Item 1.01 Entry into a Material Definitive Agreement.

On June 10, 2019, Grubhub Holdings Inc. (the “Issuer”), a wholly owned subsidiary of Grubhub Inc. (the “Company”), completed the sale of \$500 million aggregate principal amount of 5.500% senior notes due 2027 (the “notes”), pursuant to a purchase agreement, dated June 6, 2019, among the Issuer, the Company, the other guarantors party thereto (together with the Company, the “Guarantors”) and the initial purchasers party thereto.

The notes were issued pursuant to an indenture, dated June 10, 2019 (the “Indenture”), among the Issuer, the Guarantors and Wilmington Trust, National Association, as trustee. The Indenture provides, among other things, that interest will be payable on the notes on January and July of each year, beginning on January 1, 2020, until their maturity date of July 1, 2027. The notes are senior unsecured obligations of the Issuer and will be guaranteed on a senior unsecured basis by the Company and each of its existing and future wholly owned domestic restricted subsidiaries that guarantees the credit facility or that guarantees certain of our other indebtedness or indebtedness of a guarantor (collectively, the “guarantees”).

The Issuer has the option to redeem all or a portion of the notes at any time on or after July 1, 2022 at the redemption prices set forth in the Indenture, plus accrued and unpaid interest, if any. The Issuer may also redeem all or any portion of the notes at any time prior to July 1, 2022, at a price equal to 100% of the aggregate principal amount thereof plus a make-whole premium and accrued and unpaid interest, if any. In addition, before July 1, 2022, the Issuer may redeem up to 40% of the aggregate principal amount of the notes with the net proceeds of certain equity offerings at the redemption price set forth in the Indenture, provided that certain conditions are met. Subject to certain limitations, in the event of a Change of Control Triggering Event (as defined in the Indenture), the Issuer will be required to make an offer to purchase the notes at a price equal to 101% of the aggregate principal amount of the notes repurchased, plus accrued and unpaid interest, if any, to the date of repurchase.

The Indenture contains covenants that, among other things, restrict the ability of the Company and the ability of certain of its subsidiaries to incur additional debt or issue preferred shares; create liens on certain assets to secure debt; and consolidate, merge, sell or otherwise dispose of all or substantially all of our assets. These covenants are subject to a number of important exceptions and qualifications.

The Indenture provides for customary events of default, which include (subject in certain cases to customary grace and cure periods), among others, nonpayment of principal or interest; breach of other agreements in the indentures; defaults in failure to pay certain other indebtedness; the rendering of judgments to pay certain amounts of money against the Company and certain of its subsidiaries; the failure of certain guarantees to be enforceable; and certain events of bankruptcy or insolvency.

The notes were issued in a private offering that is exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), to persons reasonably believed to be qualified institutional buyers in accordance with Rule 144A and to persons outside of the United States pursuant to Regulation S under the Securities Act.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the complete terms of the Indenture, a copy of which is filed as Exhibit 4.1 hereto, and the notes, a form of which is filed as Exhibit 4.2 hereto, both of which are incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off Balance Sheet Arrangement of a Registrant.

WHEREAS, the Notes will be guaranteed on a senior unsecured basis by the Company and each of the Subsidiary Guarantors;

ARTICLE I

DEFINITIONS AND INCORPORATION BY REFERENCE

SECTION 1.1. Definitions.

“Acquired Indebtedness” means with respect to any Person (x) Indebtedness of any other Person or any of its Subsidiaries existing at the time such other Person becomes a Restricted Subsidiary or merges or amalgamates with or into or consolidates or otherwise combines with the Company or any Restricted Subsidiary and (y) Indebtedness secured by a Lien encumbering any asset acquired by such Person. Acquired Indebtedness shall be deemed to have been incurred, with respect to clause (x) of the preceding sentence, on the date such Person becomes a Restricted Subsidiary or on the date of the relevant merger, amalgamation, consolidation, acquisition or other combination.

“Affiliate” of any specified Person means any other Person, directly or indirectly, controlling or controlled by or under direct or indirect common control with such specified Person. For the purposes of this definition, “control” when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings correlative to the foregoing.

“AI” means an “accredited investor” as described in Rule 501(a)(4) under the Securities Act.

“Alternative Currency” means any currency (other than Dollars) that is a lawful currency (other than Dollars) that is readily available and freely transferable and convertible into Dollars (as determined in good faith by the Company).

“Applicable Premium” means the greater of (A) 1.0% of the principal amount of such Note and (B) on any redemption date, the excess (to the extent positive) of:

(a) the present value at such redemption date of (i) the redemption price of such Note at July 1, 2022 (such redemption price (expressed in percentage of principal amount) being set forth in the table under Section 5.7(d) (excluding accrued but unpaid interest, if any)), plus (ii) all required interest payments due on such Note to and including such date set forth in clause (i) (excluding accrued but unpaid interest, if any), computed upon the redemption date using a discount rate equal to the Applicable Treasury Rate at such redemption date plus 50 basis points; over

(b) the outstanding principal amount of such Note;

in each case, as calculated by the Issuer or on behalf of the Issuer by such Person as the Issuer shall designate. The Trustee shall have no duty to calculate or verify the calculations of the Applicable Premium.

“Applicable Treasury Rate” means the weekly average for each Business Day during the most recent week that has ended at least two (2) Business Days prior to the redemption date of the yield to maturity at the time of computation of United States Treasury securities with a constant maturity (as compiled and published in the Federal Reserve Statistical Release H.15 (or, if such statistical release is not so published or available, any publicly available source of similar market data selected by the Issuer in good faith)) most nearly equal to the period from the redemption date to July 1, 2022; provided, however, that if the period from the redemption date to July 1, 2022 is not equal to the constant maturity of a United States Treasury security for which a yield is given, the Applicable Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the yields of United States Treasury securities for which such yields are given, except that if the period from the redemption date to such applicable date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

“Associate” means (i) any Person engaged in a Similar Business of which the Company or its Restricted Subsidiaries are the legal and beneficial owners of between 20% and 50% of all outstanding Voting Stock and (ii) any joint venture entered into by the Company or any Restricted Subsidiary.

“Bankruptcy Law” means Title 11 of the United States Code or similar federal or state law for the relief of debtors.

“Board of Directors” means (i) with respect to the Company or any corporation, the board of directors or managers, as applicable, of the corporation, or any duly authorized committee thereof; (ii) with respect to any partnership, the board of directors or other governing body of the general partner, as applicable, of the partnership or any duly authorized committee thereof; (iii) with respect to a limited liability company, the managing member or members or any duly authorized controlling committee thereof; and (iv) with respect to any other Person, the board or any duly authorized committee of such Person serving a similar function.

Whenever any provision requires any action or determination to be made by, or any approval of, a Board of Directors, such action, determination or approval shall be deemed to have been taken or made if approved by a majority of the directors on any such Board of Directors (whether or not such action or approval is taken as part of a formal board meeting or as a formal board approval). Unless the context requires otherwise, Board of Directors means the Board of Directors of the Company.

“Business Day” means each day that is not a Saturday, Sunday or other day on which banking institutions in New York, New York, United States or in the jurisdiction of the place of payment are authorized or required by law to close. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment or performance shall extend to the immediately succeeding Business Day and such extension of time shall not be reflected in computing interest.

“Capital Stock” of any Person means any and all shares of, rights to purchase or acquire, warrants, options or depositary receipts for, or other equivalents of, or partnership or other interests in (however designated), equity of such Person, including any Preferred Stock, but excluding any debt securities convertible into, or exchangeable for, such equity.

“Capitalized Lease Obligations” means an obligation that is required to be classified and accounted for as a capitalized lease (and, for the avoidance of doubt, not a straight-line or operating lease) for financial reporting purposes in accordance with GAAP. The amount of Indebtedness represented by such obligation will be the capitalized amount of such obligation at the time any determination thereof is to be made as determined in accordance with GAAP, and the Stated Maturity thereof will be the date of the last payment of rent or any other amount due under such lease prior to the first date such lease may be terminated without penalty; *provided* that all obligations of the Company and its Restricted Subsidiaries that are or would be characterized as an operating lease as determined in accordance with GAAP as in effect on January 1, 2015 (whether or not such operating lease was in effect on such date) shall continue to be accounted for as an operating lease (and not as a Capitalized Lease Obligation) for purposes of this Indenture regardless of any change in GAAP following January 1, 2015 (that would otherwise require such obligation to be recharacterized as a Capitalized Lease Obligation).

“Capitalized Software Expenditures” means, for any period, the aggregate of all expenditures (whether paid in cash or accrued as liabilities) by a Person and its Restricted Subsidiaries during such period in respect of licensed or purchased software or internally developed software and software enhancements that, in conformity with GAAP, are or are required to be reflected as capitalized costs on the consolidated balance sheet of a Person and its Restricted Subsidiaries.

“Captive Insurance Subsidiary” means (i) any Subsidiary of the Company operating for the purpose of (a) insuring the businesses, operations or properties owned or operated by the Company or any of its Subsidiaries, including their future, present or former employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled Investment Affiliates or Immediate Family Members), and related benefits and/or (b) conducting any activities or business incidental thereto (it being understood and agreed that activities which are relevant or appropriate to qualify as an insurance company for U.S. federal or state tax purposes shall be considered “activities or business incidental thereto”) or (ii) any Subsidiary of any such insurance subsidiary operating for the same purpose described in clause (i) above.

“Cash Equivalents” means:

(1) (a) Dollars, Canadian dollars, pounds sterling, yen, euro, any national currency of any member state of the European Union or any Alternative Currency; or (b) any other foreign currency held by the Company and its Restricted Subsidiaries from time to time in the ordinary course of business or consistent with past practice;

(2) securities issued or directly and fully guaranteed or insured by the United States, Canadian, United Kingdom or Japanese governments, a member state of the European Union or, in each case, any agency or instrumentality thereof (provided that the full faith and credit obligation of such country or such member state is pledged in support thereof), with maturities of 36 months or less from the date of acquisition;

(3) certificates of deposit, time deposits, eurodollar time deposits, overnight bank deposits, demand deposits or bankers’ acceptances having maturities of not more than two years from the date of acquisition thereof issued by any bank, trust company or other financial institution (a) whose commercial paper is rated at least “P-2” or the equivalent thereof by S&P or at least “A-2” or the equivalent thereof by Moody’s (or, if at the time, neither S&P or Moody’s is rating such obligations, then a comparable rating from another Nationally Recognized Statistical Rating Organization selected by the Company) or (b) having combined capital and surplus in excess of \$100.0 million;

(4) repurchase obligations for underlying securities of the types described in clauses (2), (3), (7) and (8) entered into with any Person meeting the qualifications specified in clause (3) above;

(5) securities with maturities of two years or less from the date of acquisition backed by standby letters of credit issued by any Person meeting the qualification in clause (3) above;

(6) commercial paper and variable or fixed rate notes issued by any Person meeting the qualifications specified in clause (3) above (or by the parent company thereof) maturing within two years after the date of creation thereof, or if no rating is available in respect of the commercial paper or variable or fixed rate notes, the issuer of which has an equivalent rating in respect of its long-term debt;

(7) marketable short-term money market and similar securities having a rating of at least “P-2” or “A-2” from either S&P or Moody’s, respectively (or, if at the time, neither S&P nor Moody’s is rating such obligations, then a comparable rating from another Nationally Recognized Statistical Rating Organization selected by the Company);

(8) readily marketable direct obligations issued by any state, province, commonwealth or territory of the United States of America or any political subdivision, taxing authority or any agency or instrumentality thereof, rated BBB- (or the equivalent) or better by S&P or Baa3 (or the equivalent) or better by Moody’s (or, if at the time, neither S&P nor Moody’s is rating such obligations, then a comparable rating from another Nationally Recognized Statistical Rating Organization selected by the Company) with maturities of not more than two years from the date of acquisition;

(9) readily marketable direct obligations issued by any foreign government or any political subdivision, taxing authority or agency or instrumentality thereof, with a rating of “BBB-” or higher from S&P or “Baa3” or higher by Moody’s or the equivalent of such rating by such rating organization (or, if at the time, neither S&P nor Moody’s is rating such obligations, then a comparable rating from another Nationally Recognized Statistical Rating Organization selected by the Company) with maturities of not more than two years from the date of acquisition;

(10) Investments with average maturities of 24 months or less from the date of acquisition in money market funds with a rating of “A” or higher from S&P or “A-2” or higher by Moody’s or the equivalent of such rating by such rating organization (or, if at the time, neither S&P nor Moody’s is rating such obligations, then a comparable rating from another Nationally Recognized Statistical Rating Organization selected by the Company);

(11) with respect to any Foreign Subsidiary: (i) obligations of the national government of the country in which such Foreign Subsidiary maintains its chief executive office and principal place of business provided such country is a member of the Organization for Economic Cooperation and Development, in each case maturing within one year after the date of investment therein, (ii) certificates of deposit of, bankers’ acceptance of, or time deposits with, any commercial bank which is organized and existing under the laws of the country in which such Foreign Subsidiary maintains its chief executive office and principal place of business provided such country is a member of the Organization for Economic Cooperation and Development, and whose short-term commercial paper rating from S&P is at least “P-2” or the equivalent thereof or from Moody’s is at least “A-2” or the equivalent thereof (any such bank being an “Approved Foreign Bank”), and in each case with maturities of not more than 270 days from the date of acquisition and (iii) the equivalent of demand deposit accounts which are maintained with an Approved Foreign Bank;

(12) Indebtedness or Preferred Stock issued by Persons with a rating of “BBB-” or higher from S&P or “Baa3” or higher by Moody’s or the equivalent of such rating by such rating organization (or, if at the time, neither S&P nor Moody’s is rating such obligations, then a comparable rating from another Nationally Recognized Statistical Rating Organization selected by the Company) with maturities of not more than two years from the date of acquisition;

(13) bills of exchange issued in the United States of America, Canada, the United Kingdom, Japan, a member state of the European Union eligible for rediscount at the relevant central bank and accepted by a bank (or any dematerialized equivalent);

(14) investments in industrial development revenue bonds that (i) “re-set” interest rates not less frequently than quarterly, (ii) are entitled to the benefit of a remarketing arrangement with an established broker dealer and (iii) are supported by a direct pay letter of credit covering principal and accrued interest that is issued by any bank meeting the qualifications specified in clause (3) above; and

(15) any investment company, money market, enhanced high yield, pooled or other investment fund investing 90% or more of its assets in instruments of the types specified in the clauses above.

