes a Defaulting Lender:
  - (a) such Defaulting Lender will not be entitled to vote on any issue (other than on a reduction of a principal amount payable to it and any increase or extension of its Commitment) and, subject to the foregoing exceptions, the entirety of its Commitment will be disregarded in the calculation of all Required Lenders' or Lenders' unanimous decisions;

- (b) standby fees and L/C Fees will not accrue or be payable in respect of such Defaulting Lender's Commitment provided that L/C Fees relating to such Defaulting Lender's obligations that are reallocated pursuant to clause (d) below will be payable to the Lenders to whom such obligations have been reallocated;
  - (c) such Defaulting Lender will not participate in any new Borrowing and its Commitment will be disregarded in the calculation of the pro rata share of the Lenders in any new Borrowing;
  - (d) the funding obligations of the Defaulting Lender in respect of Advances made by the Swingline Lender and in respect of payments made by the Issuing Lender under Letters of Credit will be reallocated among the other Lenders and will be calculated excluding the Defaulting Lender's Commitment from the pro rata share of the funding obligations of the other Lenders, but only to the extent such reallocation and calculation does not cause the outstanding Borrowings owing to any non-Defaulting Lender to exceed the amount of its Commitment and provided that no such reallocation will release the Defaulting Lender from its obligations hereunder;
  - (e) if a reallocation contemplated in clause (d) above cannot be effected (in full or in part), the Borrower will (y) repay to the Swingline Lender the portion of any outstanding Borrowings under Section 2.2 which has not been so reallocated, and (z) prepay, or provide Cash Collateral to secure the unallocated portion of the funding obligations relating to Letters of Credit;
  - (f) the Swingline Lender or the Issuing Lender may decline to provide Borrowings under Section 2.2 or issue Letters of Credit under Article 5 (as applicable) if it has an exposure to a Defaulting Lender as a result of any reallocation pursuant to clause (d) not being fully effected; and
  - (g) the Agent will be entitled to withhold any amount that would otherwise be distributed or payable to a Defaulting Lender and to apply (in the order determined by the Agent) any such amount to the obligations of such Defaulting Lender hereunder or to outstanding Borrowings owing to the non-Defaulting Lenders.
- (4) A Lender who becomes a Defaulting Lender will retain such status until the Agent, the Issuing Lender and the Swingline Lender notify such Defaulting Lender that they are satisfied that all existing defaults in respect of such Lender have been remedied and that such Lender has the financial ability to perform its obligations hereunder. Concurrently with such notification, the Agent will make such adjustments among the Lenders as are necessary to give effect to the foregoing and to the fact that Section 9.14(3) has ceased to apply in respect of the Lender concerned, provided that no retroactive adjustments will be made (including with respect to interest and fees).

- (5) For greater certainty (subject to Section 11.7 in the case of clauses (ii) and (iii) below), (i) the default by a Lender to perform its obligations hereunder will not relieve any other Lender from its obligations hereunder (including to fund Borrowings in the proportion of its Commitment), and (ii) an assignment of the Commitment of a Defaulting Lender will not relieve such Defaulting Lender from its obligations to indemnify any other party from the consequences of its default, and (iii) this Section 9.14 does not affect any right or recourse of the Borrower or any other Restricted Party against any Defaulting Lender.

#### **9.15 Provisions Operative Between Lenders and Agent Only**

Except for the provisions of Sections 9.7(2), 9.7(5), 9.8, 9.10(2), 9.10(6), 9.11, 9.12, 9.13, 9.14 and 9.15, the provisions of this Article relating to the rights and obligations of the Lenders and the Agent inter se shall be operative as between the Lenders and the Agent only, and the Obligors shall not have any rights or obligations under or be entitled to rely for any purpose on such provisions.

### **ARTICLE 10 ADDITIONAL LENDERS, SUCCESSORS AND ASSIGNS**

#### **10.1 Successors and Assigns**

The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 10.2, (ii) by way of participation in accordance with the provisions of Section 10.4, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.5 (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, sub-agents contemplated hereby, Participants to the extent provided in Section 10.4 and, to the extent expressly contemplated hereby, the Related Parties of each of the Agent, any sub-agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

#### **10.2 Assignments by Lenders**

- (1) Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Advances at the time owing to it), provided that:
- (a) except if an Event of Default has occurred and is continuing or in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Advances at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender, the aggregate amount of the Commitment being assigned (which for this purpose includes Advances

outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Advances of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than US \$10,000,000, unless each of the Agent and, so long as no Default has occurred and is continuing, the Borrower otherwise consent to a lower amount (each such consent not to be unreasonably withheld or delayed);

