Item 1.01 Entry into a Material Definitive Agreement

Odeon Commitment Letter

On January 24, 2021, Odeon Cinemas Group Limited (“**Odeon**”), a wholly-owned subsidiary of AMC Entertainment Holdings, Inc. (the “**Company**”) entered into a commitment letter (the “**Commitment Letter**”) with certain lenders party thereto (the “**Commitment Parties**”), pursuant to which the Commitment Parties committed, subject to the terms and conditions contained in the Commitment Letter, to provide a senior secured term loan facility in an aggregate principal amount of £400,000,000 (the “**Term Loan Facility**”). The Term Loan Facility will refinance Odeon's existing £100,000,000 revolving credit facility and provide additional liquidity of £300,000,000. The funding of the Term Loan Facility provided for in the Commitment Letter is contingent on the satisfaction of customary conditions, including the execution and delivery of a facility agreement governing the Term Loan Facility in accordance with the terms sets forth in the Commitment Letter and the consent of affiliates of Silver Lake Group, L.L.C., as holder of a majority of the Company’s 2.95% Senior Secured Convertible Notes due 2026. If the facility agreement governing the Term Loan Facility is not entered into by February 28, 2021, the commitments set forth in the Commitment Letter shall terminate, unless the Commitment Parties agree to an extension.

The Term Loan Facility will have a maturity of 2.5 years from the date on which it is first drawn. Borrowings under the Term Loan Facility will bear interest at a rate equal to 10.75% per annum during the first year and 11.25% thereafter. Odeon will have the ability to elect to pay interest in cash or in PIK interest for each interest period.

All obligations under the Term Loan Facility will be guaranteed by certain subsidiaries of Odeon. The Company will also provide a limited recourse guarantee. Subject to the terms of the Commitment Letter, including customary agreed security principles, all obligations under the Term Loan Facility will be secured by security over certain classes of assets in England, Sweden, Spain, Finland and Germany and share security in Ireland, the Netherlands and Italy.

Subject to the terms contained in the Commitment Letter, the Term Loan Facility will contain a number of covenants that are substantially similar to the covenants set forth in Odeon’s existing £100,000,000 revolving credit facility. In addition, the Term Loan Facility will contain a minimum liquidity covenant for Odeon and its subsidiaries. The Term Loan Facility will also contain certain customary events of default.

Equity Distribution Agreement

On January 25, 2021, the Company entered into an equity distribution agreement (the “**Equity Distribution Agreement**”) with Goldman Sachs & Co. LLC and B. Riley Securities, Inc., as sales agents (each, a “**Sales Agent**” and collectively, the “**Sales Agents**”), to sell up to 50,000,000 shares of Class A common stock, par value \$0.01 per share, of the Company (the “**Common Stock**”), from time to time, through an “at-the-market” offering program (the “**Offering**”).

Subject to the terms and conditions of the Equity Distribution Agreement, the Sales Agents will use reasonable efforts consistent with their normal trading and sales practices, applicable law and regulations, and the rules of the New York Stock Exchange to sell the Common Stock from time to time based upon the Company's instructions for the sales, including any price, time or size limits specified by the Company.

Each Sales Agent will receive a commission up to 2.5% of the gross sales price of the Common Stock sold through it as the Company's Sales Agent under the Equity Distribution Agreement, and the Company has agreed to reimburse the Sales Agents for certain specified expenses. The Company has also agreed to provide the Sales Agents with customary indemnification and contribution rights. The Company is not obligated to sell any Common Stock under the Equity Distribution Agreement and may at any time suspend solicitation and offers under the Equity Distribution Agreement. The Equity Distribution Agreement may be terminated by the Company at any time by giving written notice to the Sales Agents for any reason or by each Sales Agent at any time, with respect to such Sales Agent only, by giving written notice to the Company for any reason.

The Company intends to use the net proceeds, if any, from the sale of the Common Stock pursuant to the Equity Distribution Agreement for general corporate purposes, which may include the repayment, refinancing, redemption or repurchase of existing indebtedness or working capital, capital expenditures and other investments.

The Common Stock will be offered and sold pursuant to the Company's shelf registration statement on Form S-3 (File No. 333-251805) filed on December 30, 2020 with the Securities and Exchange Commission (the "**SEC**"). The Company filed a prospectus supplement, dated January 25, 2021, with the SEC in connection with the offer and sale of the Common Stock.

The foregoing description of the Equity Distribution Agreement is qualified in its entirety by reference to the Equity Distribution Agreement, a copy of which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The Company also amended its Third Amended and Restated Bylaws, as amended July 29, 2020 (the "**Bylaws**"), to include corresponding changes consistent with the Certificate of Amendment (the "**Bylaws Amendment**"). A copy of each of the Certificate of Amendment and the Bylaws Amendment is attached as Exhibit 3.1 and Exhibit 3.2, respectively, to this Current Report on Form 8-K and is incorporated herein by reference.

Item 8.01 Other Events.

The Company has provided the following update, which should be read in conjunction with the update included on Form 8-K dated December 11, 2020, including the Risk Factors filed therewith:

Current Operating Update

Effective vaccines against the coronavirus, which are expected to become widely available this year, together with the expected release later this year of major movie titles that have so far been delayed, are expected to have a material positive impact on our industry and have generated optimism that movie theatre attendance levels ultimately will significantly rebound from current levels.

In the meantime, however, a significant spike in coronavirus cases, together with continuing delays of major movie releases or the direct or simultaneous release of movie titles to the home video or streaming markets in lieu of theatre exhibition, have led to theatre closures, prevented the opening of theatres in major markets and have had, and are expected to continue to have in the future, a material adverse impact on theatre attendance levels and our business.

- As of January 21, 2021, the Company was operating at 438 of its 593 U.S. theatres, with limited seating capacities and during limited opening hours. The Company's closed U.S. theatres include theatres in some of its major markets, such as New York City and in California. During the fourth quarter of 2020, we experienced an overall attendance decline in the U.S. of approximately 92.3% compared to the same period a year ago.
- As of January 21, 2021, the Company was operating at 86 of its 360 leased and partnership international theatres, with limited seating capacities and during limited opening hours. During the fourth quarter of 2020, we experienced an overall attendance decline in our international theatres of approximately 88.6% compared to the same period a year ago.

Liquidity Update

The Company estimates that its cash and cash equivalents at December 31, 2020 amounted to approximately \$308 million, compared to \$417.9 million at September 30, 2020. During the fourth quarter of 2020, the Company received net proceeds of approximately \$263 million from at-the-market equity offerings, which is reflected in our estimated December 31, 2020 cash and cash equivalents balance. Excluding the impact of the at-the-market equity offerings, this represents an average monthly cash burn rate of approximately \$124 million during October, November and December.

Since the Company's prior liquidity update on December 14, 2020, the Company has raised incremental liquidity of approximately \$917 million. This assumes incremental proceeds of approximately \$411 million under the Term Loan Facility announced today (at current exchange rates and after the repayment of Odeon's existing credit facility) and includes additional proceeds of approximately \$406 million raised under our at-the-market equity offering program from the issuance of 164.7 million new common shares and \$100.0 million in cash proceeds from the sale of its 15%/17% Cash/PIK Toggle First Lien Secured Notes due 2026 issued to Mudrick Capital Management, L.P. on January 15, 2021 and concurrent issuance of 22 million new common shares to convert \$100 million of second-lien debt into equity. These amounts are prior to factoring in transaction costs, investment banking fees and original issue discounts.

This additional liquidity obtained by the Company to date will significantly extend our liquidity runway. The length of our liquidity runway will largely depend on future attendance levels.