In the case of Investments by any Foreign Subsidiary that is a Restricted Subsidiary or Investments made in a country outside the United States of America, Cash Equivalents shall also include (a) investments of the type and maturity described in clauses (1) through (15) above of foreign obligors, which Investments or obligors (or the

parents of such obligors) have ratings described in such clauses or equivalent ratings from comparable foreign rating agencies and (b) other short-term investments utilized by Foreign Subsidiaries that are Restricted Subsidiaries in accordance with normal investment practices for cash management in investments analogous to the foregoing investments in clauses (1) through (15) above and in this paragraph.

In addition, in the case of Investments by any Captive Insurance Subsidiary, Cash Equivalents shall also include (a) such Investments with average maturities of 12 months or less from the date of acquisition in issuers rated BBB- (or the equivalent thereof) or better by S&P or Baa3 (or the equivalent thereof) or better by Moody's, in each case at the time of such Investment and (b) any Investment with a maturity of more than 12 months that would otherwise constitute Cash Equivalents of the kind described in any of clauses of this definition above or clause (a) in this paragraph, if the maturity of such Investment was 12 months or less; provided that the effective maturity of such Investment does not exceed 15 years.

Notwithstanding the foregoing, Cash Equivalents shall include amounts denominated in currencies other than those set forth in clause (1) above, *provided* that such amounts are converted into any currency listed in clause (1) as promptly as practicable and in any event within 10 Business Days following the receipt of such amounts.

For the avoidance of doubt, any items identified as Cash Equivalents under this definition will be deemed to be Cash Equivalents for all purposes under this Indenture regardless of the treatment of such items under GAAP.

(7) the principal amount of any non-interest bearing or other discount security at any date shall be the principal amount thereof that would be shown on a balance sheet of the Issuer dated such date prepared in accordance with GAAP;

(8) the principal amount of any preferred stock shall be (i) the maximum liquidation value of such preferred stock or (ii) the maximum mandatory redemption or mandatory repurchase price with respect to such preferred stock, whichever is greater;

Each item of Indebtedness that is incurred or issued, each Lien incurred and each other transaction undertaken will be deemed to have been incurred, issued or taken first, to the extent available, pursuant to the relevant Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio or Consolidated Total Leverage Ratio test.

For the avoidance of doubt, if the Issuer has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or total assets of the Company or the Person subject to such Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations; (2) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of an Default or Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); and (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for redemption, purchase or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes (or, if applicable, the irrevocable notice is terminated, expires or passes or, as applicable, the offer in respect of an LCT Public Offer for, such acquisition is terminated), as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving pro forma effect to such Limited Condition Transaction.

(e) Book-Entry Provisions. This Section 2.1(e) shall apply only to Global Notes deposited with the Trustee, as custodian for DTC, and for which the applicable procedures of DTC shall govern.

(1) Each Global Note initially shall (x) be registered in the name of DTC or the nominee of DTC, (y) be delivered to the Notes Custodian for DTC and (z) bear legends as set forth in Section 2.1(d)(2). Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to DTC, its successors or its respective nominees, except as set forth in Section 2.1(e)(4) and 2.1(f). If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Notes Custodian will (x) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of such transfer or exchange and (y) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that

is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(2) Members of, or participants in, DTC (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by DTC or by the Notes Custodian as the custodian of DTC or under such Global Note, and DTC may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices of DTC governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(3) In connection with any transfer of a portion of the beneficial interest in a Global Note pursuant to Section 2.1(f) to beneficial owners who are required to hold Definitive Notes, the Notes Custodian shall reflect on its books and records the date and a decrease in the principal amount of such Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, one or more Definitive Notes of like tenor and amount.

(4) In connection with the transfer of an entire Global Note to beneficial owners pursuant to Section 2.1(f), such Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, to each beneficial owner identified by DTC in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations.

(5) The registered Holder of a Global Note may grant proxies and otherwise authorize any person, including Agent Members and persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(6) Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (i) the Holder of such Global Note (or its agent) or (ii) any holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

(f) Definitive Notes. Except as provided below, owners of beneficial interests in Global Notes will not be entitled to receive Definitive Notes. Definitive Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in a Global Note if (A) DTC notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or DTC ceases to be a clearing agency registered under the Exchange Act, at a time when DTC is required to be so registered in order to act as depository, and in each case a successor depository is not appointed by the Issuer within 90 days of such notice, (B) the Issuer in its sole discretion executes and deliver to the Trustee and Registrar an Officer’s Certificate stating that such Global Note shall be so exchangeable or (C) an Event of Default has occurred and is continuing and the Registrar has received a written request from DTC. In the event of the occurrence of any of the events specified in the second preceding sentence or in clause (A), (B) or (C) of the preceding sentence, the Issuer shall promptly make available to the Registrar a reasonable supply of Definitive Notes. In addition, any Note transferred to an affiliate (as defined in Rule 405 under the Securities Act) of the Issuer or evidencing a Note that has been acquired by an affiliate in a transaction or series of transactions not involving any public offering must, until one year after the last date on which either the Issuer or any affiliate of the Issuer was an owner of the Note, be in the form of a Definitive Note and bear the legend regarding transfer restrictions in Section 2.1(d)(1). If required to do so pursuant to any applicable law or regulation, beneficial owners may also obtain Definitive Notes in exchange for their beneficial interests in a Global Note upon written request in accordance with DTC’s and the Registrar’s procedures.

(1) Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(e) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Global Note set forth in Section 2.1(d)(1).

(2) If a Definitive Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Definitive Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, to the transferring Holder a new Definitive Note representing the principal amount not so transferred.

(3) If a Definitive Note is transferred or exchanged for another Definitive Note, (x) the Trustee will cancel the Definitive Note being transferred or exchanged, (y) the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, one or more new Definitive Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Definitive Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Issuer shall execute, and the Trustee shall authenticate and make available for delivery to the Holder thereof, one or more Definitive Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Definitive Notes, registered in the name of the Holder thereof.

(4) Notwithstanding anything to the contrary in this Indenture, in no event shall a Definitive Note be delivered upon exchange or transfer of a beneficial interest in the Regulation S Global Note prior to the end of the Restricted Period.

SECTION 2.2. Execution and Authentication. One Officer of the Issuer shall sign the Notes for the Issuer by manual, facsimile or PDF signature. If the Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized officer of the Trustee manually authenticates the Note. The signature of the Trustee on a Note shall be conclusive evidence that such Note has been duly and validly authenticated and issued under this Indenture. A Note shall be dated the date of its authentication.

At any time and from time to time after the execution and delivery of this Indenture, the Trustee shall authenticate and make available for delivery: (1) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$500,000,000 and (2) subject to the terms of this Indenture, Additional Notes for original issue in an unlimited principal amount, in each case upon a written order of the Issuer signed by one Officer of the Issuer (the “Issuer Order”). Such Issuer Order shall specify whether the Notes will be in the form of Definitive Notes or Global Notes, the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated, the Holder of the Notes and whether the Notes are to be Initial Notes or Additional Notes.

The Trustee may appoint an agent (the “Authenticating Agent”) reasonably acceptable to the Issuer to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, any such Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by the Authenticating Agent. An Authenticating Agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

In case any of the Issuer or any Guarantor, pursuant to Article IV or Section 10.2, as applicable, shall be consolidated or merged with or into any other Person or shall convey, transfer, lease or otherwise dispose of its properties and assets substantially as an entirety to any Person, and the successor Person resulting from such consolidation, or surviving such merger, or into which the Issuer or any Guarantor shall have been merged, or the Person which shall have received a conveyance, transfer, lease or other disposition as aforesaid, shall have executed an indenture supplemental hereto with the Trustee pursuant to Article IV, any of the Notes authenticated or delivered prior to such consolidation, merger, conveyance, transfer, lease or other disposition may (but shall not be required), from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate to reflect such successor Person, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon the Issuer Order of the successor Person, shall authenticate and make available for delivery Notes as specified in such order for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section 2.2 in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time outstanding for Notes authenticated and delivered in such new name.

SECTION 2.3. Registrar and Paying Agent. The Issuer shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the “Registrar”) and an office or agency where Notes may be presented for payment. The Registrar shall keep a register of the Notes and of their transfer and exchange (the “Notes Register”). The Issuer may have one or more co-registrars and one or more additional paying agents. The term “Paying Agent” includes any additional paying agent and the term “Registrar” includes any co-registrar.

The Issuer shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee in writing of the name and address of each such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.7. The Issuer or any Guarantor may act as Paying Agent, Registrar or Transfer Agent.

The Issuer initially appoints DTC to act as Depositary with respect to the Global Notes. The Issuer initially appoints the Trustee as Registrar and Paying Agent for the Notes. The Issuer may change any Registrar or Paying Agent without prior notice to the Holders, but upon written notice to such Registrar or Paying Agent and to the Trustee; *provided, however*, that no such removal shall become effective until (i) acceptance of any appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee and the passage of any waiting or notice periods required by DTC procedures or (ii) written notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuer and the Trustee.

SECTION 2.4. Paying Agent to Hold Money in Trust. By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest on any Note is due and payable, the Issuer shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium or interest when due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal of, premium, if any, or interest on the Notes (whether such assets have been distributed to it by the Issuer or other obligors on the Notes), shall notify the Trustee in writing of any default by the Issuer or any Guarantor in making any such payment and shall during the continuance of any default by the Issuer (or any other obligor upon the Notes) in the making of any payment in respect of the Notes, upon the written request of the Trustee, forthwith deliver to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Notes together with a full accounting thereof. If the Issuer or a Subsidiary of the Issuer acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee and to account for any funds or assets disbursed by such Paying Agent. Upon complying with this Section 2.4, the Paying Agent (if other than the Issuer or a Subsidiary of the Issuer) shall have no further liability for the money delivered to the Trustee. Upon any bankruptcy, reorganization or similar proceeding with respect to the Issuer, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.5. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer, on its own behalf and on behalf of each of the Guarantors, shall furnish or cause the Registrar to furnish to the Trustee, in writing at least five (5) Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.6. Transfer and Exchange.

(a) A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Registrar a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by this Section 2.6. The Registrar will promptly register any transfer or exchange that meets the requirements of this Section 2.6 by noting the same in the Notes Register maintained by the Registrar for the purpose, and no transfer or exchange will be effective until it is registered in such Notes Register. The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 2.6 and Section 2.1(e) and 2.1(f), as applicable, and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of DTC, Euroclear and Clearstream. The Registrar shall refuse to register any requested transfer or exchange that does not comply with this paragraph.

(b) Transfers of Rule 144A Notes and Institutional Accredited Investor Notes. The following provisions shall apply with respect to any proposed registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note prior to the date that is one year after the later of the date of its original issue and the last date on which the Issuer or any Affiliate of the Issuer was the owner of such Notes (or any predecessor thereto) (the “Resale Restriction Termination Date”):

(1) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee in the form as set forth on the reverse of the Note that it is purchasing for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuer as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; *provided* that no such written representation or other written certification shall be required in connection with the transfer of a beneficial interest in the Rule 144A Global Note to a transferee in the form of a beneficial interest in that Rule 144A Global Note in accordance with this Indenture and the applicable procedures of DTC;

(2) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Global Note or a beneficial interest therein to an IAI or an AI shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.8 or Section 2.10, respectively, from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer; and

(3) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.9 from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer.

(c) Transfers of Regulation S Notes. The following provisions shall apply with respect to any proposed transfer of a Regulation S Note prior to the expiration of the Restricted Period:

(1) a transfer of a Regulation S Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee, in the form of assignment on the reverse of the certificate, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuer as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A;

(2) a transfer of a Regulation S Note or a beneficial interest therein to an IAI or an AI shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.8 or Section 2.10, respectively, from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer; and

(3) a transfer of a Regulation S Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.9 hereof from the proposed transferee and receipt by the Registrar or its agent of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer.

After the expiration of the Restricted Period, interests in the Regulation S Note may be transferred in accordance with applicable law without requiring the certification set forth in Section 2.9 or any additional certification.

(d) Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes not bearing a Restricted Notes Legend, the Registrar shall deliver Notes that do not bear a Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes bearing a Restricted Notes Legend, the Registrar shall deliver only Notes that bear a Restricted Notes Legend unless (1) an Initial Note is being transferred pursuant to an effective registration statement, (2) Initial Notes are being exchanged for Notes that do not bear the Restricted Notes Legend in accordance with Section 2.6(e) or (3) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Issuer to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. Any Additional Notes sold in a registered offering shall not be required to bear the Restricted Notes Legend.

(e) [Reserved].

(f) Retention of Written Communications. The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.1 or this Section 2.6. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications, at the Issuer’s expense, at any reasonable time upon the giving of reasonable prior written notice to the Registrar.

(g) Obligations with Respect to Transfers and Exchanges of Notes. To permit registrations of transfers and exchanges, the Issuer shall, subject to the other terms and conditions of this Article II, execute and the Trustee shall authenticate Definitive Notes and Global Notes at the Issuer’s and the Registrar’s written request.

No service charge shall be made to a Holder for any registration of transfer or exchange, but the Issuer may require the Holder to pay a sum sufficient to cover any transfer tax assessments or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charges payable upon exchange or transfer pursuant to Sections 2.2, 2.6, 2.11, 2.13, 5.6 or 9.5).

The Issuer (and the Registrar) shall not be required to register the transfer of or exchange of any Note (A) for a period beginning (1) fifteen (15) calendar days before the mailing (or electronic delivery) of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing (or electronic delivery) or (2) fifteen (15) calendar days before an interest payment date and ending on such interest payment date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.

Prior to the due presentation for registration of transfer of any Note, the Issuer, the Trustee, the Paying Agent or the Registrar may deem and treat the person in whose name a Note is registered as the owner of such Note for the purpose of receiving payment of principal of, premium, if any, and (subject to paragraph 2 of the forms of Notes attached hereto as Exhibit A) interest on such Note and for all other purposes whatsoever, including without limitation the transfer or exchange of such Note, whether or not such Note is overdue, and none of the Issuer, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(f) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Definitive Note set forth in Section 2.1(d)(1).

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(h) No Obligation of the Trustee. (1) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in, DTC or other Person with respect to the accuracy of the records of DTC or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption or purchase) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders (which shall be DTC or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through DTC subject to the applicable rules and procedures of DTC. The Trustee may rely and shall be fully protected in relying upon information furnished by DTC with respect to its members, participants and any beneficial owners.

Neither the Registrar nor the Trustee shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among DTC participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee nor any of its agents shall have any responsibility for any actions taken or not taken by DTC.

