Forward-looking statements involve substantial risks, known and unknown, uncertainties, assumptions and other factors that may cause actual results, performance or achievements to differ materially from future results expressed or implied by such forward-looking statements including, but not limited to, the occurrence of any event, change or other circumstances that could give rise to the right of one or both of Grubhub or Just Eat Takeaway.com to terminate the merger agreement; the ability to obtain approval by Grubhub stockholders on the expected schedule or at all; difficulties and delays in integrating Grubhub’s and Just Eat Takeaway.com’s businesses; risks that the proposed merger disrupts Grubhub’s or Just Eat Takeaway.com’s current plans and operations; failing to fully realize anticipated synergies, cost savings and other anticipated benefits of the proposed merger when expected or at all; potential adverse reactions or changes to business relationships resulting from the announcement or completion of the proposed merger; the risk that unexpected costs will be incurred; the ability of Grubhub or Just Eat Takeaway.com to retain and hire key personnel; the diversion of management’s attention from ongoing business operations; uncertainty as to the value of the Just Eat Takeaway.com ordinary shares to be issued in connection with the proposed merger; uncertainty as to the long-term value of the common stock of the combined company following the proposed merger; the continued availability of capital and financing following the proposed merger; the outcome of any legal proceedings that may be instituted against Grubhub, Just Eat Takeaway.com or their respective directors and officers; changes in global, political, economic, business, competitive, market and regulatory forces; changes in tax laws, regulations, rates and policies; future business acquisitions or disposals; competitive developments; and the timing and occurrence (or non-occurrence) of other events or circumstances that may be beyond Grubhub’s and Just Eat Takeaway.com’s control. Grubhub Announces Filing of Definitive Proxy Statement and Special Meeting of Stockholders to be Held on June 10, 2021

CHICAGO, May 12, 2021 – Grubhub Inc. (NYSE: GRUB) (“Grubhub”), a leading online and mobile food-ordering and delivery marketplace, today announced the filing of a definitive proxy statement (the “proxy statement”) with the U.S. Securities and Exchange Commission. The proxy statement is in connection with the proposed acquisition by Just Eat Takeaway.com N.V. (“Just Eat Takeaway.com”) of 100% of the shares of Grubhub in an all-stock transaction (the “Transaction”) to create one of the world’s largest food delivery companies, measured by Gross Merchandise Value and revenue. Grubhub will commence mailing the proxy statement to its stockholders on or about May 12, 2021.

Grubhub will hold a special meeting of its stockholders (the “Grubhub Special Meeting”) to vote on a proposal to adopt the Agreement and Plan of Merger with Just Eat Takeaway.com and approve related matters as described in the proxy statement. The Grubhub Special meeting is scheduled to take place on June 10, 2021, at 8 a.m. Central Time and will be held exclusively in a virtual format. Grubhub stockholders will be entitled to attend and participate in the Grubhub Special Meeting if they were Grubhub stockholders of record as of the close of business on April 27, 2021, or hold a valid proxy of such a Grubhub stockholder for the Grubhub Special Meeting.

The Grubhub Board of Directors believes the Transaction is in the best interests of Grubhub and its stockholders, and recommends that Grubhub stockholders vote “FOR” the adoption of the Agreement and Plan of Merger between Grubhub and Just Eat Takeaway.com, as well as all other proposals included in Grubhub’s proxy statement.

Highlights of the Transaction, which was previously announced on June 10, 2020, include:

- It creates one of the world’s largest food delivery companies, measured by Gross Merchandise Value and revenue, connecting restaurant partners with their consumers in 24 countries.
- The Transaction forms a company built around four of the world’s most attractive markets in food delivery: the U.S., the U.K., the Netherlands and Germany. These markets have substantial further opportunities for growth, significant penetration upside and longer-term improvements in profitability.
- Grubhub will be much stronger as part of Just Eat Takeaway.com. The increased scale and resources of the combined group will provide greater flexibility to make strategic, long-term investment decisions.
- In the U.S., where the market is competitive and fragmented across local regions and cities, Grubhub has unique advantages: a substantial marketplace business; a robust corporate and campus business; a large geographic footprint; extensive customer and restaurant relationships; and a successful hybrid operating model with many restaurants that complete their own deliveries.

-
- The enhanced scale and leading positions of the combined group provide an opportunity to leverage best practices from Just Eat Takeaway.com and Grubhub and create the broadest possible offering to both restaurant partners and consumers.
 - The combined group will have a founder-led management team with a proven track record of building leading positions in markets of scale. The new management team has 55+ years of combined experience in the sector.

The Transaction is subject to the approval of Grubhub's stockholders at the Grubhub Special Meeting, as well as other customary closing conditions. Subject to satisfaction of the conditions, completion of the Transaction is expected to occur by the end of the second quarter of 2021.

To be admitted to the stockholders' portion of the Grubhub Special Meeting at www.virtualshareholdermeeting.com/GRUB2021SM, Grubhub stockholders must enter the 16-digit control number found on their proxy card or voting instruction form. The Grubhub Special Meeting will be held virtually.
