PROXY STATEMENT

SUMMARY OF THE ANNUAL MEETING

We are furnishing this proxy statement in connection with the solicitation of proxies by the Board of Directors of TreeHouse Foods, Inc. (“TreeHouse” or the “Company”) for use in voting at the Annual Meeting of Stockholders (the “Meeting”). The meeting will be held at our corporate headquarters at Two Westbrook Corporate Center, First Floor, Conference Center (Link Two/Five), Westchester, Illinois 60154, on Thursday, May 1, 2008, at 9:00 a.m. (Central Time). This proxy statement is being sent to stockholders on or about March 13, 2008.

The solicitation of proxies from the stockholders is being made by the Board of Directors and management of the Company. The cost of this solicitation, including the cost of preparing and making the proxy statement, the proxy card, notice of annual meeting and annual report are all being paid for by the Company.

Who May Vote

If you are a stockholder of record on March 3, 2008, you are entitled to vote at the Meeting. As of that date, there were 31,204,305 shares of the Company’s common stock (“Common Stock”) outstanding, the only class of voting securities outstanding. You are entitled to one vote for each share of common stock you own, without cumulation, on each matter to be voted upon at the Meeting.

How Proxies Work

Only votes cast in person at the Meeting or received by proxy before the beginning of the Meeting will be counted at the Meeting. Giving us your proxy means you authorize us to vote your shares at the Meeting in the manner you direct. If your shares are held in your name, you can vote by proxy in three convenient ways:

- *By Internet:* Go to <http://www.eproxy.com/THS> and follow the instructions.
- *By Telephone:* Call toll-free 1-866-580-9477 and follow the instructions.
- *By mail:* Complete, sign, date and return your proxy card in the enclosed envelope.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. (Central Time) on April 30, 2008.

If your proxy is properly returned, the shares it represents will be voted at the Meeting in accordance with your instructions. If you do not give specific instructions, your shares will be voted as follows:

- FOR the election of each of the two nominees for director set forth herein;
- FOR the ratification of the selection of our independent registered public accounting firm; and
- with respect to any other matter that may properly come before the Meeting, in the discretion of the persons voting the respective proxies.

The Board of Directors does not intend to bring any matters before the Meeting except those indicated in the notice. If any other matters properly come before the Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters.

Shares Held Through a Bank, Broker or Other Nominee

If you are the beneficial owner of shares held in “street name” through a bank, broker or other nominee, such bank, broker or nominee, as the record holder of the shares, must vote those shares in accordance with your instructions. If you do not give instructions to your broker, your broker can vote your shares with respect to “discretionary” items but not with respect to “non-discretionary” items. On non-discretionary items, for which you do not give instructions, the shares will be treated as “broker non-votes.” A discretionary item is a proposal that is considered routine under the rules of the New York Stock Exchange. Shares held in street name may be voted by your broker on discretionary items in the absence of voting instructions given by you. The proposals concerning the election of directors (Proposals 1 and 2) and the ratification of the independent registered public accounting firm (Proposal 3) are discretionary.

Quorum

Stockholders of record may vote their proxies by telephone, internet or mail. By using your proxy to vote in one of these ways, you authorize the three officers whose names are listed on the front of the proxy card accompanying this Proxy Statement to represent you and vote your shares. Holders of a majority of the shares entitled to vote at the meeting must be present in person or represented by proxy to constitute a quorum. Of course, if you attend the meeting, you may vote by ballot. If you are not present, your shares can be voted only when represented by a properly submitted proxy. Abstentions and broker non-votes (as described below under the heading — “Required Vote”) are counted for purposes of determining whether a quorum is met.

Revoking a Proxy

Submitting your proxy now will not prevent you from voting your shares at the meeting if you desire to do so, as your proxy is revocable at your option. You may revoke your proxy at any time before it is voted at the Meeting by:

- delivering to Thomas E. O’Neill, our Senior Vice President, General Counsel, Chief Administrative Officer and Corporate Secretary, a signed written revocation letter dated later than the date of your proxy;
- submitting a proxy to the Company with a later date; or
- attending the meeting and voting in person (your attendance at the meeting will not, by itself, revoke your proxy; you must also vote in person at the meeting).

Required Vote

The election of the nominees for director will become effective only upon the affirmative vote of shares of common stock representing a plurality of the votes cast “for” such nominee. A “plurality” means that the two individuals who receive the highest number of votes will be elected as directors. The ratification of the selection of our independent registered public accounting firm and the approval of any other matter that may properly come before the Meeting will become effective only upon the affirmative vote of shares of common stock representing a majority of the votes cast “for” or “against” such proposal. We refer to the election of each nominee for director, and the ratification of our independent registered public accounting firm each as a “Proposal.” Votes cast as “for,” “against” or “withhold” are counted as a vote, while votes cast as abstentions will not be counted as a vote. So called “broker non-votes” (brokers failing to vote by proxy shares of the common stock held in nominee name for customers) will not be counted as a vote at the Meeting.

Majority Vote Policy

Our Corporate Governance Guidelines utilize a majority vote policy in the election of directors. Accordingly, if a nominee receives a greater number of votes marked “withhold” from his or her election than votes marked “for” his or her election, that nominee is required to tender his or her resignation following certification of the stockholder vote. The Nominating and Corporate Governance Committee is required to make recommendations to the Board with respect to any such letter of resignation. The Board is required to take action with respect to this recommendation and to disclose their decision-making process.

ELECTION OF DIRECTORS (PROPOSALS 1 AND 2)

We have a classified Board of Directors (the “Board”) consisting of three classes. At each annual meeting a class of directors is elected for a term of three years to succeed any directors whose terms are expiring.

