PROXY STATEMENT

The board of directors (the “Board of Directors”) of Vince Holding Corp. (the “Company,” “we,” “us” or “our”) is soliciting your proxy to vote at the 2018 Annual Meeting of Stockholders to be held on Thursday, May 31, 2018, at 9:00 a.m., Eastern Time, and any adjournment or postponement of that meeting (the “Annual Meeting”). The Annual Meeting will be held at the Company’s offices at 500 Fifth Avenue, 20th Floor, New York, New York 10110.

We expect to first make this Proxy Statement available together with our Annual Report for the fiscal year ended February 3, 2018 on or about April 26, 2018, to our stockholders of record as of the close of business on April 12, 2018 (the “Record Date”). The Company’s principal executive offices are located at 500 Fifth Avenue, 20th Floor, New York, New York 10110 and their telephone number is (212) 515-2600.

Introductory Note About the Company

Vince Holding Corp., formerly known as Apparel Holding Corp. and Kellwood Holding Corp., was incorporated in Delaware in February 2008 in connection with the acquisition of Kellwood Company by affiliates of Sun Capital Partners, Inc. (“Sun Capital”). We completed an initial public offering of our common stock on November 27, 2013 (the “IPO”). Prior to the IPO and the related restructuring transactions, the Company was a diversified apparel company operating a broad portfolio of fashion brands, which included Vince. As a result of the IPO and the related restructuring transactions, the non-Vince businesses were separated from the Vince business, and the Vince business became the sole operating business of the Company.

In this Proxy Statement, “Kellwood” refers, as applicable and unless otherwise defined, to any of: (i) Kellwood Company; (ii) Kellwood Company, LLC (a limited liability company to which Kellwood Company converted at the time of the restructuring transactions related to our IPO) prior to the sale of Kellwood Company, LLC to an unaffiliated purchaser in December 2016 (the “Kellwood Sale”); (iii) St. Louis Transition, LLC (“St. Louis, LLC”) following the Kellwood Sale; and (iv) the operations of the non-Vince businesses after giving effect to our IPO and the related restructuring transactions and prior to the Kellwood Sale.

Our fiscal year ends on the Saturday closest to January 31. For the purposes of this Proxy Statement, “fiscal 2016” refers to our fiscal year ended January 28, 2017 and “fiscal 2017” refers to our fiscal year ended February 3, 2018.

At the close of business on October 23, 2017, the Company effected a 1-for-10 reverse stock split (the “Reverse Stock Split”). The Company’s common stock began trading on a split-adjusted basis when the market opened on October 24, 2017. Pursuant to the Reverse Stock Split, every 10 shares of the Company’s issued and outstanding common stock were automatically converted into one share of common stock. All references to our common stock provided in this Proxy Statement have been adjusted to reflect the effect of the Reverse Stock Split except as otherwise indicated.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Why am I receiving these materials?

The Board of Directors is soliciting proxies for the Annual Meeting.

Where and When is the Annual Meeting?

We will hold the Annual Meeting on Thursday, May 31, 2018 at 9:00 a.m., Eastern Time, at the Company's offices at 500 Fifth Avenue, 20th Floor, New York, New York 10110.

What am I being asked to vote on at the Annual Meeting?

We are asking our stockholders to consider the following proposals:

- the election of the Class I directors, Michael Mardy and Donald V. Roach, to serve until our annual meeting of stockholders to be held in 2021 or until their respective successors are duly elected and qualified;
- the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending February 2, 2019; and
- any other business properly introduced at the Annual Meeting.

How does the Board of Directors recommend I vote on these proposals?

The Board of Directors recommends a vote:

- “ **FOR** ” the election of the Class I directors, Michael Mardy and Donald V. Roach, to serve until our annual meeting of stockholders to be held in 2021 or until their respective successors are duly elected and qualified; and
- “ **FOR** ” the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending February 2, 2019.

What must I do if I want to attend the Annual Meeting in person?

Attendance at the Annual Meeting is limited to individuals who were stockholders as of the Record Date and admission will be on a first-come, first-served basis. Registration and seating will begin on Thursday, May 31, 2018 at 8:30 a.m., Eastern Time. Each stockholder will be asked to present proof of identification, such as a driver's license or passport, and a proxy card, prior to admission to the Annual Meeting. Beneficial owners of shares held in street name will need to bring proof of share ownership as of the Record Date, such as a bank or brokerage firm account statement or a letter from the intermediary holding your shares. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

How many votes do I have?

You have and may cast one vote for each share of our common stock that you owned at the close of business on the Record Date. These shares include:

- shares registered directly in your name with Broadridge Corporate Issuer Solutions, Inc. (“Broadridge”), our transfer agent, for which you are considered the “stockholder of record;” and
- shares held for you as the beneficial owner through a broker, bank or other nominee.

As of the Record Date, the Company had 11,616,500 shares of common stock issued and outstanding.

What is the difference between holding shares as a “stockholder of record” and as a “beneficial owner?”

If your shares are registered directly in your name with Broadridge, you are considered the “stockholder of record” with respect to those shares. We have sent the Notice of Meeting of Stockholders and Proxy Statement directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the enclosed proxy card or to vote in person at the Annual Meeting. Throughout this Proxy Statement, we refer to stockholders who hold their shares directly with Broadridge as “stockholders of record.”

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of the shares held in street name. Your broker, bank or other nominee who is considered the stockholder of record with respect to those shares has forwarded the Notice of Meeting of Stockholders and Proxy Statement for the Annual Meeting to you. As the beneficial owner, you have the right to direct your broker or nominee on how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since a beneficial owner is not the stockholder of record, a beneficial owner may not vote his or her shares of our common stock in person at the Annual Meeting unless such beneficial owner follows his or her broker’s procedures for obtaining a legal proxy. If you request a printed copy of our proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use. Throughout this Proxy Statement, we refer to stockholders who hold their shares through a broker, bank or other nominee as “beneficial owners” or “street name stockholders.”

What is a proxy?

It is your legal designation of another person to vote the stock you own. That other person is called your proxy. If you designate someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated two of our officers as proxies for the Annual Meeting to cast your vote. These officers are David Stefko, our Executive Vice President, Chief Financial Officer, and Akiko Okuma, our Vice President, General Counsel and Secretary.