In the absence of any increase in attendance levels and assuming continued landlord concessions and no additional liquidity, our existing liquidity would extend our operations through to July 2021.

If attendance levels increase, we currently estimate that our existing liquidity, together with a portion of the proceeds we anticipate receiving under our continuing at-the-market equity program and additional landlord concessions, would be sufficient to fund our operations during the remainder of 2021. This requires an assumption that our attendance levels achieve approximately 10% of pre-COVID 2019 attendance levels during Q1 2021, 15% of pre-COVID 2019 attendance levels during Q2 2021, 65% of pre-COVID 2019 attendance levels during Q3 2021 and 90% of pre-COVID 2019 attendance levels during Q4 2021.

Our estimated 2021 cash burn includes the repayment of certain deferred rent amounts from 2020. Our additional liquidity requirements in the future will depend on the cash we generate from our operations and our ability to obtain further rent concessions from our landlords.

The Company is actively pursuing potential sources of additional liquidity, which is essential to our long-term viability, including:

- **Additional Equity Financing.** The Company intends to continue to pursue an at-the-market program that includes up to approximately 63.3 million remaining shares under our existing at-the-market programs (including the shares to be sold under the Equity Distribution Agreement). The amount of liquidity we might generate will primarily depend on the market price of our Class A common stock, trading volumes, which impact the amount of shares we are able to sell, and the available periods during which sales may be made. As of January 22, 2021, the Company has raised proceeds of approximately \$565 million, before fees, through the sale of approximately 214.8 million shares of its Class A common stock pursuant to its at-the-market offering programs. Because our market price and trading volumes are volatile, there is no guarantee as to the amounts of liquidity we might generate or that our prior experience accurately predicts the results we will achieve.
 - **Landlord Negotiations.** Commencing in 2021, our cash expenditures for rent were scheduled to increase significantly as a result of rent obligations that have been deferred to 2021 and future years that are approximately \$450 million as of December 31, 2020. In light of our liquidity challenges, and in order to establish our long-term viability, we believe the Company must continue to reach accommodations with its landlords to abate or defer a substantial portion of the Company's rent obligations, in addition to generating sufficient amounts of liquidity through the at-the-market program and the other potential financing arrangements discussed below. Accordingly, the Company has entered into additional landlord negotiations to seek material reductions, abatements and deferrals in our rent obligations. In connection with these negotiations, we have ceased to make rent payments under a substantial portion of our leases and have received notices of default, the result of which may permit landlords to threaten or seek potential remedies, including termination of leases, acceleration of obligations or involuntary insolvency proceedings. We continue to renegotiate leases with landlords to attain additional concessions. To the extent we achieve substantial deferrals but not abatements, our cash requirements will increase substantially in the future.
-

- **Other Creditor Discussions.** While the liquidity we have raised has substantially extended our liquidity runway, the new debt we have raised or that has been committed, together with the higher interest rate payments that will be required in the future but have largely been deferred, will substantially increase our leverage and future cash requirements. These future cash requirements, like our deferred rent obligations, will present a challenge to our long-term viability if our operating income does not return to pre-COVID levels. Even then, we believe we will need to engage in discussions with our creditors to substantially reduce our leverage. We expect to continue to explore alternatives that include new-money financing, potentially in connection with converting debt to equity, which would help manage our leverage but would be dilutive to holders of our Common Stock. We expect we will continue to receive from and discuss proposals with all classes of creditors. These discussions may not result in any agreement on commercially acceptable terms.

We are also in discussions with our revolving lenders under our first-lien credit facility to seek a waiver from the requirement to maintain a secured leverage ratio specified therein while a certain amount of revolving loans are outstanding thereunder. We previously received a waiver that established a holiday from complying with this covenant, which resumes in connection with the second quarter of 2021 and which we do not expect to be able to satisfy. We can give no assurances with regard to our ability to obtain a waiver, failure of which would be expected to result in a default under our first-lien credit facility.

Similarly, under our first-lien credit facility, an event of default will occur if the independent auditor's report in our annual financial statements includes a "going concern" or like qualification or exception, except in limited circumstances. Therefore, prior to the issuance of our audited financial statements for the year ended December 31, 2020 in early March, we may also be required to seek a related waiver from required lenders under our first-lien credit facility. Prior to raising additional liquidity, we have publicly stated that due to uncertainty regarding our ability to raise material amounts of additional liquidity and the uncertainty as to the time at which attendance levels might normalize, substantial doubt exists about the Company's ability to continue as a going concern for a reasonable period of time. Although significant risks remain and there is significant uncertainty as to when attendance levels will normalize, we have raised significant liquidity that improves our liquidity outlook. In conjunction with the issuance of our annual financial statements for the year ended December 31, 2020, the Company will need to determine whether this improved liquidity is sufficient to overcome the previously disclosed substantial doubt regarding its ability to continue as a going concern.

- **Joint-Venture or Other Arrangements with Existing Business Partners and Minority Investments in Our Capital Stock.** We continue to explore other potential arrangements, including equity investments, to generate additional liquidity.

The Company is unable to determine at this time whether these potential sources of liquidity will be available to it and there is no guarantee, as we have previously disclosed, that we will obtain liquidity that will be sufficient for our requirements.

It is very difficult to estimate our liquidity requirements, future cash burn rates and future attendance levels. Depending on the Company's assumptions regarding the timing and ability to achieve more normalized levels of operating revenue, the estimates of amounts of required liquidity vary significantly. Similarly, it is very difficult to predict when theatre attendance levels will normalize, which we expect will depend on the widespread availability and use of effective vaccines for the coronavirus. However, our current cash burn rates are not sustainable. Further, we cannot predict what supply of movie titles will be available for theatrical exhibition once moviegoers are prepared to return in large numbers. Nor can we know with certainty the impact of the Warner Bros. announcement or any similar announcements regarding the release of movie titles concurrently to the home video or streaming markets, as those arrangements will be subject to negotiations that have not yet taken place. There can be no assurance that the attendance level and other assumptions used to estimate our liquidity requirements and future cash burn will be correct, and our ability to be predictive is uncertain due to the unknown magnitude and duration of the COVID-19 pandemic. We continue to caution investors about the highly speculative nature of an investment in our Class A common stock and refer investors to the risk factors we have previously published, including the additional risk factors contained in the Company's Prospectus Supplement, dated January 25, 2021 and filed pursuant to Rule 424(b)(5). We urge potential investors to review carefully these disclosures. The foregoing statements regarding liquidity are forward-looking statements that should also be read together with the Cautionary Statement Regarding Forward-Looking Statements contained in the Company's Prospectus Supplement, dated January 25, 2021 and filed pursuant to Rule 424(b)(5), which cautionary language is incorporated by reference herein.

Ladies and Gentlemen:

AMC Entertainment Holdings, Inc., a corporation organized under the laws of Delaware (the "Company"), confirms its agreement (this "Agreement") with Goldman Sachs & Co. LLC and B. Riley Securities, Inc. (each a "Manager" and, collectively, the "Managers") as follows:

1. Description of Shares. The Company proposes to issue and sell through or to the Managers, as sales agent and/or principal, up to 50,000,000 shares (the "Shares") of the Company's Class A common stock, \$0.01 par value ("Common Stock"), from time to time during the term of this Agreement and on the terms set forth in Section 3 of this Agreement. For purposes of selling the Shares through the Managers, the Company hereby appoints the Managers as exclusive agents of the Company for the purpose of soliciting purchases of the Shares from the Company pursuant to this Agreement and the Managers agree to use their reasonable efforts to solicit purchases of the Shares on the terms and subject to the conditions stated herein. The Company agrees that whenever it determines to sell the Shares directly to a Manager as principal, it will enter into a separate agreement with such Manager (each, a "Terms Agreement") in substantially the form of Annex I hereto, relating to such sale in accordance with Section 3 of this Agreement. Certain terms used herein are defined in Section 19 hereof.

