SECTION 1.07. Currency Equivalents.

(a) Except as set forth in clause (b) and Section 4.06(b), for purposes of all valuations and calculations under the Loan Documents, (i) the principal amount and Market Value of all Portfolio Investments denominated in a Permitted Non-USD Currency, (ii) proceeds denominated in a Permitted Non-USD Currency on deposit in any Permitted CAD Account, Permitted EUR Account or Permitted GBP Account, as applicable, and (iii) for the purposes of Net Advances and the Borrowing Base Test, the outstanding aggregate principal amount of Advances denominated in a Permitted Non-USD Currency shall be converted to USD at the Spot Rate in accordance with the definition of such term in consultation with the Administrative Agent on the applicable date of valuation or calculation, as applicable.

(b) Except as provided in Section 4.06(b), for purposes of determining (i) whether the amount of any Advance, together with all other Advances then outstanding or to be made at the same time as such Advances, would exceed the aggregate amount of the Financing Commitments, (ii) the aggregate unutilized amount of the Financing Commitments and (iii) the limitations on the portion of the Financing Limit and the Financing Commitment that may be utilized in a Permitted Non-USD Currency shall be deemed to be the Dollar Equivalent of the amount of the Permitted Non-USD Currency of such Advances determined as of the date such Advances were made. Wherever in this Agreement in connection with an Advance, an amount, such as a required minimum or multiple amount, is expressed in U.S. Dollars, but such Advance is denominated in a Permitted Non-USD Currency, such amount shall be the CAD Equivalent, EUR Equivalent or GBP Equivalent, as applicable, of such U.S. dollar amount (rounded to the nearest 1,000 units of the applicable Permitted Non-USD Currency).

SECTION 1.08. Interest Rates; LIBOR Notification.

The interest rate on an Advance denominated in USD or a Permitted Non-USD Currency may be derived from an interest rate benchmark that is, or may in the future become, the subject of regulatory reform. Regulators have signaled the need to use alternative benchmark reference rates for some of these interest rate benchmarks and, as a result, such interest rate benchmarks may cease to comply with applicable laws and regulations, may be permanently discontinued, and/or the basis on which they are calculated may change. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administration, the "IBA") for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Advances denominated in USD. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate.

Upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-In Election, Section 3.04 provides a mechanism for determining an alternative rate of interest in respect of Tranche A Advances and Tranche B Advances denominated in a Permitted Non-USD Currency. The Administrative Agent will promptly notify the Company, pursuant to Section 3.04, of any change to the reference rate upon which the interest rate on ~~an~~ Tranche A Advance or Tranche B

Advance denominated in a Permitted Non-USD Currency is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of "LIBO Rate" (or any other Reference Rate or definition related thereto, as applicable) or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 3.04(b) or (c), whether upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 3.04(d)), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the LIBO Rate (or the applicable Reference Rate) or have the same volume or liquidity as did the London interbank offered rate (or the applicable Reference Rate) prior to its discontinuance or unavailability.

## ARTICLE II THE FINANCINGS

(b) Except as expressly provided herein, the failure of any Financing Provider to make any Advance required hereunder shall not relieve any other Financing Provider of its obligations hereunder. If any Financing Provider shall fail to provide any Financing to the Company required hereunder, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Financing Provider to satisfy such Financing Provider's obligations hereunder until all such unsatisfied obligations are fully paid.

organized and (ii) such other searches that the Administrative Agent deems necessary or appropriate.

SECTION 2.05. Commitment Increase Option. The Company may, at any time during the Reinvestment Period, submit a Commitment Increase Request for an increase in the Tranche B Financing Commitment to up to ~~\$350,000,000~~65,000,000 (in the aggregate, without regards to any Bridge Advances), subject to satisfaction of the following conditions precedent:

(a) each of the Lenders and Administrative Agent (in their sole discretion) approve in writing (which may be by email) such Commitment Increase Request; *provided*, that each of the Lenders and the Administrative Agent shall use commercially reasonable efforts to respond to any Commitment Increase Request within ten (10) Business Days of receipt thereof; *provided, further*, that the failure of any Lender or the Administrative Agent to respond within ten (10) Business Days shall not constitute a breach or default of any duty or obligation by such party.

