PROXY STATEMENT

2019 ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 5, 2019

GENERAL INFORMATION

Moelis & Company is making this proxy statement available to its stockholders on or about April 24, 2019 in connection with the solicitation of proxies by the board of directors for our 2019 Annual Meeting of Stockholders to be held on Wednesday, June 5, 2019 at 8:30 a.m. (Eastern Time) at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, Four Times Square, New York, NY 10036, and any adjournment or postponement of that meeting (the “Annual Meeting”). As a stockholder, you are invited to attend the Annual Meeting and are entitled and encouraged to vote on the proposals described in this proxy statement. On or about April 24, 2019, we mailed our stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy statement and our 2018 Annual Report on Form 10-K.

We are a leading global independent investment bank that provides innovative strategic and financial advice to a diverse client base, including corporations, governments and financial sponsors.

Moelis & Company is a holding company and its only assets are its partnership interests in Moelis & Company Group LP (“Group LP”), its equity interest in the sole general partner of Group LP, Moelis & Company Group GP LLC, and its interests in its subsidiaries. Moelis & Company operates and controls all of the business and affairs of Group LP and its operating entity subsidiaries indirectly through its equity interest in Moelis & Company Group GP LLC.

In this proxy statement, unless the context requires otherwise, the words “Company,” “we,” “us” and “our” refer to Moelis & Company and its subsidiaries, and for periods prior to the reorganization in connection with our initial public offering refer to the advisory business of our predecessor company, Moelis & Company Holdings LP (“Old Holdings”). In the reorganization, Old Holdings was renamed Moelis Asset Management LP. Unless the context requires otherwise, all references herein to “MAM” refer to Moelis Asset Management LP.

Moelis & Company was formed in January 2014 and completed an initial public offering of its Class A common stock in April 2014. Our Class A common stock trades on the New York Stock Exchange under the symbol “MC.”

Below are answers to common questions stockholders may have about the Proxy Materials and the Annual Meeting.

What are the Proxy Materials?

The “Proxy Materials” are this proxy statement and our annual report to stockholders for the fiscal year ended December 31, 2018. If you request printed versions of the Proxy Materials, you will also receive a proxy card.

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of materials?

Under rules adopted by the Securities and Exchange Commission (the “SEC”), we are furnishing Proxy Materials to many of our stockholders on the internet, rather than mailing printed copies. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive printed copies of the Proxy Materials unless you request them. Instead, the notice will instruct you how to access and review the Proxy Materials on the internet. If you would like printed copies of the Proxy Materials, please follow the instructions on the notice.

What items will be voted on at the Annual Meeting and how does the board of directors recommend that I vote?

There are three proposals to be voted on at the Annual Meeting:

1. the election of eight directors to our board of directors;
2. the approval, on an advisory basis, of the compensation of our named executive officers; and
3. the ratification of the appointment of Deloitte & Touche LLP (“Deloitte”) as our independent registered public accounting firm for the fiscal year ending December 31, 2019.

Our amended and restated by-laws require that we receive advance notice of any proposals to be brought before the Annual Meeting by our stockholders. We have not received any such proposals. We do not anticipate any other matters will come before the Annual Meeting. If any other matter properly comes before the Annual Meeting, the proxy holders appointed by our board of directors will have discretion to vote on those matters.

The board of directors recommends:

1. that you vote “**FOR**” each of the nominees in Proposal 1;
2. that you vote “**FOR**” the approval of the advisory resolution approving the compensation of our named executive officers as disclosed in this Proxy Statement in Proposal 2; and
3. that you vote “**FOR**” the ratification of the selection of Deloitte as our independent registered public accounting firm for 2019 in Proposal 3.

Who may vote at the meeting?

Holders of Class A common stock and holders of Class B common stock as of the close of business on April 11, 2019 (the “Record Date”) may vote at the Annual Meeting.

How many shares may be voted at the Annual Meeting?

Only stockholders of record as of the close of business on the Record Date will be entitled to vote at the Annual Meeting. As of the close of business on the Record Date, there were 47,437,993 shares of Class A common stock and 10,493,358 shares of Class B common stock entitled to vote.

How many votes do I have?

Holders of our Class A common stock are entitled to one vote for each share held as of the Record Date. Holders of our Class B common stock are entitled to ten votes for each share held as of the Record Date. Holders of our Class A common stock and Class B common stock will vote as a single class on all matters at the Annual Meeting.

What vote is required for each proposal?

For the election of directors, each director must be elected by a plurality of the votes cast. This means that the eight nominees receiving the largest number of “for” votes will be elected as directors. We do not have cumulative voting.

The approval, on an advisory basis of the compensation of our named executive officers, the ratification of the Company’s independent registered public accounting firm and any other proposals that may come before the Annual Meeting will be determined by the majority of the votes cast.

As of the Record Date, Moelis & Company Partner Holdings LP (“Partner Holdings”) owned all of our outstanding Class B shares. Partner Holdings is controlled by Kenneth Moelis, our Chairman and Chief Executive Officer. As a result of his beneficial ownership of shares, Mr. Moelis has the ability to decide all matters to be voted upon at the Annual Meeting.

How are abstentions and broker non-votes counted?

Abstentions (shares present at the meeting in person or by proxy that are voted “abstain”) and broker non-votes (explained below) are counted for the purpose of establishing the presence of a quorum, but are not counted as votes cast.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Computershare, you are a stockholder of record.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are a beneficial owner of shares held in “street name.” The organization holding your account is considered the stockholder of record. As a beneficial owner, you have the right to direct the organization holding your account on how to vote the shares you hold in your account.

How do stockholders of record vote?

There are four ways for stockholders of record to vote:

- *Via the internet.* You may vote via the internet until 11:59 p.m. (Eastern Time) on the day before the Annual Meeting by visiting <http://www.proxyvote.com> and entering the unique control number for your shares located on the Notice of Internet Availability of Proxy Materials.
- *By telephone.* You may vote by phone until 11:59 p.m. (Eastern Time) on the day before the Annual Meeting by calling (800) 690-6903. You will need the control number from your Notice of Internet Availability of Proxy Materials.
- *By mail.* If you requested that Proxy Materials be mailed to you, you will receive a proxy card with your Proxy Materials. You may vote by filling out and signing the proxy card and returning it in the envelope provided. The proxy card must be received by the close of business on the day before the Annual Meeting.
- *In person.* You may also vote your shares in person by completing a ballot at the Annual Meeting.

How do beneficial owners of shares held in street name vote?

If you hold your shares through a brokerage firm, bank, broker-dealer or other similar organization, please follow their instructions.

Can I change my vote after submitting a proxy?

Stockholders of record may revoke their proxy before the Annual Meeting by delivering to the Company’s General Counsel and Secretary a written notice stating that a proxy is revoked, by signing and delivering a proxy bearing a later date, by voting again via the internet or by telephone or by attending and voting in person at the Annual Meeting.

Street name stockholders who wish to change their votes should contact the organization that holds their shares.

If I hold shares in street name through a broker, can the broker vote my shares for me?

If you hold your shares in street name and you do not vote, the broker or other organization holding your shares can vote on certain “routine” proposals but cannot vote on other proposals. Proposals 1 and 2 are not considered “routine” proposals. Proposal 3 is a “routine” proposal. If you hold shares in street name and do not vote on Proposals 1 and 2 your shares will be counted as “broker non-votes.”

Who is paying for this proxy solicitation?

The Company is paying the costs of the solicitation of proxies. Members of our board of directors and officers and employees may solicit proxies by mail, telephone, fax, email or in person. We will not pay directors, officers or employees any extra amounts for soliciting proxies. We may, upon request, reimburse brokerage firms, banks or similar entities representing street name holders for their expenses in forwarding Proxy Materials to their customers who are street name holders and obtaining their voting instructions.

What do I need to do if I want to attend the meeting?

You will need to provide evidence that you are a stockholder as of the Record Date. This can be a copy of your proxy card or a brokerage statement showing your shares. You should also bring photo identification. If you hold your shares in street name and wish to vote in person at the meeting, you will need to contact the organization that holds your shares in order to obtain a legal proxy from that organization.

Where can I find voting results?

We will file a Current Report on Form 8-K with the SEC including the final voting results from the Annual Meeting within four business days of the Annual Meeting.

I share an address with another stockholder. Why did we receive only one set of Proxy Materials?