Taxpayer ID Number: _____

The undersigned represents and warrants to you that:

4. I am an "accredited investor" (as defined in Rule 501(a)(4) under the U.S. Securities Act of 1933, as amended (the "Securities Act")) and I am acquiring the Notes not with a view to, or for offer or sale in connection with, any distribution in violation of the Securities Act. I am able to bear the economic risk of my investment.
5. I understand that the Notes have not been registered under the Securities Act and, unless so registered, may not be sold except as permitted in the following sentence. I agree on my own behalf to offer, sell or otherwise transfer such Notes prior to the date that is one year after the later of the date of original issue and the last date on which the Issuer or any affiliate of the Issuer was the owner of such Notes (or any predecessor thereto) (the "Resale Restriction Termination Date") only (a) to the Issuer or any Subsidiary thereof, (b) pursuant to an effective registration statement under the Securities Act, (c) in a transaction complying with the requirements of Rule 144A under the Securities Act, to a person I reasonably believe is a "qualified institutional buyer" under Rule 144A of the Securities Act (a "QIB") that is purchasing for its own account or for the account of a QIB and to whom notice is given that the transfer is being made in reliance on Rule 144A, (d) pursuant to offers and sales to non-U.S. persons that occur outside the United States within the meaning of Regulation S under the Securities Act, (e) to an institutional "accredited investor" within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act that is purchasing for its own account or for the account of such an institutional "accredited investor," in each case in a minimum principal amount of Notes of \$200,000 for investment purposes and not with a view to or for offer or sale in connection with any distribution in violation of the Securities Act or (f) pursuant to any other available exemption from the registration

The foregoing restrictions on resale will not apply subsequent to the Resale Restriction Termination Date. Each purchaser acknowledges that the Issuer and the Trustee reserve the right prior to any offer, sale or other transfer prior to the Resale Termination Date of the Notes pursuant to clauses (d), (e) or (f) above to require the delivery of an opinion of counsel, certifications and/or other information satisfactory to the Issuer.

6. I understand and acknowledge that upon the issuance thereof, and until such time as the same is no longer required under applicable requirements of the Securities Act or state securities laws, the Notes that I acquire will be certificated Notes that will bear, and all certificates issued in exchange therefor or in substitution thereof will bear, a restrictive legend set forth in Section 2.1(d) of the Indenture.

SECTION 2.11. Mutilated, Destroyed, Lost or Stolen Notes .

If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the UCC are met, such that the Holder (a) satisfies the Issuer and the Trustee that such Note has been lost, destroyed or wrongfully taken within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar has not registered a transfer prior to receiving such notification, (b) makes such request to the Issuer and the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the UCC (a “protected purchaser”), (c) satisfies any other reasonable requirements of the Trustee and (d) provides an indemnity bond, as more fully described below; *provided, however*, if after the delivery of such replacement Note, a protected purchaser of the Note for which such replacement Note was issued presents for payment or registration such replaced Note, the Trustee and/or the Issuer shall be entitled to recover such replacement Note from the Person to whom it was issued and delivered or any Person taking therefrom, except a protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Trustee in connection therewith. Such Holder shall furnish an indemnity bond sufficient in the judgment of the (i) Trustee to protect the Trustee and (ii) the Issuer to protect the Issuer, the Trustee, the Paying Agent and the Registrar, from any loss which any of them may suffer if a Note is replaced, and, in the absence of notice to the Issuer, any Guarantor or the Trustee that such Note has been acquired by a protected purchaser, the Issuer shall execute, and upon receipt of an Issuer Order, the Trustee shall authenticate and make available for delivery, in exchange for any such mutilated Note or in lieu of any such destroyed, lost or stolen Note, a new Note of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 2.11, the Issuer may require that such Holder pay a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of counsel and of the Trustee) in connection therewith.

Subject to the proviso in the initial paragraph of this Section 2.11, every new Note issued pursuant to this Section 2.11, in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer, any Guarantor (if applicable) and any other obligor upon the Notes, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.11 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.12. Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those paid pursuant to Section 2.11 and those described in this Section 2.12 as not outstanding. A Note does not cease to be outstanding in the event the Issuer or an Affiliate of the Issuer holds the Note; *provided, however*, that (i) for purposes of determining which are outstanding for consent or voting purposes hereunder, the provisions of Section 13.4 shall apply and (ii) in determining whether the Trustee shall be protected in making a determination whether the Holders of the requisite principal amount of outstanding Notes are present at a meeting of Holders of Notes for quorum purposes or have consented to or voted in favor of any request, demand, authorization, direction, notice, consent, waiver, amendment or modification hereunder, or relying upon any such quorum, consent or vote, only Notes which a Trust Officer of the Trustee actually knows to be held by the Issuer or an Affiliate of the Issuer shall not be considered outstanding.

If a Note is replaced pursuant to Section 2.11 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement pursuant to Section 2.11.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a Redemption Date or maturity date, money sufficient to pay all principal, premium, if any, and accrued interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.13. Temporary Notes. In the event that Definitive Notes are to be issued under the terms of this Indenture, until such Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form, and shall carry all rights, of Definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Notes. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Issuer for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Issuer shall execute, and the Trustee shall, upon receipt of an Issuer Order, authenticate and make available for delivery in exchange therefor, one or more Definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of Definitive Notes.

SECTION 2.14. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and dispose of such Notes in accordance with its internal policies and customary procedures (subject to the record retention requirements of the Exchange Act and the Trustee). If the Issuer or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.14. The Issuer may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a transfer or exchange.

At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by DTC to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

SECTION 2.15. Payment of Interest: Defaulted Interest. Interest on any Note which is payable, and is punctually paid or duly provided for, on any interest payment date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the regular record date for such payment at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.3.

Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days shall forthwith cease to be payable to the Holder on the regular record date, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called “Defaulted Interest”) shall be paid by the Issuer, at its election, as provided in clause (a) or (b) below:

(a) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Section 2.15(a). Thereupon the Issuer shall fix a record date (the “Special Record Date”) for the payment of such Defaulted Interest, which date shall be not more than twenty (20) calendar days and not less than fifteen (15) calendar days prior to the Special Interest Payment Date and not less than ten (10) calendar days after the receipt by the Trustee of the notice of the proposed payment. The Issuer shall promptly notify the Trustee in writing of such Special Record Date, and in the name and at the expense of the Issuer, the Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.1, not less than ten (10) calendar days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the provisions in Section 2.15(b).

(b) The Issuer may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment pursuant to this Section 2.15(b), such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.15, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.16. CUSIP and ISIN Numbers.

The Issuer in issuing the Notes may use “CUSIP” and “ISIN” numbers and, if so, the Trustee shall use “CUSIP and “ISIN” numbers in notices of redemption or purchase as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption or purchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or purchase shall not be affected by any defect in or omission of such CUSIP and ISIN numbers. The Issuer shall promptly notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

ARTICLE III
COVENANTS

SECTION 3.1. Payment of Notes. The Issuer shall promptly pay the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if by 11:00 a.m. New York City time on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

Notwithstanding anything to the contrary contained in this Indenture, the Issuer may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from principal or interest payments hereunder.

SECTION 3.2. Limitation on Indebtedness.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, incur any Indebtedness (including Acquired Indebtedness); provided, however, that the Company and any of its Restricted Subsidiaries may incur Indebtedness (including Acquired Indebtedness), if on the date of such incurrence and after giving pro forma effect thereto (including pro forma application of the proceeds thereof), either (i) the Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries is greater than 2.00 to 1.00 or (ii) the Consolidated Total Leverage Ratio would have been no greater than 4.00 to 1.00; provided, further, that Non-Guarantors may not incur Indebtedness under this Section 3.2(a) if, after giving *pro forma* effect to such incurrence (including a pro forma application of the net proceeds therefrom), more than an aggregate of the greater of (a) \$80.0 million and (b) 35.0% of LTM EBITDA of Indebtedness of Non-Guarantors would be outstanding pursuant to this paragraph at such time.

(b) Section 3.2(a) will not prohibit the incurrence of the following Indebtedness (collectively, “Permitted Debt”):

(1) Indebtedness incurred under any Credit Facility (including letters of credit or bankers’ acceptances issued or created under any Credit Facility), and Guarantees in respect of such Indebtedness, up to an aggregate principal amount at the time of incurrence not exceeding the sum of (a) \$500.0 million and (b) an additional amount (with any amounts incurred under this clause (b) deemed to be Secured Indebtedness for this purpose) after all amounts have been incurred under clause (1)(a), if after giving pro forma effect to the incurrence of such additional amount and the application of the proceeds therefrom, the Consolidated Secured Leverage Ratio would be no greater than 3.75 to 1.00 outstanding at any one time, and any Refinancing Indebtedness in respect thereof;

(2) Guarantees by the Company or any Restricted Subsidiary of Indebtedness or other obligations of the Company or any Restricted Subsidiary so long as the incurrence of such Indebtedness or other obligations is not prohibited by the terms of this Indenture;

(3) Indebtedness of the Company to any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary to the Company or any Restricted Subsidiary; *provided, however*, that:

(i) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary, and

(ii) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary,

shall be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be;

(4) Indebtedness represented by (a) the Notes (other than any Additional Notes), including any Guarantee thereof, (b) any Indebtedness (other than Indebtedness incurred pursuant to clauses (1), (3) or (4)(a) of this Section 3.2(b)) outstanding on the Issue Date and any Guarantees thereof, (c) Refinancing Indebtedness (including, with respect to the Notes and any Guarantee thereof) incurred in respect of any Indebtedness described in this clause (4) or clause (5) of this Section 3.2(b) or incurred pursuant to Section 3.2(a), and (d) Management Advances;

(c) such Indebtedness constitutes Acquired Indebtedness (other than Indebtedness incurred in contemplation of the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary); *provided* that, in the case of this clause (c), the only obligors with respect to such Indebtedness shall be those Persons who were obligors of such Indebtedness prior to such acquisition, merger, amalgamation or consolidation;

(17) Indebtedness to a customer to finance the acquisition of any equipment necessary to perform services for such customer; provided that the terms of such Indebtedness are consistent with those entered into with respect to similar Indebtedness prior to the Issue Date, including that (i) the repayment of such Indebtedness is conditional upon such customer ordering a specific amount of goods or services and (ii) such Indebtedness does not bear interest or provide for scheduled amortization or maturity;

(19) Indebtedness of the Company or any of its Restricted Subsidiaries arising pursuant to any Permitted Intercompany Activities, Permitted Tax Restructuring and related transactions.

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness incurred pursuant to and in compliance with, this Section 3.2:

(1) in the event that all or any portion of any item of Indebtedness meets the criteria of more than one of the types of Indebtedness described in Sections 3.2(a) and (b), the Issuer, in its sole discretion, shall classify, and may from time to time reclassify, such item of Indebtedness (or any portion thereof) and only be required to include the amount and type of such Indebtedness in Section 3.2(a) or one of the clauses of Section 3.2(b);

(2) additionally, all or any portion of any item of Indebtedness may later be reclassified as having been incurred pursuant to any type of Indebtedness described in Section 3.2(a) or (b) so long as such Indebtedness is permitted to be incurred pursuant to such provision and any related Liens are permitted to be incurred at the time of reclassification (it being understood that any Indebtedness incurred pursuant to one of the clauses of Section 3.2(b) shall cease to be deemed incurred or outstanding for purposes of such clause but shall be deemed incurred for the purposes of the Section 3.2(a) from and after the first date on which the Company or its Restricted Subsidiaries could have incurred such Indebtedness under Section 3.2(a) without reliance on such clause);

(3) all Indebtedness outstanding on the Issue Date under the Credit Agreement shall be deemed incurred on the Issue Date under Section 3.2(b)(1);

(4) in the case of any Refinancing Indebtedness, when measuring the outstanding amount of such Indebtedness, such amount shall not include the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing;

(5) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(6) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are incurred pursuant to any Credit Facility and are being treated as incurred pursuant to Section 3.2(a) or any clause of Section 3.2(b) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(7) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(8) Indebtedness permitted by this Section 3.2 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 3.2 permitting such Indebtedness;

(9) for all purposes under this Indenture, including for purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio or the Consolidated Total Leverage Ratio, as applicable, in connection with the incurrence, issuance or assumption of any Indebtedness pursuant to Section 3.2(a) or Section 3.2(b) or the incurrence or creation of any Lien pursuant to the definition of “Permitted Liens,” the Issuer may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers’ acceptances thereunder) which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the “Reserved Indebtedness Amount”), as being incurred as of such election date, and, if such Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, is complied with (or satisfied) with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers’ acceptances thereunder) will be deemed to be permitted under this Section 3.2 or the definition of “Permitted Liens,” as applicable, whether or not the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, at the actual time of any subsequent borrowing or reborrowing (or issuance or creation of letters of credit or bankers’ acceptances thereunder) is complied with (or satisfied) for all purposes (including as to the absence of any continuing Default or Event of Default); provided that for purposes of subsequent calculations of the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until the Issuer revokes an election of a Reserved Indebtedness Amount;

(10) notwithstanding anything in this Section 3.2 to the contrary, in the case of any Indebtedness incurred to refinance Indebtedness initially incurred in reliance on Section 3.2(b) measured by reference to a percentage of LTM EBITDA at the time of incurrence, if such refinancing would cause the percentage of LTM EBITDA restriction to be exceeded if calculated based on the percentage of LTM EBITDA on the date of such refinancing, such percentage of LTM EBITDA restriction shall not be deemed to be exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing; and

(11) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an incurrence of Indebtedness for purposes of this Section 3.2.

If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be incurred as of such date under this Section 3.2, the Company shall be in default of this Section 3.2).

For purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness, the Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided, that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (a) the principal amount of such Indebtedness being refinanced plus (b) the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums) defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

Notwithstanding any other provision of this Section 3.2, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may incur pursuant to this Section 3.2 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Unsecured Indebtedness shall not be treated as subordinated or junior to Secured Indebtedness merely because it is unsecured. Senior Indebtedness shall not be treated as subordinated or junior to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral or is secured by different collateral or because it is guaranteed by different obligors.

SECTION 3.3. [Reserved].

SECTION 3.4. Limitation on Restrictions on Distributions from Restricted Subsidiaries.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (1) pay dividends or make any other distributions in cash or otherwise on its Capital Stock or pay any Indebtedness or other obligations owed to the Company or any Restricted Subsidiary;
- (2) make any loans or advances to the Company or any Restricted Subsidiary; or
- (3) sell, lease or transfer any of its property or assets to the Company or any Restricted Subsidiary;

provided that (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill requirements to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness incurred by the Company or any Restricted Subsidiary shall not be deemed to constitute such an encumbrance or restriction.