(b) no Market Value Event shall have occurred and no Event of Default shall have occurred and be continuing, in each case on and as of the Commitment Increase Date;

(c) the Borrowing Base Test and the Minimum Equity Test are each satisfied on and as of the Commitment Increase Date;

(d) all of the representations and warranties contained in Article VI and in any other Loan Document shall be true and correct in all material respects (or with respect to such representations and warranties which by their terms contain materiality qualifiers, shall be true and correct), in each case on and as of the Commitment Increase Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects (or with respect to such representations and warranties which by their terms contain materiality qualifiers, shall be true and correct) as of such earlier date;

(e) no commitment reduction shall have occurred pursuant to Section 4.07(a) in connection with JPMorgan Chase Bank, National Association ceasing to act as Administrative Agent or the occurrence of a Non-Call Termination Event prior to the Commitment Increase Date;

(f) the Company shall have paid to the Administrative Agent on the Commitment Increase Date, for the account of each Lender, an upfront fee in the amount specified in the Amendment Date Letter;

(g) any Commitment Increase Request shall be in an amount not less than \$35,000,000 (or, if the positive difference between ~~\$350,000,000~~65,000,000 and the Tranche B Financing Commitment (without regards to any Bridge Advances) in effect immediately prior to such Commitment Increase Request is less than \$35,000,000, the amount of such positive difference); and

(h) receipt by the Administrative Agent of such other documentation as the Administrative Agent may reasonably request, including without limitation, documentation similar to that provided pursuant to Sections 2.04(c), (d) and (g) on the Amendment Effective Date.

### ARTICLE III ADDITIONAL TERMS APPLICABLE TO THE FINANCINGS

SECTION 3.01. The Advances.

(a) Making the Advances. If the Lenders are required to make an Advance to the Company as provided in Section 2.03, then each Lender shall make such Advance on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, New York City time, to the Collateral Agent for deposit to the Collection Account, the CAD Collection Account, the EUR Collection Account or the GBP Collection Account, as applicable. Each Lender at its option may make any Advance by causing any domestic or foreign branch or Affiliate of such Lender to make such Advance, *provided* that any exercise of such option shall not affect the obligation of the Company to repay such Advance in accordance with the terms of this Agreement. Subject to the terms and conditions set forth herein, the Company may borrow and prepay Advances. The Company may, during the Reinvestment Period, reborrow Advances in an amount up to (x) the aggregate Financing Commitments of the Lenders on such date minus (y) the Minimum Funding Amount, subject to the terms and conditions set forth herein. Except as set forth in the immediately preceding sentence, once prepaid, Advances may not be reborrowed.

(b) Interest on the Advances. Subject to Section 3.01(h), all outstanding Advances shall bear interest (from and including the date on which such Advance is made) at a per annum rate equal to (i) in the case of Tranche A Advances and Tranche B Advances denominated in a Permitted Non-USD Currency, the applicable Benchmark and (ii) in the case of Tranche B Advances denominated in USD, the Term SOFR Rate, in each case, for each Calculation Period in effect *plus* the Applicable Margin for such Advances set forth on the Transaction Schedule. Notwithstanding the foregoing, if any principal of or interest on any Advance is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of Tranche A Advances and Tranche B Advances denominated in a Permitted Non-USD Currency, the applicable Benchmark and (ii) in the case of Tranche B Advances denominated in USD, the Term SOFR Rate plus, in each case, the Adjusted Applicable Margin. If, on any date the aggregate principal amount of the outstanding Advances is less than the Minimum Funding Amount specified in the definition of the term Minimum Funding Amount, then the Company shall pay the Lenders interest at a per annum rate equal to (i) the Applicable Margin for Advances in U.S. Dollars set forth on the Transaction Schedule multiplied by (ii) the amount equal to the Minimum Funding Amount *minus* the aggregate principal amount of the outstanding Advances. For purposes of the foregoing, the Benchmark for each Calculation Period with respect to Daily Simple SONIA shall be the weighted average of such Benchmark as determined on each day during such Calculation Period in respect of Advances denominated in GBP.

(c) Evidence of the Advances. Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Company to such Lender resulting from each Advance made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder and the Permitted Currency thereof. The Administrative Agent shall maintain accounts in which it shall record (1) the amount of each Advance made hereunder, (2) the amount of any principal or interest due and payable or to become due and payable from the Company to each Lender hereunder, (3) the Permitted Currency of such Advance, (4) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof, (5) whether each applicable Advance constitutes a Tranche A Advance or a Tranche B Advance and (6) whether each applicable Advance constitutes an a Base Advance or a Bridge Advance. The entries made in the accounts maintained pursuant to this paragraph (c) shall, to the extent consistent with the records in the Register, be *prima facie* evidence of the existence and amounts of the obligations recorded therein, *provided* that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Company to repay the Advances in accordance with the terms of this Agreement.