How do I vote?***General***

You can vote by proxy or in person. For specific methods of voting available to you, see below.

If you submit your proxy using any of the methods below, David Stefko or Akiko Okuma will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for director and for or against the ratification of the appointment of our independent registered public accounting firm introduced at the Annual Meeting. If you vote by telephone or Internet and choose to vote with the recommendation of the Board of Directors, or if you vote by mail, sign your proxy card and do not indicate specific choices, your shares will be voted “FOR” the election of all nominees for director and “FOR” the ratification of the appointment of our independent registered public accounting firm.

If any other matter is properly introduced at the Annual Meeting, your proxy will authorize David Stefko or Akiko Okuma to vote in accordance with their best judgment. At the time this Proxy Statement was printed, we knew of no matters to be considered at the Annual Meeting other than the two proposals referenced in this Proxy Statement.

Voting Methods for Stockholders of Record

If you are a stockholder of record, you may vote by one of the following methods:

- **By Mail** : you may authorize your proxy by completing, signing and dating your proxy card and returning it in the enclosed reply envelope;
- **By Internet** : you may vote online via the Internet by accessing the website <http://www.proxyvote.com> and following the instructions provided on the proxy card. Internet voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 30, 2018;
- **By Telephone** : you may vote by touch-tone telephone by calling 1-800-690-6903. Telephone voting facilities will be available 24 hours per day and will close at 11:59 p.m., Eastern Time, on May 30, 2018;
- **In Person** : you may attend the Annual Meeting and vote in person by completing a ballot; however, attending the Annual Meeting without completing a ballot will not count as a vote. If you choose to vote in person, you must bring proof of identification and proxy card to the Annual Meeting.

Voting Methods for Street Name Stockholders

If you are a street name stockholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee on how to vote your shares. Street name stockholders should generally be able to vote by returning an instruction card, or by telephone or on the Internet. However, the availability of telephone and Internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a street name stockholder, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.

Can I change my vote or revoke my proxy?

Yes.

If you are a stockholder of record, you can change your vote or revoke your proxy any time before the Annual Meeting by:

- returning a later-dated proxy card;
- entering a new vote by Internet or by telephone;
- notifying the Secretary of the Company, in writing, at Vince Holding Corp., 500 Fifth Avenue, 20th Floor, New York, New York 10110, Attention: Secretary; or
- completing a written ballot at the Annual Meeting in person.

If you are a street name stockholder, your broker, bank or other nominee can provide you with instructions on how to change your vote.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting for the Annual Meeting to be properly held under our amended and restated bylaws and the Delaware General Corporation Law (the "DGCL"). The presence, in person or by proxy, of a majority of all issued and outstanding shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum at the Annual Meeting. Abstentions, withheld votes and broker non-votes are counted as shares present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when an intermediary holding shares for a beneficial owner does not vote on a particular proposal

because the intermediary does not have discretionary voting power for that particular proposal and has not received instructions from the beneficial owner.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of our common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole “routine” matter: the proposal to ratify the appointment of our independent registered public accounting firm. Your broker will not have discretion to vote on the election of directors, which is a “non-routine” matter, absent direction from you.

What vote is required to approve each proposal?

Two directors have been nominated for election at the Annual Meeting. Each director will be elected by a plurality of the votes cast in the election of directors at the Annual Meeting, either in person or represented by properly authorized proxy. This means that the two nominees who receive the largest number of “FOR” votes cast will be elected as directors. We do not have cumulative voting. Abstentions and broker non-votes will have no effect on this proposal.

The ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. In accordance with the DGCL, only votes cast “FOR” a matter constitute affirmative votes. A properly executed proxy marked “abstain” with respect to the ratification of the appointment of our independent registered public accounting firm will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast “FOR” the ratification of the appointment of our independent registered public accounting firm, they will have the same effect as negative votes or votes against each such matter.

Who will count the vote?

A representative of Broadridge will tabulate the votes and act as the inspector of election.

Is my vote confidential?

Yes. The Company encourages stockholder participation in corporate governance by ensuring the confidentiality of stockholder votes. The Company has designated Broadridge, its independent transfer agent and registrar, to receive and tabulate stockholder votes. Your vote on any particular proposal will be kept confidential and will not be disclosed to the Company or any of its officers or employees except where: (i) disclosure is required by applicable law; (ii) disclosure of your vote is expressly requested by you; or (iii) the Company concludes in good faith that a *bona fide* dispute exists as to the authenticity of one or more proxies, ballots or votes, or as to the accuracy of any tabulation of such proxies, ballots or votes. However, aggregate vote totals will be disclosed to the Company from time to time and publicly announced at the Annual Meeting.

Where can I find the voting results?

The Company will announce preliminary voting results at the Annual Meeting and publish preliminary, or final results if available, in a Current Report on Form 8-K filed with the SEC within four business days of the Annual Meeting.

Who pays for proxy solicitation?

We will pay the cost of soliciting proxies for the Annual Meeting. We will reimburse brokers, fiduciaries, custodians and other nominees for their costs in forwarding proxy materials to beneficial owners of our shares of common stock. Other proxy solicitation expenses that we will pay include those for preparation, mailing, returning and tabulating the proxies.

**PROPOSAL NO. 1 ELECTION OF
DIRECTORS**

The Board of Directors is currently comprised of nine members. The Board of Directors is divided into three classes. Each class of directors serves for a term of three years, until the successors of that class are duly elected and qualified or until their earlier death, resignation or removal. The term of directors of one class expires at each annual meeting of stockholders.

Pursuant to the Company's amended and restated certificate of incorporation, until such time as Sun Capital and certain of its fund affiliates (collectively, the "Sun Entities") cease to beneficially own at least 30% of the then outstanding shares of the Company's common stock, Sun Cardinal, LLC ("Sun Cardinal"), one of the Sun Entities, has the right to designate the majority of the Board of Directors, to fix the size of the Board of Directors and to designate the Chairman of the Board of Directors and the chairman of each committee of the Board of Directors. As of the Record Date, the Sun Entities held approximately 73% of the outstanding shares of our common stock.