Some banks, brokers and nominees may be participating in the practice of “householding” Proxy Materials. This means that only one copy of our Proxy Materials may be sent to multiple stockholders in your household. If you hold your shares in street name and want to receive separate copies of the Proxy Materials in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact the bank, broker, or other nominee who holds your shares.

Upon written or oral request, the Company will promptly deliver a separate copy of the Proxy Materials to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Proxy Materials, you can contact our Investor Relations department at (212) 883-3800, investor.relations@moelis.com or 399 Park Avenue, 5th Floor, New York, NY 10022.

Who should I contact if I have additional questions?

You can contact our Investor Relations department at (212) 883-3800, investor.relations@moelis.com or at our principal executive offices at 399 Park Avenue, 5th Floor, New York, NY 10022. Stockholders who hold their shares in street name should contact the organization that holds their shares for additional information on how to vote.

PROPOSAL 1: ELECTION OF DIRECTORS

Our board of directors is currently comprised of eight directors. At the Annual Meeting, stockholders will vote to elect as directors of the Company the eight nominees named in this proxy statement. Each of the directors elected at the Annual Meeting will hold office until the 2019 Annual Meeting of Stockholders and until his or her successor has been duly elected and qualified.

The board of directors has nominated Kenneth Moelis, Navid Mahmoodzadegan, Jeffrey Raich, Eric Cantor, Elizabeth Crain, John A. Allison IV, Yolonda Richardson and Kenneth L. Shropshire for election at the Annual Meeting. The persons named as proxies will vote to elect each of these nominees unless a stockholder indicates that his or her shares should be withheld with respect to one or more of such nominees.

In connection with our initial public offering, we entered into a stockholders agreement with Partner Holdings, an entity controlled by our Chairman and Chief Executive Officer, Kenneth Moelis, pursuant to which our board of directors is required to nominate individuals designated by Partner Holdings equal to a majority of the board of directors as long as the Class B Condition is satisfied. The designees of Partner Holdings nominated by the board of directors for election at the Annual Meeting are Kenneth Moelis, Navid Mahmoodzadegan, Jeffrey Raich, Eric Cantor, and Elizabeth Crain. The stockholders agreement and the Class B Condition are described under “Certain Relationships and Related Person Transactions—Transactions With Our Directors, Executive Officers and 5% Holders—Rights of Partner Holdings and Stockholders Agreement” below. Mr. Moelis’ beneficial ownership of our shares is set forth under “Stock Ownership of Certain Beneficial Owners and Management” below.

In the event that any nominee for director becomes unavailable or declines to serve as a director at the time of the Annual Meeting, the persons named as proxies will vote the proxies in their discretion for any nominee who is designated by the current board of directors to fill the vacancy. All of the nominees are currently serving as directors and we do not expect that any of the nominees will be unavailable or will decline to serve.

In determining that each director should be nominated for re-election, our board considered his or her service, business experience, prior directorships, qualifications, attributes and skills described in the biography set forth below under “Corporate Governance—Executive Officers and Directors.”

The board of directors recommends that you vote “FOR” each of the director nominees in this Proposal 1.

Controlled Company Status

Because Mr. Moelis, our Chairman and Chief Executive Officer, holds more than 50% of the voting power of our shares eligible to vote, we are a “controlled company” under the rules of the New York Stock Exchange (“NYSE”). Under these rules, a company of which more than 50% of the voting power in the election of directors is held by an individual, group or another company is a “controlled company” and may elect not to comply with certain corporate governance requirements, including the requirements that (i) a majority of the board of directors consist of independent directors and (ii) that the board of directors have compensation and nominating and corporate governance committees composed entirely of independent directors. For at least some period, we intend to continue to utilize these exemptions.

The NYSE rules required us to have an audit committee comprised entirely of independent directors within one year of our initial public offering. From February 2015, our audit committee has been comprised entirely of directors meeting the NYSE audit committee independence requirements.

Director Independence

The board of directors has reviewed its composition, the composition of its committees and the independence of each director and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. The board of directors has determined that each of John A. Allison IV, Yolonda Richardson and Kenneth L. Shropshire is an “independent director” under applicable NYSE standards and that each such director has no relationships with the Company that would interfere with such director’s exercise of independent judgment in carrying out his responsibilities as a director of the Company.

Board of Directors Leadership Structure

Under our Corporate Governance Guidelines, the board of directors does not require the separation of the offices of the chairman of the board and the chief executive officer. These guidelines provide that the board of directors shall be free to choose its chairman in any way that it deems best for the Company at any given point in time. The board of directors periodically reviews its leadership structure and may make changes in the future. The Company’s employment agreement with Kenneth Moelis provides that Mr. Moelis is the Company’s Chief Executive Officer and the Chairman of its board of directors.

Board of Directors Role in Risk Oversight

We are exposed to a number of risks, and we regularly identify and evaluate these risks and our risk management strategy. Management is principally responsible for managing the risks on a day-to-day basis, under the oversight of the board and the audit committee. Our Managing Directors and certain business committees of our Managing Directors are responsible for various aspects of risk management associated with our business, and our executive officers have the primary responsibility for enterprise-wide risk management. Our Chief Operating Officer, Chief Financial Officer and General Counsel work closely with our Managing Directors, our management and operations teams (including our finance and accounting and legal and compliance teams) and our outsourced internal audit function to monitor and manage risk. Our executive officers meet with the audit

committee at least four times a year in conjunction with a review of our quarterly and annual periodic SEC filings to discuss important risks we face, highlighting any new risks that may have arisen since they last met. Our executive officers also meet periodically with the board to discuss important risks we face. The board of directors' administration of risk oversight has no impact on its leadership structure.

Board Committees

Our board of directors has the authority to appoint committees to perform certain management and administrative functions. Our board of directors has established an audit committee and a compensation committee, each of which has the composition and the responsibilities described below. We do not currently have a separately designated nominating committee. Our board of directors may from time to time establish other committees.

Audit Committee

Our audit committee oversees our accounting and financial reporting process and the audit of our financial statements and assists our board of directors in monitoring our financial systems and our legal and regulatory compliance. Our audit committee is responsible for, among other things:

- appointing, compensating and overseeing the work of our independent auditors, including resolving disagreements between management and the independent registered public accounting firm regarding financial reporting;
- approving engagements of the independent registered public accounting firm to render any audit or permissible non-audit services;
- reviewing the qualifications and independence of the independent registered public accounting firm;
- reviewing our financial statements and related disclosures and reviewing our critical accounting policies and practices;
- reviewing the adequacy and effectiveness of our internal control over financial reporting;
- establishing procedures for the receipt, retention and treatment of accounting and auditing related complaints and concerns;
- preparing the audit committee report required by SEC rules to be included in our annual proxy statement;
- reviewing and discussing with management and the independent registered public accounting firm the results of our annual audit, our quarterly financial statements and our publicly filed reports; and
- reviewing and approving in advance any proposed related person transactions.

We believe that the functioning of our audit committee complies with the applicable requirements of the NYSE and SEC rules and regulations.

The members of our audit committee are Mr. Allison, Ms. Richardson and Mr. Shropshire. Since November 2015, our audit committee has been comprised of three entirely independent directors as defined under NYSE rules. Mr. Allison is our audit committee financial expert, as defined under SEC rules. Mr. Shropshire is the chairperson of our audit committee.

Our board of directors has considered the independence and other characteristics of each member of our audit committee. Audit committee members must satisfy the NYSE independence requirements and additional independence criteria set forth under Rule 10A-3 of the Exchange Act of 1934 (the "Exchange Act"). In addition, the NYSE requires that, subject to specified exceptions, including certain phase-in rules, each member of a listed company's audit committee be independent and that audit committee members also satisfy independence criteria

[Table of Contents](#)

set forth in Rule 10A-3. In order to be considered independent for purposes of Rule 10A-3, an audit committee member may not, other than in his or her capacity as a member of the board, accept consulting, advisory or other fees from us or be an affiliated person of us. Our board of directors has determined that each of Mr. Allison, Ms. Richardson and Mr. Shropshire qualifies as an independent director pursuant to NYSE rules and Rule 10A-3.

Our board of directors has adopted a written charter for the audit committee. The audit committee charter is available in the Corporate Governance section of our Investor Relations website at investors.moelis.com.