Any Lender may request that Advances made by it be evidenced by a promissory note. In such event, the Company shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if a registered note is requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent (such approval not to be unreasonably withheld, conditioned or delayed), which delivery the Administrative Agent shall record in the Register. Thereafter, to the extent so reflected in the Register, the Advances evidenced by such promissory note and interest thereon shall at all times be represented by one or more promissory notes in such form payable to the payee named therein (or to such payee and its registered assigns).

(d) Pro Rata Treatment. Except as otherwise provided herein (including, for the avoidance of doubt, Section 1.06(d) and Section 4.07(a)), all borrowings of, and payments in respect of, the Advances shall be made on a *pro rata* basis by or to the Lenders in accordance with their respective portions of the Financing Commitments in respect of Advances held by them.

(e) Illegality. Notwithstanding any other provision of this Agreement, if any Lender or the Administrative Agent shall notify the Company that the adoption of any law, rule or regulation, or any change therein or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, in each case after the Original Effective Date, makes it unlawful, or any central bank or other Governmental Authority asserts that it is unlawful, for a Lender or the Administrative Agent to perform its obligations hereunder to fund or maintain Advances hereunder, then (1) the obligation of such Lender or the Administrative Agent hereunder shall immediately be suspended until such time as such Lender or the Administrative Agent determines (in its sole discretion) that such performance is again lawful, (2) at the request of the Company, such Lender or the Administrative Agent, as applicable, shall use reasonable efforts (which will not require such party to incur a loss, other than immaterial, incidental expenses), until such time as the Advances are required to be prepaid as mandated by law in clause (3) below, to transfer all of its rights and obligations under this Agreement to another of its offices, branches or Affiliates with respect to which such performance would not be unlawful, and (3) if such Lender or the Administrative Agent is unable to effect a transfer under clause (2), then any outstanding Advances of such Lender shall be promptly paid in full by the Company (together with all accrued interest and other amounts owing hereunder) but not later than such date as shall be mandated by law; *provided* that, to the extent that any such adoption or change makes it unlawful for the applicable Advances to bear interest by reference to the ~~applicable~~ Reference Rate or Term SOFR Reference Rate, then the foregoing clauses (1) through (3) shall not apply and the Advances shall bear interest (from and after the last day of the Calculation Period ending immediately after such adoption or change) at a per annum rate equal to the applicable Base Rate *plus* the Applicable Margin for Advances set forth on the Transaction Schedule.

(f) Increased Costs.

(i) If any Change in Law shall:

(A) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender;

(B) impose on any Lender ~~or~~, the London interbank market or the SOFR market any other condition, cost or expense (other than Taxes) affecting this Agreement or Advances made by such Lender; or

with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Original Effective Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Company and the Administrative Agent in writing of its legal inability to do so.

(E) The Administrative Agent shall deliver to the Company an electronic copy of an IRS Form W-9 upon becoming a party under this Agreement. The Administrative Agent represents to the Company that it is a "U.S. person" and a "financial institution" within the meaning of Treasury Regulations Section 1.1441-1 and a "U.S. financial institution" within the meaning of Treasury Regulations Section 1.1471-3(a)(3)(iii) and that it will comply with its obligations to withhold under Section 1441 of the Code and FATCA.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.03 (including by the payment of additional amounts pursuant to this Section 3.03), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 3.03 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Financing Commitments, and the repayment, satisfaction or discharge of all obligations under any Loan Document.

#### SECTION 3.04. Interest Rate Unascertainable, Inadequate or Unfair.

(a) Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 3.04 (in the case of Tranche A Advances and Tranche B Advances in a Permitted Non-USD Currency), if prior to the commencement of any Calculation Period for an Advance, (x) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining a Reference Rate or Term SOFR Reference Rate (including, without limitation, because such Reference Rate or Term SOFR Reference Rate is not available or published on a current basis) for the applicable Permitted Currency and such Calculation Period; *provided that*, with respect to any Reference Rate, no Benchmark Transition Event shall have occurred at such time or (y) the Administrative Agent is advised by the Required Financing Providers that the applicable Reference Rate or Term SOFR Reference Rate for the applicable Permitted Currency and such Calculation Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their

Advances (or its Advance) included in such Advance for such Calculation Period; then the Administrative Agent shall give notice thereof to the Company and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Company and the Lenders that the circumstances giving rise to such notice no longer exist, any Advance denominated in such Permitted Currency made by the Lenders shall thereupon constitute a Base Rate Advance.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (3) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Financing Providers.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, solely with respect to ~~an~~ [Tranche A](#) Advance denominated in USD, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; *provided* that, this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Company a Term SOFR Notice.

