Item 8.01 Other Events

On February 25, 2019, GoDaddy Inc. (the “Company”) issued a press release announcing the proposed sale of shares of its Class A common stock by the Company and certain selling stockholders. The offering is being made pursuant to the Company’s automatically effective shelf registration statement on Form S-3 (Registration No. 333-210589), including the prospectus dated April 5, 2016 contained therein. A copy of the press release is attached hereto as Exhibit 99.1.

The Company expects to receive net proceeds of \$0.6 million from this offering after deducting the underwriting discounts and commissions. The Company anticipates using the net proceeds from the sale of the Company’s Class A common stock to pay the transaction expenses incurred by the Company in connection with this offering and the remaining proceeds, if any, will be used for general corporate purposes.

The Company will not receive any proceeds from the sale of the shares to be offered by the selling stockholders.

Selling Stockholders

The following table sets forth information regarding the beneficial ownership of shares of the Company’s Class A common stock as of December 31, 2018 by each selling stockholder in the offering.

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. Under these rules, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or to direct the voting of such security, or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days, including those shares of the Company’s Class A common stock issuable upon exchange of LLC Units (together with corresponding shares of the Company’s Class B common stock) on a one-for-one basis, subject to the terms of the Company’s exchange agreement. Except as indicated by the footnotes below, the Company believes, based on the information furnished to it, that the entity named in the table below has sole voting and investment power with respect to all shares of common stock that the entity beneficially owns.

The table below is based on 168,549,037 shares of the Company’s Class A common stock outstanding (or 174,803,334 shares outstanding, assuming exchange of all outstanding LLC Units (together with corresponding shares of the Company’s Class B common stock)) as of December 31, 2018. The number of shares of the Company’s Class A common stock and percentage of beneficial ownership after the offering set forth below are based on shares of the Company’s Class A common stock outstanding immediately after the offering and gives effect to the sale by us of 8,000 shares of our Class A common stock and the sale by the selling stockholders of 8,538,616 shares of the Company’s Class A common stock and includes shares of the Company’s Class A common stock issuable upon exchange of LLC Units (together with the corresponding shares of the Company’s Class B common stock) on a one-for-one basis.