2. Representations and Warranties. The Company represents and warrants to, and agrees with, the Managers at the Execution Time and on each such time the following representations and warranties are repeated or deemed to be made pursuant to this Agreement, as set forth below.

(a) The Company meets the requirements for use of Form S-3 under the Securities Act and has prepared and filed with the Commission a registration statement (File Number 333-251805) on Form S-3, including a related Base Prospectus, for registration under the Securities Act of the offering and sale of the Shares. Such Registration Statement, including any amendments thereto filed prior to the Execution Time or prior to any such time this representation is repeated or deemed to be made, has become effective. The Company has filed with the Commission the Prospectus Supplement relating to the Shares in accordance with Rule 424(b). As filed, the Prospectus contains all information required by the Securities Act and the rules thereunder, and, except to the extent the Managers shall agree in writing to a modification, shall be in all substantive respects in the form furnished to the Managers prior to the Execution Time or prior to any such time this representation is repeated or deemed to be made. The Registration Statement, at the Execution Time, each such time this representation is repeated or deemed to be made, and at all times during which a prospectus is required by the Securities Act to be delivered (whether physically or through compliance with Rule 172 or any similar rule) in connection with any offer or sale of Shares, meets the requirements set forth in Rule 415(a)(1)(x). The initial Effective Date of the Registration Statement was not earlier than the date three years before the Execution Time. Any reference herein to the Registration Statement, the Base Prospectus, the Prospectus Supplement, any Interim Prospectus Supplement or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 which were filed under the Exchange Act on or before the Effective Date of the Registration Statement or the issue date of the Base Prospectus, the Prospectus Supplement, any Interim Prospectus Supplement or the Prospectus, as the case may be; and any reference herein to the terms “amend,” “amendment” or “supplement” with respect to the Registration Statement, the Base Prospectus, the Prospectus Supplement, any Interim Prospectus Supplement or the Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act after the Effective Date of the Registration Statement or the issue date of the Base Prospectus, the Prospectus Supplement, any Interim Prospectus Supplement or the Prospectus, as the case may be, deemed to be incorporated therein by reference.

(b) To the extent that the Registration Statement is not available for the sales of the Shares as contemplated by this Agreement or the Company otherwise is unable to make the representations set forth in Section 2(e) at any time when such representations are required, the Company shall file a new registration statement with respect to any additional shares of Common Stock necessary to complete such sales of the Shares and shall cause such registration statement to become effective as promptly as practicable. After the effectiveness of any such registration statement, all references to “Registration Statement” included in this Agreement shall be deemed to include such new registration statement, including all documents incorporated by reference therein pursuant to Item 12 of Form S-3, and all references to “Base Prospectus” included in this Agreement shall be deemed to include the final form of prospectus, including all documents incorporated therein by reference, included in any such registration statement at the time such registration statement became effective.

(c) On each Effective Date, at the Execution Time, at each Applicable Time, at each Settlement Date and at all times during which a prospectus is required by the Securities Act to be delivered (whether physically or through compliance with Rule 172 or any similar rule) in connection with any offer or sale of Shares, the Registration Statement complied and will comply in all material respects with the applicable requirements of the Securities Act and the Exchange Act and the respective rules thereunder and did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; and on the date of any filing pursuant to Rule 424(b), at the Execution Time, at each Applicable Time, on each Settlement Date and at all times during which a prospectus is required by the Securities Act to be delivered (whether physically or through compliance with Rule 172 or any similar rule) in connection with any offer or sale of Shares, the Prospectus (together with any supplement thereto) complied and will comply in all material respects with the applicable requirements of the Securities Act and the Exchange Act and the respective rules thereunder and did not and will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to the information contained in or omitted from the Registration Statement or the Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by the Managers specifically for inclusion in the Registration Statement or the Prospectus (or any supplement thereto).

(d) At the Execution Time, at each Applicable Time and at each Settlement Date, the Disclosure Package does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by the Managers specifically for use therein.

(e) (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2)) of the Shares and (ii) as of the Execution Time and on each such time this representation is repeated or deemed to be made (with such date being used as the determination date for purposes of this clause (ii)), the Company was not and is not an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an Ineligible Issuer.

(f) Each Issuer Free Writing Prospectus, if any, does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated therein by reference and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by the Managers specifically for use therein.

(g) The Registration Statement is not the subject of a pending proceeding or examination under Section 8(d) or 8(e) of the Securities Act, and the Company is not the subject of a pending proceeding under Section 8A of the Securities Act in connection with the offering of the Shares.

(h) The Common Stock is an “actively-traded security” exempted from the requirements of Rule 101 of Regulation M under the Exchange Act by subsection (c)(1) of such rule.

(i) The Company has not entered into any other sales agency agreements or other similar arrangements with any agent or any other representative in respect of at the market offerings of the Shares in accordance with Rule 415(a)(4) of the Securities Act.

(j) The Company has not taken, directly or indirectly, any action designed to or that has constituted or that might reasonably be expected to cause or result, under the Exchange Act or otherwise, in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Shares.

(k) There is no broker, finder or other party that is entitled to receive from the Company any brokerage or finder's fee or other fee or commission as a result of any transactions contemplated by this Agreement.

(l) Each of the Company and its subsidiaries has been duly incorporated or formed, as applicable, and is validly existing as a corporation, limited liability company or partnership, as applicable, in good standing under the laws of the jurisdiction of its incorporation or organization, as applicable, with requisite power and authority (corporate and other) to own or lease, as the case may be, and to operate its properties and conduct its business as described in the Disclosure Package and the Prospectus, and has been duly qualified as a foreign corporation, limited liability company or partnership, as applicable, for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification, or is subject to no material liability or disability by reason of the failure to be so qualified in any such jurisdiction, except where the failure to be so duly qualified as a foreign corporation, limited liability company or partnership, as applicable, or in good standing in such foreign jurisdiction would not, individually or in the aggregate, have a Material Adverse Effect (as defined below).

(m) All the outstanding shares of capital stock of the Company and each of its subsidiaries have been duly and validly authorized and issued and are fully paid and nonassessable, and, except as otherwise set forth in the Disclosure Package and the Prospectus, all outstanding shares of capital stock or membership interests of the subsidiaries are owned by the Company either directly or through wholly owned subsidiaries and are free and clear of any perfected security interest or any other security interests, claims, liens or encumbrances.

(n) There is no franchise, contract or other document of a character required to be described in the Registration Statement or Prospectus, or to be filed as an exhibit thereto, which is not described or filed as required; and the statements in the Prospectus under the heading "Material U.S. Federal Income Tax Consequences" insofar as such statements summarize legal matters, agreements, documents or proceedings discussed therein, are accurate and fair summaries of such legal matters, agreements, documents or proceedings.

(o) This Agreement has been duly authorized, executed and delivered by the Company.

(p) The Company is not and, after giving effect to the offering and sale of the Shares and the application of the proceeds thereof as described in the Disclosure Package and the Prospectus, will not be an "investment company" as defined in the Investment Company Act of 1940, as amended, and the rules and regulations promulgated thereunder.

(q) No consent, approval, authorization, filing with or order of any court or governmental agency or body is required in connection with the transactions contemplated herein, except (i) such as may be required under the blue sky laws of any jurisdiction in connection with the purchase and distribution of the Shares by the Managers in the manner contemplated herein and in the Disclosure Package and the Prospectus and (ii) as shall have been obtained or made prior to the Applicable Time.