(b) The provisions of Section 3.4(a) shall not prohibit:

- (1) any encumbrance or restriction pursuant to any Credit Facility or any other agreement or instrument, in each case, in effect at or entered into on the Issue Date;

(2) any encumbrance or restriction pursuant to the Note Documents;

(3) any encumbrance or restriction pursuant to applicable law, rule, regulation or order;

(4) any encumbrance or restriction pursuant to an agreement or instrument of a Person or relating to any Capital Stock or Indebtedness of a Person, entered into on or before the date on which such Person was acquired by or merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary, or was designated as a Restricted Subsidiary or on which such agreement or instrument is assumed by the Company or any Restricted Subsidiary in connection with an acquisition of assets (other than Capital Stock or Indebtedness incurred as consideration in, or to provide all or any portion of the funds utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was acquired by the Company or was merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary or entered into in contemplation of or in connection with such transaction) and outstanding on such date; *provided* that, for the purposes of this clause (4), if another Person is the Successor Company, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed by the Company or any Restricted Subsidiary when such Person becomes the Successor Company;

(5) any encumbrance or restriction: (i) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract or agreement, or the assignment or transfer of any lease, license or other contract or agreement; (ii) contained in mortgages, pledges, charges or other security agreements permitted under this Indenture or securing Indebtedness of the Company or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer or encumbrance of the property or assets subject to such mortgages, pledges, charges or other security agreements; (iii) contained in any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Company or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business or consistent with past practice; *provided* that such agreement prohibits the encumbrance of solely the property or assets of the Company or such Restricted Subsidiary that are subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Company or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary; or (iv) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary;

(6) any encumbrance or restriction pursuant to Purchase Money Obligations and Capitalized Lease Obligations permitted under this Indenture, in each case, that impose encumbrances or restrictions on the property so acquired;

(7) any encumbrance or restriction imposed pursuant to an agreement entered into for the direct or indirect sale or disposition to a Person of all or substantially all of the Capital Stock or assets of the Company or any Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;

(8) customary provisions in leases, licenses, equityholder agreements, joint venture agreements, organizational documents and other similar agreements and instruments;

(9) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation or order, or required by any regulatory authority;

(10) any encumbrance or restriction on cash or other deposits or net worth imposed by customers under agreements entered into in the ordinary course of business or consistent with past practice;

(11) any encumbrance or restriction pursuant to Hedging Obligations;

(12) other Indebtedness of Foreign Subsidiaries permitted to be incurred or issued subsequent to the Issue Date pursuant to Section 3.2 that impose restrictions solely on the Foreign Subsidiaries party thereto or their Subsidiaries;

(13) restrictions created in connection with any Qualified Securitization Financing or Receivables Facility that, in the good faith determination of the Company, are necessary or advisable to effect such Securitization Facility or Receivables Facility;

(14) any encumbrance or restriction arising pursuant to an agreement or instrument relating to any Indebtedness permitted to be incurred subsequent to the Issue Date pursuant to Section 3.2 if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than (i) the encumbrances and restrictions contained in the Credit Agreement, together with the security documents associated therewith, or this Indenture as in effect on the Issue Date or (ii) in comparable financings (as determined in good faith by the Company) and where, in the case of clause (ii), either (A) the Company determines at the time of entry into such agreement or instrument that such encumbrances or restrictions will not adversely affect, in any material respect, the Company's ability to make principal or interest payments on the Notes or (B) such encumbrance or restriction applies only during the continuance of a default in respect of a payment relating to such agreement or instrument;

(15) any encumbrance or restriction existing by reason of any lien permitted under Section 3.6; or

(16) any encumbrance or restriction pursuant to an agreement or instrument effecting a refinancing of Indebtedness incurred pursuant to, or that otherwise refinances, an agreement or instrument referred to in the clauses above or this clause (16) (an "Initial Agreement") or contained in any amendment, supplement or other modification to an agreement referred to in the clauses above or this clause (16); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Company).

SECTION 3.5. [Reserved].

SECTION 3.6. Limitation on Liens. The Company shall not, and shall not permit the Issuer or any other Guarantor to, directly or indirectly, create, incur or permit to exist any Lien (except Permitted Liens) (each, an "Initial Lien") that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Company, the Issuer or any Guarantor, unless:

(1) in the case of Liens securing Subordinated Indebtedness, the Notes and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or

(2) in all other cases, the Notes or the Guarantees are equally and ratably secured,

except that the foregoing shall not apply to Liens securing the Notes and the related Guarantees.

Any Lien created for the benefit of the Holders pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “ Increased Amount ” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

SECTION 3.7. Limitation on Guarantees.

(a) The Company shall not permit any of its Wholly Owned Domestic Subsidiaries that are Restricted Subsidiaries (and non-Wholly Owned Domestic Subsidiaries if such non-Wholly Owned Domestic Subsidiaries guarantee other capital markets debt securities of the Company in a principal amount in excess of the greater of \$25 million and 10% of LTM EBITDA), other than the Issuer, a Guarantor, a Captive Insurance Subsidiary, a Foreign Subsidiary or a Securitization Subsidiary, to Guarantee the payment of (i) any syndicated Credit Facility permitted under Section 3.2 or (ii) capital markets debt securities of the Company, the Issuer or any other Guarantor unless:

(1) such Restricted Subsidiary within 60 days executes and delivers a supplemental indenture to this Indenture providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Company or any Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor’s Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes or such Guarantor’s Guarantee of the Notes; and

(2) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee until payment in full of Obligations under this Indenture.

provided that this Section 3.7 shall not be applicable (i) to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary, or (ii) in the event that the Guarantee of the Company’s obligations under the Notes or this Indenture by such Subsidiary would not be permitted under applicable law.

(b) The Company may elect, in its sole discretion, to cause or allow, as the case may be, any Subsidiary or any of its Parent Entities that is not otherwise required to be a Guarantor to become a Guarantor, in which case, such Subsidiary or Parent Entity shall not be required to comply with the 60-day period described in Section 3.7(a) and such Guarantee may be released at any time in the Company’s sole discretion so long as any Indebtedness of such Subsidiary then outstanding could have been incurred by such Subsidiary (either (x) when so incurred or (y) at the time of the release of such Guarantee) assuming such Subsidiary were not a Guarantor at such time.

(c) If any Guarantor becomes an Immaterial Subsidiary, the Company shall have the right, by delivery of a supplemental indenture executed by the Company to the Trustee, to cause such Immaterial Subsidiary to automatically and unconditionally cease to be a Guarantor, subject to the requirement described in Section 3.7(a) above that such Subsidiary shall be required to become a Guarantor if it ceases to be an Immaterial Subsidiary (except that if such Subsidiary has been properly designated as an Unrestricted Subsidiary it shall not be so required to become a Guarantor or execute a supplemental indenture); *provided, further*, that such Immaterial Subsidiary shall not be permitted to Guarantee the Credit Agreement or other Indebtedness of the Company or the other Guarantors, unless it again becomes a Guarantor.

SECTION 3.8. [Reserved].

SECTION 3.9. Change of Control.

(a) If a Change of Control Triggering Event occurs, unless a third party makes a Change of Control Offer as described below or the Issuer has previously or substantially concurrently therewith delivered a redemption notice with respect to all of the outstanding Notes as set forth under Section 5.7(a) or Section 5.7(d), the Issuer shall make an offer (the “Change of Control Offer”) to purchase all of the Notes at a price in cash (the “Change of Control Payment”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to but excluding the date of repurchase; provided that if the repurchase date is on or after the record date and on or before the corresponding interest payment date, then Holders in whose name the Notes are registered at the close of business on such record date will receive the interest due on the repurchase date. Within 30 days following any Change of Control Triggering Event, the Issuer will deliver or cause to be delivered a notice of such Change of Control Offer electronically in accordance with the applicable procedures of DTC or by first class mail, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC, with the following information:

(1) that a Change of Control Offer is being made pursuant to this Section 3.9, and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is delivered (the “Change of Control Payment Date”);

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest, on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed, to the applicable Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date, or otherwise comply with DTC procedures;

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes; *provided* that the applicable Paying Agent receives, not later than the close of business on the second Business Day prior to the expiration date of the Change of Control Offer, a telegram, facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased, or otherwise comply with DTC procedures;

(7) that Holders whose Notes are being purchased only in part will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to at least \$2,000 or any integral multiple of \$1,000 in excess of \$2,000;

(8) if such notice is delivered prior to the occurrence of a Change of Control Triggering Event, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control Triggering Event; and

(9) the other instructions, as determined by the Issuer, consistent with this Section 3.9, that a Holder must follow.

The applicable Paying Agent will promptly deliver to each Holder of the Notes tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

If the Change of Control Payment Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest will be paid on the Change of Control Payment Date to the Person in whose name a Note is registered at the close of business on such record date.

(b) On the Change of Control Payment Date, the Issuer will, to the extent permitted by law,

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the applicable Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

(c) The Issuer will not be required to make a Change of Control Offer following a Change of Control Triggering Event if (x) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (y) a notice of redemption of all outstanding Notes has been given pursuant to Section 5.7 hereof unless and until there is a default in the payment of the redemption price on the applicable redemption date or the redemption is not consummated due to the failure of a condition precedent contained in the applicable redemption notice to be satisfied.

(d) Notwithstanding anything to the contrary in this Section 3.9, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditional upon such Change of Control Triggering Event.

(e) [Reserved]

(f) While the Notes are in global form and the Issuer makes an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the Notes through the facilities of DTC, subject to its rules and regulations.

(g) The Issuer will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws, rules and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws, rules or regulations conflict with the provisions of this Indenture, the Issuer shall not be deemed to have breached its obligations described in this Indenture by virtue of compliance therewith.

SECTION 3.10. Reports.

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, from and after the Issue Date, the Company shall deliver to the Trustee, within the time periods specified below:

(1) within 120 days after the end of each fiscal year (or if such day is not a Business Day, on the next succeeding Business Day), all financial information that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the SEC, including a “Management’s discussion and analysis of financial condition and results of operations” and a report on the annual financial statements by the Company’s independent registered public accounting firm;

(2) within 60 days after the end of each of the first three fiscal quarters of each fiscal year (or if such day is not a Business Day, on the next succeeding Business Day), all financial information that would be required to be contained in a quarterly report on Form 10-Q, or any successor or comparable form, filed with the SEC, including a “Management’s discussion and analysis of financial condition and results of operations,” and financial statements prepared in accordance with GAAP; and

(3) within 15 days after the occurrence of any of the following events, all current reports that would be required to be filed with the SEC on Form 8-K as in effect on the Issue Date; *provided*, that the foregoing shall not obligate the Company to make available (i) any information regarding the occurrence of any of the following events if the Company determines in its reasonable determination that such event that would otherwise be required to be disclosed is not material to the Holders or the business, assets, operations, financial positions or prospects of the Company and its Restricted Subsidiaries taken as a whole, (ii) an exhibit or a summary of the terms of, any employment or compensatory arrangement, agreement, plan or understanding between the Company or any of its Subsidiaries and any director, officer or manager of the Company or any of its Subsidiaries, (iii) copies of any agreements, financial statements or other items that would be required to be filed as exhibits to a current report on Form 8-K or (iv) any trade secrets, privileged or confidential information obtained from another Person and competitively sensitive information:

(A) the entry into or termination of material agreements;

(B) significant acquisitions or dispositions (which shall only be with respect to acquisitions or dispositions that are significant pursuant to the definition of “Significant Subsidiary”);

(C) bankruptcy;

(D) cross-default under direct material financial obligations;

(E) a change in the Company’s certifying independent auditor;

(F) the appointment or departure of directors or executive officers (with respect to the principal executive officer, president, principal financial officer, principal accounting officer and principal operating officer only);

(G) non-reliance on previously issued financial statements; and

(H) change of control transactions,

in each case, in a manner that complies in all material respects with the requirements specified in such form, except as described above or below and subject to exceptions consistent with the presentation of information in the Offering Memorandum; *provided, however*, that the Company shall not be required to provide (i) segment reporting and disclosure (including any required by FASB Accounting Standards Codification Topic 280), (ii) separate financial statements or other information contemplated by Rules 3-03(e), 3-05, 3-09, 3-10, 3-16 or 4-08 of Regulation S-X (or any successor provisions) or any schedules required by Regulation S-X, (iii) information required by Regulation G under the Exchange Act or Item 10, Item 302, Item 402 or Item 601 of Regulation S-K (or any successor provision), (iv) XBRL exhibits, (v) earnings per share information, (vi) information regarding executive compensation and related party disclosure related to SEC Release Nos. 33-8732A, 34-54302A and IC-27444A and (vii) other information customarily excluded from an offering memorandum, including any information that is not otherwise of the type and form currently included in the offering memorandum relating to the Notes. In addition, notwithstanding the foregoing, the Company will not be required to (i) comply with Sections 302, 906 and 404 of the Sarbanes-Oxley Act of 2002, as amended, or (ii) otherwise furnish any information, certificates or reports required by Items 307 or 308 of Regulation S-K (or any successor provision). To the extent any such information is not so filed or furnished, as applicable, within the time periods specified above and such information is subsequently filed or furnished, as applicable, the Company will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto shall be deemed to have been cured; *provided* that such cure shall not otherwise affect the rights of the Holders under Section 6.1 hereof if Holders of at least 30.0% in principal amount of the outstanding Notes have declared the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately and such declaration shall not have been rescinded or cancelled prior to such cure. In addition, to the extent not satisfied by the foregoing, the Company shall agree that, for so long as any Notes are outstanding, it shall furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d) (4) under the Securities Act.

(b) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Unrestricted Subsidiaries or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly financial information required by Section 3.10(a)(1) and (2) will include a presentation of selected financial metrics, in the Company's sole discretion, of such Unrestricted Subsidiaries as a group in the "Management's Discussion and Analysis of Financial Condition and Results of Operations."

(c) Substantially concurrently with the furnishing or making of such information available to the Trustee pursuant to Section 3.10(b), the Company shall also use its commercially reasonable efforts to post copies of such information required by Section 3.10(b) on a website (which may be nonpublic and may be maintained by the Company or a third party) to which access will be given to the Holders, prospective investors in the Notes (which prospective investors shall be limited to "qualified institutional buyers" within the meaning of Rule 144A of the Securities Act or non-U.S. persons (as defined in Regulation S under the Securities Act) that certify their status as such to the reasonable satisfaction of the Company), and securities analysts and market making financial institutions that are reasonably satisfactory to the Company. To the extent the Company determines in good faith that it cannot make such reports available in the manner described in the preceding sentence after the use of its commercially reasonable efforts, the Company shall furnish such reports to the Holders, upon their request. The Company may condition the delivery of any such reports to such Holders, prospective investors in the Notes and securities analysts and market making financial institutions on the agreement of such Persons to (i) treat all such reports (and the information contained therein) and information as confidential, (ii) not use such reports (and the information contained therein) and information for any purpose other than their investment or potential investment in the Notes and (iii) not publicly disclose any such reports (and the information contained therein) and information.