- (b) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;
  - (c) any assignment must be approved by each Issuing Bank (such approval not to be unreasonably withheld or delayed) unless the Person that is the proposed assignee is itself already a Lender;
  - (d) any assignment must be approved by the Agent (such approval not to be unreasonably withheld or delayed) unless:
    - (i) the proposed assignee is itself already a Lender, or
    - (ii) the proposed assignee is a bank whose senior, unsecured, non-credit enhanced, long term debt is rated at least A3, A- or A low by at least two of Moody's Investor Services Inc., Standard & Poor's, a division of The McGraw-Hill Companies, Inc. and Dominion Bond Rating Service Limited, respectively;
  - (e) any assignment must be approved by the Borrower (such approval not to be unreasonably withheld or delayed) unless the proposed assignee is itself already a Lender or an Affiliate of a Lender or a Default has occurred and is continuing; and
  - (f) the parties to each assignment shall execute and deliver to the Agent an Assignment and Assumption, together with a processing and recordation fee of \$5,000 and the Eligible Assignee, if it is not a Lender, shall deliver any administrative questionnaire required by the Agent.
- (2) Subject to acceptance and recording thereof by the Agent pursuant to Section 10.3, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement and the other Loan Documents, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 11.7, 11.9 and 11.10, and shall continue to be liable for any breach of this Agreement by such Lender, with respect to facts and circumstances

occurring before the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.4. Any payment by an assignee to an assigning Lender in connection with an assignment or transfer shall not be or be deemed to be a repayment by the Borrower or a new Advance to the Borrower.

### 10.3 Register

The Agent shall maintain at one of its offices in Toronto, Ontario a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Advances owing to, each Lender pursuant to the terms hereof from time to time (the “**Register**”). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

### 10.4 Participations

- (1) Any Lender may at any time, with the consent of the Borrower (not to be unreasonably withheld or delayed) unless a Default has occurred and is continuing, but otherwise without the consent of, or notice to, the Borrower or the Agent, sell participations to any Person (other than a natural person, a Restricted Party or any Affiliate of a Restricted Party) (each, a “**Participant**”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Advances owing to it). However, (i) the Lender’s obligations under this Agreement shall remain unchanged, (ii) the Lender shall remain solely responsible to the other parties hereto for the performance of its obligations and (iii) the Borrower, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any payment by a Participant to a Lender in connection with a sale of a participation shall not be or be deemed to be a repayment by the Borrower or a new Advance to the Borrower.
- (2) Subject to the immediately following paragraph, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 11.9 and 11.10 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.2. To the extent permitted by Applicable Law, each Participant also shall be entitled to the benefits of Section 8.9 as though it were a Lender, provided such Participant agrees to be subject to Section 9.6 as though it were a Lender.
- (3) A Participant shall not be entitled to receive any greater payment under Sections 11.9 and 11.10 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent. A Participant that would

be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 11.9 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with that Section as though it were a Lender.

## **10.5 Certain Pledges**

Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement and the other Loan Documents to secure obligations of such Lender, but no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

## **ARTICLE 11 MISCELLANEOUS PROVISIONS**

### **11.1 Severability, Etc.**

If, in any jurisdiction, any provision of this Agreement or its application to any Party or circumstance is restricted, prohibited or unenforceable, that provision shall, as to such jurisdiction, be ineffective only to the extent of such restriction, prohibition or unenforceability without invalidating the remaining provisions of this Agreement, without affecting the validity or enforceability of such provision in any other jurisdiction and, if applicable, without affecting its application to the other Parties or circumstances.

### **11.2 Amendment, Supplement or Waiver**

No amendment, supplement or waiver of any provision of any Loan Document, nor any consent to any departure by an Obligor therefrom, shall in any event be effective unless it is in writing, makes express reference to the provision affected thereby and is signed by the Agent for and on behalf of the Lenders or the Required Lenders, as the case may be, and then that waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. In addition, any amendment or supplement shall require the written consent of the other parties to the Loan Document in question. No waiver or act or omission of the Agent, the Lenders, or any of them, shall extend to or be taken in any manner whatsoever to affect any subsequent Default or breach by an Obligor of any provision of any Loan Document or the rights resulting therefrom.

### **11.3 Governing Law**

- (1) Each of the Loan Documents, except for those which expressly provide otherwise, shall be conclusively deemed to be a contract made under, and shall for all purposes be governed by and construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable in Ontario. The Borrower irrevocably and unconditionally submits, for itself and its Property, to the nonexclusive jurisdiction of the courts of the Province of Ontario, and any appellate court from any of those courts, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto irrevocably and unconditionally agrees that all claims in respect of any such action or

proceeding may be heard and determined in such court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Obligor or its Property in the courts of any jurisdiction. The Borrower irrevocably and unconditionally waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in court any of the Province of Ontario. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by Applicable Law, the defence of an inconvenient forum to the maintenance of such action or proceeding in any such court.

#### **11.4 This Agreement to Govern**

In the event of any conflict between the terms of this Agreement and the terms of any other Loan Document, the provisions of this Agreement shall govern to the extent necessary to remove the conflict.

#### **11.5 Currency**

All payments made hereunder shall be made in the currency in respect of which the obligation requiring such payment arose. Unless the context otherwise requires, all amounts expressed in this Agreement in terms of money shall refer to Canadian Dollars. Except as otherwise expressly provided in this Agreement, wherever this Agreement contemplates or requires the calculation of the equivalent in one currency of an amount expressed in another currency, the calculation shall be made on the basis of the Exchange Rate at the effective date of the calculation.

#### **11.6 Liability of Lenders**

The liability of the Lenders in respect of all matters relating to this Agreement and the other Loan Documents is several and not joint or joint and several. Without limiting that statement, the obligations of the Lenders to make Advances is limited to their respective Applicable Percentages of any Advance that is requested, and, in the aggregate, to their respective Applicable Percentages of the total amounts of the Credit.

