Danaos Corporation Announces Pricing of Senior Notes Offering

Athens, Greece, October 9, 2025 – Danaos Corporation (the “Company”) (NYSE: DAC) announced today the pricing of its offering of \$500 million of 6.875% Senior Notes due 2032. The notes are being offered and sold in a private offering exempt from the registration requirements under the U.S. Securities Act of 1933, as amended (the “Securities Act”).

The Company intends to use the net proceeds from the offering to (i) redeem in full the \$262.8 million outstanding principal amount of the Company’s 8.500% Senior Notes due 2028 (the “2028 Notes”) on or about March 1, 2026, (ii) repay in full the outstanding principal amount under its BNP Paribas/Credit Agricole \$130 million Secured Credit Facility on December 1, 2025, (iii) repay in full the outstanding principal amount under its Alpha Bank \$55.25 million Secured Credit Facility on December 1, 2025, (iv) to pay costs, fees and expenses related to the refinancing, including commissions, placement, financial advisory fees and other transaction costs and professional fees, and (v) for general corporate purposes.

This release does not constitute a notice of redemption with respect to the 2028 Notes and investors are urged to refer to the relevant notice of redemption, when available, for more information regarding the conditions precedent to such redemption, redemption price, record date and redemption date.

The offering is expected to close on or about October 16, 2025, subject to customary closing conditions.

This announcement is not an offer for sale or a recommendation or solicitation to buy or sell any securities, nor shall there be any offer, solicitation, or sale of any securities in any jurisdiction in which such offer, solicitation, or sale would be unlawful. The notes will not be registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements of the Securities Act and applicable state securities laws.