At the Meeting, you will elect a total of two directors to hold office, subject to the provisions of the Company’s Bylaws, until the annual meeting of stockholders in 2011 and until their successors are duly elected and qualified. Unless you indicate otherwise, the shares represented by your proxy will be voted FOR the election of Mr. Sam K. Reed and Ms. Ann M. Sardini, the nominees set forth below. See “Summary of the Annual Meeting — Required Vote” and “Summary of the Annual Meeting — Majority Vote Policy” beginning on page 3 in this Proxy Statement.

Mr. Reed and Ms. Sardini have each agreed to be nominated and to serve as a director if elected. However, if any nominee at the time of his or her election is unable or unwilling to serve, or is otherwise unavailable for election, and as a result, another nominee is designated by the Board of Directors, then you or your designate will have discretion and authority to vote or refrain from voting for such nominee.

Proposal 1 — Election of Sam K. Reed — *Continuing in office — Term expiring 2011*

The Nominating and Corporate Governance Committee and the Board have recommended Mr. Reed for nomination for re-election to the Company’s Board of Directors. Certain information about Mr. Reed is contained below.

Sam K. Reed is the Chairman of our Board of Directors. Mr. Reed has served as our Chief Executive Officer since January 2005. Prior to joining us, Mr. Reed was a principal in TreeHouse LLC, an entity unrelated to the Company that was formed to pursue investment opportunities in consumer packaged goods businesses. From March 2001 to April 2002, Mr. Reed served as Vice Chairman of Kellogg Company. From January 1996 to March 2001, Mr. Reed served as the President and Chief Executive Officer and as a director of Keebler Foods Company. Prior to joining Keebler, Mr. Reed served as Chief Executive Officer of Specialty Foods Corporation’s (unrelated to Dean Foods) Western Bakery Group division from 1994 to 1995. Mr. Reed has also served as President and Chief Executive Officer of Mother’s Cake and Cookie Co. and has held Executive Vice President positions at Wyndham Bakery Products and Murray Bakery Products. In addition to our Board, Mr. Reed serves on the Board of Directors of Weight Watchers International. Mr. Reed holds a B.A. from Rice University and an M.B.A. from Stanford University.

RECOMMENDATION:

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE ELECTION OF
SAM K. REED TO SERVE ON THE COMPANY’S BOARD OF DIRECTORS**

Proposal 2 — Election of Ann M. Sardini — *Standing for election at this meeting for a term expiring 2011*

The Nominating and Corporate Governance Committee and the Board have recommended Ms. Sardini for nomination for election to the Company’s Board of Directors. Certain information about Ms. Sardini is contained below.

Ann M. Sardini has served as the Chief Financial Officer of Weight Watchers International, Inc. since April 2002. Ms. Sardini has over 20 years of experience in senior financial management positions in branded media and consumer products companies. She served as Chief Financial Officer of Vitamin Shoppe.com, Inc. from September 1999 to December 2001, and from March 1995 to August 1999 she served as Executive Vice President and Chief Financial Officer for the Children’s Television Workshop. In addition, Ms. Sardini has held finance positions at QVC, Inc., Chris Craft Industries and the National Broadcasting Company. In addition to our Board, Ms. Sardini holds a B.A. from Boston College and an M.B.A from Simmons College Graduate School of Management.

RECOMMENDATION:

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE ELECTION OF
ANN M. SARDINI TO SERVE ON THE COMPANY’S BOARD OF DIRECTORS**

RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM (PROPOSAL 3)

Deloitte & Touche LLP audited our financial statements for fiscal year 2007 and has been selected by the Audit Committee of our Board of Directors to audit our financial statements for fiscal year 2008. A representative of Deloitte & Touche LLP will attend our annual meeting, where he or she will have the opportunity to make a statement, if he or she desires, and will be available to respond to appropriate stockholder questions.

Stockholder ratification of the selection of Deloitte & Touche LLP is not required by our By-laws. However, our Board of Directors is submitting the selection of Deloitte & Touche LLP to you for ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection, our Audit Committee will review its future selection of independent registered public accounting firms. Even if Deloitte & Touche LLP is ratified, the Audit Committee may change to a different independent registered public accounting firm if they determine a change would be in the best interests of the Company and our stockholders.

For information regarding audit and other fees billed by Deloitte & Touche LLP for services rendered in fiscal years 2006 and 2007, see "Fees Billed by Independent Registered Public Accounting Firm" on page 25 of this Proxy Statement.

RECOMMENDATION:

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

CORPORATE GOVERNANCE

Current Board Members

The members of the Board of Directors on the date of this proxy statement, and the committees of the Board on which they serve, are identified below. In addition to the current members set forth below, Ms. Michelle R. Obama was a member of our Board and the Audit and Nominating and Corporate Governance Committees until her resignation in May 2007. Mr. Gregg L. Engles currently serves as a member of our Board, but he has indicated that he plans to retire from the Board when his current term expires. He, therefore, is not standing for re-election to the Board at this year's Annual Meeting.

Corporate Governance Guidelines

We are committed to the highest standards of business integrity and corporate governance. All of our directors, executives and employees must act ethically and in accordance with our Code of Ethics. All of the Company's corporate governance materials, including the Corporate Governance Guidelines, committee charters and the Code of Ethics are published on the Company's website at www.treehousefoods.com in the investor information section and are also available upon request from the Corporate Secretary. The Board regularly reviews corporate

governance developments and modifies the Company's corporate governance materials as warranted. We will post any modifications of our corporate governance materials on our Company's website.

Director Independence

The New York Stock Exchange listing rules require that a majority of the Company's directors be independent. The Board determined that (i) Messrs. Bayly, O'Connell, Smith and Ussery have no direct or indirect material relationships with management, and that they satisfy the New York Stock Exchange's independence guidelines and are independent, (ii) Ms. Ferguson and Ms. Sardini have only immaterial relationships with us, satisfy the New York Stock Exchange's independence guidelines and are independent and (iii) Messrs. Reed and Engles are not independent.