#### **11.7 Acknowledgement and Consent to Bail-In of EEA Financial Institutions**

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
  - (i) a reduction in full or in part or cancellation of any such liability;
  - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
  - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

## 11.8 Expenses and Indemnity

- (1) The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Agent, in connection with the syndication of the Credit, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby are consummated), (ii) without duplication, all reasonable out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any L/C or any demand for payment thereunder and (iii) all reasonable out-of-pocket expenses incurred by the Agent or any Lender, including the reasonable fees, charges and disbursements of counsel, in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents, including its rights under this Section, or in connection with the Advances made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Advances. No Lender shall, however, be entitled to be reimbursed for fees, charges and disbursements of counsel to advise it separately from counsel advising the Agent and/or the Lenders collectively.
- (2) The Borrower shall indemnify the Agent (and any sub-agent thereof), each Lender and each Related Party of any of the foregoing Persons (each such Person being called an “**Indemnatee**”) against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnatee, incurred by any Indemnatee or asserted against any Indemnatee by any third party or by any Restricted Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby,

the performance or non-performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation or non-consummation of the transactions contemplated hereby or thereby, (ii) any Advance or the use or proposed use of the proceeds therefrom (including any refusal by an Issuing Bank to honour a demand for payment under an L/C if the documents presented in connection with such demand do not strictly comply with the terms of such L/C), (iii) any actual or alleged presence or release, spill, leakage, emission, deposit, discharge, leaching, migration or disposition of any hazardous substance, pollutant, contaminant or toxic or dangerous waste, substance or material as defined in or regulated by any Applicable Law or Governmental Authority from time to time (including friable asbestos and poly-chlorinated biphenals) on or from any Property owned or operated by any Restricted Party, or any remedial action taken by the Agent or Lender with respect thereto or any breach of Applicable Law with respect thereto that is related in any way to any Restricted Party, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by a Restricted Party and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or wilful misconduct of such Indemnitee or (y) result from a claim brought by the Borrower or any other Restricted Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Restricted Party has obtained a final and non-appealable judgment in its favour on such claim as determined by a court of competent jurisdiction, nor shall it be available in respect of matters specifically addressed in Sections 11.8(1), 11.9 and 11.10.

- (3) All amounts due under this Section 11.7 shall be payable promptly after demand therefor. A certificate of the Agent or a Lender setting forth the amount or amounts owing to the Agent, Lender or a sub-agent or Related Party, as the case may be, as specified in this Section, including reasonable detail of the basis of calculation of the amount or amounts, and delivered to the Borrower shall be conclusive absent manifest error.

## **11.9 Taxes**

- (1) If the Borrower, the Agent, or any Lender is required by Applicable Law to deduct or pay any Indemnified Taxes (including any Other Taxes) in respect of any payment by or on account of any obligation of the Borrower hereunder or under any other Loan Document, then (i) the sum payable shall be increased by the Borrower when payable as necessary so that after making or allowing for all required deductions and payments (including deductions and payments applicable to additional sums payable under this Section) the Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or payments been required, (ii) the Borrower shall make any such deductions required to be made by it under Applicable Law and (iii) the Borrower shall timely pay the full amount required to be deducted to the relevant Governmental Authority in accordance with Applicable Law.

- (2) Without limiting the provisions of the immediately preceding paragraph, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with Applicable Law.
- (3) The Borrower shall indemnify the Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Agent or such Lender and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Agent), or by the Agent on its own behalf or on behalf of a Lender, shall be *prima facie* evidence of the amount.
- (4) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Agent.
- (5) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall, at the request of the Borrower, deliver to the Borrower (with a copy to the Agent), at the time or times prescribed by Applicable Law or reasonably requested by the Borrower or the Agent, such properly completed and executed documentation prescribed by Applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, (a) any Lender, if requested by the Borrower or the Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Agent as will enable the Borrower or the Agent to determine whether or not such Lender is subject to withholding or information reporting requirements, and (b) any Lender that ceases to be, or to be deemed to be, resident in Canada for purposes of Part XIII of the *Income Tax Act* (Canada) or any successor provision thereto shall within five days thereof notify the Borrower and the Agent in writing.
- (6) If the Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section or that, because of the payment of such Taxes or Other Taxes, it has benefited from a reduction in Excluded Taxes otherwise payable by it, it shall pay to the Borrower an amount equal to such refund or reduction (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section with respect to the Taxes or Other Taxes giving rise to such refund or reduction), net of all out-of-pocket expenses of the Agent or such Lender, as the case may be, and without interest (other than any net after-Tax interest paid by the relevant Governmental Authority with respect

to such refund). The Borrower, upon the request of the Agent or such Lender, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Agent or such Lender if the Agent or such Lender is required to repay such refund or reduction to such Governmental Authority. This paragraph shall not be construed to require the Agent or any Lender to make available its tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person, to arrange its affairs in any particular manner or to claim any available refund or reduction.

**11.10 Increased Costs etc.**

(1) If any Change in Law shall:

- (a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;
- (b) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Advance made by it, or change the basis of taxation of payments to such Lender in respect thereof, except for Indemnified Taxes or Other Taxes covered by Section 11.9 and the imposition, or any change in the rate, of any Excluded Tax payable by such Lender; or
- (c) impose on any Lender or any applicable interbank market any other condition, cost or expense affecting this Agreement or Advances made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Advance (or of maintaining its obligation to make any such Advance), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then upon request of such Lender the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(2) If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Advances made by such Lender, to a level below that which such Lender or its holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of its holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or its holding company for any such reduction suffered.