(r) Neither the issue and sale of the Shares nor the consummation of any other of the transactions herein contemplated nor the fulfillment of the terms hereof will conflict with, result in a breach or violation of, or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any of its subsidiaries pursuant to, (i) the charter or by-laws or comparable constituting documents of the Company or any of its subsidiaries; (ii) the terms of any indenture, contract, lease, mortgage, deed of trust, note agreement, loan agreement or other agreement, obligation, condition, covenant or instrument to which the Company or any of its subsidiaries is a party or bound or to which its or their property is subject; or (iii) any statute, law, rule, regulation, judgment, order or decree of any court, regulatory body, administrative agency, governmental body, arbitrator or other authority having jurisdiction over the Company or any of its subsidiaries or any of its or their properties; except with respect to clauses (ii) and (iii) as would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the condition (financial or otherwise), earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business (a “Material Adverse Effect”) or a material adverse effect on the performance of this Agreement or the consummation of any of the transactions contemplated hereby.

(a) Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company and the Managers agree that the Company may from time to time seek to sell Shares through a Designated Manager, acting as sales agent, or directly to any of the Managers acting as principal, as follows:

(i) The Shares are to be sold on a daily basis or otherwise as shall be agreed to by the Company and the Designated Manager on any day that (A) is a trading day for the New York Stock Exchange (“NYSE”) (other than a day on which the NYSE is scheduled to close prior to its regular weekday closing time), (B) the Company has instructed the Designated Manager by telephone (confirmed promptly by electronic mail) to make such sales and (C) the Company has satisfied its obligations under Section 6 of this Agreement. The Company will designate the maximum amount of the Shares to be sold by the Designated Manager daily as agreed to by the Designated Manager (in any event not in excess of the amount available for issuance under the Prospectus and the currently effective Registration Statement) and the minimum price per Share at which such Shares may be sold.

(ii) Subject to the terms and conditions hereof, each Manager, at any time it is a Designated Manager, shall use its reasonable efforts to execute any Company order submitted to it hereunder to sell Shares and with respect to which such Designated Manager has agreed to act as sales agent. The Company acknowledges and agrees that (i) there can be no assurance that a Designated Manager will be successful in selling the Shares, (ii) a Designated Manager will incur no liability or obligation to the Company or any other person or entity if it does not sell Shares for any reason other than a failure by a Designated Managers to use its reasonable efforts consistent with its normal trading and sales practices and applicable law and regulations to sell such Shares as required under this Agreement and (iii) no Manager shall be under any obligation to purchase Shares on a principal basis pursuant to this Agreement, except as otherwise specifically agreed by such Manager and the Company.

(iii) The Company shall not authorize the issuance and sale of, and the Designated Manager shall not be obligated to use its reasonable efforts to sell, any Share at a price lower than the minimum price therefor designated from time to time by the Company’s Board of Directors (the “Board”), or a duly authorized committee thereof, and notified to the Designated Manager in writing. The Company or the Designated Manager may, upon notice to the other party hereto by telephone (confirmed promptly by electronic mail), suspend the offering of the Shares for any reason and at any time; provided, however, that such suspension or termination shall not affect or impair the parties’ respective obligations with respect to the Shares sold hereunder prior to the giving of such notice.

(iv) The compensation to the Designated Manager for sales of the Shares with respect to which such Designated Manager acts as sales agent under this Agreement shall be up to 2.5% of the gross sales price of the Shares sold pursuant to this Section 3(a) and payable as described in the succeeding subsection (vi) below. The foregoing rate of compensation shall not apply when a Manager acts as principal, in which case the Company may sell Shares to such Manager or Managers as principal at a price to be mutually agreed upon by the Company and such Manager at the relevant Applicable Time pursuant to a Terms Agreement. The remaining proceeds, after further deduction for any transaction fees imposed by any governmental or self-regulatory organization in respect of such sales (the "Transaction Fees"), shall constitute the net proceeds to the Company for such Shares (the "Net Proceeds").

(v) The Designated Manager shall provide written confirmation (which may be by facsimile or electronic mail) to the Company following the close of trading on the NYSE each day in which the Shares are sold under this Section 3(a) setting forth the number of the Shares sold on such day, the aggregate gross sales proceeds and the Net Proceeds to the Company, and the compensation payable by the Company to the Designated Manager with respect to such sales. Such compensation shall be set forth and invoiced in periodic statements from the Designated Manager to the Company, with payment to be made by the Company promptly after its receipt thereof.

(vi) Settlement for sales of the Shares pursuant to this Section 3(a) will occur on the second business day following the date on which such sales are made (each such day, a "Settlement Date"). On each Settlement Date, the Shares sold through a Designated Manager for settlement on such date shall be issued and delivered by the Company to such Designated Manager against payment of the aggregate gross sales proceeds less any Transaction Fees for the sale of such Shares. Settlement for all such Shares shall be effected by free delivery of the Shares to such Designated Manager's account at The Depository Trust Company ("DTC") in return for payments in same day funds delivered to the account designated by the Company. If the Company or its transfer agent (if applicable) shall default on its obligation to deliver the Shares on any Settlement Date, the Company shall (A) indemnify and hold each applicable Designated Manager harmless against any loss, claim or damage arising from or as a result of such default by the Company and (B) pay each such Designated Manager any commission to which it would otherwise be entitled absent such default.

(vii) At each Applicable Time, Settlement Date, Representation Date (as defined in Section 4(k)), the Company shall be deemed to have affirmed each representation and warranty contained in this Agreement as if such representation and warranty were made as of such date, modified as necessary to relate to the Registration Statement and the Prospectus as amended as of such date. Any obligation of a Designated Manager to use its reasonable efforts to sell the Shares on behalf of the Company shall be subject to the continuing accuracy of the representations and warranties of the Company herein (and the completion of any reasonable diligence to verify such accuracy by such Designated Manager), to the performance by the Company of its obligations hereunder and to the continuing satisfaction of the additional conditions specified in Section 6 of this Agreement.

(b) If the Company wishes to issue and sell the Shares pursuant to this Agreement but other than as set forth in Section 3(a) of this Agreement (each, a “Placement”), it will notify the Manager or Managers of the proposed terms of such Placement. If such Manager or Managers, acting as principal, wishes to accept such proposed terms (which it may decline to do for any reason in its sole discretion) or, following discussions with the Company wishes to accept amended terms, such Manager or Managers and the Company will enter into a Terms Agreement setting forth the terms of such Placement. The terms set forth in a Terms Agreement will not be binding on the Company or such Manager or Managers unless and until the Company and such Manager or Managers have each executed such Terms Agreement accepting all of the terms of such Terms Agreement. In the event of a conflict between the terms of this Agreement and the terms of a Terms Agreement, the terms of such Terms Agreement will control.

(c) Each sale of the Shares to a Manager shall be made in accordance with the terms of this Agreement and, if applicable, a Terms Agreement, which will provide for the sale of such Shares to, and the purchase thereof by, such Manager. A Terms Agreement may also specify certain provisions relating to the reoffering of such Shares by a Manager. The commitment of a Manager to purchase the Shares pursuant to any Terms Agreement shall be deemed to have been made on the basis of the representations and warranties of the Company herein contained and shall be subject to the terms and conditions herein set forth. Each Terms Agreement shall specify the number of the Shares to be purchased by a Manager pursuant thereto, the price to be paid to the Company for such Shares, any provisions relating to rights of, and default by, underwriters acting together with such Manager or Managers in the reoffering of the Shares, and the time and date (each such time and date being referred to herein as a “Time of Delivery”) and place of delivery of and payment for such Shares. Such Terms Agreement shall also specify any requirements for opinions of counsel, accountants’ letters and officers’ certificates pursuant to Section 6 of this Agreement and any other information or documents required by a Manager.