Compensation Committee

Our compensation committee advises on our compensation policies, plans and programs. The compensation committee is responsible for, among other things:

- reviewing and recommending policies, plans and programs relating to compensation and benefits of our directors, officers and employees;
- reviewing and recommending compensation and the corporate goals and objectives relevant to compensation of our executive officers, including our Chief Executive Officer;
- evaluating the performance of our Chief Executive Officer and other executive officers in light of established goals and objectives; and
- administering our equity compensation plans for our employees and directors.

The members of our compensation committee are Mr. Allison, Ms. Richardson and Mr. Shropshire. From February 2015, our compensation committee has been comprised of entirely independent directors meeting NYSE requirements. Ms. Richardson is the chairperson of the compensation committee.

As permitted under the 2014 Omnibus Incentive Plan, the board has authorized our Chief Operating Officer and Chief Financial Officer, acting together, to grant awards of up to 2,500,000 shares in any fiscal quarter.

Our board of directors has adopted a written charter for the compensation committee. The compensation committee charter is available in the Corporate Governance section of our Investor Relations website at investors.moelis.com.

Board and Committee Meetings; Annual Meeting Attendance

Between January 1, 2018 and December 31, 2018 our board of directors held seven meetings, our audit committee held eight meetings and our compensation committee held four meetings. During 2018, each director attended at least 75% of the total number of meetings of the board of directors and committees on which the director served. The independent directors of the Company regularly meet in executive session without management. Under the corporate governance guidelines adopted by our board of directors, the chairman of the audit committee (or in his absence, another independent director designated by him) presides at such executive sessions.

Under our corporate governance guidelines, directors are expected to attend the Company's annual meetings of stockholders. A director who is unable to attend an annual meeting of stockholders (which it is understood will occur on occasion) is expected to notify the chairman of the board of directors. All directors attended our 2018 annual meeting.

Director Nomination Process

The Stockholders Agreement provides that our board of directors will nominate individuals designated by Partner Holdings equal to a majority of the board of directors, for so long as the Class B Condition is satisfied and, thereafter, one quarter of the candidates for so long as the Secondary Class B condition is satisfied. See "Certain

[Table of Contents](#)

Relationships and Related Person Transactions—Transactions with Our Directors, Executive Officers and 5% Holders—Rights of Partner Holdings and Stockholders Agreement” below. Our full board of directors participates in the consideration of other nominees. The board believes that input from all directors in the nominating process enhances the Company’s ability to identify, evaluate and select director nominees. The board believes it is appropriate not to have a nominating committee because the full board effectively performs the functions of a nominating committee.

In considering candidates for nomination, the board of directors takes into consideration many factors, including the needs of the board and the candidate’s qualifications. At a minimum, director candidates must demonstrate high standards of ethics, integrity and professionalism, independence, sound judgment, and meaningful experience in business, law or accounting or other relevant areas. Candidates must also be committed to representing the long-term interests of our stockholders. The board also considers other factors it deems appropriate based on current needs, including specific business and financial expertise currently desired, experience as a public company director and diversity. The board does not have a formal policy regarding diversity; however, the board believes that it is important that the board be comprised of directors with diverse backgrounds, viewpoints and experiences.

The board of directors will consider a candidate nominated by a stockholder in a manner consistent with its evaluation of potential nominees, so long as the nomination meets the requirements of our by-laws, as summarized below.

The notice of nomination should include the following information:

- the stockholder’s name, record address, and name and principal place of business,
- the name, age, business address, residence address, and principal occupation or employment of the nominee,
- the class or series, and number of all shares of the Company’s stock owned beneficially or of record by the stockholder or the nominee,
- whether and the extent to which any derivative or other instrument, transaction, agreement, or arrangement has been entered into by the stockholder or the nominee with respect to the Company’s stock,
- a description of all agreements or arrangements to which the stockholder or the nominee is a party with respect to the nomination, the Company or the Company’s stock,
- a description of agreements or arrangements entered into by the stockholder or the nominee with the intent to mitigate loss, manage risk or benefit from changes in the stock price or increase or decrease the stockholder’s voting power,
- a representation that the stockholder will attend the meeting in person or by proxy to nominate the persons named in its notice, and
- any other information related to the stockholder or the nominee required to be disclosed in the solicitation of proxies for election of directors under federal securities laws.

The notice must be accompanied by the nominee’s consent to be elected and to serve as a director and include certain representations and agreements by the nominee set forth in our by-laws.

This notice must be updated, if necessary, so that the information is true and correct as of the record date for the meeting.

Stockholder nominees should be submitted to the Company’s General Counsel and Secretary at the Company’s principal executive offices. Stockholder nominations may be made at any time. However, in order for a candidate to be included in the slate of director nominees for approval by stockholders in connection with a meeting of stockholders and for information about the candidate to be included in the Company’s proxy materials for such a meeting, the stockholder must submit the information required by our by-laws and other information

reasonably requested by the Company within the timeframe described below under “Additional Information—Procedures for Submitting Stockholder Proposals.”

When the Company or the board of directors is required by contractual obligation (including pursuant to the Stockholders Agreement) to nominate candidates designated by any person or entity, the selection and nomination of these directors is not subject to the above process.

Communication with the Board of Directors

Any stockholder or other interested parties who would like to communicate with the board of directors, the independent directors as a group or any specific member or members of the board of directors should send such communications to the attention of our General Counsel and Secretary at Moelis & Company, 399 Park Avenue, 5th Floor, New York, NY 10022. Communications should contain instructions on which member or members of the board of directors the communication is intended for. Such communications will generally be forwarded to the intended recipients. However, our General Counsel and Secretary may, in his sole discretion, decline to forward any communications that are inappropriate.

Compensation Committee Interlocks and Insider Participation

None of our executive officers currently serves, or has served during the last completed fiscal year, on the compensation committee or board of directors of any other entity that has one or more executive officers serving as a member of our board of directors or compensation committee.

Code of Business Conduct and Code of Ethics

We have adopted a code of business conduct and ethics that is applicable to all of our employees, officers and directors, including our chief executive and senior financial officers. The code of business conduct and ethics is available in the Corporate Governance section of our Investor Relations website at investors.moelis.com. We expect that any amendment to the code, or any waivers of its requirements, will be disclosed on our website.

Corporate Governance Guidelines

Our board of directors has adopted corporate governance guidelines to assist the board of directors in the exercise of its responsibilities. The corporate governance guidelines are available in the Corporate Governance section of our Investor Relations website at investors.moelis.com.

DIRECTOR COMPENSATION

Currently, our non-employee directors receive annual compensation of \$110,000 comprised of (i) \$40,000 in the form of RSUs (the “RSU Grant”) and (ii) \$70,000, which the director may elect to receive in the form of cash, RSUs or a combination thereof. Additionally, audit committee members receive \$10,000 annually, which the director may elect to receive in the form of cash, RSUs or a combination thereof. The non-employee director compensation year begins on July 1 and ends on June 30th.

Per our Corporate Governance Guidelines, our compensation committee and board of directors periodically review the level and form of our non-employee directors’ compensation. In the last review, the compensation committee recommended, and our board of directors approved, the amendments to compensation outlined below effective July 1, 2019. Non-employee director annual compensation will increase to \$125,000 comprised of (i) \$40,000 in the form of RSU Grants and (ii) \$85,000, which the director may elect to receive in the form of cash, RSUs or a combination thereof. Additionally, the chairperson of the Audit Committee will receive \$15,000 annually, which the chairperson may elect to receive in the form of cash, RSUs or a combination thereof. The determination to amend director compensation was based on a review of our peers’ director compensation structures and levels and our increased revenues and market capitalization since 2014, when we initially set director compensation.

Cash compensation is paid quarterly in arrears. The annual RSU Grants generally vest upon grant and are settled following the second anniversary of grant. Any other RSUs elected to be received generally vest 25% on a quarterly basis over the one year period between July 1 of each year and are settled within 60 days following the applicable vesting date. We reimburse all directors for expenses incurred in connection with attending board and committee meetings.

The following table shows compensation paid to the individuals who served as our non-employee directors in 2018.

<u>Name (1)</u>	<u>Fees Earned or Paid in Cash (\$)</u>	<u>Stock Awards (\$) (2)</u>	<u>Total (\$)</u>

Allison and Shropshire and Dr. Greenstreet in connection with dividends paid by the Company to holders of its Class A common stock. Dividend equivalents are subject to the same terms and conditions as the underlying RSUs. For a summary of the assumptions used in the valuation of these awards, please see note 2 to the audited financial statements included in our 2018 Annual Report on Form 10-K.