(3) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in this Section, including reasonable detail of the basis of calculation of the amount or amounts, and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

- (4) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, except that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months before the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor, unless the Change in Law giving rise to such increased costs or reductions is retroactive, in which case the nine-month period referred to above shall be extended to include the period of retroactive effect thereof.

#### **11.11 Mitigation Obligations; Replacement of Lenders**

- (1) If any Lender requests compensation under Section 11.10, or requires the Borrower to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 11.9, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 11.9 or 11.10, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment unless the Borrower has repaid or replaced the Lender in accordance with Section 11.11(2).
- (2) If any Lender requests compensation under Section 11.10, if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 11.9, if any Lender's obligations are suspended pursuant to Section 11.12 or if any Lender defaults in its obligation to fund Loans hereunder, then the Borrower may, at its sole expense and effort, upon 10 days' notice to such Lender and the Agent, either (i) repay all Obligations to the Lender and reduce the amount of the Credit by an amount equal to the Lender's Commitment, or (ii) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.2), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:
- (a) in the case of an assignment, the Borrower pays the Agent the assignment fee specified in Section 10.2(1)(f);
  - (b) the Lender receives payment of an amount equal to the outstanding principal of its Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any breakage costs and amounts required to be paid under this Agreement as a result of prepayment to a Lender) from any assignee and/or the Borrower;

- (c) in the case of any assignment resulting from a claim for compensation under Section 11.10 or payments required to be made pursuant to Section 11.9, such assignment will result in a reduction in such compensation or payments thereafter; and
  - (d) any assignment does not conflict with Applicable Law.
- (3) A Lender shall not be required to make any such assignment or delegation or accept repayment if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation or repayment cease to apply.

#### **11.12 Illegality**

If any Lender determines that any Applicable Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make or maintain any Advance (or to maintain its obligation to make any Advance), or to determine or charge interest rates based upon any particular rate, then, on notice thereof by such Lender to the Borrower through the Agent, any obligation of such Lender with respect to the activity that is unlawful shall be suspended until such Lender notifies the Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall, upon demand from such Lender (with a copy to the Agent), prepay or, if conversion would avoid the activity that is unlawful, convert any Advances, or take any necessary steps with respect to any L/C in order to avoid the activity that is unlawful. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

#### **11.13 Currency Indemnity**

In the event of a judgment or order being rendered by any court or tribunal for the payment of any amounts owing to the Agent or the Lenders or any of them under this Agreement or for the payment of damages in respect of any breach of this Agreement or under or in respect of a judgment or order of another court or tribunal for the payment of such amounts or damages, such judgment or order being expressed in a currency (“the Judgment Currency”) other than the currency payable hereunder or thereunder (“the Agreed Currency”), the party against whom the judgment or order is made shall indemnify and hold the Agent and the Lenders harmless against any deficiency in terms of the Agreed Currency in the amounts received by the Agent and the Lenders arising or resulting from any variation as between (a) the Exchange Rate at which the Agreed Currency is converted into the Judgment Currency for the purposes of such judgment or order, and (b) the Exchange Rate at which the Agent or each Lenders is able to purchase the Agreed Currency with the amount of the Judgment Currency actually received by the Agent or the Lender on the date of such receipt. The indemnity in this Section shall constitute a separate and independent obligation from the other obligations of the Borrower hereunder, shall apply irrespective of any indulgence granted by the Agent and the Lenders, and shall be supported by the Security.

#### 11.14 Notices

- (1) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 11.14(3)), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier to the addresses or telecopier numbers specified beside the respective signatures of the parties to this Agreement or on any Assignment and Assumption.
- (2) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not given on a Business Day between 9:00 a.m. and 5:00 p.m. local time where the recipient is located, shall be deemed to have been given at 9:00 a.m. on the next Banking Day for the recipient). Notices delivered through electronic communications to the extent provided in Section 11.14(3), shall be effective as provided in that Section.
- (3) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Agent, except that the foregoing shall not apply to notices to any Lender of Advances to be made if the Lender has notified the Agent that it is incapable of receiving notices relating to Advances by electronic communication. The Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, but approval of such procedures may be limited to particular notices or communications.
- (4) Unless the Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), except that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Banking Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.
- (5) Any party to this Agreement may change its address or telecopier number for notices and other communications hereunder by notice to the other parties hereto.

### **11.15 Time of the Essence**

Time is of the essence of this Agreement.

### **11.16 Further Assurances**

The Borrower shall, at the request of the Agent, promptly do, execute, deliver or cause to be done, executed or delivered all such further acts, documents and matters as may, in the reasonable opinion of the Agent, be necessary or desirable in order to fully perform and carry out the purpose and intent of the Loan Documents.

### **11.17 Term of Agreement**

The obligations of the Borrower in Sections 11.7, 11.9 and 11.10 and of the Lenders in Section 9.10(3) shall continue for the benefit of those to whom the obligations are owed notwithstanding the repayment of all obligations and the termination of the Credit or the termination of any particular person's role as Borrower, Agent or Lender.