(d) Under no circumstances shall the number and aggregate amount of the Shares sold pursuant to this Agreement and any Terms Agreement exceed (i) the aggregate amount set forth in Section 1, (ii) the number of shares of the Common Stock available for issuance under the currently effective Registration Statement or (iii) the number and aggregate amount of the Shares authorized from time to time to be issued and sold under this Agreement by the Board, or a duly authorized committee thereof, and notified to the Managers in writing.

(e) If either party has reason to believe that the exemptive provisions set forth in Rule 101(c)(1) of Regulation M under the Exchange Act are not satisfied with respect to the Shares, it shall promptly notify the other party and sales of the Shares under this Agreement and any Terms Agreement shall be suspended until that or other exemptive provisions have been satisfied in the judgment of each party.

(f) Subject to such further limitations on offers and sales of Shares or delivery of instructions to offer and sell Shares as are set forth herein and as may be mutually agreed upon by the Company and a Designated Manager, the Company shall not request the sale of any Shares that would be sold, and no Designated Manager shall be obligated to sell, (i) during any time during the period commencing on the tenth business day prior to the time the Company shall issue a press release containing, or shall otherwise publicly announce, its earnings, revenues or other results of operations (each, an “Earnings Announcement”) through and including the time that is 24 hours after the time that the Company files (a “Filing Time”) a Quarterly Report on Form 10-Q or an Annual Report on Form 10-K that includes consolidated financial statements as of and for the same period or periods, as the case may be, covered by such Earnings Announcement, or (ii) during any other period in which the Company is, or could be deemed to be, in possession of material non-public information.

4. Agreements. The Company agrees with each of the Managers that:

(a) During any period when the delivery of a prospectus relating to the Shares is required (including in circumstances where such requirement may be satisfied pursuant to Rule 172) to be delivered under the Securities Act, the Company will not file any amendment of the Registration Statement or supplement (including the Prospectus Supplement or any Interim Prospectus Supplement) to the Base Prospectus or any Rule 462(b) Registration Statement unless the Company has furnished to the Managers a copy for its review prior to filing and will not file any such proposed amendment or supplement to which the Managers reasonably object. The Company has properly completed the Prospectus, in a form approved by the Manager, and filed such Prospectus, as amended at the Execution Time, with the Commission pursuant to the applicable paragraph of Rule 424(b) by the Execution Time and will cause any supplement to the Prospectus to be properly completed, in a form approved by the Manager, and will file such supplement with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed thereby and will provide evidence satisfactory to the Managers of such timely filing. The Company will promptly advise the Managers (i) when the Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b) or when any Rule 462(b) Registration Statement shall have been filed with the Commission, (ii) when, during any period when the delivery of a prospectus (whether physically or through compliance with Rule 172 or any similar rule) is required under the Securities Act in connection with the offering or sale of the Shares, any amendment to the Registration Statement shall have been filed or become effective, (iii) of any request by the Commission or its staff for any amendment of the Registration Statement, or any Rule 462(b) Registration Statement, or for any supplement to the Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice objecting to its use or the institution or threatening of any proceeding for that purpose and (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Shares for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its best efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or objection to the use of the Registration Statement and, upon such issuance, occurrence or notice of objection, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or objection, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement and using its best efforts to have such amendment or new registration statement declared effective as soon as practicable.

(b) If, at any time on or after an Applicable Time but prior to the related Settlement Date or Time of Delivery, any event occurs as a result of which the Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein in the light of the circumstances under which they were made or the circumstances then prevailing not misleading, the Company will (i) notify promptly the relevant Manager(s) so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) amend or supplement the Disclosure Package to correct such statement or omission; and (iii) supply any amendment or supplement to the relevant Manager(s) in such quantities as the Manager(s) may reasonably request.

(c) During any period when the delivery of a prospectus relating to the Shares is required (including in circumstances where such requirement may be satisfied pursuant to Rule 172) to be delivered under the Securities Act, any event occurs as a result of which the Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein in the light of the circumstances under which they were made at such time not misleading, or if it shall be necessary to amend the Registration Statement, file a new registration statement or supplement the Prospectus to comply with the Securities Act or the Exchange Act or the respective rules thereunder, including in connection with use or delivery of the Prospectus, the Company promptly will (i) notify the Managers of any such event, (ii) prepare and file with the Commission, subject to the second sentence of paragraph (a) of this Section 4, an amendment or supplement or new registration statement which will correct such statement or omission or effect such compliance, (iii) use its best efforts to have any amendment to the Registration Statement or new registration statement declared effective as soon as practicable in order to avoid any disruption in use of the Prospectus and (iv) supply any supplemented Prospectus to the Managers in such quantities as the Managers may reasonably request.

(d) As soon as practicable, the Company will make generally available to its security holders and to the Managers an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Securities Act and Rule 158.

(e) The Company will furnish to the Managers and counsel for the Managers, without charge, conformed copies of the Registration Statement (including exhibits thereto) and, so long as delivery of a prospectus by the Managers or dealer may be required by the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), as many copies of the Prospectus and each Issuer Free Writing Prospectus and any supplement thereto as such Manager may reasonably request. The Company will pay the expenses of printing or other production of all documents relating to the offering.

(f) The Company will arrange, if necessary, for the qualification of the Shares for sale under the laws of such jurisdictions as the Managers may designate and will maintain such qualifications in effect so long as required for the distribution of the Shares; provided that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Shares, in any jurisdiction where it is not now so subject.

(g) The Company agrees that, unless it has or shall have obtained the prior written consent of the relevant Designated Manager, and each Manager agrees with the Company that, unless it has or shall have obtained, as the case may be, the prior written consent of the Company, it has not made and will not make any offer relating to the Shares that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a “free writing prospectus” (as defined in Rule 405) required to be filed by the Company with the Commission or retained by the Company under Rule 433; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule I hereto. Any such free writing prospectus consented to by the Managers or the Company is hereinafter referred to as a “Permitted Free Writing Prospectus.” The Company agrees that (i) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (ii) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

(h) The Company will not offer, sell, contract to sell, pledge, or otherwise dispose of, (or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition of (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Company or any affiliate of the Company or any person in privity with the Company or any affiliate of the Company) directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, any other shares of Common Stock or any securities convertible into, or exercisable, or exchangeable for, shares of Common Stock; or publicly announce an intention to effect any such transaction without (i) giving the Managers at least five Business Days’ prior written notice specifying the nature of the proposed transaction and the date of such proposed transaction and (ii) the Managers suspending acting under this Agreement for such period of time requested by the Company or as deemed appropriate by such Manager in light of the proposed transaction; provided, however, that the Company may issue and sell Common Stock pursuant to this Agreement or any Terms Agreement, any employee stock option plan, stock ownership plan or dividend reinvestment plan of the Company in effect at the Execution Time and the Company may issue Common Stock issuable upon the conversion of securities or the exercise of warrants outstanding at the Execution Time.

(i) The Company will not (i) take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Shares or (ii) sell, bid for, purchase or pay any person (other than as contemplated by this Agreement or any Terms Agreement) any compensation for soliciting purchases of the Shares.