Key Compensation Practices

The design of our executive compensation program is integral to the implementation of our compensation philosophy. The following chart provides highlights of our 2018 compensation program.

WHAT WE DO

- ✓ **Align pay with firmwide performance.** Our program emphasizes variable incentive compensation, versus fixed base salaries to reward for Company performance and the individual contributions and accomplishments of each named executive officer while retaining discretion.
- ✓ **Grant a significant portion of compensation in equity.** Equity-based compensation as a percentage of total incentive compensation awarded for performance in 2018 is at least 47% and is designed to align the interests of our named executive officers with those of our shareholders.
- ✓ **Focus on long-term success with multi-year vesting.** Five year pro rata vesting schedule defers delivery of equity awards over five years, which is longer than the standard deferral period among our peers and creates alignment with our shareholders.
- ✓ **Clawback Policies.** Apply clawback policies to annual incentive cash compensation in line with encouraging a long term focus.
- ✓ **Significant Equity Ownership by NEOs.** All of our named executive officers currently have significant equity ownership as a result of lock-up provisions applicable to pre-IPO equity awards and multi-year vesting schedules applied to annual incentive equity compensation.
- ✓ **Hedging Prohibition.** We prohibit hedging of our common stock and RSU's by our named executive officers and employees.

WHAT WE DON'T DO

- × **No guaranteed incentive compensation**
- × **No severance payments or golden parachutes**
- × **No substantive tax gross ups**
- × **No excessive perquisites**
- × **No pension benefit accruals**

How Compensation is Determined

Our Chairman and Chief Executive Officer, in consultation with the compensation committee of the board of directors, takes into account our compensation philosophy and our compensation framework to determine compensation for our named executive officers.

Compensation Philosophy

Our compensation program is designed to align the interests of our named executive officers and other employees with the long-term interests of the firm and its shareholders.

Through our compensation program, we seek to:

- Attract, retain and motivate executives who are aligned in creating long-term shareholder value
- Promote a highly collaborative culture focused on delivering highest quality advice to our clients
- Reinforce the long-term interests of the firm over individual short-term interests
- Pay for firm performance over the cycle
- Reinforce sound decision making and prudent risk taking

Framework to Determine Compensation

In order to implement our compensation philosophy, our CEO, in consultation with the compensation committee, took into account the factors listed below in determining compensation of our named executive officers. These factors were used as the framework, together with our compensation philosophy, to guide compensation decisions for our named executive officers and other senior employees of the Company.

Firmwide Performance

In assessing firmwide performance, the Company's financial performance was evaluated with a focus on the Company's revenues, operating margins, total shareholder return and capital returns. These metrics were considered on a year over year basis, within the context of the global M&A market and the broader environment in which the Company operates. In addition, the firmwide performance review takes into account strategic initiatives of the Company. Firmwide performance is a substantial factor in assessing NEO compensation levels.

Performance of Our Peers

Our performance relative to the performance of our public company peer financial institutions was considered in determining 2018 compensation. The companies included in the performance comparison were Evercore Inc., Greenhill & Co., Inc., Houlihan Lokey, Inc., Lazard Ltd and PJT Partners Inc. Our three year total shareholder return of 54% demonstrates the long term growth of our share price and outperformed the S&P 500, Russell 2000 and the peer average. In addition, the prior year compensation structure of this peer group, along with third party surveys, is used to gauge pay practices and compensation trends. No specific metrics or targets for our performance relative to these competitors has been set and we do not benchmark compensation against these or any other companies.

Individual Contributions

Key individual performance achievements of each of the named executive officers was considered in determining compensation for 2018. Factors reviewed include each named executive officer's roles and responsibilities, execution of strategic vision and initiatives, participation in client development and engagement and contributions to revenues.

Risk Management Assessment

The named executive officers manage risk in the Company's business and the impact to the Company of risk decisions by the named executive officers was taken into account in determining 2018 compensation.

2018 Say on Pay Vote

At our 2018 Annual Stockholders Meeting, approximately 97% of all outstanding votes, and approximately 95% of Class A common stock votes cast, supported our compensation program. We believe these results reflect strong stockholder support for our pay-for-performance linkage and our compensation structure that facilitates it. In this regard, we note that our program has not substantively changed since last year and has remained constant in its implementation methodology and fundamental philosophy.

Overview of Compensation Elements

Base Salary. Consistent with our pay-for-performance philosophy, base salary comprises a small portion of our named executive officers' total annual compensation. Base salaries for each of our named executive officers for 2018 were \$400,000. The amount of the base salary for the named executive officers was set in accordance with the terms of their respective employment agreements with us and may be adjusted from time to time in accordance with those agreements. Base salaries are reviewed annually. We did not increase the base salaries of our named executive officers in 2018.

Annual Variable Incentive Compensation. Annual variable incentive compensation comprises a majority of each of our named executive officer's total compensation. Once the aggregate amount of the incentive compensation award is determined, a portion of the incentive compensation award is allocated in equity, typically restricted stock units ("RSUs"), and the remainder is allocated in cash. Annual variable incentive compensation for performance in 2018 was paid in the first quarter of 2019. For compensation paid in respect of 2018 performance, at least 47% of each of our named executive officer's incentive compensation was awarded in the form of RSUs, which are subject to a five year vesting schedule, in line with our philosophy of aligning our named executive officer interests with creating long-term shareholder value. Annual incentive compensation paid to our named executive officers, including the amount awarded in the form of RSUs, is discretionary. We did not provide guaranteed incentive compensation to any of our named executive officers in respect of 2018 and did not set specific performance targets upon which the annual variable incentive compensation would become payable. The discretionary incentive compensation structure is preferable to a formulaic bonus structure based solely on the achievement of specific pre-established performance targets. Consistent with our compensation philosophy, the discretionary incentive compensation structure provides the flexibility to adjust to market cycles and account for a variety of indicators of firm and individual performance that a formulaic bonus structure does not permit. See footnotes (1) and (2) to "*—Summary Compensation Table for 2018*" for a discussion of the variable incentive compensation awarded to each named executive officer in respect of performance in 2018.

In addition, in order to link the annual bonuses to our long-term success and given that we did not defer payment of the cash bonuses to a later date, each of the bonuses that were paid to the named executive officers in respect of 2018 are subject to repayment if the officer competes with us within 12 months following termination of employment under certain circumstances, which is consistent with the bonuses paid to all of our managing directors.

Process and Timing for Grants of Bonuses and Equity Awards. All annual bonus amounts (whether payable in cash, equity or other deferred compensation) to named executive officers are determined shortly after the end of the fiscal year after annual financial results become available. Base salaries are also reviewed at this time. The specific number of shares subject to equity awards for named executive officers with respect to 2018 performance was determined by dividing the dollar value of awarded equity by the average share price, calculated as of the five day trading period from February 7, 2019 through February 13, 2019.

Moelis & Company Annual Equity Awards

In February 2018, we granted equity incentive awards in the form of RSUs to our Managing Directors, including our named executive officers in respect of 2017 performance. Messrs. Moelis, Mahmoodzadegan and Raich received 78,957 RSUs. Ms. Crain received 19,025 RSUs and Mr. Simon received 16,076 RSUs. These RSUs vest in equal installments on February 23 of each of 2019 through 2023. In addition, Mr. Moelis was granted 11,415 RSUs that vest in equal installments on February 23 of each of 2021 through 2023. These RSUs were granted in recognition of significant contributions to franchise development with a focus on those contributions not fully realized in 2017 revenues and are designated as non-qualifying equity under the Company’s retirement plan.

In February of 2019, we granted equity incentive awards in the form of RSUs to our Managing Directors, including our named executive officers in respect of 2018 performance. Mr. Moelis received 102,160 RSUs. Mr. Mahmoodzadegan received 117,672 RSUs. Mr. Raich received 57,766 RSUs. Ms. Crain received 20,111 RSUs and Mr. Simon received 17,650 RSUs. These RSUs vest in equal installments on February 23 of each of 2020 through 2024. The RSUs granted to Mr. Moelis in February 2019 are designated as non-qualifying equity under the Company’s retirement plan. In accordance with SEC rules, these RSUs are not included in the Summary Compensation Table above, and will instead be included in the Summary Compensation Table in the proxy statement for our 2020 annual meeting of stockholders.