### **11.18 Counterparts and Facsimile**

- (1) This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents and any separate agreements with respect to fees payable to the Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Article 4, this Agreement shall become effective when it has been executed by the Agent and when the Agent has received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or by sending a scanned copy by electronic mail shall be effective as delivery of a manually executed counterpart of this Agreement.
- (2) The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including Parts 2 and 3 of the *Personal Information Protection and Electronic Documents Act* (Canada), the *Electronic Commerce Act*, 2000 (Ontario) and other similar federal or provincial laws based on the *Uniform Electronic Commerce Act* of the Uniform Law Conference of Canada or its *Uniform Electronic Evidence Act*, as the case may be.

**11.19 Waiver of Jury Trial, Consequential Damages Etc.**

- (1) Each party hereto hereby irrevocably waives, to the fullest extent permitted by Applicable Law, any right it may have to a trial by jury in any legal proceeding directly or indirectly arising out of or relating to this Agreement or any other Loan Document or the transactions contemplated hereby or thereby (whether based on contract, tort or any other theory).
- (2) To the fullest extent permitted by Applicable Law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for indirect, consequential, punitive, aggravated or exemplary damages (as opposed to direct damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby (or any breach thereof), the transactions contemplated hereby or thereby, any Advance or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.
- (3) The Borrower acknowledges and agrees that none of the Agent or the Lenders shall have any liability to them in relation to any due diligence investigations conducted by any of them in connection with the transactions contemplated hereby or be under any obligation whatsoever to disclose to them any information received or facts disclosed by any such investigations. The Borrower further acknowledges and agrees that they are not relying, will not rely, and will not be deemed, in any respect whatsoever, to have relied upon the facts received by and information disclosed to any of the Agent or the Lenders under or in connection with such due diligence investigations.
- (4) Each party hereto (a) certifies that no representative, agent or attorney of any other person has represented, expressly or otherwise, that such other person would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the other Loan Documents by, among other things, the mutual waivers and certifications in this Section.

**11.20 Treatment of Certain Information: Confidentiality**

- (1) Each of the Agent and the Lenders agrees to maintain the confidentiality of Information, except that Information may be disclosed (a) to it, its Affiliates and its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority), (c) to the extent required by Applicable Laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any

of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap, derivative, credit-linked note or similar transaction relating to the Borrower and the Obligations, (g) with the consent of the Borrower or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Agent or any Lender on a non-confidential basis from a source other than a Restricted Party.

- (2) For purposes of this Section, "Information" means all information received in Party or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Agent or any Lender on a non-confidential basis before such receipt. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. In addition, the Agent may disclose to any agency or organization that assigns standard identification numbers to loan facilities such basic information describing the Credit as is necessary to assign unique identifiers (and, if requested, supply a copy of this Agreement), it being understood that the Person to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to make available to the public only such Information as such person normally makes available in the course of its business of assigning identification numbers.
- (3) In addition, and notwithstanding anything herein to the contrary, the Agent may provide the information described on Schedule F concerning the Borrower and the Credit to Loan Pricing Corporation and/or other recognized trade publishers of information for general circulation in the loan market.

#### **11.21 Entire Agreement**

This Agreement and the other Loan Documents constitute the entire agreement between the Parties pertaining to the subject matter of this Agreement and supersede all prior correspondence, agreements, negotiations, discussions and understandings, written or oral. Except as specifically specified in this Agreement or any other Loan Document, there are no representations, warranties, conditions or other agreements or acknowledgments, whether direct or collateral, express or implied, written or oral, statutory or otherwise, that form part of or affect this Agreement or the agreements referred to herein, or which induced any Party to enter into this Agreement or the agreements referred to herein or on which reliance is placed by any Party.

#### **11.22 This Agreement to Govern**

In the event of any conflict or inconsistency between the terms of this Agreement and the terms of any other Loan Document (other than any Intercreditor Agreement, which shall prevail as against this Agreement), the provisions of this Agreement shall govern to the extent necessary to remove the conflict or inconsistency.

**11.23 Language**

The Parties have required that this Agreement and all contracts or notices relating to this Agreement be in the English language, but without prejudice to any such documents or instrument which may from time to time be drawn up in French only, or in both French and English. *Les parties ont exigé que cette convention et tout contrat, document ou avis y afférent soient rédigés en langue anglaise, mais sans que cette disposition n'affecte toutefois la validité de tout tel document qui pourrait à l'occasion être rédigé en français seulement ou à la fois en français et en anglais.*

**11.24 Date of this Agreement**

Notwithstanding the date of this Agreement, it is acknowledged that the transactions contemplated hereunder become effective on February 1, 2016, and all references in this Agreement to “date of this Agreement” or “date hereof” shall be deemed to mean February 1, 2016.

We refer to Section 7.3(1)(c) of the credit agreement dated as of January 28, 2016 between Iamgold Corporation, as Borrower, National Bank of Canada, as Agent, and the Lenders named therein, as amended, supplemented, restated or replaced from time to time (the “**Credit Agreement**”). All capitalized terms used in this certificate and defined in the Credit Agreement have the meanings defined in the Credit Agreement. This Compliance Certificate relates to the Borrower’s fiscal quarter end \_\_\_\_\_ (the “**Quarter End**”).

1. The Borrower hereby certifies that:

- (a) the representations and warranties made in Section 6.1 of the Credit Agreement, other than those expressly stated to be made as of a specific date, are true on and as of the date hereof with the same effect as if such representations and warranties had been made on and as of the date hereof;
- (b) no Default has occurred and is continuing on the date hereof *[or as the case may be]* .