(j) The Company will, at any time during the term of this Agreement, as supplemented from time to time, advise the Managers immediately after it shall have received notice or obtain knowledge thereof, of any information or fact that would alter or affect any opinion, certificate, letter and other document provided to the Managers pursuant to Section 6 herein.

(k) Upon commencement of the offering of the Shares under this Agreement (and upon the recommencement of the offering of the Shares under this Agreement following the termination of a suspension of sales hereunder), and each time that (i) the Registration Statement or the Prospectus shall be amended or supplemented (other than an Interim Prospectus Supplement filed pursuant to Rule 424(b) or a prospectus supplement relating solely to the offering of securities other than the Shares), (ii) the Company files a Quarterly Report on Form 10-Q or an Annual Report on Form 10-K, (iii) the Company files a report on Form 8-K containing amended financial statements (other than an earnings release or other information “furnished” pursuant to Items 2.02 or 7.01 of Form 8-K) under the Exchange Act, (iv) the Shares are delivered to one or more Managers as principal at the Time of Delivery pursuant to a Terms Agreement, or (v) otherwise as the Managers may reasonably request (such commencement or recommencement date and each such date referred to in (i), (ii), (iii), (iv) and (v) above, a “Representation Date”), the Company shall furnish or cause to be furnished to the Managers forthwith a certificate dated and delivered the date of such Representation Date, in form satisfactory to the Managers to the effect that the statements contained in the certificate referred to in Section 6(d) of this Agreement which were last furnished to the Managers are true and correct at the time of such Representation Date, as though made at and as of such time (except that such statements shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented to such time) or, in lieu of such certificate, a certificate of the same tenor as the certificate referred to in said Section 6(d), modified as necessary to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such certificate. The requirement to provide a certificate pursuant to the preceding sentence shall be waived for any Representation Date described in clause (ii) of the definition thereof occurring at a time at which no instruction to any Manager to sell Shares pursuant to this Agreement has been delivered by the Company or is pending. Notwithstanding the foregoing, if the Company subsequently decides to sell Shares following any such Representation Date when the Company relied on such waiver and did not provide the Managers such certificate pursuant to this paragraph, then before the Company instructs a Manager to sell Shares pursuant to this Agreement, the Company shall provide the Managers with such certificate.

(l) At each Representation Date, the Company shall furnish or cause to be furnished forthwith to the Managers and to counsel to the Managers a written opinion of Weil, Gotshal & Manges LLC, counsel to the Company (“Company Counsel”), or other counsel satisfactory to the Managers, and the General Counsel of the Company, each dated as of such Representation Date, in form and substance satisfactory to the Manager, of the same tenor as the opinions referred to in Section 6(b) of this Agreement, but modified as necessary to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such opinion. The requirement to provide opinions pursuant to this paragraph shall be waived for any Representation Date described in clause (ii) of the definition thereof occurring at a time at which no instruction to any Manager to sell Shares pursuant to this Agreement has been delivered by the Company or is pending. Notwithstanding the foregoing, if the Company subsequently decides to sell Shares following any such Representation Date when the Company relied on such waiver and did not provide the Managers the opinions pursuant to this paragraph, then before the Company instructs a Manager to sell Shares pursuant to this Agreement, the Company shall provide the Managers with such opinions.

(m) At each Representation Date, Latham & Watkins LLP, counsel to the Managers, shall deliver a written opinion, dated and delivered as of such Representation Date, of the same tenor as the opinions referred to in Section 6(c) of this Agreement but modified as necessary to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such opinion. The requirement to provide opinions pursuant to this paragraph shall be waived for any Representation Date described in clause (ii) of the definition thereof occurring at a time at which no instruction to any Manager to sell Shares pursuant to this Agreement has been delivered by the Company or is pending. Notwithstanding the foregoing, if the Company subsequently decides to sell Shares following any such Representation Date when the Company relied on such waiver and did not provide the Managers the opinions pursuant to this paragraph, then before the Company instructs a Manager to sell Shares pursuant to this Agreement, the Company shall provide the Managers with such opinions.

(n) At each Representation Date, the Company shall cause Ernst & Young LLP, KPMG LLP and CohnReznick LLP (collectively, the “Accountants”), or other independent accountants satisfactory to the Managers forthwith, to furnish the Managers letters, dated as of such Representation Date, in form satisfactory to the Manager, of the same tenor as the letters referred to in Section 6(e) of this Agreement but modified to relate to the Registration Statement and the Prospectus, as amended and supplemented to the date of such letter. The requirement to provide letters from the Accountants pursuant to this paragraph shall be waived for any Representation Date described in clause (ii) of the definition thereof occurring at a time at which no instruction to any Manager to sell Shares pursuant to this Agreement has been delivered by the Company or is pending. Notwithstanding the foregoing, if the Company subsequently decides to sell Shares following any such Representation Date when the Company relied on such waiver and did not provide the Managers the letters from the Accountants described in the first sentence of this paragraph, then before the Company instructs a Manager to sell Shares pursuant to this Agreement, the Company shall provide the Managers with such letters.

(o) At each Representation Date, the Company shall furnish or cause to be furnished to the Managers forthwith a certificate of the Company’s Chief Financial Officer, dated and delivered the date of such Representation Date, in form satisfactory to the Managers, providing “management comfort” with respect to certain financial data included or incorporated by reference in the Disclosure Package and the Prospectus. The requirement to provide certificates from the Chief Financial Officer pursuant to this paragraph shall be waived for any Representation Date described in clause (ii) of the definition thereof occurring at a time at which no instruction to any Manager to sell Shares pursuant to this Agreement has been delivered by the Company or is pending. Notwithstanding the foregoing, if the Company subsequently decides to sell Shares following any such Representation Date when the Company relied on such waiver and did not provide the Managers the certificates from the Chief Financial Officer described in the first sentence of this paragraph, then before the Company instructs a Manager to sell Shares pursuant to this Agreement, the Company shall provide the Managers with such certificates.

(p) At each Representation Date and at each time as may be reasonably requested by the Managers, the Company will conduct a due diligence session, in form and substance satisfactory to the Manager, which shall include representatives of the management and the independent accountants of the Company. The Company shall cooperate timely with any reasonable due diligence request from or review conducted by the Managers or their agents from time to time in connection with the transactions contemplated by this Agreement, including, without limitation, providing information and available documents and access to appropriate corporate officers and the Company's agents during regular business hours and at the Company's principal offices, and timely furnishing or causing to be furnished such certificates, letters and opinions from the Company, its officers and its agents, as the Managers may reasonably request. The requirement to conduct a due diligence session and cooperate with any due diligence efforts of the Managers shall be waived for any Representation Date described in clause (ii) of the definition thereof occurring at a time at which no instruction to any Manager to sell Shares pursuant to this Agreement has been delivered by the Company or is pending. Notwithstanding the foregoing, if the Company subsequently decides to sell Shares following any such Representation Date when the Company relied on such waiver and did not conduct a due diligence review or cooperate with any due diligence efforts of the Managers, then before the Company instructs a Manager to sell Shares pursuant to this Agreement, the Company shall conduct such due diligence session and cooperate with the due diligence efforts of the Managers.

(q) The Company consents to each Manager trading in the Common Stock for such Manager's own account and for the account of its clients before, at the same time as, or after sales of the Shares occur pursuant to this Agreement or pursuant to a Terms Agreement.

(r) The Company will disclose in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, as applicable, the number of Shares sold through the Managers under this Agreement, the Net Proceeds to the Company and the compensation paid by the Company with respect to sales of Shares pursuant to this Agreement during the relevant quarter.

