Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On May 7, 2026, the Talent & Compensation Committee (the “TCC”) of the Board of Directors of Entergy Corporation (the “Company”) approved resolutions authorizing the Company to amend the System Executive Retirement Plan of Entergy Corporation and Subsidiaries, as amended (the “SERP”), in which each of Andrew S. Marsh, the Company’s Chief Executive Officer, Haley R. Fisackerly, the President and Chief Executive Officer of Entergy Mississippi, LLC, and Phillip R. May, Jr., the President and Chief Executive Officer of Entergy Louisiana, LLC participate, to freeze benefits by providing that the benefit payable to a participant in the SERP (or the participant’s surviving spouse, if applicable) who separates from service with all Entergy companies after November 30, 2026 will be determined as if the participant had separated from service on November 30, 2026 (including the use of compensation, service and actuarial assumptions applicable to separations as of such date), subject to all other provisions of the SERP (including applicable forfeiture conditions).

The TCC also approved resolutions authorizing the Company to amend the SERP to provide that Mr. Marsh shall not be required to obtain the prior written consent of his employer on and after the date he attains the age of 60 (rather than the current age of 65) in order to retire and receive an early retirement benefit under the SERP (subject to all other provisions of the SERP, including applicable forfeiture conditions). The TCC also approved Resolutions authorizing the Company to amend the Pension Equalization Plan of Entergy Corporation and Subsidiaries, as amended (the “PEP”), to freeze Mr. Marsh’s benefit by providing that if Mr. Marsh separates from service with all Entergy companies after November 30, 2026, the benefit payable to him (or his surviving spouse, if applicable) will be determined as if he had separated from service on November 30, 2026 (including the use of compensation, service and actuarial assumptions applicable to separations as of such date), subject to all other provisions of the PEP (including applicable forfeiture conditions).