Our RSUs granted in connection with bonuses are granted subject to the terms of the 2014 Omnibus Incentive Plan and individual award agreements. A copy of the plan is included as Exhibit 99.1 to our Registration Statement on Form S-8 filed on August 8, 2014.

Each RSU granted to participants represents the right to receive upon settlement either, at our option, a share of our Class A common stock or an amount of cash equal to the fair market value of a Class A share.

[Table of Contents](#)

Participants have no rights as a stockholder with respect to the RSUs unless and until shares of our Class A common stock underlying the RSUs are actually delivered, provided that each participant will generally be eligible to receive additional RSUs in respect of any dividends we pay with respect to our Class A common stock, which additional RSUs will be forfeitable and subject to the same restrictions and conditions as the underlying RSUs.

RSUs will not vest unless a participant remains in continuous employment or service with us through the applicable vesting date. Except as described in the following paragraphs and for any qualifying retirement, if the participant's employment or service with us is terminated for any reason, any unvested RSUs will be forfeited as of the notice of termination date.

If the participant's employment or service with us is terminated (i) by us without cause, (ii) by the participant for "good reason" (as defined in the 2014 Omnibus Incentive Plan) or (iii) by us due to disability, any unvested RSUs will continue to vest on the originally scheduled vesting dates, provided that the participant has not engaged in any "detrimental activities" (as described below) through the applicable vesting date. If the participant engages in any detrimental activity following such termination, any unvested RSUs will be forfeited. For purposes of these RSU awards, "detrimental activities" means any solicitation of our employees or certain clients, any interference with our relationships with certain clients, any failure to execute an attestation that the participant has not engaged in such acts prior to each applicable vesting date or other time reasonably requested by us or any failure to satisfy any obligation of the participant under any agreement with us with respect to confidentiality, non-disparagement, nonsolicitation or noncompetition. If the participant's employment or service with us is terminated due to the participant's death, any unvested RSUs will immediately vest.

If the participant's employment or service with us is terminated (i) by us without cause or (ii) by the participant for good reason, in each case on or within 12 months after the effective date of a "change in control" (as defined in the 2014 Omnibus Incentive Plan), any unvested RSUs will immediately vest.

A retiring officer or employee generally will not forfeit certain qualifying incentive RSUs granted during employment in 2015 and 2016 if at retirement the officer or employee (i) is at least 54 years old and (ii) has provided at least 8 consecutive years of service to the Company, unless such officer or employee waives such retirement arrangements. In December of 2016, the Company amended its retirement policy. A retiring officer or employee generally will not forfeit certain qualifying incentive RSUs granted during employment in 2017 and thereafter if at retirement (i) the officer or employee is at least 56 years old, (ii) has provided at least 5 consecutive years of service to the Company and (iii) such officer's or employee's years of service plus age at the time of retirement equals 65, unless such officer or employee waives such retirement arrangements. In each case, any such RSUs will continue to vest on their applicable vesting schedule, subject to noncompetition and other terms.

Employment Agreements

Employment Agreement with Kenneth Moelis

We entered into an employment agreement with Mr. Moelis in April 2014, pursuant to which he serves as our Chairman and Chief Executive Officer. The employment agreement provides that Mr. Moelis receives an annual base salary of \$400,000, is eligible to receive an annual discretionary performance bonus and is eligible to participate in our employee benefit plans and arrangements as in effect from time to time. Either party is permitted to terminate the agreement at any time with or without cause.

The employment agreement provides that upon a voluntary termination of Mr. Moelis' employment other than for good reason, he will not compete with us for 90 days following the date of such termination. In addition, the agreement provides that Mr. Moelis will not solicit our employees, independent contractors, consultants, service providers or suppliers for one year following termination of his employment for any reason. The agreement also includes restrictions relating to confidentiality, intellectual property and non-disparagement.

Mr. Moelis is subject to forfeiting his interest in vested Group LP partnership units he held as of our initial public offering if prior to the expiration of the Managing Director Lock-Up he terminates his employment without good reason and competes with us within 12 months following such termination.

Group LP Class A partnership units and Moelis & Company Class A common stock held as of our initial public offering by our Managing Directors (including through Partner Holdings) are subject to lock-up agreements for four years from the date of our initial public offering (the “Managing Director Lock Up”) and are exchangeable into Class A common stock or cash and Moelis & Company Class A common stock held by Managing Directors will become transferable, in each case, in three installments (which were equal installments at the time of our initial public offering) on the fourth, fifth and six anniversary of our initial public offering. Since the IPO, we have, from time to time, in connection with public follow-on equity offerings, waived the Managing Director Lock-Up, and pursuant to redemptions, have repurchased Group LP Class A partnership units held by participating pre-IPO Managing Directors for cash using the proceeds of a follow on public offering of shares of our Class A common stock. Certain Group LP Class A partnership units held by Managing Directors that did not participate in the prior redemptions became eligible for exchange into Class A common stock or cash on the fourth and fifth anniversary of our initial public offering, and, once exchanged, such Moelis & Company Class A common stock held by such Managing Directors will be transferable. The remaining Group LP Class A partnership units held by Managing Directors will become eligible for exchange into Class A common stock or cash on the sixth anniversary of our initial public offering and, once exchanged, such Moelis & Company Class A common stock held by such Managing Directors will become transferable. We may waive the Managing Director Lock-Up in the future, including in connection with an offering of shares of our Class A common stock by our Managing Directors. In addition, these restrictions cease to apply upon the death or termination of employment due to disability of the applicable Managing Director.

Employment Agreements with Navid Mahmoodzadegan and Jeffrey Raich

We entered into substantially similar employment agreements with Messrs. Mahmoodzadegan and Raich in April 2014. The employment agreements provide that Messrs. Mahmoodzadegan and Raich each receive an annual base salary of \$400,000, are eligible to receive an annual discretionary performance bonus and are eligible to participate in our employee benefit plans and arrangements as in effect from time to time. In addition, the employment agreements provide that during their employment, Messrs. Mahmoodzadegan and Raich have the right to be a member of Group LP’s most senior decision and policy-making committee (currently, the Group Management Committee). Messrs. Mahmoodzadegan and Raich are permitted to terminate their agreements at any time with or without cause; however, we may terminate the employment of Messrs. Mahmoodzadegan or Raich only for cause (as defined in the employment agreements).

The employment agreements provide that upon a voluntary termination of Messrs. Mahmoodzadegan’s or Raich’s employment other than for good reason while he is a member of our board of directors or following his voluntary resignation from our board of directors, he will not compete with us for 90 days following the date of such termination. In addition, the employment agreements provide that Messrs. Mahmoodzadegan and Raich will not solicit our employees, independent contractors, consultants, service providers or suppliers for six months following termination of his employment (or if he voluntarily terminates his employment other than for good reason while he is a member of our board of directors or following his voluntary resignation from our board of directors, for a period of 12 months following termination of his employment). The agreements also include restrictions relating to confidentiality, intellectual property and non-disparagement.

Each of Messrs. Mahmoodzadegan and Raich is subject to forfeiting his interest in vested Group LP partnership units he held as of the initial public offering if prior to the expiration of the Managing Director Lock-Up he terminates his employment without good reason and competes with us within 12 months following such termination. Good reason means a material breach by the Company of a material provision of the employment agreement or any equity award agreement.

Other Compensation Arrangements

Retirement Arrangements. We have a 401(k) savings plan for eligible employees, including our named executive officers, and may, in our sole discretion, provide annual matching contributions to 401(k) plan participants. We do not have a defined benefit pension plan.

Employee Benefits. Eligible employees, including our named executive officers, participate in broad-based and comprehensive employee benefit programs, including medical, dental, vision, life and disability insurance. Our named executive officers participate in these programs on the same basis as eligible employees generally.

Assessment of Risk of Our Compensation Program

Our compensation program is designed to discourage excessive risk taking. The base salary component of compensation does not encourage risk taking because it is a fixed amount and a relatively small percentage of total compensation. Bonuses for our employees are based on an assessment of a variety of quantitative and qualitative factors, including appropriate risk management. A substantial portion of bonuses for our managing directors, including our named executive officers, are paid in equity to align their interests with shareholders and the long-term objectives and success of the firm.