In making its independence determination with respect to Ms. Ferguson, the Board considered that Ms. Ferguson is director of Integrys Energy Corporation whose subsidiary, Wisconsin Public Service, provides energy services to the Company. The Board noted, however, that the amount of the services provided was less than the thresholds contained in the New York Stock Exchange's independence guidelines and that such services were provided to the Company on an arms'-length basis and in accordance with normal sourcing procedures for this type of service. The Board has concluded that this relationship is not material and that Ms. Ferguson is independent.

In making its independence determination with respect to Ms. Sardini, the Board considered that Ms. Sardini is the Chief Financial Officer of Weight Watchers International, Inc., and Mr. Reed currently serves as a member of the board of directors of Weight Watchers. Mr. Reed has announced his intention to resign from the Weight Watchers board in conjunction with its 2008 annual meeting of shareholders. Additionally, Mr. Reed has not served on the compensation committee of Weight Watchers. The Board has concluded that this relationship is not material and that Ms. Sardini is independent.

All members of our Audit, Compensation and Nominating and Corporate Governance committees are independent directors. The Board has determined that all of the members of our Audit Committee also satisfy the additional Securities and Exchange Commission independence requirement, which provides that they may not accept directly or indirectly any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries other than their directors' compensation. The portion of the Corporate Governance Guidelines addressing director independence is attached to this proxy statement as *Appendix A*.

Nomination of Directors

The Board, which is responsible for approving candidates for Board membership, has delegated the process of screening and recruiting potential director nominees to the Nominating and Corporate Governance Committee in consultation with the Chairman of the Board and Chief Executive Officer. The Nominating and Corporate Governance Committee seeks candidates who have a reputation for integrity, honesty and adherence to high ethical standards and who have demonstrated business acumen, experience and ability to exercise sound judgment in matters that relate to the current and long-term objectives of the Company. When the committee reviews a candidate for Board membership, the committee looks specifically at the candidate's background and qualifications in light of the needs of the Board and the Company at that time, given the then current composition of the Board.

Code of Ethics

All directors, officers and employees of the Company must act ethically at all times and in accordance with the policies comprising the Company's Code of Ethics. The Company's Code of Ethics is published on the investor relations section of the Company's website at www.treehousefoods.com.

Lead Independent Director

The Board of Directors has appointed a non-management director to serve in a lead capacity ("Lead Independent Director") to coordinate the activities of the other non-management directors, and to perform such other duties and responsibilities as the Board of Directors may determine.

Currently, the Lead Independent Director is Terdema L. Ussery. The role of the Lead Independent Director includes:

- Conducting and presiding at executive sessions of the Board.
- Acting as a regular communication channel between the non-employee members of the Board and the Chief Executive Officer of the Company.
- In the event of the unavailability or incapacity of the Chairman of the Board, calling and conducting special meetings of the Board.

Meetings of the Board of Directors

The Board of Directors met eight times during 2007. In addition, there were also two written consents that were approved by the Board in 2007. Each of the members of the Board participated in at least 75% of the meetings of the Board of Directors and committee meetings that took place while such person was a member of the Board and the applicable Committee. Members of the Board are expected to attend each meeting, as set forth in the Company's Corporate Governance Guidelines, and substantially all of the members of the Board participated in 100% of the Board and Committee meetings during 2007. It is the Board's policy that all of our directors attend the Annual Meeting of Stockholders absent exceptional cause. All of our directors attended the Annual Meeting of Stockholders in 2007. The non-management directors of the Company meet regularly (at least quarterly) in executive session of the Board without management present. The Lead Independent Director presides over non-management sessions.

The Board of Directors has established standing Audit, Compensation, and Nominating and Corporate Governance committees. The Board of Directors determines the membership of each of these committees from time to time, and, to date, only outside directors have served on these committees.

Committee Meetings/Role of Committees

Audit Committee: The Audit Committee held ten meetings during 2007. The Committee presently consists of Messrs. Bayly, Smith and Ussery. Ms. Obama also served on the Audit Committee until her resignation from the Board in May 2007. The Audit Committee is composed entirely of independent directors (in accordance with the New York Stock Exchange listing standards and SEC rules). In addition, the Board of Directors has determined that Mr. Bayly, the chairperson of the Audit Committee, is qualified as an audit committee financial expert within the meaning of SEC regulations and the Board has determined that he has accounting and related financial management expertise within the meaning of the listing standards of the New York Stock Exchange. The Committee reviews and approves the scope and cost of all services (including non-audit services) provided by the firm selected to conduct the audit. The Committee also monitors the effectiveness of the audit effort and financial reporting, and inquires into the adequacy of financial and operating controls. The report of the Audit Committee is set forth later in this proxy statement.

Compensation Committee: The Compensation Committee held six meetings in 2007. The Committee presently consists of Messrs. Bayly, O'Connell and Ussery. The Committee is composed entirely of non-management, independent directors. The Compensation Committee reviews and approves salaries and other matters relating to compensation of the senior officers of the Company, including the administration of the TreeHouse Foods, Inc. Equity and Incentive Plan. The Compensation Committee also reviews the Company's general compensation and benefit policies and programs, administers the Company's 401(k) plan, and recommends director compensation programs to the Board of Directors. The report of the Compensation Committee is set forth later in this proxy statement.

