EXPLANATORY NOTE

This report combines the quarterly reports on Form 10-Q for the period ended March 31, 2026 of Hudson Pacific Properties, Inc., a Maryland corporation, and Hudson Pacific Properties, L.P., a Maryland limited partnership. Unless otherwise indicated or unless the context requires otherwise, all references in this report to “we,” “us,” “our,” or “our Company” refer to Hudson Pacific Properties, Inc. together with its consolidated subsidiaries, including Hudson Pacific Properties, L.P. In statements regarding qualification as a REIT, such terms refer solely to Hudson Pacific Properties, Inc. Unless otherwise indicated or unless the context requires otherwise, all references to “our operating partnership” or “the operating partnership” refer to Hudson Pacific Properties, L.P. together with its consolidated subsidiaries.

Hudson Pacific Properties, Inc. is a real estate investment trust, or REIT, and the sole general partner of our operating partnership. As of March 31, 2026, Hudson Pacific Properties, Inc. owned approximately 96.6% of the ownership interest in our operating partnership (including unvested restricted units). The remaining approximately 3.4% interest was owned by certain of our executive officers and directors, certain of their affiliates and other outside investors and includes unvested operating partnership performance units. As the sole general partner of our operating partnership, Hudson Pacific Properties, Inc. has the full, exclusive and complete responsibility for our operating partnership’s day-to-day management and control.

We believe combining the quarterly reports on Form 10-Q of Hudson Pacific Properties, Inc. and the operating partnership into this single report results in the following benefits:

- enhancing investors’ understanding of our Company and our operating partnership by enabling investors to view the business as a whole in the same manner as management views and operates the business;
- eliminating duplicative disclosure and providing a more streamlined and readable presentation because a substantial portion of the disclosures apply to both our Company and our operating partnership; and
- creating time and cost efficiencies through the preparation of one combined report instead of two separate reports.

There are a few differences between our Company and our operating partnership, which are reflected in the disclosures in this report. We believe it is important to understand the differences between our Company and our operating partnership in the context of how we operate as an interrelated, consolidated company. Hudson Pacific Properties, Inc. is a REIT, the only material assets of which are the units of partnership interest in our operating partnership. As a result, Hudson Pacific Properties, Inc. does not conduct business itself, other than acting as the sole general partner of our operating partnership, issuing equity from time to time and guaranteeing certain debt of our operating partnership. Hudson Pacific Properties, Inc. itself does not issue any indebtedness but guarantees some of the debt of our operating partnership. Our operating partnership, which is structured as a partnership with no publicly traded equity, holds substantially all of the assets of our Company and conducts substantially all of our business. Except for net proceeds from equity issuances by Hudson Pacific Properties, Inc., which are generally contributed to our operating partnership in exchange for units of partnership interest in our operating partnership, our operating partnership generates the capital required by our Company’s business through its operations, its incurrence of indebtedness or through the issuance of units of partnership interest in our operating partnership.

Non-controlling interest, stockholders’ equity and partners’ capital are the main areas of difference between the consolidated financial statements of our Company and those of our operating partnership. The common units in our operating partnership are accounted for as partners’ capital in our operating partnership’s consolidated financial statements and, to the extent not held by our Company, as a non-controlling interest in our Company’s consolidated financial statements. The differences between stockholders’ equity, partners’ capital and non-controlling interest result from the differences in the equity issued by our Company and our operating partnership.

To help investors understand the significant differences between our Company and our operating partnership, this report presents the consolidated financial statements separately for our Company and our operating partnership. All other sections of this report, including “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and “Quantitative and Qualitative Disclosures About Market Risk,” are presented together for our Company and our operating partnership.

In order to establish that the Chief Executive Officer and the Chief Financial Officer of each entity have made the requisite certifications and that our Company and our operating partnership are compliant with Rule 13a-15 or Rule 15d-15 of the Securities Exchange Act of 1934, or the Exchange Act and 18 U.S.C. §1350, this report also includes separate Part I, Item 4 “Controls and Procedures” sections and separate Exhibit 31 and 32 certifications for each of Hudson Pacific Properties, Inc. and our operating partnership.

Basis of Presentation

The accompanying consolidated financial statements of the Company and the operating partnership are prepared in accordance with generally accepted accounting principles in the United States ("GAAP") applicable to interim financial information and with the instructions to Form 10-Q and Rule 10-01 of Regulation S-X. Certain information and footnote disclosures required for annual financial statements have been condensed or excluded pursuant to the Securities and Exchange Commission ("SEC") rules and regulations. Accordingly, the interim financial statements do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, the accompanying interim financial statements reflect all adjustments of a normal and recurring nature that are considered necessary for a fair presentation of the results for the interim periods presented.

The results of operations for the interim periods are not necessarily indicative of the results that may be expected for the year ending December 31, 2026. The interim consolidated financial statements should be read in conjunction with the consolidated financial statements in the 2025 Annual Report on Form 10-K of Hudson Pacific Properties, Inc. and Hudson Pacific Properties, L.P. and the notes thereto.

Reverse Stock Split and Partnership Agreement Amendment

On December 1, 2025, the Company effected a one-for-seven reverse stock split of its common stock (the "Reverse Stock Split"). Immediately following the Reverse Stock Split, the Company amended its charter to decrease the par value of the Company's common stock from \$0.07 per share back to \$0.01 per share and decrease the number of authorized shares from 740,800,000 shares (consisting of 722,400,000 shares of common stock and 18,400,000 shares of preferred stock) to 121,600,000.

On December 1, 2025, the Company, as general partner of Hudson Pacific Properties, L.P., executed the Sixth Amended and Restated Agreement of Limited Partnership of Hudson Pacific Properties, L.P. to give effect to a one-for-seven reverse unit split (the "Reverse Unit Split") of the common units, LTIP units and performance units of the Operating Partnership, which corresponds to the Reverse Stock Split described above.

All common share, common unit, LTIP unit, performance unit, per-share and per-unit amounts in the accompanying consolidated financial statements and notes to the consolidated financial statements have been retroactively restated to reflect the effect of the Reverse Stock Split and Reverse Unit Split.