At the Annual Meeting, two directors will be elected to serve until our annual meeting of stockholders to be held in 2021, until their successors are duly elected and qualified or until their earlier death, resignation or removal. The Board of Directors, upon the recommendation of the nominating and corporate governance committee of the Board of Directors (the "Nominating and Corporate Governance Committee"), has nominated Michael Mardy and Donald V. Roach to serve as Class I directors and stand for election at the Annual Meeting. Messrs. Mardy and Roach are currently serving as Class I directors. Immediately after the Annual Meeting, if all nominees are elected, the Board of Directors will be comprised of eight members and one seat that is vacant.

A plurality of all the votes cast at the Annual Meeting at which a quorum is present in person or by proxy is required for the election of directors.

If you are a stockholder of record and you vote by telephone or over the Internet or sign your proxy card but do not give instructions with respect to the voting of directors, your shares will be voted "FOR" the election of Messrs. Mardy and Roach. If you are a street name stockholder and you do not give voting instructions to your broker or nominee, your broker or nominee will leave your shares unvoted on this matter.

We expect that Messrs. Mardy and Roach will accept such nomination; however, in the event a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the Board of Directors or Sun Cardinal to fill such vacancy. Alternatively, the stockholders of record may vote for just the remaining nominee, leaving a vacancy that may be filled at a later date by the Board of Directors or Sun Cardinal, or the Board of Directors or Sun Cardinal may reduce the size of the Board of Directors.

The Board of Directors recommends a vote FOR the election of each of the nominated directors.

The Board of Directors currently consists of nine members. Immediately following the Annual Meeting, if all nominees are elected, the Board of Directors will consist of eight members and one seat that is vacant. Our amended and restated certificate of incorporation provides that the Board of Directors generally shall consist of such number of directors as determined from time to time by a resolution adopted by a majority of the total number of directors then in office. Notwithstanding the foregoing, under our amended and restated certificate of incorporation, until such time as the Sun Entities cease to beneficially own 30% or more of the voting power of our then outstanding shares of common stock, Sun Cardinal will have the right to designate a majority of the Board of Directors, to fix the size of the Board of Directors and to designate the Chairman of the Board of Directors and the chairman of each committee of the Board of Directors; provided that, at such time when we are no longer a “controlled company” under the NYSE corporate governance standards, a majority of the Board of Directors will be “independent directors,” as defined under the rules of NYSE, subject to the applicable phase-in requirements. See “— Controlled Company and Director Independence.” Until such time as the Sun Entities cease to beneficially own 30% or more of the then outstanding shares of our common stock, Sun Cardinal shall also have the ability to fill any vacancy on the Board of Directors, whether resulting from an increase to the board size, death, resignation or removal. Thereafter, only the Board of Directors shall be authorized to fill such vacancies. Additionally, even if the Sun Entities cease to beneficially own at least 30% of the then outstanding shares of our common stock, directors previously designated by Sun Cardinal shall have the right to serve the remainder of their respective terms, unless they are otherwise removed for cause in accordance with the terms of our amended and restated certificate of incorporation.

The Board of Directors is divided into three classes, with one class being elected at each year’s annual meeting of stockholders. Following the expiration of the initial term of a class of directors, each class of directors will serve a three-year term. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the total number of directors.

Controlled Company and Director Independence

Our common stock is listed on NYSE.

The Sun Entities currently control a majority of the voting power of our outstanding common stock. As a result, we are a “controlled company” under the NYSE corporate governance standards. As a controlled company, exemptions under the standards free us from the obligation to comply with certain corporate governance requirements, including the requirements that:

- a majority of the Board of Directors consists of “independent directors,” as defined under the NYSE rules;
- we have a nominating and corporate governance committee that is composed entirely of independent directors with a written charter addressing the committee’s purpose and responsibilities;
- we have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee’s purpose and responsibilities; and
- we conduct annual performance evaluations of the Company’s Nominating and Corporate Governance Committee and the Compensation Committee.

These exemptions do not modify the independence requirements for the Audit Committee. The Audit Committee members must satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the listing standards of NYSE.

The Board of Directors has undertaken a review of the independence of each director. Based on information provided by each director concerning his or her background, employment and affiliations, the Board of Directors has determined that each of Messrs. Bowman, Griffith and Mardy as well as Ms. Ulasewicz is “independent” as that term is defined under Rule 10A-3 under the Exchange Act as well as the applicable listing standards of NYSE. In making these determinations, the Board of Directors considered the current and prior relationships that each such director has with the Company and all other facts and circumstances the Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each such director, and the transactions involving them that would be described in the section titled “Certain Relationships and Related Party Transactions,” if any.

Once we are no longer a “controlled company,” we must comply with the independent board committee requirements as they relate to the Compensation Committee and the Nominating and Corporate Governance Committee to be phased in as follows: (1) one independent committee member at the time we are no longer a “controlled company;” (2) a majority of independent committee members within 90 days of the time we are no longer a “controlled company;” and (3) all independent committee members within one year of the time we are no longer a “controlled company.” In addition, we will have 12 months from the date we cease to be a “controlled company” to have a majority of independent directors on the Board of Directors.

Board Leadership Structure

Mr. Leder serves as the Chairman of the Board of Directors and presides over the meetings and executive sessions. Under our amended and restated certificate of incorporation, until such time as the Sun Entities cease to beneficially own 30% or more of the then outstanding shares of our common stock, Sun Cardinal, an affiliate of Sun Capital, has the right to designate the Chairman of the Board of Directors. Mr. Leder was designated as the Chairman of the Board of Directors by Sun Cardinal in June 2015.

As set forth in our corporate governance guidelines, the Board of Directors recognizes that depending on future circumstances, other leadership structures may become more appropriate for the Company. Accordingly, the Board of Directors will continue to periodically review its leadership structure.

Board Meetings and Committees

During fiscal 2017, the Board of Directors held four regular meetings and two special meetings and each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee held seven, three, and three meetings, respectively. Each director attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors held during the period for which he or she has been a director and (ii) the total number of meetings held by all committees of the Board of Directors on which he or she served during the periods that he or she served.