2. The Borrower hereby certifies that, as of the Quarter End:

- (a) the Total Net Debt Ratio was \_\_\_\_\_ to 1;

---

(1) the holders of Designated Senior Debt of the Company shall be entitled to receive payment in full in cash of all Obligations in respect of such Designated Senior Debt (including interest after the commencement of any such proceeding at the rate specified in the applicable Designated Senior Debt, whether or not a claim for such interest would be allowed in such proceeding), and to have all unmatured or contingent Obligations of the Company under letters of credit or any of the agreements, transaction or arrangements described in clause (iii) of the definition of Designated Senior Debt to be fully cash-collateralized, before the Holders of Securities shall be entitled to receive any payment or distribution with respect to the Securities and related Obligations (except in each case that Holders of Securities may receive and retain (A) Permitted Junior Securities and (B) payments made from any defeasance trust created pursuant to Section [8.01] hereof provided, that the applicable deposit did not violate Article [8] or 11 of this Indenture); and

(2) until all Obligations with respect to Designated Senior Debt of the Company (as provided in subsection (a)(1) above) are paid in full in cash, and all unmatured or contingent Obligations of the Company under letters of credit or any of the agreements, transaction or arrangements described in clause (iii) of the definition of Designated Senior Debt are fully cash-collateralized, any payment or distribution to which the Holders of Securities and the related Guarantees would be entitled but for this Article 11 shall be made to holders of Designated Senior Debt of the Company (except that Holders of Securities and the related Guarantees may receive and retain (A) Permitted Junior Securities and (B) and payments made from any defeasance trust created pursuant to Section [8.01] hereof provided, that the applicable deposit did not violate Article [8] or 11 of this Indenture).

and the related Guarantees may receive and retain (A) Permitted Junior Securities and (B) and payments made from any defeasance trust created pursuant to Section [8.01] hereof provided, that the applicable deposit did not violate Article [8] or 11 of this Indenture); and

(2) until all Obligations with respect to Designated Senior Debt of such Guarantor (as provided in subsection (b)(1) above) are paid in full in cash, and all unmatured or contingent Obligations of such Guarantor under letters of credit or any of the agreements, transaction or arrangements described in clause (iii) of the definition of Designated Senior Debt are fully cash-collateralized, any payment or distribution to which the Holders of Securities and the related Guarantees would be entitled shall be made to holders of Designated Senior Debt of such Guarantor (except that Holders of Securities and the related Guarantees may receive and retain (A) Permitted Junior Securities and (B) payments made from any defeasance trust created pursuant to Section [8.01] hereof provided, that the applicable deposit did not violate Article [8] or 11 of this Indenture).

Under the circumstances described in this Section 11.02, the Company, any Guarantor or any receiver, trustee in bankruptcy, liquidating trustee, agent or other similar person making any payment or distribution of cash or other property or securities is authorized and instructed to make any payment or distribution to which the Holders of the Securities and the related Guarantees would otherwise be entitled (other than (A) Permitted Junior Securities and (B) payments made from any defeasance trust referred to in the second parenthetical clause of each of clauses (a)(1), (a)(2), (b)(1) and (b)(2) above, which shall be delivered or paid to the Holders of Securities as set forth in such clauses) directly to the holders of the Designated Senior Debt of the Company and any Guarantor, as applicable, (pro rata to such holders on the basis of the respective amounts of Designated Senior Debt of the Company and any Guarantor, as applicable, held by such holders) or their Representatives, or to any trustee or trustees under any other indenture pursuant to which any such Designated Senior Debt may have been issued, as their respective interests appear, to the extent necessary to pay all such Designated Senior Debt in full, in cash or cash equivalents after giving effect to any concurrent payment, distribution or provision thereof or to or for the holders of such Designated Senior Debt.

To the extent any payment of or distribution in respect of Designated Senior Debt (whether by or on behalf of the Company or any Guarantor, as proceeds of security or enforcement of any right of setoff or otherwise) is declared to be fraudulent or preferential, set aside or required to be paid to any receiver, trustee in bankruptcy, liquidating trustee, agent or other similar Person under any bankruptcy, insolvency, receivership, fraudulent conveyance or similar law, then if such payment or distribution is recovered by, or paid over to, such receiver, trustee in bankruptcy, liquidating trustee, agent or other similar Person, the Designated Senior Debt or part thereof originally intended to be satisfied shall be deemed to be reinstated and outstanding as if such payment had not occurred. To the extent the obligation to repay any Designated Senior Debt is declared to be fraudulent, invalid or otherwise set aside under any bankruptcy, insolvency, receivership, fraudulent conveyance or similar law, then the obligation so declared fraudulent, invalid or otherwise set aside (and all other amounts that would come due with respect thereto had such obligation not been so affected) shall be deemed to be reinstated and outstanding as Designated Senior Debt for all purposes hereof as if such declaration, invalidity or setting aside had not occurred.