CEO Pay Ratio

Pursuant to Item 402(u) of Regulation S-K, presented below is the total compensation of our median employee, the annual total compensation of our CEO, and the ratio of those two values:

- The 2018 annual total compensation of our median employee (other than our CEO), calculated in accordance with Item 402(c) of Regulation S-K, was \$209,000;
- The 2018 annual total compensation of our CEO, Mr. Moelis, calculated in accordance with Item 402(c) of Regulation S-K and as reported in the Summary Compensation Table in this Proxy Statement, was \$8,800,528; and
- For 2018, the ratio of the annual total compensation of Mr. Moelis to the annual total compensation of our median employee was 42.1 to 1.

This reflects analysis of our global workforce of 845 employees as of December 31, 2018. We did not include independent contractors in our determination.

In order to identify our median employee, we ranked each of our employees (other than our CEO) based on 2018 awarded compensation. For this purpose, 2018 awarded compensation was comprised of each employee's (i) base salary or wages earned during 2018, (ii) annual cash bonus (if any) paid in respect of 2018 performance, and (iii) equity incentive awards (if any) granted in 2019 in respect of 2018 performance.

Once we identified the median employee, we determined that individual's annual total compensation in accordance with the requirements of Item 402(c) of Regulation S-K consistent with the calculation of the 2018 annual total compensation of our CEO as reported in the Summary Compensation Table in this Proxy Statement.

This pay ratio is a reasonable estimate calculated in a manner consistent with SEC rules based on our payroll and employment records and the methodology described above. The SEC rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices. As such, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies may have different employment and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios. *The information disclosed in this section was developed and is provided solely to comply with specific, new legal requirements. Such persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) reports that they file. We assist our directors and officers with their Section 16(a) filings. Agreements with Kenneth Moelis

On August 30, 2014, Moelis & Company Manager LLC (the “Manager”) acquired a new aircraft with funds received solely from its managing member (Mr. Moelis). The aircraft is used and operated by the Company pursuant to an Aircraft Dry Lease. We and Mr. Moelis are lessees under the lease. The lessees will pay the lessor monthly rent for the aircraft based on their respective usage. For the year ended December 31, 2018, the Company incurred \$1,872,000 in aircraft lease costs to be paid to Manager. The lessees will generally assume all costs related to the maintenance and operation of the aircraft during the term of the lease. The lessees will bear the risk of loss, theft, confiscation, damage to or destruction to the aircraft. The lessees will also indemnify the lessor and its successors and assigns against any losses in connection with the aircraft, subject to certain limitations. The lease will terminate on December 31, 2019, but may be extended by one or more of the lessees at their option. We also entered into a Cost Sharing and Operating Agreement with Mr. Moelis, which provides that each lessee will have exclusive use of the aircraft during the times scheduled by such lessee. The lease payments and fixed operating costs (including, without limitation, insurance premiums, storage and scheduled maintenance) related to the aircraft will be allocated among the lessees based upon their respective use of the aircraft. Each lessee will be responsible for the direct operating costs (including, without limitation, fuel and service charges) for its use of the aircraft and will indemnify the other lessees for any losses arising from such use.

Moelis & Company granted a license to Mr. Moelis’ progeny, under which they have the right to use trademarks incorporating the term “Moelis” for certain purposes, including in connection with financial services activities.

RSUs granted to Mr. Moelis as compensation in fiscal years 2016, 2017 and 2018 were designated as non-qualifying equity for purposes of the Company’s retirement policy at the time of grant. There are currently 297,626 unvested RSUs remaining from the original grants, including dividend equivalents issued in respect of the original grants (collectively, the “Designated Awards”). In December 2018, the Company determined to waive the non-qualifying designation and redesignate the Designated Awards as qualifying equity for purposes of the Company’s retirement policy. As a result of the redesignation, upon a qualifying retirement, the Designated Awards will not be forfeited; the Designated Awards will continue to vest in accordance with their terms and subject to the qualifications and limitations (including potential forfeiture) under the Company’s applicable retirement policy. For a description of the Company’s retirement policies see the section entitled “— *Moelis & Company Annual Equity Awards*. ” As a result of the redesignation, the Company recognized \$4.3 million of compensation expense in 2018. Without the redesignation, the Company would have amortized \$4.3 million of compensation expense through 2023.

Rights of Partner Holdings and Stockholders Agreement

We are party to the Stockholders Agreement with Partner Holdings, pursuant to which, for so long as the Class B Condition is satisfied, Partner Holdings has approval rights over the following transactions:

- any incurrence of indebtedness (other than inter-company indebtedness) in excess of \$20 million;
- any issuance by us of equity or equity-related securities (other than preferred stock) that would represent, after such issuance or upon conversion, exchange or exercise, as the case may be, at least three percent (3%) of the total voting power of our outstanding shares of Class A common stock (except in certain circumstances);
- the issuance by us of preferred stock;
- any debt or equity investment by us (including any commitment to invest) in an amount greater than \$20 million;
- any entry by us into a new line of business that requires a principal investment in excess of \$20 million;
- the adoption of stockholder rights plans;
- the appointment or termination of Section 16 officers;
- any amendments to Moelis & Company's amended and restated certificate of incorporation or by-laws;
- any amendments to Group LP's amended and restated limited partnership agreement;
- renaming Moelis & Company;
- the adoption of annual budgets and business plans;
- distributions to stockholders (except in certain circumstances);
- entry into any merger, consolidation, recapitalization, liquidation or sale of Moelis & Company or all or substantially all of its assets or certain similar transactions involving Moelis & Company or entering into any agreement providing therefor (except in certain circumstances);
- voluntarily initiating any liquidation, dissolution or winding up of Moelis & Company or permitting the commencement of a proceeding for bankruptcy, insolvency, receivership or similar action with respect to Moelis & Company or any of its subsidiaries or controlled affiliates;
- the entry into or amendment of certain material contracts;
- the entry into related party transactions;
- the initiation or settlement of material legal actions; and
- changes to our taxable or fiscal year.

The effect of the agreement is that Partner Holdings may maintain control over our significant corporate transactions even if it holds less than a majority of the combined total voting power of our shares of Class A and Class B common stock.

Our board of directors will nominate individuals designated by Partner Holdings equal to a majority of the board of directors, for so long as the Class B Condition is satisfied.

The "Class B Condition" is defined as Mr. Moelis satisfying all of the following conditions:

- (i) he maintains directly or indirectly ownership of an aggregate of at least 4,458,445 shares of Class A common stock of Moelis & Company and Equivalent Class A Shares (as defined below), subject to customary adjustments, which represent approximately one-third of his ownership immediately following our initial public offering;

(ii) he maintains directly or indirectly beneficial ownership (as defined below) of at least five percent (5%) of the Class A common stock of Moelis & Company (calculated, without duplication, on the basis that all issued and outstanding Group LP Class A partnership units not held by Moelis & Company or its subsidiaries had been exchanged for shares of Class A common stock of Moelis & Company);

(iii) he has not been convicted of a criminal violation of a material U.S. federal or state securities law that constitutes a felony or a felony involving moral turpitude;

(iv) he is not deceased; and

(v) his employment agreement has not been terminated in accordance with its terms because of a breach of his covenant to devote his primary business time and effort to the business and affairs of the Company and its subsidiaries or because he suffered an “incapacity” (i.e., order of incompetence or of insanity or permanent physical incapacity).

“Equivalent Class A Shares” means, on any date, the number of shares of Class A common stock represented by any shares, units, interests, options, warrants, evidence of indebtedness, stock awards or other securities or awards which by their terms are directly or indirectly convertible into, exchangeable for, exercisable for or pursuant to which the holder is entitled to receive shares of Class A common stock, whether immediately, only after the passage of time or only after the satisfaction of conditions and notwithstanding any right to pay cash in lieu of shares of Class A common stock.

“Beneficial ownership” has the same meaning given to it in Section 13(d) under the Exchange Act and the rules thereunder, except that a person will be deemed to have “beneficial ownership” of all securities that person has the right to acquire, whether the right is exercisable immediately, only after the passage of time or only after the satisfaction of conditions and notwithstanding any right to pay cash in lieu of such securities.

After the Class B Condition ceases to be satisfied, for so long as the Secondary Class B Condition is satisfied, Partner Holdings will have certain approval rights over the following transactions:

- the appointment or termination of the Chief Executive Officer;
- any amendments to Moelis & Company’s amended and restated certificate of incorporation or by-laws that materially and adversely affect in a disproportionate manner the rights of Mr. Moelis; and
- any amendments to Group LP’s amended and restated limited partnership agreement that materially and adversely affect in a disproportionate manner the rights of Mr. Moelis.