Pursuant to our corporate governance guidelines, our directors are expected to attend the annual meeting of stockholders and all or substantially all of the Board of Directors meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities.

The Board of Directors has established the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The composition and responsibilities of each of the committees are described below. Members will serve on these committees until their resignation or as otherwise determined by the Board of Directors.

Audit Committee

The Audit Committee is responsible for, among other matters: (1) appointing, compensating, retaining, evaluating, terminating and overseeing our independent registered public accounting firm; (2) discussing with our independent registered public accounting firm their independence from management; (3) reviewing with our independent registered public accounting firm the scope and results of their audit; (4) approving all audit and permissible non-audit services to be performed by our independent registered public accounting firm; (5) overseeing the financial reporting process and discussing with management and our independent registered public accounting firm the interim and annual financial statements that we file with the SEC; (6) reviewing and monitoring our accounting principles, accounting policies, financial and accounting controls and compliance with legal and regulatory requirements; and (7) establishing procedures for the confidential anonymous submission of concerns regarding questionable accounting, internal controls or auditing matters.

The Audit Committee currently consists of Messrs. Bowman and Griffith and Ms. Ulasewicz. Mr. Bowman is currently the chairman of the Audit Committee. Immediately following the Annual Meeting, if all nominees are elected, the Board expects to appoint Mr. Mardy as the chairman of the Audit Committee and the Audit Committee will consist of Messrs. Mardy and Griffith and Ms. Ulasewicz. The Board of Directors has determined that all members of the Audit Committee and Mr. Mardy qualify as independent directors according to the rules and regulations of the SEC with respect to audit committee membership. The Board of Directors has also determined that Messrs. Bowman and Mardy each qualifies as an “audit committee financial expert,” as such term is defined in Item 401(h) of Regulation S-K under Securities Act of 1933, as amended (the “Securities Act”). The Board of Directors adopted a written charter for the Audit Committee, which is available on our corporate website at www.vince.com. Our website is not part of this Proxy Statement.

Pursuant to its charter, the Compensation Committee may also delegate any of its responsibilities to one or more subcommittees to the extent it deems appropriate and allowed by applicable law.

The Compensation Committee currently consists of Messrs. Borell and Roach and Ms. Ulasewicz. Ms. Ulasewicz is currently the chairman of the Compensation Committee. The Board of Directors adopted a written charter for the Compensation Committee, which is available on our corporate website at www.vince.com. Our website is not part of this Proxy Statement.

The Nominating and Corporate Governance Committee is responsible for, among other matters: (1) identifying individuals qualified to become members of the Board of Directors, consistent with criteria approved by the Board of Directors; (2) overseeing the organization of the Board of Directors so that it can satisfy its duties and responsibilities properly and efficiently; (3) identifying best practices and recommending corporate governance principles; (4) reviewing and approving the compensation of our directors; (5) developing and recommending to the Board of Directors a set of corporate governance guidelines and principles applicable to us; and (6) reviewing and approving related party transactions.

The Nominating and Corporate Governance Committee currently consists of Messrs. Esko, Griffith and Roach. Mr. Griffith is currently the chairman of the Nominating and Corporate Governance Committee. The Board of Directors adopted a written charter for the Nominating and Corporate Governance Committee, which is available on our corporate website at www.vince.com. Compensation Committee Interlocks and Insider Participation

During fiscal 2017, none of our officers or employees served as a member of the Compensation Committee. None of our executive officers currently serves, or in the past has served, as a member of a Compensation Committee of any entity that has one or more executive officers serving on the Board of Directors or the Compensation Committee or as a director of any entity that has one or more executive officers serving on the Compensation Committee.

Other Committees

The Board of Directors may establish other committees as it deems necessary or appropriate from time to time.

Code of Business Conduct and Ethics and Corporate Governance Guidelines

We adopted a code of business conduct and ethics applicable to our principal executive, financial and accounting officers and all persons performing similar functions, as well as corporate governance guidelines. Copies of the code of business conduct and ethics as well as the corporate governance guidelines are available on our corporate website at www.vince.com. We expect that any amendments to the code or the guidelines, or any waivers of their respective requirements, will be disclosed on our website. Our website is not part of this Proxy Statement.

Risk Oversight

The Board of Directors oversees the risk management activities designed and implemented by our management. The Board of Directors executes its oversight responsibility for risk management both directly and through its committees. The Board of Directors also considers specific risk topics, including risks associated with our strategic plan, business operations and capital structure.

The Board of Directors has delegated to the Audit Committee oversight of our risk management process. The Audit Committee receives detailed regular reports from members of our senior management and other employees that include assessments and potential mitigation of the risks and exposures involved with their respective areas of responsibility. Our other board committees also consider and address risk as they perform their respective committee

responsibilities. All committees report to the full Board of Directors as appropriate, including when a matter rises to the level of a material or enterprise level risk.

Considerations in Evaluating Director Nominees

The Board of Directors is responsible for nominating members for election to the Board of Directors and for filling vacancies on the Board of Directors that may occur between annual meetings of stockholders. The Nominating and Corporate Governance Committee is responsible for identifying, screening and recommending candidates to the Board of Directors for board membership. When formulating its Board of Directors membership recommendations, the Nominating and Corporate Governance Committee may also consider advice and recommendations from others, including stockholders, as it deems appropriate.

The Nominating and Corporate Governance Committee has not identified specific minimum qualifications that must be met for a person to be considered as a candidate for director; however, the Nominating and Corporate Governance Committee and the Board of Directors believe that the Board of Directors should be composed of individuals with knowledge and experience in many substantive areas that impact our business. The following areas are the most important to us: fashion and consumer goods; retail and wholesale; marketing and merchandising; sales and distribution; international business development; strategic planning and leadership of complex organizations; accounting, finance, and capital structure; legal/regulatory and government affairs; operations and supply chain management; talent management; and board practices of other major corporations. The Nominating and Corporate Governance Committee and the Board of Directors review these factors, and diversity, in considering candidates for directorship.

We believe that all our current board members possess the professional and personal qualifications necessary for service on the Board of Directors, and have highlighted in the individual biographies above the specific experience, attributes and skills that led to the conclusion that each board member should serve as a director.