Nominating and Corporate Governance Committee: The Nominating and Corporate Governance Committee held seven meetings in 2007. The Committee presently consists of Ms. Diana S. Ferguson, who was elected to the Board in January 2008, and Messrs. O'Connell and Smith. Ms. Obama also served on the Committee prior to her resignation from our Board in May 2007. The Committee is composed entirely of non- management, independent directors. The Nominating and Corporate Governance Committee met in February 2008 to propose the nominees whose election to the Company's Board of Directors is a subject of this proxy statement. The purposes of the

Nominating and Corporate Governance Committee are (i) to identify individuals qualified to become members of the Board, (ii) to recommend to the Board the persons to be nominated for election as directors at any meeting of the stockholders, (iii) in the event of a vacancy on or increase in the size of the Board, to recommend to the Board the persons to be nominated to fill such vacancy or additional Board seat, (iv) to recommend to the Board the persons to be nominated for each committee of the Board, (v) to develop and recommend to the Board a set of corporate governance guidelines applicable to the Company, including the Company's Code of Ethics, and (vi) to oversee the evaluation of the Board. The Nominating and Corporate Governance Committee will consider nominees who are recommended by stockholders, provided such recommendations are made in accordance with the nominating procedures set forth in the Company's By-laws. The report of the Nominating and Corporate Governance Committee is set forth later in this proxy statement.

COMPENSATION DISCUSSION AND ANALYSIS

This section provides information regarding the compensation program in place for our Chief Executive Officer, Chief Financial Officer and, in addition, the three most highly compensated executive officers. Collectively we refer to these executives as the TreeHouse Executive Officers ("TEOs"). This section includes information regarding, among other things, the overall objectives of our compensation program and each element of compensation that we provide.

Objectives of Our Compensation Program

TreeHouse was formed in June 2005 by Dean Foods Company through a spin-off of the Dean Specialty Foods Group and the subsequent issuance of TreeHouse common stock to Dean Foods shareholders. Six months prior to the spin-off, Dean Foods Company recruited Messrs. Reed, Vermulen, O'Neill, Walsh and E. Nichol McCully (our former CFO who retired in April 2006) to lead the Company. These individuals collectively invested \$10 million of their own money in Company stock and received a compensation package that Dean Foods Company determined was fair and comparable to other spun-off companies. Messrs. Reed, Vermulen, O'Neill, McCully and Walsh received restricted stock and restricted stock units which vest only after performance criteria are achieved. In addition, these individuals received pre-approved stock options which were issued on June 28, 2005 with a strike price of \$29.65, which was equal to the closing price of Company common stock on the New York Stock Exchange on the grant date. As a new company, we assumed the existing employment agreements of Dean Specialty Foods Group and undertook a detailed study of compensation practices in the food industry. Our overriding goals and objectives for executive compensation programs are:

- To attract, motivate and retain superior leadership talent for the Company.
- To closely link TEO compensation to our performance goals with particular emphasis on rapid growth, operational excellence and acquisitions through attractive bonus opportunities based on aggressive targets.
- To align our TEOs' financial interests with those of our shareholders by delivering a substantial portion of their total compensation in the form of equity awards.

We have worked with Hewitt Associates LLC ("Hewitt"), our compensation consultant, to review our compensation programs to ensure competitiveness with companies we compete with for our management talent. Hewitt helped us determine the salary levels, as well as the bonus target percentages and the metrics used in the bonus plan. In addition to stock options that reward increase in stock price, we provided restricted stock to our management investors with vesting based on exceeding the total shareholder return of companies in our business category. We refer to this group of companies as the "Comparator Group". We also use this Comparator Group as the benchmark for determining our financial performance. We reward our management team based on how well we perform compared to our Comparator Group. We believe this provides a clear and objective way of ensuring our management team's compensation and incentives are aligned with shareholder interests. The following companies are included in our Comparator Group: Kraft Foods Inc., Sara Lee Corp., General Mills, Inc., Kellogg Co., ConAgra Foods Inc., Archer Daniels Midland Co., H.J. Heinz Company, Campbell Soup Co., McCormick & Co. Inc., The JM Smucker Co., Del Monte Foods Co., Corn Products Int'l., Lancaster Colony Corp., Flower Foods, Inc., Ralcorp Holdings Inc., The Hain Celestial Group, Inc., Lance, Inc., J&J Snack Foods Corp., B&G Foods, Inc., American Italian Pasta Co., Farmer Bros. Inc. and Peet's Coffee and Tea.

In addition to the Comparator Group, our compensation consultant provides us with survey information for other companies of similar size to TreeHouse from both general industry and the packaged foods sector. We believe that this additional information broadens our awareness of the practices of companies who compete for

management talent with TreeHouse. The Compensation Committee also considers recommendations from the Company's Chief Executive Officer regarding salary, bonus and stock option awards for senior executives.

Components of Compensation

There are three primary components to our management compensation program: base salary, annual incentive bonus and long-term incentive compensation. We seek to have each of these components at levels that are competitive with comparable companies. Each of these components was evaluated based on assessment of competitive conditions for employment agreements for executives at spun-off companies at the time of our spin-off from Dean Foods.

Base Salary: Our management team has been assembled to lead a growth company that will expand significantly in size and complexity over time. We believe that the base salary component should be in the third quartile of our competitive benchmarks when those benchmarks are size adjusted (through regression analysis) to our current revenue size. By positioning the base salary somewhat above the median for similarly sized businesses we have been able to attract talent that has the ability to grow and lead a much larger business in the near future. For 2007, we elected to increase the salaries for the executive officers by 3.5%. While this action is somewhat below inflation trend for executive salaries, according to Hewitt Associates market surveys, it is consistent with our practice for our non-executive management group.