Principles of Consolidation

The unaudited interim consolidated financial statements of the Company include the accounts of the Company, the operating partnership and all wholly-owned and controlled subsidiaries. The consolidated financial statements of the operating partnership include the accounts of the operating partnership and all wholly-owned and controlled subsidiaries. All intercompany balances and transactions have been eliminated in the consolidated financial statements.

As of March 31, 2026, the Company has determined that its operating partnership and 18 joint ventures met the definition of a VIE. 10 of these joint ventures are consolidated and eight are unconsolidated.

Consolidated Joint Ventures

As of March 31, 2026, the operating partnership has determined that 10 of its joint ventures met the definition of a VIE and are consolidated:

Entity	Property	Ownership Interest
Hudson One Ferry REIT, L.P.	Ferry Building	55.0 %
Sunset Bronson Entertainment Properties, LLC	Sunset Bronson Studios, ICON, CUE	51.0 %
Sunset Gower Entertainment Properties, LLC	Sunset Gower Studios	51.0 %
Sunset 1440 North Gower Street, LLC	Sunset Gower Studios	51.0 %
Sunset Las Palmas Entertainment Properties, LLC	Sunset Las Palmas Studios, Harlow	51.0 %
Sunset Services Holdings, LLC	None ⁽¹⁾	51.0 %
Sunset Studios Holdings, LLC	EPIC	51.0 %
Hudson Media and Entertainment Management, LLC	None ⁽²⁾	51.0 %
Hudson 6040 Sunset, LLC	6040 Sunset	51.0 %
Hudson 1918 Eighth, L.P.	1918 Eighth	55.0 %

1. Sunset Services Holdings, LLC is the taxable REIT subsidiary ("TRS") which wholly owns Services Holdings, LLC, which owns 100% interests in Sunset Bronson Services, LLC, Sunset Gower Services, LLC and Sunset Las Palmas Services, LLC, which are the TRS subsidiaries related to Sunset Bronson Studios, Sunset Gower Studios and Sunset Las Palmas Studios, respectively.

2. Hudson Media and Entertainment Management, LLC manages the following properties: Sunset Gower Studios, Sunset Bronson Studios, Sunset Las Palmas Studios, 6040 Sunset, ICON, CUE, EPIC and Harlow (collectively, "Hollywood Media Portfolio").

As of March 31, 2026 and December 31, 2025, the Company has determined that its operating partnership met the definition of a VIE and is consolidated.

Substantially all of the assets and liabilities of the Company are related to the operating partnership VIE. The assets and credit of certain VIEs can only be used to satisfy those VIEs' own contractual obligations, and the VIEs' creditors have no recourse to the general credit of the Company.

Unconsolidated Joint Ventures

As of March 31, 2026, the Company has determined it is not the primary beneficiary of eight of its joint ventures that are VIEs. Due to its significant influence over the unconsolidated entities, the Company accounts for them using the equity method of accounting. Under the equity method, the Company initially records the investment at cost and subsequently adjusts for equity in earnings or losses and cash contributions and distributions. Refer to Note 5 for further details regarding our investments in unconsolidated joint ventures.

Hudson Pacific Properties, Inc. and Hudson Pacific Properties, L.P.
Notes to Unaudited Consolidated Financial Statements
(Unaudited, tabular amounts in thousands, except square footage, share and unit data)

In the third quarter of 2025, a cash sweep for Sunset Glenoaks Studios commenced in accordance with the terms of the agreement for the loan secured by the property. As a result, the Company updated its VIE assessment of Sun Valley Peoria, LLC, the owner of Sunset Glenoaks Studios, and Sun Valley Services, LLC, the related TRS, and concluded that it is no longer the VIEs' primary beneficiary as it does not have the power to direct the activities of the VIEs that most significantly impact the VIEs' economic performance. Therefore, the VIEs are no longer consolidated and are now accounted for using the equity method of accounting as the Company determined that it continues to have significant influence over the entities.

11. Income Taxes

Hudson Pacific Properties, Inc. has elected to be taxed as a REIT under the Internal Revenue Code of 1986, as amended (the "Code"), commencing with its taxable year ended December 31, 2010. Provided that it continues to qualify for taxation as a REIT, Hudson Pacific Properties, Inc. is generally not subject to corporate-level income tax on the earnings distributed currently to its stockholders.

Hudson Pacific Properties, Inc. and Hudson Pacific Properties, L.P.
Notes to Unaudited Consolidated Financial Statements
(Unaudited, tabular amounts in thousands, except square footage, share and unit data)

In general, the Company's property-owning subsidiaries are limited liability companies and are treated as pass-through entities or disregarded entities (or, in the case of the entities that own the 1455 Market, Hill7, Ferry Building and 1918 Eighth properties, REITs) for federal income tax purposes. Accordingly, no provision has been made for federal income taxes in the accompanying consolidated financial statements for the activities of these entities. In the case of the Bentall Centre property and the Sunset Waltham Cross Studios development, the Company owns its interest in the properties through non-U.S. entities treated as taxable REIT subsidiaries ("TRS") for federal income tax purposes. Accordingly, a provision for foreign income taxes has been recorded in the accompanying consolidated financial statements based on the local tax laws and regulations of the respective tax jurisdictions.

The Company has elected, together with certain of its subsidiaries, to treat each such subsidiary as a TRS for federal income tax purposes. Certain activities that the Company may undertake, such as non-customary services for the Company's tenants and holding assets that the Company cannot hold directly, will be conducted by a TRS. A TRS is subject to federal and, where applicable, state income taxes on its net income. During the three months ended March 31, 2026 and 2025, the Company recorded an income tax provision of \$0.3 million and \$0.2 million, respectively.

Deferred tax assets and liabilities are recognized for the net tax effect of temporary differences between the financial statement carrying amounts of assets and liabilities and their respective tax bases. A valuation allowance is recognized when it is determined that it is more likely than not that a deferred tax asset will not be realized. Considering all available evidence, the realizability of the Company's deferred tax assets is not reasonably assured; therefore, the Company has recorded a valuation allowance against substantially all of its deferred tax assets as of March 31, 2026 and December 31, 2025. As additional evidence to support the realizability of the deferred tax assets becomes available, the Company may reverse the valuation allowance.