Our Compensation Committee is responsible for making compensation decisions for our executive officers and directors. Our Compensation Committee also considers input from our Chief Executive Officer, who provides compensation recommendations to the Compensation Committee for executives other than himself based on the considerations mentioned herein. We grant long-term equity incentives from time to time to our executives under the Vince 2013 Incentive Plan, as described below under “— Vince 2013 Incentive Plan.”

Our Compensation Committee reviews compensation elements and amounts for our Named Executive Officers on an annual basis and at the time of a promotion or other change in level of responsibilities, as well as when competitive circumstances or business needs may require. Accordingly, the compensation paid to our Named Executive Officers for fiscal 2017 may not necessarily be indicative of how we may compensate our Named Executive Officers in future years.

Executive Compensation Design Overview

Our executive compensation programs have historically been designed to provide competitive total compensation opportunities. They were designed to align pay with achievement of our annual and long-term financial and operational goals and recognize individual achievement. In setting pay levels, we reviewed published survey information and other available compensation data that was specific to companies of similar size or positioning in our industry. As currently structured, our executive compensation program is designed to:

- provide aggregate compensation that reflects the market compensation for executives with similar responsibilities in similar companies with appropriate adjustments to reflect the experience, performance and other distinguishing characteristics of specific individuals;
- be commensurate with our short-term and long-term financial performance;
- be aligned with the value for stockholders; and
- provide a competitive compensation opportunity that enables us to attract and retain key executive talent.

We believe that an important criterion for the determination of the aggregate value of our compensation program and the allocation of such value among the various elements of our compensation plans is market data on the amounts, allocations and structures utilized by similarly situated companies for positions of comparable responsibility.

During fiscal 2017, the Compensation Committee engaged Korn Ferry Hay Group (“Hay Group”) to advise on our executive compensation program at the recommendation of management. Hay Group also provided executive compensation advice to management during fiscal 2017. The Compensation Committee approved the appointment of Hay Group as an advisor to the committee as well as management and determined there was no conflict. Hay Group assisted in refining the Company’s executive compensation strategies and practices and non-executive employee compensation program in comparison to similarly situated companies.

In addition to cash compensation, our current compensation program includes grants under the Vince 2013 Incentive Plan and offerings pursuant to the Vince ESPP pursuant to which Vince employees other than executive officers, can purchase shares of our common stock at a discount of 10% to the closing price of our common stock on the NYSE on the last day of the applicable option period.

Compensation of Named Executive Officers

Base Salaries . The Compensation Committee reviews the base salaries of our executive officers, including the Named Executive Officers, at least annually, and makes adjustments as it determines to be reasonable and necessary. The base salaries of the Named Executive Officers as of the end of fiscal 2017 were as follows:

<u>Named Executive Officer</u>	<u>Base Salary</u>
Brendan Hoffman, Chief Executive Officer and Director	\$ 900,000
David Stefko, Executive Vice President, Chief Financial Officer	\$ 625,000
Mark Engebretson, Executive Vice President, Operations	\$ 501,000

Cash Bonuses . With respect to services rendered during fiscal 2017, the Compensation Committee adopted the 2017 Short-Term Incentive Program (the “2017 Bonus Plan”) as our annual cash bonus plan. Under the 2017 Bonus Plan, the performance metric was based on EBITDA. The payout opportunity for the Named Executive Officers under the 2017 Bonus Plan (as a percentage of base salary) was 100% for Mr. Hoffman and 60% for Mr. Stefko and Mr. Engebretson. The Compensation Committee made bonus determinations with respect to the 2017 Bonus Plan on April 2, 2018. Payouts under the 2017 Bonus Plan were made in April 2018.

Vince 2013 Incentive Plan. During fiscal 2017, none of our Named Executive Officers received any options to acquire shares of the Company pursuant to the Vince 2013 Incentive Plan.

Tax Receivable Agreement

The Company entered into a Tax Receivable Agreement (the “Tax Receivable Agreement”) with certain stockholders of the Company prior to its IPO (the “Pre-IPO Stockholders”) on November 27, 2013. The Company and its former subsidiaries generated certain tax benefits (including net operating losses and tax credits) prior to the restructuring transactions consummated in connection with the Company’s IPO and will generate certain section 197 intangible deductions (the “Pre-IPO Tax Benefits”), which would reduce the actual liability for taxes that the Company might otherwise be required to pay. The Tax Receivable Agreement provides for payments to the Pre-IPO Stockholders in an amount equal to 85% of the aggregate reduction in taxes payable realized by the Company and its subsidiaries from the utilization of the Pre-IPO Tax Benefits (the “Net Tax Benefit”).

For purposes of the Tax Receivable Agreement, the Net Tax Benefit equals (i) with respect to a taxable year, the excess, if any, of (A) the Company’s liability for taxes using the same methods, elections, conventions and similar practices used on the relevant company return assuming there were no Pre-IPO Tax Benefits over (B) the Company’s actual liability for taxes for such taxable year (the “Realized Tax Benefit”), plus (ii) for each prior taxable year, the excess, if any, of the Realized Tax Benefit reflected on an amended schedule applicable to such prior taxable year over the Realized Tax Benefit reflected on the original tax benefit schedule for such prior taxable year, minus (iii) for each prior taxable year, the excess, if any, of the Realized Tax Benefit reflected on the original tax benefit schedule for such prior taxable year over the Realized Tax Benefit reflected on the amended schedule for such prior taxable year; provided, however, that to extent any of the adjustments described in clauses (ii) and (iii) were reflected in the calculation of the tax benefit payment for any subsequent taxable year, such adjustments shall not be taken into account in determining the Net Tax Benefit for any subsequent taxable year. To the extent that the Company is unable to make the payment under the Tax Receivable Agreement when due under the terms of the Tax Receivable Agreement for any reason, such payment would be deferred and would accrue interest at a default rate of LIBOR plus 500 basis points until paid, instead of the agreed rate of LIBOR plus 200 basis points per annum in accordance with the terms of the Tax Receivable Agreement.