After the Class B Condition ceases to be satisfied, for so long as the Secondary Class B Condition is satisfied, our board of directors will nominate individuals designated by Partner Holdings equal to one quarter of the board of directors.

For so long as either the Class B Condition or the Secondary Class B Condition is satisfied, Partner Holdings will retain the right to remove any director previously designated by it.

The “Secondary Class B Condition” is defined as Mr. Moelis satisfying all of the following conditions:

- he maintains directly or indirectly ownership of an aggregate of at least 2,229,222 shares of Class A common stock of Moelis & Company and Equivalent Class A Shares, subject to customary adjustments, which represent approximately one-sixth of his ownership immediately following our initial public offering; and
- conditions (ii)-(v) required under the Class B Condition.

Employment Agreement with Eric Cantor

We entered into an employment agreement with Mr. Cantor pursuant to which he serves as the Vice Chairman of Group LP and a Managing Director. The employment agreement provides that Mr. Cantor receives an annual base salary of \$400,000, is eligible to receive an annual discretionary performance bonus and is eligible to participate in our employee benefit plans and arrangements as in effect from time to time.

The employment agreement provides that upon a voluntary termination of Mr. Cantor's employment other than for good reason, he will not compete with us for 90 days following the date of such termination. In addition, the employment agreement provides that Mr. Cantor will not solicit Group LP's employees, independent contractors, consultants, service providers or suppliers for one year following termination of his employment for any reason (except for certain employees who joined in connection with Mr. Cantor). The agreement also includes restrictions relating to confidentiality, intellectual property and non-disparagement.

We agreed to pay Mr. Cantor an initial cash amount of \$400,000 and to grant Mr. Cantor \$1,000,000 in initial RSUs upon his joining in September 2014, that will vest in equal installments on each of the third, fourth and fifth anniversaries of his start date, subject to certain terms. For calendar year 2015, we agreed to pay Mr. Cantor minimum incentive compensation of \$1,200,000 in cash and \$400,000 in incentive RSUs, payable in equal quarterly installments. The incentive RSUs generally have the same vesting schedule as incentive RSUs granted to other Managing Directors. For calendar year 2016 and 2017, we agreed that Mr. Cantor was eligible for a discretionary performance bonus payable quarterly. On March 31, 2018, we granted Mr. Cantor \$100,000 in incentive RSUs for the first quarter of 2018. Mr. Cantor was reimbursed for the reasonable cost of a New York City apartment for his first 12 months and a hotel equivalent rate thereafter.

Unvested initial RSUs and unvested incentive RSUs will be forfeited if we terminate Mr. Cantor's employment for cause or if Mr. Cantor terminates his employment other than (i) for good reason or (ii) after the second anniversary of the grant date, to take a full-time elected or appointed position in federal government, state government, or a national political party.

Transactions with Moelis Asset Management LP

Prior to our initial public offering, our business was owned by Old Holdings, an entity controlled by Kenneth Moelis, our Chairman and Chief Executive Officer. In connection with our initial public offering, a reorganization of the existing businesses of Old Holdings was effected, pursuant to which the advisory business was transferred to our subsidiary, Group LP. Old Holdings retained its asset management business, which includes managers of direct lending funds, hedge funds, private equity funds, collateralized loan obligation funds and certain other asset management businesses, and was renamed Moelis Asset Management LP.

Master Services Agreement

We are party to a master services agreement with MAM. Under the master services agreement, we provide corporate and related services and office space to MAM. Old Holdings pays us mutually agreed-upon fees for these services, which are based on our costs of providing the shared services. The charges for the shared services generally are intended to allow us to recover the costs directly associated with providing the services, plus out-of-pocket costs and expenses, generally without profit. Under the master services agreement, MAM is able to use our services for a fixed term established on a service-by-service basis, which may be extended by mutual written agreement. MAM may terminate any of the specified services for any reason with 90 days prior written notice to us. Generally, each party agreed to indemnify the other party and its respective directors, officers, employees and agents against losses resulting from the transitional services, except, in the case of indemnification by MAM and its subsidiaries, to the extent of our gross negligence or intentional misconduct, not to exceed the amount of fees paid to us. Under this agreement, we allocated \$537,000 in costs to MAM for fiscal year ended December 31, 2018.

Master Separation Agreement

We entered into a master separation agreement with MAM in connection with the reorganization. The agreement set forth, among other things, MAM's principal transactions with us necessary to separate the advisory and asset management businesses of MAM. The agreement identified the assets that were transferred, the liabilities assumed and the contracts assigned to us as part of the reorganization, and provided for when and how these transfers, assumptions and assignments occurred. Information in this Proxy Statement with respect to the assets and liabilities of the parties is presented based on the allocation of such assets and liabilities pursuant to the reorganization, unless the context otherwise requires.

The agreement provides for cross-indemnities that generally place the financial responsibility on us and our subsidiaries for all liabilities associated with the current and historical advisory business and operations, and generally places MAM and its subsidiaries the financial responsibility for liabilities associated with all of MAM's current and historical asset management businesses and operations.

License Agreements

We have granted a license to MAM and certain affiliates, under which MAM and such affiliates have the right to use trademarks incorporating the term "Moelis" for certain purposes, including in connection with asset management activities. MAM is not be able to use the trademarks if it is engaged in investment banking advisory services, and cannot use the trademark "Moelis & Company" or any derivations of it. The license is non-exclusive, non-sublicensable (except under certain conditions) and royalty-free. The license agreement continues in perpetuity unless terminated in accordance with its terms. We may terminate the license if Old Holdings becomes insolvent, makes an assignment of the trademark for the benefit of its creditors, takes actions that cause any government or creditors to condemn or expropriate its assets or materially breaches the license agreement and fails to cure such breach.

NexPhase Capital LLC

Moelis Capital Partners ("MCP") is a middle market private equity business owned by MAM, which has two main funds (the "MCP Funds"). On January 1, 2016, the managing partners of MCP (the "Managing Partners"), together with other members of the MCP investment team, separated from MCP (the "NexPhase Separation") to form a new private equity firm, NexPhase Capital LP ("NexPhase"). At the time of the NexPhase Separation, NexPhase entered into a subcontractor agreement with MCP to manage the MCP Funds in exchange for management fees payable to MCP by the MCP Funds. In consideration for the NexPhase Separation, NexPhase agreed to pay MAM a combination of MAM units, Group LP units and deferred cash, a payment calculated based on the percentage of the commitments made to the next two funds to be raised by NexPhase ("Fund III" and Fund IV" and collectively the "NexPhase Funds") and 25% and 20%, respectively, of carried interest for each of Fund III and Fund IV. MAM and Mr. Moelis committed and funded an aggregate of 3.0%, or \$15 million, of NexPhase Fund III and have committed to fund an aggregate of 1.5% of NexPhase Fund IV, subject to a maximum commitment of \$12 million.

In connection with the NexPhase Separation, we agreed to (i) waive the forfeiture provisions of 3,274 Group LP units and 21,400 options (the "NexPhase Employee Equity") held by NexPhase employees and (ii) apply the lock-up period that is applicable to current MAM employees to the NexPhase Employee Equity, in each case so long as such NexPhase employee is employed and in good standing with NexPhase and NexPhase remains the subcontractor to MCP. In addition, we agreed to waive the lock-up applicable to 86,456 Group LP units (the "Transferred Group LP Units") that the Managing Partners transferred to MAM as consideration for the NexPhase Separation, permitted MAM to exchange such Transferred Group LP Units for our common stock and permitted the economic equivalent of certain tax benefits associated with such exchange to be provided to the Managing Partners.

We also entered into an engagement letter with NexPhase to provide NexPhase access to our investment bankers for investment ideas and opportunities, industry advice and due diligence assistance. NexPhase agreed to pay Moelis up to \$500,000 per year commencing on January 1, 2016 through the final close of Fund III, at which

[Table of Contents](#)

point the retainer will be 0.2% of third party commitments made to Fund III and then, upon the final closing of Fund IV, 0.2% of third party commitments made to Fund IV through the end of the Fund IV investment period. The retainer is subject to a cap of \$1.0 million per year and can be accrued without payment for up to five years. Certain portions of the accrued retainer can be offset through certain fees paid by NexPhase, the MCP Funds or their respective portfolio companies to Moelis on certain future advisory mandates. NexPhase retained us to act as a co-agent on the NexPhase Fund III capital raise.