The Company is subject to the statutory requirements of the states in which it conducts business.

The Company periodically evaluates its tax positions to determine whether it is more likely than not that such positions would be sustained upon examination by a tax authority for all open tax years, as defined by the statute of limitations, based on their technical merits. As of March 31, 2026, the Company has not established a liability for uncertain tax positions.

The Company and certain of its TRSs file income tax returns with the U.S. federal government and various state and local jurisdictions. The Company and its TRSs are no longer subject to tax examinations by tax authorities for years prior to 2021. The Company has assessed its tax positions for all open years, which as of March 31, 2026 included 2022 to 2024 for federal purposes and 2021 to 2024 for state purposes, and concluded that there are no material uncertainties to be recognized.

The Company's financial assets and liabilities measured and reported at fair value on a recurring basis include the following as of:

	March 31, 2026				December 31, 2025			
	Level 1	Level 2	Level 3	Total	Level 1	Level 2	Level 3	Total
Interest rate derivative assets ⁽¹⁾	\$ —	\$ 1,270	\$ —	\$ 1,270	\$ —	\$ 3,360	\$ —	\$ 3,360
Interest rate derivative liabilities ⁽²⁾	\$ —	\$ (407)	\$ —	\$ (407)	\$ —	\$ (1,406)	\$ —	\$ (1,406)
Non-real estate investments measured at NAV ⁽¹⁾⁽³⁾	\$ —	\$ —	\$ —	\$ 46,321	\$ —	\$ —	\$ —	\$ 47,693

1. Included in prepaid expenses and other assets, net on the Consolidated Balance Sheets.
2. Included in accounts payable, accrued liabilities and other on the Consolidated Balance Sheets.
3. According to the relevant accounting standards, certain investments that are measured at fair value using the NAV practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Consolidated Balance Sheets.

Level 2 items include interest rate derivatives, which are valued on a quarterly basis using a linear regression model. Fair value measurement using unobservable inputs is inherently uncertain, and a change in significant inputs could result in different fair values.

Other Financial Instruments

The carrying values of cash and cash equivalents, restricted cash, accounts receivable, accounts payable and accrued liabilities are reasonable estimates of fair value, using Level 1 inputs, because of the short-term nature of these instruments. The fair values of debt are estimates based on rates currently prevailing for similar instruments of similar maturities using Level 2 inputs.

14. Share/Unit-Based Compensation

The Company's 2010 Incentive Plan permits the Company's board of directors (the "Board") to grant, among other things, restricted stock, restricted stock units, operating partnership performance units and performance-based awards. As of March 31, 2026, 0.9 million common shares were available for grant under the 2010 Plan. The calculation of shares available for grant is determined after taking into account unvested restricted stock, unvested operating partnership performance units and unvested RSUs, assuming the maximum bonus pool eligible ultimately is earned and based on a stock price of \$5.91.

The Board awards restricted shares to non-employee Board members on an annual basis as part of such Board members' annual compensation and to newly elected non-employee Board members in accordance with the Non-Employee Director Compensation Program. The time-based awards are generally issued in the second quarter, in conjunction with the director's election to the Board, and the individual share awards vest in equal annual installments over the applicable service vesting period, which is three years.

The Board awards time-based restricted shares, time-based cash settled restricted shares, or time-based operating partnership performance units to certain employees on an annual basis as part of the employees' annual compensation. These time-based awards are generally issued in the first or fourth quarter and vest in equal annual installments over the applicable service vesting period, which is generally three years. Additionally, certain awards are subject to a mandatory holding period upon vesting if the grantee is an executive officer.

For 2023, the compensation committee of the Board ("Compensation Committee") adopted an annual Hudson Pacific Properties, Inc. Performance Stock Unit Plan ("PSU Plan"). Under the PSU Plan, the Compensation Committee awards restricted stock units or performance units in the operating partnership to certain employees. The 2023 PSU Plan grants contain Operational Performance Units, which are eligible to vest based on the achievement of operational metrics over a one-year performance period and vest over three years. The number of Operational Performance Units that becomes eligible to vest based on the achievement of operational performance metrics may be adjusted based on the Company's achievement of the Company's Relative Total Shareholder Return ("TSR") compared to the TSR of the FTSE NAREIT All Equity REITs index over a three-year performance period. Certain of the awards granted under the PSU Plan are subject to a two-year post-vesting restriction period, during which any awards earned may not be sold or transferred.

For 2024, the Compensation Committee adopted an annual equity award program for its top three executive officers consisting of a grant of time-based operating partnership performance units and a grant of market-based operating partnership performance units. The time-based awards were to vest in equal annual installments over the applicable service vesting period, which was five years. The market-based awards were to vest upon satisfaction of both the performance and service-based requirements. In June 2025, the top three executive officers agreed to a cancellation of their 2024 performance unit equity awards, which resulted in the accelerated recognition of the remaining unamortized compensation expense of \$14.3 million during the second quarter of 2025, which was recorded in general and administrative on the Consolidated Statement of Operations.

The Compensation Committee did not adopt a performance-based equity award program for 2025.

For 2026, the Compensation Committee adopted an annual equity award program for five of its executive officers consisting of a grant of time-based operating partnership performance units and a grant of market-based operating partnership performance units. The time-based awards will vest in equal annual installments over the applicable service vesting period, which is three years. The market-based awards will vest upon satisfaction of both the performance and service-based requirements. The quantity earned is based on the achievement of relative total shareholder return goals over the three-year performance period commencing January 1, 2026 and ending December 31, 2028. The awards will satisfy the service-based requirement subject to the executives' continued service with the Company through December 31, 2028. The awards are also subject to a two-year post-vesting restriction period, during which any awards earned may not be sold or transferred.

15. Earnings Per Share

Hudson Pacific Properties, Inc.