While the Tax Receivable Agreement is designed with the objective of causing the Company’s annual cash costs attributable to federal, state and local income taxes (without regard to the Company’s continuing 15% interest in the Pre-IPO Tax Benefits) to be the same as that which the Company would have paid had the Company not had the Pre-IPO Tax Benefits available to offset its federal, state and local taxable income, there are circumstances in which this may not be the case. In particular, the Tax Receivable Agreement provides that any payments by the Company thereunder shall not be refundable. In that regard, the payment obligations under the Tax Receivable Agreement differ from a payment of a federal income tax liability in that a tax refund would not be available to the Company under the Tax Receivable Agreement even if the Company were to incur a net operating loss for federal income tax purposes in a future tax year. Similarly, the Pre-IPO Stockholders will not reimburse the Company for any payments previously made if any tax benefits relating to such payments are subsequently disallowed, although the amount of any such tax benefits subsequently disallowed will reduce future payments (if any) otherwise owed to such Pre-IPO Stockholders. In addition, depending on the amount and timing of the Company’s future earnings (if any) and on other factors including the effect of any limitations imposed on the Company’s ability to use the Pre-IPO Tax Benefits, it is possible that all payments required under the Tax Receivable Agreement could become due within a relatively short period of time following consummation of the Company’s IPO.

If the Company had not entered into the Tax Receivable Agreement, the Company would be entitled to realize the full economic benefit of the Pre-IPO Tax Benefits to the extent allowed by federal, state and local law. The Tax Receivable Agreement is designed with the objective of causing the Company’s annual cash costs attributable to federal, state and local income taxes (without regard to the Company’s continuing 15% interest in the Pre-IPO Tax Benefits) to be the same as the Company would have paid had the Company not had the Pre-IPO Tax Benefits available to offset its federal, state and local taxable income. As a result, stockholders who purchased shares in the IPO are not entitled to the economic benefit of the Pre-IPO Tax Benefits that would have been available if the Tax Receivable Agreement were not in effect, except to the extent of the Company’s continuing 15% interest in the Pre-IPO Benefits.

Additionally, the payments the Company makes to the Pre-IPO Stockholders under the Tax Receivable Agreement are not expected to give rise to any incidental tax benefits to the Company, such as deductions or an adjustment to the basis of the Company's assets.

The Sun Entities may elect to terminate the Tax Receivable Agreement upon the occurrence of a Change of Control (as defined below). In connection with any such termination, the Company is obligated to pay the present value (calculated at a rate per annum equal to LIBOR plus 200 basis points as of such date) of all remaining Net Tax Benefit payments that would be required to be paid to the Pre-IPO Stockholders from such termination date, applying the valuation assumptions set forth in the Tax Receivable Agreement (the "Early Termination Period"). "Change of control," as defined in the Tax Receivable Agreement shall mean an event or series of events by which (i) the Company shall cease directly or indirectly to own 100% of the capital stock of Vince, LLC; (ii) any "person" or "group" (as such terms are used in Section 13(d) and 14(d) of the Exchange Act), other than one or more permitted investors, shall be the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Exchange Act) of capital stock having more, directly or indirectly, than 35% of the total voting power of all outstanding capital stock of the Company in the election of directors, unless at such time the permitted investors are direct or indirect "beneficial owners" (as so defined) of capital stock of the Company having a greater percentage of the total voting power of all outstanding capital stock of the Company in the election of directors than that owned by each other "person" or "group" described above; (iii) for any reason whatsoever, a majority of the Board of Directors shall not be continuing directors; or (iv) a "Change of Control" (or comparable term) shall occur under (x) any term loan or revolving credit facility of the Company or its subsidiaries or (y) any unsecured, senior, senior subordinated or subordinated indebtedness of the Company or its subsidiaries, if, in each case, the outstanding principal amount thereof is in excess of \$15 million. The Company may also terminate the Tax Receivable Agreement by paying the Early Termination Payment to the Pre-IPO Stockholders. Additionally, the Tax Receivable Agreement provides that in the event that the Company breaches any material obligations under the Tax Receivable Agreement by operation of law as a result of the rejection of the Tax Receivable Agreement in a case commenced under the Bankruptcy Code, then the Early Termination Payment plus other outstanding amounts under the Tax Receivable Agreement shall become due and payable.

The Tax Receivable Agreement will terminate upon the earlier of (i) the date all such tax benefits have been utilized or expired, (ii) the last day of the tax year including the tenth anniversary of the IPO Restructuring Transactions and (iii) the mutual agreement of the parties thereto, unless earlier terminated in accordance with the terms thereof.

As of February 3, 2018, the Company's total obligation under the Tax Receivable Agreement is estimated to be \$58.6 million. The tax benefit payment of \$0.4 million including accrued interest, with respect to the 2016 taxable year was paid in the first quarter of fiscal 2018. The Tax Receivable Agreement expires on December 31, 2023.

During fiscal 2017, the obligation under the Tax Receivable Agreement was adjusted primarily as a result of the enactment of the Tax Cuts and Jobs Act (the "TCJA") in the United States and the change in levels of projected pre-tax income. The TCJA reduced the U.S. federal corporate tax rate from 35% to 21%, which resulted in the re-measurement of liability at the lower tax rate. The adjustment resulted in a net decrease of \$82 million to the liability under the Tax Receivable Agreement.

Registration Agreement

The Company entered into a registration agreement with Sun Cardinal and SCSF Cardinal and certain other investors in connection with the February 2008 acquisition of Kellwood Company by the Sun Entities. Pursuant to the terms of the Registration Agreement, holders of at least a majority of "Sun Registrable Securities" (which include (i) shares of our common stock originally issued to the Sun Entities; (ii) all shares of common stock or other securities of the Company issuable upon the conversion, exercise or exchange of our common stock in connection with certain reorganization transactions; and (iii) any other shares of common stock or other securities of the Company held by persons holding the securities described in clauses (i) and (ii)) are entitled to request that we register its shares on a registration statement on one or more occasions in the future. The Sun Entities and the other investors party to the registration agreement are also eligible to participate in certain registered offerings by the

Company, subject to the restrictions in the registration rights agreement. We are obligated, within 30 days of receiving a request for registration, to file with the SEC a registration statement with respect to such registrable securities. In addition, we are obligated to use our best efforts to make short-form registrations on Form S-3 available for the sale of registrable securities. We will pay the expenses of the investors party to the registration agreement in connection with their exercise of the rights described in this paragraph, other than underwriting commissions or selling commissions attributable to the registrable securities sold by the holders thereof, as well reimburse the holders of registrable securities included in any registration for the reasonable fees and disbursements of one counsel chosen by the holders of a majority of the registrable securities included in such registration. Our obligation to bear all registration expenses is absolute and does not depend on whether any contemplated offering is completed or whether any registration statement is declared effective.

