## EXPLANATORY NOTE

### *Update on Discussions with Financial Stakeholders*

As previously disclosed, Trinseo PLC (the “Company,” “we” or “us”) has been engaged in discussions with its financial stakeholders to review potential alternatives regarding its capital structure, including refinancings, exchange offers, consent solicitations, the issuance of new indebtedness, amendments to the terms of existing indebtedness, and/or other transactions. In connection with these discussions, the Company previously elected to utilize contractually-available grace periods for the payment of interest under certain of its debt agreements. This Current Report on Form 8-K provides an update on those discussions, including the Company’s entry into certain amendments and limited waivers with lenders under certain of its credit facilities, and the Company’s election not to make certain interest payments upon the expiration of the grace period for payment of interest under the Company’s Senior Credit Agreement and 2L Notes Indenture (each, as defined below). The Company intends to continue discussions with its financial stakeholders regarding its capital structure.

#### *Amendments and Limited Waivers*

On March 19, 2026, the Company and certain of its subsidiaries entered into amendments and limited waivers (collectively, the "Limited Waivers") with lenders under certain of the Company's credit facilities.

Trinseo Luxco S.à r.l. ("Trinseo Luxco"), Trinseo Holding S.à r.l. ("Trinseo Holding"), and Trinseo Materials Finance, Inc. (together with Trinseo Holding, the "Borrowers"), entered into amendments and limited waivers under the Company's super-priority revolving credit facility dated January 17, 2025 (as amended, the "SuperPriority Revolver") and the Credit Agreement dated as of September 6, 2017 (as amended, the "Senior Credit Agreement"). Trinseo NA Finance LLC, Trinseo LuxCo Finance SPV S.à r.l. ("LuxCo Finance SPV"), and Trinseo NA Finance SPV LLC entered into an amendment and limited waiver under the Credit Agreement dated as of September 8, 2023 (as amended, the "Refinance Credit Agreement"). Trinseo Ireland Global IHB Limited, Trinseo Holding and Styron Receivables Funding Designated Activity Company entered into an amendment and limited waiver under the Company's accounts receivable securitization facility (the "Accounts Receivable Securitization Facility").

Pursuant to the Limited Waivers, the requisite lenders under each facility agreed to, among other things, temporarily waive certain acceleration and collateral enforcement rights and remedies (until April 30, 2026 under the SuperPriority Revolver, Senior Credit Agreement, and Refinance Credit Agreement, and until April 2, 2026 under the Accounts Receivable Securitization Facility) as a result of the nonpayment of interest or principal beyond applicable grace periods under the Senior Credit Agreement, Refinance Credit Agreement, and the indenture governing LuxCo Finance SPV's 7.625% second lien secured notes due 2029 (the "2L Notes" and such indenture, the "2L Notes Indenture"), and other related notice and cross-defaults. In addition, an amendment to the SuperPriority Revolver removed the anti-cash hoarding provisions and minimum liquidity financial covenant thereunder. In connection with certain of the Limited Waivers, the borrowers thereunder agreed to pay consent fees in-kind to certain lenders.

#### *Expiration of Interest Payment Grace Periods; Events of Default; Intercreditor Agreement*

On March 19, 2026, following the lapse of the 30-day grace period, LuxCo Finance SPV elected not to make scheduled interest payments due under the 2L Notes Indenture in the amount of approximately \$10 million. On March 19, 2026, following the lapse of the contractual grace period, the Borrowers also elected not to make a scheduled interest payment due under the Senior Credit Agreement in the amount of approximately \$12 million. The decisions not to make such interest payments were made in connection with the Company’s ongoing discussions with its financial stakeholders regarding its capital structure.

---

Such non-payments constitute events of default under the 2L Notes Indenture and the Senior Credit Agreement, and cross-defaults under our SuperPriority Revolver, Refinance Credit Agreement and Accounts Receivable Securitization Facility. As of the date of this Current Report on Form 8-K, no notice or declaration of acceleration has been made with respect to the 2L Notes or the Senior Credit Agreement, and the Limited Waivers temporarily waive the related enforcement rights of the lenders under the Senior Credit Agreement, SuperPriority Revolver, Refinance Credit Agreement and Accounts Receivable Securitization Facility. The holders of the 2L Notes are also subject to the terms of an intercreditor agreement, pursuant to which such noteholders are prohibited from enforcing any collection action against the collateral securing the 2L Notes for a period of 180 days following any acceleration of the obligations under the 2L Notes indenture upon an event of default.

The information under this Item 7.01 of this Current Report on Form 8-K is being furnished and shall not be deemed “filed” for the purpose of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information under this Item 7.01 shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended.