(s) If to the knowledge of the Company, the conditions set forth in Section 6(a), 6(f) or 6(h) shall not be true and correct on the applicable Settlement Date, the Company will offer to any person who has agreed to purchase Shares from the Company as the result of an offer to purchase solicited by a Designated Manager the right to refuse to purchase and pay for such Shares.

(t) Each acceptance by the Company of an offer to purchase the Shares hereunder, and each execution and delivery by the Company of a Terms Agreement, shall be deemed to be an affirmation to the Designated Manager, or the Manager(s) party to a Terms Agreement, as the case may be, that the representations and warranties of the Company contained in or made pursuant to this Agreement are true and correct as of the date of such acceptance or of such Terms Agreement as though made at and as of such date, and an undertaking that such representations and warranties will be true and correct as of the Settlement Date for the Shares relating to such acceptance or as of the Time of Delivery relating to such sale, as the case may be, as though made at and as of such date (except that such representations and warranties shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented relating to such Shares).

(u) The Company shall ensure that there are at all times sufficient shares of Common Stock to provide for the issuance, free of any preemptive rights, out of its authorized but unissued shares of Common Stock or shares of Common Stock held in treasury, of the maximum aggregate number of Shares authorized for issuance by the Board pursuant to the terms of this Agreement. The Company will use its commercially reasonable efforts to cause the Shares to be listed for trading on the NYSE and to maintain such listing.

(v) During any period when the delivery of a prospectus relating to the Shares is required (including in circumstances where such requirement may be satisfied pursuant to Rule 172) to be delivered under the Securities Act, the Company will file all documents required to be filed with the Commission pursuant to the Exchange Act within the time periods required by the Exchange Act and the regulations thereunder.

(w) The Company shall cooperate with the Managers and use its reasonable efforts to permit the Shares to be eligible for clearance and settlement through the facilities of DTC.

(x) The Company will apply the Net Proceeds from the sale of the Shares in the manner set forth in the Prospectus.

(y) The Company will disclose in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, as applicable, with regard to the relevant quarter, the number of Shares sold by or through the Managers pursuant to this Agreement, the Net Proceeds to the Company and the compensation paid by the Company with respect to such sale of the Shares pursuant to this Agreement.

5. Payment of Expenses.

(a) The Company agrees to pay the costs and expenses incident to the performance of its obligations under this Agreement, whether or not the transactions contemplated hereby are consummated, including without limitation: (i) the preparation, printing or reproduction and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), the Prospectus and each Issuer Free Writing Prospectus, and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the Registration Statement, the Prospectus, and each Issuer Free Writing Prospectus, and all amendments or supplements to any of them, as may, in each case, be reasonably requested for use in connection with the offering and sale of the Shares; (iii) the preparation, printing, authentication, issuance and delivery of certificates for the Shares, including any stamp or transfer taxes in connection with the original issuance and sale of the Shares; (iv) the printing (or reproduction) and delivery of this Agreement, any blue sky memorandum and all other agreements or documents printed (or reproduced) and delivered in connection with the offering of the Shares; (v) the registration of the Shares under the Exchange Act and the listing of the Shares on the NYSE; (vi) any registration or qualification of the Shares for offer and sale under the securities or blue sky laws of the several states (including filing fees and the reasonable fees and expenses of counsel for the Managers relating to such registration and qualification); (vii) any filings required to be made with the Financial Industry Regulatory Authority, Inc. ("FINRA") (including filing fees and the reasonable fees and expenses of counsel for the Managers relating to such filings); (viii) the transportation and other expenses incurred by or on behalf of Company representatives in connection with presentations to prospective purchasers of the Shares; (ix) the fees and expenses of the Company's accountants and the fees and expenses of counsel (including local and special counsel) for the Company; (x) the reasonable documented out-of-pocket expenses of the Managers, including the reasonable fees, disbursements and expenses of counsel for the Managers in connection with this Agreement and the Registration Statement and ongoing services in connection with the transactions contemplated hereunder, in an amount not to exceed (A) \$40,000 arising out of executing this Agreement and the filing of the Prospectus Supplement and (B) in an amount not to exceed \$10,000 per each quarter thereafter (solely for any quarter that includes a Representation Date) (xi) all other costs and expenses incident to the performance by the Company of its obligations hereunder.

6. Conditions to the Obligations of the Managers. The obligations of the Managers under this Agreement and any Terms Agreement shall be subject to (i) the accuracy of the representations and warranties on the part of the Company contained herein as of the Execution Time, each Representation Date, and as of each Applicable Time, Settlement Date and Time of Delivery, (ii) to the performance by the Company of its obligations hereunder and (iii) the following additional conditions:

(a) The Prospectus, and any supplement thereto, required by Rule 424 to be filed with the Commission have been filed in the manner and within the time period required by Rule 424(b) with respect to any sale of Shares; each Interim Prospectus Supplement, if any, shall have been filed in the manner required by Rule 424(b) within the time period required by Section 3(a)(ix) of this Agreement; any material required to be filed by the Company pursuant to Rule 433(d) under the Securities Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; and no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use shall have been issued and no proceedings for that purpose shall have been instituted or threatened.

(b) The Company shall have requested and caused the Company Counsel, to furnish to the Managers, on every date specified in Section 4(l) of this Agreement, its opinion, in form and substance reasonably satisfactory to the Managers and counsel for the Managers.

(c) The Managers shall have received from Latham & Watkins LLP, counsel for the Managers, on every date specified in Section 4(m) of this Agreement, such opinion or opinions, dated as of such date and addressed to the Manager, with respect to the issuance and sale of the Shares, the Registration Statement, the Disclosure Package, the Prospectus (together with any supplement thereto) and other related matters as the Manager may reasonably require, and the Company shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(d) The Company shall have furnished or caused to be furnished to the Managers, on every date specified in Section 4(k) of this Agreement, a certificate of the Company, signed by the President or Chief Executive Officer and the principal financial or accounting officer of the Company, dated as of such date, to the effect that the signers of such certificate have carefully examined the Registration Statement, the Disclosure Package and the Prospectus and any supplements or amendments thereto and this Agreement and that:

(i) the representations and warranties of the Company in this Agreement are true and correct on and as of such date with the same effect as if made on such date and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to such date;

(ii) no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, threatened; and

(iii) since the date of the most recent financial statements included in the Disclosure Package, there has been no material adverse effect on the condition (financial or otherwise), prospects, earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Prospectus.

(e) The Company shall have requested and caused the Accountants to have furnished to the Managers, on every date specified in Section 4(n) hereof and to the extent requested by the Managers in connection with any offering of the Shares, letters (which may refer to letters previously delivered to the Managers), dated as of such date in form and substance reasonably satisfactory to the Managers containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement and the Prospectus.

(f) Since the respective dates as of which information is disclosed in the Registration Statement, the Disclosure Package and the Prospectus, except as otherwise stated therein, there shall not have been (i) any change or decrease specified in the letter or letters referred to in paragraph (e) of this Section 6 or (ii) any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), earnings, business or properties of the Company and its subsidiaries taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package, the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Managers, so material and adverse as to make it impractical or inadvisable to proceed with the offering or delivery of the Shares as contemplated by the Registration Statement, the Disclosure Package and the Prospectus.

(g) The Company shall have furnished or caused to be furnished to the Managers, on every date specified in Section 4(o) of this Agreement, a certificate, signed by the Chief Financial Officer of the Company, dated as of such date, providing “management comfort” with respect to certain financial data included or incorporated by reference in the Disclosure Package and the Prospectus.