Employment Agreements

See “Employment Agreements” under “Executive Compensation” in this Proxy Statement for a description of our employment agreements with our Named Executive Officers.

2017 Investment Agreement and 2017 Rights Offering

On August 10, 2017, the Company entered into an Investment Agreement (the “2017 Investment Agreement”) with Sun Cardinal and SCSF Cardinal (collectively, the “Sun Cardinal Investors”) pursuant to which the Company agreed to issue and sell to the Sun Cardinal Investors, and the Sun Cardinal Investors agreed to purchase, an aggregate number of shares of the Company’s common stock equal to (x) \$30 million minus (y) the aggregate proceeds of the 2017 Rights Offering, at the 2017 Rights Offering subscription price per share (prior to adjustment for the Reverse Stock Split) of \$0.45, subject to the terms and conditions set forth in the 2017 Investment Agreement (the “Backstop Commitment”). The 2017 Investment Agreement superseded the Rights Offering Commitment Letter, dated May 18, 2017, from SCP V.

On August 15, 2017, the Company commenced the 2017 Rights Offering, whereby the Company distributed, at no charge, to stockholders of record as of August 14, 2017 (the “2017 Rights Offering Record Date”), rights to purchase new shares of the Company’s common stock at \$0.45 per share (prior to adjustment for the Reverse Stock Split). Each stockholder as of the 2017 Rights Offering Record Date (“2017 Rights Holders”) received one non-transferrable right to purchase 1.3475 shares for every share of common stock owned on the 2017 Rights Offering Record Date (the “subscription right”). 2017 Rights Holders who fully exercised their subscription rights were entitled to subscribe for additional shares that remained unsubscribed as a result of any unexercised subscription rights (the “over-subscription right”). The over-subscription right allowed a 2017 Rights Holder to subscribe for an additional amount equal to up to an aggregate of 9.99% of the Company’s outstanding shares of common stock after giving effect to the consummation of the transactions contemplated by the 2017 Rights Offering and the 2017 Investment Agreement, subject to certain limitations and pro rata allocations. Subscription rights could only be exercised for whole numbers of shares; no fractional shares of common stock were issued in the 2017 Rights Offering. The 2017 Rights Offering period expired on August 30, 2017 at 5:00 p.m. New York City time and the Company received subscriptions and oversubscriptions from its existing stockholders (including the Sun Cardinal Investors and the other Sun Entities) resulting in aggregate gross proceeds of \$22 million. Additionally, in accordance with the related 2017 Investment Agreement, the Company received \$8 million of gross proceeds from the Sun Cardinal Investors. In total, the Company received gross proceeds of \$30 million as a result of the 2017 Rights Offering and related 2017 Investment Agreement transactions and the Company issued 6,666,666 shares of its common stock, on a pre-Reverse Stock Split basis.

As of February 3, 2018, the Sun Entities collectively beneficially owned approximately 73% of the Company’s outstanding common stock.

Sun Capital Consulting Agreement

On November 27, 2013, the Company entered into an agreement with Sun Capital Management to (i) reimburse Sun Capital Management Corp. (“Sun Capital Management”) or any of its affiliates providing consulting services under the agreement for out-of-pocket expenses incurred in providing consulting services to the Company and (ii) provide Sun Capital Management with customary indemnification for any such services.

The agreement is scheduled to terminate on November 27, 2023, the tenth anniversary of the Company’s IPO. Under the consulting agreement, the Company has no obligation to pay Sun Capital Management or any of its affiliates any consulting fees other than those which are approved by a majority of the Company’s directors that are not affiliated with Sun Capital. To the extent such fees are approved in the future, the Company will be obligated to pay such fees in addition to reimbursing Sun Capital Management or any of its affiliates that provide the Company services under the consulting agreement for all reasonable out-of-pocket fees and expenses incurred by such party in connection with the provision of consulting services under the consulting agreement and any related matters. Reimbursement of such expenses shall not be conditioned upon the approval of a majority of the Company’s directors that are not affiliated with Sun Capital Management, and shall be payable in addition to any fees that such directors may approve.

Neither Sun Capital Management nor any of its affiliates are liable to the Company or the Company’s affiliates, security holders or creditors for (1) any liabilities arising out of, related to, caused by, based upon or in connection with the performance of services under the consulting agreement, unless such liability is proven to have resulted directly and primarily from the willful misconduct or gross negligence of such person or (2) pursuing any outside activities or opportunities that may conflict with the Company’s best interests, which outside activities the Company consents to and approves under the consulting agreement, and which opportunities neither Sun Capital Management nor any of its affiliates will have any duty to inform the Company of. In no event will the aggregate of any liabilities of Sun Capital Management or any of its affiliates exceed the aggregate of any fees paid under the consulting agreement.

In addition, the Company is required to indemnify Sun Capital Management, its affiliates and any successor by operation of law against any and all liabilities, whether or not arising out of or related to such party’s performance of services under the consulting agreement, except to the extent proven to result directly and primarily from such person’s willful misconduct or gross negligence. The Company is also required to defend such parties in any lawsuits which may be brought against such parties and advance expenses in connection therewith. In the case of affiliates of Sun Capital Management that have rights to indemnification and advancement from affiliates of Sun Capital, the Company agrees to be the indemnitor of first resort, to be liable for the full amounts of payments of indemnification required by any organizational document of such entity or any agreement to which such entity is a party, and that the Company will not make any claims against any affiliates of Sun Capital Partners for contribution, subrogation, exoneration or reimbursement for which they are liable under any organizational documents or agreement. Sun Capital Management may, in its sole discretion, elect to terminate the consulting agreement at any time. The Company may elect to terminate the consulting agreement if SCSF Cardinal, Sun Cardinal or any of their respective affiliates’ aggregate ownership of the Company’s equity securities falls below 30%.