Annual Incentive Bonus: Our TEOs' annual incentive bonus opportunity also reflects a third quartile position. The annual incentive bonus for TEOs is based on attaining specific annual performance targets such as the net income targets determined by the Board, as adjusted positively or negatively for one-time items. For 2007, the amount of the potential bonus was tied to the achievement of a net income target of \$43.34 million (based on the Company's budgeted net income established by the Compensation Committee), adjusted (as approved by the Compensation Committee) for acquisitions and one-time items which occurred during the year to a target of \$44.5 million. We do not otherwise use discretion in determining the amount of bonus paid to TEOs. We consider the market expectations of our competitors in setting our budget with targets reflecting performance that exceeds the expected performance of our peer group. Our goal is to provide meaningful yet challenging goals relative to the expected performance of our peer group. In establishing final goals, the Committee strives to ensure that the targets are consistent with the strategic goals set by the Board, and that the goals set are sufficiently ambitious so as to provide meaningful results, but with an opportunity to exceed targets if performance exceeds expectations. We believe the annual incentive bonus keeps management focused on attaining strong near term financial performance. The 2007 annual incentive bonus for the TEOs was awarded as follows:

		<u>Minimum</u>	<u>Target</u>	<u>Maximum</u>
Sam K. Reed	Chief Executive Officer	\$ 0	\$803,500	\$1,607,000
David B. Vermulen	Chief Operating Officer	\$ 0	\$428,800	\$ 857,600
Dennis F. Riordan	Chief Financial Officer	\$ 0	\$217,500	\$ 435,000
Thomas E. O'Neill	Chief Administrative Officer	\$ 0	\$225,000	\$ 450,000
Harry J. Walsh	Senior Vice President of Operations	\$ 0	\$225,000	\$ 450,000

TEOs begin to earn amounts under the plan upon achievement of 90% of the net income target ratably up to the achievement of targeted payment upon the full achievement of 100% of the net income target. In addition, a TEO can earn 200% of the targeted payment if 110% or more of the targeted net income is achieved. In 2007, after adjusting for one-time items, we attained \$42.7 million in net income or 96% of the net income target which resulted in a 60% of target payment under the annual incentive plan.

Long-Term Incentive Compensation: The long-term incentive compensation program was established to ensure that our senior management is focused on long-term growth and profitability. We believe our key stakeholders, including shareholders and employees, are best served by having our executives focused and rewarded based on the longer-term results of our company. We accomplish this through three primary programs:

- Stock Options
- Performance Based Restricted Stock

- Performance Based Restricted Stock Units

We use stock options as a means of aligning the executive management team with the interests of our shareholders by ensuring that they have a direct interest in increasing shareholder value. The stock options vest ratably over three years, and the holder must exercise vested options within 10 years of the original grant. We annually grant options to key management employees (except for Messrs. Reed, Vermeylen, O'Neill and Walsh) to link their financial opportunity to the overall performance of the Company. The first grants under this program were made on the first day of regular trading following the spin-off date. We have continued to use the anniversary of that date as the measurement date for all recurring option grants since that is the anniversary date of the Company. We also grant options to certain new employees. Historically these options have been dated as of the date of their employment or as of the last trading day of the month following their employment with the Company. All of our option grants are approved prior to or on the grant date with a strike price equal to the closing price of our common stock on the NYSE on the date of grant. Messrs. Reed, Vermeylen, O'Neill and Walsh have not been granted options since the spin-off date because the original grant of options and performance-based restricted shares are designed to cover a three year period.

In addition to stock options, we awarded 2% of the outstanding stock of the Company in the form of restricted shares and an additional 2% of the outstanding shares in the form of restricted stock units on June 28, 2005 to the original five management investors of the Company per their employment agreements. These include Messrs. Reed, Vermeylen, O'Neill and Walsh, along with Mr. Nick McCully who retired in April 2006. All of the restricted stock and restricted stock units are performance based, which means the Company must meet certain performance goals in order for the award to vest. For the restricted stock to vest, the Company must exceed the median shareholder return of the Comparator Group since the grant date as measured each year on January 31. For the restricted stock units, the Company's closing share price must exceed \$29.65 as of June 28 each year. The restricted stock vests ratably, based on performance over three years with a two-year catch up provision and a five-year term. The restricted stock units vest ratably, based on performance over three-years with a two-year catch up provision and a ten-year term. Shares that do not vest based upon performance are forfeited at the end of the term.

We granted performance-based restricted shares to the following TreeHouse senior vice presidents: Dennis F. Riordan, Danny Joe Coning, Alan T. Gambrel and Erik T. Kahler on January 30, 2007. These restricted shares have the same performance goals and remaining term as the restricted shares granted in 2005 to Messrs. Reed, Vermeylen, O'Neill and Walsh. The purpose of the restricted stock grant was to have all executive officers motivated to achieve the same performance goals.

All matters of executive compensation are reviewed and approved by the Compensation Committee of the Board of Directors. This includes approving amounts of compensation and the timing of all grants. The Compensation Committee has access to compensation experts, and has used Hewitt Associates to provide consulting services with respect to the Company's executive compensation practices including salary, bonus, perquisites, equity incentive awards, deferred compensation and other matters. The Compensation Committee regularly meets with Hewitt representatives without the presence of Company management.

More details regarding the employment agreements of our management investors are summarized below .

Executive Perquisites: We annually review the Company's practices for executive perquisites with the assistance of our compensation consultant. We believe that the market trend is moving toward a cash allowance in lieu of various specific executive benefits such as automobile plans, financial planning consulting, or club fees. We have granted an annual allowance of \$25,000 to Mr. Reed, \$15,000 to Mr. Vermeylen and \$10,000 to Messrs. O'Neill, Walsh and Riordan to cover these types of benefits. This approach reduces the administrative burden of such programs and satisfies the desire to target market practices. These allowances are not included as eligible compensation for bonus or other purposes and do not represent a significant portion of the executive's total compensation.

Deferred Compensation Plans: Our Deferred Compensation Plan allows certain employees, including the TEOs, to defer receipt of salary and/or bonus payments. Deferred amounts are credited with earnings or losses based on the rate of return of mutual funds selected by the participants in the plan. We do not "match" amounts that are deferred by employees in the Deferred Compensation Plan except to the extent that employees in the plan have

their match in the 401(k) plan limited as a result of participating in the Deferred Compensation Plan. In those cases, the lost match would be credited to the Deferred Compensation Plan. Distributions are paid either upon termination or returned at a specified date (at least two years after the original deferral) in the future, as elected by the employee. The employee may elect to receive payments in either a lump sum or a series of installments. Participants may defer up to 100% of salary and bonus payments. The Deferred Compensation Plan is not funded by us, and participants have an unsecured contractual commitment from us to pay the amounts due. When such payments are due to employees, the cash will be distributed from our general assets.