The Company calculates basic earnings per share using the two-class method by dividing the net income available to common stockholders for the period by the weighted average number of common shares outstanding during the period. Unvested time-based restricted stock awards, unvested time-based performance unit awards and unvested restricted stock units ("RSUs") that contain non-forfeitable rights to dividends are participating securities and are included in the computation of earnings per share pursuant to the two-class method. The Company calculates diluted earnings per share using the two-class method or the treasury stock and if-converted method, whichever results in more dilution. For the three months ended March 31, 2026 and 2025, both methods of calculation yielded the same diluted earnings per share amount. Diluted earnings per share reflects the potential dilution that could occur if securities or other contracts to issue common stock were exercised or converted into common stock, where such exercise or conversion would result in a lower earnings per share amount.

The following table reconciles the numerator and denominator in computing the Company's basic and diluted earnings per share to net loss available to common stockholders:

	Three Months Ended March 31,	
	2026	2025
Numerator:		
Basic and diluted net loss available to common stockholders	\$ (53,131)	\$ (74,708)

1. Basic weighted average common shares outstanding includes common shares issuable upon the exercise of pre-funded warrants in the amount of 10,223,269 for the three months ended March 31, 2026. The warrants are exercisable at any time for nominal consideration.
2. The Company includes unvested awards and convertible common and participating units as contingently issuable shares in the computation of diluted earnings per share once the market or performance criteria are met, assuming that the end of the reporting period is the end of the contingency period. Any anti-dilutive securities are excluded from the diluted earnings per share calculation.

Hudson Pacific Properties, L.P.

The operating partnership calculates basic earnings per unit using the two-class method by dividing the net income available to common unitholders for the period by the weighted average number of common units outstanding during the period. Unvested time-based restricted stock awards, unvested time-based performance unit awards and unvested RSUs that contain non-forfeitable rights to dividends are participating securities and are included in the computation of earnings per unit pursuant to the two-class method. The operating partnership calculates diluted earnings per unit using the two-class method or the treasury stock and if-converted method, whichever results in more dilution. For the three months ended March 31, 2026 and 2025, both methods of calculation yielded the same diluted earnings per unit amount. conversion would result in a lower earnings per unit amount.

The following table reconciles the numerator and denominator in computing the operating partnership's basic and diluted earnings per unit to net loss available to common unitholders:

	Three Months Ended March 31,

Basic earnings per common unit	\$ (0.82)	\$ (3.69)
Diluted earnings per common unit	\$ (0.82)	\$ (3.69)

1. Basic weighted average common units outstanding includes common units issuable upon the exercise of pre-funded warrants in the amount of 10,223,269 for the three months ended March 31, 2026. The warrants are exercisable at any time for nominal consideration.
2. The operating partnership includes unvested awards as contingently issuable units in the computation of diluted earnings per unit once the market or performance criteria are met, assuming that the end of the reporting period is the end of the contingency period. Any anti-dilutive securities are excluded from the diluted earnings per unit calculation.

16. Redeemable Non-controlling Interest

Redeemable Preferred Units of the Operating Partnership

As of March 31, 2026 and December 31, 2025, there were 111,777 Series A preferred units of partnership interest in the operating partnership, or Series A preferred units, which are not owned by the Company. These Series A preferred units are entitled to preferential distributions at a rate of 6.25% per annum on the liquidation preference of \$25.00 per unit. The units are convertible at the option of the holder into common units or redeemable for cash or, at the Company's election, exchangeable for registered shares of common stock.

Redeemable Non-controlling Interest in Consolidated Real Estate Entities

On October 9, 2018, the Company entered into a joint venture with PIMCO (formerly known as Allianz U.S. Private REIT LP) to purchase the Ferry Building property. The Company has a 55% interest in the joint venture that owns the Ferry Building property. The Company has a put right, if certain events occur, to sell its interest at fair market value. PIMCO has a put right, if certain events occur, to sell its interest at fair market value, which is a redemption right that is not solely within the control of the Company. Therefore, the non-controlling interest related to this joint venture is included as temporary equity. The put right is not currently redeemable.

The following table reconciles the beginning and ending balances of redeemable non-controlling interests:

Non-controlling Interests

Common Units in the Operating Partnership

Common units of the operating partnership and shares of common stock of the Company have essentially the same economic characteristics, as they share equally in the total net income or loss distributions of the operating partnership. Investors who own common units have the right to cause the operating partnership to repurchase any or all of their common units for cash at a value equal to the then-current market value of one share of common stock. However, in lieu of such payment of cash, the Company may, at its election, issue shares of its common stock in exchange for such common units on a one-for-one basis.

Performance Units in the Operating Partnership

Performance units are partnership interests in the operating partnership. Each performance unit awarded will be deemed equivalent to an award of one share of common stock under the 2010 Plan, reducing the availability for other equity awards on a one-for-one basis. Under the terms of the performance units, the operating partnership will revalue its assets for tax purposes upon the occurrence of certain specified events and any increase in valuation from the time of grant until such event will be allocated first to the holders of performance units to equalize the capital accounts of such holders with the capital accounts of common unitholders. Subject to any agreed upon exceptions, once vested and having achieved parity with common unitholders, performance units are convertible into common units in the operating partnership on a one-for-one basis.

Dividends

The Board has historically declared dividends on a quarterly basis and the Company has paid the dividends during the quarters in which the dividends were declared. Declaration of any future dividends will be determined by the Company's Board of Directors after considering the Company's obligations under its various financing agreements, projected taxable income, compliance with its debt covenants, long-term operating projections, expected capital requirements and the risks affecting the Company's business. The following table summarizes dividends per share declared and paid for the periods presented:

Taxability of Dividends

Earnings and profits, which determine the taxability of distributions to stockholders, may differ from income reported for financial reporting purposes due to the differences for federal income tax purposes in the treatment of loss on extinguishment of debt, revenue recognition, compensation expense and the basis of depreciable assets and estimated useful lives used to compute depreciation.

18. Segment Reporting

The Company's reporting segments are based on the Company's method of internal reporting, which classifies its operations into two reportable segments: (i) office properties and related operations and (ii) studio properties and related operations. The Company evaluates performance based upon net operating income of the segment operations. General and administrative expenses and interest expense are not included in segment profit as the Company's internal reporting addresses these items on a corporate level.