Section 11.03 . *Default on Designated Senior Debt.*

(a) The Company and the Guarantors may not make any payment (whether by redemption, purchase, retirements, defeasance or otherwise) upon or in respect of the Securities and the related Guarantees (other than (A) Permitted Junior Securities or (B) payments and other distributions made from any defeasance trust created pursuant to Section [8.01] hereof if the applicable deposit did not violate Article [8] or 11 of this Indenture) until all principal and other Obligations with respect to the Designated Senior Debt of the Company and the Guarantors have been paid in full if:

(i) a default in the payment of any principal of, premium, if any, or interest on or other Obligations with respect to Designated Senior Debt; or

(ii) any other default occurs and is continuing with respect to Designated Senior Debt that permits, or with the giving of notice or passage of time or both (regardless of whether such notice or grace period provisions are within the agreements governing the Designated Senior Debt or within any agreements or instruments which would trigger a cross-default under any Designated Senior Debt) would permit, holders of the Designated Senior Debt as to which such default relates to accelerate its maturity and the Trustee receives a notice of the default (a "*Payment Blockage Notice*") from the Company or the holders or a Representative of any Designated Senior Debt. If the Trustee receives any such Payment Blockage Notice, no subsequent Payment Blockage Notice shall be effective for purposes of this Section 11.03 unless and until 360 days shall have elapsed since the date of commencement of the payment blockage period resulting from the immediately prior Payment Blockage Notice. No nonpayment default in respect of any Designated Senior Debt that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee (to the extent the holder or the Representative of the Designated Senior Debt giving such Payment Blockage Notice had knowledge of the same) shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such default shall have been waived for a period of not less than 90 days.

(b) The Company shall resume payments on and distributions in respect of the Securities and any Guarantor shall resume making payments and distributions pursuant to the Guarantees upon:

(i) in the case of a default referred to in Section 11.03(a)(i) hereof the date upon which the default is cured or waived or such Designated Senior Debt is discharged or paid in full, or

(ii) in the case of a default referred to in Section 11.03(a)(ii) hereof, the earliest of (1) the date on which such nonpayment default is cured or waived, (2) the date the applicable Payment Blockage Notice is retracted by written notice to the Trustee and (3) 179 days after the date on which the applicable Payment Blockage Notice is received unless (in the case of each of the foregoing subclauses (1) through (3)) (A) the maturity of any Designated Senior Debt has been accelerated or (B) a Default or Event of Default under Section [6.01(9) or (10)]<sup>1</sup> has occurred and is continuing, if this Article otherwise permits the payment or distribution at the time of such payment or acquisition.

Section 11.04 . *Acceleration of Securities.*

The Company shall promptly notify the holders of Designated Senior Debt of the occurrence of any Default or Event of Default. If payment of the Securities is accelerated because of an Event of Default, the Company shall promptly notify holders of Designated Senior Debt of the acceleration.<sup>2</sup>

Section 11.05 . *When Distribution Must be Paid Over.*

In the event that the Trustee or any Holder receives any payment or distribution of or in respect of any Obligations with respect to the Securities or the Guarantees at a time when such payment or distribution is prohibited by Section 11.02 or Section 11.03 hereof, such payment or distribution shall be held by the Trustee (if the Trustee has actual knowledge that such payment or distribution is prohibited by Section 11.02 or Section 11.03) or such Holder, in trust for the benefit of, and shall be paid forthwith over and delivered to, the holders of Designated Senior Debt as their interests may appear or their Representative under the indenture or other agreement (if any) pursuant to which such Designated Senior Debt may have been issued, as their respective interests may appear, for application to the payment of all Obligations with respect to Designated Senior Debt remaining unpaid to the extent necessary to pay such Obligations in full in accordance with their terms, after giving effect to any concurrent payment or distribution to or for the holders of Designated Senior Debt.

---

<sup>1</sup> Bankruptcy Events of Default.

<sup>2</sup> The "Acceleration" section of the Indenture shall include language to the following effect; "If an Event of Default (other than an Event of Default specified in clauses (9) and (10) [bankruptcy Events of Default] of Section [6.01] hereof) relating to the Company or any Guarantor occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 25% in principal amount of the then outstanding Securities by written notice to the Company and the Trustee, may declare the unpaid principal amount of and any accrued and unpaid interest on all the Securities to be due and payable immediately. If payment of the Securities is accelerated because of an Event of Default, the Company shall notify the holders of Designated Senior Debt of such acceleration. Upon such declaration the principal and interest shall be due and payable immediately; provided, however, that so long as any Designated Senior Debt or any commitment therefor is outstanding, any such notice or declaration shall not become effective until the earlier of (a) five Business Days after such notice is delivered to the Representative for the Designated Senior Debt or (b) the acceleration of any Designated Senior Debt and thereafter, payments on the Securities pursuant to this Article 6 shall be made only to the extent permitted pursuant to Article 11 herein."

---

With respect to the holders of Designated Senior Debt, the Trustee undertakes to perform only such obligations on the part of the Trustee as are specifically set forth in this Article 11, and no implied covenants or obligations with respect to the holders of Designated Senior Debt shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Designated Senior Debt, and, except as provided in Section 11.11, shall not be liable to any such holders if the Trustee shall pay over or distribute to or on behalf of Holders of Securities or the Company, the Guarantors or any other Person money or assets to which any holders of Designated Senior Debt shall be entitled by virtue of this Article 11, except if such payment is made as a result of the willful misconduct or negligence of the Trustee.

Section 11.06 . *Notice by Company.*

The Company and the Guarantors shall promptly notify the Trustee and the Paying Agent of any facts known to the Company or any Guarantor that would cause a payment of any Obligations with respect to the Securities or the related Guarantees to violate this Article, but failure to give such notice shall not affect the subordination of the Securities and the related Guarantees to the Designated Senior Debt as provided in this Article.

