**Text of Amendment to Section (A) of Article NINTH of the Restated Certificate of  
Incorporation of Fiesta Restaurant Group, Inc.**

(A) The business and affairs of the Corporation shall be managed by or under the direction of the Board which shall consist of not less than three directors, the exact number of directors to be determined from time to time by resolution adopted by an affirmative vote of a majority of the Board. The directors shall be divided into three classes designated Class I, Class II and Class III. Each class shall consist, as nearly as possible, of one-third of the total number of directors constituting the entire Board. Class I directors shall be originally elected for a term expiring at the first annual meeting of stockholders occurring after the Effective Time, Class II directors shall be originally elected for a term expiring at the second succeeding annual meeting of stockholders, and Class III directors shall be originally elected for a term expiring at the third succeeding annual meeting of stockholders. At each such succeeding annual meeting of stockholders, successors to the class of directors whose term expires at that annual meeting shall be elected by ~~a plurality vote of all votes cast at such meeting, to hold office for a term expiring at the third succeeding annual meeting~~ an affirmative vote of a majority of the votes cast with respect to such nominee at any meeting for the election of directors at which a quorum is present, provided that if the number of nominees exceeds the number of directors to be elected, the directors shall be elected by a plurality of the votes of the shares represented in person or by proxy at any such meeting and entitled to vote on the election of directors. In an election of directors, a majority of the votes cast means that the number of votes cast "for" a nominee must exceed 50% of the votes cast with respect to such nominee (excluding abstentions). If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible, and any additional director of any class elected to fill a newly created directorship resulting from an increase in such class shall hold office for a term that shall coincide with the remaining term of that class, but in no case shall a decrease in the number of directors remove or shorten the term of any incumbent director. A director shall hold office until the annual meeting for the year in which his term expires and until his successor shall be elected and shall qualify, subject, however, to prior death, resignation, retirement, disqualification or removal from office. Any newly created directorship on the Board that results from an increase in the number of directors or any vacancies in the Board resulting from death, resignation, retirement, disqualification or removal from office or any other cause shall be filled only by a majority of the directors then in office, although less than a quorum, or by a sole remaining director. Any director so elected to fill a vacancy in the Board resulting from death, resignation, disqualification or removal from office or any other cause shall have the same remaining term as that of his predecessor. Directors may be removed only for cause, and either by majority of the entire Board or the affirmative vote of the holders of at least sixty-six and two-thirds percent (66 ⅔%) of the voting power of the outstanding Voting Stock, voting together as a single class.

**Text of Amendment to Article II, Section 1 of the Amended and Restated Bylaws of  
Fiesta Restaurant Group, Inc.**

Section 1. *Number* . The Board shall consist of such number of directors, which shall not be less than three, as shall from time to time be fixed exclusively by resolution of the Board. The directors shall be divided into three classes in the manner set forth in the Certificate of Incorporation, each class to be elected for the term set forth therein. ~~Directors shall be elected by stockholders.~~ A nominee for director election shall be elected by the affirmative vote of a majority of the votes cast with respect to such nominee at any meeting for the election of directors at which a quorum is present, provided that if the number of nominees exceeds the number of directors to be elected, the directors shall be elected by a plurality of the votes cast by holders of the shares present represented in person or represented by proxy at any such meeting and entitled to vote thereon. ~~on the election of directors. In an election of directors, a majority of the votes cast means that the number of votes cast "for" a nominee must exceed 50% of the votes cast with respect to such nominee (excluding abstentions). If a director is not elected, the director shall promptly tender his or her resignation to the Board. The Corporate Governance and Nominating Committee (the "Corporate Governance and Nominating Committee") will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the resignation taking into account the recommendation of the Corporate Governance and Nominating Committee and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results. The director who tenders his or her resignation will not participate in the decisions of the Corporate Governance and Nominating Committee or the Board that concern such resignation. If a director's resignation is accepted by the Board pursuant to this Bylaw, or if a nominee for director is not elected and the nominee is not an incumbent director, then the Board, in its sole discretion, may fill any resulting vacancy pursuant to the provisions of Article II, Section 2 or may decrease the size of the Board pursuant to the provisions of Article II, Section 1.~~ A majority of the total number of directors then in office (but not less than one-third of the number of directors constituting the entire Board) shall constitute a quorum for the transaction of business and, except as otherwise provided by law or by the Certificate of Incorporation, the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board. Directors need not be stockholders.