The President, Chief Financial Officer and Chief Operating Officer, collectively, are the Company's Chief Operating Decision-Maker ("CODM"). They evaluate performance and allocate resources based on net operating income because it provides relevant and useful information by reflecting only income and operating expense items that are incurred at the segment level and presenting it on an unlevered basis.

Asset information by segment is not reported because the Company does not use this measure to assess performance or make decisions to allocate resources; therefore, depreciation and amortization expense is not allocated among segments. Segment assets consist of investment in real estate, non-real estate property, plant and equipment, net, accounts receivable, net, straight-line rent receivables, net, deferred leasing costs and intangible assets, net, operating lease ROU assets and goodwill. Non-segment assets consist of assets in the Company's corporate non-segment assets, including cash and cash equivalents, restricted cash, prepaid expenses and other assets, net, investment in unconsolidated real estate entities and assets associated with real estate held for sale. Reportable segment asset information is not provided to the CODM as the CODM do not use segment asset information to evaluate the business and allocate resources.

In light of these risks, uncertainties and assumptions, the forward-looking events discussed in this report might not occur.

Forward-looking Statements

Certain written and oral statements made or incorporated by reference from time to time by us or our representatives in this Quarterly Report on Form 10-Q, other filings or reports filed with the SEC, press releases, conferences, or otherwise, are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 (set forth in Section 27A of the Securities Act of 1933, as amended, or the Securities Act, as amended, and Section 21E of the Exchange Act). When used, the words "anticipate," "believe," "expect," "intend," "may," "might," "plan," "estimate," "project," "should," "will," "result" and similar expressions that do not relate solely to historical matters are intended to identify forward-looking statements. Such statements are subject to risks, uncertainties and assumptions and may be affected by known and unknown risks, trends, uncertainties and factors that are beyond our control. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those anticipated, estimated or projected. We expressly disclaim any responsibility to update forward-looking statements, whether as a result of new information, future events or otherwise. Accordingly, investors should use caution in relying on past forward-looking statements, which were based on results and trends at the time they were made, to anticipate future results or trends.

Overview

We had no property acquisitions or dispositions during the three months ended March 31, 2026. No properties were classified as held for sale as of March 31, 2026.

This Quarterly Report on Form 10-Q includes financial measures that are not in accordance with generally accepted accounting principles in the United States ("GAAP"), which are accompanied by what the Company considers the most directly comparable financial measures calculated and presented in accordance with GAAP. The Company presents "HPP's share" of certain of these measures, which are non-GAAP financial measures that are calculated as the measure on a consolidated basis, in accordance with GAAP, plus our Operating Partnership's share of the measure from our unconsolidated joint ventures (calculated based upon the Operating Partnership's percentage ownership interest), minus our partners' share of the measure from our consolidated joint ventures (calculated based upon the partners' percentage ownership interests). We believe that presenting HPP's share of these measures provides useful information to investors regarding the Company's financial condition and/or results of operations because we have several significant joint ventures, and in some cases, we exercise significant influence over, but do not control, the joint venture. In such instances, GAAP requires us to account for the joint venture entity using the equity method of accounting, which we do not consolidate for financial reporting purposes. In other cases, GAAP requires us to consolidate the venture even though our partner(s) own(s) a significant percentage interest. As a result, management believes that presenting HPP's share of various financial measures in this manner can help investors better understand the Company's financial condition and/or results of operations after taking into account its true economic interest in these joint ventures.

Properties are selected for repositioning when an asset or portions of an asset are taken offline for a change of use or if the asset requires significant base building improvements resulting in substantial down time in occupancy. Studio development properties are incorporated into the in-service portfolio on the earlier of the one year anniversary of completion or the project's estimated stabilization date. Office development properties are incorporated into the in-service portfolio on the earlier of reaching 92% occupancy or the project's estimated stabilization date.

Comparison of the Three Months Ended March 31, 2026 to the Three Months Ended March 31, 2025

Net Loss

Net loss decreased \$29.4 million, or 36.6%, to \$50.9 million for the three months ended March 31, 2026 compared to \$80.3 million for the three months ended March 31, 2025. The reasons for the change are discussed below with respect to the decrease in net operating income during the three months ended March 31, 2026, offset by the decrease in depreciation and amortization, general and administrative expenses and the change in other income and expenses.

Net Operating Income

We evaluate performance based upon net operating income ("NOI"). NOI is not a measure of operating results or cash flows from operating activities or cash flows as measured by GAAP and should not be considered an alternative to net income, as an indication of our performance, or as an alternative to cash flows as a measure of liquidity, or our ability to make distributions. All companies may not calculate NOI in the same manner. We consider NOI to be a useful performance measure to investors and management because when compared across periods, NOI reflects the revenues and expenses directly associated with owning and operating our properties and the impact to operations from trends in occupancy rates, rental rates and operating costs, providing a perspective not immediately apparent from net income. We calculate NOI as net income (loss) excluding corporate general and administrative expenses, depreciation and amortization, impairments, gains/losses on sales of real estate, interest expense, interest income, transaction-related expenses and other non-operating items. We define NOI as operating revenues (including rental revenues, other property-related revenue, tenant recoveries and other operating revenues), less property-level operating expenses (which includes external management fees, if any, and property-level general and administrative expenses). NOI on a cash basis is NOI adjusted to exclude the effect of straight-line rent and other non-cash adjustments required by GAAP. We believe that NOI on a cash basis is helpful to investors as an additional measure of operating performance because it eliminates straight-line rent and other non-cash adjustments to revenue and expenses.