We provide deferred compensation to permit our employees to save for retirement on a tax-deferred basis. The Deferred Compensation Plan permits them to do this while also receiving investment returns on deferred amounts, as described above. We believe this is important as a retention and recruitment tool as many if not all of the companies with which we compete for executive talent provide a similar plan for their senior employees.

Employment Agreements: We have entered into employment agreements with Messrs. Reed, Vermulen, O'Neill and Walsh. These agreements provide for payments and other benefits if the officer's employment terminates for a qualifying event or circumstance, such as being terminated without "Cause" or leaving employment for "Good Reason," as these terms are defined in the employment agreements. The agreements also provide for benefits, upon a qualifying event or circumstance after there has been a "Change-in-Control" (as defined in the agreements) of the Company. Additional information regarding the employment agreements, including a definition of key terms and a quantification of benefits that would have been received by our TEOs had termination occurred on December 31, 2007, is found under the heading "*Potential Payments upon Termination or Change-in-Control*" beginning on page 19 of this Proxy Statement.

We believe these severance programs are an important part of overall arrangements for our TEOs. We also believe these agreements will help to secure the continued employment and dedication of our TEOs prior to or following a change in control without concern for their own continued employment. We also believe it is in the best interest of our shareholders to have a plan in place that will allow management to pursue all alternatives for the Company without undue concern for their own financial security. We also believe these agreements are important as a recruitment and retention device, as most of the companies with which we compete for executive talent have similar agreements in place for their senior employees. We have received consulting services from Hewitt Associates with regard to market practices in an evaluation of severance programs.

401(k) Savings Plan: Under our TreeHouse Foods Savings Plan (the "Savings Plan"), a tax-qualified retirement savings plan, employees, including our TEOs, may contribute up to 20 percent of regular earnings on a before-tax basis into their Savings Plan accounts (subject to IRS limits). Total contributions may not exceed 20 percent of regular earnings. In addition, under the Savings Plan, we match an amount equal to one dollar for each dollar contributed by participating employees on the first two percent of their regular earnings and fifty cents for each additional dollar contributed on the next four percent of their regular earnings. Amounts held in Savings Plan accounts may not be withdrawn prior to the employee's termination of employment, or such earlier time as the employee reaches the age of 59 1/2, subject to certain exceptions as directed by the IRS.

Effective in 2006, the Savings Plan limited the "annual additions" that could be made to an employee's account to \$44,000 per year. "Annual additions" include our matching contributions, before-tax contributions made by us or the employee under Section 401(k) of the Internal Revenue Code.

Of those annual additions, the current maximum before-tax contribution is \$15,500 per year. In addition, no more than \$220,000 of annual compensation may be taken into account in computing benefits under the Savings Plan.

Participants age 50 and over may also contribute, on a before-tax basis, and without regard to the \$44,000 limitation on annual additions or the \$15,500 general limitation on before-tax contributions, catch-up contributions of up to \$5,000 per year.

Tax Treatment of Executive Compensation: Section 162(m) of the Internal Revenue Code imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million for the Chief Executive Officer, Chief Financial Officer, and each of the other three most highly compensated executive officers. Our plans link all of

our key incentive programs to the financial performance of the Company, therefore, we believe that we will preserve the deductibility of the executive compensation payments.

- (b) Consists of options (47,100) to purchase shares of our common stock and restricted stock (12,000) awarded under our Long-Term Incentive Plan. One-third of the options vest on each of the first through third anniversaries of the grant date.

Employment Agreements

On January 27, 2005, the Company entered into employment agreements with Messrs. Reed, Vermulen, O'Neill and Walsh. These individuals are referred to as the "management investors." The terms of these employment agreements are substantially similar other than the individual's title, salary, bonus, option and restricted stock entitlements, which are summarized in the tables above. The employment agreements provide for a three-year term ending on June 28, 2008. The employment agreements also provide for one-year automatic extensions absent written notice from either party of its intention not to extend the agreement.

Under the employment agreements, each management investor is entitled to a base salary at a specified annual rate plus an incentive bonus based upon the achievement of certain performance objectives to be determined by the Board. The employment agreements also provide that each management investor will receive restricted shares of our common stock and options to purchase additional shares of our common stock, subject to certain conditions and restrictions on transferability.

Each management investor is also entitled to participate in any benefit plan we maintain for our senior executive officers, including any life, medical, accident, or disability insurance plan; and any pension, profit sharing, retirement, deferred compensation or savings plan for our senior executive officers. We also will pay the

reasonable expenses incurred by each management investor in the performance of his duties to us and indemnify the management investor against any loss or liability suffered in connection with such performance.

We are entitled to terminate each employment agreement with or without cause (as defined in the employment agreements). Each management investor is entitled to terminate his employment agreement for good reason, which includes a reduction in base salary or a material alteration in duties and responsibilities or for certain other specified reasons, including the death, disability or retirement of the management investor. If an employment agreement is terminated without cause by us or with good reason by a management investor, the management investor will be entitled to a severance payment equal to two times (or three times, in the case of Mr. Reed) the sum of the annual base salary payable and the target bonus amount owed to the management investor immediately prior to the end of the employment period plus any incentive bonus the management investor would have been entitled to receive for the calendar year had he remained employed by the Company. If an employment agreement is terminated under the same circumstances and within 24 months after a change of control of the Company, the management investor will be entitled to a severance payment equal to three times the annual base salary and target bonus amount payable to the management investor immediately prior to the end of the employment period plus any incentive bonus the management investor would have been entitled to receive for the calendar year had he remained employed by us.