(d) The Company will use its commercially reasonable efforts, consistent with its judgment as to what is prudent at the time, to participate in quarterly conference calls (which may be a single conference call together with investors and lenders holding other securities or Indebtedness of the Company, its Restricted Subsidiaries and/or any Parent Entity) to discuss results of operations.

(e) The Company may satisfy its obligations pursuant to this Section 3.10 with respect to financial information relating to the Company by furnishing financial information relating to a Parent Entity; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such Parent Entity (and other Parent Entities included in such information, if any), on the one hand, and the information relating to the Company and its Restricted Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited.

(f) Notwithstanding anything to the contrary set forth in this Section 3.10, if the Company or any Parent Entity has furnished to the Holders of Notes or filed with the SEC the reports described in this Section 3.10 with respect to the Company or any Parent Entity, the Company shall be deemed to be in compliance with the provisions of this Section 3.10.

(g) The Trustee shall have no duty to review or analyze any reports furnished or made available to it as described in this Section 3.10 and the Trustee's receipt of such reports shall not constitute actual or constructive knowledge of the information contained therein or determinable therefrom, including the Issuer's or Company's compliance with any of its covenants (as to which the Trustee is entitled to conclusively rely on an Officer's Certificate).

SECTION 3.11. [Reserved].

SECTION 3.12. Maintenance of Office or Agency.

The Issuer will maintain an office or agency where the Notes may be presented or surrendered for payment, where, if applicable, the Notes may be surrendered for registration of transfer or exchange. The corporate trust office of the Trustee, which initially shall be located at Wilmington Trust, National Association, 246 Goose Lane, Suite 105, Guilford, Connecticut 06437, Attention: Grubhub Holdings Inc. Administrator, shall be such office or agency of the Issuer, unless the Issuer shall designate and maintain some other office or agency for one or more of such purposes. The Issuer will give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made or served at the corporate trust office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations and surrenders.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind any such designation. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such other office or agency. No office of the Trustee shall be an office or agency of the Issuer for the purposes of service of legal process on the Issuer or any Guarantor.

SECTION 3.13. [Reserved].

SECTION 3.14. [Reserved].

SECTION 3.15. [Reserved].

SECTION 3.16. Compliance Certificate. The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer an Officer's Certificate, the signer of which shall be the principal executive officer, principal financial officer, principal accounting officer, principal legal officer, secretary or treasurer the Issuer, stating that in the course of the performance by the signer of his or her duties as an Officer of the Issuer he or she would normally have knowledge of any Default or Event of Default and whether or not the signer knows of any Default or Event of Default that occurred during the previous fiscal year; *provided* that no such Officer's Certificate shall be required for any fiscal year ended prior to the Issue Date. If such Officer does have such knowledge, the certificate shall describe the Default or Event of Default, its status and the action the Issuer is taking or proposes to take with respect thereto.

SECTION 3.17. Further Instruments and Acts. Upon request of the Trustee or as necessary to comply with future developments or requirements, the Issuer will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 3.18. [Reserved].

SECTION 3.19. Statement by Officers as to Default. The Issuer shall deliver to the Trustee, as soon as possible and in any event within 30 days after the Issuer becomes aware of the occurrence of any Default or Event of Default, an Officer's Certificate setting forth the details of such Event of Default or Default, its status and the actions which the Issuer is taking or proposes to take with respect thereto.

SECTION 3.20. Designation of Restricted and Unrestricted Subsidiaries. The Company may designate any Restricted Subsidiary (other than the Issuer) to be an Unrestricted Subsidiary if that designation would not cause an Event of Default. That designation will only be permitted if the Restricted Subsidiary is not the Issuer and otherwise meets the definition of an Unrestricted Subsidiary. The Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause an Event of Default.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by delivering to the Trustee an Officer's Certificate certifying that such designation complies with the preceding conditions. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, or would otherwise fail to meet any of the conditions that would be required to designate it as an Unrestricted Subsidiary (as set forth in the definition of Unrestricted Subsidiary), then in each case it will thereafter automatically cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date by Section 3.2 hereof, the Company will be in default of such covenant.

The Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 3.2 hereof (including pursuant to Section 3.2(b)(5) treating such redesignation as an acquisition for the purpose of such clause), calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation. Any such designation by the Company shall be evidenced to the Trustee by delivering to the Trustee an Officer's Certificate certifying that such designation complies with the preceding conditions.

SECTION 3.21. Suspension of Certain Covenants on Achievement of Investment Grade Status. Beginning on the first day (a) the Notes have achieved Investment Grade Status and (b) no Default or Event of Default has occurred and is continuing under this Indenture, and ending on a Reversion Date (such period a "Suspension Period"), the Company and its Restricted Subsidiaries will not be subject to Sections 3.2, 3.4, 3.7 and 4.1(a)(3) (the "Suspended Covenants").

If at any time the Notes cease to have such Investment Grade Status, then the Suspended Covenants shall thereafter be reinstated as if such covenants had never been suspended (the "Reversion Date") and be applicable pursuant to the terms of this Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of this Indenture), unless and until the Notes subsequently attain Investment Grade Status and no Default or Event of Default is in existence (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Status); *provided*, however, that no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Note Guarantees with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period.

On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 3.2(b)(4)(b). On and after the Reversion Date, all Liens created during the Suspension Period will be considered Permitted Liens. In addition, any future obligation to grant further Note Guarantees shall be released. All such further obligations to grant Guarantees shall be reinstated on the Reversion Date. As described above, however, no Default, Event of Default or breach of any kind shall be deemed to have occurred as a result of the Reversion Date occurring on the basis of any actions taken or the continuance of any circumstances resulting from actions taken or the performance of obligations under agreements entered into by the Company or any of the Restricted Subsidiaries during the Suspension Period (other than agreements to take actions after the Reversion Date that would not be permitted outside of the Suspension Period entered into in contemplation of the Reversion Date).

On and after each Reversion Date, the Company and its Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the Suspension Period, so long as such contract and such consummation would have been permitted during such Suspension Period.

The Trustee shall have no duty to monitor the ratings of the Notes, shall not be deemed to have any knowledge of the ratings of the Notes and shall have no duty to notify Holders if the Notes achieve Investment Grade Status or of the occurrence of a Reversion Date.

ARTICLE IV

SUCCESSOR COMPANY; SUCCESSOR PERSON

SECTION 4.1. Merger and Consolidation.

(a) Neither the Issuer nor the Company shall consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets, in one transaction or a series of related transactions, to any Person, unless:

(1) the Issuer or the Company, as applicable, is the surviving Person or the resulting, surviving or transferee Person (the “Successor Company”) will be a Person organized or existing under the laws of the jurisdiction of the Issuer or the Company, as applicable, or the United States of America, any State of the United States or the District of Columbia or any territory thereof and the Successor Company (if not the Issuer or the Company, as applicable) will expressly assume all the obligations of the Issuer or the Company, as applicable, under the Notes and this Indenture pursuant to supplemental indentures or other documents and instruments;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the applicable Successor Company or any Subsidiary of the applicable Successor Company as a result of such transaction as having been incurred by the applicable Successor Company or such Subsidiary at the time of such transaction), no Event of Default shall have occurred and be continuing;

(3) immediately after giving pro forma effect to such transaction, either (a) the applicable Successor Company or the Company would be able to incur at least an additional \$1.00 of Indebtedness pursuant to Section 3.2(a) hereof, (b) the Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries would not be lower than it was immediately prior to giving effect to such transaction or (c) the Consolidated Total Leverage Ratio of the Company and its Restricted Subsidiaries would not be higher than it was immediately prior to giving effect to such transaction; and

(4) the Issuer or the Company, as applicable, shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture and an Opinion of Counsel stating that such supplemental indenture (if any) is a legal and binding agreement enforceable against the Successor Company; *provided* that in giving an Opinion of Counsel, counsel may rely on an Officer's Certificate as to any matters of fact, including as to satisfaction of clauses (2) and (3) above.

(b) [Reserved].

(c) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Issuer or the Company, as applicable, under the Notes and this Indenture, and the Issuer or the Company, as applicable, will automatically and unconditionally be released and discharged from its obligations under the Notes and this Indenture (except in the case of (x) a lease or (y) a sale of less than all of its assets).

(d) Notwithstanding any other provisions of this Section 4.1, (i) the Issuer or the Company may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to a Guarantor, (ii) the Issuer or the Company may consolidate or otherwise combine with or merge into an Affiliate organized or existing under the laws of the jurisdiction of the Company or the United States of America, any State of the United States or the District of Columbia incorporated or organized for the purpose of changing the legal domicile of the Issuer or the Company, reincorporating the Issuer or the Company in another jurisdiction, or changing the legal form of the Issuer or the Company, (iii) any Restricted Subsidiary (other than the Issuer) may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Company, the Issuer or a Guarantor, (iv) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary and (v) the Company and its Restricted Subsidiaries may complete any Permitted Tax Restructuring.

(e) The foregoing provisions (other than the requirements of clause (a)(2)) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary.

(f) Subject to Section 10.2(b), no Subsidiary Guarantor may consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its assets, in one or a series of related transactions, to any Person, unless:

(1)(a) the other Person is the Company, the Issuer or any Restricted Subsidiary that is a Guarantor or becomes a Guarantor concurrently with the transaction; or

either (x) the Issuer or a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all the obligations of the Guarantor under its Note Guarantee and this Indenture; and

(b) immediately after giving effect to the transaction, no Event of Default shall have occurred and be continuing; or

(2) the transaction constitutes a sale, disposition or transfer of the Subsidiary Guarantor or the conveyance, transfer or lease of all or substantially all of the assets of the Subsidiary Guarantor (in each case other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture.

Notwithstanding any other provision of this Section 4.1, any Subsidiary Guarantor may (a) consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer, (b) consolidate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Subsidiary Guarantor, reincorporating the Subsidiary Guarantor in another jurisdiction, or changing the legal form of the Subsidiary Guarantor, (c) convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Subsidiary Guarantor, (d) liquidate or dissolve or change its legal form if the Company determines in good faith that such action is in the best interests of the Company and (e) complete any Permitted Tax Restructuring. Notwithstanding anything to the contrary in this Section 4.1, the Company may contribute Capital Stock of any or all of its Subsidiaries to any Subsidiary Guarantor.

Any reference herein to a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, limited partnership or trust, or an allocation of assets to a series of a limited liability company, limited partnership or trust (or the unwinding of such a division or allocation), as if it were a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company, limited partnership or trust shall constitute a separate Person hereunder (and each division of any limited liability company, limited partnership or trust that is a Subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

ARTICLE V

REDEMPTION OF SECURITIES

SECTION 5.1. Notices to Trustee. Subject to Section 5.9 hereof, if the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 5.7 hereof, it must furnish to the Trustee, at least 10 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Any optional redemption referenced in such Officer's Certificate may be cancelled by the Issuer at any time prior to notice of redemption being sent to any Holder and thereafter shall be null and void.

SECTION 5.2. Selection of Notes to Be Redeemed or Purchased. If less than all of the Notes are to be redeemed pursuant to Section 5.7 or a redemption pursuant to Section 5.9, the Trustee will select Notes for redemption or purchase (a) if the Notes are in global form, on a pro rata basis, by lot, or by such other method in accordance with the applicable procedures of DTC and (b) if the Notes are in definitive form in their entirety, on a pro rata basis (subject to adjustments to maintain the authorized Notes denomination requirements) or by lot, except if otherwise required by law.

No Notes in an unauthorized denomination or of \$2,000 in aggregate principal amount or less shall be redeemed in part. In the event of partial redemption, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 10 days nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase; *provided* that the Issuer shall provide the Trustee with sufficient notice of such partial redemption to enable the Trustee to select the Notes for partial redemption.

The Trustee will promptly notify the Issuer in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum principal amounts of \$2,000 and whole multiples of \$1,000 in excess of \$2,000; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not in a minimum principal amount of \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

SECTION 5.3. Notice of Redemption. Subject to Section 5.9 hereof, at least 10 days but not more than 60 days before the redemption date, the Issuer will send or cause to be sent, by electronic delivery or by first class mail postage prepaid, a notice of redemption to each Holder (with a copy to the Trustee) whose Notes are to be redeemed at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles VIII or XI hereto.

The notice will identify the Notes (including the CUSIP or ISIN number) to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuer's request, the Trustee will give the notice of redemption in the Issuer's name and at its expense; *provided, however*, that the Issuer has delivered to the Trustee, at least three (3) Business Days (or if any of the Notes to be redeemed are in definitive form, five (5) Business Days) prior to the date on which the Issuer instructs the Trustee to give the notice (or such shorter period as the Trustee may agree), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Notice of any redemption of the Notes may, at the Issuer's discretion, be given prior to the completion of a transaction (including but not limited to an Equity Offering, an incurrence of Indebtedness, a Change of Control Triggering Event or other transaction) and any redemption notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related transaction. If such redemption or purchase is so subject to satisfaction of one or more conditions precedent such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

SECTION 5.4. [Reserved].

SECTION 5.5. Deposit of Redemption or Purchase Price. Prior to 11:00 a.m. New York City Time on the redemption or purchase date, the Issuer will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return, on or following the applicable redemption or repurchase date, to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Issuer complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a record date but on or prior to the corresponding interest payment date, then any accrued and unpaid interest up to, but excluding, the redemption date or purchase date shall be paid on the redemption date or purchase date to the Person in whose name such Note was registered at the close of business on such record date in accordance with the applicable procedures of DTC. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 3.1 hereof.

SECTION 5.6. Notes Redeemed or Purchased in Part. Upon surrender of a Note issued in physical form that is redeemed or purchased in part, the Issuer will issue and the Trustee will authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered; *provided*, that each such new Note will be in a minimum principal amount of \$2,000 or integral multiple of \$1,000 in excess thereof.

In the case of a Note issued as a global note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof; *provided*, that the unredeemed portion thereof will be in a minimum principal amount of \$2,000 or integral multiple of \$1,000 in excess thereof.

SECTION 5.7. Optional Redemption.