Management further analyzes NOI by evaluating the performance from the following groups:

- Same-store properties, which include all of the properties owned and included in our stabilized portfolio as of January 1, 2025 and still owned and included in the stabilized portfolio as of March 31, 2026; and
- Non-same-store, which includes:
 - Stabilized non-same-store properties
 - Lease-up properties
 - Repositioning properties
 - Development properties
 - Redevelopment properties
 - Held for sale properties
 - Operating results from studio service-related businesses

The following table reconciles net loss to NOI (in thousands, except percentage change):

NOI decreased \$4.9 million, or 5.7%, for the three months ended March 31, 2026 as compared to the three months ended March 31, 2025, primarily resulting from:

- a \$4.5 million decrease in same-store NOI driven by:
 - a decrease in office NOI of \$5.9 million primarily due to:
 - a \$3.5 million decrease in rental revenues driven by the 2025 lease terminations and downsizes at our 1455 Market, Hill7, and Concourse properties; and
 - a \$1.5 million decrease in service and other revenues due to a tenant move out at our Shorebreeze property in 2025; partially offset by
 - a \$0.9 million increase in office operating expenses primarily due to higher ground lease expense at our Palo Alto Square property and higher engineering, cleaning, security and owner's expenses at various properties, partially offset by capitalization of expenses at our 901 Market property that is undergoing repositioning, as well as a prior year property tax refund received at our Skyport Plaza property during the first quarter of 2026;
 - further offset by an increase in studio NOI of \$1.4 million driven by higher production activity at our Sunset Gower Studios and Sunset Las Palmas Studios properties during the first quarter of 2026;
- a \$0.4 million decrease in non-same-store NOI driven by:
 - a decrease in office NOI of \$8.2 million primarily resulting from the sales of our Element LA and Foothill Research Center properties in 2025 and increased operating expenses at Washington 1000 that became operational during the first quarter of 2026, partially offset by a reduction of expenses due to the sale of 625 Second in 2025; further offset by
 - an increase in studio NOI of \$7.8 million mainly due to cost savings initiatives at Quixote.

Other (Expenses) Income

Loss from unconsolidated real estate entities

We recorded a \$0.4 million loss from unconsolidated real estate entities for the three months ended March 31, 2026 compared to a loss of \$1.3 million for the three months ended March 31, 2025. The change was primarily driven by mark-to-market adjustments for an interest rate swap that does not qualify for hedge accounting.

Fee income

We recognized fee income of \$1.1 million for the three months ended March 31, 2026 compared to \$1.4 million for the three months ended March 31, 2025. Fee income represents the management fee income earned from our unconsolidated real estate entities.

Interest expense

The following table presents a reconciliation from gross interest expense to the interest expense line item on the Consolidated Statements of Operations:

	Three Months Ended March 31,			
	2026	2025	Dollar Change	Percentage Change
Gross interest expense ⁽¹⁾	\$ 42,185	\$ 49,127	\$ (6,942)	(14.1)%
Capitalized interest	(5,683)	(10,080)	4,397	(43.6)
Non-cash interest expense ⁽²⁾	1,492	4,458	(2,966)	(66.5)
TOTAL	\$ 37,994	\$ 43,505	\$ (5,511)	(12.7)%

1. Includes interest on the Company's debt and hedging activities.

2. Includes the amortization of deferred financing costs and fair market value adjustments for our mark-to-market interest rate derivatives.

Gross interest expense decreased by \$6.9 million or 14.1%, to \$42.2 million for the three months ended March 31, 2026 compared to \$49.1 million for the three months ended March 31, 2025. The decrease was primarily related to a lower outstanding balance on the unsecured line of credit and lower reference rates on our floating rate debt during the first quarter of 2026, as well as the 2025 repayments of the Element LA loan and Series B, C and D notes. The decrease was partially offset by the interest expense related to the Office Portfolio CMBS loan, which was obtained in March 2025.

Capitalized interest decreased by \$4.4 million or 43.6%, to \$5.7 million for the three months ended March 31, 2026 compared to \$10.1 million for the three months ended March 31, 2025 primarily due to Washington 1000 becoming operational in 2026 and completion of Sunset Glenoaks Studios development in 2025. The decrease was partially offset by an increase in development activity at our 6040 Sunset property.

Non-cash interest expense decreased by \$3.0 million, or 66.5%, to \$1.5 million for the three months ended March 31, 2026 compared to \$4.5 million for the three months ended March 31, 2025. The decrease was primarily related to changes in the fair value of our derivative instruments.

Interest income

Interest income increased by \$1.2 million, or 279.1%, to \$1.6 million for the three months ended March 31, 2026 compared to \$0.4 million for the three months ended March 31, 2025. The change was driven by an increase in cash deposits in interest-bearing accounts and interest earned on a refundable payroll tax credit.

Unrealized loss on non-real estate investments

We recognized an unrealized loss on non-real estate investments of \$2.0 million for the three months ended March 31, 2026 compared to an unrealized loss of \$0.4 million for the three months ended March 31, 2025, which were due to the observable changes in the fair value of the investments.

Gain on sale of real estate, net

During the three months ended March 31, 2025, we recognized a net gain on sale of \$10.0 million attributable to the sales of our Foothill Research and Maxwell properties. No gain or loss on sale was recognized during the three months ended March 31, 2026.

Impairment loss

During the three months ended March 31, 2025, we recorded an impairment loss of \$18.5 million due to a reduction in the estimated holding period for our 625 Second property. We did not record any impairment charges during the three months ended March 31, 2026.

Loss on extinguishment of debt

During the three months ended March 31, 2025, we recognized a loss on extinguishment of debt of \$1.9 million related to repaying the loan secured by our Element LA property. No gain or loss on extinguishment of debt was recognized during the three months ended March 31, 2026.

General and administrative expenses

General and administrative expenses decreased by \$5.9 million, or 32.0%, to \$12.6 million for the three months ended March 31, 2026 compared to \$18.5 million for the three months ended March 31, 2025. The decrease was primarily due to a reduction in payroll, bonus, stock-based compensation expense and professional fees during the three months ended March 31, 2026.

Depreciation and amortization expense

Depreciation and amortization expense decreased by \$12.4 million, or 13.3%, to \$80.7 million for the three months ended March 31, 2026 compared to \$93.1 million for the three months ended March 31, 2025. The decrease was primarily driven by Quixote impairment adjustment during the fourth quarter of 2025, resulting in a lower depreciable basis, and the accelerated depreciation of tenant improvements related to early lease terminations at our 6040 Sunset and Hill 7 properties in 2025 with no comparable activity in 2026. The decrease was partially offset due to commencement of depreciation and amortization on Washington 1000, which became operational in 2026.