(h) Between the Execution Time and the time of any sale of Shares through the Manager, there shall not have been any decrease in the rating of any of the Company’s debt securities by any “nationally recognized statistical rating organization” (as defined for purposes of Rule 436(g) under the Securities Act) or any notice given of any intended or potential decrease in any such rating or of a possible change in any such rating that does not indicate the direction of the possible change.

(i) FINRA shall not have raised any objection with respect to the fairness and reasonableness of the terms and arrangements under this Agreement.

(j) The Shares shall have been listed and admitted and authorized for trading on the NYSE, and satisfactory evidence of such actions shall have been provided to the Managers.

(k) Prior to each Settlement Date and Time of Delivery, as applicable, the Company shall have furnished to Designated Managers such further information, certificates and documents as the Designated Manager may reasonably request.

If any of the conditions specified in this Section 6 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Managers and counsel for the Managers, this Agreement and all obligations of the applicable Manager hereunder may be canceled at, or at any time prior to, any Settlement Date or Time of Delivery, as applicable, by such Manager. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 6 shall be delivered at the office of Latham & Watkins LLP, counsel for the Managers, at 885 Third Avenue, New York, New York 10022, on each such date as provided in this Agreement.

7. Indemnification and Contribution.

(a) The Company agrees to indemnify and hold harmless each Manager, the directors, officers, employees, affiliates and agents of each Manager and each person who controls any Manager within the meaning of either the Securities Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the registration statement for the registration of the Shares as originally filed or in any amendment thereof, or in the Base Prospectus, the Prospectus Supplement, any Interim Prospectus Supplement, the Prospectus, or any Issuer Free Writing Prospectus, or in any amendment thereof or supplement thereto or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by the Managers specifically for inclusion therein. This indemnity agreement will be in addition to any liability that the Company may otherwise have. The Company acknowledges that the name and contact information of each Manager in the Prospectus Supplement and the Prospectus constitute the only information furnished in writing by or on behalf of the Managers for inclusion in the Prospectus Supplement, the Prospectus or any Issuer Free Writing Prospectus.

(b) Each Manager agrees, severally and not jointly, to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement, and each person who controls the Company within the meaning of either the Securities Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company to the Manager, but only with reference to written information relating to the Manager furnished to the Company by the Manager specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which the Manager may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 7, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ one separate counsel (and one local counsel in each relevant jurisdiction), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent: (i) includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 7 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Company, on the one hand, and each Manager, on the other hand, agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) (collectively “Losses”) to which the Company and the Managers may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by each Manager on the other from the offering of the Shares. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company, on the one hand, and each Manager, on the other hand, severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of such Manager on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by such Manager shall be deemed to be equal to the gross compensation received by such Manager with respect to the Shares sold under this Agreement, in each case as determined by this Agreement or any applicable Terms Agreement. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or such Manager on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Managers agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), in no event shall any Manager be required to contribute any amount in excess of the amount by which the gross compensation, applicable to the Shares purchased by such Manager hereunder exceeds the amount of any damages that such Manager has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. The Managers’ obligations to contribute pursuant to this paragraph (d) are several and not joint. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 7, each person who controls a Manager within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee, affiliate and agent of a Manager shall have the same rights to contribution as such Manager, and each person who controls the Company within the meaning of either the Securities Act or the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this paragraph (d).

8. Termination.

(a) The Company shall have the right, by giving written notice as hereinafter specified, to terminate the provisions of this Agreement relating to the solicitation of offers to purchase the Shares in its sole discretion at any time. Any such termination shall be without liability of any party to any other party except that (i) if Shares have been sold through the Manager for the Company, then Section 4(s) shall remain in full force and effect, (ii) with respect to any pending sale, through the Manager for the Company, the obligations of the Company, including in respect of compensation of the Manager, shall remain in full force and effect notwithstanding the termination and (iii) the provisions of Sections 2, 5, 7, 10, 11, 13 and 15 of this Agreement shall remain in full force and effect notwithstanding such termination.

(b) Each Manager shall have the right, by giving written notice as hereinafter specified, to terminate the provisions of this Agreement relating to the solicitation of offers to purchase the Shares in its sole discretion at any time, with respect to such Manager only. Any such termination shall be without liability of any party to any other party except that the provisions of Sections 2, 5, 7, 10, 11, 13 and 15 of this Agreement shall remain in full force and effect with respect to such Manager notwithstanding such termination. Following any such termination by a Manager, this Agreement shall remain in effect as to each other Manager that has not exercised its right to terminate the provisions of this Agreement pursuant to this Section 8(b) and any obligations and rights of the Managers under this Agreement shall be satisfied by or afforded to, as applicable, only such other Managers.

(c) This Agreement shall remain in full force and effect unless terminated pursuant to Sections 8(a) or (b) above or otherwise by mutual agreement of the parties; provided that any such termination by mutual agreement shall in all cases be deemed to provide that Sections 2, 5, 7 and 10 shall remain in full force and effect.

(d) Any termination of this Agreement shall be effective on the date specified in such notice of termination; provided that such termination shall not be effective until the close of business on the date of receipt of such notice by the Manager or the Company, as the case may be. If such termination shall occur prior to the Settlement Date or Time of Delivery for any sale of the Shares, such sale shall settle in accordance with the provisions of Section 3(a)(vii) of this Agreement.

(e) In the case of any purchase of Shares by the Manager pursuant to a Terms Agreement, the obligations of the Manager pursuant to such Terms Agreement shall be subject to termination, in the absolute discretion of the Manager, by notice given to the Company prior to the Time of Delivery relating to such Shares, if at any time prior to such delivery and payment (i) trading in the Company's Common Stock shall have been suspended by the Commission or the NYSE or trading in securities generally on the NYSE shall have been suspended or limited or minimum prices shall have been established on such exchange, (ii) a banking moratorium shall have been declared either by Federal or New York State authorities or (iii) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war, or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Manager, impractical or inadvisable to proceed with the offering or delivery of the Shares as contemplated by the Prospectus.

9. Recognition of the U.S. Special Resolution Regimes.

Ladies and Gentlemen:

We have acted as counsel to AMC Entertainment Holdings, Inc., a Delaware corporation (the “Company”), in connection with the authorization of the possible issuance and sale from time to time, on a delayed basis, by the Company of up to 50,000,000 shares (the “Shares”) of Class A common stock, par value \$0.01 per share, of the Company (the “Common Stock”), in at-the-market offerings, pursuant to the Company’s Registration Statement on Form S-3 filed on December 30, 2020 (the “Registration Statement”) with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended (the “Securities Act”).

In so acting, we have examined originals or copies (certified or otherwise identified to our satisfaction) of (i) the Registration Statement and the form of prospectus included therein, (ii) the Prospectus Supplement dated January 25, 2021, (the “Prospectus Supplement”) which forms a part of the Registration Statement, (iii) the Third Amended and Restated Certificate of Incorporation of the Company filed with the Secretary of State of the State of Delaware, (iv) the Third Amended and Restated Bylaws of the Company, (v) the equity distribution agreement, dated as of January 25, 2021, by and among the Company, Goldman Sachs & Co. In such examination, we have assumed the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies, and the authenticity of the originals of such latter documents. As to all questions of fact material to this opinion that have not been independently established, we have relied upon certificates or comparable documents of officers and representatives of the Company.

Based on the foregoing, and subject to the qualifications stated herein, we are of the opinion that the issuance of the Shares has been duly authorized and, when and if issued and delivered by the Company against payment therefor in accordance with the Distribution Agreement will be validly issued, fully paid and non-assessable.

The opinion expressed herein is limited to the corporate laws of the State of Delaware and we express no opinion as to the effect on the matters covered by this letter of the laws of any other jurisdiction.