(a) At any time prior to July 1, 2022, the Issuer may redeem the Notes in whole or in part, at its option, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, at a redemption price (expressed as a percentage of the principal amount of the Notes to be redeemed) equal to 100.000% plus the relevant Applicable Premium as of, and accrued and unpaid interest, if any, to but excluding, the date of redemption (the "Redemption Date"), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(b) At any time and from time to time prior to July 1, 2022, the Issuer may, on one or more occasions, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, redeem up to 40.0% of the original aggregate principal amount of Notes issued under this Indenture on the Issue Date (together with Additional Notes) at a redemption price (expressed as a percentage of the principal amount of Notes to be redeemed) equal to 105.500% of the principal amount of such Notes, plus accrued and unpaid interest, if any, to but excluding, the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds received by the Issuer of one or more Equity Offerings of the Issuer; *provided* that not less than 50.0% of the original aggregate principal amount of then-outstanding Notes issued under this Indenture remains outstanding immediately after the occurrence of each such redemption (including Additional Notes but excluding Notes held by the Company or any of its Restricted Subsidiaries), unless all such Notes are redeemed substantially concurrently; *provided further* that each such redemption occurs not later than 180 days after the date of closing of the related Equity Offering. The Trustee shall select the Notes to be purchased in the manner described under Sections 5.1 through 5.6.

(c) Except pursuant to clauses (a) and (b) of this Section 5.7, the Notes will not be redeemable at the Issuer's option prior to July 1, 2022.

(d) At any time and from time to time on or after July 1, 2022, the Issuer may redeem the Notes, in whole or in part, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth in the table below, plus accrued and unpaid interest thereon, if any, to but excluding the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on July 1 of each of the years indicated in the table below:

<u>Year</u>	<u>Percentage</u>
2022	102.750%
2023	101.833%
2024	100.917%
2025 and thereafter	100.000%

(e) Notwithstanding the foregoing, in connection with any tender offer for the Notes, including a Change of Control Offer, if Holders of not less than 90.0% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party shall have the right upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, given not more than 30 days following such purchase date to redeem all Notes that remain outstanding following such purchase at a redemption price equal to the price offered to each other Holder (excluding any early tender or incentive fee) in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to but not including, the date of such redemption.

(f) Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(g) Any redemption pursuant to this Section 5.7 shall be made pursuant to the provisions of Sections 5.1 through 5.6.

SECTION 5.8. Mandatory Redemption. The Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes; *provided*, however, that under certain circumstances, the Issuer may be required to offer to purchase Notes under Section 3.9. As market conditions warrant, the Issuer may from time to time seek to purchase its outstanding debt securities or loans, including the Notes, in privately negotiated or open market transactions, by tender offer or otherwise.

SECTION 5.9. [Reserved].

ARTICLE VI DEFAULTS AND REMEDIES

SECTION 6.1. Events of Default.

(a) Each of the following is an "Event of Default":

(1) default in any payment of interest on any Note when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure by the Company, the Issuer or any Guarantor to comply for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of at least 30% in aggregate principal amount of the outstanding Notes with any agreement or obligation contained in this Indenture; *provided* that in the case of a failure to comply with this Indenture provisions described under Section 3.10, such period of continuance of such default or breach shall be 270 days after written notice described in this clause has been given;

(4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company, the Issuer or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) (or the payment of which is Guaranteed by the Company, the Issuer or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary)) other than Indebtedness owed to the Company, the Issuer or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:

(A) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods provided in such Indebtedness); or

(B) results in the acceleration of such Indebtedness prior to its stated final maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default of principal at its stated final maturity (after giving effect to any applicable grace periods) or the maturity of which has been so accelerated, aggregates to \$50 million or more at any one time outstanding;

(5) failure by the Company, the Issuer or a Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of \$50 million other than any judgments covered by indemnities provided by, or insurance policies issued by, reputable and creditworthy companies, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) (A) any Guarantee of the Notes by the Company or a Significant Subsidiary ceases to be in full force and effect, other than in accordance with the terms of this Indenture, or (B) in connection with the bankruptcy of a Guarantor, so long as the aggregate assets of such Subsidiary Guarantor and any other Subsidiary Guarantor whose Note Guarantee ceased or ceases to be in full force as a result of a bankruptcy are less than \$50.0 million;

(7) the Company, the Issuer or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) pursuant to or within the meaning of any Bankruptcy Law:

(A) commences a voluntary case or proceeding;

-
- (B) consents to the entry of an order for relief against it in an involuntary case or proceeding;
 - (C) consents to the appointment of a Custodian of it or for substantially all of its property;
 - (D) makes a general assignment for the benefit of its creditors;
 - (E) consents to or acquiesces in the institution of a bankruptcy or an insolvency proceeding against it; or
 - (F) takes any comparable action under any foreign laws relating to insolvency;
- (8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
- (A) is for relief against the Company, the Issuer or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) in an involuntary case;
 - (B) appoints a Custodian of the Company, the Issuer or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) for substantially all of its property;
 - (C) orders the winding up or liquidation of the Company, the Issuer or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary); or
 - (D) or any similar relief is granted under any foreign laws and the order, decree or relief remains unstayed and in effect for 60 consecutive days;

provided that a Default under clause (3), (4) or (5) above will not constitute an Event of Default until the Trustee or the Holders of at least 30% in principal amount of the outstanding Notes notify the Company of the Default and, with respect to clauses (3) and (5), the Issuer does not cure such Default within the time specified in clause (3) or (5) after receipt of such notice; *provided* that a notice of Default may not be given with respect to any action taken, and reported publicly or to Holders, more than two years prior to such notice of Default.

(b) If a Default for a failure to report or failure to deliver a required certificate in connection with another default (the “Initial Default”) occurs, then at the time such Initial Default is cured, such Default for a failure to report or failure to deliver a required certificate in connection with another default that resulted solely because of that Initial Default shall also be cured without any further action.

(c) Any Default or Event of Default for the failure to comply with the time periods prescribed in Section 3.10 hereof or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such provision or such notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture. Any time period in this Indenture to cure any actual or alleged Default or Event of Default may be extended or stayed by a court of competent jurisdiction.

SECTION 6.2. Acceleration. If any Event of Default (other than an Event of Default described in clause (7) or (8) of Section 6.1(a)) occurs and is continuing, the Trustee by written notice to the Issuer or the Holders of at least 30% in principal amount of the outstanding Notes by written notice to the Issuer and the Trustee, may declare the principal of and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal and accrued and unpaid interest, will be due and payable immediately.

In the event of any Event of Default specified in clause (4) of Section 6.1(a), such Event of Default and all consequences thereof shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 30 days after such Event of Default arose:

- (1) (x) the Indebtedness that gave rise to such Event of Default shall have been discharged in full; or
 - (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
 - (z) if the default that is the basis for such Event of Default has been cured; and
- (2) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction.

If an Event of Default described in clause (7) or (8) of Section 6.1(a) occurs and is continuing, the principal of and accrued and unpaid interest, on all Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.3. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, or interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4. Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, (a) waive, by their consent (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an existing Default or Event of Default and its consequences under this Indenture except (i) a Default or Event of Default in the payment of the principal of, or interest, on a Note or (ii) a Default or Event of Default in respect of a provision that under Section 9.2 cannot be amended without the consent of each Holder affected and (b) rescind any acceleration with respect to the Notes and its consequences if (1) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (2) all existing Events of Default have been cured or waived except nonpayment of principal, premium, if any, interest, if any, that has become due solely because of the acceleration, (3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid, (4) the Issuer has paid the Trustee its compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances and (5) in the event of the cure or waiver of an Event of Default of the type described in clause (4) of Section 6.1(a), the Trustee shall have received an Officer's Certificate and an Opinion of Counsel stating that such Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or impair any right consequent thereto. When a Default or Event of Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any consequent right.

SECTION 6.5. Control by Majority. The Holders of a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or the Notes or, subject to Sections 7.1 and 7.2, that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; *provided, however*, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any such action hereunder, the Trustee shall be entitled to indemnification satisfactory to it against all fees, losses, liabilities and expenses (including attorney's fees and expenses) caused by taking or not taking such action.

SECTION 6.6. Limitation on Suits. Subject to Section 6.7, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 30% in aggregate principal amount of the outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (3) such Holders have offered in writing and, if requested, provided to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security or indemnity; and
- (5) Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a written direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture (including, without limitation, Section 6.6), the contractual right of any Holder to receive payment of interest on the Notes held by such Holder or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes shall not be impaired or affected without the consent of such Holder (and, for the avoidance of doubt, the amendment, supplement or modification in accordance with the terms of this Indenture of Article III and IV and Section 6.1(a)(3), (4), (5) and (6) and the related definitions shall be deemed not to impair the contractual right of any Holder to receive payments of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Note).

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in clauses (1) or (2) of Section 6.1(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.7.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and

counsel) and the Holders allowed in any judicial proceedings relative to the Issuer, its Subsidiaries or its or their respective creditors or properties and, unless prohibited by law or applicable regulations, may be entitled and empowered to participate as a member of any official committee of creditors appointed in such matter and may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.7.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10. Priorities.

(a) If the Trustee collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due to it under Section 7.7;

SECOND: to Holders for amounts due and unpaid on the Notes for principal of, or premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal of, or premium, if any, and interest, respectively; and

THIRD: to the Issuer, or to the extent the Trustee collects any amount for any Guarantor, to such Guarantor.

(b) The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Issuer shall send or cause to be sent to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by the Issuer, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 20.0% in outstanding aggregate principal amount of the Notes.

ARTICLE VII

TRUSTEE

SECTION 7.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, opinions or orders furnished to the Trustee and conforming to the requirements of this Indenture or the Notes, as the case may be. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture or the Notes, as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of Section 7.1(b);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5; and

(4) No provision of this Indenture or the Notes shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b) and (c) of this Section 7.1.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.1.

SECTION 7.2. Rights of Trustee. Subject to Section 7.1:

(a) The Trustee may conclusively rely on and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document (whether in its original or facsimile form) reasonably believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document. The Trustee shall receive and retain financial reports and statements of the Company as provided herein, but shall have no duty to review or analyze such reports or statements to determine compliance with covenants or other obligations of the Issuer.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate and/or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel.

(c) The Trustee may execute any of the trusts and powers hereunder or perform any duties hereunder either directly or by or through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care by it hereunder.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel relating to this Indenture or the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder or under the Notes in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be deemed to have notice of any Defaults or Events of Default or whether any entity or group of entities constitutes a Significant Subsidiary unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event, which is in fact such a Default, or of any such Significant Subsidiary is received by the Trustee at the corporate trust office of the Trustee specified in Section 3.12, and such notice references the Notes and this Indenture and states that it is a "Notice of Default".

(g) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture or the Notes at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred therein or thereby.

(i) The Trustee shall not be deemed to have knowledge of any fact or matter unless such fact or matter is known to a Trust Officer of the Trustee.

(j) Whenever in the administration of this Indenture or the Notes the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder or thereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of negligence or willful misconduct on its part, conclusively rely upon an Officer's Certificate.

(k) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, report, notice, request, direction, consent, order, bond, debenture, coupon or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine, during business hours and upon reasonable notice, the books, records and premises of the Issuer and the Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture or the Notes.

(n) In no event shall the Trustee be liable to any Person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including, but not limited to, lost profits), even if the Trustee has been advised of the likelihood of such loss or damage.

(o) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by one Officer of the Issuer.

SECTION 7.3. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, Guarantors or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11. In addition, the Trustee shall be permitted to engage in transactions with the Issuer and its Affiliates and Subsidiaries.

SECTION 7.4. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, shall not be accountable for the Issuer's use of the proceeds from the sale of the Notes, shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee or any money paid to the Issuer pursuant to the terms of this Indenture and shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication.

SECTION 7.5. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if a Trust Officer has actual knowledge thereof, the Trustee shall send electronically or by first class mail to each Holder at the address set forth in the Notes Register notice of the Default or Event of Default within 60 days after it is actually known to a Trust Officer. Except in the case of a Default or Event of Default in payment of principal or interest, if any, on any Note (including payments pursuant to the optional redemption or required repurchase provisions of such Note), the Trustee may withhold the notice if and so long it in good faith determines that withholding the notice is in the interests of Holders.

SECTION 7.6. [Reserved].

SECTION 7.7. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time compensation for its services hereunder and under the Notes as the Issuer and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing reports, certificates and other documents, costs of preparation and mailing of notices to Holders. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the agents, counsel, accountants and experts of the Trustee. The Issuer shall indemnify the Trustee, its directors, officers, employees and agents against any and all loss, liability, damages, claims or expense, including taxes (other than taxes based upon the income of the Trustee) (including reasonable attorneys' and agents' fees and expenses) incurred by it without willful misconduct or gross negligence, as determined by a final nonappealable order of a court of competent jurisdiction, on its part in connection with the administration of this trust and the performance of its duties hereunder and under the Notes, including the costs and expenses of enforcing this Indenture (including this Section 7.7) and the Notes and of defending itself against any claims (whether asserted by any Holder, the Issuer or otherwise). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity of which it has received written notice. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee shall provide reasonable cooperation at the Issuer's expense in the defense. The Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel; *provided that* the Issuer shall not be required to pay the fees and expenses of such separate counsel if it assumes the Trustee's defense, and, in the reasonable judgment of outside counsel to the Trustee, there is no conflict of interest between the Issuer and the Trustee in connection with such defense; *provided further that*, the Company shall be required to pay the reasonable fees and expenses of such counsel in evaluating such conflict.

To secure the Issuer's payment obligations in this Section 7.7, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. Such lien shall survive the satisfaction and discharge of this Indenture. The Trustee's respective right to receive payment of any amounts due under this Section 7.7 shall not be subordinate to any other liability or Indebtedness of the Issuer.

The Issuer's payment obligations pursuant to this Section 7.7 shall survive the discharge of this Indenture and any resignation or removal of the Trustee under Section 7.8. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs fees, expenses or renders services after the occurrence of a Default specified in clause (7) or clause (8) of Section 6.1(a), the fees and expenses (including the reasonable fees and expenses of its counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.8. Replacement of Trustee. The Trustee may resign at any time by so notifying the Issuer in writing not less than 30 days prior to the effective date of such resignation. The Holders of a majority in aggregate principal amount of the Notes may remove the Trustee by so notifying the removed Trustee in writing not less than 30 days prior to the effective date of such removal and may appoint a successor Trustee with the Issuer's written consent, which consent will not be unreasonably withheld. The Issuer shall remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed by the Issuer or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee as described in the preceding paragraph, or if a vacancy exists in the office of the Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall, at the expense of the Issuer, promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.7.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of at least 10.0% in aggregate principal amount of the Notes may petition, at the Issuer's expense, any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder, who has been a bona fide holder of a Note for at least six months, may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.8, the Issuer's obligations under Section 7.7 shall continue for the benefit of the retiring Trustee. The predecessor Trustee shall have no liability for any action or inaction of any successor Trustee.

