Item 2.02 Results of Operations and Financial Condition.

The percentage of Eats Gross Bookings and Eats Adjusted EBITDA losses represented by the discontinued and transferred markets in the first quarter of 2020 set forth in Item 7.01 below are incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

On May 4, 2020, Uber Technologies, Inc. (the “Company”) announced several strategic decisions with respect to Uber Eats’ operational footprint.

The Company announced it would fully discontinue Uber Eats operations in the Czech Republic, Egypt, Honduras, Romania, Saudi Arabia, Uruguay and Ukraine by June 4, 2020. Uber Rides operations are not affected.

Separately, the Company announced it would transfer Uber Eats business operations in the United Arab Emirates (UAE) to Careem, its wholly-owned subsidiary operating primarily in the Middle East. Consumers and restaurants using the Uber Eats app in the UAE will be transitioned to the Careem platform in the coming weeks, after which the Uber Eats app will no longer be available.

These decisions were made as part of Uber’s ongoing strategy to be in first or second position in all Eats markets by leaning into investment in some countries while exiting others.

The discontinued and transferred markets represented 1% of Eats Gross Bookings and 4% of Eats Adjusted EBITDA losses in Q1 2020. Consistent with our stated strategy, we will look to reinvest these savings in priority markets where we expect a better return on investment.

The information set forth under Items 2.02 and 7.01 are being furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing, except as otherwise expressly stated in such filing.
