Explanation of Responses:

- On December 4, 2018, the Issuer's outstanding shares of Class B Common Stock ceased to represent at least 10% of all outstanding shares of Class A Common Stock and Class B Common Stock. As a result, each share of the Issuer's Class B Common Stock automatically converted into one share of Class A Common Stock pursuant to the Issuer's amended and restated certificate of incorporation.
- In connection with the automatic conversion described in footnote (1), outstanding Class B Common Stock options that were issued under the Issuer's 2009

Equity Incentive Plan remain unchanged, except that the underlying shares are now Class A Common Stock.

- (3) This option is fully vested.
- (4) The option vests in twenty-four (24) equal monthly installments beginning one month from August 26, 2018. The option shall be subject to accelerated vesting as set forth in optionee's employment agreement with the Issuer.
- (5) The option vests in twelve (12) equal monthly installments beginning one month from September 15, 2020. The option shall be subject to accelerated vesting if, at any time, the Issuer terminates Optionholder's employment other than for Cause or Optionholder resigns for Good Reason, twenty-five percent (25%) of the unvested shares subject to the Option shall vest effective as of the termination or resignation date. If, on or within eighteen (18) months after a Change in Control, Optionholder's employment with the Issuer terminates either by the Issuer (or its successor) other than for Cause, or by Optionholder due to a resignation for Good Reason, all then-unvested outstanding shares subject to the Option shall vest in full effective as of the termination or resignation date.
- (6) The option vests in twelve (12) equal monthly installments beginning one month from January 1, 2020. The option shall be subject to accelerated vesting in accordance with the terms of the Issuer's change in control severance benefit plan.
- (7) The option vests in twelve (12) equal monthly installments beginning one month from January 1, 2021. The option shall be subject to accelerated vesting in accordance with the terms of the Issuer's change in control severance benefit plan.