SECTION 7.9. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Notes in the name of any predecessor Trustee shall only apply to its successor or successors by merger, consolidation or conversion.

SECTION 7.10. Eligibility; Disqualification. This Indenture shall always have a Trustee. The Trustee shall have a combined capital and surplus of at least \$100 million as set forth in its most recent published annual report of condition.

SECTION 7.11. [Reserved].

SECTION 7.12. Trustee's Application for Instruction from the Issuer. Any application by the Trustee for written instructions from the Issuer may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than three (3) Business Days after the date any Officer of the Issuer actually receives such application, unless any such Officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

ARTICLE VIII

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.1. Option to Effect Legal Defeasance or Covenant Defeasance; Defeasance. The Issuer may, at its option and at any time, elect to have either Section 8.2 or 8.3 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.2. Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 8.1 hereof of the option applicable to this Section 8.2, the Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuer and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.5 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all of their other obligations under the Note Documents (and the Trustee, on written demand of and at the expense of the Issuer, shall execute such instruments reasonably requested by the Issuer acknowledging the same) and to have cured all then existing Events of Default, except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of Notes issued under this Indenture to receive payments in respect of the principal of, premium, if any, and interest, if any, on the Notes when such payments are due solely out of the trust referred to in Section 8.4 hereof;

(2) the Issuer's obligations with respect to the Notes under Article II concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and Section 3.12 hereof concerning the maintenance of an office or agency for payment and money for security payments held in trust;

- (3) the rights, powers, trusts, duties and immunities of the Trustee and the Issuer's or Guarantors' obligations in connection therewith; and
- (4) this Article VIII with respect to provisions relating to Legal Defeasance.

SECTION 8.3. Covenant Defeasance. Upon the Issuer's exercise under Section 8.1 hereof of the option applicable to this Section 8.3, the Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be released from each of their obligations under the covenants contained in Section 3.2, 3.4, 3.6, 3.7, 3.9, 3.10, 3.16, 3.19, 3.20, 3.21 and Section 4.1 (except Section 4.1(a)(1) and (a)(2)) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.4 hereof are satisfied (hereinafter, "Covenant Defeasance"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Guarantees, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.1(a) hereof, but, except as specified above, the remainder of this Indenture and such Notes and Guarantees will be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.1 hereof of the option applicable to this Section 8.3, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, Sections 6.1(a)(3) (other than with respect to Section 4.1(a)(1) and (a)(2)), 6.1(a)(4), 6.1(a)(5), 6.1(a)(6), 6.1(a)(7) (with respect only to a Significant Subsidiary (other than the Issuer) or any group of Restricted Subsidiaries (other than the Issuer) that taken together would constitute a Significant Subsidiary), and 6.1(a)(8) (with respect only to a Significant Subsidiary (other than the Issuer) or any group of Restricted Subsidiaries (other than the Issuer) that taken together would constitute a Significant Subsidiary) hereof shall not constitute Events of Default.

SECTION 8.4. Conditions to Legal or Covenant Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.2 or 8.3 hereof:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in Dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of and premium, if any, interest, due on the Notes issued under this Indenture on the stated maturity date or on the applicable redemption date, as the case may be, and the Issuer must specify whether such Notes are being defeased to maturity or to a particular redemption date; *provided*, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the "Applicable Premium Deficit") only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee at least two (2) Business Days prior to the redemption date that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions;

- (A) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling; or
- (B) since the issuance of such Notes, there has been a change in the applicable U.S. federal income tax law;

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Notes, in their capacity as beneficial owners of the Notes, will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Credit Facilities or any other material agreement or instrument (other than this Indenture) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;

(6) [reserved];

(7) the Issuer shall have delivered to the Trustee an Officer's Certificate to the effect that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer or any Guarantor; and

(8) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each to the effect that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

SECTION 8.5. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.6 hereof, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.5, the "Trustee") pursuant to Section 8.4 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.4 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article VIII to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money or U.S. Government Obligations held by it as provided in Section 8.4 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.4(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.6. Repayment to the Issuer. Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium or interest on, any Note and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Issuer on its written request unless an abandoned property law designates another Person or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuer for payment thereof unless an abandoned property law designates another Person, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense of the Issuer cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 8.7. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or Dollars or U.S. Government Obligations in accordance with Section 8.2 or 8.3 hereof, as the case may be, by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.2 or 8.3 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.2 or 8.3 hereof, as the case may be; *provided, however*, that, if the Issuer make any payment of principal of, premium, or interest on, any Note following the reinstatement of its obligations, the Issuer will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE IX

AMENDMENTS

SECTION 9.1. Without Consent of Holders. Notwithstanding Section 9.2 of this Indenture, the Issuer, any Guarantor (with respect to its Guarantee or this Indenture) and the Trustee may amend, supplement or modify this Indenture, any Guarantee and the Notes without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect, error or inconsistency, conform any provision to any provision under the heading "Description of Notes" in the Offering Memorandum or reduce the minimum denomination of the Notes;
- (2) to provide for the assumption by a successor Person of the obligations of the Issuer or a Guarantor under any Note Document or to comply with Section 4.1;
- (3) to provide for uncertificated Notes in addition to or in place of certificated Notes or to alter the provisions of this Indenture relating to the form of the Notes (including related definitions);
- (4) to add or modify the covenants or provide for a Note Guarantee for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Restricted Subsidiary;
- (5) to make any change (including changing the CUSIP or other identifying number on any Notes) that would provide any additional rights or benefits to the Holders or that does not materially and adversely affect the rights of any Holder in any material respect;
- (6) at the Issuer's election, comply with any requirement of the SEC in connection with the qualification of this Indenture under the Trust Indenture Act, if such qualification is required;
- (7) make such provisions as necessary for the issuance of Additional Notes in accordance with the terms of this Indenture;

(8) provide for any Restricted Subsidiary to provide a Guarantee in accordance with Section 3.2, to add Guarantees with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture;

(9) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee or successor Paying Agent thereunder pursuant to the requirements hereof or to provide for the accession by the Trustee to any Note Document;

(10) secure the Notes and/or the related Guarantees or to add collateral thereto;

(11) add an obligor or a Guarantor under this Indenture;

(12) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including to facilitate the issuance and administration of Notes; provided, however, that such amendment does not materially and adversely affect the rights of Holders to transfer the Notes; and

(13) comply with the rules and procedures of any applicable securities depository.

Subject to Section 9.2, upon the request of the Issuer and upon receipt by the Trustee of the documents described in Sections 9.6 and 13.2 hereof, the Trustee will join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

SECTION 9.2. With Consent of Holders. Except as provided below in this Section 9.2, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, any Guarantee and the Notes issued hereunder with the consent of the Holders of at least a majority in principal amount of all the outstanding Notes issued under this Indenture, including, without limitation, consents obtained before or after a Change of Control or in connection with a purchase of, or tender offer or exchange offer for, Notes, and any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes and the Guarantees may be waived with the consent of the Holders of at least a majority in principal amount of all the outstanding Notes issued under this Indenture (including consents obtained before or after a Change of Control or in connection with a purchase of or tender offer or exchange offer for Notes). Section 2.12 hereof and Section 13.4 hereof shall determine which Notes are considered to be "outstanding" for the purposes of this Section 9.2.

Upon the request of the Issuer, and upon delivery to the Trustee of evidence of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.6 and 13.2 hereof, the Trustee will join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

Without the consent of each Holder of Notes affected, an amendment, supplement or waiver may not, with respect to any Notes issued thereunder and held by a nonconsenting Holder:

(1) reduce the principal amount of such Notes whose Holders must consent to an amendment;

- (2) reduce the stated rate of or extend the stated time for payment of interest on any such Note (other than provisions relating to Section 3.9);
- (3) reduce the principal of or extend the Stated Maturity of any such Note (other than provisions relating to Section 3.9);
- (4) reduce the premium payable upon the redemption of any such Note or change the time at which any such Note may be redeemed, in each case as set forth in Section 5.7;
- (5) make any such Note payable in currency other than that stated in such Note;
- (6) impair the right of any Holder to institute suit for the enforcement of any payment of principal of and interest on such Holder's Notes on or after the due dates therefor;
- (7) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes outstanding and a waiver of the payment default that resulted from such acceleration); or
- (8) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.2.

It shall not be necessary for the consent of the Holders under this Indenture to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment, supplement or waiver under this Indenture by any Holder of the Notes given in connection with a tender or exchange of such Holder's Notes will not be rendered invalid by such tender or exchange.

SECTION 9.3. [Reserved].

SECTION 9.4. Revocation and Effect of Consents and Waivers. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent or waiver as to such Holder's Note or portion of its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described in this Section 9.4 or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.5. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Issuer Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.6. Trustee to Sign Amendments. The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Sections 7.1 and 7.2 hereof) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 13.2 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and is valid, binding and enforceable against the Issuer or any Guarantor, as the case may be, in accordance with its terms.

ARTICLE X

GUARANTEE

SECTION 10.1. Guarantee. Subject to the provisions of this Article X, each Guarantor that executes this Indenture or a supplemental indenture hereto will fully, unconditionally and irrevocably guarantee, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder, and the Trustee the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other obligations and liabilities of the Issuer under this Indenture (including without limitation interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Issuer or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding and the obligations under Section 7.7) (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor agrees that the Guaranteed Obligations will rank equally in right of payment with other Indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guaranteed Obligations, in which case the obligations of the Guarantors under the Guarantees will rank senior in right of payment to such other Indebtedness.

To evidence its Guarantee set forth in this Section 10.1, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

Each Guarantor hereby agrees that its Guarantee set forth in this Section 10.1 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

Each Guarantor further agrees (to the extent permitted by law) that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article X notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations.

Each Guarantor further agrees that its Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guaranteed Obligations.

Except as set forth in Section 10.2, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guaranteed Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the Guaranteed Obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Issuer or

any other person under this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder for the Guaranteed Obligations; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Issuer; (g) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Each Guarantor agrees that its Guarantee herein shall remain in full force and effect until payment in full of all the Guaranteed Obligations or such Guarantor is released from its Guarantee in compliance with Section 10.2, Article VIII or Article XI. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest on any of the Guaranteed Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay any of the Guaranteed Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee on behalf of the Holders an amount equal to the sum of (i) the unpaid amount of such Guaranteed Obligations then due and owing and (ii) accrued and unpaid interest on such Guaranteed Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to the Issuer or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guaranteed Obligations, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Guarantee.

Each Guarantor also agrees to pay any and all fees, costs and expenses (including attorneys' fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section 10.1.

SECTION 10.2. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal, foreign, state or provincial law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) Any Note Guarantee of a Guarantor (other than the Guarantee by the Company, except pursuant to clauses (3), (6) and (8) below) shall be automatically and unconditionally released and discharged upon:

(1) a sale, exchange, transfer or other disposition (including by way of merger, amalgamation, consolidation, dividend distribution or otherwise) of the Capital Stock of such Guarantor (including any sale, exchange, transfer or other disposition) of all or substantially all the assets of the Guarantor to a Person other than to the Company or a Restricted Subsidiary and as otherwise permitted by this Indenture;

(2) the designation in accordance with this Indenture of the Guarantor as an Unrestricted Subsidiary or the occurrence of any event after which the Guarantor is no longer a Restricted Subsidiary;

(3) defeasance or discharge of the Notes pursuant to Article VIII or Article XI;

(4) to the extent that such Guarantor is not an Immaterial Subsidiary solely due to the operation of clause (i) of the definition of “Immaterial Subsidiary,” upon the release of the guarantee referred to in such clause;

(5) such Guarantor being (or being substantially concurrently) released or discharged from all of (i) its obligations under all of its Guarantees of payment by the Issuer of any Indebtedness of the Issuer under the Credit Agreement or (ii) in the case of a Note Guarantee made by a Guarantor (each, an “Other Guarantee”) as a result of its guarantee of other Indebtedness of the Issuer or a Guarantor pursuant to Section 3.7 hereof, the relevant Indebtedness, except in the case of (i) or (ii), a release as a result of the payment under such Guarantee (it being understood that a release subject to a contingent reinstatement is still considered a release, and if any such Guarantee of such Guarantor under the Credit Agreement or any Other Guarantee is so reinstated, such Note Guarantee shall also be reinstated);

(6) upon the merger, amalgamation or consolidation of any Guarantor with and into the Company or another Guarantor or upon the liquidation of such Guarantor, in each case, in compliance with the applicable provisions of this Indenture;

(7) upon the achievement of Investment Grade Status by the Notes; *provided* that such Note Guarantee shall be reinstated upon the Reversion Date; or

(8) as described under Article IX.

SECTION 10.3. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Issuer or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 10.3 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

SECTION 10.4. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Issuer or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guaranteed Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuer or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Issuer on account of the Guaranteed Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guaranteed Obligations.

ARTICLE XI

SATISFACTION AND DISCHARGE

SECTION 11.1. Satisfaction and Discharge. This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(a) either:

(1) all Notes that have been authenticated and delivered, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) all such Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable by reason of the making of a notice of redemption or otherwise or (ii) will become due and payable within one year at their Stated Maturity or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee, in the name, and at the expense of the Issuer;

(b) the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in Dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on such Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, as calculated by the Issuer or on behalf of the Issuer by such person as the Issuer shall designate, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption, and any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee at least two (2) Business Days prior to the redemption date that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(c) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) with respect to this Indenture or the Notes issued hereunder shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under the Credit Facilities or any other material agreement or instrument (other than this Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;

(d) the Issuer has paid or caused to be paid all sums payable by the Issuer under this Indenture; and

(e) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money in Dollars toward the payment of such Notes issued hereunder at maturity or the redemption date, as the case may be.

In addition, the Issuer shall deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, the Issuer's obligations to the Trustee in Section 7.7 hereof and, if money in Dollars has been deposited with the Trustee pursuant to clause (a)(2) of this Section 11.1, the provisions of Sections 11.2 and 8.6 hereof will survive.

SECTION 11.2. Application of Trust Money. Subject to the provisions of Section 8.6 hereof, all money in Dollars or U.S. Government Obligations deposited with the Trustee pursuant to Section 11.1 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium) and interest for whose payment such money in Dollars or U.S. Government Obligations has been deposited with the Trustee; but such money in Dollars or U.S. Government Obligations need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 11.1 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.1 hereof; *provided* that if the Issuer have made any payment of principal of, premium or interest on, any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

SECTION 13.2. Certificate and Opinion as to Conditions Precedent.