Archean Capital Partners GP LLC

MAM and Veritable LP formed a 50/50 joint venture, Archean Capital Partners GP LLC (“Archean”) to source, evaluate and invest seed capital in high quality, first-time private equity managers. For each fund, Archean will establish a single fund special purpose vehicle. In January, 2017, Archean closed Archean Capital Partners I LP (“Archean I”). Archean I provided a \$100 million commitment of initial seed capital to Petrichor Healthcare Capital Management LP (“Petrichor”), a newly formed private equity firm that makes structured credit, royalty, and equity investments in the healthcare sector. Mr. Moelis collectively committed and funded 10%, or \$10,000,000, of Archean I. MAM has a 49.9% interest in Archean. In consideration for introducing Veritable to MAM and Petrichor to Archean, MAM will pay to the Company 50% of the investment economics paid to MAM by Archean. The Archean economics to MAM are comprised of (i) the annual Archean I management fee of 0.5% of \$100 million and (ii) 12.5% of the Archean I revenue share of all Petrichor revenue, if any, net of certain expenses, subject to a cap based upon overall return on invested capital to Archean I. In addition, the Company will act as private placement agent to Petrichor in exchange for customary private placement fees.

The Company expects to continue to provide to Archean, through its Private Funds Advisory Group and others at the Company, assistance in introducing private equity managers. In addition, it may provide private placement services to the sourced private equity managers. Compensation for such services will be negotiated on a transaction by transaction basis.

Other Transactions

We may enter into engagement letters to provide investment banking services to MAM and its subsidiaries from time to time. For the year ended December 31, 2018, we earned revenues of approximately \$1,882,000 for investment banking services pursuant to engagement letters with funds managed by subsidiaries of MAM and portfolio companies of such funds.

Director and Officer Indemnification and Insurance

We have entered into indemnification agreements with certain of our directors and executive officers, and purchased directors’ and officers’ liability insurance. The indemnification agreements and our amended and restated certificate of incorporation and by-laws require us to indemnify our directors and officers to the fullest extent permitted by Delaware law.

Policies and Procedures for Related Person Transactions

Our board of directors has adopted a written statement of policy regarding transactions with related persons, which we refer to as our “related person policy.” Our related person policy requires that a “related person” (as defined in paragraph (a) of Item 404 of Regulation S-K) must promptly disclose to our General Counsel any “related person transaction” (defined as any transaction that is anticipated to be reportable by us under Item 404(a) of Regulation S-K in which we were or are to be a participant and the amount involved exceeds \$120,000 and in which any related person had or will have a direct or indirect material interest) and all material facts with respect thereto. The General Counsel will then promptly communicate that information to our board of directors. No related person transaction will be executed without the approval or ratification of our board of directors or a duly authorized committee of our board of directors. It is our policy that directors interested in a related person transaction will recuse themselves from any vote on a related person transaction in which they have an interest.

PROPOSAL 3: RATIFICATION OF INDEPENDENT AUDITOR

Our audit committee has appointed Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2019. Although stockholder ratification of the appointment of Deloitte is not required by law, we are submitting the appointment to our stockholders for ratification as a matter of good corporate governance. The ratification of the appointment of Deloitte requires the affirmative vote of a majority of the votes cast at the Annual Meeting. If stockholders do not ratify the appointment of Deloitte, the audit committee will reconsider the appointment. Even if stockholders ratify the appointment of Deloitte, the audit committee retains the discretion to appoint a different independent auditor at any time if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of Deloitte are expected to attend the Annual Meeting, will have an opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The board of directors recommends that you vote “FOR” the ratification of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2019.

Audit Committee Pre-Approval

Since our initial public offering, all services performed by Deloitte for the Company and its subsidiaries have been pre-approved by the audit committee.

The audit committee has adopted a pre-approval policy, which requires that before the independent auditor is engaged for any services, the audit committee must approve these services, including the fees and terms. Services are reviewed taking into account the terms of the policy, and, for types of services not pre-approved in the policy, the rules of the SEC and the Public Company Accounting Oversight Board.

Based on such review and discussions, the audit committee recommended to the Company’s board of directors that the financial statements referred to above be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

ANNEX A: NON-GAAP FINANCIAL MEASURES

This Proxy Statement includes certain Adjusted results that are non-GAAP measures which better reflect management’s view of operating results. We believe that the disclosed Adjusted measures and any adjustments thereto, when presented in conjunction with comparable GAAP measures, are useful to investors to understand the Firm’s operating results by removing the significant accounting impact of one-time charges associated with the Firm’s IPO and assuming all Class A partnership units have been exchanged into Class A common stock. These measures should not be considered a substitute for, or superior to, measures of financial performance prepared in accordance with GAAP. A reconciliation of GAAP results to Adjusted results is presented below.

- (a) Expense associated with the amortization of RSUs and stock options granted in connection with the IPO. In accordance with GAAP, amortization expense of RSUs and stock options granted in connection with the IPO will be recognized over the five year vesting period; we will continue to adjust for this expense due to the one-time nature of the grant.
- (b) Reflects a reclassification of \$1.0 million of other income to compensation and benefits expense associated with enforcement of non-compete provisions.
- (c) Reflects the netting of \$0.1 million of GAAP adjustments made to the amount pursuant to the Company’s Tax Receivable Agreement against provision for income taxes.
- (d) An adjustment has been made to illustrate the result as if 100% of the Firm’s income is being taxed at our corporate effective tax rate of 16.4% for the period stated, which includes tax benefits of \$21.5 million primarily related to the settlement of share-based awards. Excluding such benefits, our effective tax rate for the period presented would have been 25.3%. Our corporate effective tax rate of 16.4% excludes any benefits or costs relating to the adjustment to the step-up in tax basis in Group LP assets in connection with the partnership unit exchanges and offerings. Such adjustment was a net economic benefit of \$1.0 million which is not included in the corporate effective tax rate for the period presented.
- (e) Assumes all outstanding Class A partnership units have been exchanged into Class A common stock.

<u>Adjusted Items</u>	<u>Twelve Months Ended December 31, 2017</u>		
	<u>GAAP</u>	<u>Adjustments</u>	<u>Adjusted (non-GAAP)</u>
Compensation and benefits	\$ 401,384	\$ (4,214)(a)	\$ 397,170
Other income (expenses)	177,728	(134,721)(b)	43,007
Income (loss) before income taxes	350,351	(130,507)	219,844
Provision for income taxes	223,827	(149,542)(b)(c)	74,285
Net income (loss)	126,524	19,035	145,559
Net income (loss) attributable to noncontrolling interests	97,124	(97,124)	—
Net income (loss) attributable to Moelis & Company	<u>\$ 29,400</u>	<u>\$ 116,159</u>	<u>\$ 145,559</u>
Weighted-average shares of Class A common stock outstanding Diluted	<u>37,675,511</u>	<u>25,972,450(c)</u>	<u>63,647,961</u>
Net income (loss) attributable to holders of shares of Class A common stock per share Diluted	<u>\$ 0.78</u>		<u>\$ 2.29</u>

- (a) Expense associated with the amortization of RSUs and stock options granted in connection with the IPO. In accordance with GAAP, amortization expense of RSUs and stock options granted in connection with the IPO will be recognized over the five year vesting period; we will continue to adjust for this expense due to the one-time nature of the grant.
- (b) The adjustment primarily reflects the re-measurement of our deferred tax assets and liabilities in connection with the enactment of the Tax Cuts and Jobs Act. The deferred tax assets primarily consist of step-up in tax basis related to the exchanges of partnership units and deferred equity compensation. The estimated impact of re-measurement of deferred tax assets of \$181.0 million was included in our provision for income taxes, and the reduction in the related TRA liability of \$134.7 million was included in other income, netting to a total estimated impact of \$46.3 million in our GAAP results. We have removed such net impact in our Adjusted results.
- (c) Assumes all outstanding Class A partnership units have been exchanged into Class A common stock. Accordingly, an adjustment has been made such that 100% of the Firm's income is taxed at the corporate effective tax rate of 33.8% for the period stated, which includes the excess tax benefit related to the settlement of share-based awards in accordance with ASU No. 2016-09 of \$10.6 million. Excluding such discrete benefit, our effective tax rate for the period presented would have been 38.6%.