Liquidity and Capital Resources

We have remained capitalized since our initial public offering through public offerings, private placements, joint ventures and continuous offerings under our at-the-market ("ATM") program. We currently expect that our principal sources of funds to meet our short-term and long-term liquidity requirements for working capital, strategic acquisitions, capital expenditures, tenant improvements, leasing costs, dividends and distributions, share repurchases and repayments of outstanding debt financing will include:

- cash on hand, cash reserves and net cash provided by operations;
- strategic dispositions of real estate;
- sales of non-real estate investments;
- proceeds from additional equity securities;
- our ATM program;
- borrowings under the operating partnership's unsecured revolving credit facility;
- proceeds from joint venture partners;
- proceeds from the Sunset Pier 94 Studios construction loan (unconsolidated joint venture); and
- proceeds from additional secured, unsecured debt financings or offerings.

Liquidity Sources

We had approximately \$138.0 million of cash and cash equivalents at March 31, 2026. Our principal source of operating cash flow is related to leasing and operating the properties in our portfolio. Our properties provide a relatively consistent stream of cash flow that provides us with resources to pay operating expenses, debt service and fund quarterly dividend and distribution requirements.

Our ability to access the equity capital markets will be dependent on a number of factors as well, including general market conditions for REITs and market perceptions about us.

[Table of Contents](#)

We have an ATM program that allows us to sell up to \$125.0 million of common stock, \$65.8 million of which has been sold through March 31, 2026. Any future sales will depend on several factors, including, but not limited to, market conditions, the trading price of our common stock and our capital needs. We have no obligation to sell the remaining shares available for sale under this program.

The following table sets forth our borrowing capacity under various loans as of March 31, 2026 (in thousands):

Loan	Total Borrowing Capacity	Amount Drawn	Remaining Borrowing Capacity

TOTAL	\$ 988,965	\$ 186,724	\$ 802,241

1. Amounts are presented at HPP's share.
2. This loan is held by an unconsolidated joint venture.
3. Total borrowing capacity includes an original borrowing capacity of \$50.3 million and accrued payment-in-kind interest of \$1.8 million as of March 31, 2026 (amounts at HPP's share).
4. The loan was transacted in Canadian dollars. Amounts are shown in U.S. dollars using the foreign currency exchange rate as of March 31, 2026.

Our ability to incur additional debt will be dependent on a number of factors, including our degree of leverage, the value of our unencumbered assets and borrowing restrictions that may be imposed by lenders. If we incur additional debt, the risks associated with our leverage, including our ability to service our debt, would increase. As of March 31, 2026, the credit ratings for our senior unsecured debt were B2, B and B+ from Moody's, Standard and Poor's and Fitch, respectively.

The following table sets forth our ratio of debt to total market capitalization (counting Series A redeemable preferred units as debt) as of March 31, 2026 (in thousands, except percentage):

Market Capitalization	
Unsecured and secured debt ⁽¹⁾	\$ 3,365,350
Series A redeemable preferred units	2,795
Total consolidated debt	3,368,145
Equity capitalization ⁽²⁾	817,951
TOTAL CONSOLIDATED MARKET CAPITALIZATION	\$ 4,186,096
Total consolidated debt/total consolidated market capitalization	80.5 %

1. Excludes joint venture partner debt and unamortized deferred financing costs and loan discounts/premiums.
2. Equity capitalization represents the shares of common stock outstanding (including unvested restricted shares), pre-funded warrants, OP and LTIP units outstanding, restricted performance units and dilutive shares multiplied by the closing price of \$5.91, as reported by the NYSE, on March 31, 2026, as well as the aggregate value of the Series C preferred stock liquidation preference as of March 31, 2026.

Outstanding Indebtedness

The following table sets forth information as of March 31, 2026 and December 31, 2025 with respect to our outstanding indebtedness, excluding unamortized deferred financing costs and loan discounts/premiums (in thousands):

	March 31, 2026	December 31, 2025
Unsecured debt	\$ 1,650,000	\$ 1,650,000
Secured debt	\$ 1,715,350	\$ 1,717,850
Joint venture partner debt	\$ 66,136	\$ 66,136

The operating partnership was in compliance with its financial covenants as of March 31, 2026.

Liquidity Uses

Contractual Obligations

During the three months ended March 31, 2026, there were no material changes outside the ordinary course of business in the information regarding specified contractual obligations contained in our 2025 Annual Report on Form 10-K. Refer to Part I, Item 1 “Note 9 to the Consolidated Financial Statements—Debt” for information regarding our future minimum principal payments due on our outstanding debt. Refer to Part I, Item 1 “Note 12 to the Consolidated Financial Statements—Future Minimum Rents and Lease Payments” for information regarding our future minimum operating lease payments. Refer to Part I, Item 1 “Note 20 to the Consolidated Financial Statements—Commitments and Contingencies” for more detail.

Cash Flows

Comparison of the cash flow activity for the three months ended March 31, 2026 to the three months ended March 31, 2025 is as follows (in thousands, except percentage change):

	Three Months Ended March 31,				
	2026	2025		Dollar Change	Percentage Change
Net cash provided by operating activities	\$ 44,292	\$ 30,536	\$	13,756	45.0 %
Net cash (used in) provided by investing activities	\$ (34,314)	\$ 15,945	\$	(50,259)	(315.2)%
Net cash used in financing activities	\$ (9,666)	\$ (11,732)	\$	2,066	(17.6)%

Cash and cash equivalents and restricted cash were \$162.4 million and \$162.1 million as of March 31, 2026 and December 31, 2025, respectively.

Operating Activities

Net cash provided by operating activities increased by \$13.8 million, or 45.0%, to \$44.3 million for the three months ended March 31, 2026 compared to \$30.5 million for the three months ended March 31, 2025. The increase primarily resulted from favorable working capital movements during the three months ended March 31, 2026, including the timing of cash receipts and payments, which more than offset a reduction in net operating income during the same period as compared to the three months ended March 31, 2025, mainly driven by the 2025 tenant move-outs and asset sales.