Awards

During 2006, the Committee granted options to Mr. Riordan in connection with his joining the Company as the Chief Financial Officer under our Long-Term Incentive Plan. One-third of these options vest on each of the first, second and third anniversaries of the grant date. During 2007, Mr. Riordan was granted options and restricted stock under the Company's Long-Term Incentive Plan. The Options were granted as part of the Company's annual award to all eligible non-management investor employees. Options were not granted to the other four TEOs in 2007 as the grant in 2005 was intended to cover a three year period.

At the time of the spin-off from Dean Foods in 2005, the Company awarded one-time option grants and 2% of the outstanding stock of the Company in the form of restricted shares and an additional 2% of the outstanding shares in the form of restricted stock units to the original five management investors of the Company. These include Messrs. Reed, Vermylen, O'Neill and Walsh, along with Mr. Nick McCully who retired in April 2006. All of the restricted stock and restricted units are performance based and vest only if the Company meets certain performance goals. For the restricted stock, the Company must exceed the median shareholder return of the Comparator Group as measured each year on January 31. For the restricted stock units, the Company's closing share price must exceed \$29.65 as of June 28 each year. The restricted stock vests ratably over three-years with a two-year catch up provision and a five-year term. The restricted stock units vest ratably over three years with a two-year catch up provision and terminate after ten-years. The four remaining management investors did not receive any additional equity grant awards in 2007.

In 2007, the Compensation Committee established potential bonuses for each of our TEOs under the Annual Incentive Bonus Plan. The amount of the potential bonuses was tied to the achievement of net income targets established by the Committee. In each case, in 2007 the Annual Bonuses were earned by the TEOs at 60% of the target level and are reported as "Non-Equity Incentive Plan Compensation" in the Summary Compensation Table on page 18 of this Proxy Statement.

Salary and Bonus in Proportion to Total Compensation

We believe our key stakeholders, including shareholders and employees, are best served by having our executives focused and rewarded based on the long-term results of the Company. In addition to stock options, we have awarded 2% of the outstanding stock of the Company in the form of restricted shares and an additional 2% of the outstanding shares in the form of restricted stock units to the original five management investors of the Company. These include Messrs. Reed, Vermylen, O'Neill and Walsh, along with Mr. Nick McCully who retired in April 2006. All of the restricted stock and restricted units are performance based, which means the Company must meet certain performance goals in order for the awards to vest. Please see "Compensation Discussion and Analysis" beginning on page 14 of this Proxy Statement for a description of the objectives of our compensation program and overall compensation philosophy.

The 2007 Nonqualified Deferred Compensation table presents amounts deferred under our Deferred Compensation Plan. Participants may defer up to 100% of their base salary and annual incentive plan payments under the Deferred Compensation Plan. Deferred Amounts are credited with earnings or losses based on the return of mutual funds selected by the executive, which the executive may change at any time. We do not make contributions to

participants' accounts under the Deferred Compensation Plan. Distributions are made in either a lump sum or an annuity as chosen by the executive at the time of the deferral.

The earnings on Mr. Reed's Deferred Compensation account were measured by reference to a portfolio of publicly available mutual funds chosen by Mr. Reed in advance and administered by an outside third party, which generated an annual return of 4.72% in 2007. The earnings on Mr. Vermylen's Deferred Compensation account were measured by reference to a portfolio of publicly available mutual funds chosen by Mr. Vermylen in advance and administered by an outside third party, which generated an annual return of 4.49% in 2007.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

As noted on pages 19 of this Proxy Statement, we have entered into employment agreements with certain of our TEOs. The employment agreements provide for payments of certain benefits, as described below, upon the termination of a TEO. The TEOs rights upon termination of his or her employment depend upon the circumstance of the termination. Central to an understanding of the rights of each TEO under the employment agreements is an understanding of the definitions of "Cause" and "Good Reason" that are used in the employment agreements. For purposes of the employment agreements:

- We have Cause to terminate the TEO if the TEO has engaged in any of a list of specified activities, including refusing to perform duties consistent with the scope and nature of his or her position, committing an act materially detrimental to the financial condition and/or goodwill of us or our subsidiaries, commission of a felony or other actions specified in the definition.
- The TEO is said to have Good Reason to terminate his or her employment and thereby gain access to the benefits described below if we assign the TEO duties that are materially inconsistent with his or her position, reduce his or her compensation, call for relocation, or take certain other actions specified in the definition.

The employment agreements require, as a precondition to the receipt of these payments, that the TEO sign a standard form of release in which he waives all claims that he or she might have against us and certain associated individuals and entities. They also include noncompete and nonsolicit provisions that would apply for a period of one year following the TEO's termination of employment and nondisparagement and confidentiality provisions that would apply for an unlimited period of time following the TEO's termination of employment.

The employment agreement for each TEO specifies the payment to each individual in each of the following situations:

- Involuntary termination without cause or resignation with good reason
- Retirement
- Death or Disability
- Without cause or with good reason after Change in Control

In the event of an involuntary termination of the employee without cause, or resignation by the employee for good reason, the TEO will receive two times the employee's base salary and target bonus (three times in the case of Mr. Reed), and continuation of all health and welfare benefits for two years (three years in the case of Mr. Reed). In addition, any unvested options shall become vested and exercisable and any restricted stock and restricted stock units outstanding shall continue to vest on the same terms that would have applied if the TEO's termination had not occurred.

Hewitt Associates LLC has reviewed the existing change-in-control severance provisions of our TEOs relative to the current practices of our Comparator Group and has found our practices to be within the norms of the group.

The performance-based restricted stock and restricted stock units we granted in 2005 at the time of the spin-off and were intended to provide long-term incentive over a multi-year period. None of these awards have yet vested based upon the performance criteria. A change-in-control would cause these shares to fully vest and the full incremental value would be realized immediately. As these shares vest in the future based upon performance, we

would expect this incremental value delivered upon a change-in-control to decrease significantly. This is also expected to significantly decrease the potential cost of excise tax gross-ups.