Section 11.07 . *Subrogation.*

After all Designated Senior Debt is paid in full and until the Securities are paid in full. Holders of Securities and the related Guarantees shall be subrogated (equally and ratably with all other Indebtedness *pari passu* with the Securities and the Guarantees) to the rights of holders of Designated Senior Debt to receive distributions and payments applicable to Designated Senior Debt to the extent that distributions and payments otherwise payable to the Holders of Securities and the related Guarantees have been applied to the payment of Designated Senior Debt. A payment or distribution made under this Article to holders of Designated Senior Debt that otherwise would have been made to Holders of Securities and the related Guarantees is not, as between the Company and Holders of Securities, a payment by the Company on the Securities.

Section 11.08 . *Relative Rights.*

This Article 11 defines the relative rights of Holders of Securities and the related Guarantees and holders of Designated Senior Debt. Nothing in this Indenture shall:

- (1) impair, as between the Company and Holders of Securities, the obligation of the Company, which is absolute and unconditional, to pay principal of and interest on the Securities in accordance with their terms;
- (2) affect the relative rights of Holders of Securities and the related Guarantees and creditors of the Company other than their rights in relation to holders of Designated Senior Debt; or
- (3) prevent the Trustee or any Holder from exercising its available remedies upon a Default or Event of Default, subject to the rights of holders and owners of Designated Senior Debt to receive distributions and payments otherwise payable to Holders of Securities and the related Guarantees.

---

If the Company fails because of this Article 11 to pay principal of or interest on a Security on the due date, the failure is still a Default or Event of Default.

Section 11.09 . *Subordination May Not be Impaired by Company or the Guarantors.*

No right of any present or future holders of any Designated Senior Debt to enforce subordination as provided in this Article 11 will at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or any Guarantor or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company or any Guarantor with the terms of this Indenture, regardless of any knowledge thereof that any such holder of Designated Senior Debt may have or otherwise be charged with. The provisions of this Article 11 are intended to be for the benefit of, and shall be enforceable directly by, the holders of Designated Senior Debt.

Section 11.10 *Payment, Distribution or Notice to Representative.*

Whenever a payment or distribution is to be made or a notice given to holders of Designated Senior Debt, the distribution may be made and the notice given to their Representative.

Upon any payment or distribution of assets or securities of the Company or any Guarantor referred to in this Article 11, the Trustee and the Holders of Securities and the related Guarantees shall be entitled to rely upon any order or decree made by any court of competent jurisdiction or upon any certificate of such Representative or of the liquidating trustee or agent or other Person making any payment or distribution to the Trustee or to the Holders of Securities and the related Guarantees for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of the Designated Senior Debt and other Indebtedness of the Company or any Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 11.

Section 11.11 . *Rights of Trustee and Paying Agent.*

Notwithstanding the provisions of this Article 11 or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment or distribution by the Trustee, and the Trustee and the Paying Agent may continue to make payments on the Securities and the Guarantees, unless the Trustee shall have received at its Corporate Trust Office at least one Business Day prior to the date of such payment written notice of facts that would cause the payment of any Obligations with respect to the Securities or Guarantees to violate this Article 11. Only the Company or a Representative may give the notice. Nothing in this Article 11 shall impair the claims of, or payments to, the Trustee under or pursuant to Section [7.07] hereof.

The Trustee in its individual or any other capacity may hold Designated Senior Debt with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights.

Section 11.12. *Authorization to Effect Subordination* .

Each Holder of Securities by the Holder's acceptance thereof authorizes and directs the Trustee on such Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in this Article 11, and appoints the Trustee to act as the Holder's attorney-in-fact for any and all such purposes. If the Trustee does not file a proper proof of claim or proof of debt in the form required in any proceeding referred to in Section 16.09] hereof at least 30 days before the expiration of the time to file such claim, the Representatives or any lender under the Senior Credit Facility is hereby authorized to file an appropriate claim for and on behalf of the Holders of the Securities and the related Guarantees.

Section 11.13. *Amendments*.

No amendment may be made to the provisions of or the definitions of any terms appearing in this Article 11, or to the provisions of Section [6.02] <sup>3</sup> relating to the Designated Senior Debt, that adversely affects the rights of any holder of Designated Senior Debt then outstanding unless the holders of such Designated Senior Debt (or any group or Representative authorized to give a consent on behalf of such holders) consent to such change.

Section 11.14 . *No Waiver of Subordination Provisions*.

Without in any way limiting the generality of Section 11.08 of this Indenture, the holders of Designated Senior Debt may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Holders and without impairing or releasing the subordination provided in this Article 11 or the obligations hereunder of the Holders to the holders of Designated Senior Debt, do any one or more of the following: (a) amend, modify, supplement, restate or replace any of terms, covenants, conditions or other provisions of any Designated Senior Debt or any instrument or agreement under which Designated Senior Debt is outstanding or secured, including, but not limited to change the manner, place or terms of payment of, or extend the time of payment of, renew or alter, in any manner any Designated Senior Debt; (b) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Designated Senior Debt; (c) release any Person liable in any manner for the collection of Designated Senior Debt; and (d) exercise or refrain from exercising any rights against the Company and each Guarantor and any other Person.