(d) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(e) The Administrative Agent will promptly notify the Company and the Lenders of (i) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.04, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this

Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.04.

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Calculation Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Calculation Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Upon the Company's receipt of notice of the commencement of a Benchmark Unavailability Period, the Company may revoke any request for ~~an~~ [Tranche A Advance](#) or [Tranche B Advance denominated in a Permitted Non-USD Currency](#) in, conversion to or continuation of [Tranche A Advances](#) or [Tranche B Advances denominated in a Permitted Non-USD Currency](#) in the applicable Permitted Currency to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Company will be deemed to have converted any request for ~~an~~ [Tranche A Advance](#) or [Tranche B Advance denominated in a Permitted Non-USD Currency](#) into a request for a Base Rate Advance or conversion of an outstanding Advance to a Base Rate Advance.

#### ARTICLE IV COLLECTIONS AND PAYMENTS

SECTION 4.01. Interest Proceeds. The Company shall (or shall cause the Permitted Subsidiary to) notify the obligor with respect to each Portfolio Investment to remit all amounts that constitute Interest Proceeds to the Collection Account (or, in the case of Subsidiary Assets, the applicable Pledged Account); *provided* that (i) Interest Proceeds denominated in CAD shall be deposited into the CAD Collection Account, (ii) Interest Proceeds denominated in EUR shall be deposited into the EUR Collection Account and (iii) Interest Proceeds denominated in GBP shall be deposited into the GBP Collection Account. To the extent Interest Proceeds are received other than by deposit into the Collection Account, the CAD Collection Account, the EUR Collection Account or the GBP Collection Account, the Company shall cause all Interest Proceeds on the Portfolio Investments to be deposited in the Collection Account, the CAD Collection Account, the EUR Collection Account or the GBP Collection Account, as applicable, or remitted to the Collateral Agent, and the Collateral Agent shall credit (or cause to be credited) to the Collection Account, the CAD Collection Account, the EUR Collection Account or the GBP Collection Account, as applicable, all Interest Proceeds received by it promptly upon receipt thereof in accordance with the written direction of the Portfolio Manager.

Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of the Advances to be prepaid. Prepayments shall be accompanied by accrued and unpaid interest.

(ii) Each prepayment or commitment reduction pursuant to Section 4.03(c)(i)(C) and Section 4.07(a) that is made on or before the date which is 9 months following the end of the Non-Call Period (other than a prepayment or commitment reduction in respect of a Bridge Advance), whether in full or in part, shall be accompanied by a premium equal to 1% of the principal amount of such prepayment or commitment reduction; *provided* that no such premium shall be payable with respect to any prepayment (or portion thereof) that does not exceed the positive difference (if any) of (x) the then-current aggregate outstanding principal amount of the Advances over (y) the then-current Minimum Funding Amount (the "Excess Funded Amount").

(d) The Company agrees to pay to the Administrative Agent, for the account of each Lender, a commitment fee in accordance with the Priority of Payments which shall accrue at 0.75% per annum on the average daily unused amount of the Financing Commitment of such Lender (excluding any portion of such unused amount with respect to which interest is paid pursuant to Section 3.01(b)) during the period from and including the date of this Agreement to but excluding the last day of the Reinvestment Period. Accrued commitment fees shall be payable in arrears on each Interest Payment Date, and on the date on which the Financing Commitments terminate. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(e) The Company agrees to pay to the Administrative Agent on the ~~Second~~Fourth Amendment Effective Date, for the account of each Lender, a fee in accordance with the ~~Second~~Fourth Amendment Effective Date Letter.

(f) Without limiting Section 4.03(c), the Company shall have the obligation from time to time to prepay outstanding Advances in whole or in part on any date with proceeds from sales of Portfolio Investments directed by the Administrative Agent pursuant to Section 1.04 and as set forth in Sections 2.03(f) and 8.01(h).