Investing Activities

Net cash used in investing activities increased by \$50.3 million, or 315.2%, to \$34.3 million for the three months ended March 31, 2026 compared to \$15.9 million of cash provided by investing activities for the three months ended March 31, 2025. The decrease primarily resulted from a \$63.2 million decrease in proceeds from sales of real estate partially offset by a \$12.7 million decrease in additions to investment in real estate during the three months ended March 31, 2026.

Financing Activities

Net cash used in financing activities decreased by \$2.1 million, or 17.6%, to \$9.7 million for the three months ended March 31, 2026 compared to \$11.7 million for the three months ended March 31, 2025. The decrease primarily resulted from a \$494.0 million decrease in proceeds from unsecured and secured debt, largely offset by a \$482.2 million decrease in payments of unsecured and secured debt during the three months ended March 31, 2025. The change was further offset by the \$12.1 million payment of loan costs, net of loan premium during the three months ended March 31, 2025 that did not recur during the three months ended March 31, 2026.

Off-Balance Sheet Arrangements

Unconsolidated Joint Venture Indebtedness

We have investments in unconsolidated real estate entities accounted for using the equity method of accounting. The following table provides information about our unconsolidated joint venture indebtedness as of March 31, 2026 (in thousands, except for percentages):

	Ownership Interest	Amount Drawn	Undrawn Capacity	Total Capacity	Interest Rate	Contractual Maturity Date
Bentall Centre ⁽¹⁾	20 %	\$ 474,067	\$ —	\$ 474,067	CORRA + 2.30%	7/1/2027
Sunset Glenoaks Studios ⁽²⁾⁽³⁾	50 %	\$ 104,183	\$ —	\$ 104,183	SOFR + 3.10%	1/9/2027
Sunset Pier 94 Studios ⁽⁴⁾	26 %	\$ 155,841	\$ 27,359	\$ 183,200	SOFR + 4.75%	9/9/2028

- (1) The loan was transacted in Canadian dollars. Amounts are shown in U.S. dollars using the foreign currency exchange rate as of March 31, 2026. This loan is interest-only through its term.
- (2) This loan has an initial interest rate of SOFR + 3.10% per annum until certain performance targets have been met, at which time the effective interest rate will decrease to SOFR + 2.50%. This loan is interest-only through its term. The maturity date includes the effect of extension options.
- (3) Amount drawn includes principal of \$100.6 million and accrued payment-in-kind interest of \$3.6 million as of March 31, 2026.
- (4) This loan has an initial interest rate of SOFR + 4.75% per annum until stabilization of the project, at which time the effective interest rate will decrease to SOFR + 4.00%. This loan is interest-only through its term. The maturity date includes the effect of extension options.

Critical Accounting Policies

Our discussion and analysis of our historical financial condition and results of operations are based upon our consolidated financial statements, which have been prepared in accordance with GAAP. The preparation of our financial statements in conformity with GAAP requires us to make estimates of certain items and judgments as to certain future events, for example with respect to the assignment of the purchase price of an acquired property among land, buildings, improvements, equipment and any related intangible assets and liabilities, or the effect of a property tax reassessment of our properties. These determinations, even though inherently subjective and prone to change, affect the reported amounts of our assets, liabilities, revenues and expenses. While we believe that our estimates are based on reasonable assumptions and judgments at the time they are made, some of our assumptions, estimates and judgments will inevitably prove to be incorrect. As a result, actual outcomes will likely differ from our accruals and those differences—positive or negative—could be material. Some of our accruals are subject to adjustment, as we believe appropriate, based on revised estimates and reconciliation to the actual results when available.

Refer to Part I, Item 1 “Note 2 to the Consolidated Financial Statements—Summary of Significant Accounting Policies,” for information regarding our critical accounting policies.

Non-GAAP Supplemental Financial Measure: Funds From Operations

We calculate FFO in accordance with the White Paper issued in December 2018 on FFO approved by the Board of Governors of the National Association of Real Estate Investment Trusts (“NAREIT”). The White Paper defines FFO as net income or loss calculated in accordance with GAAP, excluding gains and losses from sales of depreciable real estate and impairment write-downs associated with depreciable real estate, plus real estate-related depreciation and amortization (excluding amortization of deferred financing costs and depreciation of non-real estate assets) and after adjustment for unconsolidated partnerships and joint ventures. The calculation of FFO includes the amortization of deferred revenue related to tenant-funded tenant improvements and excludes the depreciation of the related tenant improvement assets. In the December 2018 White Paper, NAREIT provided an option to include value changes in mark-to-market equity securities in the calculation of FFO. We elected this option retroactively during the fourth quarter of 2018.

We believe that FFO is a useful supplemental measure of our operating performance. The exclusion from FFO of gains and losses from the sale of operating real estate assets allows investors and analysts to readily identify the operating results of the assets that form the core of our activity and assists in comparing those operating results between periods. Also, because FFO is generally recognized as the industry standard for reporting the operations of REITs, it facilitates comparisons of operating performance to other REITs. However, other REITs may use different methodologies to calculate FFO, and accordingly, our FFO may not be comparable to all other REITs.

Implicit in historical cost accounting for real estate assets in accordance with GAAP is the assumption that the value of real estate assets diminishes predictably over time. Since real estate values have historically risen or fallen with market conditions, many industry investors and analysts have considered presentations of operating results for real estate companies using historical cost accounting alone to be insufficient. Because FFO excludes depreciation and amortization of real estate assets, we believe that FFO

along with the required GAAP presentations provides a more complete measurement of our performance relative to our competitors and a more appropriate basis on which to make decisions involving operating, financing and investing activities than the required GAAP presentations alone would provide. We use FFO per share to calculate annual cash bonuses for certain employees.

However, FFO should not be viewed as an alternative measure of our operating performance because it does not reflect either depreciation and amortization costs or the level of capital expenditures and leasing costs necessary to maintain the operating performance of our properties, which are significant economic costs and could materially impact our results from operations.

The following table presents a reconciliation of net loss to FFO (in thousands):

	Three Months Ended March 31,	
	2026	2025
Net loss	\$ (50,904)	\$ (80,278)