Upon any request or application by the Issuer or any of the Guarantors to the Trustee to take or refrain from taking any action under this Indenture, the Issuer or such Guarantor, as the case may be, shall furnish to the Trustee:

(1) an Officer's Certificate in form satisfactory to the Trustee (which shall include the statements set forth in Section 13.3 hereof) stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(2) an Opinion of Counsel in form satisfactory to the Trustee (which shall include the statements set forth in Section 13.3 hereof) stating that, in the opinion of such counsel, all such conditions precedent have been satisfied and all covenants have been complied with.

SECTION 13.3. Statements Required in Certificate or Opinion. Each certificate or opinion with respect to compliance with a covenant or condition provided for in this Indenture:

(1) a statement that the individual making such certificate or opinion has read such covenant or condition;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of such individual, he has made such examination or investigation as is necessary to enable such individual to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(4) a statement as to whether or not, in the opinion of such individual, such covenant or condition has been complied with.

In giving such Opinion of Counsel, counsel may rely as to factual matters on an Officer's Certificate or on certificates of public officials.

SECTION 13.4. When Notes Disregarded. In determining whether the Holders of the required aggregate principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, any Guarantor or any Affiliate of them shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Also, subject to the foregoing, only Notes outstanding at the time shall be considered in any such determination.

SECTION 13.5. Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by, or at meetings of, Holders. The Registrar and the Paying Agent may make reasonable rules for their functions.

SECTION 13.6. Legal Holidays. A “Legal Holiday” is a Saturday, a Sunday or other day on which commercial banking institutions are authorized or required to be closed in New York, New York or the jurisdiction of the place of payment. If a payment date or a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

SECTION 13.7. Governing Law. THIS INDENTURE, THE NOTES AND THE GUARANTEES AND THE RIGHTS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 13.8. Jurisdiction. The Issuer and the Guarantors agree that any suit, action or proceeding against the Issuer or any Guarantor brought by any Holder or the Trustee arising out of or based upon this Indenture, the Guarantee or the Notes may be instituted in any state or Federal court in the Borough of Manhattan, New York, New York, and any appellate court from any thereof, and each of them irrevocably submits to the non-exclusive jurisdiction of such courts in any suit, action or proceeding. The Issuer and the Guarantors irrevocably waive, to the fullest extent permitted by law, any objection to any suit, action, or proceeding that may be brought in connection with this Indenture, the Guarantee or the Notes, including such actions, suits or proceedings relating to securities laws of the United States of America or any state thereof, in such courts whether on the grounds of venue, residence or domicile or on the ground that any such suit, action or proceeding has been brought in an inconvenient forum. The Issuer and the Guarantors agree that final judgment in any such suit, action or proceeding brought in such court shall be conclusive and binding upon the Issuer or the Guarantors, as the case may be, and may be enforced in any court to the jurisdiction of which the Issuer or the Guarantors, as the case may be, are subject by a suit upon such judgment.

SECTION 13.9. Waivers of Jury Trial. EACH OF THE ISSUER, THE GUARANTORS AND THE TRUSTEE HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE GUARANTEES AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 13.10. USA PATRIOT Act. The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order to satisfy the requirements of the USA PATRIOT Act.

SECTION 13.11. No Recourse Against Others. No director, officer, employee, incorporator or shareholder of the Issuer or any of its respective Subsidiaries or Affiliates, or such (other than the Issuer and the Guarantors), shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Guarantees or this Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SECTION 13.12. Successors. All agreements of the Issuer and each Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 13.13. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

SECTION 13.14. Table of Contents; Headings. The table of contents, cross-reference table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 13.15. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services, it being understood that the Trustee shall use reasonable best efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 13.16. Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 13.17. [Reserved].

SECTION 13.18. Waiver of Immunities. To the extent that the Issuer or any Guarantor or any of its properties, assets or revenues may have or may hereafter become entitled to, or have attributed to them, any right of immunity, on the grounds of sovereignty, from any legal action, suit or proceeding, from set-off or counterclaim, from the jurisdiction of any court, from service of process, from attachment upon or prior to judgment, or from attachment in aid of execution of judgment, or from execution of judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, in any jurisdiction in which proceedings may at any time be commenced, with respect to their obligations, liabilities or any other matter under or arising out of or in connection with this Indenture, the Notes or the Note Guarantees, the Issuer and each Guarantor hereby irrevocably and unconditionally, to the extent permitted by applicable law, waives and agrees not to plead or claim any such immunity and consents to such relief and enforcement.

SECTION 13.19. Judgment Currency. The Issuer and each Guarantor agrees to indemnify the recipient against any loss incurred by such recipient as a result of any judgment or order being given or made against the Issuer or any Guarantor for any amount due hereunder and such judgment or order being expressed and paid in a currency (the “Judgment Currency”) other than Dollars and as a result of any variation as between (i) the rate of exchange at which the Dollar amount is converted into the Judgment Currency for the purpose of such judgment or order, and (ii) the rate of exchange in The City of New York at which such party on the date of payment of such judgment or order is able to purchase Dollars with the amount of the Judgment Currency actually received by such party if such party had utilized such amount of Judgment Currency to purchase Dollars as promptly as practicable upon such party’s receipt thereof. The foregoing indemnity shall constitute a separate and independent obligation of the Issuer and each Guarantor and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term “rate of exchange” shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

[FORM OF REVERSE SIDE OF NOTE]
GRUBHUB HOLDINGS INC.
5.500% SENIOR NOTES DUE 2027

Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture.

1. Interest

The Issuer promises to pay interest on the principal amount of this Note at 5.500% per annum from June 10, 2019 until maturity. The Issuer will pay interest semi-annually in arrears every January 1 and July 1 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided*, that the first Interest Payment Date shall be January 1, 2020. The Issuer shall pay interest on overdue principal at the rate specified herein, and it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. Method of Payment

By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest, on any Note is due and payable, the Issuer shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium, interest when due. Interest on any Note which is payable, and is timely paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the preceding December 15 and June 15, respectively, at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.3 of the Indenture. The principal of (and premium, if any) and interest on the Notes shall be payable at the office or agency of Paying Agent or Registrar designated by the Issuer maintained for such purpose (which shall initially be the office of the Trustee maintained for such purpose), or at such other office or agency of the Issuer as may be maintained for such purpose pursuant to Section 2.3 of the Indenture; *provided, however*, that, at the option of the Paying Agent, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the third to the last sentence of this paragraph. Payments in respect of Notes represented by a Global Note (including principal, premium, if any, and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. Payments in respect of Notes represented by Definitive Notes (including principal, premium, if any, and interest) held by a Holder of at least \$1,000,000 aggregate principal amount of Notes represented by Definitive Notes will be made in accordance with the Notes Register, or by wire transfer to a Dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). If an Interest Payment Date or a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

3. Paying Agent and Registrar

The Issuer initially appoints Wilmington Trust, National Association (the “Trustee”) as Registrar and Paying Agent for the Notes. The Issuer may change any Registrar or Paying Agent without prior notice to the Holders. The Issuer or any Guarantor may act as Paying Agent, Registrar or transfer agent.

4. Indenture

The Issuer issued the Notes under an Indenture dated as of June 10, 2019, among the Issuer, the Company and the Subsidiary Guarantors named therein and the Trustee (as it may be further amended or supplemented from time to time in accordance with the terms thereof, the “Indenture”). The terms of the Notes include those stated in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders are referred to the Indenture for a statement of those terms. In the event of a conflict between the terms of the Notes and the terms of the Indenture, the terms of the Indenture shall control.

The Notes are senior obligations of the Issuer. The aggregate principal amount of Notes that may be authenticated and delivered under the Indenture is unlimited. This Note is one of the 5.500% Senior Notes due 2027 referred to in the Indenture. The Notes include (i) \$500,000,000 principal amount of the Issuer’s 5.500% Senior Notes due 2027 issued under the Indenture on June 10, 2019 (the “Initial Notes”) and (ii) if and when issued, additional Notes that may be issued from time to time under the Indenture subsequent to June 10, 2019 (the “Additional Notes”) as provided in Section 2.1(a) of the Indenture. The Initial Notes and the Additional Notes shall be considered collectively as a single class for all purposes of the Indenture; *provided* that the Additional Notes will not be issued with the same CUSIP as the existing Notes unless such Additional Notes are fungible with the existing Notes for U.S. federal income tax purposes. The Indenture imposes certain limitations on the incurrence of indebtedness, the making of restricted payments, the sale of assets, the incurrence of certain liens, the making of payments for consents, the entering into of agreements that restrict distribution from restricted subsidiaries and the consummation of mergers and consolidations. The Indenture also imposes requirements with respect to the provision of financial information and the provision of guarantees of the Notes by certain subsidiaries.

5. Guarantees

From and after the Issue Date, to guarantee the due and punctual payment of the principal, premium, if any, interest (including post-filing or post-petition interest in any proceeding under Bankruptcy Law) on the Notes and all other amounts payable by the Issuer under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, each Guarantor will unconditionally guarantee (and future guarantors, jointly and severally with the Guarantors, will fully and unconditionally Guarantee) such obligations on a senior basis pursuant to the terms of the Indenture.

6. Redemption

(a) At any time prior to July 1, 2022, the Issuer may redeem the Notes in whole or in part, at its option, upon not less than 10 nor more than 60 days’ prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, at a redemption price (expressed as a percentage of the principal amount of the Notes to be redeemed) equal to 100.000% plus the relevant Applicable Premium as of, and accrued and unpaid interest, if any, to but excluding, the date of redemption (the “Redemption Date”), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(b) At any time and from time to time prior to July 1, 2022, the Issuer may on one or more occasions, upon not less than 10 nor more than 60 days’ prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, redeem up to 40.0% of the original principal amount of Notes issued under the Indenture on the Issue Date (together with Additional Notes) at a redemption price (expressed as a percentage of the principal amount of Notes to be redeemed) equal to 105.500% of the principal amount of such Notes, plus accrued and unpaid interest, if any, to but excluding, the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds received by the Issuer of one or more Equity Offerings of the Issuer; *provided* that not less than 50.0% of the original aggregate principal amount of the then-outstanding Notes initially issued under the Indenture remains outstanding immediately after the occurrence of each such redemption (including Additional Notes but excluding Notes held by the Company or any of its Restricted Subsidiaries), unless all such Notes are redeemed substantially concurrently; *provided further* that each such redemption occurs not later than 180 days after the date of closing of the related Equity Offering. The Trustee shall select the Notes to be purchased in the manner described under Sections 5.1 through 5.6 of the Indenture.

(c) Except pursuant to clauses (a) and (b) of this paragraph 6, the Notes will not be redeemable at the Issuer's option prior to July 1, 2022.

(d) At any time and from time to time on or after July 1, 2022, the Issuer may redeem the Notes, in whole or in part, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth in the table below, plus accrued and unpaid interest thereon, if any, to but excluding the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on July 1 of each of the years indicated in the table below:

<u>Year</u>	<u>Percentage</u>
2022	102.750%
2023	101.833%
2024	100.917%
2025 and thereafter	100.000%

(e) Notwithstanding the foregoing, in connection with any tender offer for the Notes, including a Change of Control Offer, if Holders of not less than 90.0% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party shall have the right upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, given not more than 30 days following such purchase date to redeem all Notes that remain outstanding following such purchase at a redemption price equal to the price offered to each other Holder in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to but not including, the date of such redemption.

(f) Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(g) Any redemption pursuant to this paragraph 6 shall be made pursuant to the provisions of Section 5.1 through 5.6 of the Indenture.

The Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

7. Reserved

8. Repurchase Provisions

If a Change of Control Triggering Event occurs, each Holder will have the right to require the Issuer to repurchase from each Holder all or any part (equal to a minimum denomination of \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101.0% of the aggregate principal amount thereof plus accrued and unpaid interest, to but excluding the date of purchase; provided that if the repurchase date is on or after the record date and on or before the corresponding interest payment date, then Holders in whose name the Notes are registered at the close of business on such record date will receive the interest due on the repurchase date, as provided in, and subject to the terms of, the Indenture.

9. Denominations; Transfer; Exchange

The Notes shall be issuable only in fully registered form in minimum denominations of principal amount of \$2,000 and any integral multiple of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay a sum sufficient to cover any tax and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange of any Note (A) for a period beginning (1) fifteen (15) calendar days before the mailing of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing or (2) fifteen (15) calendar days before an Interest Payment Date and ending on such Interest Payment Date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.

10. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of principal, premium, if any, interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuer at its written request unless an abandoned property law designates another Person to receive such money. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment as general creditors unless an abandoned property law designates another person for payment.

12. Discharge and Defeasance

Subject to certain exceptions and conditions set forth in the Indenture, the Issuer at any time may terminate some or all of its obligations under the Notes and the Indenture if the Issuer deposits with the Trustee money or U.S. Government Obligations for the payment of principal, premium, if any and interest on the Notes to redemption or maturity, as the case may be.

13. Amendment, Supplement, Waiver

Subject to certain exceptions contained in the Indenture, the Indenture and the Notes may be amended, or a Default thereunder may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Issuer, the Guarantors and the Trustee may amend or supplement the Indenture and the Notes as provided in the Indenture.

14. Defaults and Remedies

If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Issuer or certain Guarantors) occurs and is continuing, the Trustee by notice to the Issuer, or the Holders of at least 30.0% in aggregate principal amount of the outstanding Notes by notice to the Issuer and the Trustee, may declare the principal of and accrued and unpaid interest, and any other monetary obligations on all the Notes to be due and payable immediately. Upon the effectiveness of such declaration, such principal, interest, and other monetary obligations will be due and payable immediately. If a bankruptcy, insolvency or reorganization of the Issuer or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Issuer and its Restricted Subsidiaries, would constitute a Significant Subsidiary) occurs and is continuing, the principal of and accrued and unpaid interest and any other monetary obligations on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in aggregate principal amount of the outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

15. Trustee Dealings with the Issuer

Subject to certain limitations set forth in the Indenture, the Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, Guarantors or their Affiliates with the same rights it would have if it were not Trustee. In addition, the Trustee shall be permitted to engage in transactions with the Issuer and its Affiliates and Subsidiaries.

16. No Recourse Against Others

No director, officer, employee, incorporator or shareholder of the Issuer or any of its Subsidiaries or Affiliates, as such (other than the Issuer and the Guarantors), shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Guarantees or the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.