In the event of an involuntary termination of the employee without cause, or resignation by the employee for good reason within a 24 month period immediately following a change in control of the Company, the TEO will receive three times the amount of their base salary and target bonus, and continuation of all health and welfare benefits for three years. In addition, all unvested options shall become vested and exercisable and any restricted stock, and restricted stock units outstanding shall fully vest. The TEOs are eligible to receive a “gross-up” payment from the Company to the extent they incur excise taxes under section 4999 of the Internal Revenue Code.

In the event of death, disability or retirement, the TEO will receive no additional payment but all unvested options shall become vested and exercisable and any restricted stock, and restricted stock units outstanding shall continue to vest on the same terms that would have applied if the TEO’s death, disability or retirement had not occurred.

The tables below illustrates the payouts to each TEO under each of the various separation situations. The tables assume that the terminations took place on December 31, 2007.

COMMITTEE REPORTS

Notwithstanding anything to the contrary set forth in any of the Company's previous or future filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate by reference this Proxy Statement or future filings with the Securities and Exchange Commission, in whole or in part, the following Committee reports shall not be deemed to be incorporated by reference into any such filings, except to the extent we specifically incorporate by reference a specific report into such filing. Further, the information contained in the following committee reports shall not be deemed to be "soliciting material" or to be "filed" with the SEC or subject to Regulation 14A or 14C other than as set forth in Item 407 of Regulation S-K, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent that we specifically request that the information contained in any of these reports be treated as soliciting materials.

The Board of Directors has established three committees to help oversee various matters of the Company. These include the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Each of these Committees operate under the guidelines of their specific charters. These charters may be reviewed on our website at www.treehousefoods.com.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee (the "Committee") is currently composed of three independent directors Messrs. Bayly, Smith and Ussery and operates pursuant to a written charter. Ms. Obama served on the Committee until she resigned from the Board in May 2007. The Company's management is responsible for its internal accounting controls and the financial reporting process. The Company's independent registered public accounting firm, Deloitte & Touche LLP, is responsible for performing an independent audit of the Company's consolidated financial statements and internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board and to issue reports thereon. The Committee's responsibility is to monitor and oversee these processes and appoint, evaluate, and audit the performance of Messrs. Bayly, Smith and Ussery, and compensate the independent registered public accounting firm.

In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent registered public accounting firm a formal written statement describing all relationships between the independent registered public accounting firm and the Company that might bear on the independent registered public accounting firm's independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," discussed with Deloitte & Touche LLP any relationships that may impact its objectivity and independence, and the Committee satisfied itself as to Deloitte & Touche LLP's independence. The Committee has reviewed and discussed the financial statements with management. The Committee also discussed with management and Deloitte & Touche LLP the quality and adequacy of the Company's internal controls and the internal audit department's organization, responsibilities, budget and staffing. The Committee reviewed both with Deloitte & Touche LLP and the internal auditors their audit plans, audit scope, and identification of audit risks.

The Committee discussed and reviewed with Deloitte & Touche LLP all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees," and, with and without management present, discussed and reviewed the results of Deloitte & Touche LLP's examination of the financial statements. The Committee also discussed the results of the internal audit examinations.

Based on the Audit Committee's discussions with management and Deloitte & Touche LLP and the Audit Committee's review of the representations of management and the report of the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that the audited consolidated

financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2007, for filing with the Securities and Exchange Commission.

In order to assure that the provision of audit and non-audit services provided by Deloitte & Touche LLP, our independent registered public accounting firm, does not impair its independence, the Audit Committee is required to pre-approve all audit services to be provided to the Company by Deloitte & Touche LLP, and all other services, including review, attestation and non-audit services, other than de minimis services that satisfy the requirements of the New York Stock Exchange and the Securities Exchange Act of 1934, as amended, pertaining to de minimis exceptions.

This report is respectfully submitted by the Audit Committee of the Board of Directors.

STOCKHOLDER PROPOSALS FOR 2009 ANNUAL MEETING OF STOCKHOLDERS

Any stockholder who intends to present proposals at the Annual meeting of Stockholders in 2009 pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 must send notice of such proposal to us so that we receive it no later than November 7, 2008. Any stockholder who intends to present proposals at the Annual Meeting of Stockholders in 2009 other than pursuant to Rule 14a-8 must comply with the notice provisions in our By-laws. The notice provisions in our By-laws require that, for a proposal to be properly brought before the Annual Meeting of Stockholders in 2009, proper notice of the proposal must be received by us not less than 90 days or more than 120 days prior to the first anniversary of this year's Annual Meeting. Stockholder proposals should be addressed to TreeHouse Foods, Inc., Two Westbrook Corporate Center, Suite 1070, Westchester, Illinois 60154, Attention: Corporate Secretary.

HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy materials with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies. We have not implemented householding rules with respect to our record holders. However, a number of brokers with account holders who are stockholders may be "householding" our proxy materials. If a stockholder receives a householding notification from his, her or its broker, a single proxy statement and annual report will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from an affected stockholder. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise.

Stockholders who currently receive multiple copies of the proxy materials at their address and would like to request "householding" of their communications should contact their broker. In addition, if any stockholder that receives a "householding" notification wishes to receive a separate annual report and proxy statement at his, her or its address, such stockholder should also contact his, her or its broker directly. Stockholders who in the future wish to receive multiple copies may also contact the Company at Two Westbrook Corporate Center, Suite 1070, Westchester, Illinois 60154, attention: Investor Relations; (708) 483-1300.

STOCKHOLDER COMMUNICATION WITH THE BOARD

Stockholders and other interested parties may contact the Board of Directors, the non-management directors or any individual director (including the Lead Independent Director) by writing to them c/o TreeHouse Foods Corporate Secretary, Two Westbrook Corporate Center, Suite 1070, Westchester, Illinois 60154, and such mail will be forwarded to the director or directors, as the case may be.
