The provisions of this Section 11.08 are a material inducement for the Administrative Agent, the Collateral Agent and the Lender to enter into this Agreement and the transactions contemplated hereby and are an essential term hereof. (b) Notwithstanding any contrary provision set forth herein, no claim may be made by the Borrower, the Transferor or the Servicer or any other Person against the Administrative Agent or any Secured Party or their respective Affiliates, directors, officers, employees, attorneys or agents for any special, indirect, consequential or punitive damages in respect to any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement, or any act, omission or event occurring in connection therewith; and the Borrower, the Transferor and the Servicer each hereby waives, releases, and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected.

In the event that any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. This Agreement and any agreements or letters (including ~~the SMBCEach~~ Lender Fee Letter, the U.S. Bank Fee Letter or other fee letters related to the subject matter hereof) executed in connection herewith contain the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof, superseding all prior oral or written understandings other than any fee letter delivered by the Servicer to the Administrative Agent and the Lender. Without limiting the foregoing provisions of this Section 11.11, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited

by Bankruptcy Laws, as determined in good faith by the Administrative Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

SECTION 11.12 ~~SECTION 11.11~~ Consent to Jurisdiction; Service of Process.

The parties hereto hereby irrevocably waive, to the fullest extent they may effectively do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. The parties hereto agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each of the Borrower and the Servicer agrees that service of process may be effected by mailing a copy thereof by registered or certified mail, postage prepaid, to the Borrower or the Servicer, as applicable, at its address set forth in Section 11.02 or at such other address as the Administrative Agent shall have been notified in accordance herewith. Nothing in this Section 11.11 shall affect the right of the Lender or the Administrative Agent to serve legal process in any other manner permitted by law.

SECTION 11.13 ~~SECTION 11.12~~ Characterization of Conveyances Pursuant to the Purchase and Sale Agreement.

(a) It is the express intent of the parties hereto that the conveyance of the Eligible Loan Assets by the Transferor to the Borrower as contemplated by the Purchase and Sale Agreement be, and be treated for all purposes (other than accounting purposes and subject to the Tax characterization of the Borrower and the Advances described in Section 5.01(aa) and Section 5.02(j) hereof) as, a sale by the Transferor of such Eligible Loan Assets. It is, further, not the intention of the parties that such conveyance be deemed a pledge of the Eligible Loan Assets by the Transferor to the Borrower to secure a debt or other obligation of the Transferor. However, in the event that, notwithstanding the intent of the parties, the Eligible Loan Assets are held to continue to be property of the Transferor, then the parties hereto agree that: (i) the Purchase and Sale Agreement shall also be deemed to be a security agreement under Applicable Law; (ii) the transfer of the Eligible Loan Assets provided for in the Purchase and Sale Agreement shall be deemed to be a grant by the Transferor to the Borrower of a first priority security interest (subject only to Permitted Liens) in all of the Transferor's right, title and interest in and to the Eligible Loan Assets and all amounts payable to the holders of the Eligible Loan Assets in accordance with the terms thereof and all proceeds of the conversion, voluntary or involuntary, of the foregoing into cash, instruments, securities or other property, including without limitation all amounts from time to time held or invested in the Controlled Accounts, whether in the form of cash, instruments, securities or other property; (iii) the possession by the Borrower (or the Collateral Custodian on its behalf) of Loan Assets and such other items of property as constitute instruments, money, negotiable documents or chattel paper shall be, subject to clause (iv), for purposes of perfecting the security interest pursuant to the UCC; and

The parties further agree that any assignment of the interest of the Borrower pursuant to any provision hereof shall also be deemed to be an assignment of any security interest created pursuant to the terms of the Purchase and Sale Agreement. The Borrower shall, to the extent consistent with this Agreement and the other Transaction Documents, take such actions as may be necessary to ensure that, if the Purchase and Sale Agreement were deemed to create a security interest in the Eligible Loan Assets, such security interest would be deemed to be a perfected security interest of first priority (subject only to Permitted Liens) under Applicable Law and will be maintained as such throughout the term of this Agreement.

(b) It is the intention of each of the parties hereto that the Eligible Loan Assets conveyed by the Transferor to the Borrower pursuant to the Purchase and Sale Agreement shall constitute assets owned by the Borrower and shall not be part of the Transferor's estate in the event of the filing of a bankruptcy petition by or against the Transferor under any bankruptcy or similar law.

(c) The Borrower agrees to treat for all purposes (other than accounting purposes and subject to the Tax characterization of the Borrower and the Advances described in Section 5.01(aa) and Section 5.02(j) hereof) the transactions effected by the Purchase and Sale Agreement as sales of assets to the Borrower. The Borrower and the Servicer each hereby agree to cause the Transferor to reflect in the Transferor's financial records and to include a note in the publicly filed annual and quarterly financial statements of Ares indicating that: (i) assets related to transactions (including transactions pursuant to the Transaction Documents) that do not meet SFAS 140 requirements for accounting sale treatment are reflected in the consolidated balance sheet of Ares, as finance receivables pledged and non-recourse, secured borrowings and (ii) those assets are owned by a special purpose entity that is consolidated in the financial statements of Ares, and the creditors of that special purpose entity have received ownership and/or security interests in such assets and such assets are not intended to be available to the creditors of sellers (or any affiliate of the sellers) of such assets to that special purpose entity.