During fiscal 2017, the Company incurred expenses of \$34,000 under the Sun Capital Consulting Agreement.

Bank of Montreal Facility

On June 22, 2017, Vince, LLC entered into a credit facility agreement (the “BMO LC Line”) with the Bank of Montreal to issue certain letters of credit (“Specified LCs”) for the benefit of Bank of America, N.A. (“BoFA”) as credit support for the obligations outstanding under the Company’s Revolving Credit Facility with BoFA. The BMO LC Line was guaranteed by Sun Capital Fund V, L.P., one of the Sun Entities. The initial BMO LC Line was issued in the amount of \$5 million. The maximum draw amount for all Specified LCs was \$10 million. The Specified LCs were never drawn upon and, on October 31, 2017, at the request of the Company and upon the satisfaction of certain release conditions, the BMO LC Line was released.

Indemnification Agreements

We entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted under the DGCL.

Amended and Restated Certificate of Incorporation

The Company's amended and restated certificate of incorporation provides that for so long as affiliates of Sun Capital own 30% or more of the Company's outstanding shares of common stock, Sun Cardinal, a Sun Capital affiliate, has the right to designate a majority of the Company's Board of Directors. For so long as Sun Cardinal has the right to designate a majority of the Company's Board of Directors, the directors designated by Sun Cardinal are expected to constitute a majority of each committee of the Company's Board of Directors (other than the Audit Committee), and the chairman of each of the committees (other than the Audit Committee) is expected to be a director serving on the committee who is selected by affiliates of Sun Capital, provided that, at such time as the Company is not a "controlled company" under the NYSE corporate governance standards, the Company's committee membership will comply with all applicable requirements of those standards and a majority of the Company's Board of Directors will be "independent directors," as defined under the rules of the NYSE, subject to any applicable phase in requirements.

Statement of Policy Regarding Transactions with Related Persons

Our written statement of policy with respect to related party transactions is administered by our Nominating and Corporate Governance Committee. Under our related party transaction policy, a "Related Party Transaction" is any transaction, arrangement or relationship between us or any of our subsidiaries and a Related Person not including any transactions involving less than \$120,000 when aggregated with all similar transactions, or transactions that have received pre-approval of the Nominating and Corporate Governance Committee. A "Related Person" is any of our executive officers, directors or director nominees, any stockholder beneficially owning in excess of 5% of our stock or securities exchangeable for our stock, any immediate family member of any of the foregoing persons, and any firm, corporation or other entity in which any of the foregoing persons is an executive officer, a partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest in such entity.

Pursuant to our related party transaction policy, a Related Party Transaction may only be consummated or may only continue if:

- our Nominating and Corporate Governance Committee approves or ratifies such transaction in accordance with the terms of the policy; or
- the chair of our Nominating and Corporate Governance Committee, or any member of the Committee as designated by the Committee, pre-approves or ratifies such transaction provided that for the Related Party Transaction to continue it must be subsequently ratified by our Nominating and Corporate Governance Committee at its next regularly scheduled meeting.

If advance approval of a Related Party Transaction is not feasible, then that Related Party Transaction will be considered and, if our Nominating and Corporate Governance Committee determines it to be appropriate, ratified, at its next regularly scheduled meeting. If we decide to proceed with a Related Party Transaction without advance approval, then the terms of such Related Party Transaction must permit termination by us without further material obligation in the event our ratification is not forthcoming at our next regularly scheduled meeting.

Transactions with Related Persons, though not classified as Related Party Transactions by our related party transaction policy and thus not subject to its review and approval requirements, may still need to be disclosed if required by the applicable securities laws, rules and regulations.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and officers, and other persons who beneficially own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of stock ownership and reports of changes in stock ownership and to provide us with copies of all such filed forms. Based solely on our review of such copies or written representations from reporting persons, we believe that all reports were filed on a timely basis during fiscal 2017.

Proxy Solicitation

Our directors and officers may solicit proxies by telephone, electronic transmission and personally. Our directors and officers will not receive any special compensation for such services.

Stockholder Proposals

In order to submit stockholder proposals to be considered for inclusion in the Company's proxy materials for its 2019 Meeting pursuant to Rule 14a-8 under the Exchange Act, proposals must be delivered to the Secretary at our principal executive offices, as indicated below, on or before December 21, 2018. Such proposals must also comply with all applicable provisions of Rule 14a-8 under the Exchange Act. As clearly indicated in the rules of the SEC, simply submitting a proposal does not guarantee its inclusion in the proxy materials.

Our amended and restated bylaws also establish an advance notice procedure with regard to director nominations and stockholder proposals that are not submitted for inclusion in the proxy materials, but that a stockholder wishes to present directly at an annual meeting. To be properly brought before the 2019 Meeting, a notice of the nomination or other matters the stockholder wishes to present must be delivered to the Secretary at our principal executive offices, as indicated below, between January 31, 2019 and March 2, 2019 and comply with the other provisions of our amended and restated bylaws.

Director's Attendance at the Annual Meeting

The Company invites members of the Board of Directors to attend its annual stockholder meetings and requires that they make every effort to attend the annual meetings absent an unavoidable and irreconcilable conflict. Six out of eight then current members of the Board of Directors attended the Company's May 31, 2017 annual stockholder meeting.

Householding

We have adopted a procedure called "householding," which the SEC has approved. Under this procedure, we deliver a single copy of the proxy materials to multiple stockholders who share the same address unless we have received contrary instructions from one or more of the stockholders. This procedure reduces our printing costs, mailing costs, and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy our proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these materials. To receive a separate copy, or, if a stockholder is receiving multiple copies, to request that we only send a single copy of the proxy materials, such stockholder may contact us at the following address:

Fiscal 2017 Annual Report and SEC Filings

Our audited consolidated financial statements for fiscal 2017 are included in the Annual Report, which will be made available to stockholders at the same time as this Proxy Statement.
